

A Killer 1341

Chapter 1341: came back

"At present, it seems that the goal of the sect master of that **** gate has already begun to shift, transferred to that Long Yin." Ouyang Longyan stood there and said.

The ecstasy in front of him said: "It should be."

"It's just that I never thought that the master of the gate of **** would invite the old monsters out of the magic cave." Ouyang Longyan said in a slight shock.

"No matter what, Li Tian and his people are in a dangerous stage."

"One is the extremely treacherous Long Yin, and the other is the master of the gate of hell." Ecstasy said.

"Then what should we do?" Ouyang Longyan looked at the ecstasy in front of him.

"Go back, back to Binhai City...Still guarding Li Tian's side, it's best to tell him the news that the old monster in the Demon Cave is about to be born immediately, so that he can prepare a little in advance." Ecstasy said there.

After the ecstasy in front of him said so, Ouyang Longyan nodded quickly, and then the two of them didn't even look at a few corpses in the desert, and then they straightened up and swept extremely fast towards the far place. go with.

"Li Tian is coming back..."

"Li Tian will be back soon."

At this moment, everyone in the North China Field Military Region knew that Li Tian was coming back.

Except for the soldiers in the army, anyone who knew Li Tian and his relatives were all excited.

Situ Ningbing was still talking to Tang Feifei in the room, but at this moment, he suddenly heard the news that Li Tian was coming back.

Then he bounced off his seat.

"Li Tian is back? Really?" She said unbelievably.

And where is Don Feifei in front of her? At the moment, I am completely confused...

Li Tian...

Li Tian really came back?

"Miss Tang...you better stay one more day, Li Tian is back." At this moment, Situ Ningbing suddenly turned her beautiful eyes and said to Tang Feifei, who was looking in front of him with excitement.

Tang Feifei's heart was beating too, but there was a slight embarrassment on her face, she lowered her head and did not speak any more.

Situ Ningbing glanced at Tang Feifei in front of him and said, "Anyway, he will be back soon...Miss Tang, you must think about it then."

"To miss and not to miss is only between one thought."

Following Situ Ningbing's words, she suddenly turned around and ran away quickly.

She was excited.

After so many days of waiting, so many days of yearning, and now finally hearing the news that Li Tian is coming back, Situ Ningbing was of course extremely excited.

When Situ Ningbing ran out quickly, Tang Feifei sat in the middle of the room alone, thinking about her thoughts.

Before seeing Li Tian, Tang Feifei was so eager to see him, but now? When she finally heard the news that Li Tian was about to return, her heart suddenly became timid, a kind of fear, because she was afraid of disappointment... fear of despair.

So now she stayed in the room ambivalently, looking at the suitcase in front of her with beautiful eyes... sat there stupidly.

After Situ Ningbing ran out quickly, she saw Fairy Baihua and Duanmuying and others talking in front.

After Situ Ningbing walked over, the Baihua Fairy saw Situ Ningbing at this moment.

"Ningbing, you are here." Fairy Baihua said hello when she saw Situ Ningbing there.

Situ Ningbing showed a slight smile and called out softly, "Auntie Hua."

"Li Tian is coming back soon... I heard that Chen Qiaozhi and Old Monster Ge have gone to pick up Li Tian." Fairy Baihua said with a smile.

"Oh, isn't it?" Although Situ Ningbing was agitated in his heart, there was an indifferent expression on his face.

"Yes,."

"Chen Qiaozhi and Old Monster Ge are no longer in the barracks... They must have gone to meet them together."

"Hey, it's been a long time since I saw Tian'er... I don't know if he has lost weight... Has he suffered?" Fairy Baihua said with a sigh.

Fairy Baihua had always loved Li Tian since he was a child. From the time he was just born, Fairy Baihua almost held that Li Tian every day...It can be said that she was half a mother, so of course she was extremely worried about Li Tian.

"Go, let's go to the 38th Army Command and wait for them."

The fairy Baihua who was talking took the Duan Muying and Situ Ningbing quickly towards the headquarters of the 38th Group Army.

After they all arrived at the 38th Army, they waited for Li Tian and Chen Qiaozhi on the empty training ground.

Everyone has a look of expectation in their eyes.

Suddenly at this time, the roar of a helicopter came from the far sky.

As the roar of the helicopter came, they saw two helicopters flying directly from the distant sky appearing in their eyes.

"They're back, they're back..." The girl Xiaohuan beside Duanmu Ying said excitedly.

Duanmuying, Situ Ningbing, Fairy Baihua and others all looked at the two helicopters on the sky with happy eyes.

The helicopter has begun to descend slowly...

As the huge propeller turned quickly like a flying car, two helicopters fell from the sky.

Landed on the mighty and empty training ground.

After the two helicopters landed all at once, Duanmuying, Situ Ningbing and Fairy Baihua hurriedly ran towards the rotating helicopter.

At this time, you could also see the door of the cabin opened with a bang.

At the moment of opening, I saw the brothers jumping off the helicopter one by one.

The person who jumped first was Chen Qiaozhi, followed by Tang Xiaolong...A Qiu...Ghost servant...

They really came back.

When Li Tian's figure appeared at the gate of the cabin, the hearts of the several girls all throbbed together.

One by one looked at the thin and dark Li Tian with admiring eyes.

"Li Tian..."

"Tian'er..." A shout came out from the mouths of Duanmuying and Baihua Fairy in front of them.

Then I saw them running towards this side.

Li Tian, who had been away from the North China Field Military Region for so long, immediately jumped in his heart when he saw them he loved.

"Tian'er, you are finally back." It was Fairy Baihua who ran over first, and then hugged Li Tian in her soft arms as if she had seen her closest person.

Li Tian seemed to be a child who would never grow up in Fairy Baihua's eyes.

Chapter 1342: Hate of Baihua Fairy

Li Tian also hugged the Fairy Baihua tightly in front of him. In his eyes, this was like a close relative.

The Baihua Fairy hugged Li Tian for a long time before letting go of Li Tian in distress. He looked at Li Tian's dark face and said, "Tian'er, you are thinner... you are a lot darker."

"Did you suffer a lot of suffering along the way?" Baihua Fairy asked there.

Li Tian smiled slightly and shook his head: "Auntie Hua, I'm fine."

"Hey, silly boy."

Duanmuying and Situ Ningbing, who were still excited just now, didn't know what to say after seeing Li Tian, so they stood and looked at him.

Li Tian also looked at them affectionately, but since the brothers were all present, he was not embarrassed to say anything, just looking at his lover deeply there.

"San Jie." Suddenly the ghost servant walked towards Baihua Fairy.

When the Baihua Fairy saw the ghost servant coming over, not only a smile appeared on her beautiful face.

"Fourth brother, you have worked hard to protect Tian'er along the way..." Fairy Baihua said there.

Then her pair of beautiful eyes suddenly frowned, and then she began to look at the whole audience.

"Huh, where's the second brother?" Baihua Fairy asked suddenly there.

She glanced at the people present, only the Duguxie was missing, so she couldn't help asking curiously.

After Baihua Fairy suddenly asked such a question, the ghost servant suddenly bowed his head in grief.

How clever the Baihua Fairy was, when she saw the ghost servant suddenly showing such a sad expression, her heart suddenly slammed.

"Fourth brother...Second brother? Did something happen to the second brother?" Baihua Fairy suddenly grabbed the ghost servant in front of him by the shoulder and said.

How could she not care about the sibling relationship between Duguxie and the ghost servant in front of her for so many years?

