

Chapter 681 Sorry for the Shock, Mr Chu

At Hongxing Restaurant.

Everyone waited in silence.

Although everyone was terrified, no one dared to make a peep.

Zeng Hai-Tao lay on the ground with blood on his face and was afraid even to stand up.

Lu Hong and Qiu Huan's faces had turned pale and lost all color.

Waiting around like this made them even more terrified and frantic.

Qiu Huan and Lu Hong Ye Fan themselves didn't believe what Ye Fan said.

Chapter 681 Sorry for the Shock, Mr Chu

In their opinion, Ye Fan was only saying it to delay things.

But there was nothing it could do to change their fate.

After all, Ye Fan was merely a live-in husband. How could he be acquainted with Master Lei San?

Their statuses were as vastly different as the moon and a firefly.

So there was no way they would have bought it.

Time crept by slowly like sand slipping through their fingertips.

During this time, Sun Jian-Hao kept looking at Ye Fan as he stood encircled

Chapter 681 Sorry for the Shock, Mr Chu

by his men.

He wanted to 'admire' Ye Fan's look of despair and terror.

But he was sorely disappointed.

The sight that he longed for didn't surface the entire time.

Instead, Ye Fan kept standing there calmly.

There was even an indifferent smile on his handsome face.

He seemed as composed as a still lake. Even with the impending storm, not a single ripple crept across him.

"Brat, pretty good at pretending, aren't

Chapter 681 Sorry for the Shock, Mr Chu

you? When your time is up, let's see how you will go on with the pretense," sneered Sun Jian-Hao unhappily. Then he opened his mouth to eat the grapes the woman in his arms was feeding him.

He looked so leisurely that he seemed like a tyrant.

Time was finally up.

Sun Jian-Hao raised his head and towered over Ye Fan as he said, "Brat, your ten minutes are up. Tell me, how do you want to die?"

His cold voice rang quietly.

Everyone shook their heads as they sighed.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 681 Sorry for the Shock, Mr Chu

It appeared no miracle was happening tonight.

In an instant, everyone gazed at Ye Fan pitifully.

But just as the show was up, there was a loud bang.

The restaurant door suddenly opened.

All the patrons immediately gasped in astonishment.

Everyone stared at the door wide-eyed.

“This...”

“Could it be...?”

Even Sun Jian-Hao was so startled that

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 681 Sorry for the Shock, Mr Chu

he tumbled out from this chair.

He howled in his heart.

Crap!

No way!

Just as everyone in the restaurant stared in shock, a husband and wife barged in.

“Hmm?”

“What?”

“Why is everyone...looking at us?”

“We aren’t baddies. We’re just here to eat.”

Chapter 681 Sorry for the Shock, Mr Chu

The husband and wife that just came in were clearly startled by the sight. If they didn't know better, they would have guessed that they had accidentally stumbled upon a robbers' den.

The atmosphere went into a deathly three second silence.

Three seconds later, an angry shout rang through the air.

“Darn! Beat this asshole up! Good heavens I nearly died from fright,” shouted Sun Jian-Hao before he burst out laughing.

After all that, it was just a false alarm.

Sun Jian-Hao honestly thought his brother-in-law had come.

Chapter 681 Sorry for the Shock, Mr Chu

But from the looks of it now, he was just imagining things.

After the slight shock, Sun Jian-Hao didn't want to delay Ye Fan's execution any longer, so he waved his hand.

He pointed at Ye Fan and said coldly, "Kill him!"

At the drop of Sun Jian-Hao's voice, the doors and windows around them instantly blew up in unison.

Dozens of armed police with real weapons flooded in like a tsunami.

The sudden turn of events scared many to their wit's end.

They screamed as they covered their

Chapter 681 Sorry for the Shock, Mr Chu

heads and lay prone on the ground.

Sun Jian-Hao was so petrified that his eyes nearly popped from their sockets.

“Wh-what are you doing? My brother-in-law is Lei San!”

Sun Jian-Hao’s terrified voice echoed through the air.

A car pulled up a hundred meters away.

A big and tall man dressed in a police uniform sat calmly in the car as though he was waiting for something.

Then soft voices came from the walkie talkie very soon.

“Squad one is in position!”

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 681 Sorry for the Shock, Mr Chu

“Squad two is in position!”

“Squad three is in position!”

“Snipers are in position!”

His men reported their positions one after another until all of them were in place. Then the man nodded.

“Good. Await your orders!” said Wu Zhi-Ming deeply.

Then he made a call.

“Master Lei, everything is in order. You can go in now.”

“Thanks, Chief Wu,” thanked Lei San over the phone.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 681 Sorry for the Shock, Mr Chu

“You’re too kind. It was my duty,” replied Wu Zhi-Ming deeply.

Wu Zhi-Ming hung up the phone too.

Wind gusted behind him while leaves swirled in the air.

The world fell into silence.

Hongxing Restaurant was in complete chaos inside.

Sun Jian-Hao was so terrified that he trembled nonstop.

He couldn’t wrap his mind around why armed police would suddenly turn up.

Did he get into huge trouble again?

Chapter 681 Sorry for the Shock, Mr Chu

“Sir...Sir, I’m a good guy. I’m Master Lei San’s brother-in-law. What are you doing here?” said Sun Jian-Hao in a bitter voice fearfully.

“Shut up. Lie down, everyone!” shouted one of the cops angrily. Then Sun Jian-Hao’s face turned paler.

His subordinates, who kept swaggering around, didn’t dare to make a peep now as they covered their heads and lay down on the ground.

The restaurant door opened, and a middle-aged man trotted in anxiously.

“San...San? San, perfect timing. Help me! These people must be blind for catching your brother-in-law!”

Chapter 681 Sorry for the Shock, Mr Chu

Sun Jian-Hao ran over as though he was a drowning man pulling at the last reed standing in the river when he saw Lei San.

But Lei San didn't give a hoot about him and slapped him right away.

With a thud, Sun Jian-Hao got slapped so hard that he lost two of his front teeth and blood kept dripping from his mouth.

After Lei San slapped Sun Jian-Hao so hard that he flew away, he scoured the place until he spotted the skinny silhouette. Then he didn't stay on with Sun Jian-Hao.

He ran right over in sheer panic and regret and bowed nonstop.

Chapter 681 Sorry for the Shock, Mr Chu

“Mr Chu, sorry I’m late. Sorry about all the shock you got into.”

What?

Everyone fell into a complete silence!

They stared hard when they heard Lei San.

Lei San’s words struck them like lightning bolts and instantly caused a tsunami in their hearts.

Not a soul dared to utter a word!

Sun Jian-Hao was dumbstruck.

His eyes constricted as he stared petrified!

Chapter 682 Curtain Fall

Lei San's reverent voice was still echoing through the restaurant.

But everyone in the restaurant was dumbstruck.

Lu Hong opened her eyes even bigger.

Qiu Huan found it inconceivable.

Zeng Hai-Tao's eyes nearly popped out of their sockets as he lay on the ground.

"Is...is that really Master Lei San?"

Everyone exclaimed in surprise.

Even the patrons were in shock, never mind Sun Jian-Hao, who had gotten slapped to one side.

Chapter 682 Curtain Fall

Sun Jian-Hao was dumbstruck at the sight he had just witnessed.

His mind went blank.

A cold air coursed through his heart swiftly and his body trembled.

He looked at Lei San before looking at Ye Fan and wailed in his heart.

Did Sun Jian-Hao honestly provoke a big shot?

Lei San ignored everyone's reaction.

His heart was filled with panic and remorse as he kept apologizing to Ye Fan nonstop, "Mr Chu, such a terrible thing befell you on your first trip here. I am very guilty and regretful about it. But

Chapter 682 Curtain Fall

don't worry, I will give you a satisfactory answer for what happened today.”

“Really?” laughed Ye Fan coldly. “Lei San, I'd like to see how you plan on answering for it.”

Ye Fan's cold voice left cold sweat oozing from Lei San's forehead.

But even then, Lei San kept smiling as he replied, “Mr Chu, Sun Jian-Hao has honestly committed so many unconscionable deeds that it's hard to list them all! I wanted to punish him long before you arrived at Jingzhou. I can't answer to the citizens of Jingzhou if I don't get rid of scum like him. I didn't think that I would be one step late and end up giving him the chance to offend Mr Chu. But this is the last time he

Chapter 682 Curtain Fall

commits such mistakes. I notified Chief Wu Zhi-Ming before I came. Chief Wu has already gathered all evidence of his crimes and will apprehend him today. This time, I will definitely make sure he gets the death sentence.”

Lei San kept saying angrily.

Sun Jian-Hao’s face turned pale when he heard these words

He finally realized why so many cops suddenly barged in.

So they were here for him.

Sun Jian-Hao immediately cried as he ran over to yank Lei San by the arm and bawled as he begged, “San, you can’t send me to die! You can’t! I’m your

Chapter 682 Curtain Fall

brother-in-law! I'm my sister's biological brother and her only little brother! San, you have to save me. You can't kill me!"

After seeing all these cops, Sun Jian-Hao realized that his brother-in-law wasn't joking.

Sun Jian-Hao panicked and kept imploring when he heard that Lei San was going to execute him.

"Go to hell! What brother-in-law? My wife is an only daughter. How could she have a little brother? You aren't my bloody brother-in-law! Get lost! You foolishly offended Mr Chu today, so no one can bloody save you!"

In order to sever ties with Sun Jian-Hao, Lei San refused to acknowledge him.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 682 Curtain Fall

He kicked Sun Jian-Hao to the ground.

Wu Zhi-Ming came in from outside. He waved his hand, and the cops handcuffed Sun Jian-Hao and took him away.

“San, help me! Help me! I can’t die! I’m my sister’s only little brother! You have to save me, San!”

Sun Jian-Hao’s tragic howl came from the distance.

Lei San’s face twitched. In his heart, he couldn’t wait to kick Sun Jian-Hao to death. This animal really didn’t have enough of sabotaging him.

“Mr Chu, don’t listen to this animal’s nonsense. I detest people who commit

Chapter 682 Curtain Fall

evil deeds. If I had such a brother-in-law, I would have sent him to jail for reformation. How could I allow him to go out and commit all these outrageous acts?" said Lei San as he chuckled.

Ye Fan remained expressionless. Then he replied coldly, "I don't care if he's related to you. I only care about whether you will actually answer for his acts. He offended me and even coveted my aunt. Lei San, I'll be honest with you here. If you can't handle him, I will. Then Sun Jian-Hao won't be the only person who dies!"

HUUUUU!

A cold wind gusted in through the broken doors and windows as it howled.

Chapter 682 Curtain Fall

Lei San's shivered while a cold sweat broke on his back.

He could detect the warning in Ye Fan's words!

Even if Ye Fan didn't say a word, Lei San understood what he was driving at.

Ye Fan was clearly warning Lei San that if he dared to protect Sun Jian-Hao, the Lei family would perish with him!

"Don't worry, Mr Chu. It's just one brat, I can definitely handle it. Mr Chu can wait with peace of mind. I will notify you to view his execution by shooting when it's happening. Chief Wu is here too. If you don't believe me, you can certainly believe him, right? Hahaha," said Lei San as he forced a smile. He was

Chapter 682 Curtain Fall

determined this time.

He couldn't let Sun Jian-Hao live anymore.

Very quickly, the crowd left.

And Hongxing Restaurant was calm again.

Lu Hong and Qiu Huan regained their freedom too.

But both their faces remained pale, and they were unable to calm down.

“Auntie Huan, it's fine now. Everything has been handled. How about this? Why don't you take Jingjing and go home first? Chief Wu wants to buy me dinner. Since he helped us, I can't turn him

Chapter 682 Curtain Fall

down and have to stay to thank him,” consoled Ye Fan as he walked over.

“Okay...okay. Fan...Fan, go on then. Don... Don’t worry about us,” replied Qiu Huan fearfully.

It felt surreal when she thought about the events that had transpired.

Qiu Huan found her niece’s husband somewhat foreign now when she looked at him again. She even almost wanted to speak more deferentially to him.

Lei San respected him so much, and Chief Wu treated him like an important guest. No matter how dumb Qiu Huan was, she could tell that Ye Fan was probably extraordinary.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 682 Curtain Fall

After Ye Fan told Qiu Huan to go back, Lu Wen-Jing said unhappily, “No way, Fan. I’m not leaving. You haven’t finished celebrating my birthday with me. I want to eat with you.”

“Jingjing, stop it. Get over here!” said Qiu Huan. She was dumbstruck when she heard her daughter.

Both Lei San and Wu Zhi-Ming were big shots.

Wu Zhi-Ming was the police chief, and Lei San was the King of Jingzhou!

How could their family be held responsible if her daughter provoked important men like them through her willfulness?

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 682 Curtain Fall

Qiu Huan panicked and hurriedly ran over to pull her daughter back. Then she hung her head and apologized, “Chief Wu, Master Lei, I’m s-sorry. It was rude of her to say that. She’s a kid who doesn’t know better, so please don’t take it to heart.”

Cold sweat was already dripping from her forehead.

Instead, Ye Fan smiled and said, “Auntie Huan, why are you apologizing? Jingjing was right. It’s her birthday today, so she’s the most important person today, and we will all do as she says. Jingjing, come with me, I will bring you for a sumptuous dinner and finish your birthday celebration,” said Ye Fan indulgently.

Chapter 682 Curtain Fall

“Fan, that won’t do. Master Lei and Chief Wu are both such important people. How can a kid like Jingjing sit with you while you eat and discuss important matters?” said Qiu Huan with her voice trembling and face pale.

She was worried that she might trigger Lei San and Wu Zhi-Ming if she said the wrong things to this big shots.

Wait! I Have Something to Say!

Send a Gift to the Writer!

Chapter 683 Ye Fan's Warning

“Haha! Just listen to what you’re saying. Jingjing is Mr Chu’s little sister, so even if she were to eat with provincial leaders, no one would dare to say anything,” said Lei San hurriedly as he smiled when he heard Qiu Huan’s concerns.

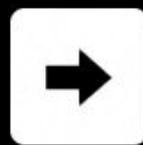

Wu Zhi-Ming chimed in and added, “He’s right. She’s such an adorable girl, so I’m sure she will grow up to be lovely.

Jingjing, right? Jingjing, shall I join in for your birthday celebration just like Fan?”

Wu Zhi-Ming even bent over to tease Lu Wen-Jing as he spoke.

He also ordered his subordinate to go get her a gift.

Wu Zhi-Ming’s actions reminded Lei San

Chapter 683 Ye Fan's Warning

of the fact.

“Sigh! Look at how forgetful I am! I just kept thinking about having dinner with Mr Chu and forgot about getting Jingjing a gift! Jingjing, tell me, what would you like? I can get Ao-Ting to get it for you,” said Lei San as he slapped his head and asked the young lady.

He was so kind and genial that he didn't resemble a local big boss at all. Instead, he resembled a kindly old man.

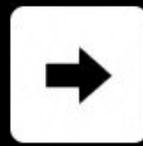

Qiu Huan was dumbstruck by the sight.

She felt absolutely flattered by them.

She would never have dreamt that big shots like Lei San and Wu Zhi-Ming would be so kind to her daughter and

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

even want to celebrate her birthday!

No one else in Jingzhou could get this sort of treatment!

Qiu Huan was naturally excited and nervous and utterly honored by their gesture.

The more Lei San and the others acted this way, the more puzzled and shocked Qiu Huan was in her heart.

She was keenly aware that her daughter only enjoyed such treatment wholly because of Ye Fan.

But it was a mystery why Ye Fan surprisingly commanded so much respect from Lei San and the others.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

Ye Fan took Lu Wen-Jing's hand and slowly went upstairs while Qiu Huan stood in shock and bafflement.

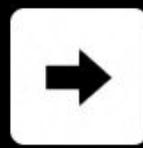

"Erm... Fan, I'm your cousin too. Can... can you take me along?" asked Lu Hong from behind with a hesitant voice.

Her eyes were filled with anticipation as she awaited Ye Fan's response.

After all, if she could get connected to Lei San and Wu Zhi-Ming, she would have a bright future in Jingzhou from now on.

But no one replied her.

Ye Fan turned a deaf ear and went upstairs with Lei San and Wu Zhi-Ming without turning back.

Chapter 683 Ye Fan's Warning

Only Lu Wen-Jing's melodious laughter could be heard.

In an instant, Lu Hong's face blushed, and felt utterly embarrassed.

Lu Hong initially surmised that Ye Fan wouldn't reject her on account of Lu Wen-Jing and Qiu Huan.

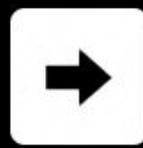

But she had clearly overestimated herself.

Ye Fan didn't give a hoot about Lu Hong.

But Lu Hong couldn't blame Ye Fan for it.

She deserved this.

Lu Hong immediately felt regretful at

Chapter 683 Ye Fan's Warning

the thought.

She regretted despising and targeting Ye Fan.

“Sigh!”

“Your daughter is so lucky!”

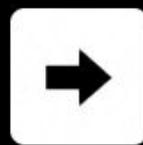

“Even Master Lei San is celebrating her birthday with her!”

“She’s the only person in Jingzhou who gets to enjoy that!”

“That’s so impressive!”

“When your daughter grows up, she will have a bright future.”

After Ye Fan went upstairs with the

Chapter 683 Ye Fan's Warning

others, all the other patrons looked at Qiu Huan and congratulated her enviously.

Qiu Huan happily thanked them profusely.

Qiu Huan smiled so radiantly that it left a bad taste in Lu Hong's heart.

She could have had the chance to eat with them.

But she sadly narrowly missed this glorious opportunity by despising Ye Fan.

In the private room upstairs.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

It was Wu Zhi-Ming's first time seeing Ye Fan, so he introduced himself.

Ye Fan nodded and said, "Thanks so much for the help today, Chief Wu."

"Mr Chu, you're too kind. It's my responsibility to weed out the wicked and make sure the citizens live in peace! Instead, I have failed my duties by allowing Mr Chu to encounter such a mishap after you got to Jingzhou. I will drink three glasses of wine as a show of apology," said Wu Zhi-Ming readily.

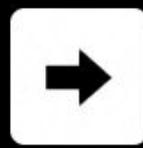

Ye Fan didn't stay for dinner for long.

After all, they didn't have anything urgent for him.

They merely chatted randomly and

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

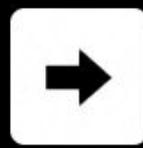

politely invited him to their homes for dinner.

Since Ye Fan was eager to return home, he rejected them politely.

Very quickly, Lei San personally sent Ye Fan and Lu Wen-Jing back to her estate.

“Mr Chu, I’m off. I will take care of Sun Jian-Hao’s matter. Contact me if you need me,” said Lei San as he waved from inside the car.

Ye Fan nodded. He especially told Lei San before he left, “Master Lei, a wicked person is sure to bring destruction to himself. Even if the Lei family runs Jingzhou, if you allow your men to commit outrageous acts, I don’t mind changing up the situation here. Do you

Chapter 683 Ye Fan's Warning

understand?”

