

A Killer 1411

Chapter 1411: Where is your big brother?

When "he" came, everyone was shocked there, except for the father Ouyang who was holding his dead son tightly over there. Father Ouyang seemed to have completely collapsed at this moment, and his whole face was completely human. Holding his son like a chicken...

And the "him" from here?

Who is he?

"Li Tian!" the two words came out from Ouyang Shiqing's mouth. .

Yes, it was Li Tian who came here.

Li Tian, who rushed all the way, was still shocked when he saw the **** scene of the audience. He didn't expect that he and his brothers would still be late.

However, the thing that made Li Tian gratified was that, fortunately, Ouyang Shiqing hadn't had a big deal.

"Shiqing, how are you doing? Are you okay?" Li Tian asked worriedly there.

With tears in her beautiful eyes, Ouyang Shiqing shook her head: "I...I'm fine..." She is still in a dream now, because she can hardly believe that Li Tian will really appear at this moment.

Just when Li Tian arrived, the weird yin and yang person recognized that this person was not the "Cthulhu" who once dominated the world.

"Where did you junior come out? Are you afraid of death? You dare to stand in my way?"

"Why do you grow so much like a person?" Suddenly the yin and yang people asked a few questions in a row.

Li Tian glanced at the Yin-Yang person and saw that his hands were stained with red blood, and a look of hatred burst out of his eyes.

He was too cruel, he killed too many people.

"You devil don't care who I am!"

"Today I will walk for the sky and get rid of you, a bloodthirsty demon." Li Tian roared there with the Demon Sword in his hand.

After Li Tian said something like this, the monster Yin and Yang suddenly laughed strangely.

"Hey..."

"You want to kill me just because of a stinky thing?"

When the Yin and Yang people uttered these words with extreme horror, suddenly a few figures swept over here quickly and absolutely.

"And us."

With the voice coming, but seeing a few figures all rushed over.

Of course those who rushed over were Li Tian's brothers.

On the left are Tang Xiaolong, A Qiu, Xue Wuhen... On the right are that Duguxie and the ghost servant.

Although Duguxie hadn't healed yet, his sword had already been pulled out, and Sen Leng's bronze sword showed a chilling murderous aura.

"Yeah, I didn't expect to have a helper." When the Yin and Yang man saw a few characters suddenly appeared, he said with a sneer.

His beastly pupils glanced over the faces of each of his brothers.

That kind of weird gaze, I don't know why, when it looked at the brothers' faces, the brothers couldn't help but all their hairs stood upright.

Just when the monster's gaze turned to look at it one by one, his eyes were suddenly fixed on the body of the leftmost Duguxie with the broken arm, and the face of the ghost servant.

Just when he saw Duguxie and the ghost servant, the monster's expression suddenly changed.

Suddenly, he whispered in his mouth: "So it's you..."

"Unexpectedly, even you all came to make do with this Ouyang family matter."

He seemed to know the Duguxie and the ghost servant in front of him.

When his weird words came out, Tang Xiaolong who was next to him roared and said: "Monster, you are so cruel... You killed so many innocent people along the way... You are so cruel... Isn't it a human?"

"Today, you will have to die."

At that moment when Tang Xiaolong scolded, the yin and yang people suddenly roared, and an invisible violent aura poured out from his body: "What are you? How dare to say that old man?"

The terrible killing aura rushed to Tang Xiaolong directly, Tang Xiaolong couldn't help feeling a sense of fear that he had never had before, and the words that were stuck in his throat suddenly could hardly be cursed again.

At this moment, although Li Tian and others are all here, the brothers still have a deep fear in their hearts.

So no one spoke at this time.

When the audience was in a stalemate at this moment, the monster Yin Yang man took the lead to speak.

He did not pay attention to Li Tian, nor did he pay attention to the brothers in front of him, but turned his terrifying face to look at the Duguxie and the ghost servant on the side.

"Hey... Two old friends, long time no see?"

As he suddenly said this sentence, the brothers were all stunned.

Only Li Tian stood there calmly, holding his magic sword.

But seeing the Duguxie and the ghost servant at this moment also coldly stared at the monster in front of him, the yin and yang.

"You demon, you haven't died for so many years... Hey." Du Guxie over there suddenly sighed slightly.

"Brother Dugu...what do you mean by this? Do you want me to die?" The monster Yin and Yang suddenly said with a smirk.

Duguxie looked at Yin and Yang humanely and said, "Yes, I wish you died!"

"Because you are dead...the world can kill fewer innocent people." Du Guxie said in that way.

Hearing Duguxie cursing him to die, the monster Yin and Yang was not angry at all, but suddenly laughed at that grotesquely: "It's a pity, it's a pity... It's a pity that I shouldn't die... Underground Yan The prince does not want to rush to kill me."

"Devil, today your time to die is coming." The ghost servant suddenly said fiercely there.

The yin and yang man laughed wildly: "Brother Ghost...why are you so angry with me?"

"Although I have killed countless people, I never seem to have opposed you, right?"

"Besides, I and your eldest brother have no grievances...Why do you bother to intervene in the matter between me and Lao Ouyang?" The yin and yang people suddenly said in that yin and yang.

After the monster Yin and Yang finished saying this, the Duguxie said coldly: "Devil, you do a lot of evil, kill countless people, everyone is punishable, you said, should you die?"

The yin and yang person was listening to Duguxie saying this, and the corners of his mouth smiled coldly: "That said, you are in charge of the affairs of the Ouyang family today?"

"That is necessary." Du Guxie said coldly, standing there.

"Today, you will definitely die here." Du Guxie said again.

Listening to what Duguxie said, the yin and yang man suddenly looked at the dark surroundings with a pair of terrifying eyes... he seemed to be looking for something...

"Hey...Brother Dugu, Brother Gui...Don't say that for now? I think there are so many things, we can sit down and talk about it, by the way, what about your eldest brother? What about the invincible evil god? Why doesn't he come out? Huh?" A word suddenly came out of the perverted Yin and Yang person.

Chapter 1412: Deceived?

Cthulhu?

This monster yin and yang person actually asked the evil **** at this moment?

Didn't he know that the evil **** had grudges against the gate of **** more than twenty years ago? He didn't know that the Cthulhu had already known whether it was dead or alive, and had disappeared for more than 20 years?

Yes! The monster Yin and Yang in front of him did not know the disappearance of the evil god. ,

Because when he was forced to jump off Luan Mountain by the four major families, the evil **** was still with his brothers... At that time, there was no **** gate organization.

Moreover, he had just come out of the devil's den in just a few days, without knowing the condition of the evil god, so when he saw Duguxie and ghost servants appear, he suddenly worried that the evil ***** might be here.

Because he understood in his heart the brotherhood between the evil ***** and Duguxie and the ghost servant.

But he said, as the monster Yin-Yang man suddenly asked the evil god, Tang Xiaolong with the big mouth over there suddenly couldn't help muttering: "Grass, isn't that monster joking? He's actually asking the evil god? Don't he know the evil god... "

Just as his words were about to be spoken, Chen Qiaozhi on the other side yanked him abruptly.

Then Tang Xiaolong was taken aback, and Chen Qiaozhi interrupted what he was about to say.

Then Chen Qiaozhi glared at Tang Xiaolong in front of him, and shouted in a low voice: "Stupid pig, shut up..."

That Tang Xiaolong was suddenly scolded by Chen Qiaozhi, feeling very wronged, but he still understands the measure, so this will close his mouth tightly, but in his heart, he muttered in the uncontrollable shadow: I ***** what happened? Why don't you let me say it?

But he said that Tang Xiaolong's words just now were not heard by the monster Yin and Yang.