After Baihua Fairy asked in surprise, the ghost servant said helplessly: "Second brother is seriously injured and fainted..."

"what?"

"Second brother was seriously injured?"

"He is there?" Fairy Baihua asked quickly there.

The ghost servant in front of him quickly pointed to the helicopter cabin and said, "Second brother is inside."

As soon as she said it, she saw Fairy Baihua exclaimed: "Second brother..." He ran to the cabin quickly.

But in the cabin, Duguxie's face had turned dead gray... His whole body was cold, just like a dead body.

Fairy Baihua was so scared that he almost fainted when he saw that Duguxie was like a dead body.

Holding Duguxie's only hand there quickly shouted: "Second brother...Second brother..."

But that Duguxie couldn't hear a word, and he seemed to be completely dead.

"San Jie..."

"Second brother is okay... he is only temporarily in a coma... nothing will happen." The ghost servant persuaded Baihua Fairy before him.

And here Li Tian quickly said: "Xiaolong, Aqiu, take him to the hospital in the military region... quickly."

After Xiaolong and Aqiu heard Li Tian's instructions, they hurried over to lift the cold body of Duguxie...toward the military area hospital.

Several soldiers over there led the way... and led them to the military area hospital of the North China Field Military Region.

Li Tian and his brothers did not care about the joy of the charge, nor did they care about the love of their children. At this moment, they all followed the personnel of that unit and ran towards the general hospital of the North China Field Military Region.

Brigadier Wang Zhen and Opteron opened the way ahead.

When I arrived at the military area hospital, I only heard Wang Zhen shouting, "Where is the doctor..."

"Look for a doctor... there are patients..."

When Brigadier Wang Zhen yelled at the exit, a few nurses in white coats rushed out from the military area, and they came here quickly with a clothes stretcher.

"Let the patient lie on this bed..." the nurses said.

So Tang Xiaolong and A Qiu hurriedly put Duguxie's cold body on the stretcher cart in front of them, and then pushed the stretcher cart to quickly ran toward the military hospital.

Li Tian and his brothers followed closely behind him.

At this moment, there were four or five doctors in white coats waiting for the patients in the emergency room in front of them. When Du Guxie was quickly pushed in, the doctor went into the emergency room in front of him.

Then I saw the door of the emergency room closed tightly with a bang.

"I'm sorry...you wait here first..." The nurse stopped Li Tian and his brothers outside the emergency room.

Although Li Tian and his brothers were extremely worried about the safety of the Duguxie, they still had to listen to the words of the nurse...so they could only wait anxiously on the alley in the corridor.

"How did the second brother get hurt?"

"What happened to the second brother? Who hurt the second brother?" Suddenly Baihua Fairy over there grabbed the ghost servant beside her and asked.

Her beautiful eyes were full of murderous intent at this moment, looking at the ghost servant.

The ghost servant then opened his mouth and said, "We are in trouble in the Dark City..."

As the ghost servant said, he explained all the things about the dark city to one hundred fifty one.

When he said it, the brothers in front of him all bowed their heads sadly, and the Baihua Fairy and the Situ Ningbing around them were all shocked.

They never expected that the trip to the Dark City would be so dangerous and brutal.

Li Tian and his brothers almost died in the evil dark city.

At this moment, after listening to them, everyone was stunned.

"All dead?"

"Could it be that the man named Long Yin did everything?" Baihua Fairy looked at the ghost servant incredulously.

The ghost servant nodded sadly.

"The second brother was to save us in the end...that Long Yin beat him like this." Ghost servant said.

After hearing what the ghost servant said, the fairy Baihua was both angry and shocked.

She didn't expect that even her second brother would lose... the famous Duguxie was defeated.

Since she was with Duguxie, she has rarely seen Duguxie really defeated... let alone a one-to-one battle...

This time Duguxie was defeated even when he used the Demon Sword Art. One can imagine how abnormal the strength of that Long Yin is, so the Baihua Fairy of this society was not only stunned.

"I must kill Long Yin... to avenge my second brother." Fairy Baihua said angrily there.

The ghost servant next to that said: "San Jie, don't be impulsive..."

"Second brother will be fine...Second brother will definitely survive this time.,"

Hearing what the ghost servant said, the angry Baihua Fairy could only endure the pain and hatred in his heart and waited there.

Chapter 1343: Take care of Li Tian

Fairy Baihua finally calmed down.

When Situ Ningbing and Duan Muying on one side heard the ghost servant talk about the horrible journey of the dark city, they all felt sweaty in their hearts.

They didn't expect that this dark city would be so dangerous and so scared.

Fortunately, Li Tian returned safely and stood in front of them safely.

In addition to caring about Li Tian, they couldn't talk more in their hearts.

After all, Duguxie's life or death is uncertain now.

Li Tian and his brothers were sitting in the corridor waiting anxiously.

The red light in the emergency room inside is still on, and no one knows what is going on inside, let alone whether Duguxie is dead? Still alive?

"My God, you just came back... why don't you go to rest first."

Fairy Baihua could see that Li Tian and the tiredness on the faces of his brothers said distressedly.

On the way, Li Tian and his brothers slept peacefully? Moreover, on this road, Li Tian used his own body to continuously consume the true energy to support Duguxie's body...Otherwise, it is estimated that Duguxie would have no heartbeat long ago, and Li Tian's body is soft now. But he was still holding on.

Because he really didn't worry about that Duguxie.

After hearing Fairy Baihua said so caringly, Li Tian shook his head and said: "Auntie Hua, I'm fine...I'm not sleepy."

"Xiaolong, Aqiu...and you, go and rest first." Li Tian said while looking at Tang Xiaolong and the others.

But how could the brothers rest?

At the moment, they all shook their heads and said, "Brother, we are not sleepy."

"Listen to me... and rest!" Li Tian said suddenly and seriously.

How could brothers not be sleepy?

They didn't sleep well almost every day along the way, and at the moment they were all supporting them like Li Tian.

"Big brother, if we rest... what do you do?" Xue Wuhen said as he looked at Li Tiandao caringly.

After Xue Wuhen spoke, the Baihua Fairy and Situ Ningbing cast their gazes on the stranger, because they had never seen Xue Wuhen before.

But seeing Li Tiandao at this moment said: "You go to rest first... I will naturally go later."

"Brigade Commander Wang, please arrange for my brothers to take a rest first, okay?" Li Tian said strongly to Brigadier Wang Zhen over there at the moment.

Brigadier Wang Zhen said, "Okay."

"I'll let my people arrange the room." Wang Zhen said, strode out.

After Li Tian insisted on letting the brothers go to rest, although the brothers were unwilling in their hearts, they couldn't go against Li Tian's will after all, so they nodded there one by one, and then all followed Brigadier Wang Zhen and went out.

At the moment, only Chen Qiaozhi, Old Monster Ge, Baihua Fairy, Situ Ningbing and Duanmuying were in the corridor, while the rest of Tang Xiaolong, Aqiu, Ghost Servant, and Xue Wuhen were taken to rest.

"Li Tian, aren't you tired?" Chen Qiaozhi looked at Li Tian with concern and asked.

Li Tian shook his head: "I'm fine..."

"Or, you should go to rest too...Senior Dugu, we can take care of it here." Then Chen Qiaozhi said again.

Li Tian smiled slightly and said, "No need."

"I'll be sleepy later, so I will naturally go to rest."

After Li Tian stubbornly wanted to stay here, the brothers couldn't say too much.

