

## 100 Million 451

### Chapter 451 - 451 I Think It Can Still Be Rescued

#### 451 I Think It Can Still Be Rescued

As the attending physician of the First Hospital of Binhai City, it had been many years since anyone dared to speak to him in such a tone.

When he heard Ye Feng's words, he was extremely furious, and he immediately retorted loudly,

"I'm just a doctor, not a god! Not every patient can be saved."

"Besides, I've already said that I've tried my best!"

"But Mr. Luo has no signs of life, so I can't do anything about it..."

"I think we can still save him." Ye Feng interrupted his venting.

"You? Hahaha, do you think you're a god? Can it bring the dead back to life?" Cao Jianbin glanced at him disdainfully.

“I can’t guarantee it. I can only say that I’ll try my best.” Ye Feng was very strict with his words. He did not give the other party any chance.

Luo Jingyuan had been observing Ye Feng from the side.

Although he was young, he had always been neither servile nor overbearing, and he dealt with it naturally.

He then looked at his father, who was lying on the ground and had been declared dead.

He could only nod solemnly. “Then let this little brother try.”

Cao Jianbin immediately became anxious. “Mr. Luo, this kid has never studied medicine, and he doesn’t have the qualifications to practice medicine. How can you believe his words?”

Luo Jingyuan sneered. “I think this little brother is right. You have studied medicine and are qualified to practice medicine.”

Doctor Cao was instantly rendered speechless.

Luo Jingyuan looked at Ye Feng again. “Even if this little brother can’t help much, can the situation get worse?”

“Didn’t you say that my father is dead? Can he die again?”

“Mr. Luo, you can’t say that...”

Cao Jianbin wanted to say more.

Luo Jingyuan couldn’t take it anymore. He immediately interrupted, “Shut up!”

“Doctor Cao, I’ve already given you face. If you continue to talk nonsense, leave immediately.”

Cao Jianbin saw that he was furious. He could only shut his mouth. At the same time, he did not forget to glare at Ye Feng.

He absolutely did not believe that this person could bring Old Mr. Luo back to life.

Because this was not scientific at all!

However, since his master had spoken, he had nothing to say.

..

Ye Feng did not waste any more words. He walked forward and checked on the old man's condition.

He first checked his heartbeat, pulse, and pupils.

Just as Doctor Cao said, the old man had no signs of life.

According to Western medical theory, when a person's heart stopped beating and his brain died, he could basically be declared dead.

But Ye Feng's <Green Bag Scripture Medical Skill> clearly pointed out that the kidney was the foundation of a human.

The kidney governs water, receives the essence of the five zang-fu organs, and stores it.

The essence stored in the kidney is transformed into kidney qi. Whether the kidney qi is full or not is closely related to the life process of a person's birth, growth, growth, aging, and death.

Therefore, as long as the kidneys were not completely exhausted, the person was not really dead.

From the look of Old Mr. Luo's face, there was still a trace of human color, which meant that his kidneys had not completely dried up.

When it completely turned grayish-white, there was really nothing he could do.

Thinking of this, he hurriedly turned to look at Luo Jingyuan. "Do you have silver needles here?"

Luo Jingyuan was stunned. "Silver needles? No, I'll get someone to buy it now."

Ye Feng shook his head. "I'm afraid it's too late. Do you have wormwood?"

At this moment, the butler at the side hurriedly said, "I have some. Because there are a lot of mosquitoes in the villa, my wife bought it to repel mosquitoes."

With that, he left quickly.

A moment later, he returned with a pile of wormwood sticks in his hands.

After Ye Feng received it, he immediately lit two sticks.

People usually liked to talk about 'acupuncture', but in fact, needles were needles, and acupuncture was acupuncture.

The former used silver needles to stimulate the acupoints of the human body by using acupuncture techniques such as twirling, lifting, and thrusting to achieve the purpose of treating diseases.

The latter was to burn and burn the acupoints on the surface of the body with a burning stick or a burning grass, using the stimulation of heat to achieve the same goal.

Actually, with Old Mr. Luo's current condition, acupuncture was naturally the most effective method.

But Ye Feng did not have any silver needles with him. He could only settle for the second-best option.

He lit up the two sticks and turned to look at Luo Jingyuan. "Use the sticks to rub Old Mr. Luo's temples."

As he spoke, he helped him demonstrate the technique.

Luo Jingyuan did not dare to be negligent. He hurriedly took the wormwood stick and used the method that Ye Feng taught him to smoke his father's temple.

Ye Feng then lit up two more and turned to look at Doctor Cao. "You can do acupuncture on Old Mr. Luo's yongquan acupoint."

Deep down, Cao Jianbin was rejecting the offer. However, Luo Jingyuan's cold gaze swept over him, making it impossible for him to refuse.

He could only walk over.

However, even so, he still said unhappily, "Let me make this clear first. I can help, but I don't believe in your treatment method at all."

With that, he took the two sticks and began to roast the yongquan acupoint on the sole of Old Mr. Luo's foot.

Seeing this, everyone was secretly shocked.

It was hard to say whether this guy's medical skills were good or not.

However, he was really arrogant.

He actually ordered Mr. Luo and Dr. Cao to help him.

One of them was a big shot in the business world, and the other was an attending doctor at the city hospital. Their status and identity were extraordinary.

At this moment, they were actually being ordered around by a young man.

If this were to spread, it would probably shock many people.

Ye Feng did not explain further. He lit two more sticks of wormwood and started to massage Old Mr. Luo's taixi and shenshu acupoints.

The hall fell into a dead silence.

Everyone's hearts were in their throats as they paid attention to the situation in the arena.

Time slowly passed.

The situation did not change.

Old Mr. Luo still showed no signs of life.

Instead, his expression turned uglier and uglier.

There was almost no sign of life.

After a full five minutes, a large portion of the incense stick had already burned.

Doctor Cao finally couldn't hold it in anymore and immediately mocked him.

"I told you that your method was unreliable. You want to bring someone back to life with just a few rotten wormwood sticks? What a joke. Now that Old Mr. Luo still hasn't improved, what else can you say?"

As soon as he finished speaking, Ye Feng suddenly punched toward Old Mr. Luo's heart.

Bang!

It was as if there was a deep hatred between them.

Everyone present was dumbfounded.

Chapter 452 - 452 Dad, Are You Alive?

452 Dad, Are You Alive?

Ye Feng's sudden action shocked everyone present.

Even though Old Mr. Luo had 'passed away', he couldn't ruin his body like this, especially in front of Luo Jingyuan.

In the eyes of the crowd, this action was a completely useless rage.

It seemed like Ye Feng had been healing here for a long time, but there was no effect, so he became angry out of embarrassment?

Just as everyone was in a daze...

Ye Feng suddenly continued to punch twice.

Only then did Luo Jingyuan react. He threw away the wormwood in his hand and pushed Ye Feng away.

"What are you doing? Are you crazy?"

At this time, Luo family's bodyguards also rushed up and surrounded Ye Feng.

As long as Luo Jingyuan gave the order, they would take this madman down.

Ye Feng could not help but smile bitterly. "I am saving his life."

He did not know how to explain it.

He had activated Old Mr. Luo's remaining innate essence with the help of the acupuncture treatment, allowing his kidney qi to reach his heart smoothly.

