

A Killer 1641

Chapter 1641: Black shadow in the rain

"I don't know why, the old yin and yang demon seems to have disappeared during this period of time... We have exhausted all the means to find the trace of the old demon..." Lan'er said. .

The terrible woman next to her gave a secret, and then said: "Continue to investigate! Be sure to find out the whereabouts of the demon!"

"Yes!" Lan'er said.

"This time, we will reappear at the gate of hell, and we must solve all the enemies."

"Because only then can the world belong to our master." The terrible woman said grimly.

Na Lan'er nodded slightly there.

The wind and clouds have moved, the darkness is like a tide, and only endless **** killings are waiting.

This time, the magic way soars to the sky, the right way is slumped, how should Li Tian reverse the situation?

Besides, Li Tian with a smiling Buddha and Jiang Dashan had hoped to help the brothers, but when they arrived at Donglin Avenue, they found that they were late, and Duguxie and others had already left.

Helpless Li Tian could only return it with the smiling Buddha and Jiang Dashan.

After returning to Cuiweiju, he saw Fairy Baihua, Duanmuying and others, and Situ Ningbing who came out.

"Tian'er, you are back." After seeing Li Tian's return, the Baihua Fairy stepped forward excitedly and took Li Tian's hand.

Li Tian smiled and nodded.

"How about? Have you found the second and fourth brothers?" Baihua Fairy asked eagerly.

Li Tian's complexion was a little unsightly, and he shook his head slightly there.

"I'm late... when I arrive, they have already left." Li Tiandao.

"Gone?" Fairy Baihua became depressed.

"Auntie Hua, don't worry. From my observation, we seem to have won this time! Because when I went, the ground was basically the corpses of the gatekeepers of hell..." Li Tiandao.

After hearing Li Tian say this, Fairy Baihua let out a faint sigh, and muttered, "That's good...that's good..."

"I think the second brother should return to the Haocheng Hotel!" Baihua Fairy said suddenly.

Li Tian also nodded silently.

"Auntie Hua, let's go. I immediately send someone to the Haocheng Hotel. If they have already returned, then I will tell my brothers that I am alive."

Li Tian is now anxious to see his good brothers.

So after Li Tian said so, the fairy Baihua also nodded quickly aside in favor.

"it is good!"

So Li Tian hurriedly appointed the smiling Buddha to visit the Haocheng Hotel again.

After Li Tian sent to the smiling Buddha, he returned to the room. He didn't know why. Ever since he saw the bodies of the people at Hell Gate, he felt a strange feeling in his heart...like Some kind of bad premonition.

This made him look very ugly after returning.

The extremely clever Situ Ningbing noticed the change in Li Tian's complexion. At this moment, he couldn't help but look at Li Tian and asked, "Li Tian, what's wrong? Do you have something on your mind?"

Li Tian heard his beloved ask this, not only raised his head slightly, looked at her with a smile, and then slowly shook his head: "It's okay..."

Situ Ningbing glanced at Li Tian and said, "Why do you like to hold your thoughts in your own heart? Why don't you say it and let everyone find a solution together?"

Following what Situ Ningbing said, the fairy Baihua in front of him also walked over and looked at Li Tiandao: "Tian'er, is something really wrong?"

Surrounded by the women he loves most, Li Tian finally smiled helplessly, and then said slightly, "Actually, there is really nothing wrong, but I always feel something is wrong in my heart!!!" Li Tian finally said. The weird feeling in my heart came out.

"What's wrong?" After hearing Li Tian's words, Fairy Baihua, Situ Ningbing and others around him not only looked at him in surprise.

But Li Tian continued to say: "Yes!"

"I always feel that something big is about to happen!" Li Tian said as he raised his eyes and looked at the cloudy sky outside the window.

The sky today is very weird. In the morning, it was still extremely sunny, but now it was covered with clouds, only after 3 o'clock in the afternoon, but it was already dark outside... as if darkness was about to come.

Listening to Li Tian speaking like this again, the Baihua Fairy and Situ Ningbing felt that Li Tian's words were a little weird.

But after seeing their expressions, Li Tian quickly smiled and said: "Auntie Hua, Ningbing, Ying'er... Don't worry about it... Maybe, this is my head thinking too much..."

After Li Tian said this, they all looked at him worriedly.

"My God, maybe it's because of the too much pressure on your near-end time..."

"Listen to Auntie Hua, you hurry up to take a good rest, okay?" Fairy Baihua looked at Li Tiandao caringly.

Listening to Fairy Baihua saying this, Li Tian thought for a while and said, "Well..."

So supported by Situ Ningbing, Li Tian finally returned to the room to take a good rest!

For such a long time, Li Tian told the truth, he didn't have much rest!

Looking at Li Tian who was leaving, the fairy Baihua couldn't help but sighed: "Tian'er is too tired...the pressure on her body is really too great..."

Duanmuying took a step forward and said: "Well! I can see that he is different from before!"

"Yes, now he has changed, he has become an upright man... If the eldest brother can see the sky now, then, that would be great!" Fairy Baihua said, raising his hand and wiping gently. Tears in the corners of my eyes.

She thought of Li Tian's father and the big brother she admired most in her life: Cthulhu!

It was only 3 o'clock in the afternoon, and the sky outside was completely dark.

The billowing black clouds rushed to the entire Binjiang City from the side of the sky like a terrifying troll.

Then you can feel the cold and biting gusts of wind blowing, and more violently, the howling wind accompanied by the dark clouds pressed towards the city of Binjiang.

Binjiang City, located in a plain area, has no hurricanes at all, but today I don't know what's going on. Suddenly a hurricane hit.

Dust was flying everywhere on the road blown by the terrifying hurricane, and even the people walking on the road were blown away almost blindly.

People began to escape and dodge everywhere in the strong wind.

Suddenly, in the gray sky, there was a thunder and a click, accompanied by a lightning that brightened the whole world, and then a torrent of rain poured directly from the sky.

The crowds on the road ran quickly in the heavy rain...The sound of cars, the sound of horns, and the thunder that rolled in constantly resounded throughout the space.

I saw a group of people walking through the rain in such heavy rain.

"Damn it! Why suddenly it rained so heavily?" A familiar voice came through the torrential rain.

Listen carefully to that voice, it is Tang Xiaolong's voice.

It turns out that these people are brothers who have returned.

Duguxie and the ghost servant walked in front, and the remaining Tang Xiaolong, Xue Wuhen, Ouyang Zhengtian and others followed behind.

Their clothes were all wet, their bodies were soaked, and drops of rain dripped down their faces.

"Yeah, it's strange. The weather was so good this morning, why it rained so heavily in the afternoon." During the heavy rain, only Xue Wuhen on the other side was also talking.

His long and dashing hair was also drenched by rain and stuck to his scalp.

"Don't speak, everyone should go back soon." One of Chen Qiao in the back said while wiping the rain off his face.

There is no one on the street at this moment, except for a few cars that occasionally fly over!

Most people got into the house to avoid the heavy rain.

The billowing black clouds are still coming in, and the sky is getting darker and darker. The gust of wind doesn't mean to stop, it continues to blow in that raging...

Suddenly at this moment, a violent explosion sounded from the front!

Accompanied by the sound of a thunderous explosion, then a harsh car horn sounded...

The brothers who were in the heavy rain were not only taken aback at this moment, opening their eyes wide and looking forward, but seeing a few cars and wondering how they all crashed together...

Car accident?

Just as the brothers were puzzled, suddenly I saw a dark thing suddenly swishing towards the brothers in the heavy rain!

"Be careful!" An exclamation yelled from Duguxie's mouth, but then he saw his body avoiding the attack.

And the brothers in front of you? I was also shocked when I saw a dark thing suddenly smashed towards them, and then they all quickly used the birth method to avoid it!

Fortunately, they dodged in time, or they had to be hit by the inexplicable thing just now, but after seeing the brothers quickly dodge the inexplicable blow, with a bang, the huge black thing hit the wall behind Go on... Look at it with amazement, it turned out to be a car door! A car door flew towards them just now.

The brothers were shocked at the moment, and no one knew what happened.

"what?"

"Who did it?" Tang Xiaolong couldn't help roaring in the heavy rain when he saw that a car door almost hit him and his brothers.

But seeing the heavy rain on the deadly street... And at the place where the car accident just broke out, there was a dark figure standing motionless...

The scene of the car accident behind him is still constantly screaming from the car horns, and thick smoke is also blowing there...

"What is that?" Tang Xiaolong blinked his eyes and looked forward!

Because the rain is so heavy that it is impossible to see clearly that the dark figure in front is a person? Or something else?

