

100 Million 441

Chapter 441 - 441 New Reward, Green Bag Scripture of Medicine!

441 New Reward, Green Bag Scripture of Medicine!

“You picked up 50,000 yuan? You picked it up in your dreams?”

A fierce female voice immediately came from the other end.

Fatty hurriedly explained, “It’s true. Just now, two university students came to our old house and found a ceramic cup in the wall. They wanted to take it away. Can I agree to it? I immediately reprimanded them and offered 50,000. The kid had no choice but to pay on the spot and leave dejectedly.”

“A ceramic cup? What kind of ceramic cup?”

“It’s about the size of a palm. Oh right, there are a few words written below... What is it? Ming’s age change system?”

“Chenghua?”

“Yes, yes, yes. What does this mean?”

There was a long silence on the other end of the phone.

The fatty didn't understand and continued to take credit. "Honey, are you overjoyed? Hurry up and praise me."

At this moment, his wife suddenly roared, "You big idiot! Master Ming Chenghua's antique is worth at least 1 million, and you f*cking sold it for 50,000 yuan? Hurry up and get those two little brats back. Otherwise, don't go home."

The fatty's eyes widened. "Millions? Who told you that? A broken cup is worth millions?"

"I just asked an expert yesterday. How can this be fake? What are you still standing there for? Hurry up and get those two little brats back!"

The fatty shuddered. He hurriedly chased after Ye Feng and the other two.

However, by the time he came out, the other party had already disappeared.

He hurriedly pulled two workers over. "Those two brats... What about the university students?"

"They drove away."

“Which direction did he go?”

“Over there.”

The fatty got the clue and immediately drove to chase after him.

The two workers reminded him again, “I advise you not to waste time. That man was driving very fast. You won’t be able to catch up.”

“Yeah, he was gone in the blink of an eye.”

When the fatty heard this, he felt his legs go soft and he fell to the ground.

His eyes were lifeless and his face was ashen.

He thought that the other party was young and easy to fool.

Only now did he realize that the clown was himself.

How were they two university students? They were simply two little foxes.

They had cheated him of millions of dollars worth of treasures.

He even wanted to die now.

How was he going to explain to his wife when he went back tonight?

..

“50,000 yuan for such a broken cup? What are you thinking?”

Sitting in the front passenger seat of the Mercedes-Benz, Shen Baitian looked at Ye Feng with disdain.

“This cup is not an ordinary cup. This is a... a cup with a rooster painted on it. ”

Ye Feng had a proud smile on his face.

“Tsk, if you give me 50,000 yuan, I can buy you a truckload of these cups.”

Shen Baitian couldn't help but complain.

"Sigh, the ignorant are innocent."

"Who are you calling ignorant?"

"Don't doubt it. I'm talking about you."

"I... I'll bite you to death."

Shen Baitian flew into a rage out of humiliation and opened her mouth to bite him.

"Don't mess around. I'm driving."

Ye Feng hurriedly stopped her, "You can video call your grandfather and let him see if this cup is worth 50,000 yuan?"

"My grandfather is not as stupid as you," Shen Baitian mumbled, but she still called her grandfather, Shen Guanlin.

The video call was quickly connected.

Shen Guanlin appeared on the phone screen with a dotting smile.

“Tian Tian, why do you want to call Grandpa today?”

“Grandpa, I don’t know what went wrong with Ye Feng just now, he actually spent 50,000 yuan to buy a broken cup. Please give me some advice,” Shen Baitian immediately complained to her grandfather.

“You are together with Ye Feng? Where are you going? Are the two of you the only ones together?”

Shen Guanlin immediately perked up.

“Grandpa, you’re focusing on the wrong thing. The main point is that he spent 50,000 yuan on a cup.”

Shen Baitian quickly acted coquettishly.

“Oh? What kind of cup? Can I take a look?”

When Shen Guanlin heard that it was Ye Feng who bought it, his interest was piqued.

Shen Baitian immediately turned the camera to the porcelain cup.

“It’s this one. How can such an ugly cup be worth 50,000 yuan?”

Shen Guanlin had a kind smile on his face.

When he saw the cup, his face froze.

“This... Could this be... That’s impossible...”

Shen Baitian saw that he looked like he had seen a ghost and hurriedly asked, “Grandpa, what’s wrong?”

Shen Guanlin rubbed his eyes. “If I’m not mistaken, this should be the Ming Chenghua Doucai Chicken Jar Cup, right? ”

Shen Baitian turned the bottom of the cup over. “It’s indeed made in Chenghua of Ming Dynasty.”

Shen Guanlin gasped. “If this cup is real, it’s too precious.”

Shen Baitian looked at him in confusion. “How precious is it? Is it worth 50,000?”

Shen Guanlin was amused by her words.

“50,000? If this cup was real, it would be worth at least 100 million. It was not strange for a fated buyer to sell it for 200 to 300 million yuan.”

Shen Baitian’s hand trembled and she almost dropped the cup.

However, her reaction was still relatively fast. Just as she was about to throw it away, she hurriedly grabbed it tightly.

“Grandpa, are you joking? This cup is worth hundreds of millions?”

“In 2014, there was a chicken cup that looked exactly like this. A sky-high price of 800 million, do you think I’m joking?”

When Shen Baitian heard her grandfather’s words, she was completely stunned.

She originally thought that Ye Feng spent 50,000 yuan to buy a ceramic cup, and he had too much money to spend.

Only after hearing his grandfather's explanation did she realize how stupid she was.

50,000 yuan for a treasure worth nearly 300 million yuan.

This was definitely a miracle!

And she was fortunate enough to be the witness of this miracle.

If the original owner of this cup knew its true value, he would probably vomit blood from anger, right?

She was so shocked that she couldn't come back to her senses for a long time.

She just stared blankly at the chicken cup.

It was as if she wanted to see how it was worth 800 million.

Ye Feng did not bother about her. He focused on driving.

At the same time, the system notification rang in his ears again.

[Congratulations to the host for completing the opportunity navigation. The system reward is the Green Bag Scripture Medical Skill!]

When he heard the system reward, he frowned.

Chinese medicine?

Chapter 442 - 442 Talent Is Like Pregnancy

442 Talent Is Like Pregnancy

Because of the public opinion on the internet these few years, Ye Feng was still somewhat against Chinese medicine from the bottom of his heart.

He felt that this was pseudoscience and was useless.

Therefore, when he heard that the system had rewarded him with a set of Chinese medicine, he was shocked.

He wasn't too happy.

He even felt that the system's reward this time was really lacking!

Compared to the previous rewards, it was a world of difference.

Just as he was feeling puzzled, he realized that Shen Baitian was massaging her legs and shoulders, as if she was in pain.

"What's wrong? Are you feeling unwell?"

Shen Baitian nodded. "Recently, I've been staying up late to write my graduation thesis. I've also been driving for such a long time just now. I feel very sore."

Ye Feng pondered for a moment. He stopped the car by the roadside.

"Give me your leg."

"Ah?"

