

A Killer 1391

Chapter 1391: Darkness is coming

Ouyang Zhengtian was shocked while walking.

Is Yuwenzang really alive?

Is he really the only living person in the Yuwen family?

At this moment, after Ouyang Zhengtian quickly followed the security guard to the electronic gate of the Ouyang family, Ouyang Zhengtian really saw the Yuwen Zang at the gate at a glance.

But at this moment, Yu Wen Zang's eyes were bloodshot and his body was dirty, staying there as if he hadn't rested for days or nights.

When Ouyang Zhengtian really saw that it was Yuwenzang, the chief steward of the Yuwen family, he walked over with excitement.

"Brother Yuwen... really you?" At this moment, Ouyang Zhengtian walked over quickly.

But the moment Na Yuwenzang saw Ouyang Zhengtian, he ran over as if seeing hope.

"Patriarch Ouyang..."

"Brother Yuwen...what the **** happened? How did you...how do you feel this way?" Ouyang Zhengtian in front of him saw that Yuwenzang's clothes were disheveled and his eyes were covered with bloodshot eyes. I didn't live there and quickly asked.

But when I saw that Yuwen had red eyes and said, "We...our family...finished..."

Ouyang Zhengtian already knew the news of the murder of Yuwen's family, so he was not too shocked.

At this moment, I saw Ouyang Zhengtian continuing to ask, "Brother Yuwen...who is it? What kind of cruel character is it for such a vicious hand under your Yuwen family?"

"It's that monster... that monster was born." When Yu Wen Zang in front of him said the name of the monster, his eyes were filled with fear and anger.

But when Ouyang Zhengtian suddenly heard this Yuwenzang talking about the monster, his brow couldn't help but wrinkle slightly.

"monster?"

Just when Ouyang Zhengtian was about to continue asking, but seeing that Yuwen Zang suddenly turned black, his whole body fell to the ground with a plop.

He is dizzy!

It turns out that Yuwen Zang, the head of the Yuwen family who has not rested for these two days and nights, is really tired.

As a result, his tired body at the moment couldn't hold on, and with a plop, his whole body fainted to the ground.

After seeing Yuwenzang fainted, Ouyang Zhengtian quickly shouted to his men next to him: "Come here... bring him in..."

After hearing the orders of their Patriarch, the subordinates rushed over immediately, and then quickly lifted the unconscious Yuwen Zang and walked quickly towards the inside of the Yuwen family.

And Ouyang Zhengtian, who followed, wrinkled his brows deeply, thinking about the words that Yuwen Hidden said just now: Monster...that monster did it!

What monster?

Ouyang Zhengtian really didn't understand.

It seems that everything can only be known after Na Yuwen Zang wakes up.

After thinking about it this way, Ouyang Zhengtian stepped quickly towards the front.

"Big brother, what happened?"

"Yes, brother, we heard that there are still alive people in the Yuwen family? Really?"

"Didn't it mean that all members of the Yuwen family were killed... Is there really someone alive?"

But in the main hall of the Ouyang family, the second child of the Ouyang family, Ouyang Lie, and the third child, Ouyang Hua, couldn't help but curiously asked Ouyang Zhengtian in front of him.

In the past few days, the entire Ouyang family is concerned about the actions of the Yuwen family, so this will be Ouyang Lie, and Ouyang Hua hastily hurried after hearing that there is a living person from the Yuwen family here. Come over and ask,

But seeing Ouyang Zhengtian sitting at the top frowned and said, "Yes, there is indeed one person living in the Yuwen family so far."

"This person is Yuwenzang, the chief steward of the Yuwen family."

"Uwenzang?"

"Is he still alive?" After hearing Ouyang Zhengtian say this, both Ouyang Lie and Ouyang Hua couldn't help being taken aback.

"Big brother, then you ask him if he... what kind of cruel character is it for the Yuwen family?"

"Yeah, what kind of perverted murderer killed more than 100 people in the Ouyang family overnight, but all of them?" Ouyang Lie and Ouyang Hua both couldn't help asking.

Then Ouyang Zhengtian said: "He hasn't said yet... he only said it was done by a monster."

"Monster?" When Ouyang Hua and Ouyang Lie heard that Ouyang Zhengtian in front of them suddenly said the word monster, they were immediately depressed.

Not only did the two look at each other, they both expressed their incomprehension about the meaning of this sentence.

"I don't think you need to worry...When Yuwenzang is sober, you will naturally know what kind of person is the poisonous hand to Yuwen family." said Ouyang Zhengtian in front of him.

After more than two hours of self-cultivation, the unconscious Uwen Zang finally came to his senses.

After he was sober, the men hurriedly called Ouyang Zhengtian over.

Ouyang Zhengtian, the second child Ouyang Lie, and the third child Ouyang Hua rushed over after hearing that Yuwenzang was sober.

"Brother Yuwen, you are awake." But seeing Ouyang Zhengtian walking along with his two brothers, he said to the sober Yuwenzang.

Although Yuwen Zang was awake, his eyes were still covered with scarlet blood.

Ouyang Zhengtian, who was looking in front of him, said: "Patriarch Ouyang, thank you for taking care of me, a bereaved person."

"Brother Yuwen, don't say that...what is the relationship between the Yuwen family and my Ouyang family?"

"You are here, don't be restrained... it's just your own home at that time." Ouyang Zhengtian said in a polite way.

But seeing that Yuwenzang's face showed a sorrow, and his eyes were sitting there with a deep painful color.

Glancing at the Yuwenzang in front of him, Ouyang Zhengtian finally couldn't help but asked, "Brother Yuwen...Although I know that this question is a bit inappropriate, I still have to ask...Brother Yuwen, what is it? Who made your family...make your family... like that?"

After Ouyang Zhengtian asked, Na Yuwenzang clenched his trembling fist tightly, and said with infinite hatred in his eyes: "It's that monster...that monster more than twenty years ago."

When I heard Yuwen Zang suddenly saying that it was a monster more than 20 years ago, Ouyang Zhengtian, Ouyang Hua beside him, and Ouyang Lie were all taken aback.

"Monster? What monster?" They not only asked in unison.

"Yin and Yang people." The three characters suddenly came out of Yuwenzang's mouth.

When the three words Yin Yang Ren suddenly came out of Yu Wen Zang's mouth, Ouyang Zhengtian in front of him, Ouyang Hua and Ouyang Lie beside him could not help screaming together.

"what?"

"Yin and Yang?"

Chapter 1392: Panic

The name of this "yin and yang person" seems to be a symbol of the devil. When listening to the ears of the Ouyang family, it also makes all people unable to help being completely shocked, especially Ouyang Zhengtian and Ouyang Lie in front of them. And the three of Ouyanghua, not only did they all reveal a terrible light of fear in their eyes! !

"That old demon... old demon... isn't it dead?" Ouyang Lie suddenly blushed and roared there.

The Ouyang Hua in front of him also quickly said: "Yes, that old demon was on Luan Mountain...didn't he jump off the cliff and kill himself?"

"He...he...he... how could he be alive?" The three of them couldn't help but exclaimed Yuwen Zang who was looking in front of him.

They all feel incredible.

Obviously the three of them knew the evil demon: the yin and yang people.