And now they stayed in the corridor and waited.

The red light in the emergency room was still on, and no one knew how long it would take the doctors to get out.

Outside, but seeing that Li Tian was indeed a little unsupported.

After so many days of no rest, his body has already begun to be overdrawn to the limit, plus he had already injected the extremely strong energy for the seriously injured and dying Duguxie along the way, so this will insist on sitting there. , But the whole body still couldn't help shaking slightly.

When seeing Li Tian like this, the Baihua Fairy finally said: "Tian'er, you must go to rest..."

Li Tian still wanted to be stubborn, but Situ Ningbing on one side suddenly came over.

Looking at him affectionately: "You should go to rest quickly..."

"I know you are worried about him, but your own body also needs to be taken care of... You can't even break down by then."

Seeing what his favorite Situ Ningbing said, Li Tian felt a warm feeling in his heart.

"Yeah, you see that your eye circles are so dark, like a panda, you don't have to rest yet..."

Duanmuying suddenly walked up and said Jiao.

Listening to their words, Li Tian felt so comfortable.

Finally, Li Tian said, "Okay...then I will rest."

"Auntie Hua, Qiao Zhi, I'll leave it to you..." Li Tian exhorted.

Chen Qiaozhi and Fairy Baihua nodded there.

Then Li Tian walked towards the outside step by step to rest.

"Ningbing, Duanmu, you two will take care of Li Tian..." Fairy Baihua said, looking at the two women there.

Duanmuying hi yo Situ Ningbing, when she heard the fairy Baihua in front of her say so, her pretty face blushed immediately.

"He is so old... don't take care of it." Duanmuying pretended to say in a low voice.

Situ Ningbing also stood there slightly embarrassed.

"Silly girl, hurry up... There is Auntie Hua here and I can be watched by myself... Tian'er has been suffering for such a long time, suffering... This time I finally came back, you two quickly take care of him Right." Fairy Baihua said there.

After listening to Fairy Baihua saying this, Duanmuying slightly raised her beautiful eyes and looked at Situ Ningbing in front of her.

Situ Ningbing said, "Well, Aunt Hua, then we will take care of Li Tian first."

"Well, go." The Baihua Fairy said with a smile.

So Situ Ningbing in front of her walked out with Duanmuying in front of her.

Li Tian really needs to take care of him. He hadn't noticed any weird feelings in his body before, but when he came back to relax, his whole body felt sore and weak, as if he could be pushed down as soon as he was pushed.

Li Tian, who was walking towards the front, suddenly heard a shout from behind.

"Li Tian..."

Li Tian turned his head to look, and then saw Situ Ningbing and Duanmuying walking towards him. He looked at the two women with a smile.

"We will take you to rest." The two who said they walked towards Li Tian.

Li Tian nodded there, looking at the two women.

Situ Ningbing and Duanmuying walked beside Li Tian from left to right. Both of them were obviously embarrassed and didn't say anything, but what about Li Tian himself? I don't know what to say to the two women at once...

But just walking there.

Chapter 1344: Fight

While Li Tian was walking side by side with the two women, he did not see a pair of beautiful eyes in a corner looking at them sadly. .

Her beautiful eyes were filled with crystal tears, watching this scene painfully,

No one knew her heartache, let alone saw a sad person in this corner watching.

In the end, after her beautiful eyes looked affectionately at the current Li Tian, she disappeared into that corner.

And what about Li Tian here? She was still following Situ Ningbing in front of her and Duanmu Ying in front of her walking towards the place where she lived.

Wang Zhen arranged a good house for Li Tian. After Li Tian arrived in the room, Situ Ningbing slowly spread the quilt on the bed like a wife, then pointed to the bed in front of him and said, "Li God, you should rest first."

"Duanmu, let's not disturb her first." After listening to that Situ Ningbing said to the side Duanmuying.

Duanmuying nodded at this moment and said, "Okay."

"Then you have a good rest... Let's go first."

Duanmuying and Situ Ningbing in front of her walked outside.

Li Tian originally wanted to say something to the two beloved women, but when the words came to his lips, he felt a little embarrassed, so he forced the words into his stomach.

Finally watching the two women leave, Li Tian lay on the bed in front of him warmly and began to rest.

But when he suddenly lay down, he suddenly thought of a girl's name.

"Feifei?"

"By the way, listen to Chen Qiaozhi, Tang Feifei is here? Why didn't you see her today?" Li Tian suddenly thought this in his mind, and suddenly sat up from the bed.

Then she was stunned for a while thinking about Don Feifei in her heart.

Feifei had been hiding in the deepest part of his memory for a long time...but what was unexpected was that Feifei came suddenly this time.

All the memories of the past appeared in Li Tian's mind.

He also wanted to see the daughter of that year... At the same time, he also wanted to ask how she had been all these years?

After thinking about it, Li Tian got up from the bed.

He was going to find that Don Feifei.

After standing up, Li Tian opened the door, and the sun outside was very dazzling... His head was a little confused, so many days of work day and night, but his physical strength was overwhelming.

Glancing at the dazzling sun, Li Tian only felt his head dizzy and almost fainted on the ground.

After this terrible situation appeared, Li Tian quickly shook his head, and then tried to make himself sober!

But his head was dizzy, and even his eyes began to dizzy... He knew in his heart that his physical strength was about to be unsupported.

After Li Tian was like this, he was going to find Tang Feifei and was delayed again.

After returning to the room, Li Tian hurriedly washed his face with clean water, and then told himself... to sleep first... After sleeping, he would visit Na Feifei again.

Just take a break, and see Feifei later, there should be nothing wrong with it.

In the end, Li Tian couldn't bear the limit of his body, so he could only slowly lie down on the bed and start to rest.

He thought to himself, he shouldn't go to see Tang Feifei now, and it wouldn't be too late to see her when his body is a little better... But even though he knows this way, what is the truth?

By the way, after Situ Ningbing and Duan Muying left Li Tian's room in front of them, on the way, the two beautiful women didn't speak much, as if they were all there thinking about their own affairs.

In the end, it was the Duan Kiyong who broke the silence before her eyes.

Suddenly, Situ Ningbing, who was looking in front of him, said, "What do you think of that woman named Tang Feifei?"

After suddenly hearing what Duanmuying in front of him said suddenly, Situ Ningbing slowly turned his head and glanced at Duanmuying.

"What do you mean?"

"I mean...Does the woman surnamed Tang still plan to stay in the North China Field Military District?" Duanmuying said.

Situ Ningbing said: "If people stay here or stay here, it seems to have nothing to do with us..."

Listening to Situ Ningbing's sudden words, Duanmu Yingliu frowned.

"Don't you care at all?" Duan Muying asked when she suddenly looked at that Situ Ningbing.

Situ Ningbing smiled suddenly and said, "What do you care about?"

"Don't pretend... Can't you see that the girl surnamed Tang likes Li Tian? You are not jealous at all? Not jealous at all?" Duanmuying looked at Situ Ningbing strangely.

Situ Ningbing smiled slightly when she heard Duanmuying suddenly say this.

"Duanmuying, you must always remember one sentence, it should be yours, it will always be yours... it shouldn't be yours, even if you grab it, you will never get it..."

After Situ Ningbing finished speaking all of a sudden, Duanmu Ying's whole body burst into flames.

"Situ Ningbing, what do you mean?"

"You mean I seem to be robbing Duanmuying with her?" Duanmuying stared.