Shen Baitian was stunned when she heard that.

“I said, give me your leg. I’ll massage it for you.”

Ye Feng saw her hesitation and urged her again.

“No, no, no. No need, I’ll just press a few times myself.”

She was still a little embarrassed.

“Cut the crap, hurry up!”

Ye Feng did not have much patience.

Shen Baitian had no choice but to take off her shoes slowly, revealing two fair and smooth little feet.

“Do you know how to massage?”

She had some doubts about Ye Feng’s level. After all, she had never heard that Ye Feng knew this before.

Ye Feng did not say anything else. He placed her legs on his.

Then, he bent his fingers into a hook and pressed hard on the yongquan acupoint at the bottom of her foot according to the medical technique of the Green Bag Sutra.

“It hurts...”

Shen Baitian’s long, slender legs immediately straightened, and her two little feet quickly curled up.

She subconsciously wanted to break free.

But her ankles were tightly bound by Ye Feng. She could not break free at all.

Ye Feng’s fingers were very agile. They moved quickly around her feet.

Due to his Green Bag Sutra medical skills, he already knew the acupoints of the human body like the back of his hand.

Therefore, the acupuncture points that he pressed were all extremely accurate.

“Ah... Ye Feng, uh... Don't...”

Shen Baitian felt her entire body go numb, and her body started to twist crazily.

At the same time, she begged Ye Feng for mercy.

However, after the initial discomfort, she soon felt comfortable.

She felt a warm current surge from the soles of her feet and quickly engulf her entire body.

She couldn't help but let out a low moan.

But if she really made that sound, it would be too embarrassing.

Shen Baitian could only bite her finger and try not to make any noise.

Even so, she could not control her instincts, but her nostrils kept making strange noises.

Her eyes were as charming as silk.

Ye Feng unintentionally saw this scene, and his heart shook.

Shen Baitian had always been extremely good-looking.

She had specially dressed up because she was going out today.

She was even more beautiful.

At this moment, her feet were on his legs.

Her two long, fair, and slender legs were extremely alluring.

Her two little feet were soft and cute, and she was held in his palm at this moment.

As he was immersed in the medical skills of the Green Bag Sutra, he did not have many dirty thoughts.

Only when he woke up did he realize that something was wrong.

His imagination was very rich, and he immediately thought of a picture that made his blood pulse and swell.

He subconsciously rubbed her jade-like feet.

Shen Baitian felt as if she had been struck by lightning and her body stiffened.

She had never encountered such a scene before. For a moment, she did not know how to react.

At that moment, a car happened to drive past them. The man in the front passenger seat stared at them with his eyes wide open.

The car had already driven past, but he was still looking over.

It was obvious that he had misunderstood the two of them doing something unhealthy in the car.

However, their current position could easily cause misunderstandings.

Shen Baitian reacted quickly and hurriedly pulled her little feet away.

Then, she covered her burning cheeks, so embarrassed that she wished she could find a hole to hide in.

Ye Feng coughed awkwardly. "That... do you feel better?"

Shen Baitian was so ashamed that she wanted to die.

Hearing his reminder, she hurriedly sensed it.

Then, she exclaimed, "I'm really much more relaxed. All the fatigue in my body has been swept away... How did you do it?"

She wasn't trying to flatter him, but she could feel the changes in her body.

It was indeed much more comfortable than before.

It was as if a heavy burden had been thrown away. It was extremely comfortable.

Ye Feng was very satisfied with this result. He smiled proudly. "Because my medical skills are godly, please call me Divine Doctor Ye in the future."

Shen Baitian looked at him blankly. "You actually know medicine? Why didn't I know?"

Ye Feng smiled proudly. "I know a lot. How can I let you know everything? Talent was like pregnancy. The longer one is pregnant, the more obvious it will be."

Shen Baitian wanted to retort when she saw his smug look.

However, she really couldn't find an excuse to refute.

She was really shocked.

This guy was like a treasure trove.

When you thought you had dug to the end, he would always inadvertently give you a new surprise.

Because she was too shocked, the awkward scene just now was diluted by a lot.

The two of them chatted and laughed as they quickly drove into Binhai City.

Shen Baitian had already decided on a place to stay in advance.

Ye Feng originally thought that it would at most be some high-end hotels.

However, when he drove to the destination, he realized that he was wrong.

And he was very wrong.

This was not a hotel, but a luxurious villa.

The villa had two floors, and the whole building was white, making it look extremely bright and transparent.

More importantly, this villa was built by the sea.

Opening the window, one could see the beach outside.

“How is it? Are you satisfied with my arrangements?”

Shen Baitian immediately looked at Ye Feng with an expression that was asking for credit.

Ye Feng could not help but smile bitterly. "We just came out to relax, is there a need for you to spend so much money?"

According to his guess, the daily rent of this villa was at least tens of thousands, right?

Shen Baitian threw her luggage aside and went to open the huge French window to let the sea breeze into the room.

"Since we're out to play, of course we have to focus on being happy. This was the most luxurious holiday villa in Binhai, and the service was very good..."

Saying so, she looked at Ye Feng mysteriously.

"Also, there's a special service. Are you interested?"

Chapter 443 - 443 You're Using This to Test the Officers?

443 You're Using This to Test the Officers?

When Ye Feng heard her words, he immediately asked the obvious. "What special service?"

Seeing that he was pretending to be confused, Shen Baitian could only continue to guide him, "It's that kind of... You know, the kind that men like."

Ye Feng walked over step by step. "I don't understand, can you explain?"

Shen Baitian hurriedly stepped back. "You're a grown man. Don't you know what special services are?"

Ye Feng forced her into a corner, "I am not interested in those services, if you are willing to serve me, I can reluctantly accept it."

Shen Baitian could feel the masculine aura emanating from his body and thought of the ambiguous scene they had in the car.

Her small face was flushed to the ears.

"Go to h*ll!"

As she spoke, she hurriedly pushed him away.

Then, she pulled her luggage and quickly went up to the second floor.

Ye Feng looked at her flustered back and felt a surge of emotions.

Perhaps it was because he had tasted the joy of love.

During this period of time, he was always distracted.

This could not go on. If he could not control himself for a moment, he would really hurt Shen Baitian...

Shen Guanlin could probably chase him to the ends of the earth with a kitchen knife.

Thinking of this, he hurriedly took out his phone and called Chen Xuan.

“Sister Xuan, how are the arrangements on your side?”

“It’s all arranged. We’re just waiting for the conference to begin. Why are you calling me?”

“I... I miss you.”

“We’ve only been apart for less than a day. Can you stop acting like a child?”

“But I just can’t help but miss you. What do you think I should do?”

“I forgot to tell you, I’m also in Binhai City.”

“You’re in Binhai City too? Why are you here?”

“Come out and relax.”

“Oh, that’s good too. Then you should relax.”

“You... come and accompany me tonight?”

“No, I still have to memorize the script and prepare the powerpoint. I can’t leave at all...”

“There’s something else I forgot to tell you. I came here with Shen Baitian. We’re living together.”