After the three people in front of them asked in surprise, they saw that Yuwen Zangdao said: "It's him! It's him."

"This demon is not dead... he is not dead."

"Now he is back out of the arena... to avenge the blood and blood of the year." Yuwen hiding in front of him said.

"The reason why I came here overnight is to remind you of the Ouyang family...because the next target that the demon will slaughter is you." Yu Wenzang said.

At the moment when I heard Yu Wen Zang saying this, Ouyang Zhengtian in front of him, including Ouyang Lie and Ouyang Hua in front of him, was completely stunned.

There was an unprecedented sense of fear in the eyes of the three of them.

The sense of fear came from my heart, as if I felt that the most terrible thing was about to be old.

"Is this demon really not dead?" Suddenly Ouyang Zhengtian murmured in his mouth, his expression was extremely ugly.

Ouyang Lie, the second child next to him, asked Ouyang Zhengtian fiercely at this moment: "Big Brother...If that old demon is really alive and really comes back for revenge, it must be done by us..."

"The battle at Luanshan back then, but the demon that our family took the lead to deal with..." Ouyang Lie said there.

Why doesn't Ouyang Zhengtian know about this?

Twenty years ago, the three brothers participated in the fight against the demon.

On Luan Mountain, the murderous spirit is dignified, with old man Ouyang as the leader, then Yuwen Emperor, and numerous masters besieging the demon...In the end, the demon was outnumbered and was finally injured by the hands of the old man. The demon was killed directly, but let him solve it by himself... But the demon did not repent at all before he died. He had taken a **** oath before he died. He said that as long as he is still alive, It will surely make the Ouyang family and the Yuwen family pay the blood debts, and let the two big families die... After the terrible oath was spoken in his mouth, the demon chose to commit suicide by jumping off the cliff.

Who could have predicted that after more than 20 years, that demon is not dead now? It would make a comeback... and such a huge Yuwen family was slaughtered by him overnight! Even the head of the Yuwen family, Yuwen Huangji, died in his hands.

Thinking of this, Ouyang Zhengtian and the two brothers around him, not only showed a look of fear on their faces.

A black cloud suddenly enveloped the entire Ouyang family.

"Brother, what should I do?"

"Now that demon is still alive... Let's... how can we resist him?" The third oldest Ouyang Hua asked in shock.

You know, when they dealt with that yin and yang, so many masters dealt with it together... and there is also a huge Yuwen family. Now the Yuwen family has been completely wiped out. The demon must have more skill than more than twenty years ago. Horror, even more powerful... Now that he is here, how can he resist?

But seeing that Ouyang Zhengtian's complexion was extremely ugly, he set off for a while, and suddenly raised his eyebrows and said, "From now on...you start to send people around the Ouyang family to take precautions...remember that there is a disturbance Report it to us immediately."

Then Ouyang Lie and Ouyang Hua not only said yes in unison!

Then Ouyang Zhengtian said at the moment: "I have to go and tell my father about this immediately."

After Ouyang Zhengtian made such a decision, the three brothers immediately began to arrange their own affairs.

From this moment on, the entire originally quiet Ouyang family suddenly fell into a panic.

The family also arranged a lot of people to guard there, the back door, the front door, and the side door are all guarded.

Not only that, but even the entire villa began to have bodyguards from the Ouyang family patrolling over and over again.

Most of the people in the Ouyang family don't know what happened... The only thing they know is that any direct line of the Ouyang family, as well as members of the branch, are not allowed to leave the family one step from this moment. They are all suspicious in their hearts. What exactly happened? Why did the Ouyang family suddenly fall into a state of high alert? Although they all had questions in their hearts, they had to listen to the words of Patriarch Ouyang.

When Ouyang Zhengtian knew for the first time that it was the demon "yin and yang man" who had come out of the arena, he was ready to quickly tell his father about this matter.

Because Ouyang Zhengtian had a deep understanding of the power of the Demon Yin and Yang people back then, his level of horror was definitely beyond ordinary people's imagination...So even as Ouyang Patriarch, he was not only worried, afraid.

He knew in his heart what kind of catastrophe the current family was facing. If it was really an oversight, it is very likely that the current Ouyang family will face the same terrible disaster as the Yuwen family.

The whole clan was destroyed.

Therefore, Ouyang Zhengtian in this meeting hurried to find the old man Ouyang, he wanted to tell him the terrible news that the demon was born.

But seeing Ouyang Zhengtian quickly walked to the ancestral hall behind the Ouyang family, he quickly pushed open the door and walked in.

After walking in, he shouted: "Father..."

"father."

But the wooden door of the ancestral hall was tightly closed there.

There was no echo.

When Ouyang Zhengtian heard that there was no sound, he was not only taken aback, and then walked towards the ancestral hall.

After pushing open the heavy wooden door, it was discovered that the ancestral hall was actually empty.

Father Ouyang is not here?

"Father is not there?"

"Where did he go?" Ouyang Zhengtian in front of him suddenly looked around suspiciously.

Then he quickly ran out to find the old man Ouyang.

Chapter 1393: Father's decision

Where's Mr. Ouyang?

Where did the others go? Why isn't it in the ancestral hall where he often stays behind?

I saw an old figure walking step by step around the villa of the Ouyang family. .

He was watching the layout of the entire family there, as if observing the entire defense of the Ouyang family.

At this moment, after hearing the voice of Ouyang Zhengtian yelling his father, the figure of the old man in front of him stretched, and then he quickly flew towards that Ouyang Zhengtian.

"Zhengtian, are you looking for me?" Suddenly the figure of Old Man Ouyang flew over.

After seeing his father, Ouyang Zhengtian ran over quickly.

"Father, something serious happened." A word came out of Ouyang Zhengtian's mouth. At the same time, Ouyang Zhengtian's expression was extremely ugly.

The old man looked at Ouyang Zhengtian slightly and asked, "What's the matter?"

"We know who killed the Yuwen family..."

"It turns out that the monster more than 20 years ago came back for revenge..."

"The yin and yang person... the yin and yang person is not dead yet... he is back, and it is this monster who killed the Yuwen family to the whole family." Ouyang Zhengtian said in horror.

After Ouyang Zhengtian told about the Yin and Yang person, but seeing the old man in front of him was not moved at all, as if the news did not surprise him at all.

"I see." The old man in front of him suddenly sighed and said.

When Ouyang Zhengtian saw his father showing such a plain attitude, he couldn't help but be taken aback.

"Father... don't you feel surprised at all? The demon back then... but he committed suicide by jumping off the cliff! Unexpectedly, he did not die, he came back." Ouyang Zhengtian said.

But seeing the old man slowly twisting his vicissitudes of old face and saying: "I already knew that the demon was born."

"what?"

"Father, do you know?"

"How did you know?" Ouyang Zhengtian asked inexplicably.

He thought his father didn't know the news of the Yin-Yang person's birth, but he didn't expect that the old man would have known it in advance.

But seeing the old man in front of him did not answer his words.

He just carried his hands on his back, pacing solemnly on that face.

"Yin and Yang people are not dead?"

"Hey... I didn't expect that the old man was so soft-hearted that he would cause such a disaster... and let Brother Yuwen die tragically in the hands of the demon." The old man suddenly rebuked himself there.

