On the bottom of the endless deep sea, in the cave, a man in a fiery red robe closed his eyes, sitting quietly on a wide and cold stone bed, motionless, but behind him was the surging darkness of chaos.

This is not the first time for Wang Yi to refine demon thoughts, he knows that at the moment of refining demons, he must be careful and careful, once...

The mechanical pig's eyes widened immediately, and An Hong was very dissatisfied.

A group of ancestors of the Holy Land of Mankind all gathered here.

Looking at the man in a fiery red robe with an incomparably deep aura.

"Hunyuan, you said your will has broken through?" Chaos City Lord couldn't help but ask.

"Yes." Under the gaze of everyone, Wang Yi nodded.

In fact, the size of the original universe does not affect the perception.

"Brother An? We only met in the afternoon, and we met again at midnight, by fate!" Wang Xuan hurriedly greeted him, and finally knew who he was.
