

100 Million 591

Chapter 591 - 591 Abandon the Dark and Turn to the Light

591 Abandon the Dark and Turn to the Light

Zhang Youting was still as efficient as before.

In less than half an hour, she had already listed out Ye Feng's schedule in Yang Cheng, who he met, who he had conflicts with, and many other details.

After Chen Xuan took the list, she crossed out the names that were less suspicious.

In the end, only Wei Changfeng, Ye Chengze, and Gao Junming were left on the list.

"Wei Changfeng, he is a big suspect, but with his strength, he is not Ye Feng's match, let alone frame him. We can rule him out for the time being..."

"Gao Junming is also a big suspect. But according to his past actions, if he wanted to take revenge, he would have sent people to kill Ye Feng instead of using this method to frame him. Therefore, we can temporarily rule it out..."

"Then only this Ye Chengze is left. His conflict with Ye Feng is also very deep, and he has enough strength to deal with him. This person is so young, but he has already achieved such results. His wisdom and methods are probably extraordinary..."

After some analysis, Chen Xuan finally locked onto the suspect who framed Ye Feng. "I think that the real murderer must be this Ye Chengze!"

Zhang Youting had been listening to her analysis and could not help but give her a thumbs up. "I think your mental and intellectual methods are extraordinary."

Chen Xuan smiled faintly. "I've been with Xiao Feng for a long time. Under the influence of my ears and eyes, I can be considered to have learned a little."

Zhang Youting couldn't help but twitch her lips. "You're already so powerful after learning a little? If you learn more, you can directly become a private detective."

Chen Xuan stopped joking with her and said with a serious expression, "Go and help me investigate Ye Chengze's whereabouts. I will never let go of a man who dares to frame him."

Zhang Youting walked out again and arranged for someone to inquire.

..

Immortals Residence.

As a top hotel in Yang Cheng, it was always difficult to book a place.

Today, Ye Chengze booked the entire first-floor hall and invited many guests, preparing to celebrate.

The kid who went against him had already been arrested.

What he would face next was at least life imprisonment.

Getting rid of such an enemy, Ye Chengze was naturally very happy.

Seeing that it was almost twelve, the entire hall was already full of guests. Basically, everyone was in his circle.

Wei Changfeng, Yang Wenhao, and the others had arrived early in the morning. Liu Ling's father, Liu Yunpeng, was also among them.

At this moment, everyone was chatting excitedly.

“Have you heard? Ye Feng was just arrested.”

“How could I not have heard of such a big thing? Moreover, he was arrested for intentional homicide.”

“Intentional murder. Even if this kid doesn’t die this time, he’ll be sentenced to life imprisonment, right? Don’t even think about coming out in this lifetime.”

“If he’s sentenced to life imprisonment, he might be able to come out in more than ten years if he performs well in there. There’s still hope for him to make a comeback.”

“You’re thinking too much. As long as he’s sentenced, his forces will definitely scatter. By the time he comes out, it’ll be too late.”

“Sigh, to be honest, this kid was able to build such a foundation at such a young age. He is indeed a rare genius.”

“Who asked this kid to be so arrogant? A man’s madness will be taken in by the heavens, and it’s only a matter of time before he enters.”

“That’s right. It’s better to keep a low profile. If you’re too arrogant, you’ll fall. And no one sympathizes with him, hahaha...”

Ye Chengze’s smile grew wider when he heard everyone’s discussion.

He had already made arrangements for all of this. As long as Ye Feng's crime was confirmed, their Ye family's power would go and harvest all of Ye Feng's assets.

At the same time, he would also harvest the Zhao family's assets. At that time, the Ye family's strength would definitely rise to a new level.

And he would become the number one hero of the Ye family.

The position of the future family head would also belong to him.

He would create an era that belonged to Ye Chengze.

When he thought of his future, he was so excited that he couldn't control himself.

At this moment, he suddenly saw two people walking in from outside.

Looking carefully, it was Chen Qiushan and Hu Renyu who were following behind Ye Feng.

Before Ye Chengze could say anything, Wei Changfeng, who was at the side, had already asked with a cold face, "What are you doing here? We didn't invite you, did we?"

He would never forget the two of them who had followed him to oppose him.

Chen Qiushan immediately put on a fawning expression. “We heard that Young Master Ye is holding a banquet, so we came uninvited.”

Hu Renyu also walked forward, unwilling to be outdone. “We were blinded by Ye Feng previously and had a misunderstanding with Young Master Ye and Mr. Wei. I hope that you two can be magnanimous and not hold it against us.”

When Ye Chengze heard their conversation, a playful smile immediately appeared on his face. “Are you here to express your goodwill to me?”

Chen Qiushan quickly nodded. “That’s right, that brat Ye Feng is courting death. He can’t even protect himself now. We don’t want to die with him.”

Hu Renyu also smiled apologetically. “We want to follow Young Master Ye in the future. I hope Young Master Ye won’t mind.”

When Ye Chengze heard this, he immediately stood up and opened his arms. “Welcome, welcome. It’s really wise for the two of you to abandon the dark and join the light.”

After he finished speaking, he put his arms around their shoulders and turned to look at Wei Changfeng.

“Changfeng, since Mr. Chen and Mr. Hu are already on the same side, let’s forget about the small conflict in the past for my sake.”

Regardless of what Wei Changfeng was thinking, at least on the surface, he didn’t dare to go against Ye Chengze. He immediately nodded. “I’ll listen to Young Master Ye.”

Ye Chengze became more and more delighted. He smiled at everyone and said, “Mr. Chen and Mr. Hu will be my good friends from now on. Everyone, welcome.”

Everyone applauded, their faces filled with sincere smiles. However, they despised the two’s actions in their hearts.

Previously, when Ye Feng was at his peak, these two followed him like dogs.

Now that Ye Feng was in trouble, they could not wait to change their family?

Did they even have a backbone?

Although the business world didn’t care much about morality, however, their behavior still made many people feel disgusted.

However, Chen Qiushan and Hu Renyu didn’t feel ashamed at all, as if it was only natural.

Ye Chengze also gave face to these two new friends who had come to surrender and arranged for them to sit at the main table.

Just as everyone was taking their seats and preparing to start the banquet.

A burst of hearty laughter came from outside. “Young Master Ye, you’ve just gotten rid of a big problem. It’s really worth celebrating.”

Everyone turned around and saw Luo Jingyuan walking in with a smile on his face.

Another one?

Chapter 592 - 592 Can I Have a Celebratory Drink?

592 Can I Have a Celebratory Drink?

Everyone was even more shocked.

They were even more surprised than when Chen Qiushan and Hu Renyu arrived.

Luo Jingyuan was stronger than the two of them in Yang Cheng.

He could even be considered a duke.

Such a person actually took the initiative to express goodwill to Ye Chengze?

Ye Chengze immediately stood up to welcome him. "Mr. Luo, I didn't expect you to come too."

Luo Jingyuan looked ashamed.

"I was blind before, I got on Ye Feng's boat. Who knew that this kid would seek death himself and dare to be enemies with Young Master Ye? He deserves to end up like this. I only hope that Young Master Ye can let me go. I'm willing to work for you."