More than twenty years ago, the old man Ouyang in front of him indeed had the opportunity to get rid of the demon himself.

However, the old man at that time softened his heart and made the demon yin and yang person choose to commit suicide.

But I didn't expect that the monster didn't die after jumping off the cliff, so the old man Ouyang of this meeting regretted it very much when he remembered it.

"Father, what shall we do now?"

"Now that demon will definitely be detrimental to our family..." Ouyang Zhengtian said worriedly there.

But seeing the old man frowning deep there, there is no doubt that even old man Ouyang was in deep fear.

His fear is not that of himself, but of his family members.

His Ouyang family is bigger than the Yuwen family... If that monster comes to kill him, I don't know how many people will die here.

After thinking about this, Ouyang finally made a decision.

He turned his head and looked at Ouyang Zhengtian in front of him and said, "You let the members of the family branch... and the old and weak women and children leave as soon as possible."

go away?

When Ouyang Zhengtian suddenly heard his old father say this, he was obviously taken aback.

"Father? You mean to let them go?" Ouyang Zhengtian asked in disbelief.

But seeing the old man sighed there and said: "Yes."

"Only in this way can casualties be reduced..."

"No one knows that demon better than I... If he really comes to us for revenge, he will surely kill him... This demon is extremely cruel and kills countless people. He will not let anyone go. So you hurry up and arrange for them to leave the family as soon as possible." Father Ouyang sighed helplessly.

Unexpectedly, when a huge Ouyang family heard that the demon yin and yang were about to come, they were also so afraid?

It seems that the terrifying monster that has been in the Devil's Cave for decades is really ferocious and can be called the arrival of the devil.

When Ouyang Zhengtian heard his father say this, he nodded helplessly, "Okay, father, I will arrange them to leave safely as soon as possible."

"Father, what shall we do? Resist the demon?" Ouyang Zhengtian asked, looking at the old man.

The old man blinked his eyes and looked at the gray sky and said: "The old man didn't kill the demon himself by himself more than 20 years ago... I hope I can break with him this time."

After the old man made this decision, Ouyang Zhengtian did not have too many opinions, and nodded deeply there. ,

"Okay, I'll make arrangements right away."

After Ouyang Zhengtian finished speaking, he was ready to leave.

Just as Ouyang Zhengtian was preparing for Li Tian, the old man suddenly said: "Zhengtian...you wait..."

When Ouyang Zhengtian heard the old man calling him, he turned his head: "Father."

"Zhengtian, let me ask you a question." The old man suddenly said something meaningfully there.

When he said this, Ouyang Zhengtian was taken aback and said, "Father, please."

But seeing the old man Ouyang think for a while, he asked, "So many years have passed...Do you still remember your brother?"

When the old man suddenly said this, to be honest, Ouyang Zhengtian not only felt a little bit in his heart, but looked at the old man in front of him.

"Father, do you mean... Fourth Brother?"

The fourth child of the Ouyang family!

Ouyang Longyan was once hailed as the smartest "prodigy" of the Ouyang family!

But seeing the old man nodded slightly there, looking at Ouyang Zhengtian strangely.

Ouyang Zhengtian thought for a while and said, "Father... so many years have passed... The fourth brother has no clues... To be honest, I also thought about him, but after all, thirty years have passed... hey... ..."

Father Ouyang Zhengtian still understands his mood.

After all, even his father once thought that Ouyang Longyan was dead.

The old man thought for a while and suddenly looked at Ouyang Zhengtian and asked, "If your brother were still alive... would you be surprised?"

what?

"My fourth brother is alive"

"Father...Don't be kidding...My fourth brother has disappeared for almost 30 years, and there has been no news from him for 30 years..."

"If he is still alive, maybe I don't even remember his face..." Ouyang Zhengtian suddenly sighed there.

Chapter 1394

That Ouyang Zhengtian was telling the truth, if that Ouyang Longyan was really alive, he really couldn't remember what he looked like.

Thirty years... it's been almost thirty years.

At this moment, the old man Ouyang sighed deeply and looked at Ouyang Zhengtian in front of him and said, "I have to tell you something."

"Father, please speak." Ouyang Zhengtian said in front of him.

But seeing the old man think about it, and then slowly said: "I want to tell you... Actually, he is really alive."

"He is back now." The old man said.

When he heard the old man Ouyang suddenly say that he was still alive, the heart of Ouyang Zhengtian in front of him suddenly throbbed.

With those eyes widened there, he looked at the old man in front of him in disbelief.

"Father...you...you...say my fourth brother is still alive?"

"Is he really alive?" Ouyang Zhengtian couldn't hide the excitement in his heart, and almost jumped up and said.

Brothers, they are biological brothers after all.

Now when he finally knows that Ouyang Longyan, who has disappeared for so many years, is alive, how could this Ouyang Zhengtian not be excited?

"Yes."

"He is alive."

"And I have seen him." The old man said slowly there.

what?

"Fourth brother is there now? Why didn't he come to see us?" Ouyang Zhengtian asked suddenly, as if he wished to see his long-lost brother immediately.

But seeing the old man in front of him, his voice was full of pain and he said: "Because he knows he is guilty, he has no face to come out to see your brother."

"Father, what's the matter? What happened to the fourth brother?"

"We are brothers, brothers... even if he did something wrong, we will forgive him, we just want to see him now." Ouyang Zhengtian said excitedly.

But seeing the old man smiled bitterly.

"Some things have been done wrong... even if you want to regret it is too late... and he is one of them."

After hearing his father say this, Ouyang Zhengtian asked with his eyes wide open in confusion, "Father, what happened? What happened to the fourth brother?"

"He joined the gate of hell." A word suddenly came out of the old man's mouth.

When Ouyang Zhengtian in front of him suddenly heard that his brother had joined the Hell Gate organization that was recognized as terrifying and mysterious on the rivers and lakes, his expression was completely stunned.

"what?"

"The fourth brother has joined the gate of hell?" Ouyang Zhengtian said in front of him with a look of disbelief.

It seemed that Ouyang Zhengtian couldn't accept this cruel fact completely.

"Yes."

"Do you know how Feng Lao died back then?"

"It was...killed by him." Father Ouyang roared there.

Hearing what the old man said, Ouyang Zhengtian was completely stunned.

"Oh my god, how did the fourth brother...how did you do such a terrible thing..." Ouyang Zhengtian said there in total disbelief.

So the old man told Ouyang Zhengtian all about Ouyang Longyan all these years.

After listening to Ouyang Zhengtian, the whole person stood there like a wooden chicken... his expression was shocked, and even the whole person fell into a confused situation.

He never imagined that his brother, who had been separated for many years, would embark on that terrible road, and he is now stunned here.

When the old man saw his expression like this, he had already expected it. He looked at Ouyang Zhengtian, and the old man finally opened his mouth and said: "Zhengtian, the reason why I told you these things is to make you understand, you 'S younger brother is still alive... nothing else."

"You'd better do the things in front of you as soon as possible, go and dismiss those members of the family first." The old man in front of him said finally.

After hearing what the old man said, Ouyang Zhengtian nodded helplessly, and said, "Yes, father."

Then he stepped back step by step.

"What's wrong with the family? Why do you want us to leave suddenly?"

