

## A Killer 1571

Chapter 1571: Messed up

"Patriarch, for now, we have found these news." The subordinate in front of him closed the information in his hand and said there.

Hearing what the subordinates in front of him said, Ouyang Zhengtian stayed for a while and suddenly asked, "What about his family information? What does he look like? What is his real name?"

"The name is unknown, the face is unknown, so far no media has disclosed the true face of the Vengeful Prince." The subordinate said.

what?

When he heard his subordinates say this, Ouyang Zhengtian became even more puzzled.

"Such a mystery?"

"Unexpectedly, not many people know the true face of the Vengeful Lord?"

Thinking of this, Ouyang Zhengtian in front of him felt more and more wrong!

It seems that the revenge boy is indeed getting more and more weird.

Ouyang Zhengtian frowned and sat alone in the room without knowing what he was thinking.

While Ouyang Zhengtian was frowning about the matter of the revenge son, suddenly the door of the room was gently pushed open at this time, and after pushing it open, only the beautiful Ouyang Shiqing came out.

Ouyang Shiqing is obviously thinner, and her exquisitely beautiful face is also a little yellow.

After walking in, he called out: "Dad."

Only then did Ouyang Zhengtian woke up from his contemplation.

"Poetry, why are you here?"

"Dad, Grandpa's condition has stabilized..." A word suddenly came out of Ouyang Shiqing's mouth.

"Really?" Ouyang Zhengtian said with excitement.

But seeing Ouyang Shiqing said: "Well, just now I called from the North China Field Army, and they told me that Grandpa has been stable now... It's just that Grandpa misses you!"

When Ouyang Shiqing said this, Ouyang Zhengtian's eyes suddenly became red!

There was a battle in the Ouyang family. Three of his four sons died. Now only Ouyang Zhengtian is left. The old man is now awake from his madness. Of course, the first person he wants to see is his son.

"I will go back to see my father tomorrow!" Suddenly Ouyang Zhengtian wiped his red eyes and said.

Ouyang Shiqing stood on the side looking at his father and said, "Dad, I will go with you."

Ouyang Zhengtian nodded.

"Your grandfather is old... Hey, this time I have suffered such a severe blow. I am not filial to be a son!" Ouyang Zhengtian said guiltily.

Ouyang Shiqing comforted: "Dad, don't say that!"

"You have done enough for our family!"

"Do not!"

"Your dad didn't do enough... Now your grandfather is like that, and our family is ruined... And your stupid brother... Now I don't even know where he is... I... I am ashamed of Ouyang Family ancestors." Ouyang Zhengtian was full of guilt.

"Dad!" Ouyang Shiqing couldn't help crying finally.

Only their father and daughter can deeply understand the pain in this tragic scene.

In Binjiang City, there is a classic Chinese-style VIP hotel on South Binhai Road.

The name is very elegant, called: Cuiweiju!

Although the area of Cuiweiju is not huge, it is not small.

The courtyard of the old mansion reveals a feeling of being in the world. This Cuiwei residence has business hotels, resort hotels, and banquet contracting places.

The waiters and staff inside are all dressed in standard Tang suits, which look like they have returned to the feeling they felt hundreds of years ago, giving people a unique charm.

But at this moment, there are indeed a row of people standing in the huge courtyard of Cuiweiju's business hotel.

A row of people in upright suits.

I looked inside again, but saw a tall figure coming out from inside. The man was also wearing a black suit, but the suit looked awkward when worn on him, and there was a kind of nondescript feeling.

Especially the tie tied around his neck made him feel unusually awkward. At this moment, he was pulling the tie inside his neck with one hand while walking towards the brothers standing guard outside.

"Boss Jiang." A brother standing guard outside suddenly shouted.

It turns out that this person is the boss of the axe gang who followed Li Tian, Jiang Dashan, no wonder he was awkward in a suit. In the past, Jiang Dashan was dressed casually, but since following the Vengeance, the Vengeance does not allow them to wear nondescript. Moreover, he strictly ordered the Axe Gang's men to never do evil, and whoever does it will die!

So even Jiang Dashan himself wore a suit at this meeting, but he was really awkward!

At this moment, when he heard his subordinates shout, Jiang Dashan's impatient mouth greeted him, and then said to his subordinates beside him: "Smelly boy, is there any smoke on him?"

The subordinates beside him smiled and said: "Yes, there are!"

Then he took out a box of cigarettes from his arms, took one out of it and handed it to Jiang Dashan.

"Boss, what the \*\*\*\* did our son come to Binjiang City for?" The guy handing cigarettes suddenly squinted and asked.

Jiang Dashan took the cigarette and went up to rescue him and glared at the hand: "Don't ask your \*\*\*\* foolishly... Tell you, our son is the most taboo of this, you guys can remember it for me, you should never ask about things in the future. His mother held it back for Lao Tzu, and was not allowed to ask, you know,?"

The subordinate quickly said: "Yes, yes!"

"Also, you all listen to me, there is absolutely nothing wrong with following the son!"

"Our son, you can also see that the skill is awesome... Besides, I think our son is enough for a man and a \*\*\*\* man... This is the kind of person I admire the most in Jiang Dashan's life, so this Boss, I have decided... if you guys want to follow Lao Tzu to enjoy the blessing, let me follow our young master honestly, have you heard?"

"Of course, of course..." The subordinate said with a smile.

Jiang Dashan took a cigarette, as if feeling satisfied, grinned and smiled with his yellow teeth.

While Jiang Dashan was smoking a cigarette while leaning against the courtyard of this business hotel, at this moment, the smiling Buddha came back from the outside.

"Father, you are back." Jiang Dashan said after seeing the smiling Buddha in front of him when he came back.

Smiling Buddha's face seemed unpleasant and glanced at Jiang Dashan without speaking, and walked straight into it.

"Father, what's wrong, look upset? Did that \*\*\*\* make you unhappy about Lord Buddha? Tell my brother, I killed him..." Jiang Dashan continued grinning there.

The smiling Buddha whited Jiang Dashan and said, "Stop making trouble, it's business!"

Hearing what the smiling Buddha said, Jiang Dashan quickly dared not joking with interest.

Tao said: "What's wrong?"

"Hey, I messed up what the son gave me." The smiling Buddha said.

Chapter 1572: Nice guy

"Ah? What's the matter? Could it be that you didn't invite anyone there just now?" Jiang Dashan blinked his eyes and asked.

It seems that Jiang Dashan also knows that the smiling Buddha would invite Duguxie and Ouyang Zhengtian.

Smiling Buddha nodded depressed and said, "Yes."

"It's okay, I believe the son should be understandable." Jiang Dashan comforted the smiling Buddha in front of him.

The smiling Buddha didn't speak, squinting his eyes and thinking about his thoughts.

After a while, he stared at the boss Jiang in front of him and said, "Boss Jiang, do you think our son is terrible?" Suddenly the smiling Buddha asked a weird word.

When Jiang Dashan heard this, he was taken aback: "Father, what do you mean?"

"It's nothing...I just feel that I'm a little scared of our son." The smiling Buddha said with a awkward smile.

Then Jiang Dashan seemed surprised when he heard the smiling Buddha say this, and looked at the smiling Buddha and said, "No? Even you are afraid of our son?"

Smiling Buddha nodded.

Jiang Dashan said: "It's true that I'm \*\*\*\*\* afraid...hehe, but our son is a good person! Right?"

