

Chapter 2744

" Don't challenge my patience. All of you, kneel and bow to me!"

Harold looked around arrogantly and yelled! He was so out of control and overbearing!

Wow

Everyone's face changed when they heard that, and their aura began to boil discreetly; they were all enraged!

One should be aware that the North Moana palace had formidable warriors! No one dared to address them in such a way

However, that particular Darryl in front of them had treated them like nobody

How could they stand that ?!

However, no one dared to stand forward to fight back. Lady Chang Er was in his hands; no one dared to act recklessly.

Then, Gonggong finally regained her thoughts. Her beautiful face turned green as she pointed at Harold and scolded him. " Darryl, release Lady Chang Er immediately and leave this place. We will forgive your misbehavior!"

Harold looked up at the sky and laughed loudly. He could see that Gonggong was panicking even though she looked calm.

' Master had ordered me to ruin Darryl's reputation completely. This is just the beginning; how can I release Chang Er?"

" Gonggong, I won't waste time with you!" Harold looked subtle as he shouted, " If you submit yourself to me as your emperor, not only will I kill Chang Er, but I will destroy the North Moana Palace as well!"

That ...

Everyone's eyes were bright red at that moment, whether it was Gonggong or anyone else. They wanted to kill Darryl. However, when it came to Chang Er's safety, they were hesitant to act recklessly.

Bang!

At that precise moment, a powerful aura emanated from the sky not far away. A body then rushed forward at high speed

At that precise moment, a powerful aura emanated from the sky not far away. A body then rushed forward at

high speed.

Zhang Jue was dressed in a black robe and had a solemn expression on his face.

When Gonggong and the others saw Zhang Jue, they looked perplexed. Zhang Jue had not returned to the North Moana Continent for three years after the battle between the Nine Mainland and the Raksasa Tribe ended. Why did he appear unexpectedly at North Moana when he was traveling to an unknown destination?

" Darryl!"

When everyone was puzzled, Zhang Jue looked at Harold and yelled angrily, " How dare you capture Lady Chang Er! Zhang Jue looked around him and spoke loudly, " Darryl is aggressive and wild. He had duped me into going to the Holy Saint Sect to invite Lady Chang Er to leave the place. When we arrived, he abducted Lady Chang Er while I was distracted! That person is a thief, and he deserves to be killed! " When he said that, Zhang Jue's face looked so noble, but his eyes had a malice glint.

Wow!

Everyone in the hall was enraged when they heard that. They were already infuriated when Harold threatened them. They could not contain their rage when they heard what Zhang Jue had said!

" That Darryl is so despicable —"

" I never imagined Master Zhang, who is such a careful person, would also be tricked by him!"

Everyone was talking, and Zhang Jue smiled.

He chuckled inwardly.

Their acting was almost done, and it was time to call it quits.

When he realized that, Zhang Jue yelled angrily at Harold. " Darryl, if you still think you are a nobleman, release Lady Chang Er now and have a fair fight with me."

" Do you think I am scared of you?"

Harold's eyes sparkled as he responded loudly.

Harold was not worried at all. He had planned that with Zhang Jue, they were acting to deceive Gonggong and the rest.

Bang!

Zhang Jue did not waste time; he

leaped his body and flew toward Darryl.

" Zhang Jue, do you think you can defeat me?"

Harold released Chang Er. He roared and leaped forward to fight Zhang Jue, The internal energy released by Zhang Jue and Harold almost caused the sky to shatter!

Chapter 2745

Wow!

Everyone around them was worried when they saw that.

' Zhang Jue is taking action, not sure if he can defeat Darryl!'

At the time, no one realized that the two people in mid-air were only acting; they would not act on that!

Bang!

Zhang Jue and Harold fought a few rounds in mid-air, and in the blink of an eye, they saw Zhang Jue punch Harold. The latter screamed in agony, and his body flew backward.

" Zhang Jue, I will remember our feud today. I am not Darryl if I do not seek revenge!" Harold pretended to be furious, roared, and punched Zhang Jue. He took advantage of the opportunity when Zhang Jue was avoiding the attack and turned and left. In the blink of an eye, he had disappeared from everyone's vision.

