

A Killer 1681

Chapter 1681: The birth of God of War

Ouyang Shiqing recognized Shaman'er and Yuncanghe.

Ouyang Shiqing never expected that Silly Man'er would follow Li Tian, this is something she would never have thought of.

But no matter what, she finally saw her stupid brother.

When she saw the silly man'er, she almost went crazy with excitement, holding her silly brother and kissing.

It's been three years, after all, it's been three years.

Sister and brother's daring affection is so profound, how can Ouyang Shiqing be unhappy?

And what about that stupid man? After seeing Ouyang Shiqing, he smiled sly, and the snot of the laugh was all on Ouyang Shiqing's body.

Ouyang Shiqing looked at the silly man, who hadn't seen him in three years, he grew taller, stronger, and at the same time heavier.

It's just that the IQ of silly man's children seems to be on a horizontal line from beginning to end.

When everything is fine every day, the silly man will be exactly the same as three years ago, squatting on the ground with his ***** pouted, and those big calf-like eyes staring at the ground in front of him, as if there is something weird on the ground. Something...

It may be a morning, sometimes even a day.

For a silly fool, never ask why, so no one has ever asked why the fool is looking at the ground.

Now, I saw the silly man standing there straight, motionless.

why?

It turned out that Ouyang Shiqing bought him a brand new dress. ,

This hunk is big, and he is more than two meters tall. The clothes he wears are not available in ordinary clothing stores, so he has to customize it. In front of him, Ouyang Shiqing has customized a brand new one for his stupid brother. clothes.

The silly man was smiling at that moment, while Ouyang Shiqing was holding the clothes in his hand and making gestures on his body... depending on the size.

"Man'er, don't move...Don't touch it with your dirty hands." Ouyang Shiqing smiled while measuring the clothes on that silly man.

Silly Man'er's hands were dirty like pig's feet. Hearing his sister's words, she hurriedly retracted her huge hands and stood upright as if she was standing in a military posture.

Ouyang Shiqing couldn't help laughing as she watched her brother stand so straight.

After making a gesture of the size of the clothes, Ouyang Shiqing smiled and said to the silly man in front of him: "Well, man, you go and change your clothes."

After the silly man listened, he smiled vigorously and nodded, then took the clothes in his hand and slipped into the room.

After a while, he changed his clothes and ran out.

This guy didn't know if he was really stupid or fake, but Nima wore the wrong shirt on the face, causing Ouyang Shiqing to laugh when he saw him running out. The smile is extremely charming.

The silly man looked at his glamorous sister stupidly, smiled, and touched his nose and said, "Sister, it's so beautiful..."

When Ouyang's silly brother said this, he not only smiled, but his pretty face turned red.

"Man'er, quickly put your clothes on." Ouyang Shiqing said while helping the silly guy to take off his jacket again, and then put it on again.

When the silly man took off his coat, he saw the muscles of the hunk man's body one by one, and his entire body was like a giant, exuding endless explosive power.

Even when Ouyang Shiqing saw her brother's majestic body at first glance, she was not just shocked there.

Just as this silly man had just taken off his coat to reveal a masculine body, a voice suddenly came over.

"Man'er, he is really a born general. If he can cultivate his inner strength, he will definitely be invincible."

When Ouyang Shiqing heard the voice coming from behind, she couldn't help but was taken aback, turned her head and saw that Li Tian was walking by.

When seeing Li Tian unexpectedly appear here, Ouyang Poetry in front of him was not only stunned.

Looking at him in surprise and shouting: "Li Tian...you...you finally came out?"

Li Tian looked at the glamorous Situ Ningbing beside him with a slight smile and nodded.

Then he cast his gaze on the silly man's body, who stood motionless, his burly and majestic body exuding a sturdy wildness.

A pair of big bull-like eyes looked at Li Tian motionlessly, grinning and grinning.

"Li Tian, are you okay? I heard Aunt Hua and others say that you are in a bad mood..." Ouyang Shiqing looked at Li Tianzai who came over and said worriedly.

You know that Li Tian had been staying in the room before and refused to go out. Now that he suddenly came out, of course Ouyang Shiqing felt curious.

When Ouyang Shiqing said so worried, Li Tian in front of him said slightly, "I'm fine."

"Oh, that's good, then we can rest assured." Ouyang Shiqing said.

I saw that after Li Tian had said something, at this moment a pair of eyes were always there looking at the silly man, that Ouyang Shiqing felt curious, why did Li Tian keep looking at his silly brother? It seemed that there was something good about this Man'er that attracted Li Tian.

But Li Tian said after watching Silly Man'er for a while, he suddenly couldn't help but gratified and said to Ouyang Shiqing beside him: "Poetry, I want to tell you something."

Suddenly hearing Li Tian say this, Ouyang Shiqing was not only taken aback, and asked: "What's the matter?"

"Starting from today, I want to teach Man'er a kung fu myself." Li Tian said his thoughts all at once.

After Li Tian said this suddenly, Ouyang Shiqing couldn't help being taken aback.

what?

She cried out in surprise.

"You, you, your name is Man'er Kungfu?"

Li Tian smiled and said, "Yes."

"There is no better place in the world to learn this kung fu than Man'er. If he can practice it, he will surely be invincible. By then, he will be invincible." Li Tian said confidently.

Ouyang Shi was surprised, looking at the silly brother who was standing under the sun.

But seeing the silly man's body exudes a wild aura, the entire majestic body is almost like a born **** of war, burly and sturdy.

After Li Tian said these words, suddenly a row of voices came from behind him.

"Yes, what the young master said is pretty good. If this guy can be trained well, he will definitely be a brave and brave tiger."

"Fucking, I, Tang Xiaolong, grows up so big, and I have never seen a person's body so strong and majestic."

"Yes, so strong, so fierce."

At this moment, as the voice said, but seeing the ghost servant, Tang Xiaolong, and Xue Wuhen, Chen Qiaozhi, and Yun Canghe did not even know when they were here, and looked at this moment with very pleased eyes. Like a God of War at every turn: Silly Maner.

Perhaps from this moment on, Li Tian will be surrounded by a really awesome hunk, which also opened the real prelude to Li Tian's road to dominate the world.

Chapter 1682: Teach martial arts

After Tang Xiaolong and the ghost servants both appeared, not only did Ouyang Shiqing in front of her appear slightly shocked, she would never have thought that all the brothers would appear here.

I saw that the brothers at the moment were all walking towards Li Tian, and while walking, they looked at the sturdy stupid stupid man.

"You guys, why are you all here..." Ouyang Shiqing looked at the ghost servants and the brothers in surprise.

But seeing the brothers smiled and nodded one by one.

"We are here to see Man'er." The brothers said with a smile.

"From now on, one of our brothers may add a real fierce general." Tang Xiaolong next to him looked at the silly man with a grin and smiled.

Xue Wuhen and Chen Qiaozhi also nodded in approval.

Yes, if the silly man in front of him can practice superior martial arts, coupled with his own powerful body, he might really be invincible.

Amidst the laughter of the brothers, Li Tian took all the brothers to the front meeting room.

After arriving at the conference hall, the brothers sat down one by one. After watching the brothers sit down one by one, Li Tian also found a place and sat down slightly.

After glanced at all the brothers, Li Tian began to speak.

"Brothers, we finally got together, but unfortunately we have lost some of our best brothers." Li Tianzai said sadly.

"The righteousness of brothers, the affection of parents, these hatreds, I can't help but report them."

