

A Killer 168

Chapter 168: hate

Li Tian suddenly felt like a fool!

Belongs to the kind of stupid stupid.

How could he marry such a woman as his wife? She is a woman of Tianzi, and even a cold-blooded killer. Can such a woman be married to Li Tian?

This is more difficult than toad eating swan meat.

Looking at the opposite Situ Ningbing, Li Tian suddenly turned and walked to the other side.

She stood at the door and didn't say a word, the perfect classical Guazi face did not have a trace of expression, and the moment he turned around, the beautiful eyes moved.

At this moment, Qiu Si slowly came out of the room and glanced at Situ Ningbing in front of him.

"Binger, you better tell him."

Situ Ningbing turned his head and nodded slightly.

"Well, I will."

After speaking, Qiu Si didn't say much.

After Li Tian walked out of the room, he saw the rickety old man sweeping the floor. The old man was still doing the weird sweeping by himself.

His posture was strange, with one thin right hand grasping one end of the broom, and the other hand holding the tail of the broom and sweeping on the floor. After the broom touched the ground, it was drawn in the shape of a circle among his people.

As the broom moved, he actually swept out a circle on the ground.

Li Tian stared in surprise, almost stunned.

The rickety old man was there sweeping and sweeping, all day long.

Why would the rickety old man sweep the floor all day long there?

I said earlier that the rickety old man's ears and voice were only called deaf and mute after being destroyed by others. Could it be that the old man's mental abnormality was entirely due to the torture he had suffered? Did it lead to the current situation?

Li Tian was thinking there.

As he looked at the rickety old man in front of him with amazement and slowly sweeping the floor, he suddenly heard that crisp and beautiful voice calling his name behind him.

"Li Tian..."

When the voice called out, Li Tian was shocked!

Because he heard her voice, Situ Ningbing.

After turning around, Li Tian looked at the glamorous woman that Chao Siye was thinking about, and found that she was standing behind him, looking at him with cold eyes.

After Li Tian turned his head, he saw her face.

Li Tian was shocked in his heart. When facing her again, he didn't know how to speak. This woman used to think of him, but now what?

"What's the matter?" Li Tian asked coldly.

Situ Ningbing stood in front of him, hearing his cold voice, her beautiful eyes moved.

The cherry lips moved, and then slowly said, "I didn't expect to meet you here... It seems that you have really found my godfather."

Li Tian sneered: "Yes, this is much more than thank you for the jade finger you gave me in Liaocheng."

"I was there, I should thank you." Situ Ningbing stared at him beautifully and said.

Li Tian waved his hand: "No."

"No one owes anyone, so don't be so polite. I did it because I was bored to save you. In fact, I have to thank you for allowing me to come to this bustling metropolis."

Hearing what Li Tian said, although Situ Ningbing's cold face was unmoved, what about his heart? Is there really no movement?

Do not! Her heart throbbed.

"Huh, that's best." She said stubbornly.

"Now you and I have nothing to do with you? You'd better leave here as soon as possible." Situ Ning said coldly.

Li Tian smiled.

"Do you think I want to stay here?"

"I'm telling you, I wanted to leave a long time ago." Li Tian also said angrily.

"Then you go away!" Situ Ningbing didn't know why she suddenly lost her temper.

That pale pretty face became extremely ugly in an instant.

Li Tian said stubbornly like a cow: "Go and go, fuck!..."

After speaking, Li Tian really walked forward step by step.

I cursed while walking: Damn girl! So cruel! I even took the vows I swore at the beginning as the goal of my life, and vowed to become stronger and protect her... Marrying her as a wife now seems so ridiculous.

Li Tian is the kind of man who dares to love and hate, so after Situ Ningbing asked him to leave, he didn't even hesitate to turn around and left.

And Situ Ningbing? Qianying stood there, watching his figure disappear, her body trembled suddenly and violently, her chest was covered with one hand, her whole face was pale and ugly for a moment.

It was apparent that the Rashomon poison in her body had attacked again.

After a while, the pale face slowly returned to his calm appearance. There was no words or words, and a person turned around and walked towards the courtyard.

Qiu Si, who was standing at the gate of the courtyard, kept looking at them.

When Situ Ningbing walked in, Qiu Si gave a long sigh: "Bing'er, in fact, you should have a good talk with that guy."

"That kid is pretty good, with a good heart." Qiu Sidao said.

Situ Ningbing had a bitter smile on the corner of his mouth.

"Goddaddy, don't say anything..."

Listening to Situ Ningbing's words, Qiu Si was helpless, and he couldn't deal with young people's affairs, even an old man.

"Well, godfather don't say anything."

"walk into."

After speaking, he took Situ Ningbing and walked inside.

This time Li Tian is undoubtedly the ruthless Situ Ningbing.

He didn't expect this cold-blooded killer woman to be so unfeeling, so unfeeling that he once gave up her life to save her, in exchange for a cold thank you.

So the vows and words that have been made are empty words?

This annoyed Li Tian.

I was fooled like a fool.

After leaving the courtyard of Qiu Si, Li Tian walked towards the main road alone.

He doesn't know where to go now, he only knows that he should go forward... Keep walking forward, as far as possible from her, it is best not to see her forever...

Of course he would not know that the reason why Situ Ningbing was so indifferent to him was for his good, for fear that he would be affected.

Everyone knows that Li Tian's kung fu is still not enough, and Situ Ningbing is now suffering from the poison of the Duanmu family's Sanshengmen...If Situ Ningbing treats Li Tian a little better, he may stay here too desperately.

When the time comes, once the Xuepan and K suddenly return here again and see that it is strange, it will be a **** battle... I am afraid that Li Tian will be more and more fortunate.

Situ Ningbing was so considerate of Li Tian, but Li Tian didn't know all of this.

At this time, he only knew the irritation in his heart and kept walking forward.