At this time, if he used CPR, he would not be able to quickly open up the connection with the heart.

Therefore, he could only use a hammer.

However, he controlled his strength very well. It seemed like he was hitting the old man hard, but in fact, he did not hurt the old man.

Instead, he sent a surge of internal strength into his heart.

However, to outsiders, it seemed as if he had deliberately mutilated the old man's corpse.

Ye Feng did not know how to explain to them.

Doctor Cao, on the other hand, looked at Luo Jingyuan gloatingly. "I knew he was a liar, but Mr. Luo didn't believe me. Now you finally see his true colors, right?"

Although Luo Jingyuan didn't like his tone, he had to admit that he was right this time. He had trusted the wrong person.

"Sigh, I originally thought that he was really capable when I saw him make such a solemn vow. I didn't expect that...."

"Mr. Luo, you must not let this liar off easily. You must bring him to justice to prevent him from harming others again," Cao Jianbin immediately suggested to Luo Jingyuan.

"Forget it. My father just passed away. I'm not in the mood to argue with him. Let him go."

Cao Jianbin wanted to say more.

But seeing that Luo Jingyuan was in a bad mood, he could only shut up.

He glared at Ye Feng hatefully. “You’re lucky, Mr. Luo is not going to argue with you. Why aren’t you leaving this place?”

Ye Feng did not argue. He turned around and left.

He had only wanted to complete the system’s mission.

Now that the mission had been completed, the rest was no longer his concern.

Just as he walked out of the door, the system’s voice sounded.

[Congratulations to the host for completing the opportunity navigation. Reward: Tanyue Building Materials Co., Ltd., valued at 5 billion!]

..

Right after Ye Feng left.

Luo Jingyuan stood up in a daze. “Butler Zhang, contact the crematorium and prepare for the funeral.”

Butler Zhang nodded dejectedly.

Just as he was about to bend down to clean up Old Mr. Luo's body.

At this moment, he suddenly saw the old man's fingers move.

Butler Zhang felt as if he had been struck by lightning.

He thought he was seeing things.

He rubbed his eyes in a hurry and looked over again.

This time, not only his fingers, but even his eyelids moved.

He immediately exclaimed as if he had seen a ghost, "Alive! He's alive! The old master is alive!"

The atmosphere in the hall was a little gloomy because someone had just 'died'.

Everyone's hair stood on end.

Luo Jingyuan hurriedly turned around. "What?"

Butler Zhang pointed at Old Master Luo with a trembling finger... "The old man's fingers and eyelids... They all moved."

Luo Jingyuan and Cao Jianbin were stunned at first, then they rushed forward.

Then, they saw that the old man's face had visibly regained its vitality.

The originally ashen color began to turn rosy.

Cao Jianbin hurriedly took out his stethoscope and listened to the old man's heart.

Dong, dong, dong...

Although his heartbeat was extremely weak, it was like a bolt of lightning in the clear sky when it reached his ears.

He had checked on the old man just now, and the other party's heart had clearly stopped beating.

How could it recover?

Cao Jianbin's face immediately revealed an expression as if he had seen a ghost.

Just as everyone was bewildered...

The old man's eyelids suddenly opened slightly. "Ah Yuan, you're here."

His voice was weak, as if it would stop at any moment.

However, Luo Jingyuan was ecstatic when he saw this.

"Dad, you're alive?"

These words sounded very awkward, but no one present felt that there was anything wrong with it.

Old Mr. Luo was clearly dead just now, but now he suddenly came back to life. It was like watching a horror movie.

Everyone felt that it was a little unbelievable.

Could it be... zombie?

Old Mr. Luo said weakly, "I just... I felt that my consciousness was about to... completely fall asleep when I suddenly felt a warm current... And woke me up again... Looks like I'm not fated to die..."

Luo Jingyuan heard his reminder and suddenly remembered the young man from earlier.

Could it be... All of this was the credit of that young man?

So he wasn't a maniac, but a real miracle doctor?

"Hurry up... Quickly go and invite that young man back," Luo Jingyuan hurriedly ordered Butler Zhang and the others.

Without needing him to say anything, Butler Zhang had already sent people to chase after Ye Feng.

But soon, the people they sent came back to report.

“The door of the villa next door is locked, and the people inside is nowhere to be found.”

“What?”

When Luo Jingyuan heard this news, he felt as if he had been struck by a heavy blow.

He saved his father’s life, but he drove him away.

If this kind of ungrateful behavior were to spread, how would Luo Jingyuan be able to live?

At the thought of this, he hurriedly ordered Butler Zhang, “Find this person at all costs.”

Butler Zhang said with a troubled expression, “But, Boss, we still don’t know. What’s that young man’s name?”

“...”

Chapter 453 - 453 Looking for Her Thousands of Times

453 Looking for Her Thousands of Times

After Butler Zhang's reminder, Luo Jingyuan finally realized that he didn't even know the name of his savior. How was he supposed to find him?

Cao Jianbin coughed dryly. "Mr. Luo, you don't have to be anxious. I think... It might not be because of that young man that the old master could wake up, right?"

Luo Jingyuan looked at him coldly. "If it's not his credit, then is it yours?"

Cao Jianbin smiled awkwardly. "Of course I don't have that ability, but this matter is too unbelievable. Just relying on a few sticks of wormwood can bring someone back to life? This doesn't make sense!"

Luo Jingyuan snorted coldly. "I don't care if it's scientific or not. Whoever can save my father will be the great benefactor of our Luo family. If he can't save him, he's nothing."

Cao Jianbin was still the attending doctor of the city hospital. Did he not care about his reputation?

Being scolded by him several times in a row, he was instantly a little unhappy.

"Mr. Luo, the reason for Old Mr. Luo's resurrection has not been found out yet. I hope you won't make an arbitrary judgment, and don't believe in the so-called superstition."

“Otherwise, I won’t dare to diagnose the old master again.”

Luo Jingyuan’s eyes sharpened. “Are you threatening me? Do you really think that Binhai City doesn’t have a skilled doctor without you?”

“Moreover, from your performance today, you can’t be considered to be very skilled in medicine, right?”

“You...”

Seeing that he had completely shed all pretense of cordiality and didn’t leave any face for him, Cao Jianbin was even angrier in his heart.

Luo Jingyuan didn’t give him a chance to retort. He immediately said firmly, “You don’t have to say anything else. I’ve decided to cancel the private doctor agreement with you now.”

“At the same time, we will stop donating to your hospital every year.”

“Leave this money to those who are truly capable.”

“Mr. Luo, you can’t do this.” When Cao Jianbin heard this, he finally became anxious.

He had wanted to use his relationship with Luo Jingyuan to compete for the position of the hospital's vice director.

If Luo Jingyuan were to terminate his employment as a private doctor and cut off his donations to their hospital...

If that happened, his position as the vice director would really be ruined.

However, Luo Jingyuan had already made up his mind and would not give him any leeway.

"Butler Zhang, send the guest out!"

Butler Zhang immediately walked over. "Doctor Cao, please."

Cao Jianbin was helpless. He could only turn around and walk out.

From the beginning to the end, he could not understand how Old Mr. Luo woke up.

What a living ghost!

