

A Killer 1601

Chapter 1601: All dead

But when he fisted over, he found that Ruan Zixiong's figure had long since disappeared!

Just as Old Monster Ge was surprised, a cold hand suddenly pinched his neck!

Suddenly Old Monster Ge felt a suffocation...

His face began to twist continuously...struggling, trying to get rid of Ruan Zixiong's arm.

"Old Ge..."

But Ah Qiu who was seriously injured over there, when he saw Old Monster Ge was pinched by this guy, he roared and rushed over with a little strength behind him, but just as he rushed over, Ruan Zixiongfei With a kick, he kicked directly on Ah Qiu's chin, with a bang, he was kicked out again... and then fell heavily on the cold stone floor, even the black sunglasses that he was wearing all the time. Also knocked down!

A pair of bright and hateful eyes were revealed.

This time, Aqiu couldn't get up because his injury was too serious!

The blood in his body was almost draining, his face was as pale as a ghost, and his lips were trembling...

He could only watch Na Ge being pinched by Ruan Zixiong's neck!

Old Monster Ge wanted to struggle, but it was in vain!

I saw that Ruan Zixiong's eyes had revealed fierce murderous intent!

He tightly squeezed Old Ge's hand harder and harder, his eyes were bumpy, and his body was struggling...struggling...

It's a pity that there is no way to return to heaven!

In the end, Ge Lao's jealous eyes seemed to be protruding, dull...The black spots in his pupils also began to gradually extinguish the flame of life...Finally, Ruan Zixiong's arm pressed hard, and he made a click. Broke the poor old Ge's neck alive!

With a bang, Old Ge's body fell from the air!

Old Ge is dead!

Poorly die here!

"Old Ge..." Seeing the tragic death of Old Ge in the hands of Ruan Zixiong, Aqiu cried out in pain and crazily.

He was covered with blood, and that pale ghost-like face revealed endless hatred and grief...

"It's your turn!" Suddenly a grinning laugh came from Ruan Zixiong's mouth! Then he walked towards Ah Qiu step by step in the footsteps of death!

Ah Qiu was dying and his oil was completely dry, but at this moment he suddenly raised those ***** eyes, and endless hatred erupted in his eyes and glared at Ruan Zixiong: "You will die...you will die. It's miserable, my brothers will definitely avenge us..."

His voice was like a death curse...

When Ruan Zixiong heard A Qiu say this, he just gave a gloomy smile, and then his palm rose!

With a bang, heavy palms hit Ah Qiu's Heavenly Spirit cover!

Ah Qiu's head hit the icy floor hard, his head was battered... his head tilted and he died!

Poor Ah Qiu was just as killed by the people at the gate of hell!

In a blink of an eye, two of Li Tian's best brothers died!

Who could have imagined that when Duguxie and the ghost servants went to cooperate with Lord Vengeance, Aqiu and Old Monster Ge died tragically at the Grand Hotel!

At this moment, Haocheng Hotel is still killing...

Because the members of the Situ family have not died yet!

In the corridor, with a loud shout, Situ Xiong knocked down the two masters of the ***** gate again!

Situ Xiongguo really deserves to be the Patriarch of the Four Great Families. In a blink of an eye, 6 masters of Hell Gate have been killed in his palm!

But what about Mr. Deng over there?

A steel knife is also invincible!

After beheading 45 people in a row, Mr. Deng also got a few stabs, but Mr. Deng didn't seem to care about his injuries, he was still fighting fiercely there.

There are so many people watching Situ Xiong at the gate of hell... and there is also a dark-skinned terrifying man who hasn't taken any action. He knows that he can't love fighting at this moment, but can only escape!

With a roar of both palms, after shaking back several ***** gate masters around him, he turned to the old Deng and shouted, "Old Deng...find a chance to go!", after he finished speaking, he leaped towards him. Escape from the elevator exit on the side.

When Lao Deng heard the Patriarch's words, he chopped to death a master of ***** gate with a steel knife in his hand, and then hurriedly followed Situ Xiong and ran towards the elevator.

The gatekeeper of ***** behind saw that the two men wanted to leave, so they were willing to let it go, and immediately pursued them.

Deng Lao ran, while facing the Hell Gate Master Yi with a steel knife in his hand, and Situ Xiong here had already reached the elevator door.

Although they reached the exit of the elevator, the master of the gate of ***** was chasing them. They didn't have time to enter the elevator, let alone escape.

The masters of the ***** gates in front of them have all gathered around.

In the ***** battle, Situ Xiong's palms attacked the four directions, and Deng Lao? The steel knife in his hand also swung fiercely.

Is it such a tragic death here today? A sad thought suddenly emerged in Situ Xiong's heart!

The skills of these people in front of them are very high, and there are a large number of them. Seeing that they are all being forced here... What can they do?

Although Elder Deng might be fierce, his body was severely injured at this moment. After all, there were too many people on the other side.

Elder Deng was covered in blood. At this moment, after slashing a master at the gate of ***** with a stab, he suddenly turned his head full of blood and said to Situ Xiongdao: "Patriarch...I Deng Zixian can't protect you... .."

"If there is an afterlife, I will protect you, Patriarch in my next life!"

After Deng Lao suddenly said such a sentence, Situ Xiong was taken aback!

"Dong Deng?"

Then I saw Mr. Deng suddenly pressing open the elevator door, but went behind him and was stabbed in the back by the master of Hell Door!

Old Deng spit out a mouthful of blood and looked at Situ Xiong, "Patriarch...hurry up...hurry up..."

Exhausting the last bit of strength behind him to say these words, Deng Lao suddenly twisted the steel knife in his hand and slashed the ***** gate master's neck with a single knife, and the man was instantly hacked to death!

And Situ Xiong also took this opportunity to rush into the elevator!

I looked at the old man Deng, but saw that old man Deng was shopping alone with the master at the gate of hell...

Situ Xiong's eyes were red, and his mouth muttered in pain, "Gong Deng..."

He wanted to save, but unfortunately he couldn't save it...because if he really went out to save Old Deng, he would definitely die too!

But what about Mr. Deng? In order to protect his owner, he finally chose to fight to the death!

He slashed with a knife, and finally dragged the masters of ***** gates alive with his body.

The elevator door closed bit by bit, and Deng, who was blocking the elevator doors with his flesh and blood outside, was eventually hacked to death by the ***** door master!

With a bang...

The elevator doors finally closed!

And what about Mr. Deng? He also fell to the ground covered in blood. He didn't know how many knives he had suffered and how many injuries he had suffered, but at the moment when the elevator door was closed, a smile appeared on his face!

He fell into a pool of blood with his eyes open!

died!

Chapter 1602: Lord Vengeance is not here

Life is impermanent, and who is dead and who lives, maybe there is a certain number in the dark!

