

A Killer 1561

Chapter 1561: condition

When the Duguxie in front of him saw that the person who was about to fight was the evil Long Yin, he was full of violence and hatred.

Thinking of that Li Tian's death, this Duguxie couldn't wait to slash the dragon in front of him.

But he still tried to stay calm.

"You... didn't even die?" Duguxie said tremblingly because of hatred.

Standing on the top of the Rakshasa that is more than three meters high, Long Yin sneered and said, "Do you think it's so easy for me to die?"

"Evil! Return my young master's order!"

With a violent sound, the bronze sword in his hand suddenly shot into the sky, and the bronze sword in his hand turned into countless sword shadows, and the mighty and domineering sword slashed towards that dragon Yin.

He hates it!

Long Yin can't wait to die.

But how could his sword hurt that perverted Long Yin?

I saw Long Yin sneer, and then suddenly his body flashed, and Yu Juelun quickly avoided Duguxie's sword.

Countless sword shadows smashed on the three-meter-high boulder Rakshasa, banging banging, that big stone elephant Rakshasa was chopped with deep sword marks.

"Duguxie, you can't kill me." Suddenly, Long Yin didn't know when he landed not far in front of Duguxie, and said lightly.

Duguxie was full of hatred, but knew that Long Yin in front of him was right!

He really couldn't kill the abnormal Long Yin in front of him!

He sucked the internal strength of so many peerless masters, coupled with his rushing formidable strength, Duguxie wanted to fight him at this moment... I am afraid that he can't be defeated.

Enduring the deep hatred, Du Guxie stood there, his blood-red eyes staring at Long Yin in front of him.

"Evil thief, even if I can't kill you, I won't let you go today." Duguxie said.

Long Yin didn't care about this Duguxie, he just chuckled coldly: "Don't worry, I will fight you, and I will kill all of you personally! But not now."

As Long Yin said so, Du Guxie was taken aback.

Lifting up those blood-red eyes, glaring at Long Yin and said, "What do you want to do, evil thief?"

But seeing that Long Yin sneered and said: "I know about your alliance in Binjiang City... and I also know that you have contacted a lot of people from the rivers and lakes, including the Situ family in the far northwest."

"Hey, I just want to tell you, even if you people are united together, what can you do?"

"Do you think you can really kill the Yin and Yang Demon?" Long Yin said with a disdainful expression.

"I can tell you plainly that your every move is controlled by the old yin and yang demon... With you people, I am afraid that if you want to deal with the demon of yin and yang, you will find your own way to death."

After that Long Yin said these words, although Duguxie was extremely angry, he slowly calmed down.

Because he felt something was wrong with the guy named Long today!

Why does he say these words?

Wasn't he teaming up with the old yin and yang demon before?

"Why do you villain tell me this?" Duguxie asked coldly.

As he asked, that Long Yin smiled faintly, then looked at Duguxie and said, "Because, I can help you kill the old Yin and Yang demon."

what?

Long Yin actually said that he wanted to help Duguxie and them kill the demon: Yin and Yang! !

Hearing that Long Yin suddenly said this, Du Guxie was shocked there.

"You?" Duguxie said in shock. ,

But seeing Long Yin smiled slightly: "Yes!"

"I am afraid that besides the **** gate master...If you want to kill the yin and yang demon, I am the only one, Long Yin." Long Yin said with an arrogant laugh.

When that Duguxie heard him say this, he was shocked in his heart.

"Why should I believe you the thief? Besides, you are more vicious than the old yin and yang demon, why should I believe you." Duguxie said angrily.

But seeing Long Yin smiled and said, "Do you think you still have a choice?"

"Tell you, if you don't believe it, just wait and see. In less than 5 days, you will have ghost servants and others, and the Ouyang family... all of them will die! They will die tragically in the hands of the old demon of Yin and Yang. "Long Yin said.

When Du Guxie heard this Long Yin saying this, he couldn't help but secretly lining up: What is going on with the surname Long today?

How can you help yourself and your brothers to deal with that demon?

"Hey, Duguxie, are you thinking in your heart now, why should my Long Yin help you deal with that old yin and yang demon?" Long Yinguo is really an extremely treacherous person. At this moment, even Duguxie is thinking about everything in his heart. Completely guessed it.

Duguxie didn't speak, just raised his scarlet eyes and stared at Long Yin fiercely in front of him.

Now he really doesn't know what the evil thief surnamed Long is doing!

Isn't he in the same group with that yin and yang demon? Why do you say that now? Want to kill the old yin and yang demon?

"Because I want you to promise something." Long Yin suddenly said with a grinning smile.

After Long Yin said this, Duguxie became more and more suspicious in his heart, secretly lining: What tricks is this villain playing?

Although he couldn't help thinking like this in his heart, he couldn't help asking, "What's the matter?"

"Hand in the Heavenly Book Pill Scroll among the three ancient relics!" Long Yin suddenly said in that mouth.

Tianshu Danju?

What Long Yin originally wanted was the ancient Heavenly Book Pill scroll?

After he said this all at once, Duguxie was shocked right now!

My heart lining secretly: It turns out that the thing this demon is worried about is the young master's celestial scroll.

At this moment, after seeing that Long Yin had said his true purpose, he sneered at that Duguxie and said, "How about? I said this condition is simple? As long as you give me the Tianshu Danju...I will definitely help. You kill the yin and yang demon, and besides, you can also free up a life for all of you. This trade is worthwhile for you."

After Long Yin said so treacherously, that Duguxie secretly lined up for a while, thinking: The Heavenly Book Pill Roll has been in the hands of Young Master! Since the young master's tragic death in the old mansion of the Ouyang family, the heavenly book pill scroll has not fallen, but he did not expect that this dragon has been for the most important heavenly book pill scroll among the three ancient relics! ! From this point of view, the person surnamed Long didn't know that the Tianshu Danjuan had already burned things with the young master.

"Duguxie, promise?" Long Yin asked with a sneer and looked at Duguxie in front of him.

Duguxie glared at him with blood-red eyes.

"You evil thief never want to get the Heavenly Book Pill Roll!" A word suddenly came out from Duguxie's mouth.

After Duguxie said this all of a sudden, that Long Yin not only snorted coldly, but obviously he looked very angry.

Chapter 1562: Brothers come

"Aren't you willing to hand over the Heavenly Book Pill scroll? Are you willing to watch your brothers and those you find help die one by one at your feet?" Long Yin said in a murderous voice. .

But how could the man who was hit by Duguxie iron be deterred by a few words from Long Yin!

Immediately he said angrily: "Even if I die, I won't give you the Heavenly Book Pill!" Duguxie said stubbornly.

After Duguxie said his thoughts so resolutely, that Long Yin's terrifying killing intent became even more intense.

It seemed that he would attack the Duguxie in front of him at any time.

The terrible killing intent was enveloped by the two.

That Long Yin seemed to have been unable to bear the murderous intent in his heart, and his hostility surged with the surrounding air.

In this deadly silence, suddenly that Long Yin suddenly laughed wildly.

His laughter made that Duguxie startled...

I don't understand how this weird guy burst into laughter.

I saw that after Long Yin smiled slyly, he said fiercely: "Duguxie, I will give you a few days, and you will think about it when the time comes. If you think about it, you will hand it over I...In that case, with you and me, everyone will be beneficial at that time!"

Long Yin sneered there.

Duguxie was full of hatred at this moment, there was so much consideration there, he just wanted to kill the guy who killed "Li Tian" in front of him alive.

Tightly grasping the bronze sword in his hand, Duguxie said with a murderous expression: "The surnamed dragon, you never want to get the heavenly book pill scroll."

"Today, even if I die, I will avenge my young master." Du Guxie roared, and suddenly the bronze sword in his hand attacked Na Long Yin with a very fast sword.

But what about Long Yin? He was not afraid of the Duguxie sword move in front of him.