“I...I understand,” said Lei San as he trembled and nodded quickly.

Then Lei San watched reverently as Ye Fan went upstairs.

Lei San only heaved a long sigh after Ye Fan left.

Although Lei San only exchanged a few words with Ye Fan, cold sweat had broken out all over his back.

Lei San knew that Ye Fan was a ruthless man!

Ye Fan killed the King of Boxing from Jiangnan with a single punch!

Chapter 683 Ye Fan's Warning

He trampled the Zhao family from Jiangdong under his feet.

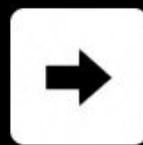

Even the Meng family that Zhao Wu-Ji dared not offend had been completely bankrupted by Ye Fan.

Ye Fan was simply terrifyingly formidable!

Of course, Lei San was anxious now that his brother-in-law had offended Ye Fan.

So Lei San called Wu Zhi-Ming on his way home.

“Master Lei, are you really not scooping your brother-in-law out?” asked Wu Zhi-Ming to confirm.

Chapter 683 Ye Fan's Warning

Lei San momentarily hesitated before he nodded gravely and replied, "Chief Wu, just do as the law decrees and don't worry about me. He asked for it and has no one to blame."

HUUU!

The cold wind gusted wildly as the car sped. After hanging up the phone, Lei San shut his eyes and rested without saying a word.

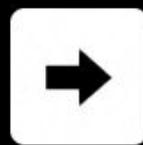

Lei Ao-Ting's mother, Sun Li, was already waiting for them when they got home.

After Sun Jian-Hao got arrested, he called his older sister, Sun Li, for help.

So the moment Sun Li caught sight of

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

Lei San, she knelt with tears in her eyes.

“San, I know it was my fault for not teaching Jian-Hao well, so he ended up making such a huge mistake. But no matter the crime, he doesn't deserve death. San, please give him a chance. Please give him one more chance. I promise it will be the last time. I will definitely keep an eye on him and stop him from causing trouble,” begged Sun Li bitterly.

Lei San was furious. Then he laughed and said, “Sun Li, don't you think your promises are nothing but a joke? You've said the same thing to me time and again, but look what happened?”

“San, I mean it this time. I will really...” bawled Sun Li.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 683 Ye Fan's Warning

But Lei San couldn't be bothered with her and kicked Sun Li aside right away.

He roared, "Damn! I've had enough of you! Do you still want to save that dumb little brother now? I tell you, you can forget it. Mr Chu is furious, so your brother has to die, and even the gods can't save him."

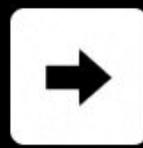

Rate the Translation to Get 2 Pearls.

Wait! I Have Something to Say!

Send a Gift to the Writer!

Chapter 684 No Matter What You Experience in Life, Keep...

“Also, don’t you know how you, your little brother, and your family got everything you have now? The Lei family and I gave it to you! But you want me to forsake my clan’s survival to save that animal? Do you think I would do that? You don’t have to keep forcing my hand. If you want to get divorced, then go ahead. No matter how powerful my clan is, I can’t afford to marry a woman who only cares about scooping out her useless brother all the time. If you want to kill yourself, be my guest. Just don’t kill yourself in the Lei residence,” said Lei San as his shouting echoed through the halls.

Lei San was completely furious now.

He didn't think that this idiotic wife of his would still want to save her little

brother.

She was absolutely hopeless!

“Mum, get up,” said Lei Ao-Ting as he broke his silence and walked over to help his mother up gently.

Sun Li held onto Lei Ao-Ting as though he were her last hope as she trembled and said, “Ao-Ting, talk to your father and tell him not to kill your uncle. He’s your uncle! He can get jailed, but he can’t get executed! He’s my mother’s only son. If he died, she wouldn’t be able to take it!”

Lei Ao-Ting shook his head and sighed when he saw his mother like this.

“Mum, if it was anyone else Uncle Jian-

Hao offended, he might still stand a chance to live, but he provoked Mr Chu this time. If he doesn't die, then Dad and the Lei family will perish instead. Mum, you only care about Uncle Jian-Hao and Grandma, but have you thought about Dad and the Lei family? Dad isn't a god, and the Lei family certainly can't do as it pleases. Even the Lei family has to bow to Mr Chu, so just accept the situation," said Lei Ao-Ting slowly before he left to go back to his room.

This time, even he thought his mother had crossed the line.

Sun Jian-Hao was eventually brought to justice and sentenced to death by the court.

Countless Jingzhou residents

Chapter 684 No Matter What You Experience in Life, Keep...

applauded when they heard the news.

“Awesome!”

“He finally got his just deserts!”

“Fantastic, he got his comeuppance!”

“Haha!”

Many people were overjoyed.

Of course, that’s a story for another time.

Ye Fan prepared to leave after he sent Lu Wen-Jing home.

After all, Lu Wen-Jing’s birthday was over, and Ye Fan completed his wife’s mission, so he had no reason to stay.

Chapter 684 No Matter What You Experience in Life, Keep...

But Lu Wen-Jing refused to let Ye Fan leave. She begged Ye Fan to stay one more night with tears in her eyes.

“Fan, since Jingjing keeps asking, why don’t you stay for one more night? Also, it’s getting late. Even if you rush to the bus station, you won’t make it in time for the last coach,” persuaded Qiu Huan.

Of course, she was happy for Ye Fan to spend one more night here.

Ye Fan was an extraordinary man, so the closer her daughter was to him, the happier Qiu Huan was.

Ye Fan instantly shook his head helplessly as he looked at the girl cry and said, “Alright, alright, Jingjing, stop crying. I will stay one more night like

Chapter 684 No Matter What You Experience in Life, Keep...

you asked.”

“Fan, really? Heehee! I just knew it! You are the best!” said Lu Wen-Jing as she broke into a smile the moment she heard Ye Fan agree.

Her rapid mood swings left Ye Fan suspecting whether she was only pretending to cry.

“Alright now, you two go ahead and have fun, I’ll go cook,” said Qiu Huan with a smile.

Lu Wen-Jing got Ye Fan to watch TV with her.

After dinner, Zeng Hai-Tao and Lu Hong came over.

Chapter 684 No Matter What You Experience in Life, Keep...

This time, they came with their arms full of Maotai and branded cigarettes. Of course, these were for Ye Fan.

These gifts were meant to both apologize to and thank him.

They wanted to thank Ye Fan for helping them, and Lu Hong also wanted to apologize for the things she did to him.

But Ye Fan behaved nonchalantly towards them.

Ye Fan despised the likes of them.

They used to despise Ye Fan, but now that they found out how incredible he was, they had come over to fawn over him.

Chapter 684 No Matter What You Experience in Life, Keep...

They were no different from fools who just followed wherever the wind took them.

Since they were never kind to him before, why start now?

So Ye Fan turned down the gifts.

“But don’t worry. On account of Jingjing, I won’t take it to heart. Since we barely know each other, there’s no need to maintain a close relationship from now on.”

Ye Fan’s words seemed to be a death sentence on Lu Hong and Zeng Hai-Tao.

Lu Hong and Zeng Hai-Tao’s plans to gain his support instantly dissipated.

Chapter 684 No Matter What You Experience in Life, Keep...

Lu Hong and Zeng Hai-Tao didn't have the cheek to linger. They quickly left after leaving the gifts behind.

Lu Hong finally realized the doors to gain Ye Fan's support would be forever closed to her once she had missed it.

It was such great fortune for her to live under one roof with a man whom even the likes of Lei San revered.

Unfortunately, Lu Hong didn't treasure it and even offended Ye Fan.

Lu Hong was filled with remorse thinking about it and regretted it deeply.

"Fan, why did Hong leave before even having dinner with us?" asked Lu Wen-Jing. It was normal for her not to

Chapter 684 No Matter What You Experience in Life, Keep...

understand how the world worked.

She only knew how to love those who mattered to her unconditionally.

Without the slightest vanity or worldliness.

A child's world was so simple.

Ye Fan didn't reply. He only touched Lu Wen-Jing's cute nose indulgently.

“Jingjing, promise me that no matter what happens, you will always be innocent and pure. No matter what you experience in life, I want you to remember this!” said Ye Fan softly. No one knew what was going through his heart.

Chapter 684 No Matter What You Experience in Life, Keep...

Qiu Huan cooked a lot of food for dinner.

But they didn't eat right away and waited for Lu Ming-Ze to come home.

Lu Ming-Ze told Qiu Huan in the morning that he would be back for dinner tonight.

However, there was no sign of him after they waited for a long time.

So Qiu Huan called him worriedly to ask.

But Ye Fan noticed that Qiu Huan's face turned pale in a second after talking on the phone with him.

"Auntie Huan, what's wrong?" asked Ye

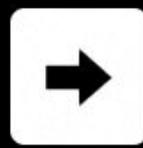

Fan quizzically.

Qiu Huan forced a smile as she replied, "It's fine. It's just work. He can handle it. Fan, let's eat and stop waiting for him."

Qiu Huan didn't speak further, so Ye Fan didn't probe.

After all, it was their family matter, so it was inconvenient for an outsider like Ye Fan to ask.

But Ye Fan could sense that Qiu Huan seemed to have a lot of things on her mind after that phone call.

Chapter 685 Family Troubles

After dinner, Ye Fan accompanied Lu Wen-Jing for a little while longer before going to bed.

He had to wake up early to catch the first coach.

Since Ye Fan's mother lived in the countryside, it was hard to get there using public transport.

If he wanted to visit, Ye Fan could only go by coach that was available every few hours.

Of course, Ye Fan could just say the word and Lei San would arrange for a car to drive Ye Fan back to his hometown.

But it was unnecessary.

Chapter 685 Family Troubles

Ye Fan was here only to visit his mother and take a look at his second hometown.

He wanted to reminisce about his childhood.

Perhaps this would be Ye Fan's last time visiting his mother in their hometown.

The night went by slowly.

Just as Ye Fan was falling asleep, his door was suddenly opened.

Someone ran in and climbed onto Ye Fan's bed.

He could make out stifled sobbing through his daze.

Chapter 685 Family Troubles

Ye Fan initially thought he was dreaming and didn't pay it any attention.

But Ye Fan finally woke up when he sensed tears on his face.

He opened his eyes to see a petite silhouette shrinking in his bed and crying as she looked at him helplessly.

"Oh my! Jingjing, what are you doing here?" asked Ye Fan in shock. He saw Lu Wen-Jing crying hard after he turned on the lights.

Lu Wen-Jing had curled up under the dim lights by the window, crying nonstop in her cartoon print pajamas.

She had been crying for 30 minutes but was afraid to disturb Ye Fan, so she

Chapter 685 Family Troubles

didn't wake him up.

Now that Ye Fan had woken up, she could no longer suppress her emotions. She lunged right into his arms and howled sadly.

Her tears cascaded and wet Ye Fan's pajamas.

"Jingjing, what's wrong? What happened? You were perfectly fine just now. What's gotten into you?" asked Ye Fan helplessly. He had no clue what was going on.

"Fan...Fan, Dad wants to divorce Mum! Help me, will you? I don't want them to get divorced! I don't know who else to look for, so I came to you!" sobbed the little girl piteously. She seemed

Chapter 685 Family Troubles

particularly heartbroken.

Ye Fan was shocked to hear this.

“A divorce? Why divorce all of a sudden?”

“I... I don't know either. I just happened to hear Mummy talking to Daddy about this over the phone earlier,” said Lu Wen-Jing as she sobbed.

Ye Fan said helplessly, “Jingjing, this is a family matter. An outsider like me can't get involved.”

It finally dawned on Ye Fan why Qiu Huan looked so awful after picking up her husband's call.

It was probably because of this matter.

Chapter 685 Family Troubles

But it was inappropriate for Ye Fan to interfere with their marriage.

As the saying goes, it was too complicated for an outsider to tell right from wrong in a family dispute.

However, Ye Fan didn't have the heart to reject Lu Wen-Jing when he saw her weeping so sadly. He could only agree to try.

The next day, Ye Fan went to Qiu Huan and asked about the situation.

Qiu Huan's eyes were red and had clearly cried all night.

"Fan, you don't have to bother. I was blind to marry such an asshole. No wonder he hasn't come home in days!

Chapter 685 Family Troubles

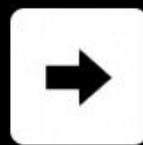

He has a mistress outside! Forget it. I'll just divorce him. From now on, I will live with just Jingjing. At worst, I will return to Yunzhou and seek shelter with my family. The Qiu family can afford to feed two more mouths," said Qiu Huan in a pique of anger.

Tears tumbled uncontrollably from her eyes as she spoke.

"Well...the Qiu family is in trouble and might not be able to feed you," said Ye Fan quietly as the corners of his lips twitched. He had almost completely destroyed Qiushui Logistics.

Shen Fei was the one who last updated him about Qiushui Logistics.

He said Qiu Mu-Qi was borrowing

Chapter 685 Family Troubles

money from anyone and everyone. Qiushui Logistics even sold most of its assets to repay the bank loan, and the entire business was on the verge of bankruptcy.

But it seemed Qiu Huan was unaware of what had happened to Qiushui Logistics.

“Hmm? Fan, what did you say?”

“Nothing, Auntie Huan. If your husband cheated on you, then I won’t talk you out of it. Is there anything I can help you with?” asked Ye Fan.

Qiu Huan thought about it, then asked Ye Fan to find her a lawyer.

“I want him to pay with every dime he

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 685 Family Troubles

has!” said Qiu Huan furiously with her eyes red.

Ye Fan nodded and replied, “Sure. I’ll help you find one.”

Ye Fan called Lei San and asked him to introduce a good lawyer and investigate Lu Ming-Ze’s assets.

But Ye Fan got a shock when Lei San came back with the report.

It turned out that the company that Lu Ming-Ze worked for had been closed down due to illegal activities half a month ago.

Lu Ming-Ze was the general manager and legal representative of the company, so the cops had already taken

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 685 Family Troubles

him away for questioning.

“Interesting. I didn’t think Lu Ming-Ze would be such a sentimental and righteous man,” said Ye Fan as he instantly laughed when he heard the news.

Everything became clear to Ye Fan.

Lu Ming-Ze clearly asked for a divorce so as not to implicate Qiu Huan and their daughter.

Having an affair was simply an excuse.

Ye Fan didn’t withhold the truth from Qiu Huan and told her all about it.

Qiu Huan was stunned when she heard what he said.

Chapter 685 Family Troubles

First she felt guilty, then she started blaming herself.

Tears cascaded from her eyes.

“This silly man! Why did he keep such a huge thing from me? How could he lie to me so childishly?”

“I’m to blame. I was the one who didn’t show him enough concern. I had no idea. But what should I do now, Fan?”

Qiu Huan had been a home maker since they got married and didn’t have any experience in such matters.

So she instantly went into a shock and panicked.

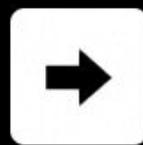

“Fan, you know important men. Please

Chapter 685 Family Troubles

help your uncle! No matter what the cost, we have to save Ming-Ze. I will do anything! Fan, I beg you, please save your uncle!" begged Qiu Huan with tears in her eyes as she cried and knelt before Ye Fan.

Ye Fan quickly stopped her from kneeling and replied, "Auntie Huan, we're family. Mu-Cheng is my wife, and you dote on her the most. Just on account of Mu-Cheng, I won't sit by without doing anything. Don't worry. I already know what's going on. None of this is his fault and he's now just a scapegoat."

Chapter 686 Mu-Cheng, Congratulations

“I’ve already told someone to settle this. Auntie Huan, you just need to pick up Uncle Ming-Ze from the police station later,” said Ye Fan slowly.

After finding out about Lu Ming-Ze’s situation, Ye Fan got someone to make a detailed investigation,.

One of the directors in the company that Lu Ming-Ze worked for had bypassed all the other departments and approved the sale of goods that didn’t pass the quality inspection, so the company got into trouble.

Lu Ming-Ze didn’t even know about this matter.

The director in his company had kept it a secret from him.

Chapter 686 Mu-Cheng, Congratulations

As such, Lu Ming-Ze hadn't done anything wrong per se, and it was considered just negligence on his part.

But because he was their legal representative, he had to be responsible when something happened.

So Lu Ming-Ze's issue could be easy to settle, or complicated to resolve at the same time.

If nobody could catch that director who did this, then Lu Ming-Ze would have to be the scapegoat.

But since Ye Fan had intervened, then of course things weren't going to end this way.

After Wu Zhi-Ming found out how Lu

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 686 Mu-Cheng, Congratulations

Ming-Ze was related to Ye Fan, he even gave Ye Fan a call to explain this whole matter and said that he would release Lu Ming-Ze immediately.

Qiu Huan was instantly overjoyed to hear these words from Ye Fan. She thanked him profusely and there were tears in her eyes.

She didn't know if it was because she was too happy or if her tears from before hadn't dried up yet.

“Fan, is that true? Thank you so much, I'm really so, so grateful,” said Qiu Huan with tears in her eyes. Her panic earlier had calmed down after she heard what Ye Fan said.

But Ye Fan only replied, “Auntie Huan,

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 686 Mu-Cheng, Congratulations

you don't have to be so formal with me. You'd better quickly go and pick him up. If you wait any longer, Uncle Ming-Ze might end up walking back home."

"You're right! I'll go right now!" said Qiu Huan in a hurry. She didn't even bother changing and ran out of the house to pick Lu Ming-Ze up.

Outside the police station.

When Qiu Huan got there, a rather exhausted looking middle-aged man was standing outside.

He smiled when he saw Qiu Huan.

He didn't say anything and just walked swiftly towards her.

Chapter 686 Mu-Cheng, Congratulations

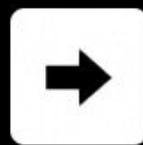

“Ming-Ze!” Qiu Huan called his name agitatedly and lunged into his arms.

After getting through this crisis, Qiu Huan’s tears couldn’t stop streaming down her face as she wailed and scolded him, “Lu Ming-Ze, you horrible man! How dare you lie to me!”

“Why didn’t you tell me that something so big had happened in the company? And you even tried to lie to me? Did you consider my feelings at all?” said Qiu Huan through her tears.

Lu Ming-Ze just smiled. “Everything turned out fine, didn’t it?”

After this experience, Lu Ming-Ze suddenly realized that earning a lot of money didn’t bring happiness.

Chapter 686 Mu-Cheng, Congratulations

Happily living the rest of his life with his wife and child was a true bliss.

“By the way, the officer inside told me that I was able to come out so quickly because we had the help of someone. Huan, what’s going on? Did you ask someone for help?” Lu Ming-Ze had just been released and didn’t know anything.

