

A Killer 132

Chapter 132: help

Then Meng Chong, who walked slowly down from the second floor, also saw Li Tian and Shen Feng at a glance. He couldn't help but froze. How did these two people get here?

"It turned out to be you." Meng Chong said as he walked down.

Shen Feng and Li Tian rushed towards Meng.

"Yes, we want to see Master Feng." Li Tian asked.

"See Lord Feng? Something?" Meng Chong asked.

"Yeah." Li Tian nodded.

Meng Chong glanced at the two of them, and then said, "You guys wait here."

Speaking, Meng Chong walked towards the stairs again.

In a luxurious VIP box on the second floor, Meng Chong is standing in the room at the moment:

"Feng Ye, Li Tian and the two boys, Shen Feng, are here?"

I saw Master Feng in the VIP box sitting on a leather sofa, resting. Hearing Meng Chong's words, he immediately became energetic and opened his eyes immediately.

"Are they here?"

"Yes, it's downstairs." Meng Chong said.

"Didn't these two boys say not to look for me? Why did they come suddenly? Could it be..." Feng Ye's eyes flashed.

"Let them in." Feng Ye said.

Meng Chong nodded and walked outside.

Soon I saw Meng Chong walking in with Li Tian and Shen Feng.

"Feng Ye, they are here." Meng Chong said in a calm voice.

Feng Ye was smiling at the moment, his eyes focused on Li Tian and Shen Feng.

"I didn't expect you to come to me, come, sit."

Then Li Tian and Shen Feng were not polite, and sat down opposite.

"If you don't go to the Three Treasures Hall for nothing, come and find me, there must be something, right?" Feng Ye suddenly squinted at Li Tian and Shen Feng and said.

Shen Feng and Li Tian couldn't help but stunned for a moment, secretly interlining: This Feng Master is really not covered, he is very witty.

Also, if a treacherous crocodile like him were not smart, he would have died 18,000 times on this road.

Then Li Tian didn't hide it at the moment, and said straightforwardly: "It's true, Lord Feng, our brothers are coming to you this time. We really have something to ask Lord Feng to help."

Feng Ye could have guessed it early, and smiled and asked, "Let's talk, what's the matter?"

"Feng Ye, we want to know the origin of the group of people from other provinces who fought us black market boxing last time, and where they are now in Kyoto?" Li Tiandao said.

When Li Tian said so, Father Feng frowned a little.

"You want them?"

"What's wrong? What happened?" Feng Ye asked in surprise.

Li Tian thought for a while, and reluctantly told the Feng Master before him the truth.

"A friend of ours suddenly disappeared last night. According to our understanding, it should have been taken away, so..." Li Tian said briefly.

Hearing what Li Tian said, Feng Ye nodded slightly, and murmured: It seems that they really did.

"How do you know that those people from other provinces did it?" Feng Ye suddenly looked at Li Tian and asked.

"Feeling." Li Tian simply spit out the words from his mouth.

The Lord Feng narrowed his gloomy eyes and said, "Feeling?"

"What if you feel wrong?" Feng Ye said suddenly.

Li Tiandao: "I can't take care of that much now."

"Furthermore, I didn't offend anyone other than the other province in the black market boxing match, so I can basically conclude that it should be them."

Feng Ye didn't speak, and was quiet for a while.

"How long has your friend been taken away?"

"Lost last night."

"Oh, I see."

"Then you can rest assured." Feng Ye said suddenly.

Li Tianyi was taken aback.

"Master Feng, I didn't understand what you said."

Master Feng smiled and said: "If it is as you expected, the other party is directed at you, not at your friends, then at most your friends are taken away to persecute you. I believe they will find you soon. of."

Feng Ye was indeed right.

What did you catch Xia Xue for? The purpose is to threaten Li Tian and Shen Feng, so sooner or later the group will automatically contact them.

"I understand what Feng Ye means."

"But Feng Ye doesn't know something, our friend is a woman, so we are more worried." Li Tiandao said.

"Oh, it turns out to be a woman, it's a bit difficult to handle. If it's a man, it's at best to eat some fleshy wounds, but if it's a woman, it's hard to say." Feng Ye also said slightly.

"So we are very worried. If we delay one minute, our friend will have an unimaginable encounter. Fengye, if you want you to help us once, Li Tian will definitely remember your great favor in the future."

After listening to Li Tian's words, Feng Master thought for a while and touched his dark hair with his hand.

Suddenly smiled: "Easy to say, easy to say."

"But let me tell you the truth, those foreigners are definitely not simple characters." Feng Ye said suddenly, his voice changed.

"Who are they?" Li Tian asked.

Feng Ye said slowly: "The group of people from other provinces came from Jinghai City in the south. They are members of the Duanmu family among the four most famous families in China."

At the moment when he heard Feng Ye say this all at once, Li Tian couldn't help but startled slightly.

The four major families in China? Duanmu family?

To tell the truth, Li Tian, who grew up in a small county seat, is really unclear.

But when Shen Feng sitting next to him heard the Duanmu family among the four major families in China, his face instantly became extremely ugly, as if he heard the name of hell.

"Duanmu family? It turned out to be the Duanmu family?" Shen Feng said in surprise.

The Lord Feng, who was sitting there, was slightly startled at how Shen Feng knew about the Duanmu family: "You know the Duanmu family?"

Shen Feng nodded silently.

The former Shen family was also a well-known big family in the south. How could it be possible that the former Kuo Shao identity of Shen Feng had not heard of the four famous domestic families?

"The Duanmu family is extremely mysterious. It is an ancient family, and the family rules are extremely strict. They rarely show up outside. They live in seclusion in the south. So far, no one knows where the Duanmu family really lives. In the southern area, everyone knows that the Duanmu family is a family that cannot be offended."

"The Duanmu family is not only mysterious, but also the people of this clan are vicious and vicious. If someone provokes them, they will surely get utterly destroyed."

When Shen Feng finished speaking these words, Li Tian in front of him couldn't help feeling startled, and said in secret: Is that Duanmu family really so powerful?