Situ Ningbing took a look at her and said, "I know what I mean...you just need to know it in your heart."

"Also, I personally think that Miss Tang is still a pretty good girl... at least she won't be as savage and willful as you."

After Situ Ningbing finished speaking these words, he was suddenly ready to leave.

But who would have thought that at this moment Duanmuying suddenly lost her temper.

"Situ Ningbing...You made it clear to me today...How am I being savage and self-willed in Duanmuying?" Duanmuying almost jumped up angrily and said.

Hearing Duanmuying saying so, Situ Ning sneered: "Don't you know yourself? Why do you have to tell me so clearly?"

"You?" Duanmuying became angry at once.

Situ Ningbing didn't look at Duanmuying again and turned around and said, "Okay, I won't tell you anymore."

After she finished speaking, she took steps and got ready to go.

That Duan Muying was irritated by Situ Ningbing, so she couldn't give up at this moment.

"Situ Ningbing... Stop for me... You must tell me clearly today."

After Duanmuying finished speaking, her figure suddenly flashed, and a slender hand grabbed Situ Ningbing's shoulder in front of her.

When Situ Ningbing, who was walking in front, suddenly felt that Duan Muying's shot, her beautiful face suddenly became cold and suffocated.

Then a slender hand slammed back, and then suddenly clasped the wrist of Duan Kino.

"What do you want to do? Do you still want to do it with me?" Situ Ningbing looked at Duanmuying in front of him and said.

But seeing Duanmuying who was on the fire, pouting her red mouth, angrily said in her eyes: "Just do it...Is this lady afraid of you?"

Chapter 1345: Terrible dream

"Okay, you forced me..." Situ Ningbing also said at the moment.

So all of a sudden, these two beauties started their hands in the North China Field Military District.

Duanmuying is worthy of being the old lady of the Duanmu family, she is quick and vicious.

The two slender hands hit the Situ Ningbing like a ghost.

And Situ Ningbing? It is even more chic and elegant.

Every trick and every style is not just right, and the tricks are also tricks to control the enemy, and they are terribly vicious tricks. After all, Situ Ningbing, who used to be a killer, needs a trick to kill.

The two can be said to be evenly matched, and the fight here is irreconcilable.

And the soldiers who heard the fighting here gathered in the distance, smiling at the scene in front of them.

Two superb beauties are fighting here, who doesn't like watching?

In this way, they started working in broad daylight.

At the North China Field Military Hospital, the Baihua Fairy, Chen Qiaozhi and Old Monster Ge are still waiting anxiously.

They are all waiting for the situation in the emergency room.

Suddenly at this moment, the brigade commander Wang Zhen ran over with an ugly face.

"Mr. Chen... something has happened." Brigadier Wang Zhen who ran over frowned and said to Chen Qiaozhi.

Chen Qiaozhi, Fairy Baihua, and Old Monster Na Ge, who were waiting anxiously in the corridor, were taken aback when they heard that "something happened."

He turned his head and looked at Brigadier Wang Zhen in front of him and said, "Brigadier Wang, what happened?"

"It's fighting... It's fighting again..." Wang Zhen said depressedly.

When he heard the fight again, Chen Qiaozhi was immediately depressed. Not only he was depressed, but even the fairy Baihua beside him was completely puzzled.

Quickly asked, "What's the situation? Who started fighting?"

"The two women are fighting..."

"Miss Situ and Miss Duanmu..." Wang Zhen said.

what?

When I heard that the two peerless beauties actually started to make a big move, one of Chen Qiao in front of him was depressed.

Just yesterday, Duanmuying quarreled with Tang Feifei. Why did they fight again today?

My goodness.

When Old Monster Na Ge heard that Brigadier Wang Zhen said this, he turned his head and muttered in his mouth, "Hey...women, women..."

The fairy Baihua looked at Wang Zhen in front of him and asked, "Brigadier Wang, they really started fighting? Why did they fight?"

Wang Zhen said embarrassedly: "This...I don't know this...but I guess it has something to do with the relationship."

After hearing what Wang Zhen said, the fairy Baihua suddenly felt depressed.

"Forget it, you should hurry up and persuade...the two of them are fighting there right now." Wang Zhendao said.

The fairy Baihua thought for a while and said, "Okay, I'll go take a look."

"Qiaozhi, Old Ge, please help me guard my second brother here first... I'll go over and see what happened." The fairy Baihua said to Chen Qiaozhi and Old Wei Ge.

Then Chen Qiao said: "Senior Hua, don't worry... I'll leave it to us here."

"OK, all right."

After Fairy Baihua said so, he quickly followed Wang Zhen to the place where the two women were fighting.

Because Li Tian was too tired, as soon as he lay down, he began to fall asleep slowly.

He didn't know what was going on outside, and of course he didn't even know the news of Duan Muying and Situ Ningbing's hands. He just lay quietly on the bed to rest.

It's just that now Li Tian is in a coma, and he is suddenly sweating.

It turned out that Li Tian had a nightmare again.

It's just that this dream is completely different from the dreams he had before...

In his dream, he saw himself standing in a desolation filled with mist... Through those mists, Li Tian suddenly saw that he was standing in a tomb.

All of the rising graves suddenly appeared in his eyes.

When seeing these tombs, Li Tian in his dream suddenly felt scared.

Then he looked carefully at the tombs one by one, with the names of the dead engraved on them.

Duguxie...

Gosh!

On the first tombstone was engraved with the name of Duguxie... and there was a portrait of Duguxie on it.

"No...impossible...impossible!" Li Tian suddenly shouted in his dream.

He couldn't believe looking at the tomb in his dream.

How could Duguxie die? Impossible, this is not true.

Li Tian roared loudly in his dream.

His body was paralyzed on the ground because of fear. At this moment, he suddenly saw another stone monument beside the tomb of Duguxie.

Take a closer look and it says: The Tomb of the Ghost Servant!

Also attached is the death photo of the ghost servant!

How could this be?

How could this be?

Li Tian suddenly yelled frantically in his dream, and then all the tombstones appeared in his eyes.

Tang Xiaolong...A Qiu...Xue Wuhen, Chen Qiaozhi...and Situ Ningbing...Duanmuying...

Anyway, as long as it is the people Li Tian knows, the people he is closest to, all seem to be dead, and their tombstones all surround Li Tian in front of him.

"No... this is not true... this is not true..." Li Tian suddenly yelled in his dream.

Just as he roared out, all of the tombs suddenly disappeared... Then a person suddenly appeared in front of him.

He turned out to be that Long Yin.

It's just that the corners of Long Yin's mouth in the dream still carried an extremely cruel smile.

"It's you?" Li Tian suddenly cried out in surprise.

But seeing that Long Yin suddenly stretched out a finger in his dream to point to Li Tiandao: "Your brothers are all dead... all dead... and you still have you... what's the use of you being alive, hahahaha."

The endless laughter filled Li Tian in his dream.

Li Tian shouted loudly and said, "No, they won't die... definitely won't die."

"They will die, they will definitely die."

"Because of you... They all died because of you."

"Li Tian, you are the real murderer...you brutally killed your brothers one by one, haha." Long Yin said with a crazy laugh in front of him.

Li Tian clenched his fist and rushed towards that Long Yin.

"You ***** talk nonsense...I killed you." When Li Tian roared towards the Long Yin in the dream, suddenly Long Yin disappeared.

Only the sound of Long Yin's crazy laughter could be heard in the mist.

