

A Killer 1621

Chapter 1621: The true power of Ten Jue Sword Qi

When Situ Ningbing rescued the ecstasy, Li Tian was still fighting against the abnormal Long Yin outside.

Although Li Tian has now learned the first six levels of Maha Wuliang, he still struggles to face the abnormal Long Yin in front of him.

After all, Long Yin was too powerful.

That Long Yin's current internal strength is unimaginable, his whole body is enveloped in several different strange internal strengths, and even Li Tian can't stop it when he uses it.

At this moment, I saw Long Yin using two weird and different inner strengths in his hands. In his right hand was a purple vigor, while in his left hand was a light black vigor, two huge inner strengths. When slowly accumulating from the palm of his hand, his whole body swelled up, and the surrounding sand and rocks were shaken by the powerful innocence. The feeling of complete tearing...

When he saw Long Yin using such a weird technique, Li Tian clasped his hands together, stepped on the seven stars, and slowly poured the vast energy emerging from the profound door of life and death into his body. The sixth layer of He Wuliang exercise gradually covered his whole body.

He wants to fight Long Yin in a real showdown!

The two forces that destroy the world will eventually collide.

With a loud roar, the two suddenly attacked each other at the speed of light.

The two of them are completely invisible in the darkness, the only thing that can be seen is the sudden collision of the two torch lights.

When the destructive forces collided together at this moment, the entire space seemed to have completely stagnated at this moment, and then in horror, a loud explosion like a bang burst out from the two torch lights.

The terrifying vigor also spread to the surroundings.

boom.....

The whole dilapidated house was shattered alive and collapsed, and the billowing dust instantly enveloped the destroyed place like smoke.

When the yin and yang old demon saw that the whole house was completely destroyed, he swiftly swept outside the courtyard, looking at the smashed ruins with his shocked eyes.

Where is Li Tian and Long Yin?

Are the two missing?

Could it be that these two people were completely covered by the ruined house that collapsed just now?

Just as the old Demon Yin and Yang looked at the dusty ruins with those evil eyes, he suddenly heard two loud shouts and flew from the ruins with a bang!

Then they saw the two soaring into the sky, making the right moves again in the air, and then each flew back.

Li Tian, Long Yin!

But seeing Li Tian's face full of dust, who flew back, his face pale and ugly, staring motionlessly at Long Yin on the opposite side.

And what about Long Yin? It was also dusty all over, looking at Li Tian in front of him.

But the corner of Long Yin's mouth wore a weird smile.

The old yin and yang demon stood aside and didn't know what was going on, just staring at the situation in front of him coldly.

Suddenly at this moment, Li Tian's body suddenly shook with violent convulsions... and then the corners of his mouth shed blood, scarlet blood.

With his footsteps a little vain, he stepped back a few steps... his face was pale and ugly...

My God, Li Tian was defeated, Li Tian was really not that Long Yin's opponent.

When he saw Li Tian vomiting blood, the old Demon Yin and Yang frowned slightly.

And what about Long Yin? At this moment, there was a treacherous smile on his face, and he looked at Li Tiandao: "Boy, after two months of absence, your skill has indeed increased... It's hard to believe it, but even if you become stronger, you still Not my opponent, hahahaha." Long Yin laughed wildly as he said.

Li Tian didn't expect to use the qi of the sixth layer of the Mahe Wuliang to stun the dragon in front of him. He had to admit that the current dragon is indeed too abnormal.

Li Tian's body had already been severely injured at this moment. If he hadn't used Maha's immeasurable air-inducing tactics to support it, he would have fallen to the ground already.

Li Tian stared at Long Yin in front of him with endless hatred in his eyes.

What should I do?

Do you really want to die here today?

Li Tian suddenly raised his head and looked at the hazy sky, muttering to himself.

"The kid surnamed Li, only to blame you for meeting me Long Yin! Today, I will kill you, so as not to become my heart trouble in the future!"

Following that Long Yin said this, his figure suddenly rushed towards Li Tian like a wolf.

It seemed that Long Yin was really ready to make up his mind to kill Li Tian in front of him.

Just as Long Yin came viciously towards Li Tian, Li Tian still raised his head and looked at the gloomy sky. Suddenly his eyes closed slightly, at the moment he closed his eyes. It seemed as if he was waiting for death, but no one had expected that all kinds of weird sword moves would flash in his mind one by one.

Ten Jue Jianqi.

Through yin and yang, sword energy is invincible, and nothing is done, alone.

At the moment when the sixteen-character true formula of Ten Jue Sword Qi suddenly and quickly passed in his mind, Li Tian's whole body was suddenly exuding a dazzling and strange light.

His whole person seemed to have changed at this moment, becoming a giant "sword".

The cold sword energy surrounding him completely enveloped him.

Endless sword energy poured into his body as quickly as it was pouring from all directions.

"sword?"

Suddenly, the attacking Long Yin screamed, because he also felt the supreme sword aura, he was stunned, he looked at Li Tian after this momentary change, completely dumbfounded, because a living person, How could it become an unsheathed "sword" in an instant? And the sword aura is so terrifying...Could it be that this is the invincible sword aura that he defeated the old Yin Yang demon?

However, after seeing Li Tian's ultimate "Ten Jue Sword Qi" on the other side, the old demon of Yin and Yang stood on his side.

"It's this trick..."

"That's it!!!" Old Demon Yin and Yang said strangely on his ugly face, staring at Li Tian in front of him with his horrible eyes.

But it was said that after Li Tian changed at this moment, all the light between heaven and earth seemed to gather on him.

His whole person has become a sword, a sharp and sharp sword.

Although the Ten Jue Sword Qi is the fourth layer of the immeasurable Maha, his power is far more powerful than Qiankun Guiyi...because the Ten Jue Sword Qi is composed of three layers, one is the epee level, and the other is , Wood Sword Level, Sanwei, No Sword Level, the old man Wuji first practiced the Epee Level when he first started creating, so he recorded the Ten Jue Sword Qi on the fourth floor, but when he took the Mahe Wuliang When writing to the sixth level, he suddenly realized: the wooden sword level, when the Maha Wuliang was written to the eighth level, he realized that the last level of the ten jue sword qi is also the supreme Wujian jue. So, to some extent, although these ten tactics sword qi are ranked behind Qiankun Guiyi and so on, their level is far more powerful than Qiankun Guiyi, except for the eighth level. : Only I dominate, and the ninth level: In addition to gods and demons, the most powerful exercise method of Maha Wuliang must be the Ten Jue Sword Qi used by Li Tian in front of him.

Chapter 1622: Six Magic Skills

Right after Li Tian used the Ten Jue Sword Qi in front of him, his body seemed to have turned into an unsheathed sword, and his eyes were full of energy.

With a bang, I saw Li Tian waved his left hand, and suddenly an invisible sword energy cut directly towards that Long Yin.

When Long Yin saw that Li Tian had no sword in his hand, and he used such a powerful sword aura, he was shocked.

Looking at the terrifying cold sword aura, he slightly frowned: What kind of martial arts does this kid use?

After thinking this way in his heart, he did not directly accept Li Tian's move in front of him, but quickly dodged his body.

With a bang, Li Tian's invisible sword aura slashed into the air...The icy ground was directly cut into a deep ravine by the terrifying sword aura.

Li Tian missed a sword, and with a wave of his right hand, he took out the sword again.

A sharp sword light poured down from the air, and that Long Yin dodged again, and then avoided his blow.

"Damn boy, what effort did you use?" Long Yin in front of him was furious after practicing hiding the two swords of Li Tian.

But seeing Li Tian's body full of sword light, his body was surrounded by huge sword energy.

With a roar, Destroy Yizhan was like a sword from a flying immortal outside the sky, slashing towards that Long Yin with a thunderous sword.

No one can describe the power of this sword, the only thing that can be felt is that the entire space seems to have been completely distorted by Li Tian's huge sword aura.

Ten Jue Sword Qi!

With a loud shout, Li Tian's Destruction Yizhan abruptly slashed towards Long Yin in terror.

