

A Killer 1381

Chapter 1381: Duguxie's hate

Li Tiandao: "These two people are here to tell me something."

"What's the matter?" The brothers asked one by one, blinking curiously.

"They told me that the master of the gate of **** was about to release a monster that had been buried in the cave for decades..." Li Tiandao said.

As Li Tian said this, the brothers in front of him suddenly wondered.

"Devil's Cave? Monster? What do you mean..." the brothers asked without understanding.

Li Tiandao: "I don't know much about the monster in the devil's cave. The only thing I know is that the Ecstasy and Ouyang Longyan told me that once this monster is born, there will be blood and blood in the rivers and lakes."

After Li Tian said these words, Chen Qiaozhi and Tang Xiaolong all looked at each other in horror.

"What monster, so powerful?"

"The two guys didn't lie to you, little boss?" Tang Xiaolong just listened to the question in front of him.

Li Tian frowned slightly and said, "I think they will not lie to me."

"Furthermore... I think the monster they both told me... probably has something to do with the Yuwen family this time." Li Tianzai said thoughtfully.

Following Li Tian's words, the brothers asked: "Little boss, what do you mean is that the monster in the Demon Cave slaughtered so many people from the Yuwen family?"

"I don't know yet... But if what the Ecstasy and Ouyang Longyan told me is the truth, then it is very likely that the monster in the Demon Cave did it." Just listen to Li Tiandao.

"Doesn't that mean that the monster has a great hatred with the Yuwen family?"

"Carry out everything, don't keep the chickens and dogs..." Tang Xiaolong said a crucial problem.

When Tang Xiaolong said this, Li Tian felt that what he said still made sense.

It's just that now this matter doesn't have much to do with Li Tian. After all, the Yuwen family does not have any special contacts for Li Tian, and even if there are, there are some bad relationships.

So now Li Tian, after hearing the news of the demise of Yuwen's family and the killing of Yuwen Emperor, he was just a little shocked in his heart... As for how much influence Li Tian had, it was Not at all.

"Forget it, don't worry about these things on the rivers and lakes."

"The only thing we have to do now is to quickly take care of Duguxie's physical injuries..." Li Tiandao.

After Li Tian finished saying this, the brothers in front of him also nodded.

After Duguxie was awake last time, his body had obviously begun to gradually recover.

After so many days of continuous living and cultivation, and the doctor's meticulous care, Duguxie's body has gradually improved.

He suffered a serious internal injury, and after Li Tian's internal treatment, he gradually began to recover.

Although Duguxie was still lying on the hospital bed, he was already able to walk down the ground, but the doctor asked him to do so while lying on the hospital bed.

At noon, the ghost servant came to see the Duguxie.

Although Duguxie's body had begun to gradually recover, it was clear that his face was still a little pale...a sickly expression on his face.

"Second brother, is it better?" The ghost servant asked after entering the ward with concern.

After the ghost servant asked, he only listened to that Duguxie said slightly: "It's all right."

The Duguxie who was talking wanted to sit up.

The ghost servant looked at the Duguxie who had gradually recovered and said sincerely and happily: "As long as the second brother recovers, it will be fine."

"How is Young Master recently?" Du Guxie asked, looking at the ghost servant there.

The ghost servant replied: "The young master has been practicing kungfu these days."

"Practicing Kung Fu?" After hearing the ghost servant say so, that Duguxie was taken aback.

Just listen to the ghost servant saying: "It's like this...Second brother still remember when the young master was with that mysterious old man when he was in the Dark City? In fact, that mysterious old man is a legend. Senior Senior... Senior Wuji." A word came out of the ghost servant in front of him.

When the ghost servant suddenly said the old man Wuji's name, Du Guxie's excited face changed in shock.

"What? Senior Promise?"

"Is it true that the legendary Wuji Senior is still alive?" Du Guxie asked with his eyes widened.

The ghost servant in front of him nodded slightly and said, "Yes."

"Moreover, the predecessor Wuji gave the young master a very high martial arts... and the skill that the young master now cultivates was taught to the young master by the predecessor Wuji." Ghost servant said.

Listening to the ghost servant saying this, Duguxie in front of him became excited.

"It's great, that's great."

"If you can get the true biography of the predecessors of Wuji, then our young master will surely be able to accomplish a great cause in the future." Duguxie said happily.

The ghost servant also said happily, "Yes, the future of the young master is bound to be limitless."

After the two chatted about Li Tian's recent events, the ghost servant suddenly said to the Duguxie in front of him: "Second brother, a major event has recently occurred on the rivers and lakes."

Duguxie asked, "What's the matter?"

The ghost servant thought for a while and said: "The Yuwen family has been annihilated." Just like that, a sentence came out of the ghost servant's mouth.

When the ghost servant in front of him suddenly said something like this, that Duguxie was instantly stunned.

"what did you say?"

"You said the Yuwen family is dead?" Du Guxie asked in disbelief while looking at the ghost servant.

But seeing the ghost servant, he nodded and said, "Yes, not only the whole family has perished... and the Yuwen family hasn't survived until now, all have been killed. Even the head of Yuwen Family Patriarch Yuwen Huangji was cut off."

After the ghost servant in front of him once again told Duguxie what had happened to the Yuwen family, Duguxie's eyes suddenly trembled twice.

"How could this be? How could this be?"

"Who did it? That ***** did it?" Duguxie suddenly roared out.

This Duguxie originally had a great relationship with the Yuwen family. I think that Duguxie was saved by Yuwen Emperor... In order to repay the life-saving grace of Yuwen Emperor, that Duguxie once broke himself. As a reward, but how could the life-saving grace be repaid by one arm, so Du Guxie always had a guilty mentality towards that Yuwen Emperor from beginning to end. And also because Li Tian stole the ancient Xuanyuan sword of that Yuwen family back then... All of this is because Duguxie is ashamed of that Yuwen family.

Chapter 1382: Visit at night

But now when he suddenly heard the news of the destruction of the Yuwen family's entire back, the Duguxie in front of him was suddenly shocked there. .

Just listen to the ghost servant saying on one side: "So far, I don't know who killed him."

"The only thing that can be guessed is that the other party's methods are extremely harsh... and cruel and vicious." said the ghost servant.

At the moment, Duguxie's eyes are blood-red, and a fist is tightly clenched, as if he wants to stand out for the Yuwen family.

The ghost servant looked at Duguxie's face, and said with concern, "Second brother, don't think about it..":

"A lot of things have indeed happened in the arena recently... but we still hope that you will take care of these things after your injury has healed." Gui Pu said.

That Duguxie didn't speak, but stared at the front with a pair of flushed eyes with a cold face.

"I have never been ashamed of anyone in Duguxie's life... but the only thing I am ashamed of is that Yuwen Emperor... Hey, I really did not expect that I would not be able to repay him in this life." Duguxie said with a guilty face.

The ghost servant knew that his second brother was a man of love and righteousness. Hearing this sadly said by him, the ghost servant didn't say much.

The only thing he worried about now was Duguxie's injury.

And what about Duguxie? After all, with a deep guilty mentality in his heart, he was sitting on the hospital bed blankly at the moment, his eyes were blood-red, as if he was about to eat people, sitting there...he looked speechless.

After the news of the destruction of the Yuwen family came soon, although Li Tian and his brothers showed shock to varying degrees, it was not a big deal for them after all, they were just outsiders.

