

A Killer 1631

Chapter 1631: unbelievable

"I'm not talking nonsense, I'm telling the truth!"

"Our son's real name is... it's Li Tian!" Suddenly, the smiling Buddha finally said the words of Lord Vengeance when he was leaving.

Li Tian?

When these two words were spoken from the smiling Buddha's mouth for an instant, the women in front of them were shocked.

The first is Fairy Baihua, her beautiful eyes glared in an instant...

And what about Ouyang Shiqing and Duanmuying? Also opened his small mouth in shock for an instant!

Everyone looked at the smiling Buddha in front of them speechlessly.

The smiling Buddha thought he had said something wrong, and now looked at the situation in front of him with a depressed face.

Then, all of a sudden, I saw that Baihua Fairy's beautiful image suddenly flashed in front of the smiling Buddha. A slender hand coldly grabbed the smiling Buddha's neckline and pushed his whole body against the cold wall. on.

"You...you...what did you just say?"

"You said... Tian'er...?" Baihua Fairy asked with an unspeakable passion in her beautiful eyes, clutching the smiling Buddha's neckline.

And that Ouyang Shiqing and Duanmuying were completely shocked, froze there, and repeated in their mouths: Li Tian...Li Tian...

Because everyone knows that Li Tian is dead!

And it has been dead for more than two months.

For these emotional women, Li Tian's death has hit them too much.

Especially that Ouyang Shiqing and Duanmuying.

Both girls loved Li Tian deeply, but Li Tian died unexplainably, and even after death, even the corpse capital could not be found... They were so sad, so sad...

In two months, almost everyone of them lost a circle, and everyone's face was haggard.

Even Duanmuying, who was once so cute and so weird, has now become taciturn, as if she has completely changed.

But now?

They suddenly heard Li Tian's name! ! !

How can they not be shocked?

But he said that the smiling Buddha was suddenly excited by Baihua Fairy and grabbed his neckline with his slender hands and pushed his whole person against the wall, and then screamed.

"I am telling the truth....."

"I'm telling the truth!!!"

Listening to what he said, Fairy Baihua asked with a trembling voice, "You said your revenge son is called... Li Tian? Isn't it?"

"Yes." Smiling Buddha said.

"How could this be?"

"how is this possible?"

"Could...Could it be that... Tian'er is alive? He is not dead?" Baihua Fairy was stunned.

"Moreover, how could he be called Lord Vengeance?"

Ouyang Shiqing and Duanmuying over there suddenly ran over at this moment, and their beautiful eyes were full of surprise.

"You just said that your revenge son is Li Tian?" Ouyang Shiqing and Duanmuying asked, clutching the smiling Buddha in front of them.

The smiling Buddha said: "Well, yes, yes."

"That's why our son let me come here to call Senior Dugu... and Senior Ghost... he said... he said... these are his good brothers."

After listening to the Ouyang poetry and Duanmuying, she was completely stunned.

"Prince Revenge is Li Tian?"

"Really?"

"Will the ***** who has been passing on the rivers and lakes in the near end be the Li Tian they think about all day?"

OMG, this news is really shocking! It is too much for the Ouyang Shiqing and Duanmuying in front of them...

Li Tian is not dead?

true or false?

Is he really not dead?

Now that Fairy Baihua is already full of Ouyang poetry, and that Duan Muying's heart is the biggest question.

No one knows whether the smiling Buddha at this moment is telling the truth.

"Did you not lie to me? Tian'er... Tian'er is really still alive?" Baihua Fairy asked, looking at the smiling Buddha with a trembling voice.

Laughing Buddha didn't understand why it would cause such a big reaction after telling his son's real name, but he nodded there and said: "What I said is true... I didn't lie to you... .."

God, is Li Tian really alive?

Then Ouyang Shiqing and Duanmuying looked at each other in horror, and then suddenly looked at the smiling Buddha and said: "Where is he? Where is he now?"

"Yeah, where is Tian'er now? Tell me!" Fairy Baihua also asked urgently.

The smiling Buddha saw that they were so excited, so he hurriedly said: "Our son is living in Cuiwei..."

"Take us there!"

"Hurry up and take us there!" Just listen to Baihua Fairy, Ouyang Poetry and Duanmuying behind her, suddenly clutching the smiling Buddha in front of her like crazy.

The Laughing Buddha didn't know what the beautiful women in front of him had to do with his son, but at this moment, being dragged by them, there was no way at all, so he had to hurry downstairs.

And what about Jiang Dashan? His face was speechless, and at this moment, he quickly followed up all the way.

In this way, Baihua Fairy, Ouyang Shiqing and Duanmuying went to find Li Tian.

They want to see the truth and see if the smiling Buddha is telling the truth, because they all hope that it is true and that Li Tian is still alive.

When they got downstairs, they got directly into the car and ordered the smiling Buddha to drive.

The smiling Buddha was originally looking for Duguxie and ghost servants, but now he is forced to come back by a few glamorous women in front of him, and he has no choice.

On the way, I saw Fairy Baihua and Ouyang Shiqing at the back and said to the smiling Buddha: "You didn't lie to us?"

"If you lie to us... I will kill you myself..."

The smiling Buddha said with a speechless face: "What I said is true! Everything is true... If you don't believe it, you will find out by checking it out."

Fairy Baihua was waiting with excitement in her heart...waiting for a miracle to happen.

Is Li Tian really alive?

Is he really not dead?

Fairy Baihua thought, while crystal tears flowed from her beautiful eyes.

And what about Ouyang Shiqing and Duanmuying? The two girls were completely dumb at the moment, sitting in the back of the car, silently chanting Li Tian's name...

"Li Tianhui is the revenge son...?" Duanmuying sitting in the car muttered to herself.

"How is it possible? How is it possible?" She kept asking herself there.

Ouyang Shiqing next to her was also sitting there blankly. Her head was messy and messy now... She didn't know what she was thinking... She was just excited and excited.

"Li Tian is alive? He is alive...Why did he call him Lord Vengeance?"

Chapter 1632: Li Tian's decision

When the Smiling Buddha and Jiang Dashan brought the Baihua Fairy, Ouyang Shiqing and Duanmuying towards Cuiweiju, Li Tian and Situ Ningbing went to the silly man's and Yuncanghe's residence. The place.

Since the last time Silly Man'er was seriously injured by the old Yin and Yang demon, he has almost recovered in the past few days.

At this moment, I saw in the courtyard, that silly man's huge body was sitting on the ground, and those calf-like eyes stared at the ground... as if there was something extremely attractive on the ground. , Watched with relish.

When Li Tian and Situ Ningbing walked in, the silly man didn't seem to notice, and he still sat there alone.

Li Tian looked at the silly man with a smile, while Situ Ningbing on one side frowned slightly at the big man.

She has a fresh memory of this big guy, and Situ Ningbing suffered a big loss when she accidentally fought against this big guy last time!

In Situ Ningbing's mind, this stupid man felt that his mind was not turning a little bit. At this moment, seeing him sitting motionless on the ground, his eyes fixed on the ground, Situ Ningbing strengthened his thoughts. This guy does feel a little silly.

"Li Tian, who is he?"

"How do I feel... he is a little stupid." Situ Ningbing asked Li Tiandao in a low voice.

But seeing Li Tian smiled slightly and said: "He is Ouyang Shiqing's younger brother, his name is Ouyang Man!"

"Ah? No, he is Ouyang Shiqing's younger brother?" Situ Ningbing said slightly startled.

Li Tian nodded there.

"Ok!"

"Don't underestimate him, he has been extremely powerful since he was a child, and he is extremely brave, but it is a pity that his head is slightly slow to react..." Li Tian said while smiling at the silly man.