Bang!

Zhang Jue was overjoyed to see Harold had vanished somewhere far away, but he slammed on the main hall's round pillars with an angry face.

" Damn it; the devil has fled. That will cause more problems in the future!"

Zhang Jue said pretentiously.

That ...

Gonggong and the others were taken aback when they saw that. They had no idea that after three years, Zhang Jue's power had become so terrifying. He defeated Darryl in such a short time. Gonggong was the first to regain her thoughts the next second. " Capture Darryl; no mistakes allowed!" she said to the guards.

After she said that, Gonggong walked forward and supported Chang Er. " Lady Chang Er, you must be terrified!"

" Greetings, Lady Chang Er!"

At that point, all of the ministers knelt and shouted together.

" Rise, everyone!"

Chang Er's red lip moved slightly, and

she raised her lovely hands, but her gaze remained fixed on Zhang Jue. Her mind and actions were no longer under her control after Zhang Jue used the Soul Extraction Technique on her. She could only obey Zhang Jue's commands.

When they heard that, Gonggong and the rest rose.

" Zhang Jue!"

At that point, Chang Er turned to face Zhang Jue and said, " You did an excellent job of saving me just now. I now appoint you as North Moana Lord, in charge of our armies and the continent."

" Thank you, Lady Chang Er!" Zhang Jue pretended to be excited when he said that.

" Thank you, Lady Chang Er!" Zhang Jue pretended to be excited when he said that.

Zhang Jue had ordered her to say that. He did want Chang Er to let him be the Emperor, but he had just rescued her. It would be too soon to nominate him a the Emperor.

Chang Er nodded and looked around her; then she said, " Send someone to distribute the invitation cards to all the main sects. I want to organize a Supreme Conference and select the strongest person in the Nine Mainland to be the North Moana Emperor!"

" Yes!" Everyone replied unanimously and quickly went to prepare, Zhang Jue chuckled inwardly. He smiled when he saw that.

It was also Zhang Jue's idea to organize the Supreme Conference. He was certain that he could defeat everyone at the Supreme Conference because he possessed the Sky Breaking Axe.

In just one day, most of the sects and cultivating families, royal families, and the others received the invitation that the North Moana royal family sent out about the Supreme Conference.

At the same time, the news about Darryl abducting Chang Er from the Holy Saint Sect and later being defeated by Zhang Jue had spread too across the community; everyone was discussing that incident.

The righteous image that Elysium Gate had built for so many years was destroyed in an instant

On the other end, Darryl had activated

the Wonder Travel Amulet as he held onto Diana. They felt as if everything in front of their eyes was in complete darkness. Their bodies floated lightly as they left Holy Saint Sect.

Darryl knew they were about to land when a ray of bright light appeared, but he did not know how long had passed.

Bang!

However, at that moment, Darryl felt pain in his body. He felt dizzy, as if the sky and earth were spinning! He had been injured by Lu Dongbin, then severely wounded by Tina, and finally, he forced his internal energy to activate the Wonder Travel Amulet. Even if Darryl had three heads and six limbs, there was no way for him to survive that.

Chapter 2746

Sh * t!

Darryl felt terrible as a strong dizzy feeling washed over him! Then everything in front of his eyes went dark, and he had no idea what happened next.

" Darryl!"

Diana shouted when she saw Darryl's condition. However, they were still in the midst of the teleportation, everything was pitch black, and they had no idea what to do.

Diana wanted to hold Darryl tightly, but the strong power used during teleportation kept them separated in the end.

Darryl slowly regained consciousness; he did not know how long he had been unconscious!

' Where am I?'

Darryl blinked his eyes open. When he saw what was in front of his eyes, he was instantly stunned.

He saw a bustling city as if he had returned to Donghai City. However, upon closer inspection, he discovered that the location was less developed than the World Universe. He was actually in the city's outskirts!

Sigh!

Darryl took a deep breath and pondered that

Only the World Universe, the Great East, and Mistloren have advanced technologies in the Nine Mainland. I must be in either Mistloren or Great East. '

Darryl was correct in his guess; he had been sent to Mistloren. They were in the Water Value City.