“Mr. Luo, the real estate forum is about to start. You should go and attend the meeting first. Leave the matters here to me,” Butler Zhang walked back and said to Luo Jingyuan.

“Alright. Butler Zhang, send someone to keep an eye on the villa next door. As long as that young man comes back, you must call me. I’ll rush back immediately.”

Luo Jingyuan was still worried.

“Yes,” Butler Zhang immediately agreed.

Luo Jingyuan sat with his father for a while before he got up and rushed to the Dragon Country Real Estate Forum.

..

Just as the Luo family was waiting at the entrance of the villa, waiting for Ye Feng to return.

Ye Feng had already gone to the Dragon Country Real Estate Forum alone.

The Dragon Country Real Estate Forum would officially begin at noon today.

Chen Xuan, as the representative of a new domestic real estate company, would also give a speech at noon today.

Since he had already promised her, he naturally couldn't break the promise.

Outside the venue, Ye Feng took out his phone and called Chen Xuan. He wanted to ask for her exact location.

However, the phone kept ringing, but no one answered.

After he hung up, he called again.

This time, there was still no answer.

He called again, but the other party hung up.

Ye Feng was under the scorching sun, and his entire body was covered in sweat. He felt a little angry.

He immediately stopped making the call and entered the venue himself.

The exhibition center was very large and was hosting many large-scale events at the same time.

It was not easy to find the Dragon Country Real Estate Forum from here.

Ye Feng asked around and finally arrived at the venue on the sixth floor.

At that time, there was already a sea of people inside.

At a glance, there were at least a few hundred people.

Whether they were men or women, they were all dressed in formal attire. It was not easy to find a person among them.

Ye Feng was like a headless fly, wandering around the venue.

The anger in his heart had also reached an extreme.

At this moment, he suddenly saw a few people chatting enthusiastically not far away.

One of them was a balding middle-aged man who was talking with saliva flying everywhere.

The woman sitting opposite him was Chen Xuan.

Ye Feng could no longer suppress the anger in his heart. He walked over and slammed his phone on the coffee table.

As he used a little too much strength, the coffee table bounced off the ground.

The few people who were chatting enthusiastically were all shocked and looked over with fear.

They felt that the man in front of them was not in his right mind.

When Chen Xuan saw Ye Feng, she was stunned for a moment before she hurriedly stood up. "Little Feng, you are here? Why didn't you call me first? So I can pick you up."

Ye Feng laughed coldly: "Even if I call you, you have to be willing to pick up. Picking me up isn't as important as chatting with someone else."

Chen Xuan's expression changed immediately. She hurriedly searched her pocket, but she couldn't find her phone.

She looked around again, but she still couldn't find it.

At this moment, she heard the man who was talking loudly just now say, "Miss Chen, are you looking for your phone? Is this yours?"

As he spoke, he took out a phone from behind his butt.

Chen Xuan grabbed it and checked the call history. She found that there were indeed three missed calls from Ye Feng.

"Xiao Feng, I'm really sorry. I didn't hear you just now."

She was so anxious that she was about to cry.

Ye Feng coldly glanced at that man. "It's fine if you didn't hear me, but why did you hang up on me?"

Chen Xuan's expression changed again as she looked at the man angrily.

"President Tang, did you hang up for me?"

Chapter 454 - 454 Humiliating People in a New Way

## 454 Humiliating People in a New Way

The man's expression remained unchanged in the face of Chen Xuan's questioning.

"I'm really sorry. I didn't know that this phone was yours. I heard that the other party kept calling and interrupting our chat, so I hung up."

When Chen Xuan heard this, although she was a little unhappy, she did not want to flare up.

She could only look at Ye Feng apologetically: "Xiao Feng, I'm really sorry, can you forgive me this time?"

Ye Feng was actually not angry at her anymore.

He had already understood that all of this was the middle-aged man's doing.

Did he say that he didn't know that it was Chen Xuan's phone? Even a fool wouldn't believe it, right?

Besides, even if it wasn't Chen Xuan's phone, could he just hang up on others?

Although he was sneering in his heart, Ye Feng did not show it on his face.

He immediately hugged Chen Xuan and sat down. "It's fine. It's a small matter."

When the few people present saw his action, their faces revealed shock.

Chen Xuan was undoubtedly the protagonist of this Dragon Country Real Estate Forum.

On the one hand, it was because she was the representative of a new company and had to go on stage to give a speech.

Secondly, it was also because of her god-like appearance.

Because she was so beautiful, she was even the center of attention on the posters on the forum. Instead, those big shots in the real estate industry had become a foil.

On the forum, she had also become the target of pursuit, and many big shots had also repeatedly expressed their goodwill to her.

However, Chen Xuan had always kept a distance from everyone.

Not to mention intimate behavior, even chatting was limited to work content. Personal content was never discussed.

This also gave her the unexpected title of 'Iceberg CEO.'

However, at this moment, this man who had suddenly appeared was actually hugging Chen Xuan's shoulder so intimately.

She did not resist at all. She even thought that it was natural.

How could they not be shocked?

Subconsciously, everyone began to guess the identity of this man.

As for the balding middle-aged man, his expression became even uglier.

He had been trying his best to win Chen Xuan's favor just now.

Who would have thought that this fellow would immediately steal his limelight the moment he arrived?

He even had such intimate contact with the goddess in his heart.

His heart was bleeding.

He wished he could hack the person in front of him to death.

Ye Feng noticed his expression and could not help but smile.

“How should I address this gentleman?”

Chen Xuan hurriedly introduced him. “This is the chairman of Fushan Building Materials, Mr. Tang Fushan. Fushan Building Materials was one of the top five building materials companies in South Guangdong Province.”

Tang Fushan immediately acted like a gentleman and took the initiative to extend his right hand. “Hello, I’m Tang Fushan.”

Ye Feng ignored his actions. He picked up Chen Xuan’s glass and took a sip of red wine.

“What were you guys talking about just now? I think the conversation is quite lively.”

Tang Fushan saw his rude behavior and became even angrier. He could only snort coldly and sit down.

“Mr. Tang was just telling us a joke about his meeting with Mr. Luo Jingyuan,” Chen Xuan hurriedly said to ease the situation.

Ye Feng was confused. “Who is Luo Jingyuan?”

Hearing his question, everyone present could not help but laugh.

Tang Fushan didn't hide the sarcasm on his face. “You haven't even heard of Mr. Luo Jingyuan's name. You're really ignorant.”

Chen Xuan coughed dryly and hurriedly explained to him, “Mr. Luo Jingyuan is the chairman of Longjiang Real Estate. He's also one of the top five big shots in the real estate industry in South Guangdong Province.”

Ye Feng was enlightened. “Then I wonder how strong he is compared to Niu Sidun?”

Hearing his stupid question, everyone present finally could not help but laugh.

“This question is too... Isn't this too low? Who doesn't know that Mr. Niu Sidun is one of the top super big shots in South Guangdong Province?”

“Yeah, how many people in the entire South Guangdong Province can be compared to Mr. Niu?”

“Although Mr. Luo’s strength isn’t as good as Niu Sidun’s, he’s still a super big shot that we have to look up to.”

“That’s right. Whether it’s Mr. Niu or Mr. Luo, we can only look up to them.”

“The fact that President Tang knows a super big shot like Mr. Luo is enough to prove the strength of Fushan Building Materials.”

