Chapter 581 - 581 Eying Under the Window

581 Eying Under the Window

Just as Ye Feng was about to lose his consciousness...

Suddenly, he heard the man's voice from the room again. "It seems like I was too careful. There's nothing outside."

This voice was like a bucket of cold water being poured over him.

Ye Feng immediately woke up.

What kind of place was this? This was the enemy's lair.

How could he have such dirty thoughts?

Besides, he had only met Zhuang Xiaojiao a few times and did not know her at all. How could he do such a thing to her? Was he still human?

At the thought of this, he hurriedly got up awkwardly. "That..."

Zhuang Xiaojiao, however, acted as if nothing had happened. She hurriedly shushed him, got up, and walked toward the window.

Ye Feng felt that he was not as carefree as a woman.

He was still blaming himself here, but the other party was already fine.

But what he did not know was that Zhuang Xiaojiao was already ashamed and angry.

She was just using this method to ease the awkwardness.

However, what really embarrassed the two of them was still to come.

When the two of them came to the window and looked through the gap in the curtains.

They saw a man and a woman sitting in the room.

The man was the one who had come out to check. He was leaning against the headboard smoking.

The woman was wrapped in a towel. She had probably just taken a shower, revealing her fair thighs.

“I told you that you had a guilty conscience, but you were unwilling and insisted on going out to take a look.”

The woman sneered as she wiped her hair with a towel.

The man stood up and walked in front of her, hugging her waist. “It’s better to be careful in your later years. How many people have fallen because of carelessness? I can’t bear to part with my little darling.”

The woman sneered. “I think you’re just afraid. You’re afraid that Old Gao will suddenly come over and see you f*cking his woman, so he’ll cut you to death, right?”

Outside the window, Ye Feng and Zhuang Xiaojiao exchanged a look.

The Old Gao that this woman was talking about couldn’t be the boss of the Chaoxin Gang, Gao Junming, right?

If that were the case, then it would be too fun.

This man should be Gao Junming's subordinate, Wang Hongda.

And this woman was Gao Junming's lover.

They did not expect that Mr. Gao would be cuckolded by his subordinates.

Zhuang Xiaojiao once again displayed her potential as a paparazzi. She immediately took out her phone and started recording.

Wang Hongda heard the woman's mockery and immediately flew into a rage out of humiliation. "So what if Gao Junming knows? I've worked for him for so many years. What's the big deal about sleeping with his woman?"

The woman continued to mock him. "Do you dare to say that to Gao Junming? Aren't you afraid that he'll cut you up and feed you to the dogs?"

Wang Hongda's expression changed slightly. He was obviously a little afraid.

The woman's expression became more and more contemptuous. "If you're afraid, get lost. I'll treat it as a mosquito bite. Useless trash..."

With that, she turned around and was about to leave.

Wang Hongda's expression immediately became ferocious. He grabbed the woman's arm and said, "Stinky b*tch."

Outside the window, Zhuang Xiaojiao's face immediately turned red and she quickly put her phone away.

She turned to look at Ye Feng and asked in a low voice: "What should we do now?"

Ye Feng scratched his head. "If we rush in now, I'm afraid it's not very humane, right? Let's go in after they're done."

With that, he sat down by the window.

Zhuang Xiaojiao had no choice but to sit down as well.

Tonight's experience was too exciting.

First, she climbed over a wall with Ye Feng and became a great thief.

Now she was with him under the window.

Ye Feng hurriedly pushed Zhuang Xiaojiao. "It's our turn."

Zhuang Xiaojiao heaved a sigh of relief. She wanted to get up, but she realized that her legs were weak.

After a long while, she followed Ye Feng and entered the house.

Chapter 582 - 582 The Hooligans Are Starting to Show Evidence?

582 The Hooligans Are Starting to Show Evidence?

At the same time, Wang Hongda was leaning against the headboard of the bed with a cigarette in his mouth. He had entered Sage Time.

The woman leaned on his chest and said faintly, "Hongda, can you take me somewhere far away?"

Wang Hongda's hand trembled, and he almost dropped the cigarette butt. "Why do you suddenly want to go far away?"

The woman's face was full of resentment. "I've been with him since he's been with me. He's been taking me as a canary, feeding me every day, eating and drinking, but he doesn't give me any freedom. I've had enough of this life. Take me away from here. We'll never come back."

Wang Hongda gave a fake smile. "Sure, but we still have to spend money if we want to go far away. Help me get some money from Gao Junming first, then we can leave."

The woman immediately looked up at him. "How do you want me to help you?"

"If you don't have anything to do, you can whisper in his ear and tell him to give me more business." Wang Hongda said gently. "In less than three or two years, I'll be able to get enough money for us to live freely for the rest of our lives. When the time comes, I'll accompany you wherever you want to go."

The woman believed him and immediately nodded. "Okay, I'll definitely help you."

Wang Hongda couldn't help but laugh coldly in his heart. When the time comes, what kind of woman can't I get? Why would I be interested in a broken shoe like you?

Just as he was secretly feeling smug, a shout suddenly came from outside.

"How dare you commit adultery behind Mr. Gao's back?"

Wang Hongda felt his body tremble and almost peed his pants. He hurriedly looked up.

A man and a woman slowly walked in from outside.

..

When they saw Ye Feng and the other man enter, Wang Hongda and the woman panicked. They quickly covered their bodies with blankets.

“You... Who are you? Who let you in? You’re trespassing. This is illegal...”

Wang Hongda had never seen Ye Feng before, so he did not know him.

In his panic, he could only roar helplessly.

Zhuang Xiaojiao was still holding her phone and filming the two of them. “Come, smile.”

Wang Hongda was furious and wanted to snatch the phone away.

Ye Feng immediately took out his phone and pretended to be on the phone, “I advise you not to be rash, otherwise, I will call Gao Junming’s video call and give him a live broadcast.”

Actually, he was just bluffing. How could he have Gao Junming’s number?

However, Wang Hongda did not dare to move. “Who are you people? I didn’t offend the two of you, right?”

Ye Feng pulled out a chair and sat opposite the two of them. “Mr. Wang is really forgetful. You even colluded with others to frame me today, and you actually don’t know who I am?”

Wang Hongda was confused at first, but his expression changed drastically. “You are Ye Feng?”

Ye Feng could not help but smile as he looked at Zhuang Xiaojiao. “See, they’re confessing without any hesitation.”

Zhuang Xiaojiao couldn’t help but laugh. “It looks like he did work with Xue Cong to frame you.”

Wang Hongda forced himself to calm down, and he laughed coldly. “Ye Feng, you are about to die. Why aren’t you running for your life? You still dare to appear here?”

Ye Feng pretended to be angry and said, “The reason why I’m dying is all because of you. You colluded with Xue Cong to make a fake death report and wanted to kill me. You guys are really ruthless!”

Wang Hongda glanced at the phone in Zhuang Xiaojiao’s hand and immediately pretended to be confused. “What frame you? Why can’t I understand? Zhou Tiejun was killed by you. How did we frame you?”

Ye Feng saw that he was pretending to be confused. He sneered: "Are you pretending to be confused with me? Xue Cong has already confessed that you were the one who instructed him to make the fake report. You still want to deny it?"

Wang Hongda continued to be stubborn. "He said I ordered him to do it, so I ordered him to do it? What evidence do you have? Don't speak without evidence."

