

## 100 Million 641

### Chapter 641 - 641 Good People Deserve to Be Pointed At

#### 641 Good People Deserve to Be Pointed At

After the woman finished the call, she looked at Ye Feng and the other woman with hatred. "You two b\*stards, if you have the guts, just wait here, someone will come and take care of you soon."

When Ye Feng heard her saying 'b\*stsard' on the left and 'b\*stard' on the right, the anger in his heart was ignited.

"I'm warning you one last time. Keep your mouth clean. That's your mouth, not a manure pit. Don't spit out feces as soon as you open your mouth."

Facing his threat, the woman was not afraid at all. Instead, she moved her face closer. "I called you a b\*stard. So what? If you have the guts, try touching me."

Before Ye Feng could do anything, the few women who came with her started to talk.

"Kid, I advise you to think carefully. Do you know who is standing in front of you?"

"I think he's just a wild kid from another city. I'm afraid he doesn't know who's in charge in Yang Cheng, right?"

“Do you know about the Chaoshin Gang? Do you know Mr. Gao? In Yang Cheng, Mr. Gao’s words are more effective than most people’s.”

“To tell you the truth, the person standing in front of you is Mr. Gao’s mother, Gao Xianglan. Kid, if you don’t want to die, why don’t you kneel down and kowtow for mercy?”

“...”

These women were talking at once, but everyone finally heard them clearly.

This woman who had the vicious dog was actually the mother of Boss Gao of the Chaoxin Gang. No wonder she was so arrogant.

The onlookers had thought that this woman was a ‘weak woman’ who had been bullied. Now that they heard the name of the Chaoxin Gang, they realized that they had been mistaken.

Only the members of the Chaoxin Gang would bully others. How would others dare to bully the members of the Chaoxin Gang?

Furthermore, this woman was the mother of Boss Gao of the Chaoxin Gang.

Moreover, everyone gradually learned from the people who were watching at the beginning that it was this person who had let the dog attack first, so the other party had no choice but to counterattack.

No matter how one looked at it, this was a scene of an arrogant wealthy lady bullying a young couple.

Therefore, those kind-hearted people with a sense of justice began to persuade him again.

“Young man, don’t be impulsive. The other party’s background is too great. You can’t afford to provoke him.”

“That’s right, that’s right. Endure for a while and everything will be calm. Take a step back and the world will be bright. Don’t do something that you will regret for the sake of a little face.”

“Even if the dog bit you, it’s not a reason for you to kill the dog. In short, you’re in the wrong.”

“That’s right. If you had spoken nicely to her back then, things wouldn’t have developed to this point.”

“Young people are so impulsive. They’ve kicked an iron plate this time, haven’t they? If you dare to provoke the Chaoxin Gang, you’ll probably suffer.”

Some of these people advised him to tolerate it, some accused him of being too impulsive, but no one dared to criticize that woman.

Ye Feng was so angry that he laughed. These people were still acting like they wanted to punish evil and uphold justice. They were criticizing him verbally and in writing.

Now that they had met a real villain, these people were still criticizing him in word and in writing.

This reminded him of a line from a classic movie.

“Did he hit you?”

“I did.”

“Did I hit you before?”

“No.”

“Do you hate him?”

“Hate!”

“Do you hate me?”

“I don’t hate you!”

“Then why didn’t you point a gun at him? Why did you point a gun at me?”

“Because you are a good person.”

Good people deserved to have guns pointed at them because these people knew that good people would not do anything to them.

And bad people really killed people.

Ye Feng thought that these people were farting, and it was extremely smelly.

Gao Xianglan saw that he didn’t dare to make a move for a long time, and her expression became even more arrogant. “What? Cowardly? Weren’t you quite arrogant just now? Hearing that my son is Gao Junming, you’re so scared that your legs are weak? What a coward!”

Ye Feng's hand that was holding the sword hilt started to bulge.

At this moment, Zhuang Xiaojiao, who was beside him, hurriedly pulled his arm. "Ye Feng, ignore this old woman. Let's go."

She heard that this woman was Gao Junming's mother. She was afraid that Ye Feng would do something rash, so she wanted to keep the peace.

However, she did not expect her words to deeply provoke Gao Xianglan. She immediately pushed her and said, "Who are you calling an old woman?"

She was a beauty when she was young, but as she grew older, she became more and more old.

Therefore, she was especially jealous of a young and beautiful girl like Zhuang Xiaojiao.

Because of this kind of perverted mentality, who knew how many young and beautiful girls had been disfigured by her?

However, because of her son Gao Junming's fierce might, these things were easily suppressed.

Today, she had only allowed her vicious dog to bite Zhuang Xiaojiao because she was too eye-catching.

Now that she heard that she dared to call her an 'old woman', she was immediately hit in the soft spot.

Zhuang Xiaojiao glanced at her disdainfully. "Whether you admit it or not, it's the truth that you're old. Can't you let others say it?"

She had never been afraid of trouble, so how could she be at a disadvantage with her words?

However, she did not expect that her words would immediately make Gao Xianglan go berserk. "Little b\*tch, I'll kill you!"

As she spoke, she immediately opened her fingers and grabbed Zhuang Xiaojiao's face.

As Zhuang Xiaojiao was very close to her, she did not expect her to suddenly go crazy. She was so shocked that she even forgot to dodge.

Fortunately, Ye Feng reacted quickly and pulled her back. Even though she was not disfigured, there were still a few scratches on her fair arms.

Zhuang Xiaojiao felt a lingering fear. If it was not for Ye Feng's pull, these bloody marks would have appeared on her face.

Gao Xianglan missed her first attempt, but she was still unwilling to give up and continued to charge forward.

Ye Feng could not take it anymore. He slapped her.

Pa!

In his anger, he used a lot of strength.

Gao Xianglan's body rolled 720 degrees in the air before she fell heavily to the ground and spat out a few porcelain teeth.

At this moment, her hair was in a mess, her cheeks were swollen, and her clothes were covered in dog blood. She looked extremely miserable.

"Little b\*stard, you really dare to hit me..."

She pointed at Ye Feng in shock and anger, her face was filled with disbelief.

"You're still talking trash, right?"

Ye Feng immediately took a step forward.

Gao Xianglan was so frightened that she immediately rolled and crawled backward, looking like a stray dog.

Everyone was stunned.

“Oh my god, this kid actually hit Gao Junming’s mother? Isn’t he too bold?”

“He’s really bold. Does he know the consequences of doing this?”

“This kid is dead for sure. Even the heavens can’t save him.”

“Let’s quickly stay away from him. Otherwise, he will splash blood all over us later...”

Chapter 642 - 642 Godmother, Why Don't We Just Endure It?

642 Godmother, Why Don't We Just Endure It?

Just as everyone was shocked by Ye Feng’s ruthless methods...

They saw a few black vans speeding over. Before the cars could stop, a group of people immediately jumped out of the cars.

The person walking in front was Gao Junming's capable subordinate, Brother Hu.

Brother Hu used to be surnamed Zhang. Later, after following Boss Gao, because of his sweet mouth, he recognized Gao Xianglan as his godmother and changed his surname to 'Gao'.

When he arrived at the scene and saw the woman crawling on the ground, he was shocked.

He couldn't believe that this battered woman was his godmother, Gao Xianglan.

When Gao Xianglan saw him, it was as if she had seen her savior. "Er Hu, save me..."