Regardless, Li Tian's two best brothers, Aqiu and Old Monster Ge, have died tragically! They died unjustly and sadly. The saddest thing is that no one knows the news of their deaths.

When Aqiu and Old Monster Ge died, the Duguxie who had just arrived at Cuiweiju suddenly throbbed his heart, and then a feeling that made him extremely flustered came into being!

Standing in front of the gate of Cuiweiju, that Duguxie felt for the first time that there was something blocking him in his heart, making him very uncomfortable.

Tang Xiaolong and the ghost servants on the other side were shocked when they saw Duguxie's complexion suddenly change, and when they stood still there.

Looking at him, he asked, "Senior Dugu, what's wrong with you?"

"Second brother, what's the matter?" The ghost servant was also curiously looking at Duguxie.

I saw Duguxie's face a little ugly...stopped there.

After a long time, he raised his ugly face and suddenly said, "Why do I suddenly feel particularly uncomfortable in my heart... It seems like something big happened."

Listening to the words of Duguxie in front of him, all the brothers were not only taken aback, but stared at him with blinking eyes.

"Senior Dugu, what's the matter?" they asked in surprise.

I saw Duguxie trying to contain her inner panic, saying: "I don't know, but I faintly feel that something bad has happened."

"A bad thing?" Hearing Duguxie's words, Tang Xiaolong and Xue Wuhen were slightly surprised.

After a pause, Duguxie said, "Forget it, maybe I think too much."

He comforted himself and said that after hearing Duguxie's words again, the brothers didn't say much.

"Let's go, let's go find the revenge young man."

Duguxie finally said.

The brothers nodded, and then followed Duguxie in front of him and walked in towards Cuiweiju.

After reaching the place inside, they saw the members of Lord Vengeance.

"Hello, we are here to find Lord Vengeance." When Duguxie walked forward, he said to the subordinate of Lord Vengeance.

I saw that Lord Revenge's subordinates at the door saw this Duguxie and they were the people who had been personally invited by the son the day before yesterday, and said slightly, "Sorry, our son is not here now."

"He's not there?" Tang Xiaolong asked in surprise when the members at the door said so.

After Tang Xiaolong asked in surprise, the Vengeful Lord's subordinate nodded and said, "After our son went out last night... we haven't come back yet... so please come back."

Listening to the doorman saying that, Du Guxie and the brothers were all curious!

"Where did the Lord Vengeance go? Last night, I heard that your son was fighting the old Yin and Yang demon alone. Is this true or false?" Tang Xiaolong asked next to him.

The guard seemed reluctant to say more, saying in there, "Something happened with us last night. Actually, we don't even know where our son is currently."

"The only thing we know is that the reason why the son didn't come back overnight last night was because of a woman." said the guard.

Listening to the words of Lord Vengeance's subordinates, the Duguxie in front of them became more and more puzzled.

"A woman?" Xue Wuhen asked, frowning.

"Yes!"

"What woman?" Xue Wuhen asked again.

The guard member smiled awkwardly and said, "This...I won't talk more!"

"Several people, let's go back...When our son comes back, I will tell him, just say that a few have been here." The guard said.

After Duguxie and the brothers heard the guard say so, they could only nodded depressed.

Originally, they wanted to join forces with the Vengeful Young Master to deal with the Yin-Yang Old Demon, Long Yin and others... But never thought that the Vengeful Young Master was not here, but went out? Where is he? Why didn't you come back all night?

Although Duguxie and the brothers were extremely curious, they still said helplessly: "Okay! Then it seems that we also ran for nothing!"

"Little brother, when you come back, please tell him for us, I will thank you here first!" Duguxie said, looking at the guard member.

The Vengeful Lord's subordinate smiled and nodded and said, "Okay."

So that Duguxie could only take the brothers in front of him back.

After returning to the car, the brothers were listless.

"Hey, I didn't expect that Vengeful Lord was not there? It's really **** to make us go so far..." Tang Xiaolong said depressed.

"Forget it, just wait...Anyway, we've been waiting for so long!" Xue Wuhen said.

"Yes, Wuhen is right. We've been waiting for so long, so don't you care about this!"

"Go, go back."

After speaking, but seeing Tang Xiaolong in front of him, he started the car, the car snorted, and then drove quickly towards the Haocheng Hotel.

They are coming back!

"Old Monster Ge, and Ah Qiu, who doesn't know what his mother is doing in the hotel?" Tang Xiaolong muttered in his mouth while driving the car...

Chen Qiaozhi next to him: "What else can Old Ge Ge do besides sleeping?"

"Haha, too!" they chatted on the road.

They thought that Aqiu and Old Monster Ge were alive, and they never expected the terrible scene they would see after returning.

After the car drove for more than half an hour, they finally saw the Haocheng Hotel!

At this moment, seeing Tang Xiaolong driving quickly to the entrance of the lobby of the Haocheng Hotel, he stepped on the brakes and stopped.

After seeing Da Hotel, the brothers all jumped out of the car one by one.

After they jumped out of the car, they walked towards the lobby of the Haocheng Hotel.

As he fast-entered the hall, Ecstasy's cold eyes glanced at the empty hall, and an extremely strange feeling suddenly formed in his heart... but he didn't say! But quickly walked in.

The other brothers didn't seem to feel much, and one by one came in from outside.

"What about people? Why are there no guards in the hall?" Du Guxie asked in surprise immediately after walking in.

The lobby of the empty Haocheng Hotel is indeed empty!

You know that after the attack of the old Yin and Yang demon last time, people in this hall will be sent down to guard every night... But now? How could there be no one?

Chapter 1603: Hatred

With the words of Duguxie in front of him, the brothers were also taken aback.

"Huh, ah? Where are the members of the guard hall?"

"Could it be that Chengdu is **** lazy?" Tang Xiaolong muttered in that mouth.

The brothers also stood there one by one, looking around curiously!

Suddenly, Duguxie's eyes lit up, and he walked quickly to one side. When the brothers saw Duguxie's weird behavior, they were all taken aback.

"Senior Dugu, what's wrong?"

"Second brother..."

When they saw Duguxie walking quickly towards the place, they all followed one by one in surprise.

But after seeing Duguxie walking over, he suddenly saw the blood stains left on the ground... Though the blood stains were completely dry, they were still vaguely visible.

"Not good!" Suddenly the two words came out from Du Guxie's mouth.

The brothers behind him were all taken aback when Du Guxie suddenly said this.

"What's wrong, brother?" Ghost servant hurriedly came over and asked, and all the brothers gathered around at this time.

Duguxie said coldly, "Blood?"

"Look, how can there be so much blood here..." Duguxie said suddenly.

