Chapter 661 - 661 He's Really Sober

661 He's Really Sober

The skinny man suddenly looked at him in confusion. "Who exactly are you? How did you know my surname was Ning? Why did you save me?"

This person was very vigilant and asked three questions at once.

"I am Ye Feng."

Ye Feng only answered his first question. He believed that when he heard this name, the other two questions would be easily solved.

As expected, the skinny man's eyes were filled with killing intent. "You are Ye Feng? You were the one who beat up Gao Xianglan and sent Gao Junming to the detention center? You actually dare to appear in front of me? Aren't you afraid that I'll kill you?"

Ye Feng felt a killing intent that was almost tangible, but he was still as warm as a spring breeze. "Mr. Ning is really loyal. Gao Junming is about to kill you, but you are still thinking for him?"

When the skinny man heard this, the killing intent on his body immediately disappeared without a trace. In its place was the desolation of a stray dog.

“Yeah, I’ve worked for him for so many years, why would he want to kill me?”

“When the cunning rabbit dies, the dog will be cooked. When the birds are gone, the good bow will be hidden. This is a saying that has never changed. Perhaps you know too many secrets, so he doesn’t feel safe.”

Ye Feng did not give him any face at all, directly comparing him to a lackey.

The skinny man did not mind. He just laughed bitterly. “Yes, perhaps this is the fate of a lackey?”

Ye Feng looked at him calmly. “I might be able to help you.”

The skinny man’s eyes narrowed. “Help me? How?”

Ye Feng looked at his sick face. “Your illness is beyond cure. I’m afraid you don’t have much time left.”

The skinny man’s eyes dimmed. “I know.”

Ye Feng suddenly changed the topic. "But I have some medical knowledge, I can help you. Although I can't guarantee that you'll be able to recover, it shouldn't be a problem for you to return to your previous state."

The skinny man's face immediately revealed a hopeful look. He grabbed his shoulder tightly. "Is what you said true? Can you really cure my illness?"

Ye Feng said confidently, "You should have heard that I have a good relationship with Luo Jingyuan. The reason is that I saved his father's life. You should have confidence in my medical skills."

The skinny man hurriedly nodded. "I have confidence, I have confidence..."

As he spoke, he seemed to have suddenly realized something and his smile froze. "You wouldn't save me for no reason, right? What do you want me to do?"

Ye Feng immediately gave him a thumbs up. "Mr. Ning is really clear-headed. There is no such thing as a free lunch in this world. You also know the enmity between Gao Junming and me. I want to get rid of him, and I need your help."

The skinny man gradually regained his composure. "You want me to help you kill Gao Junming?"

Ye Feng shook his head. "I'm not asking you to kill him. I'm asking you to help me collect evidence of his crimes. You've been with him for so many years and specially helped him deal with some shady business. You should have a lot of dirt on him, right?"

The skinny man immediately nodded. "Of course. I have a lot of evidence that can kill him. I can give it all to you. Since he is heartless, don't blame me for being unjust."

Ye Feng and Chen Xuan were delighted. After a few twists and turns, they finally saw hope.

"That's great. Where is the evidence now?"

"It's at my place. I'll take you to get it."

The skinny man made a 'please' gesture.

Ye Feng and Chen Xuan did not suspect anything. They immediately turned around and walked out.

Right at this moment, something unexpected happened.

The skinny man behind the two suddenly jumped up and attacked. His sharp dagger stabbed toward Ye Feng's neck.

Although Ye Feng was immersed in joy, he was still on his guard. He sensed the killing intent behind him. He quickly grabbed Chen Xuan and avoided it by a hair's breadth.

Then, he turned around and stared coldly at the skinny man. “What do you mean?”

“You want me to betray Mr. Gao with just a few words?” The skinny man grinned. “What wishful thinking!”

Chen Xuan looked at him incredulously. “Gao Junming is going to kill you, yet you’re still thinking about him?”

The skinny man looked at the two of them with disdain.

“My loyalty to Mr. Gao is beyond your imagination. He gave me my life. If he wants it, he can take it anytime. I was just dissatisfied with the methods he used. As long as he told me clearly, I could return this life to him without hesitation.”

Chen Xuan was completely speechless. She didn’t expect there to be such a blindly loyal person in the world. He wanted his life, but he was still grateful to him?

Even Ye Feng could not understand the thoughts of such a person.

According to normal people’s thinking, when they knew that someone was trying to harm them, no matter who the other party was, they would hate them to the core.

He had almost fallen into the other party's trap because of this habitual thinking.

"What a loyal dog. Since you're so loyal to someone who wants to kill you, then I have nothing to say. Just pretend that we've never been here."

Ye Feng finished speaking and was about to leave with Chen Xuan.

"Since you're here, then leave your life behind."

The skinny man did not plan to let the two of them leave. He immediately brandished the short blade in his hand and attacked Ye Feng.

Chapter 662 - 662 Did You Learn This Interrogation Method From Nanny Rong?

662 Did You Learn This Interrogation Method From Nanny Rong?

This Old Ning was indeed the number one killer under Gao Junming. He was as calm as the wind. On the blink of an eye, he was already in front of Ye Feng.

Ye Feng was already prepared. His right leg swung backward like an iron whip, directly hitting his right hand that was holding the blade.

Old Ning's reaction speed was fast. Even though his right hand moved away, his left hand was already attacking Ye Feng's temple.

The strength of his fist was extremely strong. Before the fist even reached him, the wind from the fist had already caused his face to hurt.

Ye Feng smiled disdainfully and was about to block the attack.

However, Old Ning's attack was just a feint. At the same time, his right hand was already holding a dagger and stabbing at Chen Xuan.

His move was very sudden and extremely fast. Chen Xuan did not know kung fu, so she did not have time to react. She could only watch blankly as the dagger got closer and closer to her.

Ye Feng was originally thinking of playing a cat-and-mouse game with this number one assassin of the Chaoxin Gang.

However, seeing him suddenly use such a despicable method, killing intent immediately surged in his heart.

His left hand reached out like lightning, grabbed Chen Xuan's arm, and pulled her toward him.

The dagger narrowly brushed past her, and she could almost feel the blade coming into contact with the hair on her face.

If she had been any slower, even if she didn't die, her face would have been disfigured. To her, that was worse than death.

Ye Feng was already furious. After saving Chen Xuan, he did not stop and punched at Old Ning.

The corner of Old Ning's mouth curled up into a sneer. He did not retreat at all and also punched out, wanting to meet his opponent head-on.

In his opinion, Ye Feng was so young. Even if he had practiced martial arts since he was young, how much strength could he have?

He had been practicing martial arts for decades and had profound skills. How could a young junior be a match for him?

However, the moment his fist came into contact with his opponent, he knew that he had made a mistake, a fatal mistake.

Ye Feng's power was like a flood. It came wave after wave.

Bang!

Old Ning felt like he was a small boat in a stormy sea. When a huge wave hit him, the entire small boat seemed to be about to fall apart.

He took a few steps back, and his throat heated up as he spat out a mouthful of blood.

Before he could regroup, Ye Feng's attacks continued. Every punch landed on his lungs.