Gao Hu hurriedly rushed over and helped her up. "Godmother, please get up first. We can talk slowly."

"Er Hu, you must tear that kid into pieces and avenge Godmother," Gao Xianglan gritted her teeth and said.

"Godmother, don't worry. If that kid dares to hit you, I guarantee that he will regret being born. You can sit here and watch how I kill him!"

After Gao Hu finished speaking, he immediately grabbed his machete and walked forward.

The surrounding crowd immediately opened up a path for him to pass. At the same time, they looked at Ye Feng with a gloating expression.

Even the 'Evil Tiger' of the Chaoxin Gang had come. This kid was really dead!

To be honest, Gao Hu was very excited now. This was a once-in-a-lifetime opportunity for him.

Boss Gao's mother had been beaten up. Whoever could help get back at them for her would be a great contribution.

If Boss Gao was happy, he might give him some lucrative business deals. His meteoric rise was just around the corner.

Just as he was fantasizing about the beautiful future, he was already a few steps away from Ye Feng.

When he saw the face that he had been having nightmares about recently, the smile on his face froze.

Without another word, he turned around and walked back.

The crowd who were watching the show thought that a bloody massacre was about to take place, so they were secretly looking forward to it.

No one had expected that this comrade, Gao Hu, who was known as the 'Evil Tiger' of the Chaoxin Gang, would turn around and walk back without saying a word after seeing the 'murderer'.

What was going on?

Gao Hu wanted to curse in his heart. Why was this kid always lingering? He bumped into him everywhere he went?

It was true that he was an evil tiger, but he was not a real tiger.

Ye Feng was at the peak of his power in Yang Cheng, even Boss Gao had to avoid him. How could he dare to cause trouble for him?

The last time he chopped off two fingers as an apology, his wound had not fully healed yet, so he did not want to chop off them again.

He walked back to Gao Xianglan and said, "Godmother, why don't we just endure it?"

“What did you say? Endure? What nonsense are you talking about?”

Gao Xianglan thought she had heard wrong and looked at him in disbelief.

“Godmother, let me explain...”

Gao Hu wanted to say more, but Gao Xianglan slapped him.

“Why are you still explaining? I’ve already been beaten up like this. Why don’t you hurry up and chop that little b\*stard into pieces? Why are you still talking nonsense with me? Are you courting death?”

Gao Xianglan had the urge to kill someone.

She had never suffered such humiliation in her entire life. Right now, she wanted nothing more than to grind that brat’s bones into ashes.

And this Gao Hu was a dog raised by her son. Seeing that she was being bullied, shouldn’t he immediately chop that kid into meat paste? Now, he was here to bargain with her?

Gao Hu quickly leaned over to her ear and whispered, “Godmother, this kid has a very powerful background. I’m afraid that even Boss Gao will not dare to offend him too much. I think...”

Gao Xianglan was currently burning with anger, so she couldn't listen to him at all and pushed him away.

"Don't waste so much time with me. I know that godsons will never be as good as biological sons. Call my son now and ask him if he still cares about his mother being beaten up."

Gao Hu had no choice but to take out his phone and call Gao Junming.

Gao Junming's voice quickly came from the other end. "Hu Zi, has the matter been resolved? Did you feed that little b\*stard to the dogs?"

Gao Hu coughed dryly. "Boss, I'm afraid things are a little tricky..."

Gao Junming sounded a little unhappy. "What's tricky? There's still a problem for my Chaoxin Gang here? No matter what background he has, I must kill him for bullying my mother."

Gao Hu was a little anxious. "Boss, that person is Ye..."

Before he could finish, Gao Xianglan immediately snatched his phone and shouted into the receiver, "Gao Junming, your mother was beaten up. Are you going to do anything? If you're afraid of that kid, I'll fight him myself."

Gao Junming hurriedly comforted her, "Mom, don't worry. I'll definitely help you vent your anger."

Gao Xianglan had already lost her mind. "Get your ass over here right now. I want you to kill this kid with your own hands. Otherwise, don't call me your mother in the future."

Gao Junming hurriedly replied, "Mom, don't worry. I'll be there soon. I'll definitely chop this little bastard alive today."

After hanging up the phone, Gao Xianglan threw the phone to Gao Hu. "My son is more reliable."

Gao Hu looked embarrassed and didn't dare to say anything else.

Gao Xianglan looked at Ye Feng hatefully. "Little b\*stard, my son will be here soon. Just wait to die."

As soon as she said this, the scene immediately erupted.

"Oh my god, is Boss Gao going to settle this personally?"

"Nonsense, his mother was beaten up! How could Boss Gao not come?"

“I’ve never seen Boss Gao before. I’m so lucky today. I can brag about this for the rest of my life.”

“Boss Gao is coming over personally. This kid is in trouble.”

“It’s not just miserable. With Boss Gao’s temper, I’m afraid he can kill this kid alive.”

“Of all people, you had to provoke Boss Gao. You deserve to die.”

When Zhuang Xiaojiao heard the gloating words from the crowd, she immediately looked worried. “Ye Feng, Gao Junming is coming, what should we do now?”

Not only did Ye Feng not panic, he even had a look of anticipation. “That’s great, I was just about to meet this legendary Mr. Gao.”

Some of the people who were close to him heard his words and felt that it was somewhat unbelievable.

“What nonsense is this kid talking about? Shouldn’t he run away and wait for death?”

“Since he is not afraid of death, why should we be anxious for him?”

“This kid should be from somewhere else. He probably doesn’t know how terrifying Mr. Gao is, right?”

“A pitiful person must have something hateful about him. This kind of person is not worthy of our sympathy...”

Chapter 643 - 643 Do You Want Me to Help You Remember?

643 Do You Want Me to Help You Remember?

On the other side, a Toyota drove up!

“Faster, faster!”

Gao Junming kept urging the chauffeur, his expression was terrifyingly dark.

Those who were familiar with him had never seen Mr. Gao so angry.

Before this, even if he found out that his lover had been slept with by his underling, he would only smile lightly and let people chop up the adulterous couple and feed them to the dogs.

This was the first time that he had shown such anger on his face.

They all knew that Mr. Gao was really angry this time.

At the same time, he felt sorry for that person. Of all people, he had to offend Mr. Gao's mother.

Gao Junming's background was somewhat special. He grew up with his mother, so he had deep feelings for his mother.

It could be said that even if you pointed at his nose and scolded him, he might not be angry.

However, if he dared to disrespect his mother, they would have to pay a heavy price, not to mention beating someone up.

The driver was being stared at by Gao Junming, and his back was covered in cold sweat. He had already stepped on the accelerator, and he was rushing through the crowded traffic.

Soon, a few cars arrived at the scene of the incident.

Before the car could stop, Gao Junming had already opened the door and jumped out.

He searched the crowd and soon found his mother.

When he saw his mother's miserable appearance, he felt as if he had been struck by lightning.

Her hair was messy, her left face was swollen, and her clothes were stained with blood... Even her own son could not recognize her.

"Mom..."

His voice was trembling.

When Gao Xianglan saw her son, she finally saw her backbone. She cried out loud.

"Junming, you're finally here. If you had come a little later, you might not have been able to see your mother..."

After saying that, she threw herself into her son's arms and cried.

Gao Junming comforted her for a while. "Mom, tell me. Which b\*stard hit you? I will skin him alive today."

Gao Hu, who was beside him, came over hurriedly. "Boss, I'm afraid we have to think about this carefully..."