Ye Chengze immediately took his hand kindly. "Mr. Luo, you're being too serious. Ye Feng is Ye Feng, you are you. I can still tell this."

When Wei Changfeng saw this scene, he immediately felt a sense of danger.

Originally, he was Ye Chengze's number-one lackey.

Now that Luo Jingyuan had joined, his position was in danger.

At the thought of this, he immediately sneered and said, "Mr. Luo is really the current generation of Lu Bu. The lord has just encountered some trouble and he immediately changed his allegiance. He's really... You know how to judge the situation."

His words were a little sarcastic.

In other words, Luo Jingyuan was a servant of the three families and had no loyalty at all.

At the same time, it was also reminding Ye Chengze that this person could betray him when Ye Feng was in trouble, but he could also betray him when he was in trouble.

Before Ye Chengze could say anything, Luo Jingyuan had already spoken.

"A good bird chooses a tree to live in. Only by following a better person will it become better. I feel that Young Master Ye is more outstanding than Ye Feng, and he is worth following. That's why I came to submit. Could it be that in Mr. Wei's eyes, Young Master Ye cannot compare to Ye Feng?"

Wei Changfeng immediately became anxious. "Stop trying to sow discord here. A mere Ye Feng is not even worthy to carry Young Master Ye's shoes."

Luo Jingyuan shrugged.

“Isn’t that enough? Isn’t it a wise choice for me to abandon the dark and join the light now? Or are you afraid that I’ll threaten your position if I follow Young Master Ye? Don’t worry, as long as I can follow Young Master Ye, even if I have to be a small follower who serves tea and water, I’m willing to do so.”

“You...”

Wei Changfeng continued to retort.

Ye Chengze hurriedly tried to smooth things over. “Hahaha, what follower? Since Mr. Luo thinks highly of me, then you are my friend. Please take a seat.”

As he spoke, he glared at Wei Changfeng with dissatisfaction.

This b*stard didn’t even care about the situation.

Luo Jingyuan had taken the initiative to surrender, and this was the time to raise the prestige of their army.

If he jumped out to fight with him now, wasn’t he slapping his face?

In the past, Wei Changfeng was the strongest force under him.

He had always relied on him as his right-hand man.

But now, Luo Jingyuan, who was on par with him, had suddenly appeared. Wei Changfeng's position in his heart had immediately dropped by quite a bit.

If this b*stard still couldn't get his position right, then he would have to teach him a good lesson.

"Mr. Luo, come and sit beside me."

Ye Chengze took Luo Jingyuan's hand affectionately and arranged him to sit on his right hand.

Wei Changfeng was sitting on the left.

He felt as if his left and right arms had become a complete vassal.

When everyone saw this scene, they secretly muttered in their hearts.

It was obvious that the two of them were on equal footing in Ye Chengze's heart.

A hint of dissatisfaction flashed across Wei Changfeng's face.

He had been following Ye Chengze for some time and had done many things for him.

Now that Luo Jingyuan was here, he had the same status as him, which made him feel very unbalanced.

However, he did not want to embarrass Ye Chengze in front of everyone.

He could only bury this resentment in his heart.

Ye Chengze looked at the crowd with unconcealable joy.

"I'm very happy to have Mr. Luo, Mr. Chen, and Mr. Hu join us today. As long as everyone follows me wholeheartedly, I will never let you down."

"Good!"

Luo Jingyuan immediately applauded.

The others had no choice but to follow suit.

After the applause stopped, Ye Chengze continued, “Ye Feng is finished, and those businesses under him are all fat meat. I’m going to march into Zhonghai. I hope you can help me. I’ll give you a lot of benefits.”

The crowd burst into applause again.

Everyone was excited.

After all, all of Ye Feng’s businesses had high quality resources, it would be a lie to say that they were not jealous.

With Ye Chengze’s words, they could go harvest as much as they wanted. Who wouldn’t be excited?

Everyone was so immersed in their joy that they didn’t notice the smirk on Luo Jingyuan, Chen Qiushan, and Hu Renyu’s faces.

“Alright, let us all raise our glasses and wish us victory in advance!”

Everyone stood up with their wine glasses and was about to finish them in one gulp.

At this moment, a man's voice came from outside again.

“Young Master Ye, I wonder if I can get a cup of celebratory wine?”

Everyone looked back again.

Zhao Fulin walked in quickly.

Seeing his arrival, everyone was immediately shocked.

Luo Jingyuan, Chen Qiushan, and Hu Renyu were here.

Why was Zhao Fulin here?

The Zhao family's strength was stronger than the Ye family. They could not have come to submit, right?

Ye Chengze saw him and frowned. “Zhao Fulin, what are you doing here?”

Zhao Fulin showed an awkward smile. “I heard that Young Master Ye is having a banquet here, so I came uninvited.”

As he spoke, he glanced at Luo Jingyuan, Chen Qiushan, and Hu Renyu, who was sitting at the table. He was surprised, but he didn't say anything.

Ye Chengze stared at him, his eyes flickering as if trying to figure out his intentions.

“What do you want? Please tell me.”

Zhao Fulin looked at the crowd and his face was a bit embarrassed.

“I... I'm here to make peace with Young Master Ye.”

Chapter 593 - 593 That Was Self-Defense, Okay?

593 That Was Self-Defense, Okay?

Zhao Fulin's words shocked everyone.

It sounded nice to say that he wanted to make peace, but in fact, it was no different from begging for mercy.

They couldn't believe that this was coming from Zhao Fulin's mouth.

The Zhao family was the number one family in Yang Cheng.

Zhao Fulin was the first heir of the Zhao family.

With such a status, he actually came to Ye Chengze to beg for mercy?

Even Ye Chengze himself did not believe it. "You, the dignified Young Master Zhao, are here to ask for peace with me? Are you kidding me?"

Wei Changfeng also stood up and sneered. "Mr. Zhao, aren't you overacting? Are you guys acting together?"

Ye Chengze heard his reminder and looked at Luo Jingyuan, Chen Qiushan, and Hu Renyu.

There was indeed something fishy about this matter.

These people were all Ye Feng's core members, but now they were all submitting to him.

He was happy just now and didn't think too much about it.

At this time, even Zhao Fulin came to him, which made him suspicious.

Zhao Fulin smiled bitterly at his question.

“Brother Ye... No, Young Master Ye, I'm not afraid of losing face. Actually... Our Zhao family has long been strong on the outside but weak on the inside. It's all relying on our Old Master to maintain it. Now the old man's body is in the midst of the battle.”

“Sigh, our Zhao family is in a very difficult situation.”

Ye Chengze did not refute his words.

Of course, he knew that the Zhao family was maintained by Old Master Zhao alone, and he also knew that Old Master Zhao was critically ill.

Many forces in Yang Cheng were waiting for the Old Master to die completely. Then, they could swarm up and divide the Zhao family.

Zhao Fulin looked at his face and continued: “Why did I rope Ye Feng in so much? Do you really think that I have a good relationship with him? That I treat him as a brother?”

Ye Chengze glanced at him. "Isn't that so?"

Zhao Fulin immediately sneered, "I am the first heir of the Zhao family. He is just a kid from a small place. How can he call me brother?"

