

A Killer 1401

Chapter 1401: Defensive

Ouyang Shiqing is not a fool. Of course, he can see what these bodyguards seem to be hiding there, so he coldly asked, "Quickly, what happened?"

After Ouyang Shiqing's cold words were uttered, the bodyguards in front of him could only speak there.

"Miss...the people who left the family just now...all...all..."

"What's wrong with everything?" Ouyang Shiqing asked with a pair of beautiful eyes there.

I saw the bodyguard lowered his head and said, "All are dead..."

what?

When she heard the terrible news in amazement, Ouyang Shiqing was stunned.

"What did you say? You said the people who left the family just now... are all dead?" Ouyang Shiqing asked in surprise.

But seeing the bodyguards lowered their heads one by one, he let out a sigh.

After they said this, Ouyang Shiqing's body suddenly trembled in horror, and her footsteps couldn't help but step back...

"My God, how could this be? How could this be?"

"Who did it? Who did these evil things?" Ouyang Shiqing roared.

The bodyguards were all there with their heads down, without words.

Ouyang Shiqing knew that it was useless to ask them. After sorting out her panic, she ran to the main hall like crazy, looking for her father.

When I arrived at the main hall, I happened to see the ugly face of Ouyang Hua and Ouyang Lie.

"Second Uncle, Third Uncle... Where's Dad?" Ouyang Shiqing asked quickly after walking quickly to the main hall.

Then Ouyang Hua saw Ouyang Shiqing coming, and sighed there and said: "Your dad almost fainted...now resting."

"What happened to my dad?" Ouyang Shiqing asked in a panic.

Ouyang Lie said there, "Your dad's psychology has been severely hit... hey."

Hearing Ouyang Lie's words, Ouyang Shiqing said in shock, "Are they true? The people who left our family...really all...all died?" Ouyang Shiqing asked speechlessly.

But seeing Ouyang Lie and Ouyang Hua didn't say a word, they bowed their heads deeply, and everyone's faces showed a sad expression.

After seeing the sadness and affection on the faces of the second uncle and the third uncle, Ouyang Shiqing felt a little bit in his heart.

It seems that everything is true.

Those in his family who had just left had really all died.

Who killed it?

Could it really be that monster killed it?

"From now on...you must not leave the family anymore." Suddenly an old voice came from outside at this moment.

After the sound came for an instant, I saw the old man Ouyang walking in vigorously, step by step from outside.

"Father!" Ouyang Hua and Ouyang Lie cried out respectfully at the moment they saw the old man coming.

Ouyang Shiqing also saw her grandfather, yelling: "Grandpa..."

Father Ouyang is finally coming out of the mountain.

But seeing his granddaughter after Ouyang arrived, he glanced at his granddaughter with satisfaction, and then at Ouyang Hua and Ouyang Lie.

"Today may be the biggest change that the family has suffered in a hundred years... so you must not mess up." Father Ouyang reminded the family members in front of him.

Ouyang Hua and Ouyang Lie were there and said, "Yes."

"That monster is now back out of the arena... slaughtering members of my family. If I'm not wrong, he must be near our family." Father Ouyang said suddenly.

When I heard the old man say that the monster had actually arrived in the Ouyang family, not only did Ouyang Hua and Ouyang Lie's eyes all show a look of fear.

"The second child, the third child, are the two gates on the east and west of the family tightly guarded?" I only heard the old man Ouyang suddenly ask there.

Ouyang Hua and Ouyang Lie said together, "Father, don't worry, there is a door on the east side. We have sent someone to station there, and there is a power grid separated by... no one can break in.

Old man Ouyang thought for a while and said, "So it seems that if the monster wants to come, it can only come from the front door or the back door."

"Father, the two of us are going to guard the main entrance right now." I just listened to Ouyang Lie and Ouyang Hua in front of them saying in unison.

After hearing what the two said, Father Ouyang thought for a while and said, "That's fine..."

"You two go to the front door to guard... the old man will guard the back door alone." Old man Ouyang said slightly.

"Father, let's go now." Ouyang Hua and Ouyang Lie said there.

Old man Ouyang exhorted: "Second, third, remember, once you see that monster, don't take it rashly...because you are not his opponent...remember to notify me."

Ouyang Hua and Ouyang Lie nodded there after hearing the old man say this: "Okay."

After the two spoke out, they then said to a group of bodyguards behind them: "Follow me..."

Then a dozen bodyguards followed Ouyang Hua and Ouyang Lie to the front door of the Ouyang family quickly to guard.

The old man decided to guard the last exit alone, the back door!

After Ouyang Hua and Ouyang Lie both left, there was only the old man and Ouyang Shiqing left here.

But seeing Ouyang Shiqing there, looking at the old man, said, "Grandpa...I will guard the back door with you."

Hearing Ouyang Shiqing's words, the old man smiled with satisfaction, and looked at his favorite granddaughter and said slightly: "You should stay and take care of your father..."

"It's enough for the old man to guard the back door." After the old man said so, Ouyang Shiqing's mouth was open as if he wanted to say something, but the old man's figure flew out quickly and absolutely.

It seems that the master really wants to guard the back door of the family alone.

Looking at the grandpa who was leaving, Ouyang Shiqing took a worried look, and finally she had no choice but to enter the room to visit her father.

There are a total of four major outlets for the villas of the Ouyang family.

They are front and back, four gates.

Because the east-west gate is guarded by the power grid, and the walls are extremely high... and there are electronic monitoring facilities around, it is not possible to enter from there.

If that monster had to come to the Ouyang family tonight, he would definitely choose to come in from the front door or the back door.

Now Ouyang Hua and Ouyang Lie have rushed to the front door of the family with a large number of people, and the old man is guarding the exit of the back door alone. If that monster is going to come, it will inevitably happen tonight. Unbeatable.

Chapter 1402: A woman?

The night came slowly. .

The interior of the Ouyang family is still brightly lit, with extremely bright lights shining everywhere.

At the main entrance of the Ouyang family, more than 30 bodyguards were divided into 3 teams to patrol there.

There is still an electronic gate blocking it in the foremost place... If you want to get in from here, it must be difficult.

At the back door, but seeing the old man Ouyang standing alone in the cold wind with his hands on his back, his eyes were looking at the dark night, waiting, waiting for the monster to come.

The darkness is getting deeper and deeper.

The old man's tall figure stood in the dark just like that.

The location of the entire backyard was desolate, and suddenly a gloomy wind swept past like a ghost in the darkness.

Just as this weird and strong wind came, Father Ouyang's eyes burst open...

Excited shot in the eyes.

"coming....."

After a low growl came from the old man's mouth, then the old man flew up... and chased the strong wind quickly and absolutely.

The figure of the old man passed the fence of the backyard and chased him directly.

But the sound of the strong wind in front was surprisingly fast... as if to lead the old man far away.

The old man chased after him wildly.

After exiting the back door of the Ouyang family, it was a desolate wood...This was a deserted park before, so the area was barren.

After the old man Ouyang chased it out quickly, the strange wind suddenly disappeared.

In the darkness, there was no suspicious shadow in sight.

Old man Ouyang stood alone in the darkness, his whole body was full of energy and cautiously watching... But, to the surprise, there was no movement here.

"What about people?"

"Why suddenly Pankong disappeared?" The old man Ouyang in front of him suddenly murmured.

In the dark night, there was no movement, only a chilly wind came from the air.

At the same time, but see the main entrance.

The main entrance can be said to be the most guarded place by the Ouyang family.

