

## A Killer 165

Chapter 165: Her power

Accompanied by the sudden arrival of Wai Lai Yin on this day.

Even the \*\*\*\* hands and K were shocked there.

He couldn't help saying at the same time: Shadow)!!!"

Then I saw a hissing sound in the dark night, and a thin gold thread that could not be seen with the naked eye suddenly flashed towards the blood in the dark night.

Blood Pan was shocked.

"Death silk!"

At the moment when the life-threatening silk rushed over, Xuepan no longer cared about Li Tian's life and death, and quickly dodged his body, revealing a panic and hot conflict in his eyes.

The K over there has the same expression as him.

"Binger..."

Qiu Si's startled voice sounded in the dark,

Li Tian was also stunned, looking at the thin and slender figure standing at the door.

Because the night was too dark to see her face, but Li Tian knew it was her, she came.

Situ Ningbing, the beautiful and glamorous killer, is here.

"Shadow, you finally appeared." The \*\*\*\* feminine voice over there suddenly sounded in the dark night, and a pair of vicious eyeballs stared at the slim figure at the door at this moment.

K here also stared at the figure at the door unblinkingly, and the unique soldier blade "tooth" he was holding tightly in his hand couldn't help but tighten again.

"Tian Jedi Sha, don't you two want to live anymore? You dare to harass my godfather's retreat!" said the glamorous figure standing at the door.

Situ Ningbing used to be the top killer of Qisha, of course he knew the identity of these two monsters, Tianjedisha.

On the contrary, when the two people saw the real (shadow), there was unconscious fear in their eyes.

Are these two monsters still scared (shadow)?

Among the seven evil spirits, Ying's strength absolutely surpassed the two monsters of Tianjedisha.

As mentioned earlier, the two old Jedi Sha monsters are brutal in nature. Although they kill the most people, they cannot be said to be top roles in the mysterious and terrifying organization of Qi Sha.

It's a medium-sized character, and there are many masters who are better than them!

For example, the (shadow) in front of you.

Having said that, after Ying said those words coldly, Xuepan and K's expressions couldn't help but move.

"Ying, we arrested you back by the order of the evil master, no wonder our brothers."

"Yes, you killed so many of our Qisha fellows along the way, the Sha Lord said, as long as you promise to return to the Qisha organization again, then the previous things can be forgotten..." Even the evil spirits at this moment Said the same way.

But the shadow in the night said coldly: "Am I not clear enough? I will no longer be a killer, nor his tool of murder. If anyone dares to stop me, I will kill him. Kill until none of you stop me!"

These words that came in the dark night moved both Blood Pan and K.

The faces of the two were extremely ugly, but they did not dare to say anything.

"Shadow, Lord Shaman has always been good to you. You betrayed Sha Shao like this, didn't it hurt Sha Shao's old man's heart?" K said grimly.

"If you mention that old monster again, I will let your head fall first." Ying said suddenly furiously.

The beautiful voice was full of murderous aura at the moment.

It seemed that the evil master had a huge hatred with Situ Ningbing in front of him.

There was still blood in the k and couldn't help but glance at each other.

"It seems there is no way, only to fight." K whispered.

Xuepan's gloomy eyes nodded slightly.

"Let's go together, I don't believe that you can't subdue this girl."

Following the roar of Xuepan, the two suddenly attacked the Manli figure standing in the dark at the door like a whirlwind from left to right.

K used the tooth blade in his hand, deadly and vicious, carrying a violent cold wind with one move to cut at Situ Ningbing's body.

At the same time, the blood on the other side was suddenly pushed out with both palms on the chest, and a huge force surged toward Na Manli's figure.

Facing the attack of these two masters, Situ Ningbing gave a sneer.

"act recklessly."

Suddenly, her body moved backwards like flying, and then the life-threatening silk in his hand greeted K who attacked her first.

K was shocked, the tooth blade in his hand quickly blocked the deadly silk.

Cang's cry.

But seeing the deadly silk intersecting with the tooth blade in K's hand in the dark night, sparks appeared in layers.

Then, seeing that Situ Ningbing's wrist twisted, the life-threatening silk suddenly entangled the tooth blade in K's hand, K was shocked, and wanted to pull back his weapon, but he didn't expect

the life-threatening silk to entangle him. At the moment of the tooth blade in his hand, a sudden force came to his arm.

Then K's arm numb, the tooth blade in his hand dropped out, and it fell to the ground with a crisp sound.

At the moment when the tooth blade in K's hand fell, the blood on the other side roared and hit Situ Ningbing's deadly body with both palms.

Booming wind.

Situ Ningbing knew the power of the \*\*\*\* shadow palm, so she didn't dare to take it hard. His body was light and dodge like a butterfly, so beautiful.

Li Tian, who was seriously injured, looked at the figure of Situ Ningbing in the dark night. Her movements were so beautiful, it seemed that even killing was an artistic American style, and it was too late to watch.

Such a near-perfect movement made Xuepan a headache.

Although his blood shadow palm was terrifying, he couldn't get close to Situ Ningbing's side. He was furious and rushed towards Situ Ningbing desperately.

Situ Ningbing's originally graceful figure stood still, waiting for the attack from Xuepan.

When Xuepan's palms came back fiercely, she saw Situ Ningbing, and suddenly one hand grabbed one of the \*\*\*\* wrists, and the other hand grabbed his wrist like a poisonous snake. arm.

Then his right hand grabbed the pulse of Xuepan's arm fiercely, so that he couldn't lift his strength, and flew a kick directly on the chin of Xuepan.

With a scream of wow, Xue Pan was kicked by Situ Ningbing's chin and flew up and fell to the ground.

The K over there couldn't even connect, especially when he saw the life-threatening silk in Situ Ningbing's hand, he was even more afraid.

She couldn't help but slowly walked towards the \*\*\*\* bloody blood on the ground.

"Is it all right?"

Xuepan, who got up from the ground, spit out a spit of scarlet blood from his mouth, staring at Situ Ningbing with his vicious eyes, his eyes full of hatred.
