

A Killer 1591

Chapter 1591: Ultimate Battle

Silly Man'er finally lost!

He was never the opponent of that terrible old demon of Yin and Yang!

Looking at Silly Man's defeat, Lord Vengeance finally walked out step by step, looking at the old Yin Yang demon in front of him with **** and hateful eyes.

The old yin and yang demon smiled weirdly with the disheveled at this moment, and said in a bewildered voice: "It's you, it's finally your turn..."

The Vengeful Prince stood there quietly, his whole body was sharp and sharp, like an unsheathed sword, dazzling and dazzling,

"Two months ago, you did not die. Today, I will send you to hell."

Following the roar of the yin and yang old demon, his palms suddenly attacked the revenge boy in front of him.

The Vengeful Young Master was full of energy, and the pair stared at the figure of the old Yin and Yang demon with endless hatred.

Suddenly both palms bullied him close, Lord Vengeance moved his left foot slightly, and on one side of his body, he staggered the palm of Boss Yin and Yang, and then the monster was hit from the side with a fierce palm.

The Lord Vengeance dodged again, and escaped the terrifying blow of the old monster Yin and Yang.

Seeing Lord Vengeance evading his attack twice in a row, then the old yin and yang screamed, his body suddenly flew, and his right palm turned from the flip of his hand to take the heart of the Vengeful man in front of him.

The corner of the Vengeful Young Master's mouth was coldly hummed, and his right hand suddenly lifted. The strong qi erupting from the whole body immediately enveloped the whole body, and the backhand shot out a palm, the old yin and yang demon couldn't evade, with a bang, both palms hit... ..The surrounding air was shaken violently, and then they were seen standing back to their respective places.

It seems that the palm strength just now is equally divided between the two!

But he said that the ecstasy hiding in the dark and Situ Ningbing not only blinked and froze when they finally saw the revenge young man taking action.

"What is the origin of this Vengeful Young Master? He has such a powerful internal power?" Even the Ecstasy couldn't help but said in shock.

He never imagined that the so-called Vengeful Prince actually possessed such a powerful strength, strong enough to rival and contend with the terrifying old monsters in the world like the yin and yang old demon!

At this moment, Situ Ningbing's eyes were staring at the revenge young man in front of him without blinking.

I don't know why, when Situ Ningbing saw the Vengeful Young Master, she felt that he became more and more familiar... more and more, he felt a very kind feeling.

His every move, including every look in his eyes, is so alike, like... him.

But his face, not him!

why?

Why is this happening?

Who is this revenge boy? How could you be so like him?

Just when the Evil Envoy and Situ Ningbing were surprised, the Vengeful Young Master on the field had already fought with the old Yin and Yang demon in front of him by more than fifty moves.

Fifty tricks, two of them can be said to be their respective strengths.

The yin and yang old demon's tricks are overbearing, full of the smell of death.

And what about Lord Vengeance? His tactics are completely natural, as if moving clouds and flowing water are integrated with the whole nature, as if no matter how vicious the yin and yang boss uses many tricks, it is difficult to hurt the revenge boy in front of him.

But after saying that the old demon Yin and Yang once again fought fiercely and was evaded by the revenge boy, the complexion of old demon Yin and Yang became more and more ugly.

At the same time, I couldn't help but lining up in my heart: This **** kid, why in two months, this guy seems to have increased his skill several times? Especially his impenetrable innocence, as if he merged with heaven and earth...what happened? Could it be that in just two months, did this kid learn incredible kung fu?

As the yin and yang old demon thought so, he suddenly screamed, imagining endless ghosts with one hand, and then struck the vengeful boy in front of him with a terrifying blow.

But he said that Lord Vengeance saw the violent move of the Yin and Yang Old Demon, and raised his right hand, all the strength of the universe broke out from his body, and then all that huge energy was concentrated on the left palm of Lord Vengeance. , And then quickly scored two palms.

When Old Demon Yin and Yang felt the terrible palm power of the Vengeful Young Master, his body suddenly retreated...too late to fight him!

After retreating, I saw the ugly face of the yin and yang old demon, **** hostility exuded in those biting eyes, staring at the revenge man in front of him and said: "Damn boy, what kind of martial arts are you using? ?"

The Lord Vengeance held Yuan Guiyi with both hands, and said coldly at the corner of his mouth: "The world is boundless, the universe is one!"

Listening to the eight words of Lord Vengeance, the old yin and yang demon suddenly yelled in anger.

"I want you to die! I killed you."

With the roar of the old monster Yin and Yang, he was seen once again using his peerless trick: the sacrifice of blood!

When he used this trick, the wind and clouds changed color, the surrounding air felt bitterly gloomy, and the sound of ghost roars from all directions could be heard in the strong wind, and his people were like arrows. He attacked the revenge boy in front of him, so fast that he couldn't see it clearly.

When Lord Vengeance saw that Old Monster Yin and Yang was using such a powerful technique, he turned around next time, followed by a move with his right hand, and an invisible sword aura suddenly radiated from his empty hand.

The horrible sword aura seemed to emerge suddenly, causing the surrounding situation to change drastically, and then the invisible sword aura in his hand slashed towards the yin and yang old demon who shot over!

The highest realm among Ten Jue Sword Qi: No Sword Jue.

Suddenly all of the sky's sword energy was accumulated in the hands of Lord Vengeance, and the thunderbolt slashed with the terrifying sword energy to the yin and yang old demon.

The ecstasy hiding in the dark surrounding Situ Ningbing was completely stunned!

"Sword Qi..."

"The sword spirit on that Vengeful Young Master is so strong..."

Situ Ningbing said: "But there is no sword in his hand!"

"I don't know... what's going on."

"How can a person who doesn't have a sword in his hand emit such a powerful king's sword aura?" Ecstasy muttered.

Just as the two of them were whispering, Suddenly Vengeful Young Master's Ten Jue Sword Qi had already collided with the old Weird Yin and Yang: the sacrifice of blood.

There was a loud bang, the sword aura reverberated, and the horror shot towards the surroundings, and the gloomy aura of the yin and yang old monster was completely exploded.

Then I saw the two figures suddenly separated.

Lord Revenge and Old Demon of Yin and Yang.

Quiet!

The surrounding is deadly quiet!

Except for the powerful and powerful energy that was permeating just now, even the breathing sound seemed to be inaudible at this moment.

Looking at the old yin and yang and the revenge boy, they stood motionless, both glaring at each other.

In the battle just now, who will win or lose? Who wins? Who loses, no one knows so far.

Chapter 1592: Chase

At this moment, whether it is the Ecstasy hiding in the dark and Situ Ningbing, or the Yuncanghe, the smiling Buddha with a serious injury, and Jiang Dashan, they are all dumbfounded and holding their breath looking at the revenge son and that. Yin and Yang old demon.

The Vengeful Young Master and the Yin-Yang Old Demon stood motionless, neither of them spoke first, nor did they move first.

Both people looked at each other coldly, their expressions dignified and ugly.

Suddenly, the first to move was Lord Vengeance. When his body moved a little, his right arm trembled suddenly...a closer look, there was a slight red blood oozing out of his right arm. , And then those blood stains flowed from his arm and dripped on the cold ground!

Prince Vengeance lost?

The ecstasy hidden in the dark and Situ Ningbing were completely stunned when they saw the blood flowing from the upper part of Vengeance's arms! Even Yuncanghe over there was silently looking at Lord Revenge...

He lost? Did you lose?

Just when there was such a question in everyone's heart, suddenly only the voice of the old yin and yang demon came out.

His voice was not as hostile as before. On the contrary, he seemed to endure some kind of severe pain, and he looked at the revenge boy in front of him with trembling eyes...

"You...you...how can you...how can you use it...such a strong...such a strong sword move..."