Ye Chengze looked at him without batting an eyelid. "Then why did you do it?"

Zhao Fulin revealed a sinister smile. "I wanted to build a good relationship with him and then take advantage of his surprise to take over his business and prolong the life of the Zhao family."

"Hiss..."

When everyone present heard his words, they could not help but gasp.

This Zhao Fulin was too ruthless!

On the surface, they were brothers, but behind his back, he was plotting to seize his assets. It was simply a knife hidden in a smile.

Ye Chengze pondered for a moment and believed 70-80% of his words.

He had always been curious. Normally, people like Zhao Fulin would be very arrogant.

Why would he call Ye Feng, a bumpkin, brother?

Now that he heard his explanation, it immediately made sense.

So it was also to seize other people's assets?

He looked at Zhao Fulin again. "What do you mean by telling me this?"

Zhao Fulin immediately showed a fawning expression. "I had already planned it, but I didn't expect Young Master Ye to make a move ahead of time and send this kid to prison..."

Ye Chengze immediately glared at him unhappily. "Don't spout nonsense. This kid killed people on purpose. He was the one who courted death. What has it got to do with me?"

Zhao Fulin nodded.

“Yes, yes, yes. He asked for it. It has nothing to do with you. What I mean is, when Young Master Ye is harvesting this kid’s assets, can you give our Zhao family a share of the profits? If you agree, when I inherit the position of the Zhao family’s head in the future, I will definitely follow the Ye family’s lead.”

When Ye Chengze heard his words, his eyes immediately turned.

A moment later, he immediately revealed a bright smile.

“Hahaha, Brother Fulin is too polite. What do you mean by share? Since you’ve been planning this for so long, how can I turn the tables on you? You can choose the businesses under Ye Feng. You can choose, and I will choose the rest.”

Zhao Fulin suddenly showed a surprised look. “Young Master Ye, please don’t say that. To be fair, we’ll split his business 50-50. You and I will split 50-50.”

Ye Chengze nodded happily: “Okay, that’s settled then. Brother Fulin, hurry up and take a seat.”

He turned to look at Wei Changfeng. “Changfeng, move to the back and let Brother Fulin sit here.”

Wei Changfeng’s face twitched, but he still stood up without saying a word and gave up a seat.

He had the highest status after Ye Chengze.

Now, with the arrival of Luo Jingyuan and Zhao Fulin, he had been pushed to a secondary position.

This kind of psychological disparity made him very unhappy.

Ye Chengze didn't care about what he was thinking. He passionately pulled Zhao Fulin to sit beside him.

It was as if they had already forgotten the unpleasantness that had happened between the two of them a few days ago. They were like good brothers who had not seen each other for many days.

Zhao Fulin also looked flattered and toasted with Ye Chengze.

Although Ye Chengze appeared enthusiastic on the surface, he was actually sneering in his heart.

This fool, did he really think that he was his brother?

How could a family that was about to decline be on equal footing with him?

This was good too. First, he would let his guard down. When the time came, he would also reap the benefits of their Zhao family.

..

At the same time, Ye Feng was being questioned in the office.

“Name.”

“Ye Feng.”

“Age.”

“Twenty.”

“The gender.”

“It should be a man, right?”

Ye Feng smiled.

“I advise you to cooperate honestly and not play any tricks.” The officer sitting opposite him had a serious expression.

“I’m already like this. What else can I do?” Ye Feng lifted the handcuffs on his wrists. He had a helpless expression.

“First, explain the process of your crime in detail.” The official was still doing his job.

“Comrade, I don’t like what you’re saying. What do you mean by the crime process? That was self-defense, okay?” Ye Feng immediately cried out.

Chapter 594 - 594 Isn't This Guy Too Good At Acting?

594 Isn't This Guy Too Good At Acting?

“There were surveillance cameras at the scene. You should have seen it. It was more than ten of them who were chasing me with weapons. I was forced to fight back. Moreover, I know what to do. It’s impossible for me to kill anyone...”

The two officers immediately looked at each other and raised their eyebrows.

“We’ve already gone to the antique shop to collect evidence, but the surveillance equipment in the shop was sabotaged, and the video files were destroyed. We didn’t get the surveillance video at the scene.”

The officer in charge of the interrogation spoke again.

Ye Feng's expression was calm. "It's obvious that someone had a guilty conscience, that's why they deliberately destroyed the surveillance cameras at the scene. Their goal was to obstruct you from investigating the case..."

The officer nodded and quickly noted down the details. "We'll find out who destroyed the surveillance video. Tell us what happened first."

Ye Feng slowly sat back down, a faint smile appeared on his face. "But fortunately, I knew that someone would destroy the evidence, so I made a copy of it in advance."

The two officers' eyes lit up. "Where's the backup?"

Ye Feng used his chin to point at the right pocket of his pants. "I have a USB flash drive in my pocket."

The officer immediately walked over and took out the USB from his pocket. He said to the officer in charge of taking the statement, "Stop for a moment."

Then, he quickly walked out of the interrogation room.

After a long time, he returned and looked at Ye Feng in surprise.

“Have you learned kung fu before?”

They had just checked the surveillance video.

Indeed, it was as Ye Feng said, Zhou Tiejun and the others were the ones who chased after him with weapons. He had no choice but to retaliate.

What shocked them even more was that Ye Feng’s skills were actually so strong.

In less than a minute, he had taken care of more than a dozen criminals with weapons.

This kind of strength was simply appalling.

Ye Feng heard the question and answered honestly: “I learned a little Wing Chun, but my strength is only so-so.”

The officer’s face twitched. This guy was too good at pretending, right?

He had learned fighting in the Police Academy, and even got the first place in the entire school.

But he asked himself. If he fought with Ye Feng, he would be killed in one move.

If the other party's strength could only be called so-so, then his strength could only be called trash.

After sighing in his heart, the official returned to his serious expression.

"We've already checked the surveillance cameras just now. You were indeed forced to do self-defense. However, it's still difficult to change the fact that you overdefended yourself. Zhou Tiejun died after being seriously injured by you..."

Ye Feng did not wait for him to finish and interrupted him again.

"Comrade, I believe you can see my strength. Do you think that with my strength, I won't be able to control my actions? I can guarantee that the injuries I've caused won't be fatal."

"Hmph!" The officer snorted coldly. "But Zhou Tiejun's death report is right here in black and white. The fatal injuries on his body were indeed caused by you. You can't deny this!"

Ye Feng shrugged, "What if that forensic doctor was bribed?"

The officer was stunned. “Doctor Xue has been working with us for so many years, but there’s never been a case of injustice. It shouldn’t be, right?”

Ye Feng had a faint smile on his face. “You should go and ask him. Maybe you will get some unexpected rewards?”

In a room next door, a few leaders of the Office of Personnel were watching Ye Feng’s performance from the surveillance camera.

“Do you think what he said makes sense?”

“I think it makes sense. With his strength, he should be able to control the strength of his attack.”

“Then should we summon Doctor Xue? To confirm the authenticity of the appraisal report?”

“However, Doctor Xue has been a forensic doctor for so many years and has never made a mistake. How could he make a low-level mistake in such a matter?”