When he was young, his lungs had been seriously injured. Although he had saved his life, he had been ill ever since. During this period of time, he had continuously taken that 'poison', and his condition had worsened.

Ye Feng clearly knew where his weakness was, so every punch landed on his sore spot.

"Cough, cough, cough..."

Every time Ye Feng punched out, he would cough violently and spit out blood. He could not fight back at all.

After more than ten punches, without Ye Feng needing to do anything, Old Ning bent down like a shrimp and started coughing violently. Every cough was accompanied by blood.

Ye Feng stood with his hands behind his back, staring at him coldly.

Old Ning wiped the blood off his mouth and looked up at him hatefully. "I can't beat you. You can kill me or cut me up if you want."

Ye Feng slowly squatted down in front of him. "What benefits do I get from killing you? As long as you give me the evidence of Gao Junming's crime, I can spare your life."

When Old Ning heard this, he immediately revealed a mocking expression. Along with his blood-covered mouth, he looked extremely ferocious.

"Mr. Gao has done me a great favor. I don't have any evidence of his crime. Even if I did, I wouldn't give it to you. Just give me a quick death. Treat it as the last thing I'll do for Mr. Gao."

When Ye Feng heard his unyielding words, he could not help but give him a thumbs up.

"I really envy Gao Junming a little. He has such a loyal dog like you. However, if you want me to fulfill the loyalty of your master and servant, I'm afraid you're thinking too much. Not afraid of death? But there are things in this world that are more terrible than death. Do you want to try?"

Old Ning still ignored his words. "Are you testing my loyalty to Mr. Gao? Hehe, whatever tricks you have, just use them. Let's see if I'll betray him."

Was he despised?

Ye Feng smiled faintly and immediately took out a bag of silver needles from his body, pinching one and waving it in front of his eyes.

“Next, you will experience a very exciting experience. I hope you can last a little longer.”

After saying that, he directly pierced a silver needle into his yintang acupoint, followed by his baihui acupoint, xiaguan acupoint, tiantu acupoint, dazhui acupoint...

In a few breaths, he had already pierced thirty-six acupoints in a row and then stopped.

Seeing his actions, Old Ning immediately laughed out loud. “Is this your way of extorting a confession? Isn’t this too childish? Did you learn this interrogation method from Nanny Rong? Hahahaha...”

Halfway through his laughter, his smile suddenly froze on his face. It was as if someone had suddenly grabbed his neck and he could no longer make a sound.

Immediately after, he felt that breathing became more and more difficult. It was as if he had fallen into an endless vortex. His vision began to fall into darkness, and his consciousness began to dissipate bit by bit...

Was this the feeling of death?

The beauty, pain, laughter, and tears that he had experienced in his life... It was like a movie, flashing in front of him.

He had thought that he had no attachment to this world, but now he realized that there were still many regrets that he had not made up for.

Unfortunately, there was no more chance...

Just when he thought he was about to die, it was as if someone had suddenly lifted him out of the water. His breathing suddenly became smoother.

“Hu, hu, hu...”

He was like a bellows, panting heavily.

However, before he could catch his breath completely, his body seemed to have been ignited by a fire and immediately became extremely hot.

Just when he thought he was going to be burned to ashes, he fell into the snow cave again. The surroundings were bone-chilling cold, as if he was going to be frozen into an ice sculpture.

“Stop... Stop! I... I can't take it anymore...”

He hurriedly used all his strength and shouted for help.

Chapter 663 - 663 Your Loyalty Only Last Less Than Half a Minute

663 Your Loyalty Only Last Less Than Half a Minute

Ye Feng looked at the watch on his wrist. “Twenty-three seconds, your loyalty only lasted for less than half a minute.”

As he spoke, he removed the silver needles from his body.

When Old Ning heard this, he immediately felt so ashamed that he could not raise his head.

It wasn't that his willpower wasn't firm enough, but that this kid's methods were too vicious. If the other party killed him with a single slash, he would not even frown.

However, the other party had used such a method to let him experience inhuman torture. No one could stand it.

Chen Xuan had been watching silently from the side. She was so shocked that her jaw almost fell off.

Ye Feng's methods of torturing people were really varied.

Although she couldn't empathize with him, she knew what kind of pain Old Ning had gone through when she saw his painful expression just now. It was simply creepy.

When she looked at Ye Feng again, she shivered for no reason.

She didn't expect this man who was as gentle as water in front of her to be so terrifying when facing an enemy.

Ye Feng seemed to have sensed her fear. He immediately turned around and gave a warm smile. "Did I scare you?"

Chen Xuan shook her head. "Still... It's alright."

Initially, she was indeed a little frightened, but when she saw her boyfriend's smile, she immediately relaxed.

No matter what, when he faced her, he was still that familiar man. That was enough.

Ye Feng grabbed her tender little hand and lightly shook it. He did not say anything else and turned to look at Old Ning.

“Can you tell me honestly now? Hand over all the evidence you have on Gao Junming’s crime.”

Old Ning had already regained his composure. When he heard his words, he immediately shook his head. “I don’t have any evidence of his crime.”

“Hmm?”

Ye Feng’s expression turned gloomy again.

“Listen to my explanation first...”

Old Ning was afraid that he would use the silver needles to force a confession again, so he hurriedly reached out to stop him.

He had killed countless people in his life, but when he faced this young man, he shuddered from the depths of his soul.

“My life was saved by Gao Junming, so I’ve always been loyal to him. I didn’t deliberately collect evidence of his crimes. Even if I have something on him, it is not enough to kill him...”

Ye Feng stared at him for a long time. Seeing that he did not seem to be lying, he could not help but frown. "Could it be that this Gao Jun is really so flawless? Not even a trace was left behind?"

Old Ning shook his head. "That's not true. It's mainly because Gao Junming instructed Zheng Rujing to do those illegal things. He's only responsible for controlling from behind the scenes. Therefore, if they want to get evidence of his crime, they have to start with Zheng Rujing."

Ye Feng suddenly understood, "Then, as long as we find this Zheng Rujing, we will be able to dig out evidence of Gao Junming's crime?"

Old Ning still shook his head. "I'm afraid not..."

Ye Feng was a little angry. "Didn't you say that Zheng Rujing had evidence of his crimes? And now you said no? Are you playing with me?"

Seeing that he was furious, Old Ning hurriedly explained, "This Zheng Rujing is Gao Junming's child-bride. She loves him dearly. It's almost impossible for you to get evidence of Gao Junming's crimes from her. It was also because of this that Gao Junming can be at ease to leave his evidence to her."

Ye Feng seemed to understand. Some women were indeed very scary when they were infatuated.

Even if he used the method he used to deal with Old Ning on that woman, it might not work.

He lowered his head and pondered for a moment before looking at Old Ning again. “Then do you know where this Zheng Rujing lives?”

Old Ning shook his head. “I’ve barely seen this woman, let alone her address. I’m afraid that other than Gao Junming himself, not many people know.”

Ye Feng had entered a dead end again. He had finally found the key person, but now he lost all clues.

Even a core figure like Old Ning didn’t know where Zheng Rujing lived. Could it be that he personally went to ask Gao Junming?

