

A Killer 1321

Chapter 1321: Magic cave, old monster

"No."

"According to the investigation by his staff, just when Long Yin was about to kill the kid surnamed Li, he suddenly didn't know why, his situation changed, so Long Yin finally left." The woman said.

"Really?" The person called the master suddenly murmured.

"Yes, Master." The servant girl said there.

Hearing what the woman under her said, the man called the master suddenly stood up.

"Spread my word, let Tian Luo Di Sha go to the Necropolis to stand by."

After hearing the man say so, the woman under her hurriedly nodded and said, "Yes."

Then the master who turned his back to them didn't say anything, his body flashed into the darkness.

Necropolis.

A palace built underground.

It is said that this palace was an ancient tomb before... As for the dynasty and generation of this tomb, it is no longer known.

The only thing I know is that it is now the most important underground palace among the gates of hell.

The entrance of this palace hidden in the underground tomb is in the deserted tomb.

It is surrounded by weeds, one by one raised tombs appearing there, and there are two giant stone lions at its entrance.

And between these two big stone lions is the entrance to the Necropolis.

The first time I entered the Necropolis, I saw the ancient stone walls... Those stone walls are still carved with mottled murals, and some are carved with ancient runes... Because the age is too long, plus this The Necropolis was later rebuilt by the people of Hell Gate, so the ancient runes and murals on the stone walls have been completely blurred.

The long and narrow aisle leads to the ground, and the stone steps descend one step at a time.

As you look down more and more, you can see the wide scene inside.

However, the huge space is indeed an ancient imperial tomb...Inside there are not only old stone horses, but also stone carving utensils and a coffin for burial.

It's just that those coffins have completely decayed, shattered to one side,

At this moment, I saw the sound of footsteps on the left.

Following the sound of the messy footsteps, three people suddenly appeared from the front aisle.

The leader is a woman in a black placket.

This woman was the servant girl of the master of the gate of hell.

Behind him followed two weird men on the left and the right.

The reason why these two men are weird is that they have a terrible pattern on their faces... this pattern is like a black bat.

Bats are a symbol of death in the West. It's hard to imagine why these two people have such a weird and ugly totem tattooed on their faces?

The only two pairs of eyes exposed were fierce and vicious.

Heaven and earth are evil.

These two people are the famous Tian Luo Di Sha in the gate of hell.

Two extreme characters.

At this moment, two people changed from left to right and followed the handmaid to the front place.

After arriving at the most empty room in the front that looked like a grotto, suddenly the maid said to the two people: "You go in... the master is waiting for you inside."

Following the maid's words, the two did not speak, but looked at the grotto in front of them with their fierce eyes, and then stepped into the inside.

Inside, but in the huge grotto, a man was standing motionless.

The position where he stood was very clever, just blocking the line of sight on his face, making it impossible to see exactly what he looked like.

But he can see his figure.

His figure is quite kingly style, and the first feeling he gives people is majesty and domineering...like in front of him, everything has to bow down.

He seems to be the master of the gate of hell.

Li Tian's biggest and biggest enemy.

After Rodisha came in that day, they saw their master.

"Subordinates participate in the master." The two men bowed to the ground at the same time.

The master of the gate of **** glanced at the two of them in the darkness and waved his hand slightly: "Get up."

The two heard what the master said, then stood up slightly, and said, "Thank you, master."

"give!"

As the sect master of the gate of **** suddenly said a word from his mouth, suddenly two electric objects shot from the air towards the sky.

That day, Rodisha stretched out his hand and quickly took it, and then he caught a white medicine porcelain bottle.

The moment he saw the porcelain bottle of medicine, Tian Luo Di Sha's eyes suddenly showed excitement and surprise.

It was as if the two white medicine porcelain bottles contained life-saving things.

In fact, the white medicine porcelain bottle is indeed filled with life-saving things...In the gates of hell, every master who was controlled at that time was poisoned by a kind of poison, the most painful kind that can make people die Poison, it will cause people to slowly fester from the heart...and then spread all over the body, and then finally the whole person will live and die because of the decay of the whole body.

The white medicine porcelain bottle currently contains the most powerful and domineering antidote to poison.

"Death Dan!"

Therefore, the two Tian Luo Di Sha after receiving the antidote will show such a excited look.

"Thank you, the master for the antidote..." After seeing the antidote, the two of Tianluo Disha knelt on the ground and said.

But the master of the gate of ***** took a look at them, and then said, "Do you know why I gave you the antidote?"

After the sect master of the gate of ***** suddenly said these words, the Tian Luo Di Sha in front of him was taken aback and said: "The subordinate is dull, and I hope the master will make it clear."

The master of the gate of ***** sneered in the darkness.

"Because I want you to pick someone up." The master of the ***** gate suddenly said in a faint voice.

Pick someone up?

Luo Disha was not only taken aback when he heard the master of the gate of ***** say so that day.

"Master, please say... as long as the master tells us brothers to do anything, we will do what we do."

After the master of the gate of ***** heard the two say this, a grinning smile appeared on the corner of his mouth.

"Ah, very good."

"I am going to let you go to the Devil's Cave to bring the old monster out of the mountain." The master of the ***** gate suddenly said there.

The magic cave? Old monster?

When these words were spoken from the master of the gate of hell, Luo Disha and two of them trembled violently that day, and at the same time, the strange faces of the two of them seemed to have heard death in an instant. Fear and fear.

It was a look of fear that had never happened before, as if the two had heard the death of hell.

"Devil...devil...devil cave...the old monster?" Tian Luo Disha trembled at the moment, and his eyes were filled with eyes that could not believe the doormaster who looked at the gate of ***** said.

Chapter 1322: worry

But seeing the master of the gate of **** looking at the two people in front of him, he suddenly smiled grimly: "What? You don't agree?"

"No...no... the subordinates don't dare." Luo Disha said with a pale face that day.

Hearing what the two said, the master of the **** gate suddenly smiled weirdly.

He suddenly looked up at the endless darkness and murmured: "That old thing has been imprisoned by me for more than 30 years... Back then, I asked him to deal with the evil god, but he refused... Maybe now we should let him Born..."

"Master...he...he...really still alive?" Tian Luo Di Sha said, as if looking at the door of **** with unbelievable eyes.

The master of the gate of **** suddenly smirked: "Of course I am alive."

"I have to visit him once every year... I want to see if his skill has improved... And now, as long as he is born, no one in the world can be his opponent except that person. , Even if the Cthulhu reincarnated, it was impossible to beat him."

The sky in front of him heard their master say so, completely stunned.

But the master of the gate of **** suddenly said: "And now, I want you to take my order and bring him out of the magic cave."

After the sect master of the gate of **** finished saying so, the two people in front of them were completely dumbfounded.

"Master...but...but... it is said that he is bloodthirsty and... and also eats people... the subordinates... the subordinates are afraid... afraid that he won't be invited out." Tian Luo Disha was suddenly scared there. Said.

Hearing the two people in front of him say so, the master of the gate of **** smiled slightly.

"Don't worry... after you two entered the cave, I told you to come, and he won't do anything to you."

"If it wasn't because I had hatred with that old monster, I would go by myself..."

"If he sees me, he will definitely not go out of the mountain... but if you go... hehe, he said he won't necessarily come out of the mountain."

"Also, don't forget to tell him that if he is willing to go out of the mountain, I will give him the antidote to the heartbreaking pill." The master of the gate of **** said slowly there.

