Chapter 671 - 671 This Woman Is Harder To Serve Than The Empress Dowager

671 This Woman Is Harder To Serve Than The Empress Dowager

Zhuang Xiaojiao was still struggling when she heard Gao Junming's footsteps. She hurriedly stopped.

Gao Junming walked into the bedroom and paused at the door for a moment. Then, he wordlessly cleaned up the mess that the big boss had left behind.

Zhuang Xiaojiao looked at the pair of feet that were inches away from her and was so scared that she did not even dare to breathe.

However, she was still a little excited. This was just like a spy movie on TV. It was too exciting.

After Gao Junming finished cleaning up the battlefield, he turned around and opened the closet to look for his pajamas.

Zhuang Xiaojiao only felt a lingering fear. If Ye Feng did not pull her out immediately, she would have been exposed.

After Gao Junming changed into his pajamas, he lay down on the bed.

Ye Feng and Zhuang Xiaojiao still did not dare to move until half an hour later, they heard Gao Junming's even breathing. He was probably asleep.

Only then did the two of them crawl out and quickly escape the scene.

"Who are you?"

As soon as the two of them left the villa, they bumped into Butler Li, who had reprimanded them earlier.

Zhuang Xiaojiao was so frightened that her face turned pale. Who would have thought that this old woman would not sleep in the middle of the night? What was she doing here?

Ye Feng's reaction was faster. He immediately rushed up and punched her head.

The old woman rolled her eyes and fell to the ground without a word.

Of course, Ye Feng controlled his strength and did not kill her. He only made her faint temporarily.

Then, he dragged her fat body into the grass in the courtyard and pulled Zhuang Xiaojiao out of the side door.

It was only when they left the villa that Zhuang Xiaojiao felt relieved. She immediately waved her little fists excitedly.

“It’s really exciting. It’s fun to follow you.”

“Haha.”

Ye Feng gave a fake smile. This woman had almost exposed herself a few times. She was definitely a pig teammate.

However, he could only hide this evaluation in his heart. If he said it out loud, it would hurt her feelings.

He glanced at the two sleepy guards in the distance and hurriedly called out, “Stop talking. Let’s leave this place first.”

The two of them then returned to Wu Weizhai’s food delivery cart and let the two staff members out.

“Hero, please spare my life!”

As soon as the male staff member broke free, he immediately knelt down and begged for mercy.

The female staff member was scared out of her wits. She lay there in a daze and did not say a word.

“I can spare you, but you have to agree to a request of mine.”

Ye Feng stared at the two of them fiercely.

“Please say it. As long as you don’t kill me, I’ll agree to any of your requests.”

The male staff member nodded hurriedly, but he was still a little worried.

In the middle of the night, could he be thinking of... Although it was a little difficult, in order to survive, what harm was there in sacrificing once?

However, Ye Feng’s following words dispelled his worries.

“When you go back, don’t tell anyone about this. Just say that the food was personally delivered by you, understand?”

“I understand, I understand. I promise I won’t tell anyone.”

The male staff member agreed without hesitation.

Ye Feng paused and added, "Mr. Gao lost his valuables. If you dare to talk nonsense when you go back, the people of Chaoxin Gang will not let you off. If you don't say anything, no one will suspect you. I'm saying this for your own good."

The male staff member was just trying to save his life and was just perfunctory. He planned to report to the boss immediately after he escaped.

But after hearing Ye Feng's words, he knew how serious the situation was.

If Mr. Gao knew that something had gone wrong with the food delivery cart of Wu Weizhai, causing him to lose his valuables, he would definitely not let them off.

Although they were kidnapped and there was a reason for it, the gangsters of the Chaoxin Gang would not listen to their explanation.

The waiter gradually calmed down and said solemnly, "I understand. The two of us sent the food in. There was no accident."

"What about her?"

Ye Feng then pointed at the female staff who was scared out of her wits.

“Don’t worry, leave her to me. I guarantee that she won’t leak a word,” the waiter immediately assured him.

Ye Feng could not help but look at him in a new light. No wonder he was sent to deliver food to Gao Junming. It seemed that this young man had a bright future.

Then, he did not say anything else and pulled Zhuang Xiaojiao down the mountain.

When the two of them returned to the Blue Charm Night, Zhuang Xiaojiao’s excitement had yet to subside.

“Shall I send you back first?”

“Okay. By the way, do you have any plans for tomorrow?”

Zhuang Xiaojiao looked at him expectantly.

Ye Feng pondered for a moment: “Go back and get someone to inform Zheng Rujing’s best friend, ask her to invite her out for tea tomorrow, I want to meet this Miss Zheng personally.”

Zhuang Xiaojiao's eyes lit up. "Sure, sure. I'll go with you."

Ye Feng chuckled, "No need, I'll go by myself."

Zhuang Xiaojiao was displeased. "Are you burning bridges after crossing them? I've helped you so much, and now you want to kick me away?"

Ye Feng cursed in his heart, 'That's right, I want to kick you away.' However, he could only think about it in his heart and not say it out loud.

"I'm not trying to kick you away. The main thing is... The most exciting stage is over. What's left is just some finishing touches. I can handle it alone..."

Zhuang Xiaojiao immediately interrupted him. "I don't care. You have to bring me along. Otherwise, I'll tell my family that you bullied me."

Ye Feng hurriedly cried out, "Can you not slander me? How did I bully you?"

Zhuang Xiaojiao glared at him angrily. "Hmph, you still dare to say that? Just now in the closet, you... Do you still want to deny it now?"

Ye Feng coughed dryly: "That... You also know that I had no choice at that time. In fact, I didn't have any profane thoughts toward you in my heart. I promise you."

Zhuang Xiaojiao became even angrier when she heard his words. "You mean that I'm not feminine enough to arouse your evil thoughts? Are you still a man?"

Ye Feng almost spat out a mouthful of blood. What was going on?

"That's not what I meant. You're so beautiful. How can I not have any feelings for you..."

"In other words, you have those crooked thoughts about me? Hmph, all men are bad!"

Ye Feng was really speechless. If he did not have any feelings for her, she said that he was not a man. She said that you're not a good person when you have such thoughts about her.

This woman was harder to please than the empress dowager.

Chapter 672 - 672 Very Similar to You in This, Both Have Princess Syndrome

672 Very Similar to You in This, Both Have Princess Syndrome

The next day, Ye Feng was still in a daze when he was woken up by Zhuang Xiaojiao's call.

“Big lazy pig, quickly get up. The sun is shining on your butt...”

Zhuang Xiaojiao’s slightly exaggerated voice came from the phone.

Ye Feng looked around. It was not even 8 o’clock in the morning. He immediately complained, “Miss, you only slept at 2 or 3 o’clock last night. Why are you up so early?”

Zhuang Xiaojiao urged, “Zheng Rujing’s best friend has already made an appointment with her. She’ll meet her at Xiushui Teahouse at 10 o’clock this morning. Hurry and get up.”

Ye Feng rubbed his sleepy eyes: “Isn’t there still more than two hours? What’s the hurry?”

Zhuang Xiaojiao’s next words immediately made him lose all his sleepiness. “I’m already at your hotel. Shall we have breakfast together?”

