

A Killer 1421

Chapter 1421: as the last resort

Li Tian and his brothers are still staying in the Ouyang family.

After a big change yesterday, the entire Ouyang family no longer had the same majesty as before. Even the people in the family were downcast and their faces showed deep fear and shock.

Early in the morning, after Li Tian and the others had a simple breakfast, the brothers gathered together.

Looking at the members of the Ouyang family, Chen Qiaozhi on one side sighed and said: "It seems that this monster has hit the Ouyang family too much..."

"These people have never recovered since yesterday."

Xue Wuhen next to him said: "Yes, after all, their family has experienced such a disaster."

The other side only listened to the ghost servant said: "But, no matter what, we still hope that the Ouyang family will leave here as soon as possible...or else the demon will definitely go and return."

Hearing the ghost servants say so, everyone felt reasonable.

Because everyone knows that the lie will soon be seen through by the monster.

They knew in their hearts that the old yin and yang demon would come back at any time to deal with the Ouyang family... It was just a matter of time.

Li Tian, who was frowning deeply, looked at the gloomy sky outside, and thought for a while and said, "I will urge them again... I hope they can leave here soon."

After Li Tian said this, the brothers also nodded.

Then Li Tian walked straight to the main hall of the Ouyang family.

He hoped that everyone in the Ouyang family would take refuge for a while, because once the yin and yang old demon came back, disaster would definitely happen here.

At this time, Li Tian walked towards the main hall of the Ouyang family.

The haze in the sky is getting heavier and heavier... the billowing dark clouds are covering the entire Ouyang family.

Looking at the gloomy sky, Li Tian didn't know why. At this moment, there was a panic in his heart... The feeling was extremely strange, as if something big was about to happen.

Suddenly having such an unknown premonition, Li Tian speeded up his pace and walked towards the main hall of the Ouyang family.

But seeing two voices in the main hall of the Ouyang family at this moment.

One of the voices is that of Ouyang poetry.

Just listen to her saying to a person in the hall: "Dad, Li Tian is right... Our family really can't keep it... We can do as he said, temporarily avoid... No matter where we go. Yes... In this way, we can avoid more casualties of innocent family members."

It turned out that Ouyang Shiqing came to persuade her father early in the morning.

But after Ouyang Shiqing's persuasion words were spoken, only Ouyang Zhengtian said suddenly:
"I will not go!"

"I won't leave the family even if I die..."

"This is our foundation... our home... How can the head of my dignified family go!!!" Then Ouyang Zhengtian roared with blood-red eyes.

This steely man suffered the tragic deaths of several relatives in a row last night... and the sacrifices of so many people in the family. At this moment, he is still standing and still insisting... He is indeed the head of the Ouyang family!

It's a pity that his persistence is too worthless!

"Dad, if you don't leave, that terrible monster will come here...kill the people of our family...kill you!" Ouyang Shi persuaded in tears.

But seeing Ouyang Zhengtian roared and said: "I just want to fight the devil... even if I die, I will go to **** with him."

"That devil killed your second uncle, killed your third uncle... and your fourth uncle who you haven't seen for years... that **** devil, I want him to die." Ouyang Zhengtian roared.

"Dad, be rational!"

"We only have to save our strength now, and find revenge for that demon in the future... Dad, we must leave here now... Our family can no longer be casualties... If there are more casualties, the Ouyang family will really fall." Ouyang Shiqing Persuaded bitterly.

But what about Ouyang Zhengtian?

From the moment when he watched the tragic death of his three brothers and his father completely collapsed last night, Ouyang Zhengtian has completely lost his mind...So this will no matter what Ouyang Shiqing said. , He would not listen.

So Ouyang Zhengtian at this meeting didn't listen to Ouyang's poetic words at all.

When Ou Shiqing couldn't persuade her father no matter what methods she used, Li Tian suddenly appeared at this moment.

Then the moment he appeared, one of his hands suddenly moved.

Moreover, he attacked Ouyang Zhengtian quickly and absolutely.

Seeing Li Tian attacking his father suddenly, Ouyang Shiqing exclaimed in surprise...

what

Accompanied by her scream, Ouyang Zhengtian hadn't reacted at all. One of Li Tian's hand had reached the back of his head, and then only heard a bang, Li Tian hit the Ouyang Zhengtian with a palm. Behind his head, just like that, Ouyang Zhengtian, with bloodshot eyes, fainted all at once.

"Dad..." Ouyang Shiqing screamed and ran to her father quickly.

"Li Tian...what are you doing?"

"Why do you want to kill my dad?" At this moment, Ouyang Shiqing supported Ouyang Zhengtian who had been knocked out by Li Tian, and looked at Li Tian in front of him with unbelievable eyes. But what about Li Tian? But he walked over slowly, looking at that Ouyang Shiqing.

"Poetry, sorry... please forgive me, I must do this!"

"If I don't do this, your entire family will be destroyed... and even you will die here."

"For you, I can only do this." Just listen to Li Tian standing there and saying.

After hearing Li Tian say this, Ouyang Shiqing was stunned for a moment... and muttered: For me? for me?

"Shi Qing, your father and your family members must leave here as soon as possible..."

"So, I have no choice but to knock your father unconscious... but don't worry, I didn't make a heavy hand. After two hours, your father will naturally wake up!"

Upon hearing Li Tian's words, Ouyang Shiqing finally understood that she almost blamed Li Tian.

It turns out that Li Tian did everything for the good of his family! For her good!

Li Tian could see that Ouyang Zhengtian didn't mean to leave the family at all... and if he didn't leave, no one else in the Ouyang family would leave! If the old yin and yang demon comes back, this place will definitely become a sea of blood and hell. At that time, I am afraid that no one can deceive that demon again... If that time, the Ouyang family can't really over... So Li Tian has no choice but to knock Ouyang Zhengtian unconscious, and then take them away...

Chapter 1422: Escape, leave

After seeing Li Tian's hard work, Ouyang Shiqing looked at Li Tian apologetically: "I'm sorry...I blamed you."

Li Tian slowly stretched out a tender arm holding Ouyang Shiqing, a handsome smile appeared at the corner of his mouth and said, "It's okay."

"As long as I can save you...I can do everything." Li Tian said.

Listening to Li Tian's words, Ouyang Shiqing's strong affection rose at that moment.

If it weren't for the catastrophe at this moment, if the Ouyang family were not caught in the whole crisis, it is estimated that Ouyang's poetic love at this meeting would definitely have promised Li Tian.

But after all, it was not the time, she held back her own mood.

"Poetry, please inform the people in your family and let them come here as soon as possible...and let your father take care of you..." Li Tian said in command there.

Ouyang Shiqing nodded quickly, and then said, "Then I will call them."

After Ouyang Shiqing went out quickly, Li Tian also quickly gathered with his brothers.

After telling the brothers what he had just done, Tang Xiaolong opened his eyes and said, "Little boss...You fainted Patriarch Ouyang directly?"

Li Tian frowned and nodded.

Tang Xiaolong looked at Li Tian speechlessly, then looked at Chen Qiaozhi and the others, and burst into laughter.

"Okay, domineering!"

"You have to do that...or else, it won't save his life." He said with a grin.

"Yes, not only saved his life, but also saved dozens of lives in the Ouyang family..." Xue Wuhen said there too.

"Okay, stop making trouble, let's go to the main hall of the Ouyang family." Li Tiandao said.

So the brothers nodded quickly at this moment, and then they quickly walked towards the main hall of the Ouyang family.

At this moment, the members of the Ouyang family have successively arrived in the main hall of the Ouyang family.