And what about Long Yin? Seeing that Li Tian's domineering sword attacked him, his face changed and he shouted angrily. He didn't dodge or dodge this time. His hands suddenly clasped together, and something strange like a curse in his mouth... When he silently muttered the weird words, his eyes suddenly changed, and all his pupils were filled with darkness.

"Lawlessness, six cycles!"

After a hell-like roar came from the mouth of the dragon Yin, a violent dark aura suddenly appeared around his body, and the black mist filled his whole body, and the billowing black aura swallowed it like a python. Li Tian's sword move.

Oh my god, what kind of terrifying kung fu is this?

How could there be such a powerful skill in the world?

Even the yin and yang old demon who was standing aside at this moment was completely astonished, looking at Long Yin who was completely shrouded in darkness, muttering:

"Impossible...impossible..."

"He...he...he...is capable of six magic arts?" The old Yin and Yang demon in front of him said in a shocked voice that couldn't believe it.

Six Ways: One, Heaven, Two, Ashura Way, Three, Humanity, Four, Animal Way, Five, Hungry Ghost Way, Six, Hell Way.

And the founder of the Six Ways of Divine Art: He was an evil old man a hundred years ago, and that old man practiced the darkest of the Six Ways: Hell Way! There are too many legends about him, but no one has ever known what his name is. The only thing he knows is that his nickname is Demon. Back then, the demon's blood stained the rivers and lakes, and almost no one was his adversary. What's more, the demon could also use the legendary magic absorption technique. There are countless masters who died under his hands. In the end, it is said that the demon was born for cultivating hell. Crazy...Hiding in the ruins of the Dunhuang site, there are also rumors that the demon was forced to the Dunhuang site by the legendary old man Wuji, and it is also rumored that the demon was killed by the old man Wuji himself at the Dunhuang site. of.

Regarding these rumors and rumors, there is no way to verify it. The only thing we know is that the "magic man" who was a disaster a hundred years ago will have two extremely terrifying kung fu, one is the magic of absorption, the internal force that specializes in attracting people, and the second is the six demon. Work.

This old yin and yang demon had heard of the deeds of the "devil" since his debut. As a demon, the old yin and yang had personally arrived at the Dunhuang site to reminisce about that powerful demon of the first generation. The old demon admired that Demon...

And now? Just now that Long Yin roared out of lawlessness, Six Ways of Circulation of Six Words, the old demon of Yin and Yang in front of him suddenly remembered a peerless martial arts that had been lost for a hundred years: Six Ways of Magic...

My God, could it be said that this Long Yin has really done the magic of the devil back then?

Who is this Long Yin? How did you get that demon: the six magic powers?

The current yin and yang old demon stared at the battle before him completely stunned.

What Li Tian uses here is: Ten Jue Sword Qi in the Maha Wuliang created when the old man Wuji was 208 years old.

In addition, Long Yin here uses what the invincible demon practiced a hundred years ago: the six magic arts.

The duel between the pinnacle and the pinnacle... I really don't know who wins and who loses in this battle?

The torn and distorted space is full of endless darkness and sharp sword aura at this moment.

These two terrifying breaths have completely swallowed the front, and they are still shaking violently.

Li Tian's destruction was as if he was about to split the earth, but what about Long Yin? His six magic arts seem to have opened the gap in hell, and the endless darkness all gushing out of hell...

Boom!

The Ten Jue Sword Qi finally collided with the Six Magic Skills.

There was a thunder in the dark sky... a terrible lightning strikes the ground in front of him.

Then the two qi began to intertwined violently, fighting violently...

There was a bang, and with another thunderstorm, the whole world seemed to tremble... and then the sword qi suddenly disappeared! And the hellish darkness that permeated Long Yin's body suddenly disappeared without a trace...

The earth seemed to stand still for an instant, and Li Tian's hands were intertwined with that of Long Yin's palms in the center of the courtyard that was completely destroyed by the earthquake.

The blood-red eyes of the two of them were hostile to each other, and both feet were also plunged into the entire cold ground.

Duel?

Victory and defeat?

Who are they going to win? Nobody knows.

The only thing that can be seen is that the two of them are still competing in that deep internal strength.

This is a real power confrontation, and no one dares to take it carelessly, because at this moment whoever is careless will surely be killed directly by the other.

In the dead silence space, Li Tian and that Long Yin confronted each other, endless internal force flowing on both of them, and no one dared to move at this moment.

But at this moment, the eyes of the old yin and yang demon suddenly flashed extremely **** eyes.

When Li Tian and Long Yin competed with the extremely deep internal strength, no one had thought of the strange aura bursting out of the yin and yang old demon at this moment.

His vicious eyes were full of enthusiasm at the moment.

Because he knew in his heart that his chance came at this moment.

Chapter 1623: Devil I!

Li Tian and Long Yin on the court are competing with each other for internal strength, of course, they will not notice the yin and yang old demon in front of them. .

But the old demon of Yin and Yang is about to start killing cruelly.

Fiery and frantic eyes stared at Li Tian in front of him. He showed a mouth of terrifying white teeth, as if he was about to chew Li Tian's flesh and blood, **** and hideous.

Die, die, die!

Suddenly the old demon of Yin and Yang issued a strange whistle, and then he used the supreme: blood sacrifice, and then the whole person attacked Li Tian and Long Yin who were competing for internal strength like a beast.

After hearing a strange whistle, Li Tian, who was competing with Long Yin for internal strength, gave a thud in his heart!

That's it!

The yin and yang old demon is here! Li Tian suddenly felt despair in his heart.

The current Li Tian simply does not have the ability to take out his hand to avoid the old yin and yang demon: the sacrifice of blood!

And if Li Tian, who was competing with Long Yin's internal strength, moved slightly, he would be swallowed alive by Long Yin's six magic powers.

move? Must die!

Do not move? There is no doubt that he will die!

So Li Tian at this meeting was completely desperate.

At this moment, many happy moments in his life appeared in his mind, and then his eyes closed slightly, as if waiting for death.

And what about Long Yin, who competes with him for inner strength? An evil smile appeared at the corner of his mouth, because he knew that the attack of the old demon of Yin and Yang would definitely shake Li Tian to death. Even if he could not kill him, Li Tian would be completely abolished...

But he said that the pungent palm of the old yin and yang demon was rolling towards Li Tian, and he would kill Li Tian in front of him with a blow!

But, did Li Tian really die like this?

Do not!

Do not! Something is wrong!

He blinked, but saw the vast palms of the old Yin and Yang demon that had attacked Li Tian's chest, suddenly changed its direction at this moment!

Gosh?

He unexpectedly... unexpectedly... After changing, he attacked that Long Yin all at once! ! !

And what about Long Yin? The whole person was completely stunned!

He would not have thought that the old yin and yang demon in front of him would suddenly attack him with a palm?

Then a dramatic scene happened suddenly, with a bang, but the horrible thing about the old demon of Yin and Yang: the sacrifice of blood hit the dragon Yin's chest at once.

Long Yin, who was originally competing with Li Tian for his inner strength, would never have thought that the old demon of Yin and Yang would kill him?

But with a bang, Long Yin palmed his chest and wow, blood spurted directly from his mouth... Scarlet blood was sprayed on the face of the old Yin and Yang demon, but he saw the old Yin and Yang demon twisted Face, with a venomous smile: "Long Yin...you can't think of it? Can't you think of dying under my hands...haha, haha!"

A frenzied laughter erupted from the yin and yang old demon's mouth, and what about Li Tian in front of him? Although he escaped the fatal blow, he was also directly shocked by the terrifying external palm force and flew back...with a plop, he fell to the ground!

Staring at the old Yin and Yang demon in front of him with those incredible eyes...

What's going on?

How could this be?

How could that old yin and yang demon suddenly attack Long Yin? Shouldn't he kill himself? What is going on here?

Li Tian was stunned and looked at the Yin-Yang Old Demon and Long Yin.