Ye Feng quickly walked to the window and pulled the curtains open. He saw Zhuang Xiaojiao leaning against a red Lamborghini, waving at him.

She had changed her cool look from last night. Instead, she wore a white dress and a pair of ten-centimeter high heels.

She exuded a youthful vigor.

The passers-by slowed down and secretly sized her up.

A few perverted men even walked past her a few times, unwilling to leave.

Ye Feng had no choice but to change his clothes and go downstairs.

At the same time, in Lu Xiaoya's bedroom.

Lu Xiaoya and Liu Ling stood in front of the window, watching Ye Feng get into the Lamborghini.

"This Ye Feng is really a playboy. Doesn't he already have a girlfriend? Why is he still flirting with another woman?"

Liu Ling was a little jealous of Zhuang Xiaojiao's good looks.

She had always been very confident in her looks, but in the past two days, she had been hit by Chen Xuan and Zhuang Xiaojiao's god-like looks. Her best friend, Lu Xiaoya, was even better than her.

This caused her confidence to suffer a blow, and at the same time, she felt a little resentful toward Ye Feng.

She really didn't know what kind of charm this guy had to be able to make so many beauties fall head over heels for him.

Although Lu Xiaoya was a little jealous, she still helped Ye Feng. "It should be... just his friend, right?"

Liu Ling snorted. "What friend came to look for him so early in the morning? Besides, he came back so late last night. He was probably with this woman, right?"

Lu Xiaoya's expression was a little gloomy. Her heart was sour and she did not feel good.

Liu Ling didn't want to continue to hurt her, so she just held her delicate hand. "Xiaoya, don't blame me for being harsh. I'm just worried for you. If you don't work hard, he might really be snatched away."

Lu Xiaoya gave up on herself. "So be it. He's not my private property. If anyone wants to snatch him, so be it."

With that, she turned around and went into the bathroom.

Liu Ling looked in the direction of the washroom with a complicated gaze.

The reason why she wanted Lu Xiaoya and Ye Feng to be together was because her family was pressuring her.

Only when Lu Xiaoya became Ye Feng's woman, would she be able to hug Ye Feng.

It was also to achieve this goal that she instigated Lu Xiaoya to seduce Ye Feng, but unfortunately, she did not succeed in the end.

However, she was not discouraged. There would be plenty of opportunities in the future. As long as she persevered, she believed that she would eventually see her return.

..

Ye Feng and Zhuang Xiaojiao had breakfast under the watchful eyes of a group of people, then they rushed to Xiushui Teahouse.

He did not know what Zhuang Xiaojiao's men did, but when the woman saw the two of them, she stood up in a panic, looking frightened.

"Sit."

After Ye Feng and Zhuang Xiaojiao sat down, they noticed that the woman was still standing there, so they greeted her.

However, the woman shook her head repeatedly. "No need, I'll just stand and serve the two of you."

Ye Feng was amused by her words. "You are not a waitress, why are you serving us? Hurry up and sit down."

The woman was about to reject her when Zhuang Xiaojiao, who was beside her, lost her patience. "Just sit down if I tell you to. Why are you being so wishy-washy?"

Her method worked. Once she got angry, the woman hurriedly sat down beside the two of them.

Ye Feng made her a cup of tea. "Madam Wu, how did you get to know Zheng Rujing?"

On the way here, Zhuang Xiaojiao had already told him the woman's basic information. The woman's name was Wu Xiuru and she worked in a law firm.

Hearing his question, Wu Xiuru hurriedly replied, "We were university roommates. I majored in law, and she majored in finance."

Ye Feng nodded and continued to ask: "What is her personality like? How was her popularity? What hobbies does she have?"

He asked a few questions, and Wu Xiuru answered them one by one.

“She has an eccentric personality, which makes people feel difficult to get in touch with, so she was not very popular in college. I am the only one who keeps in touch with her. Moreover, she has clear grievances. As long as someone offends her, she will find ways to retaliate. Of course, if you really treat her well, she will repay you a hundredfold...”

Ye Feng turned around and looked at Zhuang Xiaojiao. “She looks quite similar to me.”

Zhuang Xiaojiao immediately rolled her eyes. “Yeah, right.”

Wu Xiuru saw the two of them teasing each other as if no one was around, she felt that they were quite friendly. The fear in her heart lessened a little, and she answered almost all of Ye Feng’s questions.

After about half an hour, Ye Feng had a more comprehensive understanding of this Zheng Rujing.

At this moment, Wu Xiuru’s phone suddenly rang. She looked down at the caller ID and suddenly became nervous.

“She should be here by now. I’ll go down and pick her up.”

She hurriedly asked for Ye Feng's opinion.

"You still want to pick her up? Can't you just let her come up herself?"

Zhuang Xiaojiao could not help but complain.

Wu Xiuru smiled awkwardly. "Rujing has a bad temper. If I don't go down to welcome her, she won't come up."

After saying that, she hurriedly walked out.

Ye Feng smiled at Zhuang Xiaojiao. "She's very similar to you. Both have princess syndrome."

"Die!"

Chapter 673 - 673 Something More Attractive Than Money?

673 Something More Attractive Than Money?

Just as Ye Feng and Zhuang Xiaojiao were fooling around, Wu Xiuru had already brought a woman into the private room. It was Zheng Rujing, who was dressed exquisitely.

When Zheng Rujing saw the two of them, she immediately frowned and looked at Wu Xiuru. "Did we enter the wrong room?"

Wu Xiuru looked embarrassed. "Rujing, let me introduce you to two friends..."

When Zheng Rujing heard this, her expression immediately darkened. "Xiuru, you know me. I will never meet anyone other than you, and I don't want to make any new friends. I'm sorry, I'll be leaving first."

Wu Xiuru hurriedly grabbed her hand. "Rujing, let me explain..."

Zheng Rujing didn't give her any face and shook her hand away. "I trusted you so much. You've disappointed me. I don't want to see you again."

After saying that, she walked out resolutely.

Just as she was about to step out of the private room, she suddenly heard Ye Feng speak. "Don't you want to know Gao Junming's special fetish?"

When Zheng Rujing heard this, she felt as if she had been struck by lightning. She turned around and glared at Wu Xiuru. "Did you tell them?"

Wu Xiuru's voice was trembling with fear. "Rujing, I... I was forced..."

Zheng Rujing's voice became a little fierce. "I trusted you so much and told you such a private thing. How dare you betray me?"

Wu Xiuru was frightened by her imposing manner and fell to the ground.

Ye Feng quickly tried to smooth things over. "Miss Zheng, don't blame her, I forced her to say it."

Zheng Rujing looked at him coldly. "Why do you want to know about me? What do you want?"

The aura she exuded was very strong. If it were anyone else, they might have been so scared that they could not speak.

Even Zhuang Xiaojiao was shocked.

This Ms. Zheng was very aggressive. She was a completely different person from the image of her acting coquettishly in Gao Junming's arms last night.

However, Ye Feng's expression was still indifferent. He had the demeanor of an expert who was as calm as an ancient well.