Ye Feng was amused by his words. "Hooligans are also starting to talk about evidence?"

As he spoke, he glanced at the two of them. "I don't have any evidence that you bribed Xue Cong, but I do have evidence that you slept with Gao Junming's woman behind his back. I wonder if Mr. Gao will be magnanimous enough to forgive you after knowing about this?"

As soon as he said this, the expressions of the two people on the bed immediately changed.

With Gao Junming's ruthlessness, if he knew that he had been cuckolded, he would probably chop the two of them up and feed them to the fish.

The woman grabbed Wang Hongda's arm and said, "Hongda, what should we do now? I don't want to die."

Wang Hongda rolled his eyes and suddenly pushed the woman away. He shouted into Zhuang Xiaojiao's phone, "I'm innocent. It's all this b*tch's fault for seducing me. She... She seduced me while I was drunk. My loyalty to Mr. Gao is obvious!"

The woman stared at him in disbelief.

The man who had just vowed to her that he would take her far away had betrayed her in the blink of an eye.

He was clearly the one who had tried all sorts of ways to get close to her. Why was it now that she had seduced him?

Zhuang Xiaojiao was so angry that her face turned pale.

She had never seen such a shameless man.

If he stood up now and took all the responsibility on himself, he would still be considered a man.

She didn't expect that at the critical moment, he would immediately bite back at the woman who was so intimate with him just now.

He was simply shameless to the extreme.

Ye Feng revealed a mocking smile. “No matter who seduced who first, to Mr. Gao, there is no difference. When the two of you are chopped into meat paste and fed to the dogs, there will be no distinction between you.”

Wang Hongda was really afraid now. He looked at Ye Feng nervously. “You... What do you want?”

Ye Feng crossed his legs and crossed his legs, looking relaxed. “I want you to be honest. How did you bribe Xue Cong? How did you kill Zhou Tiejun? Who was the one who instructed him? Was it Gao Junming? Or someone else?”

Wang Hongda’s face immediately darkened when he heard the series of questions.

“I really don’t know what you’re talking about. You can’t just listen to Xue Cong’s one-sided story. I do know him, and I even had some conflicts with him. I guess he hates me and wants to take the opportunity to frame me. Every word I say is the truth. If I lie, I will die a horrible death.”

His words were sincere and he even made a poison oath. It was really confusing.

But how could Ye Feng be so easily fooled?

“I’ve already given you a chance, but you didn’t cherish it. Then let’s inform Mr. Gao and let him judge.”

As he spoke, he picked up his phone again and prepared to make a call.

“Wait... Wait a minute!”

Seeing this, Wang Hongda immediately broke out in a cold sweat. “I’ll talk, I’ll talk, alright?”

Ye Feng then slowly put down his phone. “You better behave yourself. I won’t give you any more chances. If I find out that you’re lying, I’ll call Mr. Gao immediately.”

Wang Hongda was so scared that his entire body was trembling. He hurriedly organized his thoughts.

“That’s right. I was indeed the one who instructed Xue Cong to make a fake appraisal report...”

Only then did Ye Feng reveal a smile. “Tell me the details.”

Wang Hongda had completely given up on resisting. “This afternoon, I found Xue Cong at the hospital and asked him to help me make a fake death report. He didn’t agree at first, but I gave him 1 million in cash and threatened him to kill him if he didn’t do as I said...”

Zhuang Xiaojiao looked at Ye Feng happily while filming.

There was another piece of evidence to prove Ye Feng’s innocence.

It was already a dead end, but it was actually broken bit by bit by this guy.

He was really too strong!

Chapter 583 - 583 The Truth Is Revealed

583 The Truth Is Revealed

Ye Feng listened to Wang Hongda's story of how he bribed Xue Cong, then he continued to ask: "The money you used to bribe him, where did you get it from?"

Wang Hongda hesitated for a moment before he finally gave a name. "Yes... Shu Mingcheng gave it to me."

Ye Feng heard another unfamiliar name and frowned. "Who is this Shu Mingcheng? Why did he frame me?"

"Shu Mingcheng... He's Ye Chengze's subordinate."

Wang Hongda followed up with another big joke.

After Ye Feng heard this, he had a look of relief on his face.

Now, everything made sense.

It turned out that the real mastermind behind this series of events was Ye Chengze.

He heard that he had a conflict with the people from the Chaoxin Gang and wanted to use this incident to frame him.

Therefore, he had instructed his subordinates to bribe Wang Hongda to bribe Xue Cong and forge a fake death report.

After thinking about this, he looked at Wang Hongda again. "How much did Shu Mingcheng give you?"

Wang Hongda said hesitantly, "Just... He gave Xue Cong 1 million dollars."

Ye Feng could not help but sneer: "You dare to say that you didn't take any commission? I'll confront Shu Mingcheng later. You'd better not hide anything."

Wang Hongda knew that he couldn't hide it from her, so he had to tell her the truth. "He gave me... 10 million."

Ye Feng was a little shocked. "You actually pocketed 9 million? You're really black-hearted."

When the woman on the bed heard this, she immediately broke down. "You b*stard, you have so much money, yet you still cried to me about being poor just now. You even said that you would take me far away when you have enough money. Is there even a f*cking truth in your mouth?"

The more she spoke, the angrier she got. She pounced on Wang Hongda and started scratching and hitting.

Due to the large movement, the blanket that was originally used to cover her body instantly fell off, revealing her fair body.

Zhuang Xiaojiao quickly covered her eyes shyly.

Ye Feng looked at the full-length mirror beside him.

Wang Hongda was already extremely depressed. Now that he was being scratched by this woman, he instantly went berserk.

He grabbed the woman's hair and hammered her.

The woman was soon beaten until her skin was torn and her flesh was torn apart.

Zhuang Xiaojiao was furious.

Perhaps it was because they were both women, she felt a little sympathy for that woman.

This man who was so intimate with her just now had actually turned hostile and started to attack her ruthlessly.

She really did look a little pitiful.

Ye Feng could not stand it anymore. He hurriedly berated: "Alright, you two can settle this later, answer my questions first."

Wang Hongda then stopped and looked at Ye Feng with a fawning expression. "Mr. Ye, please ask."

"Did you kill Zhou Tiejun?"

"No, no, Zhou Tiejun and I are brothers. How could I do such a thing? Am I still human?"

Wang Hongda shook his head vigorously and denied it immediately.

“You’re not a man to begin with. You can even do that to your own woman. What’s a brother to you?”

Zhuang Xiaojiao was the one who had spoken the truth. If it wasn’t for the fact that she wanted to collect evidence, she would have gone up to him right now and beaten him up.

Wang Hongda couldn’t help but laugh at her taunt. “I really didn’t kill Zhou Tiejun. He was already dead when Shu Mingcheng found me. It was very likely that Shu Mingcheng or Ye Chengze had done it.”

Ye Feng asked a few more questions, Wang Hongda was very cooperative. He answered almost everything he knew.

“Alright, I’m very satisfied with your answer. I hope you can testify for me and repeat what you said today to the official.”

Ye Feng ended the interrogation and slowly stood up.

“Of course, of course. As long as Mr. Ye needs it, I’ll do my best to cooperate.”

Ye Hongda agreed, but a murderous intent flashed in his heart.

What was the difference between offending Ye Chengze and sending him to his death?

Moreover, Ye Feng knew that he had an affair with Gao Junming's lover. If he accidentally leaked it, he would die.