But what about Long Yin? After suffering such a blow by the old yin and yang demon suddenly, that face was already bloodless... the body was trembling looking at the old yin and yang demon in disbelief...

"Why...why...you will be a murderer on me?" Long Yin said in disbelief, his face has become distorted and terrifying.

But seeing the old yin and yang demon with blood on the Beatles smiled and said with a strange smile: "I don't kill you, and you will be killed one day... So instead of doing this, it's better. I take this opportunity now. Killed you... and compared to this kid named Li... you are far more terrifying than him! So only if you die, I can feel at ease!" The frantic words came from the old Yin Yang demon's mouth. !

It turned out that this old Yin and Yang demon was not showing good intentions not to kill Li Tian, but he felt that Long Yin was even more terrifying than Li Tian...If the one in front of Long Yin and Li Tian would eventually die, then the old Yin and Yang demon would definitely choose Long Yin, because he knew in his heart that the vicious and treacherous Long Yin would one day kill himself in turn, so instead of letting Long Yin do it first, he might as well do it first.

mean! treacherous!

Long Yin calculated his whole life, but after all he did not expect that he would be attacked by this yin and yang old demon...

After hearing the old yin and yang demon finally tell the truth, the eyes of Long Yin in front of him seemed to be bleeding, and his entire face was completely distorted in an instant.

"Yin and Yang Old Demon... Do you think you can really kill me?" Suddenly the breath of Long Yin's whole body changed.

At this moment, Long Yin, who was obviously seriously injured, seemed to have completely changed into another feeling.

When the yin and yang old demon saw Long Yin's sudden weird change, his palms suddenly exerted force, and once again fiercely hit Long Yin's chest!

When the terrifying palms hit Long Yin's chest severely, the old demon of Yin and Yang suddenly felt as if he had been hit in the void...

Feeling something was wrong all of a sudden, the old demon Yin Yang wanted to withdraw his palms, but it was too late!

Because the Long Yin in front of him suddenly grabbed the head of the old demon Yin Yang with one hand, and the hands of the old demon Yin Yang with the other hand...

"Magic Absorption!" With a roar, the endless suction suddenly rushed towards the body of the old yin and yang demon.

The yin and yang old demon never thought that when Long Yin in front of him was so badly injured, he could still use "Magic Absorption". He exclaimed and wanted to withdraw his palms, but his palms were caught by the dragon. Yin was sucked tightly... and then his whole body's internal force flowed towards Long Yin's body like a dam bursting a bank.

"Dragon...Long Yin...you...you...you..." Old Demon Yin and Yang's entire face was completely distorted... he looked at Long Yin before his eyes widened in disbelief.

But seeing Long Yin absorbed the yin and yang old devil's lifelong skills, the corners of his mouth exude endless treacherous smiles...

Old Demon Yin and Yang's face was distorted, and his whole body was constantly wretched...All the power of his whole body was absorbed by Long Yin.

Finally, this demon of the first life was sucked into a corpse by Long Yin.

Even the hair from the disheveled hair turned into withered grass, and the whole body was like a skeleton in hell.

However, the old demon of Yin and Yang was not dead yet.

His completely deformed face looked at the terrifying Long Yin in front of him.

But what about Long Yin? After he sucked the old yin and yang demon, he had completely changed... it became another weird thing,

His hair instantly turned purple, and even his eyes were filled with a strange blood red.

Looking at the yin and yang old demon who was not dead in front of him, like a skeleton, Long Yin suddenly laughed wildly, and the whole body exuding demonism suddenly jumped up.

"Yin and Yang old demon...Thank you for giving me a lifetime of skill!"

"I feel more powerful now than before..." Long Yin twisted his neck there, his voice was full of magic...

The yin-yang old demon dwarf-like skeleton was lying on the ground, trembling pitifully, he didn't expect that he would end this way... would die like this.

"You...you..." Finally, after the old Demon Yin and Yang yelled out two words, his body suddenly convulsed...

Haha, haha!

And what about Dragon Yin, the demon head of the next generation? Then Yang Tian laughed, and the magic sound that shook the nine heavens echoed in the endless darkness.

And what about the old yin and yang demon? Finally, in the endless laughter of Long Yin, he slowly twisted his body and died slowly.

died!

The old demon of Yin and Yang is finally dead!

It's just that he didn't die under Li Tian's hands, but was sucked alive by the vicious and treacherous Long Yin.

After the old demon of Yin and Yang died, the current Long Yin had completely changed.

His whole body was enveloped with a non-human aura, completely like an evil demon.

Then he suddenly looked at Li Tian on the ground with his magical eyes, but what about Li Tian?

But suddenly there is no sign...

Then Long Yin was taken aback and looked around, but where could he find it?

"Li Tian... Li Tian... Come out for me!!!"

The violent demon voice erupted from Long Yin's mouth.

His people have completely changed and become something more terrifying.

"Under the heaven and the earth, who else can be my opponent? Who else can be my opponent?" In the endless darkness, only a raging and terrifying voice recalled fiercely in the night,

Long Yin, the demon of this life, has changed after all, and has become an even more incredible mad demon.

Even the yin and yang old demon's lifelong skills have been sucked by Long Yin, who else in the world can subdue him?

Chapter 1624: serious

In the dark night, three figures quickly escaped.

Through the faint moonlight, it can be seen that the three people are Li Tian, Situ Ningbing, and the badly injured ecstasy all over the body.

It turned out that at the moment when Long Yin used the magic absorption technique to absorb the old yin and yang devil, Li Tian took the opportunity to quickly escape with Situ Ningbing and the ecstasy

Although Li Tian was not severely injured by the Yin-Yang Old Demon, he also suffered a serious internal injury. It is impossible to take the opportunity to kill Long Yin, not to mention that the current Long Yin has sucked all the life-long skills of the Yin-Yang Old Demon Now... Li Tian is not even that demon's opponent.

I saw in the darkness, Li Tian endured the serious physical injury while supporting the ecstasy with a broken arm covered in blood, and fled forward. Situ Ningbing also helped his brother to escape towards Binjiang City.

They fled like crazy along the way, and finally they reached the downtown area of Binjiang City!

After reaching the center of the city, they could finally breathe a sigh of relief.

"It should be safe now...I don't think the demon will catch up." Li Tian said while panting, while holding his chest tightly with his hands.

His face was pale, and anyone with a discerning eye could see that Li Tian was suffering from internal injuries.

The ecstasy was lying on the cold wall like a faint, breathing uncontrollably, trying to speak, but it seemed as if he had no strength.

Situ Ningbing looked at his painful brother, and cried out distressedly: "Brother, you hold on...We will be safe soon..."

"Ningbing, wait here first, I'll find a car!" Li Tian said while looking at Situ Ningbing.

Situ Ningbing took Li Tian's hand and said, "Then you should be careful."

"Well, don't worry..."

So just like that, Li Tian quickly found a taxi. When the taxi saw the three of them so embarrassed and the ecstasy was covered in blood, he was prepared not to pull it at first, but was forced to Li Tian's persecution eventually caused the three of them to get into that taxi.

The taxi driver was scared... but there was no way.

In the end, Li Tian brought the fainted ecstasy and Situ Ningbing to the Cuiweiju Hotel where he was staying.

When Li Tian came back with the blood-covered ecstasy, the men at the door were stunned...

"Are you?" They blinked their eyes and looked at Li Tian in front of him.

Because Li Tian's old mask had been taken off now, the guards at the door didn't even recognize him.

"Who am I, don't you know?" Li Tiannu said, he had forgotten that his mask had been taken off.

The members of the guard were not only taken aback when they heard his voice.

"Prince Revenge?"

"Why does his voice resemble our son?"

"But our Lord Vengeance is obviously an old man." The guard members at the door said completely in a daze.

"Get out of the way." Li Tian said angrily at the moment.

When he roared out, those subordinates couldn't help but froze for a while, and then no one dared to move...They were all completely suppressed by the strong breath from Li Tian.

Watching Li Tian help the **** ecstasy and Situ Ningbing walk in quickly, these men were all stunned.

