

Picked a Killer as My Wife

Chapter 16: the truth

Li Tian certainly knows what Kyoto is, a major international city, extremely prosperous, and an international hub business center.

"Yes, I'll find one for you." Situ Ningbing took out a jade finger from his arms and handed it to Li Tian in front of him.

When Li Tian took the white and transparent jade pull finger in doubt, he couldn't help being taken aback.

"Why are you giving this to me?" Li Tian asked wonderingly.

"You go to Kyoto and find someone called Qiu Si. After you find him, he will take care of you." Situ Ningbing said slowly.

"Qiu Si?" Li Tian was slightly taken aback.

"Yes, when you point Jade to him, he will know what to do." Situ Ningbing said.

Li Tian couldn't help feeling his head for a long time: "Why should he take care of me? Why should I look for him? Who is he?"

"You'd better not ask if you shouldn't ask, then you will know it yourself." Situ Ningbing glared at Li Tian.

"If you don't want to go to Kyoto, stay here and wait for death by yourself, or be locked up in a cell for a lifetime. Anyway, there are so many dead people in your house, and the police will come soon. And the people in (Qisha) will learn about them. After the people of dies here, they will definitely send someone over. Then, don't blame me for not reminding you."

After Situ Ningbing said so, Li Tian suddenly became depressed.

What she said is not bad. It seems that she really had to leave Liaocheng quickly. There are four corpses hidden in her room. Although he didn't kill him, how can you make it clear? If this is really worn by people from the Public Security Bureau, Li Tian won't have to go to jail for a lifetime?

When Li Tian suddenly thought of this, his egg broke, and it seemed that he was really going to Kyoto.

"Well, I'll go to Kyoto to find Chou Si." Li Tian said slowly.

Situ Ningbing nodded silently, but murmured in his mouth: You saved my life, and I can only help you here.

"Your name is Situ Ningbing, right?" Li Tian suddenly looked at her and asked.

Situ Ningbing said lightly: "What's the matter?"

"Nothing, hehe, I just think your name is the same as yours, so beautiful." Li Tian said shamelessly.

"Humph!"

"Do you believe it? Situ Ningbing, one day you will be my Li Tian's wife." Someone said.

The corner of Situ Ningbing's mouth showed a shallow arc.

"Perhaps...but wait until you have the strength to marry me."

Li Tian looked at her graceful figure, secretly swearing in his heart, I will not marry you in this life, I am a pig!

"By the way, why are you going to be a killer?" Li Tian asked.

Situ Ningbing snorted coldly, as if she was taboo about her.

Li Tian didn't think that others would answer to himself, and stayed aside, asking himself boringly.

"Many years ago, there was a little girl who was very lucky. She was born in a big family with a lot of money. She was very smart and cute since she was a child. So the whole family liked it. Unfortunately, such lucky days did not last long. When she was 6 years old, when she came back from kindergarten suddenly, she was kidnapped by a stranger. Since then, she has been taken to a strange place. She doesn't know where it is or what kidnapped her. She only knew that the place was a closed island. There were many children like her on the island. Most of those children were kidnapped just like her. She was scared. She often hid in the corner alone and cried, but the strangers beat her and kept her from crying, and were hungry for her, so that one day another little girl who was arrested like her (Xiaomei) Tell her that when she comes here, tears are no longer worth a penny, because here, there is no family, no sympathy, and no compassion. Some are just cruel training and inhuman torture. If you want to leave here, She had to accept many tests. From that day on, the 6-year-old girl began to receive cruel training until she was 13 years old. During this time, the girl had only one friend, and that friend was the little girl (Xiaomei). But one day, the group of people who trained them suddenly came up with a plan. The plan was to kill people and kill the closest people around. So the little girl unfortunately got along with her only friend, Xiaomei. The time for the decisive battle has come. In the victory field, only one person can come out alive.

Although Xiaomei has a very good relationship with her, but there can only be one person alive here, or both of them have to die. So desperately started, just At the beginning, she kept giving way to Xiaomei, but when she was injured several times by Xiaomei, she became angry, so she was cruel, and when she had the last move, Xiaomei did not dodge She did not escape, she was killed by a knife with a smile on her face. The little girl never dreamed that her friend did not escape... She was stunned. When she was dying, Xiao Mei told her that you must live and be strong Get out of here. Since there is only one of the two people alive, then you are alive. When it comes to this, she died. And that little girl? Finally, I learned that the reason why Xiaomei hurt her on the court, In order to make her mistakenly kill herself, because only in this way can she live, she lives. She walked out alone with blood all over her body, and she cried for a long time that night, for a long time, in front of her friend's body, From that night on, she seldom spoke, and never cried anymore. She started cruel training, and finally she succeeded. After being trained, she left the place and became a killer, a cold-blooded killer. She killed She didn't even remember how many people there were. She only knew the tasks assigned to her, so she acted. Finally one day when she killed another mother and daughter, she saw her daughter blocking her bleeding mother. When crying earlier, her heart softened, so she let go, she was tired, she wanted to leave that kind of killer career, but the organization didn't allow it, she wanted to go home. She returned to the home where she had left since she was a child, but when she went back, she found that no one in the family knew her anymore. Since she was 6 years old, the family had always thought she was dead, so she slowly remembered her memory. To be buried, when she discovered all this, she did not go back to the house, just glanced at her mother and father through the window. She was gone... But she was killed because the last assassination mission was unsuccessful. Organizational chase. "

When Situ Ningbing said this, she paused and didn't say a word.

What about Li Tian? I was completely stunned there, without thinking that he knew who she was talking about? He never thought that there would be such a legend in her body...

After touching his head, Li Tian wanted to say something to comfort Situ Ningbing, but he couldn't find a word after thinking for a long time.

"Don't worry, wife, I will be nice to you in the future."

"Who dares to make you sad again, who dares to make you cry again, I was the first to kill him."

Someone held back for a long time and finally came out a sentence,

But it made Situ Ning glance at him coldly, and he almost sat on the ground in shock.