The best way now was to kill this kid.

He had already planned it out in secret.

Once Ye Feng left, he would immediately mobilize his men. He could not let this kid live past tonight.

How could Ye Feng not read his mind? He immediately stood up and walked over.

"However, since you betrayed your brother and slept with his woman behind his back, I'm afraid you're not going to be able to do it. How can I trust your character? So, just in case, I need you to cooperate with me on one thing."

"Cooperate with what?"

Wang Hongda looked at him in confusion.

Ye Feng did not say anything. He directly opened his mouth and threw a sugar pill in.

Then, while the other party was panicking, he used a silver needle to silently pierce his abdomen.

Wang Hongda quickly put his fingers into his throat. He dug for a long time but nothing came out. He looked at Ye Feng in horror.

“What did you feed me?”

Ye Feng repeated what he said to Xue Cong.

“This is called the Seven Day Soul Severing Pill. It is a poison that I have secretly made. If you do not obtain the antidote within seven days, you will bleed from your seven orifices and die... If you don't believe me, you can try holding your breath.”

Wang Hongda immediately held his breath. He felt a sharp pain in his abdomen, and he immediately believed it and begged Ye Feng for mercy.

“Ye... Ancestor Ye, what do you mean by this? I will never betray you. Please give me the antidote.”

Ye Feng was unmoved. “Compared to your promise, I believe in my Soul Severing Pill more. You better pray that I'm safe and sound in these seven days, or you'll be buried with me.”

Then, he waved at Zhuang Xiaojiao. "Let's go."

Zhuang Xiaojiao immediately put away her phone and followed him out of the room.

Wang Hongda felt as if his soul had been sucked out of him. He immediately leaned against the headboard like a pile of mud.

Ye Feng should be fine?

Would Boss Gao chase after him?

Would Ye Chengze kill him?

Would something happen to him on the way?

Would he choke to death while eating?

He had never been so worried about someone in his life.

Even his parents who raised him had never made him so worried.

Chapter 584 - 584 You Men Are All Bad Things

584 You Men Are All Bad Things

As the two of them walked out of the villa, Zhuang Xiaojiao made another call.

Soon, she received Shu Mingcheng's address.

The two of them immediately got into the car and rushed to Shu Mingcheng's house.

Zhuang Xiaojiao was still angry. "That Wang Hongda is such a jerk. Although that woman isn't a good person, she's still loyal to him. How could he treat her like that? If it wasn't for the urgency of the matter, I really wanted to teach him a lesson."

Ye Feng smiled as he drove. "Evil people will be tortured by evil people. This kind of person will not have a good ending."

Zhuang Xiaojiao was still indignant. "This woman has a hard life. First, she met Gao Junming and was imprisoned in the villa, not giving her any freedom. Now, she had met such a scumbag. Not only did he not protect her when she was in danger, but he even betrayed her. You men are really not good."

Ye Feng immediately cried out, "If you want to scold them, then scold them. Why did you have to go all out? At least I'm different from them."

Zhuang Xiaojiao glared at him. "You're not a good person either."

Ye Feng glared at her indignantly. "How am I not a good person?"

Zhuang Xiaojiao stared at him with her beautiful eyes. "Don't you know what you did to me in the courtyard just now?"

"Cough, cough..."

Ye Feng immediately coughed guiltily. He turned to look out the window. "The moon is really round today."

Zhuang Xiaojiao looked outside. It was pitch-black. Where was the moon?

But seeing Ye Feng's embarrassed state, she was secretly pleased.

When this guy was interrogating Wang Hongda, he was calm and composed.

He had the demeanor of an expert who had a pearl of wisdom in his hand.

It was rare to see him in such a sorry state.

However, when she thought about how he looked in the grass...

It made her body go numb.

The atmosphere in the carriage immediately became strange.

Fortunately, Shu Mingcheng's house wasn't too far away. It only took them half an hour to reach his neighborhood.

This neighborhood was not considered particularly high-grade, and the guards were useless.

The two of them did not encounter any obstacles and entered openly.

Ye Feng parked the car outside Shu Mingcheng's house and observed the surrounding situation through the window.

Shu Mingcheng lived on the fourth floor. At this time, the lights were brightly lit in the window. Clearly, someone was at home.

He was about to push the door open and get out of the car.

At this moment, they suddenly saw a man in a black trench coat quickly walking toward the unit.

The man was very vigilant. After he went downstairs, he looked around.

After finding nothing unusual, he quickly entered the corridor.

Ye Feng frowned immediately.

He could feel a trace of killing intent from this person.

Only those who practiced martial arts could feel this aura more clearly.

How could such a person appear in an ordinary residential building?

Could it be... Was he here for Shu Mingcheng?

At the thought of this, he immediately turned to Zhuang Xiaojiao. "You stay in the car first. I'll go up alone to take a look."

Zhuang Xiaojiao was unhappy. "Why? I want to go up too."

She had a very exciting time with Ye Feng today. She had forgotten how long it had been since she was so happy.

Now that he was about to throw her off, how could she agree?

Ye Feng pointed at the person who went in just now. "I suspect that the person came to look for Shu Mingcheng. There might be danger inside. You better stay here and don't go anywhere."

Zhuang Xiaojiao's eyes lit up. "Danger? That's even more fun. You have to take me there."

Ye Feng could not help but shake his head and smile bitterly. This woman was really a weirdo.

When others heard that it was dangerous, they wouldn't even have time to hide.

However, she actually rushed forward.

“How is it? Do you agree? If you don’t agree, I will shout here, ‘Ye Feng is here to catch you, hurry up and run!’”

She lowered her voice and pretended to be shouting. She looked a little cute.

Ye Feng had no way to deal with her. He could only nod helplessly. “Then you must follow me later. You can’t leave me, do you hear me?”

Zhuang Xiaojiao nodded obediently. “Alright, I’ll listen to you.”

Ye Feng did not say anything else. He pushed open the door and got out of the car.

Zhuang Xiaojiao immediately followed.

The two of them entered the corridor and deliberately slowed down their footsteps, trying not to make any noise.

Zhuang Xiaojiao was obviously lacking in exercise. She was already sweating profusely when she reached the third floor.

However, she still tried her best to control herself and not let out too loud of a gasp.

Ye Feng stopped and poked his head out.

He saw the man in the windbreaker standing in front of Room 402 and pressing the doorbell.

“Who’s there?” A man’s voice sounded from inside.

The man in the windbreaker immediately said in an amiable tone, “Brother Shu, I’m Xiao Fei. Young Master Ye asked me to give you something.”

The door of the room was quickly opened, and half of his head was revealed. “So it’s Brother Xiao Fei. Come in quickly.”

As the man spoke, he let the man in the windbreaker in. Then, he looked outside for a moment before closing the door.

Ye Feng and Zhuang Xiaojiao immediately went up the stairs. They came to the door of Room 402 and carefully listened to the movements inside.

The person who opened the door just now should be Shu Mingcheng.

He just didn't know why Ye Chengze had sent people to look for him so late at night.

Due to the soundproofing effect of the security door, the two of them listened for a long time but did not hear the specific content of the conversation inside.

“What should we do now?”

Zhuang Xiaojiao quickly looked at Ye Feng.

Ye Feng frowned and fell into deep thought.

At this moment, he did not know the specific situation in the room, nor did he know how many people were inside. He could not act rashly.