"You killed your brother...you killed them by yourself..." As Long Yin's words disappeared, and then a terrifying scene suddenly appeared, he saw Duguxie and the ghost servant, Tang Xiaolong... ... They all appeared around him suddenly.

It's just that they all look like dead people.

"Little dragon...A Qiu...Ghost servant..." Li Tian looked at the dead brothers in front of him and shouted.

But I saw blood flowing in Xiaolong's eyes... and A Qiu also had a knife mark on his neck, and even the ghost servant was bleeding... Surrounded Li Tian, surrounded him, and shouted there: " Brother... why are you killing us?"

"Why kill my brothers..."

When Li Tian heard this, he was almost crazy.

He shouted in his dream: "No... it's not me... it's not you who killed me..."

"Xiaolong, Aqiu...you are my brothers...how could I kill you! I am your eldest brother..."

But the zombie-like Tang Xiaolong and Ah Qiu seemed to be completely unable to hear them. They just stretched out a pair of pale hands and pointed at Li Tiandao and said, "Big brother... why kill us... why... "

Chapter 1346: Looking for Don Feifei

When he saw his brothers die tragically in his dream, Li Tian was so scared that he almost fainted.

Just when he was scared, the whole dream suddenly began to change.

Suddenly all the tombs of the brothers disappeared... Then Situ Ningbing began to appear in the mist... Duanmu Ying... And Ouyang Shiqing, waiting for the girl.

When their figures appeared in the mist, their faces were so pale...as if they were dead bodies like the brothers just now.

"Ningbing... Duanmu Ying..." Li Tian stared at his lover in a dream.

"Why are you here?" Li Tian looked at the lovers in the mist and asked in surprise.

Following Li Tianwen's exit, I saw that Duan Muying, Situ Ningbing and others were carrying those pale and cold faces one by one.

Their faces did not look like living people at all, as if they had walked out of hell.

"Ningbing, Ouyang Shiqing...what happened to you? What happened to you?"

But seeing Ouyang Shiqing and Situ Ningbing in the dreamland suddenly began to have blood stains all over their bodies...their clothes were covered with scarlet blood, looking at Li Tian there.

"We are dead..."

"We were killed by you!" Suddenly Situ Ningbing looked at him and said.

In the dream, Li Tian almost went crazy.

"No...no...not me..."

"It's not me..." Li Tian yelled wildly.

Then he saw Situ Ningbing and Duanmuying's blood flow more and more, and in the end even the entire ground was completely red.

"no no....."

Li Tian screamed and suddenly sat up from the bed.

dream!

It turned out to be a terrible dream!

When Li Tian sat up all of a sudden, his mouth was still panting, and at the same time cold sweat was on his head, as if he had just come out of the water.

After a pause for about a few seconds, Li Tiancai slowly stretched out his hand to wipe the cold sweat on his face, and let out a gentle sigh.

"What's wrong with me? How can I have such a terrible dream?"

Li Tian was thinking about that, while slowly lying back on the bed in front of him.

Inside the North China Field Army Military Region, I saw two beautiful figures fighting there.

And the surrounding area was surrounded by soldiers from a group of troops. They pointed to two stunning beauties there, and they couldn't help but praise.

"What a great skill."

"Yeah, it's really tough."

...

Look carefully at the two glamorous figures fighting, isn't it the Duan Muying and Situ Ningbing?

The fight between the two men is incompatible at the moment.

Duanmuying had already made a move that became extremely vicious, and she quickly attacked Situ Ningbing in front of her body.

That Situ Ningbing was also a strong block, every punch, every foot was definitely not a fist.

But seeing Duanmuying's delicate hand suddenly turned in the air, and then grabbed Situ Ningbing in front of him, Situ Ningbing kicked out in the air, avoiding Duanmuying's claws, and then suddenly grabbed that Duanmuying. Arm.

When Duanmuying saw this Situ Ningbing coming to grab herself, she suddenly turned around and stepped back aside.

After retreating, he then rushed forward like a tigress.

The fight between the two is undoubtedly more attractive, especially for stunning beauties like them.

When they were fighting fiercely, they suddenly heard a soft cry.

"stop."

With this faint call suddenly came from behind, and then I saw a white shadow suddenly hitting between Duanmuying and Situ Ningbing. 1

The white shadow is extremely fast, more powerful than the two of them seem.

When the two heard the sound, and at the same time they felt that the pair was coming towards them, they both turned around, and then suddenly separated.

"Auntie Hua..."

At this moment, after the two of them retreated to one side, they both saw the white shadow in the middle. Wasn't she the same Baihua Fairy who came over?

When the two of them saw that it was Fairy Baihua who came, they were both startled slightly and didn't speak.

But what about Baihua Fairy? Coldly glanced at the two women in front of him.

"what happened?"

"Why are you fighting..."

After Baihua Fairy said this, Duanmuying and Situ Ningbing stopped talking, lowered their heads, like children who did something wrong.

But seeing Fairy Baihua continued to say: "Hey, you two are sisters anyway... Is there anything that can't be said properly? Do you have to do it?"

Listening to Fairy Baihua's reprimand, Situ Ningbing and Duanmuying stopped talking.

In the end, Situ Ningbing chose to speak, saying, "Auntie Hua, we were wrong..."

"It is my fault."

Listening to what Situ Ningbing said, the fairy Baihua didn't say too much, but said indifferently: "Okay, stop making trouble... you all go back quickly."

After Duanmuying and Situ Ningbing heard Baihua Fairy say this, they all hummed at the same time, and then they all left the place in front of them.

After they left, the soldiers around here dispersed one by one.

And the fairy Baihua looked at the two women and sighed slightly: "Hey, what can you do next day?"

Li Tian had a terrible nightmare and he could no longer rest.

That nightmare was too scary, it was a dream Li Tian had never had before.

He actually killed his brothers? Killed Tang Xiaolong, killed A Qiu...

This is impossible for Li Tian, so now his heart is beating, sitting on the bed in a daze.

Li Tian, who had been sitting for a while, didn't plan to sleep anymore.

Because he was afraid, afraid that after lying down, he had those weird and terrible nightmares in his mind.

After getting up, Li Tian washed his face with clean water and then opened the door.

The sun was not so strong anymore, Li Tian took a look around, then walked outside.

He is going to find Tang Feifei who hasn't seen him for many years, and wants to see her.

Li Tian, whose memory was awakened deep in his heart, told the truth that he was anxious to see the original daughter.

After arriving at the front camp, Li Tian asked in front of a soldier, "Excuse me, is there a Miss Tang living here?"

The officers and soldiers here all know that Li Tian is the grandson of the commander-in-chief, so they all look very respectful. After Li Tian asked, he only listened to the soldier and smiled and pointed to the front building. Inside the floor."

Chapter 1347: People?

"The second room on the left of the second floor belongs to Miss Tang." said the soldier.

Li Tian said politely: "Thank you."

Then he walked quickly towards the building.

When I got here, to be honest, Li Tian was indeed a little excited.

After all, I haven't seen Tang Feifei for so many years...At the same time, thinking of the situation in his mind when he left without saying goodbye, a silent excitement came from his heart.

In this way, Li Tian stepped onto the second floor with speechless excitement, and then found the room pointed to by the soldier just now.

When he arrived at the door of the room, Li Tian's heart was beating pounding, as if there was a small deer beating in his arms.

Glancing at the room in front of him, the door is tightly closed.

After taking a soft breath, Li Tian slowly raised his hand and started knocking gently on the door.