Following this difficult sentence suddenly came out of the old yin and yang demon's mouth, suddenly his weird figure fell to the ground with a sudden thump... he couldn't help gasping violently, and at the same time he was a skinny ghost. The claws were also clutching his chest...a closer look, a scarlet sword mark was cut from his heart on the chest of the old monster Yin and Yang, piercing directly into the bone!

he got hurt? The injury seems to be several times heavier than the Vengeance! ! !

The blood flowed down all of his arms, and the old yin-yang monster knelt on the ground with his legs and gasped...

He lost! ! !

It turned out that the old demon of Yin and Yang was defeated!

Yes, in the ultimate battle between the two just now, even though the Yin-Yang old demon made the supreme sacrifice of blood, he still has no opponents to the supreme sword technique used by Lord Vengeance: Ten Jue Sword Qi!

First, it is because the old yin and yang demon really underestimated the strength of the current Lord Vengeance!

Second, the old demon of Yin and Yang never thought that there was no sword in the hands of Lord Vengeance, but he could still use the supreme swordsmanship, and the sword aura was so tyrannical, so harsh! This makes him bare-handed, he has no defense at all...

But everything is not important anymore!

The important thing is that the old demon of Yin and Yang was defeated and finally defeated by his men.

The ecstasy hiding in the dark and Situ Ningbing were completely shocked at the moment when they saw the old demon of Yin and Yang was finally defeated by Lord Vengeance!

They never imagined that this so-called Vengeful Prince could defeat the Demon of the First World? OMG, this revenge boy is incredible!

"Devil, today is your death date! I want to avenge all those who died under your hand." The vengeful master suddenly said angrily.

Following his angry voice, he walked step by step towards the old Yin and Yang demon who was kneeling on the ground. He was murderous, ready to kill the old Yin and Yang demon in front of him with one blow.

But what about that yin and yang demon?

Kneeling on the ground with his legs, because the tangled hair covers his face, he can't see his face clearly. The only thing I can hear is that he suddenly burst into laughter...the laughter was full of sayings Unexpected strange feeling, like crying... and laughing...

The person who listened to the sound had a horrified hair, and the hairs all over his body not only stood upright.

"kill me,?"

"Come on...Come on..."

Suddenly, the old yin and yang demon lifted up that face full of terrifying faces, his face revealed endless ferociousness... and said with a sly smile to Lord Vengeance.

The Vengeful Lord doesn't care about his weird laughter, at this moment his heart is full of hatred, full of killing intent!

He must kill the monsters in front of him and avenge those so many innocent people!

So at this moment, Lord Vengeance is determined to kill the old yin and yang demon in front of him. As Lord Vengeance walks towards the old yin and yang demon step by step, his palm is slowly raised, and the horrible energy accumulated in his palm is facing forward fiercely. The yin and yang old demon's Tianling cover hits!

Just as the yin and yang old demon was about to die tragically under the vengeful man in front of him, no one thought that at this moment, the yin and yang old demon made a weird scream, and then two thin ghost claws suddenly clasped the ground and boomed With a sound, the entire icy ground was abruptly exposed by the old yin and yang demon... Then he yelled, and the exposed ground slapped him with a vigorous palm.

The sky full of slate fragments hit the body of Lord Vengeful.

What about Lord Vengeance?

He never thought that the old yin and yang demon had been hit hard by his sword aura and had the energy to do it on himself. He roared, flipped his palms, and shattered all the fragments of the flying slate... The body quickly swept back.

And what about the old yin and yang demon? Taking this opportunity, he suddenly turned around and soared into the sky. The extremely fast figure floated into the darkness like a ghost.

"Smelly boy, want to kill Laozi? You can wait a few more years... Haha!"

Accompanied by the yin and yang old demon's weird howl... suddenly his people have jumped a few feet away.

Seeing that old yin and yang demon was about to flee from his palm, how could the vengeful son agree?

With a roar, his body chased the yin-yang old demon who had fled away like a tornado, and chased him angrily.

But the Yuncanghe here, the seriously injured smiling Buddha, and Jiang Dashan saw the son chasing them, they could only watch...No way, their injuries were very serious, so There is no way to help, but as far as the Vengeance is concerned, can he catch up with the old Yin-Yang demon who has escaped this time? This is really hard to say!

What about here? The ecstasy hiding in the dark and Situ Ningbing, when they saw Lord Vengeance chasing the old yin and yang demon angrily, the two immediately jumped out of the darkness.

After the Ecstasy and Situ Ningbing appeared, Yun Canghe was not only stunned, and then coldly looked at the Ecstasy and Situ Ningbing in front of him, and said angrily: "You...who are you?"

"How to hide here?"

Yuncanghe looked like he wanted to do it with a roar! The Laughing Buddha who was seriously injured there and Jiang Dashan in front of him were not only stunned...

It turns out that their place has always been hidden, but they don't know it! !

However, after hearing Yun Canghe's voice, the ecstasy and Situ Ningbing glanced at him, then said nothing, let alone explain too much, and the two stood up and turned towards the old demon. Chase the place where you escaped quickly!

"Hey, who are you?" Yun Canghe couldn't help shouting angrily when he saw the Ecstasy and Situ Ningbing leave.

But the Situ Ningbing and the Ecstasy didn't explain anymore, they just slid into the darkness quickly... They must also chase the Yin and Yang old demon! Because the current Yin-Yang old demon has been seriously injured...To kill him, it is best to take advantage of this moment!

Chapter 1593: Shadowman

After that Situ Ningbing and the Ecstasy quickly chased them out, there was no trace in an instant.

But they said that the two of them were chasing along the way, but unfortunately they never saw the old yin and yang demon and the revenge boy again along the way.

The night is getting heavier!

Unknowingly, Situ Ningbing and the ecstasy caused the two of them to chase to a remote place, the dim yellow street lamp exuded a weird swaying light, but the silent death street was empty.

"How come there are no figures?"

"Where did they go?" Situ Ningbing said while looking at the dark night with her wrinkled beautiful eyes.

The ecstasy didn't speak, but blinked sharp eyes and looked around.

The two stood like headless flies on the lonely street at night.

The old yin and yang demon has completely disappeared... and the revenge young man who chased him has completely disappeared at this moment?

Where did they go?

While they were contemplating secretly, a gloomy wind suddenly passed from the empty street. When the terrible gloomy wind came, the ecstasy frowned: "There is murder!"

"Ningbing, hide yourself!"

With a low roar from the Ecstasy, that Situ Ningbing also felt the terrifying aura surging.

The two hurriedly flashed, and swiftly avoided the darkness on one side!

After the two of them quickly hid, a dark shadow suddenly reached the empty and quiet street like an arrow, standing there straight.

His figure is tall, and his body is filled with a terrible energy...

He seemed to be looking for something!

Because the dim lights on the street were too sluggish, I couldn't see his face clearly...I don't know who he was.

The Ecstasy and Situ Ningbing stayed there with dignity, not even daring to breathe, blinking at the terrifying shadow man.

But he said that after looking at the empty and silent night streets, the black shadow man flashed his body, and then slid towards the front place... As if he did not find the Ecstasy hiding in the dark and Situ Ningbing.

When looking at the mysterious black shadow man suddenly rushing forward, the Ecstasy and Situ Ningbing in front of them were not only taken aback.

But when Situ Ningbing blinked his beautiful eyes and asked, "Brother, who is that person?"

Ecstasy frowned deeply and said, "I don't know."

"But what is certain is that it is definitely not the old yin and yang demon."

Situ Ningbing said: "Then what shall we do? Continue to pursue the traces of the old Yin and Yang demon? Or... follow the mysterious shadow man just now?"

The Ecstasy thought for a while and said: "I personally think that the black shadow man must be connected with the old Yin and Yang demon just now. Or, let's follow the black shadow man?"