Moreover, this security door was very difficult to break from the outside. If he wanted to enter, he had to think of another way.

Just as he was thinking of a countermeasure, he suddenly heard Shu Mingcheng's angry roar from inside.

“Meng Fei, what are you doing? Don't...”

Chapter 585 - 585 I'm Sorry, But I Have to Kill You

585 I'm Sorry, But I Have to Kill You

At this moment, in Shu Mingcheng's house.

Shu Mingcheng's wife was already lying in a pool of blood.

There was a terrifying wound on her neck, and her face was filled with disbelief.

Just now, she was preparing to make tea for the guests.

However, she never thought that the moment she turned around, Meng Fei, who had been friendly to her just now, would suddenly take out a dagger from his pocket and give her a fatal blow.

When the ice-cold blade cut her throat, she could not believe it.

Shu Mingcheng had witnessed the entire process of his wife's death and was instantly terrified.

Meng Fei slowly turned around and licked the bloody blade with the tip of his tongue. "Next, it's your turn."

His mouth was stained with scarlet blood, making him look extremely terrifying.

Shu Mingcheng suddenly shivered. “Meng Fei... What do you mean? We’re brothers. How can you...”

Meng Fei approached them step by step. “Of course, we are best brothers. I’m sorry, but I have to kill you.”

Shu Mingcheng was so frightened that he stumbled backward. “Why is this happening? I don’t think I’ve offended you before, right?”

“You really didn’t offend me. It’s Young Master Ye who wants your life.”

Meng Fei did not hide anything and told him the truth.

“Young Master Ye? Young Master Ye wants to kill me? Why? I’m loyal to him, so why would he want to kill me?”

When Shu Mingcheng heard his words, it was as if he had been struck by lightning. He had already forgotten to escape.

“Because you know too many secrets. Young Master Ye is worried that you will leak them, so he wants you to shut up completely.”

Meng Fei answered all his questions. Perhaps in his opinion, the other party was already a dead man, so there was no need to hold back.

“Young Master Ye’s kindness to me is as heavy as a mountain. Even if I die, I won’t tell those secrets.”

Shu Mingcheng was still struggling.

“To Young Master Ye, only dead people can keep secrets forever. Brother Shu, I’m sorry.”

After Meng Fei finished speaking, he did not waste any more time and walked over with his dagger.

Behind Shu Mingcheng was the kitchen. He suddenly turned around and rushed in. He picked up a kitchen knife and turned to threaten Meng Fei, “Don’t come over, or don’t blame me for being rude.”

Meng Fei glanced at the kitchen knife in his hand in disdain. “Brother Shu, you should know my strength. Do you think resisting will work on me?”

Shu Mingcheng knew very well that Meng Fei was Ye Chengze’s number one fighter.

In the past, he had beaten countless people to death in underground boxing arenas overseas.

Later, Ye Chengze spent a lot of money to hire him as his bodyguard.

How could his kitchen knife be his match?

Thinking of this, he hurriedly threw away the kitchen knife and knelt on the ground with a thud.

“Brother Meng Fei, on account of our brotherhood, I beg you to spare my life. I can give all my money to you, and then I will disappear forever and never appear again, okay?”

Meng Fei remained indifferent to his pleas. “I’m sorry, Brother Shu. If I let you go, Young Master Ye won’t let me go. Today, you must die.”

As he spoke, he slowly raised the dagger above his head.

Shu Mingcheng was completely paralyzed with fear. He lay on the ground like a pile of mud, and his crotch was full of feces and urine.

Facing such a powerful enemy, he did not even have the courage to resist. He could only close his eyes and wait for death.

Although his eyes were closed, he could clearly feel Meng Fei's dagger approaching him.

And death was also approaching bit by bit.

At this moment, a gust of wind suddenly sounded.

Meng Fei felt a light flash in front of his eyes.

Bang!

The light pierced into the wall. It was actually a piece of glass.

Immediately after, a stream of blood spurted out of his wrist that was holding the dagger.

The dagger could no longer be held and fell to the ground with a clang.

Meng Fei was shocked and hurriedly turned around to look. He saw a figure 'flying' in through the window.

Shu Mingcheng, who had narrowly escaped death, immediately shouted at the top of his lungs, "Help!"

Meng Fei couldn't care less. He hurriedly used his other hand to pick up the dagger on the ground and rushed toward Shu Mingcheng again.

No matter what, he had to complete the task given by Young Master Ye first.

Shu Mingcheng had closed his eyes and waited for death because he felt that there was no hope of escaping.

But now, he suddenly saw a glimmer of hope. How could he wait for death?

He hurriedly rolled and crawled to dodge, but his arm was still cut by Meng Fei's dagger. The wound was very deep, and blood immediately flowed.

However, he could not care less and continued to crawl in the direction of the person.

Meng Fei missed his first attack and wanted to continue attacking.

At this moment, the uninvited guest had already rushed over and kicked his wrist.

The dagger stabbed into the roof.

Chapter 586 - 586 If You're Unkind, Don't Blame Me for Being Unrighteous

586 If You're Unkind, Don't Blame Me for Being Unrighteous

Meng Fei was furious and kicked the man's head.

He was very confident in his leg technique. Not only was it extremely fast, but it was also very powerful.

Back when he was fighting underground, countless people had fallen under his legs.

However, the other party was not a good person either. He directly leaned back, his back almost parallel to the ground, and then quickly jumped up.

Before Meng Fei could continue attacking, the man jumped up and pulled out the dagger from the roof. He used the momentum of his descent to stab at Meng Fei.

Meng Fei didn't dare to confront him head-on and hurriedly took a step back.

However, he did not expect that the other party was only feigning an attack.

After landing on the ground, his footsteps changed in a dazzling manner, and he instantly appeared behind him.

Meng Fei was shocked. He did not expect the other party to be so fast. He was about to dodge.

However, at this moment, the dagger was already placed on his neck. "Don't move. Be careful not to lose your life."

Meng Fei didn't dare to move anymore, but his words were still tough. "Friend, which gang are you from? How dare you ruin Young Master Ye's plans?"

Before the person could reply, Shu Mingcheng, who was hiding at the side, cried out in surprise.

"You are... Ye Feng?"

.....

Shu Mingcheng's mind was in a mess when he shouted this.

His loyal Young Master Ye wanted to kill him.

And Ye Feng, whom he had schemed to frame, saved him?

This world seemed to be a little chaotic.

Ye Feng smiled at him. "Go and open the door."

Shu Mingcheng didn't know what was going on, but he still hurriedly went to open the door. Then, he saw a beautiful woman with bright eyes and white teeth standing outside.

"Hello."

Zhuang Xiaojiao greeted him as if she was a guest and walked in.

When she saw the situation in the room, she couldn't help but exclaim, "Did you come in through the window just now? Isn't this too amazing? Are you Superman?"

When the two of them heard Shu Mingcheng's exclamation outside, they knew that something must have happened.

Thus, Ye Feng asked her to continue waiting outside the door while he tried to find a way to enter through the window.

However, when she was observing from the outside, she did not find any way to enter through the window. How did he get in? Did he fly in?

Ye Feng forced Meng Fei back to the living room. He looked at Shu Mingcheng's wife who was lying in a pool of blood.

"Your Young Master Ye is really a ruthless person. He can even be so heartless to his loyal subordinates."