“Since I’m investigating you, I naturally have my reasons for doing so. If you want to hear it, then sit down and listen to me slowly. If you don’t want to hear it, then do as you please.”

Zhuang Xiaojiao admired his performance.

Ye Feng’s expression of joy and anger was clearly much more superior than Zheng Rujing’s bluff.

As expected, Zheng Rujing’s fierce aura suddenly stagnated.

Although she wanted to leave immediately, Ye Feng’s words had already aroused her curiosity.

Who was the other party? Why was she being investigated? And what was Gao Junming’s special hobby that he had mentioned at the beginning? How did he know?

This series of questions finally forced her to sit down.

Ye Feng finally revealed a smile. He turned to Wu Xiuru. “Miss Wu, please ask the waiter to bring me a pot of the best Longjing tea.”

Wu Xiuru, who was immersed in her guilt toward Zheng Rujing, felt as if she was sitting on pins and needles. When she heard this, she immediately walked out impatiently.

The waiter quickly brought over a new pot of tea and quickly left.

Zheng Rujing maintained her aloof attitude. "Can you tell me now? Who exactly are you? Why are you investigating me?"

Ye Feng unhurriedly poured a cup of tea for her and placed it in front of her. "Miss Zheng, please calm down. How about you try the tea I brewed first?"

Zheng Rujing looked at him coldly. "Are you going to tell me or not? If you don't tell me, I'll leave."

As she spoke, she made a gesture to get up.

But Ye Feng continued to brew tea calmly and did not stop her. Looking at how calm he was, it was as if he had her in his grasp and knew that she wouldn't leave.

Zheng Rujing suppressed the anger in her heart and sat back down.

Zhuang Xiaojiao, who was at the side, found it funny that Ye Feng had managed to tame this Miss Zheng so well.

She was still too inexperienced to fight with a little fox like him.

The three of them drank the tea for a while before Ye Feng opened his mouth, and the moment he opened his mouth, he went straight to the point.

“Miss Zheng, do you know Song Zeyang?”

Zhuang Xiaojiao, who was sipping tea, shook the teacup in her hand and almost dropped it.

The Song Zeyang that Ye Feng was talking about was the greasy middle-aged man from last night. He was also a big shot in South Guangdong Province.

She had thought that he would beat around the bush to get more information from her, but she didn't expect him to ask such an explosive question.

Even Zheng Rujing was shocked. She stared at Ye Feng for a long time. She did not know if he was trying to get information, or if he really knew something.

Ye Feng had already gotten the answer from her expression. He continued to speak slowly.

“From your expression, you should know this person. This person should be the true backer of the Ye family, right? Gao Junming has done so many evil things over the years, but he was still able to stand tall. He should also be relying on this person, right?”

Zheng Rujing took a sip of tea calmly. "Since you already know, why are you still asking me?"

Ye Feng stared at her. "Then do you know why he helped Gao Junming? Was it because Gao Junming could bring him benefits?"

Zheng Rujing's lips curled up slightly. "Isn't that so? If Gao Junming didn't give him benefits, why would he protect him?"

Ye Feng shook his head. "With Song Zeyang's power, if he wants to earn money, there are many people in South Guangdong Province who are waiting to give him money. Why does he have to risk his life to protect a hooligan leader who is full of evil? This doesn't make sense."

Zheng Rujing did not know what he was trying to say. "Then why do you think so?"

Ye Feng took a sip of tea. "Perhaps, Gao Junming has something more attractive than money."

"Something more attractive than money?" Zheng Rujing asked curiously. "What is that?"

Ye Feng saw that she had taken the bait. He was not in a hurry to expose the mystery, and he changed the topic.

“Miss Zheng, what’s your impression of this Song Zeyang?”

Zheng Rujing frowned and thought for a moment before finally spitting out one word.

“Disgusting!”

“Why?”

This time, Zhuang Xiaojiao was the one who asked. She was indeed very curious.

Zheng Rujing immediately became alert. “Why are you asking this?”

Zhuang Xiaojiao’s attitude also became tough. “We’re asking you now. You can either answer honestly or do as you please.”

Although Zheng Rujing was very dissatisfied with her tone, her curiosity was completely aroused. If she left just like that, she might not even be able to sleep at night.

“I remember the first time I met Song Zeyang was at a private bar. At that time, it was Junming who brought me there. This person’s eyes were very disgusting. He kept staring at me... At my breasts and thighs, and he didn’t hide it at all. After that, I saw him a few times, and he was like this every time, so I hate this person very much...”

She recounted the story as she recalled. From time to time, her face would reveal a look of disgust. It was obvious that she really hated Song Zeyang.

Chapter 674 - 674 You Must Be Crazy

674 You Must Be Crazy

Zhuang Xiaojiao suppressed the urge to tell her the truth and continued to ask, "Didn't you tell Gao Junming about this?"

Zheng Rujing sighed slightly. "I said it once, but Junming didn't comfort me. Instead, he reprimanded me. Song Zeyang is very important to him, so he wants me to treat him better."

Ye Feng and Zhuang Xiaojiao looked at each other. They could basically guess why Gao Junming used such a perverted method to please Song Zeyang.

He probably brought Zheng Rujing to see Song Zeyang to test her attitude.

If she had feelings for Song Zeyang, then naturally, things would go smoothly and he wouldn't need to go through any trouble.

However, Zheng Rujing had a bad impression of Song Zeyang, so the two had no choice but to use a roundabout method.

“How long has Miss Zheng and Gao Junming known each other?”

Ye Feng was not in a hurry. He asked another question.

“We’ve known each other since we were very young. At that time, the two families arranged a betrothal for us. It’s a pity that my family fell. Fortunately, Junming didn’t abandon me. Not only did he take me in, but he also entrusted me with an important task...”

When Zheng Rujing talked about Gao Junming, there was always a deep love on her face.

“Is your life in that area still harmonious?”

Ye Feng asked another shocking question.

Even Zhuang Xiaojiao, who was beside him, blushed. Although she knew why she asked this question, it was still a little rash to ask a girl about that in front of her.

Sure enough, Zheng Xiujing’s face darkened slightly. “I don’t want to answer this question.”

Ye Feng had a faint smile. "Then I will answer for you, you two are not harmonious in that aspect. You've never been with him when you're awake. In other words, you've never experienced the joy of love between a man and a woman..."

Zheng Xiujing was so angry that she stood up with a whoosh. "I must have lost my mind to talk to someone like you for such a long time. Since you won't tell me, I'm not interested in listening anymore. Goodbye."

With that, she picked up her bag and turned to leave.

At this moment, Ye Feng suddenly spoke: "Don't you want to know why he did this?"

Zheng Rujing's body froze, and she was unable to take a step forward.

Actually, the reason why she was angry was because Ye Feng had hit her sore spot.

Even her first time was lost when she was drunk. Up until now, she had never experienced that pleasure while she was sober.

However, because she had too deep a relationship with Gao Junming, she had never pursued the matter even though she had her suspicions. She had just assumed that he had some special fetish.

When she heard Ye Feng mention this matter, she could not help but feel curious. "Do you know why?"

Ye Feng slowly put down his teacup. "Of course I know."