If he really heard it, this matter today might be even more troublesome.

I saw the yin and yang people cast into the dark night surrounding the pair of yin and yang eyes, and said grimly: "Brother Dugu...Brother Ghost...Cthulhu? Why hasn't he appeared yet?"

It turns out that for monster Yin and Yang people, if there is a person in this world who he is afraid of, that person is definitely an evil god! If there is one person in this world who can definitely defeat him, he must be the invincible evil ***** in the world! So this monster Yin-Yang person taboos evil god... is afraid of him.

When the monster Yin and Yang said this, the ghost servant suddenly laughed.

"Does my eldest brother still need to deal with you demon?"

Hearing what the ghost servant said, the yin and yang man suddenly smiled grimly.

"Brother Gui, do you really think that you still have Brother Dugu, and a gang of mobs in front of you want to stop me?" Yin and Yang said with a murderous expression on his face suddenly.

When the ghost servant heard the yin and yang people say this, he groaned inwardly.

Suddenly, Duguxie took a step forward: "The devil...If you don't believe it, you can try it today..."

"Even if the two of me can't beat you... you will die here today." Duguxie said domineeringly.

When the yin and yang person heard this, a pair of devouring eyes suddenly looked at the dark surroundings, and shouted angrily: "Huh...Speaking of it...Isn't he using the evil ***** to crush me?"

The brothers on the other side were listening to them, and no one intervened.

"Cthulhu... come out?" The monster Yin and Yang suddenly stared at the surroundings, and screamed sternly.

With his terrible cry came out, but there was no echo around him, there was just endless darkness.

On the contrary, the yin and yang man seemed to be crazy, roaring in anger, yelling: "Cthulhu, why don't you come out... why?"

"You want to beat me? You want to humiliate me... I won't let you succeed."

Suddenly, the body of the yin and yang person suddenly rose into the sky...

"Cthulhu... I know you are nearby... Hey, for your sake, I will spare Ouyang's life first... However, the Ouyang family will be destroyed sooner or later, I think you will protect it. Can you save him for the rest of his life if he spends one day?"

After the yin and yang person's strange howling sound was uttered, his figure suddenly rose into the sky.

It swept extremely fast towards the distance.

The monster Yin Yang is gone?

He just left like this?

Watching the moment the monster Yin and Yang walked away, the Duguxie and the ghost servant couldn't help but breathe a sigh of relief.

A drop of cold sweat fell from the ghost servant's face.

And brothers? It was completely stunned, no one knew what was going on?

Then Tang Xiaolong is even more depressed, what is going on? Why did you let that **** monster go? And what are you talking about here? Where is this?

Amidst the brothers' questions, Li Tian walked towards Duguxie and the ghost servant.

"Thanks to you...or else, I might be in serious trouble today." Li Tianzai said sincerely.

The ghost servant wiped the cold sweat on his forehead and said: "Young Master, although we deceived that demon...but the strength of that demon is definitely beyond your imagination...If he discovers the truth, I'm afraid At that time, he will definitely come back to kill."

"Yes, so far, except for the big brother who can control this monster... I am afraid that no one on the rivers and lakes can withstand that terrible monster." Du Guxie also said there.

When Li Tian heard the ghost servant say this, he frowned and said, "Don't worry, at least we can have time to save the Ouyang family."

They deceived the Yin and Yang people!

That monster was indeed deceived by ghost servants and Duguxie... Monster Yin and Yang people are not afraid of anyone in their lives, but they are only afraid of Li Tian's father, Cthulhu.

So he was afraid that the evil **** was nearby, so he could only leave.

After hearing Duguxie and the ghost servant say this, Tang Xiaolong suddenly understood, and blinked silently.

It turned out to be the monster that lied!

"Master, according to me, so many of us should directly kill that demon?" Tang Xiaolong said at last.

Hearing Tang Xiaolong's words, the ghost servant in front of him glared at him.

"Do you think we are really opponents of that demon?"

"I'm telling you... even if it's me and the second brother together... and the young master, it may not be able to withstand that terrible demon!!!"

The ghost servant said there.

Listening to the ghost servant suddenly saying this, Tang Xiaolong was speechless, and he stood there speechlessly, never daring to speak too much.

The Ouyang family survived today!

All are due to Li Tian, Duguxie and the ghost servant.

At this time, after the terrible monster left, Li Tian in front of him quickly ran towards the Ouyang family.

And that Ouyang Zhengtian was also the old father who helped him in a daze, shouting:

"Father...Father..."

But what about Mr. Ouyang?

He was completely crazy, as if dumb.

There was no expression on his face, only a look of despair and sadness, looking at the bodies of the three sons in front of him... silently.

Chapter 1413: Worry

No one would have thought that the demon yin and yang person would be cheated away like this!

At this moment, the Ouyang family suffered extremely heavy casualties. Not only did they lose Ouyang Lie, but the two of Ouyang Hua also sacrificed Ouyang Longyan, who was looking back.

Old man Ouyang seemed to be extremely broken.

Watching the three sons die in front of him one by one, how could he not despair?

Standing there with dull eyes...looking at his son's body.

"father....."

"Grandpa." Ouyang Zhengtian and Ouyang Shiqing were helping the old man with heartache, calling him.

But how about the old man? It was as if he could not hear them, standing there with a godless face...No one knew what he was thinking at the moment.

In this way, everyone in the Ouyang family was shrouded in a huge shadow.

Looking at the sad Ouyang family at the moment, Li Tian and his brothers stood there, and they couldn't help sighing slightly.

This once-so-large family...who can imagine that it suffered such a big change overnight! ! !

"Hey, the Ouyang family did not expect to suffer such a disaster." Chen Qiaozhi in front of him sighed slightly.

Old Ge also said with an ugly face: "Yes, I didn't expect us to rush all the way... but unexpectedly it was one step too late."

"It's all that nasty bastard...It's that **** devil." Tang Xiaolong roared angrily.

Li Tian in front of him was also standing there, looking at the Ouyang family with desperate faces, and couldn't help looking at them sympathetically.

Duguxie and the ghost servants on the other side slowly walked towards Li Tian at this moment.

"Young Master." I heard Duguxie's solemn face calling Li Tian there.

Li Tian, who slowly turned his head, glanced at the Duguxie and the ghost servant in front of him.

"What's wrong?" Li Tian asked there.

I saw Duguxie glance at the entire ruined Ouyang family in front of him, as well as those family members who looked panicked and worried. Li Tiandao couldn't help saying: "Young Master, although the demon is gone now... But don't forget, we are It lied to him to leave... if he knew the truth, he would definitely come back."

"To be honest, Young Master, with our current strength and the status of the Ouyang family, it is impossible to resist that terrible monster."

"If he does come back, the Ouyang family might...I'm afraid it will be really hard to keep it." Du Guxie said worriedly there.

Li Tian knew the meaning of Duguxie.

He could feel the power of that demon head when he saw that demon head yin and yang man for the first time.

That demon was the most terrifying guy Li Tian had seen so far, cruel and terrible compared to the Poison Emperor in the Dark City.

Although Li Tian had not seen the true strength of the monster, those who died from the Ouyang family could clearly see the terrifying strength of the demon.

After hearing Duguxie say this, Li Tian also became embarrassed.

After thinking about it with solemn brows, Li Tian in front of him raised his head and looked at the Duguxie in front of him: "Then what do you mean...?"

"Young Master, the Ouyang family can no longer stay."

"If you want all the members of the Ouyang family to live, you can only let them leave... because if they continue to stay in the Ouyang family, there will only be a dead end." Duguxie said.

Dugu Xie is telling the truth.