At the scene, only Chen Xuan could understand what Ye Feng meant.

Even Niu Sidun, the most powerful person in South Guangdong Province, had been defeated by him. Mr. Luo was not even worth mentioning.

As for these small fries who still needed to look up to these two people, they were probably not even worthy of carrying his shoes.

She couldn’t help but shake her head and laugh. This guy was so good at insulting people.

Seeing her smile, Tang Fushan's desire to act cool was aroused again.

"President Chen, if Lingyun Real Estate wants to enter the Provincial Capital, I can introduce you to Mr. Luo."

Chen Xuan's eyes lit up. "Really? That's great."

Tang Fushan glanced at Ye Feng. "Of course it's true. With my relationship with Mr. Luo, as long as I say the word, Lingyun Real Estate will be able to gain a foothold in Yang City."

Chen Xuan immediately looked at him gratefully. "Thank you, Mr. Tang."

Tang Fushan didn't hide the admiration on his face. "It's my honor to be able to help President Chen. I wonder if I can treat President Chen to a meal tonight? Let's get to know each other first so that we can work together later."

Chen Xuan hurriedly looked at Ye Feng's expression. "Eat... Forget it? I have to rush back to Zhonghai tonight..."

Tang Fushan's face immediately darkened. "President Chen, I really treat you as a friend. That's why I'm helping you. Since you don't give me any face, I'm afraid I can't help you with Mr. Luo."

Chen Xuan frowned.

## Chapter 455 - 455 Little Divine Doctor, Is It Really You?

### 455 Little Divine Doctor, Is It Really You?

“I’m sorry, President Tang. I have to accompany my boyfriend tonight and can’t have dinner with you,” Chen Xuan said as she held Ye Feng’s arm intimately.

Tang Fushan’s expression became more and more embarrassed. “President Chen, I’m giving you a chance. I hope you can cherish it.”

Chen Xuan nodded politely. “Thank you for your kindness, President Tang, but there is no opportunity in this world that is more important than my boyfriend.”

Saying so, she turned to look at Ye Feng. “Xiao Feng, let me show you around?”

Ye Feng agreed.

The two of them stood up at the same time and were about to leave.

Bang!

At this moment, Tang Fushan slammed the coffee table heavily with a gloomy expression.

“Chen Xuan, don’t be so shameless. If we can’t be friends, we can only be enemies. Although I, Fushan Building Materials, can’t guarantee that I can let you enter Yang Cheng, the capital of South Guangdong Province, I can still stop you from entering.”

Chen Xuan slowly turned around, a confident smile on her face.

“I, Chen Xuan, didn’t rely on anyone’s charity to get to where I am today. I relied on my own strength. President Tang, just guard your land and see if I can take down this position.”

Everyone was stunned.

Ever since Chen Xuan came to the real estate forum, she had always been polite to everyone with the attitude of a junior.

It was only now that she revealed the domineering aura that a business queen should have.

It was only then that they realized that the other party was not a flower vase who had gotten to where she was today by acting coquettishly.

Instead, she was a successful woman who had built her career from scratch.

How could it not have a bit of sharpness?

To be honest, Tang Fushan was also shocked by the other party's imposing manner at that moment.

He subconsciously took a step back.

But he immediately reacted.

After all, he was the boss of Fushan Building Materials. If he was intimidated by a little girl, wouldn't he be laughed at?

At the thought of this, he immediately said firmly, "Then I, Tang Fushan, will also say this today. As long as I, Fushan Building Materials, am here, Lingyun Real Estate will never enter Yang Cheng!"

Just as the atmosphere froze, a loud voice suddenly sounded from the side.

"President Tang, you're really arrogant. I'm afraid you don't know who the gentleman standing in front of you is, right?"

Tang Fushan turned around and saw an extraordinary middle-aged man walking over.

He immediately recognized the man as Nie Kangping, the CEO of Zhonghai Thunderbolt Real Estate.

“President Nie, what do you mean? Our Fushan Building Materials and Thunderbolt Real Estate have never interfered with each other. Are you trying to stand up for Lingyun Real Estate?”

Nie Kangping hurriedly waved his hand. “President Tang, don’t misunderstand. I don’t have the ability to arm-wrestle with you. Besides, even if I want to stand up for Miss Chen, it’s not my turn.”

Tang Fushan snorted coldly. “Then who else would want to stand up for Miss Chen? Just stand up. I, Tang Fushan, will accept it.”

As he spoke, he swept his gaze across everyone present, looking down on the world with a kind of heroic spirit.

Everyone avoided his gaze.

Fushan Building Materials was a local tyrant in the building materials industry of South Guangdong. They did not want to easily become enemies with the other party.

Nie Kangping immediately laughed out loud. “This person is far away, but right in front of us. It’s this gentleman. With him around, no one can touch Miss Chen.”

Saying so, he pointed at Ye Feng.

Seeing this, Tang Fushan also laughed.

“President Nie, are you kidding me? If I, Tang Fushan, can’t even deal with a young boy, then wouldn’t I have lived half my life in vain?”

Nie Kangping was still deliberately keeping him in suspense. “President Tang, you should know Niu Sidun, right? What do you think of his strength?”

Tang Fushan felt that his intelligence had been insulted. “Nonsense. Who in the entire South Guangdong Province doesn’t know Mr. Niu Sidun? Are you trying to say... Is this kid related to Mr. Niu?”

At this point, he suddenly sucked in a cold breath.

Although Niu Sidun was already dead, he had been the king of South Guangdong Province for so many years. The connections he had accumulated were immeasurable.

If this kid was really related to Niu Sidun, then it would be difficult.

Many people around looked at Ye Feng enviously.

To be able to cling onto Niu Sidun's thigh was enough to run amuck in the entire South Guangdong Province. This was a good thing that many people dreamed of.

What did this kid do to gain Mr. Niu's favor?

They could be a dog too.

Nie Kangping saw that he didn't understand what he meant and couldn't be bothered to beat around the bush. "I'll just be straightforward. The person standing in front of you..."

Before he could finish his sentence, he suddenly heard an exclamation from behind.

"Little Divine Doctor? Is it really you?"

Everyone's eyes were immediately attracted by this voice.

When they saw that person, everyone was shocked at first, then they scrambled to meet him.

This person was none other than Luo Jingyuan, the chairman of Longjiang Real Estate, one of the leading real estate companies in South Guangdong Province.

This was one of the top big shots of Dragon Country Real Estate Forum this time, and he was also the target that everyone fought to curry favor with.

Whoever could get on the ship of Longjiang Real Estate would definitely be invincible in South Guangdong Province.

Of course, Tang Fushan was the most enthusiastic one.

He immediately pushed aside the crowd and rushed to Luo Jingyuan. "Director Luo, do you still recognize me? I'm Tang Fushan from Fushan Building Materials."

He was not lying. He knew Luo Jingyuan.

Moreover, Luo Jingyuan had been very nice to him that time, as if he regretted not meeting him earlier.

He had thought that this time, like the last time, he would be able to obtain the other party's special favor.

This way, he could show off his might in front of Chen Xuan.

However, he never expected that Luo Jingyuan would not even look at him.

He pushed him to the side and walked quickly to Ye Feng.

