

She Made a Comeback as a Renowned Doctor

Chapter 1007: Chapter 1007: Inquiring About Zoey Sanders' Whereabouts

Seeing that he wasn't wearing any clothes inside, Hope Williams turned aside, "Can't you change inside the room?"

"Please watch."

"Screw you, who's watching you."

Liam Cloud smiled indifferently, casually threw the clothes he had taken off into the trash can, glanced at the guard next to him, "Tell Wesley Ruiz to get over here and accept his death."

"...Yes."

"Who brought her in here?"

"It was Sister Eliana Shaw."

"Tell her to get over here too."

"...Yes."

Liam Cloud turned back to the room to take a shower.

Wesley Ruiz had just finished cleaning his wound when he got the message.

The Big Boss wanted him to roll over and accept his death, and he didn't dare delay for a second, so he rushed over at top speed to meet his fate.

In the living room, Hope Williams was pacing back and forth anxiously.

She couldn't understand how such a thing could happen.

Since the fake Zoey Sanders had been here for two days, where had the real Zoey Sanders gone?

How could Zoey Sanders' identity be replaced by someone else?

Hope Williams was glad she came over early.

Otherwise, who knew when this person would be exposed.

She was now very worried about Zoey Sanders.

“Sister Hope.”

Wesley Ruiz quickly approached, looked around but didn't see Liam Cloud in the living room, and sneakily asked, “Sister Hope, where is the Big Boss?”

“Changing clothes upstairs, what happened to your face?”

Hope Williams looked at Wesley Ruiz's bruised face, and if it wasn't for his voice, she almost wouldn't have recognized him.

Wesley Ruiz instinctively raised his hand to touch his face, and couldn't help but hiss when he touched the wound.

“Out on a mission, but a bastard set me up, nearly got me killed, but luckily the Big Boss came to rescue me himself.”

After explaining, Wesley Ruiz immediately asked, “Sister Hope, do you know why the Big Boss is angry? Can you give me a hint?”

So he could know how he was going to die.

Hope Williams slightly raised an eyebrow, “Is he angry?”

Hope Williams looked at the person, still seemingly calm.

Not saying much about this, seeing Wesley Ruiz, Hope Williams immediately asked about Zoey Sanders.

“Wesley Ruiz, did you personally bring Zoey here?”

Wesley Ruiz shook his head, “No, I had a task at the time, so I left first. I asked Eliana Shaw to bring her, why? By the way, why haven't I seen Miss Sanders?”

Hope Williams frowned, “When you saw her, was she alone?”

“She was alone.”

Wesley Ruiz answered confidently.

Hope Williams was puzzled, how could Zoey Sanders' identity be replaced by someone else?

Eliana Shaw returned from a mission, and before she could catch her breath, she was called over. Seeing Hope Williams, whom she hadn't seen for a long time, there was a

rare hint of surprise on Eliana Shaw's usually cold and harsh face, "Sister Hope, what are you doing here?"

Hope Williams, "I came looking for Zoey, Eliana Shaw, did you bring Zoey here?"

Eliana Shaw glanced at Wesley Ruiz and nodded, "Yes, I personally escorted that little girl onto the ship."

Noticing the atmosphere here, Eliana Shaw felt something was off and asked, "Did something happen to that girl?"

She and Wesley Ruiz were in charge of Zoey Sanders' safety, now that both of them had been called over, it was likely something happened to Zoey Sanders.

"Yes." Hope Williams nodded with a frown.

Liam Cloud slowly walked down from upstairs, having changed clothes and taken a shower, with a few buttons of his shirt undone, exposing a sexy collarbone.

He casually brushed his wet silver hair and bent down to sit on the sofa.

Seeing Liam Cloud coming downstairs, both Wesley Ruiz and Eliana Shaw bowed their heads and respectfully called, "Big Boss."

"Hmm."

Eliana Shaw glanced at Wesley Ruiz, her eyes filled with a plea for help.

She wanted to know what exactly had happened.

The Big Boss had told them both to come and accept their death!

"Where is Zoey Sanders?"

A cold voice suddenly sounded.

Both of them lowered their heads, suddenly feeling a chill run down their spines.

"Miss Sanders?" Wesley Ruiz lifted his head, "Isn't she here?"

"Impossible, I clearly saw her board the ship!" Eliana Shaw was very sure of this.

There could be no mistake.

Both of them were puzzled.

Nora Brown had the bullet in her shoulder removed and, after being bandaged, Felix Shaw dragged her over.

At this moment, Nora Brown's face was so pale that even heavy makeup couldn't cover it.

Seeing this man again, she only felt her legs go weak, fearfully shrinking back.

"Big Boss, who is this person?" Wesley Ruiz glanced at the timid Nora Brown and asked.

Eliana Shaw furrowed her brow at this moment, "Why is it you?"

Hope Williams immediately asked, "You know her?"

Eliana Shaw nodded, "She came with Zoey Sanders, she should be a friend of Zoey Sanders, as they boarded the ship together."

That made sense.

Hope Williams' cold gaze turned to the trembling Nora Brown, "Where is Zoey Sanders? What's become of Zoey Sanders?"

Nora Brown couldn't stop trembling.

She had merely taken Zoey Sanders' identity and was already shot, if she told them Zoey Sanders' whereabouts, and then they found Zoey Sanders, who would recount what happened, wouldn't they kill her?

No, she couldn't.

Nora Brown desperately tried to calm down to think.

She absolutely couldn't tell them where Zoey Sanders was.

Otherwise, her fate would only be worse than now.

"I... don't know, I don't know where she went."

Hope Williams saw her evasive eyes, and could instantly tell she was lying.

"You came with her, you wouldn't know where she is, are you kidding me?"

Nora Brown vigorously shook her head, "I really don't know..."

Hope Williams was about to continue questioning when Liam Cloud raised his hand, stood up. There was a sinister yet subtle smile on his lips, he pulled up a chair, and sat across from Nora Brown.

Then he pointed to the other side, "Sit."