He hid himself, and then slammed out a palm with his left hand, and his domineering palm shook Duguxie's bronze sword slightly.

Then Long Yin didn't seem to want to fight... he swept his body, and then swiftly and swiftly towards the outside of the Great Bell Temple.

In a flash, the body was already out of the ancient temple in front of him.

"Duguxie...Today, I will not kill you...I hope you will consider my conditions...Hahahaha!"

"After three days, if you still don't agree... when the time comes, you will wait for the corpses to be everywhere!"

As Long Yin laughed wildly, Long Yin suddenly jumped straight towards the Lingshan, and his strange figure swept down the Lingshan in front of him.

Although Duguxie has a strong martial arts, if he wants to catch up with the extremely fast Long Yin, it is indeed an unlikely thing.

Looking at the Lingshan Mountain in front of Long Yin, Duguxie stood outside the Great Bell Temple with his sword.

Long Yin is gone!

He didn't commit a murderous attack on Duguxie, but put forward a conditional book.

It seems that Long Yin didn't know about the Heavenly Book Pill scroll on Li Tian, and he didn't expect that Long Yin would kill the Yin and Yang Old Demon for the Heavenly Book Pill scroll?

Is what he said true or false?

Nobody knows.

At the Great Bell Temple, which was blowing in the cold wind, I saw Duguxie standing there alone.

I thought that Long Yin had already died with Li Tian, but I didn't expect that this terrifying Long Yin would not die! Still alive.

And judging from the current situation, this Long Yin should be with that Yin and Yang old demon!

After thinking this way in my mind, Duguxie felt that something was wrong more and more!

Why is this Long Yin not dead?

More than two months ago, he clearly saw Li Tian fall into the sea of fire with this demon, but why did he not die?

If he is not dead, what about Li Tian? Is he not dead either?

After this thought suddenly emerged from Duguxie's heart, the Duguxie in front of him suddenly felt a bit of a heart, and then an unprecedented sense of excitement rose from all over his body.

The cold wind was still blowing, and he stood silently on the top of Lingshan Dazhong Temple.

In the distant place, at this moment, I saw a black Mercedes-Benz car swiftly driving towards the Great Bell Temple in Binjiang City.

Look carefully at the people sitting in this car, it is precisely that who are here to help the Duguxie brothers and ghost servants.

It was Tang Xiaolong who was driving, with full throttle at the moment, and the speed of 180 miles was like the speed of electric light galloping towards the Lingshan Great Bell Temple in front of him.

"How long will it take to reach that temple?" In the car, only the ghost servant asked anxiously.

Tang Xiaolong, who was driving in front, glanced at the navigator and said, "It's coming soon, I should be there in less than five minutes."

The ghost servant frowned and said, "Hurry up."

So Tang Xiaolong stepped on the gas pedal hard, and the car started to drive fast toward the front as if flying.

Everyone in the car was frowning tightly, and they didn't know what was happening at Lingshan Great Bell Temple at this moment.

I saw that ghost servant looked worried and kept looking out of the car window.

Finally, they could already see the Great Bell Temple in the middle of the Lingshan Mountain.

"Here, the place in front is the Great Bell Temple." Tang Xiaolong who drove said there.

Brothers all raised their eyes to look at this time.

I saw that the Great Bell Temple was located on the mountainside of Lingshan, not very high.

Tang Xiaolong drove the Mercedes-Benz in front of him and finally reached the foot of the Lingshan Mountain at a very fast speed.

The car slammed on the brakes, and the Mercedes-Benz in front of him made a hiss, and then stopped sideways at the foot of the mountain.

The ghost servants and the brothers opened the door with a slam and quickly all jumped out of the car.

However, after the ghost servants and the brothers jumped out of the Mercedes Benz incomparably fast, then they rushed towards the Great Bell Temple without saying a word.

The ghost servant used his supreme ghost shadow gaze, and his body was really like a ghost. He couldn't see his figure at all. All he saw was his erratic dark shadow quickly and absolutely leaping towards the top.

The brothers in the back also rushed towards the top place.

This section of stone stairs is not very high, only a few hundred meters, so they can reach it soon.

I saw the ghost servant first arrived at the Great Bell Temple.

The black shadow flashed, and the whole person had jumped to the gate of the Great Bell Temple.

The ghost servant who had just leaped up saw the Duguxie standing motionless in the front place at first glance.

"Second Brother!" The ghost servant who shouted hurriedly ran towards the Duguxie.

He didn't know what happened to his second brother... At this moment, besides worry, he was worried.

But what about Duguxie? After hearing the ghost servant's voice, he felt a slight surprise, slowly raised that indifferent face, and then saw the ghost servant running toward him quickly.

Chapter 1563: The most **** person

"Second brother, are you okay?" Ghost servant asked immediately after rushing over.

Duguxie raised his head and looked at the ghost servant who came over, frowning and said: "Why are you here?"

"I was worried about my second brother's safety, so I came here." Gui Pu said.

At this moment, as the ghost servant finished speaking, I saw that the brothers also rushed up from the mountain one by one.

When I saw Duguxie standing here intact, I couldn't help but let go.

"Senior Dugu..."

"Senior, are you okay?" The brothers all ran over and asked.

Duguxie saw that all the brothers were coming, and said, "I'm fine."

"Second brother, what's the matter? Did you see the demon? He is there?" The ghost servant quickly asked, all the brothers in front of him were blinking their eyes and looking at the Duguxie in front of them. .

Because Duguxie was unscathed at all, and the whole person looked like he hadn't used his hands, so this made the brothers very puzzled.

After the ghost servant asked, the Duguxie in front of him was slightly silent.

The brothers next to him and the ghost servant looked at the Duguxie in front of him suspiciously, and no one knew what happened.

After being silent for a while, Du Guxie suddenly said, "I have seen it."

"It's just that this demon is not the old yin and yang demon." Duguxie said.

After Duguxie said so, the brothers in front of him suddenly wondered.

what?

"Not the yin and yang demon? Who could it be?"

"Yes, senior, who invited you here?" the brothers all looked at Duguxie questioningly.

Duguxie paused, then uttered a terrible name.

"Long Yin!"

When Du Guxie suddenly said the name, the brothers were completely stunned.

"what?"

"Long...Long Yin... isn't he dead? Didn't he and Brother Tian have been buried in the ruins of the old mansion of the Ouyang family? How...why...is he here?" The brothers in front of him were extremely I can't believe it.

Those eyes were full of doubts.

"Yeah, second brother... how could... be... that hateful guy?" Even the ghost servant felt a little weird.

After the brothers finished speaking, Du Guxie began to say: "In fact, when I first saw the evil thief surnamed Long, I couldn't believe it!"

"But in reality, he really is not dead! He is still alive!"

"It's just that his face seems to have been disfigured by the merciless fire... even there are burning scars on his arms..." Du Guxie said.

"He is now wearing a silver mask on his face, and his martial arts seems more terrifying than before! And he is staying with the old Yin and Yang demon now."

After Duguxie suddenly said that Long Yin, the brothers were stunned.

"How could this be?"

"That villain... unexpectedly... didn't die?"

The brothers muttered to themselves.

Tang Xiaolong clenched the fiery fist tightly on one side, and said with blood red angrily: "Fucking fuck, this bastard, I didn't expect to harm our little boss, and he is not dead!"

"Asshole thing! Must kill him and take revenge for Brother Tian." Xue Wuhen also said there.

The hatred in the hearts of the brothers was all at once aroused.

They hate, hate that Long Yin!

Because Long Yin killed Li Tian!

Long Yin is the real culprit!

But I didn't expect that the worst evil man was still alive so far.

"Second brother, did you see that evil thief? Why did he ask you to come here?" The ghost servant suddenly looked at Duguxie and asked.

At this moment, after hearing the ghost servant's voice, the brothers not only turned their heads to look at the Duguxie.

Because everyone of them knows that Long Yin's terrifying strength!