If the monster Yin and Yang knew that Duguxie and the Ghost Servant had deceived him, the monster would definitely return it in annoyance. Once that time comes, it will be terrible...

That demon would definitely bloodbath the entire Ouyang family.

At that time, I am afraid that even Li Tian, Duguxie and others will not be able to stop the demon in front of them!

After listening to Duguxie's words, Li Tian's brows deepened.

Let the Ouyang family leave? Leave their family?

This matter is currently for the Ouyang family, will they agree?

Will they go?

The current Ouyang family has fallen into a situation of pain and grief... If they were to leave the family where they lived for so many years at this moment, I am afraid...Is it difficult?

After thinking about it for a while, Li Tian said depressed, "I'm afraid that these people will leave their family at this time...They won't agree."

Duguxie said: "If they stay, there will only be a dead end."

"One way is life, the other way is death, I think they should know how to choose." Duguxie said.

Li Tiandao: "Look at these people from the Ouyang family... They all show sadness and anger... If my guess is correct, even if they are dead, they are not willing to leave at this moment."

"Hey, especially the old man Ouyang...you see that he is completely desperate." Li Tian sighed.

After listening to Li Tian's words, the Duguxie and the ghost servant frowned deeply.

They understood Li Tian's words and at the same time understood these people in the Ouyang family, so at this time, they were completely silent.

"Well, let's stay in the Ouyang family first."

"On the one hand, we can dissuade them, and on the other hand, if the demon really goes and returns, at least we can help them." Li Tian finally decided to say.

Listening to Li Tian's decision, the Duguxie and the ghost servant in front of him didn't say too much. They nodded silently and said, "Well, it seems that this can only be done right now. ."

In this way, the brothers decided to stay in the Ouyang family temporarily to protect them.

After the Ouyang family suffered such a big setback this time, it can be said that the vitality is greatly injured.

Ouyang Lie and Ouyang Hua were all sacrificed.

Even the son who had been missing for so many years, Ouyang Longyan was killed by the monster Yin Yang in this battle.

Now, although Father Ouyang was rescued by Li Tian and Duguxie, the whole person has completely collapsed...A person is completely sluggish in his ancestral hall...He just meditates on his three from time to time. The name of the dead son.

Although Ouyang Zhengtian worried about his father, he had no way of doing it.

He is also deeply distressed now. The three of his own brothers could not imagine that they would separate Yin and Yang overnight. How could this not make him feel sad?

Needless to say, Ouyang Shiqing, the family faced such disasters, and their relatives died one after another in the disaster. This is something she has never encountered before, and now she can only feel heartbroken. Stay there for help.

Chapter 1414: contradiction

This night was a miserable night.

It was an extremely painful night.

After arranging for the old man Ouyang, Ouyang Zhengtian finally sorted out his painful thoughts. Although the loss of his relatives made him extremely sad, he is the head of the family after all!

He must support the Ouyang family at this time!

Because there are still many people in the Ouyang family, many innocent members.

In the hall, I saw that Ouyang Zhengtian had sorted out his emotions and was there to welcome Li Tian and his brothers. After all, if Li Tian and Duguxie weren't here today, I guess the Ouyang family would really perish.

Li Tian and his brothers were also in the hall of the Ouyang family at this time.

"Li Tian, thank you for bringing people to help us... Our family suffered this disaster, if it wasn't for you to come, hey..." Ouyang Zhengtian said sadly.

Listening to Patriarch Ouyang saying so, Li Tian said quickly there: "Patriarch is polite..."

"We wanted to come right after hearing the news of that demon for the first time... But we didn't expect that we were still a step late." Li Tian said truthfully.

Ouyang Zhengtian's eye circles were slightly red.

His three brothers died, and now the old man is also in complete despair. He is in pain and desperate to live.

"It doesn't matter...you have helped my family a lot," Ouyang Zhengtian said gratefully.

"Our Ouyang family owes you this life, as well as the kindness of your brother for a lifetime."

"If our Ouyang family can avoid the catastrophe this time, it will be useful to our family in the future...We will definitely help you."

"Patriarch Ouyang, that's serious."

"My brothers and I have already received a lot of favor from the Ouyang family. This time we help each other, and it is reasonable. Moreover, the demon is so cruel and inhumane. Everyone will punish him. Killing him is also regarded as killing the whole world." Li Tian said there.

Hearing what Li Tian said, Ouyang Zhengtian nodded slightly.

But when he thought of that terrible monster in his mind, Ouyang Zhengtian's face showed an uneasy look again.

"Patriarch Ouyang, there is something I must discuss with you." Li Tian said suddenly there.

Ouyang Zhengtian said: "Please say..."

"Patriarch Ouyang, I want your family and you... to leave here first." A word came out of Li Tian's mouth.

When Ouyang Zhengtian heard Li Tian suddenly say "leave" in front of him, he couldn't help being stunned.

"Leaving? What do you mean?" Ouyang Zhengtian asked there.

Just listen to Li Tiandao said: "Patriarch, you also know that we lied to the demon to leave this time... However, paper can never contain the fire, so once the demon knows about my father... I will definitely go back and return. By that time, I am afraid there will be a river of blood...So I think that for the time being, people in your family should take shelter for a while.

After hearing what Li Tian said, Ouyang Zhengtian certainly understood what Li Tian meant.

But after seeing this meeting, Ouyang Zhengtian suddenly showed a confused and helpless expression in his eyes.

"Patriarch Ouyang, I know that this decision is definitely difficult for your family to make. After all, this is your century-old foundation... and it is also the base of your family. However, if you don't do this, I'm afraid it will be More innocent people will be killed here, and your Ouyang family will once again face a major disaster."

Li Tian truthfully told Ouyang Zhengtian of the situation in front of him.

Of course Ouyang Zhengtian knows everything!

He knew that with their current strength, it was impossible to be the opponent of that cruel monster, even if Li Tian and the others arrived, they could not be the opponent of that monster.

But don't forget, this is their home...this is the root of the Ouyang family!

Will they really leave? Will you leave?

I saw everyone in this meeting cast their gazes on Ouyang Zhengtian's face... His face showed a deep sorrow... Sitting there in pain, a pair of eyes staring into the distance blankly ...

After a long silence, Ouyang Zhengtian finally slowly raised his sad face to Li Tiandao and said, "Thank you for your advice and kindness..."

"But... I'm afraid... I'm afraid... I won't leave the family."

"Even if I die, I have to keep our family's century-old foundation." Ouyang Zhengtian said with his fists tightly clenched.

There was a firm look on his face, as if he knew it was the road to death, and he would stick to it.

When Ouyang Zhengtian said this all of a sudden, Li Tian and his brothers were all depressed.

In fact, they had long thought that it might be the result.

Li Tian, who saw this meeting, looked at the Ouyang Zhengtian in front of him and said: "Patriarch Ouyang, I hope you will consider this matter... After all, this is about the success and death of your family, and there are so many innocent people. family members."

Then Ouyang Zhengtian stood up suddenly, his face turned cold and said, "Okay, I will consider it."

"It's getting late... I'll ask you to arrange for you to take a good rest."

After Ouyang Zhengtian said this coldly, he turned around and left here.

After looking at Ouyang Zhengtian's final indifferent expression and his last words, Li Tian knew that it was completely impossible to persuade Ouyang Zhengtian at this moment.

Presumably knowing that staying here is a dead end, I am afraid that Ouyang Zhengtian will not go.

Seeing that Ouyang Zhengtian left, the brothers became depressed.

"Little boss, it seems that he doesn't plan to leave the Ouyang family anymore." Tang Xiaolong on one side said there.

Li Tian nodded slightly, frowned, thinking about things there,

"If the people of the Ouyang family don't leave, the perverted demon will come sooner or later...what can I do at that time?" Ge Lao Zai said depressed.