Shu Mingcheng glanced at his wife's corpse, and his face revealed a look of grief, which quickly turned into hatred.

"I was loyal to Ye Chengze, but I didn't expect my family to be destroyed in exchange. Hahaha..."

He had a good relationship with his wife. This woman had been with him since he had nothing. In the past two years, he had finally clung to Ye Chengze's thigh and lived a better life.

Before he could enjoy life with her, she was killed by Ye Chengze.

One could imagine his hatred at this moment.

Ye Feng saw his hatred and immediately asked, "Do you want to avenge your wife?"

"Revenge? What... Revenge?"

It was obvious that Shu Mingcheng was still very afraid of Ye Chengze.

Although he hated him to the bone, he was still terrified when he heard that he wanted revenge.

Ye Feng cursed 'coward' in his heart, but he still continued: "You should know why I came to look for you today."

Shu Mingcheng could be regarded as a trusted aide by Ye Chengze because he was smart enough to immediately figure it out. "You went to look for Wang Hongda?"

Ye Feng gave a thumbs up. "Smart! He already confessed everything. He said that you gave him 10 million to bribe Xue Cong to frame me, right?"

Zhuang Xiaojiao was already familiar with the place. She immediately took out her phone and started recording.

Before Shu Mingcheng could say anything, Meng Fei had already started to berate him loudly. "Shu Mingcheng, you have to think about the consequences of betraying Young Master Ye."

Shu Mingcheng was frightened by him and immediately swallowed the words he was about to say.

Ye Feng's gaze was cold and his hand was strong. The dagger immediately cut Meng Fei's neck, and blood flowed out.

"If you dare to say another word, I guarantee that you will never be able to speak."

Although Meng Fei was filled with hatred, his life was in the hands of the other party, so he did not dare to speak any more nonsense.

Ye Feng looked at Shu Mingcheng again. "Don't worry and speak boldly, Ye Chengze wants to kill you anyway. You will die even if you don't speak. If you speak, you might still have a chance to live."

Shu Mingcheng looked at Meng Fei, then at his wife's corpse. He immediately felt conflicted.

Zhuang Xiaojiao was also furious. "Your wife was killed by Ye Chengze and you're still covering for him? Are you still a man? I don't think you're even human."

Shu Mingcheng could not lift his head after being scolded by her. In the end, he gritted his teeth and said, "Ye Chengze, if you're heartless, don't blame me for being unjust."

With that, he turned around and walked into the bedroom.

Zhuang Xiaojiao hurriedly looked at Ye Feng, obviously asking if he wanted her to follow him in?

Ye Feng shook his head.

After a while, Shu Mingcheng walked out of the bedroom with a USB flash drive in his hand and passed it to Ye Feng.

Ye Feng took the USB drive and looked at him in confusion. "What is this?"

Shu Mingcheng gritted his teeth and said, "There's a video and audio recording of Ye Chengze instructing me to frame you. There's also the proof of the 10 million yuan transfer, as well as a lot of evidence of Ye Chengze's past crimes..."

Ye Feng looked at him in surprise. "You actually left evidence?"

Shu Mingcheng revealed a smug look. "As the saying goes, the dog will be cooked when the rabbit dies. Ever since the first day I worked for Ye Chengze, I had a premonition that this day would come, so I always leave evidence behind."

Ye Feng laughed dryly. "Reading is indeed useful."

Meng Fei, on the other hand, was extremely furious. "Shu Mingcheng, you're really despicable. No wonder Young Master Ye wanted to kill you. Serves you right!"

Shu Mingcheng was completely enraged. He rushed up like a madman and punched and kicked him.

Ye Feng did not stop him. He allowed him to vent.

However, he lacked training after all. After a while, he was exhausted, but he still glared at Meng Fei with red eyes. "If he didn't do anything to me, this evidence would never see the light of day. He was the one who was heartless first, so don't blame me for being unjust."

Meng Fei spat a mouthful of bloody saliva and could not help but laugh. "You want to build a memorial archway after becoming a wh*re? I only hate that I didn't kill you. You're lucky."

Shu Mingcheng's eyes flashed with ruthlessness. He immediately raised his head and looked at Ye Feng. "I forgot to tell you, that Zhou Tiejun was killed by him. You must not let him off."

The corners of Ye Feng's mouth immediately curled up. He didn't expect that there would be an unexpected gain.

He immediately looked down at Meng Fei. "You killed Zhou Tiejun with your own hands?"

Meng Fei knew that he would not be able to escape today. He immediately sneered, "That's right, I killed him. So what?"

Ye Feng stared at him with bright eyes. "Ye Chengze instructed you to do it?"

Meng Fei immediately denied it. "No, I wanted to kill him. I asked them to frame you. What's wrong?"

Ye Feng raised his eyebrows. "What a loyal dog. Why did you frame me?" Do we have any grudges?"

Meng Fei glanced at him disdainfully. "Because you were disrespectful to Young Master Ye. I couldn't stand it, so I wanted to get rid of you to vent my anger. I'll take responsibility for what I did. Kill me if you have the guts."

A smile appeared on Ye Feng's face. He turned to Zhuang Xiaojiao and said, "Let's end the recording here."

Zhuang Xiaojiao immediately turned off her phone and was about to speak.

At this time, the dagger in Ye Feng's hand suddenly changed direction and stabbed into Meng Fei's thigh.

“Ah...”

A shrill scream echoed throughout the room.

Chapter 587 - 587 You've Never Died Before, And You Dare To Say That You're Not Afraid of Death?

587 You've Never Died Before, And You Dare To Say That You're Not Afraid of Death?

Meng Fei was in so much pain that he was sweating, but he still gritted his teeth and looked at Ye Feng.

“You want to force me to slander Young Master Ye? Dream on. I did everything. Even if you kill me, I’ll say the same thing.”

Ye Feng sneered: “With your intelligence, you can’t think of such a stupid idea. What I want to ask is, how will you report to Ye Chengze after you complete the mission?”

“I won’t tell you. Kill me if you dare.” Meng Fei sneered.

Ye Feng’s expression darkened. “I will give you one last chance. You better tell me the truth.”

Meng Fei looked at him like he was a fool. “Don’t you understand human language? I’m not even afraid of death, why would I be afraid of your threat? If you have any tricks up your sleeve, just show them. Let’s see if I’ll say a word.”

Ye Feng smiled again. "You have never died before, and you dare to say that you are not afraid of death? Then I'll let you experience what true death is."

As he spoke, he took out a bag of silver needles.

Using dazzling techniques, he stabbed his 36 death acupuncture points, including the baihui, shenting, and taiyang.

There was a song saying:

Baihui fell to the ground,

at the end of the village I don't go back to my hometown.

The door was hit,

Nine out of ten died.

The sun and the mute gate,

He would definitely meet the King of Hell.

The broken spine has no bone to connect,

the fate of those below my knees is impermanent.

Any one of these fatal acupoints on a person's body would be fatal.

But Ye Feng's technique was very ingenious, and he had a good grasp of the situation.

It could subtly switch between life and death.

The so-called death acupuncture point was the life acupuncture point. The change between life and death was only a thought.

Meng Fei smiled disdainfully at first.

But soon, he could no longer smile.

The blood essence in his body began to churn, constantly attacking his internal organs.

“Uh...”

He wanted to cry out in pain, but because his mute acupoint was pressed, his voice was suppressed in his body and he could not make a sound.