Hearing what Li Tian said, the brothers in front of him sighed deeply, and there was a little sadness in their eyes.

"Now, Dugu has left... As for where he went, it is still unknown."

"You who are left now...I hope that brothers can follow me to eradicate the gate of hell, and the abnormal Long Yin, avenge the dead Aqiu and Ge Lao, so many innocent people who have died. "

Amidst Li Tian's encouraging words, I saw my brothers there with red eyes and said: "Everything depends on you, big brother."

"As long as you give an order, we dare to fight the **** at the gate of **** now." Tang Xiaolong said excitedly.

Listening to Xiaolong's words, Li Tian stood there and suddenly shook his head slightly.

"Do not."

"Although we have an unshakable hatred with the gate of hell, we cannot act recklessly."

"Presumably everyone knows the terrifying power of the **** gate...not to mention the hidden masters of the **** gate, besides, there is a terrifying and mysterious **** gate master behind the scenes. So far, I don't know how high his strength is. "Li Tian said slowly.

After he told the actual situation, the brothers in front of him were also speechless.

Li Tian was right. The gate of **** is so powerful, not to mention that there is a terrifying **** gate master who has never appeared before. How abnormal and powerful is his strength? I don't think I know so far.

After the brothers heard Li Tian's analysis, they were not only depressed there.

"Wh... little boss, don't we take revenge?" Tang Xiaolong stood there and said excitedly.

As if this guy wanted to take revenge at this moment.

But seeing Li Tian said there: "It's not that we don't take revenge, but we have to wait until the time."

"Timing? What timing?" Tang Xiaolong questioned.

"It's the time for you to become stronger." Li Tian suddenly looked at all his brothers and said.
what?

Are we stronger? What do you mean?

But seeing Li Tian continue to say there: "Starting from today, the ghost servants and I will try to teach you martial arts, I want to make you more powerful in the shortest time."

Listening to Li Tian suddenly saying this, the brothers were all stunned.

Teaching martial arts? Teach brothers martial arts?

Yes, everyone present now, except the ghost servant, can say that Tang Xiaolong, Chen Qiaozhi, and Xue Wuhen can't resist that **** gate at all.

Although they can also resist several characters, they will eventually deal with the demon-level Dragon Yin, and the terrifying characters like the gate of hell... They are almost invincible, and even die.

Therefore, Li Tian must improve the combat effectiveness of his brothers, because only in this way can the brothers be able to protect themselves.

If they don't even have the ability to protect themselves, what revenge is there?

However, after Li Tian said such a word, all the brothers in front of him stared at Li Tian with wide eyes.

"Little boss... you mean... is... you want to teach us martial arts?"

Li Tian smiled and said, "It's not a teaching, but a pointer."

"Great..." Tang Xiaolong said suddenly excitedly.

Xue Wuhen in front of them also seemed very happy. They all knew that Li Tian's strength had increased terribly, but what about their combat effectiveness? There was no strengthening from start to finish, so Li Tian must improve the strength of his brothers.

"In the future, if the little boss and the master teach us, we must be able to become stronger, and then we will teach the **** gate and the two **** **** of Long Yin." Tang Xiaolong clenched his fist.

After seeing his brothers approve, Li Tian not only smiled.

He knew that starting from today, he would let his brothers take a path that was truly following him.

After Li Tian made this decision, he began to act.

First of all, Tang Xiaolong and Chen Qiao were taught by ghost servants.

The Ghost Servant taught Tang Xiaolong and Chen Qiaozhi all of his master kung fu, ghost shadow footwork, and ghost fist.

Tang Xiaolong is okay, he learns quite fast, but Qiao Zhi seems to be a little behind, but he also learns well. Compared with before, Chen Qiaozhi can definitely outperform the previous two.

And Li Tian taught Xue Wuhen and that Man'er.

What Li Tian taught Xue Wuhen was the ancient martial arts in the Tianshu Danjuan. That set of boxing techniques is broad and profound, and the common name: Yin Yang Bagua.

Ancient martial arts emphasizes one palm and one raising, and one guard and one gram.

Xue Wuhen was obviously struggling to learn.

When Li Tian practiced the gossip tricks in the Tianshu Danjuan, it was because he had the early tadpole mental method to assist him, so he could comprehend it in a short time, but Xue Wuhen is different, Xue Wuhen has not experienced internal strength at all. It is naturally quite difficult to learn this extensive and profound ancient martial arts.

In two days, Wuhen only learned no moves, and the five moves were just empty and without power.

This situation not only makes Li Tian a little embarrassed.

Chapter 1683: Glamorous

As for that man?

Li Tian gave his Maha Boundless to Silly Man'er.

Ever since Li Tian gave the silly man's Mahe Boundless and told him that this was something for practicing Kung Fu, the silly man'er stared at the words on it without blinking.

It's a pity that I don't know a big character, and I read it for nothing, so Li Tian could only read it to him attentively by his side, and read the first layer of the Maha Wuliang: Yinqi Mind. Read it to him.

Silly Man'er may be a natural martial arts training material. After hearing Li Tian read to him the first-level Yin Qi tactics bit by bit, Silly Man'er realized all the cleverness.

Then he sat cross-legged, holding Yuan as one in his hands, sitting there meditating.

Li Tian originally thought that according to Maner's IQ, at least three or five days of guidance would be needed to achieve the effect of meditation, but he did not expect that after just telling this idiot, this idiot nodded there with a runny nose. , And then began to meditate.

The first level of Mahe Wuliang's Qi Entrainment Art is to draw the qi from the heaven and the earth, penetrate the whole body of the void, and then reach the state of the same state of mind, the state of the empty mirror.

Li Tian did not expect that Silly Man's comprehension so quickly, so soon he knew that the center of gravity of the first layer of Maha Wuliang was there. Looking at the foolish man sitting on the ground meditating, Li Tian couldn't help it. He laughed in surprise.

"Wizards, martial arts wizards." Li Tian said to himself.

According to the practice speed of Silly Man'er, his speed is almost faster than that of Li Tian.

At the beginning, Li Tian practiced the first level of the Maha Immeasurable realm. It only took a few days of work. Now, looking at the state of that silly man, I believe he can comprehend the Maha Immeasurable state in just a few days. One layer of realm.

No, it's only two days. That silly man has learned the basic mental method of the first level of qi fascination thoroughly. Now he just closes his eyes, and then sits silently in meditation, his whole body breath He has reached the state of combining humans and mirrors. At this speed, he should be able to practice the first level of Maha Boundless within a few days.

Looking at the silly man in front of him, Li Tian only felt a little unexpected.

At this moment, I could see that Ouyang Shiqing came over at this time.

"Li Tian." When approaching Li Tian, Ouyang Shiqing yelled softly.

Li Tian heard that it was Ouyang Shiqing, then smiled slightly and walked over.

"What's wrong, poetry?"

"How is my silly brother practicing? Is he very stupid and slow in training?" Ouyang Shiqing said in front of him.

But seeing Li Tianzai there quickly shook his head and said: "No, no, no."

"Don't underestimate Man'er... He is the fastest man I have seen practicing martial arts so far." Li Tian stood there and praised happily.

what?

"No... how is it possible? Man'er is so stupid... how is it possible?" Ouyang Shiqing in front of him obviously asked with a look of disbelief.

But seeing Li Tian smiled there and said, "It's true."

