

A Killer 162

Chapter 162: Fight again

Are Heaven and Earth Shuangsha really powerful?

Their names may have become dramatic in this city full of modern sex.

But among the older generation of people in the arena, it is frightening to mention the cruel role of the two evil spirits of heaven and earth.

The Qisha organization has always taken assassination as its ultimate goal.

Their methods are weird and terrible, and they do whatever they can to achieve their goals, for one word: death.

And in the Qisha, there are indeed two weird people of heaven and earth.

Their kung fu is not the forefront of the Qisha, on the contrary, they are only intermediate roles, but these two people are the most brutal temperament.

Killing also kills the most.

It is said that Earth Sha is a monster!

Di Sha: It's the **** wing with the pattern of blooming blood lotus tattooed on its head.

Rumor has it that many people who were killed by the evil earth were eaten alive by this guy, eating human flesh!

Although these words are all rumors, those who are really killed by Earth Sha will definitely lose a few pieces of flesh and blood.

Therefore, when Qiu Si felt the identities of these two individuals, he couldn't help but frown slightly, and his heart was secretly lined: It seems that a big battle cannot be avoided tonight.

K, who fell down there just now, didn't know when one hand suddenly added a strange weapon.

A weapon similar to a knife that is more than two feet long.

But it is more terrifying than a knife, because there are layers of tiny thorns on the sharp blade!

Tooth blade!

K's unique weapon, tooth blade.

When the tooth blade was revealed, the murderous intent in K's eyes became more exuberant.

"Siye Qiu will let me know your skills today."

When the voice exited, the tooth blade carried by K's hand slashed towards Qiu Si's head with one move.

The strength is fierce, and the action is like wind.

Qiu Si didn't dare to be careless, his footsteps suddenly followed the movement of his body, and he made a staggered step, and his body lightly evaded this sharp move.

Then his right hand quickly lifted, with five fingers in a grasp, and directly grabbed K's face in front of him.

K, waved the tooth blade in his hand to block Qiu Si's sharp grasp.

However, Qiu Si's hand in the air grabbed and suddenly retracted, and then his arm turned into an elbow, hitting K's chest again.

K had to back up, groaning in his mouth, and flickering back.

After retreating quickly, the body didn't even stop, and he directly swung the blade of his hand toward Qiu Si again.

Standing in the distance watching the battle, Li Tian completely understood what "master!"

That kind of overwhelming offensive made him overwhelmed.

Especially Qiu Si, his every move and every style seemed to contain an overwhelming aura, even K could not handle it.

Although K has a toothed blade in his hand, he is somewhat invincible in the face of Qiu Si.

Qiu Siguo really deserves to be Qiu Si.

I saw a very beautiful hook. Qiu Si's broad and powerful palm suddenly bullied K's side. When K was shocked, Qiu Si suddenly grabbed K's shoulder with his five fingers. There was a muffled hum from his mouth.

Then Qiu Si's arm received a huge force, and he pushed forward suddenly, and K's body flew out like a heavy blow.

Bloody Pan, who hadn't taken a shot there, had a pair of gloomy eyes. When he saw his companion K lost to the enemy, his body suddenly moved like a strong wind.

The huge vigor generated by the friction between the sole of the foot and the ground, the body shot towards Qiu Si like a flying arrow.

Fast and ruthless!

"Old Qiu be careful."

At the same time, Li Tian who was watching the battle rushed over with a loud shout.

Qiu Si, who had already noticed the movement of Xuepan, could not help frowning slightly when he saw Li Tian's figure suddenly attacking that Xuepan.

To be honest, he was a little worried that Li Tian would be brutally hit by the **** hand.

But what he didn't expect was that Li Tian's steps were very strange. When he quickly approached Xuepan in front of him, he grabbed a move with one hand, and the other fist moved smoothly towards Xuepan.

Xuepan didn't expect that this guy who almost died in K's hands in the Haocheng Hotel during the day was not afraid of death and shot himself.

With a roar, he suddenly rushed towards Li Tian carrying a huge murderous intent.

Now Li Tian was shocked by the murderous aura coming on his face.

Quickly change tricks in his hands, while moving his steps accordingly.

Surprisingly escaped that **** deadly trick.

Li Tian, who had been hiding in this way, couldn't help making the blood stunned slightly, but it aroused the hatred of the weirdo even more.

"Boy, take me one more trick!"

Xuepan's feminine voice sounded, and his hands exchanged quickly, grabbing Li Tian's chest.

Li Tian couldn't see the shadow of his hand, so he could only dodge.

With a flutter, the shirt on his chest was scratched by the **** claws under Li Tian's carelessness, and even the blood on his chest was bleeding.

This can not help but surprise Li Tian.

too frightening.

Didn't Xuepan think that his move would be empty? He didn't even kill the kid, and in furious, he suddenly kicked with flying legs.

Li Tian quickly shot to block, and at the same time his footsteps flashed back.

But it was still a step too late, and the **** flying kick kicked Li Tian's shoulder.

Then Li Tian was kicked back into the air and fell to the cold ground with a bang.

The tingling pain from his shoulder made Li Tian fall to the ground and unable to stand up.

"Is it all right?" Qiu Si over there looked at Li Tian and said with satisfaction.

Qiu Si felt very gratified that a young man like him was able to perform two tricks in the hands of the famous, immortal young man who survived.

Li Tian held his stinging shoulder with one hand, gritted his teeth and shook his head: "It's okay."

"Just fine."

"You take a good rest there, and I will deal with these two people." Qiu Sidao said.

Just when he said it, the **** vicious figure suddenly came behind Qiu Si.

"Old Qiu, be careful." Li Tian screamed in shock.

The Qiu Si in front of him had already felt the wind on his back. He turned around suddenly, pushing his palms forward and his left leg stepping back.

The tremendous strength rushed towards the blood.

The eyes of the originally attacked Xuepan flickered, but he didn't expect Qiu Si to react so quickly. He suddenly lowered slightly, and then the left hand knife slashed straight at Qiu Si's body.