Qiu Huan nodded. “Ming-Ze, I was about to talk to you about that. We really must thank Fan for this. If not for him, I don’t think this matter would blow over so easily. We must be good to them,” said Qiu Huan gratefully.

“Fan? Which Fan?” Lu Ming-Ze was puzzled.

“The boy who married into my third

Chapter 686 Mu-Cheng, Congratulations

brother's family, Ye Fan. Remember you went to their place in Yunzhou to pick Jingjing? I used to think that marrying him was the most unfortunate thing to happen to Mu-Cheng. But it looks like I was wrong and we were all wrong. Ye Fan isn't an ordinary man at all. He's a true dragon of the Qiu family. It's Mu-Cheng greatest fortune to have married him." Qiu Huan's voice was agitated yet reflective. At the end, she shook her head in self-deprecation.

She thought of how she had pitied Ye Fan and even tried to introduce him to a job.

When she thought about it now, she felt her face go red and she was so ashamed of herself.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 686 Mu-Cheng, Congratulations

Those words she said must have been a joke to Ye Fan.

He was someone that even Lei San was polite to, and he could settle such a big problem with just one word.

Why would someone like that need her to get him a job?

“Did you say Ye Fan got me out?” While Qiu Huan was still laughing bitterly at herself, Lu Ming-Ze was stunned to hear Ye Fan’s name.

He didn’t expect Ye Fan to save him.

He remembered how he had been snobbish towards Qiu Mu-Cheng and family when he went to Yunzhou, and he even disregarded Qiu Mu-Cheng’s

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 686 Mu-Cheng, Congratulations

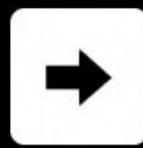

invitation to her company's opening ceremony.

At that time, Lu Ming-Ze thought that he had definitely offended Qiu Mu-Cheng and family.

But when he ran into trouble, he was surprised that the one who came to his rescue would turn out to be Ye Fan.

“Huan, you're right. We must really thank this niece and nephew-in-law of yours. They didn't hold the past against me and saved me from this crisis, and helped our family out of this. I really owe them a lot.”

Lu Ming-Ze thought of what happened in the past and he was filled with guilt. He just felt that he had let Qiu Mu-

Chapter 686 Mu-Cheng, Congratulations

Cheng down, and let Ye Fan down even more.

“But Huan, how did they know about my issue?” asked Lu Ming-Ze.

Qiu Huan told him about how Ye Fan had come to Jingzhou to celebrate Lu Wen-Jing’s birthday.

“You mean he’s in Jingzhou? Where is he? Take me to him! I want to thank him personally! I owe him a thank you,” said Lu Ming-Ze as he tugged at Qiu Huan.

But Qiu Huan shook her head. “It’s too late, he’s gone back to his hometown for Lunar New Year.”

What?

Chapter 686 Mu-Cheng, Congratulations

“He’s already left?”

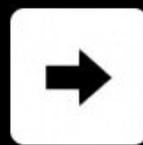

Ye Fan’s departure made Lu Ming-Ze feel even more ashamed of himself.

If others had helped him, they would probably have rushed to claim credit from him.

But Ye Fan was different. After helping to resolve such a big issue, he didn’t ask for any favors and just left.

“That’s what a real big shot is like. He’s so broadminded and magnanimous. I am really nowhere near his level!” Lu Ming-Ze sighed deeply. This was the first time in many years he admired and respected someone so much.

But even though Ye Fan had left, he still

Chapter 686 Mu-Cheng, Congratulations

had to thank Ye Fan.

Qiu Huan ended up calling Qiu Mu-Cheng.

They didn't know Ye Fan's phone number.

Qiu Mu-Cheng was still in the office when she got their call.

“Auntie Huan? I was about to call you to apologize. I've been so busy with work, so I couldn't celebrate Jingjing's birthday this year, I'm really sorry about that.”

But before Qiu Mu-Cheng could continue, Qiu Huan cut her off.

“Mu-Cheng, don't be sorry. Your uncle

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 686 Mu-Cheng, Congratulations

and I are so grateful to Fan. If not for Fan, our entire family would have been in deep trouble.”

“Mu-Cheng, congratulations on finding such a good husband. I used to feel indignant for you, but now, I’m really happy for you...”

Chapter 687 Mum Will Protect You

At first, Qiu Mu-Cheng was completely confused.

After Qiu Huan explained everything happened, Qiu Mu-Cheng finally understood what was going on.

“Mu-Cheng, when you married Ye Fan back then, everyone thought you married a useless coward. But it looks like you actually married a real dragon of a man! We’re really grateful to Ye Fan for what he’s done for us. Mu-Cheng, I’m so happy for you, I really am. If your Grandpa knew how promising Fan really is, he would definitely regret chasing you out of the family,” said Qiu Huan both excitedly and gratefully over the phone.

For some reason, Qiu Mu-Cheng’s tears

Chapter 687 Mum Will Protect You

started rolling down her cheek as she listened to her aunt.

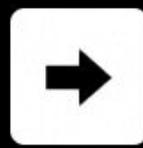

She was crying.

But those were tears of happiness, tears of joy.

She wasn't even this emotional when she found out that Ye Fan was Mr Chu at the Feast of the Sea and Sky.

All these years, Qiu Mu-Cheng had never been able to walk with her head up high in front of the other Qiu family members.

Everyone looked down on her and laughed at her. Only her aunt was nice to her, but even she pitied her.

Chapter 687 Mum Will Protect You

But now, those dark days were finally over.

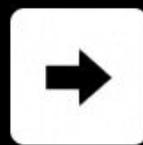

Qiu Mu-Cheng was no longer a woman that others pitied or laughed at.

Nobody would laugh at Ye Fan's birth or laugh at him for being useless and cowardly.

On the contrary, her man was going to become the man that everyone in the Qiu family would be dying to get close to, and he was going to become the king of this generation!

As the saying goes, a wife is worth as much as her husband.

Thanks for Ye Fan, Qiu Mu-Cheng could finally show off to her relatives and she

Chapter 687 Mum Will Protect You

could walk with her head up high.

“Auntie Huan, you don’t have to be so polite with us, that’s just what we ought to do. When Grandpa chased us out of the house, the only person in the entire family who helped us was you, and you were the only one who remembered me. This time, your family ran into some trouble. If Ye Fan didn’t help you out, then I’ll be the first one to punish him for it,” laughed Qiu Mu-Cheng through her tears.

This was the first time all these years that she could speak so confidently.

Qiu Mu-Cheng had such confidence now!

She soon hung up the phone.

Chapter 687 Mum Will Protect You

Qiu Huan and Lu Ming-Ze turned to head home.

“Hmm? Huan, where’s Jingjing? Is she at home by herself?” Lu Ming-Ze asked casually.

Qiu Huan suddenly realized that Lu Wen-Jing had come along earlier, but she was now nowhere to be found.

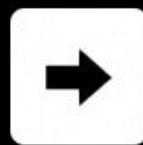

She immediately went into a panic.

“Oh no! Where’s Jingjing? She came out with me just now!”

While Qiu Huan and Lu Ming-Ze were panicking, a bus slowly departed from Jingzhou’s Bus Terminal.

N1 operates silently with less than 55dB of noise, offering you upgraded experience.

Chapter 687 Mum Will Protect You

On the bus, Ye Fan sat next to a window.

His body bobbed up and down as the bus went over the bumpy road.

It had been three years since he left home. Ye Fan was finally headed back home.

For some reason, even though Ye Fan had gone through so much in life, his usually calm heart actually started to feel emotional.

“Hey, do you want some water?” Just when Ye Fan went into a daze, a tiny hand suddenly held a bottle of mineral water out at him.

Ye Fan waved his hand and smiled in reply, “Thanks, but I’m not...”

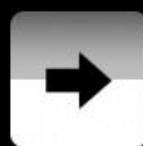

Chapter 687 Mum Will Protect You

But before he could say the word 'thirsty', he immediately exclaimed when he saw who the girl next to him was.

"Oh my god! Jingjing, why are you here?!" Ye Fan was so startled and couldn't help but exclaim in shock.

"Teehee! I'm going back with you for Lunar New Year! All daughters-in-law must visit their mothers-in-law, right? Since you helped Mummy and I so much, I've decided that I'll offer myself to you and be your mistress. Teehee!" A young lady sat next to Ye Fan wearing a purple tracksuit, a gray baseball cap and a cute looking backpack.

She looked just like a child coming out for a holiday with her parents.

Chapter 687 Mum Will Protect You

That's right. This young lady with a silly smile was Lu Wen-Jing.

When she went out with Ye Fan and her mother, instead of following her own mother, she secretly followed Ye Fan all the way to the bus station and got onto the same bus as him.

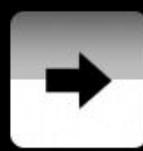

She only revealed herself after the bus had left the station.

But Ye Fan felt his scalp grow numb and he whacked the young lady on the head. "Teehee my foot!"

"Do your parents know that you came out here? This is ridiculous! You'd better go home!" said Ye Fan angrily.

Lu Wen-Jing rubbed her head and hung

Chapter 687 Mum Will Protect You

her head sadly. “Fan, I just wanted to go home with you. I’m so bored spending the winter holiday at home. Won’t you let me come along?”

Lu Wen-Jing continued to plead with him with that pitiful expression of hers. She even looked like she was about to cry.

Ye Fan didn’t know what to do with this girl. “Tell you what, I’ll call your mum. If she agrees, then I won’t say anything.”

Ye Fan then gave Qiu Huan a call.

Of course Lu Wen-Jing knew her parents’ numbers.

After they found out that their daughter was with Ye Fan, they weren’t worried

Chapter 687 Mum Will Protect You

anymore.

They gave Lu Wen-Jing a good dressing down over the phone and let the matter go.

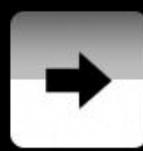

As for going back with Ye Fan for Lunar New Year, Qiu Huan finally agreed after Lu Wen-Jing pleaded with her.

In the end, Lu Wen-Jing got what she wanted and happily followed Ye Fan back to his hometown.

On the way back, Ye Fan gave his mother, Ye Xi-Mei, a call.

“You are...?”

When he heard that familiar yet strange voice on the phone, the usually strong

Chapter 687 Mum Will Protect You

and calm Ye Fan couldn't hold himself back. His eyes reddened and his voice trembled and choked up a little.

"Mum, it's me, Fan."

It had been three years. In order to protect his mother, Ye Fan had taken the initiative to cut off all contact with Ye Xi-Mei.

The last time he called was three years ago, the night before he married into the Qiu family.

There was a long period of silence.

After a long time, an emotional and trembling voice replied.

"F-Fan? You...you're my son, Fan?"

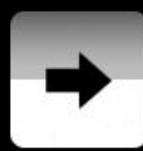

Chapter 687 Mum Will Protect You

“Mum, it’s me, your Fan. I’m coming back to spend Lunar New Year with you this year,” said Ye Fan with a smile as his eyes reddened.

“You unfilial son! So you actually remember that you have a mother! You didn’t call me for the past three years, do you know how worried I’ve been about you? Son, you’re the only person that I have in this world. Come back, and we’ll go through any storms that come our way together. If the Chu family comes for us again, I’ll protect you, I’m not afraid to die. I will not let anyone hurt my son.”

All parents worried about their children.

For the past three years, Ye Xi-Mei had been worried sick about her son’s safety

Chapter 687 Mum Will Protect You

and she had woken up crying in the middle of the night so many times.

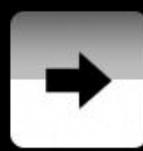

That tragic marriage of hers back then had caused her son to fall into a deep whirlpool of danger.

If there was anyone else in the world besides Ye Fan who could understand the pain he had gone through for the past ten years, it was his mother, Ye Xi-Mei!

He was a descendant of the Chu family, the eldest son who carried the word 'Tian' in his name.

To some people, this was a great honor.

But to Ye Fan and his mother, this could cost them their lives.

Chapter 688 A Sad Reunion

“Mum, I know. I’m sorry for making you worry. I’m fine, I’m really fine. Mum, just wait for me at home, I’m reaching soon. I won’t go anywhere this year, and I’ll spend the New Year with you,” said Ye Fan cheerfully as he forced himself to sound calm and smile.

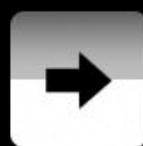

But Ye Fan’s tears had already started flowing down his cheeks.

If Li Er, Chen Ao and the rest saw what Ye Fan looked like now, they would probably be shocked.

Was this still the hero of Jiangdong who ruled over them?

Was this still the Mr Chu who caused fear in everyone’s hearts?

Chapter 688 A Sad Reunion

Someone with such authority was now crying like a child.

But what would they know?

So what if he was the king of Jiangdong? So what if he was the Dragon Master?

Even if Ye Fan ruled the entire universe, he was still a child in front of his mother.

It had been three years.

The guilt, the hurt and the suffering he felt was now flowing out of him through these tears.

These feelings had overwhelmed Ye Fan's heart in an instant.

Chapter 688 A Sad Reunion

There were more than 6 billion people in this world.

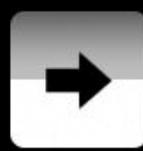

But the only person who Ye Fan could really open his heart to was the lady on the other end of the line.

In front of his mother, Ye Fan was able to put aside his tough exterior and he could cry and wail like a child.

The world only knew that Ye Fan was the hero of Jiangdong and the king of Yanjing who shocked and caused everyone to fear him.

But who remembered that Ye Fan was only a young man in his twenties?

There were many people who hadn't even graduated at this age.

Chapter 688 A Sad Reunion

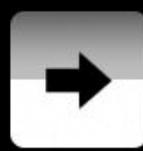

But Ye Fan had already gone through pain and suffering that someone his age should not have to go through.

“Fan, why are you crying? Did your Mummy scold you? It’s alright. If she scolds you, it means that she cares and dotes on you, so you should be happy. At least you still have a Mummy who cares for you in this world,” Lu Wen-Jing kindly consoled Ye Fan when she saw him crying.

She even took out a tissue and helped Ye Fan to wipe his tears away.

Ye Fan was afraid that his mother might notice something amiss, so after that short exchange, he hung up the phone.

He looked at Lu Wen-Jing and said,

Chapter 688 A Sad Reunion

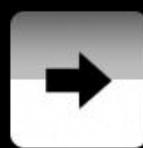

“Jingjing, I’m fine. My mum didn’t scold me, I’m just really happy that I get to see my mum again.”

“Uh huh.” Lu Wen-Jing’s voice was child-like, but it made her sound very likeable.

“Fan, can you tell me about your Mummy? I’m very curious about what your Mummy is like.” Lu Wen-Jing used her hands to support her face and looked at Ye Fan.

Her large blinking eyes looked as bright as the stars in the sky.

Ye Fan quietly replied, “My mother is very pretty. She’s the prettiest woman in the world to me. She’s true to her feelings, and as long as she’s determined to do something, nobody

Chapter 688 A Sad Reunion

can stop her.”

“She’s suffered a lot of hurt and injustice for my sake, and she’s the first woman I swore to protect with my life.”

VROOM!

The tires sped on and the wind outside the window howled past their ears.

An old rickety bus continued to send dozens of passengers back to their hometowns in the far distance.

Ye Fan’s hometown was in the town of Yeyang, some distance from the city of Jingzhou.

Chapter 688 A Sad Reunion

It took about an hour to get there.

At 11AM, Ye Fan and Lu Wen-Jing alighted from the bus.

When he set foot in this place again, Ye Fan felt strangely emotional.

He stood there and went into a daze for a long time.

He looked like a poet who was looking into the distance.

“Fan, stop staring and go home. I’m sure your friends and relatives are all waiting for you. You’re so amazing now, so I’m sure you’d be warmly greeted once you get home for the new year. In just a few moments, I’m sure a lot of people will come out to fetch you home! I

Chapter 688 A Sad Reunion

remember that in those TV dramas, every single person from the villages in the vicinity would come out to welcome a big shot home!” said Lu Wen-Jing brightly. She couldn’t wait for the lively scene that was to come.

She was a child after all and loved noisy parties.

But Ye Fan just shook his head and laughed gently. “You silly girl, stop daydreaming. I only told my mum that I’m coming back, so even if anyone else wanted to welcome me, they wouldn’t know that I’m coming home today.”

“Fan, you’re the silly one, aren’t you? You’ve told your Mummy, so won’t she tell your grandparents, uncles and aunts? Of course they’d know and they’ll

Chapter 688 A Sad Reunion

all come out to welcome you. If you don't believe me, just wait and see," said Lu Wen-Jing with great confidence.

Ye Fan couldn't be bothered to argue with Lu Wen-Jing about all these. He just laughed and followed the small path back towards his grandfather's house.

Back when he and his mother moved back to Yeyang, they stayed in maternal grandfather's house.

Three years wasn't a long time, but it wasn't short either.

The scenery on both sides of the road didn't look too different from when Ye Fan left.

Chapter 688 A Sad Reunion

The only difference was that the road he was walking on had been repaved and was much wider than before.

The little town was also cleaner and neater than before.

There were many people hurrying along since it was getting close to the new year and many people were going to the nearby shopping areas to buy things.

But even though it was crowded, Ye Fan could still spot the person he loved most at one glance.

That was his mother, Ye Xi-Mei.

A middle-aged lady in simple clothing was standing within his line of sight.

Chapter 688 A Sad Reunion

She didn't say anything and just smiled.

The blue skies, the green fields, the gentle breeze, the many passerby...

In that moment, Ye Fan just felt that everything had faded into the background.

Even though she was just a small figure in the midst of this vast land, she seemed higher than the sky and greater than the sea to Ye Fan.

Perhaps she had been too worried and too tired, so there were several wrinkles at the corner of her eyes. Her exquisite features were covered with the marks of aging.

But even so, it was difficult to hide her

Chapter 688 A Sad Reunion

above average beauty and otherworldly elegance.

She looked like a fairy who had descended on earth.

She looked out of place among the other plain looking villagers.

Nobody would disagree that this lady must have been extremely gorgeous when she was younger.

There was no dramatic reunion nor tragic sobbing.

Ye Fan was just stunned for a while before walking over and calling out to her, "Mum, I'm home."

The older lady nodded and smiled in

relief at the big boy in front of her. “Fan, you’ve grown taller, and you’re all grown up now.”

“Alright now, let’s go home, I’ll make you some dumplings.”

Ye Fan nodded.

They didn’t say much to one another, but those few sentences were filled with so much emotion.

“My goodness, are you serious? Only Auntie Ye came out to welcome you? Fan, are your PR skills so poor? That’s so sad! You’re finally back after three years as a big shot, so at least your extended family should be here, right?” Lu Wen-Jing’s disappointed and surprised voice came from behind him.

Chapter 688 A Sad Reunion

The sight of only one person coming out to welcome Ye Fan was way off from the lively scene she had imagined earlier.

Wait! I Have Something to Say!

Send a Gift to the Writer!