Smiling Buddha said: "This sentence is pretty good!"

After Laughing Buddha finished speaking, his eyes narrowed.

"Let me tell you the truth, although our son spent so much money in Jinghai City before, others may think he is a \*\*\*\*\* or something, but do you know that son he gave to Jinghai City Welfare Institute and paid Are there any homes for disabled children, and how much did the Cross Society donate?" The smiling Buddha suddenly said.

Jiang Dashan widened those bull eyes and shook his head, and said, "I don't know."

"This is the number." The smiling Buddha in front of him stretched out his five fingers and said.

Jiang Dashan said: "Five thousand?"

"Five your sister... five million!" said the smiling Buddha.

what?

Jiang Dashan screamed out suddenly.

"What's your name....."

"My grass, our son is really rich." Jiang Dashan said enviously.

The smiling Buddha in front of him said: "What I told you, don't tell others, no one but me knows about these things our son is doing..."

"Oh! I see." Jiang Dashan said with a grin.

"Hey, I didn't expect our son to do so many good deeds secretly." Jiang Dashan muttered.

The smiling Buddha said: "That is!"

"Compared to some so-called charity organizations and some high-sounding guys, our son is much better than those people..."

"Yes, our son is indeed a good person." Jiang Dashan said with emotion.

Laughing Buddha raised his eyes and looked into the distance and said, "I have been doing nothing in my last life, and I finally found a master who can follow me with peace of mind in the next half of my life... Hey, it seems that my Laughing Buddha is not in vain. "

Jiang Dashan followed in embarrassment.

Finally, the smiling Buddha who had been chatting for a while was going to announce the matter to Lord Vengeance.

At this time, one person arrived at the business hotel.

At this moment, the entire business hotel has been fully covered by Lord Revenge...

After walking into the classical courtyard, the Smiling Buddha walked straight to a very elegant room over there.

After arriving at the door of the room, the smiling Buddha knocked on the door respectfully.

From inside came the voice of Prince Vengeance: "Come in."

The smiling Buddha opened the door and walked in slowly.

"My son, I'm back." Smiling Buddha said after he walked in.

The Vengeful young man inside was holding a handful of old books exuding ancient flavors in his hand and was watching... Prince Vengeance slightly put the "ancient book" in his hand away, then put it aside steadily, looked at the smiling face and said, "How is it?"

"My son, I'm sorry, I broke things up." The smiling Buddha suddenly said.

Listening to Laughing Buddha's words, the Vengeful Prince in front of him didn't seem to show a special expression, just a simple "Oh" in his mouth.

Hearing that the son in front of him was so calm, it made the smiling Buddha very puzzled. Hey, is the son not angry?

"My son... are you not angry?" The smiling Buddha in front of him asked in surprise.

The Vengeful Prince laughed haha.

"Why should I be angry."

"I was a stranger, I went to invite them, and they are in an extraordinary period now, so it is reasonable not to agree to the appointment." The Vengeful Master said slightly.

Listening to the Lord Vengeance in front of him say this, the smiling Buddha can finally let out a sigh of relief.

"But I believe they should doubt it." The Vengeful Master said suddenly.

Smiling Buddha didn't know what the words of Lord Vengeance meant, frowned and didn't dare to speak too much.

"Forget it, you go out first." Prince Vengeance said finally there.

Hearing Prince Vengeance said this, the smiling Buddha in front of him nodded there, arched and walked out.

After the Laughing Buddha left, the Vengeful Prince in front of him blinked his Jingyi eyes slightly, thinking about the matter.

His eyes were convoluted and blurred, and no one knew what he was thinking at the moment.

"Second brother, are we really going to attend the banquet of the Vengeful Lord?" In the Haocheng Hotel, the ghost servant looked at Duguxie in surprise and asked.

The brothers around him also all looked at Duguxie.

"Go." Duguxie just said a word.

"But, second brother, what on earth does that revenge son do, we don't even know..."

"Furthermore, I heard from Patriarch Ouyang saying that Lord Vengeance seems to have a name... less than half a month's time to regain Jinghai City and the surrounding underworld sites... So I personally think that Lord Vengeance is not a good thing. The ghost servant continued.

The brothers in front of me also said: "Yes, Senior Dugu, that son of bird is definitely not good-hearted... I don't think we need the person of bird."

But no matter how the brothers persuaded them, Du Guxie ignored them.

Duguxie's temper is that as long as he recognizes things, even if others say it, he will not repent.

In this way, it is necessary for him to go to the banquet of Lord Vengeance tomorrow.

Ouyang Zhengtian returned to the North China Field Army with Ouyang Shiqing!

Because the old man Ouyang just woke up mad and sober, and now wants to see his son... So Ouyang Zhengtian must return to the North China Field Army! Originally, Ouyang Zhengtian planned to go to Cuiweiju with Du Guxie and the others, to the banquet of Lord Revenge, but there was no way, just because things were delayed...

Therefore, now only Duguxie personally took the brothers to prepare to go to the banquet of Lord Vengeance.

Chapter 1573: Trailing

The banquet place of Lord Vengeance is a place called Cuiweiju.

It takes about half an hour to drive from the Haocheng Hotel in front of you.

Early the next morning, I saw Duguxie and the brothers getting in the car, preparing to go to the banquet of the Vengeful Lord.

There are two cars in total.

As the brothers got in the car, the car started with a grunt, and then drove quickly towards the bustling streets of Binjiang City.

As the car drove forward, Chen Qiaozhi, who was sitting in the car, said, "I always thought that the man named Vengeance was a character who bought eyeballs... I didn't expect that Vengeance was still a bit too expensive... It was so fast. The underworld sites around Jinghai City were recovered."

"His grandma, I didn't even expect... a stupid guy would do such a thing..." Tang Xiaolong said there.

The brothers around me actually think the same way.

To be honest, they have never taken any "Vengeful Son" to heart.

In their eyes, the "Vengeful Prince" is like a clown... But what they didn't expect is that the clown-like guy suddenly came here now and invited them.

What kind of medicine did the "Vengeful Master" buy in the gourd?

Currently Duguxie and his brothers don't know anything.

"It seems that only after we see the Vengeful Young Master can we know what that guy wants to do." Xue Wuhen said slightly in front of him.

"It doesn't matter what he is doing, that kind of silly role, I think it's okay to ignore him." Tang Xiaolong said violently.

As soon as he exited, the brothers around him ignored him.

The car continued to move fast along the way... I saw another taxi behind their two cars at this moment.

The taxi has been following the brothers since they left the Haocheng Hotel...but because the brothers were talking in the car, no one paid much attention.

At this moment, I saw a beautiful woman with a peerless face sitting in the taxi that followed.

She was wearing a tight black leather jacket, \*\*\*\* and glamorous. Those Danfeng eyes revealed doubts and differences and followed Duguxie and the brothers' cars.

Situ Ningbing.

It turned out that it was Situ Ningbing who followed Duguxie and the brothers.

The driver was an ordinary taxi driver.

The driver who drove the car turned around and asked Situ Ningbing, "Miss, do you want to follow?"

Situ Ning said coldly, "Of course..."

"Remember, don't lose it." Situ Ningbing added.

Although the driver saw that Situ Ningbing was extremely beautiful, he faintly felt that this woman felt a little cold, so he didn't dare to talk too much, so he had to continue driving his car, following the Duguxie. There are brothers' cars.