"Yes, why are so many bodyguards in our family patrolling at night..."

"I don't know... but I heard that something big happened in the family."

"What's the matter? Isn't it possible that our such a huge family can't solve it? We have to leave..."

"That's right, what happened to Patriarch this time? It made us inexplicable..."

...

Inside the Ouyang family, a bunch of men and women wearing designer clothes were discussing and discussing.

There are men and women, old and young.

Although everyone is different, everyone can see that he is extremely rich.

It turns out that these people are members of the Ouyang family. Some of them hold positions in the Ouyang family's business, and some work within the family.

At this moment, after receiving the news that Ouyang Zhengtian had asked them to leave for the first time, they all came out and started talking there.

But when I saw this meeting, a man in a suit and glasses said, "Let's not leave now...Everyone waits patiently. I believe that when we see the owner, we will definitely ask the matter out.

As he coaxed together like this, the old and weak women and children beside him also said in agreement: "Yes, we are not going."

In this way, the branch members of these families did not listen to Ouyang Zhengtian's orders, they all chose to stay here.

"Go, let's go to the Patriarch, theoretically...ask him, why should we leave the family."

"Go, ask him to reason."

...

At this moment, a group of members of the branch immediately walked towards Ouyang Zhengtian's central villa. They were going to reason and want to know why Ouyang Zhengtian drove them away.

Inside the main hall.

But seeing Ouyang Zhengtian sitting there with a look of anxiety at the moment.

He is doing his best to dispatch the people of the Ouyang family, and then guard the entire family.

At this moment, I saw that the second child Ouyang Lie suddenly walked in from the outside.

"Big brother, it's not good, the members of our family are not willing to leave... They all want to know the truth, and they are all looking for you at this moment." Just listen to Ouyang Lie speaking to Ouyang Zhengtian in front of him from the center.

Ouyang Zhengtian was upset at first, especially when he heard the news that his missing brother had joined the dark gate of hell, and he became even more depressed. Now when he hears that his family members do not follow his own wisdom, Angry now.

"what?"

"Aren't they leaving? Do they all want to die here?" A roar came out from Ouyang Zhengtian's throat.

When Ouyang Zhengtian was furious, Ouyang Lie said there: "Those people...stubbornness, have to ask clearly...I can't help it."

Chapter 1395: Leave all

Hearing Ouyang Lie's words, Ouyang Zhengtian suddenly stood up from his seat.

"Are they there now?" An angry roar came out from Ouyang Zhengtian's mouth.

When he roared, Na Ouyang Lie quickly said, "I'm outside now."

"Take me to see them." Ouyang Zhengtian said angrily.

So Ouyang Lie quickly took Ouyang Zhengtian in front of him and walked quickly to the outside.

Outside, members of those branches were all around the villa, all talking there.

Even the bodyguard at the door could not stop him.

"We want to see the Patriarch..."

"Yes, we all want to see the Patriarch and ask him why we should leave."

"See the Patriarch..."

These people were all around and talking with their throats.

Just as these people were yelling and yelling, suddenly the figure of Ouyang Zhengtian had strode out from inside.

His face was ugly and blue, and he walked out of it as if to eat people.

The moment Ouyang Zhengtian walked out, all the family members saw him.

"Patriarch is here... Patriarch is here..."

But seeing Ouyang Tianzheng, who came out suddenly, glanced at everyone in the audience: "You want to see me, don't you?"

"Say, what the **** is seeing me?" Ouyang Zhengtian roared out.

Ouyang Zhengtian was really majestic and domineering enough. After standing up at this moment, the members of those branches did not dare to say too much.

At this time, I saw a man with glasses asking.

"Patriarch... why should we leave the family? We all want to know what happened?"

After the person asked, Ouyang Zhengtian snorted and said, "I did this for your own good... You may not be clear. Recently, something big happened in the family, so you will only have It's very dangerous...that's why I let you go."

After Ouyang Zhengtian said this, the surrounding Ouyang family members suddenly started discussing where.

"Danger?"

"What's the danger?"

"Yeah, don't we have such a huge family still afraid of outsiders?" Those people said in disbelief.

Ouyang Zhengtian suddenly said again: "The Ouyang family is indeed facing unprecedented trouble...so please cooperate with me and leave this place as soon as possible...or wait until our enemies come, even if you want to leave, I am afraid it is too late."

Listening to Ouyang Zhengtian saying this again, the members of those families were in conflict.

They don't know if they should leave at the moment!

After all, they are accustomed to living a life of worry-free food and clothing... Used to living the life of the eldest lady and the eldest master, now suddenly leaving the family, this of course makes them very inconvenient.

"Please believe me, you are only temporarily leaving the family for a while...Once we have survived this disaster, we will definitely pick you up one by one."

After Ouyang Zhengtian said this again, the members of those families were silent.

They have always been deeply blessed by the family. At this moment, the family is in trouble, and letting them choose to leave is a good thing for them, so after they have thought about it, they finally agreed.

No one is talking about it anymore.

After this decision, the family members of those branches finally decided to leave the Ouyang family separately at night.

Since the appearance of the monster Yin and Yang people, the entire Ouyang family began to fall into an unprecedented state of panic.

There are not only many bodyguards guarding them inside and out, but also people from the Ouyang family guarding them.

Ouyang Shiqing has never seen such a panic in her family.

At this moment, she looked at the faces of these people in her family with a look of fear, not only surprised, but what happened.

Ouyang Shiqing, who came to the main hall, saw the father who frowned deeply.

"Dad, what happened?"

"How come our family is on guard inside and outside... and why are our relatives and family members showing troubles?" Ouyang Shiqing asked quickly after walking in.

After seeing his daughter, Ouyang Zhengtian sighed softly.

"Poetry, you just came here... My father is about to tell you something." Ouyang Zhengtian said in front of him.

When Ouyang Shiqing heard her father say this, she was taken aback and asked, "Dad, what's the matter?"

"Go back and pack your things quickly... and then go to your uncle's house." Ouyang Zhengtian said in front of him.

The uncle of Ouyang Shiqing is in a big city in the northwest.

When Ouyang Shiqing in front of her suddenly heard that her father was going to let her go to his uncle's house, she was stunned.

"Dad, why?"

"Why should I go to my uncle's house?" Ouyang Shiqing asked.

Ouyang Zhengtian said there, "Hey, I won't hide it from you... Our family is about to face an unprecedented disaster."

"Great disaster? What kind of disaster?" Ouyang Shiqing asked quickly.

Ouyang Zhengtian said there: "You know about the destruction of the Yuwen family... Now that terrible character is about to be destroyed is our Ouyang family."

When Ouyang Zhengtian said this, Ouyang Shiqing's beautiful eyes suddenly widened.

"Dad, you mean, our family will be like the Yuwen family soon...?" Ouyang Shiqing asked in shock.

Ouyang Zhengtian nodded there with an ugly face and said, "Yes, that's why I want to arrange for you to go as soon as possible."

"Dad, I won't leave." A word came out of Ouyang Shiqing's mouth.

"Dad, how can I leave when our family is most in distress?" Ouyang Shi said stubbornly.

But seeing Ouyang Zhengtian saying there: "You don't understand... This is our previous generation's grievance, and there is no grievance with you at all. Now I only hope that you leave here as soon as possible."