"Why?" Zheng Rujing asked impatiently.

Ye Feng used his chin to point at the seat in front of him, indicating for her to sit back down.

Zheng Rujing had no choice but to walk back.

Before she could even sit properly, she heard a shocking answer from Ye Feng.

"Because he has lost that function!"

When Zheng Rujing heard this answer, she jumped up from her seat again. "You're spouting nonsense. This is impossible, absolutely impossible..."

Her voice was a little sharp, piercing people's eardrums.

From this, one could see the shock in her heart.

However, Ye Feng and Zhuang Xiaojiao could understand. After all, this was too bizarre.

A man who had slept by her side for such a long time, other than having some special hobbies, there was nothing unusual about him.

Now, she was suddenly informed by someone that he had lost his ability in that aspect. No one would be able to accept it.

Ye Feng waited for her to finish venting before continuing: "If it's not because of this, how do you explain his special fetish?"

Zheng Rujing looked at the two of them as if they were crazy.

"You must be crazy. Even if Junming has some special fetishes, does this prove that he has lost his function in that area? Don't you think this reason is too far-fetched?"

Ye Feng shrugged, "If you don't believe me, you can call him and ask him, let him answer you personally."

Zheng Rujing immediately took out her phone and was about to call Gao Junming.

However, when the number was dialed, she suddenly stopped.

She didn't know how to ask him. Was she supposed to ask him if he was still a normal man? Was there a problem with that function?

Wasn't this too difficult to say?

She put her phone back into her bag and sneered at Ye Feng.

"You're just trying to drive a wedge between Junming and me. Do you think I'll believe you? My own body, do I not know what I have experienced? Do I need you to tell me?"

Although she would get drunk every time she did that, the strange changes in her body the next day and the traces left at the scene could not be deceived.

This made her even more certain that the two people in front of her were liars.

At this moment, Zhuang Xiaojiao suddenly revealed the final mystery.

"Because you had s*x with someone else."

These words were like a bolt from the blue, directly stunning Zheng Rujing on the spot.

Chapter 675 - 675 A Thunderbolt Out of the Blue

675 A Thunderbolt Out of the Blue

“You two are simply two lunatics. How can you say such crazy words?”

Zheng Rujing was stunned for more than ten seconds before she gradually came back to her senses and looked at the two people in front of her in disbelief.

They actually said that she had s*x with someone else?

This statement was simply too ridiculous, so ridiculous that it made people laugh.

“I don’t want to say another word to you because you’re two lunatics!”

After she finished speaking, she even forgot to take her bag and turned around to escape.

At this moment, Zhuang Xiaojiao continued, “Even outsiders like us were shocked when we first found out about this, let alone you...”

Although Zheng Rujing did not stop, her pace had obviously slowed down, as if she wanted to hear her continue.

Zhuang Xiaojiao did not stop. “Who would have thought that the boss of the Chaoxin Gang, Gao Junming, would actually get his woman drunk for other men to play with...”

As soon as she said this, Zheng Rujing rushed back like a lunatic. “Bullsh*t! Junming isn’t that kind of person! If you dare to slander him again, I’ll kill you...”

Ye Feng quickly pulled Zhuang Xiaojiao behind him, letting her vent her anger.

Zhuang Xiaojiao was indeed shocked by her. Who would have thought that this seemingly weak woman would suddenly go crazy and look so scary?

Zheng Rujing was still unable to quell the anger in her heart after venting for a while. She pointed at the two people’s noses.

“You guys are too despicable. In order to sow discord between Junming and me, you actually made up such a shameless lie. I’ll call Junming now. I’ll make you pay!”

As she spoke, she took out her phone and dialed Gao Junming’s number.

Ye Feng also took out his phone calmly. "Just in time, call him over. Let's enjoy it together. What happened in your bedroom last night, it's really shocking..."

After saying that, he pulled up the video he had taken last night and pressed the play button.

At the same time, Zheng Rujing's phone had already been dialed. Gao Junming's gentle voice came from the other end.

"Rujing, why did you suddenly call me? Didn't I just leave this morning? You miss me already..."

Zheng Rujing didn't answer. She just stared blankly at the video and hung up immediately.

From the angle of the video, it should have been taken secretly in his closet. The image was not clear, but she could recognize the person inside.

When the video started, there were already three people in the bedroom.

The one lying on the bed was herself.

There were two men standing in the bedroom. One was Gao Junming, and the other was facing away from the camera, but she could still recognize him at a glance. It was the Song Zeyang who disgusted her to the core.

This scene gave her too much of an impact.

Why would the man she loved bring another man into her bedroom? Especially that wretched man she hated the most?

The following conversation between the two of them directly subverted her worldview.

“Master, I’ve already prepared the ‘Seado-Marū’ and condoms for you. Please enjoy them slowly. I’ll take my leave first...”

There was so much information in this sentence that her brain could not wrap around it for a moment.

Master?

The man who had always had the tallest and most glorious image in front of her actually called someone else ‘Master’?

If it wasn’t for the fact that she was too familiar with Gao Junming’s voice, she would have suspected that someone else had done the voiceover to frame him.

The words that followed were even more devastating. What did he mean by 'please enjoy it slowly'? Enjoy what?

Other than her, who else in the entire bedroom could be described as 'enjoying'?

She felt the world spin and almost fell to the ground.

Zhuang Xiaojiao was quick to react. She hurriedly went forward to support her and conveniently rubbed her slender waist.

Ye Feng was envious. There were indeed some things that women could do but men could not.

Zheng Rujing sat on the chair and continued to stare at the video. The following conversation between the two of them destroyed her mind bit by bit.

"Xiao Gao, you just let me enjoy your woman like this. Don't you have any complaints in your heart?"

"Women are meant to be played with. As long as the master can have fun with her, that's her greatest blessing. And have you forgotten? I've already lost my ability in that aspect. I can only stare at such a beautiful woman."

"Hahaha, I forgot that you're already a eunuch now, hahaha..."

This conversation contained a lot of information.

On one hand, she was certain that Gao Junming's purpose for bringing Song Zeyang here was to let him enjoy her body.

On the other hand, it also proved what Ye Feng and Zhuang Xiaojiao said earlier. Gao Junming had indeed lost his ability in that aspect.

After extracting these two pieces of information, Zheng Rujing felt her vision darken. She wished she could die right now and not let her see the dirty things that happened later.

But the video was still playing, and her suffering continued...

"Yes, yes, yes. Previously, that crazy woman drugged me and caused me to be impotent for life. Although I've already chopped her up and fed her to the fish, it still can't resolve the hatred in my heart!"

"Don't leave this time. Just serve by the side. Every time, she's like a dead fish. It's not convenient for her to do many actions."

"Alright, I'll wait on you by the side."

What happened next completely destroyed the last bit of her sanity.

When she saw that nauseating fat body, and the man she loved the most, he was actually standing at the side and carefully serving him.

He actually served another man to defile his own woman?

He was worse than a beast!

“Ah...”

Zheng Rujing suddenly let out a shrill cry. She grabbed the phone and slammed it against the wall. Then, she lay on the table and began to retch.