“What? Then tell me the location. I’ll look for you when I’m done.”

“That’s more like it.”

Ye Feng hung up the phone in satisfaction.

He was immersed in the longing for a private meeting with a beautiful woman tonight.

At this moment, he heard Shen Baitian coughing behind him.

He casually turned his head and glanced at it.

Pa da!

The phone fell to the ground.

Her eyes were almost staring straight at him.

Shen Baitian had changed into a refreshing white beach dress.

Her fair waist and her long legs under her short skirt were especially eye-catching.

She was wearing a pair of white slippers.

Her toes were like green onions, and her nails were painted pink.

It made one's heart itch.

"How is it? Is it nice? I just bought it," Shen Baitian said as she spun around.

Ye Feng's expression darkened. "What are you wearing? You're using this to test the officers? Who could withstand such a test? Hurry up and change."

Shen Baitian was a little unhappy. "What's wrong? I still have a bikini to wear tomorrow."

Ye Feng became even angrier when he heard that. "Can you wear those kinds of clothes? You... aren't you afraid of getting tanned? Quickly change into a long-sleeved shirt."

Shen Baitian instantly became angry. "Why? I don't think there's anything wrong with this dress. You're really an antique."

With that, she was about to leave.

Ye Feng stopped her. "Are you going to change? If you don't want to change, then I'll help you change."

Then, he pretended to take off her clothes.

“Ah!” Shen Baitian screamed and ran to the second floor.

Before entering the bedroom, she did not forget to make a face at him. “Old fogey!”

After a while, she changed into a white dress and walked out.

This time, it was covered tightly, and the hem of the dress even covered her ankles.

Only then did Ye Feng nod his head in satisfaction. “This is what I call clothes.”

Shen Baitian rolled her eyes. “What aesthetic sense?”

With that, she walked out.

However, when she turned around, she could not help but smile.

She had heard people say that only outsiders would want you to wear as little as possible.

Only those who loved you would want you to wear as much as possible outside.

This should be a kind of possessiveness.

Could it be... Was he possessive of her now? Hehe...

Ye Feng also walked out.

In fact, his thoughts were not that complicated.

He just felt that if he went out dressed like that, it would definitely attract the attention of many men.

It might even cause some unnecessary trouble.

He was on vacation this time and just wanted to relax.

He didn't want to have any conflict with anyone.

However, Ye Feng had clearly underestimated Shen Baitian's charm.

Although she was already wrapped up tightly, the number of heads turned was still very high.

Those who were originally playing on the beach stopped their movements and looked over.

Ye Feng could not help but feel a little helpless. "I think you should cover your face too, then there won't be so many people looking at you."

Shen Baitian couldn't help but glare at him. "You're blaming me for being pretty? I might as well stay at home and not go out."

Ye Feng immediately nodded in agreement. "I think so."

Shen Baitian rolled her eyes again. "What an antique."

After saying that, her eyes suddenly turned.

She deliberately slowed down her pace, then lifted the seawater and splashed it on him.

Ye Feng was ambushed, and he immediately counterattacked.

His two hands seemed to be equipped with a motor as he continuously splashed water at her.

“Ah...”

Shen Baitian immediately screamed and dodged everywhere.

The two of them continued to fight without restraint.

Many men on the beach felt their blood boil.

Many people looked at Ye Feng with ‘hate for stealing their wife’.

They wanted to rush up and fight him.

Chapter 444 - 444 Open Your Dog Eyes and Look Clearly

444 Open Your Dog Eyes and Look Clearly

Just as the two of them were fooling around, two men suddenly walked over.

“Hello, beautiful. Can I take a photo with you?”

One of the men walked up to Shen Baitian and mustered up the courage to ask.

Shen Baitian stopped fooling around and shook her head with a smile. “Sorry, it’s not convenient.”

The man was still unwilling to give up. “Don’t worry, we have no ulterior motives. To be honest... We’re actually gay and don’t like women. I just feel that you’re too beautiful and want to take a photo with you as a memento.”

Shen Baitian was relieved after hearing his explanation.

Since the other party was gay, it was not impossible to take a photo with him.

After all, this was a form of affirmation of her beauty.

“Then... alright.”

The man was overjoyed when he got the approval.

He immediately handed the phone to his companion and walked to Shen Baitian's side.

Ye Feng had been watching the two coldly.

At this moment, he saw the person standing beside Shen Baitian slowly reach for her shoulder strap.

The person in charge of taking the photos adjusted the angle and prepared to take a picture.

He immediately understood their dirty thoughts.

He must have wanted to take the opportunity to capture the scene of Shen Baitian's naked body.

Thinking of this, he immediately rushed forward, grabbed the man's hand, and squeezed it hard.

"Ah, it hurts..." the man immediately screamed.

The person in charge of taking photos rushed up and pointed at Ye Feng. "What are you doing? Let go quickly..."

Before he could finish, Ye Feng's other hand reached out like lightning and grabbed his finger.

"Ah..."

The man also screamed and knelt on the ground.

This scene happened too suddenly, so much so that Shen Baitian was still stunned on the spot, not knowing what had happened.

"Ye Feng, what are you doing? Let go."

Shen Baitian reacted and hurriedly tried to persuade him.

Only then did Ye Feng let go of the two of them.

The two regained their freedom. They rubbed their sore fingers and wrists while glaring at Ye Feng.

"Why did you hit someone for no reason?"

“Yeah, we’re just taking a photo. Do you have to do that?”

Shen Baitian, who was at the side, also looked at Ye Feng. “Ye Feng, what is going on?”

Ye Feng looked at the two of them coldly. “What are you two up to? Why aren’t you telling the truth?”

When the two men heard this, they immediately pretended to be confused.

“What are we up to? Why don’t I understand?”

“That’s right. We’re just taking a photo with your girlfriend. Do you have to be like this?”

The onlookers heard their explanation and started to blame Ye Feng.

“This person is really something. He just took a photo with his girlfriend. Why would he be so jealous?”

“Yeah, so what if they take a photo together? Besides, even if you’re jealous, you can’t hit someone.”

“This kind of man is too dangerous. Is he treating his girlfriend as his private property?”

“One look at him and you can tell that he has violent tendencies. Beauty, I advise you to stay away from this kind of man.”

“It shouldn’t be just because of the group photo, right? Could there be another reason?”

“No matter what the reason is, hitting someone is wrong.”

“Violent man, how disgusting...”

Although everyone only heard a few words, they all concluded that it was Ye Feng’s fault and started to criticize him.

Even Shen Baitian felt that Ye Feng was too much.

Although she was very happy that he was jealous of her, there was a limit to jealousy.

Previously, he did not allow her to wear revealing clothes, so she immediately changed into another one obediently.

However, he had gone too far in this matter.

Wasn't it just a photo? Did he have to have such a big reaction?

Suppressing the displeasure in her heart, she hurriedly tugged at Ye Feng. "Ye Feng, you have gone too far in this matter. Hurry up and apologize to him."

