

A Killer 1111

Chapter 1111: She is coming

Ouyang Longyan was rescued from the North China Field Army in this way.

This made Li Tian and Duguxie and all his brothers depressed.

It is hard for them to imagine that there is such a high-powered figure in the world... they broke into the heavily guarded North China field army, and left with two people who were seriously injured and dying without knowing it.

How terrifying and terrifying.

God, if this person is a friend, it's okay... but if he is an enemy, then if he wants to kill, I am afraid that the entire North China Field Army, including the Duguxie and the ghost servants in front of them, I am afraid that no one can stop it.

So now Li Tian's most depressed thing is: Is the opponent an enemy or a friend!

"Little boss, what can I do? The two ***** have been rescued now." Tang Xiaolong said depressedly.

"Grandma, I wanted to watch those two ***** gate guys die alive and tragically here... I could breathe a sigh of anger, but I didn't expect someone to rescue them now... Hmph, I guess, the uncle must be That ***** at the gate of ***** did it." Tang Xiaolong said angrily.

Listening to Tang Xiaolong's words, Li Tian smiled faintly.

"It doesn't matter who saved them...but I think we better not provoke this person." Li Tian said slowly.

"Why? His grandmother, this ***** who saved them is obviously against us... Why don't we provoke him? Damn, according to my law, once I catch this guy, I must teach him severely. Fan, that's really enjoyable."

"Furthermore, the little boss, should we just let go of that ecstasy and the two damned guys of Ouyang Longyan?" Tang Xiaolong said angrily.

Obviously he has no good feelings for those two people.

Just listen to Li Tian said slightly: "Although these two people are my enemies... but they are not the real murderers behind the scenes after all!"

"Furthermore, a character who can intrude into the North China Field Army and blatantly rescue Ouyang Longyan and Ecstasy in full view is definitely someone you and I cannot deal with... So even if I want revenge, it is There is no way."

Listening to his little boss saying this, Tang Xiaolong snorted unconvinced.

But he knew in his heart that Li Tian was telling the truth.

Everyone present, including Duguxie and the ghost servant, who would dare to say here that he could break into the heavily guarded North China Field Army and rescue two people who were seriously injured and about to die?

It is estimated that no one has this ability.

Therefore, Li Tian deeply understood that the opponent's strength was far beyond his thinking, so even if he wanted to do something, he still had to do what he could, otherwise he would be a fool.

After a pause, the ghost servant on one side said: "Young Master, don't worry about this anymore..."

"I think even if someone shows up to save those two guys...but don't forget, they are the most poisonous poison in the door of hell...so I guess even if they are rescued, it will not help, because they both One will still die."

Hearing what the ghost servant said, Li Tian nodded there.

"The ghost servant is right."

"That's it... Now that the two of them are saved, they will be saved... Anyway, they will die sooner or later."

"Our only goal now is to make a plan as soon as possible and prepare to go to the west... to find the dark city." Li Tiandao.

The brothers became excited when they heard Li Tian say this.

"Ok!"

"Everything depends on you, little boss." Tang Xiaolong said with a smile.

The dark city.

Can Li Tian and the others really find a city of ***** that is called non-existent?

No one knows now.

The North China Field Army Military Region is more than ten kilometers away from Binjiang City, and the next to the side is an endless wilderness area.

Because it is located in the northwest, the desert here is very large.

At this moment, I saw a deserted road that may be more than 20 kilometers away from the North China Field Army, but I saw a dark figure walking hard there.

Her figure is like a lonely wild goose... walking on foot.

What is the purpose of such a difficult trek? Who knows.

Pulling the distance closer, you can see that the figure is a woman, and a very beautiful woman.

Her hair was dark and bright, draped over her tender shoulders, and she was wearing a tight black leather jacket, vigorous and slender.

Carrying a black package on his back.

She seems to have walked a long way, a long way... because from the state of her expression, she seems to be very tired.

A cold and moving face reveals a woman's unique strength, her face is so beautiful, but it is a pity that she is sweating now.

His hands are so touching, but it's a pity that they are all dirty now.

But she didn't care. The only thing she cared about was the map she was holding in her hand. The map was crumpled, and a place was marked in red. Look carefully, but it was marked by the North China Field Military Command.

She actually came to the North China Field Military Region?

Who is she?

If you know who the woman who once loved Li Tian the most is, you must know who she is.

She was the one who had been missing for many days: Situ Ningbing.

Since Li Tian was taken away, this silly girl gave up everything to find Li Tian. She didn't know where Li Tian was caught by the **** gate... and she didn't know who would treat Li Tian, but She knew that the only thing she could do was to find!

This silly girl walked along Yongzhou City, looking for and visiting...

First, she searched every street and alley in Yongzhou City... Finally she began to search one place by one place along the city around Yongzhou...

When she is tired, she just finds a place where there is no one to rest, and when she is hungry, she just eats some of the simplest food...In the dark night, she also shed tears in her heart for worrying about her lover.

But all the suffering, all the tiredness, did not knock her down.

Because her heart is firm, she vowed to find her favorite man, Li Tian.

Isn't this? Finally Huangtian paid off, she found it.

In the cities around Yongzhou, she accidentally saw people talking about the North China Field Military Region, and she was talking about a character named Li Tian.

When she heard Li Tian's name, she snatched a newspaper like crazy.

For this reason, she was also called a female lunatic...but none of this matters. The important thing is that she finally saw the one she loved the most and knew his whereabouts.

Chapter 1112: How many women do you have?

Suddenly seeing that it was Li Tian on the newspaper, and also knowing that Li Tian had escaped from the **** gatekeeper's control, Situ Ningbing's heart was undoubtedly excited.

She was so happy, tears of joy flowed down.

The suffering and tiredness that I have suffered during this period of time seems to be no longer important at that moment.

From then on, this silly girl bought a map and started a long journey to the North China field army.

She took a train to Linyi City, and then took a bus to a small city dozens of kilometers away from the North China Field Army, because the train to Binjiang City was at noon the next day, but because she was too eager to see Li Tian, she did not Waiting for the car, she walked along the highway on foot.

She has been walking for almost four hours now...

All of her beautiful face is covered with tired sweat, and there are some dirty stains on her hands, but none of this is important to her. It is for her to see Li Tian and find Li as soon as possible. Genius is the most important thing.

So she insisted on walking and walking...

After Li Tian and the others decided to go to the dark city, they are now discussing how to find the place that was once legendary.

It's a pity that they no matter how much they search for the map, but the place called the Dark City is not marked on the map.

It seems that looking for the so-called dark city from the map seems to be an impossible thing at present.

Li Tian would stay alone in the middle of the room, sitting quietly, thinking about everything that happened recently.

He has almost done everything he should do now.

And all of his life experience was suddenly understood. Not only did he recognize his pro-grandpa, he also recognized a pro-aunt.

Now for him, he can think wholeheartedly about his revenge.

To find the enemy of the gate of hell, you must reach the dark city, but how to get to this legendary place? This has become the most troublesome thing for Li Tian at present.