After listening to this, Situ Ningbing nodded silently on one side, blinked her beautiful eyes and looked at the big guy, and couldn't help but secretly lined up: Hey, what is this guy looking at on the ground?

At this moment, Li Tian had already walked towards Man'er. When he reached his side, he saw Li Tian smiling there and shouted, "Man'er."

As he shouted out, the silly man seemed to hear Li Tian's voice.

Turning his head suddenly, the silly face looked at Li Tian and giggled.

Then his calf-like eyes saw Situ Ningbing next to Li Tian again. The moment he saw Situ Ningbing, his burly body suddenly stood up.

"Sister..." he called out again.

At the moment when Silly Man'er called out her sister to Situ Ningbing, Situ Ningbing was depressed immediately and couldn't help taking a step back.

"Li Tian...Look at him, he doesn't know why, so he asked me to call sister..."

Li Tian not only frowned slightly when he heard that Silly Man'er called Sister Situ Ningbing.

"Man'er, this is not your sister." Li Tian walked over and said to Silly Man'er.

After hearing Li Tian's words, Silly Man'er stared at Situ Ningbing up and down.

Then stretched out a stout finger to Situ Ningbing and said, "Isn't she my sister?"

Li Tian smiled and nodded.

Silly Man'er seemed to realize... This would not only lower his head slightly with disappointment in his eyes.

"I think my sister... miss her." A word came out of the silly man's mouth.

Hearing what Silly Man'er said, Li Tian suddenly felt a little sentimental.

"Man'er, don't worry, you will see your sister soon." Li Tian comforted him.

When the silly man'er heard Li Tian say this, he became happy like a child right now, looking at Li Tian and said, "Really?"

"Well, it's true." Li Tiandao.

The silly man laughed happily with a grin.

Then after smirking for a while, he squatted down on the ground in front of him, then continued to lower his head and stared at the ground, no one knew what he was looking at.

Looking at the silly man in front of him, Situ Ningbing said in surprise: "I didn't expect the Ouyang family to have such a strange person..."

"I didn't expect her sister to be brilliant, but her younger brother looks like this..." Situ Ningbing sighed slightly.

Li Tian said there, "Ningbing, you are wrong. In fact, sometimes it is better for people to be stupid, because if you are stupid, you don't have to think too much. In that case, life will be happier."

"I think Man'er is actually quite happy." Li Tian looked at the silly Man'er in front of him and said.

When Situ Ningbing heard Li Tian say this, he nodded in the same way, knowing that his overtones were not only there.

"Moreover, I think Man'er will become a big man someday." Li Tian suddenly flashed light in his eyes, and said as he looked at the silly man on the ground.

Situ Ningbing listened and looked at Li Tiandao: "What do you mean?"

"Man'er is a natural martial artist, and he is brave and invincible. I can see that the moves he is learning now are only ordinary and ordinary moves, but even such ordinary and ordinary moves can

already fight the yin and yang old devil. If you practice for a period of time, you will definitely be a champion in a million!"

As Li Tian said this, Situ Ningbing couldn't help but look at the stupid man who was as tall as a savage.

Last time, she had seen the power of this silly man with her own eyes. It was actually able to defeat the old yin and yang demon. Although the silly man was defeated at that time, his bravery left a deep mark on Situ Ningbing's heart. .

"Li Tian, what do you mean?" Situ Ningbing blinked and looked at Li Tian in front of him.

Li Tian smiled slightly and looked at the silly man squatting on the ground, and said: "I am going to teach him a martial arts... I believe that as long as he can learn, the world will be for him. Move! At that time, he will definitely stand above 10,000 people."

Listening to Li Tian's words, Situ Ningbing seemed to see the ambitious ambition in Li Tian's eyes.

At this moment, Li Tian's eyes were emitting intense light, looking at the silly man there as if looking at a gem.

The stupid man is a martial arts genius, with a natural supernatural power, coupled with the cultivation of peerless techniques, who can compete with him in the world? If this big guy can learn the extreme power of inner strength, then his explosiveness is really no joke.

So Li Tian wants to teach this stupid man!

On the one hand, Li Tian knew that he had to increase the strength of the people around him, and if he didn't increase their strength, he alone would not be able to avenge his blood! On the other hand, if the strength of the brothers of the people around him is strengthened, then they can also protect themselves very well, so that they will not easily encounter great danger.

Chapter 1633: Meet

The smiling Buddha and Jiang Dashan have already returned to the Cuiweiju Hotel with Baihua Fairy, Ouyang Shiqing and Duanmuying.

After they got out of the car, the fairy Baihua asked excitedly: "Tian'er lives here now?"

Smiling Buddha quickly said: "Yes, our son lives here."

"I hope you don't lie to me... If you lie to me, you should know the consequences."

"Not only will the lives of the two of you be gone, I will also kill your guy who is called Revenge." Fairy Baihua said with a murderous expression.

Then Jiang Dashan glanced at the smiling Buddha silently, and said to himself: Who is this beautiful woman? How so cruel!

"Let's go, take us in." Fairy Baihua said there.

So Jiang Dashan and the smiling Buddha in front of him could only hurriedly bring a few beautiful women into Cuiwei.

Ouyang Shiqing, Baihua Fairy, Duanmuying, these three stunning women born like dust, when they walked into the Cuiwei Residence in front of them, they became the focus of everyone. There is no way, their beauty is so outstanding and beautiful. Yan it.

When the smiling Buddha and Jiang Dashan quickly led them to the door of the business hotel, the subordinates saw Jiang Dashan and the smiling Buddha.

"Father, eldest brother..." The people under his staff stared in surprise at the beautiful women like Ouyang Shiqing behind the smiling Buddha, while screaming.

"Where is the son?" After the smiling Buddha came over, he immediately asked.

The subordinate stammered, staring at Ouyang Shiqing and their pretty faces without blinking, as if stupidly...stuttered: "In...in..."

After speaking, I saw the smiling Buddha and turned to the domineering fairy Baihua behind him: "Our son is inside."

"Take us." Fairy Baihua said.

The smiling Buddha had no choice but to nod his head, so he hurriedly took Baihua Fairy and the others in front of him and walked towards it.

After they walked inside, the guards were completely stunned.

"Oh my god... so beautiful!"

"My sister's is the first time I have seen such a beautiful woman in my life..."

Those subordinates all said in that mouth.

After Jiang Dashan and the smiling Buddha brought Baihua Fairy into the backyard, Ouyang Shiqing and Duanmuying looked around at the surrounding environment.

They felt that Li Tian could not be here more and more!

Because according to Li Tian's previous style, it is absolutely impossible for him to live in such an elegant environment...so a slight disappointment rose in the hearts of the two beauties at this moment.

After the smiling Buddha and Jiang Dashan in front of him brought in Fairy Baihua and the others, they arrived outside the door of the Vengeful Master.

"Here...this is our son's room!" said the smiling Buddha.

"You guys wait here for a while...I'll call our son."

Listening to Laughing Buddha saying this, Fairy Baihua glanced coldly at the room in front of him, then silently nodded.

After nodding, she walked slightly to the side of Ouyang Shiqing and Duanmuying in front of her.

"Shiqing, Yinger, you two be careful...I think something is wrong." Fairy Baihua whispered.

Ouyang Shiqing and Duanmuying also nodded silently at this moment, and then carefully observed their surroundings.

Let's say that the smiling Buddha has already walked towards the door of Lord Vengeance. After reaching the door, he quickly reached out and knocked on the door. After he knocked, he then shouted, "Master ..."

It's a pity that after he knocked, there was no sound from inside.

