

Chapter 2716

Zhang Jue stepped out with a smile, pretending to mediate the conflict. "Alright. Darryl, we're here as guests. Why are you arguing with a disciple? Let's be careful with our words." Zhang Jue's eyes flashed with treachery when he suggested that. Harold, his subordinate, really made no mistake. He had managed to ruffle up the relationship between Ryukin Gold Altar and Darryl. However, he had more important things to do, so he had to stop after he got what he wanted. Harold shrugged nonchalantly and stopped talking!

Altar Master Alan was furious and did not make any further comments.

Diana sighed and slowly said, "Altar Master Alan, I will investigate this matter.

With that, Diana instructed the disciples beside her, "Go, prepare rooms for Zhang Jue and Darryl. They came so far and they need a good rest." Diana could not help but steal a look at Harold. She did not realize something was wrong with the 'Darryl' in front of her. She had not seen him for three years and wanted to catch up with her disciple. However, it was inconvenient to speak with him when Zhang Jue was around.

"Yes!" a few disciples yelled, Then, they politely invited Zhang Jue and Harold to leave the room. A few minutes later, two disciples had brought Zhang Jue and Harold to a guest room in the Holy Saint Sect's ancillary room

After the two disciples left, Harold hurriedly closed the door and said respectfully to Zhang Jue, "Master, it's getting late. You should rest early. I'll guard the door for you!"

Without any outsiders around, Harold no longer called himself Darryl. Zhang Jue took a deep breath and did not rush to take a rest, but frowned when he thought of something. "I feel that something is wrong about today. I came with the Elysium Gate Sect Master and yet Chang Er was so indifferent to me. She will only see me tomorrow morning!"

Zhang Jue frowned. The more he thought about it, the more suspicious he became. He was deep in thought and good at

drawing up a strategy. Although he did not see Chang Er with his own eyes, his instincts told him that things were not as simple as they seemed.

Harold thought about it and said cautiously, " Perhaps ... Maybe Empress Chang Er is really tired and she needs to rest!"

Zhang Jue shook his head and narrowed his eyes slightly. " No! Just now, Tina from the Golden Altar said that there was a man named Sandhurst, who claimed to be Darryl's follower and came to see Chang Er. In that case, if that man met Chang Er, he would definitely tell her something. In that case, it makes total sense that Chang Er is turning me away."

Harold was stunned and frowned. " It can't be. Then, why didn't Donna from the Celestial Wood Altar expose our lies? Looking at her just now, I felt like she was deliberately hiding something" Zhang Jue was also a little confused." The answer lies in that man, Sandhurst! "

Zhang Jue's eyes flashed as he had an idea." Go bring Tina here. "

Tina had seen Sandhurst and he could get some information out of her.

Harold nodded, walked out the door, and asked the patrolling disciple to invite Tina over.

Afterward, Harold hid behind a curtain in the room when Zhang Jue signaled him to.

After all, Harold's identity was ` Darryl, and Darryl had grievances with the Ryukin Gold Altar, so naturally, he should not meet Tina,

Soon, Tina came. As soon as she entered the room, Tina humbly said to Zhang Jue," Zhang Jue, I don't know why I was asked to come over. What's the matter? "

Tina saw Zhang Jue as someone who had been famous for thousands of years. He was a significant figure in the world and she was cautious around him.

Zhang Jue smiled slightly after noticing the look on Tina's face."

Don't panic; I just wanted to ask you something. Earlier, you said that Donna brought someone to see Empress Chang Er? "

Chapter 2717

" Yes! " Tina nodded, unable to contain her anger." That person must have

lied. He claimed to be Darryl's follower! She was furious when she was reminded that Sandhurst made her apologize to Donna after saving her. Zhang Jue breathed a sigh of relief, sat at the table, and slowly drank a cup of tea slowly. "What does Sandhurst look like? Can you tell me?"

While she recalled the incident earlier, Tina did not hesitate to explain it to Zhang Jue. In the end, Tina could no longer hold back the seething anger she felt inside.

"That man has three scars on his face and is dressed like a beggar. He looked disgusting!"