On one hand, it was because she had been defiled by the man who disgusted her the most.

On the other hand, she also felt disgusted by the man whom she had once poured all her feelings into.

The sweet scene of the two people together flashed before her eyes like a movie.

Then, the scene suddenly changed. The face that was originally filled with love suddenly became extremely ferocious.

The deeper the love, the deeper the hatred!

'Gao Junming, I'll definitely make you consign to eternal damnation!'

The blow Zheng Rujing suffered was devastating.

Those beautiful vows and pictures in the past turned out to be carefully planned lies. She was just a stepping stone for him to climb up, and she could be sacrificed without hesitation.

The funny thing was that she had once treated this man as the closest person to her in this world other than her parents.

After removing this layer of filter, many of the previous doubts surfaced.

He had once spent a lot of money to hire a private trainer to teach her calligraphy, painting, guzheng, and classical dance. He had even taught her how to wear classical clothes and makeup.

At that time, she was a little puzzled because these things did not suit Gao Junming's preferences. Why did he want her to spend time and effort to learn?

Later, she found an excuse for herself. Perhaps he wanted to make her look more dignified and virtuous. She was even touched by it.

But now that it came to this, he obviously had ulterior motives.

It was said that Song Zeyang liked classical culture the most. After he took charge of the education of South Guangdong Province, he spared no effort in promoting classical culture education.

So all of this was to make Song Zeyang like her even more?

At this moment, all her love for Gao Junming was completely shattered, replaced by a bone-deep hatred.

Just as Wu Xiuru had said, she was a person who could clearly distinguish between love and hate. She could love someone to the point of death, but if she hated someone, she would also hate them completely.

"Tell me, what do you want from me?"

Zheng Rujing hid her hatred deep in her heart. Her face regained its calmness, which was a little scary.

Chapter 676 - 676 Leave Gao Junming to Me, I Want to Kill Him Personally

676 Leave Gao Junming to Me, I Want to Kill Him Personally

Ye Feng did not hide anything. He made his intentions clear. "You should have a lot of evidence of Gao Junming's crimes, right? I hope you can give it to me."

Zheng Rujing looked at him meaningfully. "You want to kill Gao Junming?"

Ye Feng nodded frankly. "Yes, don't tell me you still have feelings for him?"

A cold smile appeared on Zheng Rujing's face. "I only have hatred for him now, not love. I can give you all the evidence of his crimes, but I have a request."

Ye Feng thought that she wanted to protect her own interests, and he immediately nodded. "Don't worry, I will try my best to ensure that your interests will not be harmed."

"You guessed wrong this time. What I want is not these."

Zheng Rujing revealed a sly smile. This man had always been very resourceful. Now that he had finally guessed wrongly, she felt a little smug.

But Ye Feng did not care and curled his lips. "Then what do you want?"

Zheng Rujing regained her composure. "The evidence I have is enough to destroy the Chaoxin Gang, the Ye family, and even Song Zeyang. I only have one request. Leave Gao Junming to me. I want to kill him with my own hands."

When Ye Feng heard her words, he could not help but shiver.

To be able to use such a calm tone and say such murderous words, this woman was not simple.

Moreover, she was infatuated with Gao Junming just now. It was even more shocking that she could change her mind so quickly.

Once a woman became ruthless, it had nothing on a man.

However, Zhuang Xiaojiao was not afraid of her at all. Instead, she secretly admired her.

This Zheng Rujing was decisive in killing. She was indeed a hero among women.

"Alright, I promise you. Gao Junming's life is yours."

Ye Feng nodded without any hesitation.

Zheng Rujing did not say anything else and immediately stood up.

“Let’s go then.”

“Where are we going?”

“Of course I’m going to my house to get the evidence. You didn’t think I would bring the evidence with me, did you?”

“Go to your house...”

“What’s wrong? Scared? Don’t tell me you think I’m luring the enemy in and trying to catch you like a turtle in a jar?”

Zheng Rujing saw his hesitation and immediately guessed his thoughts.

Ye Feng was embarrassed. He indeed thought so. After all, Zheng Rujing’s change was too fast. He could not help but think too much.

What if her hatred for Gao Junming was just an act and she deliberately lured him into the trap? When that happened, he would have nowhere to cry to.

Zheng Rujing's lips curled into a sneer. "If you want evidence, come with me. If you don't have the guts, then forget it."

After saying that, she didn't care what he thought and walked out.

Ye Feng hesitated for a moment, then turned to Zhuang Xiaojiao. "You don't have to follow me, I can go alone."

He felt that with his strength, even if the other party set a trap, he would still have a chance to escape. However, if Zhuang Xiaojiao was brought along, it would be hard to say.

However, Zhuang Xiaojiao was obviously unhappy. "No, I'll go wherever you go. Don't even think about leaving me behind."

Ye Feng had a headache. He did not know what to do.

Zhuang Xiaojiao was getting impatient. She immediately pulled his arm and walked out.

"If you don't follow her now, it'll be too late. Why are you being so wishy-washy as a man? You're not as bold as a woman like me."

'I've been, I've been despised, I've been conscripted'

Ye Feng could not help but smile bitterly. He could only follow.

It turned out that he was indeed overthinking. Zheng Rujing did not play any tricks.

After bringing the two of them into the Magnificent Villa, she took out a USB flash drive from the bedside table in her bedroom and handed it to Ye Feng.

Then, she personally sent the two of them out of the villa.

At the moment of parting, she suddenly asked without thinking, "Is that kind of thing really fun?"

Ye Feng was stunned by the question: "Cough, cough, it's alright."

Zheng Xiujing suddenly smiled. "Unfortunately, I've never experienced it in my life."

Ye Feng had to admit that she was really beautiful at this moment, and he seemed to have sensed the meaning behind her smile.

“Miss Zheng, you’re still so young. You still have a lot of years ahead of you. There’s no need for you to be with a scumbag...”

He wanted to persuade her, but Zheng Rujing interrupted him. “Alright, I’ll send you guys here. Goodbye.”

With that, she turned around and returned to the villa.

“She’s so pitiful!”

Zhuang Xiaojiao looked at her back and could not help but sigh.

“This is fate, right?”

Ye Feng also sighed. He turned around and walked down the mountain.

Chapter 677 - 677 Can You Guarantee That This B*stard Will Die?

677 Can You Guarantee That This B*stard Will Die?

When Ye Feng returned to the hotel and checked the contents of the USB flash drive, he was so shocked that he could not speak for a long time.

He spent the entire afternoon thinking about how to deal with this evidence.

How could he maximize his benefits? And it wouldn't cause trouble?

No matter what he did, it was not something he could do alone. He still needed the help of the Zhao family.

After thinking about it, he immediately called Zhao Fulin.

Zhao Fulin was holding a shareholder meeting at the Zhao Corporation.

He used to be a standard playboy and never asked about the company's affairs. However, after experiencing the false alarm of the old man some time ago, he also felt a sense of urgency.

He had to take on the Zhao family's business. Even if something bad happened to the old man in the future, the Zhao family's building would not collapse.

However, he was really not cut out for business. The meeting had only been held for less than half an hour, and he was already sleepy.