"Look at Man'er, what he is practicing now is the peerless martial arts Maha Wuliang left by the legendary old man a hundred years ago. This Maha Wuliang is divided into nine levels in total. Now Man'er has almost cultivated the first level. It's over... When he finishes the first level of cultivation, he can feel the constant energy gushing from his body..." Li Tian said there.

Ouyang Shiqing couldn't believe it and said, "Really? Man'er really cultivates so fast?"

Ouyang Shiqing, who was horrified, looked at her silly brother from there.

But seeing that Li Tian was looking at the silly man sitting quietly in front of him and said slightly, "It's true."

"Man'er is innocent by nature. This Maha Boundless requires no desires and no thoughts before he can cultivate, and Man'er can do just that. This is also an important reason why he cultivates faster than others." Li Tian was there. Said with emotion.

From the observations over the past few days, Li Tian can basically see why the silly man can cultivate so fast.

It turns out that a silly man is dedicated to martial arts, and besides, his silly head can't hold anything else, so he is at least twice as fast as a normal person in his cultivation, not to mention that Man's doesn't know his desires. It is even more clear as water, so no one is more suitable for cultivating this immeasurable Maha than a silly man.

Hearing Li Tian say this, Ouyang Shiqing, who was originally worried, can finally relax slightly.

"Thank you, Li Tian." Suddenly Ouyang Shiqing blinked and looked at Li Tiandao in front of her eyes.

Li Tian turned his head and looked at Ouyang Shiqing, who was so glamorous and indispensable. Not only did he look a little silly at once.

Ouyang Shiqing had to say that every time it reached the extreme.

It can be described by the word "youwu".

Especially her seductive dress today.

She was wearing a black tight-fitting miniskirt, with two slender legs bare, and a pair of crystal sandals on her slender ankles. Her plump buttocks were perfectly wrapped in a tight skirt, looking full of temptation and desire. .

The upper body is a pale white shirt, showing her perfect curve vividly. The convex place is convex, and the concave place is concave.

The slender neck is white, tender and round, and the cherry lips are red like a ripe cherry...especially those eyes with affection.

Li Tian will stare at Ouyang Shiqing in front of him, not only is he a little obsessed...

Then Ouyang Shiqing saw Li Tian staring at herself in a daze, not only her pretty face blushed suddenly, she whispered in embarrassment, "Li Tian...what are you looking at..."

Li Tian was taken aback, quickly turned his eyes from the faux pas, and said awkwardly: "No...no..."

Ouyang Shiqing's blushing face is even more charming and enchanting.

In that slightly said: "Li Tian, you come with me... there is something I want to give you."

As Ouyang Shiqing said so, she had already walked gently forward, Li Tian was taken aback, stood there, and asked suspiciously: "Shiqing, what is it?"

"You'll know when you come over." Ouyang Shiqing whispered while walking in front.

Li Tian thought for a while, looked at the beautiful back of Ouyang Shiqing, and quickly followed.

After arriving in the room where Ouyang Shiqing was staying, a lingering feminine scent spread into Li Tian's nostrils. Li Tian smelled the feminine smell of Ouyang Shiqing's body, not only feeling a little obsessed.

He is a normal man.

If a normal man sees a beautiful woman like Ouyang Shiqing and is not tempted, then it is abnormal.

So in a way, Li Tian's obsession is simply normal to the extreme.

It was said that after Li Tian entered Ouyang Shiqing's boudoir, Ouyang Shiqing stood on the side and gently took out a small red box from a small drawer over there.

After taking the box out, Li Tian was not only startled.

Chapter 1684: Temperament change

Then I saw Ouyang Shiqing slowly stretched out her delicate hand and slightly opened the red box. As the box opened, what flashed inside was a round black gem tied with a black rope.

The black gem was gleaming, and it looked brilliant, and anyone with a discerning eye could tell it was a treasure from the world.

Looking at the black gems in front of him, Li Tian not only looked at the poetry of Ouyang in front of him in wonder.

But seeing Ouyang Shiqing slowly took out the black gem and said to Li Tiandao: "This black pearl was personally given to me by my grandfather back then... I want to give it to you now."

As Ouyang Shiqing said this all of a sudden, Li Tian immediately waved his hands and said, "No, no, no, this can't be done."

"This is a gift from your grandfather, how can I ask for it?" Li Tiandao.

But when I heard that Ouyang Shiqing said: "It's nothing, I want to give it to you..."

"Are you accepting it!"

Li Tian waved his hands again and again and said, "Poetry, this is a gift specially given to you by Father Ouyang...I want it, I am afraid it is not good... Besides, this gem is so precious...I, I How can I take it?"

Ouyang Shiqing bit her teeth and said, "If you don't deserve it, who else is worth it in the world?"

"You saved my Ouyang family, even my grandfather's life was saved by you... Why can't I give you this thing."

As Ouyang Shiqing said this, Li Tian was stunned.

He didn't want to see Ouyang Shiqing unhappy, unhappy, so when she heard that, Li Tian not only hesitated.

"You either?" Ouyang Shiqing suddenly raised her beautiful eyes and looked at Li Tiandao again.

Li Tian was stunned for a moment, without speaking.

But when I saw that Ouyang Shiqing saw that Li Tian didn't even speak, he was heartbroken and said: "If you don't want it, I will throw it away."

The girl said to throw it away. She grabbed the "black pearl" with her delicate hand and threw it into the air.

Then Li Tianyi saw that this girl was really going to throw this thing, and immediately reached the side of Ouyang Shiqing, and then grabbed the slender wrist of Ouyang Shiqing.

"Don't throw..."

"I want it, do I want it?" Li Tianzai said, clutching Ouyang Shiqing's slender wrist tightly.

At this moment, his body is close to the delicate body of Ouyang Shiqing, and his head and that of Ouyang Shiqing's head are about to get together...The fragrance of the female body from Ouyang Shiqing's body, Li Tian has all Smell in the nose.

They are so close, Li Tian seems to be able to feel the accelerating heartbeat of Ouyang Shiqing, and because Li Tian is holding on to Ouyang Shiqing's arm, this posture is really too ambiguous, too Too temptation...

Ouyang Shiqing's face blushed for an instant, and her little head dropped suddenly, and her voice was as soft as a mosquito and said, "Okay... Then I'll put it on for you."

Ouyang Shiqing slowly opened his hands and put on the black pearl for Li Tian.

Li Tian did not refuse.

He lowered his head slightly, then stretched his neck, letting Ouyang Shiqing wear it for him.

Li Tian was originally taller than Ouyang Shiqing. At this moment, his head was lowered, and the position of his head happened to be where Ouyang Shiqing's chest was... Li Tian instinctively opened his eyes and saw the **** black Lace underwear... and the deep white gully...

At this moment, Li Tian seemed to be suffocating, his throat was so dry, so hungry, as if he almost couldn't help but bite.

He closed his eyes hurriedly, for fear of some evil thoughts in his heart.

But even if Li Tian closed his eyes, his breathing became more and more rapid, and even his body began to become visibly hot and hot. All in his mind was Ouyang Shi's hot and attractive body, and just now What my eyes should not see...

He tried to resist his thoughts, but there was an evil figure in his mind constantly thinking about it.

Because Ouyang Shiqing was wearing the "black pearl" around Li Tian's neck with her hands around her neck, she didn't notice Li Tian's reaction at all.

When she slowly put the jewel "Black Pearl" on Li Tian's neck, she then smiled and said, "Okay."

Then he lifted his beautiful face to look at Li Tian.

The moment she saw Li Tian's face, she was stunned.