In addition to direct members of the Ouyang family, there are many bodyguards.

There are about a hundred people in total.

At this moment, the entire hall of the Ouyang family is full. After the Ouyang family disaster last night, each of these people now has a look of sorrow on their faces, and they are all talking about Li Tian. Call them something.

At this moment Li Tian has reached the most central place, and the brothers are all standing behind Li Tian, and Ouyang Shiqing is also standing behind Li Tian at this moment.

Seeing Li Tian glanced at so many members of the Ouyang family, he couldn't help being stunned. At first he thought that there were only dozens of people left in the Ouyang family, but now he opened his eyes and saw that there were so many, hundreds of people!

If you didn't make this decision on your own initiative, my God, if that monster Yin and Yang really turned around to kill, then so many innocent people in the Ouyang family would have to die miserably! ! !

Looking at so many members of the Ouyang family, Li Tian said, "Today, let your family eldest lady call you... because I want to tell you something important."

When the members of those families heard Li Tian say this, they were all taken aback.

"event?"

"What big thing..."

"Is there anything more terrifying than last night?"

...

The family members in front of them are all talking about them one by one.

So Li Tian continued, "This matter is, you must leave the Ouyang family now."

As soon as Li Tian said a word, everyone in the entire hall was completely stunned.

One by one opened those incredible eyes at Li Tian who looked in front of him! ! !

"what?"

"Leaving the family..."

"Why? Why are we leaving the family?"

...

But those family members who didn't know the truth were all asking Dao there.

Li Tiandao: "Because the demon from last night will come back anytime and anywhere."

When Li Tian suddenly said that the Yin-Yang old demon would come back, these members of the Ouyang family were stunned one by one... with an expression of horror on their faces. You look at me, I look at you!

"That...that...the devil...will come?"

Speaking of that terrible yin and yang person, each of these members of the Ouyang family showed a deep horror expression.

Of course they are afraid!

How many people died overnight...Even Ouyang Lie and Ouyang Hua died tragically under the monster's hands, not to mention that even the father of the family couldn't resist that terrible monster...How could they not be afraid? ?

So after Li Tian suddenly told the truth, the members of these families shut up and stood there.

"We deceived the demon the day before yesterday...because the demon is so powerful, no one here can be said to be their opponent! That's why we took refuge...but, lies, soon He will be seen through by that demon. Once the demon knows that he has been deceived, he will definitely kill him back. At that time, the entire Ouyang family will definitely be plunged into a sea of blood, and that demon will definitely kill."

After Li Tianjiang told the members of the Ouyang family in front of him the truth, those members of the Ouyang family were all stunned at the moment. You look at me one by one, and I look at you, completely dull.

Suddenly someone in the crowd began to mutter, "What about..."

"Then if we stay in the family, don't we mean death?" Just listen to some of the members of the Ouyang family saying there.

"Yeah! That demon is so cruel, so powerful...I only have a dead end when I stay here."

Some people there said that...

"Go, it seems we have to leave the family." Only listen to those people finally say.

Listening to those people in the Ouyang family finally realized the severity of the situation, Li Tian in front of him finally let go of his heart a little.

"Listen, everyone... From now on, you hurry up and pack your things, and then run around."

"Remember, don't come back to the Ouyang family." Li Tian said to the crowd there.

After his words were uttered, the members of the Ouyang family suddenly noisily began to disperse...

They all hurriedly packed their things and left...because they were all afraid of death!

At present, there is only a dead end in the Ouyang family!

Even the old man Ouyang couldn't deal with the demon, let alone these people...so the only thing they could do now is to escape and leave as soon as possible.

Looking at these Ouyang family crowds that quickly dispersed, Li Tian and the brothers who stood there did not speak, only Ouyang Shiqing stood there alone with a sad face.

Because her family is completely separated at this moment!

Chapter 1423: Persuade Mr. Ouyang

Li Tian could see the sadness that appeared in Ouyang Shiqing's heart. After all, a huge family had fallen in this way. How could she not feel sad?

Seeing Ouyang Shiqing standing on the side, Li Tian slowly walked over, and then stretched out and took her slender hand, comfortingly said: "Shiqing, I know that you are very sad, but hope You understand, we are saving them...saving their lives by doing this."

"Although your family has been temporarily dissolved, so many people have been saved... so many lives have been saved. Moreover, your family has not really collapsed. The current dissolution is only temporary. I believe that in the coming days Among them, your Ouyang family will definitely regain their glory."

Listening to Li Tian's words, Ouyang Shiqing nodded silently, looking at the family members who left, her eyes were slightly red.

"I know... I know everything you do is for our own good! Thank you..." Ouyang Shiqing said there.

Li Tian took Ouyang Shiqing's delicate hand tightly and said, "Fool, do you still use it with me?"

Ouyang Shiqing's face was flushed, but looking at the family members who had left one by one, a sad expression rose in her heart.

Then she suddenly turned around and said, "I...I will also go back to my room and pack things..."

Li Tian looked at her beautiful shadow and let out an "en" in that mouth, then Ouyang Shiqing turned and walked towards her room.

The Ouyang family is gone! At this moment, Li Tian was completely disbanded!

Because if the Ouyang family is not disbanded, then the entire Ouyang family will definitely be destroyed by the old yin and yang demon. In order to save the lives of some innocent people, Li Tian had to choose to let those people leave.

Although the members of the Ouyang clan were all loyal to the clan, they knew better in their hearts that the current clan could not resist that terrible demon!

Even the old man is powerless opponents, how could they be opponents?

So they chose to go, chose to leave.

After returning to their respective rooms one by one, they all said goodbye and left.

Looking at the members who walked out of the Ouyang family in despair... They are all reluctant to leave, after all, they have lived in this vast family for so many years... And now they may never come back to this family again.

When they looked at the family for the last time with unwilling eyes, they left one by one.

Looking at these members of the Ouyang family who left one by one, Li Tian and his brothers stood there, thinking a lot!

Unexpectedly, such a huge family could become like this overnight... Hey, and the poor Yuwen family... the entire Yuwen family was killed! All of this was done by the perverted demon.

Thinking of this, Li Tian and his brothers felt angry and hated.

But they knew in their hearts that even if they were angry and hated, they couldn't beat that yin and yang demon.

"Hey, such a big family, I didn't expect it to be over like this." The brothers who listened only sighed there.

Li Tian also stood there, lamenting.

Yes, the prosperity of the past, it is unexpected that it has become vanished.

Looking at the huge Ouyang family mansion, Li Tian didn't say anything anymore. He turned and walked towards the front place. As he walked, he turned his head and said to the brothers:

"Xiaolong, Aqiu, you two go Check around to see if there are anyone left by the Ouyang family... If you see, let them leave as soon as possible."

After hearing Li Tian's words, Tang Xiaolong and A Qiu nodded and said, "Yes!"

Then the two turned around and walked towards the west.

Li Tian came to Ouyang Shiqing's boudoir alone at this time.

But seeing that in the boudoir, Ouyang Shiqing was sitting on the bed blankly...a pair of beautiful eyes looked at her room stupidly. Next to her are the luggage she just packed. Obviously Ouyang Shiqing is right. My own family still has deep reluctance.

After Li Tian walked gently into the room, he whispered, "Poetry."

When Ouyang Shiqing heard Li Tian's voice, Jiao Chu trembled slightly, and then turned his head slowly.

"In one night, our family is over..." Ouyang Shiqing suddenly said with a bitter smile.

"Poetry... don't be sad! What is lost now, I believe I will return someday." Li Tian said to her to comfort her.

Ouyang Shiqing sighed, "Hope...I hope our family can come back."