Chapter 689 A Warm Welcome

“Auntie Ye, didn’t you tell Fan’s friends and relatives that he was coming back?” asked Lu Wen-Jing a little indignantly.

She thought about how her aunts and uncles and even her cousins came out to welcome them when she went to the Qiu house with her own mother.

Ye Fan had come back for the first time in three years and he was going to spend Lunar New Year here, but only Ye Xi-Mei had come out to welcome him, so Lu Wen-Jing was both puzzled and curious.

After hearing Lu Wen-Jing’s question, Ye Xi-Mei suddenly realized that a pretty little girl had followed Ye Fan back as well.

Chapter 689 A Warm Welcome

“Fan, this child...” Ye Xi-Mei was shocked and turned to look at Ye Fan.

Ye Xi-Mei clearly thought that this young lady was Ye Fan and Qiu Mu-Cheng’s child.

But that wasn’t right either.

Ye Fan had only married into the Qiu family for three years, but this girl was definitely at least eleven or twelve. Could she have grown super quickly?

Ye Fan chortled and quickly explained what happened.

Ye Xi-Mei got it now. “Oh, so she’s a relative on Mu-Cheng’s side.”

Ye Xi-Mei had never seen Qiu Mu-Cheng,

but she could at least remember the name of her daughter-in-law.”

“Auntie Ye, you haven’t answered me yet. Didn’t you tell anybody else that Fan is coming home?” asked Lu Wen-Jing again.

Ye Xi-Mei laughed and replied her quietly, “I did, and they’re all waiting at home. He’s not some government official or a high ranking person in society, did you expect us to be waiting with gongs and cymbals?”

Ye Xi-Mei knew very little about Ye Fan’s life after he left the village.

She only knew that Ye Fan had become a live-in son-in-law after leaving.

Chapter 689 A Warm Welcome

Even though she was dead against Ye Fan's decision, she couldn't do anything about that. She and her son had to surrender in the face of the cruelty of life, so what else could she do?

But Lu Wen-Jing didn't agree with that. "Auntie Ye, my Fan is amazing! And he's better than all those government officials and high ranking people. So I do think it's appropriate to receive him with gongs and cymbals. Don't you think so, Fan?"

Ye Fan just laughed at Lu Wen-Jing's cheeky and adorable face and patted her head. "You terrible girl. You're pretty young, but you really like the glamorous life."

While they were still chatting and

Chapter 689 A Warm Welcome

laughing, a large group of people started walking towards them.

Some were large sized, some small sized, some old, some young, some men, some women. There were nearly twenty of them.

As they walked, they looked around anxiously.

“What’s going on?”

“It’s almost noon time!”

“Quickly call and ask!”

“We’re already prepared all the firecrackers!”

“We’re just need the person to appear.”

Chapter 689 A Warm Welcome

The noise from the group attracted Ye Fan's attention.

Ye Fan glanced over and said in surprise, "Huh? Mum, isn't that Grandma and Grandpa? And my uncle and even my aunts?"

Yup – the large group coming their way was Ye Fan's extended family.

Ye Fan's maternal grandfather had two sons and two daughters.

Ye Fan's mother, Ye Xi-Mei, was the eldest daughter of the Ye family.

"HAHA! Fan, I knew it! You've come back in glory, so your family would definitely come out to welcome you. You didn't believe me before, so how

Chapter 689 A Warm Welcome

about now? You believe me now, right?”

Before Ye Xi-Mei could reply Ye Fan, Lu Wen-Jing was already jumping about excitedly as if she had discovered a new country.

She was more than happy to see that her precious Fan was so well loved.

While Lu Wen-Jing was laughing merrily, the huge group had reached them.

Ye Fan looked up with a smile and was about to greet them.

But the entire group seemed to have not noticed Ye Fan at all. They just walked right past him and didn't even care.

Lu Wen-Jing was so amused.

Chapter 689 A Warm Welcome

“HAHA! Fan! You’ve left home for so long that your relatives don’t remember what you look like anymore.”

She laughed as she turned and shouted at them, “Heyyy!! You’ve walked too far!”

“Fan is right here! Don’t walk any further ahead!” shouted Lu Wen-Jing loudly.

This attracted the group’s attention and they turned back to look at Ye Fan and his mother.

“Oh, Sis! You’re here! I was just wondering where you went to. Hurry along, our niece, Yu-Yan is coming back for Lunar New Year this year! She hasn’t come back for two years! But she just called and said she’s at the entrance to the village, so we’re all going to

Chapter 689 A Warm Welcome

welcome her!” Ye Xi-Mei’s younger sister called out to her as she waved.

“That’s right Sis, let’s go and fetch our niece together,” shouted Ye Ya, Ye Xi-Mei’s younger brother.

But Ye Xi-Mei shook her head and smiled faintly, “It’s alright, you go ahead.”

“Fan is back, I’ll take him home first, and I’ll be there in a while.”

“Fan is back too?”

Ye Fan’s aunt and uncle suddenly noticed the skinny young man next to their sister.

“Oh! Fan is back too! That’s great, we’ll

Chapter 689 A Warm Welcome

talk later. Sis, we'll go over first!" Ye Fan's aunt, Ye Xi-Lan, just left them with a few words and walked off.

The others just looked at Ye Fan from afar and took it as their greeting to him. They didn't even bother with niceties.

"HAHA! She's here! She's here! I see the car! Yu-Yan is back! Ya, hurry up and light the firecrackers!" Ye Fan's eldest uncle, Ye Tian, gave a shout and the rest of the family immediately ran over.

As the noisy and ear deafening firecrackers went off, a woman in an army uniform walked out from the jeep.

She carried a cold and authoritative aura around her, and her exquisite face was confident and arrogant.

Chapter 689 A Warm Welcome

The moment she alighted, all her relatives surrounded her to ask after her.

“Yu-Yan, you’re back! Did you miss Grandpa?”

“Haha! After two years, you’ve become prettier!”

“Did you know that your uncle was so happy that he couldn’t sleep all night knowing that you were coming home? Your aunt even rushed back from Jianghai just to see you!”

“Yu-Yan, it’s been a long journey home and you’re tired right?”

“Come, let’s go home, we’ve got a feast waiting to welcome you!”

Chapter 689 A Warm Welcome

The entire family couldn't stop talking and kept asking about her, while the rest helped to carry her things from the car.

So just like that, Ye Yu-Yan walked back into the house surrounded by all her relatives.

Compared to Ye Yu-Yan's arrival, Ye Fan's arrival looked pathetic.

Everyone walked right past Ye Fan and his mother, but their attention was focused on Ye Yu-Yan and nobody cared that Ye Fan had come back.

It was as if Ye Yu-Yan's homecoming was a huge matter that was worth celebrating, while Ye Fan's return was a small matter that wasn't even worth mentioning.

Chapter 689 A Warm Welcome

“Fan, why are they like that? They’ve gone too far! Both of you are returning home and you’re both relatives, so what’s with this double standard? They’re clearly looking down on you and they don’t welcome you here. Fan, let’s not go back to your home. Bring Auntie Ye along back to Jingzhou, we’ll spend the new year at my place instead.”

When Lu Wen-Jing saw how Ye Yu-Yan was so well-loved and Ye Fan was so neglected, her eyes turned red.

She felt indignant for Ye Fan.

Her Fan had come all the way from Yunzhou just to spend the new year at home.

But when he came back, he didn’t get

Chapter 690 The Ye Family's Golden Nightingale

any warm welcome from his friends and family, and was treated so coldly instead.

Even an outsider like Lu Wen-Jing felt angry about this.

How much more disappointed was Ye Fan himself?

Ye Xi-Mei was also pale in the face when she saw this.

There was some guilt and self-blame in her expression.

“Fan, I’m so sorry. Your mum has made you suffer.”

Lu Wen-Jing was just a child and even she felt upset by this, so of course Ye

Xi-Mei was even more upset.

Perhaps the Ye family didn't deliberately do this to pick on Ye Fan, but it was still an insult to Ye Fan and his mother.

It was his first day home, but her son had to suffer such humiliation along with herself, so Ye Xi-Mei felt terribly guilty about it.

Ye Fan shook his head and smiled faintly. "Mum, I'm fine. That's the way people are. Uncle Tian is high-ranking in the county office, and my cousin Yu-Yan is high ranking in the army. I'm just a live-in son-in-law, so I can't possibly be compared to them. Besides, didn't you say we're not some government official and we don't need such fanfare, so we don't have to be jealous of them either."

Ye Fan wasn't saying this just to console his mother. He meant it.

He wasn't jealous and wasn't angry. He had remained calm throughout.

The only little emotion he had was some disappointment.

He didn't think that even his mother's own family would still be as materialistic and pragmatic as the rest of the world.

But it didn't matter.

If they treated him this way, he would treat them the same.

Since they couldn't be bothered with Ye Fan now, then they would only have

themselves to blame if Ye Fan became too powerful for them to get close to in the future.

Besides, his main purpose in coming home was to see his mother.

So even if his mother came out on her own to receive him, it was enough!

Ye Xi-Mei was very assured to hear what Ye Fan said.

“Fan, you’ve really matured. You’ve become more mature and steady compared to before. Come along, Jingjing, Fan, let’s go back and cook some dumplings,” said Ye Xi-Mei with a smile even though her eyes were slightly red.

By the time they reached the Ye house, Ye Ya and the rest were carrying several items into the house.

Ye Yu-Yan had come back for the new year, so she had bought a lot of presents for everyone.

Everyone in the Ye family was helping out.

“Fan, why are you just standing there? Can't you see that your cousin is back? Hurry up and help her to carry all these things in!” Ye Ya didn't even bother greeting Ye Fan when he came in and just instructed Ye Fan to help with moving things.

Lu Wen-Jing nearly exploded at these words.

“You must be nuts! Fan just came back, so why should he go and help carry things? Besides, Fan is the older cousin, so the younger one should be helping him instead!” shouted Lu Wen-Jing angrily at Ye Ya like a cat whose tail had just been stepped on.

Ye Ya was amused by this little girl. “You’re so young but you’ve got quite the temper, eh?”

“I’m her uncle but I’m still helping to carry things, so why can’t an older cousin help out too? Fan, come and help to carry all these things to your Uncle Tian’s place. I have to rest for a while,” instructed Ye Ya while he wiped

the sweat off his forehead.

But to his surprise, Ye Fan behaved like he hadn't heard him at all.

Ye Fan didn't even bother to respond and just walked in with his mother.

"What on earth? This fellow left for three years to become a live-in son-in-law and now he thinks he's great? He doesn't listen to me anymore?!" Ye Ya's eyes grew wide and he was furious.

He continued to yell angrily about Ye Fan's behavior.

Inside the room.

Ye Xi-Mei looked a little worriedly at Ye Fan. "Fan, I think you'd better help to

move the things to Uncle Tian's place. I was thinking of letting you sleep at their place. His place is bigger with many rooms, so it's just nice for you and Jingjing to stay there."

Ye Fan chuckled quietly. "Mum, don't worry about this, I know what to do. Besides, it's not as if you don't know that Yu-Yan doesn't like me. If you want me to stay at their place, I don't think it'll happen. I might as well tidy up the storeroom at the side and just sleep there for the time being. Jingjing can sleep in your room."

Ye Fan had stayed in this house for several years himself and was familiar with his cousins.

But because Ye Fan was a child thrown

out from the Chu family, he wasn't liked by the rest of the cousins.

Besides, his grandfather had not approved of Ye Xi-Mei's marriage to Ye Fan's father back then either.

His mother was the one who insisted on marrying him.

And because of this, his mother had quarreled very badly with her family.

After they were thrown out of the Chu family, they returned to the Ye house because they had no other choice.

So it didn't take a genius to figure out what sort of position these two had in the house now.

Ye Fan remembered that he was never accepted by his cousins when he was a child, and they often laughed at him and bullied him. The only kid he got along with was a plump boy from one of the neighbor's families.

But Ye Fan didn't let them have their way either. As long as they angered him, he fought back regardless of who it was.

Ye Ya's son, Ye Jian, had tried to play a prank on Ye Fan, but in the end, Ye Fan had ganged up with the plump boy to break Ye Jian's leg and knocked his two front teeth out. He couldn't get out of bed for three months.

And that was also why Ye Ya still didn't like Ye Fan till today.

As for Ye Tian's daughter, Ye Yu-Yan, Ye Tian was a high ranking officer in the county office, so everyone pampered Ye Yu-Yan since she was a young child.

But Ye Yu-Yan worked hard as well. She was pretty and good in her studies. Her high school examination results were the best in the entire county.

Someone like her was a good example to all the other children and the pride of her parents, so she was well taken care of all her life.

A golden nightingale like her clearly did not like a boy like Ye Fan, a boy who didn't like to study but liked to fight, and had even been thrown out by his father's family.

Chapter 690 The Ye Family's Golden Nightingale

She had ignored Ye Fan almost all her life.

Chapter 691 Ye Family Dinner

But of course, Ye Yu-Yan's dislike and disdain for Ye Fan was just one part of the problem.

The other part had something to do with Ye Fan's plump little friend.

At that time, Ye Yu-Yan wasn't just a favorite among the adults, but also among her peers. Many boys saw Ye Yu-Yan as their goddess and they all hoped that Ye Yu-Yan could become their girlfriend.

The plump boy was also one of them.

As a friend, Ye Fan helped him to pass a love letter to Ye Yu-Yan.

Ye Tian ended up finding out about it.

Chapter 691 Ye Family Dinner

Everyone in the house thought that Ye Fan had written that love letter to Ye Yu-Yan. Ye Fan denied it and said that this letter was from the plump boy.

In the end, Ye Tian went to question the plump boy.

But after seeing how fierce Ye Tian looked, the plump boy immediately chickened out and refused to admit to it.

And so Ye Fan ended up taking the blame for this.

And till now, Ye Yu-Yan and the family still thought that Ye Fan was the one who wrote that love letter.

After that, Ye Yu-Yan was even more

repulsed by Ye Fan.

For someone as precocious as herself to have someone like Ye Fan as her admirer, it was both ridiculous and a total insult.

Later on, Ye Yu-Yan got into the best military school in the country and joined the army. Her distance from Ye Fan became even greater than before and so their relationship became more and more distant.

She probably might not even remember Ye Fan anymore.

But Ye Fan didn't care about that.

Women like Ye Yu-Yan, Lu Hong, Su Qian were just unimportant people who

Chapter 691 Ye Family Dinner

happened to pass by him in life.

So what if they respected him? And so what if they despised him?

They were just like passersby to him, so Ye Fan couldn't be bothered with them.

But Ye Xi-Mei didn't think the same way. Her son had finally come back for the new year, so she hoped that he could at least have a nice place to sleep at night.

“Tell you what, after dinner, I'll buy some fruits and milk for your gramps and uncles, then get a nice fish for your Uncle Tian. Your cousin came back with so many presents, so even though we're not well off, we shouldn't go empty handed either.”

Chapter 691 Ye Family Dinner

Ye Xi-Mei was better at these interpersonal relationships compared to Ye Fan.

In the evening, Ye Fan and his mother came carrying gifts for his grandparents and two uncles.

But to their surprise, his grandparents and Ye Ya weren't home.

"They're probably all at Tian's house," guessed Ye Xi-Mei.

Ye Xi-Mei and Ye Fan went over to Ye Tian's place.

They could hear the chatter and laughter coming from inside the moment they walked past the gate.

Chapter 691 Ye Family Dinner

Ye Fan pushed the door open to find that the entire family was here.

His grandfather, his two uncles and his aunt, Ye Xi-Lan were all here.

There were more than ten of them sitting around a large round table and enjoying a steamboat dinner together. They were chatting and laughing merrily and noisily.

The table was huge, but there was no space reserved for Ye Fan and his mother.

It was as if the two of them weren't from this family.

When he saw this, Ye Fan frowned.

Chapter 691 Ye Family Dinner

Ye Xi-Mei's expression paled a little and she felt a strange disappointment in her heart.

"Sis, you're here! Have you eaten? Do you want to take a seat? Yu-Yan is back and Dad and Mum are so happy about it, so they came over," said Ye Tian's wife, Dong Mei, with a smile when she spotted Ye Xi-Mei.

"It's alright, we've already eaten. Mei, it's fine, you go ahead and eat. We're here because Yu-Yan is back, so we thought we should pop by as well. Yu-Yan is a really bright child and she's always done well since she was a young child," said Ye Xi-Mei with a smile.

She had a favor to ask of them, so Ye Xi-Mei tried to be polite.

Chapter 691 Ye Family Dinner

Ye Yu-Yan sat beside her grandfather and just glanced at Ye Xi-Mei without saying anything.

Her gaze fell on Ye Fan for a longer time instead.

“Dad, who’s he? Why haven’t I seen him before?” Ye Yu-Yan asked Ye Tian in a rather loud voice.

She was Ye Fan’s younger cousin but she didn’t even know her own cousin.

This wasn’t just rude, but also an act of contempt.

It was clear that Ye Fan and his mother really had no place in this family.

Ye Xi-Mei’s expression looked even

more awkward than before.

But Ye Tian didn't seem to be bothered by any of this. He put some food into his daughter's bowl and flippantly replied, "That's Ye Fan, your Auntie Xi-Mei's son. Remember the little hooligan who had a crush on you and wrote you a love letter? That boy. He's married into his wife's family and has become a live-in son-in-law. He's disappeared for three years without a single word, but for some reason he's suddenly returned this year."

Ye Tian gave a brief explanation of Ye Fan as if he was telling her a joke.

"Oh, it's him." Ye Yu-Yan seemed to suddenly remember him and just responded very simply before going

back to eating.

She ignored Ye Fan and didn't even bother greeting him.

In the end, it was Ye Fan's grandfather who bothered about Ye Fan. He waved him over and said, "Fan, when did you get back? Why didn't you tell me? I would have gone out to welcome you. You've left for three whole years and you didn't even give me a call. I've missed you so much. Come over here and have a drink with me."

The only other person in the entire family who was nice to Ye Fan besides his mother was his grandfather, Ye Guang-Kun.

"Grandpa, I've come back to see you,

haven't I? How have you been? You must take good care of your health. When I have time, I'll take you to Yanjing to see Tiananmen Square!" Ye Fan walked over and spoke kindly to his grandfather.

Ye Guang-Kun nodded assuredly. "Fan, out of all the grandchildren of this household, I'm most worried about you. I know about your situation, but I'm old and I can't do anything to help you. But you cousins should mix around and get to know each other better, in the future you might be of help to one another. Yu-Yan is back today too, and all of you haven't seen each other in so long. Tell you what, you two should have a toast as fellow members of this family. Family is very important."

Chapter 691 Ye Family Dinner

Ye Guang-Kun tried very hard to make these arrangements because he clearly hoped that Ye Fan and Ye Yu-Yan could become closer.

Then when Ye Yu-Yan became successful, she could help Ye Fan along.

But Ye Fan looked confused. “Yu-Yan?”