Before he could finish, Gao Junming slapped him.

“Think about it carefully? I asked you to support my mother, but you’re here talking nonsense with me? I spent so much money to support you, and this is how you repay me? Even if I raised a dog, it would be stronger than you.”

Gao Hu lowered his head and didn’t dare to make a sound, but a trace of anger surged in his heart.

Everything he did was for Gao Junming’s sake. He did not want to provoke a powerful enemy for the other party. He did not expect to be treated like this.

Moreover, the other party’s words had deeply hurt him.

He usually said that he treated him like a brother, but he did not expect that he still treated him like a dog in his heart.

Gao Junming didn’t look at him again. He turned his head and held his mother’s cheek. “Mom, others can’t be relied on. I’ll make the decision for you. Tell me, which b\*stard hit you?”

Gao Xianglan immediately pointed at Ye Feng. “It’s that little b\*stard! Son, you have to help your mother vent her anger! Otherwise, everyone in Yang Cheng will stab you in the back.”

The people who were watching the show moved to the sides, afraid that they would be caught.

At the same time, they looked at Ye Feng. Some felt pity, some were indifferent, but most of them were gloating.

Boss Gao had personally come to find him, so this kid was probably in trouble.

But when Gao Junming's gaze landed on Ye Feng's face, he was stunned: "Ye Feng, it's you?"

Although he had never met Ye Feng in person, he could recognize this person who had provoked the Chaoxin Gang multiple times.

Last time when Ye Chengze framed Ye Feng, he obviously saw it, but he turned a blind eye to it. He thought that this kid was dead for sure.

However, he never expected that idiot Ye Chengze would send himself in, while this kid was still alive and kicking.

This also made him temporarily put away his thoughts of revenge and prepare to find another opportunity.

He just didn't expect to meet him so soon.

Those who thought Boss Gao would attack immediately were stunned.

“What is it? Boss Gao actually knew this kid? He even knows his name?”

“You guys carefully observe Boss Gao’s expression. He seems to be a little... scared.”

“No wonder this brat dares to be so arrogant. So he has a background?”

“Then how should we solve it now? Boss Gao wouldn’t want to reconcile with the other party, right?”

“If that’s the case, then Boss Gao will lose a lot of face.”

“That’s right. His own mother was beaten up, but he couldn’t take revenge. Boss Gao will become the laughingstock of Yang Cheng in the future...”

Everyone was obviously surprised by Gao Junming’s reaction.

Boss Gao had a fierce reputation in Yang Cheng. Anyone who offended him would end up in a very miserable state. He would not give the other party a chance to explain himself.

And now, facing the guy who beat up his mother, he actually hesitated?

This was simply inconceivable!

Gao Xianglan looked at her son's expression and was a little confused.

Previously, when Gao Hu saw Ye Feng, and he immediately wanted to retreat, she knew that this kid had some background.

However, she did not expect that even her son had such an expression. Could it be that she had really provoked someone she could not afford to offend this time?

When Ye Feng saw Gao Junming, he immediately revealed a faint smile. "Mr. Gao, I've heard a lot about you."

Gao Junming slowly walked to the opposite side of him. He looked at the corpse of the dog on the ground and immediately recognized that it was his mother's baby, Huan Huan. She had always treated it as her second son. He did not expect it to die in Ye Feng's hands.

He suppressed the anger in his heart and looked at Ye Feng coldly. "Ye Feng, you have provoked me time and time again. This time, you even hit my mother. Do you think that I, Gao Junming, am afraid of you?"

Ye Feng faced his question and immediately sneered: “You’re saying it the other way around, aren’t you? Or should I say, it’s your people who have provoked me time and time again? Does Mr. Gao have a bad memory? Do you want me to help you remember?”

As soon as he said this, the atmosphere at the scene immediately became tense.

Chapter 644 - 644 The Gao Family's Dog Is More Precious Than a Man (1)

644 The Gao Family's Dog Is More Precious Than a Man (1)

Gao Junming had already forgotten how long it had been since anyone dared to speak to him in such a tone.

At this moment, a foreigner who had not been here for long actually dared to retort him.

Was it because the tiger had not shown its might for too long and was already treated as a sick cat?

Ye Feng did not care about his reaction. He used his fingers to help him recall.

“The first time, that subordinate of yours... He seemed to be called Zhou Tiejun, right? He brought a group of people to surround and attack me. Fortunately, I was lucky enough to escape. Otherwise, I would have been chopped into meat paste by them. Who provoked who first?”

Gao Junming looked at him coldly and did not refute him. In fact, he had no way to refute him.

Zhou Tiejun was indeed the one who started it.

Ye Feng opened his second finger.

“After that, your subordinate called Brother Hu brought people to cause trouble for me twice in a row. For your sake, I didn’t hold it against him and only let him chop off two fingers. Who provoked whom first?”

Gao Junming opened his mouth but didn’t say anything in the end.

Gao Hu came back and told him about this matter. After listening, he did not pursue it any further. After all, the two sides did not really have a conflict. Moreover, Gao Hu also chopped off two fingers to appease the other party’s anger.

However, in this matter, he was indeed in the wrong.

Ye Feng then pried open his third finger.

“Today, I came to eat with my friend. I was in a good mood, but your mother allowed the vicious dog to bite my friend. I spoke nicely to her, but she actually let the dog bite me. In a fit of anger, I killed this vicious dog. What was wrong with that? Who provoked whom first?”

Gao Junming’s expression immediately changed after hearing what he said.

His mother had only said that she had been beaten up on the phone and did not mention the cause of the incident.

She couldn’t be blamed for this, because the Gao family never asked about the reason or right or wrong when they did things.

As long as they were provoked, it would be their fault.

But now, they were facing Ye Feng, a person that even the Ye family had to be wary of, they had no choice but to be unreasonable.

The onlookers were all stunned as they watched this scene. This was not what they had imagined.

With the reputation of the Chaoxin Gang and Boss Gao’s ferocity, shouldn’t he have been hacked to death as soon as he came up?

Why was he trying to reason with him now?

“This young man probably has a powerful background. Didn’t you see that Boss Gao was being scolded like a grandson?”

“Yeah, when has Boss Gao ever been reasonable with anyone? But now, he’s being taught a lesson by the other party?”

“I originally thought that Boss Gao was the supreme local emperor in Yang Cheng. I didn’t expect there to be someone who could make the local emperor afraid.”

“There’s always someone better, right? I did not expect this young man to be so powerful.”

“I was just saying that since they dared to provoke the Chaoxin Gang, they must have something to rely on. This time, the Chaoxin Gang might have provoked someone they can’t afford to offend.”

“Oh my god, what kind of person is he if he can’t even the Chaoxin Gang can’t afford to offend them?”

“You don’t understand. The Chaoxin Gang may be terrifying to us commoners, but in the eyes of the real big shots, it’s nothing.”

“You understand again...”

Although everyone's comments were very soft, they still reached Gao Junming's ears. It was like needles stabbing into his heart.

He had always been lawless in Yang Cheng. When had it ever been anyone's turn to tell him what to do?

If he didn't make the other party pay the price today, where would he put his face in the future?

Thinking of this, he immediately raised his head and glared at Ye Feng.

"No matter what the cause is, it's a fact that you hit my mother. If his mother was humiliated, as a son, if he did not get back for her, how could he have the face to stand between heaven and earth?"