However, after Li Tian quickly returned to the room with the ecstasy, he quickly helped the ecstasy onto the bed, and then sat down quietly, using his hands to infuse his mellow internal force into the weak body of the ecstasy.

Situ Ningbing next to him was standing there worried all the time.

A pair of beautiful eyes looked at his fainted brother from time to time, and then at his favorite before him.

Finally, when Li Tian input some vast infuriating energy into the body of the ecstasy, the ecstasy gradually improved his gray complexion, and even his breathing became smoother.

But what about Li Tian? His situation is not quite optimistic.

I saw that after he had input the power to the ecstasy, his body was crumbling, and his pale face was even more ugly.

The moment he got off the bed, a mouthful of blood came out of his mouth.

"Li Tian..." Seeing blood from the corner of his beloved person's mouth, Situ Ningbing ran over as if crazy, and quickly helped Li Tian in front of him, shouting distressedly.

"Li Tian, how are you?" Situ Ningbing asked heartbrokenly.

But seeing Li Tian slightly raised his hand to wipe the blood on the corner of his mouth, then looked at Situ Ningbing in front of him and shook his head slightly.

"I...I'm fine..."

"But, but, you look badly hurt, I'm so worried." Situ Ningbing said with red eyes there.

Li Tian squeezed out a smile, then looked at Situ Ningbing in front of him and said, "I'm really fine... Don't worry, I just need to take a break."

Li Tian hurried to one side and sat down quietly.

At this moment, a sound rang outside the door.

"The son?"

As the voice came, Li Tian knew that the voice was from the smiling Buddha and Jiang Dashan.

After hearing the sound, Li Tian said, "Come in."

The door opened with a squeak, but the smiling Buddha and Jiang Dashan really walked in.

But he said that after the two of them walked in for an instant, when they saw Li Tian and Situ Ningbing in front of them, they couldn't help but froze for a moment, and then heard Jiang Dashan first open his mouth and say: "You...who are you? ?"

The smiling Buddha on one side also looked at Li Tian and Situ Ningbing in front of them unbelievably.

"Dashan, Laughing Buddha, don't you recognize me?" Li Tian suddenly said coldly there.

When they heard the familiar voice, Jiang Dashan and the smiling Buddha were all stunned, and then they turned their heads to look at Li Tian in front of them.

"you....."

"You... are you...?"

"Why does your voice resemble our son?" Jiang Dashan said with extremely unbelievable eyes at Li Tiandao who was looking in front of him.

The smiling Buddha was also shocked, and it was the first time he saw Li Tian's Lushan face.

"My son!" The smiling Buddha suddenly called out, and it seemed that the smart smiling Buddha had guessed it.

After the smiling Buddha in front of him suddenly called the son, Jiang Dashan became even more depressed.

"Huh? You call him son?" Jiang Dashan said in a daze.

The smiling Buddha hurriedly said to Jiang Dashan: "This is our son! The real face of our son Lushan is in front of you."

With the words of the smiling Buddha, Jiang Dashan became more speechless.

He only felt that Li Tian in front of him had exactly the same voice as the son. As for people? He didn't quite believe it.

Chapter 1625: Facts and truths

After Jiang Dashan finally heard the voice of Lord Vengeance, Li Tian in front of him looked at them slightly and said, "You still remember my voice!"

The Laughing Buddha was also taken aback for a moment, and hurriedly called out in respect: "Master!"

"What the **** happened? What are these two?" The smiling Buddha in front of him looked at the beautiful Situ Ningbing standing on one side in a puzzled manner, as well as the ecstasy who was seriously injured and covered in blood over there.

But seeing Li Tian didn't want to say anything, he just said slightly: "I have time to tell you about these things."

"Now, I want you to find a doctor for me to come here right away... Remember, you must be fast."

After Li Tian issued the order, the smiling Buddha and Na Jiang Dashan nodded quickly.

"Yes!"

Then the two dared not say much, and left here immediately.

After he walked out of the room, Jiang Dashan, the crude man, was still full of doubts. He blinked his thick eyebrows and stared in surprise, looking at the smiling Buddha in surprise: "Is that our son? Why...how... suddenly it became like this. Young?"

Smiling Buddha laughed and said, "Of course it's our son."

"But...but...what has changed?" Jiang Dashan continued to say depressed.

Smiling Buddha laughed and said: "You don't know this! In fact, our son has always been wearing a mask..."

"Huh? Mask?" Jiang Dashan became more and more depressed.

But seeing the smiling Buddha said slightly, "Yes, the reason why our son was so old before is because the mask on his face is so old! And that old mask was made by me for our son."

what?

"So it was the mask you made?" Jiang Dashan said in front of him.

Smiling Buddha said: "Yes, when I was just following our son, he asked me to make a mask for him, so I made one..."

After hearing the smiling Buddha in front of him say this, Jiang Dashan paused, scratching his head and asking: "Then according to what you said, this young man is our son...this is what he really is. What's your face?"

"Yes." Smiling Buddha said.

"Grandma's...I just understand it now." Jiang Dashan finally understood what happened.

"But, why don't I understand, our son is so young and handsome, why do you wear the whole old face?" Jiang Dashan asked questioningly.

"Hidden, don't you understand? Stupid!" Smiling Buddha cursed with a smile.

Jiang Dashan thought for a while, then grinned "Oh", haha said with a smile: "So his mother is like this!"

"No wonder... no wonder..."

Soon the smiling Buddha and Jiang Dashan called for a doctor overnight.

After the doctor looked at the Ecstasy's injury, he prescribed some medicine, and he also specifically told the Ecstasy to go to a big hospital for treatment, otherwise the injury would be very serious.

After thanking the doctor for leaving, Situ Ningbing finally let go of his worry.

Looking at the sleeping Ecstasy, Situ Ningbing slowly walked to Li Tian's side, and then slightly held Li Tian's arm.

"Li Tian...How is your injury?" Situ Ningbing asked concerned with blinking beautiful eyes.

But seeing Li Tian shook his head slightly and said, "I'm fine. I only need to rest for a few days and I will be fine."

"Well, that's good." Situ Ningbing said.

After Situ Ningbing finished speaking, he stared at Li Tian in front of him unblinkingly, with a mysterious feeling in his eyes.

Li Tian looked at Situ Ningbing's eyes, not only was slightly startled, he said, "Ningbing, what's the matter? Why are you looking at me like this?"

Situ Ningbing stared at Li Tiandao: "I feel... I feel like everything is dreaming..."

"Li Tian, you tell me, this is not a dream? Is it true? Are you really right in front of me?" Situ Ningbing said with fear and shaking hands while holding Li Tian's wrist tightly.

Li Tian distressedly took his favorite into his arms at once, and said: "Fool, this is not a dream...not a dream...everything is real."

Situ Ningbing hugged Li Tian in front of him tightly, and said with tears: "But...but...I'm so scared...I'm afraid of losing you again..."

"No! No way."

"I, Li Tian, swear to the sky that I will never leave you again in this life." He hugged the love in his arms and said.

"But... why do they all say you are dead?"

"Also, since you are alive...why do you want to hide your identity?" Situ Ningbing in front of him blinked at Li Tiandao in puzzlement.

But seeing Li Tian sighed deeply: "In fact, more than two months ago, I did think I was dead."

"Do you know? After I fought Long Yin, the whole old mansion of the Ouyang family exploded. I thought I had been bombed to death at that time, but I never expected that when I woke up, I didn't die. ! Rather, I went into the crypt of the Ouyang family... It turned out that there was an ancient dark room under the old mansion of the Ouyang family."

Situ Ningbing blinked her beautiful eyes and listened to Li Tian's adventures!

In this way, Li Tianyi in front of him was telling Situ Ningbing everything.

Situ Ningbing's heart was ups and downs when she heard it, she never expected Li Tian to survive in such an environment, it really shocked her.

"...Then then? Why did you use the name of Lord Vengeance after you came out? Don't you go to us?" Situ Ningbing asked a crucial question.