Following Duguxie's words, the brothers all looked down at this moment, God, there were **** dry blood stains on the ground.

When they saw these bloodstains, they suddenly felt a little in their hearts, then raised their heads to look at me one by one, I look at you...

"Something happened? Did something happen here?" The ghost servant suddenly said in shock!

"Quickly, go upstairs and take a look." Duguxie said suddenly.

After he finished speaking, he hurriedly ran in the direction of the elevator. As he ran, Tang Xiaolong and Xue Wuhen all followed.

After arriving at the elevator door, quickly press the elevator. After the elevators opened with a ding-dong sound, all the four walls inside the elevator were covered with scarlet blood...

what! ! !

After seeing these terrifying bloodstains, the brothers in front of them couldn't help but scream!

"what happened?"

"What happened here?"

"There must be something wrong! Something has happened."

This is the biggest question in every brother's heart at this moment! At the same time, they are even more worried about the Aqiu and Old Monster Ge here.

The brothers hurriedly entered the elevator with an ugly expression. Apart from anything else, they quickly pressed the 8th floor of the elevator. After pressing the elevator button, the elevator slowly began to rise.

The elevator rises little by little, and everyone's worries are getting worse.

After the elevator finally stopped on the 8th floor, they couldn't wait to get down to the elevator in front of them!

But when the elevator door suddenly opened, the astonishing scene before him completely shocked Duguxie and the brothers!

Blood, and the corpse!

The blood stained the entire cold floor tiles, and there were corpses after another on the ground!

"Oh my God!"

"What the **** happened here?"

"This? This is Elder Deng... Is he the Elder Deng of the Situ family?" Suddenly Tang Xiaolong recognized Elder Deng who had fallen in a pool of blood.

The brothers in front of him quickly came over.

But seeing that old Deng was covered with blood in a pool of blood, his eyes were open... but he didn't breathe at all. There were at least twenty wounds on his body. Every knife was not fatal, but made Deng alive. The old blood bleeds, like it dries to death.

Seeing the dead Deng Xie, Duguxie felt an extremely bad feeling in his heart, and reached out his hand to probe Deng Deng's breath...Finally Duguxie shook his head helplessly.

"He's dead!" Du Guxie sighed.

Hearing Duguxie said so, my brothers were all shocked here!

Looking at the wound on Old Deng's body, the brothers felt an unprecedented horror in their hearts.

"Old Ge, A Chou!" Tang Xiaolong suddenly exclaimed!

"By the way, Elder Ge, where is A Qiu?"

With Tang Xiaolong's exclaim, the brothers reacted and ran towards the corridor on the 8th floor like crazy...

In the corridor, but there were blood stains all over the floor, and corpses!

Most of them are strangers in black robes...These people are strangely dressed and unfamiliar, and look like enemies!

But at the moment Duguxie and his brothers didn't care who these enemies were, because what they were most worried about was Na Qiu and Old Monster Ge.

"Aqiu, Old Ge..." The brothers yelled in surprise while running toward this side.

It's a pity that there was no echo in the empty corridor full of blood stains!

The brothers ran forward, the more they felt wrong!

Finally they arrived at Ah Qiu and Old Monster Ge's room!

With a bang, as Tang Xiaolong pushed open the door in front of him, Duguxie and all of them froze there!

What did they see?

Saw blood...and the corpse!

Yes, they saw the old monster Na Ge's body in the cold room full of blood stains.

Old Monster Ge fell on the ground, his neck was completely broken, and his face turned purple and blue, even his eyes were still open...don't stare!

"Old Ge!"

Looking at the corpse of Old Ge on the ground, Tang Xiaolong, Chen Qiaozhi and others ran in like crazy, hugging the corpse of Old Monster Ge... and shouting the name of Old Ge in pain.

It's a pity that Old Ge is dead, and even the body has become completely cold!

"How can this be? How can this be?" the brothers asked angrily in that **** eyes.

"Where is Aqiu?"

"Where is Aqiu?"

Suddenly Xue Wuhen saw Ah Qiu lying in a pool of blood... but seeing Ah Qiu's death was even more tragic. There was a cold head stuck in his chest, and his entire head was heavily palmed. Directly smashed... the head has been completely deformed in the pool of blood.

"Aqiu..."

"Aqiu!" Seeing Aqiu also died on the ground, Tang Xiaolong was so angry that his eyes seemed to be bleeding!

Holding Ah Qiu who was covered in blood with both hands, Tang Xiaolong shed tears of blood.

"Aqiu, my good brother..."

The brothers beside him also knelt there in pain, looking at the dead bodies of Aqiu and Old Monster Ge on the ground.

"Who killed them?"

"Who the **** killed my brother?"

"I want revenge!!!"

"Vengeance!" Suddenly Tang Xiaolong stood up like crazy, roaring with endless hatred in his eyes.

The hatred has been completely buried in the hearts of all the brothers, I saw everyone standing there in grief and anger!

On the ground are their good brothers who have been together for so many years, but now... now they have been killed so much, how can they not be angry? How can't you be angry?

Chapter 1605: Lord Vengeance is back

Hatred filled the brothers in front of me.

Everyone looked at the corpses of Aqiu and Na Ge on the ground with endless sadness on their faces.

In the end, Chen Qiaozhi's eyes were red, and he slowly moved the bodies of A Qiu and Old Monster Ge out of the pool of blood, and put them aside.

Looking at the corpses of the two brothers on the ground, everyone bowed their heads deeply, grief there.

"Who did it? The **** did it?" a roaring voice called out from Xue Wuhen's mouth.

I saw that Duguxie strode out suddenly, and then went to look at the black-robed man's body in the corridor outside.

After reaching the corpse of one of the black-robed men, Du Guxie saw the face of the black-robed man in front of him.

But I saw that the corpse on the ground was a middle-aged man in his 30s. At this moment, his heart seemed to be shattered by a palm and died on the ground. There are also a few black-robed men's corpses over there. .

These people in black robes are all pale, and there is a purple-red thing on each person's arm that looks like a birthmark.

Looking at these black-robed men, Duguxie suddenly said, "The gate of hell!"

"The people at the gate of ***** did it."

When Duguxie suddenly guessed who it was, all the hatred brothers over there ran over.

"The gate of hell? Did the people at the gate of hell?" the brothers asked with blood red eyes.

Duguxie said coldly: "Yes."

"These people in black robes should all be from the gates of hell!" Duguxie said.

Tang Xiaolong slammed a fist against the cold wall, and roared with blood-red eyes: "Damn bastard, bastard... They must pay their debts and avenge Aqiu and Ge Lao." His fist slammed. On the cold wall, all five knuckles were smashed with red blood, but he didn't seem to care about the pain, just staring at it with eyes full of blood and anger.