Ye Feng saw that the other party did not intend to continue reasoning, he was too lazy to talk nonsense: "Then how do you want to get back at me?"

Gao Junming deliberately raised his voice so that everyone present could hear him. "Firstly, you hit my mother. I want you to kneel down and apologize to my mother. I also want you to compensate her with 1 billion yuan for her medical expenses. That's not too much, right?"

Hearing his condition, the crowd looked at each other.

“Oh my god, a medical fee of 1 billion? Isn't this too much?”

“It can't be, right? He had to pay 1 billion for beating someone up? What about killing someone?”

“It depends on who he hit. He hit Gao Junming's mother. It's already very kind of him to ask him to pay for it.”

“That's true. If it weren't for this kid's background, I'm afraid he wouldn't have lost money, but paid with his life.”

“From the sound of it, it seems to be quite cost-effective...”

When Ye Feng heard Gao Junming's conditions, a mischievous smile flashed across his face: “Anything else?”

“Second,” Gao Junming continued in a clear voice, “this dog was my mother's lifeblood. She has always treated it like her own son, but it died in your hands. I don't want you to pay with your life, but I want you to kneel in front of Huan Huan's spirit and guard it for three days. This isn't too much, right?”

Hearing this, the audience erupted again.

“Are you kidding me? To let a living person keep a vigil for a dog? Isn't this too humiliating?”

“That depends on whose dog it is. That’s Boss Gao’s mother’s dog, which is equivalent to Boss Gao’s biological brother.”

“There’s nothing wrong with that. Boss Gao’s younger brother has been killed, and it seems reasonable for the other party to guard its spirit for three days.”

“Uh... Why do I feel like you guys are scolding me?”

“...”

No matter how much they teased him, everyone knew that it was a great humiliation for a person to keep a vigil for a dog.

If the other party was just a nobody, it would be fine. However, if the other party was also a famous person, he would probably become the joke of the entire Yang Cheng in an instant. He would never be able to raise his head in this lifetime.

Zhuang Xiaojiao was also furious. She glared at Gao Junming. “You’re too much. Who would keep vigil for a dog?”

Gao Junming smiled faintly at her. “That’s not an ordinary dog. It’s the Gao family’s dog. The Gao family’s dog is more valuable than a person.”

Then, he turned to look at Ye Feng. “Have you thought about it? Do you agree?”

Chapter 645 - 645 Taking My Surname? I Have No Objections

645 Taking My Surname? I Have No Objections

Facing Gao Junming’s obviously provocative question, Ye Feng immediately smiled. “You want me to guard the dog’s spirit? No problem...”

Zhuang Xiaojiao looked at him in disbelief. “Ye Feng, you...”

She did not expect Ye Feng to agree. Was he really scared by Gao Junming?

If that was the case, she would be too disappointed.

At this time, Ye Feng continued: “Since your mother treats this dog as her own son, then it must be dog mother? And you are a son of a b\*tch? As long as you admit in public that you’re a son of a b\*tch, then I’ll help your brother guard his spirit. Why not?”

“Puchi!”

Zhuang Xiaojiao could not help but laugh out loud. “Full marks for logic!”

This guy was really too mean. How could he be so mean?

Everyone below the stage was also dumbfounded.

“My mom, this Ye Feng guy is too bold? He actually dared to call Gao Junming a son of a b\*tch?”

“He’s really pointing at Boss Gao’s nose and scolding him. How can he swallow this?”

“Although that’s the case, I think... What he said makes sense, hahaha...”

“I can’t take it anymore. I’m about to die of laughter. Son of a b\*tch Gao Junming, hahaha...”

Not only them, but even the people from the Chaoxin Gang were shocked and wanted to laugh, but no one dared to show it on their faces unless they really wanted to be chopped up and fed to the fish.

Gao Junming’s face darkened when he heard this. “Surnamed Ye, you’re courting death!”

Who was Gao Junming?

Usually, when others saw him, they would tremble in fear, afraid that they would make him unhappy, but now, Ye Feng was pointing at his nose and calling him a son of a b\*tch.

How could he take this lying down?

Ye Feng looked at him innocently. "Didn't you say so? If your mother treats a dog as her own son, then aren't you a son of a b\*tch? Is there a problem?"

Gao Junming was so angry that his entire body was trembling. "Surnamed Ye, if I don't make you kneel down and call me grandpa today, I'll f\*cking take your surname."

Ye Feng pursed his lips indifferently. "Take my surname? I have no objections. Then what should I call you in the future? Ye Junming?"

He was just joking, but somehow, he hit Ye... Gao Junming's weakness.

He had been trying his best to restrain himself before, but when he heard the words 'Ye Junming', he was immediately furious.

"Kill him, kill him..."

His face became extremely ferocious as he roared at his subordinates behind him.

The surrounding crowd had originally thought that there would not be a fight today, but they felt a little disappointed.

However, they did not expect the situation to take a turn for the worse. Gao Junming suddenly went berserk.

At this moment, when they saw the members of the Chaoxin Gang charging toward Ye Feng, everyone was so scared that their faces turned ashen. They retreated like a tide, afraid that they would be implicated.

Ye Feng's expression changed. He quickly pushed Zhuang Xiaojiao toward the two people hiding in the dark. "Protect her."

Before the two of them could make a move, Zhuang Xiaojiao rushed back to Ye Feng's side and hugged his arm tightly. "You're not allowed to abandon me."

Ye Feng almost cursed, "Big sister, these people are all thugs who kill without batting an eyelid. It will be very dangerous for you to follow me."

Zhuang Xiaojiao was unmoved. "I'm not afraid of danger. I want to stay by your side and never be separated."

Ye Feng rolled his eyes. “Do you think this is an idol drama? If you follow me, you will only drag me down, do you understand?”

Zhuang Xiaojiao smiled and said, “This is more exciting and fun. Besides, I believe in your ability.”

“I...”

Ye Feng wanted to say something more, but at this time, there were already people from the Chaoxin Gang charging over from behind. They raised their axes and slashed at the two of them.

He didn't have time to say anything else. He hurriedly grabbed Zhuang Xiaojiao's slender waist and took a step to the side. He swung the Zhanlu Sword in his hand.

The blade of the sword rubbed against the air, producing a piercing sound.

It stopped at the man's neck. Although it didn't touch his skin, the man could still clearly feel the cold sword qi approaching his throat.

He was just a little bit away from having his head chopped off.

At this moment, the man who had been extremely brave just a moment ago immediately drenched in a large area. Yellow liquid flowed down his pants and onto the ground.

“Trash!” Ye Feng cursed in a low voice. He changed from slashing to slapping. The Zhanlu Sword heavily hit that person’s face, sending him flying sideways, smashing down a few members of the Chaoxin Gang who were charging at him.

All of this happened in the blink of an eye.

Ye Feng had just finished off one, when two more rushed up from behind. After finishing off two, another four rushed up...

The people of the Chaoxin Gang were like a flood, pouring in endlessly.

Ye Feng held Zhuang Xiaojiao and charged through the crowd.

Zhuang Xiaojiao was extremely excited. Every time she saw the axe coming at her, she would immediately lie in Ye Feng’s arms and shout. When the danger was over, she would start to provoke and shout at those people again.

“You guys are really trash, there are so many of you but you can’t even defeat Ye Feng alone...”

“You’ve grown so big for nothing. You can’t even hold a knife steadily. It’s better for you to find a factory to work...”