What? Zhang Jue was shocked and stood up suddenly, his eyes glowing. Three scars on the face? Isn't that Darryl? F * ck, I thought that he was Darryl's follower, but I didn't expect that it was Darryl himself. Judging from the situation, he probably already met Chang Er and may be hiding in Chang Er's room.

No wonder Chang Er refused to see me; she obviously tried to delay seeing me. Zhang Jue's expression changed as he thought about the possibilities. Menacing thoughts began to sprout. Tina was startled to see Zhang Jue's expression. "Zhang Jue, what's wrong with you?"

Zhang Jue looked terrible. He breathed a sigh of relief; then, a kind smile appeared on his face. "It's nothing." Zhang Jue had to think fast and continued, "It's nothing, really. I know Sandhurst is a spy from the Raksasa Tribe."

He appeared calm, but his eyes were gloomy. After he found out that Sandhurst was Darryl and that he probably was hiding in Chang Er's room, he had to find a way to catch him.

'A spy from the Raksasa tribe?' Tina trembled, startled by the information.

"What do we do?"

Zhang Jue smiled slightly. "Don't panic. I have a way to deal with it. Please send a message to Empress Chang Er and tell her that someone is asking to meet her down at the foot of the mountain. Here's a token. Just leave the rest to me.

With that, Zhang Jue took out a small silk bag from his body and handed it to

Tina.

Tina reached out to take it and nodded. Then, Zhang Jue took out another bottle of pills and smiled." Speaking of which, Sandhurst has some connections with me, so I hope you don't tell anyone about this matter! "

" Don't worry. I won't tell anyone! "

Tina nodded with joy.

She saw that this bottle was a type of rare elixir pills. With those pills, her cultivation realm would be improved a lot.

Zhang Jue said no more and waved his hand to send Tina off.

Harold, who was hiding behind the curtain walked out, his face looking inexplicably nervous." Master, Darryl is surprisingly fast. He's one step ahead

of us and turned up at the Holy Saint Sect. He's even met Chang Er. "

Harold was calm on the surface, but he was very nervous on the inside.

Darryl's strength was unfathomable, Harold was worried that Darryl might be listening to their conversations while

hiding inside Chang Er's room when Zhang Jue asked to see her earlier. Of course, he was feeling panicked.

Zhang Jue frowned and then took a deep breath and said coldly, " Why are you nervous? I've already asked Tina to spread the word. I will draw Darryl out soon; just wait for my instructions.

After you get my signal, you go straight to where Chang Er is and abduct her!"

' What?' Harold felt his legs go soft and he almost slumped to the ground.

' My master wants me to kidnap Chang Er? That's insane! ' he thought.

Chapter 2718

Harold began to stammer when he felt a growing tension." Master, Empress Chang Er is p-powerful; h-how am I her opponent! "

When Zhang Jue asked Harold to pretend to be Darryl, Harold wanted to refuse and the task at this time was to kidnap Chang Er.

At this moment, Harold only felt his brain buzzing

Noticing Harold was nervous, Zhang Jue smiled confidently. " Don't panic. Empress Chang Er's power is not as scary as you think. Just be rest assured and do it!"

With that said, Zhang Jue took out a

pill and handed it to Harold. " This is an Affix Immortal Pill, which I refined. It can allow you to double your strength within an hour."

Zhang Jue was thoughtful. Although he did not see Chang Er just now, he realized through her voice that she was mad at practice, and she was very weak. Harold's strength was only a Level Five Martial Emperor, but after taking the Affix Immortal Pill, dealing with the weak Chang Er would not be a problem at all.

Harold took the Affix Immortal Pill and took a deep breath. " Master, don't worry. I will definitely live up to your reputation!"

To be honest, Harold wanted to refuse, but he had no choice at all in the end. Zhang Jue nodded. " Wait for my signal now!"

Then, he disappeared into the night. Meanwhile, Darryl was sitting in Chang Er's room, paying attention to the movement outside! Chang Er was putting on a long skirt, looking charming as she met Darryl's gaze with a hint of shame and annoyance. At this time, Chang Er bit her lip tightly. " Darryl, don't you dare say a word about what happened between us. I will kill you if you do!"