Ye Feng heard this and immediately sneered: "You want me to apologize to them? Dream on."

Shen Baitian became even angrier. "Why are you like this? After hitting someone, there's still reason? You disappoint me."

Ye Feng snorted coldly. "That's because they deserve a beating."

Shen Baitian was so angry that she was about to cry. She could only turn around and look at the two of them. "He was indeed in the wrong. I apologize on his behalf."

The two of them did not appreciate her apology.

"Why are you apologizing? You're not the one who hit us."

"That's right. Is he a mute? Let him apologize himself."

Shen Baitian was in a dilemma.

She was even regretting coming out for a vacation with Ye Feng now.

This guy was really not calm.

Ye Feng's lips curled into a cold smile. He walked towards the two of them. "Apologize? No problem, but I'll have to take a look at your phones first."

As he spoke, his right hand quickly reached out and snatched the man's phone.

The man immediately panicked. "Give me back my phone. You can't snatch it."

He shouted loudly as he rushed forward, wanting to take the phone back.

Ye Feng did not waste any time. He directly kicked his chest.

The man flew back and fell heavily to the ground.

The other man did not dare to rush forward and could only ask the others for help. “Everyone, help! He snatched our phones...”

Seeing this scene, the surrounding crowd became even angrier.

“Why is this person like this? Wasn’t it enough to beat someone up? Why did you even snatch their phone?”

“This is too much. We can’t let him leave today. He must be punished.”

“Everyone, work together to capture him and hand him over to the Personnel Office.”

“Yes, we can’t let him off easily.”

As they spoke, they rushed forward to capture Ye Feng.

Ye Feng took a step back. At the same time, he opened the photo album on the man’s phone.

A bunch of photos immediately popped up in the photo album. They were all photos of secretly taking photos under girls’ skirts and revealing them.

He immediately turned his phone to the crowd. "Open your dog eyes and look carefully. What photos are in their phones?"

When the excited crowd saw the obscene photos on their phones, they were stunned in disbelief.

Helping the wrong person?

Chapter 445 - 445 Young Man, You're Going to Be At a Disadvantage With Your Character

445 Young Man, You're Going to Be At a Disadvantage With Your Character

Shen Baitian was also a little confused.

She was blaming Ye Feng just now. She did not understand why he hit him for no reason.

However, when she saw the photos on the phone, she finally understood.

Moreover, many of the photos were taken by the two men when they lifted the girl's skirt.

Seeing the girl's panicked and embarrassed looks in the photo, she was instantly afraid.

If Ye Feng did not stop them in time, she would have ended up like those girls, right?

But she actually blamed him just now...

Thinking of this, she immediately looked at Ye Feng in shame. "Ye Feng, I'm sorry..."

The crowd of onlookers felt even angrier as if they had been deceived.

They were just fighting for justice for these two people, but they did not expect them to be scum worse than beasts.

"What two beasts. How could they do such a despicable thing?"

"We were almost deceived by you. Are you still human?"

"Everyone, let's work together and bring these two to justice."

"That's right. Don't let these two scums escape. Everyone, attack together."

Everyone was noisy and wanted to rush toward the two people.

The two of them were so frightened by their aura that they retreated repeatedly.

At this moment, a loud shout came from behind. "Are you all f*cking courting death?"

Everyone stopped and looked back.

They saw a few shirtless men walking over aggressively.

These people all had tattoos on their bodies, and they didn't look like good people.

The two of them seemed to have seen their saviors and immediately pushed aside the crowd to welcome them.

"Brother Biao, you came too timely. If you had come a little later, we would have been skinned by them."

That 'Brother Biao' was a big guy about 1.8 meters tall. His body was covered in scars, and he had a valiant aura.

Brother Biao's gaze swept across coldly. "Who said that they wanted to bring my brothers to justice?"

The onlookers met his sharp gaze and lowered their heads to retreat.

They had thought that the two of them were just ordinary hooligans, which was why they dared to come out to save the damsel in distress.

At this moment, seeing that the other party's background was not small, they did not want to cause trouble for themselves, so they all started to retreat.

That Brother Biao shouted at these people and they started to retreat. His expression became more and more arrogant. He turned around and walked towards Ye Feng and the other two.

"Kid, you're the one who's causing trouble, right?"

Ye Feng's expression was still normal when facing Brother Biao's imposing manner.

"You're talking the other way around, aren't you? It was clearly your people who caused trouble first. It was fine if you didn't control your subordinates, but instead, you made a false accusation?"

The crowd saw that Ye Feng still dared to be stubborn at this moment, they were all anxious for him.

“Young man, you can’t afford to offend such a person. Hurry up and apologize.”

“That’s right. A strong dragon can’t suppress a local snake. We came out to be happy. There’s no need to cause trouble.”

“This group of people is not to be trifled with. It’s better to avoid trouble.”

“Young man, listen to us and apologize to him quickly...”

When Ye Feng heard this, he revealed a mocking expression. “It’s not my fault, why should I apologize?”

When the group of people heard his words, they shook their heads.

“You’re still too young. Apologizing doesn’t mean you’re wrong. It’s just to make peace.”

“One look and you can tell that he’s a bookworm. He doesn’t know how to be flexible at all.”

“You’re outside. Can you lose a piece of meat by apologizing? It’s better than being beaten up, right?”

“Young man, with your personality, you will suffer a great loss.”

Everyone began to lecture him as if they had experienced it before, but no one dared to criticize those bullies.

Brother Biao looked at Ye Feng proudly.

“How about this? Don’t say that I’m bullying you. If you apologize to my two brothers now and ask your girlfriend to drink with us, I’ll be magnanimous and let you go.”

The crowd hurriedly turned their heads and urged, “Young man, what are you waiting for? Hurry up and apologize.”

“Yeah, it’s rare that he doesn’t argue with you. Why are you still hesitating?”

“A real man can yield and stand up. Is face that important?”

“Young man, don’t be stubborn. Just listen to our advice.”

Ye Feng turned a deaf ear to everyone’s words. He only stared coldly at Brother Biao.

“This is exactly what I wanted to say to you. If your two brothers apologize to my friend, I will be magnanimous and let you go.”

The smile on Brother Biao’s face immediately disappeared. “I gave you face but you refused.”

As he spoke, he waved at the group of people behind him. “Teach this kid a lesson. Oh right, don’t touch that woman. I’ll teach her a lesson later.”

Those people received the order and immediately surrounded Ye Feng.

The crowd that was watching the show retreated into the distance.

At the same time, they were gloating in his heart.

This kid didn’t listen to their advice. He was going to suffer.

They were even looking forward to it.

Shen Baitian saw this and quickly rushed to Ye Feng. “How can you hit others? Is there any law?”

When the group of people heard her words, they immediately laughed arrogantly.

“Law? In Binhai City, your Brother Biao is the law!”

The two people at the front reached out to grab her.

He probably wanted to pull her away so that it would be easier for them to attack.

A cold light flashed in Ye Feng’s eyes. His right hand reached out like lightning.