Following Tang Xiaolong's words, everyone at this moment not only looked forward together!

I saw the dark shadow standing there motionless, thick smoke billowing behind him, and three of the cars had been severely crashed.

"Is it a human being?" Xue Wuhen muttered in surprise, and then he reached out and wiped the rain water flowing down his face and continued to watch with his eyes wide open.

Here, Chen Qiaozhi in the rain and Ouyang Zhengtian looked at the dark things in front of them with all their eyes.

"It seems to be a human..." Situ Xiong stepped forward and said with eyes wide open.

Chapter 1642: Terrible person

When they said that they were human, the brothers were all staring at the shadow in front of them in the heavy rain.

But said that the shadow is a human being?

The heavy rain could not see his figure clearly, nor could he see whether he was a man or a woman, the only thing that could be seen was the smoke billowing behind him.

"What does that guy do?" Tang Xiaolong couldn't help but asked in confusion.

The brothers at this moment are also looking at me one by one, and I look at you, speechless, because they don't know who is in front.

"It seems a little strange!" Chen Qiaozhi said suddenly.

Just when he said the strange word in his mouth, suddenly the black figure in front of him flashed like that, and disappeared directly...

"Huh, where's the person? Why did the person disappear suddenly?" Tang Xiaolong wiped the rain from his face in the heavy rain and said in surprise.

The brothers in front of me were all looking at the place ahead with their eyes wide open at this time. In an instant, the shadow disappeared out of thin air! ! !

"Gone? It really disappeared out of thin air?"

"Oh my God, his speed is too fast..."

"Impossible! Impossible, how can a person's speed be so fast? Just blink of an eye?"

"That, that, that, isn't it a human" Xue Wuhen said depressed.

...

And Duguxie and the ghost servant stood coldly in the front place. Neither of them spoke too much, but just raised the pair of cautious eyes and stared at the front place.

"Xiaolong, Qiao Zhi...protect yourself!" Hearing Duguxie suddenly said a word in the heavy rain.

Then one of Tang Xiaolong and Chen Qiao was stunned!

what happened?

On the empty street, besides the cold rain and them, there are other people there? What happened to Duguxie? Why are you so nervous?

Of course Tang Xiaolong and Chen Qiaozhi would not have thought that Duguxie had smelled a terrifying murderous aura!

I saw the sound of Dugu Xiechang, the bronze sword was out of its sheath!

The moment the cold blade was pulled out, the entire blade was hissing.

At this time, the ghost servants also opened their eyes, and looked around with their fists clenched. Although the brothers were puzzled by the words of the Duguxie just now, they did not dare to take care of it at this moment. Staying aside, staring around in the heavy rain!

The majestic rain poured down from the sky and hit the brothers.

Suddenly when they were looking around one by one, suddenly they saw a black shadow rushing to the left as fast as light. His body was too fast, and it completely exceeded the limit of human beings. Only a scream came out of the mouth of a member of the Situ family nearby, and then the brothers turned around and looked at... The terrible scene was shocked in their eyes, because the ground was more scarlet for no reason. Blood, and the Situ family member who screamed just now? But suddenly disappeared? Inexplicably disappeared... together with the ghostly shadow.

In this way, a living person disappeared from the eyes of the brothers under the public.

"What happened?"

"What about people?" Situ Xiong said angrily there.

The several family members beside him were also completely stunned...

"Who of you saw it? What about my people?" Situ Xiong shouted! He can't believe that the person standing next to him alive has just disappeared inexplicably...

It's a pity that all the people in front of me shook their heads deeply because they hadn't seen any of them just now.

"Who did it?"

"Who the **** is hiding in the dark?" Tang Xiaolong in front of him not only cursed there.

They all feel the danger right now, and terrible danger is approaching them step by step, but what about brothers? At this moment, I don't even know who I am dealing with.

Just when Tang Xiaolong was about to scream for a second time, he suddenly banged, as if a corpse fell directly from the air...With the bang, a corpse fell heavily in front of the brothers, they I opened my eyes to see, but saw the corpse on the ground with a pair of horrified eyes, Qiqiao bleeding to death.

This corpse is the corpse of a member of the Situ family who screamed just now.

When they saw the corpses of the members of the Situ family being thrown in front of the brothers, they were all shocked and looked at the scene before them in disbelief! There was fear in everyone's eyes...

Who? Who did it?

Gosh! Who can kill the Situ family in an instant? And personally in front of Duguxie and Ghost Servant?

too frightening! so amazing.

"Fuck you...who the **** is dealing with the laozi in secret? You can't help but come out?" Tang Xiaolong really didn't want to be so suffocated... he stood in the heavy rain and yelled at once. stand up.

The Duguxie and the ghost servants next to each other are accumulating true energy, ready to fight.

"Asshole, shrunk tortoise... Come out, come out..." Tang Xiaolong continued to curse there.

Just as Tang Xiaolong was yelling, a gloomy and terrifying voice suddenly rang behind him.

"Are you calling me?"

With a terrible voice suddenly coming out from behind Tang Xiaolong, Tang Xiaolong only felt that his whole body suddenly became cold.

Behind!

The terrible person is behind him! !

But seeing that Tang Xiaolong felt all the hairs on his back stand up, and even his heart seemed to have completely stopped beating, then he roared, twisted his body, and hit the strange sound behind him with a punch. Fight!

But when he punched him suddenly, he only saw a pair of eye pupils, a pair of black pupils exuding endless hostility, and gleaming...

Then an invisible black gas slammed into Tang Xiaolong's chest!

But listening, with a scream of wow, Tang Xiaolong's body was knocked into the air by the weird thing... With a bang, the huge body fell heavily to the ground full of rain!

"Little Dragon..."

"Protect the dragon!" Duguxie yelled, flying over from the heavy rain, and the ghost servants on the other side and Xue Wuhen all swept over at this moment.

Then Chen Qiaozhi hurried to help Tang Xiaolong, who was lying in the rain with blood in his mouth, but seeing blood on the corners of Tang Xiaolong's mouth, his whole body was shaking violently. He was panting hard, and the clothes in his chest had been given blood. Thoroughly dye red.

And here?

In the torrential rain, I saw a man exuding black magical energy standing motionless in front of them!

His eyes were filled with cruel and cruel smiles... the transpiration from his whole body, even the rain seemed to be unable to reach his body...

Chapter 1643: Broken sword, death

He also wears a silver mask on half of his face, standing in the heavy rain, looking at his brothers with a strange smile. ,

"Long Yin!!!"

Suddenly a scream came out from Du Guxie's mouth.

He looked at Long Yin in disbelief.

It's Long Yin! !

When the ghost servant over there really saw this Dragon Yin, he was completely shocked there!

Oh my God, it's the demon of this dragon!

he's changed!

The aura of his whole person has completely changed, his hair has turned into a saucy purple...The eyes are filled with Shenren's weird light, and the whole body exudes a magical aura.

The moment Duguxie saw Long Yin, he felt something wrong! Because the aura that Long Yin exudes was even more terrifying than before, as if what he was facing now was not an individual, but a demon.

When Duguxie yelled out Long Yin, Ouyang Zhengtian and Situ Xiong over there surrounded him, looking at the demon in the heavy rain with horrified eyes.

Hahahaha!

The terrible laughter sounded from that Long Yin's mouth, and his voice seemed to have changed, becoming a kind of sound like buried in the ground, hoarse and terrifying.

Looking at the terrible Long Yin in front of him, Duguxie's bronze sword was out of its sheath, facing him! The ghost servants over there and Situ Xiong, Ouyang Zhengtian and all his men also surrounded the demon.

"Duguxie... let the kid surnamed Li come out for a fight...or else, today, you will all die here." In the torrential rain, I saw Long Yin with a hoarse voice and laughed wildly.

When he heard the words of the surname Long, the Duguxie and the ghost servant in front of them were stunned for an instant!

Li's surname?

Li Tian?

Could this monster Long Yin say that the character is Li Tian! !

"Long Yin, you **** thing, what are you talking about?" Dugu Xie said angrily.

Because in the hearts of the brothers, Li Tian was already dead, and was killed alive by this **** Long Yin, but now this demon is looking for Li Tian to fight? Isn't this crazy?

What about Long Yin? But he stood there like a demon king, watching the brothers in front of him terribly.

"I'll say it again, let the kid surnamed Li come out...!!!" A hoarse roar came out of his mouth again.

Listening to Long Yin saying this again, Xue Wuhen over there finally couldn't help the anger in his heart: "You bastard, killed my eldest brother, and are still talking cold words here... Even if I die, I will talk to you. Fight!"