“Look at you. You’re so skinny and malnourished. Why are you trying to join a gang like others? It’s better to take a piss and take a look...”

She had been chattering beside her, causing Ye Feng’s mental state to almost collapse. He wished he could throw her into the crowd and let her suffer the beating of life alone.

As time passed, more and more people came.

At the start, Ye Feng was still trying his best to control himself. He did not start a massacre. Most of the time, he would use his sword to send those who charged at him flying.

However, as time passed, he could not take it anymore.

These people were only lightly injured, but they quickly regrouped and continued to charge forward.

Furthermore, he was already outnumbered to begin with. With his hands and feet bound, he felt the pressure increase. There were a few times when he was almost hit by the other party’s axe.

He knew that if this continued, he would be exhausted sooner or later. At that time, he would become a fish on the chopping board, waiting to be slaughtered.

If he wanted to break the situation, he had to capture the leader first.

Thinking of this, he immediately looked around and searched for Gao Junming.

Chapter 646 - 646 Could It Be That a God Has Descended to the Mortal World?

646 Could It Be That a God Has Descended to the Mortal World?

“Oh my god, this is even more exciting than a movie. A man and a sword charging through hundreds of people.”

“My palms are all sweaty and my whole body is numb. I’ve never seen such a scene before. It’s too exciting.”

“Could this person be a god descending from the heavens? A single person actually challenged hundreds of people? Isn’t this too exaggerated?”

“It’s a little exaggerated to fight hundreds of people alone. Can’t you see that he’s already a little powerless?”

“It’s already very powerful to be able to endure for such a long time against the siege of hundreds of people, alright...”

It was the first time many of the onlookers had seen such a chaotic battle. They were both nervous and excited.

But Ye Feng was not excited at all. Although the military book said that it was necessary to capture the thief and the king, how could it be that easy?

The 'king' was not a fool. He would definitely be heavily protected by his side. How could he be captured so easily?

He charged forward a few times in a row, but was forced back by the endless stream of people. He was getting further and further away from Gao Junming.

The plan to capture the king of Chu was a dead end.

Gao Junming knew that Ye Feng was very good at fighting, so this time, the people he sent over were all elites of the Chaoxin Gang, they were all experienced fighters.

Even if he, Ye Feng, was Zhao Zilong, he would not be able to leave this place alive.

He knew that after Ye Chengze's incident, this guy's strength had soared. Even Wei Changfeng had personally gone to beg for forgiveness.

It was unwise to choose to face the enemy now, but he was forced to this point, so he could only brace himself and endure.

Because of this, Ye Feng had to die today. Once he escaped, it would be extremely troublesome.

Moreover, he did not believe that the other party could escape from the encirclement of hundreds of people, unless Ye Feng was Superman.

He was already shocked that Ye Feng could last for so long, but he probably could not last much longer.

In fact, Ye Feng was already at the end of his rope.

Facing the endless stream of outlaws, even if he was made of iron, he would not be able to hold on much longer.

In a moment of carelessness, his right shoulder was suddenly slashed by an axe.

Fortunately, he had taken a step back at the critical moment. Otherwise, his entire right arm might have been chopped off.

Even so, his right shoulder was still dripping with blood.

Ye Feng, are you injured?" Zhuang Xiaojiao exclaimed immediately.

“I won’t die. As long as I’m alive, you’ll be fine.”

Ye Feng pretended to be relaxed and was about to continue to counterattack, but he suddenly staggered and almost fell.

After being besieged for so long, his stamina had been greatly exhausted. It was already a miracle that he could last until now.

The members of the Chaoxin Gang were all experienced veterans, so they could naturally tell that he was about to collapse. They immediately seized the opportunity to attack.

Seeing that there were a few knives and axes coming at her, Zhuang Xiaojiao suddenly blocked Ye Feng behind her and used her own body to face them.

Ye Feng was shocked. He wanted to pull her back, but it was too late. Those blades and axes were about to hit her.

Right at this moment, something unexpected happened.

“Puff, puff, puff...”

With a few consecutive sounds of air being torn apart, the wrists of the few fugitives who were slashing over were actually pierced by bullets at the same time, and their knives and axes fell to the ground with a clang.

This change was too sudden, and the Chaoxin Gang immediately fell into chaos.

Although they killed and robbed, they rarely dared to use guns.

In the country, as long as the gun was moved, the nature of the incident would be completely different.

No one had expected that there would be a sniper hiding in the dark, and they immediately fell into panic.

The onlookers were also stunned.

“Oh my god, what’s going on? Someone actually fired a gun?”

“Even guns are being used? Where am I? Am I in a war-torn country?”

“It’s just a fight between hooligans. Isn’t this too exaggerated?”

“My scalp is a little numb. Who can tell me what’s going on?”

Not to mention them, even Ye Feng was dumbstruck. He quickly looked up at the opposite rooftop.

On the rooftop of the ten-story building opposite them, two figures flashed and disappeared.

He then looked at Zhuang Xiaojiao in shock.

Those two fellows did not make a move sooner or later, but only attacked when she was in danger. Clearly, they were only responsible for protecting her in secret.

To be able to use firearms for protection in the country, what kind of background did he have?

Zhuang Xiaojiao did not seem surprised by this result. Instead, she waved her hand in front of his eyes. “What are you still standing there for? Hurry up and fish in troubled waters, catch the thief and catch the king!”

Ye Feng regained his senses and looked at her deeply.

He finally understood why this girl insisted on following him despite knowing the danger.

He had thought that the other party was just trying to provoke him, and now he finally understood the other party's good intentions.

Because she knew that when she was in danger, the person hiding in the dark would attack. This was actually protecting him.

He temporarily suppressed his guilt and immediately counterattacked with his sword.

The people of the Chaoxin Gang were in a mess because of the incident just now.

Although they often fought and killed each other, it was only a fight between hooligans. They had never been shot, so they immediately fell into chaos.

Ye Feng took the opportunity to charge forward, he soon approached Gao Junming.

Gao Junming was indeed the boss of the Chaoxin Gang. He had seen the world. After the initial panic, he quickly regained his composure.

Seeing Ye Feng charging over, he immediately understood what he wanted to do.

“Quickly protect me, quickly...”

The dozens of people beside him were all the core members of the Chaoxin Gang. Not only were these people experienced in battle, but they were also loyal to him. They quickly organized themselves and protected him in the center.

With their desperate resistance, at least in a short period of time, Ye Feng would not be able to charge in.

If they could hold on for a while, the other members of the Chaoxin Gang would have enough time to regroup.

Ye Feng naturally knew that if he could not break through the defense quickly and capture Gao Junming, he would be surrounded again.

Therefore, he was not going after Gao Junming at all. Instead, he was creating a diversion. His real goal was... Gao Xianglan.

At this moment, Gao Xianglan was being protected by Gao Hu and the rest. She did not expect Ye Feng to suddenly charge over. She could only defend herself.

However, the defense here was much weaker than Gao Junming's.

Ye Feng broke through like a broken branch.

Gao Hu was originally standing in front of Gao Xianglan, but when Ye Feng rushed over, he suddenly took a step back, exposing Gao Xianglan in front of him.

Gao Xianglan was shocked and was about to flee.

But Ye Feng's Zhanlu Sword was already at her neck.

"Don't move around, or I can't guarantee that your head won't be saved."

As Ye Feng spoke, he glanced at Gao Hu who had retreated far away.

This guy was really interesting.

On the other side, Gao Xianglan was so scared that her legs went weak.