Talking, Ouyang Shiqing picked up a silver-white suitcase next to her in one hand and walked out of the room stubbornly.

Li Tian looked at the figure she came out, did not speak, just followed behind her.

When the two arrived outside the Ouyang family, they saw Chen Qiaozhi rushing over with a solemn expression.

"Li Tian." Chen Qiaozhi shouted after running over.

Li Tian looked at Chen Qiaozhi's solemn expression and knew what had happened without thinking, so he asked, "What's wrong?"

"What about the old man Ouyang?" A word came out of Chen Qiaozhi's mouth.

After Chen Qiaozhi said so, Li Tian in front of him was suddenly taken aback, yes, and the old man of the Ouyang family! After working for so long, Li Tian almost forgot the old man Ouyang Wujiang.

At this moment, I only heard Chen Qiaozhi frowning and saying: "Li Tian, old man Ouyang is now in a trance...I am afraid, if we let his old man go...it will be difficult."

Yes, the old man Ouyang has indeed completely collapsed since he saw his three sons die tragically in the hands of the demon.

After all, those are his own flesh and blood!

Now if you let the old man Ouyang leave the century-old foundation he has worked so hard to create... to be honest, is it too "cruel", will he leave?

Li Tian thought for a while and said, "I'll persuade him."

"No, let me go." Just listen to Ouyang Shiqing suddenly saying there.

"My grandfather is heartbroken by his old man... Now the only person who can persuade him is me." Ouyang Shiqing said.

Li Tian thought for a while and said, "Okay."

"Then go and persuade your grandpa to his old man... I hope he can agree to leave." Li Tiandao.

Ouyang Shiqing nodded, then put down the luggage in her hand, and walked towards the old ancestral hall at the back of the Ouyang family.

Chapter 1424: Two villains are here

Except for Ouyang Shiqing, the unconscious Ouyang Zhengtian, and the old man in the old ancestral hall behind the Ouyang family, everyone else in the Ouyang family has left.

A huge family mansion seemed empty and withered at the moment.

In the past, people coming and going, the extremely prosperous family completely declined at this moment.

At the old ancestral house behind, I saw the shadow of Ouyang Shiqing slowly appearing there.

The heavy wooden door of the ancestral hall was still tightly closed there. When Ouyang Shiqing came to the ancestral hall, her affection seemed sad.

Glancing at the heavy gate of the ancestral hall, she walked over slowly, then pushed open the wooden gate.

The cold feeling inside the ancestral hall.

After walking in with Ouyang Shiqing, she saw the old man Ouyang sitting in the ancestral hall.

The moment I saw my grandfather, Ouyang Shiqing almost couldn't recognize it...

Because she found that her grandfather had so many wrinkles on his old face overnight... and even the hair became whiter, and the entire back became more and more curved.

"Grandpa!" Looking at the old Ouyang old man who had changed overnight, Ouyang Shi yelled in pain, and then quickly ran towards her grandfather.

But what about Mr. Ouyang? But as if he hadn't seen his granddaughter, the whole person had a completely dull expression...

He just cast his eyes to the inside and looked carefully. There were three corpses standing motionless in the innermost place...the three corpses were Ouyang Lie, Ouyang Hua, and Ouyang Longyan.

When she suddenly saw the three corpses, Ouyang Shiqing was startled, but her expression of grief instantly appeared on her face, and at the same time her entire eye circles became ruddy.

"Grandpa..." she cried out in tears.

It is a pity that Father Ouyang seemed to be unable to hear her at all. He just sat there blankly while muttering silently in his mouth: Son...my son...

"Grandpa, your old man can't do this...Second Uncle, Third Uncle...They are dead...They are already dead."

"Grandpa, you have to take care of your own body." Ouyang Shiqing persuaded in tears.

But the expression of the old man Ouyang has completely collapsed, and he doesn't care about Ouyang Shiqing in front of him at all, just repeating in his mouth: Son...my son...

When Ouyang Shiqing was crying to persuade her own grandfather, suddenly a gloomy cold wind appeared in the whole old ancestral hall!

No, it wasn't the breath of cold wind, but a strange and cold murderous air stream poured in.

When the big tree in the courtyard of the old ancestral hall felt the icy suffocation and murderous aura, the fallen leaves on the tree couldn't help falling down completely, and at the same time, even the trunk of the tree was rattling.

"What's the matter?" Ouyang Shiqing suddenly felt something was wrong, because she also felt the cold breath in an instant that made her hair stand upright.

Just when she raised her eyes to watch the strange situation outside, a stern ghost cry came over.

"Old Ouyang...I'm here to kill you." Accompanied by the horrible cry like a ghost... Then I saw two black figures flying in from the outside in the direction of the old ancestral hall like electric lights.

With the crying voice, Ouyang Shiqing was shocked for an instant!

monster!

That monster is here again!

Of course Ouyang Shiqing remembered this terrible voice. After hearing that voice for a moment, she was panicked and silly there.

Then at this moment, I suddenly saw two swift figures suddenly reaching the courtyard of the old ancestral hall.

The devil, the yin and yang person, and the Long Yin who partnered with him.

When such a terrifying two arrived, Ouyang Shiqing looked at them in horror.

She couldn't believe that there was only the demon yesterday, but now there is another one! !

Although Ouyang Shiqing was afraid and panicked in her heart, she still stood up from the ground all of a sudden and protected him in front of the broken old man, and where was the old man? The whole person completely seemed to have not seen the monster Yin Yang Ren and Long Yin that came... still sitting there collapsed.

At the moment, the Yin and Yang people and Long Yin were standing in the courtyard of the ancestral hall.

I saw the horrible eyes of the Yin and Yang people coldly glanced at the old man Ouyang inside, and then glanced at the Ouyang poetry in front of him.

Suddenly a grim sneer appeared at the corner of his mouth: "Old Ouyang...you dare to lie to me? Today, I want to see who can save your old life..."

After the yin and yang man cruelly said those words, Ouyang Shiqing suddenly stood in front of the collapsed old man.

"The devil...you dare to hurt my grandpa... even if I die today, I will fight you hard..." Ouyang Shiqing said with courage there.

The yin and yang person suddenly had a pair of horrible gazes on Ouyang Shiqing in front of him.

"Hehe... I didn't think there is a little beauty here who is not afraid of death!"

"Brother Long Yin...this little beauty is blocking our way, what should I do?" The monster Yin and Yang suddenly said with a strange smile at the nearby Long Yin.

Long Yin didn't even look at that Ouyang poetry, and said a cold word from his mouth.

"kill!"

"Very ruthless and poisonous enough."

"Old Ouyang...Then I'll take your granddaughter first, hehe." Only the monster Yin and Yang in front of him said with a terrible smile.

What about Father Ouyang? It seemed that he was completely blind to the monster Yin and Yang and that Long Yin's expression...At the same time, he didn't care about his granddaughter at all...just still sitting there stupidly.

"Hey, what's wrong with that old thing?" The yin and yang man in front of him suddenly glanced at the motionless old man Ouyang and said.

"Seeing me, why didn't he react at all?"

At this moment, Long Yin also glanced at the old man Ouyang who was sitting in the ancestral hall with a dull-eyed eye. He couldn't help but frown, and then he suddenly laughed treacherously.

"That old man Ouyang seems to be stupid...stay!"

"If I am not mistaken, the old man has completely collapsed."

After Long Yin said so suddenly, the Yin-Yang man suddenly looked at the old man Ouyang again. After seeing his dull and affectionate face, he suddenly couldn't help giggling.

"Hey...you are right, the old man is indeed stupid...stay."