At this moment, his phone suddenly rang.

He opened his sleepy eyes and glanced at the caller ID, he realized that it was Ye Feng. He hurriedly picked up the call.

“Hello, Brother Ye, how are things going on your side? What do you need help for?”

His voice was so loud that the director who was explaining the group’s strategic deployment for the second half of the year had no choice but to stop resentfully.

Everyone in the meeting room glared at the ignorant and incompetent Young Master Zhao with displeasure.

“You guys can continue. I’m going to chat with my brother for a while. I’m suffocating.”

Zhao Fulin waved his hand at everyone and continued to chat with Ye Feng: “Brother Ye, continue. What is it?”

Ye Feng could tell from the other side of the phone that his brother was unreliable, but he could not be bothered to educate him now. “Brother Zhao, I just got the evidence of Gao Junming’s crime...”

“Gao Junming’s criminal evidence? Is this for real? Can you guarantee that this b*stard will die?”

The group of directors looked at each other. They could not care less about Young Master Zhao's vulgar words now. They were more concerned about the content of his words.

"What is it? Gao Junming's criminal evidence? Really?"

"Zhao Fulin wants to mess with Gao Junming? This is not a small matter. How can he be so careless?"

"That's right. We can't provoke Gao Junming easily. Otherwise, it will bring a lot of trouble to our group."

"We have to persuade him later. Don't let him do whatever he wants."

"Yes, if he doesn't listen to us, we'll have to go to the old chairman."

The crowd continued to listen to Zhao Fulin's phone call as they chatted softly.

"Brother Zhao, don't worry. This time, Gao Junming will die even if he has a hundred heads. Not only that, I also have a lot of evidence of the Ye family's crimes..."

“What is it? There’s also evidence of the Ye family’s crime? Can you guarantee that you’ll destroy the Ye family?”

Zhao Fulin raised his voice even higher this time, causing everyone’s eardrums to hurt, but the content of his words shocked everyone even more.

“What is it? Even the Ye family is going to die? Are you kidding me?”

“The Ye family’s strength is comparable to the Zhao family. How can they be killed just like that?”

“This Zhao Fulin is too reckless. Why didn’t he discuss such a big matter with us?”

“Yeah, this concerns our personal interests. We can’t let him mess around.”

“No matter what, we have to stop him. Otherwise, we might be exhausted to death by him...”

Zhao Fulin didn’t pay attention to everyone’s discussion. He was so shocked that he couldn’t speak.

His Brother Ye had not only obtained evidence of Gao Junming’s crime, but he had also obtained evidence of the Ye family. How could he not be surprised?

“Brother Zhao, don’t worry. The Ye family is dead this time. But I called you for another reason. I can’t make a decision on my own.”

“Hmm, tell me, what difficulties did you encounter?”

“This also involves evidence of Song Zeyang’s crime...”

“What is it? And Song... Is this for real? Can you guarantee that he will die?”

Zhao Fulin didn’t shout this time, but his voice started to tremble.

After all, Song Zeyang’s status was different from Gao Junming and the Ye family. He was a true big shot.

“It shouldn’t be a problem to kill him, but this matter involves too much, I can’t handle it alone. Even with your Zhao family, I’m afraid it will be a little difficult.”

“Then what do you say? I’ll listen to you.”

“Call your brother-in-law, Xu Changming, and tell him to make time to meet me. We’ll meet at your house later.”

“Okay, okay, I... I’ll call him now.”

Zhao Fulin hung up the phone and took a long time to calm himself down. The implications of this matter were too great. He had no choice but to be cautious.

The directors in the meeting room looked at him suspiciously.

Zhao Fulin usually had a cynical look on his face. It was rare to see him so serious. Something big must have happened.

Immediately, some of the older directors planned to take advantage of their seniority to teach him a lesson.

“Ah Fulin, as your elders, there are some things we must say...”

Before he could finish, Zhao Fulin had already stood up. “Meeting dismissed!”

With that, he quickly walked out of the meeting room.

The directors were so angry that their faces turned ashen. They repeatedly cursed, “This brat is not worth scheming with.”

Chapter 678 - 678 Brother Ye, You're Simply Not Human

678 Brother Ye, You're Simply Not Human

“Brother Ye, you're simply not human... You are a god!

After Zhao Fulin saw the evidence, he immediately wanted to hug Ye Feng and kiss him.

Ye Feng hurriedly pushed him away in disdain: “I can understand your feelings. Forget about this.”

Zhao Fulin laughed and patted his shoulder.

“Brother Ye, my admiration for you right now is really like a torrential river that flows endlessly, or like the Yellow River that overflows uncontrollably...”

Ye Feng rolled his eyes. “Why did you find movie lines?”

Zhao Fulin looked at him seriously.

“What I said is from the bottom of my heart. It's just that I'm not cultured and don't know how to express the shock in my heart. Our Zhao family and the Ye family have been fighting for so many years and have always been evenly matched. I didn't expect that Brother Ye, you've only been in Yang Cheng for a few days and you've already caught their fatal weakness.”

In fact, Ye Feng could understand why he was so excited. The Ye family's development in the past few years was too strong. It had already threatened Zhao family's position.

There were many geniuses in the younger generation of the Ye family, but the Zhao family was lacking.

Under this situation, it would probably not take many years for the Zhao family to be trampled under the Ye family's feet.

And at this time, Ye Feng provided him with this evidence. It was a life-saving solution.

Zhao Fulin once again looked at the densely packed folder on the computer. "And it's not just the Ye family. There's also evidence of Gao Junming and Song Zeyang's crimes. Kid, you're going to turn the South Guangdong Province upside down."

He was aware that this information could cause a tsunami. No one could predict how the results would develop.

Just as the two of them were discussing, Xu Changming finally arrived.

Zhao Fulin quickly got up to welcome him. "Brother-in-law, what took you so long? We're all worried to death."

Xu Changming quickly apologized to the two of them. "I'm sorry. I went to the countryside for an inspection today. I didn't even go home and came to look for you first."

He was wearing a black jacket, a pair of black denim pants, and a pair of black leather shoes. They were all dirty and covered in mud.

Ye Feng could not help but take a few more glances at him. It seemed like this youngest big shot in South Guangdong Province was really hard working.

"I didn't hear clearly on the phone just now. What evidence did you say you found?"

Xu Changming found a towel and asked as he dusted himself.

"I found evidence of Gao Junming's crime..."

Zhao Fulin pointed at the folder on the computer.

Xu Changming's movements froze and he looked surprised. "Really? Is the evidence conclusive? If you can really get rid of this black sheep, you will have done a great service for the people of Yang Cheng."

Zhao Fulin was praised by his brother-in-law, but he didn't feel proud. He continued: "And the evidence of the Ye family's crime..."

"Hiss..."

Xu Changming took a deep breath and his expression turned serious. "Where did you get this evidence? Is it reliable? The Ye Family is not someone that can be easily provoked. If one is not 100% confident, one must not act rashly."

Zhao Fulin didn't answer him but continued: "And Song Zeyang's criminal evidence..."

This time, before he could finish, Xu Changming had already thrown away the towel and rushed to the computer to check it himself.