Not only was there a large number of Ouyang family bodyguards guarding there, but also Ouyang Hua and Ouyang Lie were guarding here.

At this moment, all members of the guards were wide-eyed, watching them cautiously.

It was so late, but the Ouyang family members were not sleepy at all.

At this moment, I suddenly saw a dark figure in front of the Ouyang family slowly appearing.

Originally, members of the Ouyang family were extremely cautious. At the moment when they suddenly saw a dark shadow, they suddenly became cautious.

"Someone..."

"Something happened." All the bodyguards shouted out there.

At this moment, Ouyang Hua and Ouyang Lie also hurried over.

I raised my eyes to look, and I really saw a dark figure wriggling at the front entrance.

"Who?"

"Who is there?" At the moment, Ouyang Hua called out a voice there.

In the middle of the night, a weird shadow suddenly appeared here, which of course would shock them when they were in the cautious stage.

After Ouyang Hua's voice yelled out, the creeping black figure in front seemed to slumped and fell to the ground.

"Help me...please." A woman's voice suddenly came from the front.

The woman's voice was faint, ordinary and pathetic.

When they heard a woman's voice, Ouyang Hua and Ouyang Lie, who were originally nervous, couldn't help taking a sigh of relief, secretly saying: It turns out to be a woman!

They all subconsciously think that the monster is male...because the perverted monster has been killing people in the image of a terrifying and cruel man more than 20 years ago

Having said that, after Ouyang Hua and Ouyang Lie relaxed, they said to the black shadow in front: "Hey, we are a private family here...it is not convenient to help you now...you should go to other places for help. "

"Please...help me, help me." The woman's voice suddenly sounded pitifully again.

Listening to the woman's voice asking for help again, both Ouyang Lie and Ouyang Hua were not only slightly depressed.

But, after all, Ouyang Hua and Ouyang Lie are both kind-hearted people.

So I heard Ouyang Hua asking here: "What's wrong with you? What happened?"

The dark shadow woman in front said in a pathetic way: "I...I was robbed by some bad guys... and was beaten up... now my whole body hurts... it hurts... please help me... I beg you."

When he heard the black shadow woman in front say so, Ouyang Hua thought for a while, looked at Ouyang Lie and asked, "Second brother, can you help?"

Ouyang Lie looked at the wriggling black shadow in front and said: "How can a woman appear here in the middle of the night like this? Don't you think this is a bit weird?" Although Ouyang Lie looks rude, but sometimes he thinks very much. exquisite.

When Ouyang Hua heard Ouyang Lie say this, he thought for a while and said: "Then the second brother means not to help?"

Ouyang Lie glanced at the front and remained silent.

At this moment, the woman's poor cry for help suddenly appeared again... and she could hear her painful moan.

"Second brother... I personally think that the woman in front shouldn't have any problems... Even if there is a problem, it cannot be that terrible monster... After all, that monster is a man." Ouyang Hua said there.

After hearing what Ouyang Hua said, Ouyang Lie solemnly frowned and thought about it and said, "Okay..."

"Then send two people to see what happened to that woman." Ouyang Lie finally agreed.

After Ouyang Lie agreed, a smile appeared on Ouyang Hua's face. At this moment, he said to the two bodyguards next to him: "You two...Let's see what happened to her in the past? If the injury is serious, you Just call 120 for her or call a car."

After Ouyang Hua decided to send someone out to watch, the two bodyguards nodded and agreed, saying, "Yes!"

So I saw two bodyguards quickly walking towards the front place.

And here, Ouyang Hua and Ouyang Lie continue to guard the main entrance here.

To be honest, Ouyang Hua and Ouyang Lie in front of them didn't care about the "woman" who was calling for help.

At this moment, he just kept a calm mind at the place guarding the main entrance.

And the two bodyguards who stepped forward to help had already approached the woman who was paralyzed on the ground.

When the two of their bodyguards approached the woman who was calling for help, a rotten smell came out of the "woman", and it smelled like a corpse dug out from the ground.

Chapter 1403: Yin and Yang people appear

When the two bodyguards smelled the smell, they not only frowned together, but they did not express too much surprise, and they still stepped closer to the woman.

"What's wrong with you? Where did you get hurt?"

I saw that the two bodyguards at the moment had already approached the woman and asked.

But seeing that "woman", her head was deeply lowered, and her hair was draped over there... her whole body was dirty, giving a weird feeling.

Following the question of the bodyguard, the woman suddenly squirmed slightly, but she did not speak...

When the two security guards saw the "woman" asking for help not speaking, they were not only taken aback, and said, "Hey, what's wrong with you? What help is needed?"

After they asked, suddenly a gloomy laugh came from the "woman"'s mouth.

The two bodyguards were taken aback for a moment when they heard the "woman" let out a terrible Morihan laugh for no reason. ,

Then they saw a pair of eyes full of **** killing... Those eyes didn't seem to be human, they were filled with endless sense of destruction, those eyes that appeared under her messy hair.

"I don't need help... I need your blood..."

At the moment when her terrible words were uttered, a weird and weird laugh suddenly came out of her mouth, and then the two bodyguards who were in a panic wondered, the whole body "slumped" on the ground. Suddenly, the woman's weird body stood up... Then a thin hand suddenly stuffed into the heart of one of the bodyguards.

The bodyguard was stunned for an instant... a heart-piercing pain came from his chest, and then he saw a **** hand pulled out of his heart...

Ah, a scream... Then his whole man fell to the ground.

The whole heart was pulled out by the terrifying hand of the "woman".

Just when this perverted "woman" revealed its prototype, the other bodyguard who was still alive was completely taken aback when she saw this woman so terrifying.

With a scared scream, I couldn't help backing...

It's a pity that he can escape from there?

Just as his body ran backwards suddenly, suddenly the terrifying figure had already leaped towards him.

A sorrowful cry came out... Then the black shadow behind suddenly enveloped the bodyguard.

Ouyang Lie and Ouyang Hua were shocked when they heard the screams.

"ambush!"

"It turned out to be an ambush!"

"Oh my god... is he here?"

"That monster is coming..."

Suddenly the sound of exclaiming came from Ouyang Lie's mouth.

He still remembered the terrible aura in the air... It was the fierce aura that the monster carried over twenty years ago.

Then, just as he screamed, there was a swish...a ***** thing flew towards them.

Then with a "bang", I saw that the ***** thing suddenly fell between Ouyang Lie and Ouyang Hua.

Look closely, human head!

It turned out to be the head of the person who didn't escape the bodyguard just now.

His head was cut off by that cruel "monster", and the blood was all over the floor.

Looking at the ***** head on the ground, the bodyguards at this moment were completely stunned...All of their eyes showed unprecedented fear.

When Ouyang Lie saw that the heads of his family members were cut off alive, he roared like crazy.

"Son of a bitch....."

"You monster... I killed you."

The roaring Ouyang Lie wanted to rush up with a leap.

But he was dragged by Ouyang Hua who was beside him.

"Second brother..."

"Second brother, we are not the opponent of that monster...At the moment, don't be impulsive, I will go to my father." Ouyang Hua said in the tight blood-red eyes.

Ouyang Lie's bloodliness has been fully aroused...His eyes are burning with hatred, as if he is going to fight the monster.

What about that "woman"?

At this moment he has revealed the prototype!

In the darkness, the figure of "her" suddenly stood up slowly, and a strange and terrible laugh came from his mouth.

"Ouyang Xiaer...have not seen him for many years...hehe." A gloomy voice came out of his mouth.

His voice suddenly became a hoarse man's voice, and his whole body became tall and burly, but the messy hair was still scattered on his head.