Sighing, he got up and walked to the counter to find a pen and paper. He wrote a prescription and turned around to hand it to Old Ning. “Go and get the medicine according to this prescription. If you take it for a month, your condition should be better.”

Old Ning stared at the recipe and suddenly hesitated.

Ye Feng couldn’t help but laugh, “What? Are you afraid that I will harm you? If I want your life, I wouldn’t have to resort to such tricks. If you don’t want it, then forget it.”

As he spoke, he was about to destroy the prescription.

Old Ning hurriedly reached out to grab it and folded the prescription neatly into his pocket. Then, he looked at him with a complicated gaze. "Why did you save me? Aren't you afraid that I'll come back to take revenge on you after I recover?"

Ye Feng smiled disdainfully. "You? Take revenge on me? As long as you don't lay a hand on the people around me, I'll take you on anytime."

Old Ning was not angered by his contempt because he knew that the other party had the right to mock him.

Although he had lost because of his illness, he knew very well that even if his body was fine, he was not a match for this young man.

Although the other party was young, his strength was unfathomable. He was probably the strongest martial artist he had ever seen.

He suddenly raised his head and asked, "You... are you a Grandmaster?"

"No." Ye Feng shook his head in denial.

"You're so strong, but you're not even a Grandmaster. How powerful is that Grandmaster?" Old Ning seemed to be muttering to himself, his eyes filled with endless imagination.

For every martial artist, the greatest wish was to step into the legendary Grandmaster realm and see the peak of martial arts.

However, those who could do this were truly rare.

He was already very strong, but he could not even withstand a single blow from Ye Feng. He thought that Ye Feng was already a Grandmaster, at least close to the threshold of a Grandmaster.

However, when he heard the other party deny it, he fell into a daze again.

What was a Grandmaster like?

Ye Feng did not say anything else. He brought Chen Xuan out of the clinic.

Chen Xuan suddenly turned her head and asked, "Where are we going now?"

Ye Feng did not know how to reply.

That's right, the clues were suddenly cut off. Where should he go next?

Chapter 664 - 664 Don't Talk Nonsense. When Did I Flirt With You?

664 Don't Talk Nonsense. When Did I Flirt With You?

Ye Feng knew that this Zheng Rujing's whereabouts, since even a core member of the Chaoxin Gang like Old Ning did not know, it would be even harder for outsiders to know.

However, he still decided to give it a try and gave Luo Jingyuan a call.

Luo Jingyuan didn't know much about this woman. "I've heard of her name, but I've never seen her before. This woman is like Gao Junming's shadow. Everyone knows of her existence, but not many people have seen her before."

Ye Feng could not help but frown. "Is this woman so mysterious? Is there no way to find out?"

Luo Jingyuan was silent for a moment before he finally replied, "I'll ask someone to help you find out, but you'd better not have too much hope."

"Alright, I'll wait for your news."

After Ye Feng hung up the phone, he called Zhao Fulin again, asking him to use all his connections to find out more about this woman.

These two people were his strongest helpers in Yang Cheng. If they could not even find out about them, then there was no need to mention the others.

After about half an hour, the two of them gave almost the same answer.

“I can’t find it!”

This woman’s background and appearance were blank.

Hobbies, blank.

Social relations, blank.

Entry and exit, blank...

In short, other than a name, there was almost nothing else.

Ye Feng could not help but admire Gao Junming’s methods. He was able to hide a person so well. No wonder he was able to stand tall in Yang Cheng for so many years.

Apart from the Ye family’s support, his own strength could not be underestimated.

Chen Xuan saw that he was at his wit's end and her heart ached. "Xiao Feng, since you can't find a breakthrough from this woman, then forget it. Let's think of another way. I don't believe that Gao Junming can really do it flawlessly."

Ye Feng knew her worry. He immediately grabbed her hand and placed it on his face. "Don't worry, what can stump your man in this world? Give me three days and I promise to get rid of Gao Junming. I won't let you be in any danger again. Trust me."

Chen Xuan's beautiful eyes were filled with shock. In the entire Yang Cheng, other than Ye Feng, there was probably no one else who dared to say that they could get rid of Gao Junming within three days.

Although she knew that the possibility of this was very small, she had an almost blind trust in her boyfriend. Her little head immediately nodded.

"I believe you!"

Ye Feng immediately flicked her head. "Why do you believe everything I say?"

Chen Xuan immediately pouted and rubbed her head. "That's right. As long as you say it, I'll believe it."

Ye Feng was instantly defeated by her naivety. He finally believed a saying. No matter how high a woman's IQ was, in front of the person she loved, her IQ would return to zero.

Chen Xuan was now known as the queen of the Zhonghai business world.

Who would have thought that this shrewd and capable business queen would be so innocent and cute in front of her boyfriend?

“Alright, you must be tired after running with me for the whole night, right? I’ll send you back first.”

“Okay.”

The Blue Charm Night was like a bolt of purple lightning in the pitch-black night sky.

..

After sending Chen Xuan back to the hotel, Ye Feng gritted his teeth and rejected her offer to stay over. He got up and left the hotel.

Although he knew that the chances of finding Zheng Rujing were slim, he still wanted to try again because he was afraid that a long delay would cause trouble.

If Gao Junming knew that he was searching for Zheng Rujing’s whereabouts all over the world, he would probably hide this woman even deeper.

At that time, this clue would probably be completely cut off.

However, as for how to find her, he had no clue. After all, finding someone in a big city like Yang Cheng was like finding a needle in a haystack.

Just as he was at his wit's end, he suddenly received a call from Zhuang Xiaojiao.

When he saw the caller ID, he hesitated.

It was not that he had not considered asking Zhuang Xiaojiao for help before. With the strength that this girl had displayed previously, she might really be of help.

However, it was precisely because of this that he was somewhat afraid of this girl's background.

If Zhuang Xiaojiao were to be put in the same dangerous situation as today because of him, the shooter's bullet would probably hit him in the head the next time.

He hesitated for a moment before hanging up.

However, this Miss Zhuang had a persistent spirit. As soon as she hung up, she called again.

Ye Feng rejected a few times in a row, and the other party seemed to be competing with him. She would call back every time.

He had no other choice but to pick up the call and scold her, "Are you crazy? Why are you calling me at night?"

Zhuang Xiaojiao was obviously stunned by his scolding. She paused for a few seconds before she shouted, "Ye Feng, you scumbag, are you really not going to talk to me? I don't think I've let you down? Why are you doing this to me? After flirting with others, you turned around and dumped her. Are you still a man..."

Her voice was filled with endless bitterness, as if she was accusing a heartless man.

The more Ye Feng listened, the more he felt that something was wrong. He quickly interrupted: "Don't talk nonsense, when did I flirt with you? Aren't you the one who's been pestering me?"

"I don't care. You have to be responsible for me to the end."

"I..."

Ye Feng almost spat out a mouthful of blood. "I did not do anything, why should I be responsible for you?"

Zhuang Xiaojiao immediately snorted. "You still dare to say that? That night, you molested me on the lawn, and now you want to deny it?"

Chapter 665 - 665 Don't You Have Anything?

665 Don't You Have Anything?

Ye Feng was speechless. "That night... I admit that it was my fault. I was impulsive, but didn't nothing happen in the end?"