Situ Ningbing said: "Brother, I listen to you!"

So the ecstasy said: "Okay!"

Then the Ecstasy brought Situ Ningbing in front of him and quickly chased the black shadow man who had just passed by, and they wanted to see who the black shadow man was just now!

After the two changed their goals, they were now chasing after the terrifying Sombra.

However, the speed of the black shadow man in front is extremely strange. Situ Ningbing and Ecstasy exhausted all the strength of the body to barely be able to keep up, but the distance is getting farther and farther, I only see the mysterious black in front. The place where the shadow man swept was the most remote place in Binjiang City...

Just when Ecstasy and Situ Ningbing couldn't catch up with the mysterious shadow man, the shadow man suddenly turned around and stopped at a farmhouse area in front.

When Ecstasy and Situ Ningbing saw the black shadow man in front of them suddenly stopped, the two of them quickly slowed down and hurriedly approached there with very light steps.

They want to see who the mysterious shadow man is just now? Why did you come here?

The two of them approached there step by step with extremely light steps!

After arriving there, there is an empty alley in front...Because it is already in the suburban area of Binjiang City, there are no street lights in this empty alley... The only thing you can see is the mysterious dark shadow man in front. Standing there, I don't know why.

This Situ Ningbing and the Ecstasy did not dare to approach, for fear that the shadow man would find them, so he could only stay far away...

But what about the shadow man?

At this moment, after arriving in this dark alley, he seemed to have discovered something, bent over and fumbled on the ground.

Take a closer look, what the black shadow man found on the ground was blood... blood stains...

When he saw the scarlet blood, a weird smile appeared on the corner of his mouth, and he followed the blood left on the ground and walked forward step by step.

blood?

Whose blood?

I saw the mysterious black shadow man in front of me walking along the blood stains step by step towards the darkness, suddenly a moaning sound came from the front place, the sound from the throat like a wild beast was seriously injured Sent it out.

As the terrible cry came, suddenly the mysterious shadow man stood in the dark alley and sneered: "Hey, I didn't expect that even your old yin and yang demon would be injured!!!"

"It seems that you have really met a master!"

After the dark shadow man's weird voice was spoken, in the dark corner, a monster with a disheveled hair was roaring and huddling in the corner... There were blood stains around him, and a lot of blood stains came from him. A little bit of it flowed down... The entire beast-like body was also shaking violently there.

He, yin and yang old demon!

It was the old yin and yang demon who was severely injured by the Vengeful Young Master with his ten tactic sword energy...

Unexpectedly, he escaped, escaped!

At this moment, the old yin and yang demon's face was as pale as dead ashes, and endless hostility exuded in those animal-like eyes...

Roaring there, staring at the shadow man in front of him.

Who is the shadow man?

Through the dim light, it slowly reflected on his face, and when he looked closely, he saw the silver mask on the half of his face...horrible and hideous, and the other half with a weird smile. Looking at the old yin and yang demon with that sneer!

Long Yin!

He is the most treacherous and despicable Long Yin!

Looking at the yin and yang old demon who was so badly injured in front of him, to be honest, Long Yin felt a little curious, because he really couldn't understand, who else could have such a severe damage to the demon in front of him? s Therefore, even Long Yin couldn't help but frown slightly, looking at the yin and yang old demon who was trembling and bleeding heavily in front of him.

Chapter 1594: Was found

"Old monster, who hurt you? Why did you hurt you so badly?" Suddenly a ghastly word came out from Long Yin's mouth.

In the dark alley, the old yin and yang demon couldn't stop gasping... The blood in the chest wound was still flowing out little by little. He didn't speak, but his body trembled violently.

"What? You don't want to say?" Long Yin asked with a sneer.

This time the old Yin-Yang demon snorted angrily, raised those bloodshot eyes and stared at the old Yin-Yang demon in front of him: "You will never guess, it's him! It's him!"

Listening to the old Yin Yang demon in front of him suddenly saying this, Long Yin frowned slightly and asked, "Who?"

"It's the **** kid... he's not dead... he's still alive." Old Demon Yin and Yang roared with blood red eyes.

When Long Yin heard this, he asked: "What you said is..."

"It's the kid surnamed Li..." Old Demon Yin and Yang finally said his name.

After he said it, Long Yin immediately said in surprise: "Li Tian?"

"You mean him?" Long Yin was quite surprised.

"Yes, it's him!" Old Yin Yang Demon said angrily.

Standing in the darkness, Long Yin listened to the old Yin and Yang demon in front of him, and suddenly laughed strangely: "I knew he was not dead..."

"But I didn't expect him to hurt you?" Long Yin said.

The old yin and yang demon endured the tingling in his chest and said, "I don't know... how did that **** kid suddenly become so powerful..."

As he said this, Long Yin frowned slightly, and then said nothing.

Looking at the old Yin and Yang demon in front of him, he said, "Old monster...Can't you even stand up now?" As he said, he sneered at the old Yin and Yang demon in front of him.

Listening to Long Yin suddenly saying this, the old yin and yang demon trembled with anger.

"I... I... can stand up!"

As he said, he saw his difficult body slowly stand up, and the blood flowing from his chest instantly dyed the ground in front of him completely red.

Seeing the old yin and yang demon standing up so hard, Long Yin made a strange howling sound...

On the contrary, although the old Yin and Yang demon could stand up, it was extremely difficult. Obviously, his injuries were too serious and too serious!

While Long Yin was talking to this old yin and yang demon over here, the Ecstasy and Situ Ningbing hiding in the dark over there could see everything clearly!

It's just that because the distance is too far, they didn't hear what the old Yin and Yang demon and that Long Yin were talking about...

In the dark place, but seeing that Ecstasy was there, his eyes widened and said, "Yin and Yang Old Demon?"

"Old Yin and Yang demon escaped here?"

At this moment, Situ Ningbing also saw the badly wounded Yin-Yang Old Demon, but she was very puzzled, who was the Dark Shadow Man!

"Brother, who the **** is that shadow man?"

"Why would he be with the old yin and yang demon?" Situ Ningbing asked with blinking beautiful eyes.

Ecstasy shook his head slightly, indicating that he didn't know.

"However, it can be seen that the relationship between this black shadow man and the old demon of Yin and Yang should be quite familiar." Ecstasy whispered.

Just as they were talking in low voices, the old Yin-Yang demon standing there suddenly looked at the old Yin-Yang demon in front of him with a sly smile: "Old monster, you stay here for

now...There are two sneaky behind you The life-and-death guys have been following us like bugs... It's really annoying! I will solve them first."

Following what Long Yin said, the old Yin and Yang demon's bloodshot eyes suddenly stared at the ecstasy in the dark place and Situ Ningbing...

When the old demon Yin and Yang suddenly looked towards Situ Ningbing and the ecstasy, the ecstasy suddenly shook his heart and said, "No, it was discovered!"

"Ningbing, let's run away!" A word hurriedly came out of the ecstasy, Situ Ningbing beside him also felt something was wrong at this time, and the two wanted to escape instantly.

Yes, they have indeed been discovered!

And it was discovered very early!

Just when the Ecstasy and Situ Ningbing were about to escape quickly, a grinning and tricky laugh suddenly came to them.

"Want to run?"

As his terrible voice came, suddenly a dark shadow flashed, and his people had stood straight in front of Situ Ningbing and the Ecstasy!

Can't escape!

Was found!

At this moment, when Evil Envoy and Situ Ningbing saw him suddenly come in front of them, they couldn't help being stunned! He raised his eyes and looked at the shadow man in front of him.

The shadow man turned his back to the two of them, and suddenly sneered in the darkness: "You two knowing how to live and die, sneaking after me along the way...Do you think I really didn't find you? "

As Long Yinyin whizzed so, he slowly turned around the half face wearing the silver mask.