"Yin and Yang people..."

"Yin and Yang people are really you demon?" Ouyang Lie and Ouyang Hua in front of them looked at the monster standing in the dark in disbelief.

It's him!

He really has come.

"Hey...Ouyang boy, you still remember the old man..."

"It's almost thirty years, almost thirty years...you guys who do not live or die, owe me a blood debt for thirty years..."

The yin and yang man suddenly sighed there and said, his voice in the dark was terrible and creepy.

"What about that old immortal thing in your family? Why doesn't he dare to come out to see me, is it because I'm here... so I'm a tortoise?" Suddenly the Yin and Yang man laughed strangely in the dark.

Then Ouyang Lie heard that the monster dared to insult his father, and said angrily: "You bastard...you dare to be rude to my father?"

"Ouyang boy, don't force me to kill you now...I still want to play with you more." Yin and Yang said with a rampant smirk.

Here, Ouyang Lie, Ouyang Hua, and a large group of bodyguards behind him, faced the monster alone, but did not dare to go, because they all knew the horror of the monster before him.

"Remember the poisonous oath the old man made when he was in Luanshan? Hey... I said that if I were still alive, I must destroy your entire family, and I want your Ouyang chickens and dogs not to stay... Today, I will bloodbath your family..."

"The former hatred, the former hate, I want you to return ten times to me." A terrifying voice suddenly roared from the Yin and Yang man's mouth.

The breath of death immediately filled the Ouyang family.

When hearing such a cruel and inhuman voice of this monster, Ouyang Lie, Ouyang Hua and the bodyguards behind him were all afraid to stand there.

No one doubted the monster's words.

"You monster...you devil...you must die." Ouyang Lie yelled furiously.

The yin and yang man smiled strangely in the dark and said, "Then let's see who died first."

Following his "death" word exit, suddenly his terrifying figure suddenly leaped towards this side.

He is going to kill him!

Chapter 1404: Father came

When the Yin and Yang people rushed towards this side, Ouyang Lie couldn't help but the **** male blood that burst out all over his body.

"Kill!" a word roared out of his mouth.

Then he desperately raised his fist and rushed towards the shadow of the yin and yang person, and the bodyguards behind him all rushed up.

Fight!

Since the Ouyang family can hardly escape this catastrophe today, it seems that they have to fight.

But seeing dozens of bodyguards here pounced on, the yin and yang person swayed slightly, and then a gloomy evil spirit in his right hand suddenly hit from the air.

When a terrible evil spirit hit these bodyguards, it heard a scream.

Those bodyguards who did not evade the attack of the evil palms died on the ground one by one with black faces.

Evil palm, unparalleled dark palm.

Whoever touches will die.

When several bodyguards were instantly hit and killed by the dark palms, Ouyang Lie's double fists had already hit them.

Ouyang Lie's pair of fists is also well-known for his staunch, and he is known for his "iron fist" in the Ouyang family.

At this moment, when his fists suddenly hit the yin and yang person, a weird sneer appeared at the corner of the yin and yang person's mouth, and then he turned around and avoided it.

Na Ouyang Lie saw the Yin and Yang people dodge past, and then attacked again with his right fist, quickly and accurately.

The yin and yang man turned his backhand, and then suddenly grabbed the Ouyang Lie's Tianling Gai with an extremely sinister catch.

Although Ouyang Lie was very hot, he was not a fool after all. Seeing this yin and yang person was horribly caught, if he didn't dodge, he would definitely be caught off his head alive. At this moment, his body shook and he quickly avoided.

Ouyang Hua, who was next to him, saw that his second brother had already taken action. He was worried about his second brother's safety, so he roared and rushed up from behind.

When the Yin and Yang people felt that someone rushed from behind, they almost didn't even turn their heads. He turned around, and then the evil palm suddenly attacked. The terrible evil palm came to that Ouyanghua with the gloomy breath, and Ouyanghua knew that he He didn't dare to hold the palm, he made a mistake, and then avoided.

At this moment, Ouyang Hua and Ouyang Lie are fighting the yin and yang people in front of him. The two fight to the death. I wonder if they can resist the yin and yang people in front of him?

But what about the monster yin and yang people at this moment?

When he saw Ouyang Hua and Ouyang Lie both make a move, a grinning smile suddenly appeared on the corner of his mouth.

"Hey, your Ouyang family are really assholes... The old guy didn't come out, and even let you little things come out and die... Hey, Ouyang Wujiang, that old immortal... really a treacherous old fox." Suddenly he was laughing and cursing there.

When Ouyang Hua and Ouyang Lie heard that the monster dared to insult their father in this way, they furiously said, "You demon...Don't dare to scold my father again!"

With a roar, the two immediately pounced on the yin and yang people in front of them again.

Facing the Ouyang Lie and Ouyang Hua, the Yin and Yang people didn't care at all, and their two hands just saved their attack easily.

After the tactics jointly attacked by Ouyang Lie and Ouyang Hua were resolved, the two rushed forward again.

The yin and yang person seemed to be unwilling to fight with these two people again, and the corners of his mouth suddenly showed a vicious meaning.

Then he turned around and reached the left side of Ouyang Lie. When Ouyang Lie saw the monster bullying him, he was shocked and hit the opponent's cheek with his right fist.

The Yin-Yang person drew his head slightly, dodged, and then cut the Ouyang Lie's neck with a knife in his right hand.

Ouyang Lie stepped back quickly, trying to avoid him, at the moment he quickly withdrew, the Yin and Yang man suddenly made a vicious leg trick and kicked Ouyang Lie in the chest.

Ouyang Lie snorted in his mouth and kicked the yin and yang people... and fell to the ground like a broken kite.

"Second brother..." Na Ouyang Hua was shocked when he saw Ouyang Lie being kicked flying by the Yin and Yang people.

Both hands quickly attacked the yin and yang person, but his tricks seemed so futile.

After the yin and yang man easily resolved his moves, then with a backhand, he also shook Ouyang Hua in front of him...

In an instant, Ouyang Hua and Ouyang Lie were defeated by the Yin and Yang people. ,

Ouyang Lie had already gotten up from the ground at this moment. Although he had a vicious legwork, Ouyang Lie still endured the pain in his heart and stood there firmly.

And Ouyang Hua over there didn't seem to be seriously injured, and at this moment he stood up from the ground, staring fiercely at the monster in front of him.

The yin and yang man looked at the two and suddenly couldn't help sighing: "Hey...it seems that I can only use you juniors first..."

"I want to see when the old man will come out."

After saying a word, the body of the Yin-Yang person was already showing sharp killing intent.

The terrifying killing intent immediately made the surrounding air gloomy.

Just when this "perverted" yin and yang man was about to kill Ouyang Lie and Ouyang Hua, suddenly a strong wind flew over from the side.

"The devil..." The moment a roar came, but he saw his figure flying over.

The father of the Ouyang family: Ouyang Wujiang.

The old man finally arrived.

The moment the old man's figure appeared, Ouyang Hua and Ouyang Lie shouted together, "Father."

On the other side, the yin and yang man with his messy and foul-smelling hair dangled in a grimace at the moment.

"Old Ouyang...you finally showed up." He said with a weird smile with white teeth in his mouth.

But seeing that old man Ouyang who came over took a look at the corpses of the family members on the ground... Then he looked at the fear in the eyes of the members behind him... A weird mood came from his heart. Rose out.

The corpses that had died more than 30 years ago suddenly appeared in his mind...They all had purple and black faces.