“Grandpa, who is this Yu-Yan? Why don’t I remember? I have a cousin by that name?” asked Ye Fan loudly such that everyone at the table heard him.

The atmosphere instantly became awkward and the entire place fell silent.

Ye Xi-Mei’s heart almost stopped and she started scolding her son in her

Chapter 691 Ye Family Dinner

heart for being stupid enough to say the wrong thing!

Rate the Translation to Get 2 Pearls.

Wait! I Have Something to Say!

Send a Gift to the Writer!

Chapter 692 Better to be Strangers

Tonight's dinner was specially for Ye Yu-Yan.

But Ye Fan didn't even remember the star of the night.

What was this?

This was an insult!

This was an insult to Ye Tian and definitely a huge insult to Ye Yu-Yan!

As expected, Ye Tian flew into a rage.

He slammed the table and stood up with a start as he yelled angrily, "You little bastard! How dare you say you don't know your own cousin? You still have the cheek to ask so loudly?"

“Don’t you find yourself a disgrace? How are you so shameless? Sis, is this the kind of son you’ve brought up?!” questioned Ye Tian furiously.

Ye Xi-Mei’s face paled instantly.

But Ye Fan just laughed.

“Haha! Uncle Tian, so you do realize that this is very disgraceful. Then why doesn’t your own daughter know her older cousin? And she even said that she had never seen me before. You say that I’m shameless, but doesn’t that mean that Yu-Yan is also shameless? You accuse my mother of not bringing me up well, then did you bring your daughter up well? Uncle Tian, before you talk about others, look at your own children first!”

Chapter 692 Better to be Strangers

Ye Fan's words ran loudly like gold and rocks clattering to the floor.

His string of questions were clear and logical.

It felt like several slaps on Ye Tian's face.

His face turned red and he was speechless.

He was so angry that he started trembling. He opened his mouth to speak but couldn't get anything out.

After a long time, Ye Tian could only rely on his seniority to chastise Ye Fan.

"Shut up! What are you trying to do, huh?! How dare you argue with your

Chapter 692 Better to be Strangers

uncle!” Ye Tian roared angrily through gritted teeth, but it was clear that he wasn’t as confident as he was earlier.

Ye Fan chuckled. “Oh no I wouldn’t dare, I’m just trying to reason things out.”

“Why, you!” Ye Tian became even angrier when he saw that Ye Fan wasn’t repentant at all.

While Ye Fan was arguing with Ye Tian, Ye Yu-Yan frowned as well.

She looked up at Ye Fan and there was coldness in her eyes.

She was the one who ignored Ye Fan, but he had come looking for trouble instead.

Chapter 692 Better to be Strangers

Ye Yu-Yan put her teacup down and looked at Ye Fan as she said coldly, "Not everyone is fit to be an older cousin to me. At least you aren't!"

HUUUU...

Everyone felt as though a gust of wind just blew through the dining area wildly.

The entire place fell silent.

She didn't say much, but the arrogance and authority in Ye Yu-Yan's bones were fully expressed through these words.

She was indeed someone who had gone through battles. That sharpness and authoritativeness wasn't at a level that most people could be at.

But Ye Yu-Yan had spoken too harshly.

She hadn't given Ye Fan any leeway and was clearly falling out with him.

"That's going too far!" Ye Xi-Mei yelled fiercely. Her expression had turned icy as well.

"Yu-Yan, how could you say that? After going to college and being in the army for a few years, this is what the officers have taught you? You have no manners at all! Apologize to your cousin!"

After being thrown out from the Chu family, Ye Xi-Mei hardly got angry with others.

That was because she knew that she didn't have the confidence nor backing

to reprimand others.

But now that her own son was being humiliated, how could Ye Xi-Mei continue to keep quiet?

She didn't mind suffering injustice, but she refused to let her son suffer any.

"Yu-Yan, quickly apologize to him. You're really getting more and more immature," Dong Mei scolded her daughter when she saw that even Ye Xi-Mei had gotten angry.

After all, Ye Yu-Yan's words were really too harsh and hurtful earlier, so she should apologize.

But why would Ye Yu-Yan apologize?

Chapter 692 Better to be Strangers

She had always despised Ye Fan, and now that he had become a live-in son-in-law, she despised him even more.

Ye Yu-Yan was a proud woman, so making her apologize humbly to Ye Fan was worse than killing her.

She didn't say anything and just put down her chopsticks, then walked back to her own bedroom with an icy look on her face.

"This child is really too rebellious. Sis, don't take it to heart, I'll tell her off later." Dong Mei was a more understanding person and helped her daughter to apologize to Ye Fan and his mother.

Nobody else said anything. Everyone knew that Ye Yu-Yan had gone too far

with her words, but that was the truth.

She was both good looking and high achieving, and now she was connected to high ranking government officials.

On top of that, Ye Yu-Yan was the youngest special commander in the military, so her future was bright.

To the rest of the Ye family, Ye Yu-Yan was like the sky while Ye Fan was the earth, and so Ye Fan wasn't fit to be her older cousin at all.

"Alright now, let continue eating. This fish is really good, I'll send some over to Yu-Yan later," said Ye Ya with a laugh to try and relax the tense atmosphere.

But the silent Ye Fan suddenly laughed

coldly.

He looked on as Ye Yu-Yan walked away and said calmly, "Ye Yu-Yan, you say that I'm not fit to be your older cousin? In that case, I'll grant you your wish. From today onwards, even though we're related by blood, we don't know each other anymore! I'm not an older brother to you and you're not a younger sister to me either. If we cross paths again, we will be nothing but strangers. Since we're on different paths, there's no point in trying to get along."

Ye Fan smiled faintly.

His calm words were like the gentle spring breeze.

Ye Fan had remained calm and

Chapter 692 Better to be Strangers

emotionless throughout this whole exchange.

It was as if this matter was just a small incident that wasn't worth mentioning.

But at the same time, that was all it was.

Perhaps Ye Fan would have gotten angry and flown into a rage many years ago because of the insult he suffered.

But now, Ye Fan was already standing at the peak of power and strength.

People like Ye Yu-Yan was no different from an ant to Ye Fan.

If an ant bit an elephant, would the elephant mind?

Chapter 692 Better to be Strangers

If not for his mother, she might not even be worthy of sharing the same dinner table as himself.

Ye Fan then turned and left.

He left the entire hall in shock and silence.

“Fan! Fan! Come back!” Ye Xi-Mei and Ye Guang-Kun shouted after him, but Ye Fan ignored their calls.

He had walked too far to care.

“Humph! You stupid woman! Just you wait! You’ll regret this! All of you think Fan is a worm, but you don’t know that he’s really a dragon. By the time you realize this and you beg him for forgiveness, it will be too late!” shouted

Chapter 692 Better to be Strangers

Lu Wen-Jing in Ye Yu-Yan's direction as she pouted angrily. She wasn't going to stick around since Ye Fan had left. She ran out after him once she was done shouting.

After Ye Fan left, the atmosphere in the dining hall suddenly became rather awkward.

Ye Guang-Kun sighed. "My grandchildren have all grown up and they don't listen anymore. All of them are so prideful." He shook his head and continued to sigh.

Chapter 693 Ye Fan's Might

Ye Ya just scoffed coldly. "It's fine to be prideful, but you've got to be capable first. Just look at my niece, Yu-Yan! She's so capable! Otherwise, you're nothing but a joke! HAHA! Don't bother about him, let's eat."

"Yu-Yan, come over here and continued eating. Ye Fan's left, so nobody will annoy you anymore. By the way, Yu-Yan, why did you suddenly decide to come back this year? Didn't you say you weren't coming back this year?" Ye Ya called Ye Yu-Yan back to the table after Ye Fan left and started chatting with her over dinner again.

"Uncle Ya, I've come back this time to carry out a mission with my teacher, so since it's along the way, I thought I'd pop home to visit," replied Ye Yu-Yan.

Chapter 693 Ye Fan's Might

What?

“Carrying out a mission? What mission? You alone? Has some bad guy appeared in Jingzhou? Why do the special troops have to be mobilized?” asked Ye Ya in shock.

All of them knew that Ye Yu-Yan was the commander of a troop of special soldiers.

But theoretically speaking, any mission given to such troops were extremely dangerous.

So since they heard that these special troops were in Jingzhou for a mission, the family became worried.

Ye Yu-Yan shook her head. “I can’t tell

Chapter 693 Ye Fan's Might

you anything about the mission. But don't worry, I've come here with my teacher and my fellow platoon mates, so we'll take good care of each other and you don't have to worry. My platoon mates should be coming any minute now, I invited them over for dinner."

"Your platoon mates are coming? Ohoho, that's great news!"

"Our Yu-Yan is so promising!"

Everyone in the house was enjoying their meal inside.

But the merry laughter could be heard miles away.

Ye Fan and Lu Wen-Jing had already walked out of the house and were in the

compound outside.

“Fan, is that Ye Yu-Yan seriously your younger cousin? What sort of person is she? What a horrible woman! How infuriating! When I grow up, I’m going to slap Ye Yu-Yan so hard that all her teeth fly out! I hope she never gets married! Humph!” Lu Wen-Jing was gesticulating violently as she talked to Ye Fan on the way out.

But at this time, four men in military uniforms frowned immediately upon hearing Ye Yu-Yan’s name.

One of them was a tall and handsome young man. His eyes turned icy when he heard what Lu Wen-Jing said and grabbed hold of Lu Wen-Jing’s arm.

“Young lady, you’re still quite young but you speak so wickedly. How dare you insult my commander! We’re going in to see her, so you shall come along with us,” said the young man coldly.

“OW! That hurts! Let go of me!”

This young man didn’t realize how hard he was gripping Lu Wen-Jing either. Her wrist was all red and she nearly cried from the pain.

“It’s hard to change one’s mindset after a certain age. You’re so young but you’re already so wicked in your thoughts. If I don’t teach you a good lesson today, I won’t let you off. Come with me to see the commander and wait for her to teach you a lesson,” said the handsome young man in a cold voice.

Chapter 693 Ye Fan's Might

Then he just continued to drag Lu Wen-Jing towards the house without asking her to explain herself at all.

“Let go of her,” came a sinister sounding voice just as Lu Wen-Jing was about to cry from the pain.

This icy voice carried authoritativeness and sounded like he was giving them an order.

The handsome young man was very displeased.

Which stupid country bumpkin dared to speak like this to him?

Of course he was furious.

“Where did this hooligan come from?”

Chapter 693 Ye Fan's Might

Scram! This is none of your bloody business! What the Dragon Hunting Special Troop does is not something a country bumpkin like you can interfere with!" he shouted before raising a leg to kick the person in front of him.

Those in the army were often short tempered.

Now that Ye Fan had offended him, the first thing he did was to fight.

Ye Fan didn't try to dodge the kick.

He looked at the long leg coming his way and just shook his head.

His eyes suddenly turned cold, then he turned and gave a kick!

Chapter 693 Ye Fan's Might

BAM!

There was a low blast as the right leg of this handsome young man was broken by Ye Fan's kick.

Ye Fan's kick didn't weaken as a result. After he broke this young man's right leg, his kick then landed on the young man's chest.

A bloodcurdling howl was heard as his chest bone broke and blood spurted everywhere.

Just like that, this arrogant young man was sent flying out just like a rubber ball.

His heavy body flew through the air towards Ye Tian's door.

Chapter 693 Ye Fan's Might

“BRO!!”

“You little bastard, how dare you touch the Dragon Hunting Special Troop!”

“You’re courting death!”

After Ye Fan sent one flying, the remaining three instantly hit the roof.

Their eyes were blood shot!

After shouting at him, they charged towards Ye Fan.

They used both their arms and legs to attack Ye Fan.

One of them even took out a knife, and another took out a handgun!

Chapter 693 Ye Fan's Might

Only their troop got to beat up the others! Nobody ever dared to insult them like this.

But now a country bumpkin had actually hurt one of theirs!

They couldn't suppress their fury.

Ye Fan looked at them and just snorted. "You overestimate yourselves."

His icy words sounded like the chanting of a grim reaper.

Ye Fan then stepped forward and took a leap.

His body was like a large roc spreading its wings.

Chapter 693 Ye Fan's Might

A series of kicks were delivered.

They were fierce and caused several blasts in the air.

BAM BAM BAM!

The low blasts sounded like muffled thunder as they echoed in this space.

The three men flew out like fireworks as they howled miserably. Ye Fan only took one kick each to hit them where it hurt and sent all of them flying through the air towards Ye Yu-Yan's house.

At this time, Ye Yu-Yan and the rest of the Ye family were still chatting away happily.

“Dad, I told you that we'd definitely have

a real dragon in this young generation. I was right, wasn't I?" said Ye Ya with a laugh.

Old Master Ye smiled too.

"That's right, their generation is doing better than the four of you, especially Yu-Yan. She's so young but she's already the commander of a troop of special soldiers and is a second lieutenant, so she has a bright future ahead. If you talk about a dragon among the grandchildren, it's definitely Yu-Yan."

"Xi-Lan's two children are also in top ranking universities, so they're both working very hard too. Your boy isn't good in his studies, but he's good at talking and has a head for business, so I'm sure he's going to be like you and

become an entrepreneur too. That's something to be proud of too."

"As for Xi-Mei's boy..." Old Master Ye paused when it came to Ye Fan and just shook his head bitterly as he sighed.

"Dad, you can say whatever you like, no need to worry about me," said Ye Xi-Mei with a smile. She was very calm about this.

She knew that her father didn't want to make things awkward for her, so he just paused there.

Old Master Ye sighed heavily.

"Fan...he's not very accomplished, but he's a filial boy. Also, I can see a stubborn streak and indignation in him."

“But that’s what I’m most worried about. There’s nothing wrong with being stubborn, but you must have what it takes first. Otherwise, it just becomes audacity and complacency. Fan’s biggest weakness is this. Xi-Mei, when you get back, talk to Fan. Tell him that it’s better to live honestly and be pragmatic, don’t be too idealistic.”

“Whether one can succeed in life depends on one’s destiny, so there’s no point in forcing it. Sometimes, it’s not a bad thing to be resigned to one’s fate. As for the future, don’t worry, once Fan’s cousins become successful, they’ll help him. If it really doesn’t work out, Fan can till the land that we own. He won’t go hungry.”

As the saying goes, people often said

kind things at their deathbed.

Ye Guang-Kun already had one foot in the coffin, so he wasn't saying these things to insult Ye Fan.

He was truly concerned and worried about his grandson.

Ye Guang-Kun had lived a pretty good life.

He had painstakingly brought his four children up and besides Ye Xi-Mei's rebellion back then, his three other children made him feel proud.

Back then, he had opposed to Ye Xi-Mei's relationship with Ye Fan's father, but he didn't stop his eldest daughter in the end.

Chapter 694 A Petrified Ye Yu-Yan

He had been so angry that he told Ye Xi-Mei that he would disown her in a fit of anger.

But how could this relationship be broken just like that?

When Ye Xi-Mei came back with Ye Fan ten years later, the old man let go of all the fury and resentment he had in his heart.

He just said, "You're back?"

And then he took the two of them in.

But now that all his grandchildren had grown up, the one he was most worried about was still the son of his eldest daughter.

Chapter 694 A Petrified Ye Yu-Yan

Even though Ye Xi-Mei knew that her father meant well, she couldn't help feeling a pain and sourness in her heart when she heard how others thought so badly of her son.

Was her son really so useless?

Did her son really have to live the rest of his life as a farmer?

Ye Xi-Mei quietly lowered her head, but she clenched her fists in her sleeves, and her nails were about to dig into her own skin.

At this time, Old Master Ye looked at Ye Yu-Yan and said, "Yu-Yan, blood is thicker than water after all, so Grandpa hopes that you can still help out Fan whenever you can."

“Among all the grandchildren, you have achieved the most and all your other cousins listen to you. You know that Fan doesn’t have a father, so if you don’t help him, then I’m afraid life will really be difficult for him,” Old Master Ye tried to persuade her in a slow voice.

Ye Yu-Yan’s expression remained cold as she replied flatly, “Grandpa, I don’t mind helping him. But first, he has to be worth helping. Heaven helps those who help themselves. If he’s like useless mud that can’t stick to a wall, then there’s nothing I can do.”

“Exactly. Our Yu-Yan is going to become a general who leads thousands of soldiers in the future. So not everybody is qualified to get her help,” Ye Ya chimed in.

BAM!

Just at this moment.

There was a loud blast.

The shut door of the house had been slammed open from the outside.

A bloodied figure came flying in as everyone watched on in fear and shock.

The figure knocked into Ye Ya, then crashed hard onto the dining table.

All the dishes on the table clattered to the floor and broke from the impact.

“Oh my god!”

“What’s happened?!”

Chapter 694 A Petrified Ye Yu-Yan

Just when all of them were still reeling from the shock.

Swoosh swoosh swoosh!

Another three figures came flying from outside the door.

They crashed through the windows and flew right into the dining hall like a bunch of lifeless dogs.

Along the way, they knocked into many chairs, sent the dishes on the table flying, and the boiling soup of the steamboat splashed everywhere.

Ye Ya got scalded and started howling like a dog from the pain!

They finally crashed into the wall and

the destruction stopped.

“This...what on earth...”

After everything calmed down, Ye Yu-Yan looked at the four men in front of her and her eyes widened.

“Eggplant!”

“Jun-Hui!”

“Wu-Yang!”

Ye Yu-Yan was petrified.

Her eyes were about to fall out of their sockets and her face was completely pale.

There was none of the authoritativeness

and iciness she displayed earlier.

She was only filled with terror and fear now.

She could hardly believe it. These four men who were covered in blood and had knocked out from their injuries were actually her closest comrades, the members of Dragon Hunting Special Troop.

But how was this possible?

Dragon Hunting Special Troop was made up of the best from the military and had gone through thousands of special drills and training.

Never mind the small town of Yeyang – even if you searched all of Jingzhou, it

Chapter 694 A Petrified Ye Yu-Yan

would be hard to find anyone who could possibly injure these four men.

Not even Ye Yu-Yan could do that.

Who was it?

Who on earth did this?

In terror, Ye Yu-Yan left her severely injured and unconscious comrades aside for the time being and dashed out of the house.

But besides ordinary pedestrians walking up and down the street outside, nothing looked out of the ordinary.

In the end, Ye Yu-Yan came back into the house with her heart still filled with terror.

“Yu...Yu-Yan, what’s...what’s going on? What’s happened? Who are these people?” asked Ye Tian in a trembling voice as he shuddered in fright.

Ye Yu-Yan was also feeling fearful as she quietly replied, “Dad, these are the fellow soldiers that I invited for dinner.”

After Ye Yu-Yan replied her father with a pale face, she went to check on her friends.

They were all still alive, but they had all been severely injured, especially the one closest to her, Jin Jun-Hui. One leg had been broken, a few ribs had been fractured, and he was still bleeding.

He was very badly injured and barely breathing.