Song Zeyang's status far surpassed Gao Junming and the Ye family. Especially to him, the significance was even greater.

Now, there was an empty spot on top. This was the true core position. From the looks of it, only he and Song Zeyang had a chance to take a step forward.

If they were to obtain evidence of Song Zeyang's crimes, it didn't need to be too serious. As long as it was a real stain, it would be enough to kick him out of the competition.

However, after he checked the evidence, he realized that he had underestimated the importance of the evidence.

It wasn't an exaggeration to say that once he submitted this information, Song Zeyang wouldn't just be a competitor. His future would be ruined, and he might even end up in jail.

He sat there in a daze and did not react for a long time.

Zhao Fulin smiled proudly.

His brother-in-law had always been calm and collected in front of him, as if nothing could move him. This was the first time he had seen him so shocked.

From this, one could see the importance of Ye Feng's evidence.

After a long time, Xu Changming regained his senses and turned to look at Ye Feng. "Xiao Feng, how did you get all this evidence?"

He probably did not notice that the way he addressed Ye Feng had changed.

In the past, because of the matter between his sister and Ye Feng, he was very dissatisfied with Ye Feng, and his words were somewhat contradictory.

But now, he suddenly wanted to get closer to this young man.

Ye Feng immediately told them about his experience last night, from searching for Gao Hu, Xu Haibo, and Old Ning, to how he sneaked into the Magnificent Villa and so on.

Of course, he was concerned about Zhuang Xiaojiao's identity and background, so he deliberately played down her name and replaced it with 'a friend'.

Xu Changming and Zhao Fulin didn't notice these details. They were so shocked that they couldn't speak.

They really didn't know if they should say that this guy was reckless and courting death, or that he was bold and daring. He actually dared to sneak into Gao Junming's house and secretly take photos.

This kind of thing that was shown in spy dramas actually appeared in reality. It was really unbelievable.

"Brother-in-law, now that the evidence is complete, when do we make our move?"

Zhao Fulin immediately looked at Xu Changming and started to rub his hands together.

Ye Feng immediately turned his gaze to Xu Changming, waiting for him to make a decision.

Xu Changming immediately smiled bitterly. "Xiao Feng, you've given me a big problem this time."

After a long time, Xu Changming said, "This is a serious matter. I'm afraid I can't make a decision alone. I have to discuss it with the old man in Yanjing first."

Zhao Fulin was a bit unhappy. "What are we discussing? Now that the evidence is here, let's hurry up and do it. Otherwise, when they react, it will be difficult to handle."

Xu Changming glared at him. "It's never wrong to be careful. Once we take out this evidence, there will be opportunities and dangers. We have to plan carefully."

Zhao Fulin curled his lips and cursed in his heart, but he didn't dare to say anything more.

Xu Changming ignored him. He pulled out the USB and turned to look at Ye Feng. "Xiao Feng, I will take this USB. Leave the rest to me."

Ye Feng was not as restless as Zhao Fulin. He immediately nodded: "Okay, Brother Xu must be careful."

Xu Changming revealed a look of admiration. "You're good. You'll definitely become great in the future."

Then, he looked at Zhao Fulin with disdain. "Don't hang out with your friends in the future. Learn more from Ye Feng. He is younger than you but he is more thoughtful than you."

Chapter 679 - 679 Learn More from Ye Feng

679 Learn More from Ye Feng

Zhao Fulin wanted to refute but he was discouraged and hung his head.

He admitted that his brother-in-law, Xu Changming, was right. If he had gotten the evidence today, he would definitely not have discussed it with his brother-in-law. He would have made the evidence public first.

As for the consequences, no one knew.

Xu Changming had already walked to the door, but he suddenly turned around and looked at Ye Feng. "Xiao Feng, teach him what to do."

Zhao Fulin looked at his brother-in-law's back and looked at Ye Feng in confusion. "What does he mean?"

Ye Feng looked at his big brother speechlessly. "He has already said so much, you still don't understand?"

Zhao Fulin was a bit unhappy. "Brother Ye, don't keep me in suspense. If you have something to say, just say it."

Ye Feng shook his head and smiled. He could only point it out to him.

"Big Brother Xu just said that there are dangers and opportunities here. We already have the upper hand now. We can calmly deploy and prepare to receive the inheritance left behind by Gao Junming and the Ye family."

Zhao Fulin suddenly realized, "So that's what you mean? Then why did he have to beat around the bush instead of saying it clearly?"

Ye Feng was completely speechless toward this fellow. "Brother Zhao, Big Brother Xu's identity is different. There are some things that he cannot say too clearly, in case he gives others a handle..."

Zhao Fulin quickly interrupted, "Alright, alright, you two have a language in common? Just tell me directly how to deploy it? My old man is not at home, and I don't understand this. It's all up to you."

Ye Feng almost fell down. The war was about to start, and he still had to teach this commander how to use troops?

However, he didn't hide anything. After all, once Gao Junming and the Ye family fell, this piece of cake was too big. He couldn't eat it alone.

Selling one to the Zhao family would only be good for his future development.

..

Night fell.

The Ye family's reception hall was filled with people from families and forces that were on good terms with the Ye Family.

Ye Tianhua, the head of the Ye family, sat in the main seat and slowly swept his gaze across everyone present. "Everyone should be very curious about why I invited you here today, right?"

Everyone nodded. They had received a notice today asking them to come to the Ye family to discuss some matters. They had even deliberately emphasized that the matter was of great importance and that they had to come. Everyone was still confused.

Ye Tianhua did not keep them in suspense and went straight to the point. I invited everyone here today for two things. The first thing was to discuss how to get rid of Zhao family and Ye Feng. The second is to discuss how to split the profits."

His words were simply earth-shattering, and the entire hall immediately went into an uproar.

"What is it? Is he going to attack the Zhao family and Ye Feng? Why is it so sudden?"

“And it’s against both of them at the same time? Isn’t this too difficult?”

“That’s right, the Zhao family and Ye Feng are not easy to deal with. Even if they were to deal with one of them, it would be very troublesome. Now they want to start a war at the same time?”

“We have to be careful with this matter. If we don’t handle it well, we might end up shooting ourselves in the foot.”

“Yeah, especially this Ye Feng. He had the upper hand in the conflict with Gao Junming yesterday, and he is in the limelight. We cannot act rashly.”

Everyone discussed animatedly, their words were filled with fear toward the Zhao family and Ye Feng.

Ye Tianhua looked down on them. If it wasn’t for the fact that the Ye family’s strength was limited, he wouldn’t have formed an alliance with this motley crew.

“I am very clear about everyone’s fear toward the Zhao family and Ye Feng, but in my opinion, these two cannot even withstand a single blow. This is the best time to reap the benefits.”

When the crowd heard his words, they secretly marveled at his arrogance.

Needless to say, even though Ye Feng had not been in Yang Cheng for long, his momentum was very strong and could not be underestimated.

The Zhao family was even more terrifying. They were even stronger than your Ye Family. Everyone had always tacitly agreed that the Zhao family was first and the Ye family was second.

He actually said that they couldn't even withstand a single blow? Was he fearless? Or was he overestimating himself?