"What else do you want to happen?" Zhuang Xiaojiao said angrily. "I don't care. If you dare to dump me, I'll tell my family about this. I'll say that you bullied me. Let's see what you can do."

When Ye Feng thought of the two guns on the rooftop, he could not help but shiver.

"I was wrong, okay? What do you want?"

"I don't want to do anything. I just want you to bring me along when you have fun."

Zhuang Xiaojiao's voice was filled with joy.

"How can there be so many fun things? I'm busy with serious matters now."

Ye Feng was completely speechless at the girl. She was already so old, but she only knew how to play around all day. It was as if she had never played before.

Just as he was lampooning, Zhuang Xiaojiao's next sentence made him break out in a cold sweat.

"I know what you're doing. Aren't you looking for a woman called Zheng Rujing?"

"You... are you spying on me?"

Ye Feng quickly looked around but did not find anything strange.

Other than him and Chen Xuan, only Old Ning knew that he was looking for Zheng Rujing. How did Zhuang Xiaojiao know?

Did she have clairvoyance?

"Hmph, as long as it's something this young miss wants to know, it can't escape my eyes."

Zhuang Xiaojiao sounded pleased.

If it was in the past, Ye Feng might not believe it, but now he really believed it. He did not dare to not believe it. Who knew if there were two guns aimed at his head?

"I'm indeed looking for this Zheng Rujing. Why? Do you have any clues?"

He had only tried to ask and did not have much hope.

"Of course," Zhuang Xiaojiao replied immediately. "I've already said that as long as it's something I want to know, nothing can escape my eyes."

Ye Feng's eyes lit up. "Really? Do you know where Zheng Rujing is? Hurry up and give me the address."

At this moment, Zhuang Xiaojiao said with a smile, "Come pick me up first and bring me along."

Ye Feng hesitated. "You want to go too? This... isn't this not too good?"

"Hmph, you want to leave me behind again? Then I won't tell you. Go and find it yourself."

Miss Zhuang immediately got angry and was about to hang up the phone.

“Okay, okay, okay. I’ll bring you along. Is that okay? Where are you now?”

Ye Feng quickly compromised. He finally had this clue. He could not bear to give it up just like that.

Zhuang Xiaojiao gave him an address and hung up.

When Ye Feng arrived at the meeting place, he saw Zhuang Xiaojiao waiting under the street lamp.

It was already past midnight, and the surroundings were pitch-black. There was only one source of light.

This woman was too bold. She actually dared to sneak out alone in the middle of the night.

However, he immediately realized that this woman was not an ordinary woman. She probably had many bodyguards protecting her in secret.

Zhuang Xiaojiao was wearing a pair of ripped black jeans today, and her long, slender legs looked even more slender.

She was wearing a leather jacket and a pair of small leather boots.

From afar, it looked like they were going to rob a tomb.

Ye Feng almost burst out laughing. He placed his hand on the window. "Sister, where are you going to rob the tomb?"

Zhuang Xiaojiao skillfully sat in the passenger seat. "Since the beauty has taken the initiative to come to my door, of course I'll listen to you. Wherever you want to go, the next step will follow you."

When Ye Feng heard her teasing words, his heart immediately thumped wildly.

Her fair and delicate skin was exposed through the holes in her jeans. It was astonishingly alluring, making him have the urge to touch it.

"Ahem, can you give me Zheng Rujing's address now?"

Zhuang Xiaojiao looked at him and smiled disdainfully.

"Magnificent Villa."

Ye Feng entered this name into the car's navigation system and realized that it was in the suburbs, at least thirty kilometers away from here.

"Are you sure this is the right address?"

"What's wrong? Are you doubting my ability to gather information?"

Zhuang Xiaojiao was a little unhappy when she heard his doubts.

"That's not it. It's just that it's so far away."

Ye Feng quickly denied it. Even if he suspected Zhuang Xiaojiao, he would not doubt the power behind her.

"Don't worry, that woman is at Magnificent Villa tonight. Gao Junming is there too."

Zhuang Xiaojiao immediately gave an affirmative answer.

"That's good. Fasten your seatbelt and sit tight. The old driver will take you on the road," Ye Feng joked as he started the car.

The Blue Charm Night streaked across the night sky with a purple aurora. Zhuang Xiaojiao's scream disappeared into the night sky along with the car.

On the way to Magnificent Villa, Zhuang Xiaojiao told Ye Feng all the information she had gathered about Zheng Rujing.

"Are you saying that Gao Junming has a special hobby?"

Ye Feng had a strange smile on his face as he turned to look at Zhuang Xiaojiao.

"This was told by a very good friend of Zheng Rujing. Zheng Rujing told her that every time Gao Junming came to look for her, he would first get her drunk and then take advantage of her when she was unconscious..."

Zhuang Xiaojiao was a young girl who had never been involved in relationships. When it came to matters between men and women, she was a little shy.

Ye Feng frowned. "What kind of hobby is this? Why does he have to get her drunk first before doing it?"

Zhuang Xiaojiao looked a little embarrassed. "Zheng Rujing said that there were a few times when she woke up and realized that Gao Junming probably had a perverted hobby in this area. He did not want to show it in front of her, so he had no choice but to get her drunk..."

Ye Feng immediately shook his head and smiled: "This Mr. Gao is indeed different from ordinary people. He is not something ordinary people can understand."

Zhuang Xiaojiao held her right hand and stared straight at him. "Don't you have any special fetishes?"

Ye Feng almost drove the car into a ditch. "I... I'm not that abnormal."

Zhuang Xiaojiao could not help but pout. "If you don't have it, then so be it. What are you so nervous about?"

Ye Feng coughed dryly: "Who... Who is nervous? It's just that your question... It was a little too wild and caught me off guard."

"Hmph, you're so pretentious."

Zhuang Xiaojiao glared at him and looked out the window.

Only then did Ye Feng heave a sigh of relief. He was afraid that this woman would ask another tough question, so he did not speak anymore.

After a while, Zhuang Xiaojiao suddenly turned around.

“..??”

Screech...

The screeching sound of brakes broke the silence of the night sky.

Chapter 666 - 666 Even Wolves Have to Detour You

666 Even Wolves Have to Detour You

Magnificent Villa was located on Maoming Mountain in the eastern suburbs of Yang Cheng. It covered an area of about 20,000 square meters and was nearly the size of three football fields.

A few minutes later-

Ye Feng's Blue Charm Night was too eye-catching, so he parked the car at the foot of the mountain and walked up the mountain with Zhuang Xiaojiao.

Although Maoming Mountain was not very high, it was still very dangerous for Zhuang Xiaojiao, who was used to living like a princess.

Halfway up, she sat on the ground and complained.

Ye Feng urged her several times, but she refused to get up. "I really can't take it anymore, I can't climb anymore."

"We'll be there soon. Hang in there for a while."

Ye Feng was helpless. He could only persuade her nicely.

"I really can't climb anymore. My legs are cramping."

Zhuang Xiaojiao wiped the sweat off her forehead as she looked at the mountain and sighed.

Ye Feng was unhappy. "I told you not to come, you insisted on coming, and now you are saying that you can't crawl? What were you doing earlier? What a burden."