After thinking for a long time, Li Tian was tired and didn't want to think anymore.

He was lying on the bed, staying alone.

As he lay down on the bed, he started to miss her in his mind... Situ Ningbing.

"Hey, where is she now? How's it going?"

"Is she still looking for herself stupidly?" Thinking of this, deep in Li Tian's heart came a sorry thought.

He felt that the woman he was most sorry for was Situ Ningbing.

I said earlier and earlier that when he becomes capable, he must protect her.

But now? He has the ability, but he has never treated Situ Ningbing well, he has not given her a peaceful day, and he has also made her worry about herself all day long, and she also has to suffer for herself...

Thinking of these unforgettable pains, I deeply hurt Li Tian's heart,

He missed her... but didn't know where she was.

In this way, with deep miss, Li Tian gradually fell asleep.

In his dream, he dreamed of Situ Ningbing.

Dreaming that she was standing in front of her, she still had the same cold face and the same beauty before.

...

Some people say that dreams are born from the heart, while others say that dreams are the evolution of this world.

But no matter what, when Li Tian was dreaming, he seemed to hear someone calling his name.

When he woke up from his dream in a drowsy manner, Li Tianguo really noticed that someone was calling his name outside.

The sound seemed to be that of Wang Zhen, commander of the 39th brigade.

After hearing the sound, Li Tian responded: "I heard..."

Then he walked off the bed, and when he reached the door of the room, he opened the door.

Then he really saw Wang Zhen, the commander of the 39th Brigade, standing at the door.

"Brigadier Wang, what can I do?" Li Tian said while looking at Wang Zhen while yawning.

Li Tian has not had a good rest these days, so today he originally wanted to take a good rest, but he didn't expect to be disturbed by this guy.

But after seeing Wang Zhen opening the door, he carefully looked at Li Tian in front of him with his eyes.

Then he reached out and patted Li Tian on the shoulder.

"You kid can do it... I didn't expect your peach blossom luck so good!" Wang Zhen said with a smile while looking at Li Tian.

When Li Tian heard the words of Brigadier Wang Zhen all of a sudden, he was immediately depressed. He blinked puzzled eyes and looked at Brigadier Wang Zhen who was smiling in front of him and said: "Brigadier Wang, what do you mean? Why didn't I understand. Come here."

Just listen to Wang Zhendao saying: "Don't pretend to be confused..."

"Tell me, how many women are there in your boy out there?"

This made Li Tian really hurt.

When did I have a woman out there? What happened to Brigadier Wang Zhen today? Why did you suddenly ask yourself this question.

Isn't this? When Wang Zhen said this, Li Tian was immediately embarrassed, and said, "Brigadier Wang, what are you talking about... How can I have a woman out there."

"Hey, you still pretend to me... You kid, let me tell you... Other women have come to the door, do you dare to say that you haven't?" Wang Zhen in front of him suddenly looked at Li as if gloating. God said.

After Li Tian listened carefully to what Wang Zhen said, he frowned.

"what did you say?"

"You said someone came to me?" Li Tian looked at Wang Zhen in front of him incredibly.

But when Wang Zhendao said, "That's not it? I tell you, our North China Field Army generally prohibits women from entering and exiting... I am also looking at you for your sake, and let the girls come in..."

"Li Tian, tell me the truth, have you ever been sorry to other girls?"

"I've seen that girl just now. That long one is called a beautiful... it's so beautiful..."

"I ask you, did you abandon them? That's why they found our military area?" Wang Zhen said while looking at Li Tian.

After Li Tian heard Wang Zhen's remarks, he only felt a little confused.

He ignored the nonsense that Wang Zhen said, but hurriedly asked, "Brigadier Wang, are you talking true or not? Are there really girls coming to me?"

"Nonsense, how could I lie to you... People are staying in my headquarters now! And they are looking for you by name, Li Tian." Wang Zhen said.

Just when Wang Zhen said this, Li Tian pushed Wang Zhen away from him, and ran towards the headquarters like crazy.

Then Wang Zhen saw Li Tian running so fast, and smiled behind him and said, "Hey...hey...don't be so anxious...even if you see your woman, you don't have to do this!"

After that, the meeting quickly followed.

But what about Li Tian?

When he heard that Wang Zhen said so, he suddenly remembered his favorite: her!

Yes, she must have found her own clue.

Chapter 1113: Reunion

I must have seen the news in the newspaper, so I found it.

Li Tian, thinking like this in his heart, ran toward the 39th Army Command as if flying.

But after seeing him run to the 39th Army Command Headquarters, he quickly shouted, "Where is the man?"

"Where is she?"

As he gasped and asked, he saw a figure slowly appearing in his eyes in the front place.

Then her beautiful body trembled at that moment...

Slowly turning around the tired body...I saw him.

"Li Tian..." Two words tremblingly came out of her mouth.

There is endless excitement and endless love in the voice.

What about Li Tian? I also saw his favorite woman, Situ Ningbing.

He thought he was dreaming, but reality told him that all of this was not a dream, but a real thing, really real.

"Ningbing..."

"It's really you... my God, you really came."

"You came....."

Looking at Situ Ningbing, who was full of exhaustion at this moment, at her haggard and thin pretty face, and at the dirty stains on her delicate hands, Li Tian suddenly ran over in distress.

"Ningbing!" With a cry of true love, he then hugged Situ Ningbing tightly in his arms.

And Situ Ningbing? At this moment, his strong body finally softened, lying in his arms, holding his back with two hands, holding, holding...

"Ningbing, I miss you... I finally saw you..." Li Tian said, holding Situ Ningbing's trembling body tightly.

Situ Ningbing also hugged him tightly, beautiful tears slowly streaming out from her eye sockets, but those tears seemed to be happy, excited tears.

"I also miss you...every day...I don't want to all the time!" Situ Ningbing said with a trembling voice.

"I'm sorry... I'm sorry... I'm not good... I've caused you to suffer." Li Tian said in a self-blaming way.

Especially when she saw that she, who she loved the most, was now so haggard, and her body looked so weak, Li Tian was even more heartbroken.

Situ Ningbing shook his head in Li Tian's arms and said: "No...I am not suffering! As long as I can find you, as long as I can see you... Even if it makes me die, I am willing."

"Silly girl." Li Tian cried distressedly.

"Ningbing, I swear that Li Tian will never let you leave me again... I will not leave one step."

"If you leave, my heart will be gone...my heart will die."

Situ Ningbing said with tears of happiness: "Yeah! Well, I promise you... we won't be separated forever."

Two people, two loving hearts, finally truly merged together at this moment.

At this moment, they are so happy, so happy,

After Wang Zhen hurried back, he saw the moment they were embracing each other. Wang Zhen looked at Li Tian and hugged the beauty with a smile, and then stepped back again without disturbing them.

Looking at her favorite in front of him, and reaching out to gently touch her haggard face, Li Tiantian's heart was full of distressed expressions.

"Ning Bing, you have lost weight... you have lost a lot." Li Tian said distressedly, touching her beautiful face.

But Situ Ningbing shook his head slightly: "I'm fine."