"It seems that they can only resign themselves." Tang Xiaolong over there murmured.

Everyone knows that so far no one can resist that perverted demon. Apart from leaving the family as the only way to survive, I am afraid there is no second way to go, so the brothers can't persuade that Ouyang Zhengtian to take his family's. After people leave, they have no choice.

In the end, Li Tian said, "Don't worry, everyone!"

"I think that demon will not come back so quickly...so, within these few days, we still have to help the Ouyang family, I will persuade Shiqing, and hope she can talk to her father. Communicate well, and leave the Ouyang family as far as possible before the demon returns."

After listening to Li Tian's words, the brothers nodded there.

Chapter 1415: Let Ouyang Shiqing come forward

The only way to save the Ouyang family now is to let their entire family leave here. .

But Ouyang Zhengtian, who was in grief, would not agree, nor would the **** members of the Ouyang family.

The Ouyang Lie and Ouyang Hua who watched the family were killed so cruelly, how could they leave like this?

After Li Tian thought of the consequences, now the only rescue he could find was Ouyang Shiqing! In his heart, of course the most worried thing is that Ouyang Shiqing.

So Li Tian in this meeting came to Ouyang Shiqing.

In a quiet and scented room, but seeing her sitting motionless.

When Li Tian arrived in front of her room, she didn't hear it.

Knocking the door lightly, Ouyang Shiqing's delicate body trembled slightly.

"Poetry." Li Tian called out softly at the door.

After hearing Li Tian's voice, Ouyang Shiqing turned her head slowly.

She is still so beautiful, so noble, like a fairy in the sky, that people can look at from a distance, not dare to touch profanity, but her eyes are red, it is obvious that Ouyang Shiqing is because of tears Excessive, that's why it led to red and swollen eye circles.

"Li Tian." The moment I saw Li Tian, Ouyang Shiqing stood up and looked at him who had been thinking about it.

Then, Ouyang Shiqing ran towards Li Tian, hugged Li Tian in front of him, buried his head in Li Tian's broad chest, and began to cry...

Her cry was so sad, so sad.

Tears completely wet the clothes on Li Tian's chest.

When Li Tian saw Ouyang Shiqing hugging herself and crying, he knew she was tears of sadness.

Faced with the sudden change of the family, her relatives lost three of them all at once... Even her most beloved grandfather collapsed in despair in an instant. How could this not make Ouyang Shiqing sad?

Li Tian hugged her tender body tightly at this moment, hugging her tightly. He didn't know what he should say to comfort her... let alone, what should he do at this moment?

"Second Uncle... Third Uncle...dead!!"

"Grandpa... my grandpa and his old man are completely broken..."

"Why... all of this is why... why is it so? Why is it so?" Ouyang Shiqing said while crying in sorrow and choking.

Yes, all the changes come too fast.

The Ouyang family was still intact the day before, but the family was destroyed in just one day!

All this made Ouyang Shiqing unable to bear it, so she was now lying on Li Tian's body, crying and crying.

Li Tian knew how she was crying, and stood there, letting her vent the sadness in her heart.

Finally, Ouyang Shiqing finished crying, and she was tired from crying, and her eyes became red and swollen.

She slowly left Li Tian's chest and wiped the tears on her face.

"I'm sorry... I'm gaffe." Ouyang Shiqing turned around and said awkwardly.

This always stubborn woman seemed unwilling to show the sad side of Li Tian's face in front of her.

"It doesn't matter." Li Tian said, looking at her.

Ouyang Shiqing stood there, recovered her emotions, wiped the teardrops on her face, was silent for a while, and then slowly turned her head around.

"You...you... why did you come to our family?" Suddenly a word came out from Ouyang Shiqing's mouth.

To be honest, she was surprised, surprised at the appearance of Li Tian.

I saw Li Tian say there, "I hurried over from Binjiang City after knowing that the demon was born."
"I know that the demon's next step will be detrimental to your Ouyang family... So I just rushed here for the first time... But unexpectedly, I was still a step late." Li Tian regretted.

When Li Tian said this, Ouyang Shiqing's expression became sad again.

But she still resisted her inner sadness and looked at Li Tiandao there and said: "Thank you..."

"Thank you for helping our family."

"You are welcome, your family once helped me." Li Tian said sincerely.

Ouyang Shiqing in front of her went on to say: "Then...when do you leave?" After Ouyang Shiqing asked this sentence, her beautiful face lowered.

Li Tian looked at Ouyang Shiqing and said, "I'm not leaving yet."

"Because that demon will come back at any time... so I must stay."

"No matter what, I won't let anyone hurt you...and...and people from your family." Li Tiandao.

After hearing Li Tian say this, a sense of speechless sweetness flooded into the depths of Ouyang Shiqing's heart.

But Li Tian suddenly said there at this moment: "That's right, I want to tell you something."

Ouyang Shiqing raised his red eyes and looked at Li Tiandao, "What's the matter?"

"I want you to persuade your father." Li Tiandao.

After hearing this, Ouyang Shiqing was taken aback: "Persuade my father? What do you mean?"

"Because you also know that the demon was just deceived by us... But once he knows the truth, he will go back again."

"That demon is a monster that became famous decades ago. It has deep skills and no one can stop... So we are afraid that once the demon really returns, your family will face blood and light again... Therefore, I want to persuade you. Dad, let him take you and the members of your family out of here temporarily... to hide, but your father didn't agree."

After Li Tian finished saying this, Ouyang Shiqing was stunned for a moment.

"You...you mean...that demon is coming back?"

Li Tian nodded with an ugly expression.

"Yes, he will definitely come back."

After Li Tian said so affirmatively, Ouyang Shiqing hated and feared in her heart.

What she hates is that monster is cruel and inhuman. She killed so many of her relatives. She was afraid that her family would face annihilation again, so Ouyang Shiqing in this society was in a confused situation.

"Shiqing, I know it's difficult to let you leave this decision. After all, this is your home, but you have to know that now we really can't resist that terrible monster. If he comes back, it's really bad. Now... I'm afraid everyone will die by then."

After Li Tian said this again, Ouyang Shiqing was silent there.

She is an extremely smart girl. Although she has encountered too many misfortunes and sorrows today, her reason is still very clear.

She knew that everything Li Tian said was for the good of their family, so after Ouyang Shiqing of this meeting thought about everything, she finally looked at Li Tiandao and said, "Okay, I will persuade you as soon as possible. Advise my father."

Listening to Ouyang Shiqing's words, Li Tian finally became happy, and said, "That would be great."

So in this way, Li Tian decided to let Ouyang Shiqing persuade his father to leave the Ouyang family as soon as possible.

Although they deceived the monster Yin and Yang, they knew in their hearts that this deception would not last long... Once the monster knew the truth, once he returned, he would carry out a more cruel killing.

Chapter 1416: The appearance of Long Yin

The Ouyang family spent a day in loss and grief.

Every member of the Ouyang family showed a deep feeling of fear and anxiety, and at the same time, there was a deep hatred on everyone's face.

Although the arrival of Li Tian and the others has reduced some burdens to the Ouyang family to varying degrees, everyone knows that even the arrival of Li Tian and Duguxie and others will not help.

Because that monster yin and yang person is really terrible, too powerful.

Outside the suburbs of Jinghai City, wild woods.

This wild forest is very large, but also has many trees and flowers.

And when the wild forest was silent, a stern ghost scream suddenly came out from the wild forest. As the sound came, the birds in the wild forest were all shaken by the terrifying sound. Get up... as if even the birds and beasts are afraid of this sound.