So in general, there is still no impact on the brothers.

At night, the entire North China field army was quickly covered.

That night, when Li Tian was practicing Kung Fu, he suddenly heard the sound of a strong wind passing by in the dark night.

When Li Tian heard the strong wind coming, his brows suddenly frowned, and then his body jumped out quickly.

Now Li Tian's hearing and vision have reached an incredible level.

Especially after he cultivated the Maha Immeasurable Secrets, he made great progress.

So when he suddenly jumped out, he found the source of the sound of the strong wind just now, and a figure was standing motionless in the dark.

A person.

"Who is here?" A sudden shout came out of Li Tian's mouth.

At the moment Li Tian yelled, he saw the figure slowly turning his head.

"It's me." A word came out of his mouth.

When Li Tian heard it, it turned out to be an ecstasy.

Why is he here again?

"Why are you here?" Li Tian not only asked in confusion when he confirmed that the other party's identity was an Ecstasy.

Just listen to the ecstasy looking at Li Tiandao: "I'm here to tell you that the monster I told you last time is born."

Li Tianyi heard: "Yin and Yang?"

"Yes." A word came out of the Ecstasy's mouth.

"How do you know?" Li Tian asked curiously.

"Because he has already started to kill..."

"And I've already fought him." Ecstasy said, standing in the middle of the night.

Listening to the ecstasy in front of him saying this, Li Tian became curious and looked at the ecstasy in front of him.

But listening to the ecstasy continue to say: "Remember after I and Ouyang Longyan left your place a few days ago..."

"of course I remember."

"At that time, the two of us went to the northwest in order to find the trace of Long Yin... But we never thought that in the dark one night, we happened to encounter that monster... At that time, I and Ouyang Longyan looked at each other with fierceness. The breath is so extreme, so I wanted to catch up and see where the expert passed by, but I didn't expect that we were not far behind when we were found by the other party... So we shot a lot... What I never expected was that the horror figure we were fighting against was the famous brutal guy Yin and Yang."

When Li Tian heard this, he frowned and asked, "What then?"

"Then the two of us desperately escaped... But that's the case, each of us suffered extremely heavy injuries." The ecstasy in front of us said there.

"Could it be difficult for you two to deal with that monster?" Li Tian said in surprise.

As Li Tian said so, the Ecstasy suddenly laughed at himself.

"Don't talk about the two of us... Even if we add two more people, it cannot be the opponent of that monster." The ecstasy in front of him said.

Listening to the ecstasy saying this, Li Tian was horrified, and secretly lined up: Is that monster really so scary?

The Ecstasy in front of him and the strength of Ouyang Longyan, Li Tianshi knows best, but the current Ecstasy actually said that he is not the opponent of the Naggar abnormal monster...It seems that the monster is really terrifying.

"Li Tian, you must have heard about the Yuwen family being slaughtered by the whole clan, right?" The ecstasy in front of him said suddenly.

As the Ecstasy suddenly said this, Li Tian frowned and looked at him, "How do you know?"

"Almost all people on the rivers and lakes know... How can I not know?"

"Besides, I rushed to the place where the incident happened the first time...How could I not know?" said the ecstasy in front of me.

When Li Tian heard this, the ecstasy who was looking in front of him suddenly asked, "You said, you rushed to northern Liaoning?"

"Yes."

"I and Ouyang Longyan rushed over... Unfortunately it was too late, because when we rushed over, the 123 people of Yuwen family had been killed... and even Yuwen Huangji's own head was given to him. Cut it off." Ecstasy said.

"Who? Who did all these **** things?" Li Tian asked suddenly.

"Can't you guess it now?" Ecstasy asked rhetorically.

After Li Tian heard what the ecstasy said, he finally couldn't help but screamed: "Really he...really the monster that was just born? Yin and Yang?"

As Li Tian said so, the Ecstasy nodded coldly in the dark night.

"Yes, this is this extremely cruel monster."

"Why? Why is that monster so cruel... Why does he want to kill so many innocent people in the Yuwen family?" Li Tian asked, holding back his anger.

Although the Yuwen family did not have any special friendship with Li Tian, Li Tian is not a person who likes to watch evil people do evil, especially there are so many innocent people in the Yuwen family.

Chapter 1383: Li Tian's decision

Li Tian certainly didn't know why the Yin and Yang people wanted to slaughter the Yuwen family, and the methods were so cruel.

At this moment, he looked at the ecstasy in front of him curiously.

So the ecstasy preached to Li Tian: "Because they had grievances before."

"And it's not just that the Yuwen family has a deep and deep grievance with the Yin and Yang people, even the Ouyang family, another big family, can't get rid of the relationship."

Li Tian was depressed when listening to the ecstasy in front of him saying this.

"What? Even the Ouyang family has something to do with that abnormal yin and yang person?" Li Tian said unbelievably.

The ecstasy in front of me nodded silently.

"Yes."

"If you want to talk about this, you have to trace it back to more than 20 years ago. At that time, the Yin and Yang people were extremely cruel and killed countless people. In order to fight against this demon, under the leadership of the old man of the Ouyang family, the people of the rivers and lakes were right. The yin and yang people began a common crusade. The Ouyang family, the Yuwen family, and many people from the rivers and lakes forced the yin and yang people to the foot of Luan Mountain. Although the yin and yang people were cruel and fierce, in the end it was difficult for one person to resist the siege of so many masters... ..In the end, the Yin-Yang person was seriously injured and was forced to commit suicide by jumping off the cliff. But before he died, that cruel monster had left a **** oath... He said that as long as he is still alive, he will personally punish the four families and let him The four major families do not keep the chickens and dogs, and the blood debts are paid." The Ecstasy slowly told the past events of the year.

After the ecstasy said this all at once, Li Tian finally understood.

He only now suddenly understood why that yin and yang person had to carry out such a terrifying and cruel killing on the Yuwen family...

It turns out that all this is due to the old debt more than 20 years ago, and it turns out that the abnormal monster came back for revenge.

After thinking like this in his heart, Li Tian was suddenly shocked, looking at the ecstasy in front of him and said: "Then according to what you mean... Isn't it even the Ouyang family in Jinghai City will be in great danger?"

When Li Tian said so in shock, the ecstasy sighed helplessly: "Yes."

"If you didn't guess wrong, that perverted monster will definitely deal with the Ouyang family as it did with the Yuwen family." Ecstasy said.

How could this be?

Is that abnormal monster really going to attack the Ouyang family?

So... what about Ouyang Shiqing?

Suddenly a beautiful figure suddenly appeared in Li Tian's mind.

She is so glamorous and moving, and very intelligent, she is like a fairy, and it makes people only dare to look far away, but not to touch.

For Li Tian, Ouyang Shiqing is like his goddess.

At this moment, he suddenly heard that the abnormal yin and yang man's next plan might slaughter the Ouyang family, and Li Tian was stunned.

How could he watch the Ouyang family fall into the same situation as the Yuwen family?

Don't forget, that Ouyang family was kind to Li Tian before, and there is still Ouyang poetry... and the old but very kind old man: Ouyang Wujiang.

"In your opinion, is that monster really that powerful?"

"The old man of the Ouyang family is superb in martial arts. Couldn't even the old man of Ouyang be able to resist that monster Yin and Yang?" Li Tian said in that question.