Grief is permeating the brothers.

Everyone's face is extremely sad.

After they finally sorted out the bodies of Na Ge and A Qiu, they sat in the room sadly.

Everyone bowed their heads deeply and did not speak, and the heavy sadness made them seem to completely lose any interest in speaking.

This day is destined to be a sad day!

No one thought that such a tragic event would happen in such a short time.

Old Ge, Ah Qiu is dead!

But what about Li Tian?

He still didn't know, really didn't know how sad he was when he learned of the death of his good brothers! ! !

When Cuiwei stayed overnight, Lord Vengeance didn't come back.

The smiling Buddha and Jiang Dashan didn't know where their son went this night.

When it was almost 12 noon, I saw a figure of Cuiweiju slowly appearing at the business hotel.

When the members at the door saw his figure, they ran over excitedly.

"Master!"

"My son, you are finally back."

Yes, I saw that the person who came back was the Vengeful Prince who disappeared overnight.

He was still wearing that old mask, his wrinkled face and his eyes were confused and sluggish...

When the brothers' voices yelled out, he didn't seem to have reacted, and he took a weak step step by step. come over.

When the men in front of him saw the weird expression of Prince Vengeance, they didn't dare to speak too much, but followed him closely.

There was blood on the upper arm of the Vengeful Young Master's right arm, but the blood had already been removed, and he walked inside step by step.

At this moment, Yun Canghe heard the sound and ran out quickly.

At a glance, he saw the vengeful young man who was a little lost.

"You finally came back." Yun Canghe said with excitement after walking over.

The Lord Vengeance finally came to a moment, a bitter smile appeared on the corner of his mouth... he didn't speak.

Looking at the bitter smile on the corner of Prince Vengeance's mouth, Yun Canghe immediately asked, "Did you not find the man and the woman?"

The Vengeful Young Master sighed long and nodded worriedly there.

"I searched all night, almost the entire Binjiang City... but I didn't find Ningbing and the others from the beginning to the end!" The Vengeful Master's voice was full of endless worry.

As the Vengeful Prince said so, Yuncanghe in front of him said, "It doesn't matter...that girl must have been hiding, or they should go home."

The Lord Vengeance looked into the distance, and the corner of his mouth murmured: "Hope..."

"But what I fear most is that Ningbing and the others fall into the hands of the old yin and yang demon." The Revenge Master said.

"If she falls into the hands of the extremely cruel Yin and Yang old demon, it will be broken." He added.

Yuncanghe looked at the vengeful son with a worried expression on his face, and said with a slight comfort: "Don't worry, Ji Ren has a natural state... I believe that girl should be fine!"

"Besides, the Yin-Yang Demon has been seriously injured by you... Even if that girl really meets the Yin-Yang Old Demon, she must be able to escape." Yuncanghe said.

Lord Vengeance did not speak, but just stood there blankly.

In fact, what Yun Canghe just said is somewhat reasonable. After all, the old Yin and Yang demon was severely hit by his Ten Jue Sword Qi, and the old demon had been severely injured. If nothing unexpected happened, he would be Situ. If Ningbing encounters the old Yin-Yang demon, it is indeed difficult for the badly injured old demon to take Situ Ningbing.

After comforting himself for a while, Lord Vengeance finally made a smile.

"Well, maybe Ningbing and the others are indeed hiding..." The Revenge Master said.

Hearing the words of Master Vengeance, Yun Canghe showed a slight smile.

"By the way, when you were away this morning, someone came to see you." Yun Canghe suddenly said to Lord Vengeance.

The Lord Vengeance heard Yun Canghe say this, so he asked, "Who is looking for me?"

"Duguxie and the ghost servants... they seem to have agreed to cooperate with you." Yuncanghe said.

After hearing Yun Canghe say this, the revenge man in front of him suddenly became excited.

what?

"Duguxie, and the brothers have agreed to cooperate?" Lord Vengeance said suddenly.

Yuncanghe smiled and said, "Yes."

"They came once at about 10 o'clock in the morning, but you just stopped at that time... So our people sent them away... I believe they will come to us soon."

Chapter 1606: You must leave alive

After Yuncanghe in front of him said so, Lord Vengeance frowned slightly.

Then silently nodded and said: "Okay, I see."

"I'll take a rest first." The Vengeful Master turned his head and said.

Then Yun Canghe didn't say anything too much, so the Revenge Prince turned around and walked towards his room.

Last night, Lord Vengeance stayed up all night. At this time, he was quite sleepy, but his heart was really worried about Situ Ningbing.

After returning to the room, he continued to comfort himself with Li Bin in his heart: Ningbing must be fine...Ningbing must have gone home...

In this way, he kept comforting himself in his heart, and Lord Vengeance slowly began to fall asleep in the bed.

When Lord Vengeance was asleep, the smiling Buddha and the injured Jiang Dashan had visited twice, but because the Lord Vengeance was sleeping, the two dared not go in and disturb.

I don't know how long Lord Vengeance has been asleep, suddenly his body began to agitate on the bed.

At the same time, that face became a little impatient and ugly, and drops of cold sweat began to flow down his forehead.

He seems to be dreaming...what a terrible nightmare!

Yes, Lord Vengeance did have a terrible nightmare!

In his dreams, but seeing the Vengeful Master suddenly saw a terrible scene, he saw his favorite Situ Ningbing was caught by the Yin-Yang old demon, and Situ Ningbing's whole body was injured, and the Yin-Yang old demon was on his face. With a **** smile, she was tormenting her favorite one...

When he dreamed of this scene, he yelled like crazy in his dream, trying to save Situ Ningbing in the past, but no matter how he called or shouted, there was no sound! It seems that he can only watch his lover suffer pain...

what

With a scream of surprise, Lord Vengeance suddenly woke up from the terrible nightmare.

Suddenly he straightened up from the bed, but saw that his back was completely drenched with cold sweat, and his entire head was covered with sweat, just like a person just coming out of the bathtub.

He was breathing heavily, bloodshot eyes in his eyes...

dream!

It turned out to be a nightmare by myself!

After finally waking up, Lord Vengeance couldn't help but breathe a sigh of relief.

Reaching out his hand and touching the cold sweat on his face, he tried to wake up his head a bit, then slowly turned around and looked at the sky outside the window!

it's dark!

Unconsciously, Lord Vengeance had already slept all afternoon!

Looking at the dark sky, Lord Vengeance finally got off the bed, and then slowly walked to the window by himself... Lifting his eyes and looking at the endless darkness in the distance, he suddenly whispered in his mouth. : "Ningbing...Where are you?"

In a room full of dampness and darkness, I saw a dim light bulb shining inside!

Under the sluggish light, only two people were chained motionlessly.

