Chapter 14: I'm a killer

Li Tian nodded: "Well, red blood has appeared."

Old Chen looked at the wound of Situ Ningbing, only to find that the skin of the poisoned area had gradually returned to its normal color, and there was no longer the purple and black color before. He smiled and said, "That's good. ."

"As long as she **** out her poison, she will be fine. I'll get some medicine for her when I turn around." Old Chen said.

Li Tian immediately became happy when he heard what Old Chen said, thinking that this woman had finally rescued herself.

While talking there, Mr. Chen went to get medicine for Li Tian,

When Old Chen limped in with the medicine, he suddenly found that the cabin was empty, how about people? Gone.

Where's the little plum?

It turned out that when Li Tian heard that the poison in Situ Ningbing's body had been basically saved, he was not going to stay with Old Chen.

Because he knew in his heart that although Mr. Chen's small drugstore was very small, it was the only drugstore in Liaocheng, so many people would often come and go.

If someone Li Tian carried such a strange woman on their backs, they would definitely wonder, what could little Liao Cheng hide? It's impossible, so Li Tian can only leave.

Carrying a comatose Situ Ningbing on his back, Li Tian didn't know where to go.

There are a few dead bodies lying in your room, you can't stay with them, right? But Li Tian looked around, there was really no place. Liao Cheng was surrounded by mountains, except for the big mountains, there were lush trees.

After thinking about it, Li Tian finally chose his own room. He carried Situ Ningbing behind his back and returned to his small room again.

As soon as I opened the small iron door, I smelled a **** smell.

He pinched his nose, not daring to look at the cold body on the ground, and slowly put Situ Ningbing on his back on the bed.

When it was released, he suddenly felt something wrong.

Because he heard the gasping sound from behind, he turned his head abruptly and let out a scared mother yelled.

It turned out that the killer woman was sober.

"You, you, are you awake?" Li Tian looked at Situ Ningbing in surprise and asked.

Situ Ningbing didn't speak, and the cold and glamorous face looked at him without any emotion, his eyes motionless.

Li Tian felt something was wrong and his expression was a little stiff.

"Hey, are you okay?"

Situ Ningbing remained silent.

"Are you stupid?" Li Tian asked again.

When this sentence was just uttered, I heard Situ's cold voice angrily say: "What did you say?"

Li Tian was so frightened that he backed away and said: "No, I didn't say anything." But he couldn't help muttering in his heart: Why is this woman like this?

"Why did you save me?" Situ Ningbing suddenly looked at Li Tian with a chilling voice.

Li Tian scratched his head with his hand.

"Because I'm a good person."

Situ Ningbing glared at him.

"Aren't you afraid that he would kill you?" She suddenly pointed her finger at the corpse of the poison on the other side of the room.

"To be honest, I didn't think so much at the time. I only think that these men are bullying a woman, and besides, they are still the best women. I should help you on this basis." Li Tian said with a smile.

"Huh, isn't it?" Situ Ning said coldly.

"Of course, I dare to swear to this light bulb."

Situ Ningbing rolled her eyebrows: "Then do you know who I am?"

"Your name is Situ Ningbing, of course I know."

"What else do you know?" Situ Ningbing said suddenly in a bad tone.

Li Tian felt awkward listening to the voice, and glanced at Situ Ningbing, feeling that this woman gave him an irresistible feeling of pressure.

Hurry up and say there: "I don't know, I don't know anything except your name."

"I'm a killer."

A word suddenly came out of Situ Ningbing's mouth.

She didn't hide anything, but bluntly said it in front of Li Tian.

Li Tian's face muscles were a little stiff, and he stood motionless, looking at Situ Ningbing.

In fact, Li Tian certainly knows her identity, but he is not stupid. What kind of occupation is a killer? It must be a hidden profession. If someone knows their identity, they will definitely kill the other person. That's how they are shot on TV, so Li Tian is a little scared. He is really afraid that this woman will turn her face and deny her to kill herself.

Looking at Li Tian who was dumbfounded, Situ Ningbing suddenly grinned at the corner of his mouth and smiled.

The smile was so beautiful that Li Tian almost fainted. The two small dimples, coupled with that beautiful and flawless face, were really beautiful to the extreme.

"I'm a killer, aren't you surprised?" Situ Ningbing suddenly looked at Li Tian and said.

"Surprised." Li Tian said truthfully.

"Are you afraid that I will kill you?" Situ Ningbing looked at him and said.

"afraid!"

"But I believe you shouldn't kill me, at least I saved you." Li Tiandao.

Situ Ningbing slowly turned her slightly fair face, her beautiful eyes looked into the distance: "I didn't expect to meet you here, nor did I expect to be saved by you here."

"Fate." Li Tian said with a smile.

Situ Ningbing didn't pay attention to Li Tian, and still said to himself: "Maybe it's a coincidence, maybe it's my luck... But this time you finally saved my life..."

"But you broke my rules." Situ Ningbing's voice immediately changed in shock.

Li Tian couldn't help but stunned: "I broke your rules?"

"Yes."

"You touched my body? And... and... still use your mouth..." Situ Ningbing is a girl after all. Although her person is cold and glamorous, her beautiful and flawless face is still blushing when she says this.

Suddenly speaking of this, Situ Ningbing's face suddenly increased with an invisible killing intent.

Li Tian only felt that the surrounding air seemed to be condensed, and he was stunned.

"I, I, I was forced to save you..." Li Tiandao.

"You shouldn't touch me if you save me..." Situ Ningbing said angrily.

Li Tian cursed secretly in his heart: Damn, I already knew that something would happen to my kindness, this time it really happened.