“...”

Everyone was discussing.

Suddenly, a staff member knocked on the door and came in. "Leaders, Xue Cong just came to turn himself in. He said that he accepted bribes and issued a fake death report."

As soon as he said this, the entire room fell silent.

The leaders looked at each other awkwardly.

They had just vowed that they believed in Xue Cong's character.

In the next second, Doctor Xue took the initiative to turn himself in.

In that case, the death report was fake?

Could the murderer be someone else?

..

In the Immortals Residence, Ye Chengze and the others were drinking to their hearts' content.

At this moment, a Mercedes-Benz MPV suddenly stopped outside.

Then, the car door opened, and a woman quickly got out of the car and walked into the restaurant.

Everyone put down their bowls and chopsticks and turned to look at the woman.

They all knew this woman. She was the superstar, Xia Qiu.

Everyone was curious. What was she doing here all of a sudden?

Xia Qiu quickly walked to the main table and saw Zhao Fulin and the others.

Wasn't this Mr. Zhao on good terms with Ye Feng previously?

Why was he with Ye Chengze now?

Ye Chengze sized her up. "Miss Xia? Why are you looking for me?"

Xia Qiu came back to her senses and took two deep breaths.

She suddenly knelt on the ground.

“Young Master Ye, please let Ye Feng go.”

Chapter 595 - 595 Are You Sure?

595 Are You Sure?

Seeing Xia Qiu kneel in front of everyone, everyone’s expression changed.

A superstar like her had always been a favored daughter of the heavens.

But now, for Ye Feng, she actually knelt down and begged for mercy.

How much courage did this require?

Zhao Fulin and Luo Jingyuan looked at each other and saw the shock in each other’s eyes.

Meanwhile, Ye Chengze’s expression turned gloomy. “Did Ye Feng ask you to beg me?”

To be honest, he was interested in Xia Qiu.

Otherwise, he wouldn't have asked her to accompany him to drink.

He did not expect her to kneel down and beg him for another man.

This made him a little jealous.

Xia Qiu shook his head. "I wanted to come. Ye Feng offended Young Master Ye because of me. I just hope that you can let him go. I will do anything you want."

Ye Chengze narrowed his eyes slightly. "You can do anything? What if I let you lick my shoes clean like a dog?"

Xia Qiu did not hesitate at all. "As long as you let Ye Feng go, I will!"

Hearing her answer, everyone was shocked again.

To be able to make a big celebrity do such a lowly thing, one could tell how important Ye Feng was to her.

Ye Chengze was even angrier. "And I'm going to record this scene and post it on the internet. I'll let your fans see how lowly their idol is."

Xia Qiu nodded firmly again. "As long as you let Ye Feng go, I will!"

Everyone was even more shocked.

She actually gave up her reputation and future for Ye Feng. She was completely willing to go all out.

Ye Chengze clenched his fists tightly. "I really don't understand. Is Ye Feng worth you sacrificing so much for him?"

Xia Qiu smiled calmly. "I think it's worth it!"

Ye Chengze was completely furious. He stomped on the chair. "Alright, since you're so shameless, I'll fulfill your wish. Come over and lick my shoes clean, and I'll consider letting him go."

Xia Qiu didn't hesitate and immediately crawled over.

At this time, Zhao Fulin suddenly smiled and said, "Miss Xia, get up quickly. Young Master Ye was just joking with you."

Xia Qiu paused and looked at him in confusion.

Ye Chengze frowned. "I'm not joking."

Zhao Fulin slowly turned around and looked at him. "Young Master Ye is a man who does big things. Why would he make things difficult for a woman? If this gets out, it'll be detrimental to your reputation."

Ye Chengze's eyes flickered as if he was thinking about his words.

He didn't say anything, and no one dared to say anything.

The entire hall on the first floor fell silent.

At this moment, a man suddenly rushed into the hall and quickly walked up to Ye Chengze. He was about to whisper into his ear.

Ye Chengze pushed him away. "Everyone here is not an outsider. If you have something to say, say it loudly."

The man coughed dryly and said in a clear voice, "Young Master Ye, Doctor Xue, who was in charge of determining the cause of death... He turned himself in."

When Ye Chengze heard this, his expression immediately changed. "He turned himself in? Are you sure?"

The man immediately nodded. "The brothers who were in charge of keeping an eye on him in the office just now sent news. They saw him enter the office and turn himself in."

Ye Chengze's expression immediately became gloomy and uncertain, looking very nervous.

Zhao Fulin's face flashed an imperceptible smile, but he quickly asked, "Young Master Ye, what happened? Who surrendered?"

Ye Chengze hurriedly squeezed out a smile. "Hahaha, it's nothing. It's just a small matter."

Although he was a little surprised by Doctor Xue's surrender, he was not too worried.

After all, the person who bribed Doctor Xue was Gao Junming's subordinate, Wang Hongda.

Shu Mingcheng, who was in charge of contacting Wang Hongda, had already been killed.

Even if they investigated, they wouldn't be able to find him.

Thinking of this, he immediately felt much more at ease.

..

In the Official Duty Hall.

Xue Cong had already sat in the interrogation room and explained how he had been bribed with a large sum of money and how he had issued a fake test report.

The two officers in charge of the interrogation were shocked when they saw the pile of stolen money in front of them.

That Ye Feng just said that he wanted them to check on the forensic doctor to see if he was bribed.

At that time, they didn't think much of it, thinking that the other party was struggling on his deathbed.

They had never expected that his prediction would actually succeed.

“Xue Cong, do you know the consequences of accepting stolen money and forging a death report?”

The officer looked at him coldly.

Xue Cong nodded his head while trembling. “I... I know that I was blinded by my greed and made a big mistake. I’m willing to accept legal punishment.”

He knew very well that he would most likely face the calamity of imprisonment.

But under the threat of Ye Feng’s Seven Day Soul Severing Pill, he had to admit it honestly. At least, he could keep his life.

‘Ye Feng, I hope you can keep your promise and give me the antidote.’

The officer continued to interrogate him. “You said that Wang Hongda gave you this 1 million yuan?”

Xue Cong nodded. “That’s right. It’s Wang Hongda from the Chaoxin Gang.”

When the officer heard the words ‘Chaoxin Gang’, he immediately frowned and turned to the officer in charge of taking notes.

“The interrogation will be paused for a while. I’ll go out for a while.”

With that, he stood up and walked out of the interrogation room to the room next door for instructions.

Actually, he didn’t even need to say anything. The leaders in the room already knew everything.

“What do we do now? After all, this case involves people from the Chaoxin Gang. Should we arrest them?”

The leaders sounded a little resentful.

Yi Jianye, the leader of the group, frowned and thought for a moment. “Arrest him immediately. I’ll take responsibility if anything happens.”

The few leaders nodded and were about to give the order to arrest him.

At this moment, another officer ran in quickly.

“Leaders, Wang Hongda has also turned himself in!”

596 Do You Think I Have That Ability?

Immortals Residence.

Ye Chengze took a sip of wine and glanced at Xia Qiu, who was still kneeling on the ground.