The sound of knocking on the door went into the room.

After the sound came in, there was no echo.

Li Tian was stunned, his heart secretly lined up: What about people? Why is there no one?

Thinking like this, Li Tian started knocking gently on the door again. After he knocked on the door, there was still no reaction inside.

Now Li Tian was depressed, and he said to himself: Could it be that the soldier who had just told him the wrong place?

Thinking like this in his mind, Li Tian stretched out his hand and pushed, and then only heard a click, and the door was pushed open with direct force.

After pushing the door open, a scent of fragrance rushed into his nose first.

There is no doubt that this house is definitely occupied by girls.

It's just that when Li Tian walked in and took a look, he was depressed, because the whole room was empty and there was no one person...More Unfortunately, no one is there anymore.

After Li Tian saw the empty room, he was stunned for a moment.

"What about people?" he said in that secretly.

After thinking this in his mind, he quickly walked out of the door in front of him.

After going out, he quickly walked down the stairs.

At the gate of the building stood two straight soldiers, wearing camouflage uniforms, and holding cold guns in their hands.

After Li Tian came over, he hurriedly asked one of the soldiers standing guard, "Hello, may I ask, where is Miss Tang living upstairs? Where is her?"

The soldier knew Li Tian. After hearing Li Tian's question, he quickly replied, "Which young lady upstairs has left..."

"what?"

"Leave?" When Li Tian suddenly heard the news, he was stunned for a moment.

"Where did she go? What does it mean to leave?" Li Tian asked quickly.

The soldier said: "I don't know, I only know that Miss Tang left here with luggage an hour ago... As for where she went, I don't know exactly."

"But when Miss Tang was leaving, she seemed to be on the phone with a friend... Say something like when to pick him up at the airport." The soldier continued.

After Li Tian suddenly heard what the soldier in front of him said so, he felt a little in his heart.

"airport....."

"Does Feifei want to leave here?"

"Isn't she here to find herself? Why did she leave just now when she came back? Why?" All the questions flooded towards Li Tian's heart in front of him.

After thinking this way in his mind, Li Tian suddenly ran to the outside of the North China Field Army without a word.

When the two soldiers on the back saw running madly towards the outside of the North China Field Military District, they didn't know what had happened, and looked at his back in surprise...

Tang Feifei left the North China Field Military District.

In preparation, she left with an extremely sad mood.

At the international airport in Binjiang City, Tang Feifei was sitting there alone in the central hall.

In her hand, she was holding a ticket for the young lady who was about to board the plane, and the other slender hand was carrying her luggage.

She just sat there stupidly, without speaking or speaking, as if she was just stunned.

After she stayed for several minutes, she suddenly raised her wrist, and then glanced at the delicate crystal watch on her slender wrist, which showed that there was 35 minutes before boarding.

Then slowly took out the phone from his arms and dialed a call.

Suddenly, Su Ke's beautiful voice rang on the other end of the phone: "Hey, Feifei...Have you arrived at the airport?"

Tang Feifei said on the phone here: "Here."

"Hey, that would be great... How long will it take to board the plane?" Su Ke on the other side continued to ask.

Tang Feifei said: "Soon, I'll start getting on the plane in half an hour."

"Great, Feifei, our sisters are going to be together again... I am so happy." Su Ke said excitedly on the other side of the phone.

But Tang Feifei here was not so excited, and the corners of her mouth simply smiled bitterly.

"Feifei, are you still thinking about that nasty guy?" Su Ke over there suddenly asked on the phone.

When Tang Feifei heard that Su Ke mentioned Li Tian, she quickly said, "No...no..."

"Stupid girl, still lying to me...Can I see it?" Su Ke said on the phone.

"Feifei, sister, let me tell you, don't think about that guy...huh, what is he... After returning to Kyoto City, sister, I will introduce you to someone who is better than the guy whose surname is Li... That's true. Can speak on the phone.

Don Feifei here doesn't know if he heard it, just holding the phone blankly and not talking.

"Feifei, why don't you speak anymore? Are you unhappy?" Su Ke asked.

Tang Feifei's eyes were slightly red, whether she was unwilling or sad, maybe she didn't even know at the moment.

She slightly raised her hand and gently wiped her beautiful eyes and said, "No...I'm fine..."

"Feifei, don't be so unhappy, please?"

"Don't think about it... hurry back. After returning to Kyoto City, let's start again... everything and everything, forget about it..."

"A few years ago, the man named Li was so cruel and left you without saying a word... Humph, let's learn from others' cruel heart, let's completely forget him!"

After Su Ke's enlightenment, Tang Feifei finally wiped the tears in her beautiful eyes stubbornly, and then smiled hard and said, "Yeah."

"Listen to you, let everything disappear... I, Tang Feifei, can definitely do it."

"Haha, is this like Feifei!" Su Ke over there said with a smile on the phone.

"Su Ke, wait for me... I'll get on the plane in half an hour... You will remember to pick me up at the airport..." Tang Feifei said.

Su Ke said over there, "Don't worry, my eldest lady...I'm putting on makeup now...I will go to the airport to pick you up later."

"Haha, good." Tang Feifei laughed.

Chapter 1348: flew away

"Well, let's do this first... I'll go to board the plane and call you when I get off the plane." Tang Feifei said.

Su Ke over there said hello, and then said: "Bye bye..."

"Goodbye." Tang Feifei then hung up the phone.

After Tang Feifei hung up the phone, Meisou looked at Binjiang City, which was about to leave, and took a look with dismay, then recalled a few hours ago that Li Tian, Situ Ningbing, and Duanmu Ying were happy. After the memory of walking, she suddenly shook her head vigorously, and then warned herself side by side... "Don't think about it, don't think about it, everything is over."

After warning herself like this, Tang Feifei finally mustered up the courage to walk step by step towards the airport terminal in front of him.

She passed the boarding area, and finally entered the waiting hall in front of her by herself.

On the road leading to Binjiang International Airport, I saw a taxi driving there quickly.

But sitting in the car was Li Tian who was rushing to Binjiang International Airport.

It turned out that when Li Tian heard the members of the unit say that Tang Feifei was calling and talking about the airport, he had already most guessed that Tang Feifei must have taken a plane to leave here.

Therefore, Li Tian hurried out of the North China Field Army, then hurried to the side of the road and stopped a taxi. In this way, Li Tian hurriedly rushed towards the International Airport in Binjiang City.

He hopes to see Feifei and see her.

After all, he was really depressed. Why did Tang Feifei leave without seeing herself?

Listening to the brothers telling themselves, Feifei has been here for almost a month, and has been waiting for him?

But what happened this time? I finally came back, but why did she leave suddenly?

So Li Tian must ask to understand this matter.

"Master, can you drive faster... I am in a hurry to meet someone at the airport." Li Tian said to the taxi driver who was driving there.

The driver master said: "Sir, I have already driven fast enough...If it is faster, I'm afraid the traffic police will stop my car in a while."

So Li Tian could only be anxious inside, waiting.

Finally, the taxi in front of us drove to the international airport in Binjiang City.

Li Tian took out two hundred yuan from his pocket, and then handed it to the driver in front of him. Then he quickly opened the taxi door in front of him and ran towards the fragrance of the international airport.

The driver who was sitting in the car hadn't found Li Tian for the change, so he cried out in confusion, "Mr...Mr...I haven't found you any money yet?"

But when he called out, Li Tian had already ran to the airport in front of him quickly.

Pedestrians come and go in the huge airport.