"The devil, I really didn't expect that you weren't dead yet." Elder Ouyang said, looking at the Yin and Yang in front of him.

The yin and yang man laughed grimly.

"Hey, the reason why I didn't die is to come back and let all of you Ouyang family accompany me to hell." Yin and Yang said with a weird smile.

Father Ouyang looked at the Yin and Yang people and suddenly sighed: "I really regret that the old man didn't kill you with his own hands! Leave you the demon..."

"Old stuff...If you hadn't joined forces with that old Yuwen to deal with me back then, how could I be defeated by the two of you old and immortal..." The Yin Yang man suddenly said angrily.

Thinking back to the battle in Luanshan, this yin and yang person was full of hatred and hatred in retrospect.

"Now, that old Yuwen's head has been cut off alive by me... Hey, I see how you can join forces this time!" The Yin and Yang man in front of him said with a weird smile.

Chapter 1405: decisive battle

When Father Ouyang heard the Yin and Yang people say this, he couldn't help but feel sorry. .

"Those members of my family who left were also killed by you, right?" Suddenly Father Ouyang asked.

But seeing the Yin and Yang people laughed strangely.

"of course....."

"I said, let you Ouyang family chickens and dogs not stay... all have to die." The Yin Yang people said cruelly there.

Hearing what the Yin and Yang people said, Ouyang's face changed slightly.

"Hey, you demon... It seems that the old man is going to fight you to the death today." Old man Ouyang said slightly.

He hasn't made a move for many years, and now the old man is finally about to make a move.

The yin and yang man looked at Ouyang Wujiang in front of him and smiled coldly and said, "Old Ouyang...Do you think you will be my opponent? Hehe."

"Even if it is dead, I want you the demon to be buried with me." The old man said firmly there.

The yin and yang man smiled weirdly: "Okay, then come on..."

"I want to see how you let me be buried with you." The Yin and Yang man said with a terrifying smile.

At this moment, Ouyang Lie and Ouyang Hua ran over when they saw that their father was going to fight the demon.

"Father... let the child fight this demon for you." Ouyang Lie and Ouyang Hua said in that distressed old man.

But seeing Ouyang Wujiang's face changed, he said, "You two step back..."

"This is my grievance with him..." Ouyang Wujiang said there.

"Father." Ouyang Lie and Ouyang Hua called again.

But then Ouyang Wujiang yelled: "Retreat..."

At the moment the old man roared, then Ouyang Hua and Ouyang Lie retreated with jealousy.

"Devil...Today's battle, I hope that no matter who lives or dies, I hope to resolve the previous hatred." Old man Ouyang suddenly said slightly there.

The yin and yang man looked at the old man Ouyang in front of him with a weird smile and said: "Old stuff... are you begging me? Please let me let the rest of your Ouyang family go?"

Ouyang Wujiang said indifferently: "I'm not begging you, I just want your dirty soul not to accumulate virtue, lest you go down to eighteen hells after you die.

"Old stuff, let me tell you... I'm not afraid of gods and ghosts in my life... I'm afraid I can't get blood on my hands... Hey, today, I will bloodbath your Ouyang family, and you will be here from now on. Disappear from the world."

Accompanied by the terrifying voice of the yin and yang person, his body suddenly attacked the old man like an evil ghost.

This monster that had been imprisoned in the Devil's Cave for almost thirty years...now finally released.

His hatred, his hostility has completely reached a demon state.

Today, he, brutal killing, who can stop?

Inside the Ouyang family.

But seeing that Ouyang Shiqing is accompanying her father.

She didn't know what was happening outside at this moment.

That Ouyang Zhengtian was already sober at this moment.

"Poetry... why are you here?" Ouyang Zhengtian said while looking at his daughter.

Ouyang Shiqing said, "Grandpa made me look at you."

"Where is your grandfather?" Hearing Ouyang Shiqing's words, Ouyang Zhengtian suddenly jumped up from the bed and asked.

"Grandpa and second uncle and third uncle are guarding each exit to prevent changes." Ouyang Shiqing said in front of him.

After Ouyang Shiqing said this, Ouyang Zhengtian suddenly jumped off the bed and said at the same time, "I'll help."

"Dad, your body hasn't recovered yet? How can you go out?" Ouyang Shiqing said worriedly.

But then Ouyang Zhengtian took care of his body, and said: "How can I watch your grandfather and your second uncle and third uncle fall into danger? And I'm lying here?"

"Dad, but..."

Ouyang Shiqing still wanted to speak, but was stopped by Ouyang Zhengtian.

"do not talk."

"As the Patriarch of the Ouyang Family, how can I lie here at this time? Even if I crawl, I have to climb out to help."

Ouyang Zhengtian didn't even wear a coat, and walked directly outside.

Ouyang Shiqing looked at her stubborn father, helplessly she could only follow it out quickly.

"finally reached."

"My mother, Jinghai City is really much bigger than Binjiang City... You see, these tall buildings are higher than Binjiang City."

Outside the outskirts of Jinghai City, I saw a speeding vehicle quickly approaching Jinghai City.

The people in this car are undoubtedly the brothers who came here.

At this moment, I saw Li Tian and his brothers sitting quietly in the car one by one, and Tang Xiaolong was driving in front.

"One day and one night, we finally arrived at the Ouyang family." Tang Xiaolong said with a smile in his mouth as he drove towards the direction of Jinghai City.

"Sick ghost, A Qiu, you said that Ouyang's family mainly saw us here, would you be surprised?" Tang Xiaolong suddenly turned to look at Chen Qiaozhi behind and asked A Qiu Xiao.

Chen Qiaozhi smiled slightly and said, "I guess he should be surprised."

"Haha, of course..." Tang Xiaolong said with a smile in front.

"You probably don't know the little boss we were talking to back then?" Tang Xiaolong suddenly turned his head and said again.

Then Xue Wuhen was quite interested and asked, "How did you follow?"

"It's in the Ouyang family... Back then, the three of us were invited by Patriarch Ouyang to assist the little boss... It was also from that time that we started to know the little boss." Tang Xiaolong said with a grin in front of us.

Listening to Tang Xiaolong's words, Li Tian couldn't help laughing when he recalled the past in his mind.

This is indeed the case. Li Tian was indeed the Xiaolong who met in the Ouyang family and Chen Qiaozhi and Ah Qiu.

Ruyan's past appeared in Li Tian's mind. At that time, Li Tian did not have these hatreds, and there were not so many things in the world. He could be said to be very simple at that time, but he did not expect that everything has changed now.

Looking at the dark night sky outside the car window, Li Tian in front of him suddenly couldn't help but said, "I don't know how the Ouyang family is now?"

"Little boss, don't worry... In just one day, I believe that no matter how powerful the monster is, it won't start so quickly. We will definitely be able to catch up." Tang Xiaolong said as he drove in front.

"Yes, young master, we will arrive at the Ouyang family soon, I believe the Ouyang family should be fine." The ghost servant over there was also there to comfort Li Tian and said.

In fact, Li Tian was not worried, because they all said it was right, after all, it only took one day and one night!

How can it be so fast?

But who can imagine that that terrible monster has really reached the Ouyang family?

Chapter 1406: Battle of Yin and Yang

Cold murderous aura permeated the entire Ouyang family.

At this moment, the old man Ouyang chooses to fight the yin and yang man in the final battle. The old man knows that no one in the Ouyang family can be the opponent of the monster in front of him, so he can only go on his own. If he does not take action, his relatives and family The members of will all die.

Then Ouyang Lie and Ouyang Hua wanted to come to help, but unfortunately they were stopped by their father.