"I'm not going..." Ouyang Shiqing said stubbornly.

"Even if I die, I will not leave you half a step."

As her father, no one knows Ouyang Shiqing's temperament better than Ouyang Zhengtian.

Seeing that his daughter was determined not to leave, Ouyang Zhengtian knew that no matter what he said was useless, he suddenly stretched out a hand to hold his daughter's hand tightly and said: "Okay... Then you must Listen to me, don't act on your own, okay?"

"Well, Dad, I listen to you."

"You must stay in the family these few days, remember, don't go out and walk around...you are not allowed to leave the family in one step." Ouyang Zhengtian finally said there.

Chapter 1396: Night change

Li Tian and his brothers are now on their way to Jinghai City.

They have been driving for a day, and now the night is completely deep. If nothing else, they will come to the Ouyang family on the night of the next day.

At this moment, the brothers and others who had been running around for a day did not have much rest.

When he was sleepy, he closed his eyes and rested in the car for a while, and Tang Xiaolong also drove back and forth with Na Qiu and Xue Wuhen.

On the wide highway, their vehicles moved forward like flying.

"I don't know how the Ouyang family is now." A word came from the dull carriage, and it was Old Monster Ge.

As he said this sentence, brothers are all you look at me, I look at you, without much words.

Because they don't have the contact information of the Ouyang family, at this moment, they don't have any other way except to get to the Ouyang family in person to understand the situation.

"It's okay, the Ouyang family has that old man sitting in town. Even if that demon is powerful, it is impossible to defeat such a huge Ouyang family so easily." Chen Qiaozhi said in front of him.

"The sick ghost is right... Old man Ouyang is indeed unfathomable. I believe he should be able to withstand that monster." Tang Xiaolong who was driving also said there.

When they were talking, only Li Tian frowned deeply thinking about things.

What always appeared in his mind was the beautiful figure of Ouyang Shiqing. For Li Tian, he was most worried about Ouyang Shiqing.

I really don't know how she is now,

The Duguxie and the ghost servants here have been sitting quietly, and they didn't speak much from beginning to end.

Due to the fact that Duguxie's body has not fully recovered, he has been silently adjusting his body along the way, and his cheeks are still slightly pale.

At this moment, the ghost servant looked at that Duguxie, took a look, and asked with concern:

"Second brother, how is your body?"

After the ghost servant asked, but saw that Duguxie shook his head slightly and said, "It's okay."

The ghost servant knew that Duguxie was stubborn to say this. From his somewhat pale face, the ghost servant could see that he hadn't recovered completely, but since Duguxie had said so, he couldn't say more.

"How long will it take to reach Jinghai City?" Li Tian suddenly asked the brothers in front of him in the car.

But seeing that Chen Qiaozhi looked at the map in front of him, and said: "It will probably take one day...not surprisingly, we should almost be at the Ouyang family the next night."

Li Tian frowned and thought for a while, muttering in his mouth: "I hope that demon will not do anything to the Ouyang family this evening."

At night, it was completely dark.

But seeing the entire Ouyang family is brightly lit.

Moreover, there are rushing crowds in the courtyard.

Those people are all members of the branch that is about to leave the Ouyang family, there are a total of 4,050 people, almost all of them are old, weak, women and children.

These people can only leave the Ouyang family, and then go elsewhere to hide for a while, and they can only come back after the disaster of the Ouyang family has passed.

Two luxurious buses came at the gate of the Ouyang family.

These two buses were specially purchased by Ouyang Zhengtian to allow the family members to leave safely.

After the members of the branch in front of them got on the two buses one by one, Ouyang Zhengtian took Ouyang Lie and Ouyang Hua and the others, looked at the two buses in front of him, and waved goodbye.

In addition to the two buses in front of them, there were three black cars escorting them.

In the 3 black cars, there are a total of 12 people carefully selected by Ouyang Zhengtian from the bodyguards.

The leader is the bodyguard captain of the Ouyang family, whose name is Dong Kui.

Dong Kui: 180, dark complexion, flat head, strong and burly, military background, good at fighting and grabbing.

After all the members of those branches got on the two luxury buses, Ouyang Zhengtian told Dong Kui who stood straight in front of him, "Remember, we must send our family members to a safe place. local....."

"I entrust you to take care of them along the way...Have you heard?"

Then Dong Kui stood there talking like a rock in his mouth: Yes.

Then he turned vigorously to the 11 bodyguards in suits behind him and said, "Go."

Then 12 people sat in the car in front of them in an orderly manner.

The car in the front leads the way in front of the luxury bus, while the two cars behind are escorted.

A few cars set off in such a mighty manner.

This is the only group of people in the Ouyang family who have left the family.

Looking at these people who left, Ouyang Zhengtian could finally take a sigh of relief in his heart, saying: "Once they are safe...I can rest assured."

Ouyang Lie and Ouyang Hua next to him said, "Yes."

"Now we can deal with that demon wholeheartedly."

Ouyang Zhengtian did not speak, and walked slowly forward a few steps, looking at the black night sky, muttering in his mouth: "I hope that demon will come soon..."

The night is getting darker and darker.

Black makes people feel cold and chilling.

As the black night enveloped the entire Jinghai City, the Ouyang family in the middle of the night was still brightly lit.

And in the outskirts of Jinghai City, a few cars were marching forward mightily.

This team is obviously the member of the Ouyang family who is about to leave.

After leaving the outskirts of Jinghai City, they will go on the highway for a certain distance. Once on the highway, they will basically be out of the danger zone.

These members of the Ouyang family do not know what kind of catastrophe happened in the family. To be honest, although they have left the family, their mentality is like the mentality of going to travel, so this will be luxurious. In the bus, everyone was sitting quietly with a relaxed face.

A black car with bodyguards opened the way in front,

Just as the open car was driving forward, a shadow suddenly attacked from the front.

This time, they were shocked, and no one knew what the figure was.

"Be careful....."

Following the exclaim of the bodyguard sitting in the front passenger seat, when he saw the bodyguard who was driving, he suddenly turned the steering wheel and stepped on the brake.

hiss

There was a creak, the harsh sound of tires rubbing against the ground...

Chapter 1397 Bloody Kill

However, the speed of this car is too fast.

At this moment, he suddenly braked, and the entire body of the car was turned over with a bang due to the huge inertial momentum...

Bang bang bang...

But after seeing the car tumbling 56 times on the highway, it stopped suddenly.

The whole body was suddenly destroyed...

Steaming white smoke was still in the car, and the four bodyguards in the car didn't know whether they were dead or alive.

The two following buses and the two bodyguard cars at the back were all shocked when they heard that the vehicle in front had a rolling accident.

hiss

There was a bang, but the two luxury buses full of Ouyang family members also stopped at this moment. The Ouyang family members in the car were all there and they couldn't help but stretch their heads there and watched: "What's the matter? what happened?"

"The car overturned..."

"Has it been killed?"

"I do not know....."

"Why don't you get out of the car and have a look?" They were all talking there.

At this moment, they are in the wilderness, far away from the Jinghai City at this moment, surrounded by the dark horror, only the light of the car lights is shining on the dark surroundings.

But seeing that the overturned car is still emitting white smoke at the moment, and the body of the car is completely damaged, no one knows whether there is anyone alive in the car.