After Situ Ningbing asked this, Li Tian said: "When I came out of the old mansion of the Ouyang family, I heard the news that the old demon of Yin and Yang killed innocent people, and that the door of **** was dispatched. The news, I also heard that Duguxie formed an alliance with the ghost servants and brothers..."

"I know that at that time, if the news of my resurrection comes out, the gate of **** and the **** Long Yin will do their best to deal with us. You also understand that with our current strength, we can't fight the gate of **** and Long Yin at all. ...So I was born under a pseudonym...On the one hand, I wanted to attract people's attention, and on the other hand, so that the gate of **** and the **** Long Yin could quit defense... Then I slowly looked for opportunities to deal with them. !"

"Hey, it's a pity that everything I planned is in vain..." Li Tian exclaimed.

After hearing Li Tian finished speaking, Situ Ningbing paused for a while and did not speak, her delicate body nestled in Li Tian's arms, and muttered: "Fool... you know? During your suspended animation, I My heart is broken... the whole person is about to collapse... I once thought about death, I want to go to **** to be with you..."

Listening to Situ Ningbing's words, Li Tian hugged his favorite in his arms heartbroken.

"Sorry, it's all my fault!"

Situ Ningbing shook his head slightly and said, "No...this is not to blame you!"

"I know, you are doing this for the good of your brothers..."

"But, I want to tell you that your suspended animation has made Duguxie and the brothers very heartbroken... Each of them seems to be a different person."

"Especially Duguxie and Ghost Servant, the two of them seem to have completely changed their personal..."

Li Tian sighed deeply: "I'm sorry to them...I killed them like this!"

Situ Ningbing comforted Li Tiandao: "No, you don't need to feel guilty! I know that the reason why you concealed the fake death is actually good for them... I believe they will understand by then."

Li Tian nodded deeply and said, "I hope my brothers can understand me."

"Now, since the demon Long Yin already knows the news that I am alive, I don't think it is important for me to conceal my identity in this way, so starting from today, I will tell Duguxie and my good brothers." Li Tiandao.

Situ Ningbing also nodded deeply.

Chapter 1626: Jealous

This day finally came to an end after Li Tian revealed his true colors.

Now the Ecstasy was finally settled down for the time being, Li Tian also found an elegant room for Situ Ningbing, and then let her rest well.

After he settled down with Situ Ningbing in front of him, Li Tian endured his internal injuries and returned to the room step by step.

To be honest, his injury is still relatively serious. Just now, in front of Ningbing, Li Tian has been holding back, and this will wait until Ningbing goes to rest.

He slowly reached one side of the bed, and then slightly opened his clothes, only to see five blood-red handprints on Li Tian's chest!

The terrible palm print was deeply imprinted on his chest.

This palm was the palm that Li Tian took to the Yin-Yang Old Demon for Ningbing at that time.

Looking at the blood-red palm print on his chest, Li Tian frowned slightly.

"Damn it!" He murmured these two words, then took off his shirt slightly.

After taking it off, a bronze masculine muscle was revealed.

Then Li Tian sat cross-legged, and put both hands on his dantian place, and slowly began to heal his injuries. The supreme zhenqi that wandered from his body's odd meridians and eight channels gradually poured into his body. Corner, and then you walk a week, again and again...

So, I don't know how long it took, Li Tian slightly puffed out a white gas from his mouth. After the white gas came out of his mouth, he only slowly let go of both hands. Come down.

After moving for a while, Li Tian's complexion looked much better.

He slowly got off the bed, then went to the window to open the window.

The night was already deep...Amid the endless darkness and oppression, occasionally a gloomy cold wind blew over.

Looking at the black night, Li Tian couldn't help but secretly lined up: This **** Long Yin, what should I do now?

Even the yin and yang old demon's lifelong skills were all sucked away by that demon...Oh my God, how could he be his opponent in the future?

What's more, now that even the heavenly book pill scroll that I have been carrying has reached the devil surnamed Long, what can I do in the future? Can Long Yin also understand the martial arts in the heavenly book pill scroll? If he learns the martial arts of the Tianshu Danjuan again, I am afraid that no one in the world will be his opponent anymore!

When Li Tian thought of this, he fell into deep despair.

"Long Yin..." Li Tian muttered the enemy's name silently, and his fists clenched.

Is this terrible character his life's greatest enemy?

As Li Tiantian thought this way in his heart, the overwhelming darkness flooded the vast earth from all directions.

Early the next morning, Situ Ningbing woke up early!

She wanted to see Li Tian and wished to see Li Tian every moment.

When he came to Li Tian's room, Li Tian just got up.

Seeing Situ Ningbing, Li Tian smiled.

"Freezing ice."

"Li Tian, how is your injury?" Situ Ningbing asked concerned.

Li Tian patted his chest and said, "It's nothing serious anymore."

Hearing Li Tian say this, Situ Ningbing let go.

As they were talking, suddenly a soft footstep came from one side.

I blinked and looked, but I saw a beautiful girl coming from the side, her dress was extremely simple, but it was difficult to conceal her beauty.

The two slender legs are wrapped in a pair of light blue skinny jeans, which completely outlines her plump buttocks and the curve of her legs. The upper body is a light red T-shirt with black hair scattered on On his shoulders, he was walking step by step from the side.

Su Rongrong!

It turned out to be Su Rongrong next to the "Vengeful Son".

But he said that Su Rongrong was early in the morning, and he heard outside men talking about the son's return last night, so Su Rongrong got up early at this moment and wanted to come and help with Revenge.

When Su Rongrong in front of her reached the front door of Lord Vengeance, she slightly raised her head and glanced at the door, and found that the door was open, and then she walked over slowly.

"The son." After Su Rongrong's voice came in, Li Tian who was talking with Situ Ningbing was taken aback.

And the beautiful Situ Ningbing beside him suddenly turned his head and saw Su Rongrong behind him.

"Huh, is it you?" Situ Ningbing couldn't help yelling when she saw Su Rongrong.

Of course, Situ Ningbing knew Su Rongrong. Two days ago, Ning Bing had personally forced Su Rongrong with a knife in his hand, so when he saw this girl, he was not only shocked.

And what about Su Rongrong? He didn't look up, but after hearing a woman's voice coming out of Prince Vengeance's room, he was immediately stunned... Then slowly raised his surprised eyes, blinked and saw Situ Ningbing...

what?

"You...you... are you that killer?" Su Rongrong's mouth suddenly exclaimed.

Then Su Rongrong's complexion turned into a ghost in an instant, and the whole person stepped back in fear, her eyes looking at the beautiful Situ Ningbing in disbelief.

What about Situ Ningbing? He didn't talk too much, just stood there smiling.

What about Li Tian? She couldn't help frowning.

"Oh my God, why are you here?"

As Su Rongrong said, she hurriedly retreated outside the door in fear, while staring at the situation in front of her with horror.

She was afraid that Situ Ningbing in front of her would threaten herself with her cold head like last time.

After Su Rongrong retreated outside, she suddenly ran away like crazy.

While running, he yelled: "Come on...Catch her...Catch the killer..."

Seeing Su Rongrong running away in horror, Li Tian not only laughed awkwardly.

But Situ Ningbing suddenly turned her beautiful eyes and stared at Li Tian in front of him: "Li Tian, you tell me, what does this girl do?"

After Situ Ningbing asked jealously, Li Tian was depressed.

Explained quickly: "She...she...she is just a servant I paid for..."

Situ Ningbing looked unbelievable and continued to ask, "Really?"

Li Tian cried out injustice in his heart, but continued to explain, "Really, really."

"If you don't believe me, you can ask the people under me... That girl is really the servant I paid for when I was in Jinghai City."

Situ Ningbing stared at her beautiful eyes, with a variety of styles, and said: "Huh, if you dare to provoke other women...I will never pay attention to you again!"

Looking at his favorite Situ Ningbing, Li Tian slowly embraced her tender waist from behind, and said: "Fool, how could it... I swear, that girl is really just mine." maid."