She had never expected things to develop to this point.

Chapter 647 - 647 Look, This is the Real Setup!

647 Look, This is the Real Setup!

“Stop!”

When Gao Junming saw this scene, his eyes were about to pop out, and he hurriedly shouted.

Ye Feng turned around and looked at him. “Tell your men to put down their weapons.”

Gao Junming was cautious and hurriedly ordered the members of the Chaoxin Gang, “Put down your weapons.”

The group of people from the Chaoxin Gang immediately threw away the knives, axes, and sticks in their hands.

Gao Junming finally heaved a sigh of relief. He glared at Ye Feng hatefully. “Surnamed Ye, you are using my family as a threat. Aren’t you being too despicable?”

Ye Feng seemed to have heard a joke. “You still have the cheek to say despicable? You let hundreds of people surround me. Isn’t that despicable?”

Gao Junming knew that he was in the wrong, so he didn’t dwell too much on this issue. “Alright, let my mother go first, and I’ll let you go. Is that okay?”

Ye Feng had a mocking expression. “I don’t believe a single word you say.”

Gao Junming gritted his teeth and looked at him. "Then what do you want?"

Ye Feng revealed a mischievous smile. "I don't want to see you standing and talking to me, kneel down!"

"What did you say?"

When Gao Junming heard this, his gaze immediately became sharp.

He was the boss of the Chaoxin Gang, the head of the underground organization department, and he had to kneel down to a kid who was still wet behind his ears? What kind of joke was this?

"I told you to kneel down. Don't you understand?"

Ye Feng's Zhanlue Sword slashed lightly. Blood immediately flowed out of Gao Xianglan's neck.

"Ah... Gao Junming, hurry up and kneel down, or your mother will die..." Gao Xianglan immediately shouted.

Gao Junming didn't dare to hesitate any longer and knelt on the ground with a thud.

This scene shocked everyone present.

The spectators watching from afar were all dumbstruck.

Just now, Ye Feng had charged around in the encirclement of hundreds of people, it had already shocked them to the point of their mouths agape.

Seeing Gao Junming kneel in front of everyone, they were even more flabbergasted.

“I can’t take it anymore. My heart can’t take it anymore. Not only did he break through the siege of hundreds of people, but he also captured Gao Junming’s mother? This is simply a god!”

“Taking the head of a general from an army of millions, I thought it was nonsense, but today I realized that it was true!”

“Gao Junming kneeled, Boss Gao kneeled? I can’t believe my eyes!”

“After this battle, this young man will definitely become famous...”

Zhuang Xiaojiao stood beside Ye Feng, staring blankly at his side profile. She had to admit that he really had the aura of a king.

Even Boss Gao, who was overbearing and insufferably arrogant in Yang Cheng, had to grovel at his feet.

This d\*mn charm, could it not be so attractive? She was about to fall.

Gao Junming was extremely humiliated. His eyes were about to spit fire. "I've already knelt down. Can you let my mother go?"

Ye Feng looked down at him like an emperor. "You gave me two conditions just now, it is impolite not to reciprocate. I will also give you two conditions."

Gao Junming gritted his teeth so hard that they were about to shatter, but he still nodded. "What conditions?"

Ye Feng said in a clear voice: "Number one, I want you to spend all your money, and donate all your dirty money to a charity organization. I will help you dissipate some evil virtue. This isn't too much, right?"

Gao Junming heard this and his heart started to bleed.

All these years, he had killed and robbed people and committed all kinds of crimes, only to accumulate a few billion yuan in assets.

Now that he was asked to give away all his wealth, it was simply asking for half of his life.

However, his mother Gao Xianglan's life was in the other party's hands, so he had no choice but to compromise.

"Alright, I promise you!"

Ye Feng continued: "Secondly, I want you to disband the Chaoxin Gang. You bunch of people are heartless and have caused the people to complain. I'm also giving you a chance to start over. This isn't too much, right?"

Gao Junming suddenly raised his head and stared straight at him. "Are you trying to kill me?"

He had done so many heartless things over the years, and his enemies were everywhere. Once the Chaoxin Gang disbanded, who knew how many people would want his life?

The Zhanlu Sword in Ye Feng's hand shook. The blade went deeper.

Gao Xianglan immediately screamed, "Gao Junming, you little b\*stard, hurry up and agree to his request. Is your mother's life not as important as the Chaoxin Gang?"

Gao Junming lowered his head and nodded weakly. "Alright, I agree."

As soon as he said this, the surrounding crowd immediately went into an uproar.

"Really? Is he really going to disband the Chaoxin Gang? That's great. I'll be happy."

"That's right. The Chaoxin Gang has done many evil things in Yang Cheng over the years. The commoners dare not speak out even if they are angry. If they can really disband, that would be a great thing."

"Look, this is what I call a setup. The conditions that Gao Junming had mentioned just now were all for his own benefit. Mr. Ye, on the other hand, is doing this for the common people. This is the difference!"

"No wonder he can achieve great things at such a young age. This kind of situation is really incomparable to ordinary people."

"If the Chaoxin Gang can be disbanded, we, the people of Yang Cheng, will remember this great kindness of Mr. Ye..."

The actions of the Chaoxin Gang in Yang Cheng over the past few years could be said to be the wrath of the heavens and the resentment of the people.

When they heard that they were going to disband, the onlookers almost lit firecrackers to celebrate.

Gao Junming gritted his teeth and stared at Ye Feng. "I have agreed to your conditions, can you let my mother go now?"

Only then did Ye Feng slowly put away his sword. "I believe that you are a man of your words, Gao Junming, if you do not disband the Chaoxin Gang within three days, I will personally disband it."

Gao Junming saw that his mother was out of danger, he heaved a sigh of relief. Then, he gave Gao Hu, who was not far away from Ye Feng, a look.

Gao Hu immediately understood. His boss was still not giving up!

Should he make a move?

Chapter 648 - 648 This Is a Real Big Shot!

648 This Is a Real Big Shot!

Gao Junming naturally did not give up. The foundation that he had built for so many years, with just a few words from Ye Feng, he wanted to completely destroy it? What kind of joke was this?

Thus, when his mother escaped, he immediately gave Gao Hu a look. As long as Gao Hu protected his mother, he could give the order and kill Ye Feng.

However, Gao Hu, who had always listened to him, did not carry out his orders. Instead, his gaze drifted away as if he did not see his gaze.

Gao Junming was so angry that smoke was rising from his seven orifices. His eyes revealed a sharp killing intent.

At this moment, an alarm suddenly sounded.

Then, they saw more than ten police cars speeding over. The cars stopped and a group of fully armed officers rushed out.

Yi Jianye from the Official Office took the lead and walked over. "Are you all rebelling? You actually dared to gather a crowd to fight in broad daylight? Do you still have the law in your eyes?"

The group of members of the Chaoxin Gang, who had been fierce just a moment ago, lowered their heads and made way for him.

Yi Jianye walked up to Gao Junming with a cold face. "Gao Junming, what do you want?"

Before he took office, he had heard of Gao Junming's arrogance and despotism. After he took office, he had always wanted to make a move on this person, but he had never been able to find a reason.

He didn't expect this b\*stard to be so lawless that he even dared to gather a crowd to cause trouble. He had finally bumped into him.

Gao Junming laughed. "Nothing much. Brothers, on Mr. Yi's account, let's go. Tonight's gathering at the Fragrance Restaurant is on me."