With a roar of anger, Xue Wuhen immediately stretched her body, and her luck attacked the terrifying Long Yin with both palms.

"Wuhen... be careful!" Seeing Xue Wuhen's move, the servant ghost hurried over to help!

Shenfa made a ghostly shadow, and his entire body quickly rushed towards that Long Yin like a ghost.

And the Duguxie bronze sword here has also been shot, the sword, like the sword of the nine heavens, pierced with a sword, and the swirling sword aura filled his body, and the straight sword slammed into the heart of Long Yin in front of him.

Ghost servant, Xue Wuhen, Duguxie, the three of them unite!

But seeing Long Yin who had become a demon at this moment, when he saw the three attacking, he just suddenly looked up to the sky and laughed, and the terrible voice enveloped the entire space with a stern and severe aura... Then he Her purple hair flew up, and the whole person suddenly waved his right hand, and a vast palm power shook the Xue Wuhen rushing from the side!

Xue Wuhen's body couldn't get close to Long Yin, who became a demon in front of him... His body was shaken in mid-air, and he spits out blood in the air... Then his body flew back! When the ghost servant saw Xue Wuhen being shaken by a palm, he could only spin in the air, and then reached out his hand to catch Xue Wuhen's lingering body!

And here Duguxie stabbed with a domineering sword, and when he was about to pierce into that Long Yin's heart, that Long Yin suddenly stretched out his right hand, and then he used his **** to "cang" and pinched Duguxie's. Blade! ! !

Duguxie's bronze sword was actually clamped by Long Yin with his fingers!

Even Duguxie can't believe it!

At this moment, he used his life skills to accumulate on the bronze sword. The bronze sword hissed and made a dragon's roar, and then pierced the dragon's heart inch by inch.

The **** of that Long Yin clamped the bronze sword that was piercing forward, and he suddenly shouted angrily, and his whole body suddenly revealed the devilish energy, but with a click, the bronze sword was abruptly broken in the hands of Long Yin... ...

Gosh!

That Long Yin broke that peerless "Bronze Sword!" with two fingers.

The sword of Duguxie is broken!

At the moment the Duguxie sword was broken, there was a thunder in the sky...

Everyone was stunned, everyone was in a daze looking at the Duguxie in the heavy rain and the devil's dragon Yin.

Even Duguxie himself was stunned. At this moment, the iron-blooded man who had never had an expression was a silent shock and despair in his eyes! The bronze sword inherited from his Dugu family was actually destroyed at this moment... was broken alive by Long Yin!

As that Long Yin snapped the bronze sword in Duguxie's hand, the half of the bronze sword in his fingers suddenly shot towards the body of Duguxie!

With a flutter, the broken blade drew a perfect arc, and then plunged into Duguxie's body with a flutter...

Duguxie screamed, his body was stabbed with a broken sword, and his body fell to the sky.

"Second brother!"

Seeing that Duguxie was shot by the broken sword, the ghost servant suddenly rushed towards Duguxie with blood-red eyes, but unfortunately it was still a step late, but saw Duguxie's body thrown into the cold rain, He was stabbed by a broken sword in his chest, and the blood couldn't stop flowing out!

The ghost servant hugged Duguxie after a quick pounce, shouting in sorrow: "Second brother...Second brother..."

But what about Duguxie? The whole person seemed to be dumbfounded, his face pale as gray as death, one hand held the broken "bronze sword" tightly there, his eyes were dull and dull, looking at the broken sword in his hand...

"Second brother, how are you?"

"Senior Dugu..."

Ouyang Zhengtian all over there also ran over, looking worriedly at the Duguxie at this moment,

But what about Duguxie? But the whole person seemed stupid. He didn't speak or move, staring at the broken sword in his hand in a daze.

"You bastard! You devil!" Seeing his second brother suffered such a serious injury, the ghost servant suddenly raised his blood-red eyes and stared at Long Yin in front of him.

Ouyang Zhengtian and Situ Xiong here can only deal with Long Yin at this moment together.

But what about Long Yin? It was an unstoppable laugh.

"Say, where is the **** kid surnamed Li?" a hoarse voice roared from his mouth.

"If you don't say it, don't even think about living today! I will let you all die." The cruel voice called out from that Long Yin's mouth.

At this moment, the ghost servant's eyes seemed to be bleeding, and he clenched his fists tightly and said: "You devil, I'm fighting with you!"

The ghost servant roared and rushed forward, but how could the ghost servant be the opponent of the devil in front of him?

You must know that Long Yin now can be said to be the best in the world!

He has already sucked away the skill of the Yin and Yang Old Demon all his life... Can you imagine his current strength?

After the ghost servant rushed over, he had already lost the wind in less than ten rounds. After a while, he saw the devilish energy exposed in the yin of Long Yin's palm and then hit the ghost servant hard. With a wailing, his body fell from the air like a broken kite... and fell to the ground with serious injuries.

Here, Ouyang Zhengtian and Situ Xiong also took the lead to besiege the demon, but unfortunately, these people are just to die!

The people under you go and die one by one!

The screams and wailing sounds suddenly resounded throughout the heavy rain...

In a short while, all of Situ Xiong's 7 men were killed by Long Yin on the ground, and Ouyang Zhengtian's 3 characters also fell in a pool of blood.

The blood on the ground, mixed with the rain from the sky, ran across the street.

Heaven and earth, it seems that no one can be that Long Yin's opponent!

In the heavy rain, I saw Long Yin standing there alone evilly, and his whole body was filled with black magic energy, and Duguxie, the ghost servant, Tang Xiaolong and others were seriously injured. Here is Situ Xiong. And Ouyang Zhengtian is also standing there at the end of the force.

Death is in their eyes!

It seemed that as long as Long Yin in front of him raised his hand and made a shot, he could kill all of them.

There were black clouds in the sky, and after a thunderstorm passed, but seeing that Long Yin's body exuding devilish aura came step by step, when he walked over, Ouyang Zhengtian and Situ Xiong stood there with horrified eyes. ...But none of them flinched! They all stood in front of the severely injured Duguxie and the ghost servant, using their last bit of strength to protect them.

"You still refuse to say it, right?" Long Yin, who became a demon, said hoarsely there.

But seeing Situ Xiong and Ouyang Zhengtian standing side by side desperately there, their blood-red eyes said: "You have the ability to kill us..."

"Want to die? I will fulfill you!"

Suddenly, Long Yin stretched out a hand, and as he stretched out a hand, a black skull in his palm slowly flashed out, and the skull was like a demon summoned from hell... hideous and terrifying. With a shout: "Go to hell..."

Following Long Yin's anger, the black skull in his hand grinned towards Ouyang Zhengtian and Situ Xiong!

Death, close at hand!

Situ Xiong and Ouyang Zhengtian knew that they could not hide this time...

Even the most powerful Duguxie among them has been defeated so quickly at this moment, who can be the opponent of this demon?

They silently closed their eyes, waiting for death!

The heavy rain is still falling... the clouds are rolling in the sky.

Brothers, no one thought that the ending would be like this... They had hatred, anger, and hatred in their hearts, but at this moment, they were all quiet, and only waiting for the slow death!

Chapter 1644: What if I look back? Who goes to hell!

At the moment when Duguxie, Gui servant, Ouyang Zhengtian and others were about to be killed alive by Long Yin, suddenly in the sky with heavy rain, the sound of an eagle hitting the sky came from mid-air!

Quack

The sharp eagle howl sound is like thunder, and the sound is deafening!

This weird eagle howl sound not only stunned the brothers in front of him, even Long Yin was slightly shocked!

I turned my head to look, but above the cloud-like sky, a giant eagle with its wings spread more than 2 meters wide fell straight down from the sky, and its horrible wings rushed toward the ground with a whistling wind.

Its speed is so fast, so fast!

Moreover, it rushed towards the face and rushed towards that Long Yin! ! !

The whole body was like a sharp arrow at Long Yin.

At the moment when Long Yin suddenly saw a giant eagle flying towards him... not only was he startled, then he yelled.

"Beast, look for death!"

Accompanied by an angry shout and a wave of his right hand, a wave of invisible magic burst out from the palm of his hand, and a terrifying palm hit the goshawk!

But seeing that goshawk seems to have spirituality, when he saw Long Yin's palm hit, the whole huge body suddenly turned sharply in the air, avoiding the fierce Long Yin. Palm, and then the body rotated again, the two huge wings "whoop", with the powerful wind directly pounced on that Long Yin...

Although Long Yin had been enchanted and his skill was unfathomable, he never thought that this beast goshawk could use such a powerful gang wind, that gang wind is definitely stronger than the famous master... at the moment he dare not care, his body suddenly retreat After retreating, he raised his vicious eyes and looked at the weird giant eagle! !

