

A Killer 148

Chapter 148: TO

The K who was sitting there suddenly stood up, slowly focusing his eyes on Li Tian: "What did you just say?"

Facing this weird man with yellow hair, Shen Feng didn't feel that he couldn't help but feel a chill in his heart. The fear seemed to be a beast instead of an individual.

But at any rate, Shen Feng was also a figure from the black market boxing match, how could he be frightened by the opponent's momentum.

"I said nothing to do with you, don't be nosy here." Shen Feng said from his mouth.

When his words just fell, he suddenly saw K's mouth smile.

Only that smile was a death threatening smile.

Then in the horror of everyone, K's body suddenly moved like the wind.

The speed is so fast, almost reaching the feeling of suffocation, Shen Feng in front of him has not fully realized the danger is approaching, and then he suddenly feels a hot pain in his chest.

"Shen Feng, be careful..."

Accompanied by Li Tian's exclamation, Shen Feng's entire body was suddenly shaken by an invisible force.

It slammed into the cold wall, then fell to the ground again.

Looking at him again, red blood suddenly appeared in the middle of his chest, hideous and dazzling.

In shock, Li Tian ran over and helped Shen Feng, but seeing that Shen Feng's face was as pale as dead, and the corners of his mouth trembled slightly. Then look at the scars on his body, my God, what it is like His wound was not a knife wound nor a gunshot wound, but a weird triangular wound, and blood stains came out of that wound.

"Shen Feng, Shen Feng, are you okay..." Li Tian exclaimed there.

Fortunately, Shen Feng was not dead yet, and moved his pale lips with difficulty and pulled Li Tian's hand: "Tian... Brother Tian... I... I... Will... die?"

"No! Absolutely not." Li Tian grabbed his brother's hand tightly and said with blood red eyes.

A miserable smile appeared on Shen Feng's ashen face.

"Brother Tian... listen to me... you go quickly... that... that... guy no... not human..." Shen Feng said with difficulty.

After speaking, a mouthful of blood came out of his mouth.

Li Tian watched his brother be beaten into this appearance by a single move. At this moment, he was shocked and cruel.

The body became trembling due to excessive resentment.

Slowly straightened up and looked at the K who had just made a move. K with a weird smile on his face, his hands wrapped around his chest, smiling at Li Tian and Shen Feng lying on the ground.

"Today I don't want to get blood on my hands. Before I change my mind, you should get out of this room with me as soon as possible." Then K said with a smile suddenly.

At this moment, Li Tian looked at this guy who had shocked the world as soon as he shot it. To be honest, there was a fear in his heart.

But his only brother, Shen Feng, was lying on the ground at the moment and was beaten like that. How could he not repay such a grudge.

"My brother was hurt like this by you. Even if I die here today, I will fight with you."

With a roar, Li Tian rushed towards K desperately.

The huge energy accumulated in the whole body also broke out on both arms at the same time, with the right hand forming a fist, the left hand forming a grasp, and the left and the right hit the K like lightning.

When his trick was released, the K over there couldn't help being taken aback.

Watching Li Tian's tricks attack him, he couldn't help but be surprised, then his body shook abruptly, and he quickly escaped the shocking move of Li Tian.

Li Tian also didn't think that the move he used his best would be easily avoided by the other party.

Now he changed his fist once again and attacked the K.

His fist technique was the one on the Heavenly Book Pill Scroll, carrying the enormous vigor in his body, and his fists swelled into the air, causing K to stay and avoid twice.

Such a strange thing caused Xuepan, who had not done anything, to frown slightly, and an unprecedented murderous intent flashed in his eyes, looking at that Li Tian.

When Li Tian didn't touch the sleeve of K in two fierce attacks, he couldn't help being a little disappointed and exhausted his body to attack the third move again.

Suddenly, K didn't dodge anymore, his eyes flashed, and suddenly his body shook, and another ghost's arm suddenly reached Li Tian's chest.

Then his five fingers spread out and pressed against Li Tian's chest.

The seemingly fluttering press on Li Tian's chest, before Li Tian had fully reacted, suddenly an invisible force came from K's arm.

In this way, Li Tian suddenly felt that his body had lost its center of gravity.

The chest felt like an explosion, and the whole person flew backwards.

With a bang, it hit the table in front of him, and the huge table was directly smashed by the fallen body.

Li Tian wowed a puff of blood from his chest that was unbearable, and he couldn't stand up.

K over there smiled evilly, slowly sat back on the chair just now, and patted his hands gently.

This kind of blast scene stunned everyone.

Duanmulei and Fang Hai over there looked at K like dumbfounded, who could imagine that he was so powerful.

Even Li Tian, who defeated the Northwest Gray Wolf in the black market boxing match, had not made three moves in his hands.

One can imagine how fierce these two fierce men from (Qisha) are.

Li Tian was also greatly disappointed. He didn't expect that he would be like an ant under the opponent's hand, like an ant pinched to death at any time. Although he was unwilling and angry, it didn't help.

Duanmulei and Fang Hai had already stood up at this moment. He covered his bleeding nose and kicked Li Tian's chest fiercely.

"Asshole... Just because you want to trouble me Duan Mu Lei... I want you to die."

As he said, he raised his foot and stepped on the head of Li Tian who could not fight back.

"Stop it." K over there suddenly said in a cold voice.

Duanmu Lei, who raised his foot and was about to step on it severely, was taken aback, but he quickly put his foot down.

"Mr. K, doesn't this **** kill him?" Duanmu said viciously.

K looked at Duanmulei coldly: "Didn't you hear what I just said? I tell you, I don't want blood on my hands today..."

"But..." Duanmu Lei also wanted to try to speak.

But when he hadn't finished saying the words "but", that K suddenly swept toward him like a strong wind.

Then Duan Mu Lei suddenly felt an arm from **** squeeze his throat and put him on the cold wall. The cold hand on his neck almost suffocated Duan Mu Lei.

"Do you want to die?" K said suddenly in terror.

Duanmu Lei almost mentioned his throat with a heart, his neck was pinched by K, and he would die at any time, his eyes were bumpy, and he shook his head there.

"No, I don't want to die."

"If you don't want to die, just listen to me obediently! Also, in the future, if I see such troublesome things appear in front of me, I will be the first to kill you."

Duan Mu Lei stood in front of the death's door and nodded quickly: "I, I know..."

K slowly loosened the hand that tightly held Duan Mu Lei's neck, but Duan Mu Lei's pale face was ugly as if he had walked away from a ghost gate.