His head started to swell up like a balloon.

His eyes also began to bulge as if they were about to pop out of his eye sockets.

But soon, the swelling qi and blood began to dissipate rapidly, like a deflated ball.

His spirit, energy, and vitality were rapidly draining away.

He could clearly feel that his life force was draining away bit by bit, and his consciousness was also dissipating bit by bit.

He was already hallucinating.

The people he had killed in the past flashed before his eyes like a movie.

Their painful expressions and reluctant gazes all expressed their fear of death.

As the victor at that time, he could not feel this pain.

However, he could clearly feel that his soul was falling into a black hole and was about to disappear completely.

When he thought about how he was about to disappear from this world, it was as if he had never been here. It was silent and meaningless...

He began to feel fear and terror. He wanted to shout for help.

However, he could not make a sound.

He could only look at Ye Feng pleadingly.

Save the unnamed.

Ye Feng immediately went forward and kept those silver needles.

Meng Fei felt like he was a dead tree that was about to die. Suddenly, he encountered a drop of dew, and his vitality began to recover bit by bit.

His consciousness was returning bit by bit, and his vitality was also growing stronger bit by bit.

“Ah...”

It was only then that he opened his mouth and panted heavily.

It was as if he had been soaked in a water tank. His entire body was drenched.

When he looked at Ye Feng again, it was as if he had seen a ghost.

This guy was more like a devil than the devil.

It was too terrifying!

Ye Feng had a harmless smile on his face. "How is it? Do you like the taste of death?"

Meng Fei shook his head vigorously.

If the other party had killed him in one strike, he might not have been so afraid.

Or rather, there was no time to be afraid.

However, this b*stard used such a strange method to make him feel the arrival of death bit by bit. It was too torturous. He didn't want to feel it again.

Ye Feng's smile became even brighter. "Then can you tell me the truth now?"

Meng Fei hurriedly nodded. "I'll explain, I'll explain everything..."

Zhuang Xiaojiao and Shu Mingcheng also looked at Ye Feng in fear.

Although the two of them did not feel the pain Meng Fei suffered, they witnessed the entire process from the side.

They could more or less empathize with him.

To be able to make an assassin who was loyal to Ye Chengze and had a firm will admit defeat so quickly...

One could imagine how terrifying this method was.

Especially Zhuang Xiaojiao, she looked at Ye Feng with a complicated expression.

In front of his friends, this fellow had always been friendly and easy-going.

Occasionally, he would even show the innocence that a young man should have, and from time to time, he would even show some embarrassment.

He was no different from an ordinary university student.

However, when he faced his enemies, the brutality and ruthlessness he displayed made people's hair stand on end.

What kind of person was this guy?

Ye Feng did not think too much. He just stared at Meng Fei. "Tell me, after you complete the mission, how will you report to Ye Chengze?"

Meng Fei no longer had a trace of arrogance and immediately replied respectfully.

"If the mission is completed, send him a text message. The content of the text message is 'One pillar towering the heaven'. If the mission fails, send a message saying, 'A thousand miles away'."

He had just said that he wouldn't say a single word, but he was right, because he had said so many words in one breath.

After Ye Feng heard this, he could not help but mock: "As expected of Young Master Ye, even the secret code is so unique."

Even Zhuang Xiaojiao, who was standing at the side, couldn't help but curse at him for being shameless.

Ye Feng did not say anything else. He took out his phone from Meng Fei and glanced at him. "You better not play any tricks with me, or I don't mind letting you experience the taste of death again."

When Meng Fei recalled the inhuman experience just now, his face instantly turned pale.

"What I said is the truth."

Ye Feng saw that he did not seem to be lying, he did not say anything else.

He found the name 'Young Master Ye' in his contact list and typed 'One pillar towering the heaven' and sent it over.

Thinking of Ye Chengze's happy expression when he received this message, he couldn't help but want to laugh.

I'll let you be happy for one night.

By tomorrow, you might not be able to smile anymore.

Chapter 588 - 588 Ye Feng Was Arrested

588 Ye Feng Was Arrested

Ye Chengze was in his villa.

..

At this moment, he suddenly received a text message from Meng Fei.

When he saw the words 'One pillar towering the heaven,' his heart immediately relaxed.

This Shu Mingcheng knew too many of his secrets.

To be able to get rid of this hidden danger, it could be considered to have relieved him of one of his worries.

Moreover, once this person died, even if Ye Feng investigated, he would not be able to testify.

'Ye Feng, you are dead this time!'

As the saying went, people were in high spirits when they were happy.

...

On the other side, Ye Feng was sitting on the sofa in the living room, deep in thought.

The other three people in the living room did not dare to make a sound. They just looked at him quietly.

After a long time, Ye Feng slowly opened his eyes.

He first sent a message to Chen Qiushan, Luo Jingyuan, and Zhao Fulin.

Then, he thought for a moment and sent another message to Xu Changming.

Since he said that he owed him a favor, then it would be a waste not to use it.

Next, they would have to wait for the storm to arrive.

I'm ready. Ye Chengze, what about you?

..

The next morning, Ye Feng was still sleeping soundly.

Then, he heard a knock on the door.

He put on his sleeping robe and got up to open the door.

He saw Liu Xiaoya and Liu Ling, whom he had not seen for many days, standing outside.

Both of them were extremely beautiful and knew how to dress up.

Standing there now, they looked even more slender and elegant.

“Two beauties came to my door so early in the morning. I’m really lucky,” Ye Feng could not help but joke.

Lu Xiaoya pulled Liu Ling into the living room. “Ignore him. He’s just taking advantage of us with his words. In reality, he’s just a coward.”

Ye Feng was despised, and he was very angry. “Who are you calling a coward?”

Lu Xiaoya pulled Liu Ling to sit on the sofa and looked at him forcefully. “I’m talking about you. Are you not convinced? The two of us have already delivered ourselves to your doorstep. If you have the ability, do something.”

As she said that, she put on a look of being at his mercy.

Ye Feng looked at her for a moment, but eventually gave up. "Another day."

Although he was indeed tempted, he still had an important mission today and could not waste too much energy.

Liu Ling watched the two bicker from the side and could not help but laugh.

Ye Feng slowly sat opposite them: "Where have you been these two days?"

Lu Xiaoya hugged Liu Ling's arm. "Liu Ling took me to many fun places. I didn't want to come back."

Ye Feng looked at her unhappily. "You didn't bring me along when you went to a fun place, how heartless."

Lu Xiaoya covered her mouth and laughed. "Only women can go to those places. Men are not allowed to enter."

Ye Feng immediately revealed a look of realization. "Don't tell me you're going to... That kind of place? Lu Xiaoya, you've learned to be bad."

Lu Xiaoya did not understand at first, but when she saw the evil smile on Ye He's face and Liu Ling's blushing face, she finally reacted.

“Stupid pervert, what are you thinking? Who went to that kind of place?”

Lu Xiaoya was so angry that she immediately grabbed a pillow and threw it at him.

Liu Ling who was at the side also glared at Ye Feng. “Xiao Ya, I finally understand why you said that he deserved a beating. Now it seems that you were right.”

Lu Xiaoya wanted to cover her mouth, but it was too late. She felt a little awkward.

Ye Feng held a pillow in his hand and walked over with ill intentions. “You actually said that I deserved a beating behind my back? I think you’re the one who needs a beating.”