The Tian Luo Di Sha in front of him was already completely stunned.

It seems that when they heard the old monster in the magic cave for the first time from their ears, their hearts were tense... scared.

The deep fear in the eyes of the two people enveloped their hearts.

"Master...but...but if he... refuses to leave the devil's cave, then we... what should we... do?" The Tian Luo Disha in front of him suddenly said to the **** gate master who was looking in front of him.

The master of the gate of **** suddenly turned around and sneered: "Then you don't come back to see me."

As the ***** gate master in front of him finished saying this sentence, his body suddenly turned, turned into a black shadow and then disappeared.

And where are the two of Tianluo Disha in front of you? In addition to fear and full of fear in their eyes, what else can they do.

At this moment, the two of them stood blankly in this empty grotto for a few minutes, before sighing heavily, and then leaving the grotto in front of them with their heads down.

"Really...Do you really want to go to the Devil's Cave?" Disha asked Tian Luo as the boss with a horrified face at the moment.

Tian Luo's face was extremely ugly, and he snorted, and said fiercely on his distorted face: "Isn't going to the Devil's Cave...what else can I do?"

"There may be a ray of life when we go... but if we don't go, the two of us will definitely die here." Luo said that day.

Disha listened to Tianluo's words, and thought for a moment: "But...but...the old monster in the magic cave is bloodthirsty...I'm afraid...I'm afraid he will eat you and my brother."

"Don't worry, that's just a rumor... Besides, you and I are going to invite him out of the mountain this time, it's not for him to do... I believe that even if he is cruel, he will not kill us both. "

Although he said so in his mouth, his eyes couldn't deceive himself, and his pupils were still full of fear.

Where is that magic cave?

Why did the master of the gate of ***** ask Tian Luo Di Sha in front of him to invite an old monster in the demon cave? So far no one knows.

Binjiang City.

The headquarters of the North China Field Army.

A lot of things have happened here since Li Tian and the others left the North China Field Military Region for more than a month.

Many mundane things are not easy to come together.

But Chen Qiaozhi, Old Monster Ge, and Situ Ningbing still stayed safely in the barracks of the North China Field Military District.

As for Li Tian and the brothers who are going to the Dark City, they don't know a bit of information right now. There is no other way except worry in their hearts, they can only wait and wait quietly.

Inside the barracks, but I saw that Chen Qiaozhi was sitting quietly on the side, with a pair of gold glasses slung on his white face, holding a book in his hand and watching, while Old Monster Ge was in a lazy posture. Lying there and sleeping.

But seeing Old Monster Ge who had been asleep for a while, he suddenly sat up with a flutter, then raised his eyes and looked at Chen Qiaozhi in front of him: "Sick ghost...you? Interesting?"

Chen Qiaozhi, who was focusing on reading, heard the old monster Ge say so, slightly put down the book in his hand, and then gently held the eye socket on the bridge of his nose with his hand, and

looked at the old monster Ge in front of him and said, "Old monster, What do you think I should do?"

Hearing Chen Qiaozhi's question, Old Monster Nage snorted: "Anyway, doing something else is more interesting than holding a broken book."

Old Monster Ge said boredly while lying back on the bed beside him.

Looking at Old Monster Ge in front of him, Chen Qiaozhi smiled slightly, and then he really gently put down the book in his hand.

"I don't know what happened to Li Tian and the others... Hey." After putting down the book in his hand, Chen Qiaozhi suddenly sighed and said.

After hearing about Li Tian and the others, Old Monster Ge suddenly turned over and sat up.

"Yes, there is no news for so many days... To be honest, I am also a little worried about them." Old Monster Ge said.

Chen Qiaozhi frowned and thought for a while and said: "Now we can only pray..."

"Pray for a fart!" Old Monster Ge said irritably.

Chen Qiaozhi glanced at the old Ge in front of him and said, "Then what do you think?"

Old Monster Ge snorted for a long time, and after all he didn't say a great way, so he suddenly lay down on the bed again, and roared, "I'm sleeping..."

Chapter 1323: The jealous Duanmu Ying

Old Monster Na Ge said he would sleep as soon as he slept, and don't lie down on the bed in front of him.

Chen Qiaozhi shook his head helplessly, and then took the book in his hand and looked at it slightly.

After watching for a while, Chen Qiaozhi suddenly seemed to think of something, and suddenly raised his head, and slightly supported the golden glasses on the eye sockets. He looked at the old Ge who was lying on the bed and said strangely: "Ge Lao... ...Miss Duanmu are still making trouble?"

When Chen Qiaozhi suddenly said this, the old monster Ge turned slightly on the bed, turned his head and said, "Of course..."

"Originally, there were enough women, but now another woman is added for no apparent reason...Who knows what to do in the future."

Hearing what Old Monster Ge said, the corner of Chen Qiaozhi's mouth smiled slightly.

"However, I think it's quite interesting."

"By the way, do you know the new girl named Feifei?" Chen Qiaozhi suddenly asked again.

Old Monster Na Ge frowned and said, "What do I know about other girls...it's strange."

Chen Qiaozhi also felt that the question he asked was a bit stupid, so he thought about it and said, "Hey, I hope Li Tian won't have a headache when he comes back."

"It is said that there are three women in one drama. Now this is really three women." Chen Qiao said as he continued to read the book in his hand.

Since Li Tian left the North China Field Military Region, Duanmuying and Situ Ningbing have each lived in the military camp of the North China Field Military Region.

The old commander Namu is not in the military camp because of something going on in the Central Military Region, so he has gone to the center for a meeting.

Now Duanmuying, Situ Ningbing, and Vernacular now in the North China Field Military District have received extremely good treatment.

Then Li Tian's aunt Mu Yaoshui came to talk to them and chat when she was okay.

But in Duanmuying's room, at this moment Duanmuying's two white hands are holding her exquisite chin. Her dress is very ordinary. The lower body is a pair of light blue slender jeans, which perfectly shows her plump curves. Coming out, the two tight, thin legs are full of wireless temptation. The upper body is matched with a pink shirt. A dark and cool hair is draped over the soft shoulders. At the moment, he is sitting there in a daze. Know what she is thinking at the moment.

Suddenly the sound of soft footsteps came from one side.

When I looked closely, I saw a girl with a round face, little girl ring.

But seeing Xiaohuan holding a plate in his hand at the moment, with the freshly washed fruit on the plate, he brought it from the side.

"Miss... eat some fruit." Xiaohuan whispered to Duan Muying, and slowly placed a plate of fruit in his hand on the side of Duan Muiyng.

Duanmuying was in a daze with her two slender white arms squeezing her exquisite chin. She didn't know if she heard the sound of the ring, and she remained in a daze without responding.

"Miss." Xiaohuan suddenly shouted softly when seeing Duanmuying who was in a daze.

In the voice of Xiaohuan's shout, that Duan Kiyng suddenly woke up.

He blinked and looked at the small ring in front of his beautiful dark eyes; "What's the matter?"

"Miss... I want you to eat some fruit." Xiaohuan said while standing.

Duanki Ying glanced at the freshly cleaned fruit beside her, she was taken aback for a moment, and then said, "Oh, well, let's put it here first... I don't really want to eat it now."

After speaking, the little ring didn't say anything. After putting down the fruit in his hand, he started to clean up the room.

