

A Killer 110

Chapter 110: Start

When the two cars passed through the streets of Kyoto City towards the west of the city, the indifferent man on the road did not say a word, while Li Tian and Shen Feng did not say a word.

The car quickly reached the spot of the black market boxing match.

It's just that there are so many people coming today, and there are more vehicles parked on the periphery of the abandoned factory than last time.

And there were many people standing at the door, as if waiting for something there.

These people are well-dressed and look like a model of the rich.

As their car drove over here quickly, it hissed and stopped at the door of the abandoned factory.

Opening the car door, Meng rushed out.

Li Tian and Shen Feng also walked out of the car.

As soon as I came out, I saw the crowd crowding towards this side.

A man over there wearing a dark black suit with eyes suddenly pointed at Li Tiandao and said, "It's that kid who killed the Thai boxer with one move last time."

After his voice came out, those people were surprised to approach Li Tian.

The reason why there are so many people in black market boxing matches today is because Li Tian is famous in the black market boxing matches.

Many people came here admiringly. They wanted to see what kind of character this fierce man who beat people to death in the black market boxing match was, and how vigorous the competition is today.

However, Li Tian unconsciously felt a sense of disgust in his heart when facing these people surrounding him.

What else can these rich people do besides watching theaters and the excitement?

It is clear that the fighters in the ring are treated like monkeys.

So Li Tian was quite disgusted with these spectators. After getting off the car, he walked to one side.

"Go, go in."

Meng Chong, who was speaking, walked in toward the abandoned factory.

Li Tian and Shen Feng followed in.

A lot of people have already arrived in the place. When those people saw Li Tian walk in, they couldn't help but set their sights on Li Tian's face.

In the crowd, the fat guy and Paiqiang were also standing there, but when they saw Li Tian and Shen Feng, the fat guy's face was full of hatred.

"Damn, don't you follow Lao Tzu to punch? You follow Feng Ye? Bastard." The fat man shouted as he said.

It turned out that the fat guy was angry that Li Tian didn't follow him in punches, but was brought here by the man who sealed him. Do you know how much money he will lose? The more and more angry the fat guy was thinking about, there was a cold chill in his eyes.

"Asshole, see how Lao Tzu cleans up your gang of hillbillies, bastards." The fat guy scolded and walked toward the corner.

But it was said that Li Tian and Shen Feng followed Meng Chong in front of him, and soon went outside the front room.

"Wait a moment." Na Mengchong turned his head and said to Li Tian and Shen Feng in front of him, and then walked inside.

"Feng Ye, they are here." Meng Chong's voice sounded inside.

"Let them in."

As the voice came, Meng Chong had already walked out.

Looking at Li Tian, they said, "You can go in."

Li Tian and Shen Feng didn't talk too much, and walked straight in. When they walked in, they saw that there were other people in the box besides the Feng Ye that I had seen before.

Look carefully, the person sitting next to Feng Ye turned out to be that outsider? Duanmu Lei of the Duanmu family.

Li Tian couldn't help taking a look at Duanmulei, and Duanmulei's cold eyes were staring at Li Tian's body at this moment.

The man standing behind Duanmulei looked fierce and drew a long scar from the corner of his eye, looking chilling. A terrifying aura exuded from his body, and it was not difficult for this person to see that he was an extremely dangerous character.

"Feng Ye is reliable in doing things, I really admire Duan Mu Lei." Duan Mu Lei said with a smile suddenly.

Feng Ye smiled and waved his hand: "This is nothing."

Then his eyes turned to Li Tian and Shen Feng's faces: "You two sit down here."

Li Tian and Shen Feng were not polite, and sat down generously next to them.

"Tonight in this boxing match, because I asked you to come over, I will give you a sum of money regardless of whether you win or lose, which is regarded as a reward for you," Feng Ye said, looking at Li Tian and Shen Feng.

"Fight with them?" Shen Feng suddenly looked at the Duan Mu Lei and said.

Feng Ye nodded.

"Huh, I'm afraid someone can't afford to lose, and what despicable things they will do." Shen Feng said coldly.

After Shen Feng said this, Duanmulei's expression over there suddenly changed.

Especially the scarred man with a terrifying aura standing behind him, his eyes full of murderous intent, as if Duanmu Lei gave an order, he would immediately kill Shen Feng.

Feng Ye frowned slightly.

But Duanmu Lei laughed loudly.

"Nowadays young people are really bolder, boy, you are the first person who dared to speak like this in front of me." Duanmu Lei's yin eyes suddenly stared at Shen Feng.

Shen Feng was not afraid of him at all.

"Really? I tell you, no matter who you are? No matter how awesome you are, if anyone dares to plot against my eldest brother tonight, I will fight with him. Even if I die, I will put on a back cover." Shen Fengyi Say word by word.

The sound spread throughout the room, and the atmosphere became extremely tense.

The eldest brother Shen Feng said was of course Li Tian.

In such a tense atmosphere, Master Feng suddenly coughed slightly: "Don't worry, everyone, this boxing match tonight will never happen again like the last time. Credit guarantees. Mr. Duanmu, do you think so?"

Feng Ye said while looking at the Duan Mu Lei.

Duanmulei's face was gloomy and coldly said: "Boy, just because you two don't let me use any means for Duanmulei."

"The person I sent out tonight will let you know what the consequences are." Duanmu Lei said gloomily.

"it is good!"

"Since everyone is so determined, then we are ready to start immediately."

"Mr. Duanmu, I won't accompany you now," Feng Ye said as he walked outside with a smile.

Of course, Shen Feng and Li Tian also followed.

After stepping out, Master Feng turned his attention to Li Tian: "No matter what, I am very optimistic about you. I hope you can have a good performance tonight."

Listening to the words of the Fifth Master, Li Tian said nothing.

He didn't have much interest in this Feng Ye. This kind of person would only take advantage of himself and Shen Feng who had nothing except these? What else can they do? So Li Tian didn't want to deal with treacherous characters like Feng Ye.