He looked at it in amazement, but saw one of them was tied with iron chains with his hands and feet, and his whole body was covered with blood... His originally handsome face was tortured and became horrible.

Lie there as if fainted.

The other is a beautiful woman, but it's a pity that her pretty face is also pale and terrifying, her body is dirty, and her hands and feet are tightly tied with iron ropes.

These two people are undoubtedly the seduced ecstasy and Situ Ningbing.

At this moment, Situ Ningbing was also in a coma, lying there motionless.

I don't know how long it has passed. Suddenly, Situ Ningbing's body seemed to move... Then after waiting for about a minute, her beautiful eyes slowly opened.

The moment she opened her eyes, she was stunned!

"What is this place?"

"Why am I here?"

Then she saw the ecstasy in front of her at a glance.

At the moment when he saw his brother covered in blood, Situ Ningbing exclaimed, "Brother..."

But the ecstasy did not react at all!

"Brother...Brother..." Situ Ningbing called again, but the ecstasy still didn't react at all.

Situ Ningbing wanted to stand up, but when his body moved, there was a clattering sound of iron chains on his hands and feet. He looked down, my God, it turned out that his hands and feet were all

tied with heavy iron chains... She wanted to struggle, wanted to escape the iron chain, but it was a pity that she pulled it a few times and found it in vain.

"Brother, wake up!" Situ Ningbing realized that he couldn't get rid of the iron chain in front of him, and his eyes were red and called an ecstasy.

The ecstasy is like death, and the whole person is motionless with his head down.

Finally, in the voice of Situ Ningbing's calls, the Ecstasy suddenly began to react a little, and there was a weak moan in his mouth.

When he heard his brother finally make a sound, Situ Ningbing's heart suddenly became excited.

Then continued to call the name of the ecstasy.

Finally, the ecstasy slowly awoke, but he appeared extremely weak, his face was as white and bloodless as white paper, and there was no light in his eyes.

"Ning...Ningbing..." Suddenly the ecstasy called Situ Ningbing's name weakly.

Seeing that his brother was sober, Situ Ningbing shouted excitedly: "Brother... it's okay... it's okay... you just need to wake up."

What about ecstasy? After just calling out his sister's name, she seemed to be weak, and was panting hard at the moment.

Finally after his painful gasp for a while, he looked at that Situ Ningbing and said with difficulty: "Ningbing...this...what is this...place?"

Situ Ningbing shook his head in pain.

"I do not know."

Hey!

Suddenly the ecstasy made a heavy sigh...cough cough cough, and at the same time coughed again in his mouth, a mouthful of blood coughed out of his mouth.

Situ Ningbing looked at the ecstasy with a worried look at the ecstasy.

"Brother, don't talk anymore...you have to rest first!" Situ Ningbing said.

But the Ecstasy insisted on there and said, "It's all... blame...I...I don't protect...I protect you..." The Ecstasy said to himself.

Hearing what his brother said, tears flowed from Situ Ningbing's beautiful eyes.

"Brother, don't say that!" Situ Ningbing said with tears.

The Ecstatic Envoy looked at Situ Ningbing as if he was dying, holding up that pale and terrifying face.

"Ningbing... promise... promise me one thing..."

When Situ Ningbing heard that the Ecstasy suddenly said this at this time, he shook in his heart, and looked at the Ecstasy in front of him in tears.

"Promise me...if...if...I'm dead...you...you...must get out of here alive!!!" Ecstasy said these words with difficulty.

Chapter 1607: Lied to me

"Brother, you won't die! You will never die..." Situ Ningbing said in front of her with red eyes.

But what about that ecstasy?

His face was as pale as dead gray, without blood.

One of his right arms was now abolished, and at the same time he was covered with blood, looking like a dying person, and couldn't help gasping.

"Ning Bing... promise me... you must promise me..." The Ecstasy was not very clear now, speaking in a daze in his mouth.

"Brother, don't say that! You won't die... won't die." Situ Ningbing said in tears.

At this moment, I saw the sound of footsteps in the dark and humid small room.

When suddenly heard the sound of footsteps coming, Situ Ningbing stared at the door with hatred eyes.

With a soft creak from the wooden door at this time, a guy with a silver mask came in at this time.

Long Yin!

After Long Yin walked in with a treacherous smile on his face, he glanced at the sober Situ Ningbing and the ecstasy.

"Asshole!"

"Let go of me... let me go!" Situ Ningbing shouted at that Long Yin.

At that moment, the half-conscious ecstasy made it difficult to raise his weak face at this time, and saw the terrible Long Yin.

Long Yin was scolded by Situ Ningbing, just standing there with a sneer.

"Long Yin...you... asshole... devil... one day... you will... will die." The Ecstasy also tried to spit out a few words from his angry mouth.

But seeing that Long Yin spoke at this moment, he sneered first, then looked at Situ Ningbing and the Ecstasy before him.

"It's over? Have you finished talking about it?" Long Yin suddenly asked with a smile.

The body of Situ Ning Bingqi couldn't help trembling, but it was a pity that her hands and feet were tied with heavy iron chains. Not to mention the ecstasy. After a word, the whole weak body was no longer there. strength.

"Since you scolded and said, then I should say it." Long Yin suddenly sneered.

"I heard that you two are brothers and sisters? Right?" Suddenly, Long Yin smiled and looked at Situ Ningbing and the ecstasy.

Situ Ningbing said angrily: "You bastard... whatever you do."

"Haha, it doesn't matter what my business is, but I care about his business." Long Yin said weirdly.

When Situ Ningbing heard the devil say this, he secretly said, who is this ***** guy talking about?

"You?" Suddenly, Long Yin stopped Situ Ningbing with a finger.

"Is Li Tian's woman?" He said a strange word.

When the words that Situ Ningbing is a Li Tian woman suddenly came out of Long Yin's mouth, Situ Ningbing's heart slammed...what does this demon mean by this sentence? What does he want to do?

"What the ***** do you want to do?" Situ Ningbing asked angrily.

But seeing that Long Yin suddenly laughed wildly: "Don't do anything..."

"Just next, I want to ask you a favor!" Long Yin smiled.

"Help?" When Situ Ningbing heard what the demon said, he suddenly became even more suspicious.

"Correct!"

"I heard that the kid surnamed Li is a man of love and righteousness... So, I want to use you to test that kid." Long Yin suddenly said with a treacherous smile.

Li Tian?

When Situ Ningbing heard that Li Tian who had been surnamed Long suddenly mentioned that she had been dead for more than two months, a huge sense of sadness surged from her heart.

Why would this demon mention Li Tian, who is now dead? What did he mean by the words he just said?

At this moment, not only was Situ Ningbing in front of him wondering, but even the ecstasy who was in a coma over there was slightly surprised.