The moment he turned his head, Ecstasy and Situ Ningbing saw half of his terrifying silver mask, and then looked at the other half of his face.

When he saw the other half of his face, the ecstasy was stunned for an instant.

"You...you...you are Long Yin?" Ecstasy said in disbelief.

Of course the ecstasy knows Long Yin! The same people from the gates of **** before, of course they know each other.

And what about Situ Ningbing? When she heard the name of Long Yin, she also stunned in her heart...Although she had never seen Long Yin, she had heard of Long Yin's name, and she knew that Long Yin had died together with Li Tian!

But now? Why is this dragon still alive?

"He is Long Yin?" Situ Ningbing looked at Long Yin, who was wearing a silver mask on his face, in disbelief.

But what about ecstasy? The complexion at the moment was extremely ugly, as if seeing the devil looking at Long Yin in front of him unbelievably.

But what about Long Yin?

After the ecstasy in front of him recognized him, he immediately sneered and said, "Who am I? It turned out to be the ecstasy!"

Obviously, at this moment, Long Yin also recognized the ecstasy in front of him!

After they recognized each other at once, Situ Ningbing looked at Long Yin with hatred: "It's you...you...killed Li Tian?"

At this moment, Long Yin glanced at that Situ Ningbing with cold eyes, and suddenly sneered and said, "What about me?"

"I killed you! I want to avenge Li Tian."

Following Situ Ningbing's roar, she desperately rushed towards Long Yin in front of her.

Seeing Situ Ningbing's hands, the Ecstasy exclaimed: "Ningbing, don't go over... you are not his opponent!"

Chapter 1595: Die

How could Situ Ningbing be Long Yin's opponent?

With the cry of the Ecstasy, it was a pity that it was too late, because Situ Ningbing had already attacked, and she was a bit reckless.

The slender hand attacked towards that Long Yin like raindrops.

Situ Ningbing can be regarded as not weak in skill, but if compared with a terrifying demon like Long Yin, it is a difference of tens of thousands of miles.

Isn't this? Long Yin didn't even look at Situ Ningbing's tricks, and sneered in his mouth: "I don't know how to live or die."

Then his body flashed like a ghost, quickly avoiding the tricks of Situ Ningbing, and then with a backhand, the vast and weird energy rolled toward Situ Ningbing.

How could Situ Ningbing resist Long Yin's terrifying hand? He was shocked at the moment and stepped back again and again, only to almost escape this terrifying palm.

That Long Yin's vast palm power made the surrounding air seem to be completely condensed.

At this time, the Ecstasy had quickly slid in front of Situ Ningbing, and said to Situ Ningbing without turning his head: "Ningbing, you hurry up...get out of here..."

"Because you and I are not this Long Yin's opponent at all!" Ecstasy said worriedly there.

What the ecstasy said was the truth, how could they be the opponent of this terrifying Long Yin in front of them?

But as the ecstasy said so, how could Situ Ningbing leave?

She stared at her beautiful eyes, looking at Long Yin angrily!

"I'm not leaving! Even if I die today, I will avenge Li Tian..." Situ Ningbing insisted.

The ecstasy said: "Silly girl...If you don't leave, today neither of us will want to leave here alive...Hurry up...Hurry up."

Ecstasy Zai said bitterly to his sister, because the only thing he can do now is to block for that Situ Ningbing...

But can Situ Ningbing really go?

"Want to go? Haha...Today, you all have to stay with me." Following the terrifying words of Long Yin, he suddenly caught Situ Ningbing in front of him.

Ecstasy sees this demon wants to deal with his sister, where is willing? With a roar at the moment, his body directly rushed towards that Long Yin.

Long Yin saw the Ecstasy rushing towards him, his hands were wrong, and he made a move on the sea fishing, and directly grabbed the Ecstasy's shoulder.

Ecstasy blocked with his left hand, avoided Long Yin with a move, and then quickly attacked that Long Yin with his palms, and while shooting, said to Situ Ningbing, "Ningbing... hurry up..."

However, how could the Ecstasy resist the Long Yin in front of him!

But seeing a sneer at the corner of Long Yin's mouth, a huge ball of vigor suddenly accumulated in his right hand... suddenly a move hit the ecstasy.

The ball of strength attacked the ecstasy like a spinning flywheel.

The Ecstasy didn't dare to take this move, so he could only dodge, and the ball of strength rubbed the Ecstasy's body and hit the cold wall behind, making a loud explosion.

Then, before the ecstasy hadn't reacted, the ghostly figure of Long Yin suddenly came in front of him, and a terrifying claw instantly grabbed the ecstasy's arm!

After grabbing the ecstasy's arm in such a way, the ecstasy's complexion changed drastically, and his left hand cut directly towards the dragon's arm, trying to untie his grasped arm... but when his palm was cut, Long Yin suddenly grabbed the hand on the arm of the ecstasy, with a click, followed by a crisp sound of bone fracture, and a muffled cry of the ecstasy came out of his mouth!

Oh my God, one of his arms was just scrapped by that Long Yin...

When Situ Ningbing saw his elder brother's arm was abolished, he was immediately shocked.

"brother....."

She screamed, her body rushed quickly, and the life-threatening silk in her hand stabbed at that Long Yin fiercely.

Long Yin kicked on the chest of the ecstasy, and the body of the ecstasy with a broken arm was kicked and flew, hitting the cold wall with a plop... and then fell heavily to the ground.

And Long Yin immediately turned around again, facing Situ Ningbing in front of him, the deadly thorn in Situ Ningbing's hand came, and Long Yin stretched out his hand and grabbed the end of the deadly silk directly. In his hand... and then his arm was forced, and a strong energy was transmitted from his arm to the deadly silk!

With a bang, the life-threatening silk caused by the stainless steel was smashed directly by that Long Yin with extremely powerful internal strength... Then before Situ Ningbing could react, one hand of Long Yin turned into a palm. A big blow hit Situ Ningbing's shoulder!

How could Situ Ningbing withstand this terrifying palm, with a bang... was hit on the shoulder, I saw Situ Ningbing screamed by the palm of Long Yin, and his body flew upside down... A mouthful of blood spurted out of her mouth directly, and then the body fell like a broken kite!

"Ning Bing..." The ecstasy in front of her was crying out as she watched her being beaten up!

He clutched his broken arm, crawling towards the Situ Ningbing, but seeing Situ Ningbing fell to the ground, his body trembled... His mouth was full of blood... He wanted to move, but unfortunately he didn't have the slightest strength.

"Ningbing, Ningbing..." The ecstasy stared at his younger sister and shouted there.

The two of them seemed really inevitable this time!

Seeing that the current Ecstasy and Situ Ningbing were both seriously injured and fell to the ground, that Long Yin smiled and walked towards them step by step.

The ecstasy used his last bit of strength, endured the tingling pain of the broken right arm, and roared towards Long Yin...

"I'm fighting with you!"

But his body hadn't reached Long Yin's side, I saw that Long Yin kicked the ecstasy in front of him directly with a flying leg. The ecstasy's body spasmed and trembled a few times on the ground, and finally passed out.

"brother....."

Situ Ningbing shouted in pain, but unfortunately he no longer had the strength, and was breathing **** the ground.

But what about Long Yin? But with a vicious smile at the corner of his mouth, he walked towards Situ Ningbing in front of him step by step.

Situ Ningbing blinked weak eyes and looked at the most despicable and treacherous demon in front of her, what else could she do?

Suddenly, Long Yin stretched out his palm, and a ghostly paw grabbed Situ Ningbing!

In the dark night, only a sharp and painful cry came out... Then the black night returned to deathly silence again!

Are Situ Ningbing and Ecstasy alive or dead?

At present, no one knows whether the old yin and yang demon will kill the two brothers and sisters?