“Jun-Hui, hang in there! Hang in there! I’ll send you guys to the hospital right now.”

Ye Yu-Yan had never come across such a situation before and her eyes were reddened from fear.

She teared up as she called her teacher.

Then she quickly sent the four of them to the hospital.

After Ye Yu-Yan and the four men left, everyone left in the house was still shaken by what just happened.

A nice dinner was now left with nothing but chaos.

The floor was covered with shattered

cutlery and food.

“My goodness. What just happened? Dad, do you think we’ve offended someone?” The sudden turn of events left a deep impact on a middle aged man like Ye Tian.

He was both terrified and afraid at the same time.

After all, everything was going well when suddenly so many injured men came flying into the house.

It looked like a bloodied warning to the Ye family, so it was only natural for Ye Tian to feel terrified.

But while all of them were still confused and terrified in Ye Tian’s house, the

Chapter 694 A Petrified Ye Yu-Yan

culprit, Ye Fan, had already returned to his mother's place. He was tidying up the room with Lu Wen-Jing.

“Teehee! Fan! You were so cool! That was amazing! You're even more amazing than those people on TV! There were so many of them, but you just sent them flying with one kick!” Lu Wen-Jing's eyes sparkled brightly and she totally idolized Ye Fan now.

Chapter 695 Hua Ying-Tian Is Here?

Ye Fan just shook his head and laughed quietly.

He looked so calm and collected, as if he wasn't bothered by how he had just bashed up the members of the Dragon Hunting Special Troop so violently earlier.

Ye Fan didn't want to fight them, but those men were courting death.

In order to protect Ye Yu-Yan, they actually treated a young girl like Jingjing with such force?

Ye Fan had already been merciful enough by not killing them.

“But Fan, those guys were your cousin's friends, right? Now that you've injured

Chapter 695 Hua Ying-Tian Is Here?

them, won't your cousin be angry with you?" said Lu Wen-Jing a little guiltily after her earlier glee.

After all, Ye Fan had attacked them because of her.

If this caused Ye Fan to fall out with his relatives, then that wasn't something Lu Wen-Jing wanted to see.

Ye Fan laughed and gently patted Lu Wen-Jing's little head. "You funny little girl, you think so much. But I don't care if Ye Yu-Yan is angry with me or not. The two of us are strangers to one another now. What has her friends got to do with me? Even if it was her boyfriend who came by today and tried to hurt you, I'd still bash him up!"

Chapter 695 Hua Ying-Tian Is Here?

Ye Fan's fierce words echoed in the room and Lu Wen-Jing was so happy to hear them.

But while Ye Fan and Lu Wen-Jing happily chatted away, they had no idea what sort of commotion this matter had caused.

At Citizens Hospital in Jingzhou.

Several authoritative men in military uniforms were walking in with large strides to the wards reserved for high ranking officials.

The one leading the men was an older man whose hair was graying.

If Xue Ren-Yang was here, he would have definitely recognized this older

man. He was the chief training officer of Yanjing's armed forces, Lu Tian-He!

Back at the battle at Yanqi Lake, Lin Feng had invited this man to watch the battle in the VIP seats.

You could say that this man had witnessed with his own eyes how Ye Fan rose to power in Yanjing.

But nobody knew why General Lu Tian-He had suddenly come to Jingzhou.

Lu Tian-He's expression was solemn and there was much worry and grimness in his eyes.

Once he reached the hospital, Lu Tian-He immediately ran upstairs to a particular ward.

Chapter 695 Hua Ying-Tian Is Here?

There were several military leaders from Jiangdong's armed forces following behind him.

“General Lu, you're finally here. Jun-Hui and the rest...” Ye Yu-Yan immediately came running out when she heard the footsteps outside.

The moment she saw Lu Tian-He, Ye Yu-Yan's eyes reddened and she lunged into Lu Tian-He's arms.

Lu Tian-He was a teacher to her and like a father to her!

He was also the person that Ye Yu-Yan respected the most and was her greatest pillar of support.

No matter what terrible dangers came

Chapter 695 Hua Ying-Tian Is Here?

her way, after seeing her teacher, Ye Yu-Yan's heart would instantly calm down.

"Yu-Yan, don't cry, I'm here. Let's go in and look at them first," Lu Tian-He consoled her before taking her into the ward with the other military leaders to check on the four men's current situation.

"General Lu, how is it? Will Jun-Hui and the rest be ok?" Ye Yu-Yan's voice was a little choked up.

Lu Tian-He shook his head and finally sighed. "They're very severely injured. It will be hard for them to return to the team within a short time."

What?

Ye Yu-Yan felt like she had just been struck by lightning.

Her face instantly paled.

Lu Tian-He had formed the Dragon Hunting Special Troop from scratch.

They had gone through special training for the last three years and this was the first mission that the Dragon Hunting Special Troop was on. They had been sent to Jingzhou to carry out a mission, and Ye Yu-Yan had been granted the honor of being their commander.

Ye Yu-Yan was still hoping to use this mission to make a name for themselves, so that everyone in the military would know of the Dragon Hunting Special Troop.

Chapter 695 Hua Ying-Tian Is Here?

But she never imagined that they would end up in defeat before even fighting!

This was their first day in Jingzhou and the Dragon Hunting Special Troop was nearly annihilated.

Out of their team of five, she was the only one left.

Her role as the commander had now become a joke.

“Yu-Yan, don’t be too worried, Jun-Hui and the rest aren’t going to die. After another two or three years, the Dragon Hunting Special Troop can still make a comeback. But first, we have to investigate who did this,” Lu Tian-He consoled her before asking about what happened.

Chapter 695 Hua Ying-Tian Is Here?

Jin Jun-Hui and the rest were still unconscious, so Lu Tian-He could only ask Ye Yu-Yan.

“What? You didn’t see who it was?” Lu Tian-He looked even grimmer after listening to Ye Yu-Yan recount what happened.

“That’s right, General Lu. I was eating dinner, then Jun-Hui and the other three came flying in. Everything happened in a matter of seconds.” Ye Yu-Yan nodded.

Lu Tian-He fell silent.

After a long time, he said, “Someone managed to bash up these four so violently in such a short time. This person’s ability is way above the Dragon Hunting Special Troop’s. I suspect this

person is the top disciple of Japan's Sword Shrine, Hua Ying-Tian!"

What?

"General Lu, did you say...Hua Ying-Tian?" Ye Yu-Yan was terrified and her face was deathly pale.

Lu Tian-He nodded.

"According to my intel, Hua Ying-Tian has arrived in China and he's within the Jingzhou area. I have reliable sources saying that Hua Ying-Tian was last spotted near Yeyang. The time, place and ability all match up. It can't be anybody else," said Lu Tian-He slowly.

But that low voice made Ye Yu-Yan feel a tremendous and heavy pressure.

Chapter 695 Hua Ying-Tian Is Here?

The Dragon Hunting Special Troop had come to Jingzhou precisely to help her teacher, Lu Tian-He, to deal with Hua Ying-Tian.

This man was the top disciple of Japan's Sword Shrine and had secretly entered China, so he was definitely up to no good.

Lu Tian-He had received a command from the top brass to watch over Hua Ying-Tian and chase him out of the country.

Before this, Ye Yu-Yan was still confident that with the powers of the Dragon Hunting Special Troop combined, they would be able to capture Hua Ying-Tian even without her teacher doing anything.

But it was clear that she had been wrong. So very wrong.

In the face of a truly powerful person, youngsters like herself were too weak.

“I’ve taken note of this matter, leave the matter of Hua Ying-Tian to me. You can go home and rest, and enjoy your new year holiday. You youngsters are no longer able to interfere with this matter.” Lu Tian-He comforted Ye Yu-Yan with a few words, then left.

Ye Yu-Yan knew that she wasn’t powerful enough, so she didn’t object to her teacher’s arrangement.

After remaining in the hospital for a while more, she headed home.

When she got home, she found that her mother was tidying up the study.

“Mum, why are you tidying up the study? Do we have a guest staying here?” asked Ye Yu-Yan puzzledly.

Dong Mei nodded. “That’s right. Your Auntie Xi-Mei says that her place is too small and she asked if Ye Fan could stay here. So I thought I could tidy up the study and your cousin can stay here.”

Ye Yu-Yan was drinking a yoghurt drink when Dong Mei explained the situation to her.

When she heard that it was Ye Fan who was coming, Ye Yu-Yan was so shocked that she spat all the yoghurt in her

Chapter 695 Hua Ying-Tian Is Here?

mouth out.

She immediately glared at her mother and said with great disdain, “What?! You want Ye Fan to stay in our house? No way! I won’t agree to it!”

Chapter 696 Undercurrents

Ye Yu-Yan had always looked down on this cousin of hers. Now that her mother was telling her that Ye Fan was going to stay in the same house as her, Ye Yu-Yan was extremely unwilling to do so and immediately told her mother no.

Dong Mei immediately scolded her, “Why are you being so immature? Fan is your aunt’s son! How could we not bother about him? You mean you’d rather he sleep on the streets?”

“I don’t care, I’m not staying in the same house as him. If you want him to stay here, I’ll stay elsewhere,” Ye Yu-Yan insisted.

Dong Mei became livid. “Why, you!”

“Enough, my daughter isn’t in the wrong.

Chapter 696 Undercurrents

This son of my sister's is a useless fellow who's never held a decent job in his life and goes around beating others up. And he even dared to covet my precious daughter back then? He's nothing but a hooligan," said Ye Tian coldly as he put down his tea cup.

"I just knew this boy wouldn't grow up to accomplish anything. And now? He's gone to be a live-in son-in-law and he's living off his wife. What an embarrassment to the Ye family! If you let this hooligan stay here, I don't know what trouble he might cause. I don't know why you agreed to such a request. You should have just refused my sister."

Ye Tian clearly didn't like this eldest nephew of his and stood on Ye Yu-Yan's side. He didn't agree to let Ye Fan stay

in his house either.

Dong Mei became unhappy after hearing these words. “Ye Tian, why do you think I agreed to this? It’s because she’s your older sister! If I rejected her, it would look bad on you. And now both of you are blaming me? Then tell me what should I do? Your sister’s place has so space and the two of you refuse to let him stay here. Are you really going to let him sleep on the streets?”

Dong Mei pitied Ye Fan and was genuinely agreeable to let Ye Fan stay at her place.

Ye Tian thought about it, then said, “Let him stay at a hotel or something out there then. At most we’ll pay for it. Alright now, don’t interfere with this

matter anymore. I'll call my sister in a while."

After Ye Tian finished saying this, he suddenly remembered something else and looked at his daughter. "By the way, Yu-Yan, I forgot to tell you something. Qin Yu came over to look for you today but you weren't in, so he just left an invitation card behind and left."

Oh?

"Qin Yu came to look for me?" Ye Yu-Yan was pleasantly surprised to hear this name.

Out of all her peers in Yeyang, the only one that Ye Yu-Yan admired was Qin Yu.

Qin Yu's father and Ye Yu-Yan's father

Chapter 696 Undercurrents

had been friends for a few decades now, so Ye Yu-Yan and Qin Yu knew each other since they were children and they grew up being very close.

When they were students, the top spot in school was either Ye Yu-Yan or Qin Yu. The two of them were equally good in their studies, their social status was similar and they were seen together all the time.

Qin Yu was Ye Yu-Yan's closest male friend.

In the past, many people thought that Ye Yu-Yan would become Qin Yu's girlfriend.

But they were all wrong. Ye Yu-Yan just treated him as a male best friend.

Chapter 696 Undercurrents

The two of them were closer than friends but they weren't lovers.

"That's right. You probably don't know, but Yu is getting married and the wedding is tomorrow. He even wants you to be a witness at the ceremony," Ye Tian immediately sighed.

"You silly little girl. Yu is such a good boy, you know. His father is the County Chief, so he's a rank higher than me. Yu is now also a famous entrepreneur in the county. He was wooing you back then and you should have said yes to him, but you didn't care for him. I don't know how high your standards are anymore," Ye Tian sighed. He thought it was such a pity.

Dong Mei sighed at this as well.

She just felt that her daughter had missed an excellent marriage partner.

But Ye Yu-Yan just smiled faintly. “Dad, Qin Yu is a nice boy and I do agree that he’s a good marriage partner. But to me, he can only be my best friend. He’s still not enough to be my boyfriend.”

After hearing that, Ye Tian became curious and asked, “Then Yu-Yan, tell me, what sort of boy my precious daughter fancy? Then I can help you look for one.

Ye Tian said these with great pride in his voice.

It was as if Ye Yu-Yan was the artwork that he was most proud of in his life.

Chapter 696 Undercurrents

Ye Yu-Yan thought about it for a while, then leaned back and said, “My ideal person must be a great hero you can’t find anywhere else in the world.”

“There’s no need to look for him nor search for him. I believe that when I need him the most, he will appear right in front of me,” said Ye Yu-Yan slowly. Her pretty eyes gleamed brightly.

She looked like a young girl in love for the first time and looked forward to a beautiful romance.

But Ye Tian and Dong Mei just burst out laughing.

“You’ve watched too many movies, haven’t you? What, don’t tell me you want to marry someone like the Monkey

Chapter 696 Undercurrents

God? HAHA!”

Everyone burst out laughing in the room.

But nobody knew that a huge storm was quietly approaching them.

On the other side.

Less than a hundred meters from Ye Tian’s house was Ye Xi-Mei’s. She was helping Ye Fan to pack a few daily essentials to bring along.

“Fan, Yu-Yan may be immature, but as an older brother, you shouldn’t be so immature. When you get to Uncle Tian’s house, remember to take the initiative

and talk nicely to Yu-Yan,” Ye Xi-Mei nagged.

“Mum, I already told you that I’d just stay in the storeroom at the side. I’ve already packed it nicely in the afternoon. I’m not going to Uncle Tian’s house to stay.”

“That won’t do! Nobody has stayed in that storeroom in ages and there might be rats in there. Be good now, go to Uncle Tian’s house. I’ve already agreed on this with your Auntie Mei,” said Ye Xi-Mei with a glare.

Ye Fan snorted. “Well, that depends on whether his side is agreeable or not.”

“What are you talking about? He’s your uncle, so how could he refuse this?”

snapped Ye Xi-Mei.

Just then, Ye Tian called Ye Xi-Mei.

“See? It must be your uncle hurrying you over,” said Ye Xi-Mei with a smile as she picked up the call.

But when she hung up a few moments later, the smile on her face had vanished.

Ye Fan saw the look on her face and quickly poured his mother a glass of water. “Mum, I told you that I’d just stay in the storeroom. It’s easier to put up with myself than others.”

Ye Fan ended up staying the night in the storeroom by the side.

Chapter 696 Undercurrents

He got Lu Wen-Jing to sleep with his mother.

But even so, Ye Xi-Mei went over to tidy up that storeroom herself.

She made sure that there wasn't a speck of dust inside and even put a vase of flowers by the bedside.

Ye Xi-Mei had been married into a wealthy family before after all, so even though she was living in an ordinary environment now, she still continued to upkeep her elegant and proper lifestyle habits.

After Ye Xi-Mei helped her son to make sure that he had a nicely and warmly done up little room of his own, she went to bed as well.

Chapter 696 Undercurrents

Late at night, Ye Fan closed the door behind him when everything was quiet and gave Han a call.

Rate the Translation to Get 2 Pearls.

Wait! I Have Something to Say!

Send a Gift to the Writer!

Chapter 697 The Plump Boy's Situation

“Young Master, you’ve finally picked up the phone. If you didn’t pick up soon, I was about to send someone to Jingzhou to look for you,” came Han’s worried and anxious voice once the call got through.

This faithful old man was like an elderly butler who constantly worried about Ye Fan’s day to day needs and personal safety.

Ye Fan was already long used to it.

“Han, it’s been ten years and you’re still so jumpy at every single thing. I’m no longer that boy I was ten years ago. There are very few people in this world who could possibly endanger my life now. There’s no need for you to be so antsy and jumpy all the time,” laughed

Chapter 697 The Plump Boy's Situation

Ye Fan helplessly as he shook his head.

Ye Fan had told Han these words many times, but they always fell on deaf ears.

This old fellow refused to remember any of it.

“This concerns your safety, Young Master. How could I be so casual about it?”

“Alright now, enough of this unnecessary talk. I have to call my wife in a few moments, so say what you need to say,” Ye Fan hurried him after laughing.

Han immediately reported, “Young Master, according to my sources, a strong fighter from Japan's Sword

Chapter 697 The Plump Boy's Situation

Shrine has entered China. If I'm not wrong, he's coming for you. If that's so, judging from the time he's been here, he should be in Jingzhou by now. So you have to be more careful over there. Do you want me to send Tong Shan over? He's not super amazing, but he's got a tough body and thick skin, so he can blocked off few attacks for you when you need it."

Ye Fan snorted, "That's not necessary. Is there anything happening over at our own country's War God Castle?"

"Nothing at the moment," replied Han.

Ye Fan's faint smile grew brighter. "If War God Castle isn't moving at all, then I don't think the person who's entered our borders is that powerful, so there's

Chapter 697 The Plump Boy's Situation

really no need to worry. Regardless of who it is, since he's here, then he can forget about going back. That's that then, I've taken note of this."

With that, Ye Fan hung up the phone.

After that, Ye Fan gave Qiu Mu-Cheng a call and chatted for a while before going to bed.

The night soon passed by.

The next day, Ye Fan went over to visit his grandparents.

The two old folks lived in the house nearest the front of the estate and was a few steps away.

Normally, Ye Xi-Mei was the one who

Chapter 697 The Plump Boy's Situation

took care of the two old folks. Now that Ye Fan had come back and brought along the lively and adorable Lu Wen-Jing, it had brought some life to this old estate.

While eating, Ye Fan asked about his plump friend from his childhood days.

The plump boy was from the same village as Ye Fan but Ye Fan had left for a few years and didn't know how his old buddy was. Now that he was back, he wanted to pay him a visit.

"Sigh...you're talking about Yu-Xiang, right? He's the only one who got along with you in this entire town. But he's not in very good shape lately, you'd better go and see him."

Chapter 697 The Plump Boy's Situation

The plump boy's name was Shin Yu-Xiang. He didn't live too far off from them, and lived just east of the town.

But when she mentioned Shin Yu-Xiang, Ye Xi-Mei sighed and she sounded like she pitied him.

"Hmm? Mum, what's happened? Did something bad happen to his family?"
Ye Fan immediately frowned when he saw his mother's reaction and had a bad feeling about this.

Ye Fan had spent several years in Yeyang.

Because of his identity, many of the kids refused to play with him.

When he went to school, even his own

Chapter 697 The Plump Boy's Situation

cousins would gang up with others to bully him.

That was the thing that left the deepest impression on Ye Fan. Ye Yu-Yan and the other cousins always left him out.

Every time Ye Yu-Yan's family went on holiday, they'd come back with a lot of souvenirs.

After reaching school, Ye Yu-Yan would give them out to all her friends and relatives.