"You demon...what did you say?" Situ Ningbing looked at Long Yin incredulously and asked.

But seeing Long Yin sneered: "Isn't what I just said is not clear enough? Haha."

When Situ Ningbing heard it, she was shocked.

"You said... You said... Li Tian is alive?" Very excited and shocked words suddenly came out of Situ Ningbing's mouth.

She seemed to forget that she was in a ***** at this moment, as if she had forgotten everything, only Li Tian in her mind.

For so many days and nights, Situ Ningbing was crying for loving him, sad for him...In her heart, she always felt that Li Tian would not die! now what? Now this demon says he wants to lure Li Tian out by himself? Isn't it... Isn't Li Tian dead?

After Situ Ningbing's shocked words were spoken, Long Yin suddenly frowned slightly and looked at Situ Ningbing in front of him and said, "What? Don't you know?"

"That ***** kid, didn't kill him in the Ouyang family that day! It's the biggest regret of my life!" Suddenly, Long Yin said coldly.

And what about Situ Ningbing? Upon hearing the news that Li Tian was not dead, the whole person was completely dull!

Her expression was filled with speechless excitement for a moment... because she heard the news that her favorite he was not dead for the first time.

Is it true or not?

"Li Tian...isn't dead...Is he really not dead?" Situ Ningbing muttered to himself like crazy.

"Yes, the kid surnamed Li did not die! But don't worry...he will die soon." Long Yin suddenly laughed.

But Situ Ningbing seemed to have not heard his words... She just murmured and repeated the words just now with her mouth: Li Tian is not dead... He is alive, he is still alive...

"Ningbing... don't... don't believe this **** Long Yin... he lied to you... he lied to you." Ecstasy suddenly said with blood-red eyes weakly on the side.

Ecstasy felt that Long Yin had deceived Situ Ningbing.

Situ Ningbing's mind turned, and he felt that what his brother said made sense. Li Tian had been dead for more than two months! If he is alive, why not come to find himself, not to find Duguxie them...

Is all this a lie that the **** Long Yin told?

"You lied to me... You damned devil lied to me... Li Tian died a long time ago, he was already killed by you," Situ Ningbing said suddenly in anger.

When Long Yin heard that Ecstasy and Situ Ningbing said this, he not only frowned there!

Sneered and said: "You don't believe what I said?"

"Damn devil, we won't believe your lies."

"Haha, interesting, interesting..."

"Unexpectedly, to tell you the truth, you still don't believe it... Hey, it seems that you will only believe it when the kid named Li comes here to die..."

Chapter 1608: Sword, sword spirit

"Forget it, since you don't believe me, let you go." After saying this with a sneer, Long Yin walked straight out of the dark and humid room in front of him.

"Asshole, devil..." Situ Ningbing was still cursing behind him, but it was a pity that Long Yin had already turned and left.

After Long Yin left the dark and damp room in front of him like this, Situ Ningbing's eyes trembled, and tears fell in her eyes.

"Ningbing...Brother...Brother knows...I know you feel uncomfortable...but...but that demon...really lies to us..."

"Because...because...Li Tian is dead, he is dead..." Ecstasy said with difficulty.

Situ Ningbing sat on the ground, the tears on her face fell like rain. Her heart hurts like a knife was cutting her heart deeply... To be honest, how she is I want to believe that Long's words just now! How she hopes that Li Tianzhen is still alive...

But is he still alive?

Staying in Situ Ningbing's heart at this moment is probably a difficult puzzle.

What about Long Yin? After finally telling the truth this time, Situ Ningbing and the Ecstasy didn't believe his words. At this moment, he could only walk out of the dark and damp room in front of him in dismay.

After he walked out, he saw that the place where he lived was an extremely barren place, and the surrounding walls seemed to have been trampled on... The whole courtyard was also overgrown with weeds, a symbol of death, and the house was even more empty. Except for the dust on the floor, there is a series of disgusting spider webs.

There are still piles of old furniture thrown around the courtyard...

It seems that this place is a no-man's land, and the old houses here are all old houses that are about to be demolished.

However, after Long Yin walked out, only a muffled sound came from the left side.

Long Yin walked over and took a look, but saw that in the hall of the deserted mansion, the yin and yang old demon with a disheveled hair was sitting cross-legged... His body was stained with scarlet blood, and his luck and dantian in his hands were motionless there. Healed his injuries with magic power,

Looking closely at his wound, there is a deep piercing sword mark on his chest, revealing hideousness.

But he closed his eyes tightly, and healed himself with a strange gloomy breath all over his body.

Looking at the yin and yang old demon who was using magic power to heal himself, Long Yin, standing behind him, suddenly showed a weird smile.

He stared at the yin and yang old demon unblinkingly with a terrible smile.

But he said that the old yin and yang demon who was healing, at this moment also seemed to suddenly feel the danger, suddenly his hands were slowly flattened, and then he pressured his chest, suddenly opened the pair of devouring eyes, staring at that one. Long Yin standing still behind him.

"What are you doing here?" Old Demon Yin and Yang suddenly roared, staring at Long Yin fiercely in front of him with devouring eyes.

But seeing Long Yin sneered: "Let me see your injury, can't it?"

Old Demon Yin and Yang did not speak, with a strange and ugly expression on his face.

"You were wounded by the sword?" Suddenly a word came out from Long Yin's mouth, his vicious eyes looked at the sword wound on the chest of the old Yin Yang demon unblinkingly.

"So what!" Old Demon Yin and Yang said ferociously with hatred.

"Hey, when did the kid surnamed Li learn to use swords? Why don't I know... and hurt you?"

"Old monster, did your ability suddenly decrease? Or did that kid surnamed Li suddenly increase in strength?" Long Yin said while smirking at the old Yin and Yang demon in front of him.

But seeing the yin and yang old demon roared, his eyes burst out with endless hatred: "If it weren't for me, how could that ***** kid hurt me? Humph!!!"

"Are you careless?"

"Really? But even if it's your carelessness, then you can't get such a serious injury... And, I can see that this sword in you is quite powerful." Long Yin looked at that. Old Demon Yin and Yang sneered!

Obviously Long Yin knew that the old yin and yang demon was lying!

Because he was not careless at all! But it really couldn't beat that Li Tian.

The old yin and yang demon was suddenly exposed to the truth by Long Yin in front of him. He couldn't help but screamed in rage. A thin hand suddenly grasped on the cold floor on the ground in front of him with a click. The front hard floor tiles were all shattered by his terrifying vigor.

Long Yin didn't care whether the demon in front of him was angry or not, and continued to sneer there and said, "Old monster, let's tell the truth..."

"It's not shameful for a person to lose, the most fear is to lose his life!"