“I suddenly changed my mind. Since you said you can do anything, then you can strip for us on the spot.”

Everyone immediately turned to look at Xia Qiu.

This woman’s looks were considered outstanding even in the entertainment industry.

If they could really feast their eyes on it, that was naturally what they wanted.

Xia Qiu slowly raised her head and looked at Ye Chengze. “As long as I do as you say, you will let Ye Feng go?”

Ye Chengze smiled noncommittally. “That depends on whether you’re willing to go all out. The fewer clothes you have on you, the higher the chances of success.”

Xia Qiu bit her lower lip and immediately stood up to take off her clothes.

Everyone's breathing quickened, and all eyes were focused on her. Some even secretly took out their phones to take pictures.

At this time, Zhao Fulin said coldly, "Enough!"

Xia Qiu stopped again and looked up.

Ye Chengze looked at Zhao Fulin unhappily. "Brother Fulin, I just want her to add to the fun. What do you mean?"

Wei Changfeng could not help but interject, "This Xia Qiu is Ye Feng's woman. As Ye Feng's good friend, Mr. Zhao probably can't bear to see her being humiliated, right?"

He would never forget the slap that Zhao Fulin gave him.

Therefore, as long as he seized the opportunity, he could not help but give him some eye drops.

Ye Chengze heard this and looked at Zhao Fulin again. "Is that so?"

Zhao Fulin immediately burst out laughing. “Young Master Ye, I’m doing this for your own good.”

Ye Chengze was a little puzzled. “For my own good? What do you mean?”

Zhao Fulin glanced at Xia Qiu.

“Think about it, Xia Qiu is a big star and has a huge influence. You humiliated her like this today. Once this matter spreads, won’t her fans explode? Your Ye family has many listed companies. When the time comes, the stock price will inevitably be affected. The gains will not make up for the losses.”

Ye Chengze looked at Zhao Fulin, then at Xia Qiu, as if he was thinking about the meaning of his words.

At this moment, he suddenly heard a woman’s angry voice coming from outside.

“Ye Chengze, you despicable person, why did you frame Ye Feng?”

Everyone looked back again and saw two girls walking in quickly.

Liu Yunpeng was sitting at the second table drinking wine, looking as if it had nothing to do with them.

He didn't want to offend Ye Chengze, but he also didn't want to get involved in this matter. He just wanted to deal with it and maintain a peaceful appearance.

At this moment, he suddenly saw his daughter Liu Ling and Lu Xiaoya walk in. He was so frightened that he stood up.

"Ling Ling, why are you here?"

Liu Ling pointed at Ye Chengze. "We heard it from outside just now. Ye Feng was framed by him."

Liu Yunpeng hurriedly winked at her. "It's none of your business here. Hurry up and go home."

Liu Ling was unmoved and glared at Ye Chengze.

Lu Xiaoya was so angry that her face turned pale. "Ye Chengze, tell me honestly, was Ye Feng framed by you?"

Ye Chengze's eyes lit up again when he saw the two girls.

The two of them were as good-looking as Xia Qiu.

But when he heard that the two of them were also here for Ye Feng, he became even more jealous.

This Ye Feng was really lucky. How could he make so many beautiful women follow him willingly?

Could it be that there was something extraordinary about him?

“So what if I framed him?”

He stared straight at Lu Xiaoya and admitted what he had done.

So what if he admitted it?

Shu Mingcheng was already dead, and there was no evidence for this matter.

No matter what, he was dead this time.

Zhao Fulin, Luo Jingyuan, Chen Qiushan, and Hu Renyu all had strange expressions on their faces.

This Ye Chengze did not even bother to disguise himself. He was sure that Ye Feng would not be able to turn the tables this time.

Lu Xiaoya was so angry that her entire body was trembling. "You... You are despicable and shameless! Hurry up and let them release Ye Feng, otherwise..."

Ye Chengze looked at her fearlessly. "Otherwise, what can you do to me?"

Lu Xiaoya glared at him fiercely. "Otherwise, you'll kill you too. Otherwise, I'll do everything I can to kill you!"

Hearing her threat, Ye Chengze could not help but laugh. "Kill me? What a joke, who do you think you are? Do you have the strength?"

Lu Xiaoya stared at him. "My father is Lu Changsheng, and my grandfather is Tan Bohong. Do you think I'm capable enough?"

When Ye Chengze heard this, the smile on his face froze.

"Lu Changsheng? Tan Bohong?"

Everyone's expression changed.

“Lu Changsheng, is he the Demon Lu who killed the underground forces of Yang Cheng all by himself?”

“That’s right, it’s him. It was said that his wife was killed by the people of the Owl Gang. He directly killed his way into the Owl Gang’s headquarters and even killed the gang leader, Xu Xiao.”

“Fortunately, his father-in-law, Tan Bohong, was there to protect him and suppress this matter. Otherwise, he would have been doomed.”

“This Tan Bohong is also a god. To be able to suppress such a huge matter, it goes to show how powerful he is.”

“I didn’t expect this girl to be Tan Bohong’s granddaughter and Lu Changsheng’s daughter. No wonder she dared to point at Young Master Ye and scold him.”

“I wonder how Young Master Ye will handle this? If he admits defeat to this girl, wouldn’t that be too embarrassing?”

“What else can he do if he doesn’t admit defeat? This girl’s father and grandfather are not kind people.”

At first, Ye Chengze wanted to admit defeat, but when he heard what everyone said, he immediately changed his mind.

He was the person who was going to inherit the position of the Ye family's head. If he was scared into submission by a few words from a girl, wouldn't that become a joke?

At the thought of this, he immediately looked at Lu Xiaoya coldly.

"Ye Feng is dead this time. Even the heavens cannot save him."

Chapter 597 - 597 Young Master Ye Seems to Be a Little Overconfident

597 Young Master Ye Seems to Be a Little Overconfident

When Lu Xiaoya saw Ye Chengze's expression, she was so frightened that she took a step back.

"You..."

Liu Yunpeng also rushed up and pulled his daughter to the side, lecturing her in a low voice.

Ye Chengze saw Lu Xiaoya's terrified expression and immediately laughed wildly.

"Isn't it just Tan Bohong? Isn't it just Lu Changsheng? Are you trying to scare me? If they have the guts, let them come to me. Watch how I deal with them."

Everyone present was shocked by his arrogant aura.

Even some people close to him felt that Young Master Ye seemed to be a little arrogant.

He didn't even put Tan Bohong and Lu Changsheng in his eyes? He was simply too arrogant.

No one knew what Ye Chengze was thinking.

In fact, he knew very well how powerful Tan Bohong and Lu Changsheng were. In the past, even the Ye family would have to give up on them.

But if he could successfully swallow Ye Feng, or even the Zhao family's assets, then their Ye family's strength would increase by several times.

At that time, why would he be afraid of Tan Bohong?

Although he had a good plan in his heart, the heavens seemed to be joking with him.

At this moment, the people who had been sent to inquire about the news rushed over.

“Young Master Ye, Wang Hongda has also turned himself in!”

When Ye Chengze heard this, he felt his legs go soft and almost fell onto the chair.

“What did you say? Wang Hongda... Surrendered? How is this possible?”