"As long as I can see you, it's better than anything."

"Fool." Li Tian said, looking at her there.

"Where have you been for so many days?" Li Tian continued to look at her and asked.

I saw Situ Ningbing snuggling in Li Tian's arms at this moment, saying: "I will look for you... I will look for you, I will always look for you."

"Do you know? I'm afraid, I'm afraid that people from the gate of **** will kill you... I'm afraid they will harm you!" Situ Ningbing said as she shed tears.

"Fool, I'm sorry, I'm sorry, I made you tired." Listening to Situ Ningbing's words, Li Tian hugged her into his arms again.

Situ Ningbing shook his head there and said, "No, I'm not tired."

"How about you?"

"Why did you get into this army? And those who arrested you at the gate of hell? How did you escape?" Situ Ningbing asked Li Tian in front of him.

She has always worried about Li Tian. She has no idea about all the things that happened to Li Tian recently. At this moment, after seeing Li Tian in front of her, she certainly wanted to ask what happened so many days.

I saw Li Tian smiling and saying, "Okay, I will tell you the latest things little by little."

So Li Tian held Situ Ningbing's delicate body tightly in his arms, and then told Ningbing in front of him about all his recent experiences.

Listening to Li Tian telling him what happened to him recently, Situ Ningbing seemed to be immersed in Li Tian's deeds.

Not only was he worried about his behavior at the time, but at the same time, he was very fortunate that Li Tian was able to turn the danger to the bane every time.

After listening, Situ Ningbing put a pair of slender hands around Li Tian's neck and said, "Li Tian, promise me that I won't be allowed to make myself so dangerous in the future, or I'm worried, okay?"

Listening to what his lover said, Li Tian was sincerely happy. He nodded deeply and hugged his favorite man tightly.

what?

"Miss Situ is here?"

"She found here?" In the brothers' room, but I heard Tang Xiaolong say with his eyes wide open.

Chen Qiaozhi and Old Monster Ge beside him were also staring wide, all with a look of surprise.

"of course it's true."

"Your little boss is now with that beautiful woman." Wang Zhen said to Li Tian's brothers with a smile there.

Tang Xiaolong became excited when they heard it.

"Go, let's go and have a look."

Speaking of words, Tang Xiaolong ran like a rabbit, and ran to the barracks where Li Tian was staying. Old Monster Ge, Chen Qiaozhi and A Qiu all followed.

"Little boss..."

"Brother Heaven..."

Before anyone arrived, Tang Xiaolong's thick voice came first.

After his loud voice came in, then he saw the figure of the servant suddenly jump in.

At this moment, Li Tianzheng was holding his favorite Situ Ningbing tightly in his arms. When he saw the brothers coming, he was slightly surprised, but his hands did not separate and hugged her small waist.

But what about Situ Ningbing? After all, a little embarrassed, sitting in Li Tian's arms, his body twisted, and his pretty face turned slightly red.

"Miss Situ..."

"Wow, it's really Miss Situ here." After Tang Xiaolong ran in, he saw Situ Ningbing in front of him screaming in surprise, his voice revealed excitement and joy.

Chapter 1114: Won't be jealous

Situ Ningbing smiled slightly with her pretty red face.

"Xiaolong, why are you here? And how do you know that Ningbing is back?"

Just listen to Tang Xiaolong said: "Just now Brigadier Wang Zhen said that a beautiful woman came to see the little boss... I guessed it must be Miss Situ... Hey, it seems that I guessed a little bit. Not bad."

"Oh, it turned out to be Brigadier Wang said." Li Tiandao.

At this moment Chen Qiaozhi, Old Monster Ge and A Qiu also ran in.

After coming in, I saw Situ Ningbing.

"Miss Situ..." After seeing Situ Ningbing, their faces were all happy.

Li Tian looked at them and said, "You are all here."

"Ok."

"Ningbing has been tired a lot during this time... and she is very tired after walking all the way here... I want to take her to take a good rest." Li Tian looked at Situ Ningbing's haggard face and said distressedly. .

Brothers can see that Situ Ningbing does look haggard, and also looks thin...

So they all said, "Okay."

"The little boss, first take Miss Situ to have a good rest... we will retreat first."

Tang Xiaolong and the brothers who were talking about it all retreated.

After the brothers all retreated, Situ Ningbing looked at Li Tiandao and said, "Li Tian, I'm not tired...I'm fine..."

As soon as he said this, Li Tian blocked her fragrant little mouth with warm lips, and kissed him. His kiss was so enthusiastic that Situ Ningbing felt a bit of suffocation, but he hugged Li Tian's neck deeply, and his tongue echoed with Li Tianshui.

The two held tightly, as if their souls were all together at this moment.

Finally they kissed for a long, long time, Li Tiancai reluctantly left her cherry lips.

Looking at Situ Ningbing, whose cheeks were red, Li Tian deeply kissed her beautiful eyes.

"Fool, you really need a good rest...Go, let me first find a comfortable room for you, and then you rest and rest?" Li Tian looked at Situ Ningbing.

Situ Ningbing is indeed very tired. After so many days of blind search, she has never slept peacefully, and has never had a good rest. At this moment, when Li Tian said this, she became docile. The cat nodded likewise.

Then Li Tian happily took her hand and led her to find a place to rest.

The brigade commander Wang Zhen had arranged a first-class room long ago, and the inside was clean. After Li Tian came with Situ Ningbing, Li Tian let her rest well.

Situ Ningbing held Li Tian's hand tightly, her beautiful eyes were full of unwilling gazes, but seeing Li Tian looking at her favorite her, she smiled: "Be obedient, take a good rest... wait for me Just come to see you."

"Yeah! Okay..." Situ Ningbing finally agreed.

Li Tian leaned down and kissed her on the cheek. As he was about to leave reluctantly, Situ Ningbing grabbed his arm and said, "Wait later, okay? I'm afraid... I'm afraid I will fall asleep. , I will never see you again."

Listening to what she loves the most, Li Tian felt a pain in his heart for a moment, and said to the slender hand who was holding Situ Ningbing tightly: "Okay...I will be by your side...Waiting for you to fall asleep."

Situ Ningbing nodded happily, then took Li Tian's hand and slowly fell asleep.

She slept so soundly, so sweetly, as if she hadn't rested for a long, long time.

Looking at her lying on the bed, Li Tian kissed her distressedly on the forehead.

After waiting until she was completely asleep, Li Tiancai reluctantly left her room.

After waiting out of the room in front of him, Li Tian's heart finally calmed down.

Ningbing finally came back.

In this case, I don't have to worry anymore. Thinking of this, Li Tian feels like he is dreaming and can't believe it.

With a pleasant smile at the corner of his mouth, Li Tian left the room in front of Situ Ningbing.

After Situ Ningbing's arrival, the news spread across the entire North China Field Military Region instantly.

That Duan Muying was the first to know the news that Situ Ningbing had found.

At this moment, Duanmu Ying who had seen this meeting had already arrived in the brothers' room.

"Sister Ningbing is there?"