The goshawk's wings did not hit that Long Yin, and with a scream, his body flew up, and then rotated in the sky...At the same time, it screamed at that "croak", croak,... as if talking.

The scene in front of everyone was stunned!

Not only that Ouyang Zhengtian but also Situ Xiong was stunned... even the badly injured Duguxie and the ghost servant were completely stunned, looking stupidly at the huge goshawk hovering in the sky. !

Gosh! ! !

When have they seen such a big goshawk? When have they seen such a giant eagle that can fight against the devil dragon Yin?

King of birds, eagle!

"What's going on?"

"Why does a huge goshawk appear out of thin air between heaven and earth?"

Moreover, after this huge goshawk attacked Long Yin, that Long Yin stood in the heavy rain at this moment, his eyes were cold, and he stared at the goshawk in the air.

"Where is the expert? Why hide your head and shrink your tail? Still not showing up?" Long Yin's hoarse voice came in the heavy rain.

The cruel voice resounded throughout the space.

As Long Yin's devilish voice uttered, the goshawk suddenly uttered a long cry, and then his body flew straight for nine days... Then suddenly a gray figure appeared like an electric light from among the dense clouds, and his people were moving from the moment that flashed in the dark clouds, the whole person actually fell on the goshawk...

Like a fairy driving a crane, leisurely fell slowly from the air.

Sure enough, there are experts!

"The way of heaven is boundless, sentient beings reincarnate, the great road is empty, only good is respectful!"

An old voice resounding between heaven and earth suddenly came out of the gray-robed man standing on the giant eagle.

"Whoever is evil will end evil, and whoever is good will end good!"

The weird voice came out of the gray-robed man who looked like an immortal again. Following his thoughtful words, the giant eagle on which he was standing suddenly screamed and then fell straight down.

When the sound came down from the sky, Situ Xiong, Ouyang Zhengtian, and the brothers who were seriously injured on one side suddenly felt that their entire ears were about to be smashed...The invisible sound wave power shook their hearts... Let their hearts almost completely explode.

They twisted their faces and quickly covered their ears, as if they would be shaken to death if they listened to the voice again.

What about the enchanted Long Yin?

When he heard the man in gray robe driving the slave giant eagle chanting these words, his face suddenly became distorted...

His whole body suddenly became dark and turbulent...Even the purple hair was completely flying, the surrounding enemy's heavy rain seemed to stop up and down his whole body, his hands suddenly clenched, and his body was tight. The endless black aura that erupted in it resisted the terrible sonic power of the mysterious gray-robed man! !

And the mysterious gray-robed man who drives the slave giant eagle?

He just flew down from the giant eagle's body lightly, and then walked towards that Long Yin step by step like a blue cloud. With each step, his body's invisible strength increased by a layer.

And what about Long Yin? On the other hand, his eyes widened, and he used all the magic power of his body to resist the mysterious gray-robed man in front of him.

The infinite aura reflected by the mysterious gray-robed man seemed to swallow the dragon in front of him.

Every time he took a step from the realm of void, Long Yin's face became more ugly, and the standing leg seemed to be bent down by some invisible energy...

One step, two steps, three steps...

The mysterious gray-robed man approached Long Yin in front of him step by step! Long Yin was bearing the vast power from the heavens and the earth... His face was violently twisted, and his legs trembled... Finally, it seemed that he could no longer bear the strength of the mysterious gray-robed man. With breath, his legs fell to his knees with a thump, and as his legs fell to the ground for a moment, the entire icy ground began to crack...

When the mysterious gray-robed man finally reached the front of Long Yin by two steps, he saw Long Yin whose oppressed face had been completely deformed... he lifted the pair of eyes full of weird blue, and suddenly lifted the whole thing. , Staring at the mysterious old man in gray robe...

The corners of his mouth have begun to leak blood, and that blood is black blood! Following the traces left behind in his mouth, his eyes seemed to be bleeding... Kneeling on the ground, raised his head with difficulty, looking at the mysterious gray-robed man in front of him.

"I...I finally...know...I know who you are!!!"

"Unexpected...unexpected...more than two hundred years...you...you...are...not dead..."

As that Long Yin said these few words with difficulty, he wowed black blood from his mouth again, and the blood spit on the ground with a hissing sound, as if his body was full of flames. !

What about the mysterious gray-robed man standing a few steps in front of him?

Just standing there motionless, with white hair and beard and hair like a fairy, he said lightly:

"Heaven and earth reincarnation, good ways will endure, my child, your path is the magic way...turn back!"

"Look back?" When Na Long Yin heard the mysterious gray-robed man say this, he suddenly laughed wildly with black blood flowing from the corner of his mouth. His purple hair was flying along the cold wind, and the black aura swept across his body. Hold him!

"If I look back, who will go to hell!"

"I have lived in **** all my life, and I have been tied to the darkness by him all my life...how can I turn my head back?"

As Long Yin uttered these weird words in anger, his whole person suddenly became violent, and the dark air flow all over his body was like opening the gate of hell, swept the mysterious gray-robed old man in front of him!

The mysterious gray-robed man was motionless, just standing there, his white hair flying up with his energy.

There was black blood in that Long Yin's mouth, and his two knees on the ground stood up slowly at this moment. Although it was very difficult, he still stood up abruptly.

His face has been distorted, and the blood in his mouth is constantly flowing out...The mysterious gray-robed man who exudes endless hostility is staring in front of him!

Finally, the mysterious gray-robed man couldn't help sighing!

After he sighed, the infinite aura around his body suddenly converged, and what about Long Yin? At this moment, the body soared into the sky, and the black hostile figure was like a demon into hell...

He escaped!

Long Yin escaped?

Just as Long Yin's body soared into the sky, he suddenly turned his head and looked at the gray-robed old man with a terrifying face and shouted angrily: "One hundred years, one hundred years, I have been waiting and waiting Your birth... now you finally appear... I want to prove with my blood that my master's six magic skills will surely defeat your Maha Boundless!!!"

After the violent voice sounded, Long Yin's enchanted body suddenly turned into a black mist and shot towards the distance. ,

And here?

The mysterious gray-robed man stood motionless in the pouring rain, and didn't know what happened to the cold rain? No matter how he shed, he couldn't fall on the old man who could run away... He just raised a pair of bright eyes and looked at the direction that Long Yin was going away, and the corner of his mouth suddenly muttered, "Is it fate? Is it sin?"

"Unexpectedly, the demon from a hundred years ago still has descendants? Hey..."

With the sound of his ancient sigh, his mind suddenly recalled more than one hundred years ago: One hundred years ago, in the kilns of Dunhuang ruins, he saw a child, a child exuding darkness, in the cave. Zhong glared at him coldly, and there was no human daring in his eyes...there were just endless destruction and terrible killing light...staying in the cave, in the child's Next to it, there is the corpse of a demon of the first generation. That corpse is the demon of the first generation of martial arts a hundred years ago, but this demon is dead!

Above the sky, an eagle sounded, but seeing the great eagle yelling straight out of the air, and then fell on the shoulders of the mysterious gray-robed man, it seemed to feel the master's state of mind, and after falling, it was behaved. He used his huge head to gently press the mysterious gray-robed man in front of him.

An old man with white hair and red-faced brows, a goshawk that is the king of huge birds... one person and one beast, standing proudly in the world!

Chapter 1645: Worried brothers

The torrential rain is still there!

I saw the old man with white hair and brows still standing still, and the huge goshawk standing on his shoulders screamed at this time.

The sound of eagles pierced the sky.

What about here?

Situ Xiong, Ouyang Zhengtian, and the badly wounded Duguxie and the ghost servants were all stunned!

Looking at the white-haired old man with his back to them in the rain in disbelief.

The old man exuded the feeling of being born in the dust, he looked like an immortal living in seclusion and mountains, and the huge goshawk on his shoulder was extremely powerful.

Gosh?

Who is this old man?

What incredible level has his skill reached? This is the most difficult question in everyone's minds.

When they were looking at the white-haired old man with their horrified eyes open, Xue Wuhen, who fell on the ground over there, endured the severe injury and suddenly screamed there.

"Senior...Old senior..." He climbed up from the ground with difficulty and said excitedly.

It turned out that Xue Wuhen had seen this old man before!

In the Dark City, he and Li Tian both met this old man! So when he first saw the white-haired old man, he felt so familiar. When he finally remembered who this mysterious gray-robed old man was in his mind, Xue Wuhen was full of excitement.