The smiling Buddha was taken aback for a moment, and couldn't help but secretly lined up: Isn't the son here?

This moment, made him a headache.

Jiang Dashan came over at this moment, looking at the ugly smiling Buddha and said: "What's the matter?"

"The son seems to be away!" Smiling Buddha said.

Jiang Dashan suddenly became depressed when he heard it.

Just as the two of them were muttering at the door, the fairy Baihua said coldly: "What are you two muttering?"

"What about God? Where are the others?"

After Baihua Fairy's cold voice came out, the smiling Buddha and Jiang Dashan in front of them suddenly became embarrassed.

"Our son... the son... seems to be not at the moment." The smiling Buddha said in front of him.

Hearing what the Smiling Buddha said, the fairy Baihua suddenly became angry.

"I knew you lied to me... Hmph, Tian'er has been dead for more than two months, but you gang of thieves dare to fabricate lies to deceive me? Something that does not live or die! Go and die." With a roar, Fairy Baihua is slim The figure suddenly delivered a fatal blow to the smiling Buddha and Jiang Dashan in front of him.

Baihua Fairy's most powerful thing is the hidden weapon. His goddess Sanhua is one of the best characters on the hidden weapon rankings so far...At this moment, one move is attacking Jiang Dashan and the smiling Buddha. The two of them changed their colors in amazement, but they could not hide. After this fierce blow.

Just at the moment of this critical moment, suddenly only a familiar voice came over.

"Auntie Hua...Stop it!"

Following the sound, a figure flew over, and then one hand grabbed the slender wrist of Baihua Fairy.

When his voice came all of a sudden, it was like a thunderbolt hitting Baihua Fairy's body, not to mention Duanmuying and Ouyang Shiqing in front of him... They were all stunned. With that fast light-like figure... his beautiful eyes widened.

Then he appeared!

Li Tian!

It was Li Tian who rushed to hold the arm of Fairy Baihua tightly.

When the smiling Buddha and Jiang Dashan wiped the cold sweat on their faces and saw Li Tian rushing over, they hurriedly said: "My son..."

And Baihua Fairy? It was looking at Li Tian in front of him stupidly.

"Tian'er... is it really you?"

"Is it really you?"

"I...I... didn't I dream?" Fairy Baihua said tremblingly.

Li Tian looked at the Baihua Fairy at this moment, his eyes were almost red, and he kept nodding his head and said: "Auntie Hua, it's me...I am Tian'er! I am!"

"Tian'er..." With a soft cry, the fairy Baihua immediately hugged Li Tian in front of him into his arms!

What about Li Tian? He also hugged the fragrance of the Baihua Fairy tightly, and hugged him tightly.

"I thought you were dead! I thought you were killed by an adulterer..."

"Second and fourth brothers said you were dead...Do you know how sad Aunt Hua is?" Baihua Fairy said while holding Li Tian tightly in front of him, while crying there.

Since she was a child, she has liked Li Tian the most, and she likes to hold him. Now that she finally sees Li Tian who has been resurrected from the dead, Fairy Baihua is of course extremely excited.

Li Tian also hugged the Baihua Fairy at the moment, with red circles under his eyes, and said, "Auntie Hua, I'm not dead! I'm alive..."

Chapter 1634: Sad feeling

But at this moment, how about Ouyang Shiqing and Duanmuying?

Stayed, looking dumbfounded at Li Tian.

He really is not dead!

Is he alive?

He seems to have changed, he has become more handsome than before...more masculine...

"Miss...Miss...Li Tian is really not dead!" The girl Xiaohuan standing beside Duan Muying jumped excitedly and said.

And Duanmu Ying herself? She stared at Li Tian with her bright beautiful eyes widened, her eyes full of incredible, full of unbelievable.

Then came pearl-like teardrops from the eyes. The teardrops were like broken beads, all dripping down, but these teardrops were tears of joy and excitement, after seeing Li Tian, Tears of excitement.

The moment Ouyang Shiqing saw Li Tian alive, she was dull.

When she was in the family, she saw that Li Tian and that surnamed Long were all in the fire, but now she didn't expect him to live? And really standing in front of her? How can this keep her from getting excited?

But he said that Li Tian held the Baihua Fairy for a long time, and then slowly left the Baihua Fairy's embrace.

Fairy Baihua touched Li Tian's contours with a pair of tender arms like lotus roots, and gently touched his cheeks: "Tian'er...you are thin...you seem to be thin..."

Listening to the same voice as his mother, Li Tian was extremely excited, clutching the delicate arm of the Baihua Fairy and said: "Auntie Hua, I am not thin!"

"Let Auntie Hua take a good look at you..." Fairy Baihua said in a trembling voice.

She looked at Li Tian in front of her as if she could not see Li Tian for a lifetime.

What about Li Tian? It was also like a child who allowed Fairy Baihua to watch.

Finally the Baihua Fairy watched for a long time, and when she was sure that Li Tian in front of her was really alive, she burst into tears with excitement.

He took Li Tian's hand and said, "Okay, okay, okay, as long as you are okay... Hey, if your second brother and fourth brother see you are still alive, you should be so happy!"

Li Tian smiled slightly.

"Hurry up and see Shi Qing, and Ying'er... Hey, since your accident, both of them have gone crazy..." Baihua Fairy said as she looked at Duanmu Ying who was stunned over there. There is also Ouyang Shiqing.

Li Tian also saw them at this moment.

They are still so beautiful and so moving...but they are obviously haggard, and the haggard ones have lost a lot of weight.

Step by step, Li Tian yelled softly: "Poetry...Duanmuying..."

At this time, the two girls also looked at Li Tian in a daze.

The small ring next to her was wiping tears from the corner of her eyes with excitement.

But seeing that as Li Tian walked over step by step, Duanmuying stood motionless like a wooden stake.

When Li Tian finally approached, Duanmuying suddenly seemed to be mad, and she suddenly struck Li Tian's chest with two pink fists.

"Bad guy... bastard..." Jiaohua cursed from her mouth.

While slamming Li Tian's chest with a powder fist, she shed unbearable tears.

What about Li Tian? The whole person was standing there, motionless, letting the rain of Kakura's fist lightly hit his chest, he just smiled at the corner of his mouth, looking at her who he loved before...

Finally she was tired from the beating and scolded enough, she stopped excitedly.

What about Li Tian? At this moment, he suddenly hugged Duanmuying's delicate body tightly in his arms. His arms were so tight and so sweet, as if Duanmuying was his treasure.

Where is Duanmu Ying? Being hugged by Li Tian all at once, he did not resist or struggle, but also hugged Li Tian's waist tightly, holding Li Tian's body with both hands, as if she never wanted to let go. The torso was tightly attached to Li Tian, and his slender body was not shy at the moment, but deeply hugged his favorite.

"Ying, I miss you!" A word came out of Li Tian's mouth.

Duanmuying cried with emotion, shedding tears.

"Why... why are you alive, they all say you are dead..."

"Do you know? I thought, I thought I would never see you again in this life." Duanmuying cried in tears in a vague voice.

"You bastard...little bastard..." Duanmuying cursed as she spoke.

The girl next to Xiaohuan finally saw that her young lady saw Li Tian, and she couldn't help wiping tears from her eyes.

From beginning to end, Ouyang Shiqing was on the side.

Her heart was sour, standing there like an outsider.

Her beautiful eyes were full of love, full of excitement... But she could only endure her own daring, because she knew that she was not Li Tian's true love.

Li Tian and Duanmuying hugged tightly, and everyone around them looked at them.

Seeing them hugging together, I am also happy for them.