“Little Divine Doctor? It’s really you, Little Divine Doctor. I’ve been looking for you so hard.”

As he spoke, he actually made a gesture of kneeling in front of everyone.

Chapter 456 - 456 I Really Can't Escape From This Guy

456 I Really Can't Escape From This Guy

Ye Feng saw Luo Jingyuan’s actions and immediately supported him. “Mr. Luo, what are you doing?”

Luo Jingyuan grabbed his arm excitedly. “Little Divine Doctor, you saved my father’s life. You deserve my kneel.”

Ye Feng’s eyes lit up. “You mean... your father is awake?”

Luo Jingyuan hurriedly nodded. “My father woke up as soon as the Little Divine Doctor left. Your medical skills are simply like the life and death of a person. But I actually misunderstood you at that time. D\*mn it.”

As he spoke, he slapped himself.

When everyone saw this scene, coupled with what he had just said, they were all very shocked.

“So this young man is a doctor? And he even saved Mr. Luo’s father’s life? Wouldn’t that be the savior of the Luo family?”

“With the Luo family’s strength, what kind of doctor can’t they hire? However, he is so respectful to this young man. It can be seen how superb his medical skills are.”

“This is really too surprising. He’s so young, yet he has such superb medical skills?”

“This young man is so lucky to have the Luo family. In the future, he will be able to do whatever he wants in South Guangdong Province.”

“No wonder he dared to challenge Tang Fushan. It turns out that he has the support of the Luo family.”

“Tang Fushan kicked an iron plate this time...”

When Tang Fushan heard what the crowd said, he was already scared out of his wits.

He had already offended Chen Xuan and Ye Feng. He even said that as long as Fushan Building Materials was still around, he would stop Lingyun Real Estate from entering Yang Cheng.

However, he had never expected that this young man would know Luo Jingyuan, and had saved the Luo family's life.

With this relationship, who could touch him?

Chen Xuan was also very surprised.

She had known Ye Feng for so long, but she had never known that he knew medicine.

According to Luo Jingyuan's description, his medical skills weren't as simple as treating headaches and colds. He could save lives.

Her mind was in a mess.

Was there some misunderstanding?

Did Mr. Luo get the wrong person?

Did Ye Feng play some tricks?

Moreover, it was the kind that could revive the dead and flesh bones?

What kind of joke was this?

The one who was the most shocked was actually Ye Feng.

At that time, he had only wanted to complete the system mission. In fact, he did not have any confidence in his medical skills.

Even he himself felt that a person whose heart had stopped beating could not be saved with a few sticks of wormwood.

This was simply a fantasy!

It was not until now that he heard Luo Jingyuan's words that he truly realized the power of the Green Bag Scripture's medical skills.

It seemed that he had misunderstood the system.

The reward given by the system this time was a true peerless treasure.

Luo Jingyuan calmed himself down and started to pay attention to the situation.

“Little Divine Doctor, I heard that something unpleasant happened here just now. What happened?”

Ye Feng sighed, “Lingyun Real Estate’s President Chen and I are both foreigners. We came to the Dragon Country Real Estate Forum this time to make more friends. However, I don’t know how we offended President Tang Fushan. He had already said that he will not allow President Chen’s Lingyun Real Estate to enter Yang Cheng.”

Luo Jingyuan shifted his gaze to Chen Xuan, and his eyes lit up.

With this woman’s looks, she would be a top-notch existence even in the entertainment industry, let alone in the business world where dinosaurs were everywhere.

“Hello, President Chen. I’m Luo Jingyuan.”

He immediately reached out his hand.

It was not because of her beauty, but because she was the Little Divine Doctor’s friend.

The Little Divine Doctor's friend was his friend.

The Little Divine Doctor's enemy was his enemy.

Chen Xuan hurriedly reached out her hands and shook hands with the other party.

This surprise came too suddenly.

Luo Jingyuan was one of the leading figures in the real estate industry in South Guangdong Province. Many people wanted to curry favor with him but could not.

And now, he actually took the initiative to get to know her. This was definitely a supreme honor.

Of course, she knew very well that he was doing this for Ye Feng's sake.

She couldn't help but have mixed feelings.

In Zhonghai, it was Ye Feng who had been protecting her.

This time, when she came to the Dragon Country Real Estate Forum, she thought that she could rely on her own ability to show off.

She did not expect that in the end, she still benefited from Ye Feng.

She really couldn't escape from this guy's grasp.

"Miss Chen's relationship with the Little Divine Doctor is..." Luo Jingyuan said as he swept his eyes over their faces.

Chen Xuan's pretty face blushed slightly. "We... We are good friends."

Luo Jingyuan had already seen through everything, but he pretended not to know. "Oh, just friends? That's a pity."

Chen Xuan was a little puzzled. "What's a pity?"

Luo Jingyuan glanced at Ye Feng. "I want to repay the Little Divine Doctor's kindness. If you two are a family, then it seems reasonable for me to remember this kindness to you. But if you're just friends..."

Chen Xuan immediately became anxious. "Actually, we... Well, that... It's indeed..."

She did not know how to explain it either.

After all, Ye Feng had never admitted that she was his 'girlfriend'.

Just as she was feeling extremely embarrassed...

Ye Feng suddenly placed his hand on her shoulder. "Chen Xuan is my girlfriend. I will have to ask Mr. Luo to take care of her in the future."

As soon as he said this, Chen Xuan's face immediately revealed an expression of disbelief.

She did not expect that Ye Feng would announce her identity in public.

Ever since the two of them had crossed the last line, the other party's attitude had been very ambiguous.

He had never publicly acknowledged her identity.

This had always troubled her, and she couldn't find her place.

Were they really boyfriend and girlfriend?

Or was it just friends with benefits?

This made her very confused.

It was only now that the other party generously admitted her identity.

She felt a warm current of happiness surge into her heart.

This was ten thousand times more exciting than meeting Luo Jingyuan.

Tears immediately flowed down her face.

Chapter 457 - 457 Is This B\*stard Cheating?

457 Is This B\*stard Cheating?

All the men present looked like they had lost their parents.

It wasn't easy for the real estate industry to produce a goddess, and they were all trying their best to perform in front of the goddess.

However, in the blink of an eye, the goddess was already taken?

Luo Jingyuan was the only one who clapped his hands and laughed.

"The two of you are really a match made in heaven. Since you're the Little Divine Doctor's girlfriend, I'll give you a big gift. If Lingyun Real Estate wants to enter Yang Cheng, Longjiang Real Estate is willing to escort you."

As he spoke, he glanced at Tang Fushan in the distance. "Anyone who dares to make things difficult for Lingyun Real Estate is an enemy of Longjiang Real Estate."

As soon as he said this, the scene immediately went into an uproar.

Everyone turned to look at Tang Fushan.

Luo Jingyuan's words were obviously meant for him to hear.

He had just said that as long as Fushan Building Materials was still around, he would never let Lingyun Real Estate enter Yang Cheng.

Now, Luo Jingyuan had announced that if he dared to make things difficult for Lingyun Real Estate, he would become Longjiang Real Estate's enemy.

These words were too targeted, pointing directly at Fushan Building Materials.

Tang Fushan's face turned green and white, like a chameleon.

Luo Jingyuan was slapping him in the face in public.

How could he not be angry?

But so what if he was angry?