He looked at his subordinate in disbelief.

Wang Hongda was Gao Junming’s capable general and had always been loyal to him.

This time, he had Shu Mingcheng bribe Wang Hongda and Xue Cong.

He was certain that the other party would never betray him.

But this most reliable person had actually turned himself in?

What was wrong with this guy?

Zhao Fulin who was at the side said, “Young Master Ye, who is this Wang Hongda? Why did he turn himself in?”

Ye Chengze had already regained his senses and immediately pretended to be calm. "Hey, he's just an insignificant person. Everyone, don't panic. Let's drink."

Fortunately, he had the foresight to get rid of Shu Mingcheng in advance.

So what if Wang Hongda gave Shu Mingcheng up?

Since the dead could not testify, he would not be implicated.

Thinking of this, he calmed down again and continued to toast with everyone.

Zhao Fulin and Luo Jingyuan looked at each other and saw a smile in each other's eyes.

..

"That's all I know. I've already told you everything."

Wang Hongda looked at the two interrogators in front of him with a hopeless expression.

If there was any other way, he would never turn himself in.

But he was caught by Ye Feng, and he also ate his 'Seven Day Soul Severing Pill', if he did not cooperate, he would die.

Therefore, he had no other choice.

The two officers looked at the interrogation records and saw the shock on each other's faces.

This case was really a case of taking out the carrot and bringing it out with the mud.

Initially, they thought that it was just an ordinary manslaughter case, and the suspect, Ye Feng, had been arrested. It seemed that the case would be closed soon.

In the end, they found out that Doctor Xue had taken bribes and forged the death report. Then, they found out that Wang Hongda had instigated the murder.

Now, according to Wang Hongda's report, a person named Shu Mingcheng was involved.

According to their keen senses, this Shu Mingcheng was probably not the real culprit behind the scenes.

This case might involve a lot of people.

In the room next door, the few leaders in the office also looked at each other.

“This case is really... It’s confusing.”

“It was already a very clear case, but I didn’t expect it to be so complicated.”

“I heard from Wang Hongda that Shu Mingcheng has a good relationship with Ye Chengze of the Ye family. Could this matter have something to do with the Ye family?”

“If that’s the case, then this case is a little big. I don’t know if we can handle it.”

Listening to everyone’s discussion, the person-in-charge, Yi Jianye, said with a dark expression. “No matter who the person behind the case is, we have to investigate it thoroughly. Under my eyes, I will not allow such people to get away with it.”

When everyone heard this leader’s words, their expressions became solemn.

This leader had just been transferred over, so he probably did not know how deeply rooted these local forces were.

However, if they were to poach from these large families, they would most likely end up bleeding.

“Immediately order the arrest of Shu Mingcheng.”

Yi Jianye didn't think much and directly gave the order to everyone.

Before anyone could do anything...

The door was pushed open again. The official who had come to report twice was about to speak.

Yi Jianye couldn't help but tease him. “What? Don't tell me that he has also turned himself in.”

The other leaders all burst into laughter.

Previously, Xue Cong and Wang Hongda had turned themselves in, saving them the trouble of mobilizing the police.

Of course, this kind of thing could only happen once or twice.

They just thought that the big boss was joking to ease the tense atmosphere.

However, the reply from the official made them speechless.

“Yes, Shu Mingcheng has also turned himself in. He also brought someone with him, claiming he was the murderer of his wife...”

Hearing his words, the leaders present were petrified on the spot.

The leader had actually guessed correctly?

Shu Mingcheng had really turned himself in?

This case was really solved... The criminals were actually taking the initiative to come to him one by one.

They solved the case just by lying down?

And this Shu Mingcheng brought a murderer with him?

Another murder case?

The few of them were trembling with excitement. This was a big case.

If they could solve this case completely, their contributions would be indispensable.

As for the big leader, he had just been transferred to the office and needed to show off his skills.

He did not expect someone to bring him a pillow the moment he dozed off.

He even sent them one after another. It was simply too satisfying.

“Quick, let’s interrogate Shu Mingcheng immediately.”

Chapter 598 - 598 Ye Feng, Ye Feng, Ye Feng Again?

598 Ye Feng, Ye Feng, Ye Feng Again?

Lu Xiaoya saw that her grandfather and father’s names could not scare Ye Chengze.

She could only ask Zhao Fulin, who was sitting next to Ye Chengze, for help.

“Mr. Zhao, you even called Ye Feng your brother before. Can you please save him?”

Zhao Fulin avoided her gaze. “I’m sorry, I can’t save him.”

Lu Xiaoya panicked. “Your Zhao Family is the biggest family in Yang Cheng. You must have a way.”

Zhao Fulin was still unmoved.

“Although our Zhao family is big, we can’t break the law. If Ye Feng did not commit a crime, the law will naturally give him justice. But if he really killed someone, our Zhao family can’t save him.”

“Good!”

Ye Chengze immediately applauded: “Brother Fulin is right! This Ye Feng is guilty of murder and robbery! He should be punished by the law.”

Lu Xiaoya saw how heartless Zhao Fulin was and could only ask Luo Jingyuan for help.

“Mr. Luo, Ye Feng saved your father and your wife before, he saved your Luo family’s life. Can you bear to watch him die?”

Luo Jingyuan looked at her expressionlessly. “Miss Lu, you think too highly of me. I’m afraid I can’t even save myself with my abilities. How can I save him?”

When Lu Xiaoya heard this, her heart turned cold. “I didn’t expect you to be so ungrateful, I really feel bad for Ye Feng.”

Luo Jingyuan turned his head away and said no more.

Lu Xiaoya looked at Chen Qiushan. “Brother Chen, you have known Ye Feng for the longest time and have the deepest relationship with him. You can’t be as heartless as them, right?”

Chen Qiushan let out a long sigh. “Xiao Ya, I advise you not to waste your time. You can’t save Ye Feng, I can’t save him either. Everything will be up to heaven’s will.”

Lu Xiaoya couldn’t help but laugh as she pointed at Zhao Fulin, Luo Jingyuan, and Chen Qiushan.

“I feel that all of you are even more despicable than Ye Chengze! Previously, all of you called Ye Feng your brother, but when something happened to him, all of you hid far away! Despicable, shameless...”

Zhao Fulin and the others were scolded until their faces were covered in dirt. They kept their mouths shut but their hearts were filled with bitterness.

It was really not easy to act as a villain!

At this moment, Ye Chengze slammed the table. “Lu Xiaoya, you’re too much. Brother Fulin and the others are my guests! How can you talk nonsense here? Men, throw her out.”

As soon as he finished speaking, two bodyguards immediately walked toward Lu Xiaoya.

Liu Ling hurriedly stood in front of Lu Xiaoya. “Let’s see who dares?”

Xia Qiu stood with the two of them and glared at Ye Chengze and the others.

Liu Yunpeng was so scared that his face turned pale. He hurriedly rushed forward and wanted to pull his daughter away.

The entire hall was in chaos.

At this moment, a woman suddenly appeared in everyone’s field of vision.

The woman was wearing a well-tailored black female suit. The straight pants made her long legs look even more slender.