Everyone in the Chaoxin Gang cheered.

Yi Jianye saw that Gao Junming actually dared to be so arrogant in front of him and was instantly furious. "I think you won't be able to gather for this meal. I'm now arresting you for gathering a crowd to cause trouble. Come with me first."

Gao Junming's face darkened as he slowly moved closer to his ear. "Yi Jianye, I'm giving you face. Don't be ungrateful."

Yi Jianye pushed him away, his eyes burning like torches. "You're just a gangster. Who gave you the guts? Take him away!"

With his order, two guards rushed up and took him down.

Gao Junming smiled faintly and waved his hand to dismiss them. "Alright, you guys can go back first. I'll go with Mr. Yi. Tonight's dinner is as usual. No one can be missing."

As he spoke, he walked up to Yi Jianye and patted his shoulder. "Do you believe that you'll have to let me out when the time comes? Haha..."

After saying that, he swaggered away with the few officials.

Yi Jianye was burning with rage.

At this time, Ye Feng walked over slowly and smiled at him: "Mr. Yi, we meet again."

When Yi Jianye faced Ye Feng, his expression softened a little. "You really don't stop. You just came out of the office and caused such a thing?"

Ye Feng looked at him innocently. "I'm innocent, I'm the victim, alright? Who would take the initiative to provoke the Chaoxin Gang? Wouldn't that make you tired of living?"

His words once again stung Yi Jianye.

As an official, he was supposed to protect the people and let them live in peace and contentment. Now, it was simply a great humiliation.

“Alright, stop talking nonsense. You’ll also come with us to assist in the investigation,” he said to Ye Feng coldly.

At this moment, Zhuang Xiaojiao suddenly walked over from behind. “Mr. Yi, we’re really innocent. It’s all the people from the Chaoxin Gang who have gone too far.”

When Yi Jianye saw her, his expression changed. “Zhuang...”

Zhuang Xiaojiao immediately interrupted him. “Mr. Yi, we are all law-abiding citizens. You must enforce the law impartially.”

Yi Jianye quickly regained his composure. “Haha, of course. Protecting the lives and property of our citizens is our duty. Mr. Ye, please provide the surveillance footage. If you have any questions, I’ll call you at any time.”

Ye Feng did not say anything else. He immediately returned to the Blue Charm Night and gave the surveillance camera to the officer.

Yi Jianye’s expression changed drastically when he saw Zhuang Xiaojiao. He had obviously recognized something, but Zhuang Xiaojiao had interrupted him.

The crowd looked at Ye Feng in disbelief.

“Oh my god, isn’t this young man too powerful?”

“If I didn’t see it with my own eyes, I wouldn’t have believed it.”

“Really a big boss!”

“He’s such a young boss and he’s so handsome. If I were a woman, I would definitely marry him.”

“Come on, with your appearance, even if you’re a woman, you’re still an ugly monster. How are you worthy of him?”

“That’s right. Look at how beautiful the girl next to him is. How can he take a fancy to you?”

“But, I’m coquettish...”

Chapter 649 - 649 You Are My Jinx

649 You Are My Jinx

Ye Feng, are you alright?”

Zhuang Xiaojiao finally found a chance to check the wound on Ye Feng's shoulder. She looked worried.

"It's just a small injury."

Ye Feng looked at her with a complicated gaze. If it was not for her today, he might have died here.

The thought of the two gunmen lying in ambush on the roof sent chills down his spine.

To be able to accurately hit the wrists of those thugs on the roof of a building that was more than ten stories high was not an ordinary difficulty.

Zhuang Xiaojiao's background must be extraordinary to be able to use such high-level people to protect her.

Thinking back to Yi Jianye's expression when he saw her, it made everything even more clear.

Zhuang Xiaojiao was a little embarrassed by his burning gaze. "Why are you looking at me like that?"

Ye Feng looked at her seriously. "We have experienced life and death together today. It can be considered that we have gone through thick and thin together. Your position in my heart is becoming clearer and clearer. Do you know what you mean to me?"

Zhuang Xiaojiao's pretty face turned even redder. "I... What do I mean?"

After asking this question, her heart began to beat wildly.

The two of them had just experienced life and death together. Could it be that he had finally thought about his feelings for her and was going to confess to her?

She was really nervous.

If he really confessed to her, how should she respond?

Should she agree to his request? If she promised him, would he always love her?

What if he abandoned her in the future? Leaving behind their orphans and widows with no one to rely on...

She thought very far ahead and was very comprehensive.

But then, Ye Feng said seriously: "You're my jinx."

“Ah?”

Miss Zhuang, who was bathing in love, was stunned. This confession... Wasn't this too unusual?

What did jinx mean?

Jinx? Was he praising her for being virtuous and caring for the family?

Star? Was he complimenting her for being pretty? Was it important to him?

Just as her thoughts were running wild, she heard Ye Feng continue: “Ever since I met you, I've been drinking cold water and breaking my teeth. I've been farting and breaking my heels. I am either framed or hunted down. It has never stopped for a day...”

Zhuang Xiaojiao looked at him in a daze and did not know how to react.

“Miss Zhuang, we're not on the same path. In the future, you'll walk your own path and I'll walk mine. Don't have any more contact. Alright?”

After Ye Feng finished speaking, he turned around decisively, but he was screaming in his heart.

He could tell that Zhuang Xiaojiao was a big and scary person. She wasn't someone he could provoke at all.

If her family knew that she had encountered so much danger with him, they would not let him off easily.

Therefore, in order to live a long life, he could only get rid of this burden.

Zhuang Xiaojiao watched as his car drove off, her big eyes filled with tears.

“Ye Feng, you big bad guy, I hate you...”

..

Ye Feng was surrounded by hundreds of people from the Chaoxin Gang, a sniper appeared at the scene, Gao Junming was taken away by the officials, and the whole series of events spread throughout the upper circle of Yang Cheng, causing a magnitude twelve earthquake.

Ye Feng and Gao Junming were both extremely eye-catching figures in Yang Cheng. Now that these two had completely fallen out with each other and had such a huge conflict, it would be difficult for them not to attract attention.

The wives of the Yang Cheng business world would often organize private gatherings. Other than comparing themselves, they would also gossip.

Lei Chunfang had become the laughing stock of the wives' group because of her husband, Wei Changfeng, who had pleaded guilty to Ye Feng, so she was not willing to attend.

However, she couldn't resist the coaxing of her best friend. In the end, she still followed her, but she found a corner to drink alone.

At this moment, she suddenly heard a few women talking loudly beside her.

"Have you heard? Ye Feng and Gao Junming completely fell out today, and a large-scale conflict even broke out, Chaoxin had hundreds of people surrounding Ye Feng..."

Lei Chunfang was immediately shocked. The young man who could force her husband to beg for forgiveness was actually surrounded by people?

She immediately picked up her wine glass and walked toward them.

If it were any other time, these gossipy women would definitely mock her.

But today, they were all attracted by Ye Feng's topic, and no one paid attention to her.

"Oh my god, is that true? The people of Chaoxin Gang attacked Ye Feng? Why?"

Immediately, a woman cried out in surprise and hurriedly asked.

The other women also looked curious.

Other than that, all the ladies in the banquet hall also looked over.

The woman who had 'exposed' the news first suddenly became the focus of everyone. She felt a sense of vanity and continued to tell the story.

