

A Killer 130

Chapter 130: Where's the lady?

Then Feifei and Xia Xue were taken out like this.

In the black night sky outside, Feifei and Xia Xue were thrown on the back seat of the car.

The fat man got into the car with the hook-nosed man in front of him, and the car started with a grunt, sprinting away into the distance, disappearing into the middle of the night.

All this happened too quickly, too suddenly, and gave people no chance to react.

Then Li Tian and Shen Feng didn't come to Xia Xue's restaurant just at night, but slept in the house with their heads covered.

So that two people woke up the next day.

After washing, the two people walked towards the small restaurant of Xia Xue as usual.

But when the two of them arrived at Xia Xue's small restaurant, they found a lot of people around the door talking there.

Li Tian was taken aback for a moment, and Shen Feng was still there, and he couldn't help wondering at the same time, what was wrong with him?

Ran over quickly.

In the blink of an eye, Xia Xue's small restaurant turned out to have the door open, and rushed in, but saw that there was no one in the small restaurant, and a table inside was shattered, and there was leftover on the other table. Meals.

Seeing these things, Li Tian and Shen Feng were stunned.

"Sister Xue?" Li Tian called.

While shouting, he hurriedly walked towards the room inside, but after looking around for a while, there was no trace of Xia Xue.

Suddenly, a bad premonition surged toward the hearts of the two people.

"Sister Xue is not here." Li Tian said in shock.

Shen Feng in front of him was also stunned.

"What's going on?"

"This meal seems to be from last night, how could Sister Xue not clean it up? And this table was also smashed to pieces." Li Tian frowned when he looked at everything in the room.

"Shen Feng, please go outside and ask, see if anyone outside has seen what happened to Sister Xue here." Li Tiandao said.

Shen Feng nodded quickly, ran out, and began to ask among the crowd at the door.

Li Tian was left alone, frowning, looking at everything in the room.

What is going on? Where did Xia Xue go?

Could someone have been here? Could it be that Xia Xue was taken away?

Li Tian couldn't help thinking of this suddenly, he felt a little stunned.

But how could a good person like Sister Xue offend others? Who can offend her to open a small restaurant here?

After thinking about it, Li Tian didn't think that Xia Xue could offend anyone.

Li Tian, who was thinking like this, suddenly didn't know what was going on in his mind, and suddenly recalled what Feng Wuye from the 9th district said to him when he won the second black market boxing match: You are now famous in the black market boxing competition, and you will be in trouble if you become famous. "

trouble! !

Could it be that it is your own trouble, the other party is directed at yourself? Then use Xia Xue as a bargaining chip?

Thinking of this, Li Tian suddenly couldn't help clenching his fists, and a huge hatred from his heart suddenly occupied his heart.

It was also at this moment that Shen Feng, who had run outside just now, ran over with an ugly face.

"Brother Tian, it's not good." Shen Feng, who ran in, said with a panic expression on his face.

"What's the matter?" Li Tian asked quickly.

Shen Feng said in front of him: "I just asked the neighbors around me. Some of them heard a life-saving voice from Sister Xue's small restaurant last night... and saw an inexplicable vehicle arrived at Sister Xue's little restaurant last night. At the entrance of the hotel, I stopped for about a few minutes, and then drove away."

When Li Tian suddenly heard what Shen Feng said, he suddenly felt in his heart.

"It seems that my guess is correct. Sister Xue was really caught."

Li Tian said suddenly.

That Shen Feng was also full of anger at the moment: "Fuck, is that **** dare to attack Sister Xue?"

"Sister Xue opened a small restaurant here and didn't offend anyone? Is that **** so bad? If I **** catch those bastards, I will kill them." Shen Fengyi in anger The fist hit a wooden table.

A leg that was smashed on the huge wooden table snapped off.

On the contrary, Li Tian appeared strangely calm and said, "Maybe the other party didn't come for Sister Xue."

Shen Feng was taken aback, turned his head and looked at Li Tian: "Brother Tian, what do you mean? It wasn't for Sister Xue, so why did you take Sister Xue away?"

"Perhaps the other party came for me. The reason for catching Sister Xue is just because we go in and out of Sister Xue all day, and we have a good relationship with Sister Xue. The other party may arrest her to force me." Li Tiandao said.

Hearing what Li Tian said, Shen Feng couldn't help being stunned for a moment. After thinking about it, it was indeed true.

"Brother, you mean that we both offended people."

"Well, it must be."

"But the two of us haven't gone out since we didn't fight the black market boxing? How could we **** offend the villain?" Shen Feng said angrily.

Li Tian thought for a while and said, "Although we don't fight black market boxing, it doesn't mean that others will not trouble us."

"Trouble? You mean it must be the people in the black market boxing match who moved their hands because of their grudges?" Shen Feng said in surprise.

Li Tian nodded: "At the moment, I'm just guessing. I don't know what is going on."

"Asshole, isn't that done by the group of provinces who were defeated by you last time."

"For the dog, I feel that those foreigners will never give up. The fighters who beat them in the ring twice by Tiange you must have a grudge, so this time they did such an inhuman thing." Shen Feng said.

When the two of them had guessed that it was highly likely that the "outside province" who fought them black market boxing last time, they both felt even more irritable.

Because the two of them have no clue about the group of "outsiders".

When they were in distress, suddenly a figure quickly walked in towards the hotel.

"Li Tian, where is the eldest lady?" the voice came out of his mouth indifferently.

Turning his head, Li Tian was startled slightly, and then he saw Xiao Zhouyi standing inside the room with an ugly face.

"Fifei?"

"What's wrong with Feifei?"; Li Tian was shocked.

When Xiao Zhou heard Li Tian say this, a chill suddenly appeared in his eyes.

With eyes fixed on Li Tian, his voice was indescribably cold and said: "Miss I came to see you last night, but I haven't seen her since."