While these Ouyang family members were discussing whether to get out of the car to help, they saw that the two bodyguard cars behind that had been driving over quickly, and then stopped in front of them with a hiss.

As the door opened, the first person to jump out of the car was Dong Kui, the person in charge of the bodyguard.

After he jumped out of the car, the bodyguards in the back also drove out of the car one after another.

"Help people..."

"See if any brothers are still alive."

Just listen to Dong Kui's order there.

So 78 bodyguards flew toward the vehicle that was rolling to the ground and braving the white smoke.

After they ran over again, they saw that the upside-down car was dead... His head was stuck in the car, it was broken off, and he was dead in the car. He could still hear something from behind. The groaning cry.

"There are living... there are living brothers." Dong Kui shouted.

Then they hurriedly moved the car in front of them, and then carried out the living brothers in the car one by one.

Two people alive.

But seeing that the two living brothers were also extremely injured. One of the legs was broken, blood flowed down his pants, and the other was slammed on the head, groaning and lying on the ground in pain.

"Quickly, go to the car and look for gauze... something to stop the bleeding?" Dong Kui ordered there.

The two bodyguards rushed toward there.

Dong Kui watched the two brothers who were groaning in pain and saying, "Brother, hold on, hold on..."

"Brother Dong, why did they roll over?" a young bodyguard standing next to him asked curiously.

Dong Kui frowned and said, "I don't know."

At the moment they just said it, a weird and miserable cry suddenly rang from all around them...

The voice was extremely miserable. When it was yelled out, it was as if a ghost was howling, and it was harsh and unpleasant to hear in human ears.

"what sound?"

At the moment when he suddenly heard the howling ghost cry, Dong Kui who was standing next to the car accident suddenly screamed.

A pair of eyes looked around in horror.

The bodyguards around him were all looking around cautiously at this time.

Black, getting darker.

The surroundings give people a gloomy feeling, and no one knows what made the terrifying cry just now.

"Brother Dong... did you hear... did you hear?"

"What sound was that just now..." The eyes of the few bodyguards in front of them were already showing extreme fear and affection.

That Dong Kui deserves to be the boss of their group, standing there motionlessly, looking around coldly...

"I heard." Dong Kui said there.

"That voice seems to be near us." Dong Kui said again.

As he said this, the hairs of the bodyguards standing next to them all stood upright...with extremely ugly and weird looks on each of them, looking around.

"Everyone, be careful." Dong Kui couldn't help feeling as if danger was approaching them... couldn't help but say there.

The several bodyguards in front of him were staring at the dark surroundings in horror.

"What's wrong with them?" The members of the Ouyang family in the luxury bus could not hear what the bodyguards outside were saying.

They only saw the bodyguards outside looking nervously at the dark depths around them one by one, and they were puzzled to ask.

"do not know....."

"What are they doing? Why aren't they leaving?" The Ouyang family members continued to ask.

Outside, there were two dying brothers who were extremely injured in the car accident lying on the ground. The two brothers who had just gone to the back of the car to get tourniquets and gauze had already found what they needed.

"Brother Dong, I found it. I found the gauze." A brother shouted in the dark behind.

When Dong Kui heard the brother's voice, he relaxed a little.

"Get it here quickly." Dong Kui shouted there.

But just as he yelled out a word, suddenly the brother who had just spoken made a terrible scream...

what

With the screaming sound, Dong Kui suddenly felt that something was wrong.

"Little Li..." Dong Kui exclaimed, and ran towards the brother desperately.

The bodyguards here were also crazy and ran towards the screaming sound.

But when they ran over, they saw blood... Scarlet blood was flowing on the icy road, and then looking forward... A **** headless corpse fell to the ground at this moment.

The headless stone still held white gauze tightly in his hand...but his head was gone.

There is no doubt that this headless body is just the brother's body.

Gosh!

Seeing that in just a blink of an eye, the head of this brother is gone? Where are all the bodyguards in front of this panic? Including Dong Kui in front of him was completely stunned.

Looking at the corpse in silly horror.

"How could this be?"

"Who... who killed it?"

"Who....."

Chapter 1398: The devil is coming

Just when they felt a deep sense of fear coming, a ghostly grinning laugh came from all around them. .

How terrifying and terrifying the laughter...

In such a miserable night, it makes people feel more creepy.

"Who?"

"Who is there?" Dong Kui exclaimed, clenched fists, roaring at the black night.

And the few bodyguard brothers around, there was an unprecedented light of fear in their eyes, and they all subconsciously felt that death seemed to be approaching them step by step.

Suddenly...

But seeing a black shadow suddenly swept past them like a ghost, quickly scared, and quickly barely visible with the naked eye.

Just as they reacted, they saw a brother on the most profile, who suddenly screamed and fell to the ground with a plop.

Looking at that brother again, his neck has been scratched alive by something in the dark, not knowing whether it is a human or a ghost... The entire throat tube was caught with a huge blood hole, and he was bleeding there at the moment, lying down. On the ground, the body was convulsed... and then died.

Another brother died.

But Dong Kui and the few remaining bodyguards in front of him didn't even see the opponent's figure clearly.

Gosh!

Will they all die here today?

"Who? Damn you...who are you? Come out for me...ah..." Dong Kui couldn't help yelling when he saw his brothers die one by one.

At this moment, his eyes were red with blood, as if he was desperately looking at the darkness and roaring there.

The brothers around were trembling with fright.

But seeing this, a strange sound suddenly rang out in the darkness.

"Something looking for death... dare to insult the old man." His voice is a woman's voice, but he claims to be an old man! !

Just when this voice came out, a ghostly shadow suddenly appeared in front of him.

His hair was draped... and his body was dirty, like a monster just emerging from the ground.

At the first moment when I saw this "monster" come out of the darkness, Dong Kui and the bodyguard next to him could finally see the demon clearly...

"You... Are you... a person or a ghost?" Dong Kui said in surprise.

The brothers beside him couldn't help but step back in fear.

But seeing the disheveled monster, he didn't pay attention to their words at all, but coldly glanced at the old and weak women and children of the Ouyang family who were completely sluggish in the luxury bus, and the corners of their mouths laughed grimly.

"Hey..."

"That old Ouyang Wujiang...think that if you let his family out, I won't find you..."

"I want all the death of Ouyang Family..."

"All the deaths are here."

As soon as his harsh, cruel voice came out, his body suddenly moved directly.

Figure turned into a blanket of darkness, suddenly lunged toward the front of bodyguards ah ah ah screams three times, three men almost did not see that at all, "the devil" is how the shot, suddenly all of the dead in the ground .

And when the two bodyguards from the outside world saw that they had no chance of winning at all, the current net name ran away...

But how could they escape? Just as they stepped out, a cold ghost hand had reached behind them.

Then there were two miserable screams, and the two bodies suddenly fell to the ground again.

Na Dong Kui watched his brothers fall to the ground one by one... completely stunned, his whole body trembling.

He can be regarded as a good man, but at this moment when facing this cruel demon, he has no power to fight back.

"I'm fighting with you." Finally, Dong Kui summoned his courage, and raised his iron fist to rush towards the "devil".