As soon as Xiaohuan turned around, she saw that Duankiyng suddenly turned that exquisite face, and looked at Xiaohuan: "Xiaohuan... come here, let me ask something."

After Duanmuying said this, the little girl walked over in a puzzled manner, blinking her eyes and looking at Duanmuying and said, "Miss, what's the matter?"

Duanmuying thought for a while, then looked at Xiaohuan and asked, "Xiaohuan, that girl named Tang Feifei... where did she come from? And when did he and Li Tian meet? what?"

Don Feifei?

Could it be...

After Duanmu Ying asked in front of her, Xiaohuan was slightly stunned.

"This...I don't know about this..."

"But I heard them say...it seems that the beauty named Tang Feifei came from Kyoto, and seems to have known Li Tian early." Xiaohuan said with blinking eyes.

Hearing the small ring in front of her say so, that Duan Kiyong frowned slightly, and whispered there, "Could it be earlier than I knew Li Tian?"

"Strange, why didn't I hear Li Tian talk about a girl named Tang Feifei when I was in Kyoto." Duanmuying muttered there.

Of course she wouldn't know when Li Tian and Tang Feifei first met, because when Tang Feifei and Li Tian met, Li Tian hadn't started contacting Duan Muying.

After thinking about it, Duanmuying at this meeting suddenly said: "Xiaohuan, have you noticed that the girl named Tang Feifei cares about Li Tian?"

Listening to Duanmuying suddenly jealous of saying this, the little ring in front of her smiled: "Hey, it's a bit."

"The girl named Tang Feifei obviously came all the way to find Li Tian." Xiaohuan said there.

Listening to the little ring in front of him, that Tang Feifei's red mouth was pouting...One hand was pinching the corner of his clothes fiercely.

"Miss...Are you jealous?" Xiaohuan said suddenly, looking at Duanmu Ying who was pouting her red mouth.

Duanmu Yingliu stretched her eyebrows, turned her body and said, "Huh, I don't have one."

"I don't know how to eat that little bastard's jealousy... He will be with whomever he loves to be with, regardless of my business." Duanmuying turned around and said sourly.

Sometimes most of the words of women are ironic, and Duanmuying is like that now.

Although Xiaohuan was not very smart, she could still hear the sour words in her own lady's words. She held back a smile and said, "Miss, don't worry."

"I don't think Li Tian is too carefree... and I feel that the girl named Tang Feifei came to Li Tian for something." Xiaohuan said to the lady who comforted her.

But what about Duanki Ying? She couldn't help but snorted coldly.

"What can a woman do to find a man? I guess it's for love."

"That little **** was in trouble before, who knows how many women there are outside him."

Duanmuying in front of her spoke more and more angry. Suddenly she stood up, screaming as if she was crazy, "I'm so angry...I'm so angry..."

Chapter 1324: She is coming

"When he comes back, I must take care of him." Duanmuying said angrily.

That Xiaohuan was looking at her eldest lady and did not dare to speak too much.

"Xiaohuan, where is the girl named Tang Feifei now?" Duanmuying suddenly stared at Xiaohuan in front of her with willow brows.

Xiaohuan was startled, blinking his big round eyes, looking at Duanmu Ying in front of him.

"Miss... Are you going to find that Miss Tang?" Xiaohuan looked at Duanmuying in surprise and asked.

Duanmuying nodded: "Well, I'll go find her."

"Miss, I'm afraid it's not so good... You don't want to give that Miss Tang..." Xiaohuan was worried at the moment.

She knew her own lady's stinky temper. When she was not pleasing to the eye, she could say anything. She was afraid that her lady would quarrel with others if she saw Tang Feifei.

"What's not so good... I just went to meet her, it's okay... Isn't she allowed to let me see?" Duanmuying said arrogantly.

Then he glared at the little ring in front of him: "You little girl thinks me too evil in her heart... Am I that kind of person?"

When her own lady said this, the little ring was speechless and stopped talking.

Xiaohuan looked at her eldest lady, there was really no way she could do it, so she told Duanmuying in front of her where Tang Feifei was.

After hearing the address, Duanmuying walked towards the place where Tang Feifei was temporarily staying without saying a word.

Don Feifei?

Could it be the girl who had a connection with Li Tian first? Is the Tang family's eldest lady?

Yes, since Tang Feifei came back from the United States, she has been looking for Li Tian.

After staying with her best friend for a few days, she left Kyoto City, and then flew to Binjiang City in front of her, and then she found the North China Field Military Command alone.

Before Li Tian was famous for saving his grandfather, he was seen by Tang Feifei in the newspaper, and Tang Feifei came here for this.

At present, Tang Feifei has been in the North China Field Military Region for almost a month, but it is a pity that she came too unfortunately. When she arrived, Li Tian and his brothers just set off to the dark city.

By all odds, she could only stay in the North China Field Military District waiting for Li Tian.

Originally, the North China Field Military Region did not allow outsiders to enter the barracks. Unfortunately, after Tang Feifei revealed her purpose and the connection between him and Li Tian before, then Mu Yaoshui agreed to let Tang Feifei come in, and even deliberately Arranged a place for her.

It's just that after Tang Feifei arrived alone at the North China Field Military Region in front of him, she seemed a little more withdrawn.

Because not many people here are familiar with her, and she only knew Li Tian, so even though she had been in the North China Field Military Region for more than a month, she still seemed very strange and withdrawn.

Tang Feifei now lives on the leftmost floor of the North China Field Military District.

The third room on the second floor above is Don Feifei's.

The room is extremely comfortable, I saw a beautiful figure sitting at a white computer desk in the exquisite room.

There was a silver laptop in front of her, as if she was going online.

Wearing a light black waist pinching suit, she looks very slender, and her slightly intellectually beautiful pair of black glasses slung on the straight bridge of the nose makes her look more mature.

Tang Feifei really changed completely from a few years ago.

I think that savage eldest lady, has now become an intellectual beauty.

She is sitting next to the computer and chatting with a girl.

After so many days of boring waiting, Tang Feifei rarely went out, because she was not very familiar with the people here, so the only companion was the Internet, only her former good friends.

And the glamorous girl across from the video chat with her is her best friend, Su Ke.

But in the video, the glamorous girl Su Ke looked at Tang Feifei with her slender eyes and asked, "Feifei, what's going on there? Hasn't the person named Li Tian seen yet? "

After the voice came from the computer, a bitter smile appeared at the corner of Tang Feifei's mouth, and then she nodded slightly and said, "Not yet..."

Su Ke over there seemed a little unfair for Feifei, and said, "Feifei, are you still going to wait there? The one named Li Tian is really...Where did you go?"

Following Su Ke's words, Tang Feifei said: "Actually I don't know where he went..."

"But I think he must have something important to do first."

"Feifei, don't speak for that person... That person abandoned you for no reason a few years ago... Just left like this, it's really heartless, if I were you, I wouldn't look for him again if I was killed. "Su Ke said over the video.

Tang Feifei here suddenly smiled bitterly, without speaking.

As if no one could know her heart.

"Feifei, how do you live with that North China Field Army? How are the people over there treating you?" Su Ke asked.

From Kyoto City to Binjiang City, it takes 34 hours even by plane, which is a long distance. Now that Don Feifei is alone, Su Ke, who is a sister, is naturally very concerned.