Now Long Yin can be described by the words "perverted"! Since he used the magic absorption technique to absorb the internal strength of several great masters, how terrifying has his internal strength reached? I'm afraid no one knows so far, but now he actually saw Duguxie? Why is Duguxie now safe and sound? And looking at Duguxie's appearance, it seemed that there was no war at all?

Could it be that the two met and didn't do anything? This makes the brothers very curious.

After the ghost servant in front of him asked, Du Guxie slowly said: "Yes, I did see the evil thief."

"Senior, didn't you do it?" Tang Xiaolong over there asked with a puzzled look.

As he asked, that Duguxie nodded slightly and said, "No!"

"He asked me to come here, not to do it with me."

When the brothers heard it, they were all puzzled.

"Then which villain wants to do?" The brothers continued to ask, wondering.

Duguxie said: "He asked me because he wanted something."

"thing?"

When I heard these two words, my brothers became even more puzzled. They all looked at me with a puzzled expression. You look at me, I look at you... Very surprised, no one knows what happened. .

"What is it? Senior." The brothers all asked in surprise, the ghost servant also blinked at that Duguxie with puzzled eyes.

I saw Duguxie coldly saying four words: "Tianshu Danjuan."

"Tianshu Danju?"

"The one with the surname Long wants to get the Heavenly Book Pill scroll among the ancient relics?" They were completely shocked there.

Just listen to the way of Chen Qiao here: "Senior, isn't the Heavenly Book Pill scroll always in Li Tian's hands? Why does the villain surnamed Long ask you for it?"

"Yes, the heavenly book pill scroll has been on the little boss's body." Tang Xiaolong also muttered there.

After they all asked in doubt, Duguxie said: "Maybe the person surnamed Long doesn't know this thing..."

When the brothers heard Duguxie say this, they all cried out. It turned out to be the case.

"The evil thief wanted the Heavenly Book Pill scroll, and also told me that if we give him the Heavenly Book Pill scroll, he will help us kill the old Yin and Yang demon." Du Guxie continued.
what?

"Long Yin wants to kill that old yin and yang demon?"

"Aren't they in the same group? How is it possible?"

"Yeah, when I was in the Ouyang family last time, these two demon heads were together. Would the surname Long really kill the old Yin and Yang demon?" The brothers all asked in surprise.

Duguxie did not answer their question, but said indifferently: "It doesn't matter if the surname Long really intends to do this... it has nothing to do with us."

"Because compared to the old yin and yang demon, this surnamed dragon is more hateful and more damn." An angry voice came out from Duguxie's mouth.

What he said was all right. Compared with the yin and yang demon, this Long Yin is indeed more cruel and more treacherous, because it was he who killed Li Tian and the eldest brother of the brothers in front of him, so he said, brothers. In fact, the person who hates most in my heart should be him.

"Senior Dugu said nothing wrong!"

"The dragon is the most damnable! The most hateful!"

Chapter 1564: pain

No one thought that this time the end of the Dangerous Contract War would be such an end.

Since Duguxie went to the Great Bell Temple on the outskirts of the city, Ouyang Zhengtian and the Situ family were extremely worried.

They don't know what happened to Duguxie? Is it dead or alive?

The only thing they knew was that the ghost servants and the brothers rushed over to help.

When it arrived more than 10 o'clock in the morning, Duguxie and all the brothers finally returned.

When they appeared in the Haocheng Hotel, Xu Fan, the thunderbolt in the lobby of the Haocheng Hotel, saw the brothers who had returned.

Right now he ran over excitedly.

"Senior Dugu...you can count as coming back!"

"Senior, how are you? Are you okay?" Xu Fan, the thunderbolt hand, looked at Dugu Xie there.

Duguxie's indifferent face showed a slight smile and said, "Thank you! I'm fine..."

"It's okay, it's okay... Patriarch Ouyang and the brothers are worried about it."

"Go, go, go, let's go upstairs."

Xu Fan, who was talking, took Duguxie and his brothers to the upstairs.

When I first arrived on the 8th floor, I heard the person in front yelling: "Senior Dugu is back safely... back..."

After hearing the sound, Ouyang Zhengtian ran out of the door first.

Then I saw that the Situ family also followed.

After they walked out, when they saw that Duguxie was really safe and sound, all their worries were relieved.

"It's safe to come back." They muttered softly there.

You must know that Duguxie is the strongest person in their alliance so far, and relying on him to be able to deal with the old yin and yang demon, if something happens to him, then the next thing will definitely be quite troublesome.

"How is it? See that demon?" Just listen to Ouyang Zhengtian asking over there.

Situ Xiong and Deng Lao, the old man holding a knife, also looked at Duguxie with confidence.

Because they saw Duguxie come back unscathed, secretly, that old yin and yang demon must have been defeated...so this society was looking at Duguxie excitedly.

But what about Duguxie?

But he shook his head slightly: "No!"

"The person who invited me this time is not the old demon of Yin and Yang."

When Duguxie suddenly said this, everyone standing in the corridor was stunned.

what?

They all said in shock.

Then Duguxie told all the things before and after, Ouyang Zhengtian and others in front of him, but Duguxie concealed the affairs of the Tianshu Danjuan.

"Long Yin?"

"Is that the despicable **** Long Yin?" Ouyang Zhengtian asked angrily after hearing Duguxie's words.

People from the Situ family over there have never heard of Long Yin...So at this moment, looking at this side in wonder, my heart is filled with that uncontrollable shadow saying: Who is Long Yin?

"How could he not die?"

"Isn't he dead? Didn't Li Tian die with him that day? Why is he still alive?" Like the brothers before, Ouyang Zhengtian seemed to be completely unable to accept this fact.

"He really is not dead!"

"As for how he survived, it's still unclear so far, but I know that the old yin and yang demon is with the surname Long now." Du Guxie said.

Originally, a yin and yang demon was enough for them to feel uncomfortable in front of them, but suddenly a terrifying Dragon Yin appeared? What should they do now?

Two months ago, when he was in the Ouyang family, Ouyang Zhengtian personally saw that Long Yin's terrifying power!

That terrible Kung Fu is definitely not inferior to the old Yin and Yang demon. If Long Yin joins forces with the old Yin and Yang demon again, I am afraid that even if they gather more people, they will not be able to resist the two demon.

After thinking this way in his mind, Ouyang Zhengtian was stunned.

He stood there blankly.

The others around are extremely puzzled, because these people are not very clear about the name of Long Yin, even the members of the Situ family are not very clear.

I saw Situ Xiong who was at this meeting and the Situ family members behind him, both staring at Duguxie and the ugly expression of Ouyang Zhengtian.

After thinking about it, Situ Xiong asked, "Brother Ouyang, who is the character of Long Yin that you just talked about? Is it amazing?"

Ouyang Zhengtian said with an ugly face: "Very powerful!"

"This Long Yin is a figure in the mysterious organization Hell Gate! Last time my family was murdered, this villain named Long was also there at the time." Ouyang Zhengtian said angrily.

When Ouyang Zhengtian said this, Situ Xiong let out a faint "Oh", and then he didn't ask too much.

"Since the evil thief surnamed Long did not die, did Li Tian also not die?" Suddenly a sentence came out of Ouyang Zhengtian's mouth.

When one of his words slammed out, the brothers' hearts instinctively shook.

When the word Li Tian was mentioned, their hearts hurt because they were all sad!

But sad, sad, what Ouyang Zhengtian said just now makes sense!

Since Li Tian jumped into the sea of flames with this Long Yin at the time, and died together, then Long Yin was not dead, what about Li Tian? Is he not dead either?

After he said these words, the brothers' hearts suddenly rose with an unprecedented great hope.

"Yeah, will Brother Tian be alive?" Xue Wuhen said with excitement in his eyes all of a sudden.

But Chen Qiaozhi over there said, "Hey, if Li Tian is alive, how could he not come to us?"