What did Li Tian look like now? My God, his eyes are so red, red like a blazing fire, like an endless flame burning in his eyes.

At the same time, his entire face became slightly red.

"Li Tian, what's the matter with you?" Ouyang Shiqing in front of her was surprised when she saw Li Tian suddenly change into this.

To be honest, even Li Tian himself doesn't know why his "desire" is so strong, and now even he himself seems to be unable to control himself.

I saw him endure the deepest "desire" in his heart that filled his body's true energy, suppressing the terrifying "devil" in his heart, and then quickly said to Ouyang Shiqing in front of him: " Poetic...I can't help it anymore...I can't help it anymore..."

"What? Li Tian, what's the matter with you... You can't help but what..." Ouyang Shiqing was holding Li Tian's hands in panic. ,

But seeing Li Tian's eyes getting redder and red, he tried everything he could to suppress the "devilishness" in his heart. While struggling inside, he said to Ouyang Shiqing: "Poetry...you hurry...hurry up... Otherwise...I...I..."

"Li Tian, don't scare me, what's the matter?"

Ouyang Shiqing didn't listen to Li Tian's words at all, and still asked in surprise with the hands that tightly grasped Li Tian.

But seeing all the "corrosive" voices in Li Tian's ears, even listening to the words of Ouyang Shiqing turned into that kind of "evil" voice...

Suddenly it seemed that he couldn't help himself anymore.

Suddenly a hand wrapped around Ouyang Shiqing's waistline.

Ouyang Shiqing didn't expect that Li Tian would suddenly embrace her waist roughly, and she was shocked, but her whole body was completely attached to Li Tian's hot chest.

"Li Tian, you, you, what are you going to do?" Ouyang Shiqing asked stupidly after being hugged by Li Tian so suddenly.

But seeing Li Tian panting heavily, his eyes filled with endless desire, he stared at the sweetheart in front of him.

Then he didn't say anything, a rough palm wrapped around Ouyang Shiqing's small waist suddenly touched Ouyang Shiqing's Fengyun Qiao and rude buttocks, while the other hand was even more presumptuous and savage. Suddenly stretched out to Ouyang Shiqing's chest... and touched it unscrupulously.

Chapter 1685: Guilt, love

Facing the sudden change in Li Tian's temperament, Ouyang Shiqing's head rumbling completely.

"no, do not want....."

"Li Tian...what are you doing..."

Ouyang Shiqing suddenly struggled with her delicate body.

It's a pity that she didn't struggle. This struggle made Li Tian whose "magical nature" changed drastically at this moment, become even more crazy. His lips suddenly kissed the cherry lips of Ouyang Shiqing... The small mouth was blocked tightly, and then his hands began to walk up and down Ouyang Shiqing's whole body unscrupulously.

At first, Ouyang Shiqing wanted to struggle and screamed, but her lips were so tightly blocked by Li Tian, she could only scream there...

Li Tian wreaked havoc on Ouyang Shiqing's body like a mad beast, and his mouth was tightly closed with Ouyang Shiqing's cherry lips.

Ouyang Shiqing wants to struggle, but unfortunately it has been in vain.

Faced with Li Tian, who she has always loved most, Ouyang Shiqing finally chose to accept it.

She no longer barked, no longer struggled, but her delicate body suddenly catered to Li Tian in front of her.

But seeing Li Tian suddenly hugged the slender waist of Ouyang Shiqing with both hands, he hugged her up, and then held her in his arms, with a mouth that unscrupulously kissed Ouyang Shiqing in front of him.

Tender face, white neck...cherry lips...

Then gradually descend from the neck, to the chest,...

With a hiss, Li Tian resembled a mad beast, and suddenly tore the black lace underwear of Ouyang Shiqing...The two snow-white Saintess Peaks appeared clearly in Li Tian's eyes. , And the xx, who was charming and fascinating like a peach, made Li Tian crazy.

He sucked the peach with his mouth, and grabbed the other with one hand unscrupulously...

In this way, he lifted Situ Ningbing up his waist, and then pressed it onto the side of the bed.

After pressing Ouyang Shiqing on the bed, Ouyang Shiqing's black hair was spread on the bed like a waterfall, and then Li Tian in front of her was completely pressed on her body. .

Ouyang Shiqing closed her eyes tightly, no one knew what she was thinking, let alone whether she was sad or happy at the moment...

But Li Tian, who seemed to be "involved", continued to abuse and rages.

He took off his clothes three times and five times, revealing a masculine physique, and then rolled Ouyang Shiqing directly with both hands, hissed, and once again tore off Ouyang Shiqing's white shirt directly. .

Simple, crude, and savage.

After tearing off Ouyang Shiqing's white shirt, she saw that her tender back was exposed all at once.

Looking at the snow-white naked back, Li Tian kissed the entire head all at once, and Ouyang Shiqing's body convulsed.

Li Tian's lip prints covered Ouyang Shiqing's entire body, as if he had kissed her all over her body.

After Li Tian kissed for about 56 minutes, he suddenly began to roughly fade the black tight-fitting short skirt of Ouyang Shiqing.

That Ouyang Shiqing's two slender hands firmly grasped her short skirt, as if she didn't want Li Tian to take it off, but now Li Tian can't help it...

With rough hands, he suddenly removed the short skirt of Ouyang Shiqing, and then went under the white thigh of Ouyang Shiqing, and then revealed the white, tender and tender xx.

Li Tian directly pushed his lower body up, and then suddenly held back Ouyang Shiqing's chest with his hands. His hands were so hard that when he held Ouyang Shiqing tightly, Ouyang The tears of poetic love fell.

But seeing him savagely in, then began to wriggle frantically.

Ouyang Shiqing endured the tingling in the early stage, but when he suddenly entered, Ouyang Shiqing's painful hand gripped the white sheet tightly, while the other hand gripped tightly. On Li Tian's back, the fingers seemed to penetrate Li Tian's skin, clutching tightly...

What about Li Tian? It is to indulge one's own desires.

His posture was the back posture. After a thorough indulgence for a while, he suddenly turned Ouyang Shiqing's delicate body directly over.

Then an old man pushed Ouyang Shiqing's waist up directly, dragged one hand underneath, and then looked around Ouyang Shiqing's waist with one hand, and then started...

This behavior made Li Tian completely crazy, and he was completely plunged into endless "desire".

And what about Ouyang Shiqing? From beginning to end, I silently endured her brilliance.

Li Tianzu spent an hour and a half "torturing" the poetry of Ouyang before him.

He is so wild, so rough and barbaric, that he almost used 67 different directions to experience the joy of men and women.

When the last storm passed, he was tired.

He finally lay on Ouyang Shiqing's delicate body at once, and then fell asleep faintly.

What about Ouyang Shiqing? Her tears seemed to wet the sheets before her eyes...

There was no regret or blame in her beautiful eyes, but she stared at the white ceiling with those beautiful eyes blankly. No one knew what Ouyang Shiqing was thinking at the moment.

But I saw a wide bed, where the two of them were lying.

In addition to the two bodies on the snow-white sheets, there are red spots...red blood...

Those red blood is like plum blossoms, but it's a pity that these plum blossoms are indeed a woman's life. This is the beginning of a young girl's transformation into a woman.

In the empty room, there was nothing at this moment except the torn shirt, underwear, and black tight skirt on the floor.

Two people were lying on the bed quietly, one fell asleep like a dead pig in a coma, and the other beauty was crying secretly there...

Her tears are so crystal clear, looking so sad, looking so distressed.