Three years ago, after the death of Emperor Hou Yi, Chang Er was in grief and despair. She chose to stay in the Holy Saint Sect and devoted herself to cultivating in seclusion, but to her horror, she was sullied by Darryl in the Holy Saint Sect.

Darryl was smart, how could he possibly not know how Chang Er felt. He smiled bitterly. " I don't want it to happen as well. It all happened so suddenly and you were were in a psychotic break. In another way, I've saved you."

As he spoke, his eyes traveled up and down Chang Er. ' Chang Er is really worthy of being called a fairy. Her beauty and figure are unparalleled in the world! I'm afraid only Diao Chan can compare with her!"

Chang Er was so angry that her lips were almost bleeding from her hard biting." You! "

Bastard! He took advantage of me and yet he looked all unapologetic!' Whenever Chang Er thought of herself having sex with Darryl, she was in

anguish. She was unwilling to accept the fact that it happened.

The atmosphere was depressing yet somewhat strange in the room.

" Darryl, I want you to swear that you won't say anything about today!"

Chang Er said, her face blushed.

" Okay, okay, I won't say anything!"

Darryl nodded and he was about to tease Chang Er.

However, an anxious voice suddenly came from outside! " Empress Chang Er! " It was Tina!

Tina listened to what Zhang Jue said and went forth to pass the message to Chang Er. Although Tina did not know what Zhang Jue was up to, she was elated to be given a bottle of pills to enhance her strength. She did not care to find out more about Zhang Jue's plan after that.

Darryl turned peevish after he heard Tina's voice and he frowned." Why is this woman here again? "

Chang Er quivered and she was a little panicked. They don't know Darryl is hiding in my room, right?'

She calmed herself down and said softly through the door, " What's the matter? I am in bed. Let's talk tomorrow!"

Tina breathed a long sigh and stood outside the door. " Empress Chang Er, someone asked to meet you outside the mountain gate. Here's a token for you. I was told that you would know what's going on after you have a look at it." Then, Tina put the small silk pouch Zhang Jue gave her by the door and left. The moment Tina turned around and left, she felt extremely happy. She did what Zhang Jue asked her to. She could not wait to go back to her room and take the pill to improve her strength.

Chapter 2719

" Token?" Chang Er and Darryl looked at each other after Tina left.

A few seconds later, when Chang Er was sure Tina was no longer around, she told Darryl to hide before opening the door and picking up the silk pouch. Chang Er opened the pouch after closing the door as Darryl approached curiously.

He was shocked and froze when he saw the contents of the pouch. Inside the pouch was a delicate waist badge. It was a rare white jade with dragons, a

phoenix and auspicious cloud carvings. Also, ' Yvette' was written on the back of it.

' Isn't this Yvette's waist badge?'

Darryl thought

All of a sudden, Darryl became excited.

Yvette was once the New World Princess and part of the New World Royals. She was an extraordinary person and every piece of her accessories were unique. Her waist badge was definitely one of them.

' Is Yvette in the Holy Saint Sect?'

Darryl got excited just thinking about it.

" I'll go and have a look!" he said to Chang Er.

Darryl rushed out quickly and hurried towards the entrance of the mountain gate. Tina mentioned that the visitor was just outside the mountain gate. After he left the gate, he noticed someone standing quietly on the stones steps down the mountain. It was dark and he could not see who it was clearly. He did not have time to think too much about it and hastened his pace!

When he was more than ten feet away, Darryl suddenly noticed something was wrong. That isn't Yvette's back. ' The figure, who stood waiting, heard the sound of footsteps and slowly turned around

" Darryl, what a surprise!"

It was Zhang Jue.

When Zhang Jue pulled a trick on the Carter family and captured them he took all their things away from them. After confirming that Darryl was Sandhurst, Zhang Jue took Yvette's accessory to lure him out of the Holy Saint Sect.

" It's you? How did you know that I was in Chang Er room?" Darryl was startled as he said coldly.

