

ANCIENT GOD

Chapter 2 Ancestral Hall

"Chen Jiu and Li Si?"

Ye Feng recognized these two people. They were the two henchmen of Ye Ziling, the second young lady of the Ye clan.

"Ye Feng, you are indeed hiding in your room!"

The tallest among the two is Chen Jiu. He is dressed in a black robe and is extremely tall. He is more than two meters tall, a head taller than Ye Feng.

Next to him, Li Si was also as tall as a tower. He stared at Ye Feng coldly and said, "I think you don't want to live anymore. It's your turn to feed the second lady's horse today, but you haven't gone until this morning." Feed the horse. Today the second lady saw that her beloved horse was hungry, and she wants one of your arms as punishment. "

"What?"

Ye Feng's eyes suddenly turned cold and he said: "Just for a horse, you want one of my arms?"

At this time, Ye Feng finally understood how much the young men and ladies of the Ye clan despised him.

Like ants, trample on them at will!

Chen Jiu laughed ferociously and said: "Ye Feng, who do you think you are? An orphan, but a humble servant of our Ye clan! You dare to question the second lady's decision?"

"Hurry up and follow us. The second lady said you want to see us chop off your arm with your own eyes!"

Li Si laughed cruelly, and grabbed Ye Feng directly with a palm as big as a casserole.

Although these two are not real warriors, they are still practitioners.

As soon as Li Si took action, a force of energy appeared in his palm, which could instantly crush the bones of an ordinary person.

Chen Jiu saw Li Si grabbing Ye Feng with a ferocious smile, and seemed to have seen the miserable look of Ye Feng screaming in pain.

But the next moment.

"Since you have come here to seek death, I have no choice but to satisfy you!"

Only a cold shout from Ye Feng was heard.

Uh-huh!

With a movement of his body, he suddenly arrived in front of Li Si and directly hit Li Si on the chest with a palm.

"boom!"

"ah!!"

Accompanied by a miserable howl, Li Si's entire chest suddenly collapsed, and his ribs were shattered to an unknown extent.

Gen, was directly blasted out of the house.

"puff!"

Li Si suddenly spat out a mouthful of blood, which was mixed with some fragments.

He looked at Ye Feng in the room with horrified eyes, and said with difficulty: "You...actually...really...real martial arts realm..."

Immediately, his head hit the ground with a "thud" and he died immediately.

"What?!"

Chen Jiu seemed to have just come to his senses at this time, and his expression changed drastically.

He stared at Ye Feng suddenly and suddenly realized.

This guy who was usually timid, his cold eyes at this moment were like two knives trying to pierce his chest.

Only then did Chen Jiu realize that he had offended someone he shouldn't have.

"Plop!"

Chen Jiu's legs suddenly went weak and he knelt in front of Ye Feng in fear.

He shouted in horror: "Spare your life! Master Feng, please spare your life!"

Chen Jiu knew about Li Si's abilities. He was a master practitioner and could easily defeat a dozen ordinary people.

But now, in Ye Feng's hands, he couldn't hold on even with a single palm.

His chest was shattered by a slap from Ye Feng, and his death was extremely miserable.

"Get up."

Ye Feng spoke up.

"Yes, yes, Master Feng!"

Chen Jiu stood up immediately.

He never expected that this young man who was usually bullied would be like this.

He actually stepped into the True Martial Realm and became a real warrior!

You must know that many young masters and ladies in the clan are only in the stage of weakening their vitality and blood.

Ye Feng looked at Chen Jiu in front of him, and Chen Jiu felt a little scared.

Only then did he speak out: "Bury Li Si, and then think about Li Si's accidental death."

The reason is that I finally told the second lady that I have entered the realm of true martial arts and will never help her feed horses again. She has no right to order me to do anything anymore. "

After the words fell, Ye Feng waved his sleeves and left.

He was wearing a long gown, and his white clothes were as beautiful as the snow. He looked extremely chic at this moment.

Chen Jiu looked at Ye Feng's leaving figure and suddenly collapsed to the ground.

He muttered, "How come this guy suddenly has such terrifying strength? It's so dangerous. I almost died just now..."

... ??

The center of the Ye Clan's mansion is the Ye Clan's ancestral hall.

The Ye Clan is a very tolerant family. Even outsiders, if they are strong and willing to join the family, they can even marry a woman from the Ye Clan, become a son-in-law, and join the Ye Clan.

Ye Feng naturally has no intention of marrying a woman from the Ye clan, and he is only at the first level of the True Martial Realm, so he does not have the qualifications.

He simply wanted to verify the identity of the Ye Clan's children. After all, the Ye Clan was a big family nearby and could temporarily provide him with the necessary shelter.

When he becomes stronger, it will not be too late to leave the Ye Clan and go out to explore.

Not far from the ancestral hall, Ye Feng stopped.

Because in front of him, two leaf clan guards wearing armor had stopped him.

Ye Feng's eyes were calm and he said, "I'm here to certify my cultivation in the True Martial Realm."

"True martial arts realm? Are you kidding me?"

One of the guards burst into laughter and said with contempt in his eyes: "I know you boy. You are just a horse-feeding slave under the Second Miss. How dare you enter the ancestral hall? I think you want to steal something!"

Another guard frowned and said to the companion beside him: "Is this young man really the servant of the second lady who feeds the horses? How come I feel a powerful wave of true energy from him."

Ye Feng looked at the two of them and just said calmly: "I will say it again, I want to enter the ancestral hall and certify my cultivation in the True Martial Realm. I will not say it a third time."

After saying that, Ye Feng stepped directly towards the ancestral hall.

"Bold! The ancestral hall is not something a lowly boy like you can enter! Stop right there!"

The first guard suddenly took action and pulled out the long knife from his waist with a "clang" sound.

"Buzz!"

He was full of momentum, and he was at the second level of the True Martial Realm. At this time, he slashed at Ye Feng with his sword, and a cold sword light appeared on the blade.

"when!"

But at the next moment, what horrified the guard was that Ye Feng turned around suddenly and stretched out his two fingers to directly clamp his long knife.

"you.....!"

The guard wanted to pull out the long knife, but the long knife was caught between Ye Feng's fingers and did not move at all.

How much strength does it take to do this?

Another guard was frightened and immediately walked to Ye Feng and begged for mercy: "I'm sorry, I'm sorry! My brother is too reckless!"

At this time, the fool also saw that Ye Feng's strength was absolutely extremely powerful.

The first guard was too frightened to speak. His face was pale and his forehead was covered with cold sweat.

"Qiang!"

At this time, Ye Feng exerted a sudden force and directly shattered the long knife made of hundreds of steel.

"call out!"

He held a blade between his legs and flicked it instantly. The blade turned into a stream of light and flew directly past the throat of the first guard.

"Crack!"

A drop of blood dripped from the guard's throat to the ground.

"For the sake of the entire Leaf Clan, this time I only cut a layer of skin on your throat as a warning. Next time you dare to mess with me, the blade will pierce not the skin, but your entire body." Throat."

A cold voice came out of Ye Feng's mouth.

He turned around and walked into the ancestral hall.