All except Ye Fan!

Ye Fan wasn't too bothered by these childish antics.

But Shin Yu-Xiang couldn't stand it.

Chapter 697 The Plump Boy's Situation

At that time, Shin Yu-Xiang's family business was doing pretty well.

After he saw that Ye Fan's cousins always left him out, every time he went to the city, he would bring back many rare toys and snacks and give them to only Ye Fan. It was as if he was purposely trying to anger Ye Fan's cousins.

At that time, Ye Fan realized that sometimes, these so called relatives were even worse than someone who wasn't related to him at all.

And so Ye Fan cherished this friend of his very much.

Now that he was back in Yeyang, Ye Fan wanted to visit him.

Chapter 697 The Plump Boy's Situation

"It's a long story and I don't know that much either. You'd better ask him yourself," said Ye Xi-Mei with a sigh.

Ye Fan nodded and didn't ask anymore.

After eating, he went out to look for Shin Yu-Xiang.

Lu Wen-Jing went everywhere with Ye Fan, so she went along too.

"This little girl goes everywhere that Fan goes to, like a little lamb," laughed Ye Xi-Mei to herself.

Shin Yu-Xiang's house wasn't too far. Ye Fan walked over based on his memories of the place.

In no time, Ye Fan found himself at a

Chapter 697 The Plump Boy's Situation

double storied bungalow.

An old Audi A6 was parked on the ground floor.

Shin Yu-Xiang used to be sent to school in this car and was the envy of everyone.

But many years later, this luxury car now looked out of date.

“Hello Auntie, is Yu-Xiang in?” Ye Fan walked through the gate and spotted a middle-aged lady.

“You are...?” The lady looked Ye Fan up and down and was puzzled.

Ye Fan smiled and replied, “Auntie, I’m Fan.”

The lady was instantly surprised.

“Oh my! Fan? Haha! When did you come back? I haven't seen you in years! My Yu-Xiang thought you had gone missing and wanted to go out there to look for you. I'm glad you're here. Come in, come in, Yu-Xiang is inside,” said the lady with a smile and was very friendly towards him.

But after she was done laughing, she pulled Ye Fan towards her and quietly said, “Fan, I know that Yu-Xiang is very close to you and he always listens to you. When you go to and see him, you have to help me to talk to him and help him to walk out of his depression. There are so many fish in the ocean, why miss the forest for one tree? Alright I won't say anymore, you two buddies can talk

Chapter 697 The Plump Boy's Situation

it out.”

Her words were filled with worry and heartache for her own son.

Ye Fan had no idea what was going on but nodded anyway.

Then he walked into Shin Yu-Xiang's room.

The room was a little messy.

Ye Fan walked in to find a tall and stout man with messy hair lying on the sofa as he drank beer.

The floor was littered with cigarette butts.

The TV was on and showing some TV

drama.

But the man wasn't watching TV at all and was just slumped on the couch.

He looked so despondent, like a pile of mud. He looked like he had lost all hope for the future.

"Xiang, I've not seen you for a while and you've become like this? You've even learnt to smoke?" Ye Fan walked over and took the cigarette that the man just lit. He flung it onto the floor and stepped hard on it.

"I told you to get lost! Stop harassing..." Shin Yu-Xiang thought that his parents had found someone to try to counsel him again and was about to start yelling at the visitor but he was dumbstruck

Chapter 697 The Plump Boy's Situation

when he saw who had come and his tiny eyes grew wide instantly.

“Bro...Brother Fan?!”

Chapter 698 To the Wedding

“Haha! Brother Fan, you’re back! You’re finally back! I thought you had forgotten all about your friend here,” Shin Yu-Xiang immediately started laughing loudly when he saw Ye Fan.

But as he laughed, his eyes started to redden and he started to sniffle.

Ye Fan had disappeared for the last three years.

He thought that something bad had happened to Ye Fan, so after seeing him here, Shin Yu-Xiang was very excited.

But at the same time, all the emotions that he had been suppressing for a long time were all let out now.

He actually hugged Ye Fan and started

bawling.

“Xiang, what’s happened? What’s wrong? You looked so listless just now, it’s as if the sky fell down,” said Ye Fan confusedly.

“Brother Fan, Wen-Ya is getting married, but the groom isn’t me. Fan, what should I do? What am I going to do without her?” Shin Yu-Xiang’s voice choked up and it was filled with pain and sadness.

Ye Fan got a shock after hearing this.

“Wen-Ya? You mean Du Wen-Ya? What happened? Weren’t the two of you ok when I left? Did Du Wen-Ya have a change in heart?”

Chapter 698 To the Wedding

Ye Fan was extremely surprised to hear this.

For most other ordinary couples, it was normal to break up and get together with someone else.

But Du Wen-Ya and Shin Yu-Xiang were different. The two of them grew up together as close friends, and when they were ten, their parents even agreed on letting them get married after they grew up.

In school, everyone knew that they were a couple.

One was fair and reasonable, the other was caring and understanding.

In Ye Fan's memory, these two were

Chapter 698 To the Wedding

always together and almost never quarreled in their ten years together.

They were a model couple that everyone was envious of.

But now, this model couple had broken up and one of them was actually getting married?

Ye Fan was thoroughly shocked.

“No, Ya didn’t have a change of heart and she still loves me. But her parents have forced her into this. They’ve forced her to marry someone else,” explained Shin Yu-Xiang in a righteous voice.

It turned out that Shin Yu-Xiang’s family business failed a few years back and the family was on a decline. Meanwhile,

Chapter 698 To the Wedding

Du Wen-Ya's family was doing better and better.

So after some time, Du Wen-Ya's father started to become unhappy with this engagement his daughter had.

One day, someone introduced a young man who was doing well in his business to the Du family, and this man took a liking to Du Wen-Ya.

Under such circumstances, in order to cling onto more power and to ensure that his daughter could marry someone better, Du Wen-Ya's father immediately decided to break off Du Wen-Ya's engagement to Shin Yu-Xiang and got his daughter to go out with this young man instead.

Chapter 698 To the Wedding

“It’s all my fault, I’m so useless. If I weren’t so useless, Wen-Ya’s father wouldn’t separate us. I’m just a piece of trash, a useless piece of trash. There’s nothing good about me and I don’t even have a proper job, so I’m worse than trash...maybe it’s good that Wen-Ya doesn’t marry me. I’m not worthy of her, so if she marries me, it’ll be like stick a fresh flower on a pile of cow dung,” wailed Shin Yu-Xiang miserably as he picked up the can of beer on the table and downed it in one gulp.

His eyes were bloodshot and filled with tears.

Ye Fan didn’t say anything and just looked at Shin Yu-Xiang.

After a moment of silence, he asked in a

quiet voice, “Xiang, are you telling me the truth? You and Wen-Ya have been separated? Wen-Ya really still loves you?”

Shin Yu-Xiang nodded, then shook his head in self-deprecation. “So what if she does? So what if she doesn’t? There’s no point in saying all this now. Their wedding ceremony has probably already started. Wen-Ya’s father has done the right thing. Compared to him, I’m not even as good as a dog. His father is the County Chief and the man himself is a young entrepreneur. He’s from a good family and he’s young and successful.”

“And me? I’m just a country bumpkin from a family of farmers. My dad made some money from his business, but I’m

Chapter 698 To the Wedding

still from the village, a villager who is destined to just plant crops all my life. How can I compare myself to him? It's impossible. I should give them my blessing. Wen-Ya will truly be happy with him," said Shin Yu-Xiang miserably as he continued to cry.

His tears were mixed in with his beer and just kept pouring down his face.

The two of them loved each other but couldn't be together.

That was probably the most painful thing in life.

The woman he loved the most was going to become someone else's wife. Nobody knew how hurt Shin Yu-Xiang felt.

Chapter 698 To the Wedding

The sun in his life was going to set soon.

“Fan, why don’t you help him out?” Lu Wen-Jing felt so bad for Shin Yu-Xiang when she saw how miserable he looked.

She looked up with teary eyes at Ye Fan.

But Ye Fan didn’t say anything. He walked over expressionlessly and kicked Shin Yu-Xiang.

BAM!

Shin Yu-Xiang fell to the floor from that kick and the beer bottle in his hands shattered.

“Fan, why did you kick him?” Lu Wen-

Chapter 698 To the Wedding

Jing got a shock. Shin Yu-Xiang's predicament was already so tragic but Ye Fan actually still kicked him.

"He deserves a kick! I hate those who look down on me the most! So what if I'm from the village? So what if I'm from a poor family? Are the children of farmers less of a human than others? You're really a piece of trash!"

"It's fine if others look down on you, but even you are looking down on yourself now. Wen-Ya must have been blind to fall for a useless idiot like you! For all you know, Wen-Ya is waiting for you to appear at the wedding ceremony. But what are you doing now? You're just sitting here and crying and wailing. What's the use in that? If you want to be truly capable, get your woman back!"

Chapter 698 To the Wedding

“Shin Yu-Xiang, if you’re a man, come with me right now! Otherwise, don’t you dare say that you’re Ye Fan’s brother! You’re a bloody disgrace to me!” shouted Ye Fan angrily after he had kicked Shin Yu-Xiang.

Then he marched out of the house and waited for Shin Yu-Xiang to make a decision as he waited at the gate.

There was no sound at all.

The only sound was Shin Yu-Xiang’s sobbing.

The cold wind blew against Ye Fan’s fringe.

His skinny body stood straight in front of the house.

Chapter 698 To the Wedding

He looked like a swordsman standing at attention and waiting for someone to come.

“Fan, will he come?” Lu Wen-Jing stayed by Ye Fan’s side and looked back as she asked worriedly.

“He will.” It was just two words, but they rang loudly and firmly.

Just as Ye Fan said these words, a tall and stout man in a suit and leather shoes appeared at the door.

The two men looked at each other and didn’t say anything. No words were needed.

It was as if two swordsmen had come out of their reclusiveness and was back

Chapter 698 To the Wedding

in the game!

Nobody knew what storm was going to go through Jingzhou after this.

VROOM!

A few minutes later, a black motorcycle roared like a wild beast as it tore through the roads and shot out towards the city of Jingzhou!

At the same time, Ye Yu-Yan was in a long dress and got into a black Volvo outside her house. She too, headed to Jingzhou to attend a wedding banquet.

Chapter 699 Start of the Wedding Ceremony

“Jian, drive carefully, and remember not to drink at the wedding,” Ye Tian instructed Ye Jian outside the house. The rest of the Ye family came to see them off.

Ye Jian was Ye Ya’s son, and had just returned from a fun trip to the city. He was going to attend Qin Yu’s wedding with Ye Yu-Yan.

“Uncle Tian, don’t worry, I’m a good driver,” said Ye Jian from the driver’s seat. He had a pair of sunglasses on, his hair was slicked back and was dressed like a trendy young man.

Ye Jian then turned to look at Ye Yu-Yan seated at the back, “Yu-Yan, do you have everything with you?”

Chapter 699 Start of the Wedding Ceremony

“Yup. We can go.” Ye Yu-Yan continued to look as cold and authoritative as ever as she waved her hands to tell Ye Jian that they could leave.

But Old Master Ye called after them. “Jian, don’t go. Bring Fan along. All of you went to school together, so you should call Fan along to Qin Yu’s wedding.”

What?

“You want Ye Fan to go? Grandpa, don’t make things difficult. He’s a live-in son-in-law, so he’s only going to be an embarrassment. Enough Grandpa, Yu-Yan and I have to go,” replied Ye Jian in annoyance when he hear his grandfather tell him to call Ye Fan along.

Chapter 699 Start of the Wedding Ceremony

Without waiting for an answer from his grandfather, Ye Jian drove off.

“I didn’t expect Ye Fan to have the cheek to come back. He’s a live-in son-in-law and he came back for Lunar New Year? What a disgrace,” scoffed Ye Jian coldly as he drove.

Ye Jian never got along with Ye Fan since they were children, and Ye Fan even broke his leg back then.

It had been so many years but he still remembered this.

Ye Jian thought that after Ye Fan married into his wife’s family, he would probably be too embarrassed to ever come home again.

Chapter 699 Start of the Wedding Ceremony

feels good!” Ye Jian was immediately elated to hear this and felt so gleeful inside.

Back then, Ye Fan and Shin Yu-Xiang had beaten him up quite a bit.

Now that he was hearing that Shin Yu-Xiang’s girlfriend was marrying someone else, Ye Jian was more than happy.

“Back in school, I always felt that stupid fat asshole wasn’t worthy of Wen-Ya. Wen-Ya was good in her studies, her parents were teachers, and she’s pretty and very well-liked. But that fat asshole? He never got a proper job. The fact that he got a girlfriend like Wen-Ya made me so freaking jealous.”

But Ye Fan actually came back this year.

Ye Jian continued to mumble to himself and Ye Yu-Yan didn't bother to talk to him.

She couldn't be bothered with Ye Fan.

“By the way, Yu-Yan, I forgot to ask you. Do you know who Qin Yu's bride is? I'm not very close to him so I really don't know anything about this wedding,” asked Ye Jian curiously.

Ye Yu-Yan replied calmly, “It's Du Wen-Ya.”

“What? Du Wen-Ya? Oh my god, isn't that the girlfriend of Ye Fan's buddy? HAHA! Qin Yu's amazing! He snatched the woman of that fat asshole! That

Chapter 699 Start of the Wedding Ceremony

“But heaven is fair after all! I feel so vindicated now. I guess that fat asshole must be crying his eyes out at home now!” Ye Jian laughed merrily and he was feeling so good now.

Ye Yu-Yan just laughed quietly and shook her head.

Birds of a feather flock together. Ye Fan’s friend couldn’t be anything good either.

She agreed that Du Wen-Ya was lucky to marry Qin Yu instead of Shin Yu-Xiang.

As they chatted, Ye Jian soon drove into the city and reached the wedding venue, Longjing Restaurant.

“Yu-Yan, you’re here. This must be your

Chapter 699 Start of the Wedding Ceremony

cousin, Ye Jian, right?” Qin Yu was in a suit and tie outside the restaurant to welcome Ye Yu-Yan once he heard that she had come.

“Qin Yu, it’s been a long time but you still remember me! But you’re really amazing, your wedding is actually being held at Longjing Restaurant! As far as I know, this restaurant belongs to the Lei family of Jingzhou, right? It’s usually only available for the super-rich and powerful. Not that many people in all of Jingzhou can have their wedding at Master Lei San’s restaurant, right?” exclaimed Ye Jian as he looked at Longjing Restaurant.

Qin Yu immediately felt pride rising from his heart, but his words remained humble, “Haha, Ye Jian, you’re

exaggerating. My family isn't good enough to book Longjing Restaurant. All this is thanks to my friend who's part of the Lei family. I used my connections with him to book the most luxurious restaurant in Jingzhou!"

Longjing Restaurant belonged to the Lei family, so it was an extremely luxurious restaurant.

Anybody who could step into the restaurant was definitely someone rich and powerful.

Also, they never allowed wedding bookings.

But of course, there were always exceptions.

Chapter 699 Start of the Wedding Ceremony

The last time they made an exception was three years ago when the son of the mayor of Jingzhou got married.

Qin Yu had become the second exception.

Of course he was feeling proud!

Ye Jian was even more surprised to hear this. “Oh my god, Qin Yu, you know someone from the Lei family?”

“That’s right. He should be here today too. I’ll introduce you guys later,” said Qin Yu with a smile.

“Oh my, I’ll have to thank you in advance then!” Ye Jian became even more excited.

Chapter 699 Start of the Wedding Ceremony

The Lei family was the top family of Jingzhou, so if he could get this connection as well, then he could book Longjing Restaurant for his wedding in the future too!

They chatted while walking into the restaurant.

The main hall had already been redecorated.

A brand new carpet covered the floor and there were roses on both sides of the hall.

More than ten waitresses were in cheongsams and lined the way to welcome guests.

The tables had plenty of rare fruits as

well.

The entire wedding venue was luxuriously decorated, so the Qin family had certainly gone all out for this wedding.

“Hello, Uncle Qin,” Ye Yu-Yan and Ye Jian greeted Qin Yu’s father when they spotted him.

Ye Yu-Yan was polite and friendly now, and was the total opposite of the way she had treated Ye Fan and Ye Xi-Mei.

“Oh, Yu-Yan, you’re back. You’re getting prettier and prettier!” Qin Yu’s father, Qin Feng, chatted briefly with her before going back to entertaining his guests.

Time went by and all the guests had

arrived.

Qin Feng looked at the time. "It's about time, give the in-laws a call. Tell them that we can start the ceremony."

At this time, some makeup artists were in a room trying to touch up a young lady's makeup.

"Miss, don't cry anymore, you'll ruin your makeup. The wedding is about to start," the makeup artists tried to persuade her while they sighed sympathetically in their hearts.

They could see that this wedding was going to end badly.

"Wen-Ya, you terrible girl. It's your wedding day, so why are you crying?"

Chapter 699 Start of the Wedding Ceremony

You useless little girl, don't tell me you still haven't forgotten that useless Shin Yu-Xiang?" Du Wen-Ya's father chided her angrily.

Chapter 700 Ye Fan Appears

“One of the responsibilities we have as parents is to make sure you marry well. Wen-Ya, you’re our only daughter, so we wouldn’t find someone terrible for you. The Qin family is a good family with status and money, so you can enjoy life in the future. Come along now, the wedding is about to start. Wipe away your tears, we have to go to the hall now,” hurried Du Wen-Ya’s father. He put the veil over her face and brought his daughter out of the room.

The hall was already completely filled.

When the music started playing, the bride held onto her father’s arm and stepped on the rose petals that covered the floor as she slowly made her way along the red carpet amidst the cheering and clapping of the guests.

Chapter 700 Ye Fan Appears

Qin Yu was standing at the other end excitedly.

He watched as the beautiful young lady walked slowly towards him and there was bliss and joy in his eyes.

The voice of the emcee resounded loudly, "Meeting the love of your lifetime is the most important meeting of your entire life. And now, our bride and groom have made their way to each other with the help of fate. Once they cross the bridge to become one couple, that would be the most beautiful thing we will witness in this world! We shall now invite the groom to take the bride's beautiful hands to step into the wedding hall together!"

Thunderous applause immediately filled

Chapter 700 Ye Fan Appears

the hall.

Ye Yu-Yan smiled and was genuinely happy for her best friend, Qin Yu.

Ye Jian was so envious when he saw this happening before him.

But nobody noticed that Du Wen-Ya's face was covered in tears beneath her wedding veil.

She had been a good girl since she was a child and she always believed that her parents did everything for her own good.

But this time, Du Wen-Ya wasn't sure if her parents were right or wrong.

She just knew that the one she loved

Chapter 700 Ye Fan Appears

wasn't Qin Yu.

It was the man called Shin Yu-Xiang.

That's right, even though Du Wen-Ya had already stepped into the wedding hall, her whole head was filled with nothing but the smiling face of Shin Yu-Xiang.