Chapter 1596: worry

Lord Vengeance did not catch up with the old yin and yang demon!

In order to survive, the old Yin and Yang demon had to use all the potential of his body to escape. The Lord Vengeance also suffered a little injury, so after chasing out for a few miles, he did not find the old Yin and Yang demon, and he returned. . .

Although the old yin and yang demon was hit hard this time, there was no way. Now that the person has escaped, there is no other way for Lord Revenge.

When Lord Vengeance came back, the smiling Buddha and Jiang Dashan had been moved to the room by the brothers, but what about that silly man? He was also taken into the room by Yuncanghe to cultivate!

The silly man's loss was not small this time, but seeing that he was so big he was lying on the bed, his face was a little pale, and he received the blood sacrifice of the old yin and yang demon, and the silly man's so far has not been relieved.

After Lord Vengeance came back, the brothers saw him.

"My son, you are back,"

"My son, you are finally back..."

Amidst the calls of his subordinates, Lord Vengeance walked towards the inside step by step.

"How about the smiling Buddha and Jiang Dashan?" The Lord Vengeance asked after he walked in.

I saw the subordinates say: "Father, and Boss Jiang has already arranged it... It seems that there is no serious problem with life."

After hearing the words of the subordinate in front of him, Lord Vengeance let out a sigh of relief, and then quickly walked towards another room without saying a word.

He is going to see Silly Man'er!

After Lord Vengeance arrived at that silly man's room quickly, I saw Yun Canghe sitting on one side, and after seeing Lord Vengeance come in, he quickly stood up.

"You finally came back..." Yuncanghe said there.

The Lord Vengeance nodded, and then looked at the silly man lying on the hospital bed.

"How is Man'er? Is there anything he has done?" The Vengeful Master asked concerned.

But seeing Yuncanghe said: "Fortunately, this man is very strong... If anyone is replaced by the demon, I am afraid that he will die."

"Man'er just suffered internal injuries. I believe that after a long time, he should recover slowly."

Listening to Yun Canghe's words, Lord Vengeance finally let go of his heart!

"It's fine! As long as Man'er is fine..."

"If something happens to him, how should I confess to his sister?" The Vengeful Master murmured.

Thinking of the poetry of Ouyang, the revenge son in front of him felt a little warm.

"By the way, I have to tell you something." Yun Canghe suddenly said with a serious face to the Vengeful Young Master.

The Lord Vengeance heard Yun Canghe say so, he was slightly taken aback, and asked, "What's the matter?"

"It turns out that we have been being watched!!!" Yun Canghe said suddenly.

After hearing Yun Canghe say this, Lord Vengeance was not only taken aback.

"What do you mean?"

So Yun Canghe said all the things hidden by the Ecstasy and Situ Ningbing, and also said that the two of them were also pursuing the old Yin and Yang demon...

"...The two are a man and a woman. The woman is the one who broke in yesterday. As for who the man is? I don't know exactly!"

When the Vengeful Master heard what Yun Canghe said, he was stunned.

That woman yesterday?

Freezing?

Is it his favorite Ningbing?

"You mean, Ningbing is also here?" The Vengeful Master said in shock.

After Prince Vengeance asked in surprise, Yun Canghe said in a daze, "What's the name of that woman...I don't know, I only know that she is wearing a black leather coat and she looks very beautiful. "

"It's her, definitely Ningbing!" Lord Vengeance said excitedly there.

"Where did she go now? Where did they go?" Prince Vengeance asked quickly.

But seeing that Yuncanghe said: "She, after she came out, she followed another man to chase you..." what?

"You mean Ningbing is also chasing that old yin and yang demon?" The Vengeful Master said in shock.

Yuncanghe nodded and said, "It should be!"

Prince Vengeance is depressed right now!

How could this be? If Ning Bing also pursued that old yin and yang demon, how could he not meet her? Where did she go?

An extremely ominous feeling suddenly rose in the heart of Lord Vengeance.

"Do you know that woman?" Yun Canghe asked, looking at the vengeful son in front of him in a puzzled manner.

Lord Vengeance said: "Of course I know! She is my favorite woman.,"

Yuncanghe frowned as soon as he heard it: "Ah? It turns out to be like this...no wonder...no wonder..."

"But why didn't she recognize you?" Yun Canghe suddenly asked again.

After asking the question, Yun Canghe suddenly felt that this question was really stupid... and quickly added: "Oh, I forgot that you are wearing a disguise mask... Hey, I'm so old... become stupid... .."

As Yun Canghe muttered here, the revenge son was full of worry.

"No, I have to continue looking for Ningbing and the others." Suddenly a word came out of the Vengeful Young Master's mouth.

After Lord Vengeance said this all of a sudden, Yun Canghe was taken aback and looked at the Lord Vengeance in front of him and said, "Ah, are you going to go back to that girl again?"

"Yes!"

"Although the old Yin and Yang demon was hit hard by me...but the strength of that demon still cannot be underestimated. If Ningbing accidentally touches that demon, she is definitely not the opponent of that demon! So I have to look for her. "" The Revenge Master said.

Listening to the words of Lord Vengeance, Yun Canghe pointed his finger at the blood-stained arm of Lord Vengeance and said, "But, are you also injured?"

Prince Vengeance didn't even look at his injuries and said, "I'm fine..."

"I'm going to find Ningbing!"

When the words were spoken, Lord Vengeance had already seized the door!

He completely ignored his injuries, whether he was tired... At this moment, he only had the safety of Situ Ningbing!

He was worried, he was scared, if Situ Ningbing really encountered the old Yin and Yang demon unfortunately, then it would be really troublesome!

That demon's methods are extremely cruel, and bloodthirsty...It is absolutely impossible for anyone to survive in his hands, so Li Tian is afraid!

He ran to the outside quickly as if he was crazy...He swept away into the darkness behind him...He was going to find Ningbing! Find her favorite!

However, he is too late!

Because that Situ Ningbing has been caught at this moment... As for the current Situ Ningbing is dead or alive? I don't know yet.

Chapter 1597: Crisis is coming

"Senior Dugu, I heard that the old yin and yang demon really appeared last night!!! And there was a battle with Lord Vengeance."

Inside the Haocheng Hotel, I saw the brothers talking to the Dugu Xie Dao.

Duguxie had already heard of this at this moment...At this moment, he was also thinking about his thoughts with a cold face.

"I didn't expect that the revenge young man was really capable, and he really dared to deal with that yin and yang old demon alone!!!" Tang Xiaolong's eyes were full of wonder.

Everyone knows the terrifying strength of that old yin and yang demon.

However, he never thought that Lord Vengeance would be able to defeat the old demon of Yin and Yang.

"I just don't know if Lord Vengeance can defeat the old demon of Yin and Yang!!" Tang Xiaolong muttered.

"I only heard that there was a big battle in Cuiweiju last night...As for who wins and who loses, no one knows yet." The brothers over there said.

"From this point of view, the revenge young man does have a deep hatred with the old demon of Yin and Yang." Chen Qiaozhi said aside.

Tang Xiaolong and the other brothers, who suspected that Lord Vengeance in front of them, also nodded silently at that moment...They also suspected that Lord Vengeance might be someone from the gate of hell. The battle yesterday completely overturned all their conclusions!

Just who is that revenge son? No one knows so far.

"Senior Dugu, what shall we do?"

"Since the yin and yang old demon has already appeared, do we really want to join forces with the so-called vengeful son?" the brothers asked Duguxie, who was blinking at the front at the moment.

Brothers and Duguxie are currently not the opponents of the Yin-Yang Old Demon and Long Yin!

Even the people from the Situ family and Ouyang Zhengtian could not be the opponents of the two monsters!

The only way to deal with the Yin-Yang Old Demon and Long Yin was to join forces with the Vengeful Young Master, so after Duguxie and the others thought about it, he made a decision!