Lu Xiaoya hurriedly got up and hid around the sofa. “I was joking. Don’t take it seriously.”

Ye Feng smiled sinisterly. “Are you joking? Then I’ll joke with you too.”

As he spoke, he raised his pillow and chased after her.

“Ah, Liu Ling, save me...” Lu Xiaoya shouted as she ran.

But she was still hit on the head by Ye Feng's pillow a few times.

Liu Ling also hurriedly grabbed a pillow and joined the pillow fight.

For a moment, the living room was in chaos.

Just as the three of them were having fun, there was another knock on the door.

Ye Feng could only stop and get up to open the door.

Lu Xiaoya and Liu Ling hurriedly tidied up their clothes and hair before rushing over.

"Who is it?"

Lu Xiaoya thought that he was Ye Feng's friend.

However, when the door opened, she saw a few uniformed officers standing outside.

Everyone was armed and alert.

The leader of the guards showed his ID to Ye Feng. "You are Ye Feng, right? Someone has reported a case, accusing you of intentional murder. Please come with us."

Lu Xiaoya and Liu Ling were stunned.

"Intentional murder? Comrade, are you mistaken?"

Lu Xiaoya hurried over to ask.

The officer glanced at her. "We're in the middle of carrying out official duties. Don't talk too much if you don't have anything to do with it. Otherwise, you'll be obstructing official duties."

Lu Xiaoya wanted to continue.

Ye Feng reached out his hand to stop her. He looked at the officer calmly. "I will go with you."

Lu Xiaoya hurriedly pulled him back. "Ye Feng, what did you do? Don't scare me!"

Ye Feng turned around and patted her shoulder. "It's just a misunderstanding. I will explain it to them."

With that, he turned around and walked out of the door.

The officer immediately handcuffed him and the group left.

Lu Xiaoya was completely flustered. She hurriedly pulled Liu Ling who was beside her. "Liu Ling, what should we do now? Will something happen to Ye Feng? Quickly think of a way to save him."

Liu Ling was also a little lost. "We still don't know what he did. I don't know how to save him either."

Lu Xiaoya was so anxious that she was about to cry. "Then what should we do? I don't want him to die. If he dies, I don't want to live either..."

Liu Ling was also anxious. At this moment, she suddenly thought of something.

"Isn't Ye Feng on good terms with Luo Jingyuan and Zhao Fulin? Hurry up and call them and see if they have any ideas."

Lu Xiaoya's eyes lit up. "Yes, I'll call them now. They are Ye Feng's friends, they will not leave him in the lurch."

After saying that, she hurriedly took out her phone and made a call.

Chapter 589 - 589 I Finally Know What It's Like to Have a Cold Tea When I'm Gone

589 I Finally Know What It's Like to Have a Cold Tea When I'm Gone

Lu Xiaoya called Chen Qiushan first.

Because he had known Ye Feng for the longest time, he should be more attentive.

But when Chen Qiushan finished listening to her story, he only said lightly, "Oh, I know."

Lu Xiaoya could not hear any surprise or urgency in the other party's tone. She was instantly dumbfounded. "What do you mean you know? Hurry up and think of a way to save him."

Chen Qiushan coughed lightly, "Xiao Ya, don't worry, I believe that Ye Feng will find a way to escape."

When Lu Xiaoya heard this, she was so angry that she almost vomited blood. "What do you mean he has a way to escape? He's been taken away by the officials. You're good friends with him. Aren't you anxious at all?"

Chen Qiushan chuckled. "Even if I'm anxious, what's the use? Do you want me to break into the prison?"

“You...”

Lu Xiaoya felt her blood boiling. “How can you say such things? Ye Feng used to have such a good relationship with you! Now that something happened to him, why didn’t you think of a solution quickly? Instead, you made sarcastic remarks?”

Chen Qiu Shan replied lightly: “I will say the same thing, Ye Feng has his own way of escaping. You don’t have to worry about it.”

Then, he hung up.

Lu Xiaoya was so angry that she felt like she had a brain hemorrhage. She did not expect Chen Qiushan to be such a person.

In the past, he was Ye Feng’s brother, but now that he was in trouble, his expression changed.

Ye Feng was really blind. How did he end up with such an ingrate?

After calming down, she called Hu Renyu, Luo Jingyuan, Zhao Fulin, and the others.

However, the answer she received was similar to Chen Qiushan’s.

When these people heard the news of Ye Feng's arrest, they were not surprised at all. Instead, they were frighteningly calm.

Then, they comforted her a little, but they didn't say anything about helping her save him.

It was as if they did not care about Ye Feng's life or death.

Lu Xiaoya's heart had completely turned cold after she hung up the call.

"I finally know what it means to leave the tea cold, haha..."

When Ye Feng was at his peak, these people would toast to him and call him brother.

Now that he was in trouble, each and every one of them did not help him. Human relations were actually so cold to this extent. It was too chilling.

Liu Ling hurriedly comforted her. "Xiao Ya, don't worry too much. We'll think of another way."

Lu Xiaoya grabbed her hand as if she was holding onto her last life-saving straw.

“Liu Ling, you are my only good friend in Yang Cheng, you must help Ye Feng! I owe you a huge favor.”

Liu Ling frowned and pondered for a moment. “Wait for me to find out what happened.”

Then, she called her father, Liu Yunpeng.

“Dad, let me ask you something, do you know Ye Feng?”

“I know. This kid has been very restless in Yang Cheng recently. Why do you suddenly want to ask about him?”

“He’s a good friend of my best friend. He was just taken away by the officials. Can you help me find out what happened?”

“He was taken away by a police officer? Don’t hang up yet. I’ll help you ask...”

After a few minutes of silence, Liu Yunpeng’s voice sounded again. However, this time, he was no longer as calm as before. Instead, he was extremely anxious.

“Ling Ling, you should immediately ask your best friend to cut ties with Ye Feng. Otherwise, you should cut ties with her directly. In short, you should not have anything to do with Ye Feng.”

When Liu Ling heard her father’s words, she was stunned. “Dad, what exactly happened?”

“This Ye Feng had a conflict with the Chaoxin Gang yesterday morning and killed a person. Now that he has been sued by their family, he is probably dead this time.”

“What is it? The new trend? This... Could there be some misunderstanding?”

“Whether it’s a misunderstanding or not, this kid is dead this time. He has offended too many people in Yang Cheng. Wei Changfeng, Ye Chengze, and now Gao Junming are all bad people. Those who are involved with him will probably be dealt with. Don’t get involved in this mess.”

“But...”

“No buts. Ye Chengze just sent someone to send an invitation to a banquet at the Immortal Residence. I have to go. Don’t get involved in this matter again, or our Liu family will be implicated.”

“Dad, I... I understand.”

After Liu Ling hung up the phone, she did not come back to her senses for a long time.

Lu Xiaoya saw her strange expression and hurriedly pushed her. "How is it? What happened?"

Liu Ling shivered and looked at her blankly. "Ye Feng... He killed someone."

Lu Xiaoya's face turned pale. "Kill... Who did he kill?"

Liu Ling swallowed with difficulty. "The people from the Chaoxin Gang... Gao Junming of the Chaoxin Gang is a great devil. Those who offend him do not have a good ending. Ye Feng is probably... He's probably dead."

Lu Xiaoya's legs went weak and she almost fell. She hurriedly held onto the cabinet beside her.