Zhuang Xiaojiao pouted. "How can you say that about me? It wasn't that I don't want to climb, but I really can't."

Ye Feng put his hands on his waist and glared at her angrily. "Then what do we do now? Why don't you wait here while I go up alone?"

Zhuang Xiaojiao shook her head vigorously. "How can I do that? Are you going to leave me here alone in the middle of the night? What if a wolf comes and takes me away?"

Ye Feng did not know whether to laugh or cry, "It's okay, don't be afraid, you are a tigress, even wolves will have to avoid you."

Zhuang Xiaojiao did not budge. "I don't care. You can't leave me here alone."

Ye Feng shrugged helplessly. "Then what do you think we should do?"

Zhuang Xiaojiao's eyes flashed with craftiness. "How about... Can you carry me up the mountain?"

Ye Feng thought that he had misheard her. "Are you sure? I'll carry you up the mountain? What do you take me for?"

Zhuang Xiaojiao immediately acted coquettishly. "Aiya, just carry me. I'm not heavy at all."

Ye Feng's attitude was very firm. "Absolutely impossible, unless I die!"

..

Zhuang Xiaojiao was indeed not heavy.

But it was at least ninety pounds. Climbing all the way up was tiring for Ye Feng.

Fortunately, his hard work paid off. He finally saw the entrance of Magnificent Villa from afar.

Ye Feng stopped in his tracks and said unhappily, "Can you come down now?"

"Hehe, you've worked hard."

Zhuang Xiaojiao reached out and patted his head to encourage him.

Did this woman really treat him like a donkey? Ye Feng almost dropped his head and threw her to the ground.

"There seem to be guards at the door. What should we do now?"

After Zhuang Xiaojiao landed, she stared in the direction of the door and saw two strong men standing at the door. It was obvious that they could not enter through the door.

“If you ask me, who should I ask?”

Ye Feng was still angry about what happened just now, his tone was not very good.

“Why don’t we just climb over the wall like last time?”

Zhuang Xiaojiao still remembered the thrill of climbing over the wall last time and wanted to experience it again.

“If you want to die, don’t drag me with you. Don’t you see the electric fence on the wall? You’ll turn into a roasted squid.”

Ye Feng found a rock and sat down. He rubbed his sore thigh.

Zhuang Xiaojiao narrowed her eyes and looked for a long time before she noticed the iron fence on the wall. She could not help but admire this guy’s eyesight. He could actually see the electric fence at a glance in the middle of the night.

“Then what should we do now? We can’t enter the gate or the wall, and we can’t dig a hole and hide in it, right?”

She sat next to Ye Feng dejectedly.

“I think this is a good idea. You dig first, I’ll take your place later.”

Ye Feng immediately agreed to her idea.

Zhuang Xiaojiao believed him and immediately squatted down to dig a hole.

Ye Feng shook his head. How could he have such a stupid teammate?

“You wait here first. I’ll go closer and investigate.”

He instructed Zhuang Xiaojiao and immediately walked toward the door.

“You... Come back quickly, I’m afraid...”

Zhuang Xiaojiao looked around and realized that her surroundings were pitch black. She was so scared that her face turned pale.

Ye Feng rode on the darkness of the night and only stopped when he was less than ten meters away from the door.

There was a fluorescent lamp on the door. The light source could cover a range of ten meters. If they went any further, they would be exposed.

However, with his eyesight and hearing, the distance was enough for him to hear the conversation between the two guards.

“Want a cigarette?”

A slightly taller guard took out a cigarette box, shook out two cigarettes, and threw one to the guard next to him.

The short guard took the cigarette, lit it up, and took two deep puffs. “Why do you think Mr. Gao suddenly came here today? If he doesn’t come, we can still slack off.”

The tall guard was instantly amused by him. “What are you saying? This villa belongs to Mr. Gao. Does he need your permission to come whenever he wants?”

The short guard laughed at himself. “Who do we think we are? We are here to guard the gate. Mr. Gao is hugging a beauty and drinking wine inside, while we have to feed the mosquitoes outside. They were all humans, but why is the difference so huge?”

The tall guard could not help but sigh. “This is fate! Only people like Mr. Gao and Miss Zheng can be called people. We are just dogs in human skin. We can only obey orders.”

The short guard revealed a look of longing. "If I can experience the life of Mr. Gao, I'll die. It's worth it. Especially that Miss Zheng. She's too beautiful. She really makes people envious!"

The tall guard couldn't help but laugh. "You haven't even slept yet, and you're already dreaming? You just needed to satisfy your mouth. The dishes ordered by Wu Weizhai should be arriving soon, so quickly cheer up."

The short guard smacked his lips. "The dishes of Wu Weizhai, even if others have money, they might not be able to order them. Mr. Gao can get them to deliver it here in the middle of the night with just a phone call. These people were just feeding him."

The tall guard immediately showed a proud expression. "That's right. In the entire Yang Cheng, who dares to not give Mr. Gao face? Are they tired of living?"

The short guard suddenly lowered his voice and said, "Didn't you hear? There was really someone who dared to disrespect Mr. Gao during the day and even sent him to the detention center."

The tall guard hurriedly looked around. "Are you talking about that Ye Feng?"

"That's right, it's that Ye Feng. This person is really fierce, I heard that he was able to take the general's head as if he was strolling in a courtyard while being surrounded by thousands of people..."

"Uh... Didn't I hear that there were only a few hundred people?"

“It’s about the same. In any case, it’s especially powerful. If this was in ancient times, he would be a fierce general like Guan Yu and Zhao Yun!”

“And I heard that Mr. Gao even knelt down to him. Is that true?”

“How can it be fake? At that time, there were so many people watching at the scene. Someone even posted the video online, but it was quickly deleted. It was probably done by Mr. Gao.”

Chapter 667 - 667 Who Would Want You to Hide a Mistress in Your Golden House?

667 Who Would Want You to Hide a Mistress in Your Golden House?

“I originally thought that Mr. Gao was the most powerful person in Yang Cheng. I didn’t expect someone to be able to subdue him.”

“Yes, I really want to see that hero with my own eyes and see if he has three heads and six arms.”

“How can we meet such a person just because we want to...”

Ye Feng, who was hiding in the dark, heard the two of them praising him. He could not help but have goosebumps.

Three heads and six arms? He still had 72 transformations.

He had already obtained some useful information and immediately retreated quietly.

About ten minutes later, a black van slowly drove over.

The two guards immediately stopped chatting and stopped the van. "What are you doing?"

At this moment, a man in Wu Weizhai's uniform got out of the driver's seat. "Hello, we're from Wu Weizhai. You ordered the dishes from our shop, right?"

The tall guard checked his work pass. As it was too late and the male staff member was wearing a cap, he couldn't see his face clearly.

"Why are you so late?"

The tall guard was a little unhappy.

"It's our first time here, so we're not familiar with the roads and almost got lost," the male staff member hurriedly explained.

“Take off your hat,” the tall guard ordered with a serious expression.

“There’s no need to be so strict, right? Are you still afraid that someone will impersonate us?” the male staff member immediately joked.

“There’s no need for so much nonsense.”