"Old monster, do you personally think that your life is important? Or is it important for you to lose?" Long Yin suddenly smiled and said to the old yin and yang demon.

Although Old Demon Yin and Yang had an extremely ugly face, after listening to that Long Yin's words, he was also slightly taken aback.

Then, as if he wanted to understand, he slowly raised those terrifying eyes and stared at Long Yin in front of him.

"What do you want to know?" He suddenly roared at Long Yin and asked.

But listening to Long Yin sneered: "I just want to know, how did that kid surnamed Li defeat you? Why did his skill suddenly increase so much?"

Following Long Yin's question, his face became extremely ugly!

Enduring his terrible murderous aura, he finally slowly said, "That ***** kid... uses swordsmanship..."

"Sword?" Long Yin said in surprise.

"Yes!"

"My yin and yang old demon has never seen that kind of weird sword technique for decades... His sword moves are more terrifying than the evil sword Duguxie's sword... even weird..."

"Because I haven't seen him use his sword from beginning to end! The only thing I can feel is his sharp sword aura..." Old Demon Yin Yang added.

After Old Demon Yin and Yang said so, Long Yin frowned tightly.

Muttered in his mouth: In just over two months, has the kid surnamed Li become a good swordsman? Something is wrong! How does he practice?

After Long Yin thought so suddenly, his heart suddenly choked...Could it be that the **** kid understood the supreme martial arts on the heavenly book pill scroll?

After Long Yin thought so, his eyes became extremely enthusiastic in an instant.

It was as enthusiastic as a wild beast suddenly saw its prey.

"Moreover, that kid's internal strength has increased terribly..." Old Demon Yin and Yang suddenly added.

Chapter 1609: Terrible Dragon Yin

After he finished speaking, that Long Yin frowned and nodded silently.

"Long Yin... If you deal with that kid surnamed Li alone... I can guarantee that you will not necessarily be his opponent!" Suddenly the old demon Yin Yang looked at Long Yin coldly.

After the old Demon Yin and Yang said these words, Long Yin suddenly burst into laughter.

"Really? Do you really think that the kid named Li can beat me?" Long Yin sneered. At the moment Long Yin sneered, the surrounding air suddenly changed strangely... the bricks and tiles on the house over there. At this moment, I don't know why, there was a cracking sound... and even the surrounding broken windows began to crack.

The old yin and yang demon didn't know why, but at this moment, he felt the weird energy emanating from the whole body of Long Yin, as if he completely controlled the entire air...

He said nothing more! Because he has only now suddenly discovered the true strength of that Long Yin!

Gosh! The strength of this surname Long is so terrifying, so perverted.

Old Demon Yin and Yang suddenly realized that he was stupid, because he didn't realize until now that this treacherous Long Yin had not revealed his full strength in front of him from beginning to end.

How strong should he be? How powerful is it? No one knows so far!

Old Demon Yin and Yang looked extremely ugly at this moment, and the body of his disheveled body had already lost the arrogance he had before...His eyes were filled with a sense of despair.

"It turns out... It turns out... You have been hiding your true strength!!!" Old Demon Yin and Yang suddenly raised his head and said to that Long Yin.

"Haha!" Long Yin suddenly laughed wildly.

"Old monster, do you think that besides the master of the gate of hell, who else in the world is worthy of letting me use my real strength?" The words that looked down on the world suddenly came out of Long Yin's mouth.

I don't know why, this crazy word came out of his mouth, the old yin and yang demon seemed to be stunned, without refuting or answering.

This demon who once slaughtered the rivers and lakes, this yin and yang monster once regarded as a demon, unexpectedly turned into this moment in front of Long Yin...

"Will you kill me?" The old demon of Yin and Yang suddenly looked at Long Yin and asked a strange question.

When he asked this sentence, his eyes stared at Long Yin in front of him with blood red.

But seeing that Long Yin suddenly laughed again after hearing the words of the Yin-Yang old demon.

"Kill you?"

"No, no, no..." Long Yin suddenly shook his head and smiled there.

"Old monster, don't worry, I won't kill you, don't forget, we two are in the same group... Hey, besides, in the future, I still need you to help me do a lot of things." Long Yin said .

Listening to Long Yin's words, the yin and yang old demon didn't know why, and the terrible anxiety in his heart became stronger and stronger! Only now did he realize that the Dragon Yin next to him was far more terrifying than he had imagined, and even almost surpassed the master of the **** gate.

"Then what are you going to do now?" Suddenly Old Demon Yin and Yang looked at Long Yin and asked.

Long Yin stood with his hands on his back, and walked slowly in the deserted room, saying: "I want to solve the kid surnamed Li first!"

"I personally feel that Long Yin's biggest rival in this life is him! So I want to kill him first." Long Yin said coldly.

The old yin and yang demon said: "Kill him?"

"it is good!"

"Do you have a plan?" Old Demon Yin and Yang suddenly asked again.

Long Yin said with a treacherous smile: "Don't worry, I'm already ready!"

"This time, even if the kid surnamed Li has three heads and six arms, he might escape from my palm again! I must die!" A cold voice came out of the devil's mouth.

The yin and yang old demon's eyes also contained endless hatred, and he also wanted to kill Li Tian.

Because in the whole world, this is the first miserable defeat of the Yin-Yang Old Demon since he came out of the Devil's Cave.

"Long Yin...what to do with the man and woman who caught?"

"Why didn't you kill them?" Just listen to the **** cruel words in the eyes of Old Demon Yin and Yang suddenly.

But listening to Long Yin said: "These two cannot be killed!"

"At least they can't die now..." Long Yin said with an evil smile.

The old yin and yang demon did not understand, and said gloomily, "Why?"

"Because they are the trump cards in my hand...Because they are still in my hand, the boy named Li will throw himself into the trap and die! Haha."

The old yin and yang demon didn't understand what Long Yin was talking about, but he was not talking, just looking at Long Yin who was laughing wildly in front of him, his eyes were full of weird and complicated expressions.

Haocheng Hotel!

After a terrorist attack at the gate of hell, Aqiu, Old Monster Ge, and Old Deng from the Situ family all died tragically!

Duguxie, they never expected that the people at the gate of **** would attack them by taking advantage of it.

They all have endless hatred and anger in their hearts!

There is a sense of sorrow in the current Haocheng Hotel.

Situ Xiong came back the next night. He is the only person who has survived a **** battle yesterday!

When he returned with his men, his face was gloomy and ugly, with a look of sadness and anger all over his face.

Old Deng is dead!

To be precise, Deng Lao died to protect Situ Xiong from leaving.

Situ Xiong was full of grief and indignation. After he returned, he buried the body of Old Deng.

The gang of Situ family members behind him also showed a deep sense of disappointment and grief.