After Su Ke asked this, I only heard Tang Feifei say: "I'm pretty good here..."

"The people here treat me nicely," she said.

Su Ke in the video said, "That's fine."

"If you have suffered a little bit of grievance over there, then come back quickly... Hmph, we won't beg others like this, right?"

Listening to Su Ke's words, Tang Feifei laughed.

"Don't worry, everything is fine for me here."

"Oh, all right."

"Su Ke, then I won't tell you, I'm a little tired... I want to take a break." Tang Feifei said in front of the computer.

Su Ke in the video heard Tang Feifei say this, nodded and said: "Okay, then you can take a good rest, let's talk later."

Tang Feifei said goodbye, and then turned off the computer.

After turning off the computer, Tang Feifei gently rubbed her temples with two slender hands, and then sat there alone in a daze...

At this moment, the door ding dong suddenly rang.

Tang Feifei was taken aback, glanced at the door, then stood up and walked over.

He stretched out his hand and opened the door in front of him.

After opening the door, she saw the beautiful Duanmuying standing at the door of the room, blinking her beautiful eyes and looking at Tang Feifei in front of her.

Chapter 1325: provocative

The moment Tang Feifei in front of her suddenly saw Duanmuying, her pretty face suddenly changed.

Then he said with a slightly awkward smile at the corner of his mouth: "Miss Duanmu, hello." The words were quite polite.

Of course, Tang Feifei knew this Duan Muying, not only knew Duan Muying, but also knew in her heart that she had a deep relationship with Li Tian. To put it bluntly, it was Li Tian's woman.

But Tang Feifei knows this, and also knows that besides the extremely beautiful Duanmu Ying in front of him, Li Tian also has a woman...The woman's name is Situ Ningbing, and she is also extremely beautiful, compared to the Duanmu in front of her. Sakura can be said to be even more moving.

So at this moment, when Tang Feifei suddenly saw Duanmuying approaching her, she still kept a very polite attitude and smiled.

But what about Duanmu Sakura in front of me? After hearing what Tang Feifei said in front of her, she also put a smile on her face, and looked at Tang Feifei in front of her and said: "Miss Tang, can I chat with you for a while?"

While talking, he raised those beautiful eyes and blinked at Tang Feifei in front of him.

Tang Feifei suddenly heard this Duan Muying say this, although she was very puzzled, because she has been in the North China Field Army for more than a month, and she has never had anything to do with Duan Muying and Li Tiansuo before. How did you get in touch with people you know? Now this Duanmuying suddenly came to chat with herself, what was it?

Although Tang Feifei thought so in her heart, she still smiled and said, "Yes..."

"Miss Duanmu, please come in."

After speaking, she politely asked Duanki Ying to come in.

After Duanmuying walked in, she took the first look at Tang Feifei's comfortable room. The whole room is not very big, but it is extremely delicate. The leaves in the room are full of a faint fragrance. To be honest, it is the first impression. Full of warmth and comfort.

After Duanmuying walked in, Tang Feifei politely asked Duanmuying to sit down, and then she went to the side to bring tea and Duanmuying poured it slightly.

After pouring the tea, Tang Feifei smiled and sat down.

"Miss Duanmu...what's the matter?" Tang Feifei smiled and said as she looked at Duanmu Ying in front of her.

Duanmuying raised her beautiful eyes and carefully looked at Tang Feifei in front of her. She was slender and slender, with a delicate melon seed face, which indeed looked beautiful and moving.

When Tang Feifei saw that Duanmuying was looking at herself without blinking at the moment, she not only smiled slightly in embarrassment, but also called out: "Miss Duanmu?"

At this time, Duan Muying realized that she was a little gaffe, and quickly said: "Oh... it's okay, it's okay... I just want to come over and chat with Miss Tang."

Tang Feifei smiled slightly: "Miss Duanmu, you don't need to call me Miss Tang... just call me Feifei."

That Duanmuying was originally a bold personality. Hearing Feifei say this, she said, "Okay, then don't call me Miss Duanmu...just call me Duanmuying."

"OK.,"

"What do you do?" Duanmuying, who just listened to the moment, suddenly looked at Tang Feifei and asked curiously.

The current Tang Feifei is indeed completely different from the previous Tang Feifei. The former Tang Feifei in front of Li Tian can be said to be a savage, willful and strange-tempered eldest lady, and Tang Feifei, who has been abroad a few years after he went abroad, is suddenly suddenly Changed.

Become more feminine, and more beautiful and moving.

Especially her dress and clothes, every bit reveals a moving look.

To be honest, Duanmuying, who has always liked to be jealous, had already given birth to 10,000 jealousy in her heart when she saw Tang Feifei who was moving in front of her.

After hearing Duanmuying asked what she was doing, Tang Feifei said there: "I used to do costume design in the United States."

After hearing Tang Feifei say this, Duanmuying suddenly screamed, and she couldn't help thinking in her heart, no wonder this Feifei is so good at matching clothes and dressed so beautifully. It turns out that she is a costume designer.

After thinking about it, Duanmuying suddenly blinked her beautiful eyes and looked at Tang Feifei and asked, "You just said you work in the United States, didn't you?"

Tang Feifei nodded, and said, "Yes."

"Then why did you return home suddenly? Isn't it good to work there?" Duanmuying suddenly asked again.

After Duanmuying asked, Tang Feifei looked a little embarrassed... After that smile, she slowly shook her head.

"Do not."

"Actually, I came back from the United States this time... because..." Tang Feifei didn't tell her purpose directly. She just raised her beautiful eyes and looked into the distance. There were waves in her beautiful eyes. A pitiful feeling of resentment.

"Is it because of Li Tian?" Duan Muying suddenly spoke out of her mouth. When she said that, her beautiful eyes opened wide, staring at Tang Feifei in front of her without blinking.

Tang Feifei didn't expect that Duanmuying in front of him would say it all at once, and suddenly the delicate melon seed face with black glasses slung blushed slightly.

"It's not all because of him..." Tang Feifei said embarrassingly.

Of course, Duan Muying knew that Tang Feifei's words were perfunctory words. Hearing Tang Feifei's words, she smiled slightly and said, "Actually, there is nothing you say..."

"You came back from the United States all the way to find Li Tian... This is normal." Duanmuying said with a smile.

But Tang Feifei became more and more embarrassed.

"Do you like Li Tian's right?" Duanmuying suddenly asked straightforwardly.

After Duanmuying asked so suddenly, Tang Feifei suddenly stood up.

He said: "No..."

"I and him are just friends..." Tang Feifei turned around and said.

The corner of Mu Ying's mouth smiled: "Really?"

"If you like him, there is nothing to say." Duanmuying continued.

Tang Feifei suddenly said: "I said, I and him are just simple friends...not what you think."

Facing Tang Feifei's sudden loud speaking, Duan Muying thought for a while, and said: "Well, since you don't admit it, then treat it as I didn't say it..."

"I just want to tell you... No matter how you met Li Tian before, and no matter what friendship you have between the two... But what I want to tell you now is that Li Tian already has a woman next to him." Duanmu Sakura said there.

Listening to Duanmuying's words, Tang Feifei suddenly felt cold.

She had already seen that there was a woman beside Li Tian... But she still had concerns and slight extravagant hopes in her heart, so she came to look for Li Tian

Chapter 1326: quarrel

But now when she heard Duanmuying in front of her speak so provocatively in front of her, Tang Feifei finally couldn't help the anger in her heart.