"Hey, where are Duguxie and the others going?" Situ Ningbing, who was sitting in the taxi, asked in surprise.

Since "Li Tian" died, Situ Ningbing left Duguxie and his brothers.

She used to stubbornly searched for Li Tian. She came to the place where "Li Tian" died in pain alone: the old mansion of the Ouyang family, but what she saw was the ruins and the raging fire. Her heart is broken...It hurts as if she is about to die. Fortunately, at this point of time, her brother "Ecstasy" found her. After the siblings are together, Situ Ningbing still hates pain, but Fortunately, there were people around her with her, and this has been until now, but she never returned to Duguxie and her brothers, because she was afraid of seeing them, and she thought of Li Tian again in her heart. Now that she finally came back, she followed her father back to Binjiang City again... to avenge Li Tian.

It's just that she hasn't found a suitable opportunity. In order to avenge Li Tian, she and her elder brother were searching for them in two ways.

Situ Ningbing was watching Duguxie and the others... because the old Yin and Yang demon would appear here anytime and anywhere, so she monitored the appearance of the old Yin and Yang demon here.

And what about the ecstasy? But he was searching for the traces of the yin and yang demon secretly in Binjiang City.

It's just that Situ Ningbing didn't expect that Duguxie and the brothers in front of him suddenly drove out this early morning?

Could it be said that you found the trace of the old yin and yang demon?

Situ Ningbing, who was sitting in the car, thought slightly.

I saw that the Duguxie and the brothers' cars in front of the bustling street in front of the car, directly turned right and moved on the other road quickly, and the two taxis Situ Ningbing was sitting tight Following.

Finally, I saw the Duguxie in front and the brothers' cars parked in front of an elegant and oriental special hotel in front.

The hotel does not have modern high-rise buildings, but some are just Chinese-style elegant courtyards, which look quite sensational.

After the car arrived here, Situ Ningbing in the car was not only startled: Hey, what is this place? How did Duguxie come here?

While she was thinking about it, she saw in the two cars in front, that Duguxie had already brought the ghost servant and others directly out of the car, and then walked towards the classical Chinese hotel.

After thinking about it, Situ Ningbing hurriedly paid the taxi driver in front of him, then quickly got out of the car, and then followed him in.

But the name of this elegant hotel full of oriental flavor is exactly that: Cuiweiiju.

After Duguxie arrived at this hotel with his brothers, he was surprised to see that all the waiters in this hotel were wearing Tang suits and cheongsam.

Just listen to that Xue Wuhen said in those eyes of Cuiweiiju, "Wow, this place is really good."

Tang Xiaolong answered and said, "Yes, this place is really comfortable to live in... Don't tell me, that son of a \*\*\*\* would really enjoy it."

The fragrance of birds and flowers reveals a fresh and natural feeling everywhere.

Even the construction of the house is made of fine wood. In the center of Cuiweiiju, there is a circular pond with all kinds of lotus flowers and goldfish wandering in the clear water...

Xanadu, it must be nothing more than that.

The brothers were all looking curiously at the elegant setting of Cuiweiiju, and they were all surprised and admired.

Only after Duguxie walked into Cuiweiju, a pair of sharp eyes looked around and observed.

After entering Cuiweiju, I saw a young waiter wearing Tang suit and cloth shoes walking towards him, with a smile on his face and said, "How are you guys...Who are the hotels? Or dining?"

Chapter 1574: wrong person

"Find someone." The cold words came out of Du Guxie's mouth.

After the waiter in Tang suit heard Duguxie say this, he immediately smiled and said, "Excuse me, among the few gentlemen, which is Mr. Duguxie?"

After the waiter in Tang suit suddenly called out the name of Duguxie, the brothers were taken aback.

Looking at the waiter in front of him cautiously: "How do you know my second brother's name?" Ghost servant asked coldly.

The brothers also looked at the waiter together, because they all felt something was wrong.

I saw the waiter hurriedly said: "That's it. This morning, a VIP of our hotel specifically instructed the staff of our hotel... He told us that if a Mr. Duguxie came to look for, he must Special invitation."

When the waiter said so, the brothers asked in a daze: "Vip, who is it?"

"It's a VIP named Lord Vengeance." The waiter said with a smile.

When they heard the four words of Lord Vengeance, the brothers suddenly understood.

The ghost servant turned his head and looked at Duguxie and said: "Second brother, it seems that the vengeful son has already guessed that we are looking for him too."

Duguxie cast a cold look at the waiter in front of him, and then said nothing.

"Several gentlemen... If possible, I will take some VIPs to meet with us... He is currently living in our Cuiwei Residence Business VIP Suite." The waiter said politely.

As he said this, Duguxie let out a slight benevolence, and then strode directly to the front of the waiter.

Although the brothers behind him were astonished, they all followed.

After they left, a beautiful figure suddenly appeared behind them.

Situ Ningbing.

Looking at the leaving Duguxie and the brothers, Situ Ningbing felt a little weird more and more.

"Duguxie, what are they doing? How did they come to such a place?"

"And they seemed to be talking about something...what the \*\*\*\* are they doing?" Situ Ningbing was far away because he was afraid of being discovered by the brothers, and did not hear the conversation between the brothers and Duguxie. , After appearing at this moment, not only murmured suspiciously.

After thinking about it for a while, she walked gently to follow.

Because she must see, what are Duguxie and the brothers doing in this hotel called Cuiweiju!

In the front place, the young waiter was leading the Duguxie and the brothers towards the business hotel room of Cuiweiju.

Passing through a row of empty and elegant corridors, they saw the Cuiweiju business guest house in front of the garden from a distance.

I saw several men in black suits standing in front of the business VIP hotel.

Those people are undoubtedly the subordinates of Lord Vengeance.

After Duguxie and the brothers came over and saw the men of the revenge son standing there, the ghost servant turned slightly to the brothers and said in a low voice: "Wait, everyone pay attention...I think that revenge. The son is not as simple as he imagined."

Tang Xiaolong and Xue Wuhen nodded seriously one by one, and then silently followed the waiter walking in front of them.

After the waiter arrived here with Duguxie and the others, the waiter quickly walked over and smiled at the servants of Lord Vengeance standing in front of the business hotel door and said, "Hello, these are you The distinguished guest invited by the son...I have brought it here."

After hearing the waiter say so, the few men in black suits in front of them glanced at Duguxie and the brothers.

Then the waiter smiled and stepped back.

"Hello, who is Mr. Duguxie?" At this time, tall and thin men looked at the brothers and asked.

Duguxie coldly stepped forward and said: "Me!"

"Our son has been waiting in the restaurant for a long time...please come with me." He only listened to the thin and tall man in front of him saying politely.

After speaking, the thin and tall man in front of him began to lead the way.

Duguxie did not hesitate, but directly followed. The ghost servants and brothers behind him all followed at this time.

After passing through a rockery, they saw the location of the restaurant in front of them, and at the left and right ends of the restaurant were the men of Lord Vengeance.

"Your mother, are you still playing with such style? You deserve to be a rich lord." Tang Xiaolong looked at Lord Vengeance's subordinates and muttered in his mouth.

The brothers around him also carefully looked around.

As they arrived at the restaurant in front of them, the thin and tall man in front of them stretched out his hand and said, "Please..."