Just as these two wicked men insulted the old man Ouyang, Ouyang Shiqing couldn't help but the anger in his heart said: "Devil, don't scold my grandfather..."

When Ouyang Shi said her anger, she suddenly attacked the terrifying old monster of Yin and Yang.

The delicate hand is very agile.

But how could she be the opponent of the entire Yin Yang boss in front of him?

Chapter 1425: You have to go

With Ouyang Shiqing's sudden move, I saw that the old yin and yang monster didn't even look at Ouyang Shiqing's tricks, only a few words from the corners of the gloomy mouth: "I don't know how to live or die."

When the words fell, his right hand suddenly lifted, and an invisible vast palm strength suddenly hit the Ouyang poetry in front of him with a frightening aura.

How could Ouyang Shiqing be the opponent of the monster Yin and Yang boss?

Seeing this fierce and venomous palm hitting Ouyang Shiqing fiercely, Ouyang Shiqing only felt that her body was slowly disintegrating... as if she had seen the state of death.

Just at the moment of this critical moment, a roar suddenly flew straight from the side.

"Devil, don't hurt her..."

As the roar sounded, a fierce black man suddenly slashed towards the body of the old yin and yang monster in front of him.

Although the old yin and yang monster had very high martial arts, he could only dodge in the face of the sudden horror.

But seeing the old demon yin and yang muffled in his mouth, he originally hit the palm of Ouyang Shiqing, suddenly changed midway, and then hit the black man who was flying over!

With a bang, the horrific palms of the old demon yin and yang hit the arc of the black mantle, making a loud bang, and then I saw a figure suddenly rushing to the frightened Ouyang Shiqing. Then one hand wrapped her waist, and then quickly flew to the side.

When the yin and yang person saw someone attacking him, he was furious and roared with anger.

And who does it seem to be?

Of course it was Li Tian who came here!

At this moment, Li Tian was holding the frightened Ouyang Poetry in one hand, while the other hand was holding the hissing magic sword Chilian.

At the moment Li Tian arrived, the old yin and yang demon saw him!

"It's you again...you ***** again!" Old Demon Yin and Yang yelled suddenly there.

At this time, Long Yin over there also looked viciously at Li Tian who was holding Ouyang's poetry.

"The kid surnamed Li, it's been a long time since I saw you." Long Yin suddenly sneered and stood aside and said.

That Li Tian had originally had a jealous attitude towards the old demon of Yin and Yang. At this moment, he heard an evil voice suddenly coming from the side. Turning his head, he saw the dragon Yin.

A heart of unspeakable anger suddenly burst out of his heart, but at the same time he was also shocked.

"Long Yin..."

"You bastard, why are you here?" Li Tian said angrily, standing there.

But seeing that Long Yin sneered while prestigious Li Tiandao said: "The reason why I am here is to watch you die..."

Li Tian in front of him heard that Long Yin said so, his brows wrinkled tightly.

Originally, an old yin and yang demon caused Li Tian and his brothers to have a great headache, but never expected that this most evil dragon would appear here...

Judging from the current situation, it is obvious that this Long Yin has become a gang with the old Yin and Yang monster!

What can I do today?

Is it true that today my brothers still have themselves to be planted here?

Li Tian not only thought to himself.

Just at this moment, suddenly several figures flew towards the old ancestral hall here at the same time.

These people are the Duguxie and the ghost servants and brothers who came here.

After seeing Duguxie and the ghost servants all coming, Long Yin suddenly showed a vicious smile and said with a slight smile: "Okay, very good... So you are all here... It seems today I can kill you all here, hehe..."

When the Duguxie and the ghost servants also saw this Long Yin appearing in the Ouyang family, not only their expressions changed completely.

"Damn, how come this ***** whose surname is Long is here?" When Tang Xiaolong over there saw Long Yin

"Yeah... why is he here?" Chen Qiaozhi over there was also shocked.

At this moment, the faces of the brothers changed color, and everyone felt more and more tense today.

Originally a yin and yang old demon made the brothers helpless, now there is another terrifying and extremely martial Long Yin...what can I do?

But seeing the brothers of Long Yin looking at Li Tian with a wicked smile said: "Last time in the Dark City... I let you have a way out, but today, I am afraid you are not so lucky!"

As Long Yin said this, Tang Xiaolong over there said angrily: "The surname is Long, don't **** pretend to be garlic here. It's not always true who is dead and who lives today?"

Hearing Tang Xiaolong insulting himself so much, that Long Yin didn't get angry, just smiled coldly and said, "Really?"

At the moment, but see the old yin and yang demon over there?

When he saw Li Tian and his brothers coming together, he just stared at the bodies of Duguxie and the ghost servants with those devouring eyes.

"Duguxie, ghost servant...you two **** dare to lie to me! It turns out that the evil **** has already disappeared...perhaps already dead...you dare to lie to me yesterday?" Just listen to the yin and yang demon at this moment. Said murderously.

But the ghost servant said coldly: "Old monster, what about lying to you?"

"You will die if you lie to me!" The yin and yang person's breath suddenly changed, becoming terrible and frightening.

"Today, I will take out the hearts of both of you..." The old yin and yang suddenly smiled in the gloomy way.

At this time, Duguxie's bronze sword had slowly begun to unsheath...When the sword was pulled out of the sheath, it made a hissing dragon roar.

The ghost servant was also fully prepared, ready to take action at any time.

It seems that Duguxie and the ghost servant are going to deal with the old yin and yang together...

Li Tian and his brothers here are facing that Long Yin.

But after seeing Li Tian glance at the situation in his eyes, he suddenly whispered to Ouyang Shiqing next to him in a low voice: "Shiqing...take your grandfather and his elders, go quickly!"

When Ouyang Shiqing heard Li Tian say this, she was taken aback, blinking her beautiful eyes and looking at Li Tiandao in front of him and said, "What about you? How about you and your brothers?"

He only heard a bitter smile at the corner of Li Tian's mouth, and looked at Ouyang Shiqing and said, "Don't worry...Don't worry about us...Once we solve the trouble here, we will definitely find you."

"No...I want to stay with you." Ouyang Shiqing said with red eyes, how could she just watch her beloved take the risk for herself, while she left!

Hearing Ouyang Shiqing's words, Li Tian said there, "Listen to me, you have to go quickly..."

"Shiqing, you must know that you are not only for me... but also for your grandfather and your father, so you have to go!" Li Tian said there.

Chapter 1426: The battle of life and death (1)

Listening to Li Tian's words, Ouyang Shiqing bit her red lips, as if biting her entire cherry lips to shed blood. She was reluctant, she couldn't bear to leave like this, leaving Li Tian.

"Shiqing, can you do me a favor?" Li Tian suddenly looked at Ouyang Shiqing at this moment and said.

Ouyang Shiqing's tears have already flowed out, nodding her head there, looking lovingly at Li Tian in front of her.

"You...help me...help me bring a few words to the North China Field Army...send to...send to...Ningbing, Duanmuying, and Tang Feifei..."

"In case... what if... I can't go back this time... tell them... I can't accompany them to the end in my life, and I will pay them my life debts in my next life!"

As Li Tian said these words, Ouyang Shiqing had already burst into tears.

She looked at Li Tian with regret.

What about Li Tian? Also prepared for the worst.

He might die!

Yes, today facing the two most powerful rivals in history, the two masters, Li Tian is not sure to retreat, even he himself knows that he might die here today... so he can only drag Ouyang Poetry in front of him speaks with love.

After hearing Li Tian's words, Ouyang Shiqing was already crying.