"Sick ghost, Nima, what do you mean, the little boss has no hope of alive?" Tang Xiaolong suddenly lost his temper to Chen Qiaozhi.

Chen Qiaozhi: "I didn't mean that, I just told the truth..."

"piss off!"

"I believe that if there is a miracle in this world, it must be a miracle done by our little boss!"

"Now that the **** is alive, our little boss must be alive too." Tang Xiaolong said with blood red under his eyes.

"I'm just analyzing... I didn't say that Li Tian will definitely die..." Chen Qiaozhi retorted.

Tang Xiaolong said: "I don't like to hear you say that anyway... The little boss must be alive..."

...

In this way, the brothers quarreled here.

Duguxie and the ghost servant stood there and did not speak.

They feel pain at this moment... They know what Chen Qiaozhi just said was the truth! If Li Tian is really alive, how could he not come to them? It's been so long, almost two months... I'm afraid Li Tian might really be dead! ! !

Ouyang Zhengtian watched the fierce quarrel between the brothers here, but did not interrupt!

He was also extremely sorry to Li Tian, because Li Tian died for their family back then. Thinking of this, Ouyang Zhengtian hated himself...

Chapter 1565: Swords drawn and devilish

In the end, the brothers got tired from the quarrel, and everyone felt extremely uncomfortable.

They each went back to the room and closed the door tightly, and stopped talking.

On the corridor full of grief, only the Situ family was still standing there.

Situ Xiong frowned slightly, and said to Deng Lao Dao who was holding a knife next to him, "Dong Deng, who is the man named Li Tian? Why do they care about him so much? And even Patriarch Ouyang himself seems to be very I care about that Li Tian."

Of course, Situ Xiong, who was in the northwest, did not know about Li Tian.

He didn't even know that his biological daughter and his biological son had a deep connection with Li Tian. This is something later.

At this moment, when Situ Xiong saw Duguxie ghost servant, Ouyang Zhengtian and other famous characters were sad about Li Tian's affairs, he couldn't help asking the old man holding a sword beside him in wonder.

After Situ Xiong asked, Mr. Deng, who was holding the knife, frowned and said, "This...the old man is not very clear."

"It should be a character who just came out..." Deng Lao said.

Situ Xiong thought for a while and muttered: Can a character who just came out attract the attention of so many characters? Even after death, it would cause such a sensation. It seems that this kid named Li Tian has a lot of background.

After Situ Xiong slightly said such a sentence, he did not speak any more, turned around and took his family back to the hotel room in front of him.

Besides, after that Long Yin revealed his true purpose, it turned out that what this treacherous fellow ultimately wanted was the Heavenly Book Pill scroll among the three ancient relics.

What will happen if he gets the Heavenly Book Pill scroll?

Everyone knows that there are three kinds of ancient relics!

The first one: Xuanyuanjian! Now fell in the mysterious gate of hell.

The second kind: the picture of the blazing phoenix, a mysterious picture that can predict the future. The current whereabouts is unknown. It has been rumored that it has also fallen into the hands of the gate of hell, but the evidence cannot be confirmed. There are also rumors that the picture of the blazing phoenix was acquired by the Pope of the Vatican. hand! When the Cthulhu was alive, he fought against the Pope of the Vatican. The Vatican dispatched the top ten cardinals under the Pope to fight against the Cthulhu. These ancient things have now been forgotten, but where is the picture of the Fiery Phoenix? puzzle! No one knows so far.

The third kind: The Heavenly Book Pill scroll, the most important divine book among the three ancient relics, has always been in Li Tian's body, but it is a pity that Long Yin didn't know it.

If these three ancient relics are gathered together, can they unlock the mystery of the ancient legend? Can you open the door to the restricted area on the top of the Tianshan Mountains? At present, this is just a legend... because no one has tried it, no one has succeeded!

But now, Long Yin most wanted to get the book of that day.

Having said that, that Long Yin is really despicable and treacherous, and he didn't think that for the sake of the book that day, he even dared to kill the old demon of Yin and Yang!

Is his skill now surpassing the yin and yang old demon who brutally cruel martial arts decades ago?

After Long Yin returned from the Great Bell Temple, he returned to the unknown room where he stayed with the old demon of Yin and Yang.

The place where they stayed is a dark and humid place. This place has no name and is sparsely populated. It is hard to imagine how these two monsters found such a ghost place?

After Long Yin stepped into this gloomy room for the first time, he saw the old Yin and Yang demon sitting cross-legged on the cold ground.

The old Demon Yin and Yang had long hair, dirty and smelly, almost like a beast, and his clothes all revealed the smell of corpse, and his face that was already scary was even more weird.

Sitting cross-legged at the moment, as if practicing some weird martial arts.

His beastly face turned red now...A white gas rose slowly above his head, as if a gas mask with a certain barrier was covering the whole body.

After Long Yin walked into the room and saw the old yin and yang demon, a slight smile appeared at the corner of his mouth, and then there was no sound, and he walked to the side by himself.

"Are you out?" Just after Long Yin had just walked into the room in front of him, the Yin-Yang Old Demon suddenly opened the pair of Jingyi eyes and looked at Long Yin in front of him.

Long Yin slowly turned around, and then said faintly: "En!"

"Where did you go?" Old Demon Yin Yang suddenly asked coldly.

Long Yin suddenly sneered and said: "What? Where do I go, do I have to tell you?"

Just after Long Yin said this, the old demon of Yin and Yang suddenly swept his entire body, like a realm of nothingness, directly standing up.

Those gloomy gazes exuding fiery beastly stared at Long Yin in front of him, and suddenly said with a strange smile: "Where you go does not matter to me... But if you want to play tricks in front of me, hehe... I promise to dig out your heart myself."

After Long Yin heard the yin and yang old demon say so cruelly, he laughed. ,

"Don't worry, old monster, don't forget, we are standing on the same front now,"

"In the future, you and I will join hands to deal with the master of the gate of hell, why would I play tricks behind you?" Long Yin said.

The old monster Yin and Yang stopped his sneer and said, "But, I'm always a little worried about you."

"A treacherous villain like you can inevitably make people a little worried sometimes... don't you think so?"

Long Yin smiled slightly and said: "Then you mean you are not ready to join forces with me?"

After Long Yin said such a sentence, his eyes stared at the Yin and Yang boss in front of him.

The two demon heads stared evilly at this moment, and both of them exuded a terrifying breath of suffocation.

The aura of the old monster of Yin and Yang, like the swallowing feeling of hell, is dark and terrifying, but what about Long Yin? The whole body was full of magical aura. This Long Yin who had absorbed the terrifying internal energy of several masters, now the internal energy of the body has long been abnormal... it is completely a wave of energy like the ocean.

At this moment, they are competing with deep inner strength.

The surrounding air seemed to be completely frozen. The flies buzzing in the dark and damp house suddenly stopped at this moment... and then all of a sudden fell to the ground and died, shocked to death by the energy. ...Even the broken windows around were shocked by the strong suffocation...

With a click, all the broken windows on both sides shattered!

What a powerful energy! What a great internal strength!

From the beginning to the end, neither of the two monsters moved, nor even blinked.

Because if anyone moves first, his weakness will be exposed.

Master duels often do not fight for kung fu, but for fleeting opportunities. At this moment, the two monsters are competing for opportunity.

Do not do it?

Chapter 1566: Send a message

Just as the two great monsters were about to fight, suddenly the swallowing breath of the old monster of Yin and Yang weakened slightly.

As his breath weakened, Long Yin slowly recovered the terrifying murderous aura that emerged from his body.

Haha!

The old yin and yang demon suddenly laughed wildly, and the strange laughter was as harsh as it sounds.

After the smirk, he gloomily looked at Long Yin in front of him and said: "Let's join hands, right? Why do we need to kill each other?"

"If we two were to kill each other, wouldn't it be done by fools?"