"Regardless of who the Lord Vengeance is, as long as he can help us kill the two monsters and avenge the young master... we will cooperate with him."

After Duguxie said so, the brothers didn't have too much opinion, and nodded there one by one.

"Okay, then do it." The brothers in front of them all agreed.

"Then when are we going to find the Revenge Prince...cooperate with him?" Tang Xiaolong asked while asking.

"It's better to hit the iron while it's hot! Go now!" As Du Guxie said, the brothers all agreed.

"Old Ge, A Qiu, you stay here first... I will take them to find the Vengeful Young Master!" Du Guxie ordered there.

Old Monster Ge and Ah Qiu nodded and agreed.

And Duguxie took the ghost servant and Xue Wuhen in front of him, Chen Qiaozhi, Tang Xiaolong and other brothers once again went to Na Cuiwei Residence, preparing to join forces with Lord Vengeance.

When Duguxie took them to find the revenge son, another place.

The gate of hell!

They had also heard of the matter of Lord Vengeance against the old demon of Yin and Yang yesterday.

Inside the gate of **** at this moment, the doormen in black robes stood coldly. In the front hall in the middle, I saw the thin and tall old man Ruan Zixiong with half black hair sitting in the front place.

Beside him is a dark-skinned man!

The man has a face like the head of a leopard, brave and mighty, and his black skin reveals a primitive wildness.

"Hei Zai, what order does the master ask you to come this time?" Suddenly a word came out of the half-black and half-white Ruan Zixiong's mouth.

This brave man who looks like a leopard next to him is another master at the gate of **** that just arrived in Binjiang City yesterday, Hei Zai! He is a figure sent by the master of the gate of **** himself.

But seeing the black boy said coldly: "Master asked me to tell you, we should act!"

"Who moved?" Ruan Zixiong asked the black boy with a gloomy face.

"Move Duguxie first..." Hei Zai said.

"Move Duguxie them?" Ruan Zixiong was slightly surprised when he heard Hei Zai say this.

Heizi nodded silently and said, "Yes!"

"Why did the master move the Duguxie group first?" Ruan Zixiong asked curiously.

Then he added another sentence: "Now that the yin and yang old demon and the mysterious silver-faced man are still in the dark...Aren't we doing it right now?"

"You don't need to explain to you what the master is going to do, you and I just follow the order!" Hei Zai said coldly.

Hearing Hei Zai's words, Ruan Zixiong didn't dare to speak any more, as if they were all afraid of the **** gate master.

"By the way, I heard that the old yin and yang demon appeared last night? And he fought against a man named Revenge?" Hei Zai suddenly turned his head to look at Ruan Zixiong in front of him and asked.

Ruan Zixiong said: "I heard something, but the specifics are not very clear!"

"What is the origin of the man named Revenge? Why did he suddenly appear at this time? Why have you never heard of such a person before?" Hei Zai asked in surprise.

Then Ruan Zixiong said: "In fact, the story about the revenge boy came out suddenly in the near end."

"It is said that this man is a **** who spends money like water, but after he suddenly came to Binjiang City and got involved in this situation, it was a bit weird.

"Before, I always thought that the man named Vengeance was a second-hand character... But last night I could feel that the Vengeance seemed to be a bit backed!!!" Ruan Zixiong said.

Heizi said coldly there, "No matter who he is...this time, he can't stop the master's plan!"

Ruan Zixiong said: "Yes!"

"When will you do something to the Duguxie group?" Ruan Zixiong asked suddenly.

Heizi showed his murderous eyes and said, "The sooner the better!"

"Today?" Ruan Zixiong asked suddenly?

The black boy showed a terrible smile grimly, without speaking or speaking.

It seems that the people at the gate of **** are ready to attack Duguxie and the ghost servants!

The crisis has come!

In the Haocheng Hotel, at this moment, because the Duguxie, the ghost servants and the brothers all went to Na Cuiweiju, and the only people who stayed in the Haocheng Hotel were Old Monster Ge, A Qiu, and the Situ family. .

Because the Situ family still had to send a large number of people to look for Young Master Xuan, only 35 people remained in the Haocheng Hotel, as well as Situ Xiong himself and the old man Deng who was holding a knife.

At this moment, Old Monster Ge and A Qiu were in the same room, and Situ Xiong and Old Deng were in another room, and the only remaining characters were the influential King Tiger and other characters.

Chapter 1598: Kill, kill, kill

"Aqiu, why do you always like to wear sunglasses?" In the room, I saw Old Monster Ge squinting at Aqiu who didn't like to talk.

Ah Qiu sullen his head, did not speak, just showed a slight smile.

"Did you take off your sunglasses?" Old Monster Ge said to Ah Qiu in front of him again.

Ah Qiu wears a pair of sunglasses from beginning to end, and has never taken off since the beginning, so he was quite curious about the boring Old Monster Ge.

But Aqiu didn't listen to Old Monster Ge, and said slightly: "Old Ge...this is my secret."

Old Monster Ge grinned and said, "Really?"

"It's all so mysterious!" Old Ge said with a smile.

...

When the two of them were talking here, they saw that at this moment, three cars were already driving towards the Haocheng Hotel.

After the car arrived, the three subordinates standing at the door saw the three weird cars suddenly stop at the gate of the Haocheng Hotel. They were not only taken aback, but secretly said, "Who? "

Then they walked over and looked. After they walked over, they saw three cars slammed their doors. After the doors opened, they suddenly saw that the first person who came down was a thin old man with half black and half white hair, the old man. With a pair of sharp and venomous eyes, after the first one got off the car, all followed by weird people in black robes!

And what got out of the other car was a terrible man with dark skin and a leopard-like face!

The gate of hell!

The people at the gate of ***** are here.

But it was said that after such a weird person wearing a black robe got off the bus, the three members standing in the hall were not only taken aback, blinked suspiciously at the entering sky, and asked, "Who are you?" "

"What do you want to do?"

Following the words of these three people, Ruan Zixiong, who was half-black and half-white, suddenly showed a brutal smile at the corner of his mouth, and then he beckoned slightly to the person under his hand!

The two men in black robes who were closest to him didn't say anything, their bodies directly and swiftly rushed towards the three guarding men in front of them!

The ice-cold head hidden in the sleeve was sharply unsheathed, pouting... With a sound, a subordinate didn't even have a chance to react. He directly hugged the pierced throat tube and fell to the ground, instantly dying.

The other one hadn't noticed what was going on, so he was stabbed in the heart by the opponent and died on the spot.

And the last man who was left uttered a scream, but as soon as the scream came out, one of the black-robed men grabbed his neck, then his arm was hardened, and only a click, the man's throat was directly crushed. And die.

In a blink of an eye, the three men guarding in the hall were all killed.

After the people at the gate of ***** quickly dealt with the members in the hall in front of them, Ruan Zixiong was then beckoning at the men over there.

Two of the men in black robes were guarding the exit of the hall, while the others followed Ruan Zixiong and Heizi directly to the elevator to go upstairs!

The danger has come!

It's a pity that Old Monster Ge upstairs, Situ Xiong and others didn't notice it at all!

The elevator slowly moved towards the 8th floor, as if they already knew where the brothers were hiding.

Just as the elevator in front of me was driving fast towards the 8th floor, someone suddenly pressed the 7th floor in the middle of the way. It seems that someone on the 7th floor wants to take the elevator...

Ruan Zixiong, the black boy next to him and the doormen in ***** wearing black robes, all stayed coldly in the elevator after seeing that they were pushed on the 7th floor.

The elevator finally reached the 7th floor quickly. After reaching the 7th floor, the moment the elevator door opened, I saw Wang Hu and a group of people standing outside the elevator door...