Then Duguxie also walked in unceremoniously, and all the brothers behind him followed.

After entering, I saw that the room in front of me was elegant and comfortable, with famous calligraphy and paintings hanging around, and there were tables and chairs with red sandalwood around it.

It's just that the so-called revenge son was not seen in this restaurant, only the smiling Buddha staying inside.

That Duguxie and his brothers didn't know the Laughing Buddha or Lord Vengeance. When they saw the Smiling Buddha, they all mistakenly thought this guy was Vengeful Prince.

"Wa, so this revenge boy is a fat guy?"

"Look at his smile, how lascivious it should be..." Tang Xiaolong muttered in that mouth.

Xue Wuhen next to him wanted to laugh, but he did not laugh. Instead, the ghost servant gave Tang Xiaolong a vicious look.

However, the Duguxie and the ghost servants here also looked at the smiling Buddha in surprise, and they all thought this guy was the vengeful son.

"Hello..." At this time, the smiling Buddha walked towards the brothers with a smile on his face.

Duguxie looked at the smiling Buddha coldly and said, "Are you the Lord Vengeful?"

"No, no, no..." When the smiling Buddha heard that these people thought of himself as a vengeful son, he quickly said no.

After he said "no" in his mouth, Duguxie and the brothers around him were not only taken aback, let alone Tang Xiaolong, standing there with a speechless expression.

"Our son will come out soon... some, let's sit down and rest for a while..." Smiling Buddha said with a smile.

Hearing the smiling Buddha said that, that Duguxie didn't talk too much, turned around, found a spot at random, and then sat down quietly.

The brothers next to each other also found their seats and sat down.

Tang Xiaolong sat there, staring around, but couldn't help cursing in his heart: Your grandma's revenge son, still such a big air? Get out of here without hurrying, causing me to admit the wrong person... your mother.

Chapter 1575: Familiar feeling

However, after the Duguxie and the brothers came here one by one, Situ Ningbing who was following him had already arrived at the business hotel at this moment.

It's just that at the door, because there is a subordinate of Lord Vengeance guarding there, Situ Ningbing in front of him seems to be unable to walk directly from here.

Situ Ningbing blinked her beautiful eyes and glanced around, and suddenly her beautiful eyes were placed on the front wall.

Since you can't get in from the main entrance, it's better to turn over directly from the wall.

Situ Ningbing thought this in his heart, so he flashed to the wall on the left.

This wall is not very high, only three meters high. For a skill like Situ Ningbing, of course it is a breeze.

I saw Situ Ningbing observing from the left and right. When there was no one, she stretched her body, and then Qian Ying directly rolled over the wall in front of her.

After reaching the inside, they all rolled, and then they concealed directly behind the rockery.

After hiding behind the rockery, she looked around her eyes and found that there was someone guarding it not far in front, but apart from that place, there seemed to be no one here!

After thinking about it, Situ Ningbing quickly walked towards the place where there was no one.

She wanted to see what exactly this place was, and why Duguxie and the brothers came here.

When Situ Ningbing sneaked into the place where the revenge boy lived alone, Du Guxie and his brothers over there were waiting for the revenge boy in the restaurant.

They all were very surprised at that young man of revenge, and no one knew who the man of revenge was, let alone why the so-called man of revenge was looking for them here this time.

Finally, after waiting for less than five minutes, the sound of messy footsteps suddenly came from outside.

When Duguxie heard the sound of footsteps, her brows wrinkled slightly.

Because he can feel the sound of people's footsteps extremely calm, that firm footsteps are definitely something a master can make. When he feels such a small link, Du Guxie's heart is set, and he secretly said: Come in the end. Who is it?

Then I saw several figures coming in from outside.

The first one is a 5060-year-old man who looks from his face. His face is very old and he also has a lot of wrinkles, but his eyes are indeed shining like a torch light, and I don't know why, when Duguxie is in the first place. When he saw the eyes of the "old man", his heart throbbed... as if those eyes were so familiar, and they shocked him.

After feeling this change, Duguxie not only glanced at the "old man" in front of him.

And the so-called "old man"? The first moment he walked in, he looked dumbfounded at the Duguxie and his brothers.

His eyes were filled with an unprecedented fiery light, and the fiery heat seemed to feel like seeing a loved one...Even his footsteps couldn't help taking a step, as if he wanted to talk to his brothers in the past.

"Hey, look at that old man... Nima, it's kind of weird, why keep staring at us?" Tang Xiaolong would mutter in his mouth.

Xue Wuhen, the ghost servant and others also saw the "weird" old man and couldn't help but blinked at him: "Yes, that old man did look a little weird...but...but... I don't know what's wrong," Chen Qiaozhi said in front of him.

But apart from his old and dull face, the brothers did not see any clues.

But he said that the first one who walked in was the old "old man", and the second was the majestic Jiang Dashan... followed closely behind the "old man" with a grin.

When these two people walked in, the Duguxie and the brothers were all taken aback.

"Which one is Lord Vengeance?" This is a common question in their hearts.

While Duguxie and the brothers were surprised, suddenly the smiling Buddha smiled and said, "My son, our guest has arrived."

The smiling Buddha said to the "60" old man.

Just when he said this sentence, that Duguxie and his brothers almost screamed, because they all recognized it, who is the Revenge Prince.

Son?

Could it be that the old guy is the so-called "Vengeful Lord?"

This Nima, Tang Xiaolong almost squirted out, and couldn't help laughing at once.

Seeing Tang Xiaolong's rudeness, the ghost servant quickly kicked him with his foot. Tang Xiaolong held back his laugh, and muttered there, "I've got some grass, I've seen it... This Nima, such a The old guy still calls himself a son, I always thought I was shameless enough under the world, and I didn't think there was someone with a thicker skin than me...Haha."

Xue Wuhen and the ghost servant beside him were all frowning at the moment, looking at the "old man" more curiously.

But what about the revenge son over there? Still a pair of eyes fiercely looking at his brothers! Because only he knows that those in front of him are his good brothers, the best brothers.

It has been two months, and for more than two months, he hasn't seen his brothers. Now, he did. He saw that his brothers were all thin and haggard. But what about him? But I can only watch them... and can't recognize each other!

He is not unwilling to recognize each other, but can't! Because he still has big things to do, for revenge, for hatred, he must endure and endure.

"The son..." The smiling Buddha not only whispered a reminder when he saw the vengeful son stupefied slightly.

Only then did Young Master Vengeful slowly react from the gaffe he had just made, and then slightly sorted out his emotions, then raised the torch-like eyes and looked at Duguxie and his brothers.

"If you didn't guess wrong, this should be Senior Dugu..." A word suddenly came out of Prince Vengeance.

He looked at Duguxie with fiery eyes there.

The moment that Duguxie heard the words of Lord Vengeance, he was taken aback, because he felt that the voice was so familiar with "he", that "he" was Li Tian... But the tail of Lord Vengeance's voice was slightly hoarse, if it wasn't this hoarse feeling, Duguxie would definitely mistake it for Li Tian's voice.

It turned out that Prince Vengeance was afraid that his identity would be recognized, so he deliberately changed his voice... But even if he changed his voice, Duguxie still slightly felt some familiar feelings.

Chapter 1576: Unspeakable Hidden

After asking the vengeful son in front of him, Du Guxie said coldly, "En..."

"Are you the revenge son?" Du Guxie replied coldly.