However, lying next to her is the man she loves most, even if it is crying, in a sense, maybe it should be the tears that started happiness.

Ouyang Shiqing loved Li Tian from beginning to end.

Where is Li Tian? Although he also loves Ouyang's poetry, but that love is humble and a bit of guilt.

Because Li Tian already has a favorite woman: Situ Ningbing, and the naughty elf Duanmuying, and the infatuated Tang Feifei, he doesn't know how he should share his love with the beautiful Ouyang poetry in front of him. He felt unfair, thinking that Ouyang Shiqing was so beautiful and moving. She was absolutely eye-catching and the focus of everyone in any place she casually stayed. How could Li Tian blame Ouyang Shiqing?

Shouldn't he? He dare not! He even felt guilty.

Chapter 1686: happy

Finally, he woke up.

When he was sober, the first thing he smelled was the body scent of a woman.

The body fragrance is so attractive, so refreshing.

Then he opened his eyes suddenly, and at the moment when he opened his eyes, he saw the snow-white muscular man in his arms.

Poetic.

It is the beautiful Ouyang Shiqing. She leaned against her body with a naked white back, and the whole body was in a panoramic view. It was so beautiful, so flawless.

After seeing this situation, Li Tian almost stunned in horror, staring at her in his arms in disbelief.

"What...what's wrong...?"

"Oh my god, what did you do?" Li Tian asked himself there with a chuckle in his heart.

Then his mind suddenly showed everything that had happened before.

He recalled his brutality, recalled his brutality, and even more recalled his own unscrupulous ravages of Ouyang Shiqing...

After suddenly recalling everything, Li Tian was stunned.

"I, what did I do?"

"It's not human, right?"

"I actually... even treated poetry like that?"

After suddenly remembering everything in his heart, Li Tian not only regretted all of a sudden, his regret was not because of anything else, but because he was too rude and savage.

Li Tian, with endless guilt in his heart, will deeply feel Ouyang Shiqing in his arms. His heart is aching, and he blames himself for the savage and rude things he has done.

Holding Ouyang Shiqing in his arms tightly, Li Tian had unspeakable regret in his mouth.

"You are awake." Just as Li Tian regretted and blamed himself for what he had done, suddenly a pleasant voice came into his ears.

Ouyang Shiqing.

It turned out that Ouyang Shiqing, who was lying in her arms, was not asleep... She turned out to be awake. After such torture, if Ouyang Shiqing could still fall asleep, it would be a strange thing.

"Poetry...you...you didn't fall asleep?" Li Tian was stunned for a moment, completely unaware of what he was saying at the moment, he felt like he was talking nonsense.

But seeing Ouyang Shiqing closing his eyes slightly, and then lying in Li Tian's arms, saying, "Yeah."

"I...I...I..." After a few pauses, Li Tian just didn't know what to say.

He felt that he had no face... no face to face Ouyang Shiqing in front of him.

But seeing that Ouyang Shiqing heard Li Tian chattering there, she suddenly said, "Do you have anything to say?"

"I...I...no, no..."

"I just... I'm sorry... I'm sorry." Li Tian hesitated.

But seeing Ouyang Shiqing not speaking, she was silent there.

Her silence made Li Tian feel more and more guilty in his heart.

Suddenly Ouyang Shiqing didn't say anything, and suddenly left Li Tian's embrace. After she suddenly left Li Tian's embrace, Li Tian was taken aback.

Looking at Ouyang Shiqing.

But seeing Ouyang Shiqing wrapped her body tightly with the white sheets and walked under the bed... Then she turned and walked toward a dressing room over there.

Seeing Ouyang Shiqing leaving her embrace silently like this, Li Tian was suddenly depressed.

"Shiqing, where are you going?" Li Tian looked at Ouyang Shiqing and shouted.

But seeing Ouyang Shiqing did not turn back, only said: "I want to change clothes."

Listening to Ouyang Shiqing's words, Li Tian was embarrassed, his eyes rolled, and he looked at the black tight-fitting skirt that was torn apart by himself before, as well as the lace underwear, and the white shirt... He stayed on the bed speechlessly, his face flushed, and he couldn't help but feel embarrassed.

Then Li Tian glanced inadvertently and suddenly saw the plum blossoms on the snow-white sheets. After the blood-red plum blossoms were seen by Li Tian, Li Tian suddenly stunned.

Of course he knows what those blood sages mean... It means that it was her first time, which means that Li Tian's crazy behavior that disappeared last night was the first time that Ouyang Shiqing was so rudely occupied.

Regret, blame yourself, not human.

All the thoughts, at this moment, all came to Li Tian's heart.

He can't wait to turn his head and knock his head fiercely, and then make up for his debt to Ouyang Shiqing.

However, he finally got off the bed very sensibly, wrapped his body with a sheet, and then hurried to the changing room of Ouyang Shiqing.

Originally, Ouyang Shiqing was changing clothes. She chose a pair of tight and casual jeans. When she was changing, Li Tian suddenly appeared behind him.

what.

"You...what are you doing again?" Ouyang Shiqing suddenly exclaimed.

The voice was full of fear, full of panic.

But seeing Li Tian tightly hugged Ouyang Shiqing from his back, he could feel Ouyang Shiqing's entire body trembling slightly, as if he was afraid of himself.

But this time, Li Tian sensibly hugged the back of Ouyang Shiqing, he hugged his beloved woman tightly, and then murmured: "Shiqing, sorry...it was me last night. It's not good...I'm sorry..."

Ouyang Shiqing was held by Li Tian, without speaking, without words, but crystal tears suddenly fell in her beautiful eyes.

"Poetry, I love you."

"It's just that I dare not admit it from beginning to end... But starting from today, I want to admit that I really love you and I want to tell the world that I love you Ouyang Shiqing."

"No matter what happens in the future, no matter what happens in the future, my Li Tian loves your heart, and it will never change." At this moment Li Tian said in front of Ouyang Shiqing the most beautiful voice in his heart.

Listening to Li Tian's words, Ouyang Shiqing's tears dropped even more.

This time, her tears were tears of happiness, tears of joy.

She loves Li Tian, even if she can only have one day, she will never regret it. Although everything yesterday was too barbaric and rude, even Ouyang Shiqing felt nothing but pain, but for her, she never Regret, because for the first time she gave her favorite Li Tian and her favorite man.

Isn't a woman's life hoping to give her the man she loves the most for the first time?

Now, Ouyang Shiqing has done it.

Li Tian behind is hugging Ouyang Shiqing tightly, and what about Ouyang Shiqing? He was also held tightly by Li Tianhuan and stayed there happily.

Chapter 1687: check it out

Li Tian embraced Ouyang Poetry in his arms.

Ouyang Shiqing was hugged by Li Tian for a while, and suddenly found that she was wearing a black lace underwear on her upper body, with her hands in front of Shuangfeng, and said with a shy face: "Li Tian, you, you go out first... I change clothes."

Li Tian looked at Ke Ren'er in her shy arms and gently kissed Ouyang Shiqing's pretty face, then turned slightly and left the dressing room.

After arriving outside, Li Tian also began to wear his own clothes.

When he was dressed, Ouyang Shiqing had also finished changing clothes and walked out with a blushing face.

She wore a pair of tight and casual light blue jeans, with two slender strips perfectly presented, standing there looking at Li Tian.

"You, don't you go to Xiaolong and the others?" Just listen to Ouyang Shiqing looking at Li Tian there.