Don't forget, no one dared to provoke the daughter before.

"Miss Duanmu, I don't like to listen to you... Is there any woman in Li Tian that has anything to do with me? What do you mean by saying such words in front of me?" Tang Feifei was very angry in front of me. That said.

But seeing Duanmuying in front of her did sneer: "It doesn't mean anything... I don't have to say what I mean too clearly. Sometimes, some people just know it."

"I only hope that some people will not play some kind of unreliable role and influence others."

"Whether there is a woman in Li Tian has nothing to do with me... Besides, this time I came to him, and it has nothing to do with his woman... If anyone wants to stop me because of this, huh, that's impossible. of."

Listening to Tang Feifei's anger suddenly saying this, Duanmuying also stood up suddenly.

"Then you are really going to wait for him here all the time?" Duanmuying asked.

Tang Feifei said coldly: "So what?"

"As his friend, can't I wait for him?"

"No." Duanmuying suddenly became angry.

"You know that Li Tian already has a woman now, and you have to hook up with someone... You, your cheeks are too thick." Duanmuying said fiercely in her mouth. This stubborn girl, whoever To provoke her, she can say anything. Furthermore, she was originally the daughter of the Duanmu family, and her thoughts have been particularly vicious since she was a child. As long as she is fond of things, it is generally difficult to share with others.

"How did I hook him? I just want to see him, what's wrong?" Tang Feifei said there, almost mad.

Duanmuying said: "Are you a girl who came here so far away is just a friendship? Do you think I'm stupid?"

"Thick-skinned is thick-skinned..." Duanmuying said again.

"You slander me?"

"Yes, so what." Duanmu Ying said angrily.

Listening to Duanmuying suddenly said that she had a thick-skinned face, it was the first time that Tang Feifei was so slandered by others, and she was immediately angry.

"I'm telling you, no matter how thick-skinned I am, I won't slander me like you... Just now you said that Li Tian already has a woman... I'm afraid that even if he has a woman, his woman won't be you. ..."

"I met Li Tian very early, and I also know a lot about him... A person like your Miss Duanmu may not necessarily be someone Li Tian likes. As far as I know, there is another Sister, she is very beautiful, and she is definitely not like you... I think even if Li Tian has someone she likes, it should be her." Tang Feifei said with a sneer.

Duanmuying's Way of Nature is what Tang Feifei is talking about: the beautiful Situ Ningbing.

Duanmuying was jealous of Li Tian's feelings for Situ Ningbing in a certain sense, but at this moment she suddenly heard Tang Feifei say this, and she almost jumped with anger.

"what did you say?"

"Do you dare to say that I am not worthy of Li Tian?" Duanmuying put her hands in her waist and said angrily, a pair of apricot eyes seemed to sparkle.

Then Tang Feifei sneered and said: "It's good if you don't know it in your heart... Anyway, I didn't say it.

"You..." Duanmuying almost collapsed when she met her opponent for the first time.

"Dare you say that to me?"

Tang Feifei stood in front of her and said confidently: "I just said...what's wrong?"

"You shameless..."

"You are shameless..."

...

The two women quarreled fiercely in the room like this.

The soldiers stationed outside the North China Field Military Region not only frowned slightly when they heard the quarrels from upstairs.

When Tang Feifei quarreled with Duan Muying, Chen Qiaozhi and Old Monster Ge were still in the room. They didn't know what was going on outside.

Chen Qiaozhi, who was reading, suddenly heard the sound of running fast from outside, and then raised his eyes to see Wang Zhen, the brigade commander of the 38th Army, hurried in.

After walking in, he shouted: "Mr. Chen... quarreled."

When he suddenly heard the words of Brigadier Wang in front of him, one of Chen Qiao put down the book he was holding, stood up quickly, looked at Brigadier Wang Zhen in front of him, and asked, "Brigadier Wang, why? What's the fight?"

Old Monster Ge, who was lying beautifully asleep on the bed, immediately got up from the bed with a thump after hearing Wang Zhen say this, and looked at Wang Zhendao with his bright eyes and said, "What's the situation? "

But seeing Wang Zhen's face depressed at this moment, he said to Chen Qiaozhi: "Hey, the two women quarreled."

"what?"

"Who is it?" Chen Qiaozhi asked quickly.

"One is Miss Duanmu...The other is Miss Tang who came to Li Tian a month ago." Wang Zhen said there.

Listening to what Wang Zhen said, Chen Qiaozhi and Old Monster Ge were both stunned.

Then he looked at Brigadier Wang Zhen in front of him and asked, "What? They quarreled... Why did they quarrel suddenly? Why?"

Wang Zhen said, "Why else? It must be Li Tian..."

"I heard from my subordinates that they have been arguing for almost half an hour... and their anger has not subsided at all." Wang Zhen said there.

Listening to what Wang Zhen said, Chen Qiaozhi and Old Monster Ge were speechless.

But seeing Old Monster Ge said there, "Hey, I said that there are too many women, and there will definitely be trouble...Look, I was right, now the trouble is coming..."

Chen Qiaozhi said to the old monster Ge who gave a blank look in front of him: "You old monster, don't add fuel to the fire..."

After Chen Qiaozhi said this, he quickly turned his head to look at Wang Zhendao in front of him and said, "Brigadier Wang, what about now? Are they two still arguing now?"

"Yes, that's why I hurried over to tell you... I want you to go over and persuade them."

Hearing to persuade that Duan Muying and Tang Feifei, the old monster Ge suddenly waved his hands and said: "Previously declare that this kind of thing my old man will not be mixed up... I will not be mixed up to kill me."

As he talked, he grumbled and rolled over to one side of the bed.

And here, Chen Qiaozhi didn't even look at the old monster Ge. He looked at Wang Zhendao in front of him and said, "Brigadier Wang, please lead the way... I will go and see what's going on."

Chapter 1327: Situ Ningbing came

After Brigadier Wang Zhen said "OK" in his mouth, he hurriedly took Chen Qiaozhi in front of him to the place where Tang Feifei and Duanmuying quarreled.

On the way, I saw that one of Chen Qiao was following Brigadier Wang Zhen and asked, "Brigadier Wang, are they arguing fiercely?"

Wang Zhen turned his head and smiled and said, "I heard my subordinates say it's pretty fierce..."

"Chen, how many women are Li Tian out there?" Wang Zhen suddenly looked at Chen Qiaozhi with a smile and said.

Chen Qiaozhi laughed awkwardly twice and said, "Actually, I really don't know..."

"Hey...this relationship between men and women is so troublesome sometimes."

As they were talking, they quickly walked towards the quarrel.

When Chen Qiaozhi and Wang Zhen knew about Duanmuying and Tang Feifei's quarrel, of course the girl Xiaohuan of Duanmuying had also heard about it.

"Miss... Miss really went to quarrel with Miss Tang?"

"Broken... not good this time."

After hearing the information, the girl Xiaohuan wanted to rush to the scene to organize her home immediately... But she was halfway there, and thought she should go find Situ Ningbing.

After all, when she sometimes persuaded Duanmuying based on her identity, Duanmuying would not listen at all.

After thinking about it this way, Xiaohuan hurried to find Situ Ningbing, who lives in the west of the North China Field Army.

The glamorous Situ Ningbing seldom goes out for so many days and always stays alone in the room.