But he said that as Xue Wuhen shouted out so, the Duguxie and the ghost servants were stunned, looking at Xue Wuhen in front of them with great curiosity.

"Wuhen... do you know... know this senior?" The Ghost Servant looked at Xue Wuhen in disbelief, enduring the serious injury on his chest.

Xue Wuhen nodded vigorously and said: "Know, know!"

"When this old man was in the Dark City before, he personally saved Big Brother and my life..."

"I will never forget this senior." Xue Wuhen said with excited eyes.

As he said, the Duguxie and the ghost servants here were all startled, blinking their eyes and looking at the back of the mysterious gray-robed man.

Suddenly only heard the sound of an eagle singing, the goshawk that fell on the shoulders of the old man suddenly flew into the air, and at this moment, the mysterious gray-robed old man slammed his body and swept the giant eagle on his back... Then he said nothing, and took the eagle.

The giant eagle uttered a strange howl in the air, then spread its huge wings, and carried the mysterious gray-robed old man away!

Like flying away, like flying away! Ethereal...

Everyone looked at the mysterious gray-robed old man and left like this, staying there.

Situ Xiong widened his eyebrows, staring at the mysterious gray-robed old man going away, and muttered, "That senior...Who is the expert?"

Ouyang Zhengtian was also stunned!

"Even the demon surnamed Long is not the opponent of that senior...Oh my god, I can't think of such a powerful character in the world!" Chen Qiaozhi also said.

Only the Duguxie and the ghost servants here are deeply shocked!

The two of them looked at each other, and their pale faces revealed a sense of excitement that was beyond words.

"Could it be...could it be... really the legendary old man Wuji?" A word came out of the ghost servant's mouth.

Li Tian has never had a good rest for so many days!

This time he finally lay down quietly in the room alone!

However, after a few hours of sleep, he woke up suddenly.

He has a terrible nightmare again!

When he was awake, his whole body was completely wet with cold sweat, as if he had just come out of the bath.

The dream was the same as the previous few times. In the dream, he still saw the brothers die tragically under the knife...

He didn't know who killed the brothers in his dream, he could only see the brothers falling in a pool of blood in despair!

After having such a terrible nightmare, of course Li Tian can no longer sleep!

A Gulu crawled out of the bed and wiped the cold sweat from his face, then he went to open the door.

As soon as I opened the door, I saw rain falling from the sky outside.

"It's raining..." Li Tian said while looking at the hazy sky.

Then he put on his clothes, washed his face with clean water a little, and walked outside alone.

In the corridor, Situ Ningbing just happened to walk over there.

The moment he saw Li Tian, he quickly walked over: "Li Tian, you are awake." Situ Ningbing walked over and looked at Li Tiandao.

Li Tian smiled and said: "Yeah!"

"How is your sleep?" Situ Ningbing asked concerned.

Li Tiandao: "Fortunately..."

"By the way, Ning Bing, has the smiling Buddha under my hand come back?" Li Tian asked quickly.

Situ Ningbing thought for a while and said, "Is that the chubby man you sent out to inform Duguxie?"

Li Tian nodded and said, "Well, it's him!"

"How is it? Is he back?" Li Tian asked.

Situ Ningbing nodded and said, "It seems to be back!"

"What about my brothers?" Li Tian asked suddenly.

Now he was thinking about Duguxie and the ghost servants...especially after he had that terrible nightmare just now, Li Tian was even more worried about his good brothers, so he asked quickly.

Situ Ningbing said: "It seems...like Duguxie and they are not in the Haocheng Hotel!"

"What? My brothers are not in that hotel?" Li Tian was suddenly depressed.

But seeing Situ Ningbing nodded silently.

"I heard him say that after he went, he waited for a long time and didn't wait until Duguxie and the others came back!"

When Li Tian heard this, he became more and more worried in his heart, his brows frowned tightly, and he said inwardly: "How can this be? How can this be?"

"Did something really happen, brothers?" He was walking back and forth in that restless state.

Looking at Li Tian, who was extremely worried at the moment, Situ Ningbing hurriedly said in comfort, "Li Tian, don't worry about it!"

"Duguxie and the ghost servants should be fine...I believe they will all be here soon."

But what about Li Tian?

He didn't think so in his heart!

Now the gate of **** is also lurking throughout Binjiang City, and besides the gate of hell, there is also a larger demon-headed dragon Yin alive outside... If the brothers are unlucky, meet the damned dragon... that can How to do?

Li Tian became more panicked when he thought about it.

After thinking about it, Li Tian quickly said: "I want to find them quickly... Anyway, I will find my brothers quickly!"

When Situ Ningbing heard Li Tian say this, she wondered why Li Tian was so worried about his brothers...

Chapter 1646: despair

The downpour of the afternoon finally stopped. .

The hazy sky gradually began to show light. After the heavy rain, the sky looked unusually clear and hearty, giving people a very comfortable feeling.

But for Duguxie and the ghost servants, they walked at the gate of hell.

I saw that each of them now had deep exhaustion and pain on their faces, and walked back from the street step by step like a chicken.

Duguxie's chest was still bleeding, and although the broken blade had been forced out of the body by his internal force, the blood flowed downward as if it could not be stopped.

Now he was supported by the ghost servant on one side, and walked towards the Haocheng Hotel with difficulty step by step.

Tang Xiaolong and Xue Wuhen were also seriously injured. The two of them were pale and coughing along the way. Then Tang Xiaolong coughed up blood in his throat...Chen Qiaozhi and Ouyang Zhengtian supported the two together.

A battle with Long Yin almost lost their lives!

If it hadn't been for the mysterious gray-robed old man who came to rescue him, I am afraid that almost everyone present would have died.

Finally, they returned to the Haocheng Hotel.

Each of the brothers had a deep and heavy color on their faces. They didn't speak, and went to the Haocheng Hotel with their heads dull.

After reaching the 8th floor, there was no one in the empty corridor.

"Where is the third sister?" The ghost servant suddenly cried out with a pale face.

While clutching his badly injured chest, he ran to the front quickly.

But when he opened the door, there was no one in the room.

"The third sister is gone?"

"Why is the third sister no more?" The ghost servant suddenly said in panic with an ugly expression.

Ouyang Zhengtian here also hurried to see his daughter, Ouyang Shiqing, knowing that when they went to deal with the gate of hell, only a few women stayed in this luxury hotel.

Baihua Fairy, Ouyang Shiqing, Duanmuying, and the little girl ring.

But now this Haocheng Hotel can't see any of them.

What's going on? Could something have happened?

"Poetry is no longer!"

"Oh my god, could something happen to them?" Ouyang Zhengtian said with a panic on his face.

Not only was Ouyang Zhengtian's face full of panic in front of him, there was a worried look on each of the brothers' faces.

After this period of time, to be honest, everyone is worried about terrible things all the time. Now when they see Fairy Baihua and that Ouyang Shiqing and Duanmuying are not visible at all, they all face There was a look of fear.

But seeing the seriously injured Duguxie, clutching his bleeding chest, his eyes swept around and said: "Ghost servant... don't worry!"

"I don't think there are any signs of fighting here... Maybe the third sister took them out."

Following Du Guxie's words, the ghost servant felt a little relieved and said, "But, when will Sanjie and the others come back?"

Duguxie said with difficulty: "Wait...I don't think it will be long before the third sister and the others will be back."

After Duguxie said so, the ghost servant didn't say anything, and could only fall silent.

Although Ouyang Zhengtian over there is extremely worried about his daughter, but Binjiang City is so big, now there is no way to contact Ouyang Shiqing, it seems that the only way is to wait!

What's more, now they have suffered such a serious injury...If they don't take a rest and recuperate, the consequences will be unimaginable, so in order to take care of the overall situation, they can only stay in the Haocheng Hotel and wait.

After making this decision, Ouyang Zhengtian, Situ Xiong and others helped the seriously injured Duguxie and Tang Xiaolong into the room.

After returning to the room, first stop the bleeding for that Duguxie!

When Duguxie ironed his wound, he didn't even move a bit when he tied his wound with a tourniquet... The blood was finally stopped, but Duguxie's face was pale and terrifying.

Tang Xiaolong and Xue Wuhen over there suffered internal injuries, and the two of them sat on one side and slowly recuperated.

The ghost servant here also sat cross-legged on the ground and breathed out...

In addition to these injured people, Ouyang Zhengtian and Situ Xiong are not bad. The two did not suffer much serious injuries, but their men suffered heavy losses.

There are only 56 living people left in the current Situ family, and all the rest are sacrificed!

Besides the thunderbolt Xu Fan, many people died on Ouyang Zhengtian's side.