She was wearing a pair of black high heels. The heels of her shoes made a loud knocking sound when they hit the ground, as if it could affect one's heartbeat.

This woman's aura was too strong. As long as she appeared, everyone would automatically become a supporting character.

Everyone's gaze was drawn by her, as if they were petrified, and they actually forgot to quarrel.

The woman slowly walked to the opposite side of Ye Chengze and opened her red lips. "Hello, Young Master Ye. My name is Chen Xuan."

Ye Chengze hurriedly came back to his senses and revealed a flattering smile. "Hello, Miss Chen. Are you here to look for me?"

Although he had seen many women who could be called 'stunning', they were all vulgar compared to the woman in front of him.

Even beauties like Xia Qiu, Lu Xiaoya, and Liu Ling were not inferior to Chen Xuan in terms of facial features.

However, the aura of a queen that was emitted from her every move was something that they could not possess.

Even he had the urge to submit.

Chen Xuan looked at Ye Chengze quietly. "I'm here to look for you."

Ye Chengze felt flattered and quickly asked, "May I know why Miss Chen is looking for me?"

There was a faint smile on Chen Xuan's face. "I want to ask Young Master Ye something."

Ye Chengze quickly nodded. "Miss Chen, just say it. As long as I can do it, I will definitely help."

"I want to beg Young Master Ye to let my boyfriend live."

Chen Xuan looked him in the eye and explained her intentions.

"Your boyfriend? Who is it?"

Ye Chengze was puzzled.

"Ye Feng," Chen Xuan continued to answer.

As she said this, everyone present was shocked again.

Ye Feng again?

Xia Qiu, Lu Xiaoya, and Liu Ling had all come to beg Ye Chengze to let Ye Feng go.

They didn't expect that this amazing Miss Chen would come for this person.

What surprised them even more was that she actually said 'boyfriend.'

Ye Feng was her boyfriend?

Everyone instantly felt jealousy and hatred toward that fellow.

What kind of luck did this b*stard have in love?

Why were there so many outstanding women around him?

However, on second thought, he was able to start from scratch at the age of 20 and create a huge foundation. He could indeed be considered a proud son of heaven.

This kind of person had a fatal attraction to women.

It would be strange if he did not have a few outstanding female confidants around him.

When Xia Qiu and Lu Xiaoya heard Chen Xuan's words, a hint of disappointment flashed across their faces.

Ye Feng actually had a girlfriend?

And she was so perfect?

Even they felt a little ashamed of themselves.

Perhaps only such a woman was worthy of him?

The two of them were a little jealous.

However, they knew that this was not the time to think about such things, so they could only temporarily suppress their jealousy.

As for Ye Chengze, his face had already turned completely gloomy.

“Ye Feng, Ye Feng, Ye Feng again? I just don’t understand. How is this kid stronger than me? Why does it feel like the whole world revolves around him?”

Chapter 599 - 599 Dead End

599 Dead End

Ye Chengze was really angry.

As the most outstanding heir of the younger generation of the Ye family, he had been regarded as a genius by the people around him since he was young.

And he did not disappoint. At the age of 21, he had achieved achievements that his peers could not hope to achieve.

As time passed, he really had the illusion that he was the only one who could do it.

It was only when Ye Feng appeared that his illusion was shattered bit by bit.

This young man, who was a year younger than him, had made great achievements in the business world, crushing the achievements that he was proud of.

He could actually create a business empire of tens of billions by starting from scratch.

Not only that, but what was even more detestable was that the other party's medical and martial arts skills were also shocking.

It was as if he was omnipotent.

This made him even more jealous.

Until now, when he saw the women around Ye Feng, each one was more outstanding than the last.

Compared to those mediocre women around him, they were many times stronger.

This made his last bit of rationality completely fall, and he immediately fell into madness.

"I want Ye Feng to die, I want him to die! If anyone pleads for him again, I'll kill him first!"

His originally handsome face had become distorted because of anger, looking extremely terrifying.

Everyone present had never seen him so angry before. They instantly became as quiet as cicadas in winter, not even daring to breathe loudly.

Chen Xuan was only a little shocked at first, but she quickly regained her composure.

“I only want Ye Feng to live, I can give up everything else. As long as you agree to let him go, he can give you all his assets.”

When Ye Chengze heard this, he immediately laughed sinisterly.

“He gave it to me? Do I need him to send me? If I want it, I will naturally take it personally. Whether it’s his property, his woman, or his life, I want them all, hahahaha...”

Hearing his crazy words, everyone could not help but look at each other.

They did not expect Ye Chengze to hate Ye Feng so much. It sounded like he wanted to burn his bones and scatter his ashes.

Those who could sit here today were all experienced and farsighted people.

They could see that the reason why Ye Chengze hated Ye Feng so much was not because Ye Feng had offended him, but because Ye Feng was more outstanding than him.

Just because he was more outstanding than Young Master Ye, he had to be put to death. It was really a little unjust.

As long as the winner was the king, and the loser was the bandit!

A loss was a loss.

Compassion was sympathy, but no one would offend Ye Chengze for a dying person.

He could only blame himself for not knowing how to restrain himself and keep a low profile, which brought him trouble.

Chen Xuan, Lu Xiaoya, Xia Qiu, and the others all looked desperate.

Looking at Ye Chengze's expression, it was obvious that he would not stop until Ye Feng was dead.

Compared to Ye Chengze, their strength was too weak. Although they wanted to kill the bandit, they were powerless.

Could it be that Ye Feng was really going to die this time?

At this moment, an anxious shout suddenly came from outside. "Young Master Ye, something bad has happened... Things are not going well."

The man ran in in a hurry and tripped on the leg of a chair in the aisle when he passed by a table.

However, after that person staggered, he continued to roll and crawl toward Ye Chengze, looking extremely flustered.

Ye Chengze, who was laughing wildly, immediately had a dark expression on his face. "Can't you see that there are so many guests here? Why are you so flustered?"

The subordinate hurriedly stood up straight and tried to calm himself down, but his expression was still very ugly.

Ye Chengze could not be bothered to argue with him and immediately waved his hand. "What exactly is it? Speak."

The subordinate looked around and said with difficulty, "Shu... Shu Mingcheng, he... he's also going to turn himself in."

Ye Chengze was raising a glass of wine to his lips to highlight his calmness and composure.

However, when he heard this, his hand immediately trembled, and the wine glass fell to the ground with a clatter, shattering into pieces.

"Who... Who? Shu... Shu Mingcheng? He..."

"Isn't he..."

He was really panicking now.

Shu Mingcheng had been killed by Meng Fei, and he had received a message from Meng Fei that the mission was completed.

How could he possibly come back to life? He even went to the office to surrender himself?

Something must have gone wrong.

The subordinate swallowed hard. "Our people saw Shu Mingcheng enter the public hall with their own eyes. There's no way they were wrong. Besides..."

Ye Chengze, who was about to call Meng Fei to confirm, was stunned. "And what?"

The subordinate hesitated for a moment and continued, "And he even tied up a person and entered the office together..."

"Kidnapped a person? Who is it?"

Ye Chengze suddenly had a bad feeling.

"Meng Fei!"