Do not go out, do not talk, and rarely communicate with others.

Her character was originally extremely cold, coupled with her former killer career, so she became even more withdrawn after Li Tian left.

But the room where I saw her was very monotonous and deserted, giving people a cold state.

The quilts, mattresses, and beds are neatly stacked, and everything is very well-arranged, while the glamorous Situ Ningbing is still wearing her tight black leather jacket, and then sits on the side.

Her black hair hung down to cover her glamorous and proud face, and her deadly weapon was held in her hands as white as jade onion: deadly silk,

This cold and suffocating life-threatening silk was bright in her hand, and she was raising a pair of cold eyes and staring at the weapon in her hand.

"Miss Situ...Miss Situ..."

While Situ Ningbing was looking at the weapon in his hand, he suddenly heard a hurried shout outside.

Situ Ning rolled her icy eyes, then quickly put away the weapon in her hand, and then walked towards the door of the room. As soon as she opened the door, she saw the little girl with a panic and anxious expression.

"Xiaohuan, what's the matter?" Situ Ningbing couldn't help asking when she saw the flustered expression on Xiaohuan's face.

After she asked, she just listened to the little ring, slapped her chest and quickly said, "Miss Situ...you go and persuade our lady..."

After hearing what Xiaohuan said, Situ Ningbing was slightly startled.

Said: "What's wrong? What happened to your lady?"

Xiaohuan said: "Our young lady... quarreled with... and that Miss Tang..."

"what?"

When she heard the girl Xiaohuan in front of her say so, Situ Ningbing was suddenly depressed.

Then he made a secret: What happened? Why can Duanmuying quarrel with the girl named Tang?

"What the **** is going on? Why did Duanmuying quarrel with that girl named Tang?" Situ Ningbing asked.

So Xiaohuan said, "It should be... it should be because of Li Tian."

"Li Tian?" Situ Ningbing was slightly startled when he heard the name of his lover.

Then the little ring told Situ Ningbing who was in front of him all the things that happened today. After listening to the little ring, Situ Ningbing fell silent for a while without saying much.

Looking at Situ Ningbing, Xiaohuan did not dare to speak too much.

After a pause, Situ Ningbing suddenly said there, "Go, let's see the situation..."

After hearing that Situ Ningbing promised to dissuade her own lady, Xiaohuan immediately became happy.

"it is good."

As he said, he quickly took Situ Ningbing in front of him and walked towards the place where Tang Feifei lived.

When they arrived, they saw that there were already a lot of soldiers around here, and most of those soldiers were talking about where they were.

And in the front place, I just saw Chen Qiaozhi and Brigadier Wang Zhen standing outside with a speechless expression, and the front place was Tang Feifei's room, but the door was tightly closed at this time. It seems that no one can get in... You can still hear Duanmuying's noise from inside.

After Situ Ningbing and the little ring walked, Chen Qiaozhi and Wang Zhen saw them at a glance.

Came over quickly at this moment.

"Miss Situ...you are here too." Chen Qiaozhi said while looking at Situ Ningbing.

Situ Ningbing gave a gentle benevolence and looked at the room in front of him and said, "What's the matter? Are they still arguing inside?"

Chen Qiaozhi nodded depressedly and said, "Yes, it's so noisy... I just wanted to go in and persuade them... It's a pity that people were blasted out before they got to the side... I didn't dare to dissuade them anymore... ..If I want to dissuade me again, I'm afraid the two of them can eat me."

Listening to what Chen Qiaozhi said, Situ Ningbing thought for a while: "Let me see the situation."

"Well, that's fine."

With that said, Situ Ningbing quickly walked towards the floor of Tang Feifei's room.

When she first arrived at the door, she heard Duanmuying's roaring voice: "The surnamed Tang...you better leave here quickly..."

"Hmph, don't think you know Li Tian early... what will happen? I tell you, Li Tian won't like you..."

"Why are you letting me go? This is not your home... Besides, I came to Li Tian as a friend... What's wrong? You jealous and jealous woman... Who is okay to provoke you? "

"It's you who provoke me! I think you are uncomfortable." Duanmuying roared.

Tang Feifei over there did not show weakness, "If you let me go, I won't go... I'm so angry with you! I want to find Li Tian, what do you think you do to me?"

...

Listening to these words, Situ Ningbing was suddenly depressed outside.

And the girl Xiaohuan beside her looked at the room in front of her with a pale face.

After Situ Ningbing walked to the door of the room, he wanted to go in, but after pushing the door, he realized that the door was locked from inside.

So Situ Ningbing shouted there, "Duanmuying...open the door, I'm Situ Ningbing..."

Chapter 1328

"Miss...Miss...Open the door soon..." Xiaohuan also shouted outside.

But who is going to open the door for the two people arguing there? Of course they won't open it, and they can still hear their loud noises at this moment.

Seeing that the door in front of him could not be opened, Situ Ningbing was suddenly angry.

Suddenly lifting his palm, he slammed toward the door of the room in front of him.

There was a bang, but the locked door was suddenly shaken by Situ Ningbing's palm.

The moment the door shook open with a click, the arguing stopped inside.

But seeing that Duan Muying in the room is now with her hands on her hips, blushing and panting with her neck thick, and Don Feifei on one side is standing there without showing any weakness... It's just that the eyes of two people will bet everything. On the body of that Situ Ningbing, both of them looked at the cold Situ Ningbing at the moment with surprised eyes.

And the girl Xiaohuan on one side also whispered: "Miss..."

Just after Situ Ningbing entered the room in front of her, she first glanced coldly at the two people in front of her, and then said fiercely, "Have you two troubled enough? Don't you feel ashamed?"

"Do you think this is your home? This is the North China Field Military District... There are tens of thousands of troops watching and laughing at you... Don't you feel ashamed at all?"

Situ Ningbing was still very good. When a few cold words came out of her mouth, Duan Muying and Tang Feifei were speechless at once, and neither of them was talking.

"I know you are all women who have walked with Li Tian... But you can't argue here anymore. What do you look like here?"

"I don't know what Li Tian thinks or what you guys think...but I only know that as a woman, you should have something you hold back! If you don't feel embarrassed enough, continue to quarrel here. ...Just keep making trouble here."

Situ Ningbing's words were like a bomb that fell between the two women.

At this time, Duan MUYING and Tang Feifei didn't speak anymore, as if they were all shocked by Situ Ningbing in front of them.

Duanmuying and Tang Feifei were all in embarrassment after hearing Situ Ningbing's words at the moment, not knowing what to do.

At this moment, the girl Xiaohuan hurriedly walked over very cleverly, and said to the end of Mu Ying: "Miss... let's go..."

At this moment, Duankiying was a little bit unable to get off the stage. When she heard her little girl say this, she said in a casual way: "Okay, just go... Hmph, I don't know anything like that."

As she said, she quickly followed the small ring in front of her and left the room in front of her.

And what about Don Feifei? At this moment, Duanmuying, who was watching her arrogantly leave, was so angry that her tears rolled in her eyes, as if she was about to cry.

Situ Ningbing glanced at Tang Feifei, who was now in tears, and said, "Miss Tang... are you okay?"

Tang Feifei suddenly turned her delicate body, choked in her voice and said, "I'm fine."

Situ Ningbing glanced at the weak Tang Feifei, then didn't say anything too much, and said: "Since it's okay, then I won't disturb you...you can rest well."