Situ Ningbing gave Li Tian a white look, biting her shell teeth and saying, "It's best to do so."

Chapter 1627: Su Rongrong's depression

Looking at the beautiful Situ Ningbing in front of him, Li Tian held her delicate body tightly in his arms.

He faintly felt that Ningbing was not as cold as before, and also became much more beautiful. When he held his arms in his arms, Li Tian's heart was warm.

That beautiful face without any blemishes is like a masterpiece from heaven, every inch of skin on the body reveals endless feminine charm.

Holding his favorite Ningbing deeply, Li Tian felt full of happiness at the moment.

But what about Su Rongrong?

After seeing Situ Ningbing just now, Su Rongrong screamed outside in shock.

The smiling Buddha and Jiang Dashan who rushed to hear her screaming suddenly ran over.

"Miss Su...what's wrong? What happened?"

But seeing that Su Rongrong blinked her beautiful eyes and said, pointing to the room where Lord Vengeance lives, "Girl...that female assassin..."

While talking, he said to the smiling Buddha and Jiang Dashan in horror.

When Jiang Dashan heard the smiling Buddha in front of him, he frowned.

"Female killer?"

"Miss Su, did you see a very beautiful woman in our son's room?" Laughing Buddha suddenly asked.

But seeing Su Rongrong nodding vigorously with her pale and pretty face.

"Yes Yes."

"It's the woman who broke in the other day... At that time, she used a knife to force me... It's her, it's her..." Su Rongrong said in a panic, and pointed to the room of Prince Vengeance.

After hearing what Su Rongrong said, the smiling Buddha immediately understood who Su Rongrong was talking about. At this moment, he not only smiled slightly.

Seeing the smiling Buddha didn't panic, but instead laughed here, Su Rongrong was puzzled.

While she was full of doubts, she heard the smiling Buddha suddenly say: "Miss Su, misunderstanding...misunderstanding..."

misunderstanding?

Su Rongrong was even more puzzled when she heard the smiling Buddha say misunderstanding, she looked at the smiling Buddha in front of her with her unbelievable eyes.

"What do you mean? What is misunderstanding...?" But listening to Su Rongrong asked.

The smiling Buddha paused slightly, and then explained to Su Rongrong in front of him: "Miss Su, the female assassin you mentioned just now is actually someone our son knows... and it can be seen that it is us. The person the son likes."

Su Rongrong almost jumped up when she heard the smiling Buddha suddenly say this.

what?

"You said... you said... that woman has something to do with our son? And... and... is the woman our son likes?" Su Rongrong asked in astonishment with her eyes widened.

But seeing the smiling Buddha in front of him nodded slightly and smiled at Su Rongrong: "Yes." "real or fake?"

"She...she...she is our son's woman?"

Su Rongrong now seemed to be dumbfounded, repeating the words in front of her.

"But, our son is not in his room?" Su Rongrong suddenly said there again.

The smiling Buddha said in a daze: "What? Our son is not in the room?"

"Yes, in our son's room at the moment, there is only the female assassin and another strange young man!" Su Rongrong said.

"I don't know how they are in our son's room." Su Rongrong said.

Although Su Rongrong had just focused on Situ Ningbing's body, she still occasionally caught a glimpse of the so-called Li Tian. You must know that Li Tian had already removed his old mask, so Su Rongrong in front of her did not know that Li Tian was them. The Revenge of the Lord.

When Su Rongrong was talking about a strange young man, Smiling Buddha turned his head, and then he laughed.

"Miss Su... Let me tell you, in fact, that strange young man is our son!" Smiling Buddha said to Su Rongrong in front of him.

Su Rongrong was almost crazy when she heard it... The level of astonishment at the moment was completely more violent than the level of astonishment when she saw Situ Ningbing. She stared at the smiling Buddha in front of her with her beautiful eyes and said, "You said... What did you say? You said that...that...the young man is our son?"

Smiling Buddha smiled and nodded there.

"Yes."

"How is it possible? How...how...he suddenly became so young...isn't he...isn't he an old man?" Su Rongrong felt a little confused, and his head became more and more confused.

I saw the smiling Buddha squinting his eyes and talking to Su Rongrong.

"Miss Su, there are many things you don't understand... In fact, our son is so young. This is his true face of Lushan... As for his old face you saw before, it is completely false..." Smiling Buddha said with a smile.

Su Rongrong only felt that her head was like a pot of porridge, completely confused, and she was completely speechless there.

So Smiling Buddha explained the reason why Li Tian looked so old before... After Su Rongrong listened, she was dumbfounded.

After a long time, she seemed to react: "So... so to speak... Who is our son in the house now?" Su Rongrong said in a daze.

The smiling Buddha and Jiang Dashan nodded together.

"Yes."

"Now do you understand what happened?" Smiling Buddha said with a smile at Su Rongrong.

Su Rongrong nodded innocently, then shook her head depressedly...

"My head is a bit messy...a bit confused..." Su Rongrong said as she hugged her head with both hands.

Then she ran straight to her room quickly: "I'm going to wake up...I want to sort out the thoughts in my head..."

After Su Rongrong ran away like this, the smiling Buddha and Jiang Dashan both laughed.

"It seems that this girl is really confused by our son." Jiang Dashan said with a grin.

The smiling Buddha also smiled with a bloated and fat face, then looked at the place in front and said, "Go, let's go to see the son."

Jiang Dashan nodded on one side, and then quickly followed the smiling Buddha in front of him to the room of Lord Vengeance.

After the two arrived at Li Tian's room, they saw that Situ Ningbing was deeply embraced by Li Tian.

Then the two quickly turned their heads very wisely.

However, after discovering that Situ Ningbing was seen by Li Tian's men, he not only blushed, but immediately left Li Tian's embrace.

Li Tian also slightly loosened his arms holding Situ Ningbing, and then looked at the smiling Buddha with his back facing them and Jiang Dashan and said, "You two, come in."

Chapter 1628: Terrible feeling

After hearing Li Tian say this, Jiang Dashan and the smiling Buddha turned his head quickly and walked in quickly.

"My son." The two shouted respectfully.

After seeing the two of them, Li Tian said: "You two are here just right, and I happen to have something to tell you to do."

"What's the matter?" Jiang Dashan and the smiling Buddha quickly asked.

"I want you two to go to the Haocheng Hotel... and then tell my brothers." Li Tian said suddenly.

It seems that Li Tian is ready to find Duguxie and them.

When Li Tian said that, Jiang Dashan and the smiling Buddha were all taken aback, because they didn't know that Tang Xiaolong, Xue Wuhen and others were Li Tian's best brothers, and they murmured in surprise at this moment. :brothers?

"My son... those people, do we know?" Smiling Buddha asked while blinking.

Just listen to Li Tian replied: "Of course I know!"

"They are my best brothers." Li Tiandao.

Hearing what Li Tian said, Jiang Dashan and the smiling Buddha were slightly startled...

Then Li Tian talked about his previous events to Jiang Dashan and the smiling Buddha in front of him. After the two listened, they reacted.

"Oh, that's how it happens."

"It turns out that those characters are all good brothers of your son."

"Well, son, let's do it now." Just listen to Jiang Dashan grinning there.

Li Tian smiled there and nodded.

He is now anxious to see his brothers...

For more than two months, he hasn't been with his brothers for more than two months. Of course he missed them, and he wished to see them right away.

However, after hearing Li Tian's instructions, the smiling Buddha and Jiang Dashan left here quickly.

After they left, Situ Ningbing on one side walked over at this time and looked at Li Tiandao: "You want to see Duguxie and them?"

Li Tian nodded deeply and said, "Yes."

"It's been two months. For more than two months, my brothers thought I was dead... Now I should tell them the truth."

Situ Ningbing said, "Well, too!"

"It's okay if you see them, they will be sad for you again..."

Li Tian nodded silently.

"Then wait for you to get together with Duguxie and the others, what are you going to do? Revenge?" Situ Ningbing suddenly asked a crucial question.

