

A Killer 173

Chapter 173: Teach him (1 more)

When the rickety old man said so, there was endless hatred in his eyes.

The whole body was trembling slightly because of excessive excitement, and the hoarse voice in his throat was also hissing.

Looking at the appearance of the rickety old man, Li Tian completely believed that everything he said turned out to be true.

"Are you asking me to avenge you?" Li Tian asked suddenly.

The rickety old man suddenly giggled, his laughter was harsh.

"Yes! You are very smart, I just want you to avenge me." The rickety old man's weird and harsh laughter resounded in the cave.

Li Tian didn't speak and stared at the rickety old man. A man who ruined his brother's voice and ears so cruelly was indeed a wicked person, and a great wicked person. Such a person should go to hell.

"Promise?" The old man asked, staring at Li Tian with his eyes fixed.

Li Tian thought for a long time before slowly saying: "Okay, I promise you."

"Let's talk about it, how do you want me to avenge you?" Li Tian asked.

The rickety old man's face was grim: "I want you to kill him for me."

"Kill him?" Li Tian said in shock.

The rickety old man spit out cold words: "Yes! And you must kill him yourself."

"The murder...I don't want to do it!" Li Tian said embarrassedly.

"Huh, kid, how dare you lie to me?" The rickety old man suddenly burst into ejaculation, and said angrily. Li Tian was shocked by the huge murderous aura that filled his body.

Li Tian stood there and said, "Although I promise you to help you get revenge, I will never kill the other person."

"Even if you trap me and let me stay here forever, I won't help you kill."

"Are you not afraid that I will kill you? Are you not afraid of Lao'er Qiu, and that girl who was slaughtered by Tian Jedi outside?" The old man looked at Li Tian threateningly.

Although Li Tian was very anxious, he said, "Although I really want to go out and help them, I will never promise to help you kill people! Even if I die, I won't agree."

Facing such a stubborn Li Tian, the rickety old man suddenly sighed helplessly.

"Forget it, even if you don't help me kill him, but at least reveal all his evil deeds. In that case, he will be better off dead. Can you agree?" The rickety old man in front of him suddenly stepped back. That said.

Li Tian thought for a while: "I can promise you this."

"That's good! I will tell you the name of the enemy now..."

"His name is Duanmu Heiming!"

When the rickety old man uttered the four words (Duanmu Heiming) word by word with infinite hatred, Li Tian couldn't help but stunned slightly.

Duanmu?

Could it be that they are also known as the four largest families in China, the most mysterious Duanmu family?

"Duanmu Heiming?" Li Tian muttered the name silently.

Perhaps for Li Tian, this is a completely unfamiliar name, but for the southern area, or for the upper class, Duanmu Heiming's name is unknown to everyone.

He is the current helm of the Duanmu family! (This is something),

"Yes, it's him, young man, you must remember this name, because you must take revenge for me in the future." The rickety old man suddenly gritted his teeth.

Li Tian could feel the hatred that this rickety old man felt when he heard that name.

"Old man, I want to ask, is Duanmu Heiming a member of the Duanmu family? And you...are you also a member of the Duanmu family?" Li Tian asked in surprise.

Just now, the rickety old man personally said that he was murdered by his brother? Since the Duanmu Heiming surnamed Duanmu, isn't this old man also surnamed Duanmu?

However, seeing the old man's eyes suddenly cold, he said angrily: "Don't mention the Duanmu family to me!"

Faced with the old man's vicious eyes, Li Tian dare not say any more.

"As long as you remember his name, you can avenge me in the future." The old man said fiercely.

Li Tian nodded silently, his heart lined up: This rickety old man is really a weird person.

"Boy, did you agree to me? If you agree, you'd better say it, otherwise, the old old man and the girl outside may be dead now."

As the rickety old man in front of him said so, Li Tian quickly said, "Yes."

Just now because of the old man's affairs, Li Tian almost forgot about the old enemy and Situ Ningbing's affairs outside. At this moment, remembering that he had been here for so long, he didn't know what would happen to them outside, so he said impatiently.

The rickety old man laughed happily.

"Okay, you have promised me now, then I should help you now," the rickety old man said suddenly.

"How do you help me?" Li Tian said in surprise.

The K outside still has the power of blood evil, he didn't know it, it was really not easy to deal with them.

The rickety old man smiled, and suddenly beckoned to Li Tian: "Come here."

Li Tian was surprised, but he walked over slowly. When he came to him, the rickety old man said, "Have you learned kung fu?"

Li Tian didn't actually learn kung fu, what he learned was the moves he learned from the "broken book".

But he nodded: "Well, I learned a little bit."

The rickety old man nodded slightly: "That's good."

"Now I want you to sit here intently, and then look at me... Remember that your eyes had better not blink... Because I won't teach you more than once." The old man suddenly straightened up and said.

Li Tian was slightly startled in front of him: Does he want to teach himself kung fu?

But when is this? How can Li Tian have time to learn kung fu? How can you learn in such a short time?

"Old man...I..." Li Tian didn't say anything yet, but seeing the rickety old man suddenly gave Li Tian a vicious look.

"Sit there and don't talk."

Hearing what the old man said, Li Tian had to sit on the ground peacefully.

"You see clearly."

After the rickety old man finished speaking, his body suddenly moved slowly there.

The movement is very slow. The first step of the front foot is very strange, and then the right hand is a very awkward gesture, and then the footsteps are quickly retracted, hugging like one, and the arm suddenly moves, the body suddenly twists, retracts, and stands!

"Did you see clearly?" The rickety old man suddenly turned his head and looked at Li Tiandao.

Li Tian looked at him for a moment, then nodded quickly: "Almost..."

"What does it mean? I ask you whether you see it clearly?" The rickety stranger suddenly said angrily.

Li Tian said quickly: "See clearly."

"See it clearly, say it clearly, don't say it's almost the same."

"This is the first move. Look at the second one."

Then the rickety old man began to teach him the second move...

Every time he taught a trick, the old man paused, and asked Li Tianji if he was clear? It seems that this seemingly awkward, but strange-looking move seems very important.