Although worried, I can only stand on one side.

"Old thing, I will kill you today." Suddenly the Yin and Yang man said a gloomy sentence.

After he said a word, his figure suddenly attacked Old Man Ouyang like a devil.

The fierce catch and the screaming ghost cry, slammed at the old man domineeringly.

The tactics of the yin and yang people are slaughter, cruel and domineering.

When Ouyang Wujiang saw this yin and yang person's fierce trick hitting him, his body was shocked, and a powerful qi energy instantly filled his whole body, his left palm slightly, and then a strong force. The strength of Ouyang Wujiang was accumulated on Ouyang Wujiang's right hand, and it also attacked the Yin and Yang man with one move.

The movements of the two are extremely fast.

Lightning's one move, regardless of the outcome,

After the two played against each other, they quickly made a few moves to each other, but they were all evaded by each other.

The yin and yang were fused into the darkness, including his tricks, which seemed vicious and gloomy, especially the pair of **** eyeballs exposed out of the disheveled hair, with a biting light.

The old man's skill is obvious fortitude. The gang energy spreads all over the old man's body, and every palm and every move is righteous.

The members of the Ouyang family around are all watching this duel.

Those members of the bodyguards of the Ouyang family seemed to have never seen the father's real shot. At this moment, after seeing the father's shocking skills, all of them showed hope in their eyes.

Even Ouyang Lie and Ouyang Hua couldn't help letting out a sigh of relief when they looked at their father's great skill.

"Second brother, will my father be the opponent of that monster?" Ouyang Hua, who was on the side, asked while looking at Ouyang Lie in front of him.

Ouyang Lie opened his anger and said, "Of course."

"Don't forget, this **** demon almost died in his father's hands more than 20 years ago." Na Ouyang Lie was lying to himself.

When Ouyang Hua heard Ouyang Lie say this, he didn't say a word, and went silent.

They all know that the words just now are deceiving themselves, because although the old man Ouyang almost killed the monster Yin and Yang more than 20 years ago, you must know that at that time, there was Yuwen Huangji's help and so much in the rivers and lakes. The fierce battle of the masters just defeated this perverted monster... Now the old man is left alone to face this bloodthirsty monster, can he be the opponent of Yin and Yang?

Just when the old man Ouyang was fighting fiercely with the yin and yang person, Ouyang Zhengtian had already ran over with Ouyang Shiqing and his men.

"Father..." Ouyang Zhengtian, who ran from a distance, exclaimed.

Even Ouyang Shiqing was blinking her beautiful eyes, looking at Father Ouyang who was fiercely fighting monsters in the air.

"Big Brother, you are here." Then Ouyang Lie and Ouyang Hua hurriedly shouted when they saw Ouyang Zhengtian coming.

Ouyang Zhengtian saw the demon from more than 20 years ago...

That demon still gave people a terrifying breath.

It's just that his face seems to have changed, becoming even more terrifying, with a rotten smell all over his body.

"He really came... This demon really appeared." Ouyang Zhengtian said in amazement.

"Why don't you go up and help?" At this moment, Ouyang Zhengtian said to his two brothers with an angry voice.

Ouyang Hua and Ouyang Lie said with embarrassment: "Big Brother, father won't let us help..."

"What?" Ouyang Zhengtian was slightly taken aback when they said this.

Then he raised his eyes to look at the fighting monsters and his father, and suddenly said: "Father is just because he talks about the justice of the world, so he doesn't want to bully the less with more, but he doesn't need to talk about the morality of such a monster. ...Go together, kill this **** demon, and avenge those in our family." At this moment, Ouyang Zhengtian said angrily.

How could he watch his father fight alone with that demon?

You know, Ouyang Wujiang is simply unable to defeat that demon's terrible strength, so Ouyang Zhengtian will make such a decision.

After Ouyang Zhengtian finished saying this, he took the lead and suddenly attacked the Yin and Yang people over there.

Under Ouyang Zhengtian's leading attack, Ouyang Lie and Ouyang Hua looked at each other at this moment, and then their bodies rose up and attacked the Yin and Yang person.

When the yin and yang man with his stomach and back felt a strong wind on his side, his mouth showed a vicious sneer, and then he slid his body, slapped a palm with his right hand, forcing back Ouyang Wujiang, and then his body Flew backwards... and at the same time avoided the offensives of Ouyang Zhengtian, Ouyang Lie and Ouyang Hua.

"Hey, the family is finally reunited..." After the yin and yang person retreated, he looked at Ouyang Zhengtian and Ouyang Hua and others with a grim sneer.

When the old man Ouyang also saw his three sons coming up together, he couldn't help but frowned, "Zhengtian...you retreat, this is my grievance with him."

But how could Ouyang Zhengtian retreat?

He glared at the yin and yang people in front of him and said, "Father, this demon kills so many innocent members of my family. It is extremely cruel. Today I must kill this monster to avenge the people of our family."

"Besides, father, this demon is so treacherous that he doesn't need to talk about morality at all...Only by killing him can we avoid more innocent deaths."

After Ouyang Zhengtian finished speaking, the demon yin and yang man standing in front showed a white tooth and sneered and said: "Since your family wants to die sooner, then I will fulfill you one by one. "

"Devil, don't be rampant!"

With a roar, Ouyang Lie couldn't help being full of anger. At this moment, a palm hit the yin and yang person from behind.

As Ouyang Lie took the lead, Ouyang Hua next to him also attacked from the side at the same time, and the two cooperated just right.

Just as Ouyang Lie and Ouyang Hua attacked the monster Yin and Yang, this old man Ouyang could only sigh slightly...

After all, the old man is an old man of the rivers and lakes... He pays attention to the morality of the rivers and lakes and the moral bottom line of people, but now his two sons have already taken action, how can he not take action? You know, Ouyang Lie and Ouyang Hua are not opponents of that cruel demon at all! !

Chapter 1407: Hit hard

The helpless old man can barely make a move at this moment.

At this moment, Ouyang Zhengtian also followed suit. It can be said that the Ouyang family besieged this worldly demon.

Faced with the siege of the Ouyang family, the Yin and Yang man was not disturbed at all, but he could clearly see that the extremely hot killing appeared in his eyes, that was a bloodthirsty desire.

Seeing that the Yin and Yang people were attacked by the enemy, he first turned around in the air, avoiding Ouyang Lie's back attack, and then avoiding Ouyang Hua's tricks.

Then his hands changed in the air, and the eerie palm force of the evil spirit shot from the palm of his hand towards the old man Ouyang and Ouyang Zhengtian who attacked from the front.

The old man Ouyang took a masculine palm with his left hand to block the yin and yang person's gloomy palm strength, and then he swooped down and attacked the yin and yang person's chest.

And Ouyang Zhengtian also took the opportunity to swept the yin and yang man's bottom plate fatally.

After all, the Yin-Yang person only had two hands and two feet. Facing such an offensive, he could only make a strange roar in his mouth, and then dodge one by one.

Facing the combined siege of these four people, the Yin and Yang people did seem to be struggling.

The surrounding Ouyang family members also saw the old man, their Patriarch, and Ouyang Hua and Ouyang Lie facing the enemy together, they couldn't help showing their gratified gazes, watching around.

They all felt that in this battle, the yin and yang people would definitely lose.

Even the glamorous Ouyang Shiqing felt a little relaxed when she saw her family fighting the demon.

Perhaps only the old man Ouyang and Ouyang Zhengtian who were fighting the devil in the audience knew in their hearts...Although they all used their full body strength, they still couldn't win this perverted yin and yang.