As Situ Ningbing said so, she turned and left the room in front of her.

And what about Don Feifei? After Situ Ningbing left, tears were suddenly aggrieved.

Outside, after watching Situ Ningbing walk in, after less than five minutes he persuaded two quarreling fierce like tigresses away, not only did they admire Situ Ningbing.

Even Wang Zhen, the brigade commander of the 38th Brigade, said, "Look... or Miss Situ has deterrent power!"

On the other side, Chen Qiaozhi smiled slightly: "Of course, this is Li Tian's favorite person."

"Of course they dare not provoke anyone... and she used to be a killer."

After hearing what Chen Qiaozhi said, the brigade commander Wang Zhen on the side nodded and said, "It is indeed very temperamental and very deterrent."

After Situ Ningbing's arrival, Tang Feifei and Duanmuying finally stopped making a farce.

The two of them now were sulking. The savage Duanmuying was bulging with anger... and Tang Feifei couldn't help crying with anger.

Originally, she needed a lot of courage to find Li Tian by plane from Kyoto City. When she saw a strange woman and brother beside Li Tian, she felt even more chilled...because she knew that she might It really changed... Then Li Tian might also change, even forgetting himself.

But she still couldn't let go of the silly concerns, trying to see Li Tian.

So she has always stayed in the North China Field Army, and even rarely went out. She was afraid that she would be embarrassed to see Li Tian's current brothers, and was afraid that she would not know what she said, but what she didn't think was that the girl named Duanmuying actually I came to myself all at once, and obviously came with a huge jar of vinegar.

Tang Feifei, who had been tolerant, couldn't bear it anymore, and finally got into a big quarrel with Duan Muying...

Now she is alone on the bed and weeping.

Tang Feifei, who doesn't have a family by his side, is pitiful here... At this moment, she is lying there and weeping silly.

Finally I don't know how long it has been. Maybe it was because of tiredness from crying, maybe because there were no tears...Tang Feifei stood up stubbornly from the bed, and then wiped her red and swollen eyes with her hand.

Then he walked to the side of the computer and slowly turned on the computer.

After turning on the computer, she quickly went to her friend, Su Ke.

When he saw msn Su Ke online, Tang Feifei immediately bounced the video in front of him.

Su Ke over there happened to be online, so he connected the video.

After switching on the video, I saw that the beautiful Su Ke was doing a mask on his face, looking at the video and saying, "My dear, do you miss me?"

Su Ke joked at the end of the video.

Tang Feifei's voice here also slightly choked and said, "Su Ke...I will return to Kyoto City tomorrow, so please pick me up at that time."

Su Ke, who was doing the mask on the other side of the video and not looking at the computer, was taken aback after hearing Tang Feifei say this, she heard something wrong with Tang Feifei, and now she saw that Tang Feifei was red and swollen from the video. Meimu quickly asked, "Feifei, what's the matter?"

Chapter 1329: Bros

"Why are you crying? What happened?"

Tang Feifei resisted the tears in her eyes and said, "I...I'm fine..."

"I just want to tell you that I will fly home tomorrow and go back to Kyoto."

Su Ke felt more and more wrong. This Feifei had obviously cried, and at this moment, even her eyes were swollen, and she suddenly said, "Feifei, tell me, what happened?"

"Did someone bully you...Is that guy named Li Tian? Did he bully you?" Su Ke, the good sister over there, said in the opposite video with an unfair attitude. ,

Feifei in front of her hand wiped the tears from the corners of her beautiful eyes, bit her red lips and said, "I'm fine... don't worry about me."

"Fei Fei, you mean? Who on earth is bullying you, tell me?" Just listen to Su Ke yelling on the video, as if she wanted to leave and came here to fight for Feifei.

Tang Feifei said: "It's really nothing...I just quarreled with someone...I feel uncomfortable."

"Who? Who can I fight with?" Su Ke asked.

"A woman who likes to be jealous." Feifei said.

"what?"

"A woman? Did you tell me about the woman next to Li Tian...what is Duanmu...and another named Situ?" Su Ke said.

Tang Feifei didn't speak, and the tears in her beautiful eyes flowed out of her eye sockets like broken pearls.

Su Ke saw that Tang Feifei did not speak in front of him, and almost knew that he might have guessed it, so he hurriedly said to her good sister, "Feifei...Is that woman bullying you?" Why bully you? What qualifications does she have?"

"Fei Fei, we are not afraid of her... If it is impossible, I will fly over by plane tonight... I still don't believe it, I dare to bully my good sister." Su Ke said angrily over there.

Tang Feifei here quickly said: "Don't!"

"She didn't bully me... It's just... It's just... She doesn't like me a bit." Tang Feifei said.

"That's not called bullying?"

"Damn it, **** it!"

"Why are women now like this..."

"Feifei, come back...you will come back tomorrow."

"For such a man, it is too worthless to be bullied by a woman... Feifei, you will fly back tomorrow." Su Ke said to Tang Feifei over there.

Tang Feifei is indeed a little uncomfortable here... So she was also there at the moment and said to the computer: "Well, rest assured, I will fly back tomorrow."

"Yes, come back."

"What **** Li Tian...what women...all go to hell... Feifei, you are so beautiful and so good. Finding a man 10,000 times better than the name of Li is... I really don't believe it. That's it." Su Ke said for his good sister there.

Tang Feifei actually couldn't bear it inside.

Because she really made a lot of determination to find Li Tian this time, but she did not expect that she had been waiting for Li Tian for more than a month. So far there is no news about Li Tian, so now Feifei Some despair...

Besides, today, after she had a big quarrel with Duanmuying, even if she didn't want to leave, she would not be able to do it, because she really felt that she was a little out of place here, and there was no one she knew.

After making this decision, she said to Su Kedao in the video on the computer: "Su Ke, I will book the plane ticket tonight...Then I will go back tomorrow, and you will pick me up at the airport."

Su Ke heard that his good sister was finally coming back, so he almost jumped up on the computer side with excitement, smiled and said, "Okay..."

"Fei Fei, after you come back this time, we two can go crazy again...what **** Li Tian...what **** love...all go to hell, haha." Su Ke is very unreserved in the video Laughed out loud.

Feifei here also showed a slight smile on her face.

The Dark City thing is over.

Li Tian and his seriously injured brothers quickly left the Dark City.

This time, Li Tian didn't get any benefit in the dark city... not only was he unable to ask about the final whereabouts of the gate of hell... but the brothers encountered dangerous things in the dark city again and again, and they all died. And die.

But now, even if Duguxie is alive or dead is still unknown.

Leaving the Dark City, Li Tian and the others spent three days and nights crossing the desert.

Fortunately, they brought enough water to drink and food, otherwise Li Tian and the others would have to be trapped alive in the desert.

And along the way, the brothers can be said to take turns carrying the Duguxie who doesn't know whether it is life or death.

Duguxie has completely lost his breath... the only thing there is is the faint beating sound of his heart, and even sometimes, even the beating sound of the heart slowly becomes very weak.

And along the way, the brothers also took turns to take care of the unconscious Duguxie. Everyone walked with the Duguxie behind his back and then exchanged.

After the brothers struggled all the way out of the boundless desert in front of them, they finally took a sigh of relief and found a dilapidated small hotel. The brothers stayed in the hotel and took a good rest.