Li Tian heard Ouyang Shiqing say this, awkwardly said "Oh" there, then nodded and said: "Oh, yes, yes, I'm going to find my brothers."

Li Tian who was talking then opened the door and walked out.

Leaving Ouyang Shiqing's room, to be honest, Li Tian was reluctant to give up.

When I walked out of the door, I happened to see the ghost servant and Tang Xiaolong passing by the door.

When the ghost servant and Tang Xiaolong suddenly saw Li Tian coming out of Ouyang Shiqing's boudoir, they were all taken aback.

"Little Lord."

"Little boss?"

"You...you... why are you in Miss Ouyang's room?" Tang Xiaolong asked stupidly with his mouth open.

Hearing Tang Xiaolong's words, the clever ghost servant quickly kicked the kid from behind.

But seeing that Tang Xiaolong suddenly said this, Li Tian was suddenly embarrassed.

After hesitating for a few times, he said: "I, I want to discuss something with poetry."

"Oh." Tang Xiaolong smiled and nodded stupidly.

The ghost servant next to him was Li Tian who smiled and looked in front of him.

"Why are you two here? Why don't you go to practice?" Li Tian asked instead looking at Tang Xiaolong and the ghost servant in front of him.

He was a little embarrassed when he met these two people...so he would even speak incoherently.

But after hearing Li Tian say this, the ghost servant said: "We have been practicing for a while, so we took a break."

Li Tian heard the ghost servant say this and said, "Oh, that's it."

"Xiaolong, how are you doing?" Li Tian asked, looking at Tang Xiaolong beside him suddenly.

Tang Xiaolong's horse step suddenly struck, and then he put his hands in a powerful move of Long Fei Nine Heavens, and said there: "Don't worry, little boss, I have almost practiced... Now I have learned the ghost and shadow of the master. The fist is half the power."

Seeing this guy in such a funny pose, Li Tian laughed.

The ghost servant on the other side was also amused by Tang Xiaolong.

After a while, the ghost servant suddenly looked at Li Tiandao with a serious face and said, "Young Master, there is something I want to talk to you alone."

After hearing the ghost servant say so, Li Tian nodded in front of him.

"Ok."

"Xiaolong, you go down first." Tang Xiaolong who only listened to the ghost servant in front of him said.

Although Tang Xiaolong was a little reluctant on his face, he still listened to the ghost servant's words, nodded, and then retreated.

At this moment, there are only the ghost servants in front of him and Li Tian.

Li Tian looked at the ghost servant as he walked slowly in the front corridor and asked, "What's the matter?"

But seeing the ghost servant's brows dignified, he set it back in secret, then slowly raised his eyes to look at Li Tiandao: "Young Master, I am getting a little more worried about the second brother."

Duguxie?

After hearing the ghost servant suddenly say this, Li Tian's expression in front of him also became more cautious.

"I'm sure that the second brother will never leave our brother like this. He must have gone alone in order to avenge the young master." The ghost servant stood there and continued to say with a worried expression.

After listening to Li Tian, he thought about it and said, "Well, you are right."

"But so far, we have no news of Dugu. Even if we look for it, it may not be easy for the vast crowd to find him. Moreover, Binjiang City is so big, where should we look for it?" Li Tian said worriedly there.

He was telling the truth. Now no one knows where Duguxie is. Moreover, Binjiang City is so huge. Looking for someone in such a big city is like looking for a needle in a haystack.

The ghost servant looked extremely worried. He was in the same siblings as Duguxie, for fear of something wrong with Duguxie, and now even the sword in Duguxie's hand has been broken.

"I think we must think of a feasible way." Li Tian said suddenly there.

In fact, Li Tian was also very worried about Du Guxie, but he had to find a feasible method now.

The ghost servant nodded silently.

"By the way, Young Master, I haven't had time to tell you something." The ghost servant suddenly seemed to think of something and said.

Hearing what the ghost servant said, Li Tian in front of him asked, "What's the matter?"

"A few days ago, when we were not with you, the young master, we found the lair of Hell Gate in the old town." The ghost servant in front of us suddenly said.

After hearing the ghost servant suddenly say this, Li Tian suddenly became excited.

"What? The lair of the **** gate?"

"You know? Do you know where the current Hell Gate is in Binjiang City?" Li Tian asked excitedly at the ghost servant in front of him.

But the ghost servant nodded and said: "Yes, young master, it's in a disused old alley in the old town."

"A few days ago, Xiaolong and I happened to see that place, where there are many disciples from **** staying...no one knows what they are planning."

After hearing the ghost servant's confirmation again, Li Tian's eyes became frenzied for a moment.

"Damn **** gate." A few cold words suddenly came out of his mouth.

"Ghost servant, tonight, I want you to take me, let's go see what happened." Li Tian said suddenly with a flame in his eyes.

When Li Tian suddenly said this, the Ghost Servant was stunned.

"Young Master, do you mean that we are going to attack the gate of hell?" the ghost servant asked with solemn brows.

"No," Li Tian denied immediately.

"I just want you to take me to see the lair of Hell Gate. I want to see what those **** are doing in Binjiang City." Li Tian clenched his fist tightly.

The hatred in his heart has all poured into his eyes.

The ghost servant heard Li Tian say this, thought about it, and finally agreed.

Therefore, the two decided that they would go to the Hell Gate Lair in the old city at night to find out

Chapter 1688: Action at night

"Fourth brother, no, absolutely no...How can I rest assured that you will take Tian'er to the lair of **** gate?"

"What if something happens?"

I saw that when it was almost night, the fairy Baihua said in denial after hearing the thoughts of the ghost servant and Li Tian.

But seeing the ghost servant bowing his head deeply, frowning and not speaking, he was actually a little worried in his heart. He was afraid that Li Tianwan could not help his inner hatred, and in case he did something, That would be troublesome.

You know, there are so many masters in the lair of the **** gate, if the two of them were discovered, it would be really bad, so the ghost servant stood here depressed at this moment.

The brothers in the room were also standing there, looking at the ghost servant and Li Tian in surprise.

"Auntie Hua, don't worry, we only went to check the whereabouts of the gate of hell...not to fight them head-on." Li Tian explained to Fairy Baihua there.

As Li Tian said so, the fairy Baihua continued shook his head and said, "No, absolutely not."

"Tian'er, Aunt Hua is worried about you. What if you can't help the hatred in your heart when you see the people from the hells?" Fairy Baihua said distressedly while holding Li Tian's hand.

Li Tian was moved in his heart, but he still said, "Auntie Hua, I won't, I can definitely hold back the hatred in my heart..."

"I have endured it for so long, why can't I take it this time?" Li Tiandao,

When the fairy Baihua heard Li Tian insisted on saying this, he said: "Well, if you are going, let Aunt Hua accompany you. If something happens, Aunt Hua will also take care of you. "

"Big Brother, I want to go with you too." Xue Wuhen said on the side at this moment.

"Master, what about me..." Tang Xiaolong also came out now.

Seeing Fairy Baihua and the brothers are going, Li Tian had a headache right now, so he said:

"Auntie Hua, please, I really went there with the ghost servant to find out the whereabouts of the gate of hell. ...It's not to seek revenge from them. If I seek revenge from them, I would not choose to take the ghost servant alone."

Finally, listening to Li Tian say this, Bai Hua Fairy looked at Li Tian helplessly: "Then, then you really want to go?"

"Yeah." Li Tian nodded firmly there.