The "devil" didn't even look at him, flipped his palm, and a dark evil spirit rushed towards Dong Kui. Dong Kui only felt that his eyes were dark, and he fell to the ground with a thump... It's dead or alive.

In a blink of an eye, the bodyguards sent by the Ouyang family to protect these branch members all died tragically.

The members of the Ouyang family who were in the two luxury buses screamed after seeing the massacre outside... and shrank in fear in the bus.

But they still have a chance to escape there?

Where is there a chance to survive?

In this way, this miserable "devil" with a smile of death, walked towards the two luxury buses step by step.

His hands were stained with blood, and those wicked eyes were filled with fiery killing...

Screams, desperate wailing sounds, just like this in the night like this.

massacre!

Naked slaughter!

For a monster who has lost his humanity decades ago... Such a slaughter is simply entertainment.

In the dark night, blood seemed to have stained this section of the road red.

The corpses of two cars... the whole two cars were all dead under his hands.

He stood in front of a pile of **** corpses, laughing wildly...looking at the blood-stained hands, looking at Jinghai City with a strange smile: "Ouyang Wujiang...I'm here..."

The old man Ouyang never expected that a brutal massacre was taking place outside the suburbs of Jinghai City. The innocent members of his family were cruelly killed by that abnormal monster one by one.

The current old man Ouyang is just sitting quietly in the ancestral hall, with his legs crossed and sitting there reciting Buddhist scriptures.

His old hand still holds the Bodhi Pearl, which was given by Kunlun Fengqingzi to Father Ouyang as a gift for his 70th birthday.

However, just as the old man was holding the Bodhi Pearl in his hand and reciting the Buddhist scriptures, suddenly the Bodhi Pearl in his hand broke with a bang...

With the moment when the Buddhist beads were disconnected...a string of beads in his hand fell on the cold ground like this, making a cool sound.

At the moment when the Buddha beads were broken, the tall body of Old Man Ouyang suddenly trembled violently in the dark, and then an extremely bad feeling of terror surged towards Old Man Ouyang's heart.

Old man Ouyang subconsciously covered his aching heart.

"Father." Ouyang Longyan, who was on the side in the dark, ran over caringly when he saw his father suddenly covering his heart.

But seeing that old man Ouyang did stretch out his hand to stop him.

Ouyang Longyan did not dare to go any further.

After the old man paused for about a few seconds, his body shook slightly, and his tall body slowly stood up from the ground.

"Here...He is here." A mysterious word suddenly came out of the old man's mouth.

He seemed to have seen the red blood and fire in his deep eyes, and saw the Ouyang family plunged into the sea of fire.

After hearing his father say this, Ouyang Longyan took another look at the Buddha beads falling all over the ground...He also stood there with anxious expression on his face.

Chapter 1399: Dong Kui's body

The dark night enveloped the entire Ouyang family.

But seeing that the Ouyang family hadn't felt the danger approaching at this moment, they just patrolled normally like during the day.

There were bodyguards guarding them inside and out.

The originally quiet Ouyang family suddenly broke the original silence with a cry.

Then I saw a person covered in blood in the dark being thrown alive from the wall outside the Ouyang family.

The man was covered in blood, and his whole body was lying on his back, like a dead person.

When such a **** person was thrown in, the bodyguards who were patrolling over there suddenly heard the movement in horror.

"what?"

"Come over and take a look!"

As the bodyguards of the Ouyang family rushed over, then they saw the **** person.

After seeing it, they suddenly let out an exclamation.

"Who?"

"Who is that?"

These bodyguards opened their eyes wide and looked at the **** guy on the ground in horror.

As they walked cautiously towards the **** person, the **** guy suddenly twitched... and then there was no reaction at all.

After a few bodyguards walked slowly over, one of the more courageous guys, at this time, after taking a look at his companion in front of him, then slowly stretched out his hand to the guy covered with blood on the ground and touched his body slightly. ...

As his hand gently touched the ***** guy, he slowly turned his body over.

The moment he turned it over, an exclamation came out of his mouth, because he saw the blood-covered face of the person.

Even the bodyguards behind him couldn't help screaming.

Look carefully, my goodness, the blood-covered guy turned out to be Dong Kui who just escorted the Ouyang family away! ! !

"Brother Dong?"

"It's Brother Dong..." Through the ***** face, they suddenly recognized it.

One of the bodyguards called out there.

Looking at that Dong Kui's body again, a shocking scene appeared in the eye sockets of these bodyguards.

But seeing that Dong Kui's body was torn apart, there was a ***** handprint on his chest.

The ***** handprint was horribly imprinted on his heart.

When the security guards in front of them saw this "blood handprint", they were all stunned, and all of their eyes looked at the blood red handprint with horror.

"How could this be?"

"Oh my God... who did it?"

...

"Save Brother Dong..."

"Notify the Patriarch."

After these bodyguards reacted, they hurriedly exclaimed, and then two of them hurriedly carried Dong Kui's ***** body and ran forward, while the one behind quickly informed him. A member of the Ouyang family.

Ouyang Zhengtian did not rest well this night.

Because he was worried.

In addition to many bodyguards around him, Ouyang Hua and Ouyang Lie also stayed beside him.

At this moment, when they were staying in the main hall, they suddenly heard the sound of shouting outside.

The voice ran all the way and shouted: "Patriarch...Patriarch..."

When he heard the people yelling at the Patriarch, Ouyang Zhengtian, who was sitting in the middle of the main hall, suddenly stood up, his face changed suddenly.

Ouyang Lie and Ouyang Hua beside him suddenly said at this time: "What's the matter?"

"Go, go out and have a look." As they said so, they walked quickly outside.

When I just arrived at the gate, I saw that a bodyguard ran towards this side like crazy.

"Patriarch... it's not good... something big happened." The bodyguard who ran over was panicked and said while yelling there while panting.

Ouyang Zhengtian looked at the bodyguard who was running over, and suddenly said, "Speak slowly...Tell me what happened?"

"Brother Dong... Brother Dong..."

After the bodyguard said "Brother Dong" twice, he couldn't help gasping for a while.

Dong Kui?

When he heard this subordinate say that Dong Kui, Ouyang Zhengtian in front of him was stunned, and even Ouyang Hua and Ouyang Lie beside him stayed there in shock.

Didn't Dong Kui ***** the branch members of the family to leave two hours ago? How come this bodyguard would suddenly mention Na Dong Kui's name.

Ouyang Zhengtian asked with an ugly face, "What happened to Dong Kui? What happened?"

After Ouyang Zhengtian roared and asked, the bodyguard quickly said, "Brother Dong, they have something wrong..."

"what?"

After hearing the news of Dong Kui's accident, Ouyang Zhengtian was completely stunned.

What happened to Dong Kui?

Could it be that... Could it be that the members of your family also had an accident?

"What's the matter? What happened to Dong Kui and others?" Ouyang Zhengtian stepped forward suddenly, grabbing the bodyguard by the neckline and asking in surprise.

But seeing that the bodyguard who was grabbed by Ouyang Zhengtian suddenly showed a look of fear in his eyes, he hurriedly replied: "Brother Dong and their motorcade were robbed and killed... and even Brother Dong He himself... he himself was beaten to death."

"How do you know?"