The short guard beside him also spoke.

At this moment, the door to the front passenger seat was pushed open, and a female staff member who was also dressed in the same uniform of Wu Weizhai walked out.

“It’s already so late. The two of you haven’t eaten yet, right? We just happened to have prepared an extra set of food. If the two of you don’t mind, just eat a few mouthfuls.”

As he spoke, he handed two lunch boxes to the two of them.

The two of them smelled the fragrance coming from the lunch box and immediately took it from him.

“Wu Weizhai really lives up to its reputation? The smell of this food is fragrant.”

“That’s right. Who doesn’t know about the dishes of Wu Weizhai in the entire Yang Cheng? Just this set of food alone would probably cost at least a few hundred yuan, right?”

“It’s really f*cking expensive. Do you really think that the common people’s money comes from the wind?”

“The dishes of Wu Weizhai are not prepared for the common people at all...”

The female staff hurriedly interrupted their conversation. “Brothers, Mr. Gao is probably still waiting for our dishes. If we’re late, I’m afraid...”

As the saying went, the two guards were too embarrassed to continue investigating after taking the food.

Moreover, they didn’t think there was a problem with the meeting. When they ordered the food, they had already instructed the people of Wu Weizhai not to leak any information.

Presumably, Wu Weizhai would not dare to risk offending Mr. Gao and play any tricks inside.

“Go in. Mr. Gao is in the swimming pool in the backyard. Leave quickly after you deliver the dishes. Otherwise, no one can save you,” the tall guard immediately instructed the two of them.

The two of them agreed readily, then quickly got into the car and secretly exchanged a look.

These two people were none other than Ye Feng and Zhuang Xiaojiao.

From the conversation between the two guards, Ye Feng knew that the people from Wu Weizhai would be sending food over later, so he brought Zhuang Xiaojiao to block the road and stop the car.

This was the first time Zhuang Xiaojiao experienced a robbery, so she was extremely excited.

The two real employees had their uniforms stripped off, their hands and feet tied, and their mouths gagged. They were thrown into the trunk.

“Please enjoy.”

Ye Feng waved at the two of them, then rolled up the car window and drove toward the courtyard.

He felt that it was funny. These two people had just said that they wanted to see this three-headed and six-armed hero with their own eyes. Unfortunately, the real person was standing in front of them, but they turned a blind eye.

“How was my performance just now?”

After entering the villa, Zhuang Xiaojiao could not wait to claim credit from Ye Feng.

“Hmm, not bad.”

Ye Feng nodded slightly, showing his appreciation.

However, Miss Zhuang was obviously not satisfied with his attitude. “What do you mean by not bad? I was clearly very outstanding, alright? If I hadn’t come up with a sudden idea, I would have exposed you. Quickly praise me.”

Ye Feng was helpless. He could only say perfunctorily: “Yes, yes, yes. It’s all Miss Zhuang’s credit. Without you, we might not even be able to enter the door.”

Zhuang Xiaojiao was satisfied and looked at the scenery along the way.

“This Gao Junming really knows how to enjoy himself. The decoration of this courtyard is even more imposing than the imperial palace. Letting his woman live here should be hiding a mistress in a golden house, right?”

Ye Feng turned around and glanced at her. “From your tone, you seem to be quite envious.”

Zhuang Xiaojiao raised her delicate eyebrows. “Of course I’m envious. Which woman doesn’t want a man who loves her deeply and is willing to give her the best things in the world?”

Ye Feng looked at her in shock. "I didn't expect that a wild sparrow like Miss Zhuang would have the heart of a canary."

Zhuang Xiaojiao punched him on the shoulder and asked angrily, "Who are you calling a canary?"

Ye Feng quickly smiled apologetically: "I am a canary, alright? Don't worry, if you want to be a canary in peace, I promise to build a big golden cage for you and let you experience the feeling of hiding a mistress in a golden house."

Zhuang Xiaojiao's face turned red and she scolded him jokingly, "Who cares about you hiding a mistress in your golden house? Shameless."

However, her smiling eyes betrayed her heart and deeply explained what it meant to be two-faced.

Chapter 668 - 668 Acting Out a Spy Battle Show

668 Acting Out a Spy Battle Show

The van quickly drove to the backyard. From afar, she saw Gao Junming sitting upright on a chair by the pool.

Behind him stood a few bodyguards in black suits and sunglasses. It was late at night, so it was unknown if they could see anything clearly.

In the middle of the pool, a woman was swimming. Although they couldn't see her face clearly, she had a pretty good figure.

Seeing the arrival of the dining cart, a middle-aged woman who looked like a butler immediately walked over with a few servants.

Ye Feng and Zhuang Xiaojiao hurriedly got out of the car and helped to get the food.

Zhuang Xiaojiao was both excited and scared. They had just been attacked by the Chaoxin Gang during the day, and now they dared to wander around under Boss Gao's nose.

She had never experienced such an exciting scene since she was young. It was even more exciting and fun than the bloody killing during the day.

They were acting out a spy drama!

However, she also knew that once their whereabouts were exposed, it would be very dangerous.

Although they had more or less disguised themselves, for example, Ye Feng was wearing a pair of glasses and had a mole on the corner of his mouth, and she had also deliberately darkened her face, it was hard to guarantee that they would not be exposed.

Fortunately, the butler and the others did not notice anything unusual about the two of them. They were all busy getting food and preparing for the dinner.

Ye Feng and Zhuang Xiaojiao also helped to place the dishes on the table beside Gao Junming, but Gao Junming did not have any reaction. He just stared at the woman in the water in a daze.

At this moment, Ye Feng was less than two meters away from him. If he suddenly attacked, he was confident that he could kill him in one strike, but he did not plan to do so.

For a person of Gao Junming's level, if he were to use such a method to kill him, not to mention whether he would suffer a strong counterattack from the power behind him, at least this kind of behavior would be shameful.

Ye Feng's reputation would be ruined in the future.

This was because he had also broken some kind of unspoken rule. Once this opening was made, it would make all the nobles in Yang Cheng feel insecure. No one wanted to be suddenly killed behind their backs while they were eating and sleeping. Therefore, they would definitely attack him together.

All in all, this was the worst possible solution. Unless it was absolutely necessary, it must not be used.

Compared to the calm Zhuang Xiaojiao, it was obvious that she was nervous. She was swaying under the eyes of the enemy. This was a test of psychological quality.

Clang!

She was so nervous that she accidentally knocked over a pair of chopsticks.

The female housekeeper next to her immediately scolded, "You're so clumsy. Why would Wu Weizhai send someone like you over? I'll complain to your boss later..."

Zhuang Xiaojiao lowered her head and did not dare to make a sound. Her heart was already in her throat.

Ye Feng's hand also touched the knife quietly. He observed his surroundings. If he was exposed, he had to at least be able to escape unscathed.

At this moment, Gao Junming was also attracted by the commotion. "Butler Li, it's just a small matter. Do you have to make a big fuss? Are you trying to ruin my candlelight dinner with Rujing?"

After being reprimanded by him, Butler Li was so frightened that she immediately apologized.

Gao Junming glared at her and shifted his gaze back to the pool.