Zhang Jue smiled coldly, his eyes showing his contempt. " Darryl, do you think you can lie to me just by hiding your identity and using Sandhurst as your pseudonym? You were lucky to run away from the Green Cloud Sect before. You won't be so lucky anymore. Surrender yourself! "

Buzz!

Zhang Jue shot out a terrifying aura and the surrounding air came to a standstill!

The next second, Zhang Jue slowly

raised his right hand and hit Darryl with a palm attack!
' F * ck! ' Darryl was startled when he felt Zhang Jue's powerful aura. He had no time to dodge the attack and could only summon his internal energy to resist the attack.!

Bang!

The two palms collided, sending both Darryl and Zhang Jue back a dozen steps.

Darryl steadied himself and frowned as he thought to himself about how everything was so strange.

Since Zhang Jue knew that he was hiding in Chang Er's room, he could just expose Darryl to the people of the Holy Saint Sect. Why would Zhang Jue bring him out?

Whoosh!

Just when Darryl was frowning, he saw Zhang Jue raise his hand to set off a firework.

That was Zhang Jue's signal to Harold. Harold would disguise himself as the fake Darryl and break into the courtyard to kidnap Chang Er once he got the signal.

Then, Zhang Jue looked at Darryl with a weird smile. " Darryl, are you curious about why I brought you out here alone? My follower is in there, pretending to be you and is going to kidnap Chang Er. Hahaha!

" The entire Holy Saint Sect and even the entire world will know that you, someone who seems benevolent and righteous, are actually wicked and lustful. You'll be known as someone who covets Chang Er's beauty and acts rashly. Let's see if you'll still be the respectable and admirable hero in The Nine Continents!"

Darryl was shocked to hear Zhang Jue; his eyes instantly became blood red. Zhang Jue was so despicable and shameless. He had no qualms about carrying out such a sinister and vicious plan

Chapter 2720

Whoosh!

Without hesitation, Darryl returned to the courtyard immediately.

No matter what, the fake Darryl can not succeed in kidnapping Chang Er.

That guy was Zhang Jue's follower and if he caught Chang Er, he might do something out of line.

More importantly, people would think Darryl was guilty of whatever the fake Darryl did!

"Are you thinking of going back? Do you think you can?" Zhang Jue sneered. He urged his internal energy and ran as fast as lightning to intercept Darryl in the air! He made Harold pretend to be the fake 'Darryl' just to ruin Darryl's reputation and the plan went smoothly. He would not let Darryl destroy his plan!

F * ck! 'Darryl's eyes were extremely red with rage when he saw Zhang Jue stopped before him.

His seething anger exploded and he yelled, "Zhang Jue, no matter what brought you here to the Holy Saint Sect today, I will never let you succeed!" "Oh really?" Zhang Jue looked proud as his gaze turned cold. "You're quite confident. What do you think you can do by yourself? Even if I can't kill you today, I'll make sure you're spurned by The Nine Continents!"

Buzz!

A terrifying aura shot out from Zhang Jue's body and the air became still instantly

Crack!

A dazzling weapon appeared in Zhang Jue's hand after a loud sound. It was a Sky Breaking Axe!

Since getting the Sky Breaking Axe, his strength improved by leaps and bounds, and he gained some new insights from the power of the ax.

As soon as the ax was drawn, the temperature dropped!

Gulp!

Darryl swallowed his saliva nervously when he felt the terrifying power of the Sky Breaking Axe.

F * ck! Zhang Jue alone was powerful enough, Coupled with the Sky Breaking Axe, he would be matchless! 'he thought

Soon, Darryl calmed down and said coldly, "We still don't know who will live or die today!"

Then, he summoned his Heavenly Halberd. Charged with a strong fighting spirit, Darryl soared up in the sky and fought Zhang Jue fiercely.

...

Meanwhile, back at the forbidden area behind the mountain in the small courtyard where Chang Er lived, the

dark sky was seemingly peaceful. The Holy Saint Sect disciples were everywhere in groups, patrolling back and forth around the courtyard. The place was heavily guarded.

Swoosh!

A dark shadow came quickly from a distance and approached the door to the small courtyard! His eyes gleamed with coldness and cunningness in the dark

It was Harold.