Finally, after a long hug, Duanmuying blushed and left Li Tian's embrace...Pushing her red mouth, she said to Li Tiandao: "In the future, if you...you if...do this again...I ... I'll... die for you to see." When she said this, her eyes stared, and crystal tears flowed from her eye sockets.

Li Tian felt distressed and gently wiped away the tears from the corner of Duanmuying's eyes... There he said with love: "Fool, it won't be anymore, I won't be anymore."

Duanmuying seemed to be willing to give up like this, raising her hand to wipe the tears from the corner of her eyes, her face full of love.

Finally, Li Tian cast his eyes on Ouyang Shiqing.

But seeing Ouyang Shiqing strongly suppressed her inner impulse, and then took a deep breath, with a sense of sorrow and sorrow in her heart, she walked over slowly, and tried to disguise a smile on her pretty face and reached Li Tian's side. Then he said: "Li Tian! I knew you would not die..."

"It's great that you are alive!" A word came out of Ouyang Shiqing's mouth.

Li Tian looked at her and smiled slightly. He could feel Ouyang Shiqing's love and the strength in her heart, but seeing Ouyang Shiqing holding back his feelings, Li Tian just stood there, looking She smiled and said, "Thank you for saying that!"

"You did this for our Ouyang family. According to the truth, we are sorry for you... Li Tian, not only I personally owe you... Even our Ouyang family owes you for this lifetime." Ouyang Shiqing said again. .

"You are too serious." Li Tian said there.

Ouyang Shiqing said: "I'm telling the truth!"

"If it weren't for you last time, none of our family would have been spared, and all of them would have died...you saved me and our family..." Ouyang Shi said seriously.

Listening to her saying this seriously, Li Tian could only smile helplessly, but he always felt that Ouyang Shi was in a weird manner.

Chapter 1635: Bloody hate

Finally, they recognized each other.

They all know that Li Tian is still alive.

No one can describe their happiness and excitement at the moment, they are like a fresh life being reborn.

What about Li Tian? He was so excited when he saw his beloved women.

These are his favorites...the women who have been with him through ups and downs...

After taking them into her room with excitement, Fairy Baihua kept holding Li Tian's hand, talking to Li Tian like a relative.

Duanmuying and Ouyang Shiqing followed closely.

After Jiang Dashan and the smiling Buddha saw that they finally recognized each other, the two of them didn't know why, and there was a feeling of excitement in their hearts.

"Hey, we **** did not make a trip for nothing..."

"Yes, I didn't expect our son to be so happy, with so many beauties around!" Jiang Dashan said with a grin.

Smiling Buddha gave this guy a white look, and said: "Nonsense, our son is so handsome, and his martial arts is so high...Of course there are more beautiful women around!"

Jiang Dashan smiled and said, "It's still Buddha who said it was right, he was right."

The place inside is filled with happiness and warmth.

"Tian'er, how did everything happen? Why did the second and fourth brothers say that you were killed before?" Baihua Fairy asked Li Tian's hand while blinking her beautiful eyes.

Ouyang Shiqing next to her and Duanmuying in front of her also looked at Li Tian unblinkingly.

To be honest, they also have a lot of questions in their hearts, and they don't know what happened to Li Tian? How can you be alive now?

Just listen to Li Tian smiled and said: "In fact, the reason why I survived is completely a miracle."

"what?"

They were all startled when Li Tian said this.

So Li Tian talked about his adventures in the old mansion of the Ouyang family.

When talking about these things, Ouyang Shiqing was not only full of wonder and surprise.

"Shiqing, do you know that there is a deep cave under your family's old mansion?" Li Tian suddenly looked at Ouyang Shiqing and asked.

Ouyang Shiqing shook his head depressed: "I don't know."

Li Tian frowned and said, "Oh!"

"It seems that the cave has at least several hundred years of ancient history... I believe it should be left by your ancestors." Li Tiandao.

Ouyang Shiqing nodded suspiciously.

"It's because of that cave that I didn't die." Li Tian told them all the remaining things.

They heard the ups and downs in their hearts and looked at Li Tian in shock.

"It turns out... so everything is like this!"

"Hey, no wonder the second and fourth brothers thought you were dead." Fairy Baihua said with a deep sigh.

"If they knew you were still alive, then how excited they would be." Fairy Baihua said with emotion again.

Li Tian immediately asked, "Auntie Hua, where are they? Where are the ghost servants and my brothers? Why didn't they come?"

Following Li Tianwen's exit, Fairy Baihua's complexion suddenly became a little ugly, and there was a slight silence.

Li Tian suddenly felt something was wrong, and he could spot some clues from Fairy Baihua's face.

I saw Li Tian hurriedly asking at the moment, "Auntie Hua, what happened to them? What happened to them?"

Under Li Tian's questioning, the Baihua Fairy finally said, "They have gone to the Hell Gate to avenge!!!"

what?

"Find revenge for the people at the gate of hell?" Li Tianyi didn't understand.

Because he really didn't know that the people at the gate of **** had arrived in Binjiang City.

"Why would they go to the **** gate to avenge?" Li Tian asked in confusion.

Didn't Duguxie and the ghost servant always deal with the old yin-yang devil and the dragon Yin? How come they suddenly turned Mao's spear towards the gate of **** at this point.

Under Li Tian's constant questioning, Baihua Fairy finally reluctantly told the truth.

She glanced at Li Tiandao: "Tian'er, after I tell the truth, I hope you calm down first... OK?"

Hearing what Aunt Hua said, Li Tian's heart suddenly thumped, and a very bad premonition suddenly surged from his heart.

"Auntie Hua, what's wrong? What happened?" Li Tian asked quickly.

Fairy Baihua said helplessly: "Hey, you may not know. A few days ago, I heard that the second brother and the others were suddenly attacked by the gate of hell...A Qiu...A Qiu and Old Ge... Up."

After Baihua Fairy uttered such a sentence, Li Tian's whole body suddenly felt like a lightning strike, and his body trembled suddenly.

"Auntie Hua...you said...what did you say..." Li Tian looked at Fairy Baihua in disbelief with his blood-red eyes.

But seeing Fairy Baihua looking at Li Tian in such anguish, he said: "A Qiu...A Qiu... and Old Ge and two people were killed by the people of Hell Gate."

Hearing the truth from Fairy Baihua again, Li Tian only felt that he was going crazy.

"A Qiu is dead? Old Ge is dead..."

"How could this be?"

"How could this be?"

With a furious Li Tian, his whole body seemed to be mad, and his whole body suddenly burst into endless fierce hostility... Then his blood-filled eyes seemed to swallow everything!

Even Duanmuying and Ouyang Shiqing around them became scared when they saw Li Tian's weird changes, and looked at Li Tian in disbelief with their horrified eyes.

"Li Tian, calm down first and listen to me!" Baihua Fairy screamed when he saw Li Tian exuding endless hostility.

But what about Li Tian?

How can he calm down!

His brother is dead! His best brother is now dead! How can he calm down?

"Who killed them?"

"Who killed my brother?" Li Tian yelled there like crazy.

The hatred was all over Li Tian, his whole body was trembling tremblingly, and the endless hatred burst out from his eyes as if he was about to burn the whole world.

"It's the people at the gate of hell! The people at the gate of **** attacked your second brother and your brothers." Fairy Baihua said.

Li Tian suddenly shouted in **** mouth: Hell Gate, Hell Gate.

The endless hatred filled his eyes completely made him crazy.

I saw him rumbling and hitting the seal wood pillar in front of him with a heavy palm, and the huge pillar was hit by his terrible palm power with a click as if it were about to open.