Li Tian comforted his hands and gently hugged the trembling shoulders of Ouyang Shiqing, and said: "Let's go...While my brothers and I can resist these two monsters now, take you Grandpa, and your father."

After Li Tian said the last words, he turned around decisively.

And what about Ouyang's poetry behind? I was already crying, looking at Li Tian's back...

At this moment, she became strong, and she knew in her heart that Li Tian's approach was right!

As for Long Yin, at this moment, looking at Li Tian in front of him with a sneer, and all the brothers in front of him, he suddenly said coldly: "Last time I let you make a living... this time I want to get back the benefits. Come."

"Asshole, take your life." Tang Xiaolong, who was irritable over there, was the first to take the shot.

Sooner or later this situation will have a battle today!

So Tang Xiaolong at the moment only took the lead.

Tang Xiaolong's move is the ghost shadow boxing method... Tang Xiaolong, who has been with the ghost servant for so long, has already learned that ghost servant's unique technique: the ghost shadow boxing method.

At this moment, when Tang Xiaolong was acting out, he really looked and looked very fast.

When the lightning fast fist attacked towards Long Yin, he saw Long Yin sneered: "With your three-legged cat kung fu, you dare to make a fool of me in front of me? It's just like killing!"

With a roar of Long Yin, suddenly his figure turned, and a hand grabbed Tang Xiaolong's arm like lightning.

Tang Xiaolong practiced two attacks, all of which were forced back by the powerful Long Yin.

Seeing that Tang Xiaolong couldn't get close to Long Yin's side, Xue Wuhen and Na Aqiu rushed forward together.

Xue Wuhen's body style is fast and elegant...

He relied on his fierce light work to fight against that Long Yin.

And here Ah Qiu and Tang Xiaolong are head-to-head trembling with that Long Yin.

But seeing Long Yin facing the attack of the three of them, he didn't care at all, those extremely treacherous eyes revealed a ray of contempt.

Using both hands to block the offensive of Tang Xiaolong, Aqiu, and Xue Wuhen, they did not forget to attack the three with fierce palms.

All of a sudden, the three of them fought hard.

Just after Long Yin here had started his hand, the old monster of Yin and Yang suddenly made a hissing whistling sound, and his eyes were fixed on the Duguxie and the ghost servant in front of him.

"Duguxie, ghost servant, you two are also figures who have been famous for decades... Hey, you say, how should I kill you... Should I dig out your heart? Or take the flesh from your body? How about cutting off piece by piece?" The old yin and yang said cruelly.

Facing such an arrogant yin and yang old demon, the ghost servant said angrily: "Devil, maybe you died today!"

"I die?"

"The world is so big, besides your big brother Cthulhu, who am I afraid of?"

"Today, I will send you two to **** and see your big brother!"

Following the yin and yang person's weird roar, but seeing the yin and yang person's body suddenly rotated, two blood-red energy **** were suddenly accumulated on his two skinny claws, and then there was a boom, two blood The ball of Jin hit the Duguxie and the ghost servant.

The ghost servant saw the **** ball of the hostile attack towards him, and quickly cast a ghostly pace at his feet, quickly dodge the fatal blow.

And what about Duguxie? It was the bronze Jiancang's cry from the sky!

hack!

The overbearing sword technique used to smash Huashan directly smashed the **** ball into the air.

Just after Duguxie and the ghost servants had avoided the terrifying blow of the yin and yang old demon, suddenly they saw the yin and yang old demon, whose body was attacking towards Duguxie like a gale.

Around him seemed to be a tornado, wrapping the body of the old yin and yang demon in vigor. When Duguxie and the ghost servant saw that the demon head was able to protect the body, they couldn't help it. Frozen, and then quickly avoided the past.

After Duguxie dodged, the bronze sword in his hand spun several swords in the air...

Sen Han's sword flower attacked the old Yin Yang demon like raindrops.

Duguxie's unique swordsmanship, Dugu Sword Art!

Such a pungent and vicious sword tactic, it is really a trick that will kill the opponent.

Although the old demon of Yin and Yang was extremely powerful, he could only snorted when he encountered such a vicious and deadly sword move as Duguxie, and avoided his body.

And the ghost servant also took this opportunity to attack the old Yin-Yang demons that swept back like a ghost.

Every move and every style is peerless martial arts, and the fight with Long Yin and his brothers over there seems to be much more exciting.

The only one who hasn't shot now is Li Tian!

Li Tian looked at the situation in front of him, the old Yin and Yang demon over there had temporarily drew a tie with Duguxie and the ghost servant, and the brothers here faced Long Yin?

Obviously, despite the large number of brothers, facing Long Yin, they did recruit distress! Because they couldn't be Long Yin's opponent at all.

We must know that the current Long Yin can no longer be described in ordinary words, it can be described as a metamorphosis, using magical magic to connect the poison emperor who connected the dark city, and the two top masters of the **** gate: Mr. Black, also With the red hair and blood pupil, and the internal energy of the black palace masters, the current strength of Long Yin's martial arts, I am afraid that no one present can know.

Chapter 1427: The battle of life and death (2)

But Long Yin, who had seen this meeting, had completely controlled his situation. His palm was powerful and invincible. Every move and every style forced Tang Xiaolong and Xue Wuhen into a mess.

Had it not been for the three of them to besiege that Long Yin together, it is estimated that the three of them would have fallen one by one.

After Li Tian took a look at the situation at the scene, he was finally about to make a move!

I saw that the magic sword in his hand Chi Lian at this time also seemed to feel that Li Tian was about to make a move. At this moment, the whole body of the sword hissed suddenly...At the same time, a faint black breath was also revealed on the whole sword. .

With a shout of anger, Li Tian raised his sword to the world, with the Red Demon Sword in his hand like a flying immortal outside the sky, with a sword coming from the west, directly stab at that Long Yin.

At this moment, Long Yin was confronting Tang Xiaolong and Ah Qiu. He suddenly felt the gloomy air of domineering Juelun from the side stab at him. Long Yin suddenly roared, his palms suddenly slammed into Tang directly. Xiaolong and Ah Qiu flew out...

That Tang Xiaolong and Ah Qiu couldn't resist the powerful internal force of Long Yin at all, they were shaken out, and fell to the ground with a plop.

And just after this Long Yin directly shocked Tang Xiaolong and A Qiu out, his body suddenly turned, facing Li Tian, who had come with a sharp and domineering sword.

The sword is the magic sword under the nine heavens: Chi Lian!

The black and fierce sword aura rushed towards Long Yin head-on, but where was Long Yin? Facing Li Tian's domineering sword, he didn't even evade, but a weird and playful smile suddenly appeared at the corner of his mouth.

At the moment when Li Tian's overbearing sword came towards Long Yin's body, Long Yin suddenly grabbed his hands, hovering in the air, and accumulated a weird and extremely powerful energy from his palms. The sword Li Tian stabbed was blocked in the palms of his hands.

Li Tian was shocked when he saw that Long Yin could actually block his sword with his true energy.

I couldn't help but lining up in my heart: How strong is this terrible Long Yin now? It is too powerful! ! !

"Huh...Do you think you can really hurt me?" Suddenly a sneer came from Long Yin's mouth.

Just after Long Yin's words were uttered, Li Tian's sword could not pierce Long Yin in front of him, so Li Tian at this meeting could only pull out the magic sword in his hand... and then his body flew around. , And quickly attacked a few tricks from the top of the head.

That Long Yin didn't seem to mind Li Tian at all, with his palms facing the sky, three palms in a row!

The three fierce palms directly shook Li Tian's sword energy away...

Li Tian couldn't attack, and his body flew back upside down.

