

A Killer 146

Chapter 146: Qiu Si

Listening to Xuepan's cold and feminine words, Duan Mu Lei and Fang Hai in front of them couldn't help being startled.

Although they don't know what kind of person (shadow) is in this ***** mouth, they can vaguely feel the huge breath of death from the ***** words.

"It turned out to be like this." Duanmu Lei said in a low voice.

Fang Hai blinked his eyes, "Is that traitor in Kyoto now?"

"Not sure, no one knows."

"But the person I asked you to find should know her whereabouts." K said suddenly.

Fang Hai and Duanmu Lei looked at each other.

"Qiu Si? He knows?"

"Not bad."

"This old thing is (Shadow)'s godfather, although he has already retired from the arena, but he is (Shadow)'s only relative in the country, so only if you find Qiu Si, you can find (Shadow)!" K said with a cold face. .

Qiu Si?

Who is Qiu Si?

Maybe this name is not so beautiful and not so brilliant, but if you look through the archives of the Kyoto city government, you can find Qiu Si's name everywhere.

Except for some juniors on the roads of Kyoto City, the one with a little identity doesn't know the name of the leader of the rivers and lakes, Chou Siye.

Twenty years ago, it was said that 12 hours in the daytime in Kyoto City was under the management of the police, but after 12 o'clock in the evening, it fell under the jurisdiction of Qiu Si.

This mighty situation continued until Siye Qiu retreated from the arena.

Qiu Si is a well-deserved figure of the underground leader level.

No one can compare it. The underworld world is up and down, but when Qiu Si was the leader, no one in Kyoto dared to provoke him.

But on one night twenty years ago, Qiu Si, who was at the peak of his career, suddenly announced that he wanted to wash his hands in a golden basin and retreat.

From there, Qiu Si, the emperor of the underground world, began to faintly withdraw from the arena.

There are many kinds of opinions about Qiu Si's withdrawal from the arena. Some say that Qiu Si was forced to withdraw from the arena because of too many enemies. However, after Qiu Si's

withdrawal from the arena, to this day, I have never heard of anyone who dares. Trouble with Qiu Si.

Some people say that Qiu Si's killing was too heavy, and he wanted to accumulate some virtue so he retired early...

Some people say that Siye Qiu fell in love with a woman who was many years younger than him...for love, he retired from the rivers and lakes...

There can be no more such legends, but why the emperor in the underworld world, Qiu Si, suddenly quit the underworld by washing his hands overnight, no one knows.

Perhaps the only thing you know is that Qiu Si is just an old man now, an old man living in the old city of Kyoto...

"Qiu Si turned out to be the godfather of that traitor?" Duan Mu Lei and Fang Hai were shocked.

Xuepan nodded silently.

Duan Mu Lei and Fang Hai suddenly wanted to understand, no wonder this blood and K was looking for Qiu Si who had been retired for many years in Kyoto City.

It turns out that all of this is to find the traitor of (Qingsha), Ying!

—

A taxi stopped quickly at the gate of Haocheng Hotel.

Then I saw two figures quickly getting out of the car.

It was Li Tian and Shen Feng who came to Duanmulei to settle accounts.

"That's it?" Li Tian asked, looking at the imposing Haocheng Hotel.

"Well, the **** eats here." Shen Feng said.

"Go, go in and find that bastard, this time I must fix him well." Li Tian said and walked towards the Haocheng Hotel first.

The waiter outside saw Li Tian and Shen Feng walking towards this side, and hurried up to greet them.

It's a pity that the words haven't been spoken yet, Li Tian and Shen Feng have already walked in quickly.

As soon as I walked in, I saw a man wearing a white T-shirt with sparse hair. He had bloodshot eyes and saw Li Tian and Shen Feng.

"Brother Feng, you are here." The man in the white T-shirt came up to say hello when he saw Shen Feng.

Li Tian was taken aback for a moment, but he didn't know the guy in front of him.

"This is my friend with me in the morning. I asked him to watch Duanmulei's **** here." Shen Feng explained to Li Tian.

The man in the white T-shirt smiled at Li Tian.

"It's Brother Tian? Brother, I have admired you for a long time in the black market arena." The guy in the white T-shirt looked at Li Tian's eyes with admiration and said.

Li Tian smiled faintly, and said nothing.

"Don't be nonsense, where are those people now?" Shen Feng asked the guy in the white T-shirt when he went up.

"It's in a box on the 4th floor." said the guy in the white T-shirt.

When Li Tian heard Shen Feng, he glanced at the fourth floor.

"Brother Tian, Brother Feng, I have already told you, I'm better off not mixing this matter." The guy in the white T-shirt said with an awkward smile.

"Well, you can go now." Shen Feng said to the guy.

"Okay, okay. Then let's get back in touch."

After speaking, the guy slipped out of the Haocheng Hotel.

Li Tian frowned slightly and looked at the direction the boy was going away, then glanced at Shen Feng: "Who is that boy? Is it reliable?"

Shen Feng said: "It's OK. I knew it before, people? Although it's a bit slippery, I still don't dare to betray me."

"Well, that's it. Let's go up to the fourth floor and find that Duanmu Lei to settle the account."

Li Tian and Shen Feng, who were talking, walked directly towards the fourth floor of the Haocheng Hotel.

Instead of going up the elevator directly, they went straight up from the stairs in the lobby.

The two quickly reached the fourth floor.

The fourth floor belongs to the VIP box of Nahaocheng Hotel.

After Li Tian and Shen Feng reached the fourth floor, they saw at a glance two Duan Mu Lei men in black suits standing in the middle of the front corridor.

"It's right there." Shen Feng pointed and said suddenly.

Li Tian nodded, and at the same time walked forward quickly.

Standing over there in the corridor under the two Duan Mu Lei men in black suits, they also saw Li Tian and Shen Feng walking towards this at this moment.

One of them had seen Li Tian and Shen Feng in a black-market boxing match. His eyes became gloomy and he muttered to himself with a hint of surprise: "These two guys are here?"

Another man beside him also felt something was wrong. At this moment, his eyes cautiously looked at Li Tian and Shen Feng who were walking towards them.