After suddenly seeing Ruan Zixiong and a group of people in black robes behind him, the bald king tiger was stunned... He didn't know who these weird people in black robes were, the only thing he could see was The weird guy with half-black and half-white hair revealed a gloomy smile on his

face, and before he could speak, Ruan Zixiong suddenly attacked a man beside Wanghuo with a vicious move.

The man didn't have time to dodge. Ruan Zixiong's terrifying trick suddenly caught the man's face, his five fingers were like ghost claws, pinching the man's entire head, secretly using his inner strength, only to see the man bleeding from his seven orifices. Suddenly fell to the ground and died, the method is really cruel.

And the bald king tiger and the Bai Zhendong and others around him were completely shocked!

"Kill!" With a hoarse and weird cry from Ruan Zixiong's voice, the black-robed man behind him surrounded the tiger and the people around him like a black cloud.

The miserable cry suddenly echoed throughout the 7th floor...

Blood splashed and the body fell to the ground.

How could this bald king tiger and the infamous characters under him be the master of the gate of hell!

In a blink of an eye, the corpse fell to the ground, and the whole corridor seemed to be dyed completely red with blood, looking **** and terrifying!

The bald king tiger also had several stabs in his body, covered in blood...Finally, he was thrust into the throat tube by Ruan Zixiong, his eyes widened, and he died on the ground. The blood flowing from the broken throat tube gave the entire ground to the ground. All dyed red.

8th floor!

Old Monster Ge was having a boring chat with Aqiu. At this moment, Aqiu seemed to vaguely heard the screams from downstairs. At this moment, he not only frowned, but he looked at Old Monster Ge and said, "Old Ge, you listen. Didn't hear any sound?"

When Ah Qiu suddenly said this, Old Monster Ge was taken aback, frowned and listened carefully, and then said, "No..."

"What's the matter? Did you hear something?" Old Monster Ge said indifferently to A Qiu in front of him.

But seeing Ah Qiu Meng standing up, his face cautiously said: "I really want to hear someone screaming."

Old Monster Na Ge laughed when Ah Qiu said this.

"No..."

"You are too suspicious... Do you think someone dared to rush here? They dare not kill here?" Old Monster Ge said as he continued lying on the soft sofa.

Ah Qiu didn't speak, because he only vaguely heard the screams just now, but when he listened carefully now, he couldn't hear any more.

But Ah Qiu is an extremely cautious person. At this moment, after he felt something was wrong, he turned his head and said to the strange old Ge: "Old Ge, I think something is wrong...or else, I'll go out and take a look. Stay here."

Hearing what Ah Qiu said, Old Monster Ge squinted his eyes and lay on the soft sofa with his hands and said to Ah Qiu: "Okay, since you are worried, you can go out and have a look."

So Ah Qiu walked out directly.

Chapter 1599: Slash

But after Ah Qiu walked out, those pair of eyes wearing sunglasses looked at the empty corridor in front of him!

Although the corridor was as empty as before, Aqiu didn't know why, he had a strange feeling in his heart...It was as if someone in this corridor was staring at him with wide eyes.

After feeling something was wrong in his heart, A Qiu walked cautiously towards one end of the corridor step by step, he wanted to see what was going on.

As he walked towards this side step by step, suddenly a vicious head of the wind-breaking sound in the empty corridor shot at him, fast and vicious!

When Ah Qiu saw the poisonous head stabbing at himself, he was shocked, and his body hurriedly turned, but he didn't expect that his body just dodged, and a second sharp head flew from the empty corridor immediately! And the speed is faster than last time...

This time, Aqiu didn't evade the past, because the opponent's speed was too fast!

With a chuckle, the first slapped Aqiu's chest fiercely. Aqiu snorted, enduring the tingling in his chest, and quickly turned around... At the same time, he exclaimed: "Old Ge...someone broke Come in!"

As Ah Qiu screamed, he endured the tingling pain in his chest and hurriedly ran towards Old Ge's room.

At this time, Ruan Zixiong with half-black hair and half-white hair, people from the gate of hell, and the terrifying black boy with the head of a leopard appeared on the empty corridor.

Ruan Zixiong glanced at the corridor in front of him, turned his head and said coldly to the **** gate man wearing a black robe behind him: "Kill! Kill all of them... Remember, don't leave me a living!"

The subordinates in black robes nodded silently, and then scattered and started killing frantically!

But he said that after Na Qiu hid in the room, he hurriedly closed the door of the house. Of course, Old Monster Ge also heard the sound of Qiu's exclamation just now. At this moment, he was shocked, and he immediately moved from the sofa. Bounce up...

Looking at Ah Qiu, whose hands were full of blood at this moment, holding his chest with a pale face, he suddenly asked in horror: "A Qiu, what's the matter?"

"You bleed... Are you hurt?"

A Qiu endured the tingling in his chest, and quickly said to the old monster Ge: "Old Ge...we were attacked..."

"Who? Who will kill us? Is it the old demon of Yin and Yang and that Long Yin?"

A Qiu endured the pain in his body, and shook his head with difficulty...

"I... I... don't know..."

Blood spilled from the palms of A Qiu's clutching hands, stained with his hands, and saw a sharp and vicious head pricked on his chest!

Looking at the seriously injured Aqiu, Old Monster Ge was shocked and said, "Oh my God, what should I do now?"

"Run away..." Aqiu said.

A Qiu knew in his heart that he couldn't stay here for long! Because he has been seriously injured now, and that Duguxie and his brothers are not here at all. Apart from him and the incompetent old monster Ge, the rest are members of the Situ family... and the bald king tiger...

But at this moment, the opponent has already been here, presumably the king tiger and others can't resist it at all! So Ah Qiu quickly let Old Monster Ge go!

But how can the two of them escape at this moment? At the moment the room is closed, only a door in front of you can go out... But now there are all enemies on the corridor outside? What should I do?

But when Ah Qiu here was seriously injured, Situ Xiong in the room and Elder Deng holding a knife also heard Ah Qiu's scream just now!

In addition to Deng Lao and Situ Xiong who held the sword in the room of the Situ family, there were also four family members.

At this moment, after hearing the sound of screaming outside, Situ Xiong and the old man holding a knife beside him changed their faces.

"Master, something seems to be happening outside!" Old Deng holding the knife suddenly said to Situ Xiong with sharp light in his eyes.

Situ Xiong's tall body suddenly stood up at this time.

"Go out and take a look!"

As he roared, the four members in black suits around him opened the door first.

As soon as the door was opened, a black knife suddenly pierced the chest of the Situ family member who opened the door first. The knife was extremely vicious and directly pierced into the heart of the Situ family member.

The member wailed in pain, and then died directly on the ground.

"Danger!"

A scream of exclamation was the first to call out from the mouth of Deng who was holding the knife. Unfortunately, when he called out, he was still a step late. There were three other living members of the Situ family standing at the door, and one of them could see clearly. There was no opponent, and he was directly pierced into the neck with a knife, blood splattered, and died to the ground!

The remaining two living members screamed and backed away quickly!

At this moment, three **** gate men wearing black robes broke in directly.

Everyone's face is pale and gloomy, just like the terrible paleness that doesn't see the sun for years and months...they don't have the slightest emotion on their faces, and some are just emanating from the eyes. Terrorist killing.

"Protect the master!" The old Deng who was holding the knife exclaimed. The two still alive Situ family members hurried to the side of Situ Xiong, while the old Deng who was holding the knife was standing in the front.

"who are you?"

"Why kill us?" Situ Xiong roared there!

He didn't even know these people in black robes...and even less that these people were from the mysterious organization Hell Gate.

However, he said that this **** gate man wearing a black robe was like a zombie, his face was cold and he didn't even say a word, just staring murderously at Situ Xiong in front of him and the person in front of him!