After a series of Ouyang masters took the lead in attacking, the Yin and Yang people were forced to retreat again and again.

Even so, there was no trace of movement on the yin-yang person's face.

The moment this terrifying monster retreated under the combined attack of Old Man Ouyang and Ouyang Zhengtian, he suddenly seemed to be furious.

The whole body's evil spirits increased, and at this moment, the Yin and Yang man suddenly attacked back with his palms, and the target of his attack seemed to be that Ouyang Hua.

Ouyang Hua hurriedly backed away at the moment when he felt the terrifying and ghastly palm of the Yin and Yang people attacked...

Ouyang Lie also saw the danger, and shouted there, "Third brother, be careful..."

Ouyang Lie, who uttered a roar, suddenly attacked the yin and yang with a punch, trying to block the horrible tricks of the yin and yang.

But when Ouyang Lie attacked, the old man suddenly felt bad...because he could already see the treacherous yin and yang, the target was not Ouyang Hua, but the second one.

"Second, go back...it's a trap." Old man Ouyang roared, his body swept over the terrifying Yin-Yang man like a mad dragon.

But what about yin and yang people? At this moment, the gloomy meaning of killing appeared in the corner of his mouth.

"Old stuff...you're late!"

With a strange howl from him, he attacked the terrifying palms of Ouyang Hua, but suddenly changed midway, and suddenly hit Ouyang Lie who was attacking his side.

It turns out that this yin and yang man is really playing a poisonous trick!

That Ouyang Liewan didn't expect that this monster would use such a treacherous way to induce himself...At this moment, he was taken aback, but it was too late.

The yin and yang people's terrifying palms had already hit him straight.

Although the old man behind is fast, he is still a late shot, because the speed of this yin and yang person is too fast, and the quick rescue is like a ghost!

When that Ouyang Lie faced the yin-heavy palms, he, who had no way to retreat, had no choice but to bite the bullet and raise his palms, taking the horrible palm power of the Yin-Yang person!

But listen, there is a boom!

Ouyang Lie forcibly accepted the fierce and domineering evil palm of the Yin and Yang person.

But how could Ouyang Lie's strength resist the vast evil palm that Yin and Yang people have been immersed in for decades?

A scream came from Ouyang Lie's mouth.

Then I saw Ouyang Lie's body flying backward like a broken kite.

"Second..."

"Second brother..."

The old man Ouyang and that Ouyang Hua screamed there.

But at the moment, Ouyang Lie's body drew a perfect arc in the air, and then fell heavily on the cold floor with a plop.

With a click, even the hard floor tiles were smashed into deep cracks...

A mouthful of scarlet blood came out from Ouyang Lie's mouth, wow.

"Second Uncle!" After seeing Ouyang Lie seriously injured, Ouyang Shiqing and the bodyguards of the Ouyang family hurried over...

But seeing Ouyang Lie lying on the ground, his body trembling convulsively... A pair of blood-red eyes widened, mouth open...

"Don't move him...Don't move him." At this moment, the old man Ouyang couldn't help exclaiming when he saw that Shiqing wanted to help the dying Ouyang Lie who was lying on the ground.

Ouyang Shiqing was taken aback for a moment, and then she didn't dare to do anything there, she could only stand and look at her uncle who was lying on the ground in fear.

This old man Ouyang has quickly flew over.

Ouyang Zhengtian and Ouyang Hua also hurried over.

At this moment, Ouyang Lie's face appeared a strange black... the whole body was trembling.

After the old man swept over, he looked at Ouyang Lie with an uneasy face.

"Evil Palm!!!" Father Ouyang said silently.

The evil palm palm technique is the unique skill of the yin and yang people. In this palm, the entire face will instantly appear black, and within a few minutes, the entire veins will be broken and die.

Twenty years ago, how many masters of the rivers and lakes died under the hands of this terrible Yin and Yang person! !

Now I can't think that Ouyang Lie was hit by this evil palm!

"Lie'er, hold back." But after hearing a loud roar from Old Man Ouyang, he touched Ouyang Lie's "Baihui Point" and "Qihai Point" with a thin hand.

After the old man Ouyang in front of him touched the two acupuncture points on Ouyang Lie's whole body, he saw that Ouyang Lie's spasm body gradually returned to calm.

But that face still showed a deadly black look... he couldn't even move at all.

"Father, how's the second brother?" I just listened to Ouyang Hua asking in that caring.

Ouyang Zhengtian on one side was also worried and looked at his father there.

But seeing the old man's heartache said there: "Lie'er is now life-threatening...I hope he can survive this disaster."

"Second brother!" Ouyang Hua's eyes suddenly became ruddy after hearing the old man say this.

The bodyguards in front of them were also stunned one by one, they were not so good that even Father Ouyang and the three masters of the Ouyang family could not deal with that cruel monster! !

Chapter 1408: Arhat Palm

"You demon... I tried to fight with you." Ouyang Hua, who roared extremely over there, suddenly rushed at the Yin and Yang person desperately.

Ouyang Lie was beaten to death because of him. At this moment, seeing his second brother dying, how could Ouyang Hua not be angry? How can you not be excited?

So Ouyang Hua at this meeting has completely lost his mind.

When he saw Ouyang Hua rushing towards the Yin-Yang person in desperation, the old man over here exclaimed.

"Youngest, can't go..."

But his shouting voice was already late.

Because his people have come to the side of the yin and yang people.

The roaring fist struck the yin-yang person in front of him, and the yin-yang person sneered: "Things that do not live or die... Since you want to die, then I will see you off."

The moment his words were uttered, the Yin-Yang person suddenly began to spin...and the evil aura around him also quickly turned.

Even though Ouyang Hua worked desperately, his fist seemed so weak that he couldn't touch the yin and yang person at all.

Just when Ouyang Hua attacked the third rage punch, a ghostly hand of Yin Yangren suddenly hit that place on Ouyang Hua's chest.

With a click, I only heard the sound of fractured muscles and bones coming from Ouyang Hua's left chest... Then Ouyang Hua heard a tragic call, and then saw the Yin and Yang man suddenly kicking off Ouyang Hua's body. ...

Ouyang Hua's body was kicked from the air by the yin and yang person!

Seeing that his son was beaten up like this, Old Man Ouyang swept over his heart-ache and hugged his son.

But seeing Ouyang Hua's mouth full of blood in his arms... The body was completely immobile... Only the heart was undulating there.

"Third brother!!" Ouyang Zhengtian shouted in pain and ran over.

But seeing Ouyang Hua didn't know whether it was alive or dead, a pair of eyes were closed tightly... There was no breath in the nose, lying in the arms of the old man like a dead person.

"Third brother, you can't die...you can't die," Ouyang Zhengtian cried out in pain.

However, Ouyang Hua couldn't hear the sound of Ouyang Zhengtian at all.

Look at the old man at the moment?

His expression seemed to be dull, standing there,

At this moment, he seemed to be much older...

In a blink of an eye, he saw his two sons seriously injured here. At this moment, he didn't even know whether he was alive or dead. How could he not feel sad?

Looking at the two sons who fell on the ground, a tear came out of the muddy eyes of Old Man Ouyang.

He looked at the dark sky. Could the Ouyang family really be destroyed by that monster today?

"Old stuff... You see your two sons die in front of you like this, are you heartbroken? Hey..." The cruel yin and yang man in the dark said with a strange smile.

Then Ouyang Zhengtian's eyes were red, and when he heard the monster's words, he roared and said: "You demon..."