When Long Yin heard the Yin Yang boss say this, he smiled slightly: "Yes! We are really not stupid, we really shouldn't kill each other..."

"Hey, good point."

"Old monster, when do you want to kill the Ouyang family with Duguxie?" Long Yin asked suddenly.

The yin and yang boss showed a grimly white tooth, turned his head and looked outside and said, "Soon, soon..."

"Look, the blood rain is coming soon..."

The yin and yang old demon suddenly filled his eyes with fiery slaughter, and said, looking at the distant sky, from his fiery eyes, he saw endless killing and scarlet blood...

The whole ground was stained with blood, and all the corpses fell to the ground.

"Long Yin, you said, if one day, if one of us must die, then you think, we two, who will die in the hands of whose hands?" Old Monster Yin and Yang suddenly smiled and looked at the dragon before him. Yin Road.

After hearing the old Yin-Yang Demon say this, Long Yin suddenly raised his head to the sky and screamed, then turned and walked to the side, and said as he walked, "I will know then..."

After speaking, he laughed and left the room in front of him.

After that Long Yin left, the terrifying eyes of the Yin-Yang Demon in front of him narrowed slightly.

At this moment, those eyes full of endless murderous aura were full of fierce light, looking at the figure of Long Yin who was leaving, muttering in his mouth: This damn, I can't think that internal strength is so powerful...even my skills for decades Can't stop him! It seems that in my life of the old yin and yang demon, besides the master of the gate of hell, this **** surnamed dragon will be my second strong enemy! ! !

As the saying goes, one mountain cannot accommodate two tigers!

Now the two demon coexist, in the end, who will die? Who knows?

Binjiang City, Haocheng Hotel!

After a frightening battle for appointments in the morning, the current Duguxie, Ouyang Zhengtian and others finally settled down.

But they now have a new trouble, that is the living Long Yin!

The news that Long Yin was alive shocked and frightened all of them.

The strength of that demon is absolutely equal to that of the old yin and yang, and even more terrifying than that of the yin and yang... This time, how do people in their alliance deal with the two demon? At the moment, it seems to be an extremely difficult problem.

Whether it was Duguxie, Ouyang Zhengtian, or the Situ family, they all felt the danger.

At the Haocheng Hotel, it was about 1 o'clock at noon when someone suddenly came to visit Duguxie and Ouyang Zhengtian.

The person here is driving a domineering off-road Land Rover.

When someone parked the car downstairs in the Haocheng Hotel, Xu Fan, the thunderbolt guarding in the lobby, and a bunch of people under Wanghuo, noticed this person!

Because this Haocheng Hotel has been completely covered since the arrival of Ouyang Zhengtian and the others... To put it bluntly, at present, apart from the people of the Alliance, there will never be anyone else arriving here, but now Someone came unexpectedly, who was it?

Look carefully at the parking man, he is a fat man! And a fat man with a smile on his face.

His smile made people look very comfortable, and it was also very affectionate. His slightly squinted eyes walked towards the Haocheng Hotel with a friendly smile like that.

The thunderbolt Xu Fan and the 56 people behind him became cautious when they saw the smiling fat man walk in. After the tragic death of Zhang Biao last time, the current Haocheng Hotel has been heavily guarded...because they were afraid that the demon would come to kill again.

So at the moment when the smiling fat man walked up, Xu Fan, the thunderbolt hand, and the people behind him looked at the fat man very carefully.

"Hey, what's the matter?" At the moment the smiling fat man walked in, Xu Fan, the thunderbolt hand, asked coldly. The 56 people behind him were also coldly looking at the smiling fat man, as if face Normal to the enemy.

I saw that the smiling fat man heard the thunderbolt hand Xu Fan's words so coldly, he was not discouraged, but continued to walk over and smiled and said, "Hello, I'm here to send a message."

"Passing a message?"

Hearing this smiling fat man suddenly said this, Xu Fan, the thunderbolt hand, was suddenly lucky and coldly looked at the smiling fat man in front of him and said, "What's the message?"

The fat man then smiled and said, "My words were passed to Patriarch Ouyang and Senior Dugu."

Following the fat man's words, the thunderbolt Xu Fan immediately said angrily: "Evil thief, how do you know Senior Dugu and Patriarch Ouyang are here? Who are you?"

Just as the thunderbolt roared, the 56 people behind him immediately surrounded the smiling fat man, as if ready to fight the fat man in front of him at any time. The fat man, who didn't know anyone, said that he was looking for Patriarch Ouyang and Duguxie. Of course Xu Fan, the thunderboltist, doubted it.

But what about the fat guy who smiles here? Seeing the people in front of him suddenly surrounding him, and glaring at each other, he frowned slightly, and then slowly said: "It's true that you have a relationship with Patriarch Ouyang..."

Hearing this smiling fat man said so, Xu Fan, the thunderclap hand in front of him, was full of disbelief.

Angrily said: "Really?"

"Then tell me, who are you? Why do you know that Patriarch Ouyang and Senior Dugu are here?" Xu Fan asked.

After Xu Fan said this, the smiling fat man could only say: "My name is Laughing Buddha. I came here because of our son's order."

After the smiling fat man suddenly said his identity, Xu Fan, the thunderbolt hand, was stunned!

Smiling Buddha? Son?

Although the name of the smiling Buddha is not a particularly famous person, Xu Fan in front of him has heard of his name!

Because before that Ouyang Zhengtian had invited this person to the Alliance to help, but in the end the smiling Buddha did not agree! Therefore, Xu Fan, the thunderboltist, remembers this "Laughing Buddha" very clearly!

Chapter 1567: Ouyang Zhengtian arrived

After the smiling Buddha reported his own name, Xu Fan suddenly laughed.

"Oh, you are the Laughing Buddha..." Xu Fan said suddenly, while his contemptuous eyes looked at the Laughing Buddha with disdain.

The smiling Buddha did not care about the contemptuous eyes of Xu Fan, the thunderbolt hand, and still looked at him with a smile.

"I heard Patriarch Ouyang talk about you, and also said, for money, you followed a **** boy...Haha, it turns out that that person is you!" Xu Fan laughed and said with a mocking face. The color.

Previously, Ouyang Zhengtian asked this smiling Buddha to help, but it was a pity that the smiling Buddha had already followed Lord Vengeance at that time, so he rejected the original Ouyang Zhengtian! After seeing this smiling Buddha, Xu Fan, the thunderbolt player of this meeting, of course will hurt him severely!

When the smiling Buddha heard Xu Fan saying this to himself, he was neither angry nor irritated. He just continued with that **** smiling face and said, "Excuse me, can I see Patriarch Ouyang? I really want to go next. It's passed down."

After the smiling Buddha said so, Xu Fan said, "What's the matter?"

Smiling Buddha said: "I am inconvenient to say here."

"Is it?"

"Then trouble..."

"I ask you, isn't your **** in Jinghai City? Why did you suddenly arrive in Binjiang City?" Xu Fan asked immediately.

Smiling Buddha said: "You will know this then. Now, I just want to see Patriarch Ouyang..."

"I'm afraid Patriarch Ouyang doesn't have time to see an unrighteous person like you." Xu Fan said coldly.

"You..." No matter how good the smiling Buddha was, he couldn't help but feel slightly angry at this moment.

Xu Fan looked at the smiling Buddha in front of him with sarcasm, as if he would never let the smiling Buddha see Ouyang Zhengtian and the others.

"If your Excellency doesn't let me see Patriarch Ouyang, don't blame me for being impolite." The smiling Buddha suddenly said.

Then Xu Fan looked at the smiling Buddha and said, "What? Do you still want to force it? If you have the ability, you must try it."

"Okay! This is what you said."

As the smiling Buddha said this angrily, he saw him hit Xu Fan immediately.

Xu Fan is not a weak character either. He was known as a thunderbolt player back then. At this moment, he will definitely not be hit by the smiling Buddha so easily. As the smiling Buddha punches, Xu Fan stretches his right hand to block it, and then flies. Kick the laughing Buddha with one kick.

