

A Killer 172

Chapter 172: Promise me and I will help you!

Li Tian was in a coma.

When he woke up and opened his eyes, he thought he was in hell.

Because it is dark all around, almost nothing can be seen in the dark, as if you are in a cave, and you can hear the sound of ticking and falling water all around.

He tried to touch his surroundings with his hands, it turned out to be a smooth stone wall with water marks!

Yes, he did stay in the cave.

"Why am I here? It's him... the rickety deaf and mute old man, who brought himself here..." Li Tian suddenly remembered.

"Come out, come out, where are you? Why are you taking me here." Li Tian suddenly yelled at the dark cave.

Voices full of anger echoed for a long time throughout the small cave.

Hehe!

Just when Li Tian's angry voice screamed, a strange laugh suddenly sounded in the dark cave.

The laughter seemed to come from hell, hoarse and harsh, and laughed all around.

Li Tian, who was in this dark hole, couldn't help thinking it was a ghost.

"You... are you a human or a ghost?" Li Tian said in shock.

It's a pity that there is indeed no one responding in the darkness all around.

"Little Wawa, you guessed it right, I am indeed a ghost!" The strange hoarse voice suddenly came from the darkness again.

His voice was unspeakably unpleasant, as if his throat was stuck by something, extremely hoarse.

As soon as Li Tian heard the other party admit that he was the evil spirit in Abi Hell, he immediately became angry.

"Asshole, pretend to be a fool, and have the ability to let this young master look at you." Li Tian roared.

Facing the dark space, Li Tian didn't care who it was, and cursed.

The weird voice sounded again: "A few decades ago, all those who dared to speak this way in front of me became dead, but today I don't want to kill you."

"Who are you? Why are you taking me here?" Li Tian exclaimed angrily.

He wanted to see where the strange sound came from, but he couldn't find it after searching for it for a long time.

The weird voice suddenly said hoarsely: "The little baby is so forgetful! Even I have forgotten... You forgot. I was in front of you just now." The monster's voice suddenly laughed.

"It's you! It's you! It turned out to be!" Li Tian said suddenly angrily.

He never thought that it was really the rickety deaf and mute old man who had been sweeping the floor in front of Qiu Simen.

He has always been sympathetic to the old man, but he didn't expect his kindness to be rewarded, but now he was suddenly brought here.

"You...you, immortal, pretending to be deaf and dumb... Why do you want to harm me? I have no grievances against you, why are you doing this to me?" Li Tian roared.

The weird voice suddenly laughed.

"Who said I wanted to kill you? If I wanted you to die, it would be as simple as pinching an ant." The strange old man suddenly said.

Li Tianyi was taken aback: "You arrested me here, didn't you want to harm me? What else do you want to do?"

Hearing Li Tian's words, the strange voice suddenly disappeared all around.

There was a sudden deathly silence in the dark cave.

"Hey, hello..." Li Tian was very impatient in his heart. He just wanted to leave here quickly to help Situ Ningbing and the others. Situ Ningbing was poisoned and Qiu Lao was seriously injured. There was a **** battle, so he didn't have the time to idle here.

"Little Wawa, you better be quiet. I want to tell you something now. You will listen carefully to me. Otherwise, I will let you stay here for the rest of my life, and I will never be able to go out of this cave, let alone let you help Old Man Qiu. , And the girl's life."

Li Tian was shocked when the rickety stranger in front of him said so.

Yes, it's dark here, and I can't find an exit at all. What's more, the current Situ Ningbing and the old man Qiu are still working hard outside. If he really doesn't listen to the monster's words, he is really trapping himself. ? Wouldn't I be crazy?

What surprised Li Tian even more was that this old monster actually called the four Qiu Lao'er... Could it be said that his seniority is more powerful than that of Qiu Si who has been in the underworld for decades?

Helpless Li Tian had no choice but to say in the darkness: "If you have anything to say, I have to go and save people."

"Hey, Little Wawa, with your three-legged cat kung fu, going out is not going to die!"

Li Tian heard him say this and said angrily: "Even if I die, I will go out."

"So ambitious!"

"But you are a fool to die, a pure fool." The monster suddenly cursed Li Tian.

"But you kid, at least you have a kind heart." The strange man suddenly said.

Li Tian listened to his words carefully, and felt that this rickety man who had taken him captive became more and more strange.

"Boy, do you want to go out and defeat the Jedi Sha? Do you want to help Old Man Qiu and the girl?" The monster suddenly smiled.

Li Tian was not only taken aback after hearing this, "Of course I did."

"Then you have to listen to me, and you have to do one thing for me. If you agree, I can let you beat those two guys, and also let you heroes save the beauty..." The monster in that place in the lacquered cave suddenly said with a grimace.

"Nonsense!" Li Tian didn't believe it.

"Boy, if you don't believe me? Just forget it, then I don't care about you, let you stay in the dark cave forever."

Li Tian was afraid that this old monster would really lock himself here for a lifetime! The most important thing is that he is now in a hurry to go out and save people!

So now I can only helplessly ask: "Can you really help me beat those two bastards?"

There is also K's power in Xuepan, he is not clear, how could he have been able to fight?

"Hey, that's natural."

"As long as you promise to do something for me, I will let you defeat those two guys."

"Do you agree?" The weird voice sounded again.

Li Tian thought for a while: "What are you talking about first?"

The odd hoarse voice said, "No, you better agree first."

Li Tian was helpless and anxious. At this moment, he just wanted to go out and rescue Situ Ningbing and the others, so he didn't allow him to delay the time. He had to say, "Okay, I promise you."

"Will you lie to me?" The old monster suddenly said to himself.

"Shall I swear? If I violate what I said today, I will be struck by lightning, and I will not die." Li Tian said anxiously.

The weird voice was silent for a while, and slowly said, "Well, I believe you for the sake of your kind heart."

As his voice sounded, a beam of light suddenly rose in the dark hole.

A bright torch burned in the front place.

But where you see under the torch, isn't it the rickety old man who has been sweeping the floor in front of Qiu Simen? Only this time, his eyes were clear and his eyes were sharp, a pair of thin old men draped in front of his legs, sitting there wearing a tattered clothes, looking at Li Tian.

When Li Tian saw this old man sweeping the floor, he couldn't tell the feeling in his heart.

This old man is not a deaf-mute old man, but why has he been pretending to be a deaf-mute old man in front of Qiu Si's door for so many years? And for so many years? What is all of this?

"Old man, you...you...are not deaf and mute?" Li Tian looked at the old man in surprise and asked.

The rickety old man's sharp eyes suddenly showed a cold killing intent, but it was fleeting.

"My ears and voice were ruined, but they were not completely deaf and mute..." The old man said suddenly sadly.

"Have someone murdered?" Li Tian couldn't help being shocked.

Who is so cruel to do such a thing, and ruin an old man's hearing, and the ability to speak in his voice, no wonder his voice is vague and unclear...

"Hey, you can't guess who killed me? I was killed by my brother!" The old man suddenly laughed miserably.

That weird face became extremely distorted because of his smile.

Li Tian was completely shocked after hearing it!

What he said is true? Is his throat and ears destroyed? The murderer turned out to be his brother?

Who is the rickety old man? Can you really help Li Tian solve the troubles outside? Can the contradiction between Li Tianneng and Ningbing be resolved? Everything is still unknown.
