

ALIEN GOD SYSTEM

Chapter 8 - Power of faith

His face instantly sank, Liu Shaobai didn't look at Yang Feng, but looked straight at Yang Yuchan behind him and said: Yu Chan, what happened, what are you doing? “

Yo Yo Yo, what a jade cicada, so affectionate! “

Before Yang Yuchan had time to speak, Yang Feng had already taken the lead to jump from the chair of the grandmaster, and laughed and said: Liu Gongzi, you don't put me, the Patriarch of the Yang family, in your eyes at all. I dare to hook up with my wife in front of me. It seems that Blackbeard is right. You really want to kill me! “

Yang Feng, what nonsense are you talking about, my dignified Young Master Liu family, how could I do such a thing? “

He narrowed his eyes lightly, Liu Shaobai's eyes flashed with naked killing intent, and he glared at Blackbeard and said: Have you heard the slurs of some unruly people? You have misunderstood this young master! “

Liu Shaobai bit the word “Misunderstanding” very hard. When Black Beard heard it, he couldn't stop shivering, and understood that the other party was warning him. Don't talk nonsense.

However, no matter how powerful his Liu family is, it is not as powerful as a monster like Yang Feng.

Ever since he had a trick with Yang Feng, Heibeard has fully understood how terrifying Yang Feng's strength is. Let alone Liu Shaobai, even if their old man from the Liu family goes out in person, they are probably not a man.

With a grumble, he swallowed, Black Beard raised his eyes and looked at Yang Feng, only to see that he nodded slightly to himself, he took a deep breath, made up his mind, and shouted: Liu Shaobai, don't be benevolent. The dirty things you have done over the years and the suppression of the Yang family. Nine out of ten things were done by me. I still don't know what you do? “

Blackbeard, you...”

What are you? Dear fathers and villagers, listen to me! “

Liu Shaobai was trembling with anger, but he was interrupted by Blackbeard as soon as he spoke. Blackbeard was also in front of all the villagers in the town, and all these years, the Liu family was treated as a person and a ghost at the same time.

Especially when they secretly harmed the Yang family, they had already recruited all of the former friends of Yang Feng's fox, friends, and street and alleys as witnesses.

Listening to all this, the townspeople present couldn't help being stunned, and Liu Shaobai's image of a great benevolent person in people's hearts gradually collapsed.

Liu Shaobai's face grew more and more iron, but after gritting his teeth, he did not immediately attack.

Yang Feng squinted at him and sneered: How is it, Young Master Liu. Nowadays, there are all human and physical evidences, and the time and place of the incident are all right. What more can you say! “

I have nothing to say. It is nonsense to make an excuse for the arrangement of the villain. “

With a cold smile, Liu Shaobai showed a look of disdain, then turned to look at the townspeople and said: Dear folks and elders, what kind of person Liu Shaobai I am, outsiders don't know, do you still not know? But who are Blackbeard and Yang Feng? One is a casino owner who lends money to usury, and the other is a dude who only knows how to eat, drink and have fun all day long. Do you believe them or me? "

Yes, Liu Gongzi is not such a person, I believe in Liu Gongzi! "

That is, it must be the Yang family and Blackbeard who came to slander Young Master Liu. We can't be fooled and wronged the good guys! "

Young Master Liu is a great person, who doesn't know about this Longhu Town! "

...

A group of townspeople started to whisper to each other, but they all talked to Liu Shaobai. Many of them even abused the black beard and Yang family's embarrassment, the Yang family was ungrateful, and the Liu family helped them, they even bite back. The voice of a mouthful.

Liu Shaobai stretched out his fan and slammed it, with a smug smile on his face.

Blackbeard looked at the ferocious eyes of everyone around him, wiped away his cold sweat, and said anxiously to Yang Feng: Master, they don't believe us, what should I do? "

Yes, third brother, we rashly attacked the Liu family this time. I am afraid that the Liu family has not been brought down, but we can no longer stand in this town. "

Yang Xiaoyi is equally anxious.