He was not confident in breaking into the forbidden land of the Holy Saint Sect in the middle of the night to kidnap Chang Er. However, he had no choice. Zhang Jue's order was final.

" There's a shadow!"

" Who is that? How dare you trespass into the forbidden land of the Holy Saint Sect?"

Just as Harold was about to enter the small courtyard, a group of patrolling disciples came and immediately spotted Harold, Suddenly, there was chaos.

Then, the disciples who rushed to check out the trespasser were stunned to discover who it was!

' Isn't that Darryl? What is he doing here in the middle of the night?' they wondered.

Harold appeared as the fake Darryl and the disciples could not see anything wrong at all!

Harold tried to calm himself down and said casually to the disciples questioning him, " Hey, Senior Brothers! I'm going to discuss something with the Empress; you all may go."

The disciples exchanged confused looks.

Chapter 2721

Soon, someone reacted and said disapprovingly, " Darryl, you came with Zhang Jue earlier to see the Empress, and she told you both to come back tomorrow morning."

" That's right!"

" Hurry up and go! Don't disturb the Empress! "

" Leave this forbidden area quickly. Otherwise, don't blame us for being impolite! "

Those disciples thought Darryl was somewhat crude and rash, but he was a Holy Saint Sect member, so they

decided to give him a chance!
Harold chuckled to himself.
He was unperturbed by those threats; he put on a menacing face and said coldly, " I've always been able to do anything I wanted. I will see the Empress tonight. Whoever dares to stop me will be putting yourself at risk! Then, Harold looked around him, and his tone grew more arrogant. " I am in a good mood, so it's best if you can get out of here quickly. Otherwise, I will maim all of you, one by one! "

Harold's eyes were filled with contempt; he was extremely arrogant. Zhang Jue told Harold not to care about anyone when he kidnapped Chang Er. Anyway, Harold wanted to create more trouble for Darryl, so he acted as arrogant as possible.

Wow!

All the Holy Saint Sect disciples blew up.'

F * ck, that Darryl is so arrogant. We tried to be nice to him as he is a Holy Saint Sect disciple, but he did not appreciate it at all. What a stuck up! What aggravated everyone, even more, was Darryl's arrogance. He wished to challenge everyone to a fight!

" Darryl, have you ever thought about consequences?"

" F * ck! What more can we say to him? When he joined the Holy Saint Sect, he had hidden his identity. He's definitely a cunning menace!"

" Yes, he probably had something up his sleeves when he visited the Empress!"

Those disciples approached and encircled Harold!

" You don't know better. Since you want to die, let me help you!"
Harold was too lazy to waste time with nonsense. He raised his hand and rushed toward the two disciples closest to him and sent two palms attacks.

Boom ...

The two disciples had no time to react before blood spurted out. They screamed as they flew backward from the impact. They were no longer breathing when they landed on the ground!

Hiss!

The other Holy Saint Sect disciples gasped.

' That Darryl is crazy. How could he fire a shot at us? And he killed someone

too!

None of those disciples knew that it was not the real Darryl. That was why he was not merciful when he attacked them.

" Quick! Call for support! "

" F * ck! Let's go together! "

After a few seconds, those Holy Saint Sect disciples howled angrily and rushed toward Harold as they shouted for support

Wow ...

In the blink of an eye, the other disciples on patrol heard the noise and went forth to help them. There were hundreds of people.

Harold's eyes flickered complicatedly. The fighting spirit deep in his heart was aroused. Zhang Jue gave Harold the Affix Immortal Pill and told him that he could double his strength after he took the pill. Harold thought he could try his skills on those Holy Saint Sect disciples.

Even if he killed someone, the Holy Saint Sect would blame Darryl; no one would know that he was Harold.

Harold was excited, and he said coldly,

" How dare you bunch of weaklings fight with me? Go to hell!"

Buzz!