The other party was Luo Jingyuan, one of the leading real estate companies in South Guangdong Province.

They were much stronger than him.

He really did not have the guts to challenge the other party.

However, he was still the president of Fushan Building Materials, and he was considered a big shot in the real estate industry of Yang Cheng.

If he did not even dare to let out a fart, he would definitely become the joke of the entire South Guangdong Province.

At the thought of this, he immediately raised his head to look at Luo Jingyuan, trying his best to sound neither servile nor overbearing.

“Mr. Luo, I respect you very much, and I don’t want to be your enemy. This is a personal grudge between Chen Xuan and me. I hope you won’t interfere.”

Luo Jingyuan glared at him coldly. “I want to interfere. What can you do?”

Tang Fushan was furious. “Luo Jingyuan, I respect you and call you Mr. Luo, but I’m not afraid of you. Don’t go too far.”

Luo Jingyuan didn’t back down. “I’m going too far. What can you do to me?”

Tang Fushan was already in a dilemma.

If he admitted defeat now, would he still be able to raise his head in Yang Cheng and South Guangdong Province in the future?

“I’ll say it again. As long as I, Tang Fushan, am alive, Lingyun Real Estate will never enter Yang Cheng. No matter who it is, if you dare to help Lingyun Real Estate, you are making an enemy out of me, Tang Fushan. I will fight you to the death!”

His words were sonorous and powerful.

Everyone present was shocked.

“Is Tang Fushan challenging Mr. Luo? Isn’t this courting death?”

“You can’t say that. Although Fushan Building Materials’ strength is not as good as Longjiang Real Estate, if they want to fight with their lives, it’s still very terrifying.”

“Yes, if both sides fight to the death, Longjiang Real Estate will definitely suffer a heavy blow even if it wins in the end.”

“At least Tang Fushan’s courage is worthy of admiration.”

“Facing such a powerful enemy, he can still face the difficulties head-on. Tang Fushan is a true man!”

Luo Jingyuan didn't expect that a puny Tang Fushan would dare to challenge him. He couldn't help but sneer and was about to continue speaking.

At this time, Ye Feng suddenly interrupted, “I appreciate Mr. Luo's good intentions, but this is a personal grudge between me and President Tang. Let us resolve it ourselves.”

When everyone heard this, they were all in disbelief.

“Is this kid crazy? With a big shot like Mr. Luo willing to help, others would be more than happy to do so, but he refused?”

“He doesn't think that he can defeat Tang Fushan without Mr. Luo's help, does he? It can't be, right?”

“That's right. No matter what, Tang Fushan is the local boss of the construction materials industry in Yang Cheng. His strength cannot be underestimated. And he's a foreigner. What confidence does he have to say such words?”

“You're really young and impetuous. The ignorant are fearless. Young people were impulsive and liked to show off.”

Luo Jingyuan also looked at Ye Feng in surprise. “Little Divine Doctor, are you sure?”

Ye Feng nodded. "I am very sure."

Tang Fushan was afraid that he would go back on his word, so he hurriedly said, "This is what you said. Mr. Luo is not allowed to make a move. This is just a duel between you and me."

He had already regretted it after he said those harsh words.

He couldn't afford to offend a super big shot like Luo Jingyuan.

He was thinking about how to find a way out.

At this moment, he heard Ye Feng reject Luo Jing Yuan's good intentions.

He was instantly ecstatic.

As long as he didn't have Luo Jingyuan's help, it would be a piece of cake for him to deal with an outsider.

This kid had really lost his mind.

There was a way to heaven, but you didn't take it.

The more he thought about it, the more excited he became. In the end, he almost laughed out loud.

Ye Feng looked at him in disdain. "Although I do not have any foundation in the outside world, not any Tom, Dick, or Harry can show their teeth to me. Use whatever moves you have, I, Ye Feng, will take it!"

Everyone present was laughing at this guy for overestimating himself.

But when they heard Ye Feng's words, their expressions changed drastically.

"Ye Feng? He's actually Ye Feng? The Ye Feng who defeated Niu Sidun?"

"Isn't he in Zhonghai? Why did you suddenly come to Binhai City?"

"No wonder he was so arrogant. It turns out that he was the one who made Mr. Niu lose his boat in the gutter."

"He can even defeat Niu Sidun. How dare a mere Tang Fushan challenge him?"

“Yeah, I thought Tang Fushan would win if Luo Jingyuan didn’t help. Looks like it’s over.”

“Tang Fushan really kicked an iron plate this time...”

It wasn’t just them, even Luo Jingyuan was a little dumbfounded.

“Little Divine Doctor, you... You are Ye Feng? This...”

Of course, he had heard about the conflict between Ye Feng and Niu Sidun, he also knew that Ye Feng was a business genius.

However, he could not understand why the other party’s medical skills were so awesome.

Could it be that this b\*stard was cheating?

Chapter 458 - 458 A Real Man Should Be Like This!

458 A Real Man Should Be Like This!

Tang Fushan was the most shocked among the people present.

He originally thought that the other party was just a rich second-generation heir who overestimated himself.

He could do whatever he wanted with this kind of trash.

But when he heard Ye Feng introduce himself...

Only then did he realize that he was wrong, and very wrong!

The other party was not a rich second-generation heir at all.

Instead, he was an upstart in the business world who started from scratch and created a legend.

He was also a young genius who had caused the godfather of business in South Guangdong Province, Niu Sidun, to suffer a huge setback and even lost his life.

During this period of time, Ye Feng's name had spread like a god in the business world of South Guangdong Province.

They described him as an invincible genius.

Subconsciously, many people had the urge to run away when they heard the word 'Ye Feng'.

He had never thought that he would provoke such a powerful enemy. He immediately complained endlessly in his heart.

Chen Xuan looked at the expressions of everyone present. Her heart was instantly filled with pride.

Ye Feng had only reported his name, but it made so many real estate industry bosses feel like they were facing a great enemy.

How awe-inspiring was this? What kind of spirit was this?

A real man should be like this!

Just when Tang Fushan was secretly complaining and wondering if he should say something nice and admit defeat?

Suddenly, he heard a burst of hearty laughter behind him.

"Hahaha, a mere young boy scared so many business elites in our Dragon Country Real Estate Forum that they don't even dare to fart? What an awe-inspiring presence!"

Everyone turned around and saw a middle-aged man in a white suit walking over slowly.

Seeing this person, everyone present stepped forward to welcome him.

“Hello, Mr. Wei.”

“Hello, Mr. Wei...”

Looking at how they were fawning over him, they were even more eager than over Luo Jingyuan.

It was like a group of brainless fans meeting their idol.

Ye Feng looked at Luo Jingyuan curiously. “Mr. Luo, who is this person? What a grand display.”

“He’s Wei Changfeng, the chairman of Changfeng Real Estate,” Luo Jingyuan introduced in a low voice.”

“Is this Changfeng Real Estate very powerful?”

“Very powerful.”

“Compared to Longjiang Real Estate?”

“We’re neck and neck.”

Luo Jingyuan couldn’t help but smile bitterly.

There were some things he couldn’t say.

In the past, when Niu Sidun and Fuli Group were at their peak, Longjiang Real Estate was probably ranked in the top five in South Guangdong Province.