Looking at Li Tian, who was completely in mad hatred at this moment, the Baihua Fairy was worried.

Chapter 1636: Revenge moment

"Tian'er, don't do this for now! Calm down first." Fairy Baihua looked at Li Tiandao who was crazy.

At this moment, Ouyang Shiqing and Duanmuying not only hurriedly discouraged Li Tian who was full of hatred, they all hoped that Li Tian in front of them could calm down.

Li Tian's eyes were blood red, and he was panting violently.

Thinking of Ah Qiu and Ge Lao's death, Li Tian was completely crazy.

At this moment, he tried to calm himself down, but the scenes of the tragic deaths of his brothers appeared in his mind frequently.

"Tian'er... I know you are uncomfortable and your heart aches, but they are already dead!" Fairy Baihua said comfortingly.

Li Tian held his head deeply with his hands, his teeth biting tightly, bleeding from the bite.

"Tell me... tell me... what about Xiaolong and them? How are they? Did they have an accident?" Li Tian suddenly asked Fairy Baihua with blood-red eyes open.

Fairy Baihua hurriedly said: "They are all okay! They are all fine... At present, only A Qiu and Old Ge have died."

"What about them now?" Li Tian continued to ask.

"Yesterday, the second brother and them found a clue to the gate of hell...so early this morning, they went to seek revenge at the gate of hell." Fairy Baihua said.

No wonder the Haocheng Hotel is so empty. It turns out that Duguxie, the ghost servant, Situ Xiong and Na Ouyang Zhengtian all took people to find the people at the gate of **** to avenge, and only Ouyang poetry and love were left there Duanmuying and Baihua Fairy women.

"Did the people at the gate of **** also arrive in Binjiang City?" Li Tian asked, raising his **** eyes.

Fairy Baihua nodded.

"Auntie Hua, tell me that the people at the gate of **** are hiding there... I want them to pay for their blood, and I want to avenge my brothers." The harsh words came from Li Tian's mouth. At this moment, there is only hatred pervading him, endless hatred.

Fairy Baihua saw Li Tian's expression, and said, "Tian'er, are you really going?"

"I want to go! I must go!" Li Tiandao.

"The **** gate of **** killed my family and my father... Now that even my best brother has been killed by those bastards, how can I not go? I want revenge, I want to kill all the villains at the gate of **** !!!" Li Tian said fiercely.

When Baihua Fairy heard Li Tian say this, she knew that no matter how she persuaded her, it was useless, so after thinking about it, she said: "Well, since you are going, I will tell you!"

"You went, just to help the second brother and them." Fairy Baihua said.

So the fairy Baihua told Duguxie where they were going this morning, Heping District, Dongsanlin Avenue!

After Li Tian heard Baihua Fairy telling himself the address, he immediately said to Baihua Fairy and Ouyang Shiqing beside him, "Auntie Hua, you, Shiqing and Ying'er are here waiting for me. ...I will avenge my brothers!"

Listening to what Li Tian said, Fairy Baihua didn't say much!

She knew that Li Tian's temper was exactly the same as that of Cthulhu back then. As long as he decided something, no one could stop it!

So instead of stopping it, it's better not to say it.

When Ouyang Shiqing and Duanmuying saw that Li Tian was going to take revenge, they could not help shouting together: "Li Tian..."

Li Tian slowly turned his **** eyes, and glanced at his favorite them.

Both beauties are extremely reluctant! They all want to stay with Li Tianduo...stay for a while, but they didn't expect Li Tian to go out now...

Looking at Li Tian who was about to leave, Duanmuying's beautiful eyes were filled with reluctance and finally said: "You...you be careful of your safety!"

When Li Tian heard Duanmuying say this, he nodded deeply, and then went out of the door without saying a word.

Duanmuying and Baihua Fairy watched Li Tian leave, they could only sigh deeply.

But he said that after Li Tian went out quickly, he called the smiling Buddha and Jiang Dashan.

When the smiling Buddha and Jiang Dashan saw that Li Tian's face was extremely ugly, they knew that something bad had happened. The two stood there, not dare to wait for Li Tian to speak.

"Prepare the car, I will rush to Heping District, East Sanlin Avenue." Li Tian said coldly.

When Jiang Dashan heard that there was a smiling Buddha, he stared at Li Tiandao for a moment: "My son, why are we going to Dongsanlin Avenue?"

"Stop talking nonsense, prepare the car quickly." Li Tian said suddenly and murderously.

As soon as the smiling Buddha and Jiang Dashan heard this, they quickly closed their mouths, daring not to ask too much, and then ran all the way to prepare the car.

The two of them looked pale at the moment, and while preparing the car quickly, they said in a low voice: "Oh my God, what's wrong with our son? Why are you so angry?"

The smiling Buddha also said with an ugly expression: "I don't know...but I can feel it will definitely not be a good thing!"

"You and I still pay attention, don't anger our son, especially the son is in a bad mood now!" The smiling Buddha reminded Jiang Dashan in front of him.

Jiang Dashan remembered Li Tian's horrible expression just now, and quickly took a breath, then didn't dare to say anything, ran all the way to prepare the car.

After preparing the vehicle, Li Tian hurried over.

The cold murderous aura pervading his whole body made the smiling Buddha and Na Jiang Dashan feel chilly all over his body.

The two did not speak much and got into the car at the moment.

"Why are you two coming in?" Li Tian looked at the smiling Buddha and Jiang Dashan who got into the car coldly.

But seeing Jiang Dashan and the smiling face, the Buddha looked scared and pale, and said in a low voice, "Master, let us go with you..."

"My son, we know that you are in a bad mood and that something has happened. Although the two of us have limited abilities, we still hope to help the son, even if we are willing to do a little bit of Weibo."

After hearing what the smiling Buddha and Jiang Dashan said, Li Tian was not only slightly moved.

He thought for a while and said, "Okay!"

"Drive!"

As Li Tian said this, Jiang Dashan grinned, so he quickly jumped into the driving position, and then started the Land Rover car in front of him. With a grunt, the car drove far away.

Along the way, Li Tian exudes a terrible aura, and his eyes seem to be eating people.

The smiling Buddha was sitting in the car, and the powerful horror aura exuding from Li Tian was overwhelming. Jiang Dashan in front was okay, driving the car extremely fast along the way.

Chapter 1637: Kill, revenge

Heping District, Donglin Avenue.

In an empty and silent alley, ***** deeds are happening right now.

I saw one side was a weird crowd wearing all black robes, while on the other side were Duguxie and the ghost servants and other brothers.

It turns out that Duguxie and his brothers have really found the hiding place of the gate of hell.

A ***** battle is taking place.

The first thing I heard was a sorrowful scream. The scream came from the mouth of a black-robed man in the gate of hell, and saw that he was pierced by the bronze sword in the hands of Duguxie. After the heart uttered a painful scream, it fell to the ground with a plop.

And after the ***** gate man over there saw that Duguxie killed their person with a single sword, at this moment 45 people in black robes rushed towards him bravely.

The characters in these ***** gates are all equipped with special skills. The four people rushed to the Duguxie in front of them. Duguxie roared, and the bronze sword in his hand turned into a long

dragon, and the strong sword aura was cut towards the four. A guy in a black robe didn't dare to accept this sword move, so he could only quickly retreat.

And here, Tang Xiaolong and Xue Wuhen also used venomous hands to deal with the **** sect villains in front of them.

But seeing that Tang Xiaolong, like a mad beast, knocked a black-robed doorman next to him into the air with one punch, he then swooped at the second black-robed man beside him, fighting and cursing in his mouth. : Damn bastard, give back my brother's life!

He seems to be blushing!