The smiling Buddha avoided his leg, then made a few more moves.

The thunderbolt hand Xu Fan dodged one by one. After doing so, Xu Fan suddenly made a mistake with his right hand, hitting the smiling Buddha's shoulder with his right hand, while his left hand grabbed the smiling Buddha's left shoulder.

The smiling Buddha's body backed slightly, and then his body moved forward with one knee hitting Xu Fan's abdomen.

Xu Fan pressed his hands forward, avoiding the blow of Smiling Buddha.

The fighting skills of the two are about the same. It seems that no one has the upper hand, and of course no one has fallen behind.

However, the little brothers around are surrounded there.

"Patriarch Ouyang...Patriarch Ouyang...someone broke in in the lobby...Now I have started fighting with Xu Fan." Suddenly, I saw a subordinate on the 8th floor of Haocheng Hotel and quickly went to talk to that Ouyang Zhengtian. The report said.

Ouyang Zhengtian was in the room discussing matters with Situ Xiong, and when he heard the people say so, he stood up immediately.

"Who? Who broke in?" Ouyang Zhengtian said with a shocked expression.

Situ Xiong also quickly stood up, and his face suddenly became ugly.

"That man is a fat man, I don't know him." The subordinate said.

"Fatty?" Ouyang Zhengtian and Situ Xiong were not only taken aback when they heard that the person who came in was fat.

It seems that the person who came here was not the yin and yang demon!

When he felt that it was not the yin and yang demon, Ouyang Zhengtian finally relaxed a little, so he hurriedly said: "Go, take me down and take a look."

The subordinate responded with a "Yes", and then hurriedly took Ouyang Zhengtian and Situ Xiong who was following him to the downstairs. The Situ family's knife-holding Deng Lao behind him was also all Followed.

As Ouyang Zhengtian and Situ Xiong rushed towards the lobby of the Haocheng Hotel, Xu Fan was fighting against the smiling Buddha.

The two are on the same level, and no one gets any advantage.

At the moment the two were fighting, Ouyang Zhengtian, Situ Xiong and others had already hurried down in the elevator.

"Patriarch Ouyang, there." The people under him pointed to the hall over there and said.

Ouyang Zhengtian then turned his head and saw that Xu Fan was fighting that person.

He fixed his eyes on the guy who fought with Xu Fan. He was a chubby man with very small eyes.

At the first glance of the fat man, Ouyang Zhengtian was shocked at him: Smiling Buddha? Three characters suddenly screamed out of his mouth.

When Situ Xiong and other people next to him heard Ouyang Zhengtian say this, they not only frowned, but also secretly said: Who is the smiling Buddha?

At this moment, Ouyang Zhengtian had already walked over quickly.

"Stop it." A word suddenly came out of Ouyang Zhengtian who came over.

After Ouyang Zhengtian suddenly exited, Xu Fan, who was fighting with the Smiling Buddha, suddenly stopped, and of course the Smiling Buddha stopped.

At this moment, he turned his head and saw that Ouyang Zhengtian.

"Patriarch Ouyang, here you are, this shameless guy... actually broke into our hotel and said he wanted to see you." Xu Fan over there said angrily.

And the smiling Buddha? I also saw Ouyang Zhengtian at this moment, and when he saw Ouyang Zhengtian finally showing up, he suddenly smiled.

"Patriarch Ouyang, don't come here unharmed." Smiling Buddha said while smiling.

When Ouyang Zhengtian was convinced that the guy in front of him was indeed the smiling Buddha, he was not only taken aback.

"Laughing Buddha? Why did you come here?" Ouyang Zhengtian looked at the smiling Buddha in surprise and asked.

But when I saw that smiling Buddha said, "I am coming down here because I have something to pass on to Patriarch Ouyang, and there is a senior figure named Duguxie."

When Ouyang Zhengtian heard the smiling Buddha suddenly say this, he became more and more puzzled.

"You mean, you came here to spread the word?" Ouyang Zhengtian asked, blinking.

Smiling Buddha smiled and nodded there.

"Yes, Patriarch, I took the order of our son, so I came here to pass a message to you and there is another lonely senior." Smiling Buddha continued.

When Ouyang Zhengtian heard this, his brow furrowed and said, "The son?"

"Could it be that... what was the name of the previous... Prince Vengeance?" Ouyang Zhengtian felt more and more surprised.

I saw the smiling Buddha and said, "Yes, it was our son's order when I came down here."

Chapter 1568: Refuse

When Laughing Buddha said this, Xu Fan next to him said angrily: "Patriarch Ouyang, this person is unrighteous... Never believe it! Your Ouyang family had helped him before, but this person didn't know what kind of gratitude he would repay. Appearing here rashly... Patriarch Ouyang, let him go."

Xu Fan didn't seem to have much favor with this smiling Buddha.

However, Ouyang Zhengtian slightly waved his hand at Xu Fan, and then looked at the smiling Buddha and said, "You said you were sent by Lord Vengeance's order?"

"En." Smiling Buddha said.

"But, as far as I know, I have nothing to do with your revenge son... and I heard that he was not in Jinghai City before? How come I suddenly came to Binjiang City and found it so quickly Us?" Ouyang Zhengtian asked suspiciously.

After Ouyang Zhengtian said this, the smiling Buddha in front of him smiled and said, "Patriarch Ouyang, although you have never met our son, our son knows your name..."

"As for why our son came to Binjiang City, I'm sorry, even I don't even know this." Smiling Buddha said.

Hearing what the smiling Buddha said, Ouyang Zhengtian was not only puzzled: "Oh? Then what is he going to send me?"

The smiling Buddha said: "In fact, this is the case. Our son has just arrived in Binjiang City... Therefore, I set up a banquet in Cuiweiju. I want to entertain you and Senior Duke.

"Feast? A banquet?" Ouyang Zhengtian not only laughed when the smiling Buddha suddenly said this.

"I'm sorry...I am not familiar with him, so there is no need to go to the banquet." Ouyang Zhengtian immediately refused.

Hearing Ouyang Zhengtian's decisive refusal, the smiling Buddha thought for a while and said: "Patriarch Ouyang, in fact, our son invited you to a banquet to discuss important matters with you."

"Important things?"

"Sorry, I don't seem to be very interested in your man named Revenge..." Ouyang Zhengtian said.

"Excuse me, please go back and tell the man named Revenge... Just say, Ouyang Zhengtian doesn't like drinking with strangers."

The refusal again made the smiling Buddha in front of him depressed.

It seems that he couldn't invite that Ouyang Zhengtian and others today.

"Laughing Buddha, if there is nothing wrong, please go back."

"Oh, by the way, thank you for my revenge son...Thank you for his kindness," Ouyang Zhengtian said as he turned and left.

"Patriarch Ouyang..." The smiling Buddha seemed to want to say, but that Ouyang Zhengtian had already turned around and was about to leave.

He glanced at the back of Ouyang Zhengtian, standing there speechlessly.

Seeing that Ouyang Zhengtian was about to leave, the smiling Buddha in front of him suddenly said: "Patriarch Ouyang, I laughed at someone and I really can't help you...but there is something unspeakable underneath. I hope that I can repay you Ouyang family if I have the opportunity , Besides, our son indeed has something important to discuss with you... I hope the Ouyang family can give too much consideration... to the party."

Laughing Buddha had previously been favored by Ouyang's father, so he has always owed the Ouyang family. The reason why Ouyang Zhengtian wanted this person to come to the alliance last time was because he had some relationship with the Ouyang family, but at the beginning The smiling Buddha directly rejected Ouyang Zhengtian's invitation, so in this matter, the smiling Buddha has always been ashamed of Ouyang Zhengtian.

Ouyang Zhengtian looked very big, turned his head and smiled and said, "It's okay..."

"Please go back."

