

## SHE MADE A COMEBACK AS A RENOWNED DOCTOR

### Chapter 988: Chapter 988: Brat, Do You Believe I'll Throw You Out

"Little girl, you arrived quite early." Eliana Shaw walked to her side, her tone still icy.

She thought she'd be late.

If she were late, she wouldn't have to take her along.

Zoey Sanders slightly pursed her lips, "Well, being late isn't good."

Eliana Shaw raised an eyebrow, lifted her watch to check the time, six o'clock and one minute.

She was one minute late...

"Heh..." she chuckled indifferently, "I'll pay attention next time."

Zoey paused, "I wasn't talking about you."

"Oh." Eliana Shaw didn't care at all, curled her lips into a smile, and bent down close to Zoey.

Zoey looked at her bright and captivating smile, her heartbeat instinctively quickened a few beats, "What are you doing?"

“Tsk, do you like taking a little tail when you go out?”

“What?” Zoey didn’t understand what she meant.

Eliana Shaw raised her hand, somehow holding a Dart.

With a “whoosh,” it flew out.

“Ah!”

A scream came from behind Zoey.

Zoey felt the voice was familiar, turned around, and saw Nora Brown hiding behind a tree, and the Dart was embedded in the large tree in front of her.

Nora’s face immediately turned pale.

“Nora? Why are you here?”

Nora quickly ran to Zoey’s side, holding Zoey’s hand, “Zoey, I was afraid you’d be in danger, so I wanted to go with you.”

“I’m not in danger, you should go back.”

Just now was really too dangerous, she knew Eliana Shaw didn't miss the Dart, but recognized Nora and spared her.

But if she hadn't recognized her, Zoey didn't doubt that Dart would have pierced Nora's forehead.

Nora was scared and pale too, her body slightly trembling, "Zoey, I want to accompany you, I'm afraid you'll be in danger alone, we're both unfamiliar with this place, what if something happens to you."

Eliana Shaw crossed her arms, giving a cold smile.

Another nuisance.

"I won't be in danger, didn't I buy you a ticket back to A City? You don't need to worry about me."

"But I... but I..." Nora stammered, "But my wallet and phone got lost, and you're the only one I know here, so I could only follow you, Zoey don't leave me behind, you know I'm the most timid person."

Zoey rubbed her forehead, "But I have things to do now, let me give you some money, you go back to the hotel and wait for me, I'll accompany you back then."

Nora was still unwilling, hugging Zoey's arm, "Zoey, I see you're taking a helicopter, where are you going? Can't you let me go with you?"

"No, because I don't get to decide." Zoey firmly refused.

Nora glanced at Eliana standing in front, her face cold.

She pouted and said to Zoey, "Then you go beg that sister, let her take me, please."

Zoey tugged at the corner of her lips, the two argued for a long time.

Eliana was an impatient person and couldn't stand it any longer, "Alright, follow along then."

Eliana thought, the journey was long, and having company might prevent annoyance.

Nora immediately cheered up, released Zoey's arm, and complained with a pout, "See, even this sister is willing to take me, only you wouldn't."

Zoey gently sighed, looking at Eliana with some concern, "Is it really okay?"

Eliana didn't care, "Just one more hassle, it doesn't matter, follow us, I have other things to do later, staying longer will be too late."

"Alright." Nora had already skipped ahead of Zoey, happily trailing along.

Zoey reluctantly also had to follow.

Once on the helicopter, Nora looked around with a novel expression.

Her mom indeed said, following Zoey would lead you to meet different people.

Nora glanced sideways at Zoey sitting beside her, and snorted coldly in her heart.

Stingy person.

Hiding such a handsome man secretly, now going to meet that man alone, not willing to take her, just afraid she'd steal the man she liked?

Since Zoey hadn't wanted to bring her, Nora was now deliberately sulking and ignoring Zoey, turning to look at Eliana in front.

Eliana started resting with closed eyes as soon as she boarded the helicopter, and Nora moved closer with a soft voice, "Sister, thank you for taking me."

Eliana, "..."

"Sister, where are we going?"

Eliana, "..."

"Is the journey far?"

Eliana gritted her teeth, turned to look at Nora with a smile of sweet flattery, coldly tugged at the corner of her lips, raised her hand, and grabbed her throat.

“Cough...”

“Nora!” Zoey was shocked, “Sister Eliana?”

Eliana’s eyes were filled with killing intent, “You little brat, dare to annoy me again, believe it or not I’ll throw you out right now?”

Nora nodded vigorously.

She believed! She believed!

The strangling sensation around her neck frightened her, her eyes fluttering.

Eliana glanced at Zoey nervously, released Nora, and said coldly, “Make sure to handle your person.”

Zoey nervously frowned, and immediately nodded.

Nora coughed a few times and hurriedly hid in Zoey’s arms, her eyes red, “Zoey, I...”

Zoey was a bit helpless, “Alright, you be quiet.”

Eliana's face was chillingly cold, rubbing her temples.

Damn, so noisy.