"I heard she is here? Is it true?" Duanmuying asked with a pretty excited face when she arrived at the brothers' room.

But seeing Tang Xiaolong replied: "Yes, Miss Situ is indeed back."

"It should be resting now."

Duanmuying heard Xiaolong say this, and said: "Great... Sister Ningbing is finally back... Hey, I was worried about her... I didn't expect to find her finally."

Her pretty face was full of joy, and she was totally different from the jealous lady before.

That Tang Xiaolong and the brothers around him thought that after Situ Ningbing came back, Miss Duanmu would be jealous, but she didn't expect that she didn't look jealous at all, and she was very happy. Not only were they a little surprised, but they will not ask foolishly.

"Well, then, when Sister Hui Ningbing wakes up, you must notify me." Duan Muying said to Tang Xiaolong in front of her.

Tang Xiaolong frowned awkwardly and nodded there.

"Ok."

Then Duan Kiyong walked out with her little girl ring.

Outside, but seeing that Xiaohuan followed the happy lady silently all the way.

Finally, after walking for a while, she asked, "Miss...you are...really, really not jealous of that Miss Situ?"

When Xiaohuan asked this girl all of a sudden, Duanmuying's original footsteps stopped there.

Duanmuying did not directly answer Xiaohuan's question, but raised her beautiful eyes and looked at the sky far away, thinking for a while and saying: "It used to be...but not now!"

"To be honest, she is kind to Li Tian...really."

"I always think she has done more than me... Besides, she is so good, and she is so beautiful."

Duanmuying said sincerely.

Listening to her young lady's words, Xiaohuan blinked twice with her mellow eyes and muttered to herself, "Love is such a strange thing..."

"Silly girl, when you meet your beloved man in the future, you will naturally understand this."

Duanmuying looked at Xiaohuan and said with a smile.

But seeing Xiaohuan hurriedly shook his head and said, "I don't...I want to follow you and serve you for the rest of my life."

"Don't be silly." Duanmuying smiled softly.

The two people walked all the way like this, while walking toward the place where they lived.

Chapter 1115: Opteron is here

Situ Ningbing's return undoubtedly gave Li Tian a reassurance.

Now he is finally at ease.

For the woman he loves most, it is enough for him to watch every day.

Now he is focused on the next plan.

He is going to the west to find the legendary dark city.

No one knows whether that heinous, terrifying and eerie place actually exists.

After returning to the room, Li Tian held a map in his hand and began to search carefully from above, but it was a pity that no matter how carefully he searched, he could not find the so-called dark city.

Just as Li Tian was depressed, the door of the room that was suddenly closed was banging, banging, banging at this moment.

Li Tian thought, maybe his brothers came to find him.

So he said casually: "Come in."

Then the door was gently pushed open.

But surprisingly, it was not his brothers, but a dull man in camouflage uniform.

The man is about 180 cm tall, has a strong physique, and has a tough and indifferent face.

After walking in, Li Tian turned his head and saw him.

Opteron!

The first tiger of the North China Field Army: Opteron.

Why is he here?

After seeing the sudden arrival of Opteron into his room, Li Tian was stunned for about two seconds, and then quickly stood up.

Looking at Opteron with a smile, he said, "Is there something to do with me?"

"Yes!" Opteron's answer is always so simple and direct.

For this brave and dull man, to be honest, Li Tian was a little uncomfortable, and the most important thing was that Li Tian was not familiar with this man who was known as the first fierce man in the North China Field Army.

So Li Tian smiled and asked, "What's the matter?"

Opteron didn't say anything directly, but looked up and down at Li Tian with tiger-like eyes, and then unexpectedly spit out a few words from his mouth.

"You really look like your dad."

When Hao Long suddenly said such a sentence, Li Tian was confused.

Of course he had heard about his father's battle with this hunk. At this moment, hearing the words of Hao Long, Li Tian smiled bitterly.

"It's a pity that I have never seen him." Li Tian said suddenly melancholy.

The Opteron looked at Li Tian.

"I heard that he is not dead yet?" His words were asking.

Li Tiandao: "Well... Actually, I still don't know whether my father is dead or alive... But I hope what you just said is true, and I hope his old man is really not dead."

"He won't die, don't worry." White Dragon said suddenly.

Listening to this dull and dull man suddenly said this, Li Tian was excited.

"Why do you say that?" Li Tian asked, looking at the white dragon.

Opteron was silent for a moment.

"Because he is a truly upright man." Hao Long said.

"The person in this world who can defeat your father... definitely hasn't been born yet." Opteron added finally.

Listening to what Opteron said, Li Tian thanked him sincerely.

"Thank you for saying that to my father." Li Tian said gratefully.

"No, I'm just telling the truth." Wang Long said.

"Perhaps you should have listened to Duguxie telling you what happened to me and him?" Opteron suddenly looked at Li Tian in front of him and asked.

Li Tian smiled awkwardly. He did know what happened to the Opteron before him and his father. Because it was Opteron who was defeated by his father back then, Li Tian felt that he had said this to Opteron at this moment. It was embarrassing, so he did not answer.

"Although you don't say it, I will also tell you that more than 20 years ago, I was fortunate enough to fight your father. It's a pity that I am not his opponent at all." White Dragon said slowly, there was nothing in the words. The slightest inferiority complex is more of a sense of honor than ever before, which makes Li Tian feel very surprised.

"However, you are also very powerful... I heard that although my father defeated you back then, he also took a lot of effort..." Li Tiandao.

"You don't have to comfort me so!"

"Victory is victory, and defeat is defeat." The cold words came out of the mouth of the white dragon.

Hearing what this stodgy man said, Li Tian smiled helplessly, but his heart was hidden: This guy is really a big wood.

"This time I asked the old commander to order and follow you personally. Do you think I'm a little troublesome, or is it a bit cumbersome?" White Dragon suddenly looked at Li Tian in front of him.

Hearing what Hao Long said so suddenly, Li Tian hurriedly waved his hands and said with a smile: "No, no...how could it be?"

"Our honor is too late."

But seeing that there was no expression on Opteron's staid face, he continued, "I don't care what you think in your heart... I don't care what you think of me... But I will only tell you a word, I Follow you just to kill someone. That person is the guy who took the old commander before."

The person White Dragon said is undoubtedly: Long Yin!

When he was taking the old commander away, Opteron saw the man kidnapped the old commander... and he almost killed himself. He hated it. He wanted to tear that man apart, so Opteron decided to kill that man himself. the man.

After the white dragon said this, Li Tian said, "Don't worry... that person will definitely die, because I will kill him too."

Upon hearing Li Tian's words, Opteron didn't speak any more, as if his words were so few in the first place.

"By the way, there is something I want to ask you." Li Tian asked suddenly looking at the dull White Dragon before him.

White Dragon said: "What's the matter?"

"About the Dark City in the West?"

"Do you know there is such a place over there?" Li Tian asked, looking at the white dragon curiously. To be honest, he didn't have much hope for whether the white dragon in front of him knew about the Dark City, after all, he Staying in the army all the time, you probably know very little about the affairs of the arena.