How she wished that Shin Yu-Xiang would swoop in like a superhero and take her away from this place.

But she knew that she was merely dreaming.

After she was engaged to Qin Yu, Shin Yu-Xiang didn't contact her anymore.

So how could he possibly appear on her wedding day to take her away?

Chapter 700 Ye Fan Appears

Her tears flowed down her cheeks uncontrollably.

Du Wen-Ya looked back one last time, as if she was bidding her past and that man her last farewell.

She had resigned to her fate.

She was going to let it be this way.

Perhaps she didn't deserve to have her true love!

But just when Qin Yu was about to take Du Wen-Ya's hand in his, there was a shout that came from outside the restaurant.

"Wen-Ya, I'm here!"

Chapter 700 Ye Fan Appears

BAM!

There was a terrible blast.

A black motorcycle drove right through the restaurant entrance and flew in like a cannonball.

The doors and glass were all broken.

The guests in the hall were all terrified and started screaming and shouting in panic.

“What’s going on?”

“What’s happened?”

“Is this a terrorist attack?!”

Many people starting screaming in

Chapter 700 Ye Fan Appears

fright, and even Ye Jian was pale in the face. He squat on the floor and was ready to dive under the table.

But just when the entire restaurant was in chaos, Du Wen-Ya was instantly shocked by that voice as she stood on stage.

She turned and pulled away the veil as she looked back.

She saw a large and cheery man come running towards her.

“Yu-Xiang!” Du Wen-Ya immediately burst out crying and tears streamed down her face.

She never thought that Shin Yu-Xiang would really come.

Chapter 700 Ye Fan Appears

He was like a knight who had killed his way through a thousand soldiers.

Du Wen-Ya couldn't hold her emotions back and cried as she ran all the way into Shin Yu-Xiang's arms.

"Wen-Ya, I'm so sorry that I've come so late. I've decided that you shall be no one else's wife but mine. I won't let you marry anyone else. I'll take you away right now," said Shin Yu-Xiang determinedly.

Du Wen-Ya nodded as she cried. "Yu-Xiang, I'll leave with you."

But just as Shin Yu-Xiang took Du Wen-Ya's hand and was about to leave, the restaurant security guards stood in front of them.

Chapter 700 Ye Fan Appears

Others, including Qin Yu and Ye Yu-Yan, also walked up to them.

“Shin Yu-Xiang, you’re courting death! How dare you make trouble at my wedding?! I’m going to make sure you go out of this place flat on your face!” roared Qin Yu furiously with reddened eyes.

Nobody would be able to remain calm if their wedding was crashed.

Ye Jian and Ye Yu-Yan’s shock disappeared when they realized that the person who had come was just Shin Yu-Xiang. They both snorted out loud.

They just felt that Shin Yu-Xiang was being an idiot.

Chapter 700 Ye Fan Appears

He had just dashed in rashly like a foolish youth. Did he really think he could take Du Wen-Ya away in front of so many people?

“He’s really overestimated himself,” muttered Ye Yu-Yan as she shook her head.

But just as those guards surrounded him and was ready to attack Shin Yu-Xiang, Shin Yu-Xiang looked out of the restaurant and yelled, “Brother Fan, aren’t you going to make an appearance? If you don’t come in now, your bro is going to die!”

Huh?

“Brother Fan?”

Chapter 700 Ye Fan Appears

“What Brother Fan?”

Shin Yu-Xiang’s words shocked everyone.

Qin Yu was even more startled. Shin Yu-Xiang had an accomplice?

Just when everyone was still shocked and puzzled, a skinny figure appeared outside the restaurant.

He was in a black jacket, faded jeans and a pair of white sneakers.

He looked as ordinary as any passerby.

But this man stuffed his hands in his pant pockets with a faint smile on his lips as he walked over under the stares of everyone in the hall.

Chapter 700 Ye Fan Appears

He finally came and stood in front of Shin Yu-Xiang and Du Wen-Ya.

He looked at Qin Yu and said calmly, “Qin Yu, right? Do me a favor and let them go. It’s been a difficult journey for my buddy and Wen-Ya to get to this day. Isn’t it a wonderful thing to give them your blessing?”

Ye Fan’s calm words blew gently through the hall like the spring breeze.

The entire restaurant fell silent.

After that, it was the sound of scolding.

“What the hell? Who the hell do you think you are? You’re just a bloody live-in son-in-law, so who’s going to do you favors? How dare you stand here and

Chapter 700 Ye Fan Appears

try to show off? You must be an idiot!”
Ye Jian spat angrily after hearing Ye Fan’s audacious and arrogant words. He and Ye Yu-Yan were already shocked enough that it was Ye Fan who had come out and now he dared to say such things?

Ye Yu-Yan’s expression was clearly displeased and disgusted with Ye Fan as she glared ferociously at him.

How dare this Ye Fan actually have the guts to make trouble at her friend’s wedding!

Didn’t he know his place at all? How dare he say such bold words!

“Huh? Ye Jian, you know him?” Qin Yu was about to fly into a rage when he was stunned by Ye Jian’s words.

“Ha, I don’t just know him. This fellow is actually related to me. Qin Yu, he’s Ye Fan, the one who harassed our Yu-Yan back then. He was thrown out of his own family back then, and now worse, he’s married into his wife’s family. I don’t know which part of his brain has snapped today, he’s actually come to make trouble here,” sneered Ye Jian.

His disdainful voice clearly had no respect whatsoever for Ye Fan as an older cousin to him.

After hearing what Ye Jian said, Qin Yu remembered Ye Fan.

They had all gone to school together, and since Qin Yu and Ye Yu-Yan's families knew each other, he knew that Ye Yu-Yan had an older cousin called Ye Fan.

But back then, Qin Yu was in a lofty position and was famous in the school, so he didn't care for small fry like Ye Fan.

It wasn't surprising that he didn't know Ye Fan when he saw him today.

But now that he knew who Ye Fan was, Qin Yu's lips curled into a contemptuous smile as well.

"Oh, I was just wondering who it was. So you're Yu-Yan's cousin. On Yu-Yan's account, you can leave, I won't make

things difficult for you. You've crashed my wedding but I'll just pretend nothing happened," said Qin Yu very magnanimously with the wave of his hands.

"Why are you still standing there? Aren't you going to thank Qin Yu? Ye Fan, you should be so glad that you're related to Yu-Yan, otherwise Qin Yu wouldn't let you leave in one good piece. You'd better be happy that you've gained something out of this connection to Yu-Yan," said Ye Jian smugly. His voice was filled with disdain for Ye Fan.

Ye Yu-Yan didn't even want to look at Ye Fan.

Having a cousin like Ye Fan was an embarrassment to Ye Yu-Yan.

If Ye Fan's mother wasn't her own father's sister, Ye Yu-Yan wouldn't have let Ye Fan use his connection to her!

But Ye Fan seemed like he hadn't heard what Ye Jian said. He turned and smiled at Shin Yu-Xiang, "Xiang, Young Master Qin says ok, let's go."

"Ok!" Shin Yu-Xiang nodded and started to walk out with Du Wen-Ya.

Qin Yu immediately yelled furiously, "Stop right there! I said that the two of you can leave, but I didn't say you can take Wen-Ya with you. It's my wedding day today, so if you two hooligans take the bride away, then how am I going to gain a foothold in Jingzhou?"

Ye Fan just shook his head. "Young

Master Qin, why do you want to do this? The fruit that you forcibly snatch from others won't be sweet! The person that Wen-Ya likes is Yu-Xiang, so even if she marries you today, she won't be happy."

"Nonsense!" Ye Yu-Yan finally broke her silence with this cold shout after Ye Fan finished speaking.

"The Qin family is of high standing and Qin Yu is young and successful. It's only right for Wen-Ya to be with Qin Yu and she will only be happy if she marries him. Shin Yu-Xiang is a lowlife like you, so how could he be qualified to take Wen-Ya away from Qin Yu?"

"Ye Fan, if you don't want to end up suffering physical pain, you'd better apologize to Qin Yu right now, then get

out of this place. Otherwise, even if the Qin family doesn't do anything, I will not allow you to make trouble at my best friend's wedding!" Ye Yu-Yan's voice was icy and malicious, and her words were threatening and clearly displeased with Ye Fan.

"Apologize?" Ye Fan laughed.

His laughter was sinister, as if he had just heard the funniest joke in the world.

"You want me to apologize? Not a single person in Jiangdong is fit to make me do such a thing. Who do you think you are, Ye Yu-Yan? How dare you order me around?"

"You!" Ye Yu-Yan's face was livid from her anger. "Ye Fan, I've tried to be kind

to you but you don't appreciate it. Since that's the case, I'm going to teach you a lesson on Qin Yu's behalf!"

Ye Yu-Yan had been the apple of everyone's eye since she was a child. None of her peers dared to be rude to her.

And now, a live-in son-in-law like Ye Fan dared to be so rude to her?

Ye Yu-Yan was incensed and was ready to beat Ye Fan up.

But Qin Yu stopped her.

"Yu-Yan, he's just a cowardly son-in-law, so why dirty your hands? Just watch, I'll get my men to teach him a lesson," said Qin Yu slowly after he pulled Ye Yu-Yan

back. Then he glared at Ye Fan, "You're the one who doesn't know better, so don't blame for getting nasty!"

"Men! Get these two bastards! Break their legs and throw them out!" Qin Yu gave the order and all the security guards who had been on standby all this time rushed forward.

"No!! Yu-Xiang, you two had better leave!" shouted Du Wen-Yan in a panic as she cried even harder from worry.

Shin Yu-Xiang started to feel frightened and worried when he realized that there was no way of getting out of this.

He wasn't afraid of getting beaten, but he would feel bad if Ye Fan ended up getting hurt as well because of him.

“Brother Fan, don't worry about us, you'd better run!” shouted Shin Yu-Xiang anxiously as he finally started to panic.

But Ye Fan was neither worried nor panicky when he saw the men charging at him.

His hands were still in his pockets and he stood exactly where he was.

His clean and handsome face was still as calm as ever, as if he was a spout of spring water.

No matter how much trouble was coming for him, it didn't raise a single ripple in his heart.

It was only when the security guards were about to reach him, that Ye Fan's

eyes suddenly turned cold.

He shouted coldly and explosively, "The one who doesn't know better is you!"

With that, Ye Fan took several steps on the floor before him.

Finally, he sent one ferocious and heavy kick out with a loud blast.

BAM BAM BAM BAM!

In an instant, all the security guards were sent flying in all directions like fireworks.

One of them even landed on Qin Yu after he had been sent flying.

There was a yelp and Qin Yu ended up

groaning in pain on the floor.

What?

“How...how could this be?”

This scene shocked everyone in the restaurant.

Ye Jian was rooted to the ground and Ye Yu-Yan's eyes were filled with horror.

Both Shin Yu-Xiang and Du Wen-Ya's eyes were opened wide.

None of them had expected Ye Fan to be this highly skilled in fighting.

“My god! Brother Fan, you're freaking amazing! I've not seen you for just a few years and you've become so incredible?”

HAHA!" After a short moment of shock, Shin Yu-Xiang started laughing gleefully.

Ye Fan had always been good at fighting and he used to be able to take on a bunch of other kids all by himself in school.

But those were just fights among children, and now he was faced with a group of trained adults. Shin Yu-Xiang didn't think that Ye Fan was still such a good fighter.

After settling all these people, Ye Fan didn't stick around either. He called Shin Yu-Xiang and Du Wen-Ya to leave together with him.

"Stop right there. You've hurt Qin Yu and you want to leave just like that?" A cold

Chapter 701 The One Who Doesn't Know Better Is You

voice rang out from behind them.

Ye Yu-Yan's eyes were icy as she slowly walked out from the crowd.

She looked at Ye Fan with nothing but coldness in her eyes.

Chapter 702 The Meaning of Being Domineering

When Ye Yu-Yan walked out from the crowd, Shin Yu-Xiang's heart shuddered.

“Brother Fan, this woman is not simple. Take Wen-Ya and run, I'll try to stall her,” whispered Shin Yu-Xiang to Ye Fan.

Everyone in Yeyang knew that Ye Yu-Yan was now the commander of a special forces team.

Everyone in the town felt that Ye Yu-Yan was the true dragon of their little town.

Ye Yu-Yan was a household name in the town.

So of course Shin Yu-Xiang knew about her.

She was from the military and was even

the commander of special forces. It didn't take a genius to know that Ye Yu-Yan was probably a good fighter from her training and she was definitely way better than these men who just fought with brute force.

Now that Ye Yu-Yan wanted to stand up for Qin Yu, Shin Yu-Xiang became worried for Ye Fan.

But Ye Fan just waved his hands.
"Xiang, it's alright. She's just a girl and can't do anything about me."

Ye Fan had said these words arrogantly, but Shin Yu-Xiang glared back at him.

"Enough bro, you don't have to show off in front of me. Ye Yu-Yan is from the special forces and it's only normal for

one to be unable to defeat her in a fight. Listen to me, leave with Wen-Ya first and I'll hold her back."

Without waiting for Ye Fan to reply, Shin Yu-Xiang walked out and started shouting at Ye Yu-Yan, "Ye Yu-Yan, you bloody traitor! Qin Yu this, Qin Yu that, you two are really close, huh? Those who didn't know better might think your surname is Qin and not Ye!"

"Aren't you ashamed of yourself? Ye Fan is your cousin! For the sake of someone else, you would rather fight your own relative? Aren't you letting your ancestors down? And you're from the military? How dare someone who betrays her own family be part of the army?!"

Shin Yu-Xiang purposely shouted such provoking words at Ye Yu-Yan to make her focus on him so that Ye Fan and Du Wen-Ya could take this chance to run.

“You bloody fatty! You’re asking for it!”

It was true that Shin Yu-Xiang had said rather nasty things. Ye Yu-Yan couldn’t stand it and her eyes turned cold. She gave a low shout and her fists immediately came towards Shin Yu-Xiang.

Just when Shin Yu-Xiang was feeling fearful of the punch coming his way, Ye Fan kicked Shin Yu-Xiang such that he avoided Ye Yu-Yan’s fist.

“Shit, Brother Fan, what the heck are you doing? Are you nuts?!” Shin Yu-Xiang

was sprawled on the floor as he started wailing in pain.

Ye Fan ignored him and looked at Ye Yu-Yan as he said flatly, “Ye Yu-Yan, you are not to bully any friend of mine.”

“Good heavens, he can really talk big! Yu-Yan, bash him up! If you don’t teach this hooligan a lesson, he’ll never learn what’s good for him!” shouted Ye Jian to egg his cousin on.

At this time, Qin Yu had already gotten up from the floor. His brand new suit was now covered in dirt and he too, said to Ye Yu-Yan in a low voice, “Yu-Yan, looks like I’ll have to trouble you this time.”

“Qin Yu, you don’t have to be polite with

me. Our families have known each other for so long and both of us are as close as siblings. The Ye family has produced such a useless bum and I'm really sorry about that. So it's only right that I help you to teach this Ye Fan a lesson," Ye Yu-Yan whispered back to Qin Yu.

Their close and friendly behavior was so ironic.

Ye Fan was supposed to be like an elder brother to Ye Yu-Yan.

But now, Ye Yu-Yan was saying that she was like a sister to someone outside of her own family, and was even willing to bash her own cousin up for his sake.

There were moments when a relative was really not even considered as close

as someone outside the family.

“Ye Fan, I’ll give you one last chance. Kneel down and apologize to Qin Yu! If you don’t do that, don’t blame me for ignoring our familial ties!” Ye Yu-Yan emphasized every word with her icy tone of voice as she gave Ye Fan an ultimatum.

But of course, Ye Fan wasn’t bothered at all. He continued to stand there calmly and listened to her talk. There was no expression on his face and he clearly didn’t intend to apologize at all.

“You’re asking for it!” Ye Yu-Yan finally lost all her patience.

She gave a cold shout as she prepared to use her military training on Ye Fan.

“Stop right there!” An authoritative shout suddenly rang out loudly from behind the crowd just as everyone was waiting for Ye Yu-Yan to thrash Ye Fan.

After this voice rang out, the crowd parted ways like the waves.

A tall and handsome young man walked with his head up high as he was surrounded by many others.

As he walked in, all the waiters immediately bowed their heads and greeted him respectfully, “Greetings, Young Master Lei!”

“Greetings, Young Master Lei!”

Everyone was instantly shocked by this.

“Is this young man...”

“Is that Young Master Lei?”

“I heard that Longjing Restaurant belongs to the Lei family. Looks like it’s true!”

“Young Master Lei has appeared, so those two boys are doomed, aren’t they?”

Once this handsome youth appeared, the crowd went into an uproar.

Many of them looked fearful as they murmured among themselves.

When Qin Yu saw who had come, he was immediately overjoyed and ran up to him.

“Young Master Lei, you’re here. The wedding was going well initially and I really didn’t expect something like that to happen, it’s such an embarrassment,” sighed Qin Yu as he shook his head. He was so embarrassed by this whole thing.

“My goodness, it’s really Young Master Lei? HAHA! Young Master Lei is here, so Ye Fan’s doomed for sure!” Ye Jian had confirmed the identity of the person who had arrived after hearing what Qin Yu said. He immediately broke into a nasty smile and looked at Ye Fan both pitifully and gleeful at his impending doom.

“Qin Yu, no worries, leave this to me! You’re holding your wedding at my family’s restaurant, and when

something goes wrong, we have to bear some responsibility too. Don't worry, you're Lei Ao-Ting's brother! If someone crashes your wedding, that's as good as someone crashing mine! I'll come over to help you teach these two crazy idiots a good lesson! I'm going to see who had the guts to actually come and make trouble at my buddy's wedding ceremony!"

What did it mean to be domineering?

This was what it meant.

When Lei Ao-Ting said these words, everyone felt his commandeering presence echo throughout the restaurant.

"Oh no, we're doomed, we've offended a

big shot...” Shin Yu-Xiang began to despair.

He never thought that this restaurant actually belonged to the Lei family.

He had also never thought that Qin Yu would have connections to the eldest son of the Lei family.

“Brother Fan, I’ve really let you down this time and dragged you into this mess for nothing...” Shin Yu-Xiang hung his head as he sighed both guiltily and hopelessly.

Du Wen-Ya’s face was pale too.

Her heart had frozen over from the moment Lei Ao-Ting appeared.

She knew that they couldn't get away this time.

But even as both Shin Yu-Xiang and Du Wen-Ya were falling into despair, the silent Ye Fan just chortled, then turned around slowly.

He looked up at Lei Ao-Ting coming his way and laughed wickedly, "Oh? So Young Master Lei would like to bash me up right here?"

Ye Fan's laughter echoed merrily in the restaurant, but it sounded more like thunder and lightning crashing onto Lei Ao-Ting's ears.

He stared at the man in front of him and the arrogant and confident smile Lei Ao-Ting had earlier instantly vanished!