Looking at the brothers in the room doing exercises and adjusting their breath, Situ Xiong and Ouyang Zhengtian left the room silently.

Time passed by, and Du Guxie and his brothers sat on the ground to adjust their breath.

I don't know how long time has passed, the ghost servant finally slowly exhaled a real breath from his mouth, then his hands slowly returned to his dantian, and his eyes opened.

The internal injuries of the ghost servant have been significantly improved after a few hours of exercise and breath adjustment. After he opened his eyes, he saw Tang Xiaolong and Xue Wuhen who were still adjusting his breath with a pale face, but only But the most injured Duguxie was not seen.

"Where is the second brother?" The Ghost Servant was taken aback.

We must know that Duguxie was the most injured among them, but why did Duguxie suddenly disappear?

When he discovered that Duguxie was missing, the ghost servant quickly got up from the ground, then opened the door and ran out, looking for the Duguxie.

After looking around in the corridor, he didn't find Duguxie, and the ghost servant suddenly became worried.

Just when he was worried and frightened, he suddenly glanced at the corner of his eye and saw a motionless figure standing there in the skylight on the 8th floor.

The ghost servant was taken aback and walked forward.

After he walked forward slowly, he saw Dugu Xiezheng standing there with a pained face.

I saw Duguxie's sorrowful complexion, the blood in his eyes was completely exposed, but his hand was tightly holding the bronze sword he had broken.

The sword is broken.

People?

Is Duguxie grieving for his broken sword, or is he feeling something?

The ghost servant behind looked at the lonely figure of Duguxie at this moment, and a deep sadness came out of him instantly.

Looking at the motionless Duguxie, the ghost servant finally called.

"Second brother!"

Then the ghost servant in front of him walked over step by step.

When the Duguxie saw the ghost servant coming over, he slowly put down the broken sword in his hand, and then said nothing, standing straight there.

Although he had stopped the blood in his chest, the tourniquet was all stained red by the blood, and he was standing like that at the moment.

The ghost servant looked at Duguxie and walked forward, moving forward and said, "Second brother, you need to heal your injuries... Your injury is serious."

After hearing the ghost servant say this, Du Guxie suddenly showed a weird smile, that smile looked so sad...

Chapter 1647: Duguxie is gone

"Ghost servant, I'm useless!" A word suddenly came out of Du Guxie's mouth.

When the ghost servant heard what Duguxie said, he said excitedly: "Second brother, why do you say that to yourself?"

"I am not kidding!"

"I'm a useless person now, and I can't do anything anymore..." Duguxie suddenly said in a low voice, and his bloodshot eyes looked out the window, and no one knew what he was thinking in his heart. .

"Second brother, you can't do this! You can't give up like this."

"Second brother, we have to look for the big brother together and protect the young master together..." the ghost servant said with red eyes.

He knew what Duguxie's sword was broken, which meant for Duguxie.

Duguxie spent his entire life with the sword, but at this moment, the demon-headed Long Yin gave a move to destroy the sword in his hand...How could he not feel heartache? How can we not despair?

After Duguxie heard the ghost servant say so, her eyes suddenly turned red.

This iron-blooded man who never shed tears, his eyes became ruddy at this moment.

His iron-blooded body trembled suddenly.

"My Duguxie wanted to spend my life to protect the young master, I wanted to fight my life to find the eldest brother...Unfortunately, I didn't expect that I am so incompetent now that even you can't protect it." He said in pain. .

"Second brother, don't say that." The ghost servant suddenly grasped Duguxie's hand tightly, and said excitedly there.

But seeing Duguxie continued: "I'm useless, I can't protect you, I can't protect Young Master... I'm just a waste, the biggest waste in the world!"

After Duguxie said so madly, he suddenly threw the broken sword in his hand to the ground with a loud noise.

The broken bronze sword slammed on the cold ground and let out a mournful cry.

This sharp sword in the past has now become a piece of scrap iron.

Seeing Duguxie torturing herself in such a way, the ghost servant suddenly grasped the hand of Duguxie tightly, and tried his best to encourage Duguxie there: "Second brother, no one complains about you, and no one dares to say you... Maybe they don't know, but my ghost servant knows how much you paid for the young master and the eldest brother..."

Duguxie didn't know if he heard the ghost servant's forehead, but was sitting in the corner alone in pain.

On the ground was the broken sword he had thrown away, but his former iron-blooded body trembled at this moment.

This indomitable man, didn't he know he was defeated by pressure? Still defeated by the ruthlessness of reality... Now he seems to have completely become another person.

Looking at the Duguxie in front of him, there was a silent pain in the ghost servant's heart.

He just stood beside Duguxie, tightly grasped his second brother's hand, and stood motionless.

Time passed by every minute.

Tang Xiaolong still had Xue Wuhen until the evening when the situation was a little better.

But even so, the two of them still can't exercise too much and can only lie quietly in the room.

What about Duguxie? After receiving this severe blow, he has become completely decadent. His eyes are covered with bloodshot eyes. After returning from the skylight, he sat alone, without speaking, speaking...endless grief Filled his face.

And the ghost servant? I don't know how I can comfort my second brother, so I can only watch him silently.

The night came slowly.

The black night enveloped the city of Binjiang.

Outside, Binjiang City is extremely prosperous, but there is a sense of sorrow permeated in this luxury hotel.

The night passed quickly.

This night, each of the brothers was thinking about their own thoughts, and everyone was basically silent and did not speak.

Not to mention Situ Xiong and Ouyang Zhengtian...

Faced with such a catastrophe, they did nothing at all.

This night, some people are sad, some are happy, and some are in pain.

The hard night finally passed.

The sun is coming out.

When the sun slowly entered the house, the ghost servant slowly opened his eyes.

He took a rest late last night in order to guard Duguxie, so when he opened his eyes, his eyes still felt hazy.

After he opened his eyes, he saw Tang Xiaolong and Xue Wuhen on one side, the two lying peacefully on the sofa over there to rest, and Chen Qiaozhi beside him.

After taking a look at the brothers, the ghost servant stretched slightly, and then stood up.

Then he wanted to see Duguxie!

Over the course of the night, if nothing happened, Duguxie's sword wound on his chest should have stopped the bleeding... the ghost servant thought.

As he turned to look at his second brother, he was stunned for a moment.

Because Duguxie is gone again!

"Second brother?" Suddenly a very bad premonition surged from the ghost servant's heart, and then he screamed.

At the moment when the ghost servant uttered, Tang Xiaolong and Xue Wuhen who were sleeping in front of them were all awakened... Then Chen Qiaozhi rubbed his eyes and opened them.

"Master, what's the matter?" Tang Xiaolong asked with a pale face looking at the ghost servant who was panicked at the moment.

Xue Wuhen over there also blinked at the ghost servant in front of him.

But he stood up suddenly.

"Second brother is gone!" An exclamation came out of the ghost servant's mouth.

what?

"Senior Dugu?" When Tang Xiaolong and Xue Wuhen heard it, he immediately got up from the sofa. Although both of them were seriously injured, they didn't care at all at all. After getting up, they quickly looked around. .

"Senior Dugu..."

"How could Senior Dugu disappear?"

"Yes, last night, I saw Senior Dugu sitting there alone, but how could it be missing?"

Tang Xiaolong and Xue Wuhen in front of them said in shock.

Only the ghost servant was looking for it in fear...because he only understood the weight of the blow that Duguxie suffered...no one could understand the terrible after a man lost his confidence.

The ghost servant was looking around like crazy at the moment, but the figure of Duguxie could no longer be found outside, whether in the corridor or in other rooms.

I searched all inside and outside, but in the end no one saw the figure of Duguxie again.

Just when the brothers were panicking looking for Du Guxie, Chen Qiaozhi suddenly discovered something and suddenly screamed in the room.

"Ghost servant...Xiaolong, come and take a look!"

Following Chen Qiaozhi's cry, the ghost servants in front of him, Tang Xiaolong and Xue Wuhen rushed in.

After running in, he saw Chen Qiaozhi holding a white note in his hand, standing there dumbfounded.

Chapter 1648: Giant eagle

"what?"

"Yes, sick ghost, what are you holding in your hand?" Tang Xiaolong and Chen Qiaozhi's uncontrollable question asked.

But seeing Chen Qiaozhi in front of him, his eyes widened and said: "It is... it is... Senior Dugu left it!"

what?

After hearing what Chen Qiaozhi said suddenly, the ghost servant in front of him jumped over in one step, and then Tang Xiaolong and Chen Qiaozhi also ran over like crazy at this moment.

Then the ghost servant grabbed the note in Chen Qiao's hand, but saw a few scribbles on it.