Suddenly one of the foremost hellmen wearing black robes took the lead. The weapon used by this man was a machete with a deep blade on it. If this knife pierced into a person's stomach, Horror will hook out all the intestines in the human body.

With a scimitar, he slashed at one of the Situ family members who was wearing a suit.

Knife technique is vicious and deadly, at first glance it is a good hand with a knife!

Seeing that the member of the Situ family was about to die tragically under the opponent's scimitar, at this moment, the old Deng who was holding the knife finally made a move, but after hearing the sound of the warehouse, a white and bright steel knife came out of Deng's hand. Pulled it out.

The steel knife is sharp and eye-catching!

At the moment it was pulled out, Deng Lao directly used a rare skill with a knife: slash!

The white light of the knife drew a long and narrow arc, slashing towards the gatekeeper of **** with a machete in his hand.

With a puff, a cold light flashed, and a **** head fell to the ground!

The dead body was the head of the member of the gate of **** who was wearing the black robe just now, and the other half of his body with a scimitar thumped and fell into a pool of blood.

At this moment, Deng Lao, who was holding the knife, was holding a white steel knife with perseverance in front of Situ Xiong.

It really is a good knife!

Sure enough, it's a good knife technique that is very fun!

Chapter 1600: Desperate fight

Deng Lao took the lead in cutting down the head of one of the **** gates as soon as he shot!

Another doorman from **** wearing a black robe stared at Deng with a knife in front of him with cold eyes. With a roar, his body suddenly rushed towards Deng before him.

Old Deng turned the steel knife in his hand and slashed at the guy at the gate of hell. The guy was not weak, and he dodged his body, and then the vicious head in his hand pierced the eyes of Deng before him!

Old Deng flipped his right hand, and the steel knife held the opponent's head, and the sharp head hit the steel knife with a loud sound!

Old Deng flew and kicked the opponent's lower leg. The black robe man was kicked and his feet were unstable, and he staggered to the ground!

Then the black-robed man wanted to get up and fight again, but unfortunately, when he just jumped up, the old man with the knife in front of him, Deng, did not give him any chance, and the steel knife once again slammed into the black. The man in the robe, the man in the black robe, couldn't escape, was cut in the chest by Deng Lao, screamed, fell to the ground and died!

After slaughtering the two people in front of him, Old Deng quickly retreated to Situ Xiong's side.

"Protect the master, get out of here quickly!" Deng Lao shouted!

Then the two members of the Situ family who were still alive hurriedly protected Situ Xiong from the left and the right, and quickly fled!

But when they ran out, they found 78 members in black robes standing on the left and right ends of the corridor outside, staring at them one by one!

After being surrounded by so many people at the gates of ***** all at once, Old Deng gave a thud in his heart.

And what about Situ Xiong? The whole face becomes extremely ugly in an instant!

"kill!"

Accompanied by the roar of one of the black-robed men, the black-robed men from the dozens of ***** gates at both ends rushed towards Deng Lao and Situ Xiong in terror!

The two members of the Situ family fought hard to resist, but can they be the opponent of the masters of Hell Gate?

Besides, there are so many people on the other side?

Without a few tricks, the two poor Situ family members have been killed by the people of the gate of hell!

That old man, Deng, was mighty, alone, with a knife, against the 78 members of the gate of hell.

And what about Situ Xiong here?

Finally shot!

He has never done anything before, but this time he was forced to do it, and it looks like he really wants to do it!

I saw 78 people in black robes over there surrounding Deng Lao alive. Although Deng Lao was extremely fierce, facing the siege of so many masters at the Gate of Hell, he became more and more passive at this moment.

The other black-robed men rushed towards Situ Xiong.

Situ Xiong's face was gloomy and ugly. When he saw 78 people in black robes rushing towards him, Situ Xiong's tall and burly body shouted angrily, and the sky-turning palm of his right hand suddenly accumulated palm strength, and he slammed and struck him first. The black-robed man who rushed!

The black-robed man was knocked down by Situ Xiong's heavy palm and flew out, spouting a mouthful of blood in the air... and fell to the ground!

It really deserves to be the Patriarch of the Situ Family!

That palm is really powerful and domineering!

The few people in black robes here saw that Situ Xiong was not a weak hand, so they didn't dare to be careless at this moment!

Surrounding Situ Xiong in front of him, he attacked all at once.

Situ Xiong turned around, quickly avoided the combined blow of several people, and then once again solved a black-robed man with a backhand!

In a blink of an eye, two masters of the **** gate died tragically under Situ Xiong's heavy hand!

In front of him, Situ Xiong and Deng Lao were surrounded by these **** gate people...

Want to escape, it seems that there is not much possibility at this moment, no way, there are too many people at the gate of hell!

And what about Ah Qiu and Old Monster Ge?

At this moment, the two of them were still hiding in that room, and the sound of fighting outside had reached their ears.

A Qiu's vicious first attack was in his chest... At this moment, he couldn't stop the bleeding. Although he tried his best to cover the bleeding wound with his hands, he still could not stop the flow of blood.

Old Monster Ge was also full of horror at this moment. He was already the weakest in combat power... At this moment, Ah Qiu was seriously injured again, and Du Guxie and the other brothers were no longer! What should I do? What can we do? Could it be said that the two of them could not escape today?

While they were both staying in the room in fear, the door of the room that was locked suddenly banged!

Then I saw a skinny old man with half black and half white hair walking in step by step!

Master in the gate of hell: Ruan Zixiong!

After walking in, Na Qiu covered the wound with a bloodied hand, and his other hand was clenched with a fist, staring at Ruan Zixiong with stern eyes.

And what about Old Monster Ge? But he was staring at the visitor with horror.

"Huh, hiding here?"

"Don't you think you can still live today?" Ruan Zixiong suddenly said gloomily.

As Ruan Zixiong said this, Na Qiu endured the stinging pain in his body, and asked Ruan Zixiong coldly, "Who are you bastard? Why do you want to kill us?"

Ruan Zixiong suddenly laughed wildly: "You'll know when you go to hell!"

After he said it in a terrifying cry, then both palms viciously attacked the Aqiu in front of him!

Ah Qiu was severely injured, bloodstains constantly popping up in his chest, but he still fought desperately, and did not give in at the moment, gritted his teeth and endured the pain.

With a sharp left fist, Ruan Zixiong passed by, and then Ah Qiu quickly attacked two moves!

But these tricks were easily avoided by Ruan Zixiong!

From this point of view, A Qiu is not the opponent of Ruan Zixiong! What's more, Ah Qiu is still suffering from such a serious injury.

After a few attacks, A Qiu panted for breath, the blood in his chest flowed even more, and all his clothes were dyed red.

He bends over, endures the sting of his body hard, facing Ruan Zixiong in front of him. ,

Ruan Zixiong looked at Ah Qiu with a sneer: "I want to see, how much blood you have to shed!"

With Ruan Zixiong saying so, he attacked again!

Ah Qiu struggled to resist, but how could he be this guy's opponent?

Without ten moves, A Qiu was slapped on his chest by Ruan Zixiong, and with a bang, A Qiu's body was knocked to the ground, a mouthful of scarlet blood spurted out of his mouth, and at the same time, on the chest The open wound even shed endless scarlet blood...

His body is getting weaker and weaker, and his face is as pale as white paper, struggling, as if he wants to get up and fight again!

"A Chou!"

"You son of a bitch, I did it with you!" Old Monster Ge rushed towards Ruan Zixiong with a roar.

Old Ge's combat effectiveness is very weak!

He was the weakest among the brothers. At this moment, he watched him rush towards Ruan Zixiong, but when he saw Ruan Zixiong sneer, he turned his hand and grabbed the old monster Ge directly.

Old Monster Ge saw that Ruan Zixiong had caught him with one move, dodged his body, and then tried to hit the opponent with a hard punch.