Then I saw a monster with fluffy hair and a dirty body like a monster crawling out of a crypt, and his body flashed out of the dense forest.

Under the fluffy messy hair, there was an extremely pale face and a pair of beast eyes that looked like a human.

He didn't look like a person at all, but he seemed to be a beast, because his hands were still stained with blood, the blood of a wild rabbit, and on his left hand was a wild rabbit that had just been caught. The whole chest of the wild rabbit has been torn alive...

And the corners of his mouth are still stained with the flesh of wild rabbits!

My God, is this monster eating wild rabbits raw! ! !

Yes, he was the Yin-Yang person who came out of the Devil's Cave, and he was also the monster who was cheated away by Duguxie and the Ghost Servant in the Ouyang Family's murder.

The monster who has been imprisoned in the Demon Cave for decades has already liked to eat **** raw meat and blood, so he is eating the wild rabbit that he just caught.

Soon, he ate the wild rabbit alive like a beast, and then he wiped the blood on his face... revealing those extremely scary eyes.

As soon as he wiped off the blood of the wild rabbit on his face, he suddenly shook, and then yelled: "Who?"

"Which thing that knows nothing about life and death dares to follow me?"

Following the yin and yang people's weird howl, then he soared into the sky, and then jumped into the dense forest extremely fast, and then with a strong palm of his right hand, he flew fatally towards the dense forest!

He seems to have found someone! Someone is hiding in this wild forest.

Just as his powerful and domineering evil palm came over, he saw a black figure suddenly rise and fall in the dense forest, evading his palm, and then quickly returned his palm.

The mysterious man's palm technique is also surprisingly powerful, with one palm out, the surrounding trees shook.

When the yin and yang people saw, the other party dared to slap him, roared, and made another move with his right hand!

With a bang, when the two huge palm strengths slammed together, the surrounding sand and fallen leaves were all shaken up, and at the same time the powerful palm strength began to spread to the surroundings!

The palm is not divided up and down! ! !

Gosh!

who is it?

Who can have such skill, can actually compete with the skill of the Yin and Yang people in front of him?

At the moment when he felt that the opponent's skill was almost the same as his own, the yin and yang person suddenly showed a terrifying and cruel killing intent in his eyes, and then the cold eyes stared at the black shadow person in front .

And what about the other party? After facing a palm with the yin and yang people, he was surprised and said: This monster's skill is indeed surprisingly high!

"You better hurry up and tell who you are? Or I will eat you alive." The Yin and Yang man in front of him suddenly roared like a beast, standing motionless in front of the staring eyes. Said the black humanity.

But who is the mysterious black man in front of him?

Who can have such a powerful skill?

Take a closer look at his face, it is clear-cut, a pair of eyes twinkling, let people see that this person's internal strength is extremely deep, and there is a treacherous smile on his face, that treacherous face It's like a king of the world.

He, Long Yin!

It turned out to be Long Yin from the dark city.

Why is he here? How could you monitor the monster Yin and Yang in front of you?

All the doubts came out.

At the moment when Long Yin saw the true face of the Yin-Yang man Lushan, he showed his trademark treacherous smile. He looked at the Yin-Yang man in front of him: "It is said that there is an eternal demon in the cave. ...I saw it today, it really deserves its reputation."

After hearing Long Yin's identity, the yin and yang man yelled, "How can you, an ignorant junior, know about Lao Tzu? Don't you be afraid that I will break your neck alive? Your heart dug out?"

When Long Yin heard the Yin and Yang people say this, he burst into laughter.

It was the first time that Yin and Yang man saw someone laughing so rampantly in front of him since he was born in the Demon Cavern. You know, even the master of the gate of **** dare not be so presumptuous in front of him...

At the moment he roared: "What are you **** laughing at?"

But seeing Long Yin saying: "I laugh at you."

"Do you dare to laugh at Lao Tzu?"

"I let you die."

The yin and yang people under the anger suddenly changed their entire figure, and both hands suddenly attacked Long Yin like blood claws.

When Long Yin saw that the monster actually said that he would shoot, he didn't dare to take it carelessly at the moment, his body suddenly rotated on the spot, and then his right palm was lifted, and a powerful palm force poured out.

The yin and yang man saw that his bloodless ghost claw was actually restrained by this dragon, he roared, and the evil palm attacked again.

But where is Long Yin? But at this moment, his body suddenly fell backwards, avoiding the extremely terrifying palm of the Yin and Yang person, and said quickly in his mouth: "Hey, Yin and Yang boss... you don't do it, don't do it... I I have something to tell you." Long Yin said with a gloomy face after retreating.

The yin and yang man had decided to kill, but after fighting against Long Yin twice, he found that the martial arts of Long Yin in front of him was also unfathomable. This was the first time he had seen a real strong man since he left the devil's cave. Of course, besides the master of the gate of hell, he was the first powerful character who could face himself and did not show weakness at all, so he slowly stopped his hands this time.

Although the monster Yin Yang Ren stopped his hand at this moment, the shining light in his eyes remained undiminished, as if he would shoot again anytime, anywhere.

Chapter 1417: Irritated

"You'd better tell Lao Tzu truthfully, why are you monitoring me here? Otherwise, I will make you regret seeing me, and I will dig out your heart." The Yin and Yang people whizzed out in that Yin and Yang. Said with scary white teeth.

No one dared to doubt the words of the monster Yin and Yang, even Long Yin in front of him would not doubt it.

Because this demon is indeed too powerful.

But what about Long Yin in front of you? It was an awkward smile.

"Hey, Boss Yin Yang, don't you be so angry..."

"I'm here, in fact, mostly for your own good." Long Yin said with a smile suddenly there.

When the yin and yang person heard, he actually said it was for his own good, and then roared and asked: "It's good for Laozi? What do you mean?"

Long Yin smiled coldly there, and then said: "Because I know you very well... and I know your killing journey since you left the magic cave."

When the yin and yang people heard this, he said angrily: "Why are you so clear to Lao Tzu? Are you following me all the way?"

Long Yin said: "No...no..."

"I dare not watch you, I just passed by here."

"It's just that I suddenly heard that something major has happened to the Ouyang family... so I came over to take a look.

The yin and yang man heard Long Yin's words and then said: "Then how do you know Lao Tzu's name? And the news that Lao Tzu was just born from the devil's cave?"

Na Long Yin smiled and said, "Because I used to be a member of the gate of hell."

When Long Yin suddenly said that he was the doorman of hell, the monster Yin and Yang was furious.

"Asshole! So you are the one sent by that guy to watch me!"

At the moment when the yin and yang people were furious, Long Yin frowned.

Tao said: "Hey...do you hear me clearly..."

"I mean, I used to be at the gate of hell."

After the monster yin and yang man heard Long Yin saying this again, those biting eyes looked at Long Yin and said, "What do you mean?"

"I mean, I am no longer a member of the gate of hell, and I am not the one sent by the master of the gate of **** to monitor you."

As soon as the yin and yang person heard this, he continued to ask: "You are not from the gate of hell? Didn't he send me to monitor me?"

Long Yin smiled and nodded.

"Then who are you bastard?" The Yin and Yang man roared at Long Yin and asked.

Long Yin smiled weirdly and looked at Yin-Yang humanity and said: "I am just like you. I am a person with a common enemy... and a common goal. To put it bluntly, we are the same person."

"I'm the same as you? Have a common enemy?" After hearing Long Yin's words, the Yin and Yang people suddenly wailed and laughed...as if the words of Long Yin made him feel very funny.

But seeing that Long Yin did say indifferently, "What I said is the truth."

"Shit facts!"

"I don't even know who you are... How dare you tell me the truth? I think you are impatient and want to die." Yin and Yang said violently there.