The memory of the old man Ouyang in his heart has always been an attitude of worship.

Because the old man Ouyang's martial arts is indeed very high, so Li Tian couldn't help asking at this moment.

But seeing that Ecstasy suddenly smiled.

"What do you think?"

"Twenty years ago, the old man Ouyang, together with Yuwen Huangji, and so many masters in the rivers and lakes did not kill the abnormal monster with their own hands... More than 20 years later, the abnormal monster has been practicing in the magic cave. Do you think the current Ouyang Will the old man be the opponent of that abnormal monster?"

Li Tian suddenly realized that the question he asked was too stupid.

A deep worry suddenly rose from the depths of Li Tian's heart.

"According to what you said, doesn't the Ouyang family also face the disaster of extinction?" Li Tian said in shock.

But seeing the ecstasy in front of him did not speak, he just raised a pair of indifferent eyes and looked into the distance...acquiesced.

When Li Tian saw that the ecstasy didn't speak much, of course he knew what the ecstasy meant.

Suddenly Li Tian said there, "No! I absolutely can't allow that perverted monster Dui Ouyang family to kill."

When he heard Li Tian suddenly say this, the ecstasy was taken aback, turned his head and looked at Li Tiandao in the night, and asked, "Then what do you want to do?"

"I want to take someone to help." Just like that, Li Tiande said a word.

When Li Tian said this all of a sudden, the ecstasy frowned slightly, looked at Li Tiandao in front of him and said, "Are you going to the Ouyang family to help?"

Li Tian nodded in the dark night.

"of course,"

"The Ouyang family used to be kind to me... Besides... Besides, that abnormal monster is too cruel... I absolutely can't allow things as cruel as the Yuwen family to happen again." Li Tiannu said.

After hearing what Li Tian said, the ecstasy in front of him looked at Li Tiandao in front of him slightly and said: "You have to think about it... the strength of that monster is not as simple as you think."

"I can guarantee that, except for the old man of Promise and the master of the gate of hell, almost no one in this world can resist the perverted monster of Yin and Yang." Ecstasy reminded Li Tiandao there.

The ecstasy was telling the truth.

A perverted guy can even wipe out the entire Yuwen family in one night, one can imagine the extent of that horror! !

But how could Li Tian watch this perverted monster slaughter the Ouyang family?

Therefore, Li Tianzai said firmly at this meeting: "No matter what, I decided to go to the Ouyang family."

After hearing Li Tian say this, the ecstasy knew that it was useless to persuade him, so he could only sigh slightly and said, "Well, since you have to interfere with the Ouyang family... Good luck to you."

After the ecstasy finished speaking, he turned around,

Li Tian looked at the Ecstasy who was about to leave, and asked, "Then what about you? Where are you going?"

"I?"

"I'll continue to help you find the clues that Long Yin needs." Ecstasy said in the dark night.

After the Ecstasy said so, he walked into the darkness step by step.

What about Li Tian? At this moment, he was worried about the Ouyang family... After a little thought, he turned his head and walked quickly towards the North China Field Military Region.

Chapter 1384: Departure tomorrow

After Li Tian returned to the North China Field Military Region, he did not rest anymore, but walked quickly toward the brothers' room. .

Seeing from a distance, the brothers' rooms are still lit.

After Li Tian arrived, he knocked on the door of the brothers first, and Tang Xiaolong's voice sounded inside.

"Who?"

Then I heard footsteps coming towards the door of the room.

After the sound of footsteps in front of him came quickly, then Tang Xiaolong quickly opened the door in front of him. After opening it, he saw Li Tian standing in front of him.

"Little boss." Tang Xiaolong exclaimed in surprise when he saw that Li Tian was here. ,

Old Monster Ge in this room, A Qiu, and Xue Wuhen also saw Li Tian.

Yelling there, "Big Brother..."

Li Tian walked in slowly at this moment.

When the brothers saw Li Tianye visiting them, they felt slightly surprised at the moment, but when they saw the clever Chen Qiaozhi there, they couldn't help asking, "Li Tian, what's the matter? Is something wrong?"

After Chen Qiaozhi finished speaking, Li Tian not only slowly raised his face, he then glanced at all the brothers in front of him.

"I have something to tell you." Li Tiandao said.

When the brothers heard this, they asked, "Brother, what's the matter?"

Li Tian said, "Do you know who caused the tragic death of so many people in the Yuwen family?"

When the brothers heard what Li Tian said, they were taken aback for a moment, and they all asked, "Who?"

"It was what I told you before...that abnormal monster in the magic cave." Li Tiandao.

"Ah? Is it really that abnormal thing?" At this moment, the brothers are still staring at Li Tian in shock.

"Li Tian? How did you know that the monster in the Demon Cave did it?" Old Monster Ge over there suddenly looked at Li Tian and asked.

Li Tiandao: "Because someone saw it with their own eyes."

"I saw it with my own eyes? Is there anyone living in the Yuwen family? He saw the monster?" Old Monster Ge asked curiously.

"No, it's not a member of the Yuwen family, but a seducer." Li Tiandao said.

"Ecstasy?" The brothers were suddenly surprised when they heard that it was the Ecstasy in the gate of hell.

"He? How did that guy know? Could it be that he was on the scene of the destruction of the Yuwen family?" The brothers asked curiously.

But seeing Li Tian nodded slightly: "Yes."

"He was indeed at the scene of the crime... and he also fought against the abnormal monster... he almost died under the hands of the abnormal monster." Li Tiandao said.

As Li Tian said this, the brothers in front of them all stayed there with doubts. They all looked at Li Tian with a pair of puzzled eyes, wondering how Li Tian knew so many things.

Of course Li Tian could see the doubt in their eyes, so he told the brothers in front of him about the ecstasy who visited him again late at night.

When my brothers heard it, they all understood.

It turned out that the ecstasy came to the North China Field Army again, no wonder Li Tian knew the news.

After the brothers understood the cause and effect, they could only listen to Tang Xiaolong muttering in that mouth: "That abnormal monster is really cruel."

But after seeing Li Tian silent for a while, he suddenly said: "I want to tell everyone one thing now."

After Li Tian said it so solemnly, the brothers were all there looking at him: "What's the matter?"

"We are going to the Ouyang Family immediately." Li Tian said there.

"The Ouyang family?"

"Why are you going to the Ouyang family?" At this moment, the brothers couldn't help wondering when they heard Li Tian say this. They didn't know why Li Tian suddenly decided to go to the Ouyang family.

"Because the abnormal monster will deal with the Ouyang family the same as the Yuwen family in the next step." Li Tian told the truth.

When Li Tian suddenly said that the Ouyang family was likely to suffer the same terrible end of the Yuwen family, the brothers in front of him were speechlessly horrified.

what?

"No way?"

"Why does that pervert have to deal with the Ouyang family?"

"Yeah, little boss, how can that monster deal specifically with the four big families?" The brothers in front of them all asked puzzledly.

As they asked, Li Tian told all the monsters in the magic cave and the hatred with the four big families back then, and also said that the Ouyang family and the Yuwen family led people to treat the monster back then. He was forced to the foot of Luan Mountain and then forced him to jump off the cliff...

After Li Tian said these things, the brothers suddenly opened their eyes one by one.