The Vengeful Prince smiled and nodded.

"Let's talk about it, what's the matter when we come here?" Duguxie asked coldly, his voice as cold and ruthless as his own.

At this time, the rest of the brothers also stared at the revenge boy in front of him without blinking. The Lord Vengeance seemed to have been accustomed to Duguxie's indifferent tone, smiled slightly there, and then said: "In fact, I invited Senior Duguxie and brothers to come here today to discuss something with you."

"Discuss things?" Duguxie murmured.

"What's the matter?" the brothers beside him couldn't help asking.

Lord Vengeance said: "Discuss cooperation."

"Cooperation?" When Duguxie and the brothers suddenly heard the words "cooperation" from Prince Vengeance, they were not only taken aback. The brothers next to him also looked puzzled.

"What cooperation?" Duguxie asked coldly.

I just listened to the Vengeful Prince continuing to say: "Because I and you both share a common enemy... That enemy's name is Yin Yang Old Demon... So I want to cooperate with Senior Dugu and your brothers, and then we will work together. Deal with that old yin and yang demon."

When Prince Vengeance suddenly said this, Duguxie stared at the Prince Vengeance with sharp eyes.

"How do you know the old yin and yang demon?"

"Who are you?" When the cold words came out of Duguxie's mouth, a terrifying murderous aura immediately filled his whole body.

And at this moment, the ghost servant and the brothers are also increasingly feeling that the vengeful man in front of him is extremely strange. How could he know the old demon Yin and Yang? And you know so many things about yourself? What is the origin of this guy? Who the \*\*\*\* is it? This is by far the most surprising question of my brothers.

The smiling Buddha standing next to the Vengeful Young Master and Jiang Dashan felt the turbulent murderous aura rushing towards the Vengeful Young Master, their complexions changed drastically at the same time, and they quickly stepped forward to protect the Vengeful Young Master before.

But what about Lord Vengeance? But he was calm, as if the whole person did not feel the terrible murderous aura of the Duguxie at all, and still smiled there and said: "I have already said that I and you have a common enemy... He is Yin and Yang. Old demon."

"I hope Senior Dugu and all the brothers can join me, let's join hands to deal with that demon." The Vengeful Master said.

"Cooperating with you, how old are you? If you say that you join hands, you can join hands... We don't even know who you are... Why?" Tang Xiaolong suddenly said vulgarly over there.

Tang Xiaolong's impression of this "Vengeful Son" was not good, not because of anything else, but because of the "show off wealth" of the Vengeful Son some time ago, Tang Xiaolong felt shameless. , So he didn't have a particularly good impression of this Revenge from the beginning, not only said that at the moment.

After Tang Xiaolong said so all of a sudden, Jiang Dashan, who was standing next to Lord Vengeance, suddenly roared, "What do you guys say?"

Jiang Dashan roared like he was about to do something, and suddenly stepped out with one foot.

But it was suddenly blocked by a hand!

The hand is the arm of Lord Vengeance.

The Lord Vengeful looked at Tang Xiaolong with a smile on his face, then turned to face Jiang Dashan beside him and shook his head slightly.

Jiang Dashan gave Tang Xiaolong a vicious look, and then he backed away.

Tang Xiaolong looked at the Jiang Dashan with a sneer, and muttered in his mouth, "Nima, still want to fight? Come on, if you don't teach you, I just crawled on the ground."

After stopping Jiang Dashan's reckless behavior, Lord Vengeance continued to say with a smile: "The little dragon is actually pretty good at all... We don't know... And at this moment, it is indeed a bit reckless to join forces, but don't worry. Well, I believe everyone will know my good intentions in the future."

After the Prince Vengeance in front of him finished saying this, Tang Xiaolong suddenly noticed that he called himself "Little Dragon..."

The brothers around him also noticed this small link at the moment.

"What do you call me?"

"How do you know...know my name?" Tang Xiaolong suddenly stared at the Vengeful Prince in front of him with surprise.

At this time, the brothers next to him were all looking at the Vengeful Lord over there with doubts.

But what about Lord Vengeance himself? I also suddenly felt that I had missed my mouth, and at this moment, I was not only startled.

But he said immediately: "I heard my subordinates have already said your names... so I know."

After Prince Vengeance said so, that Tang Xiaolong and Duguxie were all dubious.

At this moment, they are becoming more and more curious about this revenge young man, wondering.

Just when everyone was surprised and wondered, that Duguxie suddenly opened his mouth and looked at the Vengeful Young Master and said, "I'm sorry, we don't like to join hands with others...I'm sorry."

As Duguxie suddenly said this, he directly stood up and prepared to leave.

After seeing Duguxie's actions, the ghost servants over there and Tang Xiaolong also stood up one by one, preparing to leave.

"Senior Dugu... can't we really work together?" Prince Vengeance looked at Duguxie's back and asked again, his eyes filled with passionate emotions.

It's a pity that Duguxie, who is facing him, didn't see it, but said coldly, "No!"

After he said this, he said nothing, and strode directly out of the door in front of him.

When the brothers saw Duguxie leaving, they quickly followed out at this time.

Seeing the departure of the brothers, Lord Vengeance suddenly trembled slightly, and the brotherhood in his eyes was self-evident from his face.

"Xiaolong, Qiaozhi..." He muttered the names of his best brothers.

It's a pity that Tang Xiaolong and his brothers didn't hear him shouting again.

But he said that the smiling Buddha next to him and Jiang Dashan both noticed the weird expression on the face of Lord Vengeance. Both of them couldn't help wondering in their hearts: What happened to the son? Why suddenly, after seeing those strangers, his expression became so weird?

Although both of them were full of doubts, they did not dare to ask too much, but stood quietly behind the Vengeful Master.

Chapter 1577: Situ Ningbing's infiltration

Besides, after Duguxie and his brothers left, they went straight out of Cuiweiju in front of them.

When he arrived outside, Chen Qiaozhi suddenly said from behind: "Senior Dugu, I think that guy named Revenge is too strange."

As Chen Qiaozhi said so, all the brothers in front of him nodded.

"Yeah, I feel it too."

"Did you see the eyes of the Vengeful Young Master... His eyes... His eyes, I don't know why, they look so familiar, as if they have seen them there." Xue Wuhen said in front of him suddenly. .

When the brothers said so, the Duguxie and the ghost servant were silent.

In fact, their hearts were always surprised, especially Du Guxie, because he also somehow felt a sense of deja vu with the revenge son, and that feeling was extremely cordial!

He didn't know what the reason was.

"Why didn't I feel it?" Tang Xiaolong, the crude man, suddenly muttered.

"Grandma's, I just think the old fellow named Revenge is really thick-skinned...so old, he pretends to be a son, haha." Tang Xiaolong laughed.

The brothers ignored him.

"I think there must be some secret hidden in the revenge young man." Chen Qiaozhi said suddenly.

"And I just noticed his expression specially. Although his face is very old and has many wrinkles, but you have noticed that he has a straight back. Whether it is walking or talking, there is no symbol of the old man. Just like a normal young man." Chen Qiaozhi said very carefully.

Hearing what Chen Qiaozhi said suddenly, the brothers also suddenly remembered.

"Yeah, don't tell me, what Qiaozhi said is really good, the revenge boy doesn't seem to match his age at all..." Ghost servant said.