Darryl could feel the pain had left his body, but he was still a little weak.!

' I would not have been separated from Diana if I had not passed out during the teleportation. That's fine; I'll look for her in the city and figure out where I am."

Darryl walked toward the Water Value City as he mumbled in his heart!

When he entered a remote street, he noticed an old man surrounded by a few well-built men in black singlets. They were having a disagreement. All of those men were hideous; they were clearly not good men

The elderly man was in his sixties or seventies, and he was thin and frail. A young girl about 13 or 16 years old stood behind him.

Sigh!

Darryl walked forward when he saw that!

" Old Man, your son owes us money and has fled. What are your thoughts?" The leader of those men in black spoke coldly

Fabian Travis was a local gangster in Water Value City, and he was up to no good.

The old man shielded the young girl behind his back; his face was flushed as he said, " I don't know what you are talking about. If my son owes you money, you should go and get it from him."

That old man was Uncle Wick, and the young girl was his granddaughter, Sheryn. Both of them depended on each other; it was a difficult life! Uncle Wick's son had joined an expedition group in search of fortune in the Wild Deserted Secret Region and had vanished. Uncle Wick had no idea that his son owed money to anyone. Fabian laughed coldly. " Old Man, stop using that excuse with me. A father must repay the son's debt."

Fabian looked at Sheryn with evil eyes as he said, " Perhaps you can give your granddaughter to us, and we will write off the debt!"

A few followers behind him were about to dash forward to seize her as he spoke!

" Stop! My granddaughter is innocent!

Uncle Wick's face changed, and he stretched his arms to block those people.

" Get out of here, Old Man! " When one of those strong men raised his hand and swung forward, Uncle Wix fell flat on his face!

The rest of the men began scolding Uncle Wick as they punched and kicked him!

" Old b * stard! "

" Your son owes me so much money, " Fabian said, his face contorted." It is a win for you that I am letting you use your granddaughter to pay off the debt. How dare you not appreciate it! " As he spoke, he was about to pull Sheryn!

Sheryn was terrified, and she could not stop crying as she yelled, " You all are bad people! Stop hitting my grandfather! Do not hit my grandfather ..."

Darryl was enraged when he saw that and yelled angrily, " Stop, all of you!" Darryl wanted to mind his own business, but what happened enraged him. ' Bullying old people and children; are they still human?'

Wow!

When Fabian and his followers heard that, they all came to a halt, and their visions fell on Darryl.

Fabian glared at Darryl. " Where did you come from? That is none of your business! Get lost!"

Chapter 2747

" You bully an old man and a child; aren't you ashamed of yourselves?" Darryl said as he stood in front of Uncle Wick.

Fabian was stunned, and then he smiled coldly.

At the same time, a few disciples stood behind him and yelled angrily.

" Young Man, do you know who you are talking to?"

" How dare you interfere with Brother Fabian's business? Too bored to stay alive?"

" Get lost immediately!"

The few men walked forward, dashed toward Darryl, and swung their fists as they yelled angrily!

Darryl maintained a calm demeanor as he asked Fabian, " How much does that uncle's son owe you? I will repay on their behalf.

What?

When Fabian and his gang heard that, they could not help but laugh.

" This guy said he is going to pay for them? "

" Look at him; will he be able to pay? "

" I'm afraid he is just a crazy man! "

Fabin's face was filled with ridicule, but he still opened his mouth and said,

" Not much, it's only 500 thousand bucks. If you have the money, young man, give it to me as soon as possible, Don't blame me if you dare to fool me! " Five hundred thousand?

Darryl furrowed his brows; he took out an inner core and handed it to Fabian. " This inner core is enough to repay the debt; it's worth more, so stop troubling them in the future."

Darryl waved his hand and smiled before finishing his sentence. " Uncle Wax, don't worry, 500 thousand bucks is not a lot to me. I can afford it."

Darryl had taken a few inner cores from Tina when he searched her at the Holy Saint Sect

" It is just a shattered marble ..." Fabian took the inner core and mumbled; he could not help but exhale coldly! That is the inner core of an enchanted beast

Even though Fabian was a gangster, he was also a cultivator. He could feel a Martial Saint inner core in his hand. He could make a lot of money if he sold it.