Now that Niu Sidun was dead, Fuli Group was greatly weakened.

And his Longjiang Real Estate had hopes of entering the top three.

The biggest obstacle was Changfeng Real Estate.

Moreover, its momentum was even stronger than his Longjiang Real Estate.

After listening to his introduction, Ye Feng had a basic understanding of this Changfeng Real Estate.

Wei Changfeng's strength was not inferior to Luo Jingyuan's, so he could be considered a super big shot.

However, from his tone just now, it seemed that he had some opinions about him.

At this time, Wei Changfeng had already escaped from the crowd. He slowly walked toward Ye Feng.

"You are that Ye Feng who stirred up the world?"

Ye Feng looked at him in a neither servile nor overbearing manner. "May I know what advice Mr. Wei has?"

Wei Changfeng waved his hand. "I don't dare to teach you. I just can't stand your arrogant and domineering nature of causing trouble everywhere. This is not a place for you to behave atrociously. Go back to Zhonghai."

His tone was as if he was reprimanding a child.

Everyone had a strange expression on their faces.

After all, Ye Feng was an expert, he had just defeated a super big shot like Niu Sidun.

No matter how awesome he, Wei Changfeng, was, was he looking down on him?

Ye Feng looked straight at Wei Changfeng. “Originally, I had not made up my mind to enter the Provincial Capital, but since you have said so, then I really want to run wild in the Provincial Capital. Let’s see what you can do to me?”

When Wei Changfeng heard this, he couldn’t help but sneer. “Niu Sidun’s carelessness actually made you famous. Did you really think that you won because of your true ability?”

As he spoke, he raised his voice.

“I’ve studied your three matches. Because Niu Sidun fought in a different place, he found a bunch of stupid teammates. The first two times, he had lost to a pig teammate.”

“And the last time, you used some despicable means to get his dirty materials, forcing him to commit suicide.”

“Looking at these three battles, which one of them did you rely on your true strength to win?”

He spoke without any scruples.

Everyone present also felt that what he said made sense.

Thinking about it carefully, even though Ye Feng won the battle against Niu Sidun, it was indeed an unfair victory.

Niu Sidun was either tricked by his stupid teammates or defeated by the 'traitor.'

In truth, Ye Feng did not really attack.

At least on the surface, that was indeed the case.

It could be said that he had picked up a great victory for nothing.

From the looks of it, it wasn't too much for Wei Changfeng to say that he was 'famous.'

After thinking about this, everyone's fear toward Ye Feng faded.

Ye Feng heard his analysis and could not help but applaud. “Wonderful, Mr. Wei’s analysis is very wonderful. Since I, Ye Feng, can’t even withstand a single blow in your eyes, then bring it on, I, Ye Feng, will take it all.”

When Wei Changfeng heard his challenge, he smiled disdainfully. “You want to challenge me? You are not qualified.”

As he spoke, he glanced at Luo Jingyuan, who was behind him. “If it was Mr. Luo, I might be a little afraid. Haha, what a joke. I’m old friends with Mr. Luo. Why would I start a war so easily?”

Luo Jingyuan smiled coldly. “It doesn’t matter. If Mr. Wei wants to play, I can play with you.”

Wei Changfeng pretended not to hear him and turned to look at Tang Fushan.

“President Tang, since they’ve already bullied us, don’t embarrass us in the real estate industry. Go ahead and do it. I’ll be your backup.”

Hearing this, Tang Fushan was overjoyed.

Chapter 459 - 459 It Should Be Said That Her Eyes Are Not Bad

459 It Should Be Said That Her Eyes Are Not Bad

Tang Fushan was a little guilty when facing a strong opponent like Ye Feng.

In addition, Luo Jingyuan was standing behind him.

This made him feel even more hopeless.

He even wanted to surrender.

But after listening to Wei Changfeng's analysis, he realized that Ye Feng was not that scary.

He sounded more like a lucky dog.

In addition, Wei Changfeng had promised him that he was willing to back him up, so he had nothing to worry about.

Wei Changfeng's strength was not inferior to Luo Jingyuan's at all. In fact, he was even slightly stronger.

With such a big shot backing him up, what was there to worry about?

Thinking of this, he immediately looked at Ye Feng impatiently. "Kid, I hope you can quickly enter the Provincial Capital. Don't make me wait too long."

Ye Feng's lips curled up. "Don't worry, this day will come very soon, it might be even faster than you think. Just don't cry when the time comes."

The reason why he was so confident was not because he was arrogant, but because he had a certain degree of confidence.

Today, after completing the opportunity navigation, the system rewarded him with a construction material company.

This company was valued at 5 billion yuan. It was definitely considered a first-class company in the Provincial Capital.

With this company, it would be much smoother for him to enter Yang Cheng.

At this moment, the host of the forum had already gone on stage and began to announce the official start of the forum.

Wei Changfeng had a mocking smile on his face. He whispered into Ye Feng's ear: "Brat, the tallest tree in the forest will be destroyed by the wind. You are too high-profile. Sooner or later, you will fall. I will wait and see."

Ye Feng also laughed lightly: "Then let's just wait and see who will fall first."

Wei Changfeng didn't say anything else and returned to his seat.

The others also had their own thoughts and returned to their seats.

And because of Ye Feng and Tang Fushan's incident, everyone did not care much about the forum.

However, when Chen Xuan went on stage to give a speech, it still caused a wave of excitement in the venue.

"Although our Lingyun Real Estate is a new company, we have always insisted on creating a life circle that is more suitable for the modern life of the common people..."

Whether it was her looks or temperament, Chen Xuan was excellent.

At this moment, her graceful speech on the stage had already begun to have the aura of a business queen, and she had even won the praise of many big shots attending the conference.

The entire speech lasted for more than 20 minutes, and the applause did not stop.

Even Luo Jingyuan who was sitting beside Ye Feng could not help but praise, “Brother Ye, you have good taste!”

He didn’t know if it was his taste in people, his taste in girlfriends, or perhaps both.

Ye Feng smiled humbly: “I should say that she has good taste.”

Luo Jingyuan laughed out loud. “I thought I was thick-skinned enough, but compared to you, I admit defeat.”

Ye Feng smiled and did not say anything else.

After Chen Xuan finished her speech, several big shots in the real estate industry went on stage to speak.

Almost everyone would praise Chen Xuan first.

It was originally a forum for the real estate industry to exchange views, but it had become Chen Xuan’s personal commendation conference.

She was originally just a small supporting role, but she accidentally became the main character.

When the meeting ended, she was immediately surrounded by a group of people.

There were some who handed her business cards, some who tried to get close to her, and most of them wanted to invite her to dinner.

Chen Xuan politely took the business cards and declined their invitation to dinner.

Then, she quickly ran toward Ye Feng.

“Xiao Feng, how was my performance today?”

She held Ye Feng’s hand tightly. Her face turned red from excitement.

“Yes, not bad. You didn’t embarrass me.”

Ye Feng pinched her little nose.

At this moment, Chen Xuan no longer had the domineering aura she had on stage. She had completely transformed into a petite woman in front of her boyfriend.

Luo Jingyuan, who was standing beside her, had goosebumps all over his body.

“Brother Ye, you don’t need to worry about Wei Changfeng. If he dares to attack, I’ll stop him for you.”

