

A Killer 171

Chapter 171: Weird rickety old man

Standing there, Situ Ningbing's face was pale, it was obvious that the Sanshengmen poison in her body had begun to attack, but she tried hard to endure the tingling sensation coming from her chest.

"The reason why I don't kill you is that I want to leave you a dog's life, and go back and tell the evil spirits that my shadow will never have anything to do with Qisha from now on." Situ Ning said coldly.

But that K still had blood but grinned gloomily.

"Is it?"

"Haha, I think you are lying... When did the cold-blooded Killer Shadow become so soft-hearted? Could it be that you knew that you couldn't kill our brothers today... That's why you said that." K said with a grin.

That Xuebian was also looking at Situ Ningbing with a pair of vicious eyes, wanting to see what happened to Situ Ningbing.

"If you want to die, I will fulfill you as soon as possible." Situ Ningbing said.

Situ Ningbing just wanted to end this battle quickly, because the Sanshengmen Poison in her body had become more and more uncontrollable. If she didn't use her hands anymore, she would probably have no time for the poison to attack.

Therefore, she was anxious to move her hands, and her body suddenly attacked the K like a whirlwind.

Qiu Si behind that was looking at his goddaughter, with an unspeakable heartache in his heart, he was afraid that Bing'er would make a mistake...

And Li Tian also hid in the dark and couldn't help but stunned: What does K and ***** words mean? Isn't Situ Ningbing very good?

Why are these two ***** like K and Xuepan not afraid?

Just when Situ Ningbing suddenly shot, K and Xuepan didn't dare to care at all. Although the two guessed that Situ Ningbing seemed to have something wrong, they were still not sure.

No, the attacking Situ Ningbing's two slender hands attacked K again, and K was forced into a rush, backing again and again.

And the blood over there was also shocked: Did the K just now be wrong? Did this Situ Ningbing really spare their lives just now?

At this moment, he couldn't even think about it, and a pair of blood shadow palms fought hard at Situ Ningbing.

The sky full of blood shadow palms covered Situ Ningbing's whole body.

Situ Ningbing looked back, the life-threatening silk in his hand reversed suddenly, but at the moment of the reversal, her chest suddenly became suffocated... and then at the moment when her body was trembling, the pair of ***** bloody palms Has been bullied to her.

Seeing that the deadly blood shadow palm was about to hit her chest, Qiu Si behind it could no longer stand.

"Who dares to hurt my goddaughter..."

With a loud anger, Qiu Si fought recklessly and entered the battlefield, his cold posture forced the blood to retreat uncontrollably.

But look at Situ Ningbing again? Her tender body couldn't help trembling when she retreated, and her pretty face was pale and ugly for a moment, as if she had suddenly got some serious illness.

Xuepan and K, who had been forced back, couldn't help looking at the pretty pale Situ Ningbing with those evil eyes at this moment, and couldn't help laughing slyly for a moment.

"Did you see it? There really is something wrong with that girl!" Suddenly, he said evilly.

The blood in front of her showed a mouthful of white teeth and said with a smile: "I can see that her movements are slower and slower than before, and she seems to be unable to stand."

When the two wicked men in front of them said so, Situ Ningbing who was standing there suddenly rang out angrily: "Looking for death..."

But when her hand was raised, the Sanshengmen Poison in her body was completely uncontrollable.

With a wow, black blood spit out from the corner of her mouth, and then she swayed like a kite about to break, trembling constantly, as if she was about to fall to the ground at any time.

"Binger, don't move, your poison can't move anymore." Qiu Si said in shock.

The treacherous K and Bloody smiled grinningly at this moment, and there was a trace of ferocity and fanaticism in the evil eyes, as if he had seen the prey in his hand.

"So she was poisoned!"

"Haha, what a godsend opportunity!"

The voices of the two reached Li Tian's ears, who was hiding in the dark, which completely shocked her.

Is she poisoned? How could this be?

Li Tian looked at the scene in horror!

Looking back, when Situ Ningbing deliberately let go of these two people last night, and the change in indifference when she saw herself...

Could it be that she knew she was poisoned a long time ago, and she had guessed that these people would go and return, so she treated herself so coldly and let herself go?

Li Tian, who suddenly remembered this, was suddenly shocked!

A crisp ear scraper hit his face.

"How the **** I am so stupid! I am so stupid." Li Tian scolded himself regretfully.

So she was poisoned a long time ago?

Seeing that Situ Ningbing now looks like a broken kite, with black blood on the corners of his mouth, and that Qiu Si was seriously injured last night. Even though he is standing in front of Situ Ningbing at this moment, everyone knows that he is not at all. That K still has a ***** opponent.

Could it be that Situ Ningbing and Qiu Si would really be buried here in today's battle?

"Hey, it seems that today we are going to complete the task that the evil master gave us." K in front of him said with an evil smile.

The blood on the side was also full of grim eyes: "She is dead."

After the words were spoken, the two of them first shot and rushed towards Qiu Si.

The deadly and fierce moves rushed toward Qiu Si, and Qiu Si embraced him with his palms, and used the last strength of his body to fight the two desperately!

And Li Tian, who was hiding in the dark at the door, suddenly couldn't stand it anymore. He wanted to go out to help her!

How could he watch her being killed alive by those two bastards?

Then he was about to rush in, but just as his body was about to rush forward, a large, thin and powerful hand above his back suddenly shook his shoulders, that strange hand seemed to have some attraction. Like force, he sucked his forward body, making him unable to move at all.

Li Tian was suddenly shocked, he instinctively backed away and turned his head to look.

Saw him!

"Old man, you..."

The rickety, deaf and mute old man who had been sweeping the floor in front of Qiu Si's courtyard for more than ten years, with old wrinkles on his face, suddenly looked at Li Tian with a weird smile...

The smile was as weird and mysterious as the old fox in the mountains caught the little white rabbit.

To tell the truth, Li Tian's first reaction was shocked. He couldn't help wondering when the rickety old man appeared here. Before he had time to think about it, the rickety old man's hand moved slightly, and Li Tian suddenly only felt his eyes black. He fainted.

Then the rickety old man in front of him suddenly disappeared in front of the courtyard!

Why did the rickety old man suddenly faint Li Tian?

Why does it suddenly appear here?

What kind of secrets are hidden in all these questions?