In the past few days, Li Tian has been trying to find this place...because he will go to this place next, but now? He didn't have any clues about this dark city... and he didn't even know the route... so even if they tried to go inside, it would be futile, because they didn't know the route at all.

That's why he couldn't help but ask the Opteron in front of him.

But he didn't have much hope, so he could only ask casually.

Chapter 1116: you're very pretty too

But what about Opteron? After hearing about the city of darkness, he was silent for a while, and then after about ten seconds of silence, he suddenly raised his eyes.

"Shall we go to this place next?" Opteron asked suddenly.

Li Tian nodded there and said, "Yes."

"Okay, don't worry, I will help you ask for clues to this place in the past two days." Opteron directly agreed.

Although he didn't say that he knew this place, he agreed to help Li Tian ask about this place? Could it be said that among the people that Opteron knew knew about this dark city?

Listening to what Opteron said, a faint hope rose in Li Tian's heart and said, "Okay, then please ask you about this matter."

"No need to!"

After Opteron finished speaking, he turned his body straight, as if he was about to leave.

Just when Opteron was about to leave, he suddenly turned his head again and looked at Li Tian in front of him: "You are very much like your father... I hope you can be like him in the future and be an upright man."

After Opteron finally said such a weird sentence, he took a big step and walked straight out.

Looking at the leaving Opteron, Li Tian smiled bitterly, becoming more and more interested in this Opteron in his heart.

He thinks this dull man is sometimes a little cute...but he is indeed a person worthy of his respect.

Since Situ Ningbing had done it, Duan Muying did not seem to be jealous anymore.

At this moment, after she knew where Situ Ningbing was resting for the first time, she went to visit her, and the fairy Baihua also came.

When the two of them arrived in the room, Situ Ningbing was already up, combing there.

"Sister Ningbing." Duanmuying yelled after coming in.

Situ Ningbing also saw Duanmuying and Fairy Baihua who walked in at this time, smiling at the corners of his mouth, looking at them.

"You are here."

"Sister Ningbing...you finally found it." Duanmuying said as she looked at Situ Ningbing.

"Hey, you seem to have lost weight during this time..."

Situ Ningbing smiled awkwardly.

"I'm fine... It's just that I haven't had a good rest recently." Situ Ningbing said.

Fairy Baihua on the other side came over, stretched out his hand and gently grabbed Situ Ningbing's hand and said, "It's all caused by Tian'er, you are worried about him..."

"But I finally came back, just as I am back."

Situ Ningbing looked at Fairy Baihua with a smile.

Three beauties like them gathered together, completely like sisters, but unfortunately, the Baihua Fairy was at least two rounds older than them.

"In fact, Tian'er has been quite hard during this period." Fairy Baihua sighed softly.

"um, yes."

"I can see that he seems to have a lot of thoughts." Situ Ningbing's eyes showed worry.

"I heard that we are going to a place called the Dark City next... It seems that he is now worrying about this matter, right?"

"Yes."

"Since Tian'er knew the clue to the **** gate from the Dark City, he has been busy with this matter all day long." Fairy Baihua said worriedly.

"I hope he can guarantee his body."

"Well, that can only be done."

"By the way, Sister Ningbing, have you seen Li Tian's aunt?" Duan Muying suddenly blinked her beautiful eyes and said with a smile.

Situ Ningbing was slightly startled when he heard Mu Ying say this: "Li Tian's aunt?"

"Yeah, maybe you don't know that Li Tian's grandfather is the commander-in-chief of this military region, and her aunt is also a very nice person... and very special and beautiful."

"If she sees you, I believe she will like you very much," Duanmuying said.

After hearing Duanmuying say this, Situ Ningbing smiled and said, "Oh, that's how it is."

"Well, I'll take you to see her aunt later." Duanmuying said.

"It might be inconvenient to see now..." Situ Ningbing felt a little embarrassed.

"Don't worry, it's okay."

"Hey, you get some makeup first, and later we two will go to find her aunt." Duanmuying didn't wait for Situ Ningbing to finish, so she settled down.

The fairy Baihua also smiled and said: "Yes, you go and see Li Tian's family... The ugly wife will see her mother's family one day... Hehe, so it's a good thing that you meet in advance."

Listening to them all saying this, Situ Ningbing's pretty face blushed.

After Duanmuying's simple dressing, she looks beautiful and indispensable.

She was originally the kind of beautiful woman. At this moment, she barely changed her makeup, and she was as beautiful as a fairy, and she seemed to have the cold and glamorous breath for the rest of her life. It feels like an ancient queen.

And what about Duanki Ying? She is like a weird elf, with an angelic appearance, and attractive and lovely. If you put her together with Situ Ningbing, there is no doubt that Situ Ningbing is a queen-type woman, and she is like a concubine. same.

Two completely different beauties walked towards the commander-in-chief like this.

When they arrived at Mu Yaoshui's room, they smelled a clear fragrance in the middle of the room.

I saw that after they came in, they didn't directly see Mu Yaoshui, but saw the **** the side.

At this moment, Nini saw Duanmuying and the beautiful Situ Ningbing who walked in for the first time.

"Sister Duanmu...you are here." After a few days of getting along, this Nini is already very familiar with Duanmuying, but she seems a little strange to the other big beauty Situ Ningbing next to her.

Nini, who saw this meeting, blinked a pair of beautiful eyes and looked at Situ Ningbing beside Duanmuying, and said in her heart: Who is this big beauty?

After seeing Nini, Situ Ningbing showed a smile on her pretty face.

"Yeah."

"This is?" Nini blinked curiously and looked at Situ Ningbing with her black beautiful eyes.

"This is my good sister, her name is Situ Ningbing." Duanmuying introduced with a smile.

Nini on the other side shouted, "Sister Ningbing."

Situ Ningbing also looked at Nini and smiled and said, "Hello."

"Sister Ningbing is so beautiful...I will be content if Nini can be half as pretty as you in the future." The little girl Nini said enviously while looking at the beautiful Situ Ningbing, and she looked at Situ in front of her with beautiful eyes. Freezing.

But seeing Situ Ningbing laughed all of a sudden, he secretly said that this girl can really speak.

"You will."

"you're very pretty too,"

Chapter 1117: Two women

"Nini, where is Aunt Mu?" Duanmuying in front of her looked at Nini and asked.

Nini said: "My aunt went out just now... I guess I will be back soon."

"Are you looking for something to her?" Nini asked.

"It's nothing, just come and see her." Duanmuying said with a smile.

"Oh, all right!"

"Then let's wait for aunt here first, and she will be back later." Nini said.

"Okay." Duanmuying agreed. She liked this Nini, so she also liked to stay with this girl.

But after seeing this meeting, Nini poured tea for the two of them, and said to Duanmuying: "Sister Duanmu...the last time you taught me the darts...I can't practice it well...you can teach me again. chant?"

It turned out that when Duan Muying was with Nini, this little girl was pestering Duan Muying to give her some martial arts.

Duanmuying then gave her some darts skills. Who knew that Nini had become addicted after learning, so Duanmuying in front of her would teach her.