Ye Tianhua naturally knew what everyone was thinking. He explained calmly, "I know that everyone thinks that I'm being a little arrogant. Please listen to my analysis carefully..."

Everyone stopped talking, wanting to hear what he had to say.

"First of all, let's talk about this Ye Feng. Everyone knows that he has a grudge against our Ye family. He even sent my son, Ye Chengze, to prison..."

Everyone pursed their lips. What did he mean by sending his son to prison? It was clearly his son who failed to frame him and was tricked instead. He simply brought this upon himself.

Ye Tianhua ignored everyone's expressions and continued to speak with confidence.

“The reason why I said that Ye Feng is vulnerable is firstly because he has yet to gain a firm foothold in Yang Cheng, and secondly, because I have already contacted many old forces in Zhonghai. Once we make a move, they will immediately join in the encirclement against Ye Feng.”

At this point, he revealed a smug expression on his face. “The front yard isn’t settled yet, but the backyard is on fire. May I ask what he has to fight with us?”

After hearing his words, everyone was extremely shocked.

Chapter 680 - 680 Old Master Zhao is in Critical Condition?

680 Old Master Zhao is in Critical Condition?

After hearing Ye Tianhua’s description, everyone started discussing.

“Ye Feng’s foundation is in Zhonghai, if the old forces in Zhonghai can join, then Ye Feng is not a problem.”

“That’s right, Ye Feng’s power in Yang Cheng is still too weak. As long as we can restrain his power in Zhonghai, we can easily defeat him.”

“Although Ye Feng is nothing to worry about, the Zhao family cannot be underestimated. If we really attack him, the Zhao family will definitely not leave him to die.”

“That’s true, Ye Feng and Zhao Fulin have a good relationship. They definitely wouldn’t sit by and do nothing.”

“In that case, we should not act rashly...”

Ye Tianhua listened to everyone’s discussion and immediately chuckled. “The Zhao family is even less of a concern.”

Everyone turned around to look at him, their eyes filled with surprise. They didn’t know why he dared to say such big words.

Ye Tianhua looked as if victory was within his grasp.

“You may not know, but the Zhao family’s old master is critically ill and has been secretly sent to Yanjing for treatment. Now that the Zhao family is under the control of that idiot Zhao Fulin, what is there to be afraid of?”

Once he said this, he undoubtedly threw out a heavy bomb in the hall.

“What is it? Old Master Zhao is critically ill? Is this news reliable? Could it be a smokescreen released by the Zhao family?”

“Since he’s been sent to Yanjing for treatment, he’s probably beyond cure, right? If that’s the case, then the Zhao family is no longer a concern.”

“That’s right. The Zhao family is supported by Old Master Zhao. If Old Master Zhao isn’t around, the Zhao family will be a piece of fat meat on the chopping board.”

“That Zhao Fulin is ignorant and useless. If he is in charge of the Zhao family, it is no different from suicide.”

“No wonder Mr. Ye dared to gather us here. It turns out that he was already prepared...”

Everyone began to rub their fists together, wishing they could immediately pounce on the Zhao family and bite them hard.

However, at this moment, someone suddenly said in a different voice, “Hahaha, you’re all blinded by greed, aren’t you? Do they really think that the Zhao family is supported by Old Master Zhao alone? Childish!”

Everyone turned around and saw that the person who spoke was Chu Xiong, the head of the Chu family of Yang Cheng.

The Chu family was only a small second-rate clan, but this Chu Xiong had always been shrewd and had a certain reputation among the other clans in Yang Cheng.

Everyone had to take his opinion seriously.

Ye Tianhua looked at him with a calm expression. "Why do you say that, Master Chu?"

Chu Xiong's gaze slowly swept across the crowd. "The reason why the Zhao family has been able to stand tall and not fall is that other than Old Master Zhao, there is another person who has contributed greatly. That is... Xu Changming!"

When everyone heard his words, their expressions changed drastically.

"Yeah, there's still this person. How could we forget? I almost made a big mistake."

"You can't blame us for this. Xu Changming has been deliberately keeping a distance from the Zhao family, causing everyone to overlook their relationship."

"Fortunately, the Chu family head reminded us. Otherwise, if we rashly attacked the Zhao family, I'm afraid we would have angered Xu Changming."

"Even if Old Master Zhao is no longer around, with Xu Changming's protection, the Zhao family will still be invincible."

"Moreover, Xu Changming is still so young. His future is limitless. We must not easily offend him..."

Everyone broke out in cold sweat and stopped fighting.

Ye Tianhua felt even more disdain in his heart. What a bunch of trash. They were not willing to take any risks and were just waiting to eat the ready-made food.

Although he despised it in his heart, he didn't dare to show it on his face. He immediately raised his head and laughed.

“How could I not have thought of Xu Changming's relationship? But I can guarantee you that Xu Changming is not a threat!”

Everyone's jaws almost dropped.

“Did I hear wrongly? Mr. Ye said that Xu Changming is not to be feared?”

“Isn't that a little too arrogant? He has already reached this stage in his thirties. Is this not enough to be afraid of?”

“Mr. Ye, you can't just talk nonsense just to give us stimulants, right? This is going to kill us.”

“That’s right, if we really offend Xu Changming, who can withstand his anger?”

Everyone began to doubt Ye Tianhua’s words. In South Guangdong Province, there were probably not many people who dared to look down on Xu Changming.

Ye Tianhua looked at them calmly. “Then let me ask you, what is the reason why our Ye family has been able to rise up all these years and become a threat to the Zhao family?”

Everyone was confused. They did not know why he asked this question, but they still tried to answer.

“Because the Ye family head is wise, powerful, courageous, and resourceful...”

Ye Tianhua shook his head.

“Because the younger generation of the Ye family has many elites and successors...”

Ye Tianhua still shook his head.

“Because the Ye family is doing a good job...”

Ye Tianhua could not be bothered to keep them guessing. He interrupted their guesses, "Neither. It's because... There's someone in the Ye family."

..

On the other side, Song Zeyang was carrying a birthday cake as he got out of the car. He waved at the driver, Xiao Chen. "I don't need the car today. You should go back and rest early."

Then, he hummed a tune and went home.

"Old Song is back?"

His wife, Nie Ping, was busy in the kitchen. When she heard the commotion, she immediately came out.

"Daddy."

A little girl rushed out of the bedroom and threw herself into his arms.

Song Zeyang picked up his daughter and turned to look at his wife. "I just finished a meeting and canceled a few other appointments, so I rushed back. Today is my daughter's birthday, so I have to rush back no matter what."

A blissful smile appeared on Nie Ping's face. Back then, when she insisted on marrying her good-for-nothing husband, she was strongly opposed by her family.

At that time, her father had even asserted that this person had evil intentions and was not worthy of being entrusted.

However, she insisted on marrying him in the end. Her relationship with her family was so bad that she did not return home for several years.

Now, it seemed that her insistence back then was very correct. He was indeed a good husband and a good father.

Now that she had a loving husband and wife and had a harmonious family, many people were envious.

"Hurry up and wash your hands. Dinner will be ready soon."