"This kind of person, I guess, is either a peerless master with extremely deep internal skills. Although he is old, he is still very energetic, or he is not that old at all! He pretends." Chen Qiaozhi suddenly said. A crucial word.

After Chen Qiaozhi suddenly said this, the brothers were all stunned.

"Sick ghost, you mean that old guy might have lied to us? He is not old at all? Is he dressed up?" Tang Xiaolong finally interjected at the moment.

Just listen to Chen Qiaozhi said: "I can't guarantee this..."

"To be honest, there are no flaws on his face, and it looks like an old man... As for whether he is pretending, I am really not sure at the moment." Chen Qiaozhi.

Then Chen Qiaozhi said again: "But I understand that there is a disguise technique in the rivers and lakes, which can instantly change the appearance of a person. No matter what kind of appearance a person wants to become, he can leave the change. Be the way you want."

"Disguise?"

Hearing what Chen Qiaozhi said before him, the brothers were all horrified.

They have all heard of Yi Rongshu, but have they really seen Yi Rongshu? To be honest, no one among the brothers has really met.

On the Tao, that kind of "kung fu" is just a side-by-side effort. For people like Duguxie and ghost servants, they simply disdain to touch that kind of thing, so the two of them are hearing what Chen Qiaozhi said at this moment. After that, he just snorted coldly, then said nothing, and turned directly into the car in front of him.

Seeing Duguxie and the ghost servants all got in the car in front of them, of course they hurried in quickly, and then started the car. After the car groaned, it drove away.

After Duguxie and his brothers left, I saw Prince Vengeance standing alone in the hall "stupidly".

The smiling Buddha behind him and Jiang Dashan were surprised at the weird expressions and actions of the Vengeful Son in front of them, but the two did not dare to speak too much from beginning to end, but stood quietly behind the Vengeful Son.

Finally, I don't know how long it took before the Vengeful Master suddenly sighed.

"Brothers, wait for my revenge, and then reunite with you." His voice was long and long, and his eyes revealed endless brotherhood.

Listening to the inexplicable words of Lord Vengeance, the smiling Buddha and Jiang Dashan beside him were all full of surprise.

In the end, Jiang Dashan couldn't help but walked over and looked at Lord Vengeance and said, "Master, are you okay?"

The Lord Vengeance shook his head slightly, his eyes blurred.

"Master, would you like to take a break?" Jiang Dashan said again.

This time the Vengeful Prince nodded and said, "It's okay."

After Prince Vengeance finally decided to go to rest, Jiang Dashan and the smiling Buddha breathed a sigh of relief.

The Lord Vengeance turned and walked towards the hotel room where he was staying. Jiang Dashan and the smiling Buddha behind him all followed at this time.

Besides, when the Lord Vengeance met with that Duguxie and the brothers, Situ Ningbing had already broken into the hotel room where Lord Vengeance was staying.

At this moment, Situ Ningbing arrived in an elegant and delicate room.

The room was empty and there were no people. Situ Ningbing was curious, and couldn't help but secretly lining up: Who is this here? Why did Duguxie come here?

After thinking like this in his heart, Situ Ningbing in front of him leaped in from the window.

Her movements are very light, like a squeezed cat.

As the body entered the exquisite room in front of her, she blinked her beautiful eyes and began to look around.

While Situ Ningbing was observing this exquisite and elegant room, suddenly there was a sound of footsteps outside. Situ Ningbing was taken aback, and then quickly hid in the closet on the side.

somebody is coming!

With the sound of footsteps getting closer, I saw the door of the room was gently pushed open at this time.

The moment he pushed away, Situ Ningbing quickly held his breath and watched quietly.

But who is the one who came in?

In the blink of an eye, I saw a pure woman.

The girl was wearing blue skinny jeans, wrapped with long sleeves and thin legs, her black hair was draped over her shoulders, her face was beautiful and delicate, and she walked in from the outside while holding a white rag in her hand. The house in front of me.

After arriving here, she began to simply organize everything in the room.

she was?

Su Rongrong!

This woman is Su Rongrong under the Vengeful Young Master. Since arriving in Binjiang City with the Vengeful Young Master, Su Rongrong has not gone out much. Right now she is here to help clean up the Prince's room.

## Chapter 1578: Fools and beauties

But what about Situ Ningbing who is hiding in the dark?

When she saw a beautiful woman coming in and sorting things in the room at this time, she not only wrinkled her eyebrows, she couldn't help but secretly lined up: Is this girl a servant?

Is this hotel? still is.....

No, if it's a Cuiwei hotel staff, they should wear a cheongsam or something, but the beautiful woman in front of her is just an ordinary dress... Could it be that she also belongs to the group of Duguxie who is about to meet?

After Situ Ningbing thought about it this way, she continued to hide there, calmly, watching Su Rongrong with beautiful eyes.

Su Rongrong simply tidied up Master Vengeance's desk, and then walked towards Situ Ningbing. It was obvious that she was here to tidy up.

Just when Su Rongrong came to tidy up this side, the beautiful figure of Situ Ningbing suddenly appeared.

Su Rongrong suddenly screamed when she saw a figure passing by her eyes...

Then before she could react, an open mouth was immediately covered by Situ Ningbing's icy hand. At the same time, Situ Ningbing's other hand did not know when she had added a sharp head. It was on Su Rongrong's white neck.

"Don't make any noise, speak again, and I will kill you with one blow."

When she heard the cold voice in her ears, Su Rongrong was completely frightened...

His eyes widened, and he nodded quickly, and the whole body trembled with fright.

After seeing Su Rongrong nodded in front of him, Situ Ningbing gently sent away the hand covering her mouth.

"Listen well, now I ask, you answer, if you dare to call, if you dare not answer, I will kill you with a knife." Situ Ningbing said with her cold head in her hands that scared Su Rongrong in front of her.

Su Rongrong, a little girl who was so frightened by Situ Ningbing, was of course extremely frightened. She was so frightened that her tears flowed down, and she nodded desperately there.

Situ Ningbing glanced at her, then asked, "I'm asking you, what is this place?"

Su Rongrong tearfully said there, "This...this...this is our son's room."

"The son?" Situ Ningbing was not only startled after hearing Su Rongrong's words.

"What son?" Situ Ningbing asked in surprise.

Su Rongrong then replied: "Vengeance... Vengeance son."

Situ Ningbing suddenly stunned when he heard the four words for Master Vengeance.

what? Lord Revenge?

Could it be that stupid rich man in Jinghai City some time ago?

He, how did he reach Binjiang City?

Moreover, how could this Duguxie and his brothers suddenly come to meet this Vengeful Young Master? What exactly is going on? Situ Ningbing in front of him was full of doubts and puzzles.

"Are you talking about the Vengeful Young Master who was in Jinghai City some time ago?" Situ Ningbing asked suddenly.

Su Rongrong nodded desperately and said: "Yes, yes, yes."

"What about you? Who are you?" Situ Ning asked coldly.

Su Rongrong cried: "I...I just work for her..."

Hearing Su Rongrong's words, Situ Ningbing's Liu eyebrows couldn't help but wrinkled slightly, and his heart was secretly lined: It seems that the revenge son is really not a good thing... there are a group of beautiful women around him.

Sure enough, he is a rich playboy.

"I'll ask you again, why did the Vengeful Young Master go to Binjiang City? And why did he invite Duguxie and the Ghost Servant to come here?" Situ Ningbing asked.