Li Tian thought for a while and did not speak, a man with a gloomy face fell silent in the room.

Seeing Li Tian's affection, Situ Ningbing knew that there were many things in his heart, and it was inconvenient to bother too much. He just watched him quietly.

After a long time, Li Tian just said, "You must take revenge!"

"It's just that I think our current strength is too weak."

What Li Tian said was the biggest truth.

After hearing Li Tian say this, Situ Ningbing not only nodded in approval.

"Now, even though the old yin and yang demon is dead... but another bigger demon was born... he is the **** Long Yin!"

"Before, I always thought this person was extremely treacherous, but I didn't expect him to become such a brutal demon step by step... Now that **** named Long has absorbed the life skills of so many masters... Even the inner strength of the old yin and yang demon was completely sucked

away by him... I think, Yi surnamed Long's current strength, I am afraid that there are not many people in the world who can be his opponent." Li Tian clenched his fists tightly. Said angrily.

Situ Ningbing's beautiful eyes on one side were all concerned about Li Tian.

She didn't know what she should say to comfort the current Li Tian at the moment, but silently looked at him affectionately.

"Moreover, my enemy is not only Long Yin, but also the terrible gate of hell!" Li Tian suddenly said again.

Thinking of his hatred, Li Tian's heart burned with anger.

But what if he is angry again?

Can he really lead his brothers to avenge his ***** revenge?

Do not!

Now although his strength has soared step by step, he still can't resist the terrible Long Yin and the mysterious gate of hell!

Thinking of this, Li Tian not only hates himself a bit.

With a "bang", his angry fist hit the cold wall, and the hard wall was smashed into a huge deep nest with his fierce punch...

"I'm so useless!" Li Tian said bitterly.

Seeing Li Tian scolding himself like this, Situ Ningbing quickly walked over, then grabbed Li Tian's trembling arm, and said there, "Li Tian, don't say that...you have done your best...you have already done enough hard work... hate only hate, the enemy is too powerful."

"I know that you feel uncomfortable, and I also know that you have a lot of burdens on your shoulders... I feel sorry for you, and I don't want you to bear all the things alone." Situ Ningbing said, holding Li Tian's arm in pain.

The only person who can understand Li Tian is probably only his favorite Situ Ningbing!

She knew that from the moment Li Tian appeared in the world, he was carrying a sea of blood and deep hatred... After this journey, when did Li Tian really spend his days happily? When did Li Tian really spend a day in peace?

From the moment he came out of that small county town, his fate seemed to be doomed! He is destined to bear endless blood and deep hatred in his life!

And that hatred was far more difficult than he thought.

Li Tian has worked hard enough now... enough to constantly overcome difficulties, but now he still cannot avenge his parents! !

But what about Li Tian?

He stood there alone, the sky was on his head, the ground was stomping under his feet... He did not flinch, nor did he despair.

He just clenched his fists tightly, his straight back seemed to be slightly curved by endless hatred... However, he was still there to endure, enduring everything.

"One day, I will get all the money that others owe me...all back!"

"I want the gate of hell, and the dragon to know what blood debts are." When the cold words came out of his mouth, a strange and terrible feeling suddenly filled his whole body.

Then even Situ Ningbing, who was standing next to him, couldn't help widening his beautiful eyes when he heard something from him. Li Tian, who was staring at him in astonishment, seemed to change at this moment. He didn't even know Situ Ningbing, and he became full of a terrifying and hostile feeling that couldn't be described in words.

After Li Tian said the words just now, he slowly turned his head and looked at Situ Ningbing beside him.

I saw my favorite stare wide at the moment, and looked at myself strangely.

Chapter 1629: Pretty woman

Li Tian was stunned, looking at the dazed Situ Ningbing and asked, "Ningbing, what's the matter? Why look at me like this?" He didn't understand Situ Ningbing's weird eyes. .

When Situ Ningbing heard Li Tian's words, she couldn't help but fought a cold war, looking at Li Tian in front of him...

"No...nothing..."

"What's wrong? Ningbing, how do you feel weird?" Li Tian in front of him felt increasingly strange to Situ Ningbing's reaction at this moment.

When asked by Li Tian, Situ Ningbing had no choice but to stare at Li Tiandao while blinking her beautiful eyes and said, "I...I... just feel that you were... just a little scary..."

Li Tian couldn't help laughing when Ning Bing said that he was scary.

"Me, scary?" Li Tian asked depressedly.

Situ Ningbing did not speak.

"Ningbing...no, how could I look scary?" Li Tian really didn't understand Situ Ningbing's words.

Situ Ningbing couldn't tell the extremely strange feeling just now. After thinking about it, he looked at Li Tiandao and said, "It's all right...I was just talking nonsense..."

"Oh, all right." Hearing Situ Ningbing's words, Li Tian didn't say much.

However, after listening to Li Tian's words, the smiling Buddha and Jiang Dashan drove directly towards the Haocheng Hotel.

They wanted to tell Li Tian's affairs to Duguxie and others.

After Jiang Dashan and the smiling Buddha drove to the Haocheng Hotel, they parked the car directly outside the Haocheng Hotel.

After arriving, they saw the smiling Buddha and Jiang Dashan walked out of the car together, and then the two of them walked directly into the Haocheng Hotel in front of them.

When I arrived in the lobby, I found that this luxurious hotel was actually empty, giving a sense of gloomy silence.

Looking at the empty hall, Jiang Dashan in front of him looked around and said: "What's wrong, why is there no one in such a big hotel?"

"Father, did we come to the wrong place?" Jiang Dashan muttered in that mouth.

Smiling Buddha said: "It can't be wrong, it's here."

"It's just... strange, there is no one here." The Smiling Buddha also muttered in that mouth at the moment.

"Go, go up and take a look." Only the smiling Buddha in front of him said finally.

Then Jiang Dashan uttered, so he followed the smiling Buddha in front of him and walked upward.

The smiling Buddha had been here before, knowing that Duguxie and Ouyang Zhengtian and others lived on the 8th floor of the Haocheng Hotel, and at this moment, they walked towards the 8th floor with the Jiang Dashan in front of them.

After reaching the elevator, they quickly got on the elevator in front of them, and then pressed the button on the 8th floor!

After the elevator rose slowly, it reached the 8th floor in a short while.

With a dingdong sound, the elevator door opened, and the smiling Buddha in front of him led Jiang Dashan out of the elevator.

After they got out of the elevator, they saw that the entire corridor was empty, with no one at all.

After seeing this situation, Jiang Dashan became even more depressed. They really couldn't figure out how could a huge hotel not even have a personal picture...

"Is there still no one here? What's the situation...Could all those people leave here?" Jiang Dashan said as he walked forward.

The smiling Buddha in front of him also looked around strangely.

The two of them walked step by step toward the empty elevator on the 8th floor.

In the empty corridor full of dead silence, I really didn't see the brothers, not even the person from Ouyang Zhengtian.

Just when Jiang Dashan still had the smiling Buddha in front of him suspiciously, a slender figure suddenly attacked like a shadow, and then he heard a soft voice: "Where is the thief, dare to break here? "

With a clear and sweet drink, a white cloth swished at the smiling Buddha in front of him.

The white cloth shot toward the smiling Buddha like an electric light. Although it was only a piece of cloth, it was extremely fast.

The speed is so dazzling that the smiling Buddha in front of him can't react at all.

Laughing Buddha was careless, and was hit by the other side's white cloth with a bang on his chest... Then he was suddenly hit and flew back, directly hitting the cold wall above the corridor.

Oops, a cry of pain came from his mouth.

Then Jiang Dashan was taken aback, and quickly clenched his fists, ready to attack. Unfortunately, the speed of the shot in front of him was so fast. Before he could see who the man was, suddenly a burst of fragrance had reached Jiang Dashan. Inside his nostrils, she then saw a white jade arm that looked like a lotus root, suddenly hitting his chest with a palm.

Jiang Dashan let out a sullen cry, and was hit with a palm, and he fell into a squat, looking at how embarrassed and embarrassed it is!