"I heard that at the beginning, Gao Junming's mother set her dog on Ye Feng's girlfriend. In a fit of anger, Ye Feng killed her dog and even beat her. Then, she called her son and called a group of people..."

As she spoke, more and more people gathered around her.

"Are you talking about that old lady Gao Xianglan? That woman was really something! Ye Feng beat her up well!"

Immediately, a woman praised Ye Feng's actions.

The women beside her were shocked.

"Are you crazy? If you want to die, don't get us into trouble. That's Gao Junming's mother. How dare you say such a thing?"

"Yeah, although Gao Junming has been arrested, according to past practices, he will be released very soon. Aren't you afraid that he will find trouble with you?"

"It's the Chaoxin Gang. Who dares to provoke them? Don't cause trouble for your man."

Hearing their reprimands, the woman did not care. She snorted coldly and said, "I'm telling the truth. That old woman is a pervert. Just because another girl was young and beautiful, she disfigured them. She's worse than a beast."

When the women heard this, they immediately fell silent.

They knew that this woman was telling the truth. The old lady was indeed vicious. It was not a secret among the upper-class circles of Yang Cheng. It was just that everyone dared not speak out.

Ye Feng's actions today could be considered to have helped them vent their anger.

Lei Chunfang was also extremely shocked when she heard everyone's discussion.

She had seen that old lady, Gao Xianglan, at some gatherings a few times. She was always frightened.

The main reason was that this old lady was notorious for being vicious. To them, she was even more vicious than Gao Junming.

Although Gao Junming was also ruthless, he rarely laid a hand on women unless they really provoked him.

However, this old lady didn't pick on women. Regardless of whether or not she was offended, as long as she was young and beautiful, she would be killed.

Therefore, whenever the old lady appeared, women would not go if they could. If they really could not avoid it, they would deliberately not put on makeup or specially make themselves uglier.

They were afraid that if they were too outstanding and caught the old lady's eye, it would be dangerous.

Now, this vicious old woman was taught a lesson by Ye Feng, they were quite happy.

Chapter 650 - 650 The Big Sister Who Rode the Maple Leaves to Break the Waves

## 650 The Big Sister Who Rode the Maple Leaves to Break the Waves

The woman who had 'exposed' them at the beginning saw that they were starting to go off the topic and hurriedly interrupted them, "Are you guys going to listen or not? If you don't want to listen, I won't say anymore."

Everyone shut their mouths and did not dare to say anything else.

The woman's vanity was further satisfied before she continued to speak.

"Later on, Gao Junming arrived with his men, and when he saw that it was Ye Feng, he was also dumbfounded. Ye Feng is at the peak of his power in Yang Cheng, and his strength is not any weaker than Gao Junming. If you do it, it's not appropriate. If you don't, it'll be embarrassing. In the future, wouldn't Mr. Gao become the laughingstock of Yang Cheng? He didn't even dare to retaliate when he was beaten..."

Everyone nodded in agreement.

"That's right. If he doesn't get back at him, Gao Junming will be laughed at in the future."

"Ye Feng is still the strongest. If it was anyone else, Gao Junming would not have wasted any time and would have sent people to kill them."

“In the entire Yang Cheng now, I’m afraid there aren’t many who dare to challenge Gao Junming, right? Ye Feng dares to.”

“That’s right, compared to Ye Feng, other men are all cowards...”

There were a few women who were obviously Ye Feng’s fans... Sister, also known as the elder sister who rode on the maple leaves to break the waves.

Every time they heard the name ‘Ye Feng’, their eyes would light up.

Although Lei Chunfang hated this name, it was because of him that she became a joke, however, she had to admit that the young man was indeed very charming, especially the domineering aura that he emitted. To women, he had a fatal attraction.

Moreover, he was so young, handsome, and rich...

Lei Chunfang suddenly came to a realization. What was wrong with her? He was her husband’s enemy!

“What happened after that?”

“Later, Gao Junming said that his mother had a deep affection for that dog, as if it was her own son. That’s why he asked Ye Feng to kneel down and apologize to his mother, and compensate her with 1 billion yuan for her medical expenses. He also wanted him to guard that dog’s spirit for three days...”

Hearing this, the group of women present exploded again.

“What is that? Isn’t that too much? It’s fine if he apologized, but why did he have to kneel? And you want him to compensate him with 1 billion yuan?”

“What do you mean by just apologizing? Why should he apologize? It was that crazy woman who let the dog bite. She deserved to be beaten.”

“What’s even more outrageous is guarding the dog’s spirit. Who would guard a dog’s spirit? This is clearly humiliating Ye Feng.”

“Ye Feng will definitely not agree, no one can agree to such an excessive request.”

All the girls started to protect Ye Feng’s image.

However, the woman suddenly said, “Ye Feng agreed at that time, saying that he was willing to guard that dog’s spirit.”

“What is it? Impossible, why would Ye Feng agree to such an outrageous request?”

“Perhaps he was frightened by the people from the Chaoxin Gang? After all, those people have always killed without batting an eye. Anyone would be afraid.”

“So he’s also a coward. I thought he was stronger than other men, hehe.”

“Bullsh\*t, Ye Feng is not someone who would be willing to be humiliated. He definitely would not.”

“Ye Feng, you can’t agree to him, you are my prince charming...”

The entire venue was in chaos. Some mocked Ye Feng for being a coward, while others believed that Ye Feng would not compromise.

At this moment, the woman said slowly, “Of course Ye Feng was joking. He said that since Old Lady Gao treated that dog as her own son, then she was a dog mother. As long as Gao Junming admitted that he was a son of a b\*tch, he would give that dog a wake.”

When the group of women heard this, they all laughed out loud.

“Haha, isn’t Ye Feng too funny? I can even imagine Gao Junming’s expression when he heard this.”

“Son of a b\*tch, haha. There doesn’t seem to be anything wrong with that.”

“Gao Junming must have been very angry, right? It’s too embarrassing to be called a son of a b\*tch in public.”

“It’s more than embarrassing. In the entire Yang Cheng, other than Ye Feng, who else would dare to scold Gao Junming like this?”

When Lei Chunfang heard this, she finally heaved a sigh of relief.

Previously, Wei Changfeng had begged Ye Feng for forgiveness and became the joke of the entire Yang Cheng. Many people felt that it was too embarrassing for the mighty Mr. Wei to kneel down to a young man from another city.

But now, even Gao Junming, who was infamous, was insulted by Ye Feng in public. Those people would not gossip anymore.

But speaking of which, this Ye Feng was really a troublemaker. Ever since he came to Yang Cheng, he had not stopped. News about him could be heard every day.

The whistle-blowing woman raised her hand to stop the discussion and continued.

“That Gao Junming was obviously furious. He immediately ordered his subordinates to surround Ye Feng. At that time, Ye Feng was holding a sword in his right hand and his girlfriend in his left. He was charging left and right in the million-strong army...”

“Aren’t there a few hundred people? How did it become a million-strong army?”

“Millions is an adjective. It means that the situation was very dangerous at that time. You’re really illiterate... At that time, an axe slashed over, Ye Feng dodged left and right, turning the situation around...”

This woman was quite eloquent. She described the battle vividly and often used some exaggerated adjectives, making people feel as if they were there.

Many of the women who looked down on Ye Feng at the beginning were also affected. They started to worry about Ye Feng’s safety.

Some women wished they could become the lucky girl and fight on the battlefield with their lover.

Everyone, including Lei Chunfang and the others, was a little confused.