Zhuang Xiaojiao heaved a sigh of relief. Her palms were covered in sweat.

At this moment, Ye Feng walked over and patted her shoulder, saying in a low voice: “Don’t be nervous. It’s no big deal.”

Zhuang Xiaojiao nodded, but she still felt a little ashamed. If they exposed their whereabouts because of her, she would feel even more guilty.

At this moment, the woman in the pool had finished swimming and walked out.

The two of them immediately turned around, and their eyes were almost fixed on her.

Only now did Ye Feng know what it meant to have lotus flowers in clear water, to be carved naturally.

This woman had a foxy face. Even without any expression, it was enough to seduce one’s soul.

What was even rarer was her figure. Although it was not the exaggerated shape of a cow, the curves she presented were enough to be proud.

At this moment, she was wearing a red bikini. Her perfect figure was exposed to everyone.

She could clearly feel the breathing of the bodyguards at the scene quickening.

Even he felt his heart beat faster.

No wonder Gao Junming had so many mistresses, but he was so biased toward Zheng Rujing. He was even willing to give her his secrets.

Other than her ability, it probably had something to do with her figure and appearance.

“What are you looking at? Hurry up and leave after you deliver the food.”

At this moment, Butler Li scolded in a very disappointing manner.

Ye Feng was speechless toward this old woman. If not for the situation, he would definitely teach her a lesson.

However, he could only suppress his anger for the time being. He pulled Zhuang Xiaojiao and turned to leave.

“What should we do now? Are we really going to leave?”

After getting into the car, Zhuang Xiaojiao looked at Ye Feng anxiously.

Ye Feng did not answer, but he had a confident expression on his face.

After driving for some distance, he suddenly stopped the car and pointed to the right.

“I observed it when I came in just now. There’s a secret door there. You get down from here and hide first. I’ll drive the car out to confuse the other party and then circle around from the outside...”

Zhuang Xiaojiao listened carefully to his arrangements. Her eyes lit up. She pushed the door open and got out of the car. She found a hidden bush to hide.

Meanwhile, Ye Feng drove the food delivery cart out of the villa.

“How was your meal?”

At the door, he was stopped by two guards, so he took the initiative to ask.

“Not bad, thanks,” the tall guard said perfunctorily and glanced at the passenger seat. “Where’s your companion?”

Ye Feng pointed at the back seat. “She was too tired, she fell asleep in the back seat.”

The tall guard was very cautious and immediately went around to the back to check.

At this moment, a black Audi suddenly drove over. The headlights were so bright that people couldn't open their eyes.

The expressions of these two guards changed drastically, and they waved at Ye Feng hurriedly. "Hurry up and leave, hurry up and leave..."

Ye Feng hurriedly started the car and brushed past the black car.

Looking at the white license plate of the black car, a strange look flashed across his eyes.

Chapter 669 - 669 You Can't Even Take a Glance At It, And You're Going to Do it Directly?

669 You Can't Even Take a Glance At It, And You're Going to Do it Directly?

Ye Feng drove the car to a hidden corner, then got off the car and returned.

Zhuang Xiaojiao knocked on the side door twice and quickly opened the door from the inside.

The two of them quickly changed out of their work uniforms and returned to the backyard under the cover of the night.

At this time, Zheng Rujing was already drunk and sleepy. She lay in Gao Junming's arms and said sweet nothings.

Those bodyguards and servants stood far away, trying not to disturb the two of them.

"Hahaha, Rujing, you did a good job. Come, let me toast you again."

Gao Junming raised his glass and handed it to Zheng Rujing, taking the lead to finish it in one gulp.

But Ye Feng saw that after Gao Junming finished drinking, he immediately took out a handkerchief, as if he was wiping his mouth, but in fact, he spat out all the wine in his mouth.

Zheng Rujing was lying in his arms. He didn't know if she saw his actions, but she still obediently drank half a glass of wine.

The two of them drank for a while more. Zheng Rujing could not hold on any longer and fell asleep in Gao Junming's arms.

Gao Junming placed the wine glass on the table and lifted her up by her waist.

"You don't have to follow me."

He gave an order to his subordinates and carried Zheng Rujing to the villa.

Ye Feng quickly pulled Zhuang Xiaojiao and followed behind them.

Gao Junming's villa did not take up a large area. It only had two floors, but it was decorated in a dazzling manner. It could be seen that every detail was meticulously crafted.

Fortunately, he did not ask his subordinates to follow him, so Ye Feng and Zhuang Xiaojiao could follow him in openly.

Gao Junming did not stop. He carried Zheng Rujing up to the second floor and entered a bedroom.

Zhuang Xiaojiao hesitated. "Do we still have to follow them?"

Since they had entered the bedroom, they must have wanted to do something private. It would not be appropriate for them to follow him, right?

Ye Feng was also a little hesitant. Even if Gao Junming had a perverted hobby, this was not something that could be used against him, right? He wasn't interested in peeping into other people's private lives.

Just as the two of them were hesitating, Gao Junming, who had just entered the bedroom, pushed the door open and walked out.

Ye Feng quickly pulled Zhuang Xiaojiao to hide in a dark corner and secretly observed.

He noticed that Gao Junming had quickly walked downstairs and out of the villa. Moreover, he looked a little flustered.

This immediately puzzled the two of them.

The main thing was that this guy's whereabouts were too suspicious. Since he had already entered the bedroom, why didn't he start doing it? Why did he suddenly run out?

Ye Feng subconsciously sensed that there was something fishy going on.

"Let's go!"

He hurriedly pulled Zhuang Xiaojiao up to the second floor and into the bedroom.

Zheng Rujing was sleeping soundly on the bed. She was covered with a white blanket. The blanket showed her alluring curves according to her figure.

Her two long, fair legs were exposed, making her look especially eye-catching.

Ye Feng could not help but swallow his saliva. Although this woman's appearance was still a level lower than Chen Xuan and Zhuang Xiaojiao. however, the seductive posture she was showing now was really seductive.

Zhuang Xiaojiao glared at him. "What are you looking at? Your eyeballs are about to pop out when you look. There's no good man in this world."

Ye Feng immediately shifted his gaze away awkwardly. He was blaming himself.

However, what Zhuang Xiaojiao did next made his eyes pop out.

She tiptoed to the bedside and reached out to stroke Zheng Rujing's long legs. "Wow, it's so smooth and tender..."

Ye Feng almost vomited blood: "I can't even take a look, but you are the one who directly attacked?"

Zhuang Xiaojiao glanced at him smugly. "There are some things that women can do but men can't. A woman molesting a man is called seduction, and a man taking the bait is called molestation, understand?"

Ye Feng felt indignant, "You are being sexist."

Zhuang Xiaojiao looked at him smugly. "If you talk any more nonsense, I'm going to start boxing."

Ye Feng immediately shrunk his neck. This punch was different from that punch, anyone would be afraid of it.

Suddenly, he heard footsteps. He grabbed Zhuang Xiaojiao's wrist, pulled open the closet beside her, and hid inside.

Because they were in such a hurry, their bodies were directly stacked together.

Zhuang Xiaojiao's hearing was naturally not as good as his. She did not know what had happened and instinctively struggled. "You..."

"Shh..."