He grabbed the man’s arm and pulled him back.

Crack...

The sound of bones dislocating could be heard.

“Ah...”

The man immediately let out a blood-curdling scream.

Then, he was kicked into the sea by Ye Feng.

“This kid is a little troublesome. Don’t worry about that woman for now.”

Brother Biao could tell that Ye Feng had some strength. He immediately commanded calmly.

Those people received the order, they abandoned Shen Baitian and attacked Ye Feng.

Chapter 446 - 446 What a Role Model For Men!

446 What a Role Model For Men!

Facing everyone’s attacks, Ye Feng quickly calmed down.

Because Shen Baitian was beside him, it was difficult for him to fight back.

Moreover, as the local tyrant, it was hard to guarantee that there would not be reinforcements.

Therefore, the best way now was to capture the leader first and end the battle quickly.

After thinking about this, he immediately forced the few burly men in front of him away.

He directly rushed toward Brother Biao, who was commanding from behind.

That Brother Biao was also a ruthless character. He quickly reacted.

He took out a folding knife from his pocket.

Bang!

The blade of the foldable knife shot out, and a cold light appeared.

Without any hesitation, he stabbed toward Ye Feng's heart.

Moreover, he was very strong. It was obvious that he was going to kill someone.

Ye Feng's expression turned ruthless.

He dodged to the side, then quickly grabbed his wrist and kicked him hard.

Kacha!

A hair-raising bend immediately appeared on Brother Biao's wrist.

Before he could scream, Ye Feng kicked his leg.

He directly knelt on the ground with a thud.

"Whoever dares to take another step forward, I'll take his life first."

Ye Feng placed the foldable knife on Brother Biao's throat, coldly looking at those ruffians.

Seeing that their boss had been captured, the group of people stopped.

However, one of them did not believe it and rushed toward Shen Baitian.

Ye Feng's eyes flashed with killing intent, the folding knife in his hand flew out.

In the next second, it stabbed into the man's wrist.

“Ah...”

The man screamed and rolled on the ground, clutching his wrist.

This scene immediately shocked everyone present.

They had thought that Ye Feng was just an ordinary university student, and he would be at their mercy and not dare to make a sound.

However, they never expected that the other party's skills and the degree of his spiciness far exceeded their imagination.

Instantly, no one dared to move.

Including those spectators who were waiting to see Ye Feng make a fool of himself, they also widened their eyes in disbelief.

In fact, the time the two sides exchanged blows was very short.

From the group of ruffians attacking Ye Feng with killing intent to Ye Feng counterattacking and capturing Brother Biao, the entire process took less than ten seconds.

However, the situation on the field had already turned 180 degrees.

They finally understood.

The reason why he dared to shout at Brother Biao and the other local ruffians was because he really had the strength. It was not some overconfident provocation.

It could only be said that their horizons were too narrow and they could not tell who was the true dragon.

Brother Biao's throat was tightly gripped by Ye Feng.

He was actually scared out of his wits.

But he wanted to save face in front of these subordinates. He did not want to give in to Ye Feng.

At the same time, he thought that the other party was at most a little stronger. Would he really dare to kill someone?

Thinking of this, he immediately laughed sinisterly. “Brat, kill me if you have the guts. If your Master Biao gives in, he’s not raised by his parents.”

Ye Feng could not help but sneer when he heard that he was still stubborn.

At the same time, he exerted strength in his hands.

Kaka...

Brother Biao’s Adam’s apple immediately tightened, as if it would explode at any moment.

“Hero, forgive... Spare me...”

Brother Biao no longer cared about his face and hurriedly begged for mercy.

Ye Feng sneered: “Who was the one who said just now, if anyone were to give in, they would not be raised by their parents?”

Brother Biao nodded repeatedly. “I’m a f*cker. I’m a son of a b*tch. Brother, you have to calm down. Don’t be impulsive..”

His subordinates were dumbfounded.

The Brother Biao in their impression had always been arrogant and domineering, not afraid of death.

They did not expect that there would be a day where he would kneel and beg for mercy.

“Do you still need me to apologize to you now?”

Ye Feng’s grip loosened slightly as he looked at Brother Biao coldly.

“No need, no need. I was blind before and offended you. I’m nothing in your eyes. Please be magnanimous and let me go,” Brother Biao said with a fawning expression.

Ye Feng was disgusted by his expression. He kicked him away.

“I know you’re not convinced. Go ahead and move backstage. I’ll wait for you.”

“Kid, just you wait. If I let you walk out of Binhai City safe and sound, I’ll be your grandson.”

After Brother Biao escaped, he changed his face again.

After saying those harsh words to Ye Feng, he left with his subordinates.

Ye Feng ignored his threat.

If the other party did not come to find trouble with him, it would be fine.

If he really dared to come, he would not be so lucky next time.

It was only then that Shen Baitian walked over.

“Ye Feng, I’m sorry, I was wrong..”

Her eyes were filled with tears.

Previously, when Ye Feng helped her, she misunderstood him and even caused him so much trouble.

She was already blaming herself.

Ye Feng snorted coldly and turned around. "How could you, Eldest Miss Shen, be wrong? This is all my fault for being a busybody."

When Shen Baitian heard his heartless words, she couldn't hold it in any longer. Tears flowed down her face as she hugged his arms tightly.

"Ye Feng, I was really wrong, I beg you... Forgive me this time. I'll definitely listen to you in the future, okay?"

She kept begging Ye Feng. She did not care about her image at all.

When the surrounding crowd saw this, they couldn't help but secretly click their tongues.

Shen Baitian was definitely a goddess among goddesses.

At this moment, she was actually begging a man without caring about her image.

This was too inconceivable.

But when they thought of the insane strength that Ye Feng had displayed earlier, everyone understood.

Perhaps only such a powerful man could make such a goddess willingly submit to him?

Many men turned around and looked at the 'tigress' beside them, then at Shen Baitian who was crying so hard, they were instantly convinced by Ye Feng.

This little brother was really a role model for men!

Chapter 447 - 447 My Mission Is To Send Them To Hell

447 My Mission Is To Send Them To Hell

Ye Feng also did not expect that Shen Baitian would beg him in public without caring about her image.

She had been born noble since she was young. Coupled with her outstanding looks, she had always been a little princess pursued by the people around her.

Perhaps only in front of him would she reveal such a humble side?

That trace of resentment immediately dissipated.

"Why are you crying? Those who don't know better might think that I've done something to you."

He shook his head helplessly and wiped the tears off her face.

Shen Baitian looked at him pitifully. "You... You're not angry with me anymore?"

Ye Feng flicked her smooth forehead. "Do you think I would be so calculative over such a trivial matter? Who do you think I am?"

Shen Baitian rubbed her aching forehead and immediately put on a fawning expression. "Yes, yes, yes. You're broad-minded and the prime minister can hold a boat. Why would you be calculative with me?"

When Ye Feng heard her say 'broad-minded', he realized that his arm was in her embrace.

