

A Killer 134

Chapter 134: Important

"The little girl is not ashamed, how much can you give us?" The fat guy said with a smile. ,

"My father is the boss of the Tang company. I can give you as much money as you want, as long as you let us go." Feifei said in front of him.

When Feifei suddenly heard that she was the daughter of the CEO of the Tang company in Kyoto, the fat man's face was slightly startled.

"Are you the eldest of the Tang company?" The fat guy stared at Tang Feifei and said.

Then a pair of dishonest eyeballs looked at Tang Feifei, and it could be judged from her brand name that this girl didn't seem to be lying.

Feifei quickly nodded: "Yes."

"So you'd better let me go quickly. I'll give you money. If you don't let me go and let my father know that you arrested me, I can guarantee that he will let you die." Feifei scared them.

The fat guy really knew the influence of the Tang family in Kyoto, and also knew that the Tang family was very rich in Kyoto.

But he still smiled evilly.

"Damn, I didn't think I had caught the Tang family's daughter!" As he said, he suddenly laughed.

When Feifei over there heard the fat pig laugh, her face instantly turned pale.

"You...you... don't you let us go?"

"Let it go? Girl, you are too naive!"

"I admit that your Tang family is awesome, but in my fat man's eyes it's a fart! I don't love your Tang family." The fat man suddenly said viciously.

"Even if you are the eldest lady of the Tang family, I arrested today."

Feifei over there heard the wicked say so, she was immediately frustrated and stayed there desperately.

Xia Xue next to him gritted her teeth and stared at the fat man: "You bastard, why do you want to catch us?"

"Why? Who made you know someone you shouldn't know." The fat man smiled grimly.

"What do you mean?" Xia Xue asked without understanding.

She originally thought that this fat guy was coveting her beauty for catching herself, but after catching Feifei, she felt that something was wrong. It seemed that it was not because of herself. Now that the fat guy said that, she was even more puzzled. .

"Tell you, I arrested you all because of that **** named Li." The fat man said harshly.

"Li Tian?"

Feifei and Xia Xue screamed at the same time, but didn't expect that the fat guy's target was Li Tian!

"Yes, because of that **** bastard."

"Fuck, I don't even make money by punching with Lao Tzu, and I dare to follow others. How can I mess around in the nine districts if I don't clean up him?" The fat man in front of me said angrily.

Now Xia Xue and Feifei suddenly understood what happened.

"Let go of me, you rascal, rascal, scumbag." Xia Xue cursed.

The fat guy heard the curse and waved his hand to a man next to him, and then a guy next to him walked towards Xia Xue and Feifei unkindly.

"What are you doing... Get out... Get out..."

In the exclamation of Xia Xue and Feifei, the man took two pieces of cloth and stuffed it into Feifei and Xia Xue's mouth.

Suddenly, Xia Xue and Feifei couldn't speak, they could only whimper.

With a bang, the fat man closed the door of Feifei and Xia Xue, and the two poor women were locked in the dark room.

Outside, but the man with a hooked nose answered a call.

The voice nodded respectfully on the phone.

After hanging up, he turned his head and walked towards the fat man.

"Mr. Duanmu called, and he told you that these two women will be handed over to you first, but don't do it yet, because Mr. Duanmu has big business to be busy now." The man with a hooked nose said coldly.

The fat man in front of him was slightly startled.

"A big deal? What a big deal? Is there something bigger than dealing with that **** named Li?" The fat man said angrily.

The man with a hook nose suddenly raised his cold face and looked at the fat man in front of him. The fat man couldn't help feeling a coldness from deep in his heart, and quickly took a step back.

"I'll tell you again, Mr. Duanmu has big things to do now, you'd better close your mouth, and don't ask if you shouldn't ask." The cold words of the man with a hooked nose made the fat guy feel a bit terror.

The muscles on the fat man's face were stiff, and he smiled awkwardly: "Yes, yes."

The man with a hooked nose turned around: "I'll leave it to you here. Take good care of the two women. After Mr. Duanmu is done with the big things, I will deal with this little thing."

After speaking, Ying Hook nose said to the other three men beside him: "You stay here with him, I want to go back."

The three men behind him nodded slowly, and then the eagle-nosed man walked outside.

After Li Tian and Shen Feng took a taxi, they quickly arrived at the Vienna Hotel.

Without saying a word, the two went straight upstairs to look for Duanmu Lei.

Now a blood filled the hearts of the two people, they were still angry.

With anger, they asked the waiter at the front desk. The waiter didn't tell them the secrets of the guests. However, due to Li Tian's threat, they had no choice but to tell the residence of Duan Mu Lei, which turned out to be true. Live in VIP room 3607.

After quickly getting on the elevator, the two quickly pressed the button on the 36th floor.

As the elevator slowly rises, Shen Feng next to Li Tian looks at Li Tian: "It looks like we are going to do a big job this time."

Li Tian clenched his fist and nodded silently.

"Be careful when you wait, the people around Duan Mu Lei are not easy."

Shen Feng hummed.

With a dingdong, as the elevator quickly reached the 36th floor, Li Tian and Shen Feng slowly walked out of the elevator.

After coming out, a pair of eyes carefully looked at the corridors on both sides.

Empty and no one.

Li Tian motioned to Shen Feng to look at the house numbers on both sides.

"Here." Shen Feng said, pointing to the front.

Li Tian followed silently.

The two quickly reached the door of 3607 in front of them with contemptuous steps.

The door of 3607 was tightly closed, and Shen Feng and Li Tianyi were leaning against the wall left and right.

Li Tianxian pressed his ear to the door and listened quietly, but unfortunately there was no sound from inside.

So the two began to act.

With a bang, I saw Shen Feng kick open the door of 3607 in front of him, and rushed in quickly like a hungry wolf predating, and Li Tian also leaped in quickly.