Hearing what the monster said, Long Yin couldn't help sighing softly, and said to himself: Damn, it's really hard to talk to this bloodthirsty and brainless monster.

But even though he cursed this perverted monster in his heart, he still looked at the monster Yin Yang with a smile on his face and said humanely: "Boss Yin and Yang, don't talk first, wait for me to finish... and then you think Are we the same person!"

"If I'm not right, then you can do it to me..."

Hearing what Long Yin said, the yin and yang people stared at Long Yin with fierce eyeballs, and then said with a strange smile: "Okay, then you can talk about it. If you are not satisfied with one thing, I will All your heart and liver are digging out, hehe." The old yin and yang smiled cruelly.

But when he saw Long Yin, he didn't care at all. Instead, he smiled and said, "Then listen well, old yin and yang, did you jump off Luan Mountain back then, the master of the gate of **** saved you?"

When the monster Yin and Yang heard it, he said coldly: "Yes!"

"Although the sect master of the gate of **** saved you...but he imprisoned you in the devil's cave because you didn't promise to deal with the evil god, and he was imprisoned for almost 30 years... hey, these 30 years, To be honest, you have become less like humans, and ghosts don't look like ghosts... In fact, is all this the responsibility of the master of the gate of hell?"

"Thirty years, almost thirty years, if it were me, I would rather die, than be trapped alive by a person in such a ghostly place with no heaven." Long Yin He was smiling and talking, while he was still paying attention to the face of the old monster Yin and Yang.

But what about the demon yin and yang at this moment? After Long Yin said this, the monster Yin Yang man suddenly became so angry that his whole body was shivering, and his violent aura became more serious, as if he was going to eat people at this moment. He hated the matter and hated the master of the gate of hell. Otherwise, the first thing he did when he left the devil was to find the master of the **** gate...

You must know that in the almost 30 years of being imprisoned in the Devil's Cave, this monster of Yin and Yang is indeed not like a human or a ghost. In addition to eating the flesh and blood of wild animals, he is strong on his own. The strength of the support... he wants to live, live to avenge.

When Na Long Yin saw that the monster Yin and Yang was already showing terrifying murderous intent and anger, a treacherous smile appeared at the corner of his mouth, and he continued to say: "Moreover, the master of the gate of **** also uses poison to control You... let you do things for him... Hey, if I were you, I would hate him ten thousand... I will let him taste the most painful way of death in the world, and I will kill him myself."

Following Long Yin's words, the monster Yin and Yang suddenly screamed, and the terrifying sound passed through the entire wild forest, and even the fallen leaves on the trees were shaken and dropped.

The voice was filled with endless hatred... endless anger.

At this moment, the yin and yang people who were full of terrible killing intent began to transfer their hatred to the master of the gate of **** completely.

"I'm going to kill him... I'm going to eat him..." the monster Yin Yang man in front of him roared in a fierce and cruel manner.

After seeing the anger that the Yin and Yang people had been completely stimulated by his own words, Long Yin finally showed his treacherous smile.

"So, you should hate him, hate the person who turned you into this... hate the master of the gate of hell." Long Yin said at last.

The monster Yin and Yang suddenly started crying...Two weird claws suddenly grabbed a big tree in front of him, and with a click, a tree with a thick bowl was caught by him with a terrible fright and caught it from the middle. broken!

With a click, the big tree fell.

And looking at the old monster Yin and Yang, his five fingers were covered with blood...It was his own blood, his people were burning with anger, and the hatred and arrogance all over his body was completely ignited by him.

He hates, and hates the **** gate master who has kept him in **** gate for more than 20 years.

Chapter 1418: joint

Na Long Yin smiled treacherously after seeing the monster Yin and Yang showing such an angry expression.

Then he looked at the Yin-Yang humanity in front of him and said: "Boss Yin-Yang, in fact, it's not just you who hate the master of the **** gate...I also hate him! I wish he would die." A word came out of Long Yin's mouth.

After Long Yin suddenly said this, the yin and yang man suddenly turned his pale **** face, looked at Long Yin savagely and said, "Do you have hatred with him?"

"Yes, I do have hatred with the master of the gate of hell."

"So I said that the two of us have a common enemy." Just listen to the words of Long Yin.

As soon as the yin and yang person heard Long Yin's words, those gnawing eyes looked at Long Yin in front of him weirdly, and remained silent.

"If possible, I think the two of us can join hands to deal with him." Long Yin said suddenly.

Just when Long Yin said so, the old monster Yin Yang suddenly laughed strangely.

The gloomy laughter filled the space.

"Joining hands?"

"I always like to kill people alone... I don't need to join hands with you." The Yin and Yang man in front of him said coldly.

Hearing the Yin and Yang people say so, Long Yin suddenly sneered.

"You kill him alone, maybe it's wrong?"

When Long Yin said this, the yin and yang man suddenly furiously said: "Do you dare to doubt Lao Tzu's strength? Believe it or not, I will let you go to **** now."

Long Yin frowned slightly, looked at the monster, and thought for a while: "I didn't say that I doubted your strength... I just meant that you need my help for many things! If you didn't have me If you do, it's probably hard for you to do what you want to do."

"For example, the poison of the gate of **** you are now in." Long Yin said with a wicked smile.

When the yin and yang man heard what Long Yin said, he suddenly said angrily: "How do you know I was poisoned?"

Long Yin pointed at the left arm of the old yin and yang demon and said: "Your arm has a black line... fools can see that you are already poisoned, and the poison you are in is the master of the gate of hell. The unique poison, the poison that eats the bones and the heart, if there is no antidote, this poison will ulcerate and die at that time. It will start from your internal organs... little by little rot, and then begin to spread throughout your limbs. After all parts of the body are ulcerated, the person will die."

After Long Yin talked about the poison of bone-corrupting heart, the yin-yang person's complexion changed strangely, because what Long Yin said was not bad, and he was indeed exposed to this terrible poison! Otherwise, how could this lawless monster surrender to the master of the gate of hell.

He was thinking darkly there.

After a long time, I suddenly saw the Yin and Yang person looking at Long Yin and said, "If I cooperate with you, what do you want?"

Hearing what Yin and Yang people said, Long Yin finally smiled.

"If you cooperate with me, I will help you get the antidote... In this way, you will no longer be controlled by the master of the gate of hell... and at that time, we can kill him together. "

The yin and yang man suddenly smiled strangely when hearing Long Yin say this.

"Kill him? Kill the master of the gate of hell?"

Long Yin nodded slightly.

"I'm afraid it's not that easy..." The Yin Yang person suddenly said strangely.

Long Yin frowned: "I thought you were not afraid of the old yin and yang, but I didn't expect you to be afraid of the master of the gate of hell?"

"I'm afraid of him?"

"Tell you, I am afraid of no one except one person in this world!" Only the Yin and Yang people suddenly roared.

When Long Yin heard this, he said: "Then you mean you are not afraid of the master of the gate of hell?"

"I'm not afraid of him!"

"I just don't know how high his martial arts is." Yin and Yang said coldly.

Hearing what Yin Yang Old Monster said, Long Yin also fell silent.

"You just said that you stayed at the gate of **** before... Then you should know his martial arts well? Tell Lao Tzu, how high is his martial arts?" Yin Yang people suddenly looked at Long Yin and asked.

Who knew that after the old monster Yin Yang asked, he saw that Long Yin suddenly shook his head.

"To be honest, I have been with him for almost 20 years, and I have never seen him make a shot." A word came out of Long Yin's mouth!

My God, he said he had never seen the master of the gate of **** make a move!

After he said that, the yin and yang person's complexion also changed slightly.