Shen Baitian noticed the change in his expression and realized something at the same time.

She hurriedly let go of him, her pretty face already flushed red.

Ye Feng saw her shy expression and his heart skipped a beat.

An absurd thought immediately popped up in his mind.

'Should I let her go with Sister Xuan tonight?'

Before he could form this thought, he heard Shen Baitian suddenly say, "That group of people just now definitely won't let it go. They might even come looking for trouble."

Ye Feng quickly threw the unhealthy thoughts to the back of his mind. He showed a disdainful expression.

"That's great. I was afraid they wouldn't come. I've already forgiven them once. If I forgive them again, it'll be up to the King of Hell. My mission is to send them to the King of Hell."

Shen Baitian's eyes lit up when she heard his words.

She had to admit that Ye Feng was extremely charming at this moment.

Probably no girl could resist this kind of male charm, right?

"A strong dragon can't suppress a local snake. After all, we are unfamiliar with the people and places in Binhai City. There is no need to confront them head-on. I still have a lot of friends in Binhai City. I'll go and find them tonight to understand the situation."

In Ye Feng's heart, there was no need for this.

However, when he thought of Chen Xuan coming tonight...

Shen Baitian went to look for her friends, which created space for the two of them.

He immediately nodded in agreement. "That's good too."

..

Brother Biao brought a group of people to a luxurious villa nearby.

"Big Brother, our brothers were beaten up. You have to help us..."

As soon as he entered the living room, he cried to the man sitting on the sofa.

The man was in his fifties and wore an exquisite suit. He looked like an elite in the business world.

In fact, everyone who knew the inside story knew.

This person was called Gao Hu, and he used to be the feared boss of Binhai City. He specialized in fishing for unorthodox businesses.

However, this person was very smart. He knew that if he continued walking down this path, he would not have a good ending.

Therefore, he had started to clear his name very early on and engaged in a legitimate business.

Now, he had become a successful business elite.

Seeing Brother Biao and the others enter, Gao Hu frowned slightly.

With his current status, he should have drawn a clear line with this group of people long ago.

However, these people had gone through life and death with him back then. In addition, there were some things that needed such people to deal with, so he had never cut off contact with them.

Seeing Brother Biao and the others in such a miserable state, they probably went out to cause trouble again.

“What’s wrong with you guys?”

Although he was unhappy, he did not show any joy or anger on his face.

“Big Brother, we were playing at the beach just now. We encountered two foreigners who deliberately provoked us and even beat us up...”

Brother Biao immediately added fuel to the fire.

He pushed all the blame onto Ye Feng, describing himself as a victim who did not retaliate.

Gao Hu was not a fool. How could he not know the character of these guys?

Why would two foreigners provoke them?

They must have gone to bully others, but they met a tough guy and got taught a lesson instead.

“Who are those two? Have you figured it out?”

Although he was a little disdainful, he still asked patiently.

“We just checked,” Brother Biao replied hurriedly. “These two people came from Zhonghai. They drive a Mercedes-Benz GLS and live in Huatian Villa.”

Gao Hu frowned again when he heard his introduction.

He thought they were just two ordinary university students.

If that was the case, he did not mind dealing with it on the way and giving Brother Biao and the others face.

However, he heard that the other party was from Zhonghai, drove a Mercedes-Benz GLS, and lived in a Huatian holiday villa. Obviously, they had some background.

This made him hesitate.

Brother Biao also saw his hesitation and immediately provoked him.

“Sigh, we also know that the other party has some background. I’m afraid that even Big Brother doesn’t dare to provoke him. Forget it, brothers, just take it that you’ve suffered a loss in silence and endure it.”

As he spoke, he was about to leave with his subordinates.

“Stop!”

At this moment, Gao Hu snorted coldly.

“Although I don’t walk around the martial world anymore, I’m not afraid of two students. You guys lead the way, I’ll go meet them personally. How dare you touch my people? If they didn’t give us an explanation, they won’t be able to leave Binhai City.”

As he spoke, he stood up and walked out.

Brother Biao and the others looked at each other and revealed joy.

Boss Gao had already stepped out. That kid was dead meat!

Chapter 448 - 448 Misunderstanding, It Must Be a Misunderstanding!

448 Misunderstanding, It Must Be a Misunderstanding!

At around 8 o’clock that night, Chen Xuan rushed to Huatian Villa.

When she entered the villa and saw the situation inside, she couldn’t help but exclaim, “You guys really know how to enjoy life. You’re out on a holiday, but you’re actually living in such luxury?”

Ye Feng immediately hugged her from behind. "This was all arranged by Shen Baitian. I did not know about it beforehand."

Chen Xuan took off her high heels and changed into a pair of slippers. "Where's Miss Shen?"

"I sent her out so that she wouldn't have to stay here and be a third wheel," Ye Feng said as he took the initiative to help her take off her coat.

Chen Xuan hurriedly pushed his hand away and said coquettishly, "Can't you be more serious? Always thinking of doing bad things."

Then, she walked into the living room and sat on the sofa.

"What are you thinking? I saw that you were quite tired after working all day, so I wanted to give you a massage. What were you thinking?"

Ye Feng sat over and rolled his eyes.

"Hmph, are you that kind?"

Chen Xuan glared at him and massaged her sore legs.

She had been busy all day, and her body was indeed a little sore.

Ye Feng immediately stood up and walked over. "I just learned the massage technique, try it and you will know."

As he spoke, he pressed her down on the sofa without any explanation.

"You..."

Chen Xuan was about to get up and struggle.

At this moment, she suddenly felt a numbing force on her back.

"Oh..."

A comfortable feeling that came from the depths of her soul made her unable to help but let out a low moan.

She immediately gave up resisting.

Ye Feng's hands moved around her back skillfully. Every time he moved, he would accurately press on the most painful part of her body.

She quickly bit her lower lip and tried not to make a sound.

However, she could not help but let out a strange noise from her nostrils.

She was wearing a gray business suit. After removing her coat, she was wearing a white shirt.

She was wearing a knee-length skirt.

She wasn't wearing stockings.

Her fair and tender calves looked exceptionally alluring under the light.

Ye Feng pressed halfway and felt a little dizzy.

In addition, her face was as pale as a flower, adding fuel to the fire.

“Sister Xuan, are you comfortable?”

“Yes...”

“There’s something more comfortable. Do you want it?”

“No, no, no. Don’t...”

“That’s not up to you. Who asked you to send yourself to my door?” Ye Feng said as he unbuttoned her shirt.

Chen Xuan didn’t stop him. It was obvious that she was prepared for anything.

At this moment, there was an untimely knock on the door.

Bang, bang, bang!

The person who knocked on the door was very strong, and it was obvious that they came with ill intentions.

Ye Feng's mood was ruined, and his expression turned ugly.

He immediately got up to open the door.

Chen Xuan hurriedly got up and tidied up before following him out.

The door opened.

A man in his fifties stood outside.

Behind him were Brother Biao and the others.

Ye Feng immediately understood. He laughed coldly. "You came quite quickly."