' Who is he?'

Fabian stared blankly at Darryl; he was utterly stunned.

" So? Is it enough for the debt?" Darryl asked as he saw how Fabian's emotion had changed

Sigh!

Fabian took a deep breath as he checked out Darryl again. " Young Man, what is your name? Where do you come from?"

He had a poor appearance, but he could extract a martial saint's inner core, so he must not be an ordinary person.

Darryl smiled calmly. " You have taken the money, so you don't have to care about who I am!"

" Alright!"

Fabian did not insist when the other party refused to reveal his identity. He looked at Darryl again then before he ordered his followers to leave.

However, when he turned around, his

eyes shone with malice.

" Sir!"

Uncle Wick thanked Darryl with tears shortly after they left. " You are a good person; I don't know how to repay you!

II

Darryl smiled." That's nothing, Uncle. You don't have to repay me! "

At the same time, Darryl glanced at Sheryn. He was stunned instantly He realized that Uncle Wick's granddaughter was gorgeous. At one glance, Darryl almost felt like it was the first time he saw Jewel. However, her eyes looked hollow and lost!

" Her eyes, she can't see?"

Darryl's heart clenched; he felt an unknown sadness.

" Thank you ..."

Sheryn was grateful. Her eyes looked at Darryl; there was no movement at all.

Chapter 2748

" Young man!"

Feeling Darryl's stare, Uncle Wick smiled bitterly, his face full of sorrow when he said, " Excuse me, my granddaughter was born handicapped; she could not see! Sigh ..."

Uncle Wick smiled bitterly, his face full of sorrow as he said, " Excuse me, my granddaughter was born handicapped; she could not see!" Then, he sighed. Uncle Wick wiped away his tears of sadness as he spoke!

" Do not cry, Grandfather," Sheryn said as she patted Uncle Wick's shoulder. II Even though I can't see, I can still take care of you when I grow up ... Darryl felt incredibly touched when he saw that.

' Such a kind little girl!

Darryl took a deep breath and asked," Uncle, I have some medical knowledge; if you are willing, I can take a look at her?"

He had learned medicine skills from the Divine Farmer, and he did mention treatment for loss of vision.

' ' What? "

Uncle Wick was stunned; he then replied delightedly," Really? " Darryl nodded and asked Sheryn,' What is your name? May I help to heal your eyes? " Darryl had been separated from Diana during the teleportation, and he was not supposed to be there for long. However, when he saw how pitiful Sheryn was, he could not help

but feel bad for her.

" My name is Sheryn! "

Sheryn said," However, there was a fairy sister who said she would cure me too! "

Fairy sister?

Darryl was stunned!

Uncle Wick smiled bitterly and said, "Half a month ago, Sheryn was playing in the woods. She met a female warrior, and the female warrior wanted to cure Sheryn. She wanted to be Sheryn's master. Then, she left to look for ingredients for the medication. She had not returned after that. "

That happened?'

Darryl furrowed his brows discreetly.

Uncle Wick laughed when he saw Darryl's reaction. " Perhaps that female warrior was only joking. Oh, yes! We stay not far away from here. If you don't mind, please come and take a rest!"

Right!

Darryl nodded and let Uncle Wick lead the way

When they arrived at a broken garden in the suburbs, Darryl turned to Uncle Wick and said, " Uncle Wick, I will treat Sheryn in the room; please keep an eye on the door and do not let anyone disturb me."

Darryl needed to activate his internal energy to cure Sheryn's eyes. Although Uncle Wick was a good person, Darryl did not wish to let him know he was a cultivator!

It was embarrassing for the Elysium Gate Sect's Sect Master to be seen in such poor condition!

Right!

Uncle Wick nodded. However, at that precise moment, a clear voice called out from the garden. " Uncle Wick, are you there?"

The voice was gentle and soft, but it carried a strong aura!