Back then, the yin and yang people were indeed saved by the master of the **** gate...but later the old monster of yin and yang was locked in the devil's cave. He never knew that the terrible and mysterious master of the **** gate should have martial arts. How high.

"Don't worry, I think it shouldn't be a problem to deal with him with the strength of the two of us." Long Yin suddenly said with confidence.

After the yin and yang man heard Long Yin say this, he looked at Long Yin with weird eyes.

"Then what do you mean, are you really ready to join forces with me? Hey..." Yin and Yang suddenly said with a weird smile.

Long Yin also smiled and said, "What do you think?"

"Well, since you want to join forces with Lao Tzu... Lao Tzu promises you."

"Lao Tzu can see... You are definitely not a good kind... and you are also a villain among the wicked, and Lao Tzu, I am a ghost who kills my life... If we join hands, we should be able to help me get the antidote and kill Kill him."

"That **** thing has trapped me for almost 30 years... I must return it to him as much as possible... I want him to taste the feeling of being trapped in hell." The Yin and Yang man screamed.

When Long Yin heard that the Yin and Yang people had made up their minds, he finally took a sigh of relief and smiled slightly.

"Then we should be considered friends now..." Long Yin said humanely, looking at the monster Yin and Yang suddenly.

Old Monster Yin and Yang suddenly smiled weirdly, and the stench from his body rushed towards that Long Yin.

"Tell you, although Lao Tzu joined hands with you... but he didn't treat you as a friend..." Yin and Yang said bluntly.

Long Yin, who heard the Yin and Yang people say so, didn't mind, he just smiled and nodded and said, "Well, everything is up to you..."

"As long as you and I can join hands to deal with the master of the gate of hell, everything will be fine." Long Yin said with a smile in front of him.

Suddenly, the yin and yang man stared at Long Yin in front of him, and said weirdly: "Boy, then you are not afraid that after I join hands with you to kill the master of the gate of hell, I will kill you directly?"

When the Yin and Yang people suddenly said so weird, that Long Yin's eyes turned, then smiled, looking at the Yin and Yang old monster and said: "You kill me?"

"Will you?" Long Yin suddenly asked the Yin and Yang humanity.

Hehe!

The yin and yang man suddenly laughed like a lunatic...

"No! No...!"

One is a demon who has been famous as a martial artist several decades ago, and he has been imprisoned in a demon cave for nearly 30 years. The other is after betraying the gate of hell, he used the magic absorption method to absorb the inner strength of the masters The despicable and treacherous villain Long Yin, such two big villains join forces now, I really don't know how big things will happen in the arena! ! !

Chapter 1419: He lied to you

"Boss Yin and Yang, the massacre of the Yuwen family, should be your masterpiece?" Sitting quietly watching Long Yin with blood on his hands, asked slightly.

The old demon of Yin and Yang suddenly turned his head and looked at Long Yin and said, "Of course..."

"That **** old man and Ouyang old man forced Lao Tzu on Luan Mountain... so many people dealt with me and made me jump off the cliff! This kind of hatred, even if I kill his entire family, I can't understand my heart. Hate!" The old Yin and Yang demon in front of him said fiercely.

Listening to the Yin-Yang boss, then Long Yin continued to ask, "Where is Ouyang's house?"

When referring to the Ouyang family in front of him, the Yin-Yang person's complexion suddenly became difficult to look.

Long Yin was surprised at the change in the face of this old monster of Yin and Yang. Not only did his brow furrow slightly, but he couldn't help but lining up: Why did this old monster show such an expression on his face?

Isn't it enough to use his terrifying power to deal with an Ouyang family? impossible!

Just as Long Yin was thinking about it, he suddenly heard the Yin-Yang old monster saying angrily: "Ouyang family, sooner or later I will raz them to the ground, so that their family will not leave a living."

Na Long Yin said: "Then you mean, you haven't done anything to Ouyang's family yet?"

"who said it?"

"Lao Tzu has killed Lao Ouyang's three sons... and many people in his family, but that Ouyang Lao'er is not dead yet." Only the Yin and Yang monster in front of him roared.

Long Yin said: "You didn't kill that old Ouyang?"

The Yin and Yang people snorted, did not speak, and exuded a terrifying aura.

When Long Yin heard that this demon hadn't killed the old man Ouyang, he was very puzzled, and asked, "Why don't you kill his entire family? Like the Yuwen family?"

Old Yin and Yang demon suddenly roared: "I...I..."

"Are you showing mercy?" Long Yin asked unbelievably.

"You know what a shit!"

"I'm not being merciful...I'm afraid of being alone!" The old demon of Yin and Yang suddenly roared with his beard and staring.

For some reason, when he mentioned that person, his face showed a strange look of fear.

This situation made Na Long Yin very puzzled. He really couldn't imagine that there was a "person" in this world that this monster was afraid of.

"I didn't expect that even your Yin and Yang boss would be afraid of a person..." Long Yin said in surprise.

The yin and yang old demon stared at Long Yin with ferocious eyes and said angrily: "You ignorant junior knows what the hell? Do you know who he is? If I say his name... it must be scared. Damn you!"

"Who? Hehe, I want to hear it." Long Yin sneered in front of him.

The yin and yang man listened to Long Yin's question, so he spoke his name all at once.

"He is an evil god!"

"Famous, invincible evil ***** in the world!"

"If it weren't for him...The Ouyang family had been killed by me last night..."

The yin and yang man said angrily.

When the yin and yang people suddenly said the words "Cthulhu" in their mouths, Long Yin was immediately depressed.

"Who are you talking about?" Long Yin frowned and asked, looking at Old Monster Yin and Yang, unbelievably.

The old monster Yin and Yang glared at Long Yin: "Cthulhu...the famous Cthulhu, don't you know?"

"Cthulhu?"

"Boss Yin and Yang, are you kidding... You said that the evil **** appeared in the Ouyang family last night?" Long Yin almost jumped up and asked.

The old yin and yang snorted, "Of course!"

"You think the world is so big, who would Lao Tzu be afraid of? Except for him... tell you, Lao Tzu will not take it seriously." Old Monster Yin Yang said domineeringly.

It was that Long Yindan pained, because he knew that the evil **** had been missing for so many years, and he had personally broken his hands and feet back then, evil god? How could Cthulhu appear here? Cthulhu was born?

"Old monster, have you seen the evil **** with your own eyes?"

"Have you seen him with your own eyes?" Long Yin asked suddenly.

The old yin and yang said angrily: "I don't want to see her...I just saw his brother Qingtianyijian Duguxie, and the ghost servant wearing a grimace mask..."

When Long Yin heard this, he quickly said, "You mean that Duguxie and ghost servants have all come to the Ouyang family?"

"That is!" Old Weird Yin Yang said.

At this moment, Long Yin's eyes suddenly lit up, and a cruel smile gradually appeared in the pair of treacherous eyes, and he said inwardly: Unexpectedly, there is even Duguxie and ghosts. The servants are here...If that's the case, that **** boy Li Tian must be in the Ouyang family now. Thinking of this, Long Yin laughed weirdly.

"If I didn't guess wrong, you must have been deceived." A word suddenly came out of that Long Yin's mouth.

When Long Yin said that Boss Yin and Yang had been deceived, Boss Yin Yang stared at Long Yin and said, "What are you talking about? Who dares to deceive Lao Tzu?"

Then Long Yin smiled slightly and said, "You just said that the reason why you didn't kill the Ouyang family is because the evil **** is here... right?"

The old yin and yang said: "Yes!"

"Haha, it seems you were indeed deceived by them..."

"You can tell Lao Tzu clearly, what the **** am I being deceived?" Old Monster Yin and Yang roared there with an angry face.