Gao Hu glanced at him coldly. "You're the one who hit my brothers?"

Ye Feng immediately nodded. "It's me, what's wrong?"

Gao Hu became more and more hesitant when he saw his neither servile nor overbearing appearance.

“You must have some power in Zhonghai, but this is Binhai City. Even if you’re a dragon, you have to lie down.”

Ye Feng could not help but sneer. “You came to find me in the middle of the night to talk nonsense?”

Hearing his words, Brother Biao and the others immediately shouted.

“Brat, I’m afraid you still don’t know who is standing in front of you? Who in Binhai City doesn’t know Boss Gao?”

“You offended Boss Gao in Binhai City. You’re dead this time. Even the heavens can’t save you.”

“If you don’t want to die, then quickly kneel down and kowtow to Boss Gao.”

“Consider yourself lucky, kid. Boss Gao has already retired. Otherwise, he would have chopped you up and fed you to the dogs.”

Ye Feng turned a deaf ear to their chatter. He only stared at Gao Hu. “If you have something to say, say it quickly, I don’t want to waste my breath on you.”

Gao Hu was also a little angry.

Although he had retired for a long time, no one in Binhai City dared to talk to him like that.

It seemed that he had to kill today.

Otherwise, people would really think that Boss Gao had become a sick cat.

“Stinky brat, you...”

He was about to speak.

At this moment, Chen Xuan walked out from inside. “Xiao Feng, what happened?”

The moment Gao Hu saw her, his eyes widened in disbelief. “President Chen? Why are you here?”

Chen Xuan looked at him in confusion. “Do I know you?”

Gao Hu hurriedly introduced himself. "I saw you on Dragon Country Real Estate Forum today. You were chatting with President Liu Guangyu at that time. I was standing behind President Liu."

Chen Xuan tried to recall, but she didn't have any recollection. However, she still nodded politely.

"Hello. May I ask, why are you looking for my boyfriend so late at night?"

Gao Hu widened his eyes in disbelief.

Boyfriend?

Could it be that the guy who hit his brothers was President Chen's boyfriend?

Wasn't this too unbelievable?

People like him might have high prestige among the local ruffians, but in the eyes of the big shots in the business world, he was just a small character.

In the Dragon Country Real Estate Forum, he was only worthy of serving tea and water to the big shots.

Chen Xuan, on the other hand, could talk and laugh with those big shots.

In addition to her outstanding appearance, she became the center of the entire forum. Many big shots rushed to befriend her, and there were even some who wanted to curry favor with her.

At that time, he was secretly guessing what kind of man could conquer such a woman.

At this moment, Chen Xuan actually admitted that Ye Feng was her boyfriend. One could imagine how much of a shock it had caused him.

“President Chen, there might be a misunderstanding here...”

Chapter 449 - 449 There's No Medicine For Regret in the World

449 There's No Medicine For Regret in the World

“Misunderstanding? Did you come here with killing intent just because of a misunderstanding?”

Chen Xuan was a little angry.

She and Ye Feng had already set up the atmosphere and were about to get to the main topic, but it was ruined by these b*stards.

How could this not make her angry?

Gao Hu immediately broke out in a cold sweat. "President Chen, this is what happened..."

He immediately explained the conflict between Brother Biao and Ye Feng.

Of course, he did not use Brother Biao's words.

Instead, based on his understanding of this group of people and his own guess, he explained it again.

It actually matched the real situation.

"These b*stards actually dared to provoke President Chen's boyfriend. They deserve to die!"

As he spoke, he suddenly turned around and glared at Brother Biao and the others. "What are you all standing there for? Why aren't you kneeling down and apologizing to President Chen?"

Brother Biao and the others also heard the seriousness of the matter.

At this moment, after being scolded by Boss Gao, they all knelt on the ground.

“President Chen, we failed to recognize Mount Tai and offended your boyfriend. Please be merciful and spare us...”

Brother Biao was already trembling in fear. He lay on the ground and did not dare to get up.

Gao Hu turned to look at Ye Feng again. “I’ll leave these b*stards to you. If you want to kill them or torture them, do as you please. You don’t have to give me any face.”

Ye Feng could not help but sneer: “What does their life and death have to do with me? Hurry up and take your people away. Don’t be an eyesore here.”

Although his words were a little unpleasant, Gao Hu did not dare to have any dissatisfaction. He immediately left in a hurry with Brother Biao and the others.

After they had walked further away, the group of people spoke again.

“Big Brother, we were ordered around by this kid. If this matter gets out, people will definitely laugh at you.”

“That’s right, Boss Gao, we can’t let this kid off so easily.”

“That woman is quite pretty. We can keep her as Boss Gao’s mistress.”

“This kid’s luck with women is really not shallow. It doesn’t seem like this during the day. Changing two beauties in a day? It really makes one envious...”

Gao Hu’s expression turned extremely ugly when he heard these people’s foul language.

“From now on, you guys go your own way, and I’ll go my own way. We’ll mind our own business.”

Hearing his words, Brother Biao and the others immediately became anxious.

“Big Brother, how can you say that? We’ve been with you for so many years. Are you really going to cut ties with us?”

“That’s right, Boss Gao. Our brothers have risked their lives for you all these years. You can’t abandon us.”

“Back then, we agreed to share blessings and hardships together. Now that you’ve cleared your name and become a millionaire, are you going to ignore us?”

“Boss Gao, you can’t be so heartless..”

When Gao Hu heard their words, his expression became even uglier.

“I should have drawn the line with you long ago, but I’ve always thought of brotherhood and couldn’t be ruthless. However, you’ve caused me such a huge mess today and almost offended President Chen. How can I let you stay?”

Brother Biao looked at him in confusion. “Brother, isn’t it just a woman? Do you have to be so scared?”

The others nodded in agreement.

“Yeah, is a little girl that scary?”

“Is this still the Boss Gao we know? How can he be so frightened by a woman?”

“Where did the fearless Boss Gao go?”

“Are you saying that the richer you are, the more timid you are? Boss, you were actually scared out of your wits by a woman?”

When Gao Hu heard their words, his face turned even more ashen.

“It’s already very shocking for President Chen to have such achievements at such a young age. And what kind of person is the man who can control such a woman? You still don’t know what kind of existence you’ve provoked? I can only say that you guys are a bunch of idiots!”

As he spoke, he took a big step back.

“If I don’t draw a clear line with you today, I’ll be exhausted to death by you sooner or later.”

“From now on, we have nothing to do with each other. Don’t even think about getting a single cent from me.”

After saying this, he immediately turned around and left.

Brother Biao and the others were instantly dumbfounded.

The reason why they could enjoy delicacies every day and cause trouble everywhere was entirely because they had Boss Gao’s protection.

Now that Boss Gao had severed ties with them, how could they live such a good life in the future?

And all of this was because they had offended someone they shouldn't have.

However, there was no medicine for regret in this world.

They had no choice but to swallow the bitter fruit themselves.

..