Su Rongrong shook her head in tears and said, "I don't know..."

"You lied!" Situ Ningbing scared her.

But seeing Su Rongrong crying there and saying: "I didn't lie, I really don't know... I don't know who the people you are talking about are... let alone why our son came to Binjiang City." Su Rongrong certainly didn't know. Duguxie and ghost servants!

Listening to Su Rongrong's words, Situ Ningbing secretly said: It seems that this girl really doesn't know!

After thinking about it, Situ Ningbing looked at Su Rongrong and asked: "Then you finally tell me, who is your son? What is his appearance?"

After Situ Ningbing asked so, Su Rongrong wiped the tears from the corner of her eyes and said, "He...he...he is very old."

When Situ Ningbing heard what Su Rongrong in front of him said, Situ Ningbing became more and more depressed. What is this, he is old? This girl is really interesting! Situ Ningbing said in her heart.

"Forget it, you can turn around..." Situ Ningbing said suddenly.

"Remember, don't look back, as long as you look back, I will use this knife to slip through your beautiful face... Hmph, so that you will not be able to see people in the future." Situ Ningbing scared Su Rongrong in front of him.

Su Rongrong was so scared that she covered her beautiful pretty face with her hands, and then turned around obediently.

When she saw Su Rongrong really turning around, Situ Ningbing smiled beautifully before her, and then jumped out of the window as soon as she swept her body.

Su Rongrong was left alone in the room, she didn't dare to say anything, let alone scream, just standing with her back turned away and crying.

Besides, after that Situ Ningbing left the house in front of her, she became more and more curious in her heart.

"Hey, how did the former \*\*\*\* get to Binjiang City?"

"Why did he look for Duguxie and his brothers? Situ Ningbing asked suspiciously in his heart.

With these questions in his heart, Situ Ningbing quickly walked forward.

She feels that she should almost leave here...Although there are still many unknown confusions in her heart, she knows that she can't stay here for long!

Because once the "Vengeful Lord" is discovered, it will be troublesome.

Just as Situ Ningbing was about to escape from here, he suddenly saw a burly hunk like a "mountain" standing motionless in front of him, and at the same time, those big bull-like eyes were staring unblinkingly. I... There are still two shining noses hanging on my nose, looking silly and dull.

When he saw such a huge fool, Situ Ningbing suddenly frowned Liu's eyebrows, not only in his heart: What is this guy doing? How does it look...like a fool.

Although she thought so in her heart, Situ Ningbing still didn't pay too much attention to the stupid man, but quickly prepared to leave.

Just when Situ Ningbing was about to turn around and flee, the big stupid man in front of him suddenly strode towards her with great strides, and to the death, the big stupid man suddenly stretched out two sturdy ones. His arms stopped Situ Ningbing in front of him... Those simple and sluggish eyes stared at Situ Ningbing's beautiful face intently, as if he was fascinated.

Chapter 1579: sister?

At the moment the stupid man suddenly stretched out his sturdy arms to stop Situ Ningbing, Situ Ningbing's eyes suddenly became cold.

"Get away." Situ Ningbing yelled angrily.

But what about that stupid big one? But the burly body was motionless, looking at Situ Ningbing in front of him with a silly smile on his face, without speaking or speaking.

"I asked you to move away... didn't you hear it?" Situ Ningbing was angry.

But the big stupid guy still stretched out his hands and stopped her, motionless.

"If you don't let go, I'll be rude to you." Situ Ningbing said fiercely. She wanted to scare away this stupid guy in front of her, because she felt This burly fellow is probably a fool.

But just after Situ Ningbing scared the silly big man, the silly big man really grinned and smiled.

Those eyes stared at the beautiful face of Situ Ningbing in front of him, and suddenly he cried out strangely: "Sister...Sister..."

what?

Situ Ningbing was almost dumbfounded after being suddenly called "Sister" by the stupid big guy.

My God, what does this fool do? Why do you ask yourself to be sister?

It turns out that this big stupid man is: stupid man!

Just now, who was playing alone in the courtyard, he happened to see Situ Ningbing...that's why he stopped Situ Ningbing in front of him!

But how could this stupid man suddenly call sister Situ Ningbing?

Since childhood, Ouyang Man loved his sister Ouyang Shiqing the most. It is well known that Ouyang Shiqing is beautiful and beautiful, and she certainly knows that her sister is the most beautiful in the eyes of Silly Man, but now she suddenly sees it When the gorgeous Situ Ningbing in front of him...he couldn't help calling out his sister, it seems that he must have mistaken the extremely gorgeous Situ Ningbing in front of him for that Ouyang poetry.

But he said that Situ Ningbing was a little puzzled by the big silly sister's cry...

She wanted to get angry, but she held it back a bit, after all, she didn't want to argue with a "fool" here.

"I am not your sister, you have admitted the wrong person... Quickly get out of the way and let me go." Situ Ningbing said.

But what about that stupid big one? But he was completely unmoved. The entire huge body stood upright, with two thick arms outstretched, and kept shouting: "Sister...Sister..." And what was terrible was this guy. The voice is getting louder and louder.

This Nima suddenly made Situ Ningbing speechless!

Originally, she sneaked in here secretly. Seeing this stupid man screamed, she was angry at the moment, because she was afraid that she would be discovered by the revenge man.

"If you don't let go, don't blame me for being polite." Situ Ningbing's face suddenly chilled, and a cold murderous intent flashed in his eyes.

But what about that stupid man? How could it open the way? Still shouting loudly: Sister...Sister...

Situ Ningbing was furious! Because she must leave here as soon as possible.

At this moment, an angry Situ Ningbing flew up and kicked directly on the silly man's chest in front of her. She didn't use too much force. She just wanted to force the silly man in front of her to retreat so that she could leave here. , But didn't expect that when she flew past, that silly man could not even evade.

With a bang, Situ Ningbing kicked the silly man's chest, but it was a pity that the silly man did not move at all, and even that huge and mighty body did not even move at all!

Still with a simple smile on her face, she shouted to Situ Ningbing: Sister...Sister...

Situ Ningbing didn't expect this stupid big man to be so powerful. He became even more angry at the moment. He pulled out only a delicate and cold head, and said to the stupid man in front of him: "You let go, if you don't let go, I But I really need to do it!"

Silly Man'er looked at the head that Situ Ningbing took out, and blinked his honest eyes and said: Sister won't do anything to me!

When Situ Ningbing heard this, his heart softened slightly!

But she has to leave here today, she can't be entangled by this stupid guy in front of her, right?

So Situ Ningbing could only be cruel, and said coldly, "You forced me."

As soon as the words came out, Situ Ningbing raised the head in his hand, and then pierced straight towards the big stupid man's chest.

But what about that stupid man? But he still stood still, just staring blankly at the head pointed at him.

Situ Ningbing saw that this fool didn't hide... Seeing that his sharp head was about to pierce his heart, his heart softened, his hand suddenly trembled, and then the head swiped along the side of the silly man's chest with a chuckle.

After all, Situ Ningbing was not a murderer of innocent people, so how could he attack the stupid man in front of him?

But her speed was too fast just now. Although she didn't stab the silly man in front of her eyes, she made a blood mark on her chest.

When the silly man saw the red blood flowing out of his chest, the whole pair of eyes was unbelievable... staring at the blood he had left behind, and then stretched out. Touched with one hand...