The ghost servant looked at the note in front of him unbelievably.

But see the note saying: I am dead, my heart is dead, don't look for it!

Signature: Dugu!

Ten simple words appeared in the eyes of the ghost servant.

When the ghost servant saw this note, his heart suddenly slammed...

"Second brother!!!" Gui Pu raised up to the sky and cried.

Painful voices sounded throughout the Haocheng Hotel.

Tang Xiaolong and Na Xue Wuhen by his side were all stunned for an instant when they saw the grieving ghost servant. ,

"Master, what's the matter?"

"Big Brother Ghost, what's the matter?"

The two people in front of them said as they hurriedly opened the note that fell from the ghost servant's palm trembling.

But seeing the simple ten words above appeared in the eyes of the two.

Besides, when Tang Xiaolong and Xue Wuhen saw these simple ten characters, the two of them were confused for a moment...

what?

"How could this be?"

"Senior Dugu...Senior Dugu...he's gone?" Tang Xiaolong looked at the note in front of him in shock and said in shock.

Xue Wuhen also stood there as if staying there.

Everyone was stunned!

Because no one thought that Duguxie would leave like this, and leave.

Looking at the note left by Duguxie in front of him, each of the brothers stood there in a daze.

Only the ghost servant stood there in pain.

The character of the first generation left the brothers sadly, no one knows where Du Guxie went.

Did he retreat from the arena, not asking about world affairs, or doing something? So far, no one knows.

Cuiwei Residence in Binjiang City.

After the rain and the sky cleared, Li Tian's mood became clearer, but his heart was still there for his good brothers who worried about him, because he had not seen his brothers until now, and the brothers are not. Know the news that he is not dead.

Cuiweiju's Ouyang Poetry, Duanmuying and others finally stayed with Li Tian on this day.

Since Li Tian's "resurrection", they can't wait to follow Li Tian every step of the way. Of course, Li Tian is also willing to be with them, but Li Tian knows that the current reunion is short. Long Yin did not die.

The smiling Buddha and Jiang Dashan have seen their son in a good mood in the past two days, and they are also very happy.

At this moment, the two people stood outside.

"Father, there are so many people we know!" Jiang Dashan said to the smiling Buddha there.

The smiling Buddha smiled slightly and said, "Of course, when I followed our son from the beginning, I can feel that our son is not an ordinary person."

"Really? Buddha, are you kidding..." Jiang Dashan said with a grin.

The smiling Buddha said, "Why am I lying to you, what I said is true."

Just when Jiang Dashan still had a smiling Buddha talking and laughing, all of a sudden, only a sharp sound of eagles in the air suddenly spread into the ears of the two.

There was also a smiling Buddha in Jiang Dashan. The moment they heard the sound of an eagle, the two of them were not only taken aback, looked up, but saw a huge goshawk with wings spread out but not 34 meters wide in the air. Spinning in the sky.

Looking at such a huge goshawk, the smiling Buddha was stunned at the moment, his mouth widened and exclaimed...

"What a big eagle!!!"

Then Jiang Dashan also said with a look of astonishment: "Yes, such a big eagle, fuck, this is the first time I have seen him."

Both of them stared at the huge goshawk in the sky in shock.

"Hey, how could such a big eagle appear in Binjiang City?" The Smiling Buddha muttered questions there.

It seems that Jiang Dashan didn't hear the words of the smiling Buddha in front of him. He kept his eyes open and looked at the giant eagle in the sky, muttering in his mouth: "It's so big, so big..."

"Father, why does this giant eagle keep flying here?" Jiang Dashan seemed to feel strange, and suddenly said to the smiling Buddha there.

In fact, the smiling Buddha also felt abnormal at this time. He found that this huge goshawk seemed to hover in the sky constantly, and he didn't know why.

At this moment, he not only looked at the huge goshawk in wonder.

"I wonder too..."

The moment he just said these words, the huge goshawk screamed suddenly, and then the huge body dived directly below like a fighter jet.

The smiling Buddha and Jiang Dashan were stunned when they saw the giant eagle flying towards them.

"Father...Father...Look, look quickly...This eagle flew towards us." Jiang Dashan said with wide eyes in doubt.

The smiling Buddha was also full of shock, especially when he saw the giant eagle getting closer and closer to them, the smiling Buddha was even more shocked there, because the wings of the giant eagle were simply too big and big. Almost beyond their thinking.

When such a giant eagle flew down in a swooping posture, the Jiang Dashan still had a smiling Buddha suddenly panicked, and ran to the side...

But seeing that mighty giant eagle, because the wings were too big, when swooping down from the sky, two steel-like wings thumped and knocked down a corner of the business hotel.

Looking at this sturdy giant eagle, that Jiang Dashan and the smiling Buddha are completely depressed...

Hey, this "monster" just fell into the courtyard of Cuiweiju in front of you.

Looking at the huge eagle, the smiling Buddha and Jiang Dashan were simply speechless.

"Oh my god, this eagle... eagle... how did it fall here?"

"Nima, what's the situation?" Jiang Dashan said silently, looking at the giant eagle with his eyes wide open.

The smiling Buddha in front of him also looked helplessly at this giant beast, and said to himself: Why such a strange beast suddenly appeared in Binjiang City!

But what about that giant eagle? The eyes were light yellow, flashing there, blinking at the Jiang Dashan and the smiling Buddha in front of him, suddenly "Karma" and "Karma" cried out...

Chapter 1649: Senior Eagle

This "monster" screamed while flapping its two huge wings. When these two huge wings were flapping up, it was like a big fan blowing there...the dust on the ground was still there. All the rubble was blown up, really amazing.

When Jiang Dashan and the smiling Buddha saw such a situation, they couldn't help stepping back, and the eyes of the two of them were shocked.

"What is this for?"

"Why does this eagle seem to be talking?"

The two looked at the giant eagle silently.

But after seeing the giant eagle yelling for a few times, the smiling Buddha and Jiang Dashan did not respond at all. The giant eagle seemed to be angry, and immediately yelled and made a sharp cry, making that Jiang Dashan still have the smiling Buddha His eardrums are piercing and painful.

Then the huge body went step by step towards that Jiang Dashan and the smiling Buddha.

This time, the two people were frightened.

The smiling Buddha and Jiang Dashan saw this "giant beast" suddenly approaching both of them, hurriedly stepped back, and screamed while returning...

At this critical moment, suddenly only the sound of rapid footsteps came over.

Then at the moment when the footsteps came, Li Tian's figure suddenly appeared here, behind him were Situ Ningbing, Ouyang Shiqing, and Duanmuying and others.

It turns out that they also heard the eagle's chirping just now... so all of them ran over at this moment

"Master!"

When they saw Li Tian rushing over, the smiling Buddha and Jiang Dashan rushed over and stood behind Li Tian together.

"My son, this giant eagle... I don't know what happened, but it suddenly fell here."

"Yeah, it's strange." Jiang Dashan and the smiling Buddha hurriedly said to Li Tiandao.

But what about Li Tian? He didn't answer the words of those two people, but looked at the giant eagle in front of him with excitement and disbelief.

"Senior Eagle..." the weird three words came out of Li Tian's mouth with excitement.

When Li Tian yelled "Senior Eagle" from his mouth, Jiang Dashan and the smiling Buddha in front of him were completely stunned... Not only were they all stunned, but also Duanmu Ying and Situ Ningbing on the other side. ... and Fairy Baihua was all in shock.

"My son...you..." The smiling Buddha opened his eyes wide and yelled unbelievably.

Fairy Baihua here also widened her beautiful eyes, looking at Li Tian in front of her stupidly.

"Tian'er...you...you call it Senior Eagle?" Fairy Baihua said with her brows frowning.

But seeing Li Tian didn't answer their words directly, but took a step forward suddenly, walked to the giant eagle in front of him, and said to the giant eagle: "Senior Eagle...how did you suddenly get here?"

"Could...could it be that... his old man also came to Binjiang City?"

As Li Tian talked to the giant beast, they were completely speechless here...

Had it not been for the facts that Fairy Baihua and the others had seen with their own eyes, I am afraid they would definitely think Li Tian was crazy!

Gosh! Li Tian was talking to a giant eagle?

Besides, when they all stayed there in shock, the giant eagle seemed to recognize Li Tian, and at the moment the "Karma", "Karma" and "Karma" cried out...

And the whole huge head nodded again and again.

It, it can understand human speech?

So spiritual!

Seeing that this "monster" could understand Li Tian's words, the Baihua Fairy and the smiling Buddha in front of them were all shocked and unable to speak.

"Hey, it's true? This giant eagle... the giant eagle... can actually understand our son?"

