

A Killer 156

Chapter 156: I am Qiu Si

Qiu Si, who had grasped Li Tian, heard him say this, and slowly sent his hand down.

"Say it!"

Li Tian felt that if he had been killed by that crazy old man if he didn't say it just now, he would have died unjustly!

So he was ready to speak.

Looking at this mysterious and weird old man, Li Tian could only give in and speak out.

"This jade finger is indeed given to me by my future wife. When I was in Liaocheng, when she gave it to me, she also told me to find a character named Qiu Si in Kyoto City." Li Tian is indeed one-five. Ten of them said it.

After he said it, Qiu Si was stunned.

Find yourself? This kid is looking for me with a jade pull finger?

Qiu Si, who was frowning tightly, stared at Li Tian's eyes, but he found that Li Tian didn't seem to lie in front of him. He seemed to be telling the truth.

"Look for Qiu Si? Do you know Qiu Si?" Qiu Si suddenly looked at Li Tian and asked.

Li Tiandao said: "How do I know him? I don't even know if Qiu Si is a man or a woman."

"Presumptuous." Na Qiu Si said angrily when he heard Li Tian's words frivolous.

But Li Tian was puzzled, this **** old madman, didn't he say about him? He is so excited!

Of course, Li Tian at the moment didn't know that the murderous old man standing in front of him was the leader of the underworld, Qiu Si.

"Who is your wife?" Qiu Si asked suddenly.

At the same time, I was more suspicious of Li Tian, because this jade pull finger was given to his goddaughter (Situ Ningbing). If it really followed the words of this kid, wouldn't it mean that his wife is "Binger" ".

How could Binger find such a kid?

Therefore, Qiu Si felt that this kid was absolutely farting and absolutely lying.

"Why are you asking my wife's name?" Li Tian asked back.

"Boy, what so much nonsense, hurry up and tell who is your wife's last name?"

Facing Qiu Si, Li Tian could only secretly admit that he was unlucky, and reluctantly told Situ Ningbing's name.

"She is Situ Ningbing!"

Just as Li Tiangang said it, Qiu Si suddenly said angrily: "Nonsense, why does (Bing'er) think of a kid like you?"

After Qiu Si suddenly said it, Li Tian raised his eyes.

Binger? Doesn't the Binger crying in this guy's mouth say that the beauty killer? Situ Ningbing. Do they know each other?

"You know Situ Ningbing?" Li Tian asked in surprise suddenly.

Qiu Si sneered and said: "Nonsense, she is my only relative and my only goddaughter, how could I not know her."

Suddenly hearing this old madman say this, Li Tian almost broke.

what?

This time, Li Tian, who was even more surprised than last time, looked at the crazy old man as if he had heard the most incredible things in the world.

"You said Situ Ningbing is your goddaughter?"

"I don't believe it, I won't believe it when I was killed." Li Tian said there.

But Qiu Si coldly raised his eyes: "Whether you believe it or not, you are about to die anyway."

After speaking, Qiu Si was ready to leave.

Li Tian was slightly taken aback: "Wait."

"What's the matter? Afraid of death?" Qiu Si sneered at Li Tian.

"I'm not afraid of death, I just don't understand why you know her? You said she is your goddaughter? Is Situ Ningbing really your goddaughter?" Li Tian asked in astonishment.

"Now you believe it?" Qiu Si turned his face to look at Li Tian.

"Then you... are you?" Li Tian had guessed more than half of Qiu Si's identity, but he didn't dare to confirm it.

"I am Qiu Si."

When he said his name, he looked domineering.

Let no one feel any doubt.

This fierce man who used to dominate the underworld is such a madman and violent.

Li Tian, with wide-eyed eyes, was completely dumbfounded, he was Qiu Si! So Situ Ningbing asked himself to come to Kyoto City to find him? This old lunatic who wants to kill himself at every turn?

Gosh!

"You are Qiu Si... my goodness." Li Tian was completely helpless.

"What's wrong? You don't believe me?" Qiu Si stared at Li Tian and said.

Li Tianqing couldn't help shook his head, don't know why, when he said his name, it made people feel unquestionable.

"I just didn't expect that she asked me to come to Kyoto City to find you!" Li Tian said from the bottom of his heart.

Just now Li Tian always thought that this Qiu Si was a lunatic, knocked himself out for no reason, and then locked himself here, asking him this, asking him that, and everyone would doubt whether this guy was a lunatic.

But now? Li Tian couldn't help feeling that he was worth it!

It was worth it even if he suffered some skin injuries, because he finally found the person Situ Ningbing wanted to find by himself.

"Boy, how could Bing'er know you? Are you lying?" Qiu Si stared at Li Tian and said.

Li Tian said quickly: "No! I didn't lie."

"Everything I said is true. This jade pull finger was really given to me by Situ Ningbing. He told me to come to Kyoto City to find you."

When Li Tian said so, Qiu Si frowned and looked at Li Tian.

"Do you know why this jade pull finger was given to Binger? What does this jade pull finger represent?" Qiu Si said suddenly.

Li Tian shook his head.

"When I gave Bing'er this jade finger, I told him that no matter what kind of trouble she has in the future, what kind of request, as long as I look for me with my jade finger, I will agree to her and fulfill her wish for her. Now, this jade pull finger is my token to Bing'er, but I will never believe that Bing'er will give you such an important thing."

Qiu Si said coldly.

Li Tian was completely depressed.

Now this Qiu Si doesn't recognize himself? And I feel like I'm lying.

"You tell me? How do you know my goddaughter?" Qiu Si said suddenly.

In desperation, Li Tian had no choice but to tell Qiu Si all about Yu Situ Ningbing.

"I met her in Liaocheng. She was seriously injured at that time... In the end she was chased and killed. I happened to help her... But because of the dead, I can no longer stay in Liaocheng. , So I had no choice but to leave Liao Cheng, and she? But she didn't know where she went!" At this point, Li Tian looked into the distance with blank eyes.

He missed her in his heart, he missed that assassin's glamorous beauty, but what about her now? At the end of the world? Still at the cape... who knows!

A cold-blooded and gorgeous killer, chased by someone behind, desperate for the world...