Harold raised his hands, and his internal energy surged frantically in his energy field. The surrounding air instantly distorted as a wave of a horrifying breath of aura permeated! Harold raised his hand, and eight dragon shadows whizzed out instantly! The technique was called the Heavenly Eight Dragons Palm that Harold had cultivated. It was very similar to Darryl's Ascension of the Nine Dragons, except it was missing one dragon. It was precisely because of that technique that Zhang Jue made Harold disguise as Darryl.

All the Holy Saint Sect disciples shook in fear

' Such a powerful strength. Indeed, he was worthy as the Elysium Gate's Sect Master

Boom!

Before those Holy Saint Sect disciples could react, the eight dragon shadows charged toward the disciples with terrifying power. In just a few seconds, those Holy Saint Sect disciples had shrieked!

Chapter 2722

" Stop!"

Suddenly, a voice echoed before the door to the small courtyard opened. A slim figure walked out slowly; her beautiful face seemed frosty!

It was Chang Er!

After Darryl had left, Chang Er felt that something was wrong, and she did have the mood to rest. How could Chang Er not be angry when the person who pretended to be Darryl had blatantly gone to her and injured so many Holy Saint Sect disciples?

" You are so bold!" Chang Er glared at Harold and yelled angrily.

At the same time, Chang Er got angrier when she saw so many Holy Saint Sect disciples around the small courtyard groaning painfully in pools of blood.

" Empress Chang Er!"

Harold was flustered when he spotted Chang Er, but Zhang Jue's instructions immediately emboldened him. He said with a smile, " I'm sorry to visit you so late at night, but there's something really important, and I really need you to come with me."

Harold stared at Chang Er; her beauty took his breath away.

She's so beautiful!

So beautiful! Is that Empress Chang Er? She's like a fairy.

Harold had heard of Chang Er for a long time, but he had never seen her in person. He did not get to see Chang Er during his last visit with Zhang Jue. That was the first time he had seen Chang Er, and he was impressed by her unparalleled beauty.

Harold did not only think Chang Er was beautiful, but she was also indescribably charming and sexy. The powerful aura from her body was particularly impressive. Any man would fall for her at first sight.

' Go with you?"

Chang Er frowned

After that, she sensed Harold's lecherous gaze, and she got angrier. She said, " Alright, cut it out! You are not Darryl! "

Chang Er was shocked when she looked at Harold's face.

' Where did Zhang Jue find someone who looks exactly like Darryl three years ago? If Darryl had not informed me in advance, I would have been fooled by him.

What?

The Holy Saint Sect disciples guarding the courtyard were shocked to hear Chang Er. Their eyes shone in a complicated luster when they looked at Harold.

' Is that not Darryl?"

Harold panicked. Empress Chang Er had seen through his identity and knew that he was a fake, which made things complicated

The next second, Harold changed his thoughts and had an idea. He smiled at Chang Er and said, " Yes, you're right, I am no longer the same Darryl!

" Three years ago, I did so many things for the Nine Mainland, but what did I get in return?

" With my strength, I can be the Nine Mainland's Supreme, but some forces in the cultivation world still don't

respect me. Even you, Empress Chang Er, think that I'm a clown. I'll tell you

what - I'll take you today and head to the North Moana Palace, ascend the throne and proclaim myself as the new Emperor. You shall be my Empress. As long as you are mine, who would dare to denounce me?"

Harold's expression looked like he had gone crazy, a man intoxicated with power

He had no other choice. Since Chang Er knew that he was the fake Darryl, he might as well go with the flow and not be restrained.

Err ...

The Holy Saint Sect disciples were furious. They thought that Darryl had gone crazy

After they heard Harold's words, the Holy Saint Sect disciples thought Darryl had gone through a significant change in temperament after some hard times. They had no idea that the man was not Darryl.

" Shameless!"

Chang Er trembled in anger; she was at a loss for words.

This person is so cunning that he tried to use me to cover his identity. '

Chang Er did not bother to talk nonsense with him; she yelled, " How dare you dishonor me! You have a death wish! If you don't kill you today, I am not Empress Chang Er!" Chang Er could not accept Harold's behavior. Not only did he pretend to be Darryl, but he also took advantage of Chang Er.

Crack!

A sword appeared in Chang Er's hand,
accompanied by a crisp sound.