The Demon Sword Chilian in Li Tian's hand was hit hard by the palm of Long Yin just now. At this moment, not only was the Demon Sword Chilian hissing and trembling, but even Li Tian's entire arm was fierce by the demon. The palm strength was numb.

Li Tian stared at Long Yin in front of him at this moment... and his heart was secretly lined: How could the strength of this Long Yin grow stronger? Powerful to this incredible level?

Now Li Tian certainly doesn't know that Long Yin has completely digested it since he absorbed the inner strength of those great masters... In the Dark City, that Long Yin had just absorbed those great masters' energies. Internal strength, so you need to slowly integrate the internal strengths of those great masters... and now, after a period of time, the current Long Yin has completely integrated the

internal strengths of those great masters, so his current skill It is stronger and more terrifying than in the dark city

When Li Tian felt that the current Long Yin was getting stronger and stronger, he suddenly discovered that in fact, his biggest enemy is the treacherous man in front of him!

I saw that he once again raised the magic sword in his hand, and then swiped out three swords, the sword moves were extremely fast.

But the sharp sword moves were avoided by that Long Yin one by one. The brothers saw that Li Tian could not defeat this Long Yin, and they all came to help at this moment.

Seeing Tang Xiaolong roared, attacking from the side, Xue Wuhen saw the opportunity now and attacked from one side.

Li Tian joined his brothers to attack Long Yin, but Long Yin remained unmoved. He sneered: "You think there are too many people, so I can't kill you anymore?"

Following his words, he suddenly grabbed Tang Xiaolong with a domineering grab.

Tang Xiaolong felt that the opponent's fatal catch was attacking, and he dodges quickly, but this is the case, Tang Xiaolong was still hit by the wind of Long Yin's fingers...

A fierce pain suddenly came to Tang Xiaolong's shoulder in front of him. Tang Xiaolong had no choice but to withdraw.

And what about Xue Wuhen here? Originally relied on light work to wander and fight, but that Long Yin seemed to have no flaws in his body, leaving Xue Wuhen nowhere to attack... At the moment when Xue Wuhen hesitated, Long Yin had already kicked his legs directly. On Xue Wuhen's chest.

Xue Wuhen groaned in her mouth, and was kicked to the ground. His body fell heavily to the ground, his face pale.

Li Tian saw that his brother was not that Long Yin's opponent at all, so he could only fight hard at the moment.

He held the Demon Sword in his right hand, Chi Lien, and swiftly attacked that Long Yin, his left hand used Xuantian fingering, and the swish-breaking fingers shot towards that Long Yin like a bullet.

Na Long Yin saw Li Tian desperately attacking him, so he didn't dare to be careless at this moment. What's more, in Long Yin's heart, he was also afraid that a weird technique on Li Tian would attract people's terrifying martial arts. , So now Long Yin can only dodge and avoid.

Seeing that Long Yin was finally pushed back by himself, Li Tian flipped his right hand, and the mark of **** in Rashomon nine styles suddenly came out.

Although this Rashomon's kung fu may not be able to suppress that Long Yin, after all, this Rashomon Nine Styles is the highest school of the four major families Duanmu family. At this moment, once it is used, Li Tian's whole body is filled. In that black air, the arrogant black air current suddenly came toward the dragon Yin like a black cloud.

"Rashomon?" After seeing Li Tian's use of the duanmu clan's absolutism, Long Yin suddenly sneered and said, obviously he knew this skill.

When I saw that Li Tian's Rashomon's skill approached the Dragon Yin horribly, I saw that Long Yin did not move, his hands suddenly folded... Then when his hands folded, his whole body suddenly appeared. An invisible barrier of strength, that powerful barrier of strength covered Long Yin's body in front of him. Although Li Tian's Rashomon skill is huge, it is completely inaccessible to the strength of the outer layer of Long Yin's body. barrier.

Just when Li Tian wanted to use Rashomon's kung fu to force Long Yin in front of him, he saw that Long Yin suddenly folded his hands and stretched out, and a strange energy in the palms of his hands suddenly rushed out. Li Tian of Rashomon called.

Chapter 1428: The battle of life and death (3)

Li Tian had no way to avoid this palm, so he could only stand up and take it. .

There was a bang, but seeing Li Tian, who had clashed with Long Yin, was shocked and flew back...

The moment the body fell to the ground, he held his footsteps only after several steps back and forth.

At this moment, Li Tiantian's heart was turbulent, and his chest was extremely uncomfortable by the powerful strength of Long Yin just now. If he hadn't insisted on enduring it, I am afraid that a mouthful of blood would come out of his mouth at this moment.

And what about Long Yin? But he stood here unscathed, looking at Li Tian with a sinister smile on his face.

"The kid surnamed Li...today I see where you are going...today you are dead..."

When Long Yin's cruel words came out, Tang Xiaolong and A Qiu around him were furious at this time.

"Cause you xx, even if I die, I will drag you to **** with you." He cursed there.

When Na Long Yin heard Tang Xiaolong insult him, his face suddenly showed endless murderous, and his violent eyes stared at Tang Xiaolong and Ah Qiu.

"Things that do not live or die... I will let you die first."

After that Long Yin roared out, his figure suddenly violently rushed towards Tang Xiaolong and A Qiu, clearly intending to kill both of them at once.

When Tang Xiaolong and Ah Qiu saw this **** Long Yin rushing forward, they couldn't escape because the speed of Long Yin was too fast.

Now Long Yin had been completely angered, and it was for the lives of both of them at this moment.

Li Tian was too far away from Tang Xiaolong and Ah Qiu. At this moment, when he saw that the monster Yin and Yang was attacking his brothers with a fatal blow, he exclaimed: "Xiaolong, A Qiu be careful!

When he shouted, it was too late, and the entire tyrannical figure of Long Yin had completely rushed over.

Tang Xiaolong raised a fist and wanted to resist, but in Long Yin's hands, it seemed so futile...

Hearing a bang, that Long Yin suddenly slammed Tang Xiaolong's chest with his vicious palms.

Only a click in Tang Xiaolong's chest... the sound of broken ribs.

Then he heard a scream from his mouth... The whole person was beaten and flew straight over, with a plop, his body fell straight out of the air.

And what about Aqiu? Seeing that Tang Xiaolong was seriously injured, he wanted to help him, but he had a chance.

Long Yin in the midair turned his palm, and an invisible force hit Na Qiu straight.

With a bang, Ah Qiu also hit a vicious palm, and the scream of being beaten fell down.

In a blink of an eye, Tang Xiaolong and Ah Qiu were already beaten half-dead, and they couldn't move at all when they fell on the ground...

"Xiaolong, Aqiu." Li Tian quickly ran in panic, and saw that the two people lying on the ground were completely immobile... Then Tang Xiaolong was lying on the ground like dead gray, not knowing whether it was dead or alive. , And what about Aqiu? Although the body can still move slightly, it has also lost its combat effectiveness!

Seeing that his two brothers were beaten into a half-dead appearance, Li Tian was completely angry, and his eyes instantly became blood red.

He held the magic sword in his hand: Chi Lian, extremely terrifying hostility emerged from his body.

"You bastard." Li Tian yelled furiously, staring at Long Yin in front of him.

That Long Yin laughed wildly, pointing at Tang Xiaolong and A Chou who were lying on the ground unconsciously, and laughed and said, "The two of them are to blame for themselves... The three-legged cat's kung fu dare to be crazy in front of me... If I don't How can I kill them as I wish..."

After Long Yin said these words, his fierce and gloomy eyes rested on Li Tian again.

"And you..."

"Today, you too will die."

