

A Killer 131

Chapter 131: Find Lord Feng

Suddenly hearing what Xiao Zhou said in front of him, Li Tian was stunned.

"You mean Feifei came to see me yesterday? And here is the one who came here?" Li Tian asked incredulously.

Xiao Zhou nodded silently.

"Oh my God! Could it be that Feifei was also arrested?" Li Tian was completely flustered after thinking about it.

He absolutely did not expect that Feifei would be here yesterday. Now Xia Xue has suddenly disappeared, and Feifei was here last night and is missing now. Does this mean? It means that both people must have been taken away.

"What the **** happened?" Xiao Zhou was surrounded by a terrible breath, which seemed to kill.

Shen Feng quickly told the indifferent man about the situation here to Xiao Zhou.

The more he speaks, the more ugly Xiao Zhou's face becomes, and at the same time the murderous aura is getting stronger and stronger.

"So the eldest lady and your friend were all taken away last night?" Xiao Zhou asked Li Tian coldly.

Li Tian nodded helplessly.

"Now you tell me all the names of the people you have offended these days, and don't leave any one behind. I can now responsibly tell you, if something happens to the lady because of you, or less With the hair? I will definitely let you double back." Xiao Zhou said domineeringly at Li Tian.

Li Tian did not speak or refute.

How is he now focusing on Feifei? Will something happen?

He didn't know why, after Na Feifei's sudden accident, his heart was so blocked?

"We now suspect that those people from other provinces did it." Shen Feng said.

"Other provinces? What kind of provinces?" Xiao Zhou turned his face and asked Shen Feng.

So Shen Feng told Xiao Zhou all about the black market boxing match.

After Xiao Zhou finished listening, he was silent.

"Leave those from other provinces to me, and I will find them out as soon as possible. If they really did it, I will make them regret coming to Kyoto. If not for them, you two had better think about how to give me a Confess."

After talking, Xiao Zhou went away.

The remaining Shen Feng stared at it for a moment.

"Who the **** is that guy? Why do you look so terrible?" Although Shen Feng was also mixed with blood and violence from a black market boxing match, he has never seen a man who can have the horror of Xiao Zhou. breath.

The terrifying aura that Xiao Zhou revealed just now was just as terrifying as the Meng Chong next to Feng Wuye, and it was frightening.

"He is the bodyguard of the Tang family, a guy who kills without blinking his eyes." Li Tian said slowly.

"It turns out that it was the bodyguard of the young lady who looked for you yesterday? No wonder it's so fierce." Shen Feng sighed.

"What shall we do now? There is no beginning and no end, where to find Sister Xue and the young lady?" Shen Feng asked depressedly.

Li Tian thought for a while, then suddenly looked outside and said, "Go, come find him with me."

After speaking, Li Tian strode out to the outside, and Shen Feng behind was taken aback, followed by a trot: "Brother Tian, who are you looking for?"

"Look for the front cover five."

Few things on the roads of the nine districts are unknown to Master Feng.

Not for anything else, just because Feng Ye is an underground leader-level fierce in the nine districts.

And when Li Tian decided to come to find Master Feng, he just wanted to know the clues of the other provinces. Now Feifei and Xia Xue are most likely in the hands of the provinces, so Li Tian can't delay at all.

After leaving the house, he quickly took a taxi.

Then he drove quickly towards the Yuehai Club.

In the ninth district, everyone knows that the Yuehai Club is the place of Feng Ye. It is a paradise for night travelers, and of course it is also the most famous place that never sleeps.

When Li Tian and Shen Feng arrived at the Yuehai Club quickly in a taxi.

There are only two waiters at the entrance of the Yuehai Club. Because it is daytime, there are not many people in the Yuehai Club.

This is the most lively place at night, but not during the day.

After Shen Feng and Li Tian got out of the taxi quickly, they walked towards the Yuehai Club.

The waiter standing at the door smiled slightly when he saw another visitor coming.

"Sir, please."

Shen Feng and Li Tian in front of them then walked in thinking of the luxurious Yuehai Club.

It is really luxurious inside. As soon as I walked in, I saw two very artistic stone statues. They were custom-made stones from Loushifang in Jiangsu and Zhejiang, but because of the dim lighting, they looked a little less attractive.

On the huge dance floor in the middle, there was only one waitress standing at the bar next to it.

Besides, there are not many people inside.

It was the first time that Li Tian entered such a place and walked towards the bar with Shen Feng.

"Hello, what do you two need to order?" The lady at the bar saw Li Tian and Shen Feng walking over, looking at the two with a smile and asked.

"We don't need anything, we want to find Master Feng."

Said Li Tiandao, who walked forward.

The waiter was taken aback for a moment, looking at Li Tian and Shen Feng.

Then he said: "I'm sorry, Feng Ye may not be here today, I can't help you."

"Really not?" Shen Feng said suddenly angrily.

The waiter nodded again and said, "Yes, Lord Feng is not here."

"I think you are lying to us!" Shen Feng stared at the waitress and said.

The waitress has a round baby face, blinking her eyes flickeringly there: "If you don't believe it, then forget it."

"Miss, we are friends with Master Feng, now we have an urgent matter and want to find Master Feng..." Li Tiandao said.

"Why are you so annoying? Didn't I tell you that Lord Feng is not here, really." The girl suddenly said angrily.

Hearing that girl said this, Shen Feng was furious: "Girl, don't tell lies."

"I can't stand you people, I'm going to call a security guard." The waiter in front of me suddenly said.

When they were arguing, suddenly a burly man walked down the steps from the second floor.

"What are you shouting?" A loud shout came out of his mouth.

Turned his head to look, but saw his sturdy figure step by step down the stairs on the second floor.

"Meng Chong?"

When Li Tian and Shen Feng turned their heads, they saw the first fierce man next to Feng Master, Meng Chong.