"Well, since you decide to go, Aunt Hua has nothing to do, but I still hope you two be more careful..." Fairy Baihua said distressedly at Li Tiandao in front of him.

When Li Tian heard Baihua Fairy say this, his heart was warm, and he tightly held Baihua Fairy's delicate hand and said: "Aunt Hua, don't worry, I will go back with the ghost servant."

"Fourth brother, you must protect Tian'er well." Just listen to the ghost servant who looked at the side of Fairy Baihua said.

The ghost servant said in a very serious manner: "Sister, don't worry, even if my ghost servant is dead, I will protect the young master."

Fairy Baihua nodded in relief.

"Big Brother Ghost, what should we do? Let us follow!" Xue Wuhen over there suddenly walked up and said with expectation.

Then Tang Xiaolong rushed over and said with a grin: "And I..."

"Master, little boss, how could you not bring me? My little dragon is with you all the way."

Hearing the two brothers say so, but seeing Li Tian turned his head and looked at them with a smile, he said, "Xiaolong, Wuhen, you guys don't go, stay here..."

"I and the ghost servants must be clear about the purpose this time...We are not going to fight with them, let alone let them discover, so the fewer people, the better."

"If you go there, what if you are found by someone at the gate of hell?"

After hearing Li Tian suddenly say this, Xue Wuhen and Tang Xiaolong not only frowned there together.

There was an unwilling look on their faces.

"Xiaolong, Wuhen, you stay here, the ghost servants and I will be back soon."

As Li Tian said, he took the ghost servant and walked outside.

That Tang Xiaolong and Xue Wuhen reluctantly looked at the ghost servants and Li Tian who were walking outside, not only murmured in their mouths: "Hey, I hope the little boss and the master will go well this time. Come back, don't make any mistakes."

But after saying that Li Tian and the ghost servant left the Cuiwei Residence in front of them, they went directly to the old town.

It takes some distance to reach the old town from here, so the two chose a taxi.

Since it is not too late, the two are not in a hurry.

The taxi walked back and forth on the road. Li Tian and the ghost servant didn't care. It took nearly an hour and a half before the taxi took Li Tian and the ghost servant to the old town of Binjiang City. area.

At this moment, the sky is getting darker and darker.

The old city was originally barren and gloomy, but now as the night gets worse, the entire old city area is even more silent and desolate.

Occasionally, two cars pass by this road, or the light of a small supermarket is lit on the corner of the street, and the rest are all dark.

Because most of the people here are self-employed, and many citizens have moved to the central location of the riverside. For the current old city, it is like an abandoned old man, and there is a sense of sadness everywhere.

After Li Tian and the ghost servant got out of the car, Li Tian glanced at the old town in front of him.

"Desolate enough." Li Tian said secretly.

The ghost servant nodded there.

"Young Master, this direction..." The Ghost Servant suddenly pointed to Li Tiandao with his finger to one side.

Li Tian then followed the ghost servant, and the two began to walk hurriedly on the dark streets of the old city.

The architectural style of this old city is particularly imaginative with the style of the capital. Because they are all in the northern region, the old buildings are all in the shape of a courtyard. This also leads to many dark and dark alleys, walking in this quiet and desolate at night In the deep alley, I always feel that something dark is staring at me behind my back... I can't help but feel hairy.

However, the ghost servant arrived at a residential area after walking a few barren blocks with Li Tian ahead.

Occasionally one or two here are still lit with faint lights, but most citizens have already rested at this point.

Taking a look at the area in front of him, the ghost servant whispered: "Young master, you can see the lair of the gate of **** in this alley."

Li Tian glanced at the dark alley ahead, then nodded.

Under the leadership of the ghost servant, Li Tian followed his footsteps and quickly walked towards the dark alley.

The two walked very fast in the dark alley.

This dark alley was originally empty, so it seemed particularly quiet.

Suddenly when Li Tian followed the ghost servant and walked forward, he suddenly heard something in his ears.

Li Tian's ears are sensitive, and immediately snorted: "Who?"

Then suddenly turned around and looked at it, the energy of the whole body also gathered at this moment.

The ghost servant was taken aback, and now he turned his head quickly.

But seeing the darkness, suddenly a dark thing lay on the ground, looking at them with strange eyes that were open and shiny, those eyes were terribly bright and scary.

Chapter 1689: Sneak in

Meow ~

A cat scream suddenly came out of the dark thing on the ground. .

Then he saw its body sprinting and fleeing directly towards the dark alley.

Cat!

It turned out to be a wild cat.

When Li Tian saw that it turned out to be a wild cat, he let out a sigh of relief in his heart, then couldn't help but smile, secretly taunting: Why am I getting more and more neurotic?

"Let's go." Li Tian did not look at the black wild cat again, raised his head and said to the ghost servant beside him.

The ghost servant nodded quickly on the side, and then led Li Tian to continue walking quickly towards the dark alley.

The two walked like flying.

Soon he walked through 45 dark alleys.

Suddenly at a crossroads ahead, the ghost servant suddenly said to Li Tiandao beside him: "Young Master... is coming soon."

After suddenly hearing the ghost servant say this, Li Tian immediately became cautious, and then even the sound of footsteps began to become more and more lighter.

If you hadn't listened carefully, you wouldn't be able to hear the sound of their steps on the ground.

"Turn around this alley, just around the corner ahead."

"Last time I and Xiaolong and the others, it was here that he found the lair of the doorman of hell." The ghost servant pointed the direction to Li Tian in front of him, and said in a low voice.

As the ghost servant said so, Li Tian raised his eyes and looked forward.

"Let's go."

After saying these two words, the two of them stretched out and swept towards the corner in front of them at an extraordinary speed.

They quickly arrived here at the corner of the alley.

After arriving, I saw that the ghost servant gestured his finger to the place in front and lowered his voice and said, "It's here."

After Li Tian heard the ghost servant say this, he squeezed his footsteps gently and began to lean forward slowly.

Then stretched out his head and looked at it slightly.

I followed my eyes to see, but I saw that the front was a deserted mansion courtyard.

At the door, there were two disciples of **** wearing black robes standing motionless.

"It's really here..." Li Tian suddenly murmured.

The ghost servant behind him whispered to Li Tiandao: "Young Master, there are many disciples of **** here... I don't know why they came here in large numbers."

Li Tian took a close look at the lair where the **** gate was in front, but saw that it was an extremely large courtyard. There are now two **** disciples wearing black robes at the door. As for the other **** gatekeepers, Li Tian also did not see.

"Let's go in." Li Tian said suddenly.

The ghost servant was not only stunned when he heard that Li Tian had broken into the old lair of **** gate.

"Young Master? Go in? I'm afraid it's wrong..."

"In case we were discovered, it would be troublesome." The ghost servant frowned and said.

For the sake of Li Tian's safety, he certainly did not dare to let Li Tian take such a risk.

But seeing Li Tian in front of him heard the ghost servant say so, he smiled slightly and said: "Don't worry, you and I can be careful."

"I must see where the **** gate of **** is hiding here."

As Li Tian insisted on entering, the ghost servant was extremely worried, but he couldn't say too much.

After thinking about it, the ghost servant nodded silently: "Okay."

After the two of them had decided in this way, they leaned against the cold wall and walked slowly and carefully towards the place where they stayed in the Hell Gate lair.

Finally, through the darkness of the night, the two slowly reached the lair of the **** gate.

But seeing the two **** disciples on the left and right standing at the gate, wearing black robes, did not notice Li Tian and the ghost servants, who were still standing motionless there.