"It turns out that the abnormal monster came back to kill the Yuwen family for revenge?" Tang Xiaolong said in horror at the moment.

Chen Qiaozhi and his brothers beside him looked at Li Tian with horror.

Li Tian nodded decisively, "Yes."

"So I must rush to the Ouyang Family to help..."

"Otherwise the Ouyang family will also face an unprecedented disaster." Li Tiandao.

After listening to what Li Tian said, the brothers finally understood why Li Tian had to rush to the Ouyang family.

"Little boss...Then let's rush to the Ouyang family."

"In fact, the Ouyang family members are pretty good...especially the old man...If it weren't for them back then, I'm afraid we would have been killed long ago." Just listen to Tang Xiaolong saying there.

Chen Qiaozhi thought for a while and said, "Yes, we think we have to help this time."

"After all, the Ouyang family was kind to us before."

After the brothers all agreed in this way, Li Tian was obviously happy in his heart, so he said, "Okay, it's so decided..."

"Little boss, when shall we start?" Tang Xiaolong asked there.

"Tomorrow morning." Li Tiandao.

"We will start to leave early tomorrow morning...We must rush to the Ouyang family in front of the perverted guy, otherwise it will be too late."

"Okay, leave tomorrow."

After Li Tian told the brothers about this matter, they decided to start to leave for the Ouyang family in Jinghai City early tomorrow morning.

The Ouyang family is indeed facing great disaster now, but the people of the Ouyang family may not even know it.

But after all, Li Tian had been favored by the Ouyang family, and there was still a girl there, so Li Tian had to go even more, but this time, rushing to the Ouyang family was a blessing for Li Tian and the others. Woe, I don't know yet.

Chapter 1385: Duguxie is here too

In the ward, Duguxie's body was basically able to walk down the ground, but his body was still slightly injured and had not healed. .

That Duguxie had asked to get out of bed several times, but was stopped by the doctors...They all said that Duguxie must recover as much as possible before getting out of bed.

Duguxie couldn't help it, and there was really nothing going on here now, so these few days were still honest, and they all stayed on the hospital bed in peace.

That night, the ghost servant came to Duguxie's ward.

That Duguxie's body has basically recovered, and the footsteps of the ghost servant can be heard step by step from the corridor to here.

"Second brother." After a while, he saw the ghost servant gently push open the hospital ward door. After he entered, he also saw that Duguxie.

Duguxie sat up slightly from the hospital bed.

"Second brother, we are leaving tomorrow." After the ghost servant walked in, the first sentence was said.

After the ghost servant suddenly told the news that he was about to leave, that Duguxie was taken aback.

"Where are you going?"

"Let's go to the Ouyang family," said the ghost servant in front of him.

When Du Guxie heard the ghost servant say this, she curiously asked, "Go to the Ouyang family? Where are you going?"

"Because the Ouyang family will be in big trouble soon... so the young master decided to take us to the Ouyang family to help." Ghost servant said.

Hearing what the ghost servant said, that Duguxie didn't understand even more, and looked at the ghost servant in front of him and said, "What do you mean? What's the big trouble with the Ouyang family?"

The ghost servant destroyed the monster in the cave and the Yuwen family, as well as all the disasters that the Ouyang family was about to face.

After speaking out, Du Guxie was shocked.

"Then you mean that the Ouyang family is likely to face the same catastrophe as the Yuwen family?" Du Guxie asked incredulously.

"Yes, so the young master decided to leave immediately to help the Ouyang family." Ghost servant said.

Hearing what the ghost servant said, the Duguxie in front of him suddenly jumped from the hospital bed.

The ghost servant who saw Duguxie suddenly got up from the hospital bed was taken aback and shouted, "Second brother, what are you doing?"

"I want to go too... I want to go to the Ouyang family too." Duguxie said.

When the ghost servant heard that his second brother actually said that he was going to the Ouyang family, he was suddenly depressed, and quickly persuaded him and said: "Second brother, your physical injury is not healed...what are you doing? Can you go? You still have a good rest here to recuperate."

"No! I have to go." Duguxie said stubbornly.

"Second brother... listen to me. With me by the young master's side, you will do your best to protect him. You should heal your wounds here with peace of mind." The ghost servant persuaded him.

After all, Duguxie hadn't fully recovered yet.

But what a stubborn man Duguxie is, as long as he recognizes things, I am afraid that the ten donkeys pulling him will not necessarily bring him back.

"Ghost servant, don't say anything, I'm determined...tomorrow, I will rush to the Ouyang family with the young master."

This is the last word that Duguxie gave to the ghost servant.

Of course the ghost servant knew his second brother's temperament. After he couldn't persuade him, he could only sigh helplessly.

Li Tian and his brothers decided to set off the next day.

They first told Li Tian's aunt, Mu Shuiyao.

Originally, Mu Shuiyao didn't want Li Tian to take risks anymore, but there was no way, and in the end he had to agree.

After notifying his relatives, Li Tian began to tell the girls the news.

When Situ Ningbing in the room heard that Li Tian was going out again, his first reaction was to go with Li Tian.

But Li Tian said there, "Wait for me...I will finish processing things and come back soon."

When Situ Ningbing heard Li Tian say this, he didn't say anything, but looked at him affectionately and said, "Well...Since you don't let me follow you, I will wait for you."

"I just hope you have a safe journey." These are the last words of Situ Ningbing.

After Li Tian gave a deep hug to his favorite woman, he left here.

Duanmuying didn't know what was going on. I didn't see her today and didn't know where she went, so Li Tian could only tell the girl Xiaohuan of Duanmuying the news and let her pass it to her young lady.

Xiaohuan nodded with her round eyes blinking, and said nothing in the end.

Finally, Li Tian went to bid farewell to Tang Feifei, the eldest of the Tang family.

Since Tang Feifei was with Li Tian, to be honest, they have not been together often...but occasionally said a few words.

When Tang Feifei's relationship with his brothers has gradually become familiar.

Moreover, her relationship with Situ Ningbing gradually became a sister relationship, which made Li Tian feel very pleased.

After telling Tang Feifei that he was about to leave here, Tang Feifei appeared a little melancholy, and she looked at Li Tiandao in front of her with her beautiful eyes full of watery eyes and said, "Then when are you coming back?"

Li Tian smiled and looked at Tang Feifei and said, "I will be back soon."

Don Feifei bit her red lips and said, "Well..."

"I also heard Sister Ningbing tell me about your current affairs... I know you are very busy... and there will be many things to do by yourself, but I still hope you can be safe."

After hearing Tang Feifei say this, Li Tian couldn't express a sense of happiness.

"Don't worry, I will be back soon."

"You are here... just stay here with Ningbing..."

After speaking, Li Tian took a last look at Tang Feifei and left.

Li Tian is not a man with a long relationship with children, so he walked very resolutely.

The brothers at the gate of the North China Field Army Military Region were already there waiting.

This time, all the brothers set out, except for Duguxie.

At this moment, not only was Duguxie no longer, even the ghost servant did not know where he had gone.

At the gate of the North China Field Military Region, Tang Xiaolong looked around and said, "Hey, where's my master?"

"Yeah, why isn't Big Brother Gui coming?" Xue Wuhen asked, too.

The brothers beside him are also curious, why didn't the ghost servants come?