What are you afraid of? Shanren has a clever plan! "

Yang Feng rolled his eyes, smiled disapprovingly, looked at the crowd and waved his hands: Dear folks and elders listen to me, people are not sages, who can do nothing. Blackbeard used to be a treacherous loan shark, but today he is inspired by the noble character of his son, and he has completely abandoned evil and followed good. The prodigal son will not change his money. We should always give him a chance to change. “

Yes, I have reformed under the great virtues of Young Master Yang Feng, so just trust me! “Blackbeard also hurriedly said loudly.

Just looking at the appearance of his bandage, it doesn't look like he had been changed under the inspiration of noble character, it was clearly taught by the NPC.

Liu Shaobai smiled and shook his head, his heart full of contempt.

Do these idiots think that these few words can fool these townspeople? Then Laozi's management over the past few years has been in vain?

Sure enough, the townspeople completely sneered at them, and didn't believe them at all.

But at this moment, Yang Feng suddenly said: In order to show our gratitude to the people of the town who are willing to believe in us, I declare that every household in the town, every household, per person, one person will have 100 catties of high-quality food, before today evening The handout is handled by the Ruyi Gambling House of Blackbeard! “

What, one hundred catties of high-quality food per person?

As soon as this statement came out, everyone present suddenly became mute.

Blackbeard was also dumbfounded, and said in surprise: Lord, are you serious? How much does it cost to distribute one hundred catties to the whole town? “

What money are you telling me now? As long as everyone is willing to believe in us, you will distribute food. This is your compensation to the people of the town, and it is also the evidence that you abandon evil and do good. Of course, it depends on whether everyone believes in your sincerity, and there is no way people are willing to believe it! “

Yang Feng deliberately spoke very loudly, and the townspeople hesitated for a while after listening, and suddenly changed their tone.

In fact, the Yang family can be regarded as a big family in the town, and it is impossible to slander it casually, maybe what they said is true. “

Yes, knowing people, knowing the face and not knowing the heart, maybe Liu Shaobai really did these dirty things, we don't know? “

I think Young Master Yang Feng is quite sincere. It's not like lying. On the contrary, Young Master Liu hasn't shown any sincerity now. He is obviously guilty! “

...

puff!

A mouthful of old blood almost didn't come out, and Liu Shaobai looked at these townspeople who had **** and were mothers who turned their backs in an instant, and a lung almost exploded.

Yang Feng squinted at him, trembling with a smile.

In fact, among these townspeople, he had already spent a lot of money in hiring dozens of nurseries, the legendary navy. As long as he expresses his attitude on stage, these people in the stage will give him a blow immediately.

After watching online lace news for so many years, he still knows this little trick.

In addition, the common people love to follow suit and seek short-term benefits. As long as someone takes the lead, they will definitely follow the trend.

Talk to the masses of morals, just give something practical, I don't believe it can make you worse, hehehe.

Ding Dong!

Suddenly, the system sounded: Congratulations to the players, beloved by the townspeople, and gain 20 points of faith! “

Huh, do you have the power of faith? It turns out that this is the source of the power of faith, let people worship and love themselves.

Slightly startled, Yang Feng hurriedly called up the game interface, and saw that his mana slot had 20 more mana, and he was immediately ecstatic.

At the same time, a luxury carriage was slowly moving along the streets of Longhu Town. In the carriage was a middle-aged man with a mustache, accompanied by an old man in a Chinese suit.

This time Mr. Ye, on behalf of Tianfeng College, has traveled all the way to inspect the dog. It is a great honor for the Liu family! “

Where, where is the responsibility, Mr. Liu said that he was serious. Besides, this time we are not only investigating Linglang. There are still two young talents in Longhu Town, ha ha ha! “

The middle-aged man smiled slightly and opened the curtain to look at the bustling street, with a faint light flashing deep in his eyes.