In the past few days, although the brothers' injuries have not fully recovered, they are generally better.

Now one by one lying quietly in the run-down small hotel.

Li Tian arranged the Duguxie who was in a coma like death in a room, and then brought a basin of water and gently wiped the face of Duguxie before he started drinking and taking a bath by himself.

After so many days of running, to be honest, Li Tian has always been mentally exhausted. It is of course the best thing to find a place to rest safely.

This hotel is a middle-aged couple and they are all pretty good.

This hotel is also the only hotel in this town. Now the brothers stayed in this hotel one by one to rest.

Li Tian didn't take a break directly. After arranging the Duguxie, he then walked outside.

While outside, he found the little boss in that hotel.

"Hello, can you do me a favor?" Li Tian said after he walked out, looking at the middle-aged man who opened the hotel.

The man looked at Li Tiandao with a loyal and honest appearance and said, "What is busy?"

"I would like to ask you to help me find a doctor who can see a doctor in the town... I have a brother who is seriously injured now, so I want to trouble you." Li Tiandao,

It is not clear whether Duguxie is dead or fire, and seeing that his face is getting ugly day by day, as if he is dead, Li Tian has no choice but to find a doctor here.

After the loyal hotel owner heard Li Tian say this, he said, "Okay..."

"There is a doctor Liu in front of our town, I'll call him now." The boss who said that would go to the doctor with the surname Liu.

After Li Tian looked at the kind hotel owner and said thank you, he quickly returned to Duguxie's room.

When Li Tian came back, he saw the ghost servant also in the room.

The ghost servant looked worried, and looked at the faint Duguxie before him.

At that moment, he muttered: "Second brother...you must hold on...you must..."

Li Tian walked over slowly, patted the ghost servant on the shoulder and said, "Don't worry, he will be fine."

Chapter 1330: Still alive

The ghost servant looked at the Duguxie who was in a coma like death, and his mouth moved, but in the end he didn't know what to say.

He shares brotherhood with Dugu Xie, brotherhood is more important than his own life, and now that Dugu Xie's injury is so serious, he is of course extremely worried.

"I have dragged people to find the doctor in this town just now...When the doctor comes, let's let him see him." Li Tian said there again.

The ghost servant nodded suddenly.

"Ok."

"I hope my second brother will get better soon."

As they said so, they waited in the room, waiting for the doctor in the town.

The loyal owner of the small hotel found the doctor in the town in less than twenty minutes.

It was an old man who appeared to be in his 50s, wearing a gray ruffled suit, a backpack on his shoulder, and a pair of dim glasses and walked into the hotel in front of him.

Li Tian and the ghost servant were in the place at the moment. Hearing the loyal boss shouting outside, Li Tianyi said in a daze, "Here, it should be the doctor."

"I gonna go see."

As Li Tian said this, he quickly walked out of the room in front of him.

After walking out of the room in front of him, he saw the loyal hotel owner and the doctor in front of him.

The loyal owner of the hotel saw Li Tian come out at this time, so he introduced there and said: "This is Doctor Liu in our town..."

Li Tian glanced at this older Doctor Liu, and said, "Hello."

Doctor Liu said in blunt Mandarin: "Hello..."

Then he looked at Li Tian in front of him and asked, "Who should I see a doctor?" Doctor Liu asked and said there.

Li Tian then said, "Give me a brother...He is right inside."

"Well, take me to have a look." Then Doctor Liu said,

Following Doctor Liu's words, Li Tian hurriedly led Doctor Liu to the room.

After opening the room, Doctor Liu walked in, and when he saw a man wearing a grimace mask standing motionless, he was shocked.

"This is...what..." he exclaimed in fear.

It turned out that the old doctor said in shock when he saw the ghost servant's face in that room.

But seeing the ghost servant slowly turning his head there, Sen Han's eyes coldly glanced at the old doctor in front of him.

Then Li Tian hurriedly said, "This is my brother..."

After the old doctor slightly held the spectacle frame on the bridge of his nose with his hand, he realized that the guy wearing the grimace mask was indeed a human being. He sighed slightly, adjusted his mind, and then Dare to walk in step by step.

"Doctor, show me him...what's going on with him?" Li Tian said while pointing at the Dugu Xie who was lying on the hospital bed.

At this moment, the old doctor glanced at Duguxie who was lying on the hospital bed... Duguxie's face was as gray as death, and the whole face was lying there motionless like a dead body.

Looking at the face of Duguxie, the old doctor in front of him frowned secretly, but he slowly bent down, and then probed Duguxie's nose with his hands.

"Out of breath?"

"He is dead."

The old doctor called out all at once.

After the old doctor suddenly said that Duguxie had died, Li Tian was suddenly shocked.

And the ghost servant wearing the grimace mask over there suddenly seemed crazy at the moment, and suddenly his body flashed in front of the old doctor: "What are you talking about? Do you dare to say that my second brother is dead?"

The ghost servant roared with a hand and suddenly grabbed the old doctor's neck.

That old doctor is an ordinary person, how can he withstand the ghost servant in front of him?

At this moment, the whole person was almost pinched to death by the ghost servant, his eyes seemed to be bulged out... the whole face began to turn purple.

"Ghost servant, stop... let go of him." When he saw the ghost servant rashly and furiously over there, Li Tian suddenly roared there.

Hearing the voice of his own young master, the painful ghost servant suddenly released his hand in front of him.

As for the old doctor, after the ghost servant released his hand, he squatted on the ground and coughed... and was still breathing uncontrollably.

Li Tian quickly walked over to help the old doctor.

"How are you? Are you okay...?"

After the old doctor gasped violently for a while, he slowly recovered his calmness, then raised his pale face and looked at the ghost servant there in fear, and said to Li Tiandao: "I...I It's okay..."

"Doctor, I want you to take a closer look at my badly injured brother... He is not dead! He can't die." Li Tian said insistently. Although his heart is also very painful at this moment, he still Keep talking there.

The doctor frowned and glanced at Li Tian timidly, and said, "But...but...he hasn't breathed anymore."

Li Tiandao: "I know this... Although my brother is not breathing now, he still has a heartbeat... If you don't believe it, you can listen to it yourself."

When Li Tian actually said that Duguxie still had a heartbeat, the old doctor in front of him was still quite surprised.

"He still has a heartbeat?" the old doctor asked in surprise.

Li Tian said quickly: "Yes."

The old doctor of this meeting took another look at the dead gray Duguxie, and then took out a heart test from the medicine box slung on his shoulder.

Then carefully put the measuring device on the chest of Duguxie, and put the other end in the ear of the old doctor.

The old doctor then began to quietly listen to that Duguxie's heartbeat.

indeed!

There was indeed a faint beating sound from Duguxie's heart. After the old doctor in front of him heard the movement all of a sudden, his eyes were a little shocked, with some expressions that could not be believed.

The heart tester in his ears opened his eyes and said, "There is a heartbeat... there is really a heartbeat, he is not dead."

When the old doctor in front of him suddenly said that Duguxie was indeed okay, Li Tian and the ghost servant in front of him became excited at the same time.

But seeing Li Tian hurriedly said there: "The doctor, may I ask, what should I do if my brother is currently in such a serious injury?"

The doctor glanced at Duguxie, frowned slightly and said, "His body is indeed very weak... and his injuries are serious... Hey, there is no injury like him in our small town. The way... you have to go to the big hospital."