Li Tian looked around slightly depressed, his heart lined up: Why didn't the ghost servant come? Yesterday, he told the ghost servant the news?

Just as they were talking, they saw that the ghost servant's figure appeared at the back door, but behind him, there was a tall and burly figure of iron and blood.

Of course, that figure is a macho with a broken arm, Duguxie.

Chapter 1386: Ouyang Family

The moment they saw Duguxie also came, the brothers almost screamed.

"Senior Dugu?"

"How did he get out of the hospital?" Tang Xiaolong exclaimed all of a sudden. At this moment, the brothers next to him were all looking at the Duguxie who came far away in surprise, and Li Tian was even more depressed, thinking Why was Duguxie suddenly discharged from the hospital?

But seeing that Duguxie had changed into his previous clothes, his stride was still so firm, holding his sword tightly in one hand, bronze.

When seeing the ghost servants and Duguxie walking towards this side at once, the brothers around them gathered together.

"Senior Dugu... why are you discharged from the hospital?"

"Yeah, Senior Dugu, your illness is cured?" The brothers were all around and said.

But seeing Duguxie nodded slightly and said, "I'm already fine..."

"But, the doctor didn't say that you recover so quickly?" The brothers wondered there.

Duguxie said: "The doctor was talking nonsense... Actually, I'm fine for a long time."

At this moment, Li Tian also walked over, looking at Duguxie, and then at the ghost servant.

"What's going on? Why are you discharged?" Li Tiantian said.

But seeing that ghost servant became depressed, but Du Guxie suddenly said, "Young Master, my injury is completely healed...so this time I will go to the Ouyang family with you."

When Duguxie said that, Li Tian suddenly understood what was going on.

Looking at the Duguxie Dao, "Your injury is really completely healed?"

"En." Duguxie said there.

Looking at Duguxie, Li Tian glanced at the ghost servant, his expression looked a little helpless.

After seeing the expression on the ghost servant, Li Tian already knew what was going on without thinking about it. After thinking about it, he looked at Duguxie and said, "Well... since you must go with us, then Let's go..."

"It's just that you must take good care of your own body along the way..." Li Tian said there.

Dugu Xie sighed.

Li Tian knew Duguxie's temperament, so he knew in his heart that even if he tried to dissuade him, it would be useless, so he had no choice but to stop dissuading him.

After the brothers heard that Li Tian had agreed to this, they didn't say too much. In their hearts, letting Du Guxie go together was actually a happier thing.

After this decision, the brothers are ready to go.

The vehicles arranged were arranged by the North China Field Army. It only takes one day and one night to set off from here to Jinghai City. That is to say, if they set off from now, they will be able to reach Jinghai City by this time tomorrow.

After getting into the car, the brothers waved their hands and bid farewell to them one by one.

Looking at Li Tian and the figure of the brothers leaving again... Fairy Baihua and the rest of the girls were filled with reluctant expressions in their beautiful eyes.

Jinghai City.

It has always been an international metropolis.

The well-known Ouyang family in Jinghai City is even more remarkable.

As the Ouyang family, which occupies an unprecedentedly huge area in the prime area of Jinghai City, it can be described as the largest family in Jinghai City.

At this moment, the Ouyang family is still standing still in Jinghai City.

Standing at the electronic gate outside the villa group is a security guard in a suit and a smart suit. Anyone who wants to enter the villa area of the Ouyang family must pass through here.

The Ouyang family inside and outside is extremely tightly guarded.

But in the most central mansion of the Ouyang family, you can see a slender figure from a distance. She is wearing a small black suit with a pinched waist, with a small white shirt inside and a short

black suit underneath. The skirt, two slender legs are covered with black stockings, **** and beautiful.

She is the eldest lady of Ouyang family, Ouyang Shiqing.

At this moment, Ouyang Shiqing is wearing a pair of black glasses, and the whole person is an elegant and **** beauty, but on her pretty face, there is a slight melancholy color, standing there, as if Waiting for something like.

Just as Ouyang Shiqing was standing here, suddenly a man in a gray suit walked out of it.

The man has a graceful and luxurious temperament, with a national face, thick eyebrows and a straight suit.

When I walked out of it, I saw Ouyang Shiqing and walked towards him: "Dad... is Grandpa still inside?"

That man is obviously Ouyang Shiqing's father, Ouyang Zhengtian.

After Ouyang Shiqing asked in a worried tone, that Ouyang Zhengtian sighed helplessly, and said slightly, "Hey, your grandfather refuses to come out."

"Dad, what happened? How could a family as big as the Yuwen family be so cruelly slaughtered overnight?" Ouyang Shiqing asked uncontrollably.

It turned out that Jinghai City had already known about the murder of Yuwen's family.

After Ouyang Shiqing asked such questions, Ouyang Zhengtian, who was in front of her, frowned deeply and said, "This...I don't know yet."

"I don't know who the Yuwen family has offended..." said Ouyang Zhengtian.

After Ouyang Zhengtian said this, Ouyang Shiqing thought for a while and said: "The other party not only killed so many people in the Yuwen family, but also cut off the head of the Yuwen Patriarch... Obviously he has a deep hatred."

"Now the world is in chaos... I really don't know what kind of wicked person has put such a poisonous hand." Ouyang Zhengtian also said in shock.

"A family that goes hand-in-hand with our family was slaughtered overnight... the other party is really terrible." Ouyang Shiqing said in her heart.

Then Ouyang Zhengtian also said, "Your analysis is not bad at all."

"Now I am also worried about this... I don't know why, I also have a very bad premonition these days." Ouyang Zhengtian said with his thick eyebrows, raised his head.

Ouyang Shiqing thought for a while, looked at her father and said, "Dad, don't worry..."

"We're sure nothing will happen."

"I only worry about Grandpa... I don't know what his old man thinks now." I only heard that Ouyang Shiqing said slightly.

Ouyang Zhengtian said: "Your grandfather and his old man have been very depressed after hearing about the Yuwen family being slaughtered... Now his old man is still alone in the backyard."

"After all, the friendship between the Yuwen family and our family for so many years...hey." Ouyang Zhengtian said worriedly.

Then Ouyang Shiqing nodded silently: "Yes, Dad, I am also a little worried about Grandpa now."

"I think, let your grandfather be quiet... His old man doesn't seem to let outsiders disturb him now, so let's not disturb him first." Ouyang Zhengtian said there.

After hearing her father say this, Ouyang Shiqing nodded and said, "Well then..."

After speaking, Ouyang Shiqing retreated.

Chapter 1387: Man in the night

The massacre of the Yuwen family did spread very quickly.

Not only was Li Tian and the others already aware of the news, of course, the Ouyang family also knew the unfortunate thing that happened to the Yuwen family for the first time.

The Ouyang family, one of the four big families that go hand in hand with the Yuwen family, can be said to be panic.

No one knows exactly what happened to the Yuwen family, let alone what kind of horror figure it was that could punish all of the more than 100 living characters of the Yuwen family overnight!

The method is more than cruel... It can be said to be cruel and inhuman.

When Ouyang Wujiang, the old man of the Ouyang family, knew the terrible news for the first time, the old man's body and mind was severely hit.

The old man in the past few days has been in the ancestral hall behind and rarely comes out.

Everyone knew that the old man Ouyang and Yuwen Huangji had a good friendship...After all, many of the older generations had died.