After sending those people away, Ye Feng immediately turned around and hugged Chen Xuan.

"Not bad. Our President Chen has such great prestige in Binhai City now? You really make me look at you in a new light."

Chen Xuan wrapped her arms around his neck. "Isn't this all because of you? If you hadn't given me the chance, I wouldn't have been able to stand on such a big stage."

Ye Feng pressed his forehead against hers. "Don't say that, you deserve all of this. If you don't have the ability, you won't be able to grasp the opportunity even if I give it to you."

Chen Xuan looked touched. "Xiao Feng, can you come and watch my speech tomorrow?"

Ye Feng immediately teased, "Is this an order? Or are you begging me?"

Chen Xuan immediately replied pitifully, "Of course I'm begging you. I'll be nervous without you."

Ye Feng's lips curled into a smirk: "That will depend on your performance tonight."

Chen Xuan realized that something was wrong and immediately wanted to escape.

But she was pressed to the ground by Ye Feng...

"Don't... I'm begging you, I only brought this suit this time. If you tear it, what am I going to wear tomorrow?"

"We'll talk about tomorrow's matters tomorrow. Let's settle today's matters first."

"You, uh... Big bad guy!"

"..."

Chapter 450 - 450 What Do You Think You Can Do It?

450 What Do You Think You Can Do It?

The next morning, Chen Xuan went to the real estate forum.

Before she left, she even made breakfast for Ye Feng.

But when Ye Feng woke up, it was already around ten in the morning.

He couldn't help but blame himself.

Yesterday, he had promised to be abstinent, but in the end, he did not even stick to it for a day before he broke the precepts.

However, Ye Feng did not think that there was a problem with his resistance.

Chen Xuan could only be blamed for being too alluring.

In the past, he still could not understand why so many emperors and generals, no matter how big the storm was, they could wade through it, but in the end, they were all defeated by women.

It wasn't that they were disappointing, but that the enemy was too powerful.

This 'enemy' could make them die without regrets, defeat without regrets.

Even though he felt that his body was empty, Ye Feng still remembered his master's teachings of 'never let go of your fist' and forced himself to go outside to practice his fist.

..

And after a round of boxing, Ye Feng immediately felt much more energetic.

Just as he was about to return to the villa, he suddenly saw an ambulance speeding past and stopping in front of the villa next door.

A few medical staff rushed into the villa with a stretcher.

It was probably because someone had a sudden illness.

This also gave him a reminder.

It seemed that he had to control himself in the future. Otherwise, he really did not know which would come first, tomorrow or death.

Just as Ye Feng was filled with emotions, a few luxury cars passed by and stopped at the entrance of the villa next door.

A few elites in suits and leather shoes quickly got out of the car.

“How’s my dad’s condition?”

A man in his forties immediately asked the butler who came out to welcome them.

“Doctor Cao has just arrived and is in the midst of emergency treatment, but I’m afraid the situation is not optimistic...” the butler hurriedly replied.

The man quickly entered the villa.

Ye Feng glanced at the Rolls-Royce Phantom that the man was sitting in, and then linked it to the powerful aura that he was emitting. He guessed that this person’s identity was not ordinary.

However, he had no intention of meddling.

Although he had the Green Bag Sutra medical skills given by the system, he was not sure if these medical skills were reliable.

After all, saving lives was a matter of life and death, so he could not be careless at all.

If one's medical skills were not good, not only would they not be able to save people in the end, they would even harm them.

Ye Feng shook his head and was about to return to the villa.

At this moment, a system notification suddenly sounded in his ear.

[A new opportunity navigation has been detected. Please go straight along the current road for 20 meters and turn right...]

Ye Feng was stunned. It seemed that the system wanted him to be a busybody.

He shook his head helplessly and went to the villa next door.

When Ye Feng entered the living room of the villa next door, he saw that it was already a mess.

A man in his thirties, wearing a white coat, was performing CPR on an old man lying on the ground.

However, the old man's eyes were closed and he didn't react at all.

The doctor opened his eyes to take a look, then sat down on the ground dejectedly and looked at the middle-aged man who was standing anxiously at the side.

"Mr. Luo, I'm sorry. I've tried my best..."

When the middle-aged man heard this, he pulled him up. "What do you mean? What do you mean by trying your best? Is that what I want to hear?"

The doctor's face was flushed red. "Mr. Luo, let me explain. Old Mr. Luo had a heart attack and was found too late."

"When I got there, his heart had stopped beating..."

The middle-aged man pushed him away. "I don't want to listen to this nonsense. The Luo family spent so much money to hire you as a private doctor, not for you to talk nonsense. Save my father immediately, or I'll kill you!"

The doctor was crying. "Old Mr. Luo's heart has stopped beating. Even if a Zenith Heaven Golden Immortal comes, he can't be saved."

When the middle-aged man heard this, he felt as if he had suffered a heavy blow and almost fainted.

At this moment, the butler beside him suddenly said, "Why don't... It's better to hurry up and send him to the hospital. Perhaps he can still be rescued."

The doctor immediately shook his head. "It's useless. The nearest hospital will take 20 minutes. It's too late."

The middle-aged man could not hold on any longer and fell to the ground.

"Dad, wake up. Open your eyes and look at me. I'm your son, Ah Yuan..."

Luo Jingyuan's mother passed away when he was young. He grew up with his father, who was the most important person in his life.

Now, the person who was the most important to him had suddenly passed away, and he had not even seen him for the last time.

Even though he had been in the business world for decades and was used to countless situations, he still couldn't bear such a huge blow.

At this moment, a childish voice sounded from the living room. "Let me try."

Luo Jingyuan thought that he had heard wrong. He stared blankly at the uninvited guest in front of him.

"You... who are you?"

"I'm your neighbor."

Ye Feng could only explain.

"Neighbor?"

Luo Jingyuan was struck by a huge blow, and his brain could not process what was going on. "You just said that you want to try? Do you know medicine?"

When Ye Feng heard his question, he could not help but hesitate. "How should I explain this to you, I should... be able to."

He did not have much confidence in his medical skills, so he did not dare to be too confident.

However, to everyone present, it was a little ridiculous.

If he knew, he knew. If he didn't, he didn't.

What did he mean by 'should be able to do it?'

Would he or would he not?

The male doctor in the white coat was holding back his anger. When he heard his words, he immediately sneered.

"Anyone dares to pretend to be a doctor now. Show me your medical qualification certificate."

Ye Feng shrugged: "I don't have it."

"Oh, a student? Which medical school are you studying at?"

"I'm not a medical student either."

“Hahaha, this is too funny. First, you don’t have any academic qualifications, and second, you don’t have the qualifications to practice medicine.”

Hearing the male doctor’s mockery, many people present laughed along.

In their opinion, this young man in front of them probably knew that the owner of this house had some power, so he wanted to take the opportunity to swindle people.

Ye Feng’s expression changed even though everyone was laughing at him.

“You have a degree and the qualifications to practice medicine, but you couldn’t save him, right?”

As soon as he said this, everyone fell silent.