Ye Feng smiled disdainfully: “If I said that I did not put him in my eyes at all, would you think that I was too arrogant?”

Luo Jingyuan burst into laughter.

“Brother Ye, you’re really too good with my temper. I was going to treat you to dinner tonight, but it looks like.... I’d better not be a third wheel. When there’s a chance in the future, I’ll definitely treat you to a good meal. Also, you...”

“Take it easy at night.”

After saying that, he patted Ye Feng’s shoulder and left.

Chen Xuan was teased by him, and her face turned red. She lay on Ye Feng’s shoulder and did not dare to raise her head.

“What are you shy about? Where’s your queenly aura on stage just now? You have to continue to stand still. There are so many people watching,” Ye Feng could not help but tease.

“Go to hell, even you are laughing at me?”

Chen Xuan pouted coquettishly.

“I’m serious. The queenly look you had on stage just now was too charming.”

Ye Feng said as he moved closer to her ear: “If you can maintain it at night, I will have more desire to conquer.”

Chen Xuan was even more embarrassed and angry now. She reached out her hand to the soft flesh on his waist and pinched it hard.

Ye Feng grimaced in pain.

“Alright, I’m not joking anymore. You’re probably hungry too, right? Let’s go, I’ll bring you to eat something delicious,” Ye Feng said as he held her hand and walked out.

Many people at the scene saw this scene and felt their hearts ache.

Their goddess had been taken away just like that.

This Ye Feng was simply the public enemy of all men!

Chapter 460 - 460 500,000, I'll Buy It!

460 500,000, I'll Buy It!

Ye Feng and Chen Xuan had dinner at a private restaurant.

Then, they held hands and strolled along the bustling pedestrian street.

This was the first time in Chen Xuan's life that she had gone shopping with someone of the opposite sex, especially when they could do some intimate actions like other couples.

This feeling was fresh and exciting.

Ye Feng even bought her a huge cotton candy.

At first, she rejected it and even said, "I'm not a three-year-old child." After tasting it, she repeatedly exclaimed, "It smells so good."

“Xiao Feng, I have to rush back to Zhonghai company overnight. There are still many things that need me to deal with.”

After shopping for a while, Chen Xuan suddenly stopped and turned to look at Ye Feng.

“Stay with me tonight and go back tomorrow.”

Ye Feng hugged her slender waist, his face was filled with reluctance.

“No, the company is already urging me. I have to rush back.”

“Is the company more important or am I more important?”

“You can’t compare like this. You’re making things difficult for me.”

Seeing this, Ye Feng could only tease: “I was just teasing you. I was just worried that it would be unsafe for you to travel at night.”

Chen Xuan smiled. “Don’t worry, I have a chauffeur with me.”

“Male and female driver?”

“You... I’m ignoring you, hmph!”

Chen Xuan threw a tantrum and turned to leave.

Right at this time, a system notification sounded in Ye Feng’s ears: [The system has detected a treasure hunting navigation. Please go straight along the current road for 200 meters and turn left...]

Chen Xuan took a few steps forward. Seeing that he did not catch up, she could not help but turn around curiously. “What’s wrong?”

Ye Feng held her hand, the corners of his lips curled up. “Follow me to a place.”

“Where are we going?”

“You’ll know when we get there.”

Ye Feng followed the GPS and soon arrived at an old house.

Judging from the dilapidated state of this house, it must have been around for at least a hundred years.

A portion of the courtyard walls had collapsed, and no one had repaired them.

Chen Xuan looked at him curiously. "Why did you bring me here?"

Ye Feng could only make up an excuse. "I'm suddenly very interested in the old house. Let's go in and take a look."

As he spoke, he took the lead and walked in.

Although Chen Xuan did not know what he was up to, she still followed him with absolute trust.

The door of the house was wide open.

The two of them arrived at the courtyard without any obstruction.

This courtyard occupied at least a thousand square meters and had at least seven or eight rooms.

The houses were all made of wood and looked very historical.

When the two of them arrived at the courtyard, they heard a hoarse voice from afar.

“Master Pao, my house is worth at least 500,000, right? Not only can I return the money I borrowed from you, but I can also save a lot of capital.”

The two of them looked in the direction of the voice.

The person who spoke was a man with a sharp mouth and ape-like cheeks.

He was about 50 years old and was as thin as a stick, as if he could be blown over by a gust of wind.

In front of the man stood a few burly men.

The leader was a man about 1.8 meters tall.

It weighed at least 200 pounds.

There was a green dragon tattoo on his arm.

It looked extremely intimidating.

Hearing the man's words, the man with the green dragon tattoo could not help but laugh.

"500,000? Do you f\*cking take me for a fool? Even if you give me this rundown house for free, I'm afraid it'll be haunted. You'd better keep it for yourself."

"Don't be so mean, Master Pao. We're asking for a sky-high price to pay back the money."

The monkey-faced man hurriedly showed a fawning expression.

The tattooed man looked around the house again. "I'll give you at most 100,000 yuan for this lousy house of yours. I can't go any higher."

The monkey-faced man immediately panicked. "Master Pao, aren't you going too far? I have such a big house. Just selling the land alone would cost more than 100,000 yuan."

The tattooed man sneered. "This is the money to buy the land. Why would I want your crappy house? If you like it, you can take it away."

The monkey-faced man hurriedly showed a pleading expression. "Master Pao, please do me a favor. Give me more. I'll sell it if you give me more."

The tattooed man frowned and pondered for a moment. "It seems that you've had it hard. How about this? I'll give you 200,000 yuan, not a single cent more."

The monkey-faced man was still a little hesitant. "200,000... It's only enough for me to pay off my gambling debts. What else can I use to continue gambling?"

The tattooed man was already very unhappy. "Then think about it carefully. When you've thought it through, come and find me."

As he spoke, he was about to leave with his men.

"Alright, Master Pao, I'll sell this house for 200,000."

Seeing this, the monkey-faced man hurriedly compromised.

"Why didn't you just do it earlier? What a waste of time."

When the man with the green dragon tattoo heard this, he was stunned. He immediately turned back with an unhappy expression and was about to pay.

Ye Feng saw this and immediately asked, "Are you selling this house?"

The monkey-faced man was stunned for a moment before he hurriedly replied, "I'm selling it. Do you want to buy it?"

Ye Feng pretended to walk over. "I've been liking this kind of old house recently. How much do you plan to sell it for?"

The man rolled his eyes and immediately stretched out his palm. "500,000!"

The man with the green dragon tattoo almost cursed when he heard that.

This b\*stard really dared to bid.

He was simply asking for an exorbitant price!

Did he really think that he was a sucker?

Ye Feng frowned. "This is a little inappropriate. I heard your conversation just now. He only offered 200,000 and you are already planning to sell it. Why did it become 500,000 yuan when it came to me?"

The man was exposed by him, but he did not look embarrassed at all. He forcefully defended himself, "That's right, I'm friends with Master Pao. 200,000 is a friendship price. If you want to buy it, it'll cost you 500,000 yuan."

Chen Xuan pulled Ye Feng's arm. "Xiao Feng, let's go, 500,000 to buy such a shabby house? Only a fool would buy it."

Ye Feng was unmoved. He only stared at that man for a long time.

"Alright, 500,000 yuan, I'll buy it!"