But I didn't expect that Yuwen Huangji would be cut off so suddenly... As the older generation of Ouyang, of course, his body and mind was greatly affected.

The ancestral hall in the backyard has always been the place where Father Ouyang stayed.

The old house feels vicissitudes of life and sadness.

The courtyard was covered with yellow leaves, and the big tree that had been growing for a hundred years also gave people a sense of desolation.

Deep in the ancestral hall, but I saw an old figure standing motionless there.

His waist is straight and he is tall, but he still feels desolate. There are almost no black threads on his gray hair. Two thin old hands are standing with their backs on their backs, wearing a gray cloth over him. On the body.

He is the founder of the Ouyang family, Ouyang Wujiang.

The old man was standing in the deep courtyard at the moment, the old face covered with desolation and wrinkles was looking at the hundred-year-old tree in front of him like that, watching there, not knowing what he was looking at...

One by one, the yellow leaves fell from the big tree into the air, and then one after another from the air to the ground.

And the old man Ouyang was watching there.

Suddenly he couldn't help sighing.

"Brother Yuwen...Unexpectedly, you died so miserably." A word suddenly came out of Old Man Ouyang's mouth.

"If Ouyang Wujiang is still alive for the rest of my life, I will definitely collect more than a hundred lives and blood debts of your family for your brother Yuwen." The vows came from the old man Ouyang.

As a friend of the older generation, Ouyang Wujiang certainly felt a little heartache for the dead Yuwen Huangji.

So no matter what, Father Ouyang still has to ask for some justice for the dead old friend.

Old man Ouyang carried his hands on his back, and his thick white eyebrows were deeply frowned...

He was thinking in his mind, what kind of cruel character would actually be such a serious attack on the Ouyang family.

But no matter what Old Ouyang thought, he didn't want to understand who had such a great hatred of Yuwen family... and who could have such a terrifying and cruel method!

Since the loss of the ancient artifact, Xuanyuan Sword, the Yuwen family has been in a low-key state, and seldom asks about things in the world, who? Who is so cruel and cruel to slaughter the entire Yuwen family so clean?

Ouyang, who thought for a while, walked into his ancestral hall step by step.

Judging from his back, this old man, who was once a domineering man, is indeed old now.

After Elder Ouyang returned to his ancestral hall room, he closed the door tightly.

He himself sat cross-legged in front of the Buddha statue in the middle of the ancestral hall and quietly began to recite the Buddha.

The night came slowly.

Darkness quickly covered the entire earth like a demon. At this time, within the Ouyang family, a fast black shadow suddenly jumped in from an unobtrusive corner of the Ouyang family.

It can be said that apart from the Ouyang family, almost no outsider knows about that corner, but now how can a black shadow break in quickly and absolutely?

Who?

When the black shadow quickly broke into the Ouyang family, he first glanced around cautiously, and then he turned around thinking about the back of the villa group and came quickly.

Judging from the sensitivity of his movements and direction, this guy seemed to be extremely familiar with the Ouyang family.

Because there are many villas in the Ouyang family, to put it bluntly, if a stranger comes here in the dark, he will probably get lost on the spot, but he is different. He seems to be familiar with the environment here, even the Ouyang family. He can know where someone is guarding it.

At this moment, after bypassing the guards inside the Ouyang family, he shrank and walked quickly in the rearmost direction.

It looks like this guy came to the ancestral hall behind!

Everyone knew that the ancestral hall behind was the place where the old man Ouyang lived alone. Could it be that this guy in the dark went looking for him?

As expected, this guy took advantage of the dark night and quickly walked towards the last ancestral hall where the old man Ouyang lived.

When he arrived at the ancestral hall behind the people, he first looked around cautiously... then glanced at the ancestral hall in front of him...

As soon as he stretched his body, he easily swept up the courtyard wall outside the ancestral hall.

After he reached the top of the wall, he swept down from the top of the wall again. When his feet fell on the ground, there was no sound at all. Taking advantage of the darkness, he stepped closer to this side. The wooden door of the ancestral hall came over.

What about the old man Ouyang in the ancestral hall?

Fell asleep? Or do you recite Buddhist scriptures there?

At this moment, I saw that there was no light in the ancestral hall. The only thing I could see was the old man Ouyang sitting cross-legged in front of the Buddha statue...

Just as the figure in the dark night was about to reach the door of the ancestral hall, the old man Ouyang, who was chanting and chanting with his eyes closed, suddenly sighed softly.

"Your Excellency came to the old room in the dark... I don't know what I intend!"

Suddenly a word came out of the mouth of the old man Ouyang who was sitting quietly in front of the Buddha statue in the dark.

It turned out that the old man Ouyang had already noticed the people coming in the night...It can be said that the moment he approached the ancestral hall, the old man Ouyang noticed it, but the old man did not directly say it.

The current old man Ouyang suddenly said something, but his eyes were still slightly closed... even his whole body didn't even move.

Chapter 1388: Ouyang Longyan's Confession

At the moment when Father Ouyang's words suddenly came out, the black figure outside suddenly paused.

Then he did not hide, but slowly opened the wooden door of the ancestral hall in front of him.

The moment the wooden door cup of the ancestral hall was pushed open, his figure appeared in front of the door.

What about Father Ouyang? Still sitting cross-legged slightly, eyes closed.

"father."

Suddenly, a shout came out from the black shadow behind him with guilt, and when he shouted out the words Father, his two legs fell on his knees with a thump.

he?

he is.....

Ouyang Longyan!

Yes, he is Ouyang Longyan who came back from Liaobei Province to help his family, and he is also the youngest son of the old man.

The moment he heard the word "father", the Buddha beads in the hands of the old man Ouyang suddenly stood there... and the old man also trembled slightly at that moment.

Then his body slowly turned around, looking at his biological son who was kneeling before him in the dark.

Once upon a time, this elderly old man was thinking of his youngest son. Once upon a time, he was also proud of his youngest son's intelligence... But all this was dazzling... Everything was so long.

Ouyang Longyan has almost forgotten how many years he has left the Ouyang family...

Since he was nineteen years old, he has practiced the catkins swordsmanship taught to him by the old man Ouyang, this guy has since disappeared.

No one knows where Ouyang Longyan has gone, and no one knows whether he is dead or alive.

This child, who was always called a "prodigy" by the outside world, disappeared for so many years.

After so many years, this Ouyang Longyan has been almost completely forgotten by the people of the Ouyang family...except for the old man.

He did not expect that he would come back now.

"you....."

"You finally...finally came back." Father Ouyang said with a light trembling voice in the dark.

Ouyang Longyan, who was kneeling in the darkness in front of the old man Ouyang, knelt on the ground with guilt, and said to the old man: "Father, I was wrong..."

"I'm back." A word came out of Ouyang Longyan's mouth.

When the old man Ouyang was in the dark, the eyes of Shuanglongjiong had become ruddy...

There was also some choking in the voice.

In front of him is his son, his son who has been away from home for many years.

This son, Ouyang, always thought he was dead... but he didn't expect that he was really alive and really came back.

"It's almost thirty years... It's been almost thirty years... Didn't you even know that you would go home?" Father Ouyang suddenly sighed slightly in the dark.

How unwilling this sigh was, how many years wasted.

