

Read Picked a Killer as My Wife

Chapter 15: You be my wife

"So, then, what do you want?" Li Tian was suddenly a little scared.

The killer woman in front of me can be said to be able to kill herself with just a gesture. Is it really that unfortunate for herself? After working hard to save her, she killed herself again.

"I once swore that if anyone dared to touch me, I would be the first to kill him." Situ Ningbing suddenly turned her cold eyes and said.

Li Tian was immediately discouraged.

"Are you really going to kill me?" Li Tian said, looking at Situ Ningbing.

"Yes. Because if I don't kill you, it will..." Situ Ningbing hesitated and said nothing.

Li Tianyi was taken aback: "What will happen?"

"I will marry you!!" A word suddenly came out of Situ Ningbing's mouth.

When he heard this, Li Tian didn't know if it was because of excitement or fear, he was hesitating in his heart.

"I used to swear that no one but my man can touch me, whoever touches will die, but now you touch me... and... so I have to kill you."

After speaking, Situ Ningbing really raised his hand, as if he was really about to start.

"Wait." Li Tian shouted.

Situ Ningbing raised her hands in the air and stared at Xingyan: "What? What do you have to say before you die?"

"I, I, I will be your man, and you will be my wife."

When this sentence was said, there seemed to be a puff of explosive in the air, as if it was about to explode at any time.

When Li Tian said this sentence, he didn't even dare to look up at that Situ Ningbing, he was afraid...

If the toad eats swan meat to describe this moment, it is not excessive at all, it is extremely appropriate.

One is a bitter, poor young man who has nothing, and the other is a world-famous killer.

Wife?

Situ Ningbing smiled suddenly, unscrupulously, smiling there as if he heard the world's biggest joke.

Li Tian suddenly felt a little blush.

"What are you laughing at? I'm serious, serious."

"As long as you are willing to marry me, Li Tian swears that I will treat you well in this life. The sky will fall down and I will bear it, and the ground will sink in. I will support you. If there is a violent storm, I will protect you.

Situ Ningbing stopped smiling suddenly.

"I'll marry you? To be your wife?" Her voice suddenly became charming and fascinating, and her beautiful eyes made Li Tian almost think that she was dreaming.

"Hmm." Li Tian nodded quickly, his neck almost broken.

"Do you know how many people I killed? Do you know what I do? Do you know what my family background is like? And do you know how dangerous I am now?"

"The most important thing is what do you use to protect me?" Situ Ningbing asked a series of rhetorical questions, making Li Tian suddenly depressed.

Yes, who is she, and what is her home like?

Except for her name as Situ Ningbing and her nickname (Shadow), Li Tian didn't know anything, what he did to protect others.

People can pinch themselves to death with just one hand, so why do they let them be their own wives?

Li Tian suddenly felt ironic and his face was hot.

"Do you believe it? One day I can definitely protect you, and I will become stronger than you!" Li Tian suddenly gritted his teeth and said word by word.

Situ Ningbing looked at him and smiled lightly: "Okay, then I will wait until the day you become stronger and you will marry me again."

"If there is such a day, I will marry you and be your wife."

In a word, a promise.

This promise may be just a joke to her, but she did not expect that it would become a deep brand in Li Tian's heart, and it would be imprinted in his heart forever.

"it is good!"

"You said this. I will remember it, and will remember it for a lifetime. In this life, your Situ Ningbing is destined to be my Li Tian's wife one day." Li Tian vowed.

On the contrary, Situ Ningbing stepped forward and stopped looking at him.

For a figure like her who is all over the country and is still a female killer, will she really marry Li Tian as his wife one day? Or did she just make an absurd excuse not to kill the savior?

But no matter what, Li Tian was not killed, and she agreed.

What is her heart thinking? Li Tian didn't know, and didn't dare to ask too much.

"I can't stay here." Situ Ningbing said suddenly.

Li Tian was slightly taken aback.

"Oh, yes."

"There are so many dead people hidden in this house. When the neighbor finds out, I will be finished." Li Tian said depressed.

"So you have to leave here." Situ Ningbing said suddenly.

When he heard this sentence, Li Tian couldn't help but startled slightly.

"Leave here? Where to go?" Li Tian asked a very stupid topic.

Situ Ningbing: "Go to your friends or relatives, anyway, the farther away the better."

"But I have no friends or relatives. I grew up as an unwanted child. I grew up in an orphanage. After my father and mother gave birth to me, besides leaving this for me, Nothing else left." Li Tian said with a smile.

But his smile has an unspeakable bitterness.

While smiling, he took out a jade medal from his neck, to be exact, half a jade medal, because the other half had been broken, and only half of the brand was worn on Li Tian's neck.

After listening to Li Tian finished speaking, Situ Ningbing's beautiful eyes moved, looking at Li Tian.

"You go to Kyoto." Situ Ningbing said suddenly.

After he said it, Li Tian was slightly taken aback.

"Kyoto?"