Li Tian heard that Long Yin say this, screamed, and the magic sword in his hand stabbed out in a series, recruiting and killing people, and the black aura accompanying the magic sword also swept towards that dragon.

Although Long Yin is bare-handed, his internal strength has reached the point of shocking the world. After staying and avoiding Li Tian's several sword moves, his right hand shook suddenly, and a terrifying vigor directly shook the magic sword in Li Tian's right hand. Go, Li Tian couldn't escape. He was directly hit by Long Yin's fierce energy. He only heard a "cang", Li Tian was numb by the shock of Long Yin, and at this moment, the magic sword in his hand Suddenly he was shaken out of his palm, and fell to the ground with a bang.

The moment the magic sword fell on the ground suddenly lost its dark and violent aura.

Just after Li Tian's magic sword was shaken by that Long Yin to the ground, that Long Yin suddenly shook his right hand, and the chain of palms attacked Li Tian again.

Li Tian hurriedly blocked with both hands, and after dismantling a dozen moves with that Long Yin, in the end he was shocked by Long Yin's unmeasurably heavy shock on his chest.

Li Tian snorted, and quickly backed away.

At this moment, his face turned pale, and the corners of his mouth also faintly benefited from blood stains. It was obvious that Li Tian was not the opponent of Long Yin at all.

"Big Brother." Xue Wuhen, who saw Li Tian's injury, wanted to rush to help, but was stopped by Li Tian.

"Wuhen, don't come over..."

"You take Xiaolong and Aqiu to go... leave here quickly." Li Tian said in his chest, holding back the blood and energy.

When Na Xue Wuhen heard Li Tian say this, she was not only shocked.

"Big brother, what about you? If we leave, what will you do?" Xue Wuhen asked in surprise.

Li Tiandao: "Don't worry about me, you go quickly."

"I won't go, I'll go with the eldest brother." How could Xue Wuhen escape by herself like this? Ren Litian and ghost servants fend for themselves?

"Hurry up... If you don't go anymore, none of our brothers can leave today." Li Tian suddenly said angrily there.

Xue Wuhen seemed to have seen Li Tian angry in front of him for the first time, not only was she completely stunned at the moment.

"But Big Brother..."

"Why are you still hesitating... Do you want Xiaolong and Ah Qiu to die here with me? Hurry up!" When Li Tian uttered his last roar, the eye circles of Xue Wuhen in front of him turned slightly red.

He glanced at his elder brother, then at the two brothers lying on the ground...

In the end Xue Wuhen made up his mind, and he ran towards Tang Xiaolong and Ah Qiu who seemed to be dead over there.

When Long Yin saw Li Tian let his brother go, his face showed a cold and cruel smile: "Do you think you can really go?"

"Don't even think about leaving today... all of you will die here for me."

Chapter 1429: The battle of life and death (4)

Following Long Yin's roar, he saw his figure stretched, his palms viciously attacking Xue Wuhen.

Seeing this Long Yin attacking his brother, Li Tian resisted the surging blood in his heart, and suddenly rushed up to stop that Long Yin.

Long Yin roared, his palms used ten percent of his palm strength, and then he fought deadly at that Li Tian.

At this time, Li Tian also felt that Long Yin's terrifying hand, he must use his highest martial arts to resist it, otherwise Li Tian would definitely die.

Therefore, he used the devil's grasp of the unnamed and no surname on the Heavenly Book Pill Scroll.

When the clutches came out, the world changed color.

The huge energy suddenly enveloped that Long Yin like a dark cloud.

This trick is a masterpiece, and I don't know that it is the hand left by the outsider. It has no name or surname, but it is very powerful.

Once it was displayed at this moment, even Long Yin's arrogant energy was gradually swallowed, but even so, Long Yin was unmoved.

Long Yin flipped his left hand and smashed the sky with his right hand, hitting Li Tian's clutches head on.

But seeing the two extremely powerful qi in the air suddenly joined together... One is the abnormal Long Yin who has absorbed a lot of powerful internal forces from the masters, and the other is the life and death profound door that was used to use the top of the book of the heavenly book. Recruit Li Tian, the demon of the world.

Such a strong collision is truly unbeatable in the world.

As the two extremely powerful energies collided, only a bang was heard. In the vertical and horizontal energies, two figures flew back upside down.

Long Yin, and Li Tian.

The two of them had the same palms, each standing there with solemn faces at this moment, and the strong energy around them was still filled with terror.

Who wins and who loses?

After the two stood together for a few seconds, I saw that Long Yin spoke first.

"Good hand... I didn't expect you kid to have such a trick." Long Yin said with a grim face.

But what about Li Tian? His face was pale, but he did not speak at the moment.

Can't talk? Or what...

Just as Long Yin said these words, Li Tian suddenly began to tremble violently... Then his legs softened, and he fell on his knees with a thump. At that moment, he wowed a puff of black blood from his mouth!

He lost!

Li Tianguo was really defeated, and was seriously injured by that Long Yin.

Looking at Li Tian who was kneeling on the ground and vomiting blood, Long Yin's distorted face smiled in an instant.

"Hey, but you are not my opponent!!!" Long Yin said again.

Li Tian is indeed not Long Yin's opponent right now. Although Li Tian has used the Devil's Palm, Li Tian cannot use the full power of the Demon's Palm, because the Demon's Palm must be urged with extremely powerful internal energy. , In order to exert a truly powerful power, although Li Tian

had already opened the profound gate of life and death, it was still far from enough...so this time he lost.

For failure, Li Tian knew that there would be such consequences.

He knelt on the ground with his legs, and his heart was severely hit. At this moment, he seemed to have difficulty even standing up.

But it was said that when Long Yin and Li Tian fought, the old yin and yang demon over there also fought hard with the Duguxie and the ghost servant.

Duguxie's family-renowned swordsmanship is deadly and vicious, and his name for the evil sword is really well-deserved.

The ghost servant is also extremely flexible with the help of ghosts.

But when the two of them faced the old yin and yang demon, it was very difficult.

That old yin and yang demon was full of evil spirits, and this monster that had been imprisoned in the devil's cave for decades was really violent when he was born.

At this moment he used his evil palm to attack Duguxie and the ghost servant.

Duguxie still has the danger of being forced by ghost servants.

"Hey..."

With a weird and sly laugh, suddenly the horrible tricks of the old yin and yang devil suddenly attacked the ghost servant.

The ghost servant made a few moves, and then quickly avoided, but still could not avoid the yin and yang old demon's palm power range, one inadvertently was rubbed on the shoulder by the yin and yang old demon, only hearing a bang, the ghost servant's mouth With a muffled cry, the whole person was knocked back into the air, and his body fell to the ground with a plop, shattering several cold floors on the ground directly.

Duguxie saw that the ghost servant received a blow from the demon, and his swordsmanship suddenly changed, and he stabbed several swords sharply, and the old yin and yang demon blocked them with strength one by one.

But Duguxie took this opportunity and quickly flew to the ghost servant's side.

"Ghost servant, how are you?" Du Guxie looked at the ghost servant worriedly.

Guipian climbed up from the ground with difficulty, clutching his severely wounded shoulder with one hand, and gritted his teeth there and insisted: "I'm fine..."

Du Guxie glanced at the ghost servant, but did not speak.

"Second brother... it seems that we can't escape this calamity today." The ghost servant said with desperate eyes in his eyes.

Duguxie's face was green and did not say a word, the bronze sword in his hand also lost its original lingering light, and at this moment it seemed to become an ordinary long sword in his hand.

"No matter what, we both must protect the young master from leaving..."

"Even if it's death." Duguxie finally said.