"Then... What should we do now? Is there any other way to save him?"

"Xiao Ya, my father said that he has offended too many people in Yang Cheng and asked us not to get involved in this mess. I think you should..."

Liu Ling wanted to say something but hesitated. The rest of her words were self-evident.

Lu Xiaoya turned her head and looked at her coldly. "Do you want me to learn from those people and stand by and do nothing?"

Liu Ling spread her hands. "I want to help, but what can we do now?"

Lu Xiaoya bit her lip. "At worst, I'll break into the prison and take him away..."

"Pfft..."

Liu Ling was instantly amused by her. "Jailbreak? Do you know which way the prison gate opens? Don't joke around."

Lu Xiaoya glared at her angrily. "Anyway, I want to save Ye Feng. If I can't save him, I don't want to live anymore."

Liu Ling hurriedly comforted her. "Miss, I'm really afraid of you. Let me think about it again..."

She lowered her head and pondered for a moment. Suddenly, her eyes lit up. "My dad just said that Ye Chengze is hosting a banquet in the Immortals Residence. Do you think it will be useful if we go and beg him?"

Lu Xiaoya was already desperate. She did not even think about it and immediately walked out.

“Regardless of whether it’s useful or not, I have to give it a try.”

Liu Ling had no choice but to follow her.

She completely forgot about her father’s warning.

Chapter 590 - 590 I Will Definitely Save You

590 I Will Definitely Save You

On the other side, at the production team of Like a Dream.

Xia Qiu had just finished shooting a set of scenes and was enjoying the shade under a parasol.

At this moment, a staff member rushed over to Sister Hong and whispered into her ear.

Then, she saw Sister Hong’s expression change drastically. She glanced in her direction and pretended to be fine.

Xia Qiu was a meticulous person and immediately became suspicious. She immediately waved at Sister Hong. “Sister Hong, come here for a moment.”

Sister Hong walked over shyly and handed her a water bottle. "Are you thirsty? Drink some water first, then let the makeup artist touch up your makeup..."

Xia Qiu pushed the bottle away. "Tell me, what's the matter?"

Sister Hong hurriedly averted her gaze and avoided her gaze. "What's the matter? You're thinking too much."

Xia Qiu snorted. "Don't think I didn't see it. That person just now was Zhang Qiang from the company's Legal Department, right? What did he say to you?"

Sister Hong felt a little awkward under her intense gaze. "Aiya, don't ask anymore. We still have to shoot later. Hurry up and smooth out your lines."

Xia Qiu's pretty face turned cold. "If you don't tell me, I won't shoot today."

Sister Hong looked troubled. "There's nothing you can do about these things even if I tell you. It's best if you don't bother."

Xia Qiu glared at her stubbornly. "Sister Hong!"

Sister Hong had no choice but to say in a low voice, "Yes... It's about Ye Feng."

Xia Qiu immediately became nervous. "What's the matter with Ye Feng?"

Sister Hong looked around and said hesitantly, "Ye Feng... He was arrested."

"What?"

Xia Qiu was so shocked that she stood up from the recliner. Because she stood up too fiercely, she missed her footing and fell to the ground. Her knees were scraped.

Sister Hong immediately came over to help her up nervously. "Are you alright, Xiao Qiu?"

Xia Qiu quickly got up and grabbed her arm tightly. "Sister Hong, what happened to Ye Feng? Why was he arrested? When did this happen?"

Sister Hong was confused by her questions. She organized her thoughts and continued, "It's about what happened just now. They said that... it was intentional murder. He's already been arrested and sent to the detention center..."

Xia Qiu felt dizzy and almost fainted.

Sister Hong hurriedly held her up. "Xiao Qiu, don't worry. It might just be a misunderstanding. We'll go and find out more..."

Xia Qiu nodded repeatedly. "It must be a misunderstanding. How could he kill someone? Someone must have framed him..."

At this point, she suddenly remembered what had happened in Zhennan Border that day.

Because of her, Ye Feng had a conflict with Ye Chengze.

Ye Chengze even threatened to take revenge on him.

Could it be... Ye Feng was framed by Ye Chengze because of her?

Thinking of this, she felt even more uneasy.

"Sister Hong, go and find out where Ye Chengze is right now. I want to find him immediately."

When Sister Hong heard this, she was stunned.

Why was she looking for Ye Chengze now?

Could it be that she saw that Ye Feng was about to fall, so she was in a hurry to hug another tree?

Although logically speaking, this was not wrong, emotionally speaking, she still could not accept it.

However, her interests were tied to Xia Qiu's after all, and they were bound together.

Since Xia Qiu had figured it out herself, she could only help her find out Ye Chengze's whereabouts.

Xia Qiu clenched her fists tightly as she watched Sister Hong leave.

“Ye Feng, I will definitely save you.”

..

Chen Xuan had been busy signing new contracts with the major suppliers in Yang Cheng for the past few days.

She had finally finished her work today and was preparing to return to Yang Cheng in the afternoon.

She could even spare some time to have lunch with Ye Feng.

Thinking of her boyfriend whom she had not seen for many days, she could not help but smile on her tired face.

She immediately took out her phone and called Ye Feng.

The phone kept ringing, but no one answered.

Chen Xuan frowned.

Normally, as long as she called, Ye Feng would definitely answer in less than three seconds. What was wrong with her today?

After a few minutes, she called again.

It was the same this time. No one picked up.

This gave her a bad feeling.

Just as she was about to continue dialing, the door was suddenly pushed open. Then, she saw Zhang Youting walking in quickly.

“Sister Xuan, I have just received a piece of news...”

Zhang Youting’s face was pale and her body was still trembling.

Chen Xuan had known her for so long, but she had never seen her like this. Even when the company almost couldn’t make it out, she had never been so flustered.

“What happened?” she asked hurriedly.

Zhang Youting opened her mouth. “You should be mentally prepared first. This matter might... It will be a huge blow to you, but you must hold on...”

“Alright, hurry up and tell me. Are you trying to kill me?”

Chen Xuan saw her stutter and hurriedly urged her.

Zhang Youting took a few deep breaths to calm herself down before looking at Chen Xuan again.

“Ye Feng... He was arrested.”

When Chen Xuan heard that, her face immediately turned white, without a trace of human color, but she still forced herself to calm down. “Because of what?”

Zhang Youting bit her lower lip. “Intentional... murder.”

Chen Xuan immediately closed her eyes and tried her best to calm the surging blood.

Thinking back to Ye Feng’s expression when he faced danger, she quickly calmed himself down.

“I believe in Ye Feng. He has always done things with propriety. He would not make such a low-level mistake. Someone must be framing him. Go and investigate who he has offended in Yang Cheng recently. Find out in detail. Find out and report to me immediately.”

Zhang Youting listened to her calm analysis and couldn’t help but secretly admire her.

If it were her, she would have collapsed long ago when she found out that her boyfriend had been arrested for ‘intentional murder’.

However, Chen Xuan was able to remain calm in the face of danger and respond calmly.

In this aspect alone, she was much stronger than her.

During this period of time when she was with Ye Feng, she had improved tremendously.

As expected, one would become more outstanding if one was with outstanding people.

When Zhang Youting left, Chen Xuan could no longer hold on and immediately collapsed to the ground.

“Xiao Feng, nothing must happen to you. Otherwise, how am I supposed to live?”