But seeing Duanmuying smirked, she pointed to Situ Ningbing in front of her and said, "Nini...this sister Ningbing's skill is much better than me...shall she teach you?"

When Nini heard that there were even more powerful "masters" here, she was immediately happy, and she walked over, affectionately took Situ Ningbing's hand and said, "Sister Ningbing... is that true? Are you really good... teach me... I really want to learn."

Seeing Nini pleading in front of him, Situ Ningbing suddenly became a little depressed.

"No, no, I'm not good...I just know some fur." Situ Ningbing said with a smile.

Nan Ni Ni pulled Situ Ningbing's arm and said, "Sister Ningbing, just teach me a little bit... OK?"

"But...but..." Situ Ningbing was a little embarrassed.

But seeing Nini crying and crying with her little face there, begging like a child, saying: "Please, please..."

Seeing Nini's pleading, Situ Ningbing in front of her had no choice but to agree.

"Okay...but my skill is not good...if what you teach is not good, don't laugh." Situ Ningbing said.

But seeing that Nini heard that Situ Ningbing promised to teach herself, she lost her joy.

He said happily: "Of course not, of course not."

So the three women went outside.

"Nini, you have to watch sister Ningbing's gestures... she moves very quickly." Duanmuying reminded Nini in front of her.

Nini looked at Situ Ningbing expectantly there, smiled and nodded, and then her two beautiful eyes stared at Situ Ningbing's pair of delicate hands without blinking.

But seeing Situ Ningbing picking up an object on the ground, he looked at Nini and said, "I'm starting."

Nini nodded excitedly there: "Yeah."

Then I saw Situ Ningbing's right hand raised lightly, his wrist moved slightly, and the small rock he was holding in his hand flew out suddenly...like a sharp arrow, it flew forward...with a bang. , And then hit one of the trunks impartially.

The fallen leaves on the tree pole were suddenly shaken and fell.

Nini looked astonished.

"Wow! That's amazing!" Nini clapped her hands happily in front of her.

Duanmu Ying smiled in front of her.

Just as the three of them were talking and laughing, suddenly a clear voice came over.

"Nini, what's so happy?" He looked at the moving voice, but saw a beautiful woman come out.

She is the aunt of Li Tian, Mu Yaoshui.

After Nini saw Mu Yaoshui, she ran over with a smile: "Aunt...Sister Ningbing is calling me to dart."

"Sister Ningbing?" Mu Yaoshui was slightly startled when she heard the strange Ningbing, and then she saw Situ Ningbing over there.

Situ Ningbing also saw Mu Yaoshui at this time, not only secretly shocked: This is Li Tian's aunt, right? It looks really beautiful.

"Aunt Mu, you are back." Duanmuying who saw this meeting came over.

Na Mu Yaoshui smiled and said, "Yes."

"Could this be Situ Ningbing?" I saw that Mu Yaoshui hadn't heard Situ Ningbing's introduction, and directly called out her name.

Situ Ningbing did not expect that she would know herself, and smiled lightly: "Well! Aunt Mu is good..."

"It's beautiful!" Mu Yaoshui praised there.

Then he walked over and grabbed Situ Ningbing's slender hand and said, "I've heard Tian'er talk about you a long time ago... I didn't expect to see you finally... It's great."

When Situ Ningbing heard Mu Yaoshui's words, his face blushed.

"Quick, quick, come in and sit down."

Speaking of Mu Yaoshui, he politely let Duanmuying and Situ Ningbing walk in.

Mu Yaoshui knew that there were a lot of women around Li Tian, but he didn't expect that all of them would be so stunning.

When I saw that Duanmuying before, Mu Yaoshui praised Duanmuying for her beauty, and she was full of praise when she saw Situ Ningbing.

She thought to herself, if Tian'er could marry such two people, it would be a happy thing.

But how could such two women marry Li Tian at the same time?

Isn't this ancient?

Although Mu Yaoshui was struggling with these problems in her heart, in the end she felt that the young people had solved the problems themselves. For her, she only needed to see Li Tian happy.

As they got inside, they started talking happily.

When Li Tian originally went to visit Situ Ningbing, he heard the soldier at the door say that Ningbing and Duanmuying went to his aunt.

Thinking of Ningbing going to see his relatives, Li Tian felt an indescribable excitement in his heart.

After all, it was the first time Ningbing saw his relatives.

After taking a look at the room, Li Tian left here and returned to the brothers' room.

The brothers in this club didn't have much to do, they all stayed in their leisure time.

"Little boss, when shall we leave?"

"I'm going to be moldy when I stay here." Tang Xiaolong said there.

The easy life doesn't seem to be what the brothers want, and the stable life here seems to make them a little uncomfortable.

Li Tiandao: "I haven't found a route yet, I can't start even if I want to start..."

"Hey...what can I do?" Tang Xiaolong said depressedly.

"By the way, where did my master and Senior Dugu go today? Why didn't I see them all day?" Tang Xiaolong asked there.

Li Tiandao: "The two of them seem to have gone outside to inquire about the news..."

Chapter 1118: Ugly wheelchair man

"Because they knew a lot of people before in the rivers and lakes, so when they went out this time, they wanted to get to know the specific whereabouts of that dark city, and hope to ask some things."

Hearing Li Tian say this, Tang Xiaolong said, "So it's like this."

"I hope that Master and Senior Dugu can ask some questions this time."

Li Tiandao: "I hope too."

"If we can ask, we will leave at any time."

"it is good!"

It seems that Li Tian and his brothers are casting their hopes on the Duguxie and the ghost servant at this moment, only hoping that the two of them can learn about the situation of the dark city based on the previous network.

At 1617 in the afternoon, the Duguxie and the ghost servant returned.

When the two of them appeared, Li Tian and Tang Xiaolong hurriedly approached and asked, "Master, how is it? Have you asked me? Have you found the address of the dark city?"

As he asked, but seeing Duguxie and the ghost servant's face looked solemn and not pretty.

When Li Tian looked at the expressions of the two of them, he knew that something was wrong.

"Young Master, it seems that going to the Dark City this time is not as simple as imagined."

"Yes, young master, my second brother and I have found a lot of friends from the rivers and lakes in the past, but unfortunately they have never heard of anyone entering the dark city."

"It seems that this dark city is really like a place in the legend." said the ghost servant.

Listening to Duguxie and the ghost servants saying this, Li Tian frowned and thought.

Now how to do? Can't find the way to go next? How can this be good?

Could it be said that the dark city is really just a legendary place?

Is there no such thing as a dark city in the world?

Thinking of this, Li Tian shook his head vigorously.

"Don't worry, then look for it slowly... I don't believe I can't find this place." Li Tian said last.

The ghost servant said, "Young Master, what if this dark city is only a place in the legend?"

Li Tian was silent.

To be honest, he didn't know what to do.

Now he can only rely on the only clue to follow the clues of the **** gate... If this time the Dark City is really just a legendary place, then there is no doubt that all the efforts Li Tian has made now All was wasted...