"How do you know these news?" Ouyang Zhengtian in front of him shouted in disbelief, grabbing the neckline under his hand.

The bodyguard suddenly said, "Brother Dong's body... was thrown in from outside the family just now..."

"What?" Ouyang Zhengtian was stunned when he heard the shocking news.

"Dong Kui's body... was thrown in?" Ouyang Zhengtian asked again, confirming.

"Yes."

"Just now my brothers and I were patrolling the villa... Suddenly we heard a plop, and then our brother hurried over to take a look. At this time, we saw a ***** corpse... We opened it and saw that it was Dong. Brother's body." The bodyguard said truthfully there.

After hearing these news, Ouyang Zhengtian suddenly turned blood red.

"You mean Dong Kui's body was thrown in by others?" Ouyang Zhengtian roared there like an angry lion.

But seeing the bodyguard in front of you there quickly nodded and said: "Yes...Yes."

"Do you see who threw it?"

"Who threw Dong Kui's body in?" Ouyang Zhengtian continued to ask.

But his bodyguard was there shaking his head.

"We didn't see...only the body of Dong Ge."

Chapter 1400: Blood handprint reproduction

After listening to the security guard in front of him say this, Ouyang Zhengtian immediately said, "Where is Dong Kui's body now?"

"Outside..." the bodyguard said.

"Take me...Take me to see." Just listen to Ouyang Zhengtian saying there.

The bodyguard nodded quickly, and then quickly led Ouyang Zhengtian, Ouyang Hua and Ouyang Lie to the outside.

In the dark night, a gloomy feeling enveloped everyone's hearts.

Under the leadership of the bodyguard, Ouyang Zhengtian in front of him, Ouyang Hua and Ouyang Lie by his side had already walked quickly towards the outside.

I can see from a distance that all the bodyguards surrounding the front place are...

When the bodyguards saw Ouyang Zhengtian coming, they hurriedly called out, "Patriarch."

"Where is the person? Where is the corpse?" Ouyang Zhengtian yelled and asked immediately after arriving.

"Patriarch, here." Just listen to a bodyguard over there saying.

As he said, Ouyang Zhengtian and Ouyang Hua turned their faces and looked there together.

But seeing a ***** corpse lying on the ground over there... the corpse was completely unrecognizable, covered in blood, but still vaguely distinguishable, he was two hours ago, Ouyang Zhengtian personally sent out to ***** the family branch members Dong Kui.

After seeing the blood-covered corpse of Dong Kui, Ouyang Zhengtian and Ouyang Hua in front of them were completely stunned.

"My God, how could this be?"

"How could he be tortured like this?" Ouyang Zhengtian muttered to himself in horror.

At the same time, a pair of eyes looked at Dong Kui's corpse in front of him.

"Patriarch, there is a terrible symbol on his chest..." He only heard one of the bodyguards suddenly say there.

After listening to Ouyang Zhengtian, he was taken aback, raised his blood-red eyes and asked, "What do you mean?"

The bodyguard bent down, then slowly stretched out a hand, and then went to uncover Dong Kui's clothes: "Patriarch, look at..."

After he lifted up Na Dong Kui's clothes, he saw a terrifying blood handprint on the chest of the dead Dong Kui appearing in Na Ouyang Zhengtian's eyes.

When the **** handprints suddenly appeared in their eyes, even Ouyang Zhengtian couldn't help but let out an exclamation.

"Blood handprint..." he murmured in his mouth, and his eyes showed an unprecedented sense of fear at this quarter of an hour.

When Ouyang Lie and Ouyang Hua next to them were also seeing this **** handprint, they were completely stunned.

There was an unprecedented sense of horror in the eyes of the two people.

"Blood handprints really appeared... that monster is coming..."

"He really has come?"

Ouyang Hua said in that unbelievable fear.

The blood mudra, a symbol of death and killing decades ago.

It used to be a special symbol for the perverted monster Yin and Yang to kill. As long as the **** handprint is printed, there will be no three days, and someone will die.

Now that the **** handprints really appeared, and they also appeared on the people of the Ouyang family, how could this not be shocked to Ouyang Zhengtian?

"Dong Kui and the others are dead...what about our family?" Suddenly Ouyang Hua asked in surprise.

The family members he asked were of course the members of the Ouyang family branch who were deported...Now that the members of the protection of those families are all dead, can it be said that all the members of the Ouyang family who were transferred have died?

As soon as Ouyang Hua asked, Ouyang Zhengtian's tall body trembled suddenly... and then his eyes went dark, and his body almost fell to the ground.

"Big Brother." The quick-eyed Ouyang Lie suddenly supported the falling Ouyang Zhengtian.

The bodyguards around him also looked at the Patriarch in front of him worriedly.

But after seeing Ouyang Zhengtian trying to keep himself awake, an indescribable color of pain suddenly appeared in his eyes.

"Oh my god... what have I done?"

"I killed so many innocent people in our family...!!!"

"I was wrong..." The words of self-blame suddenly roared from Ouyang Zhengtian's mouth.

Although they have not seen it with their own eyes, the current situation has fully explained that the members of those family branches may have all died.

When I saw Ouyang Zhengtian who was so painful and self-blaming, Ouyang Hua and Ouyang Lie hurriedly tried to dissuade their eldest brother.

"Big Brother..."

"this is not your fault....."

"Yeah, brother, it was all that **** monster did." Ouyang Hua said angrily on the side.

So many family members... So many relatives of the Ouyang family, what about now? All dead!

All died in the wilderness.

How can Ouyang Zhengtian not feel heartache? How can you not blame yourself?

He originally thought it would be good to let those people go, but he didn't expect that he killed them exactly.

In front of him, Ouyang Zhengtian suddenly fainted.

Ouyang Lie and Ouyang Hua hurriedly helped Ouyang Zhengtian in front of them and walked quickly towards the lobby.

While walking, don't forget to tell the bodyguards behind you: "From now on, strengthen your guard...Remember, if there is a suspicious situation, you must notify us as soon as possible."

"Yes!" After the bodyguards said in their mouths, they stepped back one by one.

And Ouyang Hua and Ouyang Lie in front of them helped Ouyang Zhengtian and quickly walked towards the central hall.

Ouyang Shiqing was originally sitting quietly in the room reading a book.

The recent shocking changes in the family were quite surprised for Ouyang Shiqing... But she was originally a stubborn and strong woman, so she would still be quietly reading in the room.

At this moment, Ouyang Shiqing, who was quietly reading in the room, suddenly heard a noisy sound from outside.

Ouyang Shiqing, who was taken aback for a moment, put down the book in his hand and walked outside.

After walking out, I saw a dozen bodyguards talking under the street lamp, their expressions were extremely ugly.

When Ouyang Shiqing saw that these bodyguards seemed to be discussing something, he was not only taken aback, and walked over.

One of the bodyguards squinted to see Ouyang Shiqing who was coming by, and was not only taken aback: "Miss..."

The bodyguards around him also saw Ouyang Shiqing at this time, and hurriedly bowed their heads and shouted respectfully, "Miss..."

"What are you doing here? What were you talking about?" Ouyang Shiqing asked, looking at the bodyguards in front of him.

After she asked, the bodyguards hesitated, as if they were unwilling to say anything... Then they said, "Miss... We didn't say anything."