Just when Ouyang Zhengtian wanted to go up and desperately, the old man suddenly stretched out a hand and grabbed him.

"Zhengtian..." The old man caught Ouyang Zhengtian.

But seeing Ouyang Zhengtian looking at the old man with red eyes.

"Father." He cried out in pain.

"Is it okay to promise to be the father?" Suddenly a sentence came out of the mouth of Old Man Ouyang.

When the old man Ouyang said something like this, Ouyang Zhengtian's heart shook, and an extremely bad premonition surged into Ouyang Zhengtian's heart.

"father....."

"With poetic sentiment...there are people who are still alive, leave here soon..." Father Ouyang said suddenly.

what?

go away?

Could it be said that the Ouyang family really can't keep it?

When the old man Ouyang said this, not only Ouyang Zhengtian was completely stunned, even Ouyang Shiqing beside him was also staring at his grandpa in disbelief...The bodyguards around him were also stunned. Got there.

"Father...no...no...even if I die, I have to guard the family." Ouyang Zhengtian said suddenly with red eyes there.

But seeing the old man smiled bitterly, only he knew in his heart that the Ouyang family might really be over today, and really couldn't keep it.

He said to Ouyang Zhengtian, "Don't be silly... While the old man still has the energy to resist the demon for a while... You will leave here with poetry and the living people..."

"Remember, never take revenge for me!" This was the last words of Old Man Ouyang.

"Father..." Ouyang Zhengtian shouted there.

But seeing the old man suddenly glared at his son with white hair flying in the air.

"Hurry up..."

Just when the old man wanted to let the Ouyang family stay alive, the terrible yin and yang person had already said, "Old stuff...do you really naively think that your family can escape today?"

"Hey... I tell you, none of your family wants to live tonight... don't even want to run for me."

With the voice of the Yin and Yang person Senhan speaking, his figure suddenly turned into a black mist, and he flew towards the Ouyang poetry here.

When Ouyang Shiqing saw a cloud of black mist suddenly hit her, her face changed in fright, and her steps couldn't help backing.

"Devil, don't hurt my granddaughter!"

When the old man Ouyang roared, his body's gray robe suddenly filled with strong wind, and his flying white hair hissed in the air, and then his body suddenly shot at the shadow of the Yin and Yang people like a spinning arrow.

Although the yin and yang people are extremely terrifying in martial arts, after all, they dare not careless in front of the old man.

He who had attacked Ouyang Shiqing over there, could only turn black, and quickly attacked the old man.

"Arhat palm!"

A sudden shout came out from the old man's mouth.

Then the old man folded his hands together, and a golden-eyed Lohan faintly appeared in the center of the entire palm.

The Arhat Palm is the unique kung fu of the old man Ouyang, which was realized by the old man when he had been chanting and chanting in the ancestral hall after decades of retreat.

When the "Arhat Palm" of the old man Ouyang was used, the world seemed to change suddenly, but in the palm of the old man's hands, the faint golden light appeared to light up the entire space.

The family members beside them were all pierced by the dazzling golden light and couldn't open their eyes.

"Arhat Palm" is really overbearing!

Just when the old man used his "Arhat's Palm", the yin and yang people in front of him felt the domineering power of the old man Ouyang, and his body suddenly retreated.

A pair of bloodthirsty eyes looked at Father Ouyang in front of him.

Chapter 1409: Death smile

"Arhat palm?" Yin and Yang laughed strangely.

Then I saw him showing his white teeth with a smile and said: "Old stuff, I didn't expect to see you in decades, you learned a new trick."

"Well, since you want to play new tricks... Then I will show you the blood torture techniques I have cultivated in the Demon Cave for decades."

The Yin and Yang man has been trapped in the Demon Cave for decades. In addition to drinking the blood of those wild animals, he eats the corpses of those animals... His whole person can be said to have become a wild beast, a cruel and terrifying beast. In the past few decades, this monster has practiced a martial arts that is more terrifying than his evil palm, that is, the blood torture technique. This evil technique also uses blood to pay homage to its body, and then makes the whole body. The blood is boiling, in that case, his whole person will become more violent, and the strength of his body will increase sharply.

As the yin and yang person used his blood torture technique, his body was suddenly filled with a **** breath, as if he was no longer alone in front of the old man Ouyang, but a monster covered in blood. .

Scarlet blood filled the body of the yin and yang person, resisting the old man's Arhat palm.

One is the golden light permeating the palm of the Arhat **** like a holy Buddha, and the other is like a blood demon from hell.

In such an extreme battle, who wins and who loses?

I saw old man Ouyang accumulate golden palm energy in his right hand, and suddenly attacked the yin and yang monster.

The yin and yang person backhanded his palm, and the strength of the blood cloud suddenly came out, completely swallowing the old man's Arhat palm.

The old man's left hand turned the sky, from top to bottom, the domineering Arhat palm attacked the Yin-Yang man's Tianling Gai like the sky. When the Yin-Yang man saw the old man attacking him, his body flashed, and then his body shot up, two feet in a chain flew kicking towards that Ouyang Wujiang.

The old man can only dodge his body.

After Ouyang Wujiang escaped, the yin and yang body turned and then the fierce blood torture technique was displayed.

The violent **** aura suddenly swept the entire old man Ouyang like a sea of blood.

The soaring **** breath not only caused the surrounding members of the Ouyang family to be completely stunned, even Ouyang Zhengtian in front of him completely raised his horrified eyes and looked at the blood cloud. He never I have never seen such a terrifying and weird Kung Fu.

Having said that, let's say that after Father Ouyang's body was suddenly entangled by the **** aura of the monster, suddenly the blood began to entangle the body of the old man layer by layer.

The old man's complexion changed suddenly, his hands clasped together, and he wanted to use his Arhat's palm to completely shake this layer of blood cloud energy... But he found that the monster's blood torture technique was too terrifying and weird. He was completely filled up and down.

The old man who was able to use Arhat's palm energy just now was completely enveloped by the whole blood cloud, and he could no longer see the Arhat golden light in his hand.

"grandfather....."

"Father..." Ouyang Shiqing and Ouyang Zhengtian in front of them yelled in panic when they saw that the old man was completely wrapped in the blood cloud of the monster.

As their screams came, suddenly the whole blood cloud aura enveloping the old man, suddenly made a violent explosion!

There was a bang, accompanied by the burst of endless energy, but seeing that the old man had exhausted his life skills to break through the monster's blood torture art, his body suddenly flew up.

At the moment when the old man's body suddenly appeared, Ouyang Shiqing and Ouyang Zhengtian not only exclaimed.

When all of them thought that the old man had completely broken through the Yin and Yang human blood abuse tactics, but the horror was about to begin.

Suddenly, only a weird and weird laugh came from the blood cloud.

"Old stuff...you still alive?"

Accompanied by this terrifying sound, at the moment when it came, suddenly I saw the monster's entire body turned into a cloud of blood, and quickly attacked the old man who had just broken through the blood cloud.

The terrifying **** mist came too fast, so fast that the old man in front of him had no room for resistance.

The old man looked at the group of yin and yang people in the blood mist, and finally sighed helplessly.

He knew he might be dying.

He knew that even if he used Arhat's palm, he couldn't resist the monster in front of him... At this moment, the old man closed his eyes in despair.

All he waited for was death.

"grandfather!"

"Father!" Ouyang Shiqing and Ouyang Zhengtian exclaimed when they saw that old man Ouyang was about to be hit by the blood mist.

I wanted to save it, but it was too late.