Then Long Yin said: "You said the evil **** is here, can you see him with your own eyes?"

"No...no," the Yin-Yang person thought for a while and said.

"Hey, do you know why you didn't see him?" Long Yin asked.

Old Monster Yin and Yang thought for a while and said, "Maybe...maybe...the evil ***** doesn't want to embarrass me.

Haha!

"You are so innocent... I tell you the old monster, the reason why you can't see the Cthulhu is because the Cthulhu has been missing for many years... Besides, even if he comes out now, I'm afraid he will become a useless person." Long Yin said.

When Long Yin suddenly said that the once invincible evil ***** was missing...the moment he became a useless person, the old demon of Yin and Yang bounced directly from the ground...with those eyes that biting people, he didn't dare. The believer roared there and asked, "What did you say? You said the famous evil ***** has disappeared? Abandoned?"

"Hey... you have been trapped in the devil's cave for almost thirty years. I don't know if these things are excusable..." Na Long Yin said slightly.

"You make it clear...what's the matter?" Just listen to the old yin and yang hurriedly asking.

Long Yin smiled and said: "Well, I'll tell you!"

"After you were trapped in the devil's cave... in the next two years, something big happened... the gate of ***** also began to rise from that time."

"And the rise of the gates of ***** is to deal with a person... to deal with a person who is invincible in the world, his name is called Cthulhu."

"The master of the gate of ***** has collected all the masters in the world...including me back then...and many famous figures...and these characters add up to more than 100 people..."

"Do you remember that the master of the gate of ***** went to the magic cave to find you?" Suddenly Long Yin asked there.

Chapter 1420: In crisis again

After Long Yin asked so suddenly, that old yin and yang face changed!

Angrily said: "I know!"

"He went to the Devil's Cave to find me... and told me to deal with and help him deal with the evil god... Hey, but I know... no one in the world can defeat the evil god... so I refused at that time..." Yin and Yang said with a weird smile. .

Long Yin sighed slightly and said, "You are right! There is indeed no one in the world who can defeat the Cthulhu alone... But if more than a hundred masters attack him together, then he is no match."

After Long Yin said this, the yin and yang man couldn't believe it and said, "You mean that more than a hundred of you have jointly attacked the evil god?"

"En! Yes, if that's not the case... how can we beat him?" Long Yin said with a smile.

Hearing Long Yin's words, the yin and yang person suddenly jumped up.

"It's so mean... so shameless... you're so ***** shameless, nasty!!!"

Hehe!

Just as the yin and yang man cursed, he suddenly laughed strangely... his expression was like a lunatic.

"But... I like your meanness... I like your viciousness,"

"Tell me... tell me... where is Cthulhu finally? Is he dead... Is he really dead?" Yin Yang asked with a sickly madness in his eyes.

Long Yin smiled and said: "As for the life and death of the evil god, to be honest, no one knows for so many years, not even the master of the gate of hell."

"Even though we defeated him back then... and I personally broke the evil god's hands and feet, but the evil **** suddenly disappeared one night... Since then, no one has seen the evil **** again."

"Cthulhu's hands and feet are broken? He is abolished?" Yin Yang said suddenly excited and unable to hold himself.

"Yes." Long Yin said.

"Although he has become a useless person... But he can't be found anymore... After so many years, no one has seen him again..." Long Yin continued.

But the monster Yin and Yang did not continue to listen to that Long Yin's words, he just said crazy in his mouth: The evil **** is abolished...the evil **** is abolished...

Suddenly the monster Yin and Yang roared to the sky! !

The laughter was as harsh as a ghost cry.

"The invincible Cthulhu God actually abolished...abolished..."

"Who is Lao Tzu afraid of? The world is so big, who am I afraid of?" His crazy laughter shook the leaves in the surrounding woods.

Looking at the crazy yin and yang man with a strange smile, Long Yin just sat there quietly.

Suddenly the monster Yin Yang man seemed to remember something, and suddenly his whole body showed a terrifying cold killing intent.

"The Cthulhu is abolished... he disappeared? That means there is no Cthulhu near the Ouyang Family..."

"He lied to me...Duguxie and the ghost servant actually lied to Laozi?" Suddenly the old monster Yin and Yang knew the truth.

After he knew all of a sudden that he had been cheated, he almost went crazy with anger, jumping and hissing there, completely like a lunatic.

That Long Yin looked at the crazy Yin-Yang old monster, not only frowned, but looked at him and said, "It's okay...Don't you know the truth now? It's not too late to go back and kill them."

Hearing what Long Yin said, the old yin-yang monster suddenly turned his head and laughed gloomily.

"You are right..."

"I will go back and kill them one by one now. It will not be too late."

"Besides, there are the Duguxie and the ghost servant who lied to me... Hmph, these two **** dare to lie to Lao Tzu... I want to dig out their hearts..." Yin Yang said with a strange smile.

Long Yin sat on the side peacefully, thinking about some of his own affairs.

Now he has united with this demon... For his next move, Long Yin is also more and more carefully planning.

Suddenly, Long Yin looked at the old yin and yang monster and asked, "Old monster, I ask you, did you only see Duguxie and ghost servants when you were in the Ouyang clan? Did you see a sword named Li Tian? Kid?"

The old monster of Yin and Yang frowned slightly after hearing Long Yin's words.

"Li Tian?"

"I haven't heard of..." Old Weird Yin Yang said.

When Long Yin heard the Yin-Yang boss say this, he secretly said: Hey, why didn't the boy named Li come? Hasn't he been with the Duguxie and the ghost servant all the time? How could it not come?

Just as Long Yin was thinking like this, he heard the old yin-yang monster suddenly say: "However, I saw a kid in the Ouyang family...a kid who looked a lot like Cthulhu when he was young is that **** kid. Stop me."

"Li Tian?"

"He is Li Tian."

After the old monster Yin and Yang suddenly said this sentence, Long Yin suddenly said Li Tian's name.

When the yin and yang man heard that Long Yin called out Li Tian's name, he coldly turned his head and looked at that Long Yin and asked, "Li Tian? Who is Li Tian?"

That Long Yin said slightly: "You may not have heard of the name Li Tian... But if I say his father's name, you will know who he is."

The Yin and Yang man asked, "Then tell me, who is his father?"

"His father is the famous evil god." Long Yin said with a smile.

"what?"

"He is the son of Cthulhu?" The Yin and Yang person in front of him almost jumped up and said excitedly.

Na Long Yin said, "Yes."

"The reason why this kid is carrying Duguxie and the ghost servant is because they want to avenge the evil **** back then." Long Yin said in front of him.

"Vengeance for the evil god... Doesn't that mean that they also have hatred for the gates of hell?" Yin and Yang's fierce eyes turned and said.

Long Yin nodded slightly.

"En, yes."

"However, they are not like you and me... They are our way of blocking, so we must clear them out as soon as possible." Long Yin said treacherously.

Hearing what Long Yin said, the old yin-yang monster suddenly smiled weirdly.

"It seems that you hate that boy named Li..."

Long Yin said: "Fortunately... it's just that I want him to die."

"If you want him to die, you can kill him?" The Yin and Yang man said with a strange smile.

Long Yin smiled in front of him, and cursed in his heart: This **** old monster is quite scheming, so he thought about it and said: "Hey, isn't it just you and me now... In this case, I can To help you deal with the Ouyang family, you can also help me kill the kid surnamed Li, you said that's great..."

Listening to the treacherous Long Yin saying this, the monster Yin and Yang laughed gloomily.

"good very good!"

"Just do it..."

"The Ouyang family...I will definitely let your whole family use blood to pay tribute to the blood debt owed to me back then..."