Darryl turned around and was stunned. He noticed a couple of ladies walking over slowly. A lady in a long white gown led them; she had exquisite facial features and an elegant aura. She was someone he had met once the Jade Sect's Sect Master, Zoey Jenn! Darryl had gone to Mistloren to be the Box family's bodyguard to obtain the Dragon Essence. He obtained the Dragon Essence eventually after many

challenges, but he was attacked by the Box family and the elite members of the community, one of whom was Zoey. Darryl had excellent memories; even though he had only met her once, he recognized her.

Sh * t!

Darryl was surprised. The fairy sister Sheryn mentioned was the Sect Master of the Jade Sect.

'! Warrior? You're here! " Uncle Wick said happily; he was stunned. He thought Zoey was only joking; he did not expect her to return after half a month!

Sheryn was delighted too; she shouted, " Fairy Sister! " Even though she could not see, she could still hear Zoey's voice, Right!

Zoey nodded toward Uncle Wick and his granddaughter. Her vision landed on Darryl next. " Who is that?"

Half a month ago, Zoey happened to pass by Water Value City and see Sheryn; she thought she was cute and intelligent, but her background was so pitiful that she decided to take her as a disciple and cure her eyes.

However, Zoey would need many special herbs and medicine to heal Sheryn. So, she had been everywhere to look for those ingredients, She rushed forward immediately after she had found all the ingredients.

Chapter 2749

" We owe a lot to that young man!" Uncle Wick said and then shared what had happened earlier! Sigh!

Zoey sized up Darryl after she knew the truth. " I think I heard you say that you could heal Sheryn's eyes?"

Zoey looked calm, but her eyes looked doubtful.

The community is dangerous, and this person here, even though he helped Uncle Wick in dealing with the gangsters, who knows what his true intentions are? Besides, based on his attire, he does not appear to be a medical professional

Uncle Wick sensed that something was wrong, He opened his mouth, but he did not know what to say.

" Yes!" Darryl looked calm as he replied to Zoey

As he spoke, a few female disciples

who stood behind Zoey laughed.

" This person is so interesting!"

" My master spent half a month looking for herbs and medicine to cure Sheryn's eyes. You made it sound so simple!"

" It is obvious he is a fraud!"

Darryl did not know whether to laugh or cry when he heard the humiliating laughter from the female disciples.

' My condition is rather embarrassing, but that does not mean I am a fraud.

" Please leave immediately! " Zoey said to Darryl; her tone was cold and undeniable

Since she had decided to take Sheryn as her disciple, she must heal her eyes. As for Darryl, no matter his intentions, she would just chase him away.

That ...

Uncle Wick felt terrible, but he dared not say anything when he saw Zoey's icy cold facial emotion!

Darryl did not waste any time. He smiled, turned around, and walked out of the room!

" Since Zoey wanted to cure Sheryn, I will let her do it. I can save my effort. Just as he went outside, he heard the few female disciples' soft discussion.

" There is more fraud in the community now!

" That's right, just like the Elysium Gate Sect. For so many years, they have been helping the weak and upholding fairness in society. In the end, the Elysium Gate Sect Sect Master, Darryl, not only humiliated Lady Chang Er, but he also wanted to be North Moana Emperor. How dare he!"

" Master is so kind that she let that person just leave like that. I'd have interrogated him!"

The few female disciples' voices were really soft, but Darryl could hear them clearly

At that moment, Darryl was furious. Zhang Jue made someone pretend to be him and abducted Chang Er. Then he intentionally spread rumors, and it seemed like the news had reached Mistloren.

Darryl did not know that Zhang Jue's trap had completely destroyed Elysium Gate Sect's reputation in the Nine Mainland)

Then, in the room, Zoey took out a dozen types of herbs and medicine and

started to treat Sheryn's eyes,
Sigh!

After a few seconds, Darryl regained his thoughts and was about to leave. However, when he saw the situation in the room, he furrowed his brows instantly. "Sect Master Jenn, Sheryn will not be able to see with your treatment. She will get worse." What?

Zoey furrowed her beautiful brows when she heard that; she was not happy.

She was the Jade Sect's Sect Master, but a simple nobody had commented on her. No one could stand that. At that moment, the female disciples shouted.