The old man was about to die under the hands of the yin and yang man.

Could a generation of legendary old people just die under this abnormal monster?

At this critical moment, at the moment when the old man was preparing to meet death, a figure suddenly flew over.

"Evil thief, don't hurt my father."

With this cold voice, a figure in purple clothes suddenly slammed into the blood mist from the darkness.

Who?

Who is coming?

At this moment, not only Ouyang Zhengtian but also Ouyang Shiqing were stunned, and even the old man's eyes waiting for death suddenly opened.

"Yan'er?" The two words came out tremblingly from Father Ouyang's mouth.

Then he saw the purple figure slamming into the blood mist desperately.

He clearly wanted to use his life to save his father.

The yin and yang person never expected that someone would suddenly emerge from this knot of bones. At this moment, when the wind was rushing towards him, the bloodthirsty light in his eyes suddenly increased.

"court death!"

Following the yin and yang man's roar, suddenly his blood mist slammed into the purple figure.

But with a bang, the blood mist collided with the purple figure... In mid-air, only a painful scream was heard, and then the blood mist dispersed, and the yin and yang man's hand was inserted into the chest of a man standing in front of the old man.

Blood flowed down the arms of this cruel monster.

The blood dyed his hands red, and his eyes showed unprecedented enthusiasm.

The man who stood in front of the old man was clear-cut and handsome, but there was a long and narrow sword mark on his left cheek.

At this moment, he used his life to stand in front of the old man Ouyang... There is no pain on his face... There is no sadness!

Although his entire heart had been pierced by the monster with a hand, he still had a smile on his face.

Chapter 1410: A sword, a person

Who is he?

Why did he die for the old man?

And he still called the old man father?

When Ouyang Zhengtian, Ouyang Shiqing, and all the bodyguards turned their eyes, they saw his handsome face clearly and saw the handsome smile on his face.

The man in purple: Ouyang Longyan.

Once a person who betrayed the family, once worked for the dark organization Hellgate!

Now, he is looking back, he wants to be a good person.

It's a pity that his road to being a good man is so short.

The ***** hand of the Yin and Yang man inserted into his heart, and his body blocked the front of the old man.

If he hadn't used his body to block the fierce blow of the monster, it was likely that the one who had penetrated his heart at this moment was the old man behind him.

Stunned.

Everyone was stunned.

"Yan'er..." Suddenly the old man cried out in a heartache, and his old tears flowed from the old face.

"Father... Father..."

That Ouyang Longyan was breathing hard, and he called his father...

His face had begun to turn pale, and his blood seemed to have drained completely.

"Father... Father... Babe... Babe... Wrong... Please... Please... Forgive... Forgive... I..."

"Forgive... my... sad... sad life!"

As Ouyang Longyan said this, his eyes slowly began to close...He was tired.

It seems that a wanderer who has been away for many years has finally returned.

"Yan'er... Yan'er..." Father Ouyang suddenly yelled like crazy.

When the yin and yang man heard old man Ouyang screaming like this, he suddenly sneered on his bloodthirsty face: "Hey, it turns out it's your son again...haha..."

As he laughed wildly, one of his hands was taken out of Ouyang Longyan's chest, hands full of blood, the moment he took it out, the old man Ouyang hugged the corpse of Ouyang Longyan.

Ouyang Zhengtian, who was standing next to him, was suddenly shocked.

"Fourth brother?"

"It's the fourth brother..." Suddenly Ouyang Zhengtian remembered! !

It's the brother who was missing!

He is back.

He really has returned.

"Four brother!!!" That Ouyang Zhengtian ran over with a heartache, tears crying on his face... it was the tears of relatives who ran over.

But that Ouyang Longyan's body has begun to gradually become cold, his eyes have been closed tightly, and he is dead.

No matter how many evil things Ouyang Longyan has done, how many wrong things he has done, at this moment, he will pay the price for his previous mistakes, and he paid the price with his life.

After seeing the affection of her grandfather and her father, Ouyang Shiqing stayed there.

She has always heard that she has a fourth uncle... and the fourth uncle who has been called a child prodigy since childhood, but this fourth uncle has never seen him.

No one knew where he was, and no one knew whether he was alive or dead for so many years, but he didn't expect to see him today... But what about him? But he can no longer open his eyes! !

Pain and sorrow envelop the entire family.

Father Ouyang lost three sons overnight! ! !

His closest relatives.

This is more uncomfortable than killing him!

At this moment, the old man Ouyang looked at the corpse of Ouyang Longyan on the ground as if he was crazy with long and vertical tears. He was stupid and looked at it as if he was stuck, shouting the name of Ouyang Longyan when he was a child. : Yaner... Yaner...

There were two cold bodies of Ouyang Lie and Ouyang Hua nearby.

In the end, Ouyang Lie could not survive the horrible evil palm of the yin and yang people, and the dark evil palm had turned his face into black.

His heart had already stopped beating...he was dead.

Not to mention Ouyang Hua, although he is the only one who hasn't died yet, he is like a dead person at this moment. Apart from the slight beating of his heart, there is no symbol of being alive.

The Ouyang family was killed and injured so severely.

It was so pitiful to lose.

After seeing his own masterpiece, the bloodthirsty yin and yang man showed no signs of repentance. There he laughed wildly and said, "Hey, old Ouyang...you finally realized the most heartbreaking thing in the world. Right? Hahahaha..."

"Old stuff, you caused me to be locked up in the Devil's Cave for almost thirty years...for thirty years..."

"Do you know how I came alive?"

"I eat the meat of those disgusting beasts, and drink the dirty blood to survive... Hey, this is all thanks to you!!!"

"Now, I finally have my revenge, Lao Ouyang, I want your entire family to be destroyed today!!! I want you, an old thing, to taste the most painful way of death in the world."

When the brutal yin and yang person shouted loudly, he suddenly began to attack the other innocent people in the Ouyang family.

He clearly wanted to wash the Ouyang family in front of him.

Just as this extremely cruel monster preparation team, Ouyang Family, was carrying out a bloodbath and slaughter, a figure suddenly swooped over here with a swift and unparalleled body.

His speed is as fast as lightning.

At the same time, he seemed to be holding a sword in his hand, a magic sword that would hiss at the sight of blood!

Just as his figure appeared here like electric light, the hissing magic sword in his hand suddenly let out a dragon chant...A black glow pointed towards the Yin-Yang person like the hand of a demon in the dark. The body is cut.

Devilish sword, domineering man!

The yin and yang man was already ready to kill, but he didn't expect that a guy with not weak skill would pop up at this knot, and the sword in his hand seemed to be unusually fierce... Muffled a strange howl and roared: "Who villain dare to stop me from killing?"

Following his violent cry, a young man fell in front of the Ouyang family.

He held a sword in one hand and stood there heroically.

A cold murderous intent hung on his indifferent face.

At the moment he fell, the Ouyang family members next to him did not react at all, and even Ouyang Shiqing's beautiful eyes widened at this moment...because she could hardly believe that at this moment, he Will appear here? She missed him?

Is it a dream?

Are you dreaming? Ouyang Shiqing doubted herself at this moment.

"Cthulhu...?" Suddenly panicked the words came out from the Yin-Yang man's mouth.

I don't know why, when the yin and yang person first saw "he" standing there holding a magic sword, he actually called out subconsciously.

Then he found out that he was wrong!

Because he is not an evil **** at all! Although his face is very similar, very similar, and very similar to the invincible evil **** who crossed the world when he was young, he can still recognize that he is not the evil **** at all, and the evil **** can't be so young?