Let's say that when Li Tian and the ghost servants arrived at the fence of the courtyard, Li Tian pointed his finger at the fence, which was about 34 meters long, and motioned for the two to jump over from here.

Of course the ghost servant understood Li Tian's thoughts, so he nodded quickly.

I saw Li Tian first go up. He slid up, squeezing like a cat in the dark, just squeezed like this, and then jumped, and he swept over the wall.

After skimming over the wall, he quickly leaned over to observe the situation below.

However, there were two rows of disciples of **** standing neatly in the courtyard inside. Looking carefully, there were not more than two dozen disciples of ****, and there were disciples of **** wearing black robes guarding the front room.

Seeing the high security and the large number of people here, Li Tian not only frowned slightly.

At this moment, but with a sound, the ghost servant also swept up in the dark night.

After the two reached the top of the wall together, they carefully observed the situation below.

When the ghost servant glanced at so many **** disciples standing guard in the courtyard, he not only frowned immediately.

He whispered to Li Tiandao, "Young Master, look, there are many disciples from **** here."

Li Tian nodded secretly and said, "Yes."

"I'm afraid we want to go deep inside, it's wrong." The Ghost Servant continued there.

Li Tian glanced at the heavily guarded surroundings, and realized the danger of the situation before him, and nodded silently.

It seemed that he didn't dare to break in rashly.

The two of them cautiously lay on the top of the wall and continued to observe the actions of the disciples of **** in the courtyard.

Those disciples of **** were motionless like dead corpses. Everyone had a cold and ruthless face, without a trace of normal human emotion.

Besides, when Li Tian and the ghost servants observed for about 10 minutes, they suddenly saw two weird women in black robes coming out from the left side.

One of them was wearing a mole on his face with sharp and venomous eyes, and the other was low in stature and his face gave people an indescribable sense of aversion to evil.

After these two women came out of it, they attracted the attention of Li Tian and the ghost servants.

"How come these two women have never met?"

"Who are they?" Li Tian couldn't help but said in the dark, while staring at the two women in black robes without blinking.

The ghost servant here was also curiously looking at the two weird women with his eyes open, he didn't seem to know much.

Besides, the two women in black robes were talking there after they walked out.

The ugly woman with the shortest stature said to the woman with a mole on her face: "Eldest sister, the host said, there is a guest in Binjiang City, who is it?"

As the short woman said so, the woman called the eldest sister said in a sharp and unpleasant voice: "I don't know this either."

Chapter 1690: I want to go in

"The master is acting, it is absolutely not what you and I can guess."

Listening to what "big sister" said, the low-bodied woman thought for a while, and continued: "Big sister, the master told us to stay here all this time, why?"

"According to the truth, shouldn't we get rid of the damned people on the rivers and lakes who violated our **** gate one by one?"

The "elder sister" said: "The master's order, we still don't want to talk about it."

"What the master tells us to do, we do, absolutely do not allow too much questioning, Xiaolan, you are too much." The eldest sister with a "mole" on her face suddenly spoke coldly to her side. The ugly woman called "Xiaolan" said.

After hearing the reprimand from "Big Sister", the ugly woman lowered her head and said, "Big Sister, I was wrong..."

"Huh, next time I will never let me hear your nonsense again, or else...you should know the consequences." The cold-faced "eldest sister" said this cruelly, then turned around abruptly and left.

The low woman followed closely like a dog, with her head down, not daring to make a statement.

Besides, the voices of these two terrifying and strange women's conversations were all heard in the ears of the ghost servant and Li Tian.

After seeing the two weird women leave the courtyard, Li Tian not only whispered there, "Ghost servants, they just talked about the master of the gate of hell? Could it be that the master of the gate of **** has already appeared in Binjiang City? "

Li Tian asked with eyes wide open in disbelief.

The gate of hell, the master.

That mysterious and terrifying hero was born once more than 20 years ago, but he has never heard of him since then. The only thing he knows is that he controls the huge and terrifying gate of hell. organization.

Who is he? What terrifying strength does it have? Now everything has become a question in Li Tian's mind.

After hearing Li Tian say this, the ghost servant next to him was also deeply shocked.

Muttering in his mouth: "The master of the gate of **** was born?"

"Even in Binjiang City?"

A deep fear suddenly enveloped him.

What about Li Tian? The anger that burned from within quickly spread all over the body.

Enemy!

Murder his father's ultimate enemy.

Li Tian finally had a chance to see him. He clenched his fists tightly and glared at the disciples of **** in the courtyard.

"Ghost servant, I want to go in and see. I want to find out what the **** gate master looks like. I want to remember his face clearly and avenge my father and my mother."

After Li Tian suddenly said this, the ghost servant in front of him immediately grabbed Li Tian's arm tightly.

"Young Master, no."

"Now so many **** disciples are guarding here... Besides, the **** door master is also here... If once discovered, everything will be over." The ghost servant said worriedly.

But how could Li Tian watch his enemy in front of him? And yet he flinches?

His eyes were covered with terrible bloodshot eyes, and he suddenly said, "No, I must go in."

"I must know who my enemy is." Li Tian said there.

"Young Master..." The ghost servant still wanted to dissuade.

It's a pity that Li Tian didn't listen to him at all. At this moment, his body was vertical, and he swept towards the other side wall like a nightingale.

His speed was surprisingly fast. When he landed on the wall, he didn't make a sound.

Although there were many disciples of **** guarding in the courtyard, Li Tian was still not found.

After all, Li Tian, who had studied Maha Wuliang, was already a master at the top level.

The current disciples of hell, although they are all masters, compared with Li Tian, they are far worse.

After Li Tian jumped over there all of a sudden, the ghost servant sighed deeply. He had nothing to do at this moment. In order to protect Li Tian, he could only quickly follow.

It was said that after Li Tian fell, he found a blind spot on the far left of the courtyard, and that blind spot was dark.

After seeing such a corner where he could hide, Li Tian moved his body, and then he straightened down from the wall.

After falling, he hurriedly pressed his body against the wall, and then hid in the dark blind spot.

There are so many disciples of **** standing in the courtyard, but they still haven't found them.

Li Tian carefully observed the movements of the disciples of the **** disciples in front, and saw that there were two disciples guarding the disciples of **** in the middle of the courtyard. As for whether there were other disciples in the room, Li Tian didn't know yet.

While he was observing, two brawny men, shirtless and upper-body, suddenly came out from the secret door on one side of the room. The two were extremely majestic. After they walked out of the secret door, they swaggered toward them. Walk on the other end.

"There is also a secret door?" After seeing this situation in Li Tian's heart, he was not only stunned.

Then he raised his eyes to look carefully, but saw that the secret door was not guarded by personnel, only two disciples of **** wearing black robes were guarding it.

"What's in the secret door?"

"Could it be that the master of the gate of **** will be inside?" Li Tian couldn't help but lining up. While he was secretly lining up, the ghost servant had already swept behind him.

"Young Master, what did you find?" The ghost servant asked Li Tiandao in a low voice in the dark. Li Tian pointed to the front place and said: "I just found there is a secret door there, but I don't know who is behind the secret door."

"Really?" The ghost servant blinked his eyes curiously and looked over there.

But seeing the hidden door embedded in the wall, if you don't look carefully, you can't see it at all.

"Young Master, don't you want to go in and find out?" The Ghost Servant asked Li Tian in surprise.

But seeing Li Tian smiled slightly and said: "Actually, I have this intention."