There are many people in the airport lobby inside.

So Li Tian blindly searched there... He hoped to find the familiar figure... But he found himself in vain after all, because there were too many people in this airport.

After Li Tian looked around, he knew that this kind of search would not be the way to go.

So he hurried to the side of the airport staff and asked, "Hello, may I ask, what time is the plane to Kyoto? Is it taking off now? How many trips are there today?"

After Li Tian asked, the service staff at the airport said, "Sir, there is only one plane flying to Kyoto City today, and it will take off soon... it only takes about ten minutes. If you take a plane, I'm afraid it's too late now."

When Li Tianyi heard it, he thought to himself: It seems that if Feifei wants to leave, she must take this plane.

"Oh, thank you." After thanking the service staff in the airport lobby, Li Tian hurried to the front ticket gate.

When Li Tian finally found the ticket gate in the direction of Kyoto City, the ticket gate was completely closed, and the sound of the loudspeaker in the airport's announcement hall had begun to sound: Dear travelers and friends flying to Kyoto City Flight td104 is about to take off...

After Li Tian suddenly heard such a voice on the announcement of the airport lobby, he was stunned.

If Feifei must have taken such a plane!

After Li Tian thought this in his mind at this moment, he suddenly changed and ran towards the ticket gate.

When he ran over, the staff at the ticket gate over there immediately stopped him.

"Sir... what are you doing?"

Li Tian was stopped, his face panicked and anxiously said: "I want to go in and find someone..."

"Sir, the plane is about to take off... You don't even have a boarding pass, how can you get in... Sir, you should exit quickly..."

Those security personnel were blocking Li Tiandao in front of him, said.

Li Tianyi saw these people trying to stop him, and he was immediately depressed.

In? Still not entering?

Two questions were circling back and forth in Li Tian's mind... Suddenly a decision was made in his mind, and then he pushed away the security personnel in front of him. After pushing away these security personnel abruptly, Li Tian's body went straight forward. In the past, the ticket gate in front of him, and then desperately ran to the airport terminal.

When the security personnel saw Li Tian rushing in, they suddenly yelled.

"Hey, sir...you can't go in..."

"Stop him..."

"Quickly stop him."

A large group of security personnel behind him suddenly seemed crazy to stop Li Tian in front of him.

But how could they stop Li Tian in front of him.

Li Tian's speed was a hundred times faster than them. At this moment, he had already ran into the terminal, and the row of security personnel behind could not chase Li Tian.

But when Li Tian ran in, he saw that the terminal was completely empty.

nobody.

Everyone got on the plane.

Outside but at the airport, I can clearly see a Boeing 747 plane taxiing on the runway. Looking at the plane taxiing on the runway, Li Tian suddenly sat on the icy chair in front of him.

"Feifei is gone?"

"She just left?"

Suddenly, Li Tian showed an extremely painful despair deep in his heart. He looked at the plane on the taxiway... and looked at him stupidly.

At this moment, his heart hurts, it hurts, it hurts.

He felt a heartache as if he had lost a favorite thing, sitting in a cold chair in a daze, looking at the plane that was going away.

Watching, watching... keep watching it rise, and then fly away...

Chapter 1349: Meet

And at the moment when Li Tian was extremely desperate, a beautiful figure appeared at the other end of the waiting hall.

She looked at this side unblinkingly with her beautiful eyes, standing there with a silver-white suitcase in her hand.

Li Tian, who was extremely desperate, subconsciously felt as if someone was looking at him from behind.

So he couldn't help turning around, following the moment he turned around, he saw the familiar face...the familiar her.

She was standing at one end of the waiting hall, carrying a suitcase in her hand, looking at him with a smile on her face.

She is still so beautiful, it can even be said to be even more beautiful than a few years ago... The delicate melon face has the standard contour of an oriental beauty, and a pair of clear and watery eyes are looking at him there.

Li Tian was desperate in his heart, but at the moment when he saw her shadow, he realized that he had never been so excited.

"Fei Fei..." Suddenly two words came out from his mouth excitedly.

His eyes looked at Tang Feifei at the other end of the terminal in disbelief.

Yes, that beautiful girl is indeed Don Feifei.

It turns out she didn't leave!

She stood there and also saw Li Tian.

For many years...

They haven't seen each other for many years.

And now at this airport, they met.

Tang Feifei looked at him, and at that moment, her beautiful eyes slowly turned ruddy, containing crystal clear tears.

At this moment, the two people looked at each other. They didn't have any fierce words, they just looked at you and me.

Suddenly Li Tian couldn't help but ran over.

Na Feifei looked at Li Tian's figure. She found that Li Tian had changed in the past few years... He no longer looked like the rustic little security guard he used to be, but became like a real man.

His silhouette has become more masculine than before, his eyes have become more sharp and energetic, and the whole person can be said to have become handsome.

To be honest, Tang Feifei almost didn't recognize Li Tian at first sight.

Just when Li Tian ran over so excited, he suddenly hugged Tang Feifei's delicate body in his arms.

Tang Feifei felt as if she was fainted, she was so stupidly that Li Tian was swept into her arms, and she was shocked, not only her face was shocked, but her body seemed to be stiff. .

What about Li Tian? In this way, she arrogantly took Tang Feifei into her arms, as if at this moment, she became his woman.

"Fei Fei... I thought you took the plane and left, I thought I would never see you again... I was so happy to be able to see you again." Li Tian in front of him hugged Tang Feifei's body. Tao said.

Tang Feifei looked a little embarrassed, Jiao Chu gasped slightly, without speaking.

Li Tian hugged Tang Feifei's waistline, not only felt that he was a little abrupt at the moment, he quickly let go of his hand, and looked at Feifei in front of him embarrassingly...

But seeing Feifei staring at Li Tian unblinkingly.

"You... are you really Li Tian?" Tang Feifei suddenly said such a sentence.

This sentence made Li Tian slightly depressed.

"You don't recognize me?" Li Tian said awkwardly.

Tang Feifei suddenly covered her mouth and laughed...

"Oh my God, I didn't expect you to have changed so much... I can hardly recognize you anymore."
Tang Feifei said with a smile there.

Li Tiandao: "Really? But I don't think I have changed yet."

"You have changed, you have indeed changed too much from a few years ago." Tang Feifei continued.

"Hey, I was really going to leave... but I didn't leave without knowing why."

Listening to Tang Feifei saying this, Li Tian said excitedly: "It's right to leave."

"I heard my brothers say that you are here, you are here to find me... So I hurried over to find you, but I didn't expect you to leave again.

"Feifei, why are you leaving?" Li Tian asked, looking at Tang Feifei suddenly.

Tang Feifei, who was asked such a question, turned around and said, "Not why."

What else does Li Tian want to say...

But when Tang Feifei in front of me said to Li Tiandao: "How are you doing for so many years?"

Listening to Tang Feifei saying this, Li Tiandao said, "It's okay."

"How about you? How are you doing in Kyoto?" Li Tian said, looking at Tang Feifei.

Tang Feifei suddenly smiled bitterly: "Since you left, I haven't stayed in Kyoto City." She said quietly there.

Li Tianyi not only felt puzzled when he heard it, "Where did you go?"

"I went to America..." Tang Feifei turned her head.

what?

"Are you going abroad?" Li Tian asked, looking at Tang Feifei in surprise.

He didn't know about Tang Feifei going abroad, so he would be quite surprised after knowing the truth.

But seeing Tang Feifei nodded slightly, she looked at Li Tian in front of her with her beautiful eyes, and said, "Yes."