But I saw Ouyang Longyan, who was kneeling on the ground, lowered his head and said, "Father, the child is wrong."

"The boy actually missed his father, and my brothers...but...but the boy went the wrong way...the boy couldn't turn his head...so he kept drifting away." Ouyang Longyan said painfully.

Yes, Ouyang Longyan did go the wrong way.

It is almost impossible for him to even look back.

"Tell me, where have you been all these years?"

"And why did you run away from home back then?" Father Ouyang suddenly asked his own son's words slightly. His eyes were wet, dripping drop by drop from his old face.

But seeing that Ouyang Longyan who was kneeling on the ground said in remorse: "The child was young and energetic, and thought that his kung fu had already achieved something, so he wanted to run away from home and go out for a while... so he left. It's..."

"But then I met someone... a particularly powerful person. I couldn't resist even ten tricks under his hand. In desperation, I had no choice but to admit defeat, and that was the referral of that bastard... I entered a A terrifying and mysterious organization... From that moment, I knew I was wrong, and I was completely controlled by them... The child regretted and wanted to leave the organization, but the organization was terrible... They not only controlled it with poison For all of us...and we also know everything about our families...If anyone dared to betray this organization, they will definitely suffer the disaster of destruction... There is no way for the child... Organization..." Ouyang Longyan said painfully about his past.

Father Ouyang has been listening quietly to what he said. His tears flowed to the cold ground. He did not wipe it with his hands, but suddenly asked again: "Who was the one who defeated you back then? ?"

"My boy doesn't know..." Ouyang Longyan said regretfully, kneeling on the ground.

"Because he never let the child see him in real life."

"Baby only knows that he is the master of the gate of hell, and it is precisely because of that ***** that he has been controlled by him for so many years as a killing machine." Ouyang Longyan said slowly there.

"Hey, it seems that you have really joined that terrible organization, the gate of hell!" Suddenly, a word came out painfully from the old man Ouyang.

When the old man Ouyang suddenly said this sentence, Ouyang Longyan in front of him bowed his head deeply, kneeling there, he regretted, regretted his childhood ignorance, regretted his youthful frivolousness.

If there is regret medicine, I believe that Ouyang Longyan in front of me will never choose to escape his family back then!

But there is no regret medicine in life!

"Niezi...Ah..." Suddenly the three words came out from the mouth of the old man Ouyang.

In the dark, but seeing that old man Ouyang suddenly turned his domineering face, he glared at his own son, whom he hadn't seen for many years.

"I ask you, back then, my old friend, Kunlun Fengqingzi was killed by your evil son?" The old man Ouyang roared with terrible murderousness, staring at his son of Qinsheng in front of him.

There was a sting like a needle in his heart.

But seeing that Ouyang Longyan who was kneeling on the ground did not expect that his father would mention the old predecessor: Kunlun Fengqingzi.

When he heard this name, Ouyang Longyan was immediately confused.

Then he bowed his head deeply...

"It's me... I... killed it." Just like that, a sentence came out of Ouyang Longyan's mouth.

Kunlun Fengqingzi?

The worldly expert who died in a small forest outside Jinghai City.

That kind and uncontroversial old man was indeed forced to kill in the wild woods outside Jinghai City by Ouyang Longyan, alcoholics, and the ecstasy.

Chapter 1389: serious situation

At this moment, after hearing that Ouyang Longyan had admitted to the murder of Kunlun Fengqingzi, the old man in front of him was suddenly full of terrible murderous aura.

"You bastard..." Suddenly the old man Ouyang roared.

His eyes became blood red all over... the tall body was shaking with anger at this moment.

"Why... why do you want to kill Feng Lao?" The old man Ouyang in front of him roared with red eyes.

He was full of terrifying murderous aura, as if he didn't know his own son at all at this moment.

But seeing Ouyang Longyan kneeling deeply on the ground, there was no explanation, no rebuttal, and some just silent silence.

He bowed his head deeply and knelt on the ground with his legs.

"Do you know Feng Lao's friendship with me?"

"Do you know that I used to swear in front of Feng Lao's corpse... I must avenge him?" Old man Ouyang suddenly roared there.

Ouyang Longyan was still silent on his knees on the ground.

"Hey...you're back late..." Suddenly the old man Ouyang spat out a word.

Suddenly Ouyang Longyan lifted that face in the dark and looked at the old man in front of him.

"Father... you... you really... want to kill me?" Ouyang Longyan looked at the old man in disbelief.

But seeing the old man's eyes moist, he glanced at his own son in front of him, and his body trembled slightly.

"Yes."

"Heaven does iniquity, you can live, you do iniquity, you cannot live."

"All of this is your own choice." Father Ouyang said in that heartache.

When Ouyang Longyan knelt on the ground at this moment and heard his father's words, his whole body seemed to be dumbfounded, kneeling there stupidly.

"Child, don't worry... After you die, I will put your ashes in the ancestral hall of our Ouyang family." Elder Ouyang said there at last.

Ouyang Longyan, who was kneeling on the ground, had already bowed his head deeply at this moment, as if waiting for the moment of death.

The vigorous palm of the old man Ouyang has been slightly lifted at this moment, a palm full of domineering power is definitely not a joke, if such a palm hits the head of Ouyang Longyan, Ouyang Longyan will surely die on the spot.

Will Father Ouyang really do it?

He slowly raised his hand, and the wet corners of his eyes had already turned away, as if he could not bear to look at his own son.

Then he slapped his own son with a fierce palm.

He seems to really want to do something, really want to kill his own son?

Just when his palm was about to hit the Ouyang Longyan Tianling Cap, suddenly Ouyang Longyan, who was kneeling on the ground, trembling and shouting: "Father...before killing me, I must tell you something important. It's a matter of life and death for our Ouyang family."

After the old man Ouyang suddenly heard his son say this, his palm full of energy stopped in front of the face of Ouyang Longyan.

Then asked: "What's the matter?"

"Father, I don't ask for your forgiveness when I come back this time... But, Ouyang Longyan must be Ouyang... So I must tell my father about this."

After hearing his biological son say this, the old man Ouyang was taken aback.

"Father, the Yuwen family has been completely destroyed, and the rest of our Ouyang family will immediately face the disaster... So I implore my father to spare the child's life... Let the child help our family, even if it is dead, I will also do my best to protect our family." Ouyang Longyan said there.

After listening to Ouyang Longyan suddenly saying this, the old man Ouyang immediately asked, "Do you know who killed the Yuwen family?"

"I know." Ouyang Longyan said.

"Who?" Suddenly, a roar and question came out of Old Man Ouyang's mouth.

But seeing that Ouyang Longyan, who was kneeling on the ground, said in the darkness: "It's the monster from decades ago...it was the monster that you and the Yuwen family used to force him to jump off the cliff on Luan Mountain."

When Ouyang Longyan suddenly said this sentence, the expression of the old man Ouyang changed in this instant. First of all, he couldn't believe it, and then there was a slight fear in his eyes. look.

"You...you said...is it him?"

"That monster? Still... still alive?" The old man Ouyang asked in disbelief with a trace of panic on his face.

But seeing Ouyang Longyan kneeling on the ground and saying, "Yes."

"He is still alive..."

"After he was forced to jump off the cliff by you, he did not die, but suffered a very serious body injury, but he happened to be saved by the master of the gate of hell." Ouyang Longyan said.