Ye Feng quickly covered her mouth.

At this moment, they heard Gao Junming's voice from outside. "Don't worry, I've already gotten her drunk..."

Ye Feng and Zhuang Xiaojiao looked at each other and saw the confusion in each other's eyes. Who was Gao Junming talking to?

There was a small grill on the door of the wardrobe for ventilation. Through the gap, one could vaguely see the scene outside.

The two of them immediately pressed their faces against each other and looked outside.

They saw Gao Junming bring a middle-aged man into the bedroom. As the man's back was facing them, they could not see his exact appearance.

However, this man was wearing a very old-fashioned white short-sleeved shirt and a pair of black trousers. He had a big belly and looked like a greasy middle-aged man.

"Not bad, Xiao Gao, you are not bad..."

The man glanced at Zheng Rujing on the bed and patted Gao Junming's shoulder in satisfaction.

When Ye Feng saw this scene, he immediately sensed something unusual. He quickly took out his phone and aimed the camera at the small hole on the wardrobe, recording.

Gao Junming, who was high and mighty in front of outsiders, was like a pug in front of this man. After receiving the man's praise, he immediately showed a flattering expression.

"Master, I've already prepared the Seado-Maru and condoms for you. Please enjoy them slowly."

The man suddenly stopped him. "Xiao Gao, don't you have any complaints about letting me enjoy your woman like this?"

Gao Junming immediately revealed a sly smile. "Women are meant to be played with. As long as the master can have fun with her, that's her greatest blessing. And have you forgotten? I've already lost my ability in that aspect. I can only stare at such a beautiful woman."

The man immediately laughed heartily. "Hahaha, I forgot that you're already a eunuch now. Hahaha..."

Gao Junming was called an 'eunuch' by the man, but he didn't look unhappy at all.

"Yes, yes, yes. Previously, that crazy woman drugged me and caused me to be impotent for life. Although I've already chopped her up and fed her to the fish, it still can't resolve the hatred in my heart!"

The man nodded. "Don't leave this time. Just wait by the side. Every time, she's drunk like a dead fish. It's inconvenient for her to do a lot of things. You can help her by the side."

Gao Junming hesitated for a moment, but in the end, he did not dare to refuse. "Alright, I'll wait on you by the side."

The man didn't say anything else and began to take off his clothes.

Chapter 670 - 670 Don't You Have Anything To Say To Me?

670 Don't You Have Anything To Say To Me?

Ye Feng and Zhuang Xiaojiao looked at each other again. They could see the shock in each other's eyes. The conversation between the two people outside almost made their jaws drop.

If they hadn't seen it with their own eyes, they would never have believed that the boss of the Chaoxin Gang, Gao Junming, was actually a 'eunuch'.

He had deliberately made his woman drunk for another man to enjoy.

This kind of thing would be somewhat inconceivable even for ordinary men, let alone a big shot like Gao Junming.

"Shameless!"

Zhuang Xiaojiao mouthed, and one could see her embarrassment and anger.

Gao Junming's actions had already broken through the lower limit of shamelessness. Even if you're not good in that aspect, you can't ruin your woman like this.

"Should we go out and stop them?" Zhuang Xiaojiao asked softly after a while.

Ye Feng shook his head helplessly.

First of all, judging from Gao Junming's familiarity with this, it was not the first time he had done this kind of thing.

Zheng Rujing probably told her best friend that he would get her drunk every time he did that so that it would be easier for this middle-aged man to do it.

Secondly, since Gao Junming was so wary of this middle-aged man, this person must have a powerful background. If they rushed out now, not only would they not be able to save Zheng Rujing, the two of them would probably provoke a great enemy.

Therefore, after considering everything, he finally decided to wait and see.

Zhuang Xiaojiao knew this too. She was just angry for a moment and could only suppress her anger for the time being.

At this moment, the middle-aged man had already stripped himself naked and began to lay on Zheng Rujing's body and touch her.

Zhuang Xiaojiao was embarrassed and disgusted by this scene. She quickly averted her gaze.

However, Ye Feng looked at it very carefully, especially when the middle-aged man had already turned his head to the side. He could see his face clearly.

"Isn't this..."

He immediately revealed a surprised look. This man had always appeared in the television station with a dignified and upright image.

No wonder Gao Junming would suck up to him so much, even sacrificing his woman. This could all be explained.

Now, it seemed that this idea was too childish.

This big shot in front of him was probably the true backer of the Ye family, right?

He couldn't help but feel a lingering fear. Fortunately, he didn't rush out to be a good person just now.

Otherwise, no one would be able to save him.

Xu Changming... Perhaps he could help a little, but it was hard to say if he would offend this big shot for him.

The next scene was a little dirty.

Gao Junming actually stood at the side and started helping.

Although Zhuang Xiaojiao could control her eyes and not look at such a filthy scene, the commotion outside was not small. Even if she covered her ears, the sounds kept coming, making her blush and her heart race.

Needless to say, Ye Feng, any normal man watching such a live broadcast would not be able to stay still.

“You...”

Zhuang Xiaojiao was furious. She wanted to push him away immediately, but she was afraid that she would make a noise and alert the two people outside.

Ye Feng hurriedly showed an apologetic expression, wanting to extinguish this small flame as soon as possible, but the more anxious he was...

Just as he felt that his willpower was about to collapse and wanted to kill the woman in front of him without caring about the consequences, the big shot was done.

Ye Feng immediately regained some clarity. It was over?

He remembered that this big shot had taken a few 'Seado-Marū' pills as soon as he came up. He thought that he would have a fierce battle, but he didn't expect that he would retreat so quickly.

He looked at the time. It had not even been a minute.

It seemed that this big shot had overworked himself and his body had been emptied.

"Haha, I've been a little tired from work recently."

The big shot also seemed to feel embarrassed and hurriedly added a few words.

Gao Junming immediately bowed and said respectfully, "Master has worked hard for the people. I only hope that you will think of the people and take care of your health."

The big boss was very pleased with his flattery. He took a few pieces of tissue paper and cleaned them up. Then, he began to put on his clothes. "Then, I'll leave this place to you to clean up. I'll be leaving first?"

Gao Junming hurriedly nodded. "Don't worry. Leave this to me."

As he spoke, he sent the big shot out.

After the two of them left, Ye Feng turned off the camera and pushed open the cabinet door. "Let's go quickly."

He noticed that Zhuang Xiaojiao was still lying motionless in the closet and hurriedly got up.

However, Zhuang Xiaojiao glared at him angrily. "You just... Don't you have anything to say to me?"

Ye Feng was a little embarrassed by her question. "I will apologize to you properly after we get out. Gao Junming will be back soon. Can we leave first?"

Zhuang Xiaojiao turned a deaf ear to him and her eyes turned red. "Ye Feng, you big hooligan, how could you do that to me..."

Ye Feng immediately panicked and tried to comfort her. However, the more he comforted her, the louder Miss Zhuang cried.

At this moment, footsteps sounded from outside again.

Ye Feng knew that Gao Junming had returned. He hurriedly pulled Zhuang Xiaojiao out of the wardrobe. It was too late to escape now.

He had an idea and hurriedly dragged her under the bed.