When Duguxie came to Situ Xiong's room, he saw Situ Xiong holding his head in his hands, sitting alone in the empty room. The front place was the spiritual position of Old Deng.

"Patriarch Situ!" Suddenly Du Guxie shouted.

But seeing Situ Xiong slowly lifted his face, his face seemed to be getting older and older overnight, and even the thick black hair had white hair that was bleeding a lot, and his eyes were even more Covered with deep bloodshot eyes.

The moment he raised his head and saw Duguxie, he gently wiped his blood-red eyes, and then squeezed out a smile on his face...

"You came!!!"

Duguxie responded and slowly sat down on one side.

"Patriarch Situ, you alone know what happened yesterday... so I want to ask you what kind of person killed my brother." Duguxie asked with hatred in his voice.

"They are all wearing black robes... their faces are cold... and everyone is a master with unique skills!" Situ Xiong recalled slightly.

Chapter 1610: Hatred spread

"I have never seen such a cruel person... such a poisonous person." Situ Xiong suddenly added another sentence afterwards, and then his fists clenched tightly.

"I know they are masters from the gate of hell!" Du Guxie said suddenly.

"The gate of hell?" Situ Xiong asked suddenly with blood-red eyes open.

Duguxie said: "Yes!"

"They are from the gates of hell, because only in the gates of **** can there be so many powerful masters... and they are cold-blooded and ruthless, and kill people without blinking.

When Situ Xiong heard that the other party was the gate of hell, his heart was filled with endless resentment!

He finally knew why his subordinates died so fast yesterday... and knew why the opponent's strength was so strong. It turned out that the people who dealt with them were the mysterious and huge Hell Gate organization decades ago.

An anger-like resentment came out of Situ ambition in front of him.

"Patriarch Situ, I want to know in detail what kind of people were the people who killed my brother yesterday? What do they look like?" Du Guxie asked again.

eye for eye!

Ah Qiu, and Ge Lao are dead, the Duguxie in front of him must catch the murderer who killed them, slash them alive and avenge them.

Listening to Duguxie's question, Situ Xiong in front of him recalled: "There is a dark-skinned guy... a sturdy figure with a face like a leopard!"

"There is also a man in his 50s with half black hair and a thin face!"

"It's the people brought by these two people!" Situ Xiong said in his memory still fresh.

Listening to what Situ Xiong said, the Duguxie in front of him probably finally knew what his enemy looked like!

He stood up after listening, "Thank you Patriarch Situ for everything!"

Then without saying anything, he turned around and left the room in front of him.

After Duguxie left the room, he went straight back to the room.

But seeing the room, the brothers were sitting in the room with their heads down. Everyone had a look of grief and anger on their faces. They stayed silent in the room without speaking.

There was a deep sorrow and resentment in the whole room.

Suddenly, Duguxie walked in and said to everyone: "Murder, I asked it out and I know what they look like."

Following Duguxie's words suddenly uttered, all the brothers raised their blood-red eyes.

"Senior Dugu, what does the ***** murderer look like?" Tang Xiaolong over there clenched his fists and asked with sullen eyes.

As they asked, Duguxie said all of what Situ Xiong had just said.

After speaking out, the brothers wanted to immediately kill the ***** enemy alive, in return for their hatred.

"Check, it turns out that the ***** ***** gatekeeper is in that corner of Binjiang City... We must take revenge, and we must avenge the blood and blood for A and Ge."

Hatred spreads in the hearts of brothers!

The only thing they do at the moment is to find someone at the gate of hell, take revenge, take revenge on the sea of blood!

In the afternoon, Tang Xiaolong and Xue Wuhen went out to inquire about the news in person. They vowed to find out that the man at the gate of ***** was hiding there, and then find out and avenge blood!

After Tang Xiaolong and Xue Wuhen had just left the Haocheng Hotel, Ouyang Zhengtian and others finally rushed over from the North China Field Army.

In three days, Ouyang Zhengtian wanted to return to the North China Field Army to visit his old father, so he didn't know what was happening in Binjiang City now, and of course he didn't know the massacre that happened in the Haocheng Hotel yesterday.

When Ouyang Zhengtian and their car stopped outside the Haocheng Hotel, they saw Ouyang Zhengtian first get out of the car.

Then I saw the thunderbolt Xu Fan and the beautiful Ouyang Shiqing stepping out of the car.

At the moment Ouyang Shiqing walked down, I saw the other three shadows also walked down.

Looking at it one by one, the one at the front is stunningly beautiful, with a plump body, and her every move contains a fascinating charm. She is the Baihua Fairy!

Behind Baihua Fairy was another exquisite melon face, with a pair of wild and charming Miss Duanmu Ying!

She is still so beautiful, so outstanding, her red lips are full of endless temptation!

It's just that her small face is obviously thinner... and it's a little pale...

During the time when Li Tian was "dead", no one knew how much this weird and scary elf girl had suffered!

She finally appeared now, here.

What I saw behind her was her close maid, Xiaohuan, Xiaohuan following her eldest lady as usual, like a shadow.

However, after Baihua Fairy and Duanmuying got off the bus, Ouyang Zhengtian turned his head and smiled at them and said, "Here!"

"Senior Dugu, and our people live here."

As he said this, the fairy Baihua behind him nodded slightly, and then followed Ouyang Zhengtian in front of him towards the Haocheng Hotel inside.

Duanmu Ying and Xiaohuan followed at this time.

After Na Ouyang Zhengtian entered the Haocheng Hotel, he not only frowned when he saw the empty lobby.

In the empty hall, why are there no guards?

Xu Fan, the thunderbolt hand behind him, seemed to have discovered this weird situation. At this moment, he whispered to Ouyang Zhengtian in front of him, wondering: "Patriarch Ouyang, why are no guards here?"

Ouyang Zhengtian also shook his head depressed at this moment, and then said, "I don't know..."

"Should something happen?" Xu Fan said suddenly.

Listening to Xu Fan's words, Ouyang Zhengtian's brows suddenly became solemn, and then his face became difficult to look for a moment.

At this time, the Baihua Fairy who followed behind and the Duan Muying looked at the ugly face of Ouyang Zhengtian, not only startled.

Fairy Baihua stepped forward and asked softly, "Patriarch Ouyang, what's wrong?"

Ouyang Zhengtian turned his head and said quickly: "It's okay, it's okay..."

"Go, let's go upstairs! Senior Dugu and the ghost servant should be there."

Ouyang Zhengtian was not sure if something happened here, so this would be a slight perfunctory sentence. When the fairy Baihua heard him say this, he didn't ask too much, just slowly followed Ouyang Zheng Today they waited for someone to come to the elevator entrance.

After the elevator opened, they walked in one by one, and then pressed the button on the eighth floor of the elevator, and the elevator began to rise slowly.