After Ouyang Zhengtian finished speaking, he turned around and left.

Although the smiling Buddha brought all the content of the words of Lord Vengeance, Ouyang Zhengtian did not agree to go to the banquet.

After returning to the room on the 8th floor, Xu Fan, the thunderbolt hand, burst into fire.

He hated the kind of unrighteous people most in his life, and hated the smiling Buddha even more.

At this moment, he followed Ouyang Zhengtian and said: "Patriarch Ouyang, the smiling Buddha just now is clearly a powerful villain... Why should I talk to him about his affection? In my opinion, it is better to teach him such a A meal of conscience is good."

Hearing what Xu Fan said, Ouyang Zhengtian smiled and said, "Brother Xu, don't be angry."

"For now, we still have to focus on big things...As for these things, let him go for the time being."

"Furthermore, he didn't help me at the beginning, and I didn't resent him. After all, people have their own ideas." Ouyang Zhengtian said slightly.

Then Xu Fan heard Ouyang Zhengtian say this, although he was still angry, he couldn't help but sigh in the end.

On the other hand, Situ Xiong walked over slightly.

"Brother Ouyang, who was that person just now?" Situ Xiong didn't know the origin of the smiling Buddha, so he asked in surprise.

Ouyang Zhengtian smiled and said, "This person is someone I knew... a few years ago, he had a little relationship with my family."

"Oh, I see."

"If I heard the words correctly, the person said, what kind of subordinate of Lord Vengeance is he?" Situ Xiong said suddenly.

Ouyang Zhengtian nodded silently and said, "En!"

"Actually, a month ago, I invited him just now to help me deal with the old yin and yang demon... It's a pity that he finally chose to follow the character who was called... Vengeful Lord." Ouyang Righteousness.

"Oh!"

"Prince Revenge? Is it the rich man who is said to be rich in Jinghai City?" Situ Xiong asked curiously.

Ouyang Zhengtian looked at Situ Xiong and said, "Brother Situ, have you heard of this person?"

Situ Xiong smiled slightly and said, "I have heard a little bit..."

"I was in Jinghai City before I arrived here before. When I was there, I heard about this rich young master... and also heard a lot of funny things about him." Situ Xiong in front of him said and smiled. With.

Yes, Lord Vengeance did do a lot of sensational and funny things in Jinghai City!

For example, spending a million to buy a pair of female star underwear, for example, spending a lot of money in the night market...So Situ Xiong at that time also heard a little about this revenge boy.

Then Ouyang Zhengtian said: "I guess that Lord Vengeance is also a prodigal type who has money and throws away..."

"Maybe," Situ Xiong said slightly.

"It's just that, how could this prodigal son come to Binjiang City for no reason, and find us here? Brother Ouyang, have you had contact with this revenge son before?" Situ Xiong suddenly continued to ask.

When Ouyang Zhengtian heard this, he said: "I have never known any Vengeful Lord..."

"This guy seemed to pop up suddenly more than a month ago." Ouyang Zhengtian said depressed.

Situ Xiong wondered: "Hey, that's weird, then why did he look for you? And he came to the Binjiang City in front of him specifically?"

Listening to what Situ Xiong said, to be honest, Ouyang Zhengtian in front of him was also puzzled! He doesn't know either!

"Presumably no one knows this." Ouyang Zhengtian said.

Chapter 1569: doubt

Situ Xiong blinked his sharp eyes, and said, "Patriarch Ouyang, I personally feel that the revenge boy seems a bit weird..."

"eccentric?"

"Brother Situ mean?" Hearing what Situ Xiong said before him, Ouyang Zhengtian quickly looked at him in surprise.

Just listen to Situ Xiong said: "This person can be so famous in a short time, and now he has come to Binjiang City inexplicably...He even knows the addresses of you and me. Isn't that strange? Patriarch Ouyang, think about it, if he was just an ordinary prodigal son, how could he find us? Moreover, even if he admires your Ouyang family's reputation, he can't find us in Binjiang City? Now he has just arrived in Binjiang. The city, sent someone to find us... I guess, this person must have known our whereabouts a long time ago."

Under Situ Xiong's analysis, Ouyang Zhengtian frowned deeply.

He suddenly felt that what Situ Xiong said was very reasonable!

Because although their residence in the Haocheng Hotel in Binjiang City is not very hidden, it is true that not many people know it. How did the Vengeful Prince know?

Ouyang Zhengtian was a little depressed after thinking about it.

"It seems that I have to find someone to investigate this revenge man." Ouyang Zhengtian said suddenly.

Situ Xiong said on the side, "That's fine too!"

"It's best to find out what the origin of this guy named Revenge is..." Situ Xiong said.

"By the way, I suddenly remembered something." Ouyang Zhengtian said suddenly.

Situ Xiong was taken aback, and said, "What's the matter?"

"Remember the words of the smiling Buddha just now? He said...that their revenge son wants to entertain me and Senior Duguxie?" Ouyang Zhengtian said suddenly.

Situ Xiong didn't understand what Ouyang Zhengtian's words meant, and frowned, "What's wrong with this?"

"Brother Situ, I suddenly felt that something wrong with the Vengeful Young Master!"

"Except for the older generation of people in the rivers and lakes, Duguxie's name has been heard... Few people now know the prestige of his evil sword... But how could that guy named Lord Vengeance find Senior Dugu by name? "

Situ Xiong was taken aback when he heard it: "What you said is indeed very reasonable!"

"Could it be that Lord Revenge is also a figure on the Tao! Or, what is his connection with that Duguxie?" Situ Xiong said.

Ouyang Zhengtian bored his head and thought for a while, and then suddenly stood up and said: "It seems that this matter has to be inquired about Duguxie before I know it."

Situ Xiong nodded slightly!

The current Ouyang Zhengtian, Situ Xiong and others finally discovered something wrong with the man named Revenge!

The "Prince Revenge" who was famous overnight in Jinghai City and quickly made the headlines of major media across the country has now attracted the extreme suspicion of Ouyang Zhengtian and others!

Now Ouyang Zhengtian left his room and walked directly towards Duguxie and the brothers' room, because he wanted to ask about these things, and he had to tell Duguxie all the things just now. Et al.

After Ouyang Zhengtian came to the brothers' room, he saw that the brothers and Duguxie happened to all stay in the room.

The Duguxie and others upstairs did not know about the smiling Buddha just now.

At this moment, after seeing Ouyang Zhengtian suddenly coming, the brothers were all looking at Ouyang Zhengtian in front of them.

Ouyang Zhengtian also straightforwardly said: "Senior Dugu, there is something, I want to ask you."

"Let's talk." Duguxie said coldly with her back to him.

Ouyang Zhengtian has long been accustomed to Duguxie's icy tone, but he didn't mind, and said faintly, "Does Dugu Senior have an impression of that guy named Vengeance Lord?"

Lord Revenge?

After Ouyang Zhengtian suddenly uttered the words Revenge, Tang Xiaolong and Xue Wuhen were all taken aback.

what?

"Prince Revenge? It's the rich and rich young master who is second-hand?" Tang Xiaolong said in a vulgar way.

"Yeah, could it be the former prodigal son who was famous on TV?" Xue Wuhen also said in surprise.

The rest of the brothers also looked at Ouyang Zhengtian in front of him with a face of wonder, and they couldn't help but lining up in their hearts: What happened to Ouyang Zhengtian? Why did you suddenly mention the bad thing about Lord Vengeance to Senior Dugu today?

To be honest, in the impression of my brothers, the one called Lord Vengeance is not so good!

In the minds of the brothers, the revenge boy is a typical: fool type... and he is a rich fool! A prodigal gadget that can be burned with more money.

"Ask what he did?" The indifferent Duguxie suddenly spit out a few words, and turned around directly, looking at Ouyang Zhengtian in front of him.

Following Duguxie's words, the brothers in front of him also said: "Yes, Patriarch Ouyang, what do you ask the second-hand man?"