In an instant, Jiang Dashan and the smiling Buddha in front of him were put down on the ground by the mysterious woman.

"Quickly, who the **** are you? Otherwise, don't blame my ruthless men!" At this time, a cold voice suddenly came from the two of them.

The two of them were forced to face, and at this moment they slowly got up from the ground, blinked and saw a plump woman who looked like a fairy standing in front of them coldly.

The woman can't tell her age, she can only see her like a fairy, her face is so beautiful, her figure is so well maintained, every inch of her skin is so white and smooth... It's just that Those Danfeng eyes stared coldly at Jiang Dashan and the smiling Buddha with Senhan's murderous intent.

But he said that Jiang Dashan was beaten like this when he didn't understand anything, and he was about to yell at him and get up to fight back, but when he suddenly raised his eyes and saw the most beautiful woman in front of him, he was suddenly stunned. At the moment, those big bull-eyed eyes were full of surprise.

He seemed to be amazed, how could there be such a beautiful woman in the world!!! There was an incredible face in his eyes.

And what about the smiling Buddha? Then he made an expression with Jiang Dashan completely, looking at the beautiful woman in front of her, completely stunned...

"Hurry up? You are looking for death!" When the two looked at the beautiful woman with surprised eyes, they only heard the woman suddenly yell.

Hearing the woman's angry shout, Jiang Dashan and the smiling Buddha suddenly woke up.

"Wait..." Suddenly the smiling Buddha said there quickly.

He already felt that this glamorous woman in front of him was definitely not a joke... The horrible murderous intent that emerged from her was enough to explain everything.

Chapter 1630: Nonsense

"We...we're here to find someone." Just listen to the smiling Buddha at this moment hurriedly saying there.

Although he was surprised by the peerless appearance of the woman in front of him, he could feel that the woman in front of him was definitely not a joke, and her skill was absolutely very high. The sudden blow just now was enough to explain everything.

So the smiling Buddha in front of him didn't dare to be careless at all, and he didn't dare to underestimate the terrible woman in front of him, so he hurriedly told the truth there.

On the one hand, Jiang Dashan was staring at this moment, not daring to speak too much.

I saw that beautiful woman snorted coldly when she heard the smiling Buddha say this: "Looking for someone? Is it true?"

"Yes, yes, yes!" Laughing Buddha quickly said.

"Then tell me, who are you looking for?" Just listen to the beautiful woman continue to ask.

The smiling Buddha said: "We are looking for Senior Dugu... and Senior Ghost Servant..."

Hearing what the smiling Buddha said, the beautiful woman was slightly startled, and Dan Feng looked at the smiling Buddha in front of him and the Jiang Dashan.

"You look for them?"

"Who are you? Why do you want to find Duguxie and ghost servants?" the beautiful woman asked coldly.

Seeing the smiling Buddha and Jiang Dashan, he replied, "We came to them on the order of our son!"

"The son? What son?" the beautiful woman asked incomprehensibly.

"Prince Vengeance! We are the subordinates of King Vengeance." Smiling Buddha said.

Who knows that after the smiling Buddha said the words Revenge, the beautiful woman in front of him immediately snorted: "What revenge, why have I never heard of it?"

Then Jiang Dashan and the smiling Buddha were taken aback when the beauty in front of him said this.

"Huh, I think you two have wicked eyebrows and mouse eyes. It must not be a good thing. Maybe it's the gangsters at the gate of hell! I'd better kill you." As the beautiful woman screamed, her slender hands suddenly rose. , Ready to do it.

The smiling Buddha and Jiang Dashan in front of him were suddenly depressed. Seeing that this beautiful woman didn't know any revenge son, she was about to be murdered on both of them... At this critical juncture, suddenly there was a clear voice. Yelling sound.

"Auntie Hua..."

With the voice coming, I saw three beautiful angel-like women walking out of the room at this moment.

The one in the front is wearing a black knee-length skirt with a white shirt on it. It looks elegant and intellectual, especially the exquisite black glasses slung over the bridge of the nose, which sets off her beauty. In addition to her slender white legs, she seemed to be able to fascinate all beings.

Next to her is a beautiful girl who looks like an elf. Her elf-like eyes exude endless aura...The straight bridge of the nose and the red lips are exuding everywhere. With a sense of endless temptation.

Take a closer look at the two beautiful girls, Ouyang Shiqing, and Duanmuying!

It turned out that it was them who came out...

But she said that behind Duanmuying, there was a lovely girl with a round face, Xiaohuan.

And the Auntie Hua that they called?

It was the extremely powerful fairy of Baihua.

However, Fairy Baihua turned her head slightly after hearing Duanmuying and Ouyang Shiqing calling from behind.

"Poetry, Yinger..."

But seeing that Ouyang Shiqing and Duanmuying curiously looked at the embarrassing smiling Buddha on the ground at this moment, and that Jiang Dashan.

"Auntie Hua, who are these two?" Ouyang Shiqing blinked her beautiful eyes and asked.

But seeing that Baihua Fairy yelled coldly: "Two guys sneaking in here are definitely not good things."

As soon as Jiang Dashan heard the smiling Buddha, he quickly explained: "We are really here to find someone... and our son really sent us."

Upon hearing the words of Smiling Buddha and Jiang Dashan, Ouyang Shiqing and Duanmuying were startled.

"The son?"

"What son?" Ouyang Shi asked in surprise.

Smiling Buddha said: "It's Lord Vengeance."

"It means Lord Vengeance, I have never heard of such a character," Fairy Baihua said angrily.

But when Ouyang Shiqing heard the smiling Buddha talk about the revenge son, she was not only taken aback, because she had heard something about the revenge son recently.

"Prince Revenge?" Ouyang Shiqing was puzzled immediately after hearing the name of Prison Revenge.

On the other hand, Mu Ying looked at this side with a puzzled face, and muttered: "What kind of revenge son...Who is the revenge son?"

Ouyang Shi, who was next to her, thought about it for a while and said to Duanmuying's words: "It's just that there are many revenge boys who have been circulating in the rivers and lakes in the near end."

"I heard that someone is very rich and very carefree."

Duan Muying blinked her beautiful eyes when she heard Ouyang Shiqing's words, and then she didn't say much. It seemed that Duan Muying had no interest in the name of the Revenge Prince.

"Why did your revenge son come to us? We don't seem to know him." Ouyang Shiqing said on the side.

After hearing Ouyang Shiqing say this, the smiling Buddha and Jiang Dashan were startled.

"But...but...our son knows Duguxie and the senior ghost servants." Smiling Buddha said.

"What? You said that your revenge son knows Senior Dugu and Senior Ghost?" Ouyang Shiqing asked in surprise with the delicate glasses on the bridge of her nose.

Smiling Buddha said: "Yes!"

"Our son specially told us to come here to find Senior Dugu and Senior Ghost..."

When he heard the smiling Buddha say this, Ouyang Shiqing in front of him thought about it slightly, then turned his head to the fairy Baihua beside him and said: "Auntie Hua, this person seems to be telling the truth..."

Baihua Fairy Liu frowned, looked at the smiling Buddha, and said: "Okay, since you said that your revenge son is looking for my second brother and third brother... Then I will ask you what he finds for them. thing?"

As Fairy Baihua asked, the smiling Buddha was a little embarrassed.

But now because of his surroundings, the smiling Buddha can only talk about it. He moved his fat body and said there, "Our son let us find Senior Dugu and Senior Ghost. Actually, he wants to The two seniors and the brothers went there...meeting!"

"Meet?" Hearing the smiling Buddha say this, the fairy Baihua in front of him was suddenly depressed.

Ouyang Shiqing and Duanmuying over there are also curiously looking at the smiling Buddha in front of them.

"Yes Yes!"

"Because our son has a deep relationship with Senior Dugu and Senior Ghost." Smiling Buddha said again.

But seeing Baihua Fairy, she suddenly shouted coldly: "What are you talking about? How can my second and third brothers know any revenge young man? It's just nonsense!"