The ghost servant nodded silently.

"You go help Young Master...I'm fighting with this demon." Duguxie said at last.

It seemed that Duguxie didn't plan to live today, he was also ready to fight this yin and yang old demon.

Li Tian over there was obviously severely injured, and he could not be Long Yin's opponent at all, so Duguxie made this decision.

But after hearing the words of Duguxie, the old yin and yang demon smiled grimly and said, "You will all die here today... hehe."

"Devil, I'm fighting with you." Duguxie roared, his body soaring up, and the bronze sword in his hand struck Changhong Guanri towards the old demon of Yin and Yang.

The old devil yin and yang gave a sly smile, one hand suddenly changed to grasping, and grabbed the bronze sword of Duguxie. The moment Duguxie saw that the old devil was actually grabbing his sword with his bare hands, he was slightly taken aback, with bronze in his hand. The sword suddenly stabs out a few swords quickly. Just when these swords were stabs at the old Yin-Yang demon, the old Yin-Yang demon suddenly backhanded and "grabbed" Zijue, and suddenly grabbed the wrist of Duguxie, Duguxie The arm flipped, and then slashed sharply, slashing towards the demon's wrist. Unfortunately, the demon changed so fast. Before Duguxie had time to make a move, the demon had already tightly grasped Duguxie's left wrist. Then Duguxie's arm hurt, and the bronze sword in his hand suddenly fell off his hand, and then the old yin and yang demon hit Duguxie's shoulder with a heavy palm.

Chapter 1430: The battle of life and death (5)

Duguxie snorted in his mouth and flew back from the beating. He slammed into the heavy wooden door of the old ancestral hall of the Ouyang family. He only heard a click, the heavy wooden door cup Duguxie's body was directly crushed!

"Second brother." Seeing that Duguxie was also seriously injured, the ghost servant cried out in pain.

Now they are all defeated.

Li Tian was defeated, and Duguxie and the ghost servant were also defeated by that.

Standing on the field, Long Yin and the old demon of Yin and Yang could be said to be the biggest winners.

Looking at the fiasco of Li Tian and Duguxie, the old yin and yang monster smiled and said: "I didn't want to kill you... but you are too nosy... Hey, it seems that I just want to take all of you together Slaughtered."

Duguxie and the ghost servant were both seriously injured, and at this moment they could only sigh and stay in despair.

They know that there is no way to go today, I'm afraid they will really be unable to escape this disaster today.

Na Long Yin also looked at Li Tiandao with a sneer, saying: "The kid surnamed Li, I broke your father's hamstrings for more than 20 years. In the next 20 years, I will kill you again. Haha... Fate makes people."

The seriously injured Li Tian was clutching his chest, his eyes swollen with **** hatred, especially when he heard that Long Yin said that his father back then, he seemed to wish that Long Yin in front of him would be slashed by thousands of swords. It's a pity. He couldn't beat Long Yin in front of him.

"Don't talk nonsense with them, do it." Just listen to the killing intention of the old Yin and Yang demon over there has been completely revealed.

Long Yin here also nodded with a wicked smile.

Then the two of them were ready to kill Li Tian and Duguxie in front of them!

At this moment, Li Tian didn't know why, and suddenly his whole body jumped up, as if he had changed another person.

"Long Yin, I want your life!"

In his roar, his body rushed towards Long Yin desperately.

When Long Yin saw that Li Tian still had the strength to pounce on him at this time, a treacherous smile appeared at the corner of his mouth, and he glanced at Li Tian who was leaping over.

Where is the yin and yang old demon over there? He stood there with an expression like watching a play, looking at Li Tian who was rushing towards Long Yin.

"Well, since you want to die, I will give you a ride." At this moment, Long Yin suddenly hid countless surging strange auras in his hands.

After he absorbed the energies of those great masters, his current zhenqi had become extremely weird, and when he accumulated together at this moment, it was naturally extremely huge.

Just when Li Tian rushed over, Long Yin thought that Li Tian was a fight between trapped beasts, and it was meaningless to struggle!

But as soon as Li Tian's figure reached Long Yin's side, Long Yin suddenly felt something wrong, because he found that Li Tian's aura was completely different... that kind of weird aura seemed to be between heaven and earth. The cohesive infuriating energy is not the same as when I was fighting with him just now. It was an extremely large and lawless feeling!

If Long Yin knew Li Tian's changes, I believe he would not be careless!

But now? It's too late! Because Long Yin was really careless this time.

Of course he would not have thought that what Li Tian was displaying at this moment was an earth-shattering technique: Immeasurable Maha!

It turned out that after Li Tian was severely injured by Long Yin just now, Li Tian was already determined to die. He knew that all his current martial arts, including the most powerful clutch of the Tianshu Danjuan, could not defeat this Long Yin. , He suddenly thought of his own set of exercises, Maha Wuliang, which he had just practiced. This old man of Promise had created Maha Wuliang when he was two hundred years old. Although Li Tian only practiced the first level: Yin Qi

Jue, and the second layer: Entry Jue, a small part of it, but Li Tian still used it, because now Li Tian has no power available

To be honest, even Li Tian himself didn't know the power of the Immeasurable Maha. He just cultivated the first level of the Immeasurable Maha: Yin Qi Jue. He felt that the veins and veins all over his body seemed to relax completely, and his whole body was completely relaxed. I can feel the invisible perception from nature in a subtle way. As for the mental method and internal force behind this Yin Qi Jue, Li Tian has never used it, because he feels that he guessed the first level of cultivation, even though It doesn't have much effect if used...

But now that Li Tian wants to use it, he is really forced to use it.

When Li Tianyi used this maha immeasurable power, even he himself felt something was wrong, because he fully felt that his whole body seemed to be integrated with the whole world, dripping water all over, as if there was no flaw. At all.

But not only Li Tian thinks so, but even Long Yin, who stands in front of him, thinks so...

After seeing that Li Tian was using this extremely weird trick, that Long Yin was slightly stunned after seeing a magical skill he had never seen before.

Then he still greeted him with his palms, because he felt that even if Li Tian used some strange skill, it was impossible to defeat him.

But is his idea right or wrong?

Just when Long Yin took Li Tian's trick to the utmost carelessness, he suddenly discovered that he was wrong, because Li Tian's whole person was completely invulnerable, and the state of his body was so powerful. Let Long Yin in front of him have never seen it before, as if he had to face the entire mighty world.

At the moment when this illusion appeared in his heart all of a sudden, his palms had paused for a moment, but Li Tian seized this opportunity. Suddenly he pushed out his hands suddenly, and the powerful burst of strong palms slammed into the wind. The hit hit that Long Yin's chest.

That Long Yin was hit by Li Tian! ! !

Has Long Yin been defeated?

Do not!

How could Long Yin lose?

Just when Li Tian hit the Long Yin with a palm, Long Yin's body was knocked out, but he did not fall down. Long Yin, who flew back a few steps, still stood straight there.

After patted the dust on his body, Long Yin suddenly said angrily: "Good kung fu...Unexpectedly, you kid could use this kind of peerless martial arts before he died. I really underestimate you. I am worthy of being the son of an evil god. "

It seemed that even though Li Tian hit the Long Yin with both palms, he didn't seem to hurt the Long Yin in front of him.

Yes, although Long Yin is careless, his body has a powerful zhenqi body. Although Li Tian has used Maha's Boundless Yin Qi Jue, the Qi Qi Jue is just a way to introduce his body to the whole nature.

One body, and in terms of attack power, it doesn't have much effect, so even if Li Tian seems to be very powerful, he can't hurt the dragon in front of him.