"Why haven't you left?"

"How dare you question our master's medical skill?"

"There is definitely something wrong with that person; why don't we capture him?"

The female disciples started to activate their internal energy and surrounded Darryl.

Darryl furrowed his brows discreetly when he saw the female disciples charging toward him. Those people from the Jade Sect are really too arrogant. They had chased me away earlier, and now they refuse to let me speak? "

Chapter 2750

"Stop! All of you! "

Zoey yelled softly at the most critical moment, even though her voice was not loud, but it was stern.

As the Sect Master of Jade Sect, Zoey was arrogant. The person in front of her was a nobody from the community. If one were to know that disciples from Jade Sect had bullied someone, everyone would laugh at them. The female disciples came to a halt as she spoke, but their gazes remained fixed on Darryl.

"Mister from the neighborhood! I picked all these herbs especially to heal her. Why did you say they are useless?"

Zoey's beautiful brows lifted as she said that to Darryl.

Zoey's face was calm, but her eyes were filled with rage as she said that. After she finished speaking, one of the female disciples took a step forward and stared at Darryl. "Do not speak

nonsense if you don't know anything, understand?"

The female disciple was Reddy Steeves, Jade Sect's Senior Sister and Zoey's favorite disciple. She was fierce and hated frauds!

Darryl smiled, then sighed discreetly.

He had examined Sheryn's eyes earlier. Based on her situation, he needed to join the nerves in her eyes. She did not need herbs at all.

" Sheryn's eyes were born defective, so herbs and medicine will not work. Given her young age, those medicines would only make her situation worse." Darryl looked calm when he said that casually

Reddy was furious; she pointed at Darryl and shouted, " Do you think your medical skills are excellent then? Better than my master's?"

Zoey did not react; she looked at Darryl. " May I know who you are?" That person sounded so determined; he must be someone extraordinary, Sigh!

Darryl sighed and replied, " I am only a nobody from the community with some medical skill!" Darryl wanted to reveal his identity and said that he was Elysium Gate Sect Master. However, when he considered Reddy and the other female disciples ' discussion, he hesitated.

Zhang Jue got someone to impersonate Darryl and destroyed Elysium Gate Sect's reputation. Darryl and Elysium Gate were in a huge debatable situation. Under such circumstances, Darryl decided to stay low.!

Tsk, tsk!

After he spoke, Reddy was the first to laugh; her eyes were filled with ridicule." After all is said and done, you are just nobody! "

All of the other female disciples laughed too!

" How dare you challenge our master?"

" Just a clown ..."

" I think he is only seeking attention. This type of person is the most annoying kind ..."

Uncle Wick could not stand it anymore. He walked forward and said to Darryl, " Young man, you have to stop talking!" Even though Darryl had helped him earlier, compared to Zoey, the Jade Sect's Sect Master, Uncle Wick's

confidence was more inclined toward the woman
Darryl smiled and said, " It is merely a suggestion. It is your right if you insist on letting her cure Sheryn's eyes, However, don't blame me if something went wrong later!"

Uncle Wick was stunned,
Slap!

Reddy was furious. She walked forward quickly and slapped Darryl.

" You are still speaking nonsense. My master is the Jade Sect's Sect Master, and she had excellent medical skills. How dare someone like you compare yourself to her? Let me warn you, if you continue to speak nonsense, I will get rid of you!" Reddy had used her strongest energy on that slap. The corners of Darryl's mouth had bled from the slap!

Reddy was the Jade Sect's Senior Sister, and she was hot-tempered. She respected her master the most. When she heard Darryl doubted her master's medical skills, Reddy could not control it anymore.

She wanted to kill Darryl. However, her master was there, so Reddy was forced to control herself for the sake of the Jade Sect's reputation. So, she could only slap Darryl.

" From now onward, if you dare to speak any other nonsense, I will kill you," Reddy said coldly as she pointed at Darryl.

Uncle Wick was incredibly terrified when he felt Reddy's strong aura. He wished to stop her, but he did not have the courage!

Sh * t!

Darryl furrowed his brows discreetly; he could feel his face burning,