When the subordinate reported the name, Ye Chengze could no longer hold on and fell onto the chair.

The phone fell to the ground.

"It's over, it's over, it's all over..." Ye Chengze muttered, his face as pale as a sheet.

Shu Mingcheng used to be his most trusted aide and had a lot of dirt on him in his hands.

If the assassination was successful, these dark secrets would naturally follow him into the grave, and no one would ever know.

However, the assassination failed, and even Meng Fei was captured by the other party.

If that happened, the situation would completely move toward a side that he absolutely did not want to see.

Shu Mingcheng would definitely spill all the dirt on him.

Even one of the black material was enough to kill him.

As for Meng Fei, he also had a lot of dirt on him...

There was only one word left for him.

Flee!

He had to escape immediately, the further the better. It would be best if he hid abroad and never came back.

Although he was unwilling, he had no other choice. If he stayed, he would only die.

Moreover, he had to leave before Shu Mingcheng and Meng Fei exposed the dirt on him. Otherwise, he wouldn't be able to leave.

After thinking about this, he immediately bent down to pick up the phone.

He was prepared to call home to help him prepare for going abroad.

However, the moment his hand touched the phone...

A large foot of size 43 suddenly stepped on his hand.

"Young Master Ye, why are you panicking? Did someone die at home?"

Ye Chengze looked up and saw Zhao Fulin smiling at him.

Chapter 600 - 600 There Are Two Faces?

600 There Are Two Faces?

Luo Jingyuan, who was beside him, also added sarcastically, "It's not necessarily that someone died in the family. It's very likely that his wife ran away with someone else."

Chen Qiushan also said, "What wife ran away with someone else? Young Master Ye doesn't have a wife yet. He only likes other people's wives."

Hu Renyu nodded quickly. "I heard that Young Master Ye had just met Wei Changfeng's wife some time ago, and then Wei Changfeng successfully boarded the Ye family's big ship..."

Zhao Fulin suddenly realized, "So that's the case, Young Master Ye and Cao Aman actually have the same hobby?"

The four of them teased one after another, completely without the fawning look from before.

Wei Changfeng slammed the table angrily and stood up. "Nonsense. When did Young Master Ye have anything to do with my wife..."

He couldn't bring himself to say the word 'adulterous affair' at the back.

Luo Jingyuan immediately laughed and teased him. "He didn't have an affair with your wife, but did he have an affair with you?"

Zhao Fulin and the others immediately laughed.

Wei Changfeng was instantly enraged, and at the same time, he was on guard.

The four of them had been trying to curry favor with Ye Chengze just now. Why did their attitudes suddenly change 180 degrees?

Did something happen?

The others present were equally bewildered.

They first saw Ye Chengze's panicked expression, then they saw Zhao Fulin and the other three taunting him.

It inevitably made them suspicious.

Wasn't this change of direction too fast? What was the reason?

As for Chen Xuan, Lu Xiaoya, Xia Qiu, and the other girls, they all looked at Zhao Fulin and the others with confusion.

They had just put on a determined look of not helping them to save their lives. Why did their attitude suddenly change?

There were actually two faces?

What was going on?

Ye Chengze could already tell that the four of them were faking their allegiance to him. They were really here to see him make a fool of himself, right?

Could it be that they knew that Shu Mingcheng would turn himself in?

All of this was within Ye Feng's plan?

At this moment, a myriad of thoughts flashed through his mind.

However, he didn't have time to care about that. He just wanted to escape immediately.

After picking up the phone, he waved at everyone. "Today's banquet is over. I have something urgent to attend to, so I'll be leaving first."

With that, he turned around and left.

At this time, Zhao Fulin suddenly stood up and blocked him.

“Young Master Ye, where are you going in such a hurry?”

Ye Chengze hurriedly pushed him away. “I don’t have time to explain to you now. Get lost!”

At this moment, Luo Jingyuan, Chen Qiushan, and Hu Renyu also surrounded him.

“Young Master Ye, we haven’t had our fill yet. Why are you leaving already? Isn’t this too disappointing?”

“That’s right. We just submitted to you today. Shouldn’t you have a good drink with us?”

“Hurry up and sit back down. I’ll have three more glasses for Young Master Ye. I won’t go home until I’m drunk today.”

Ye Chengze was annoyed by these four people and immediately roared, “Get lost, or I’ll kill you all.”

As he shouted, the bodyguards behind him immediately pushed Zhao Fulin and the others.

The bodyguard's hand just touched Zhao Fulin, and before he could use any force, he saw Zhao Fulin take a few steps back and then shout loudly.

“Ye Chengze, how dare you let the bodyguards hit me? If you don't give me an explanation today, don't even think about leaving.”

As soon as Zhao Fulin finished speaking, a group of black-clothed men rushed down from the second floor of the hotel and surrounded Ye Chengze and his bodyguards.

The other party had clearly come prepared. Ye Chengze panicked when he saw this.

“Brother Fulin, I have something urgent to do today. Can you let me leave first? I'll hold a banquet another day and treat you to a good drink.”

With every second that passed, the danger he was in increased. He had to leave this place as soon as possible.

But Zhao Fulin didn't listen to his explanation. “Why another day? Why don't we do it today? I'll accompany you to drink to your heart's content!”

Ye Chengze gritted his teeth and glared at him. "Zhao Fulin, if you don't get lost, I won't be polite to you."

Zhao Fulin looked at him. "You don't have to be polite to me. Aren't we already family? Why are you being so polite?"

The atmosphere in the hall instantly became tense.

..

At the same time, in the Official Duty Hall.

When the leaders received Shu Mingcheng and Meng Fei's interrogation records, everyone was stunned.

They had never thought that this case would involve so much.

"The comrade who went to Shu Mingcheng's house to investigate has already sent back news that Shu Mingcheng's wife is indeed dead, just like what Meng Fei said."

“The evidence of Ye Chengze’s crimes that Shu Mingcheng provided is indeed very credible after our appraisal.”

“I didn’t expect this Ye Chengze to actually do so many outrageous things. It’s really infuriating.”

“Currently, Ye Feng was indeed framed by Ye Chengze. He is innocent in this matter.”

“Then what should we do now? Should we order the arrest?”

When this question was raised, the leaders present fell silent.

This Ye Chengze was the most outstanding member of the younger generation of the Ye family.

If they made a move to arrest them, it would undoubtedly anger the Ye family.

For such a large local family, a slight move would affect the entire situation. They would definitely be under great pressure.

In the end, everyone turned to look at Yi Jianye, wanting to hear the opinion of this new leader.

Yi Jianye couldn't make up his mind.

Although he had always been swift and decisive in his actions, he was not a fool to be able to reach his position.

If he offended the Ye family too much, although the other party might not dare to take revenge on the surface, he would definitely be restricted in all aspects if he wanted to do things in Yang Cheng in the future.

"I'll call the higher-ups first and see what they think."

After Yi Jianye finished speaking, he immediately took out his phone and dialed Xu Changming's number.

Xu Changming was also in charge of the province's economy, so he had to report to the leader personally.

After Xu Changming heard his report, he only gave a few words of instruction.

"The law is greater than the heavens!"