Situ Ningbing watched the fool's heart full of slight guilt.

"You...not my sister." Suddenly the silly man murmured while looking at the blood on his hand. Although the silly man is stupid, he knows that his sister will never hurt him, but now he has left blood... he knows that this beautiful woman in front of him is not his sister anymore

But what about Situ Ningbing? When he heard that silly man suddenly wake up, he pretended to be cold and said: "Hmph, I told you that you have admitted to the wrong person...this is all you asked for."

As Situ Ningbing finished speaking, the silly man suddenly raised those terrifying eyes.

The silly stupid man suddenly seemed to have changed at this moment, his eyes were filled with a terrible animal character, and the entire burly tall body seemed to explode in an instant.

The undulating muscles on both arms looked daunting.

A pair of hammer-like fists were suddenly clenched, and Situ Ningbing, who stared at him angrily, was angry, he was really angry.

When Situ Ningbing felt this stupid guy suddenly become like this, he was taken aback. Looking at the undulating muscles of this stupid man, Situ Ningbing suddenly felt a bit of a terrible feeling, and he couldn't help himself. Take a step back.

Secretly: What does this fool want to do?

But he said that the silly man was roaring, his eyes were blood-red, the whole person stepped towards Situ Ningbing like a beast, and at the same time he said angrily: You lie to me, you are not my sister...not my sister ...

Chapter 1580: Meet for the first time

"What do you want to do?" Suddenly, Situ Ningbing looked at the silly man in front of him and asked.

But that silly man was completely angry, and the whole pair of blood-red eyes stared at her angrily, as if he wanted to eat her whole person alive.

And step by step, he pressed towards Situ Ningbing.

Situ Ningbing didn't want to do anything with this idiot, and took a step back at this moment, but it was a pity that the big stupid one stepped closer, which made Situ Ningbing completely angry.

"Okay, you asked for this." Situ Ningbing suddenly raised his hand, and stab the stupid man directly with a quick and unparalleled trick!

This time, that silly man moved!

Not moving like a bell, moving through mountains and rivers, perhaps talking about the mighty momentum of the silly man.

At the moment when his body suddenly moved, he ignored the sharp head attacked by Situ Ningbing, but an iron fist slammed into Situ Ningbing's head.

The force of this move was huge. Although the fist hadn't hit yet, the lingering fist wind had already caused Situ Ningbing's cheek a little bit pain.

Feeling this stupid and powerful moment, Situ Ningbing quickly staggered away, and then avoided him.

The big silly man punched in the air, his body suddenly rotated, and another punch was forced to attack Situ Ningbing in front of him.

Situ Ningbing knew only now that this stupid big man turned out to be hidden away!

He was so powerful, of course he didn't dare to be careless at all, and quickly avoided again...

Two times the danger came out, and twice evaded the attacking tricks of that stupid man.

After Situ Ningbing avoided this stupid man's trick again, she stretched out her slender hand fiercely and took the silly man's throat. After the stupid man's fight, the whole person completely changed, became crazy, changed It's like a beast.

Seeing that Situ Ningbing hit her throat, the stupid man's chain-like arm swept directly.

Situ Ningbing didn't dare to accept this move, so he could only accept it and retire.

In less than three rounds, Situ Ningbing had completely fallen into a disadvantage.

The big silly man grabbed Situ Ningbing with a giant claw like an eagle. Situ Ningbing was petite, took the opportunity to dodge, and then quickly returned two moves, but it was a pity that he punched the big silly giant. The top of the body is like a massage at all, it has no effect on him at all.

But that silly man was getting more and more mighty, roared, and the mountain-like body slammed into Situ Ningbing horribly. Situ Ningbing reached out to block, but it was a pity that he was shocked by the stupid arm of the silly man.

The one who did not pay attention, the silly man's arms swept directly towards Situ Ningbing's slender waist, Situ Ningbing's footsteps quickly retreated...Unfortunately, he was a little late, with a bang, he was like a chain by the silly man. Situ Ningbing fell to the ground with a bang with a muffled groan on his waist.

But she clenched her teeth tightly and stood up quickly, but her waist was really painful.

The silly man saw Situ Ningbing stand up again, roared wildly, and ran wildly towards that Situ Ningbing, and his two life-long claws grabbed Situ Ningbing like a demon.

Situ Ningbing's weak body was completely shrouded under this large body.

The pain in her waist was unbearable and she wanted to dodge, but it was a pity that the big stupid man moved too fast, it was completely late now...

Seeing that the silly and terrifying claws were about to grab this Situ Ningbing at once, at the moment of the moment, he suddenly shouted: "Stop... You can't hurt her..."

With the sound, a figure that was as fast as lightning suddenly arrived on the court.

Then a violent gang wind suddenly broke out from him, as if the world was all covered by his technique! Then he hit the terrifying claws of that silly man with one hand like a palm of the sky!

With a bang, the violent collision of vigor and vigor caused Situ Ningbing's heart to shake!

What a terrible palm strength!

Then she saw that stupid, burly, mountain-like body was slammed back several steps by this mysterious visitor... and then she squeezed her footsteps.

What a powerful force!

What a mighty hand!

Situ Ningbing in front of him was suddenly stunned... Then he raised those beautiful eyes and looked at the person who saved her in front of him unbelievably...

Take a closer look at this person...but saw that his face is so old, and there are wrinkles on his face...but when Situ Ningbing saw his eyes, she didn't know why, and her heart suddenly shook. With a sound, familiarity, it was a familiar and cordial feeling that had never been before.

But he, he is an old man?

It turned out to be an old man who saved her?

Old man: Lord Revenge!

Situ Ningbing looked at the "old man" incredulously.

And that "old man"?

At this time, after a horrible palm directly shook the stupid man back, he turned his head unbelievably and suddenly looked at Situ Ningbing in front of him...

At that moment, Lord Vengeance's heart almost popped out! At that moment, his eyes were excited and even trembling!

"Ning Bing..." Suddenly the familiar words came out from his mouth.

His voice is so enthusiastic... so excited!

Situ Ningbing stared in a daze in front of him without blinking!

But what about Situ Ningbing? When I saw him, I couldn't help but take two steps back. Those beautiful eyes looked at him in surprise...

Because she suddenly felt that "familiar voice"... but she couldn't believe it and looked at him in front of her!

Do not!

The old man in front of him is not him...not him...

Situ Ningbing's heart seemed to have a voice struggling violently!

Just during this intermittent effort, suddenly there was the voice of Lord Vengeance.

"There is movement over there... come here."

As the voice came, then I heard the voice of "Young Master... Young Master..." approaching.

The voices belonged to the smiling Buddha and Jiang Dashan. It turned out that the fighting sound from here had already reached the smiling Buddha and Jiang Dashan's ears. When the voice yelled, Lord Revenge looked back... I saw the smiling Buddha and Jiang Dashan running over.

"The son!" The two shouted and rushed over.

What about Lord Vengeance? But they didn't care about their voices, but quickly turned around to look at her beloved...

But the moment he turned around, that Situ Ningbing suddenly shot directly at him with the head in his hand.

Whoosh...

The sharp head shot at him like a sharp arrow.

The Lord Vengeance didn't even look at that song. With a wave of his right hand, his domineering palm directly shook the song to the ground.

However, Situ Ningbing took advantage of this meeting to leap forward and swiftly swept outside.

She wants to escape!