"You've all left...what's the point of me staying in Kyoto City alone?" she said suddenly.

This sentence made Li Tian's heart suddenly moved, looking at Tang Feifei and said: "But... does your father let you go?"

"He is just a daughter like you." Li Tiandao.

But seeing Tang Feifei said: "I don't want to mention him..."

"He looked down on you back then... I hate him." Tang Feifei said suddenly.

When Li Tian heard Feifei say this, suddenly the corner of his mouth smiled bitterly.

"Feifei, I'm sorry... I caused you to have a conflict with your father... But your father still hates you... At the very least, I was really not very good back then." Li Tian said truthfully.

Feifei said: "I don't want to see him now anyway..."

Hearing Feifei say this, Li Tian said, "Well, let's not talk about him yet."

Feifei nodded there.

"Go back with me..." Li Tian said suddenly looking at Tang Feifei.

Tang Feifei was taken aback, then looked at Li Tian for a while and said, "Where to go back?"

"Return to the North China Field Military Region." Li Tiandao.

But Tang Feifei suddenly shook her head there: "No... I won't go back."

"The reason I didn't leave was because I wanted to see you for the last time... I didn't expect that my ideal would finally come true. I really met you and I was satisfied." She said slightly there.

Li Tianyi was depressed, and looked at Feifei, "Why are you leaving in such a hurry? Don't you want to stay with me?"

Tang Feifei smiled awkwardly, and suddenly raised her beautiful eyes to look at Li Tiandao: "Isn't there two big beauties with you now? I believe you should be very happy to have them by your side... Without me, it should be nothing. Right."

Listening to Feifei's words, Li Tian suddenly became entangled.

Chapter 1350: Duguxie's disease

After hearing Feifei say so, Li Tian sighed. .

"Feifei, come back to the North China Field Military Region with me... I haven't seen you for so long, to be honest, I want to talk with you." Li Tian said expectantly at Tang Feifei.

But seeing Tang Feifei smiled and looked at Li Tiandao: "I'm afraid it's not good to go back."

"Aren't the two beauties around you jealous?" Tang Feifei said while blinking her beautiful eyes and staring at Li Tian.

Li Tian was immediately embarrassed there.

He must know in his heart that Situ Ningbing and Duanmuying would definitely be jealous if he really brought back Tang Feifei in front of him, so he not only hesitated slightly.

Then, Tang Feifei could see Li Tian's embarrassment, and suddenly smiled and said: "You don't have to be so embarrassed... I just said that I didn't leave because I wanted to see you... I've seen you now, I think I should go."

With Tang Feifei saying so, she was ready to leave.

Just when she was about to leave, Li Tian grabbed her delicate hand.

"Wait..." Li Tian grabbed her wrist and said.

Tang Feifei, who was dragged by him, suddenly trembled slightly, and turned her head without speaking.

Li Tian looked at her tender body, and said: "Feifei...not what you think."

"So many years have passed... Many, many things have happened, and I want to tell you these things bit by bit."

"I just want to get together with you and talk about the past."

Listening to what Li Tian said, Tang Feifei slowly turned her head and looked at Li Tian: "I want to ask you... why did you leave without saying goodbye? Why didn't you even say goodbye to me? You just left.?"

Li Tian stood there listening to Tang Feifei saying this, and smiled helplessly: "Sorry, I was wrong back then... I should say goodbye to you."

Crystal tears flickered in Tang Feifei's beautiful eyes.

Ever since Li Tian left, Tang Feifei has been thinking of him in the middle of the night. Even if she is in the United States, she always does not miss Li Tian in front of her.

Looking back on everything now, it became all the grievances.

"Feifei, come back with me... I will tell you what happened to me for so many years, and I have a bunch of really good brothers, I hope you can get to know them too." Li Tian looked at Tang Feifei there. Tao said.

Tang Feifei blinked her beautiful eyes, her heart moved.

There is no doubt that Li Tian in front of her is the one she loves, but after she returns, she is afraid that the other two girls around Li Tian will be jealous and afraid that they will be angry... But if she leaves like this, Tang Feifei will obviously suffer a lifetime.

So Tang Feifei stood there very embarrassed.

"Feifei, come back with me...Look at my brother." Li Tian said, looking at Tang Feifei again.

Tang Feifei was finally moved.

She was originally a very rational woman, and at this moment she finally made a decision.

She looked at Li Tiandao in front of her: "If I go back with you...I won't be killed by those two beauties, will I?"

Li Tian suddenly laughed: "No, no, how is it possible?"

"Actually, you don't know both of them... They are actually very kind-hearted, not what you think." Li Tian said there.

Tang Feifei said: "Well, what if they misunderstand... Anyway, you and I are just friends, right?"

When Tang Feifei said "friend", Li Tian smiled awkwardly, and then said: "Yes, yes, yes, just friends."

"Then can we go back now?" Li Tian looked at Tang Feifei and said.

Tang Feifei said: "I have to call my sister first...otherwise she will definitely scold me on the phone when she turns around."

Speaking of Tang Feifei, she went to one side to call Su Ke, while Li Tian was waiting for her quietly.

Finally, Li Tian finally persuaded Tang Feifei to come back.

I haven't seen each other for so many years, and now I can finally get together to have a good chat and talk. It is of course extremely happy for Li Tian.

And now he was waiting for Tang Feifei with such an excited state of mind.

"His condition is strange." In the emergency room, but one of the middle-aged doctors in a white coat said with an ugly expression there.

"Doctor Wang, this person's heart is still beating slightly... but the rest of the body has no response, what should I do?" Another doctor in a white coat beside him said sweating.

The nurse next to him wiped the sweat off his face.

But seeing that the one called Doctor Wang should be the attending doctor, he looked at the Du Guxie on the operating table and gave a secret.

"Let's observe for a while."

"Xiao Liu, give him a shot of a cardiogenic first to ensure that his heart slowly recovers its beating frequency..." said the attending doctor.

The doctor called Xiao Liu then gave Duguxie, who was on the operating table, a shot, and the other doctor in charge slowly said at this moment: "Let's go out and rest first..."

Several other doctors in white coats around nodded.

So the door of the emergency room opened slowly at this moment.

As the door of the emergency room opened, Fairy Baihua, who had been waiting outside for more than 10 hours, as well as Chen Qiaozhi and Old Monster Ge, were finally waiting for the doctors who came out of the emergency room.

They quickly walked over with tiredness.

"Doctor, may I ask, how is my second brother?"

"Yeah, how is Senior Dugu?" Fairy Baihua and Chen Qiaozhi walked over and asked.

Following their questioning, the doctor in charge slowly took off the mask on his face, and then looked at the fairy Baihua and Chen Qiaozhi in front of them and said, "I would like to ask, this patient. What hurt was it? Why is the condition so strange?"

After hearing the doctor say this, the fairy Baihua in front of him suddenly felt a little in his heart, while Chen Qiaozhi in front of him had a bad premonition, so he quickly asked, "Doctor, what happened?"

"Every part of this patient's body seems to have changed...Even the muscles in the body have become weird. To be honest, this kind of patient basically does not need to be treated... But his heart shows strong signs of life, which makes People are very surprised."

"So we decided to stay in the hospital for observation for a period of time, and then do diagnosis and treatment." The doctor in front said.

Hearing what he said, Fairy Baihua was stunned.

"That is to say, my second brother may not be able to guarantee the safety of his life now?"