Looking at Li Tian, who had an extremely ugly face, Du Guxie groaned: "Forget it, let's not mention this now."

"I believe that as long as the Dark City really exists, someone will know this place."

"Young Master, don't worry about it... believe us, we will definitely find this place." Duguxie said there.

Listening to Duguxie's words, Li Tian smiled slightly, but in his heart he was thinking about something in his heart.

The only thing that hinders Li Tian and the others is that they don't know how to get to that dark city.

Whether it is Duguxie or a ghost servant, they are all asking for news around the rivers and lakes, but the result?

So far, none of them knows how to get to the dark city.

It seems that this so-called dark city is simply a place that does not exist.

Now how to do?

Even Li Tian himself was depressed.

Stay in the middle of your room, holding your head and thinking about what to do!

At this moment, I saw a soldier coming in outside the door.

"Mr. Li, our company commander Hao wants you to come over." The soldier came in and said.

The company commander Hao he was talking about was the company commander of the guard company next to Commander Mu, and the first fierce man: Hao Long.

Listening to the soldier's mouth that the white dragon was looking for himself, Li Tian was taken aback for a moment.

"Do you know what he wanted me to do?" Li Tian looked at the soldier and asked.

But seeing the soldier in front of him smiled awkwardly: "I'm sorry, I don't know."

Li Tian nodded: "Oh, good."

"I'll go with you."

As he was talking, Li Tian followed the soldier in front of him and walked out, preparing to meet the Opteron.

He doesn't know what Opteron is looking for, but he does have an indescribable sense of respect for the dull and staid man.

After Li Tian followed the soldier to reach the place where the white dragon was, the soldier pointed to the inside and said to Li Tiandao, "Mr. Li, our company commander Hao is inside." Backed down.

Li Tian glanced at the place where the white dragon was staying, and then walked inside.

He wanted to know what was going on when this Opteron suddenly sought him out.

As Li Tian walked into the room of the Opteron in front of him, he was the first to see that Opteron was standing in the middle with no expression on his face, waiting for him.

When seeing the expressionless face of Opteron, Li Tian felt uncomfortable in his heart, and he couldn't help but secretly said: Why does this person never laugh?

"You are here." Three simple words came out of that Opteron's mouth.

Li Tian looked at him and smiled.

"What's the matter? Are you looking for something to do with me?" Li Tian looked at Hao Long.

Opteron did not directly answer his words, but suddenly beckoned to the place over there, and then Li Tianzhen's horrified scene appeared in his eyes.

From the side room, suddenly an ugly man in a wheelchair was pushed out.

The man looks extremely ugly, his head is sharp, his hair is very sparse, and his eyes are more vicious than eagle eyes.

The entire nose seemed to be collapsed, and the yellow and ugly face still had many pitted pockmarks.

Wearing a black robe, he wrapped his entire thin body in the black robe, unable to see his hands and feet...

Could this ugly fellow be disabled?

No hands? No feet?

Li Tian looked at this weird and ugly guy, not only wondering, but because that guy's hands and feet were shrunk in the black robe, Li Tian wasn't sure if he really had no hands or feet...

As if he had only a glimpse of his body, he was pushed out by another person.

Pushing the wheelchair is a young woman in her 30s.

The young woman is very charming and has a very plump body. A tight miniskirt is wrapped around her seductive body. The two murder weapons on her chest are very plump, and a pair of eyes are looking in front of her. Li Tian.

And after the weird and ugly eagle-eyed man in a wheelchair was pushed out, he used a pair of very evil and poisonous eyes to stare at Li Tian in front of him gloomily.

Chapter 1119: Old ghost

As soon as Li Tian looked at the guy in the wheelchair, he could feel that this guy was definitely not a kind person.

He couldn't understand, what the **** was this Opteron calling him here suddenly and bringing out such a weird and ugly old man?

At this time, Li Tian frowned slightly, and looked at the white dragon in a puzzled way.

"Are they?" Li Tian pointed his finger at the weird and ugly guy in the wheelchair and asked Opteron.

White Dragon said: "Friend!"

The answer is short and straightforward.

"Friend", Li Tian was not only even more depressed when he heard the words that the white dragon said.

Just when Li Tian wondered what the **** was this Opteron doing, but when he saw that Opteron suddenly turned his head, he said to the ugly man in the wheelchair: "Old ghost...all the things you know Say it out."

The ugly man called the "old ghost" looked at Li Tian with his cold and stern eyes at this moment, then turned his head to look at the white dragon and said, "It's him."

Opteron nodded coldly.

Then the ugly man called the "old ghost" cast his gaze on Li Tian again at this time, and took a few careful glances.

Li Tian couldn't understand what the **** this ugly man was doing. When he was about to ask, he suddenly saw the man called the "old ghost" and suddenly looked at Li Tiandao: "You want to go to the dark. City?"

A word suddenly came out of his mouth.

His voice was hoarse and unpleasant, as if his throat had been burned by fire.

But his words made Li Tian suddenly excited.

He even asked himself about the dark city?

Could it be that this ugly man knows something about the Dark City? This made Li Tian excited. He thought that this stodgy Opteron suddenly brought himself here. Why? But he didn't expect that he actually knew about the dark city.

Li Tian would hold back the excitement in his heart, and looked at the old ghost and nodded quickly.

"Yes.",

The old ghost then glanced at Li Tian in front of him: "Aren't you afraid of death?"

Listening to the old ghost's rhetorical question, Li Tian smiled: "I'm afraid, but I still want to go."

"There is a kind," the old ghost said hoarsely.

"If you really don't take your own life seriously, then I will tell you about the Dark City... But if you want to live safely and securely, you'd better not ask me again." After the ugly man who claimed to be an old ghost said these words, he closed a pair of gloomy eyes slightly.

But seeing Li Tian glance at this weird and ugly man, he smiled and said, "It's okay, just talk..."

"I just want to know about the Dark City." Li Tiandao.

He finally knew that someone could understand the dark city. Of course he was very happy. How could he feel scared and not ask?

When the old ghost heard Li Tian insisting on asking about the Dark City, a weird and cruel smile appeared on the corner of his mouth.

"Since you want to die somewhere, then I will fulfill you."

"Okay. You can ask me about the Dark City now." Just listen to the old ghost saying there.

After the old ghost agreed to let himself ask, Li Tian became excited.

So he opened his mouth and asked, "Does the Dark City really exist? Where is it?"

As Li Tian asked, the eyes of the ugly "old ghost" trembled deeply, and then replied, "Of course there is a dark city."

"Boy, do you know where it is? Do you know how cruel the people there are?"

Li Tian frowned slightly when he heard what he said. Of course Li Tian didn't know.

But seeing the old ghost said again: "There is hell... or it is more terrifying than hell."

"The people who live in the dark city have long lost their faith and soul. Although they are still wearing human skin, their hearts have already become demons... demons, do you understand?" the old ghost suddenly said He laughed wildly, his voice even worse than hoarse.

Listening to the ugly "old ghost" saying this, Li Tian frowned more and more.

He is now beginning to wonder if this old ghost is mentally ill, and if all his words are false.