After Ouyang Longyan said so, that old man Ouyang was quite shocked.

"What? That monster was saved by the master of the gate of hell?" Father Ouyang said in shock.

"Yes."

"After being rescued... he has been hidden in the devil's cave... Later, the master of the **** gate asked the monster to kill the evil god... but the monster did not agree, so the master of the **** gate imprisoned that The monster has been imprisoned in the magic cave under Luan Mountain until more than ten days ago, the master of the gate of **** decided to release the monster...so the monster began to kill."

After Ouyang Longyan's words, the palm of the old man Ouyang placed on top of his biological son Tianling Gai was slightly retracted at this moment, and an uneasy expression suddenly appeared on that old face.

"If he is really alive... he will definitely come back to take revenge." The old man Ouyang said suddenly.

Old man Ouyang can still remember the **** oath that the monster made when he was forced on Luan Mountain. He once said: If he is still alive, all the four families must be destroyed... Stay.

Now, I can't think that the abnormal monster is really still alive, and has really returned **** revenge.

Thinking of this, there was a slight fright in the eyes of the old man Ouyang.

"Father, I hope you will tell everyone in our family as soon as possible...let them beware of that monster from now on..."

"I saw the demise of the Yuwen family with my own eyes a few days ago... That monster is really cruel." Ouyang Longyan said on his knees.

Old man Ouyang didn't speak, but was walking back and forth in the entire ancestral hall with two old hands on his back.

His figure is a little rickety, and the twin dragon's eyes are full of worry at this moment.

Obviously, even the old man Ouyang in front of him felt the severity of the situation.

Chapter 1390: living people

"Father, please allow the child to stay and do something to help the family. After this incident, the child is willing to die for the life of Feng Lao." Ouyang Longyan knelt on the ground and said to the old man in front of him.

Old man Ouyang glanced at him, and then said nothing, turned around and walked out of the dark ancestral hall alone, leaving only Ouyang Longyan kneeling in the room.

Ouyang Longyan knelt there as he looked at his father who was leaving, with tears dripping from the corner of his eyes, but he was swallowed by the dark moment.

At this moment, apart from the old man, no one in the Ouyang family knew about the monster Yin and Yang, so the entire Ouyang family was not very guarded.

At the electronic gate of the Ouyang family at the moment, an Audi a4 rushing over suddenly drove over here like crazy.

The car was swaying, but it drove extremely fast.

He stopped at the moment he reached the gate of the Ouyang family.

Following the violent noise from the tires and the ground, the security guards standing at the gate of the Ouyang family not only raised their eyes and looked at the Audi a4.

But seeing the car door slammed open immediately, at the moment it opened, I saw a man in his 50s with a haggard face and red eyes quickly ran out of the car.

His eyes were bloodshot, as if he hadn't slept for days and nights.

The moment he ran out, he rushed towards the main entrance of the Ouyang family crazy.

"Hey Hey hey....."

"What are you doing?"

Just when the man in his 50s with bloodshot eyes suddenly rushed towards the Ouyang family, several security guards at the door suddenly shouted, and then went up and stopped him there.

"I'm looking for Patriarch Ouyang..."

"I have a big deal." The man's voice was hoarse and he rushed toward this side.

But it was stopped by a few security guards at the door.

"madman?"

"It's a lunatic..."

"who are you?"

"Why are you looking for our Patriarch?"

After the 56 security guards grabbed the haggard face in front of him and the bloodshot man in his eyes, they couldn't help but questioned there.

But seeing the person with bloodshot eyes, he said in a hoarse voice: "Trouble you...hurry up... let us in... I want to tell your Patriarch... tell him... that disaster will come to Ouyang family."

"You nonsense lunatic, if you talk nonsense here again, don't blame us for being impolite." The security guard of the Ouyang family standing at the door of course hates this seemingly insane person, and now I want to chase him. go.

"I'm not talking nonsense... I am from the Yuwen family!"

"Please help me tell your Patriarch... My name is Ubunzo... Please... Please let me see your Patriarch."

The man at the moment said his identity all at once.

Ubunzo?

Is he the only big steward Uwenzang who escaped from the Yuwen family?

Yes, it is indeed him.

Unexpectedly, after this Yuwenzang escaped from the family alone, he saw the whole family plunged into a **** sea of fire. From that moment, Yuwenzang knew that his family was really over...really destroyed.

Only Yuwen Zang who survived watched his entire family brutally slaughtered by the monster, he drove to Jinghai City by himself like crazy.

Arriving in Jinghai City from Northern Liaoning Province, this Yuwen Zang drove for 2 days and 2 nights. He did not dare to delay coming here to report to the Ouyang family.

Now he can't wait to see the old man of the Ouyang family immediately.

He said that the security guards had already treated this gibberish, haggard-faced guy as a lunatic, but when he was talking about the Yuwen family, the security guards in front of him were suddenly taken aback.

As the security guards of the Ouyang family, of course they have heard about the slaughter of the Yuwen family these days. So when they heard that this guy claimed to be the butler of the destroyed Yuwen family, they were slightly taken aback.

"Are you really from the Yuwen family?" Just listen to one of the smart security guards hurriedly asking.

"Yes, I am....."

"I am the only one who escaped from the Yuwen family..."

"If you don't believe me, you can call your Patriarch... He knows me... He knows me." Yuwen said in a hoarse voice.

But after seeing the few security guards in front of me thinking about it, the young security guard who only heard the question just said, "Let's do it, then you stay here first... I'll report to our Patriarch."

"Thank you...Thank you..." Na Yuwen hidden in there, kowtow and said gratefully.

So the young security guard quickly walked towards the villa of the Ouyang family.

When he arrived at the main hall of the Ouyang family, he saw that Ouyang Zhengtian was talking to the person next to him.

"Report to the Patriarch, at the gate there is a person claiming to be the only living in the Yuwen family who came to take refuge... We don't know if that person is true or not? Would the Patriarch decide?" the young security guard in front of him said there.

When the security guard just uttered the four words of Yuwen Family, Ouyang Zhengtian was stunned.

"what did you say?"

"A member of the Yuwen family?" Ouyang Zhengtian asked in horror.

But seeing the security guard there saying: "Yes, the owner of the house, the man claimed to be Ubunzo... his face was haggard, and his expression was as if he was mad, shouting at the gate to see you."

After the security guard said this, Ouyang Zhengtian's expression suddenly shocked.

"Uwenzang?"

"The chief steward of the Yuwen family, Yuwenzang? Is he still alive?" Of course Ouyang Zhengtian knew that Yuwenzang.

As the former butler of the Yuwen family, Yuwenzang once followed that Yuwen Emperor to the Ouyang family, so Ouyang Zhengtian in front of him was quite shocked when he heard the name of the great butler Yuwenzang.

"Oh my god! Didn't it mean that all the Yuwen family members died?"

"Why is there a living person who escaped?" Ouyang Zhengtian was thinking about this question in shock.

Suddenly he raised his Guozi face and hurriedly asked, "Is he there now?"

"Just outside the gate..." the security guard said quickly.

Ouyang Zhengtian said immediately: "Take me over and have a look."

As Ouyang Zhengtian finished speaking, the security guard quickly said yes, and then made up and quickly walked towards the gate with Ouyang Zhengtian in front of him.