The Xue Wuhen next to him was of first-rate physicality, walking in a white robe like snow among the black-robed men in the **** gate, only to see him swept down the two **** gate men with his sweeping leg.

After a while, I saw the corpses of 56 **** gatekeepers lying on the ground.

In addition to the Duguxie and the brothers in front of him, Situ Xiong and Ouyang Zhengtian over there also brought people personally.

Situ Xiong was repaying the death of Old Deng. At this moment, his palms were full of power. Every master in black robe who reached his side was shocked by his powerful palms, and Ouyang Zhengtian was also very powerful, and instantly held him next to him. Several people in black robes were defeated.

However, although they are extremely brave, there are indeed too many masters of the **** gate here.

After killing a wave, I saw another wave coming one after another, and every one of them was not an ordinary character.

And the half-black hair and half-black Ruan Zixiong and the dark-skinned black boy looked at the battle in front of them with their cold eyes, and did not make a move from beginning to end.

Beside the two of them stood a short, ugly, vicious woman.

The whole body of this woman was covered by the black robe...Even the two arms were completely shrunk inside the black robe, and she looked at the situation in front of her with her extremely vicious eyes.

The **** battle continued, and the short and ugly woman covered in black robes suddenly said coldly, "Unexpectedly, they found us so soon."

As the short and ugly woman said this, the complexion of Ruan Zixiong and the black boy in front of them changed slightly, and then said, "Miss Lan'er, please rest assured... Let us handle it here."

The ugly woman known as Miss Lan'er had a cold smile at the corner of her mouth, looking at Ruan Zixiong and Heizi and said, "You?"

"Can you really deal with Duguxie and the ghost servant today?"

After the ugly woman in front of him said this, the half-black and half-white Ruan Zixiong and the black boy next to him bowed their heads and said nothing.

"Forget it, the words have already been passed to you anyway, I hope you can solve the Duguxie and the ghost servant before our master comes to Binjiang City." The short and ugly woman said this sentence suddenly, then Suddenly turned around and took a few of her men and left here.

At this moment, Ruan Zixiong and Hei Zai breathed out slightly after seeing Miss Lan'er leave, and then the two slowly turned their heads, their eyes fixed on the battle in front of them.

Ruan Zixiong's terrifying eyes were placed on Duguxie's body.

But seeing Duguxie holding the bronze sword in his left hand, he was truly invincible.

Although there were many **** gate masters around him, they were still forced to retreat again and again by the bronze sword in his hand.

After taking a look at Duguxie, Ruan Zixiong in front of him suddenly looked at the black boy next to him and said, "I will deal with Duguxie!"

As he roared coldly, and then suddenly lifted his palms, he flew over, and his palms in the air hit the Duguxie head-on.

Duguxie heard the palm wind hitting him, and immediately roared, and the bronze sword spun with his left hand, and then made a "sweeping mountain and overwhelming" sword move, stabbing towards Ruan Zixiong.

But seeing that Ruan Zixiong saw Duguxie's domineering sword attack, his body rotated in the air, and then changed his palm again to strike towards that Duguxie.

Duguxie hugged like one, the bronze sword emitted a fierce sword aura, and then transformed into a few sword shadows in the air. The sword shadow attacked Ruan Zixiong invincibly. Ruan Zixiong had no way to resist Duguxie's peerless move. Turned over and fell from the air.

Duguxie suddenly raised his cold, suffocating eyes and looked at Ruan Zixiong, whose hair was half black and half white in front of him.

"It's you! You **** who killed A Qiu and Ge Lao?" The angry words suddenly yelled from Duguxie's mouth.

His anger had ignited the cold bronze sword in his hand, and he looked at Ruan Zixiong in front of him with endless anger.

But what about Ruan Zixiong? He smiled coldly, and his thin body stood motionless, looking at the Duguxie in front of him.

"What about me?"

Duguxie's anger soared, and the killing air all over his body was exposed.

"Damn you!"

Ruan Zixiong sneered and said, "Really?"

"Twenty years ago, it was rumored that the Duguxie sword technique is invincible. Today, someone Ruan wants to meet in person for a while. I want to see if the sword is powerful or my poisonous hand is powerful!" Ruan Zixiong sneered.

Poisonous Hand: It is a move that gathers poisonous power into the palms of both hands. This palm is evil and vicious. Once hit by a local poisonous hand, even if it is not shaken to death by a strong palm, it will be doubled. The poison in the palm of your hand is poisoned to death!

When Duguxie heard the poisonous heart's hand, he stood there motionless, the bronze sword in his hand hissing, as if smelling the enemy's blood.

What about Ruan Zixiong? Although it looks pretending to be chic, his heart is extremely tense, because he knows that the evil sword in front of him is a generation.

Chapter 1638: Win the first battle

After slowly accumulating palm energy to reach the palms of his palms, Ruan Zixiong coldly looked at the Duguxie in front of him.

Duguxie didn't move, his whole person seemed to have no flaws at all.

In the end, Ruan Zixiong seemed to be unable to stand such a situation, yelled and took the lead.

The palms attacked the Duguxie from two different positions, the palms were extremely vigorous, and there was a strange poisonous gas in the palms.

Duguxie stood still, and when he saw Ruan Zixiong's palms attacking him viciously, the bronze sword in his hand suddenly slammed, and then the sword pierced out.

This sword is very fast and evil!

The stabbing part was also unexpected, because the face of Ruan Zixiong was pierced by his sword.

Ruan Zixiong saw Duguxie's pungent sword stabbing, and immediately yelled, and slapped Duguxie's sword with a palm. The bronze sword was slapped with a bang, and saw Duguxie slammed into the body. Started, and again quickly swung two swords.

Ruan Zixiong didn't fight head-on with him, but flew back and quickly retreated three meters away, avoiding Duguxie's sword attack.

After hiding from Duguxie's sword move, Duguxie flew his sword again to reach Ruan Zixiong's side, and the sword at this moment was more vicious and sharp than before. It was clear that the move wanted Ruan Zixiong's life.

Although Ruan Zixiong's poisonous heart and hands are vicious and domineering, he is helpless in the face of Duguxie's sword. After a while, he seems a little rushed!

When Duguxie fought against Ruan Zixiong here, the black boy had already shot.

His object is the ghost servant.

I saw that the black boy who looked like a leopard was really mighty enough. After reaching the ghost servant, he even shot a few punches to attack the vital part of the ghost servant. ,

The ghost servant dodges the black boy's attack with a ghostly lost footwork, and then hits the black boy in front of him with a lost fist.

Although Hei Zi is brave, but where is the opponent of the ghost servant?

The Ghost Servant stayed with the Hei Zai who used the Ghost Shadow Mistral Fist to retreat again and again. Although the Hei Zi was extremely arrogant, he was not the opponent of the Ghost Servant at the moment.

One carelessness, I saw the ghost servant sweeping his legs, directly on the body of Hei Zai, Hei Zai's chest was hit three times, and his body was kicked out, and then he fell to the ground with a bang. .

The Ghost Servant pursued the victory and attacked the Heizi again, but the Hell Gatemen beside the Heizi rushed towards him.

The ghost servant had no choice but to resist the **** gatemen around him first.

The black boy slowly got up from the ground with a vicious look in his eyes.

He looked up at Ruan Zixiong who had been pushed back by Duguxie one after another. Heizi's face looked extremely ugly.

However, Ruan Zixiong was forced to retreat by Duguxie's bronze sword. At this moment, he was angry, and his body style suddenly changed. Then he flew up and down. After avoiding Duguxie's evil sword, his palms continued to poison his heart. The hand suddenly hit Duguxie's chest.