Just as he was thinking like this in his heart, the ugly man called the old ghost seemed to have seen Li Tian's inner thoughts, and suddenly the corner of his mouth sneered and praised Li Tiandao: "Do you not believe what I said? "

Li Tian smiled awkwardly and did not answer, but his meaning was already obvious.

After Li Tian smiled like this, the ugly old ghost seemed unbearable to bear Li Tian's disbelief. Suddenly the pockmarked face began to violently twist...convulsions...

"you do not believe me?"

"You actually... don't believe me?"

After he said his hoarse voice, he saw his body shake suddenly and violently, and then he saw the black robe on his body suddenly seemed to be rolled up by the wind, since he was thin The lower body slipped down.

A shocking scene appeared in Li Tian's eyes.

Gosh!

I saw this extremely ugly old ghost, his hands and feet were all broken, only the two arms and two legs were tightly wrapped in cloth, revealing a section!

Such a horror!

So terrible.

Li Tian didn't imagine this ugly guy, his hands and feet seemed to be cut off. At this moment, after seeing the old ghost suddenly revealing his disabled hands and feet, he was more and more stunned.

What's going on?

This ugly guy, showing his broken hands and feet... what does it mean?

"Did you see... Did you see my broken hands, and my feet?" The old ghost suddenly changed his entire face to be extremely hideous and said to Li Tiandao, who was looking in front of him.

Li Tian didn't understand why this ugly man showed him his broken hands and feet, and at this moment he frowned slightly.

But seeing that ugly old ghost continued savagely and said: "My hands...and my feet...I was chopped off by those wild beasts in the Dark City."

what?

When he said this, Li Tian in front of him was undoubtedly shocked!

It turned out to be so!

No wonder this ugly old ghost is so excited... it is so hideous.

Looking at this ugly old ghost, Li Tian's heart that didn't believe it at first turned into a deep belief.

Chapter 1120: road

In this way, everything this ugly man called the old ghost said is true, and it seems that he has really been to the dark city.

"Have you really been to the Dark City?" Li Tian asked blankly at the ugly old ghost.

But seeing the ugly old ghost, he said excitedly: "Nonsense..."

"No one in the world knows that horrible place better than me." He only heard the old ghost screaming and screaming.

"Then tell me, how can I find that place?" Li Tian continued to ask.

He is now anxious to know some answers from this ugly man.

The ugly old ghost heard that Li Tian was going to go, so he said: "Well, since you want to go to death, then I will tell you."

"The Dark City is in the West... It is a lonely old city near the wasteland."

"The specific name of that city is no longer remembered. The only thing we know is that the city has a long, long history... Legend has it that it existed in the 19th century... That city used to live in a group of murderers and robbers. Wild bandits, they are cruel and inhumane. Every time they **** something, they will kill all of them, and they will also cut off the heads of those who have died... Take them back. Skeletons and skulls are everywhere in the city... , Whenever night comes, you can hear the screams of lonely souls under the darkness..."

"Many, many years ago, that city was named a ghost town! Later, the times changed, and the world was shaken by wind and waves, making the city more and more mysterious, because its address was too remote and because it was close to the western desert, There has been wind and sand all the year round, so no one has ever managed that place, so many desperadoes hid in that place in order to avoid the enemy's chasing or killing, or to avoid the wanted...Since then, this once-evil city has come back... ..The wicked people began to gather together."

"But what I didn't expect was that many years ago, I went to a person. That person was more fierce than everyone, and he was more ruthless than everyone. His methods and skills were better than those in that city. Anyone is even more powerful... so he became the overlord of the city of sin, and in that city full of sin and death, he became the only king! The only overlord."

When the ugly old ghost in front of him said "this person", his eyes flickered, and his words were full of respect.

"Is his name called: Poison Emperor?" Li Tian suddenly opened his mouth and asked.

When Li Tian suddenly uttered the word "Poison Emperor", the ugly man called the old ghost suddenly convulsed, and then the extremely evil eyes were placed on Li Tian in front of him.

"how do you know?"

"How do you know his name?" There was a deep shock in the words.

When Li Tian heard the ugly old ghost confessed in front of him, a slight smile appeared on the corner of his mouth and said, "I heard people say..."

"Really?" The old ghost glanced at Li Tian with his vicious eyes.

"Young man... it's better not to mention this name too much... because he is a nightmare... a devil and a symbol of death." He muttered there.

Li Tian smiled, and did not tell the truth about the old ghost in front of him. Of course, this ugly old ghost would not know that the person Li Tian was looking for in the Dark City this time was the King Poison Emperor known as the Dark City .

"I have said so much... you didn't seem to tell me how to get to the Dark City?" Li Tian asked, looking at the old ghost sitting in a wheelchair without hands and feet.

The old ghost's eyes choked, his eyes fixed on Li Tian.

"Young man, don't you really know what it means to retreat? Do you have to go to that place to die?" The old ghost said to Li Tian.

Li Tian smiled softly and said: "I said, if I was afraid of death, I would not ask you."

"Well, then I will tell you for the sake of Opteron." The old ghost finally decided to speak.

"You walk all the way west from here... Pass through Beiliao City, and then pass through the frontier fortress to a sand dune. After you pass the endless desert, you will see that city..." The old ghost faced Li Tian said in front of him.

Li Tian frowned slightly and said, "It's that simple?"

When Li Tian said it was so simple, the old ghost suddenly laughed wildly...

"Do you think it is simple?"

"very good!"

"Nowadays young people are really getting better and better... more and more arrogant, haha."

After the old ghost finished laughing so strangely, he suddenly raised his gloomy eyes and looked at Li Tiandao in front of him and said, "Have you finished asking?"

Li Tian thought for a while and said, "I'm finished."

Li Tian actually only wanted to know how to get to the dark city, how terrifying the city was, or how powerful the people in it were, Li Tian hadn't really thought about it to be honest.

After Li Tian said that he had finished asking, the ugly old ghost suddenly turned a pair of gloomy eyes and stared at the Opteron beside him.

"Can I go now?"

Opteron glanced at Li Tian, then nodded silently.

"Let's go."

The old ghost smiled at the corner of his mouth, and then the plump woman pushing the wheelchair behind slowly put the black robe on the old ghost's body again... and then began to slowly push the wheelchair towards Go outside.

When the ugly old ghost was slowly being pushed out, Li Tian suddenly asked, "May I ask, why did you enter the Dark City back then? And how did you come out of the Dark City?"

When he heard Li Tian's question, the weird and ugly old ghost slowly turned his pockmarked face, revealing a weird and gloomy smile.

"You don't want to know... I still don't want to tell you."

After the old ghost said such a weird word, the plump woman slowly pushed his wheelchair and walked outside.

Looking at this weird and mysterious ugly man, Li Tian frowned slightly.

However, today is undoubtedly a very happy day for Li Tian. After all, now he finally knows how to get to the dark city. In Li Tian's heart he did not consider whether going to the dark city is dangerous or not. Right now For him, as long as he can find this place, it is more important than anything.