After the brothers said this, Ouyang Zhengtian smiled awkwardly and said: "It's not a lie, just now, something happened downstairs..."

So Ouyang Zhengtian told the Duguxie and brothers in front of him about the smiley Buddha invited to the banquet.

The brothers were all shocked immediately after hearing what he said.

what?

"No... Patriarch Ouyang, do you mean that the second man arrived in Binjiang City?"

"And also to invite Senior Dugu to a banquet?"

"Yes, what's the situation?"

The brothers in front of me were all puzzled.

Even Duguxie was slightly stunned, raising his eyes to look at Ouyang Zhengtian in front of him.

I saw Ouyang Zhengtian nodded silently: "Well, what everyone said is right. Just now, it was indeed the Lord Vengeance who sent someone here, saying that he would invite Senior Dugu to join me to a dinner at Cuiweiju... and he said yes. Discuss the matter with us."

"Your mother? Who knows him?"

"Why did the second-hand man suddenly remember to invite Senior Dugu?" The brothers were all stunned.

Ouyang Zhengtian said: "This is really unclear so far..."

"For this matter, I also feel very strange, so I came here for the first time to tell Senior Dugu."

After Ouyang Zhengtian said this, Duguxie frowned deeply.

During this time, he had also heard of the absurd deeds of the revenge boy.

But I didn't expect that such an inconspicuous figure would suddenly come to Binjiang City? Moreover, I came to invite the Duguxie in front of me as well as Ouyang Zhengtian and others...

Chapter 1570: Shock

"Weird, really weird... I didn't expect the second-hand man to be here." Tang Xiaolong muttered there.

The brothers were all surprised at this time.

"Senior Dugu, I think the guy named Revenge is a bit weird. When he sent someone here, he bluntly reported your name." Ouyang Zhengtian suddenly said again.

Listening to what he said, Duguxie's face darkened slightly.

"How does he know that I am here?" Du Guxie suddenly asked in a cold voice.

Ouyang Zhengtian in front of him shook his head depressedly, and said, "This is also the strange thing..."

"To be honest, I am a little suspicious of the Vengeful Prince." Ouyang Zhengtian said.

Duguxie sat quietly with a cold face.

The brothers in front of you are talking about it! They didn't expect that the son who was previously reduced to a joke would suddenly pop up in Binjiang City... and would like to contact them directly? What the **** did the revenge boy do? Is he really just a prodigal rich brother?

"An unknown person suddenly came here... it is indeed a bit weird." The Duguxie in front of him suddenly muttered there alone.

Tang Xiaolong said: "I wiped it, did that foolish boy admire Senior Dugu... That's why he did this."

"Xiaolong, don't talk nonsense." The ghost servant glared at Tang Xiaolong.

So Tang Xiaolong quickly closed his mouth and stopped talking.

At this moment, Ouyang Zhengtian looked at the Duguxie in front of him and said: "Senior Dugu, now that Lord Vengeance wants to invite you to Cuiweiju for a banquet... and also said that there are important things to discuss... what do you mean?"

Listening to Ouyang Zhengtian saying this, Duguxie in front of him did not answer this sentence, but the whole person was silent.

"When you go to the banquet, go to the banquet... Grandma's bear, just go and see what kind of virtue the second-hand man has... Haha." Tang Xiaolong said.

As soon as the words were spoken, the ghost servant beside him grabbed his arm and shook his arm fiercely with inner strength. Tang Xiaolong grinned at his painful mouth, and quickly backed away, never daring to speak too much.

Duguxie, who was silent for a while, suddenly raised his eyes and looked at Ouyang Zhengtian in front of him: "What about you? What do you think?"

Following Duguxie's words, Ouyang Zhengtian thought for a while and said: "I think, since the Vengeful Prince invited us, we should take a look...see what he wants to discuss...even if he wants What tricks we do, then we are not afraid of him!"

After Ouyang Zhengtian said so, Du Guxie thought for a while and said, "Okay!"

After Duguxie said "OK", then Ouyang Zhengtian not only smiled.

"Then it's settled."

After Ouyang Zhengtian finished speaking, he left the brothers' room in front of him.

After he left, the ghost servant hurriedly said to Duguxie: "Second brother, are you really planning to go to the banquet of the revenge son?"

As the ghost servant asked, Du Guxie nodded indifferently.

"However, we are not very clear about that Revenge Prince..." Ghost Servant said.

Chen Qiaozhi over there also said, "Didn't the Vengeful Prince always be in Jinghai City? How could he suddenly arrive here... and also called Senior Dugu to go to a banquet...?"

"Isn't this Vengeful Young Master always saying that he is a prodigal? How could he suddenly get involved in the affairs of the rivers and lakes?"

With all the questions raised by the brothers, I saw Duguxie said indifferently: "When the time comes, I will naturally know when I see him."

After Duguxie made this decision, it was not easy for the brothers to say more.

They were just curious, how could the vengeful boy who looked to them like a fool suddenly come up with such a trick? what does it mean?

in the afternoon!

A member of the Ouyang family sent to investigate the news returned to the hotel.

"Patriarch, we have all found out about the latest news about the revenge boy." After arriving at the hotel, the subordinate said to Ouyang Zhengtian.

Originally, since the Laughing Face Buddha came, Ouyang Zhengtian became more and more suspicious of Lord Vengeance, so he immediately sent someone to investigate all traces of the Lord Vengeance in the near time.

When Ouyang Zhengtian heard his subordinates say this, he quickly asked: "Say..."

The man held a document file in his hand, quickly flipped it through, and then read, "Prince Revenge, he became famous overnight from Jinghai City a month ago and was hailed as the richest prodigal son. Then he started to go around. Spending money...The biggest sum of money spent was spending one night in a high-end nightclub, and there were also some beauty contests, using the money to hire the most beautiful girl to be his servant..."

Listening to the subordinate in front of him, Ouyang Zhengtian couldn't help frowning.

After finishing the information on the page before him, the subordinate began to turn to the second page and continued: "Since the vengeance of the son became famous, he has begun to march into the underworld of Jinghai City."

"What?" Ouyang Zhengtian was taken aback when he heard the subordinates in front of him say so.

"Is he involved in Jinghai City Road?" Ouyang Zhengtian asked quickly.

The subordinate nodded and said: "On July 23, Lord Vengeance gathered the axe gang in Jinghai City... On July 25, he successively accepted He Laoliu's casino and all the sites under it... During that time, He Laoliu died tragically. The cause of the tragic death is currently unknown! The boss of the Axe Gang is currently following the Lord Vengeance, becoming his capable subordinate... And also the city elder Zhai in the surrounding area of Jinghai has also been brought under the banner of the Lord Vengeance... It can be said that in a short time In less than 15 days, that Lord Vengeance had successively conquered Jinghai City and all the underworld forces around it!"

As the subordinate continued to tell all the recent majestic deeds of Lord Vengeance, the genius Ouyang Zheng was completely shocked there.

In those eyes, I couldn't believe it.

"Axe Gang? He Lao Liu? And the surnamed Zhai are all with this revenge son?" Ouyang Zhengtian said silently.

The Axe Gang in Jinghai City, He Laoliu, and the surnamed Zhai who is near the city, which of these characters is not clear to Ouyang Zhengtian?

We must know that the previous Ouyang family was in the famous side of Jinghai City, how could they not know these surrounding underworlds?

Although these underworld forces are not as powerful as the four big families, nor as powerful as famous figures in the world, their strength is definitely not small, especially the axe gang, when they were in Jinghai City, they were huge in number. ! And that Laoliu He... is in charge of the underground bank and casino business. He is treacherous and insidious. These people, if you can't wait for the elegant hall, it is indeed the truth, but a person can be in such a short time. All these black forces were gathered in just half a month... Is that too exaggerated? So Ouyang Zhengtian in front of him was completely stunned.