The black poison gas accumulated in the palm of his hand made his entire palm appear black and terrifying... When the terrifying poisonous hand hit the Duguxie in front of him, he saw the Duguxie standing still and waited. When he bullied him, Du Guxie suddenly waved his left sword, and an invisible sword aura slashed towards Ruan Zixiong.

Ruan Zixiong did not expect that Duguxie could explode such a powerful sword at such a close distance. He was slightly startled at the moment, but unfortunately the sharp sword aura had reached him, and he gave a slap, but he saw blood splashing... Then Ruan Zixiong screamed. The scream was stabbed by Duguxie's invisible sword energy, and then his heavily injured body slammed onto the cold ground.

Look carefully at that Ruan Zixiong, my God, a deep sword mark was drawn on his face, from the eyebrows directly to the chin. The whole face is bloody, looking scary and bloody...

He clutched his **** face and wailed there like crazy.

The **** gatekeepers around him tightly protected him.

Here Duguxie has already killed his eyes. He is holding the blood-stained bronze sword and walking towards Ruan Zixiong step by step at this moment. He vowed to kill Ruan Zixiong in front of him to avenge Na Aqiong and Ge Lao.

The **** doorman next to Ruan Zixiong couldn't help backing back when he saw Duguxie carrying his sword.

But how could that Duguxie give them a chance to escape, the bronze sword raised, and then attacked at the front at an incredible speed.

Those **** gate people have nowhere to go, they can only bite the bullet and rush towards Duguxie.

The Duguxie bronze sword slashed up to the sky, and directly cut a person's throat...The screams and the **** spray suddenly resounded throughout the corridor.

The disciples from **** who rushed in madly died under the sword of Duguxie one by one, as if who blocked and died!

Tang Xiaolong and Xue Wuhen over there were also blushing.

Although their bodies have suffered more or less severe injuries, they seem to be completely unaware of the pain... just keep fighting there.

Dozens of **** gate masters wearing black robes, the brothers who were ignited by hatred as well as Situ Xiong and Ouyang Zhengtian couldn't help retreating, and there were more than a dozen **** **** gate corpses lying on the ground.

"Kill them! Take revenge for Old Aqiuge!" Tang Xiaolong punched one of the **** gatekeepers in the nose, and then roared there.

Looking at the crazy Duguxie and the brothers, the black boy, the screaming Ruan Zixiong, and so many disciples from **** couldn't help being afraid to retreat.

Finally, the people at the gate of **** were defeated!

They want to escape!

At this moment, Ruan Zixiong's face had been dyed red with blood, and he had no vision at all, and his subordinates supported him to retreat uncontrollably, the black boy also lost the arrogant aura he had before, and could not help retreating at this moment.

The doormen of **** fought and retreated.

"Retreat!"

Hei Zai and Ruan Zixiong can only escape at this moment, because if they don't escape, they may lose their lives.

Although the brothers are crazy to kill, there are so many characters in the gate of hell, and all of them are considered masters, so even if the brothers want to kill the Ruan Zixiong and the black boy, it seems a bit difficult. After all, there are still There are so many **** gate characters resisting here.

Not surprisingly, Ruan Zixiong and Heizi, who were stabbed with the sword of Duguxie in their faces, escaped under the cover of many **** gate masters!

The disciples of **** who were better than they were not so lucky, they were slaughtered one by one by Tang Xiaolong and Duguxie.

The empty alley was full of blood...I saw all red blood flowing on the ground...Moreover, there were more than 20 corpses of hellmen.

Although Situ Xiong's men also died of 78 men, Ouyang Zhengtian also lost a few people... But in the end, they won this battle.

Chapter 1639: I'm late

On the empty corridor of Donglin Avenue full of blood, I saw the brothers sitting there one by one.

The **** corpses on the ground looked like the void to them.

Tang Xiaolong was covered in blood, and he didn't know if the blood was on his body. He just panted and raised a pair of blood-red eyes to look at the corpse on the ground.

The snow-white clothes of Xue Wuhen over there had been dyed red with blood, and she was sitting with Chen Qiaozhi, panting.

Obviously the battle just now left them almost exhausted.

Situ Xiong here is checking the bodies of his subordinates... The same is true for Ouyang Zhengtian.

Only the Duguxie and ghost servants over there stood among these dead bodies.

There was no expression on their faces, some were just deep hatred.

"Son of a bitch!"

"Damn bastard! If you have the ability to leave him alone..."

"The gate of hell, the **** gate of hell...you bunch of turtles, bastards..." Tang Xiaolong cursed there.

The brothers listened to Tang Xiaolong's scolding, and stood there without speaking.

Here, Ouyang Zhengtian slowly walked towards the Duguxie and the ghost servant in front of him.

"Senior Dugu... now the people at the gate of **** have escaped. They will definitely not appear again in a short time. Hey, I am afraid it is really difficult to find them next time." Ouyang Zhengtian said.

Listening to Ouyang Zhengtian saying this, the Duguxie standing among the **** corpses said coldly: "Even at the end of the world, I will hunt them down."

"Yes, this hatred must not be forgotten like this, I must seek justice for Deng Lao." Situ Xiong also walked over and said.

Looking at so many corpses on the ground, everyone finally chose to be silent.

This is the blood-stained arena!

The dead corpses on the ground exudes a gloomy feeling... Some of the dead corpses are figures from the gates of hell, and some are figures on their side of Duguxie... All of them lie on the ground cold and give people a saying A sense of sorrow not to come out.

On the streets of Heping District, I saw an aggressive black Land Rover rushing towards this side.

Sitting in the car was Li Tian, the Smiling Buddha, and Jiang Dashan who had arrived.

As he drove, Na Jiang Dashan said, "My son, I'm almost here, I will be on Donglin Avenue soon."

Li Tian sat in the car, staring at eyes full of hatred, sitting there with his fists tightly clenched.

The smiling Buddha next to him is also sitting there nervously.

Finally, the car turned a corner and reached that Donglin Avenue.

After the car reached the intersection of Donglin Avenue, Na Jiang Dashan stepped on the brakes and the car stopped abruptly.

"My son, this is Donglin Avenue." Jiang Dashan said while extinguishing the car in front of him.

Li Tian didn't say anything. He opened the door and jumped out of the car very quickly.

After he jumped down, the smiling Buddha behind him and Jiang Dashan quickly followed.

After Li Tian jumped out of the car, he glanced at the crossroad with clear eyes, and suddenly his eyes stopped at the narrow alley on the left.

Because he faintly felt a strong ***** breath coming from here.

After smelling the ***** breath in his nose, he suddenly stretched his body and jumped into the alley in front like a flying swallow. The smiling Buddha behind him and Jiang Dashan still didn't understand what happened, but see Li Tian's body had been swept away several feet away, and the two looked at each other, and at this moment they also hurriedly followed Li Tian towards the entrance of the alley.

It was said that after Li Tian quickly entered this alley, the ***** aura became stronger and stronger, and it was exuding from the front.

Li Tian was taken aback, speeding up and running forward.

But seeing that when he suddenly turned around and reached the entrance of the alley in front, he saw a ***** scene in his eyes... but seeing the corpses all over the ground, blood... appeared in his eyes terribly.

Li Tian was shocked there!

My eyes looked at the corpses and blood all over the ground in disbelief...

"How could this be?"

"I'm late?" Li Tian muttered, looking at the corpses on the ground.

Except for the dead bodies, there was no one in the empty alley! Even the Duguxie and the brothers were gone.

At this moment, seeing the smiling Buddha and Jiang Dashan quickly rushed here. After the two arrived and saw the corpses and blood all over the ground, they were instantly shocked there.

what?

