

A Killer 164

Chapter 164: She is coming

Listening to Li Tian's scolding voice in front of him, that Xuepan and K couldn't wait to slash Li Tian in front of him.

But Qiu Si frowned.

He knew in his heart that he might not be able to escape tonight... He would die if he lived so old.

But this kid would be worthless if he followed himself and took his life here for nothing!

But right now, this kid is not leaving? How to do it?

"Smelly boy, I think you are looking for death. Don't think that you can turn the situation around today with two tricks and three-legged cats... Hmph, if you want to die, your **** grandpa will do you well."

With the export of blood, Panguo really furious.

Accompanied by the fierce leg wind, the terrible Lianhuan split his legs towards Li Tian's head.

Li Tian didn't dare to be careless at all, he knew the power of these two monsters in his heart.

Relying on the flexible pace of his feet, Li Tian can be regarded as taking this serial killer leg.

After snatching it, he punched at the **** Pan, and the corner of his mouth smiled coldly, facing Li Tianping's unremarkable punch, he didn't care at all.

Reach out and grab.

But he didn't expect Li Tian's boxing technique to be extremely weird. The punch that originally hit him on the cheek suddenly changed its angle in the middle, but hit the **** chest in front of him from an extremely incredible angle.

This made Xuepan depressed, and his body suddenly retreated before hiding.

"Good boxing."

Even Qiu Si couldn't help but praise from behind.

He was more and more admired at Li Tian. From just Li Tian's catching move, another massage move, and the entire **** move, Qiu Si couldn't help but marvel that this kid really had a good hand.

These tricks are really beautiful.

You should know that Li Tian's tricks were learned from the ancient books of the Tianshu Danjuan, if not more powerful? Isn't that a shame?

It was this continuous attack that made that Xuepan completely angry.

He didn't expect that he would lose someone in front of a stinky boy. He shouted, and walked away violently, standing on his chest with his palms, and suddenly attacking Li Tianjia with his left and right palms.

Li Tian retreated quickly, his flexible pace did not tremble with the blood.

Xuepan's two palms fell to the ground, and he suddenly retreated.

A pair of vicious eyes looked at the steps under Li Tian's feet, and suddenly he smiled.

"Boy, although I don't know what pace you are using or what tricks you use, but you seem to know these tricks, right?"

Hearing this Xuepan said so, Li Tian secretly cried out.

Unexpectedly, it was seen by this dead bald head.

To be honest, Li Tian would use these tricks. There was no way he could do it. He only read a few pages on the Heavenly Book Pill Scroll. He didn't know any other tricks at all, so these tricks could only be used back and forth. He didn't expect this Zi was shown by the blood.

Even the latter Qiu Si was slightly startled: Could it be said that he really knows these tricks?

"Be careful, that guy has already seen your tricks." Qiu Si reminded behind Li Tian.

Li Tian nodded.

After Li Tian just finished saying this, the blood rushed over again.

This time he used only solid fist moves.

The heavy punches with force and huhu several punches hit Li Tian's cheek straight.

Li Tianmo moved to avoid the past, and then returned with a punch and a grab, all blocked by the opponent.

Even several times with Li Tian's catching moves, he couldn't catch the **** body, and he couldn't help feeling a little impetuous in his heart. At this moment, he shook his body and attacked again.

But suddenly saw a cold smile appeared at the corner of that **** mouth.

It's this time.

Seeing Xuepan jumped up suddenly, holding the flying legs and kicking, Li Tian hurriedly blocked with both hands, and the force from Xuepan's legs made Li Tian's arm numb.

Then, seeing Xuepan swiping his legs suddenly and quickly, Li Tian jumped up and dodged. He just jumped up and found that Xuepan was just a fake trick!

Li Tian, who had too little experience in battle, suffered a big loss now.

This is not a handful of blood to grab an arm.

"I think how can your kid escape?"

When the voice exited, there was a huge force from the wrist of Xuepan grabbing Li Tian's arm, causing Li Tian to snorted in pain, and the **** smashed attack directly hit Li Tian's chest, burning like fire inside his chest. He felt his whole body qi and blood constantly rising.

Bang Bang Bang hit all three heavy punches on Li Tian's cheeks, and Li Tian flew to the ground with a scream of being beaten.

He was beaten with a bruised nose and swollen face, and blood was surging in his chest, unable to get up.

With a **** stain at the corner of his mouth, Li Tian tried to stand up, only to find that the slightest strength in his body was gone.

"Hey, brat, today your **** grandpa will give you a ride."

He said that Xuepan strode towards Li Tian, clearly wanting to kill Li Tian.

Li Tian walked backwards with difficulty, Qiu Si behind him was also seriously injured. At this moment, his body was shaken and he stood in front of Li Tian.

"Don't hurt him."

"Chou Lao'er, now it is not your turn to speak." Xue Pan said sharply.

When the voice exited, he grabbed Li Tian desperately, and Qiu Si wanted to stop him, but was blocked by the tooth blade in K's hand over there.

Qiu Si was shocked, he backed away, and the tooth blade was cut against his chest.

The brocade silk Tang suit that Qiu Si was wearing was scratched.

Seeing that Qiu Si was blocked by the K, and Li Tian here was about to be buried under that **** hand.

Li Tian couldn't move his body at this moment, and the tingling pain from his whole body made him clearly realize that he might really be unable to escape this time.

Li Tian slowly closed his eyes, waiting for the moment of death.

He didn't expect that he would die like this...

The **** smile, seeing Li Tian's desperate face at the moment was even more sinister.

"go to hell."

The voice suddenly uttered, and a claw like Li Ghost grabbed Li Tian's throat.

Will he really die?

Did you die in the hands of the Qisha organization?

At this critical juncture, suddenly a sound of heaven came from the black night sky.

"Heaven and Earth Shuangsha! Are you looking for death..."

Although the voice sounded so cold and beautiful in the dark night, after listening carefully, it was so touching and so familiar, especially when Li Tian heard this sound, his heart beat suddenly.

Because he had been thinking of that familiar voice for countless nights.

is her!

is her! She is coming...
