

A Killer 175

Chapter 175: Solved together (3 more)

"Also this (Rashomon, nine styles) although you have remembered the moves, but the real meaning has not been understood. When you understand the true meaning of the three words Rashomon, that is, you really When you learn this move. But for you now, as long as you remember these moves and go out to deal with the Jedi that day, it shouldn't be a big deal. As long as you don't rely on their strength, background, and only rely on tricks and skills to win, you should not What is difficult."

After the rickety old man in front of him said so, Li Tian couldn't help feeling excited.

To be honest, he really wants to go out and try it now. Is the brutal trick he learned just now really as the old man said?

"No matter what, thank you old man." Li Tian said gratefully.

The rickety old man suddenly laughed miserably.

"Boy, after you go out, you are never allowed to tell others that you have seen me, let alone mention what I taught you (Rashomon, Nine Types). Have you remembered clearly? If you dare to mention me? Huh... "The rickety old man suddenly said strangely.

Li Tiantian was startled slightly, and said: Why is the old man so weird! Why not let yourself tell others? Maybe... Maybe... He really has something unspeakable.

"Okay! I promise you." Li Tiandao said.

The rickety old man nodded slowly, looking at a direction in the deep hole with that ethereal gaze, and sighed, "Remember all the things I said to you and the things you promised me..."

"Remember my hatred!"

"From now on, you will never see me again, but I hope you can be a credible person."

As the old man finished speaking, suddenly the torch in front of him was blown out by an inexplicable cold wind.

"Old man...you...you haven't told me your name...?" Li Tian said in shock, but unfortunately it was too late.

The surroundings plunged into darkness suddenly, and when Li Tian was shocked, suddenly an invisible "ghost hand" was pressed on the back of his head, his eyes went dark, and Li Tian passed out again.

When Li Tian wakes up, he can still clearly feel the light pain coming from the back of his head.

At this moment, he blinked and saw that he was lying in front of Qiu Si's courtyard.

Can't help but froze right now.

Could it be that the rickety old man sent himself here again?

Li Tian, who quickly got up from the ground, blinked at the verdant back mountain not far from the courtyard. Li Tian couldn't help but secretly said: Did I just be taken there?

Just as he was surprised, suddenly a scream sounded in the courtyard.

Li Tian was suddenly shocked. Just now, because he was thinking about the rickety old man's affairs in his heart, he almost forgot the dangerous things of the old man and Situ Ningbing. At this moment, he suddenly remembered, and ran towards the courtyard with a stride.

Looking inside the courtyard again, Qiu Lao's burly and tall body was standing in front of Situ Ningbing.

It's just that the whole body was covered with scarlet blood, the shoulders were pierced by the K's tooth blade, and the abdomen was bleeding.

Although the tall body blocked the front of Situ Ningbing, it trembled slightly.

His body that once smashed the gangster of Kyoto City is now dying...

The pretty face of Situ Ningbing behind that was weakened by the poison of the Sanshengmen, and there was a trace of despair and desolation on the cold face that stayed there.

Her eyes did not look at the scene, but at the blue sky suddenly.

Occasionally one or two flying geese flew past the sky... She just looked at it, what was she thinking about?

Maybe at this dying moment, she thought of him! Li Tian.

Did she have time to explain to her... Should she regret...

"Chou Lao'er, can you still hold on?"

A treacherous laugh came over and said, looking at the old old man who was covered in blood standing on the court.

It was the treacherous villain who spoke: K.

Holding the **** tooth blade in his hand, K stood there.

"And you, a traitor who betrayed the Qisha, today it seems that our brothers really want to clear the door for the evil master."

The **** side by the side, sinister and vicious, looked at the great scene and said: "K, it's better not to get out of trouble, it's better to solve them as soon as possible."

K nodded.

Then he held the cold-blooded tooth blade in his hand and walked towards Qiu Si step by step.

Qiu Si was already at the end of the force at this moment. He was wounded and he already felt the breath of death, but he was stubborn by nature, even if he died, he was righteous and dying like a man.

So he roared and snarled out, gathered the last trace of strength in his body, and rushed towards K in front of him.

"Godfather..." Situ Ningbing screamed miserably.

However, Old Qiu seemed to never have a chance to hear it again, because the deadly tooth blade in K's hand had penetrated straight into Qiu Si's chest.

"go to hell."

The tooth blade carrying the cold momentum suddenly pierced towards the middle of Qiu Si's chest.

Is Qiu Si dead?

At this moment, a figure that seemed to have fallen from the sky suddenly galloped in.

"Who dares to hurt him..." With the sound of this voice, his dragon and tiger figure was about to bully him, and K was taken aback, and then he saw a figure punching him.

If he did not retreat, he would definitely be hit by a fiery fist, groan, and retreat.

It was Qiu Si, and Situ Ningbing was stunned.

he came? Didn't he go? Why did you come back suddenly?

"Li Tian!" Old Qiu was already ready to accept death with his eyes closed, but he didn't expect that at this juncture, this kid would go and return.

Li Tian stood in front of the old man Qiu and said: "Old man Qiu, your injury is not serious. Sit there and rest. Let me deal with these two bastards."

The old man was stunned slightly. He didn't expect that Li Tian, who had not seen him for a few hours, would say such arrogant words that he wanted to deal with the evil spirits of this day.

"you?"

"Child, you'd better go." Old Qiu said with difficulty, he didn't want Li Tian to die here unjustly.

However, Li Tian shook his head slightly. He slowly turned his eyes to look at Situ Ningbing, who was staring at her on the side, and his lips moved.

"I....."

"I finally know why you treat me so indifferently." Li Tian stared at Situ Ningbing and said word by word.

When Situ Ningbing heard these words, her heart throbbed, and her cold heart was completely melted at this moment, but her cold and glamorous face was not moved at all.

No words, no words, just staring at him.

"It turned out to be this **** boy." K, who was forced to go back there just now, said suddenly furious.

Xuepan next to it also said gloomily: "I thought this kid ran away in fear, but I didn't expect to come back. Hey, it's just right to come back, K, it seems we are going to solve them all together."

"This **** kid is too hateful." Duanmu Lei, who had been insulting behind, stared at Li Tiandao viciously.

His hatred of Li Tian didn't last for two days, and now he can't wait for the K in front of him and the **** Pan to kill Li Tian as soon as possible.