"A lot of dead bodies..." Jiang Dashan couldn't help exclaiming.

The smiling Buddha in front of him also opened his eyes wide, looking at everything on the ground.

But seeing Li Tian over there observing the corpses of these people one by one, he squatted on the ground and pulled away the corpses in black robes, took a look, his eyes were full of weird feelings.

Finally, Jiang Dashan came over and asked, "My son... we seem to be late."

As he said, Li Tian snorted, his face looked strange and ugly.

"My son, what kind of stuff are these people in black robes?" Jiang Dashan asked, pointing to the corpses in black robes on the ground.

Li Tian stood up slowly, took a cold look at the corpses of the ***** gates on the ground, and said, "Hell gates!"

When the smiling Buddha in Jiang Dashan heard the three characters for Hell Gate, their whole body not only felt a chill, it seemed that the three characters for Hell Gate made them sound extremely uncomfortable.

The smiling Buddha and Jiang Dashan stood among the piles of corpses with Li Tian. Li Tian glanced at the corpses on the ground and the sword spirit of the forest around him. He knew in his heart that he was late this time. Up.

It seems that Duguxie and the ghost servant have already left!

However, judging from the current corpses on the ground and the surrounding situation, the brothers didn't seem to have suffered much in this battle, and they also killed many masters of the **** gate! Thinking of this, Li Tian's heart was not only slightly more comfortable.

"My son, what shall we do now?" asked the smiling Buddha and Li Tian, who stood by Jiang Dashan looking at the moment.

Li Tian strode forward, no longer looking at the dead bodies on the ground, and replied coldly: "Look for my brothers.,"

Following his words, the smiling Buddha and Jiang Dashan followed Li Tian to the front.

In the empty and silent alley, the bloodstains and corpses left at this moment are no longer cared about.

Li Tian walked away with the smiling Buddha and Jiang Dashan beside him.

Chapter 1640: last chance

This battle is indeed a loss for the gate of hell.

Ruan Zixiong's face was swallowed by Duguxie's domineering sword, but what about the black man? It is not the opponent of the ghost servant.

The former arrogant gate of **** was hit hard for the first time.

In a room with not very bright lights, I saw a violent cry of pain. The sound came from Ruan Zixiong's mouth. I saw a piece of white cloth covered with blood on his hideous face. He was all dyed red by blood stains, covering his face.

His eyes were covered with bloodshot eyes, and his whole body was there, covering his disfigured face, kneeling on the ground shaking.

And beside him was the dark-skinned black boy, just like Ruan Zixiong, kneeling with his legs on the ground, his face full of fear.

Because, sitting in front of them were two women on the left and the right, two women in black robes.

One of them was an ugly little woman who appeared before, named Lan'er.

Another woman was similar in figure to that Lan'er, but there was a disgusting mole at the corner of her mouth. Her eyes viciously looked at Ruan Zixiong and the black boy who were kneeling on the ground in front of them.

No one knows when this woman appeared, let alone her identity.

But it was said that the famous Ruan Zixiong and the black boy, when seeing these two black-clothed women, felt a sense of suffocation and fear that he had never felt before.

"waste!"

"It's all rubbish!" The ghastly words came out of the ugly Miss Lan'er first.

When she yelled at it, Ruan Zixiong and Heizi knelt on the ground and didn't even dare to put a fart.

"The master gave you such a simple thing, I didn't think you would be able to do it... You said, what is the use of keeping your life?" Miss Lan'er snorted again.

When Lan'er said this, the disfigured Ruan Zixiong hurriedly knelt on the ground and said: "Miss Lan'er...please give us another chance...please, give us one last chance!"

"I promise, I promise that next time we will kill Duguxie and the **** ghost servant." Ruan Zixiong was like a dog lying on the ground praying.

When he pleaded, the vicious Miss Lan'er didn't even look at them, but suddenly drowned in a black-robed woman next to her.

"Big sister...how to dispose of these two wastes?" A word came out of Miss Lan'er's mouth.

The black-robed woman called "Eldest Sister" had a mole on her chin, and her eyes were more cruel than Miss Lan'er.

At this moment, after hearing what Miss Lan'er said, she suddenly stood up from her seat.

Then he walked towards Ruan Zixiong and Heizi step by step in hostility.

As she walked towards Ruan Zixiong and Heizi step by step, Ruan Zixiong seemed to feel the **** of death approaching, and her whole body trembled more severely. The cold sweat couldn't stop flowing down her forehead, and the Heizi was also nervous. It's terrible, even breathing seems to stop.

"You two still want to live?" Suddenly a sharp word came out of the woman with a mole on her chin.

When she said these words, Ruan Zixiong knelt on the ground in fear and said, "Yes, yes, yes..."

"Since you want to live, then I will give you one last chance!"

As her words were spoken, she saw one of her slender hands hidden in the black robe suddenly pointed towards Ruan Zixiong's chest like an electric light, and then pointed towards the black boy on the side.

With such a quick and unrelenting shot, Ruan Zixiong and Heizi in front of them didn't have the slightest chance to return their phones!

"Life and death!"

"Now I have clicked on your life and death points... Within 12 hours, if you can't get the heads of Duguxie and ghost servants, then you just wait to die." With one above your chin The moment the mole said these words coldly, she turned around coldly and returned to her seat again.

And what about Ruan Zixiong and the black boy?

Completely stunned at this moment!

The two opened their chests and took a look. Oh my God, they shared a black birthmark on their chests.

Life and death! It turned out that the terrible woman had already hit the life and death points of Ruan Zixiong and Heizi.

Life and death point: It is an extremely unique and weird cruel technique. If you hit the life and death point, within 12 hours, you must be solved by the acupuncture person, or you will have to break your veins and die.

Ruan Zixiong and Heizi were all stunned after seeing the life and death points in their bodies, and a ray of complete despair suddenly appeared in their eyes.

12 hours?

It only took 12 hours for the two at this moment to kill Duguxie and the ghost servant?

How can the two of them do it?

What's more, Ruan Zixiong still has a domineering sword in the face of Duguxie, and the blood is still flowing downward. Although the black boy is not as bad as Ruan Zixiong's injuries, he is not much better.

"I have given you the opportunity, and the rest is up to you! If you want to live, I brought the heads of Duguxie and the ghost servant to me..." As the terrible woman said again When this sentence came out, Ruan Zixiong and Heizi didn't know at the moment that they should be glad they could live 12 more hours? Should I be angry?

"Get out!" cold words roared from the scary woman's mouth.

Ruan Zixiong and Heizi knelt on the ground and nodded silently, and then retreated like a bereavement dog.

After they withdrew, Miss Lan'er in front of her looked at the scary woman next to her and said, "Sister, why don't you just kill these two wastes?"

The terrible woman with a mole on her face sneered: "The master said that killing is also an art... Besides, the two wastes just now are really useful!"

After this terrible woman said so, the ugly Miss Lan'er stopped talking.

"The host has arrived in Binjiang City ahead of schedule, and our people have also arrived here one after another. I hope that this time there will be no more mistakes." The terrifying woman in front of her suddenly said.

"Sister, don't worry, everything is already under control!"

"Duguxie and ghost servants are bound to die! Those who resist our **** gate will also die this time!" Na Lan'er said viciously.

A weird smile rose from the corner of the scary woman's mouth and said, "That's good!"

"The only thing left is that **** old Demon Yin and Yang? Lan'er, have you found out the recent whereabouts of the old Demon Yin and Yang?" The terrifying woman suddenly asked.

Miss Lan'er, who was wearing a black robe, frowned and said, "Not yet..."