"Yeah! My God, if I hadn't seen it with my own eyes, I wouldn't believe that there would be such a thing in the world." Jiang Dashan and the smiling Buddha muttered there.

Duanmuying here also blinked her beautiful eyes and looked at the giant eagle curiously... All the beautiful eyes of Situ Ningbing and Ouyang Shiqing were also watching this side.

Besides, Li Tian stood alone in front of the giant eagle to communicate with it!

"Senior Eagle... how did you find here? And that old man? What about him? Isn't he with you? Why did you come here alone?" Li Tian stood in front of the giant eagle and looked at he asks.

But seeing the giant eagle swaying its huge head slightly, then the two huge wings fluttered, and then "Karma, quack" yelled out.

When Li Tian saw the giant eagle's behavior, he was taken aback and looked at the giant eagle and asked: "Senior Eagle, you mean, you want to take me to see the old senior who came into the world?"

Following Li Tian's question, the giant eagle nodded there suddenly.

Li Tian saw this giant eagle nod, not only understood everything.

He thought for a while, then suddenly turned his head and looked at Baihua Fairy and the others and said, "Auntie Hua, Ningbing...you wait for me at home first, I want to go out!"

After Li Tian said such a sentence, Fairy Baihua and Situ Ningbing were suddenly puzzled and asked, "Li Tian, where are you going?"

"God, where are you going?"

"And this...this...what's the matter with the strange bird? It, it, can understand human words?" Baihua Fairy asked depressed.

But seeing Li Tian heard Baihua Fairy say so, he smiled and said: "Auntie Hua, Ningbing... Don't worry!"

"This great eagle is a respected senior... Although it is only an eagle, his seniority is much higher than you and me."

"Now I'm going with Senior Ying to meet a peerless expert, Aunt Hua, don't worry and wait for me here." Li Tian said with a smile.

Hearing what Li Tian said, the Baihua Fairy was very puzzled, but when he saw that this "behemoth" seemed to be very kind to Li Tian, and seemed to be very spiritual, the Baihua Fairy was speechless and shocked. Looking dumbfounded at the giant eagle, Situ Ningbing, Duanmuying and the others also looked at the giant eagle with wide eyes.

"Tian'er, then you can be more careful along the way..." Fairy Baihua said.

Situ Ningbing and Duanmuying behind were also there and said, "Li Tian, pay attention to your safety..."

Li Tian looked at them and smiled, then turned his head and walked towards the giant eagle.

"Senior Eagle, we can go now!"

Following Li Tian's words, there was a long cry from the giant eagle's beak...

Then a huge wing suddenly swept towards Li Tian, Li Tian was startled, but before he could react, a huge eagle's wing had already wrapped up Li Tian's body, and then just so gently in one volume, Li Tian's entire body has fallen on the back of the giant eagle.

Chapter 1650: Goodbye mystery man

At the moment when Li Tian was caught on his back by the giant eagle, he couldn't help being taken aback, and said with an embarrassing smile: "Senior Eagle...It turns out that you want me to go!"

The giant eagle quacked twice...

Then there was a thump, and the entire huge body suddenly soared into the sky, flying towards the midair at an incredible speed.

The fairy Baihua and Situ Ningbing in the ground looked dumbfounded at Li Tian who was flying into the air on the giant eagle, one by one was stunned...

"Oh my God, there is such a strange giant bird in the world!" Fairy Baihua exclaimed.

Ouyang Poetry and Situ Ningbing and the others also stared into the sky with wide-open eyes.

It is a pity that the speed of the giant eagle is so fast that it has disappeared from the sky in a blink of an eye, and Li Tian and the giant eagle are no longer visible in the blue sky.

But what about Li Tian?

Riding on this giant eagle, he was really scared at first, because he had never rode such a giant eagle to fly proudly.

The strong wind around his ears kept whirring, and the so fast speed made Li Tian's eyes almost unable to open... His hands tightly grasped the feathers of the giant eagle, and then forced his eyes, fly.....

Not knowing how long it had been flying, Li Tian suddenly heard a scream from the giant eagle in front of him.

After hearing the screaming sound of the giant eagle, Li Tian slowly opened his eyes. The moment he opened his eyes, Li Tian's heart almost jumped out...

My God, he could fly so high.

When he is in the air, the only thing he can see is that the tall buildings on the ground are like ants, and the rivers and mountains are like loach.

I saw the giant eagle scream, and suddenly began to dive down suddenly.

In such a diving position, Li Tian only felt his body falling vigorously, and he couldn't help but screamed out, there was no way, he was scared... If you were anybody, he might have to call out.

what

Accompanied by Li Tian's screaming sound, I saw the giant eagle dive down constantly, and suddenly the huge body rotated, into a dense wild mountain forest.

Li Tian was still screaming, the giant eagle now flew to a low place, and suddenly quacked twice, as if taunting Li Tian's timidity.

Li Tian heard the quack of the giant eagle, not only opened his eyes slowly, but saw that he had been taken by the giant eagle into a wild mountain forest.

Li Tian let out a long sigh, and finally he could see the ground and the trees below, he finally felt relieved.

The giant eagle riding on its back quacked and quacked.

Li Tian said in his heart: It seems that Senior Eagle is deliberately playing tricks on himself...or else he would not make such a mocking sound at this moment.

Thinking of this, Li Tian not only smiled bitterly.

Then the giant eagle suddenly slowed down, and then fell down amidst a dry mountain.

When the huge body fell, it shook the sand and rocks on the ground like a helicopter.

Li Tian was not only startled when he saw this giant eagle actually fall down on such an unknown dry mountain.

Then I saw the giant eagle suddenly screamed, and suddenly his body was shaking. Li Tian's body was shaken to fly. This time, Li Tian would not be played by the "Senior Eagle" anymore. One tipped over in midair and landed on the ground steadily.

After seeing Li Tian beautifully falling on the ground, the giant eagle nodded with a huge head as if approving it.

"Senior Eagle, don't laugh at me..." Li Tian said to the giant eagle awkwardly.

But seeing that the giant eagle flapped its wings twice, and the dust around him kept flying towards Li Tian, Li Tian could only cover his face with his hands in depression... But his heart was secretly lining: This senior eagle really is Like to fool people...

"Xiao Hei, don't bully him!"

Just when Li Tian was covering his face with both hands, covering the dust, suddenly an old voice came slowly from behind.

That voice is as old and vicissitudes as it has been through several years.

The moment Li Tian heard this ancient and vicissitudes of life, his heart not only throbbed.

"senior....."

"Senior!" Li Tian turned his head suddenly and saw the old man with white hair and beard before him, and then his legs knelt on the ground suddenly, as if he had met an elder.

And the old man in front of him?

A crane with hair in the wind, a gray robe, and I don't know how many years I have worn it. Apart from the patch, what remains is a pair of spotless cloth shoes.

His beard is very long and white. When he saw Li Tian, Long Jiong's eyes were smiling, and he stroked the gray beard with his hands, and said with satisfaction: "Get up... see my old man, no need Stick to worldly rituals!"

As the mysterious gray-robed old man said so, Li Tian stood up excitedly.

What about the giant eagle at the moment? He quacked, and then suddenly flew over, and his huge body fell behind the mysterious gray-robed old man.

The gray-robed old man saw the giant eagle flying down behind him, stretched out a thin old hand, then gently soothed the giant eagle in front of him, and then murmured: "Xiao Hei... you go find something to eat first. Yes, let me talk to him..."

After the gray-robed old man said so, the giant eagle seemed to understand it, and nodded slightly, then spread its huge wings, then swept away and flew down the mountain.

Looking at the giant eagle going away, only Li Tian and the mysterious gray-robed man were standing halfway up the mountain.

"senior!"

"I always thought that I would never be honored to see you again in my life. I didn't expect that I would have the honor to see you again today." Li Tian said with excitement, standing there.

In Li Tian's mind, this mysterious old man is a rare outsider. He is always so ethereal and extremely mysterious. His power is completely in line with God in Li Tian's mind. same!

The mysterious old man who knows how to run smiled slightly, and said, "We will meet by chance..."

"Besides, you and me, it's not just a matter of fate." The mysterious gray-robed old man suddenly said something in his words.

When Li Tianyi heard it, he didn't know the meaning, and immediately asked, "Old man, what do you mean?"

"When the time comes, you will naturally know." The mysterious gray-robed old man seemed to be unwilling to tell the truth at this moment, but he sold it a little bit in front of Li Tian!

Li Tian said "Oh" in his mouth, but his mind was constantly turning, thinking in his heart, what did the old predecessor's words just mean?
